Fire District Race Shapes Up

Ofenloch Requests Longer Vote Hours

Ex-Fire Chief B. Medard Ofenloch this week filed his nominating petition for the December fire commissioner election and gave a hint that a lively campaign is in the offing. It is reported that Ex-Chief Charles Saurer has already filed and Cono Brigandi is preparing to do likewise. The trio will be competing for the vacancy caused by the expiration of the term of Harry Gleckler.

Ofenloch, candidate for election to a five-year-term as a commissioner, this week requested that the Board of Commissioners give serious consideration to extension of the hours of voting to permit the largest possible number of qualified voters to take part in this election.

"All the taxpayers of Hicksville contribute their share to the financing of the Fire District and all are entitled to the opportunity to voice their choice of who shall be on the Board of Commissioners," Ofenloch pointed out.

In the past voting has been limited to about three hours, from 7 PM to 10 PM, making it difficult if not impossible for both husband and wife to battle supper hour traffic and make it to the polls.

"I propose that the voting hours start at 12 noon and conclude at 10 PM so that wives may vote during the afternoon and their husbands at night when they return home from work," the Ex-Chief said. "I insist that the election of fire commissioner is no less important than the election of school trustees or of officials of the town, county and state. Our community with an estimated 24,000 eligible voters should bend every effort to have the selection of fire commissioner decided by more than 10 per cent of the voters."

Regulars Win Big In Primary PTA Leadership Workshop Sept 19

Incumbent regular Republicans won the primary contests on Thursday in the Town of Oyster Bay and Assembly District without difficulty. Assemblyman Edwin J. Fehrenbach of Bethpage and Councilman A. Carl Grunewald were the victors by 4 to 1 margins as about 25 percent of the enrolled voters cast their ballots.

On the basis of unofficial returns collected Thursday night at the Four Seasons in Woodbury, the 167 town election districts averaged 89 votes per district.

However, in Hicksville the 26 districts average 117 votes per district under the leadership of County Clerk Francis Anderson, local Republican leader.

Edward Werner of Massapequa with almost 3,000 votes in the

fourth assembly district to about 13,000 for Fehrenbach, suffered his heaviest losses on the North Shore going down 10 to 1 in Sea Cliff.

John McFadden, Hicksville GOP committeeman, running against Councilman Grunewald, also a Hicksville GOP committeeman, ran slightly better than Werner. McFadden and Werner were not affiliated in their bid for nomination as Republican candidates in November.

William A. Bruno Jr as a candidate for State GOP Committeeman ran ahead of McFadden in Hicksville with 2,740 for Thomas R. Pynchon and 639 for Bruno. However, he was behind Werner and McFadden in the township total. Assemblyman Edwin J. Fehrenbach made the following statement:

"Today's returns prove conclusively that there is no room in the political dialogue of suburbia for those who would foster fear and suspicion.

"I take these results as a mandate to continue fighting for improved educational opportunity for the young people of our burgeoning suburbs without crushing tax burdens imposed upon the shoulders of the average homeowner.

"My record in this struggle is the most important credential for re-election which I intend to bring before every voter in the Fourth Assembly District.

"To the Republican committeemen of Oyster Bay; to our Primary Chairman Ed Bracken; to my good friend, Town Chairman Bruce Pearsall; and to County Chairman Joe Carlinio I want to express my deepest appreciation for their confidence and support."

Leadership Workshops will be the core of the program of the Hicksville Council of P.T.A. LEGAL NOTICE

PUBLIC NOTICE
 NOTICE is hereby given, pursuant to law, that a public hearing will be held by the Town Board of the Town of Oyster Bay, Nassau County, New York, on Tuesday, September 25, 1962, at 10 o'clock

Dear Jean:

MARY KELLER has returned home after eight weeks in a Veterans' Hospital but is not receiving visitors as yet. She wishes to thank all her kind friends and neighbors for their cards and get-well messages. We understand that a group on Twinlakes Ave., Hicksville, has hired an attorney to fight a proposed zoning variance on industrial property on Midland Ave. which backs up Twinlakes homes. If you want to get a real scientific job on how to scan down a tree - and have it land in the creek -- just call on BILL MCCARTHY. He has the right angle, but it don't always work. The committee headed by ERNIE DIETERICH will be at the Republican headquarters on Broadway (Holden's former store) this weekend preparing the place for an official opening in the near future. The Hicksville School Board holds a regular meeting this Friday night. A new arrangement of the Board meeting table is being planned to improve the sound system. Bus service by Hempstead Bus between Hicksville and East Meadow is scheduled to increase to run every 24 minutes instead of 48 minutes, via Newbridge R., Hempstead Tpke and Prospect Ave. A proposal to rezoning an acre and a half at Newbridge Rd. at the corner of Cherry Lane for the neighborhood business was opposed at a public hearing in Oyster Bay, Tuesday. A petition of 160 residents was filed in opposition by ROBERT SHACKLEY. Rotary District Governor DONALD DIBBES makes an official visit to the Hicksville Club at the Millerside last today (Thurs) at noon. At the annual meeting of the Nassau Chapter of the American Red Cross on May 23, LOUISE AUGUSTIN of Hicksville was presented with a service pin in recognition of her 45 years of volunteer service for the Red Cross. FREEMAN PARR has returned from a trip to the West Coast. He told fellow Rotarians about the Sept. 6 meeting. OSCAR SCHLEGEL, of 34 Seymour Lane, Hicksville, a baritone, is singing the title role of Verdi's "Rigoletto" with the Heights Opera Company in Central Park, Sept. 13. Belated birthday greetings to CYNTHIA BRAUN, daughter of MR. AND MRS. VINCE BRAUN of Third St., Hicksville, who was Sweet Sixteen, Sept. 8. JON'S JEWELERS, located at 82 Broadway, Hicksville, is closing their store, and have some really excellent buys. They will be relocating their business on or about Oct. 15 in the new Wall Whitman Shopping Center, Rt. 110, Huntington. Stop in and do your Christmas Shopping early.

JESS MITTLEMAN took us on a tour thru his new Nassau Press plant the other day and disclosed that he has outgrown the new building two years ahead of the date anticipated. We recently reported on some of the items being bid for the high school science classes. We came across some of the prices this week. Fifty bullfrogs, doubles, went for a bid of \$56 although some bids were as high as \$195. And double cats, embalmed, (live) were offered for a low of \$30 and high of \$58 for the lot. Recreation Director JOE MADDEN back in Hicksville from his summer on the other side of the world, came back via Paris. He said he read about the Hicksville prayer case in French newspapers.

A.M. prevailing time, in the Hearing Room, Town Hall, Oyster Bay, for the purpose of considering an application for a special permit, pursuant to the Building Zone Ordinance of the Town of Oyster Bay, as follows:

PROPOSED SPECIAL PERMIT:

The above mentioned petition and map which accompanies it are on file and may be viewed daily (except Saturday, Sunday or holidays) between the hours of 9 A.M. and 4:45 P.M. prevailing time at the Office of the Town Clerk.

Softball, swimming, touch football, a la Kennedy, and horseshoe pitching were all part of the fun. High School PTA Sets Open House

The first meeting of the Hicksville High School PTA will take place on Thursday, Sept. 20th, at the High School on Division Ave. An Open House program is scheduled for the evening at which time parents will have the opportunity to meet in the classrooms with the teachers who will explain their year's curriculum. The Membership Drive under the guidance of Martha Cowell, Chairman, is in full swing, and there will be members of her committee.

Button Bay Rd On TV Sept 24

"The Road to Button Bay" on CBS-TV Monday, Sept. 24, the time 9:00 - 10:00 P.M. Eastern Daylight Time. General Foods Corp. will sponsor the program and the producer will be the Drew Associates, one of the Nations outstanding film-makers.

The night of Monday, Sept. 24, will be a milestone in the history of Girl Scouting. On that night we will present OUR FIRST FULL-NETWORK TELEVISION PROGRAM-IN PRIME EVENING TIME.

Obviously, this program is going to be SOMETHING DIFFERENT! It is about the Roundup that was held this past July in Vermont. But is not the usual documentary account of a mass encampment. Rather, it is an "in depth" treatment of what happened to one patrol of girls who went to Roundup and what their experience meant to them. There will be laughter and tears, intimate moments and a highly sensitive exploration of their emotional reactions.

Actually, three girls emerge as the stars of our film-but only because they are representative of thousands of other Senior Girl Scouts. Their five patrolmates are the supporting players-and a "cast of thousands" provides the background.

Be sure to circle your calendar -SEPT. 24 -- and enjoy our Senior Girl Scouts in action. Look for Hicksville girls, they were there.

at the door to welcome all new members.

The officers of the High School PTA for this year are: Mildred Folsenski, President; Barbara Lensky, Vice-president; Sylvia Gorlin, Recording Secretary; Anne Landress, Corresponding Secretary; Raymond Rusch, Treasurer, and Henry Lensky, Council Delegate.

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville

By ARTIE RUTZ

Now that the heat of the summer is waning and most vacations over, our thoughts are turned once more to the more serious business at hand....The American Legion for God and Country....Many are the activities of the Charles Wagner Post which serves Hicksville and neighboring communities as the fountainhead of Veterans interest in the future of our Country....The Post is proud of its various programs that are in constant action and of the many new ones that will be instituted during the coming Legion year....We are proud that our sponsorship of a team in the International Little League resulted in a championship group.... Congratulations to the boys and coaches....We are proud of our S.A.L. Band which has once again been well received everywhere during their Nassau County appearances and have now added a Bugle section which will increase

its size greatly....We look forward with interest to the many parades that our Color Guard will represent us and The American Legion during the coming months before the winter sets in....Incidentally, the Color Guard now has a separate unit for those members of the Post who wish to participate in funeral service details only.... Sargent Bob Mangels outlined the program at the last meeting so please contact him for further information but I can say that the Color Guard will provide uniforms and equipment....Another program that interests many of us is the formation of a men's rifle team for pleasure and competition purposes....A bowling team is next on the agenda and members are asked to contact Pete Seltz for more information....Our Post newspaper is published once a month under the editorship of Bill Eggerman and goes to all Post and Auxiliary members so that even the stay at home members are kept up to date with the intimate happenings at the Post.... Our Sons Of The American Legion Squadron is looking forward to the formation of a Drill Team and a Rifle Team. Co-chairmen Dick O'Neill and Bill Conway are busy working out the details....Co-chairmen Dick Evers and Doc Goodman handle the very important Americanism program with great skill. Among their responsibilities are the high school Oratorical Contest, Boys State, Grade School History Awards and the delicate School Prayer problem.

Hi, Neighbors

MURIEL SUGARMAN

It's always pleasant to write about engagements, and in this issue it's a double pleasure, because we have two.

Ronnie Gerber, daughter of Beverly and Art Gerber of Forest Drive is betrothed to Larry Cohen, son of Miriam and Milton Cohen of Middle Lane.

Alice Schwartz, daughter of Fay and Joe Schwartz of Hedgerow Lane is betrothed to Louis Soskin of Smithtown.

Best wishes to the happy couples and their parents. Incidentally, Joe Schwartz was the first editor of the VILLAGER.

On Tuesday, Sept. 24, the Hadassah celebrates "H" Day. This means that the Hadassah women will ring doorbells in Jericho and ask you to join. On Wednesday, Sept. 25, the Hadassah will hold its first meeting of the season. This promises to be a real treat. At 12:30 in the afternoon, the ladies serve delicious food. Then a special program is planned. All this is FREE. Just join Hadassah and come to the meeting, which will take place at the Jericho Jewish Center. For further information, call Diane Eder, Membership Vice-Pres. at OV-1-2435.

ATTENTION JERICHO BOY SCOUTS: Boy Scout Troop #129 will hold its first meeting of the fall season Thursday, Sept. 13, at 7:30 p.m., at the George Jackson

School (cafeteria). All boys eleven years of age or older are eligible to join.

Congratulations to Florence and Abe Horn of Hightop Lane on their son's Bar Mitzvah.

Happy Anniversary to Lottie and Gil Stein of Birchwood Park Dr. Nancy Fisher, daughter of Helen and Eli of Fountain Lane, was riding a friend's bike, when her foot got wedged in the wheel. We hope her foot is mending rapidly.

The first meeting of the Robbins Lane PTA will be held on Tuesday evening, Sept. 18, at 8:30 p.m. A most stimulating program has been planned entitled "Helping Your Child To Remember." The speaker will be Mr. Herbert Pollan, director of the Long Island School of Memory Training. The audience will be invited to participate in part of the demonstration. Refreshments will be served.

The Robert Williams PTA will hold its first meeting of the year also on Tuesday, Sept. 18 at 8:30 p.m. in the Robert Williams School. Guest speaker will be Dr. Leon H. Westfall, Acting Superintendent of the Jericho Schools. After the meeting, the parents will have an opportunity to meet their children's teachers over coffee and cake.

The Jericho Chapter of Cancer Care is having their luncheon at The Mooring, Cold Spring Harbor, at 12:30 p.m. on Saturday, Sept. 22. The feature of the luncheon will be a showing of Mr. John's Hats and Accessories. Admission is \$5.00. For further information, call Bobbie Smoller, WE11-8-3616.

Did you see Francine and Marty Lawrence on television a couple of weeks ago?

Birthday greetings to Joplin and Richard Freed, Rhonda Fish, Ed Livingston, and Morty Liebowitz. Sincere condolences to Charlie Vardon of Maytime Drive on the loss of his beloved father.

Lenore and Dan Sirota of Merry Lane, just returned home after a marvelous vacation touring Europe.

President's Corner

by George J. Frankel

With the coming of the Fall Season, all the various organizations of Birchwood will resume their full activity. In line with its policy of serving the residents of our community in every way possible, the Birchwood Civic Association at Jericho, Inc. has always made the pages of its official publication, THE VILLAGER, available to all the other organizations of our community for their publicity and press releases. I should like to take this opportunity to remind the organizations of this service, and to invite their publicity chairmen to contact THE VILLAGER (see masthead).

In the past, complaints and criticism have been brought to my attention to the effect that one organization is getting more space in THE VILLAGER than another, or that THE VILLAGER seems to be favoring one particular organization. Nothing could be further from the truth. The staff of THE VILLAGER, who are, of course, themselves volunteers, cannot possibly undertake to write, report, photograph, or in any other way participate in the formation of the publicity of any organization other than that of THE VILLAGER's parent organization, the Birchwood Civic Assoc. THE VILLAGER is therefore completely dependent upon the other organizations for the material which is published about them, and cannot be held responsible for the relative amounts or quality of these releases.

To comply with the established VILLAGER policy, all press releases, photos, and other publicity material which an organization wishes to have printed in THE VILLAGER should be typewritten, double-spaced, and submitted in duplicate on the Sunday preceding the publication date. Naturally, as with any other material submitted for publication, all such releases etc. are subject to the approval of the Editorial Board, and to the space available.

I am very happy that the Civic Assoc. can make this service available to its fellow organizations, and I hope that they will all have a very happy and fruitful season.

Bloodmobile Comes To Jericho Oct 17

On Wednesday evening October 17th between the hours of 6 and 8 P.M., the Inter-County Bloodmobile will be at the Jericho Jewish Center.

The Jericho Jewish Center is ONLY the sponsoring organization. This Blood Bank is known as the Jericho Community Blood Bank and is open to ALL residents of Jericho regardless of race, color or creed.

Further information can be had by calling Morton, Mann OV-1-1584. More details will appear in the next VILLAGER.

Sholem Aleichem School Begins Sixth Year

This Fall the Sholem Aleichem School begins its 6th year as a secular and cultural Jewish School," according to Robert Starobin, 711 Carlisle Road, Vice President.

A brochure telling of the aims and purposes of the organization is now being made available to interested families. What the school is, how it was formed, how it achieves its objectives, and its handling of Bar Mitzvah are questions thoroughly discussed.

Anyone interested in a copy should call Starobin at WE 8-0767 or Gerald Canter of 126 Columbia Dr., Jericho, at WE 1-2892.

ORGANIZE SQUIRES

The Knights of Columbus, Council #5091 of Syosset, has formed its Columbian Squires. At the August business meeting, the members overwhelmingly voted to sponsor this circle. The general purpose of this movement is to supplement the teaching of the Catholic Church home and school by an active participation of boys between the ages of 13 and 17 in a program of beneficial activities under the guidance of the Rev. Father Joseph J. Doran of St. Edward the Confessor Parish, Syosset.

PREVIEW FASHIONS

Paid-up members of URT are invited to the new and beautiful Americana Country Club on Tuesday, Sept. 25, at 7:30 p.m. After delicious food is served, a preview of the newest fashions will be shown. Details are available from Aileen Puterman at WE 8-7129.

Ten Pin Talk

by Henry Dockswell

The teams are set. The ground rules have been laid. Monday night, Sept. 10 is get-a-way night.

The B.C.A. Bowling League held its annual pre-season executive meeting on Tuesday night, Sept. 4 at our new proving grounds, the Syosset Lanes.

This is our 3rd year of bowling together and it really showed. Amid the light hearted bantering and good natured kidding you could feel the spirit of fellowship and congeniality throughout.

Twelve, six man teams were formed and we will bowl 34 of the 38 weeks between now and May 27, 1963 inclusive. The four missing Mondays are Xmas Eve, New Year's Eve and two Jewish holidays. Once again we will have a split season. Each half will contain 17 weeks, with the last week in each half being a position night. The scoring has been slightly altered. Each game will now count for 2 points with total pins still worth one point. This will make for a 7 point night instead of 4 points as previously. Absentees will still be obligated for their league dues of \$1.50 per week and all absentees will make up any monies their team needs to cover the guarantee for the alleys that night. When all six men on a team are present and ready to bowl, the previous week's absentee will stay out first. If there were no absentees, low man in the last game bowled will sit out first. If there was more than one absentee the team captain is to decide the order of bowling.

Our season's end Dinner Dance is all set. It's a Saturday evening, June 8, 1963 and will be held at the Pine Hollow Country Club. The date has been cleared so there can be no mish-mosh like last year. Many of us are disappointed in the way our bowling shirts held up so we investigated our financial setup. It seems as though we will be able to get new shirts. Some of the late-comers last year and all of the new bowlers this year do not have any shirts at all, so with a little help from our sponsor we should be able to manage this.

Elliot Spencer did a tremendous job laying the groundwork leading up to this meeting and the league owes him a vote of thanks. Elliot, we thank you publicly. Just for that, you can now wear your derby and smoke your stogie every Monday night.

Jericho Republicans Overwhelm Birchers

The Republicans in the Jericho election districts overwhelmed the insurgents in the recent primary battle by a percentage of 13 to 1.

Ralph Diamond, President of the Jericho Republican Club, stated that both Democrats and Republicans should be pleased that the John Birch Society was soundly defeated in Oyster Bay. Speaker Joseph Carlino and Town GOP Leader Bruce Pearnsall, made all true. Republicans proud in the strong stand taken against the members of the Birch Society, he said.

LETTER TO EDITOR

To the Villager:

During the half dozen years our community has been in existence, many problems have arisen that threaten the appearance, property value and well being of our homes and residents. Several of these, especially in the perimeter areas, have been thrust upon us with little or no consultation or regard.

There is however, one side of our "community face" that is sadly lacking and, ironically, very much within our control. I refer to the appearance of our streets, with limp and broken curb trees and the presence of garbage cans that seem to linger from one collection to the next.

Perhaps the surest symptoms of a deteriorating neighborhood is the increasing number of super market shopping carts that dot our streets. Aside from the fact that this is blatant stealing, marks the residents as one who has the utter

disregard for her neighbors as well as her own self respect.

As an interested citizen, and for several years as an officer of our Civic Association, I have been bombarded with calls asking and demanding action on a variety of subjects. Well, here is something we can rectify easily and immediately.

People judge a community— even their own— by what they see. Incidentally, the law requires trees to be trimmed to a height of six feet; requires that garbage cans be taken off the street within six hours after collection; and certainly prohibits the stealing of carts from super-markets.

I urge each of you to help in this matter. Just a little effort can insure a beautiful community for years to come.

Sincerely,
MILTON BAGELY

WE WILL BE CALLING THIS SUNDAY, SEPT 16

JERICO FIRE DEPARTMENT

The 75 men of the Jericho Fire Department are all volunteers.

These men are your neighbors, all local residents who are ready and willing, 24 hours a day throughout the year, to answer any fire or emergency call within the community.

Because they are volunteers, doing a competent job, the homeowners of the community are saved thousands of dollars in property taxes.

Because they are trained and efficient, the area enjoys favorable fire insurance rates.

As volunteer firemen, they neither receive nor ask any remuneration for their services. Their only compensation is the knowledge that their fellow residents and neighbors are behind them and appreciate their efforts.

A positive way in which all homeowners can

express their appreciation is to be as generous as possible during the annual WELFARE FUND APPEAL which takes place THIS SUNDAY, SEPT. 16th.

The funds received are used to cover expenses of the firemen that are not allowed by law to be covered by the annual Fire District tax budget.

A uniformed member of Jericho Fire Dept. will call this Sunday.
