125th Anniversary Event:

RR Switch Over Due in November

The Long Island Rail Road expects to switch over to the temporary tracks detouring rail traffic around the area where crossings will be eliminated in Hicksville about mid November, it was learned today by the HERALD. At the same time a proposal was being advanced to observe the 125th anniversary of the LIRR coming to Hicksville about the same time.

Twenty five years ago Hicksville, under the leadership of the late Dr. Elwood A. Curtis and the Chamber of Commerce, celebrated the Centennial of the arrival of the LIRR. A week-long series of events were staged to mark the occasion.

In 1937 events were held from Oct. 11 to Oct. 17 concluding on the final day with a parade of progress which included local organizations, old time vehicles and floats.

The program for the centennial week began on Sunday, Oct. 11, with special church services, a football game in the afternoon between the Town Team and the Western Front and a program in the high school auditorium at night featuring Edwin W. Weeks as principal speaker.

Monday, Oct. 12, marked the opening of Roosevelt Raceway with a 400-mile Vanderbilt cup race. The race was between motor cars, not trotters.

Oct. 13 was Veterans' Day, the WPA Symphonic Orchestra gave a concert on Oct. 14 and Oct. 15 was school day with special pageants. Oct. 16 was Scout day and on Oct. 17 came the progress parade, a pushmottle race and a community block dance.

The purpose of the prayer bookmark is that the child may carry it to school at all times, and particularly if they are enrolled in a school where there is no group worship, they can utilize the suggested devotion before the school day officially begins.

Over 1,000 students received the bookmark. Not only children registered in Sunday School, but High School and college students as well.

Dear Lynda:

FRANK H. BAUERSCHMIDT, CPA, with A.M. Pullen & Co., residing at 53 Page Drive, Hicksville, has been elected to membership in the New York State Society of Certified Public Accountants.

If you are NOT registered, you CANNOT vote in the General Elections on TUESDAY, NOV. 6, (voting hours 6 a.m. to 7 p.m.). Registration days (at your Election District Polling Place) are Thurs., Oct. 4, 10 a.m. to 10 p.m. and Saturday, Oct. 6, 7 a.m. to 10 p.m. You must be a resident of New York State for one year a resident of Nassau County for four months and a resident of the election district for 30 days.

Our item here last week about firemen racing all around town because of some false alarms was not correct, according to Fire Chief WALTER TELEDNER. There actually were two alarms, in different parts of the town, sounding at the same time. One was a car afire on South Oyster Bay Road and the other a call from the west (and however this proved to be in Westbury district). Hicksville Catholic Daughters are sponsoring a dance this Saturday evening in the K of C Hall on Heltz Pl.

DR. WALTER M. STILLGER has returned from his vacation trip to Europe. The Hicksville Rotarians welcomed him back last week. The Rotarians are planning their Ladies Night on Nov. 10. The Committee in charge includes CHARLES BARVELS, BERNARD EISENMAN and RUDY ROUSE. JOSEPH F. Hicksville Fire Dept. has permission of the School Board to stage a fire drill at Nicholas St. School on Tuesday evening, Oct. 23, at 7:30, so if you see a lot of fire trucks in the area don't get excited. The Fathers' Club of St. Dominics High School in Oyster Bay will hold a dance on Thursday, Oct. 11, at the Town House in Huntington. CORNELIUS J. MCCORMACK of Hicksville has been corresponding secretary of the Fathers' Club in its first year while WILLIAM J. DARGAN, also Hicksville, is a trustee.

Operation VFW

William M. Gouse Jr., Post No. 3211
By Eddie Kiebing

Maximum protection at minimum cost was the principal goal in the formulation of the new VFW Group Insurance Plan. A second bulletin dealing with the plan is in the mails to all members who are requested to advise the commander if they are interested in subscribing to this group policy. It is urged that all members fill in the simple form at the bottom of the letter and mail it to Commander Shannon. Remember -- this is a group plan and cannot be purchased individually. Be-

cause of the mounting interest by certain members it is important that ALL members reply. Information regarding this plan is available in the last three issues of your VFW magazine. Review it carefully -- do not overlook its possibilities. Growing concern about this benefit has prompted Ed Shannon to appoint Joe. Gilligan and Vinnie Edwards as the plan's committee.

Three other committees were appointed. Lou Klien, George Walden, Lou Palladino, and Jim Klueg are the newly appointed salesmen for the Journal. Membership committee will consist of Arthur Puelling, Vinnie Edwards, George Kramer, and George Walden. Myron Litwin, Bill Frohnoefer, and Eddie Kiebing repeat

as last year's committee for the Dinner-Dance with extra help from Al Hanton this year.

The Post is now accepting payment for your 1963 membership dues. Send your checks in early and avoid payment around the holidays. Remember, 100% paid up membership by the end of the year entitles us to another award for display in the club. Better yet, how about dropping by and paying it in person? With membership fees due, your interest in the subscription of the insurance plan, and plain old comradeship, what better excuse is there for dropping by.

Your box of VFW Christmas Cards are in the mail. The price of \$1.25 a box goes a long way in helping the Department of New York support needy comrades and their families. Remember, the VFW is a big family and a grateful one too. Do your share and feel better for it.

HERALD READER OPINION

Prayer Controversy

To the editor:

The coverage of the Mid-Island Herald of the prayer controversy, was in my opinion, the most objective of any of the newspaper stories brought to my attention. In particular, the story of the proceedings in Albany was a true and factual narration. It may not have been the sensational type of reporting favored by the large daily papers, but it was good journalism.

While I may differ with you editorially, I must respect your right to have an editorial opinion.

and will defend your absolute right to express it to the same extent as I will my own.

It is regrettable, however that so many of us in the Mid-Island area have lost sight of our heritage of freedom. Our right to dissent and to express an opinion is no less sacred than our right to have a free press; to govern ourselves; to be free from unreasonable search and seizure; to pursue our religious beliefs, or any other rights guaranteed us by our constitutions, federal and state.

Emotional frenzy, stirred up by demagogues, for the purpose of political expediency, has served to cloud the issues. Dr. Allen, on the advice of counsel, decided that the Board of Education could not adopt an "official" prayer. This he was required to do by the decision of the Supreme Court of the United States in the Engel case. It serves no useful purpose to exorcise Dr. Allen, for in performing his duty he necessarily reversed himself. He should be commended for doing his duty in the face of the anticipatory storm whipped up by the misinformed.

If we believe in constitutional government, it is incumbent upon us to accept the mandates of our

courts, whether we personally agree or not. To do otherwise leads to anarchy, and none of us will have any freedoms, religious or political.

Our Board of Education can be a positive force in teaching our children respect for the rights of others, and obedience to our laws and courts, by setting a proper example. As loyal Americans we must accept no less an obligation on ourselves, individually.

Blood Bank Due Oct 17, Deserves Local Support

by Maurice Torgove

On Wednesday, Oct. 17, a very vital but almost ignored Jericho Community Project will take place. The Jericho Blood Bank, which has been largely ignored because the residents of Jericho are not aware of the tremendous importance and need is that this life-giving organization brings.

How does the Blood Bank work? What is the advantage to anyone who donates?

Let us set up a Mr. Smith as an example. Let's assume he has a wife and four children. If Mr. Smith goes to the Blood Bank and donates one pint of blood, his entire family receives free blood if it becomes necessary for a period of one year. If Mr. Smith were rejected for any reason, Mr. Smith would then volunteer and if accepted the same would hold true. THIS IS IMPORTANT...if both Mr. and Mrs. Smith were rejected, the entire family is still entitled to complete Blood Bank benefits simply for offering their services.

The Blood Bank is non-sectarian, and covers residents in the geographical location of Jericho, Jericho School District #10, and all members of the sponsoring institution, the Jericho Jewish Center.

Mr. Morton H. Mann, Chairman of the Jericho Community Blood Bank, is very optimistic about the expected results this year. In June 1961, only 26 people volunteered of which eight were rejected. Last December 24, 154 people volunteered and 51 were rejected. This year Mr. Mann expects 150 to 200 pints to be donated after rejections. Blood costs \$30 a pint and there are many cases where accidents and long illnesses have occurred where the cost of blood alone has been in excess of \$5,000. If the party had been a member of the Blood Bank, it would have cost nothing.

Here in Jericho, we have a true story of what a truly beneficial and rewarding experience being a Blood Bank donor can be.

Jack and Alice Davis live at 111 Myoga Drive, with their children, Margaret, 13, Kenneth, 12, Mary Ellen, 8, and their dog, Missy. Jack and Alice have given blood to the Blood Bank for many years. Last December 27, both were rejected. Shortly afterwards, Jack had to go to the hospital for an operation where it was necessary to administer additional pints of blood. Even though he and Alice were rejected at the Blood Bank, they were members in good standing because they offered their services and blood Jack received at the hospital was free.

When I spoke to Alice and Jack and asked them why they had been donating all these years, their reply was, "There is a great deal of personal gratification in knowing you're going to help someone when they need help desperately."

In addition to the support of the Jericho Jewish Center, which is sponsoring the drive, Father Daniel J. Peterson of St. Paul the Apostle R. C. Church, Jericho, also urges the people of Jericho to make it a success.

"Although they may tear up the house frequently, children rarely break up a home." — Fred W. Brown, Edgewater (N.J.) Bergen Citizen.

School Board Abolishes Personal Registration

By a vote of 4-1 the Jericho School Board abolished personal registration for voting on school issues. Henceforth the only requirement for voting will be to sign an affidavit attesting to a bona-fide residence in the District. Falsifying an affidavit is a misdemeanor and makes the signer subject to prosecution.

William Simpson, Jericho School District Head of Plants and Grounds is preparing a report for the School Board covering measurements of distances from the rear of the Cantigue School (the back door) to points 3/4 of a mile distant in order to delineate the proper limits for bus transportation when the new school is opened.

Simpson, who is in charge also of transportation for the district may be reached at the Administration Building by parents wishing to ascertain whether their children are eligible for transportation. Simpson, Acting Superintendent Leon Westfall and Cantigue Principal, Skisland are preparing a report for the School Board concerning the best manner of expediting orderly movement of children into the school. The point was raised at the last School Board meeting on Sept. 20th whether the discharge of hundreds of children at the easement walk on Niagara Drive would conflict with the arrival of walking children. The trio of school personnel are expected to consider the possibility of having the busses discharge children at the front entrance to the school off Cantigue Rock Road.

In other school news, the Board has authorized the creation of panel of three consultants to initial screening for candidates for Superintendent on an nationwide basis. The panel will select six candidates whom the School Board will interview personally prior to the final selection.

Head consultant on the panel will be Dr. William Elsbury, Head of Department of Educational Administration at Columbia University's Teacher's College. He has been chief consultant on panels for other school districts in Huntington, Cold Spring Harbor, Freeport. The two other members of the panel will probably be from the west coast and another area outside of New York State. The fact that the process of selecting a new superintendent is being done without undue haste is noted by observers as a indication of satisfaction in the Jericho community with the results of Dr. Leon C. Westfall's work as Acting Superintendent.

Senator Curran Hails Cahn Attack

State Senator Henry M. Curran, Vice Chairman of the Joint Legislative Committee on Obscene Literature, today hailed Nassau County District Attorney Cahn's attack on amoral publications as "an important step in the battle to drive printed and obscene filth from the newsstands and magazine racks of Nassau County."

"I have traveled throughout the entire State in the past six months with the Legislative Committee on Obscene Publications and have been appalled at the lewd, coarse and printed filth displayed on magazine racks and newsstands, especially in areas near schools. It is apparent that these purvey-

ors of licentious material will stop at nothing to make a buck, even to the extent of attempting to pervert the minds of our youngsters."

"District Attorney Cahn's action is most timely and most necessary. We must do everything possible to halt this increasing flow of obscene material into our County and our State. I pledge my full support and that of the Joint Legislative Committee behind District Attorney Cahn's efforts to destroy these manufacturers of lascivious material which is aimed directly at the moral fibre and standards of our youth."

The Villager

FOR THE RESIDENTS OF BEECHWOOD PARK AT JERICHO

Keep Your Garage Closed

Recent weeks, there has been an outbreak of robberies in the community. Friday night there were two more. Investigation has shown that attempt has been made to go through a window and being unsuccessful, the garage door either open, or unlocked. This is the least hazardous of someone to enter.

The Civic Assoc. is arranging with the Nassau police department for a patrol of the area and will consider a private service. Residents are urged to make sure windows are locked, lights are on when you leave and above all, LOCK YOUR GARAGE.

Editor's Note — This is a posed picture. This house always has the garage locked.

Jericho Approach Attracts, Retains

By Phil Meisner, Chairman
District Teachers Assn.

As each new school year begins, the Jericho teachers anticipate another opportunity for excellent service to the youngsters of our community. Jericho's reputation is spreading the academic achievements of our children, our rapid growth, our interest in and support of good education. Equally important, but less publicized, is the professional manner in which our Jericho schools are conducted.

While neighboring communities are embroiled in numerous school controversies, Jericho continues in its solid approach to educational improvement. It is this positive attitude which attracts and retains our high calibre educators.

Adopting this positive approach, the Jericho School District Teachers' Association functions as an expression of our services, our

pride, our self-sufficiency. Our goal is to increase the superior learning program we have created. As parents and teachers, we must continue to expect and to establish the finest for our children and ourselves. We earnestly solicit the support and constructive suggestions of our community for a better Jericho school system.

Household hint: To keep cake from getting stale, put it in a paper box in the children's room.

SMILING TOWARDS the camera is Ruth Zerman, who spoke recently as a Jericho Players' member for 75 members of the Players and their guests. Mrs. Zerman will once again direct the Jericho Players in their forthcoming production of "CLAREMBOUR," a saucy and delightful French comedy by Marcel Aymé.

Ten Pin Talk

by Henry Dockswell

Out of the maze of average bowling Sid Simon and his kiegler (who haven't picked a name yet) emerged in 1st place. This by dint of taking 15 out of a possible 21 points. Sid's strong game of 221, which is still tops, that very first week, and Herb Brody's 209 this past week must have inspired the men. Right on their heels though are Fred Sapie's Royals and Sol Rabinowitz's team each with 14 points and tied for 2nd place.

Merv Cohen and his boys, presently sitting in 9th place, seem to be in a peculiar position. They hold the early season record for Team Series High from both Scratch and Handicap and yet they could wind up no better than 9th. Add to this Merv's entrance into the 200 club with a 201 and you can see the inconsistency of it.

Murray Gintelman's group holds the Team Game High with Handicap 858, and they are tied with Sam Springer's boys for 4th place. Milt Goldberg and his men are in possession of Team Game High from Scratch with 827, but evidently that was just an accident because they are stuck in a three way tie for 9th place.

Leo Geyer is still up front with an individual average of 167 but Fred Sapie with 165, and Bob Burkert, with 160, are hot on his tail. Now the league is squared away. We know our averages and our handicaps. A game won or lost now counts just as much in the standings as on the last week. So fire away men and watch out, for the guy next to you may be looking to bury you with an avalanche of pins.

The VILLAGER has been informed that a law has been passed that requires school stop signs to be placed on the side of the road as most signs, rather than in the middle of a crosswalk. Since the signs will be moved, they may take you by surprise if you are not careful. So be careful. When you come to a school zone, "Watch for the Stop Sign."

World's Greatest At Watkins Glen

Twenty of the world's greatest drivers have confirmed their entries for the Grand Prix of the United States, a 230-mile event for the Formula 1 World Championship of Drivers, set for the famed 2.3 mile circuit at Watkins Glen on Oct. 5-6-7.

The eighth of nine world point races and America's only competition in the championship series, the Grand Prix will be run over 100 laps starting at 2 p.m. Sunday Oct. 7.

The 20 entries confirmed to date include 15 team drivers from the European GP circuit and five of America's outstanding sports car drivers who will change to Formula 1 racing for the U.S. GP.

Graham Hill of England, who could clinch the world championship at Watkins, and Richie Ginther of California will compete in the 3RM cars entered by the Owen Racing Organization.

Political Advertisement

SOLL SAYS

The quickest way to get a politician to raise his eyebrows is to suggest to him that he might have been against Social Security 25 years ago. He will look at you quizzically and say, "Who you?" even though you show him, on the record, that he was against it. Now Social Security is a basic part of the American way of life, and we justifiably boast of it all over the world.

So will it be 25 years from now with Medicare. The King-Anderson Medicare bill, recently defeated in the Senate by an ultra-conservative Republican-Democratic coalition, is so much in the tradition of a growing and moving America that we can bet on its ultimate passage. And we can bet that those who have so vigorously opposed it, such as my opponent, will be the first to deny any part in its early defeat. My opponent has played a special role. As a member of the same coalition in the House Ways and Means Committee, he has bottled up the Medicare bill so the House itself could not even vote on it.

As the fight against disease continues to be won, we are fortunate in having an ever-increasing number of senior citizens. It is essential to our economy that we find ways to solve the financial needs of these senior citizens when they need medical and hospital assistance. We must find ways that it without destroying a lifetime of work and saving, as does the Kerr-Mills approach which my opponents support. We must do it without forcing parents over 65 to become financial burdens to their children—a tragedy the senior citizens themselves want to avoid at all costs. We must do it democratically, with free choice of doctor and hospital, and without the Kerr-Mills pauper's oath and the loss of personal dignity in forcing people to become welfare patients. We must do it in the traditionally American way of saving for a rainy day.

This is exactly what the President's Medicare bill means, and don't let anybody tell you otherwise. It means medical care you have anticipated in your working years, by saving through Social Security contributions. It means free, dignified choice of doctor, hospital, and nursing home. It means assistance, not as a matter of charity but as a matter of right—because you paid for it.

It is a good American answer to a growing healthy America. You vote for Medicare when you vote for me.

Legionnaire's Log

Charles Wagner Post No. 421, Hicksville

By ARTIE RUTZ

The Steuben Day Parade on 5th Avenue last Saturday was a colorful affair and the Color Guard was right in the spirit of things with their new RED jackets—as a little girl on the sidelines remarked as they went by, "Mommy, aren't they pretty!"—Six Color Guardsmen and their wives attended this parade and they made the trip via bus from the Huntington V.F.W. clubhouse in company with members of the Suffolk Post of the Long Island War Veterans of German Descent.

Our Bingo operation has been moved to the Hicksville Bingo Hall and Thursday evening Oct. 18th is our first date. With deep regret Commander O'Neill announced the passing away of his good friend and neighbor, your comrade, Fred Fritz. Legion services were held last Wednesday evening. Due to a miscalculation, our annual Halloween Party and Dance will not be held this year but a new Dance will be held on Dec. 1st. Mark the date on your calendar now—Call it the "Snow Ball" if you wish but be sure to attend! The Post was the recipient of a surprise gift from the Color Guard at the last meeting. A new poker table was presented to the Post by the Color Guard as the first item of furniture to be added to our soon-to-be-expanded clubhouse. 1st Vice Commander Dick Hochbrucker was unable to attend our last meeting due to a heavy cold (and in this nice weather yet)!

Final standing of our Post in the countywide membership race showed us to be 3rd in the 3rd Division and 10th largest Post in Nassau County. Hicksville enjoyed the largest enrollment in its history last year but our 1961-62 quota demands 10% above that for this year. Bring in your dues and a new member now.

Band Master Pete Seltz is recruiting boys for the new Bugle section of our S.A.L. Drum Corps and asks that boys, 13 years or older, contact him for further information. Our annual Kings Park visit will be made on Sunday afternoon, Nov. 3rd and if you have usable discarded clothing please bring them to the clubhouse as soon as possible for distribution at the hospital. Any type of children's, ladies and men's clothing will be accepted with thanks. And please no radios or television sets this year. A constant clashing of dates have so far stymied our attempts to properly reward the members of our championship Little League Team but I'm sure everything will finally work out well before the snow flies. Past Commander Pete Muller, after attending and reporting on the state convention as a delegate, is enthused over its workings. Maybe more members should attend the next one and discover what Pete discovered. Incidentally, the Color Guard is planning to attend, and participate in, the 1965 National Convention at Philadelphia and they hope many, many Post members and their wives will join them on this outing. Our S.A.L. Drum Corp will appear in the Sons of the American Legion Jamboree this Sunday, October 7th, at Glen Cove and will for the first time compete for cash prizes. Every one is welcome to attend—I believe Glen Cove Stadium is the place of the contests. There was a nice audience on hand last Sunday when the new officers, led by Captain Ricky O'Neill, were installed by county officers, to lead the Charles Wagner Squadron #421 S.A.L. for 1962-63. Our Post photographer has promised to be on hand at the next meeting to take photos of some of our recent past commanders for use in our "Rogues Gallery." Be warned, Ed Hodgkinson, Bob Hasel and Dick O'Neill, look your prettiest!—Will have some real information regarding the expansion of our building by the time next week rolls around and I will tell all. Don't forget our installation of new officers for 1962-63 will be held at the clubhouse on Saturday night, Oct. 20th and I needn't remind you that refreshments will be available.

COMETLAND

by Joe Koerner

YESTERDAY'S HEADLINES--

Last year, Newsday had predicted a 28-7 win for the Comets over Island Trees and that's just about the way things turned out for the locals. They took the out for the affair, but the game wasn't quite as one-sided as the score indicated. Island Trees had very little in the way of a triple threat backfield, but they did have a rip snorter offensive line and a powerful, low, charging fullback going for them that day. In fact, when the visitors rammed over their first touchdown late in the second quarter, the idea of a Comet rout of the Treesmen looked a little far fetched at that point. The opposing fullback, spearheaded his drives right up the middle and just kept going, with short gains that finally hit paydirt. And, as far as the Comet rosters were concerned, having the rent money down didn't look like a short cut to financial solvency. "Sure we led 14 to nothing," said the pessimists among us, "but so what! Didn't the Caminaders rake us over the coals only last week, and wasn't that opposing fullback giving us a bad case of the shakes right at the present time." But that was all past history in the final outcome. Coach Jim Grantham's squad of Cometeters caught fire in the second half and from there on in, the grid afencionados among us knew full well that we had a real football team on our hands. Score alone did not tell the tale and for that reason another trophy for the Section I title made its way into the "Halls of Hicksville." A Comet offensive and defensive line, made the future opposition come to the definite conclusion "that if this is football, then there must be an easier way to make a bob or two."

A master, "Faker of the hot coals Society" Chris Coletta always ran a 100 yards for a 50 yard score. Bill Sherburne, the mighty mite of the "Fullback Fraternity" roared up the middle, like a man possessed of the devil and newcomers, quarterback Bruce Damm (replacing lantern jawed Steve Glebowski after he tapped out with a shoulder injury) and fleet footed halfback Ray Strassburger (who at first glance didn't look like the speed merchant he was touted to be.) These are the Comets of yesterday and except for Coletta and a few of the seniors who tapped out at the end of last season, the whole gang is back and ready for business.

Last year versus Island Trees, Strassburger gathered in a long one "flung from the flipper" of Steve Glebowski, good for a 51 yd. score. Coletta converted the point and set up the second touchdown via runs of 9, 20, 10, 8, and 3 yards with Strassburger sweeping the left end for his second score of the day. Charley Triola bulldozed over for the point and from there on in, the rest was history. The Comets became a grid threat to be reckoned with and, if Caminade had been rescheduled for another go-round at the end of the season, things could very well be different. But as we said before, "there were the Comets of yesterday," so who's to be surprised when Bruce Damm shotgunned that ball out of sight and Ray Strassburger flags it down, 20 yards in back of the secondary defense. This pair pulled off a couple of picture book scores last year and continued on with this "boomerang act." Last Friday versus Island Trees with newcomer Dan Cerone also getting into the act.

Final score, 27-0, and here's the tally sheet on this up-to-date aerial act. Hicksville, 0-13-0-14; Island Trees, 0-0-0-0. Damm scores on six yard run with Strassburger running the point. Strassburger scores on a 62 yard pass from Damm. Damm runs the point. Strassburger scores on a 20 yd. pass from Cerone. Damm runs the point. Strassburger scores on 90 yd. pass from Damm. Damm runs point.

OTHER RESULTS -- Jayvee mentor, Bill Meyer reports in with a 6-6 versus Long Island Lutheran last Saturday in a non-league game.

Extension Unit Meets on Oct 10

The Levittown Extension Unit will meet Wednesday Oct. 10, at the Levittown Hall, Hicksville at 8:30 P.M. Mrs. Leif Birkeland will introduce an agent from county headquarters, who is going to give a most informative talk on the fascinating world of color. The discussion will give guides for the creative use of color in the home furnishing fields. Mrs. Gerver Froese, Nominating Chairman, will also present the new slate of officers for the coming season of 62-63.

Hold Dedication Of Memorial

At the 11:15 a.m. service on Sunday, Sept. 23, at Trinity Lutheran Church, W. Nicholas St., Hicksville, a matted head of Martin Luther was dedicated to the glory of God in loving memory of Edward Skellington by his parents.

Edward Skellington was attending Concordia College, Austin, Texas, as a ministerial student, at the time of his death. The memorial has been placed in Trinity

Lutheran's School Library.

At the same service, Stanley Kramer was installed into the sacred office of the teaching ministry. Mr. Kramer is a recent graduate of Teacher's College, River Forest, Illinois, and will teach one of the fifth grades in Trinity Lutheran School. He will

also lead assistance to the Parish's Youth Program.

Mrs. Mark Simmsel and Miss Judith Klein were also consecrated into their sacred offices to teach one of the third and fourth grades at Trinity Lutheran School.

"The trouble with staying home from work is that you have to drink coffee on your own time." — Lloyd S. Walters, Mountain Home (Ida.) News.

Here's what the other '63's wish they looked like.

Today—Wide-Track Pontiac '63

Obvious, isn't it, that Pontiac's come up with another beauty this year. Fresh over-and-under headlights, clean profile—but you can see that. There's a wider Wide-

Track, too, and a full line of Trophy V-8's. [That ought to be enough to make those other cars turn green.] And we haven't mentioned such happy touches as self-

adjusting brakes. So what, pray tell, could be keeping you from a new Pontiac of your own? Don't run down to see one. Gallop! **Wide-Track Pontiac**
