Two Hicksville Stops For Rocky on Oct 20

Gov. Nelson A. Rockefeller will make at least two public appearances in Hicksville during a 12-hour campaign swing through this section of Nassau County on Saturday, Oct. 20, according to Francis Anderson, Hicksville Republican chairman.

The Governor arrives by train at Seaford at 10 AM. After appearances in Wantagh, Bellmore, Merrick and Freeport, he will come over to Levittown Hall, Hicksville, to speak before the Nassau County

Federation of Republican Women at about 2 PM.

The Republican candidate for reelection will move on to Roosevelt Raceway and the L. I. Fair, Garden City Hotel, and then over to Old Brookville.

The Governor is due to stop at the Old Country Manor on Old Country Rd., Hicksville, for 15 minutes starting at 9 P.M. The Theodore Roosevelt Republican Club of Bethpage will be holding its annual dance at the Manor.

Political Campaigns Rolling

CLIFFORD DALEY, Bethpage Republican chairman, turns the key on Saturday morning to open Republican campaign headquarters on Stewart Ave. just north of the RR crossing. Behind Daley is C. Bruce Marshall, Oyster Bay Town Republican chairman. From the left are Ted Knighton, president of Theodore Roosevelt Republican Club; Town Tax Receiver Frank J. Hynes, Assemblyman Edwin J. Fehrenbach and Town Councilman A. Carl Grunewald. Four other voter information centers were opened by Republicans Saturday.

DEMS DESCEND ON A VOTER - Vincent P. Hilly of Hicksville, Democratic candidate for Town Council, second from right, joins the Democratic candidate for Lieut. Governor, Mayor John J. Burns of Binghamton, center, and local colleagues greeting a voter during a walking tour of Hicksville. At left is Alexander Vitale of Woodbury, running for Family Court Judge Kjell W. Pettersen of Massapequa, seeking reelection to the State Assembly from 4th A.D., is at right. Picture was taken at Broadway and Marie St. on Thursday Oct. 4.

The Changing Local Scene:

IT MAY BE DIFFICULT to believe, but these two pictures were taken of the same identical scene in Hicksville 14 years apart. The locale is part of the Rail Road station and tracks between Jerusalem Ave and Broadway, looking east. Broadway is in the background. Top view, complete with trees, was taken in 1948 by Albert J. Wiley of 141 Fifth St., Hicksville. Frank Mallett, yesterday, captured the bottom view which, beyond the platform, looks like a bomb-blasted area. While we realize that progress has contributed to the difference, we liked the tree-shaded older scene better.

New RR Depot Colors Up to You

Residents and all LIRR patrons who use the Hicksville Station will have a unique opportunity to select, by ballot, the permanent colors which will decorate the new two-level station coming as part of the rail road grade crossing elimination project, it was learned today.

Hilly Dinner Saturday Night

Dinner-Dance Chairman James Cummings announces the completion of plans for the testimonial dinner honoring Past Grand Knight, Vincent P. Hilly, which will be held this Saturday evening, Oct. 13, at the Knights of Columbus Club House, Heitz Place and Day Ave., Hicksville.

Hilly, Hicksville resident for the past 10 years is a member of Our Lady of Mercy Parish. He has been active in all community functions and is a Fourth Degree member of the Mercier Assembly, Knights of Columbus.

He received the esteemed office of Grand Knight when the Joseph Barry Council opened its new Club House. During the first year, Hilly directed the activities for the more than 500 members of this Hicksville Council. Dinner will be served at 9:00 pm.

A ballot box and a supply of ballots will be available at the present depot for the period ending Monday, Oct. 22. On display, starting tomorrow, will be samples of the six colors and two types of brick texture.

The exterior choice includes white with a black speckle, white with a cocoa speckle, bright blue with a rough texture brick, spruce green with speckle and smooth glaze brick, light yellow with speck-

le and smooth glaze, red with rough texture brick.

The interior choice includes plain yellow and a dusty-effect yellow, dusty effect peach, dusty effect blue, dusty effect ivory, spruce green and pink.

Residents of other L.I. are as where elimination programs have been undertaken were not given the choice of colors. The choice of colors for Hicksville station will be permanent, a spokesman for the Long Island Rail Road stated.

Last Sunday's New York Times Book Review section contained an article in which several critics listed writers as diverse as Robert Penn Warren, J.D. Salinger, James Gould Cozzens, Saul Bellow, John Updike, Norman Mailer, John Cheever, Ralph Ellison and Vladimir Nabokov, among others, as being among the more significant of the contemporary American novelists.

Such a variegated list as this seems to indicate that our novelists are tentatively exploring many divergent paths and that there is as yet little real consensus as to what form, substance and direction the literary pursuits of our time should take.

If this is true, and since the literary giants among American

novelists are dead and their spirit is not being carried on with any great profit by their heirs in these rapidly changing times. It seems necessary to examine the writings of a good many of these lesser questers if one is to gain any slight comprehension of the aims of our serious contemporary American novelists who may be providing the seeds for a future literary efflorescence.

One of the name's appearing on several of these critics' lists, but not prominently, is that of Bernard Malamud. Malamud, a not young but late-blooming writer, is the author of four books to date. He is a very exciting, if uneven, writer of whom one of his critics has said he is a "master of an alchemy whereby the grossest re-

ality is converted to the most imaginative used". He is a moralist as well as an alchemist, a hard combination.

When, as in *The Natural*, his first novel, fantasy predominates, reality becomes obscurantist in his meaning, although he serves a demonic potion. The best of his writing to date is noteworthy for a realism of such imaginative intensity that it shades off imperceptibly into fantasy and back again. When this happens, as it does occasionally in *The Assistant* and in several of the short stories in his collection, *The Magic Barrel*, his work achieves some of the transforming fascination of a Balzac.

Being a moralist, he is not satisfied with this. In his latest novel, *A New Life*, he examines more self-consciously than he has heretofore the workings of a moral conscience in the modern world. In the process, while making his message more explicit and occasionally haunting, he has forfeited much of his magic art.

If he could find a moral direction for his transforming visions of reality, he might trigger the kind of novelistic endeavor for our society that his mentors, Stendahl and Balzac did for theirs. As it is, he is one among a good many serious contemporary American novelists striving, pertinaciously but waveringly, to find a meaning for our times through literature.

At a special meeting of the Post Law Society evening the membership voted to go forward with the Expansion Plan Program by making a substantial increase over the \$55,000 originally allotted to do the job with -- For the importance of the issue at stake, the meeting was surprisingly calm and businesslike and was a credit to those present -- Commander O'Neill deserves much credit for a difficult job well done -- He has been a steady stream due to the very many points of parliamentary order, and technicalities of wording, that threatened adjournment before things were ironed out -- The voting by closed ballot was very quiet both before and after the results were announced from the chair -- A large delegation of Auxiliary members was present and the members of the evenings' proceedings -- Chairman Jack Ehnman read the

report of the Building Committee and Legion Hall Inc.'s joint meeting a week ago when 7 sealed bids by contractors were opened---It was a majority opinion of this committee meeting that the Post should go on with the Expansion at a higher cost than previously voted by the Post---Much work still faces the Building Committee before a contract can be finalized with a general contractor---But after a day of talking, planning and more talking, and 3 Building Committees, we have finally gotten to the takeoff point---We will honor the Hicksville International Little League team that we sponsored this year, and who turned up as champions, this Sunday afternoon, October 14th, at 4 P.M. at the Post---Since we are holding a Social afternoon beginning at 3 P.M. a goodly number of awards will be on hand---Individual awards will be given to the 13 members of the team by Commander O'Neill---This is the first Social in several years so please try to make it a success by attending.

Blood Bank Coming to Jericho This Wednesday

President's Corner Civic League Donates to Scholarships All Residents Are Eligible

by George J. Frankel

Having been closely associated with our Civic Assoc. since its founding six years ago, and an officer and a member of its Board of Directors for the past five years, I have many memories associated with the history of this organization. I can remember many people saying, and even hoping myself, that after the community had become an established part of the surrounding neighborhood, that most of our problems would somehow miraculously evaporate, and that future officers and Directors would not be called upon to devote as many hours of their time in the peaceful days ahead as did those officers and directors who had the monumental task of guiding this organization through its early and turbulent years.

It was a good wish, but it has not yet come to pass! Today, as always, your Civic Assoc. sponsors a Bowling League, a Drama Group, a Youth Group, and this very VILLAGER itself. Watchdog committees, such as Jericho Education Committee, Syosset Education Committee, Town Planning Committee, Health and Safety Committee, etc., are still constantly on the alert to protect the best interests of our members at all times. This vigilance, by all officers and Directors, has resulted in the formation of committees to cope with special problems as they arise. In addition to piloting all these various undertakings, we are currently concerned with several vital questions: 1. How can we best cooperate with the Police Dept. in combating the current waves of robberies in Birchwood? 2. How can we most effectively oppose the new taxi meter ordinance, which if passed will result in hardships to our residents? 3. How can we best solve the problem of Floyd Bennett?

We note with satisfaction that the Jericho School Board has just adopted a proposal that we highly recommended - to make registration at school elections unnecessary. As you can see, the wish for a peaceful day or hour for your elected representatives is still very much a thing of the future. I seriously doubt whether we will ever reach this goal. Today, your officers and Directors work as hard as did their predecessors. The problems may have changed, but they have not diminished. This administration can only hope to add another page of civic accomplishment to the outstanding record of the Birchwood Civic Assoc. at Jericho.

On Monday, Oct. 22, the George A. Jackson School PTA will be pleased to present the noted raconteur, instrumentalist and vocalist, Taria Bulut of the Turkish Embassy. Mr. Bulut will also show a most interesting film of Turkey. Another highlight of the evening will be the international covered dish supper to be held at 7:30 in the school cafeteria. Everyone attending is asked to bring a foreign dish specialty. Parents of all children attending the George A. Jackson School are cordially invited.

At the end of last year's bowling league, there was a surplus of \$325 in the treasury. This money could have been divided by the members of the bowling league, used as a carry over to this year or put to what ever use the league and its members decided upon.

In an unprecedented and unselfish vote, the money was designated to the Jericho and Syosset

Scholarship Funds. It was felt that proportionally the amount of money per man would be too little to be worthwhile and the best way would be to give the money in a lump sum where it would benefit some deserving students in the two areas.

Pictured are the donors and recipient of the money: \$162.00 to Jericho on the left being accepted by President of the School Board Sam Hecht from past president of

the Bowling League Al Rizzo. On the extreme left is George Frankel, president of the Civic Assoc and on the right Henry Dockswell, writer of Ten Pin Talk and general organizer of the League. In the picture on the right George Frankel presents the other \$162.00 check to Mrs. Molly Sokel, treasurer of the Syosset Scholarship fund, with Russell Roetter, president of Central School District No. 2 looking on. The Jericho Blood Bank is coming to Jericho next Wednesday Oct. 17th between the hours of 6:00 P.M. and 8:00 P.M. at the Jericho Jewish Center.

All residents of Jericho are eligible for this beneficial service to themselves. One pint of blood donated by a family makes the entire family a member for the year and should the need arise, could draw on the Blood Bank for whatever their needs would be. The male head of the family offers his donation and is rejected, the wife may donate her blood, and if this too is rejected, this family would BE ENTITLED to blood the same as if they had donated.

It is no longer necessary to abstain from eating four hours prior to making your donation. This is in the past has caused many rejects because people with the best intentions forgot and ate prior to donating. The only request made is that you avoid fatty foods.

The Date: Wednesday, October 17.

Time: 6:00 to 8:00 P.M.
Place: Jericho Jewish Center, Broadway, Hicksville Rd.

Civics Investigate Robberies

by Horace Bernstein

George Frankel, president of the Birchwood Civic Association and this writer interviewed the Deputy Inspector of Police and the Sgt. in charge of Detectives of the 2nd Pct., Wednesday evening October 3rd with reference to the rash of robberies that have taken place in Birchwood within recent weeks. The purpose of this conference was to see what the police are doing to stop this outbreak and what we as residents can do to help ourselves.

Most of us are victims of habit. It was pointed out that one of the best ways to invite a robbery is to do what most of the homes in this area do; that is, leave their house dark and the garage door either open or not locked. When the garage is open and no car in the driveway what better indication is there

that no one is home. This is just inviting trouble.

Residents are encouraged to notify the police when they are going away for any length of time. Special attention by the police patrol is given to these houses. If there are cars near the house they are investigated.

We have been assured that the 2nd Division has added extra patrols to the area. There are several unmarked cars driving through after dark in an irregular pattern so as not to be in one place at specified times.

A letter is being sent to the entire community, member and non-member, giving in complete detail the results of our interview and what the police expect from you to help them help you.

Ten Pin Talk By Henry Dockswell

The first clash for top spot in the league standings took place between Sid Simon's "Trophies" and Fred Septo's "Royals." The Royals came away with five of the seven points and now lead the pack by two. Elliot Spencer led the way as he bowled a 201 and increased his average by 13 points. His fine series of 567, which is now high in that dept., and capt. Fred's 165 average did the trick. This also resulted in the Royals taking over top spots in Team Series Scratch with 2439 and Team Game Scratch with 887.

Close behind though are Sam Springer's "Misfits" and Sol Rabinowitz's "Invalids". In fact, if Sol's boys had been able to scatter those Misfits they would have been in 1st place or at least tied for that.

Cap't Marv Cohen tried his best to inspire his men as he came up with a 208, but to no avail. Jack Sloan's "Mets" took two games and total wood from them and Mary's nameless team dropped to 11th place.

Then came Herb Bernstein. He had a beautiful night. Not only did he bowl a 201, but his strong series raised his average ten points to 162. This enabled Leo Geyer's "Lions" to take five points from Al Minoff's last place "Allies" and jump 2 spots up to 6th place.

The race for the trophy for the most 200 games bowled by an individual is on the move. Marv Cohen is in front with two such games to his credit, and this particular honor, much coveted by all of us, will be strongly vied for.

Social Meeting

There was a Social meeting of the Long Island Chapter of Mt. St. Mary's Metropolitan Guild of Mt. St. Mary's College, Emmitsburg, Maryland held at the Executive Restaurant, Mineola, on Sunday, Oct. 7. Parents of the freshmen class were guests. Hold Re-Dedication For Scout Troops

Intermediate Girl Scout Troops #475 and #256 held an inter-troop rededication ceremony at Trinity Lutheran Church, W. Nicholas St., Hicksville. This was the first ceremony to be held by the Scouts of Trinity.

The Girl Scouts and Leaders marched down the aisle of the Chapel as Elaine Peterson (assistant organist at Trinity) played the organ. All assembled stood while the American Flag, Christian Flag, and Troop Flags were presented.

Arnold M. Hilpert, Vicar of Trinity Lutheran Church, opened the service with a prayer. All joined in for the Pledge of Allegiance to the American Flag and Christian Flag.

Vicar Hilpert then delivered a very appropriate sermon followed by the Litany for Christian Scouts. The girls then pledged themselves to keep the promise that every girl must make when she becomes a Girl Scout.

The Leaders agreed to do all within their power to set forth the ideals and standards of the Girl Scout organization. The Apostles Creed followed, and the ceremonies were closed with Benediction by Vicar Hilpert.

The families of the Girl Scouts present commented favorably and were very impressed with the ceremony.

Several Senior Scouts acted as ushers and hostesses for the evening. All retired to the Church Parlor for refreshments and the formation of committees for the coming year. Those who participated in the evening's ceremony, went away with a stronger feeling of faith and a willingness to serve in Scouting.

Recognition goes to Mrs. Olga Gross, Co-leader of Troop #475 for organizing and presenting the ceremony.

MARTIN H. NEWMAN has been elected vice president and treasurer of Century Theatres, it was announced this week by Leslie R. Schwartz, president of Century Theatres. Mr. Newman, a resident of Woodmere, has been associated with Century for over 25 years. Mr. Schwartz also announced the election of Joseph G. Wickham as secretary of the organization in addition to his present duties as head of the real estate and insurance dept.

Annual Campaign For Distrubed

Beginning Saturday, Oct. 13, for one month, the Nassau Center for Emotionally Disturbed Children, Inc., will engage in its annual door-to-door appeal for funds. The Center, located at 72 South Woods Rd., Woodbury, maintains a school and day care center for some 40 children. Many state and country-wide school programs have patterned their efforts for mentally ill children on that of the Nassau Center and use methods and procedures originated and proven effective in the Center. The present Nassau Center is the outgrowth of a baby sitting operation started some four years ago by a group of fifteen separate Nassau County parents of disturbed or mentally ill children.

In Syosset, the door-to-door appeal is this year part of the Syosset united fund appeal. However, volunteers are badly needed in Hicksville, Plainview, Woodbury, Jericho, and Bethpage, which area is under the supervision of the active Mid Island Chapter of the Center.

Volunteers with an hour or two of free time, are urged to contact one of the following chapter members: Mrs. David Iden, OV 1-0734; Mrs. Philip Eiselman, OV 1-2203; Mrs. Morris Stockman, WE 8-1793; Mrs. H. Giner, WE 8-2325.

Vote For Frank HYNES

Receiver of Taxes,
Oyster Bay

Receiver of Taxes Hynes has the background, experience and training that inspires confidence in the man to whom you pay your taxes. This amounts to some \$62,000,000 in '62, for which Mr. Hynes is personally responsible - under the law. However, Hynes is quick to point out that he has nothing to do with setting your taxes - only collecting them.

Mr. Hynes has held positions of fin-

ancial responsibility in the business world, and brought into public service his plans for further automating several functions of his Department, thus improving service to the public and gaining greater personnel efficiency.

COMETLAND

ALL IS WELL!—"Fortyitis" they call this disease and we all come down with a bad case of it every now and then. Chills, fever, hallucinations, psychiatric visits at a law and a half a throw and paranoid tendencies brought on by the simple fact that we feel the world has already gone to the dogs and it isn't worth while paying Social Security premiums. But then, comes that wonderful time of the year when the leaves begin to fall, the football gear comes out of summer storage and a fellow gets the chance to cover the first Comet home game of the season. This is "Nite-til," "Chlorestrol," and tranquilizing pills all wrapped up in one neat little package.

And, best of all, the grid bugs in our teeming little metropolis, can now stagger down to the Comet stadium and cast our glances on that "marlin" snappin', fightin' bunch of wildcats that's goin' for us this year. It's a real bang-up, football team folks! And from the notes we took on the Plainedge Plunder, held last Saturday afternoon on the home grounds, you'd swear you were in on a U.N. meeting of sorts. There were Hamdigan, Flanagan, Flood and Damm... Triola, Fernandez, McClean, and Haman... Torio, Gulden, Finelli, and Derick... Zenens, Oates, Symanski, and Herlick. These were some of

Political Advertisement

the names we had to contend with and after watching both Plainedge and Hicksville lock horns, we've come to the definite conclusion that no one race, be it Russian, Chinese, or Congolese, will ever tap these kids out. They're a mighty tough bunch.

Now here's the emphasis on the SIL-LABEL or in short, just exactly at what velocity and polarity the woodwind blew through the flute, reads this day. First of all, it was an overcast, dreary October afternoon and the sun was obscured by a stage of humidity that was close to 100%. In fact, those poor souls that didn't come prepared with Racoon coats and built in flasks of embalming fluid, might have been under the illusion it rained a bit. In short, it definitely was not a day for pigskin passing and as a result, a pair of Comet fullbacks named Charley Triola and Larry Wesolka, combined their special talents for the first 48 yard assault on the enemy goal line. Definitely a series of elephantine charges that eventually saw Triola make the score on a power-house blast through the middle of the line.

With the point falling the damage stood at 6-0, Comets and from where we glimpsed the action and in fact, throughout the rest of the game, this boy Triola will bear a lot of watching in the future. He's a rockem, sockem type of football player, that never takes no for an answer and you'll be hearing more from him when he leaves this pad and heads for the next "Lore Mill." And now, for the other hi-lights of this 18-7, Comet win that wasn't quite as easy as the score indicated. It started slowly at first with backfield stars dominating the action. At halftime the locals led 12-7. Comet quarterback Bruce Damm fired two back to back passes to halfback Bruce Cerone that were good for 40 yards. Wesolka picked up 10 more on 2 line bucks and Damm crossed up the opposition with a sweeping end run for the 2nd Comet score of the game. Then seconds later, just before halftime, Plainedge halfback Tony DeSantis, gobbled up a shovel pass and raced 40 yards for the score. It was a really quicky and it smelled like trouble after "Big Jim" Gulden pulled off an oddity in High School football by booting the extra point.

HALFTIME—We cornered Jr. High mentor, Bud Bryan for the results of his 10 a.m. go-round with Syosset that same morning. Final score Meteors, 13; Syosset, giving the Junior Highwaymen their first win of the season and their 9th in a row. (Last year they took the divisional title via an unbeaten season.) Halfback Pat Argento drew first blood by scoring on a 55 yard run in the 4th quarter and seconds later fullback Leon Kaprinski raked up the 2nd touchdown of the day on a 4 yard blast off tackle. The first try for the point failed, but quarterback Bill Fyffe swept the end for the point after Kaprinski's score. "The boys

went all out in their 4th quarter," Bryan stated, "and a lot of credit for outstanding play must go to my offensive, defensive, linebacker, George Thomas. He played a whale of a game." Bryan closed out, "Nuff said! Bud! We'll catch you in action the next time around."

And now, back to the salt mine for the second half of the Comet, Plainedge showdown. At this point, the locals were coasting on a 5 point spread and Plainedge coach, Gene Bonelli probably saw fit to open the portable freezer locker and toss his charges some raw meat during the intermission. Because, that's the way they pounced out for that second half and after taking the kickoff and marching 55 yards without a stop, we personally almost choked on our upper plate, as Plainedge stood on the Comet 5 with 4 downs and goal to go. Things looked hopeless at this point. And then suddenly, a miracle takes place before your very eyes. The march, suddenly decides that this is it and in a matter of a few short seconds, the Comets are out of trouble and deep into Plainedge territory. This is the mark of the good football team and only the good ones can draw on this reserve when needed. Had that Comet defensive wall cracked at the goal line, Plainedge would not have tasted the bitter pill of defeat in the final outcome and from there on in notes: Jolted down during that hectic last half, now become sentences that make a story unfold. The Comets were backed up on their own goal line. A new headliner, Cerone shovels to Vin Hannigan for 13 (Out of trouble). Triola explodes up the middle for 15. Cerone passes to Ray Strassburger for another 30. Strassburger runs 5 and then repeats for 28 more. Triola bucks for another gain. The quarter ends. Wesolka comes in and picks up the score on a line buck sent in by coach Grahman. 18-7, Comets and from there on in the game blew wide open. Lineman Santo Colora was in on every play. #61 Gile saved a Plainedge touchdown by dropping his man after Plainedge had inter-

cepted a Comet pass. Plainedge, still scrapping, scored a touchdown that was nullified by a clipping penalty. Plainedge lost 5 on a run after the 15 yard penalty. A Plainedge gain of 25 on a pass to what looked like a 7 foot tall end Ken Pine. Another quick pass by Plainedge and Comet linebacker Paul Rondone intercepts (Rondone was everywhere during that last quarter.) Strassburger takes a handoff and goes 25 yards before he's dropped. Drive stopped on a fumble. Strassburger intercepts pass and races back 15. Plainedge intercepts Comet pass and man is in the clear for a sure touchdown, but then out of nowhere, comes Vin Hoosack and Paul Tava to cut

him down. A fumble and another run by Cerone. Triola blasts for 15 and suddenly it's all over. And once again, it was hard to believe that this was just another high school football game. There were enough Comet smiles to pave a road from here to Chicago. The Plainedge crowd were left a bit subdued, but by no means beaten and the local grid buffs left the field with the thought, that ALL IS WELL.

The Comets are definitely ready for orbital flight around that Section 1 cup and a lot of credit goes to Head Coach, Jim Grantham and assistants Ron Benizio and Ed Petro for a job well done. See you at next week's "Sod Party."

CONGRESSMAN STEVEN B. DEROUNIAN On the Issues

made in knuckling under to Hitler. It brought war. My opponent thinks my stand is "rash emotionalism."

Communism at home: The American Civil Liberties Union (of which my opponent is a director) has challenged the constitutionality of the Subversive Activities Control Act, which requires Communists and Communist front organizations to register with the Department of Justice. I support this Act. My opponent opposes it.

Today the Secretary of State has no authority to deny passports to known Communists. The ACLU supports this prohibition. So does my opponent. My legislation authorizes the Secretary of State to refuse a passport to any person who knowingly engages in international Communist movement and intends to use the passport for such purposes. The rights of the individual are safeguarded. I will not help American Communists plot our destruction.

Your Congressman: I have held 15 years of dedicated, elected service: 5 years on the Town Board of North Hempstead, and 10 years in the House of Representatives, where my attendance has been better than 97%, and better than 99% for the past two years.

I am no rubber-stamp for anyone. As the only Republican member from the State of New York on the Committee on Ways & Means, I am your watch-dog on tax matters. I have the seniority and experience you need.

SOLL SAYS

ON THE JOHN BIRCH SOCIETY

To anyone who tries to follow the twists and turns of Congressman Derounian's attitudes towards such straightforward matters as General Walker and the John Birch Society, there must come a strong feeling of dizziness and confusion.

Let's just take a few of his public utterances on the subject. He had said, "I wish they would stop muzzling patriots like General Walker and start muzzling people like Sen. Fulbright, Adlai Stevenson and Chester Bowles." To anyone who has followed Walker's recent career, are his actions in Mississippi any great surprise to anyone? But the Congressman now tries to toss Walker away like a hot potato, and pretends he had never defended the man for his ideas.

This same kind of double talk comes out in his statements about the John Birch Society. He went all the way to California to campaign for two congressional candidates who were avowed members of the Birch Society, saying about one of them, "His membership in the John Birch Society is not an important issue with us." He has said, since, that he repudiates the Society's president, Robert Welch, but will not repudiate the Society that functions under Welch's stringent rules. Are we to be treated, I wonder, to a continuing spectacle of his repudiation of the Society's lead fig members, one by one, as they demonstrate the same kind of peculiar brand of Americanism we have seen in two of its leading members, Welch and Walker?

Under the U.S. Constitution, the John Birch Society, as well as all other extremist groups, has a right to exist and to express its viewpoint. But in view of the kinds of things in which they obviously believe, and the kind of people, such as Walker, who make up their leadership, I think that the judgement and sense of responsibility of any public official who supports their stand, and urges election to Congress of their members, is to be questioned.

meet Tempest '63...today!

how's this for exploding the myth that cars have to be expensive to look it! Tempest '63

Maybe you can tell the difference between Pontiac's Tempest (especially that Le Mans) and the high-priced jobs. Besides having a 4 that acts like a V-8, Tempest sports a new 260-hp V-8* that acts like nothing you ever got your hands on before. And besides its beautiful balance, Tempest has Wide-Track this year. And self-adjusting brakes and a tachometer* and fetching style and all kinds of niceties that'll make your Tempest smoother and tougher. About all it doesn't have is a big fat price tag. Vive la difference! Pontiac Tempest
