Open House Held At Holy Family

The Home and School Association sponsored an Open House, Sunday, Nov. 4, at Holy Family School, Fordham Rd., Hicksville, as part of the Bishop Kellenberg's overall policy to clarify public thought on the place of the Catholic school in American Education.

The theme of the Open House was "An Added Dimension," which showed that Education in a Church school provides new depth and added value to education.

Before the general public view of the school, various school superintendents, members of the School Board, and non-Catholic Clergy from Hicksville, Levittown, and East Meadow, were given a private tour of the school. The highlight of the program was an address given by Sister Regina Rosaire, O.P., Ph. D.

Library Observes Child Book Week

The Hicksville Public Library is once again celebrating Children's Book Week this Fall. This year marks the 44th celebration of the event all across the country, when children will be discovering new books or older books which will be new to them. Children's Book Week will be Nov. 11 to 17th and the library has planned to have a variety of activities in connection with it.

A film program is also planned for Book Week, to be shown Nov. 14th at 4:00 P.M. It is titled "And Now Miguel" and is based on the book by the same name which was the Newberry winner for 1953. It is based on the author's personal experiences with a family of sheep ranchers in the Southwest.

Town Budget Lacks Opposition

"Town governmental services in the new budget, adopted by the Oyster Bay Town Board Oct. 30, including those furnished by the Special Districts, will cost the taxpayers in the Town, outside of villages, an additional \$1.25 a month," stated Supervisor John J. Burns. "An average home assessment of \$7,500 has been used as a basis for computing the cost to the home-owning taxpayer."

"The adoption of this budget will enable us to complete many programs already under way and begin needed new ones. It will enable our Town to continue moving forward by plan; providing new park improvements; drainage installations; highway projects and other desirable programs. I am pleased with the support our people have given these projects and the new budget insures the continuance of programs with the least possible cost to the homeowners and taxpayers," Burns concluded.

The Board formally adopted the \$4,632,377.16 administrative budget for the 1963 fiscal year following a public hearing held at Town Hall.

For the first time in recent history no Democratic candidates for election appeared at the hearing.

On Tuesday evening Nov. 13, there will be an open house meeting of the Fork Lane PTA OF Hicksville for parents of children in the kindergarten to the third grade.

Junior High Group At Rochester

Forty-four pupils of the Hicksville Jr. High School will attend the Carnegie Hall debut of the University of Rochester Eastman Philharmonia Friday evening, Nov. 16. The Eastman Philharmonia, crack student orchestra of the University's Eastman School of Music, recently returned from a three-month concert tour of Europe, the Middle East, and Russia, under State Department auspices. Its conductor is the noted composer, Dr. Howard Hanson, who is director of the Eastman School.

The local students will be accompanied by Dominic R. Soriano of the faculty.

Crossing Collision Delays Commuters

Sixteen city-bound LIRR trains were delayed, this morning (Thurs) when a fatal collision between east-bound train and truck-trailer occurred at Charlotte Ave. grade crossing in Hicksville. The driver of the truck, Harry Borozard of Westbury, 19, died in the flaming wreckage. The collision occurred at about 7 a.m. The train was bound from Jamaica to Ronkonkoma. Hicksville volunteer firemen responded to the alarm and it was more than an hour before the tracks were cleared for service.

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville

BY ARTIE RUTZ

Array! Finally the sunlight has broken thru the clouds of doubtful waiting....The Post membership at its regular meeting last Monday night voted "yes" overwhelmingly after a motion of reconsideration of the Building Expansion vote taken on Oct. 8th, to push the financial obligation for the expansion of our present facilities upwards towards the \$90,000 level....The immediate action by the Building Committee and Hicksville Legion Hall, Bk., will result in the "decks being cleared for action" and you can look for physical proof of action work being done within the month....This is the greatest stride towards our goal of adequate facilities since the formation of the first committee some 15 years ago....Now, let us all put forth our best effort behind the program and said it "over the top". In every way....A new "Century Club" will be one of the first items on the agenda as the original one finishes its 10 month period this month....Sales of our 6% interest bearing bonds will be offered to the general public and friends of the Post within months....Now is the time to interest your friends and neighbors, who are veterans, in becoming a member of the world's largest veterans organization, The American Legion, and specifically, The Charles Wagner Post as the national per capita tax goes up 5% by the middle of December....A possible dues increase could eventually result, but for now the biggest bargain, in the world, an American Legion membership, is still \$6 per year....If any veteran reading this column, needs and wants more information, I am always available and willing to talk to you....Just call me at WE 1-860 and I will "bring" The American Legion to your house....Our annual visit to Kings Park State Hospital last Sunday afternoon saw us take out a staggering load of

clothing thanks to our members and the many people of Hicksville who so kindly answered our newspaper appeal....Our S.A.L. Band was called upon at almost the last minute to perform on the stage at York Hall for the patients and they responded magnificently and consequently I was informed by an assistant Kings Park Director that it was the BEST show they have had all year....I'm proud and you should be too, they are your Sons....Happy to say that once again our Junior Auxiliary Twirlers, a little older now, will once again perform with the Band....Again, to the many Hicksville Veterans who regularly read this column, if you have a Son, Step Son or Grandson who would like to play in a band, bring him around on Saturday mornings to the clubhouse when the Band holds its weekly practice and see Pete Seitz, our Bandmaster....Don't forget that we will hold Veterans Day Memorial Services at the Mail at the Junior High School at 10:40 A.M. this Sunday, be there....And in the afternoon we will honor our Little League Champions at the clubhouse at 4 P.M. and this will be followed by a cocktail party and social for members and their guests....I hope to see you all this Saturday night at the Junior Auxiliary's annual Barn Dance which is always a free and easy affair and worth far more than the \$2.50 per person charge....Let's also keep in mind that the Post is running a dance on December 1st which is a new date and Entertainment Officer George Johnston expects it to become an annual affair, joining our long list of social activities....Your attendance can make it so....Ask all your friends to go, go, go....Well, after all those "go's", I think I'd better....See you all next week, Thanks for reading my stuff, it was swell to have you.

Girl Scout Troop Enjoys Dinner

Girl Scout Troop 475 enjoyed a delicious Family Dinner, Court of Awards, and a Birthday celebration, at Trinity Lutheran School, W. Nicholas St., Hicksville, on November 2.

With the completion of a most delicious dinner, Margaret Witte was invested into the troop upon completing all the necessary requirements.

Marilyn Gross read "A Wish That Came True", in honor of sister, Juliette Low, who was born October 31, 1860.

The Court of Awards followed with leader, Mrs. Anna Mill, presenting the badges earned to: Karen Armstrong, Cat and Dog; Linda Block, Cat and Dog; Susan Denfield, Drawing and Painting; Janet, Weather; Ruth Edry, Drawing and Painting; Marilyn Gross, Adventure; Dabbler, Horsewoman was presented at the 1962 Horse Show and she is the holder of two Blue Ribbons also; Linda Habenicht, Cyclist, Salt Water Life, My Country; Linda Jones, My Troop; Christine Susan, Rock and Mineral; Doris Mill, Back Yard Camp; Campcraft, Conservation, Pioneer.

Mrs. Olga A. Arnold, Troop Consultant, had the honor to present the First Class Rank to Susan Denfield and Linda Habenicht for completing the required number of badges. They have worked very diligently for many hours to earn this Badge. Mrs. Denfield and Mrs. Habenicht were given miniature Girl Scout pins from the troop, as a token of appreciation for their interest and work with the troop.

Mrs. Arnold read a poem and presented a Curved Bar Pin to Doris Mill, who achieved the high-

est award in Intermediate Scouting, The Curved Bar. Doris is now completing Scouting in a Senior Troop. Celebrating the troop's birthday, Mrs. Anna Mill and Mrs. Olga Gross presented the girls with their membership stars for completing 1 year in Scouting. Susan Denfield and Linda Habenicht received 5 year pins for completing five years in Scouting. All Scouts then renewed their promise.

Mrs. Gross surprised Mrs. Mill with a corsage for birthday night and surprised each girl with a handkerchief from the 1962 Girl Scout Round-Up she attended at Button Bay, Vermont, as a nurse. Mrs. Gross proceeded to show very interesting slides and told the story about the encampment experiences she had. The scenes brought to life again memories for Senior Kathleen Mill who was attired in her camp outfit, decorated with her treasured "Swaps".

Safety Thirst

Our Southern correspondent reports seeing a man emerge from a Charlotte, N.C. Alcoholic Beverage Control store carrying a large package of bottled spirits. He leaned over a compact car and placed the bag in the passenger seat. Then he carefully tightened the seat belt around the bag and drove off.

Concert Band On Stage Nov 14

The Hicksville Community Concert Band, under the direction of Charles F. Gouse, will open its seventh season on Wednesday evening, Nov. 14, at 8:30 p.m., with a program at the Hicksville Senior High School, Division Ave., Hicksville. As in the past, there will be no charge for admission.

Included on the program will be selections from "Porgy and Bess", "The Finale of Saint Saens", "The Fourth Symphony in E", the Overture to Candide by Leonard Bernstein, and several marches.

Soloist for the evening will be trumpeteer Walter Myers. Mr. Myers will play William Strickland's setting of "La Virgen de La Macarena", the traditional music which opens Bullfighting contests in Mexico.

SHORT AND SWEET

George Washington gave out locket-like pins with a picture of himself on the front—and a mirror in back. Worn by ladies around their necks, they could turn the gadget around to use the mirror when a curl popped out of place. Gay blades wore buttons initialed GW.

Early political insignia in the USA were made of brass, silver, lead, wood and bone. Holes were bored in some so they could be suspended from a watch fob. Others displayed a "plank" from the candidate's platform.

Celluloid buttons—fore-runners of today's metal and plastic disks—appeared in 1892. Since then, the low cost and mass distribution of such emblems—over 200 million in the '60 election—has popularized the phrase, "Button-holing the voter."

Button collectors have formed a society—the American Political Item Collectors Association—for serious study of the deep-dyed tradition.... One member recently turned over 20,000 items to the Smithsonian Institution....

Almost anything that could possibly endear a candidate's name and face to the public has been dispensed—arm bands, hatpins, socks, neckties, canes, parasols, thimbles, pencils, plates, decanters, matches, marching costumes, and bumper stickers which defy all efforts to remove them....

Boy Scouts "Go" Roundup

The Boy Scouts of America is now conducting its "Go" Roundup. Throughout the nation 132,626 Scouting units are opening their doors to new members. Leaders of the movement have taken as a personal challenge the making of the programs of Scouting even more significant to an ever-increasing number of boys in the days ahead.

Astronaut John Glenn, who has first-hand knowledge of Scouting since all in his family are active in its work, has made a fine contribution by being active in the "Go" Roundup.

He says, "Our family has been very active in Scouting. My son David just received his Eagle rank in his Explorer Post, and I am very proud of that fact. My daughter Lynn has obtained the curved bar in her work in the Girl Scouts. My wife Annie was a Den Mother in Cub Scouting for a number of years, and I am presently an Associate Advisor of an Explorer Post. We believe in Scouting and the direction and purpose it gives to you."

Astronaut Glenn also believes, "All the science in the world doesn't do much good, unless we have people of the caliber and of the type who can make proper use of this, and that's one of the big benefits of Scouting as I see it."

Through the past 52 years there have been 34,524,815 Americans identified with this largest youth movement in the history of the world in which youth participates voluntarily. Almost every American family has felt its influence.

The training Scouting gives to the youth of America is one of the finest ways we know to assure the perpetuation of good citizenship and ideals. The Scout membership this year stands at 5,210,294 boys and adult volunteer leaders.

We hope that every boy in America who wants to be affiliated with the Boy Scouts can be given that opportunity. We wish that more men of character, institutions, and groups interested in youth will give their active support.

Hi, Neighbors

MURIEL SUGARMAN

Last Sunday was celebrity day at Birchwood, or so it seemed. LEO and SYLVIA GILLARY of Maiden Lane had almost 800 people viewing an art and sculpture exhibit at their home. Among the celebrities who visited them were Edna GINGOLD (one of the stars of "Milk and Honey,") Donald SODLER, the famous choreographer, Walter TERRY, dancer-critic of the Herald Tribune, and Stuart WEISS, one of Martha Graham's leading dancers.

Bea and Ralph Diamond of Fountain Lane also held open house Sunday for the purpose of acquainting local people with well-known Republican personalities. Among the guests were, District Attorney BILL CAHN, Senator HENRY SCHWARTZ, Assemblyman ED FERRER-BLOCK, Councilman CARL GRUNSWALD, Judge ALEXANDER BERMAN, and Judge BEN ZIPPER.

On Sunday, Nov. 11, and Tuesday, Nov. 13, through Monday, Nov. 19, there will be a Book-Fair at the Jericho Jewish Center. Represented by the JJC Sisterhood. Also, on Sunday, Nov. 18, at 11:00 a.m. there will be in conjunction with the Book-Fair, a Braille demonstration. Mary Weissman, a certified Braille typewriter, will demonstrate on a Braille typewriter. There will also be a Children's Hour from 1 p.m. to 2 p.m., so that parents can browse while their children are being entertained.

Our sincere condolences to George Frankel on the loss of his beloved father, Joseph Frankel. As you know, George is the past Editor of the VILLAGER, and is the current president of the Civic Association.

On November 11 to 15th, there will be a National Women's League Convention. Delegates representing the Jericho Jewish Center Sisterhood will be Grace Hershkovits, Mary Mann, and Jean Kopelman.

Congratulations to Rose and Murray Klein of Hodges Lane on their wedding anniversary. To Lois Green of Forest on her 19th birthday, and to Helene Reback of Middle Lane, on her sweet sixteen. Helene celebrated at "Pamela Murphy's." Welcome back Rita and Murray Sussman of Forest Lane, who just returned from a wonderful vacation in Europe.

Reminder -- Jericho Hadassah Dinner-Bowling party Sunday, Nov. 18 at the Syosset Lanes. Call Jeanne Berlinger at WE 8-8958, or Frances Lieb, WE 8-9083.

The Sisterhood of Temple Or-Elohim of Jericho invites anyone interested in joining their group to attend the next Membership Tea on Thursday evening, Nov. 8. For more information, call Anita Beckerman at WE 5-1938 or Betty Grayson at WE 1-7366. Paid-up members will be treated to a special luncheon at the Millbridge Inn on Nov. 27, at which time, a special program is planned.

Attention JJC Sisterhood

members -- start saving King Korn Stamp Books for Sisterhood. There will be \$1.50 donor for each book you donate. These books will go toward the purchase of a valuable trip which will be raffled off. The proceeds of this raffle will be used to purchase a piano which is desperately needed. Call Jean Brodsky at WE 1-0344, or bring the books to any meeting.

The Jericho High School and the PTA will hold its annual "Back to School Night" on Wednesday evening, Nov. 14 at 7:45 p.m. Parents will use their children's program and attend classes, spending approximately ten to fifteen minutes with each teacher. The program will start promptly at 7:45 with a short assembly. At the end of the "school day," refreshments will be served.

East Nassau Auxiliary of United Epilepsy Association is holding its first meeting of the season at the Old Country Manor, Old Country Rd., Hicksville on Tuesday, Nov. 13, at 8:30 p.m. Guest speaker for the evening will be a prominent neurologist. All are welcome. Refreshments will be served.

The Gilbert family of Briar Lane are very upset over the disappearance of their pet cat, Purr. A reward is offered for its return. Purr is white with black markings on the head and tail and a prominent black spot on the body. Please call WE 8-4506.

It is nice to report how some of the small children of Birchwood are concerned about the less fortunate children overseas. Five little girls, Laurie Green, Ellen Schulman, Robin Fox, Wanda Baskin, and Lois Schulman, all of Hazelwood Drive, ran a carnival. Admission and games were 1¢ and 2¢. They netted \$7.15 which was sent to UNICEF.

Just as I finished writing this column, I was notified of the death of Bea Diamond's mother, Becky Edelstein. Sincere condolences to Bea and her family.

Republican Win Is Jericho First

For the first time in modern Jerichohistory, a Republican candidate was successful in the Jericho districts. The vote was, Rockefeller, 2049; Morgenthau, 1849; Letkowitz, 2295; Dudley, 1567; Javits, 2691; Donovan, 1167. Javits took the district by 70% in areas that is 2-1 democratic.

Progress Report, Floyd Bennett

Milton Bagley, Chairman of the special committee created to help resolve the Floyd Bennett situation, reports that he and his committee have been extremely active the last several months attempting to correct the many facets of annoyance and discomfort created by the proximity of the store to neighboring residences. This involves the incinerator, the noisy roof fan and the evergreen screening.

After a series of unending conversations, letters, and repeated frustrations, this committee at the direction of the Civic Board of Directors, sent a letter to Floyd Bennett in Mid September informing them of the Civic Associations intent to secure a permanent shut down of the incinerator unless it was adequately repaired by the end of October.

As of this date, the incinerator has been inoperative and it will remain this way, the committee

has been informed until it has been repaired.

Hicks nursery has been contracted by Floyd Bennett to carry out the planting requirements as set forth on the agreement between Floyd Bennett and the Town of Oyster Bay. They will also replace the planted pieces that did not live. This is scheduled to be completed by November 10th.

With regard to the roof fan, one of the neighbors has personally secured a summons against Floyd Bennett. The judge has ordered the Executive Vice President to reappear in Court with satisfactory plans to relieve the annoyance.

Mr. Bagley, Chairman of the Committee, has reported to both the Board of Directors of the Civic Association and The VILLAGER, and feels that the "Floyd Bennett situation is under surveillance and for the time being, controlled."

RABBI STANLEY STEINHART, of the Jericho Jewish Center; Mrs. Richard Gumerove, Administrative Vice-President of the Jericho Chapter of Women's American ORT; Mrs. David Mark, Chairman of the Executive Board of the North Shore Long Island Region; and Rabbi Earl Jordan, of Temple Or-Elohim, meet to discuss plans for ORT Sabbath on Nov. 16, to be held at the Jericho Jewish Center, at 8:30 P.M. ORT Sabbath is a nationwide observance honoring the work of the Organization for Rehabilitation through Training, the major vocational training agency of the Jewish people, working to save a life and to save a generation.

Rabbi Steinhart and Rabbi Jordan in holding a joint service for both congregations will make this a unique occasion. It will be a night that shows the Jewish community of Jericho united in prayer for the salvation through skills, of world Jewry. It will be a night that recognizes all Jews are members of one family. Ten Pin Talk

By Henry Dockswell

This was the "champs" week. Led by captain Marvin Cohen they blanked Sid Simon and his "Trophies" and climbed from 10th place to a tie for 7th. It was no easy task but captain Merv made the difference. He bowled a 202 which was his third such game in the race for that trophy. Henow leads in that contest.

Marty Kolen broke into the exclusive 200 club this week but he did it in style. A string of six consecutive strikes brought roars from his team and gave him the new High Individual Game record of 237. This helped his "Tiger" teammates to take six out of seven points from the luckless "Albino" who sunk deeper into last place. The one point came from a tie game.

Fred Sapto still holds High Average honors but he and his "Royals" salvaged only one game from Murray Gittelman's "Spits" and they were lucky to remain in 1st place. If Marty Levin's "Morticians" could have taken more than just two points from Sol Rabinowitz's "Invalids" the league lead would have changed hands again.

Stan Epstein and Mickie Luxemburg, two newcomers in the league have come a long way since the first week. After a slow start Stan has succeeded in raising his personal average 22 points and Mickie went him one better by raising his 23 points. This is not easy and both deserve a round of applause for their growing consistency.

ANNOUNCEMENT

It is with deep regret that we announce the death of Joseph Frankel, 26 Fountain Lane. Mr. Frankel was the father of George Frankel, president of the Civic Assoc. and member of the editorial board of the Villager.

The President's corner is omitted this week because of the death of the President's father.

PROFESSOR SEMYON TROYANOFF, teacher of the daughter of the famed Nijinsky brings the great art of ballet dancing to Long Islanders through the Troyanoff Ballet Academy, Inc. Here are his boy students and future dancers: Donald Schneider, 19 Lorraine St., Syosset; Brian Golden, 33 Hunter Lane, Hicksville; Curtis Brill, 37 Hunter Lane, Hicksville; and Mitchell Sonofs, 42 Cambridge Dr., Hicksville.

Prof. Troyanoff has a long and distinguished career to look back on. He was a member of the ballet Russe de Moscou, creator and director of Ballet Academies in Athens, Paris, Budapest, Maleuse (Sweden), and New York. He was also choreographer and ballet master of various European opera houses. During these years, Professor Troyanoff became a friend and co-worker of many famous artists such as the great ballerina Anna Pavlova, Tamara Karsavina, partner of Mme. Vera Trefilova, the family of the famous Nijinsky. His studio is located at 245 Broadway, Hicksville.

Jericho Men's League by STAN FURNESS

As the season progresses it becomes more and more apparent that individual attendance will be a key factor in the final outcome of this league's competition.

Many of us have joined the league to spend a few hours with friends; others to break up the monotony of routine activities and then there are those, who just enjoy bowling. Whatever the reason, we have undertaken a two-fold obligation: first to ourselves, that is, to take part and enjoy of a communal activity and secondly, which I believe to be as important, the obligation to one's team mates and the league itself.

Attendance thus far has been excellent, and is in keeping with what I am sure we all want and will result in...true champions, having attained their honors in fair and keen competition.

The following team and individual standings bear out that attendance in a close scoring league can determine, not only the weekly results, but the final standings as well.

Bowling and Supper

Attention bowlers! The Robbins Lane PTA is sponsoring a bowling and buffet supper party at the new Syosset Lanes on Saturday evening, Nov. 10. A sumptuous buffet will be served featuring roast beef, Virginia ham, turkey, Swedish meat balls, etc. Tickets will be only \$7.50 a couple, including rental of shoes and two games of bowling. Only a limited number of couples can be accommodated. So don't delay in getting your ticket. Further information may be obtained by calling Mrs. Ruth Bascom at WALNUT 1-2602.

For Better or Worse

A church organist in the town of Stanley Common, England says she called off her wedding because her fiancé couldn't stop playing the horses.

"Why," said Sheila Roe, "he lost his last shilling the day before we were to be married."

Miss Roe added that her fiancé's last big bet was on a horse named Wedding Expenses.

Still time to change to clean GAS HEAT

Now—before real winter sets in—before the falling leaves turn to falling snow—you still have time to change to clean GAS HEAT; do it now! In many cases the change over can be made in less than a day. It's more than just a change of fuel, it's a new way of life. First, everything stays much cleaner . . . less housework. Then, with GAS HEAT you get auto- matic operation that you set and forget. You can forget fuel deliveries, too, because gas is piped right into your home like water. You pay only for what you use, after you use it. Talk it over with your LILCO Gas Heating Specialist; or call Mr. Kent at LILCO, PI 7-1000. Either one will be glad to arrange a free home- heating survey for you, and give you the details of LILCO's Money-Back Guarantee. Gas is your greatest heating value.

President Calls Scouts 'Valuable Influence'

President Kennedy, himself a former Boy Scout for two years at Brookville, N. Y., says that Scouting contributes "to the vigor and strength of our nation."

In a message to the Scout movement, in which he is Honorary President, Mr. Kennedy says:

"Training and associations of Boy Scout life are invaluable to the individual development of young men and to the quality of community life. More than 30 million persons have taken an active part in the Scouting movement since its foundation. It has been a most valuable influence in our nation's life, and I know that future energies of the Boy Scouts will add even more to the vigor and strength of our nation."

COMETLAND

by JOE KOERNER

MR. HIGH GRID FARE—Meteor coach, Marty Riger reports to wish a 1-3 mark for his "B" squad so far this season. "Not the best of records," was his kille comment, "but we took on some good teams and were never out-hustled when the chips were down." Nuff said, Marty! And here's the list of outstanding players you cited—co-captains, Jim Giancola and Bob Ullie; backs, Jerry Harding, John Kearny and Bill Donovan; and line-men, Kenny Flood, Steve Cooper, Tom Colwell, Jim Rodecker, Vito Marone, Mike Masciello, and Tom Marola. Touchdowns for the season are — versus Levittown (Wisdom, Lane), which went to the score by a score of 19-14. Jim Giancola swept the end for a 29 yard score and Jerry Harding allowed with a scoring pass thrown by Beary. Versus Roslyn, a 6-0 win by the Meteors, Pullback Bill Donovan went 14 yards for the only score of the game. Lots of good luck "Bees," our crystal ball pures you for two more wins to close out the season at 4-3.

METEOR A's, DALERS TIE — How do you report a no score all game? We asked Jr. High captains Bud Bryan and Phil Wolfe. And the very least we expected was a thoughtful moment of silence, but instead a barrage of proud accolades followed on the who's who and the what's what in the Meteor A ranks. "We were minus 4 of our key players," Bryan beamed, "but we kept them from scoring." And how about that third quarter? Wolfe cut in, we had em on the 1 yard line with 4 to go and couldn't make the score. And then, in the last quarter, they had us backed up and couldn't dent our line. "What a team!" they chorused as the interview ended with a name dropping contest between the pair of them. We were looking for a John Henry or two for the outstanding player award, but instead, wound up with 28 names, knowing full well we were apt to get the fish eye from Editor Noeth if we tried to get them all in print. That's how a guy in the dodge reports a no, no ballgame, Nuff said A's! There's only one touchdown scored against you in four games, so who's to say you can't soothe Salk and plow Plainedge in the last two outings of the season.

CAR 54—WHERE ARE YOU?— Lots of good luck to Carol Maggio and Charles Watkins, scheduled to splice the towline on Saturday, Feb. 9 at the Holy Family Church. Carol's a Hicksville resident and has been a member of the school district's clerical department for the past 8 years. Presently, she's the private secretary to Leon Galloway, Principal of the Division Ave. High School. Husband-to-be, Charles, is a member of the New York City's "Finest" and we don't blame him one bit for hauling this pretty little filly down to the knot-ter. She's another, one of those walking ads, for that fine group of clerical employees, we have here in the district. Watkins had already issued his first summons via a engagement ring on Oct. 20, and the seasonal record for this pair is now an impressive 2-0 with more to follow.

SOCCER SIDE-LITES— Jr. High coach, John Santoro reports a 6-5-1 record for his Freshman team. Top scorers are Joe Franco, James Bergholtz, Joe Paesani, and Bob Taub. The 7th and 8th graders are in at 3-1 with the only defeat coming at the hands of Salk in the last three seconds of play. Outstanding players for the "Graders" are Rollin McLain, Nick Sman, Ron Carman, Roger Gorman, Bill Squire, and Grey Miller.

are Rollin McLain, Nick Sman, Ron Carman, Roger Gorman, Bill Squire, and Grey Miller.

COMET BOOSTERS PLAYOFF

—Once again, history repeated itself in a down to the wire, stretch run by the Comet soccer team. Last year they had tied Great Neck, North by beating them in the season's finale and then clipped them again in the playoff to cop the Section 1 title. A few days later they tied Garden City 2-2 in a North Shore championship game, tied again the following day (4-4) at the end of regulation and finally lost out on a penalty kick ruling that was used to decide the game. The Gardeners booted in 4 out of the 8 penalty kicks and ruling that was used to decide the game. The Gardeners booted in 4 out of the 8 penalty kicks and the Comets 2. This year, the dates have been changed but the situation remains about the same. Last Friday afternoon the Comets, led by Chip Jaworski with two goals and Neil Barrows with 1, dumped the Northmen into second place and wound up in a 1st place tie with Clarke at 7-1-2. The date and location for the playoff game should be decided before this column goes to print, and we'll be reporting the action.

WHAT MAKES THE COMETS RUN DEPT.—A quartette of linemen by the names of Bill Hoops, Ed Kramer, Vin Hoosack, and Steve Mandala are included. Assistant coach, Ron Benegio credits these boys and a number of others on both the offensive and defensive lines for a great deal of the phenomenal success the Comet-gridders have had up to date. We'll be doing an item soon on these unsung heroes who stopped the opposition when the going was rough. Hope we can make the deadline for this issue on the Comet-Clarke game on Election Day.

OLD BROADJUMPERS NEVER DIE!—They just fade away into the employ of the new business department of the Long Island Lighting Co. Meet Charley Thomas Jr., Comet class of '35, who claims he still retains the broad jump record of 20'8 1/2" (under 120 lbs.) after 27 years of competition. The competitive rules have since been changed from weights to grades over the past years, but we're anxious to know if a modern, under 120 pounder, could break this record set in 1935.

Nov. 7, 1874 — Harper's Weekly ran the first cartoon depicting an elephant as the symbol of the Republican Party. (In the drawing by Thomas Nast entitled "The Third Term Panic," a reference to President Grant's possible bid for a third term, the elephant was labeled "Republican vote" as it was about to fall into a pit marked "chaos.")

Nov. 11, 1918 — At solemn ceremonies attended by some 100,000 people at Arlington National Cemetery, President Harding dedicated the tomb in which America's unknown soldier is buried. The monument bears the inscription "Here rests in honored glory an American soldier known but to God."

Clarke Blanks Our Comets

BY J. K.

Suddenly the ballgame was over and the armchair quarterbacks from Cometland stood passively alone, or gathered in little circles to discuss this "Ram" rout of the locals. "What happened," an ashen faced one managed to stammer. "We got a 12-0 clipper," said another. "We shoulda stayed on the ground," was another remark agreed upon after a Comet march had been stopped on the Clarke 9 yard line.

But this was the way the mop was destined to flop this day when two, front runners, in Section 1 wanted undisputed possession of first place. The "Rams" drew first blood on a 65 yard touchdown march that encompassed 13 plays and fullback Ben Smith exploded the last 10 for the score. At that stage and until very late in the third quarter, the 6 point margin looked like money in the bank for the Rams, but then out of nowhere, the Comets (poorly late starters) suddenly came to life. Bill Hoops intercepted a Ram pass on the visitors' 30 yard line and picked up 9 on the carry. Charley Triola bulldozed through right tackle for 6; Ray Strasburger gained 12 on an end sweep, the quarter changed and Triola plowed up the middle for 15 and 10 and finally Strasburger brought the ball to the Ram 9 yard line on a pitch. Then came the irony of failure and the Comet machine ground to a sudden halt after three successive pass tries into the end zone.

Two of the catches, one to Bruce Cerone and 1 to Bill Sherburne, were mighty close to completion and brought dying gasps from a 1000 Comet throats (one fell over the snow fence on Cerone's finger tip try). Minutes later, the Rams were out of trouble and with three minutes left in the game, halfback Fred Tafuro swept the left flank for the 2nd score of the game. This was the ballgame and at this point, the sideline quarterbacks gathered to soothe their shattered nerves with a bit of discuslike repartee. And mourning hands were selling for a fin apiece, a hawk could have refuted off his sales on the Comet side of the coin.

As it was, the two district groundsmen working the game, Jim Czeckil and Spike Florio, had to get rid of the line ropes fast, because a few debrisards looked like they were ready to use them. We're only kidding Comets! And win, lose or draw, you're still the kind of team that takes a back seat to none.

The Rams were up for this one, but they still have to meet Plainedge and Farmingdale and without any pressure on, one or both is capable of playing the role of "spoiler" again. Other hi-lites of this Comet setback was the outstanding play of Ram backs, Bill Kozma and Ben Smith. They were real tough boys to stop and especially Pullback Smith. He's built like a sawed off beer barrel and runs like a hopped up Mack Truck. We look for Daler halfback John Paci and his mob to cool these Clarkers down a bit with some razzle-dazzle footwork.

Library Corner

The time honored way to evaluate children's services in a Public Library, is the numerical way. Endless statistics on registration, circulation, attendance at programs etc. are compiled, and offered up a justification that all goes well in the land of the Lilliputians. And in truth, this is a valid way of doing it, as it is most important to us here at the Hicksville Public Library that our circulation is over 10,000 books a month, our registration approximately 200 a month, and the attendance at storyhours and programs at least 100 a month. Even more impressive, is the fact that there are perhaps 25 or more class visits to the Children's Room a month, for instruction and reading guidance as well as for borrowing materials in connection with school work.

However, a more important aspect of children's work in a Public Library is the quality of the service given to these numerous readers. In other words, we at Hicksville are not only concerned with bringing together children and books, but with how this is done. As author Harriet Long said in her book, "Rich the Treasure": "... The child is quick to sense the insincerity of one who knows only the covers of books, and will not establish faith in the judgment of the librarian who hastily gives him a book which was not carefully chosen to meet his interest or need. ... Now how is this consideration of quality dealt with at the library? In the first place the librarian tries to give to children that are there for school reference work, the most effective reference help possible. That is, the librarian is trained to find the best information available in the collection for any specific inquiry. More than that however, she tries to take into consideration, the age, grade and most important, the reading interest level of the particular child, before answering the question. For example, in the sciences, there are many books written for the lower grades which are purposely geared to their reading and experience level, which are purchased by the librarian for those children who follow an advanced scientific curriculum.

This above mentioned reference work is definitely child centered.

and in a similar manner to the reader's advisory service offered in the library. When a young reader just wants "something to read," after a series of pertinent questions, the trained person is able to discover that this "something" is either fiction or non-fiction, adventure or romance, historical or mystery etc. Then there is the problem of interest level, as two youngsters in the same grade may have entirely different demands from their reading material. This question is taken care of by the librarian, by asking one of her own. And that is, "what have you read (either recently or in general) that you have enjoyed, and why?" Once these questions have been answered and out of the way, the two principals in this little but important dialogue are on their way to a fine future relationship. And it is through this relationship, we hope that the right book is brought to the right child.

The third way of bringing children and books together is with the aid of intermediary factors. These are our programs, storyhours, lists and book talks. The librarian feels that films shown to children in a library situation should be so in connection with some book exhibit or talk. Therefore, the film chosen for Bookweek, which will be shown November 14 at 4:00 p.m., is titled "And Now Miguel," and is based on a book by the same name which was an award winning book for young people some years back. Also during this week, November 11-17, there will be an exhibit of award winning children's books placed in the auditorium, where they can be inspected by the children. (More notes on Bookweek will be submitted to your newspaper). Similarly, the storyhour selections are chosen long before they are presented, so that the librarian can see whether they are appropriate for the age and nature of the audience, and practice them accordingly.

These are just a few of the ways that the Hicksville Public Library is trying to give the children of the community quality service. The librarian is always willing to speak with parents and children about their own reading problems and is available for questions and consultation in the Children's Department.

Registration Set For Baseball

The Hicksville Baseball Association, Inc., will hold its registration for the 1963 season on Saturday, Nov. 17, between the hours of 10:00 a.m. and 1:00 p.m. and on Sunday, Nov. 18, between 1:00 p.m. and 4:00 p.m. at the Levittown Hall, Levittown Parkway, Hicksville.

Registrations of boys for all Little League teams, Babe Ruth League, and Connie Mack League will be accepted at this time.

All parents are urged to register their boys at this time, so that the formation of teams and leagues can be finalized at an early date, which will prevent delays in the opening of the season in April.

All registered boys will be kept informed of league activities via the Baseball Association news bulleting which will be mailed directly to each family registered.

FRIENDS OF MERCY HOSPITAL collaborate on the plans for the forthcoming 26th Mercy Ball to be held on Friday, Nov. 16 at the Garden City Hotel. Village Chairman George O'Haire (left) discusses the arrangements for the traditional social and charitable benefit for Mercy Hospital, Rockville Centre with Edward J. Morris of Basket Lane, Hicksville. Justice Thomas P. Farley of Hempstead, chairman of the traditional benefit for Mercy Hospital, announced that Vincent Lopez and his orchestras would again provide the musical background for dancing in four spacious ballrooms.

ASTRONAUT JOHN GLENN IS EXPLORER LEADER— "Most of the time I'm learning how to explore outer space," says Astronaut John Glenn, "but in my spare time I'm an associate Advisor of an Explorer post." Glenn, whose son Dave is an Eagle Scout, declares that "Scouting is A-OK."

ALRENE GERTZEN, daughter of Mr. and Mrs. Malcolm Gertzen of Hicksville, has been crowned the Campus Queen at the State University Agricultural and Technical School in Farmingdale where she is a student of advertising and design. She was the winner from among 21 contestants and is a graduate of Hicksville High School. She was a runnerup last year in the Aggie Tech selection of a Cysanthum Queen.
