HICKSVILLE RAIL ROAD station, built in 1908, will feel the crush of demolition cranes tomorrow (Friday) morning when community, town, state and Rail Road officials preside at a ceremony marking its destruction to make way for the \$13,000,000 RR grade crossing elimination program. Ceremonies take place at 10:30 AM, rain or shine. The last train at the old platform will be Greenport-bound train going thru at 9:34 AM. The first train east bound over the temporary, adjacent tracks is due at 11:15 AM. Removal of the old tracks on the main line will get underway at once. Port Jefferson tracks have been lifted for most of the route of construction. (Herald photo by Frank Mallett)

Court to Ponder Show Cause Plea On Library Referendum

Attorneys for the Hicksville School District, Hicksville Library Trustees and a group of 10 Hicksville residents are scheduled to confront each other before Supreme Court Justice Thomas Farley in Mineola tomorrow (Fri) morning regarding a show cause order sought to prevent the Dec 12 referendum upon a bond issue of \$298,500 for expansion of the public library.

Documents were served upon the Board of Education and the Library Board earlier this week. Harry H. Goebel is attorney for the 10 residents. Joseph Catalano will probably represent the Board of Education and Phillip F. Robinson.

the Library Trustees, in defending the referendum.

Meanwhile, arrangements have been completed for the first of two registration days for voters who not currently registered for the Dec 12 voting. Registration

takes place at seven elementary schools on Saturday, Dec 1 from 10 AM to 5 PM and again on Wednesday, Dec 5, from 12 noon to 11 PM.

A declaratory judgment is being sought on the following points: (1) That the action of the Board of Education in directing a referendum to be held is illegal, null and void; (2) That the referendum is not authorized under the Local Finance Law; (3) That the holding of the referendum be enjoined; (4) That the Library be enjoined from making further payments on the Charles property; (5) That the purchase of the property by the Library be declared illegal; and (6) That the personal responsibility of the members of the Library be fixed.

The court action is being brought by George M. Martin, Arlene R. Martin, Harry M. Wagner, Rosemary Wagner, Howard F. Van Allen, Philomena M. VanAllen, Edward J. Schellens, Theresa A. Schellens, Bernard A. Weber and Dorothy A. Weber.

Robinson, questioned by the HERALD, said he planned to seek an immediate decision by the Court upon the action brought so that the referendum — including voter registration — can proceed with-

FORMER TELEPHONE building on E. Nicholas St., now a publishing plant, was the scene of a destructive fire late Friday night. (Herald exclusive photo by Frank Mallett)

Fire Damages Publishing Plant

Twenty-five Hicksville volunteer firemen fought a stubborn fire for four hours, Friday night, which gutted the printing plant of more Publications and two sub-stations on E. Nicholas St. Estimates of damage ranged from \$10,000 to \$60,000. The Nassau County Fire Marshal's office was asked to investigate in an effort to determine the cause.

Robert Morgan, publisher of Literature Publications, said his newspaper press escaped damage and that he had moved his office temporarily to a vacant store near the building. Extensive damage was suffered by a type composition concern on the first floor and the photo engraving plant owned by Thomas Rohan on the second floor.

Morgan said he would not miss a single edition of his five publications despite the fire and extensive damage.

The fire apparently started in the basement of the former Telephone Co. exchange-central office. The alarm was sounded at 10:03 PM and the pumps and equipment under the direction of Fire Chief Walter Teller were on the scene until 2:30 AM, Saturday.

The structure, a substantial building of brick and masonry adjacent to the Masonic Temple, is owned by Shirley Taliaferro. It has been a publishing plant since 1955.

Thick smoke hampered the pumps in fighting the blaze and several were overcome, although none were hospitalized. All fire apparatus from the main and two sub-stations rolled in answer to the alarm.

THIS IS HOW the Charles Wagner Post, American Legion Clubhouse on E. Nicholas St. will look when renovations and expansion are completed. Scheiner and Swit are the architects.

Start Legion Hall Expansion

The \$90,000 Building Program of the Charles Wagner Post #421, American Legion, will go into the actual construction stage next Sunday afternoon, Dec. 2, at 2:30 P.M., when Ground Breaking Ceremonies will be held on E. Nicholas St., Hicksville.

An elaborate ceremony is planned to celebrate the historic occasion with the first spadeful of soil being turned by Henry C. Brangel, Chairman of Hicksville Legion Hall, Inc. Several dozen distinguished guests and a large number of Post and Auxiliary members will be on hand to witness the ceremony. Town Supervisor

John J. Burns will be the guest speaker and Allen S. Carpenter, P.C., will be the master of ceremonies.

The afternoon's program will include the raising of the Colors by the Post Color Guard and entertainment by the well known Charles Wagner Squadron S.A.L. Band under the direction of Bandmaster Peter Seltz. After the close of the ceremony refreshments for all will be served in the clubhouse.

The construction work will be done by Cramer Brothers, General Contractors, and completion of the program is scheduled for

April of 1963. Among the improvements included in the expansion program are two new halls and a game and recreation area and an attractive lobby and cloak room facility.

Financing the building program is the sale of 6% annual interest bearer Bonds of \$100 denomination to American Legion members and Auxiliary. The offering will be made to the general public in a short time on a first come, first served, cash basis, with Allen Carpenter, John Ehman and John Dobson heading the Bond Sales Committee.

Tribune Features Our Community

The community of Hicksville, its past and present, will be featured in text and pictures in a feature article in the Sunday Herald-Tribune this weekend. A staff writer and reporter spent Monday in Hicksville gathering material in cooperation with the Chamber of Commerce.

Dear Lynda:

Wrong—again Newsday says that a woman in Elmont believes she is the first woman to run for fire commissioner in Nassau County. DOROTHY McCUE of Woodbury Rd., Hicksville, was probably the first. She ran last year against HAROLD HAWGHEIST. A post card from Hollywood Fla., reads as follows: "To those who think things get hot on the School Board, I'd recommend a little Florida sunshine. Will be back in time for Nov 30 meeting. Regards, GEORGE KUNZ." School Board holds a regular meeting this Friday night in Teachers' Lounge, Hicksville High School. Plainview Chamber of Commerce is reviving its Christmas Home Decorating contest this year. It has been discontinued last year. EDITH R. VOORHIES is chairman.

GEORGE PERRY, of Cedar Street, Hicksville, is now at home recovering from major surgery. Get well soon, George.

Getting culture seems to be a magic word of late. A reader sends a clipping from a New York newspaper: "Ah, Culture: The Bug Bites 50 Million of Us. American is fast becoming a nation of culture vultures, the Standard Research Institute of Calif asserted here yesterday."

New York Motorists will get tabs, not new plates, for their autos in 1963. The tab is affixed to the lower right hand corner of the 1962 rear plates. They go on sale on Monday, Dec. 3. If we had any doubts that Christmas is near, the passage of a huge truck-trailer up Broadway with a swinging load of Christmas trees convinced us we better depend more on the calendar than the weather conditions. Former Town Supervisor HARRY TAPPEN will be among the distinguished guests at the Hicksville Legion Hall ground breaking ceremonies this Sunday afternoon. County Dept. of Public Works has a low bid of \$113,240 from R. JANNOTTA of Roslyn for improvement of Duffy Ave. from Old Country Rd to Charlotte Ave. The work includes reinforced concrete pavement, curbs, sidewalks and storm water drainage. Press release from the County described the street as "DUFFY AVENUE." School Superintendent DONALD F. AET seems to be making the luncheon club circuit. He was a guest at the Kiwanis last week and speaks to the Rotary Club today (Thursday) as the guest of FREEMAN PARK.

Of Dorothy Wigand, Richard Gartmayer, grandfather of Robert Wigand and Ricky Gartmayer; brother of Olga Maerz.

He reposed at the Vernon Wagner Funeral Home until Monday, Nov. 26, when a solemn requiem mass was offered for him at Holy Family R. C. Church at 9:45 a.m. Interment followed in Mt. St. Mary Cemetery, Flushing.

CHARLES W. EBNER

HICKSVILLE—Charles W. Ebner of 311 Jerusalem Ave., here, died Nov. 23. He was the beloved husband of the late Rose (nee Langenstein); father of William and the late John Ebner; Marian Lauck, Rose Datz, Anna Ehnem, Florence Taylor, Evelyn Murphy, Violet Zito; dear brother of Anna Sacks; and survived by 19 grandchildren, 12 great-grandchildren.

He reposed at the Henry J. Stock Funeral Home until Tuesday, Nov. 27, when religious services were held. Rev. Karl E. Kuebler officiating. Interment followed in Lutheran Cemetery, Manhasset.

JOSEPH M. JOESTEN

HICKSVILLE—Joseph M. Joesten of 22 Ketchum Ave., here, died Nov. 25. He is survived by his wife, Lillian (nee Ryan); father of Edward and Robert Joesten; Ann Slade, Harriet Scrime, Edna

Ney, Eleanor Holwell; brother of Harriet Forbeck, now residing in Mexico City; and 28 grandchildren.

Joesten was a member of the Gordon Webster Post, American Legion, Ozone Park.

He reposed at the Henry J. Stock Funeral Home until Wednesday, Nov. 28, when a solemn requiem mass was offered in Long Island Pinelawn Cemetery.

JOHN J. MCGINTY

PLAINVIEW—John J. McGinty of 11 Ruby Lane, Plainview, here, died Nov. 23. Mr. McGinty was 97 years of age. He is survived by a niece, Kathleen Vaughan. He reposed at the Thomas F. Dalton Funeral Home, Hicksville, until Nov. 27 when a solemn requiem mass was offered for him at St. Plus VV Church.

Interment followed at the Gate of Heaven Cemetery, at Mt. Pleasant, Westchester County.

The lieutenant received his B.S. DEGREE FROM Mount St. Mary's College, Emmitsburg, Md. He is the son of Mr. and Mrs. Albert J. Hendrickson of Picture Lane, Hicksville.

TEACH to Hear About Referendum

The Taxpayers' Education Assoc. for Children of Hicksville (TEACH) invites you to attend its second general meeting to be held on Tuesday, Dec. 4, at 8:30 PM in Levittown Hall. The Assoc. has asked Dr. M. Green, Associate Professor Education at Brooklyn College, to speak on "Academic Freedom". Kenneth Barnes, head, Librarian of the Hicksville Public Library will also speak that evening on the proposed library addition.

It is well known that TEACH was formed to support and maintain high-quality education in Hicksville. Believing that the library is an integral and vital part of any system of education, TEACH supports the proposed addition because it is needed to serve the needs of students and adults of Hicksville in a realistic and meaningful manner.

Fancy Arithmetic Under Attack

The Hicksville Library Trustees in their enthusiastic drive to push thru a referendum on a \$298,500 bond issue of the School District to convert the Free Public Library into a cultural center have stumbled over their own news releases, it was charged today by the Committee for Defeat of the Library Referendum. The vote takes place Dec. 12.

A committee spokesman pointed out library officials have contended the voters "approved" the acquisition of property for expansion when they okayed the public library budget last May.

The property cost \$24,000 and the voters on Dec. 12 are being asked to approve expenditure of \$17,000 to acquire the property from the Library Board. The library trustees apparently paid \$7,000 as a down payment, not authorized by the voters. The advertised library budget in May carried a line "mortgage amortization \$2,256."

"How could the library trustees pay \$7,000 down for the property when only \$2,256 was allowed in the budget?" The Committee wants to know. "And how can the library trustees sell land valued at \$24,000 to the school district for \$17,000? Aside from the legal questions involved, which have been taken to court, the arithmetic is utterly fantastic."

Registration of voters for the Dec. 12 referendum will take place at seven elementary schools in the District this Saturday, Dec. 1 and Wednesday, Dec. 5.

For Fire Commissioner of Hicksville With A Positive Program for Good Of Community

B. MEDARD OFENLOCH

Ex-Chief, 20 year member of Fire Department

Ex-Chief Ofenloch is pledged to seek operation of some type of telephonic or radio alerting system, successfully used in Jericho and other Districts, which make it unnecessary to blow the fire alarm sirens during night sleeping hours. This can be done without loss of efficiency and at reasonable cost, he believes.

As an active member and leader of volunteer firemen he knows their problems and requirements in providing the community with excellent fire protection at reasonable cost.

Herald Editorial Opinion

The Real Issue in the Dec 12 Library Vote

A couple of weeks ago we made some editorial reference to the Dec 12 referendum upon a \$298,500 bond issue of the School District to finance expansion of the Hicksville Free Public Library. As pledged at that time, we have published everything on the subject submitted to date.

The sponsors of the project have put out two broadside mailings. The text of the first has been published in the HERALD and the second, received Tuesday, is reprinted elsewhere on this page.

The second mailing has apparently disclosed the underlying and real issue of the Dec 12 referendum. Voters may have to learn to say "no" when they find it impossible to agree with everything offered in a package. For example, school authorities explained recently that when the voters approve the school budget they, in effect, approve every expenditure proposed within the framework of the budget offered.

Thus if we read the latest literature of the Library Board critically we find the real question on Dec 12 is this: "By its very nature a library is the cultural center of the community...To continue and expand these benefits to the community we must have adequate facilities. We think Hicksville is interested in continuing these cultural

advantages. Do you?"

A twin-pronged question requiring a single "yes" or "no". A "yes" vote could be interpreted to mean an endorsement of the cultural center concept and who knows where that will end. We do want a library, a source of information and all the things that a library means to the community. But shall we write a blank check for art exhibits, concerts, lectures, etc? Are we prepared for a miniature Lincoln Center? And, of course, the expense of such activities: wages for artists, additional exhibit halls, galleries, etc.

In its eagerness to sell, the sponsors go further afield. They speak of costs like "10 cents a month", presumably to cover bond issue costs. What about the personnel to serve in the expanded area? They can never fit within the 10 cents a month forecast.

At another point in its literature, the proponents say that "of necessity a large basement stack room was converted into a children's room" in 1959. Did anyone ever ask the taxpayers if they wanted an enlarged children's room? That large basement stack room was probably calculated into the book capacity of the present building when the voters approved a \$312,000 bond issue less than seven years ago

with the understanding that the building would serve the community library needs for this generation.

And while we are exploring such specialized areas as children's and teen book collections, may we not ask the function and purpose of libraries in every school of the District? Each year the Board of Education buys thousands of volumes of these school libraries which are staffed by professionals. Perhaps we should discontinue libraries in elementary schools if they duplicate the services and book collections provided by the Public Library and its supplemental Bookmobile.

It is to be regretted that the Library Trustees have not seen fit to hold a public discussion meeting prior to the referendum vote, as has been the custom for a decade on School Bond Issue votes, so that the interested voters could ask questions to assist them in reaching individual conclusions.

We fear that the final decision will be made by a minority of the community, strongly organized and well-armed with literature and mailing facilities financed by the taxpayers, who feel most strongly in favor of converting the library into a cultural center. The rest of the voters, either confused or disinterested, may stay away and only start hollering when the tax bill gets bigger.

Library Board Explains Further

The following material was mailed to Hicksville residents this week by the Hicksville Free Public Library regarding the referendum vote of Dec. 12. It is printed as received:

YOUR PUBLIC LIBRARY NEEDS BOOK SPACE!

In 1959, of necessity, a large basement stack room was converted into a children's room. This has resulted in a critical shortage of stack space that must be remedied. At present, there is space remaining for 8,000-10,000 books, about a year's supply. The American Library Association recommends a minimum of 2.2 books per person. Hicksville with a population of over 50,000 people should provide at least 125,000 books. We now have 70,000 with a capacity in our present situation of no more than 80,000. We are fortunate in having an ample book budget. If maintained, an outstanding book collection will develop. However, the library purchasing must keep up with the rapidly changing world of ideas and scientific development. This WE are doing. We are asking YOU to provide the necessary book space. You can do it for 10¢ a month.

YOUR PUBLIC LIBRARY IS AN EDUCATIONAL FORCE!

A scientific and educational revolution has been taking place

in the last ten years. Coupled with a population explosion in the 13-19 age group, this has confronted the libraries with large numbers of intellectually curious students with complex reference problems. They need materials and space to prepare for the intellectual challenge of their futures.

The goal of a public library is to serve as a dependable source of information. Our reason for existence is to provide a central source of materials and to serve a democratic society by providing the information necessary for discussing, interpreting, and judging the great issues that a self-governing people must resolve.

It can be an intellectual and cultural bulwark or a tired and limp collection of second-rate books. We feel that most members of the community will recognize the close connection of an alert, well-informed, responsible community with an adequate library. We purchase most of the important books published each year.

YOUR PUBLIC LIBRARY IS A CULTURAL CENTER!

By its very nature, a library is the cultural center of the com-

The Fifth Freedom - enjoy it!

munity. Our duty to stimulate the intellectual and aesthetic forces in Hicksville goes beyond simply being a center of books and materials. It includes special programs that provide the leavening for the intellectual growth and cultural satisfaction of its citizens. To continue and expand these benefits to the community we must have adequate facilities. We think Hicksville is interested in continuing these cultural advantages. Do you?

A SOLUTION IS POSSIBLE!

The library is proposing an extension costing \$298,500. This will be paid over a 20 year period. It will provide for over 40,000 additional volumes; a young adult area to provide for 82 additional seats and facilities for more books; and an improved community room seating 182 persons in comfort. This enables the library to maintain purchasing of materials, to meet the challenge of students and to make the library a true cultural center by providing vastly improved facilities for programs, meetings and exhibits.

HERALD READER OPINION

ANTIS AGAIN

To the Editor:

The Hicksville "antis" are at it again! They form a small vociferous group that automatically opposes all civic projects in Hicksville. They are against schools, books, art, culture, and of course libraries. Even the casual observer in the Hicksville Library cannot fail to be impressed by the tremendous number of people, especially our own school children, using and plainly overtaxing present facilities. The library, in fact, circulates 350,000 books a year yet the "antis" are against our desperately needed expansion and are not especially careful of the so-called facts they use in trumping up reasons for swaying votes.

ALL THIS FOR 10¢ PER MONTH!

The new extension will cost less than 10¢ a month. We firmly believe the community cannot afford not to have a first class library in these times. The library currently costs the average homeowner less than \$1.00 a month; we hope you think this is a bargain, as we do, and support the referendum on Dec. 12.

In the coming referendum of December 12, a by-word of these people has always been, "cast doubt and suspicion." The library trustees, in an especially alert and far-seeing action, recently acquired property adjacent to the library for the sum of \$24,000, an unusually small amount for a real estate acquisition by a public body. The legality of this action was fully confirmed by the library and school board attorneys and is clearly in the province of the Library Trustees' responsibilities as spelled out by the New York State Education Act. White is Black! The "antis" of course cry "illegality."

Then there is the matter of cost. The proposition will ask for \$298,500. This is the precise figure on the voting machine and represents about one dollar per year to the average taxpayer. By some peculiar bookkeeping the "antis" have arrived at imaginary numbers which range far in excess of this. In one statement the cost of standard library book acquisitions for the next 10 years is lumped into their calculations. And so it goes. The present community room, heavily used for library cultural

School Board Welcomes Visitors

by Selma Constant

Jericho Board of Education welcomes visitors to its monthly meetings. For those residents of School District 15 who cannot attend, the WEST BIRCHWOOD NEWS will publish highlights of these meetings.

Status of the Cantigue School was discussed at length at the last meeting of the Jericho School Board on Nov. 15th. Other important topics concerned lowering the age for the summer recreation program, expansion of the high school and a Saturday enrichment program for high school students.

The status of the Cantigue School was discussed with Mr. Buchter, the architect, who reported that the contractor felt the building will be ready in two to three weeks. However, the Board will

not issue any statement as to the completion date until it can be certain that the building is actually completed, in view of the many disappointments as to completion date.

There was a request that the age for the summer recreation program be reduced to include children starting kindergarten in September. The Board felt that since this involves an expenditure of a large sum of money, the matter should be determined by the public in the May election. The Board also requested a report from Dr. Westfall, Acting Superintendent, about dropping or expanding certain grades in the summer program because of low registration.

Mr. Hecht, President of the Board of Education, said that additional high school space will be required. The citizens space committee submitted a report to the

Board recommending an additional building. The Board hired Dr. Brown of N.Y.U. to give a projected enrollment report. The final report has been received and is under study. Mr. Hecht said the Board would convene the citizens committee, go through the report and then relate to the community the Board's recommendation.

Plans to provide an enrichment program in foreign languages, mathematics and science in the Jericho High School on Saturday mornings were discussed with Mr. Heller, Principal of the High School. Some Board members felt that this should not be a remedial program but an enrichment program for students with particular interests and abilities, to enable them to go as far as they can. This will be further discussed in two weeks. Teachers will be paid at the current rate and the program will run for twenty Saturdays.

Jericho High School from the Inside

by Melvin Kornreich, Ph.D.

From the outside, Jericho High School seems to be a large building. The entrance is modern and pleasant. Seen from the back, the building extends impressively over the area on its two levels. However inside the building, one receives the impression of overcrowdedness not of spaciousness. Every available place is being used. Many rooms serve two purposes. Other rooms, planned for a variety of activities, have been pressed into service as classrooms.

All regular classrooms are in full use. Lunchtime is divided into three 30 minute sessions. Each classroom is empty for one of these sessions since 30 minutes is too short for a class hour. The rooms are in use as classrooms for the other two sessions. Certain special rooms, the science labs, workshops, business machine rooms may not be used for one or two hours during the school day. Their specialized furniture and valuable equipment are protected from casual handling.

At a recent PTA meeting, one parent asked why her child had to study in a room with tables smelling of ammonia. The reason is that

the lunchrooms, before and after lunch, are used as study halls. So are the band room, a conference room, and the public speaking room. A small conference room, attached to the library, and a maintenance workshop are being used as classrooms. Science labs double as lecture rooms. Despite careful planning, the school staff could not keep separate the junior and senior high school classrooms.

The school faculty has more limited space. The speech clinic in the dental hygienist's office. The medical clinic had to be divided into two small com-

partments. The waiting room for these clinics now houses the department chairmen, sitting one next to the other, conducting department business. The faculty lunchroom, a room filled by four small tables, is used also as a teachers' workroom. Even a book storage closet has been turned into a second teachers' workroom.

The school has outgrown its facilities. The lunchroom is filled to capacity during two of its three sessions, and has little available space during the third. The gym is in full time use. The library is short on space and books. It may have been possible to economize on classroom space this year by limited the educational program. In the next few years, not even this ultimate measure will help. Hopefully, the school board may take action to solve this problem.

LETTER TO EDITOR

To the Editor:

When I moved to Jericho two and one half years ago I was asked by a reporter for the West Birchwood News what I liked about living here. At that time I answered with meaningless words.

In the loss of my beloved mother I found what living here really meant to me. It seems being the recipient of comfort, companionship, warmth and assistance when it is needed most.

To all my neighbors a sincere thanks for the above.

THEATER GROUP MEETS

The West Birchwood Little Theater Group will hold an open meeting Wednesday evening, Dec. 12. Anyone interested in theater group work is invited to attend. Please call WE 3-6506 or WE 5-0960 for location of meeting.

Residents Hurt In Collision

A three car collision at the intersection of the Broadway southbound lane and the exit from the Expressway recently severely injured Mort Winthrop of 18 Warren Lane, West Birchwood Park at Jericho.

Mort, with Bernard Monkarsh, 8 Orange Drive, a passenger in his car, was crossing the intersection with the green light in his favor when a vehicle headed south towards Hicksville went through the red light and slammed into the side of Mort's car, shoving him into another car on his right side.

The collision resulted in Mort sustaining a broken arm, a concussion, and bruised ribs. Bern

Monkarsh suffered lacerations and bruises. The Winthrop vehicle was badly damaged and had to be towed away. The driver of the car which struck Mort's car admitted responsibility stating that he did not see the light at all even though he uses the road frequently according to an eyewitness at the scene of the accident.

This accident follows by a few weeks another one involving the son of Ken Gmora, 3 Chemung Place. His young son, age 13, was riding his bicycle on the north service road in Princeton Park when he was in collision with a car and was rushed to the Syosset Hospital with serious injuries. He is presently recovering at home.

President's Corner

by MYRON A. KANTER

Where are all the people who claim they are enthusiastic and want to help their civic association? The membership committee is now being revitalized under the direction of Jerry Strumpf. We need people to help staff this committee and assist in the important job of acquainting new residents with the West Birchwood Civic Assoc. by signing them up as members.

The membership committee need for personnel highlights the problem of manpower for all our committees to enable your Civic Association to be an effective voice of the community. It seems to me that many residents of our community have a habit of saying "I want to help" or "just call on me" or "why haven't I been contacted". These remarks are invariably made at social functions or general meetings of the Civic Association.

I wonder whether these remarks are sincere or impulsive. For when the time comes for action I hear remarks like "I'm too busy" or "I don't have the time" and most of the time I don't hear anything. If anyone sincerely wants to lend me a hand call at WE 8-7575. We need workers for the Membership committee at this time.

Since becoming president a short time ago I have received many complaints from residents wanting the Civic Assoc. to do something for them. In reply may I paraphrase a remark from President Kennedy's Inaugural Address, to wit "Ask not what your Civic Association can do for you but rather what can you do for your Civic Association!"

Committee Reports

EDUCATION: Next regular meeting Thursday, Dec. 6th at the residence of Harold Gaines, 32 Clinton Lane. Begins promptly at 8:30 P.M. Chairman: Harold Silvers.

SOCIAL: Next regular meeting Wednesday, Dec. 5th at residence of Shirley Weinstock, 20 St. Lawrence Place. Begins promptly at 8:30 p.m. The committee reported to the Board of Directors on the recent election dance and stated that expenses stayed within the budget. Plans are now being formulated for the annual dinner dance to be held at the Fontainebleau. There is a possibility the date for the affair may be changed to avoid a conflict with another social function.

COMMUNITY WELFARE: Residents wishing to attend the next meeting may call Jerry Strumpf at GE 3-9048 for time and place. Committee is working towards obtaining early installation of stop signs and repair of sidewalks.

Directors Hold First Session

The newly elected Board of Directors of the West Birchwood Civic Assoc. held its first meeting at the home of President Myron A. Kanter on Nov. 21st and heard reports from all standing committees of the Assoc.

It was decided that in the future all committees will turn in written reports or copies of minutes of meetings so that such reports can be published in the WEST BIRCHWOOD NEWS. The Board also decided that in order to avoid complications of a legal nature each committee would be restricted in the sense that any abnormal or unusual external source to be contacted should go thru the Board of Directors before any formal action could be taken.

A Constitutional Committee consisting of Donald Parnes, Arnold Whelan, Ray Simon and Myron Kanter was appointed. The committee will make an intensive study of the present constitution and amendments with the purpose of bringing it up to date and making it more complete.

Meetings of the Board of Directors are held on the third Wednesday of every month. For place of the next meeting call Secretary Beverly Rose at WE 8-5424.

Curtain Rising On Bus Stop

Last Call! Curtain going up on BUS STOP. Sure hope this paper arrives in time so that this final reminder does not come too late. If you have heeded our earlier appeals and are planning to see BUS STOP either Friday or Saturday evening Nov. 30 or Dec. 1, you will be among the many Jericho residents who will be more than reimbursed in pleasure for the price of their tickets.

The cast features Mark Pernick as "Cowboy" Bo Decker; Eugene Singer as his buddy Virgil; Joan Gilbert as Grace in whose dinner the action takes place; Florette Schlinger as Elma the young waitress; Phyllis Stern as Cherie the chanteuse; Mike Steinberg as the sheriff; Len Goodstadt as Dr. Lyman and Bob Freeman as the driver of the snowbound bus.

The West Birchwood Little Theater Group is presenting it. The Robert Williams School is the place. \$1.75 is the price; 8:45 the time.

IN CHORUS

Henry Niemann of 55 Lantern Road, Hicksville, is in the Chorus of the "Finian's Rainbow", at 8:30 p.m. Fridays, Saturdays and Sundays, Dec. 7, 8, 9, 14, 15 and 16 at the Hofstra Playhouse.

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville

BY ARTIE RUTZ

I hope you will be present this Sunday afternoon at 2:30 when we will have our Ground Breaking Ceremonies at the clubhouse for our new hall. Everyone is invited to witness this historic moment. Town Supervisor, Johnny Burns will be the guest speaker. A fellow Legionnaire, you know. Don't forget our first Pre-Holiday Dance the night before, only \$2.50 per head, with the Blue Notes providing the dance music. You can pay at the door and bring all your friends as they'll enjoy our Legion dances as everybody always does. A special reminder from our Membership Officer, "Please pay your dues before Dec. 15th as after this date the per capita tax also goes into effect and it will cost the Post \$50 more for every member paying his dues thereafter." O.K. so if you are still unpaid for 1963 at this time please help us out by getting your dues in immediately, thanks. Of special interest to those Legionnaires who like to sing is the announcement that a formal choral group will be formed in Nassau County to be known as "The Leg-

ion Ahrs." The group will be trained by, and be directed by, Patrick Killikelly, a well known Impresario and Legionnaire. The group will practice at the Patterson Home for the Aged in Uniondale every Monday night at 7-9 P.M. Just introduce yourself as a Legionnaire from the Charles Wagner Post and you're in business. We sponsored a Bingo session at the Hicksville Hall on Thanksgiving night and will continue to sponsor games in the future, dates to be announced later. When we do, please tell all your friends about it. Even though there'll be plenty of construction work going on around and about the Post during the winter months, we are having a New Year's Eve Party in our hall just the same. Only \$15 per couple, see Bob Beard for reservations. I am happy to say that finally 4 more pictures of our past Commanders will be added to the "roguers" gallery and it is hopeful that 4 more will be added in a short time. Have you brought in a new member yet? See you at the meeting next week, let's get acquainted.

COMETLAND

by JOE KOERNER

COMETS COP FINALE - The odds boys had the Comets favored by a pair of touchdowns in this last go-round of the season and that's just about the way things worked out.

Hicksville 14, MacArthur 0 in a game that had been postponed from Thanksgiving morning to Saturday afternoon, Comet halfback, Bruce Cerone, a real comer this season drew first blood in the 1st quarter on a 30 yard scoring pass from Bruce Damm, Ray Straasburger ran the point, Missiles into the 3rd quarter Straasburger made it 13-0 on a 12 y. sprint down the right side and Larry Wesolko plunged for the point. This was the ballgame, and had the effect of bringing the locals home with a 6-2 record for the season. A 2nd place Section I finish behind the undefeated Clarke "Rams". All in all, a bang up year for the locals, as the season progressed they developed into the finest all around ball club in the league. So long Comets - see ya next year.

DEAR DEER - Don't let this get around but there's a modern "William Tell" in our town. Little metropolitan Name "Robin Hood" Dick Botto and according to proud pop, lrv, the arrowsmith of the family and co-owner of Botto's Hardware Store in town, the evidence is there for all those doubting "Thomases" who need convincing.

The buck weighs in the area of 150 lbs. and the arrow was still embedded between the 4th and 5th ribs. According to lrv, son Robin took up the bow and arrow double, barely 2 weeks ago and got his first deer of the season from 65 yds. out. He thought he got away, lrv said, "but that deer

kept going around in a tight circle until he finally dropped." This was last Sun. a.m. so don't look for this evidence, plus two more bucks that were hanging in the shed behind the store.

The buck fever was running high for brothers Bob, lrv and family and there might be a few more coat hangers in that shed by the time this issue hits the newsstands. (And just wait till Robin learns to cross his bow, better yet, still. Next year he'll get the whole deer family with one arrow.

FIRST HOMER - Grapevine information plucked from the SPORTS page of a Florida newspaper states that "Cometland's" own Chris Coletta pounded out his first homer of the season in the Grapefruit League. Chris playing the winter circuit with the big boys down in Red Soxville was batting a shade over 200, but this is mighty bast company where the fast ball, smokes and the curves and sliders dip the length of a 36" bat. Battering over 200 in this league convinces us that Coletta will be up with the parent club at Fenway Park on or before the 65 season.

Look for this boy in the years to come. He showed that extra spark of greatness as a "Meteor" and a "Comet" and his drive, determination and love of baseball will get him where he's going.

ALUMNI Anyone! A real wall buster, this combination court caper and football rally. Those of us in the two-lits of life might have imagined it raised a bit but the young among the record crowd, saw only fair skies, and sunshine and the turkey day finale ahead. The young in heart, old timers

FRANCES ARCHER AND BEVERLY GILE, internationally recognized folk singers, will perform on Sunday afternoon, Dec. 2, in the Hicksville High School auditorium for members of the Mid Island Concert Assoc. The Assoc. has announced there will be a total of four concerts this season. Also scheduled are Jose Limon and Dance Co., modern dance; Paganini Quartet and William Masselos, outstanding pianist. The NY Times said of Archer and Gile: "Comely, beautifully groomed young ladies who have a way with a song. Artful arrangements and polished performance." Admission is limited to members of the Concert Assoc.

were down on the court engaged in a contest that only Hicksville could win and this was the scene of a better than average basketball game between the Alumni and the faculty. Final score: Faculty 53 - Alumni 52.

Soroptimist Club Selects Projects

The Soroptimist Club of Central Nassau met Nov. 5th evening at Stouffer's Restaurant in Garden City. At this meeting, the Club decided on their "Project" for the year. Miss Grace Phipps, of Hicksville, President, announced the Long Island Hearing and Speech Society and the Rehabilitation Center of Nassau County were chosen for this year's project. Miss Pauline Thurlow, of Baldwin, Chairman of the evening, said that in the past, the club had raised money for the Campfire Girls, Adelphi College's Program in International Education, the Muscular Dystrophy Assoc. of America and the Waldemar Cancer Research Foundation. The Soroptimist Club of Central Nassau plans to continue their work with Senior Citizens at the A. Holly Patterson Home and at the Wayside Home School for Girls, which have been their continuing projects for several years.

The aims of the Soroptimist International Assoc. include the following: To promote the spirit of Service; to assist in development the highest concept of patriotism and love of country; to foster high ethical standards in business and professions; to advance the status of women; to develop interest in community, national and international affairs; to recognize the worthiness and dignity of all legitimate occupations as affording to each Soroptimist an opportunity to serve society. Dr. Judith Kice Smith, Program Chairman, announced that the Dec. 11th meeting would feature an international Christmas celebration.

Democrats Offer Free Counseling

Hicksville Regular Democratic Club announces a free "counseling service" every Tuesday evening between the hours of 8 p.m. and 10 p.m., commencing Dec. 4th, at Headquarters, West Barclay St. and Broadway, Hicksville. Residents with questions or problems relating to the community, civic or otherwise, in which they think the Democratic Club can be of assistance are invited to drop in or telephone OV 1-5123.

Ten Pin Talk

By Henry Dockswell

Murray Ginzman, capt. of the "Spits", did about everything he could to stop his team's downward slide. Not only did he bowl his second 200 game of the year, a 224, but he came right back with another one, a 215. This, his third one of the year, tied him with Marv. Cohen and Fred Septo in the race for High Individual Series with 597.

But all this was almost for naught. Even though Murray and his "Spits" were winning the last place Albits and even though Murray was hot, Al Minoff and his ralleaders almost swept them by taking five out of seven points. In this, Al's boys got a tremendous lift from Sid Secha who made his entry into the 200 club with just that, a 200.

Len Wainick got into the act when he kicked his way to his first good one with a 206. This was part of a very fine team effort as capt. Sid Simos, Len and the rest of the "Trophies" shut out Leo Geyen's "Lions" and zoomed from 5th place right back into 1st.

Tony Barbells threw his first 200 game at just the right time. At least Sam Springer and the rest of his "Minifin" think so. Tony's 212 went a long way in leading his team mates to a five to two win over the league leading "Royals". Fred Septo's men just couldn't stand up under it and dropped to fourth place.

The league, though, is very tight. One good night and a 5th place team can be back in 1st.

Jericho Men's League

by Stan Furness

Pestion Night Scramble - The White Sox won 6 from the Yankees, to make it a tie for 1st place. Yankees and White Sox now have won 60 lost 36.

The Braves took 6 from the Mets to pull into 2nd place with 54 won 42 lost.

Pirates won 6 from the Giants. Red Sox won 6 from the Cubs. Pirates and Red Sox now tie for 3rd place with a 52 won 44 lost record.

Mets and Giants follow with a tie for 4th and a record of 50 won 46 lost. The remaining teams follow closely batted with the Dodgers 46 win - 50 lost, Cardinals 42 win-54 lost, Cubs 40 win, 46 lost, Phillies 38 win - 58 lost and the Tigers 32 win - 64 lost.

With a third of the season gone previous standings are in no way an indication of the final outcome as week after week the night games are decided by close scores and a complete disregard by all, as to actual position.

Here off to - Bernie Levine's 204 - Jack Rubenstein 206 - Maurice Targovitz 212 - Larry Mar-dor 200 - Larry Keavy 202 - Art Ruzzer 209 - and Sam Goldstein with a 213 and a new High Series of 588.

Last week Al Franklin came through with a 215 - Carl Deany 202 - Neil Deluca 202 - Maurice Targovitz 201 - Hank Halberstadt 201.

New names keep popping up into the 200 circle and with more and more 3-4 and 5 strikes in a string appearing each week, it is a sure thing we can look forward to really High Games and Team Scores.

Jericho Junior Wins Contest

Larry Grobel, a 15-year old junior from Jericho High School was named as the boy's winner of Newbury's American History Contest for October.

His essay on "America's Three Greatest Presidents" was selected from among 118 entries submitted by senior high school students in all parts of Nassau and Suffolk. He chose Thomas Jefferson, Abraham Lincoln and Woodrow Wilson as the three greatest presidents because "each held the stage at a critical moment in American history and by timely action attained timeless results."

Larry won an engraved wrist watch in addition to a plane trip to Washington, D.C. with other monthly contest winners. Larry, an honor student, is president of the junior class and a member of the Jericho High Math-natics Club. He participates in several sports and is a cast member in the school play, "Arsonic and Old Lace."

Dr. Geritz P. Judd IV, Chairman of the history dept. at Hester College; Dr. Wesley D. Camp, Chairman of the Adelphi College History and government department; and Martin Bankis, Newbury education editor, were judges for the October contest.

Residents Take CD Training

John Masterson was attending the Civil Defense Training School at Manhattan Beach, Shagorah and Bay, Brooklyn. He is taking the course for Radiological Monitoring Instructor. Masterson will complete his course at the end of this week.

There will be a Fall-Out Shelter Management Instructors Course starting Dec. 2 through Dec. 7, which will be attended by Mrs. Margaret E. Hall. Both are residents of Hicksville in the local Civil Defense Unit 312.

The Villager

FOR THE RESIDENTS OF BROWNWOOD PARK AT JERICHO

Civic Bd. Meets; Usual Business

In the absence of Board Chairman Leon Newman, who was home sick, Vice Chairman Lottie Stein conducted the meeting.

Our Civic President, George Frankel, reported that the Jericho Board of Education had answered a letter concerning School Insurance with a request that he appoint two members as an Insurance Committee to work along with them on the problem. He appointed Sam Bicks and Julie Wilson.

Three more committees were appointed, all to work with the Jericho Board of Education:

1. A School Building Use Committee - to explore the means and charges for extra curricular use of the schools. Leo Geyer and Marie Genna were appointed.

2. A Jericho School District Lay Committee for Teacher's Salary Planning. Dr. Robert Brown was appointed.

3. A committee to work with the Jericho School Board on formulating the budget for the coming year. Appointed were Elliot Forgoosh, Sam Bicks, Dr. Robert Brown and a fourth member as yet unselected.

It was brought to the attention of the Civic Board that Robbins Lane School has but one Physical Education instructor. This was using the entire Physical Education program to fall badly slow minimum requirements both the State and President Kennedy's standards. The report also included the fact that there was money allocated for a second physical Education instructor. The situation was to be further pursued.

The Dept. of Public Works on being notified of the very unsatisfactory conditions surrounding the construction shack on Village Drive, answered with a promise that the area would be cleaned up, mowed and generally taken care of to improve the condition.

The untidy and unkempt situation of the Merry Lane Gas Station, which now includes a large milk dispensing machine, has not improved one bit. With the thought of gates to be erected there in the near future the only course left to the Civic Association seems to be to notify the Town of Oyster Bay to take immediate action.

The Floyd Bennett situation seems to be better, cleaner, and somewhat under control. A highlight of the meeting was Milt Begley's latest account of his battle with a diabolical phone, at 6:10 a.m. on a certain morning, at which time

his wife Joan suffered the usual fate of the innocent bystander. Milt insisted it really wasn't funny. Certainly, if this problem is ever resolved, the Civic Association should have a bust of Milt erected and placed at the corner of Market Lane and Hazelwood Drive. The inscription "For Valor and Dedication above and Beyond the Call of Duty" would be very fitting. The BCA Bowling League's request for an allocation of funds was denied after lengthy discussion. It was pointed out that last year the Bowling League requested and received a sum of money toward purchase of shirts. At the close of its year, the League showed a surplus of over \$300. This surplus was far in excess of the amount the Civic Association was asked to allocate. The civic association always stands ready to implement all its functions and activities, and if the Bowling League should need any financial aid on that basis such help would be forthcoming.

The Jericho Players have not only cancelled their intended production of "Clarembard" but have decided that because of the very heavy schedule of many of their performers they will not produce a play this fall.

As the meeting ended we all felt sure that our Vice Chairman, Lottie Stein, knew she had been put through the meat grinder but we all agreed that the baptism of fire had been withstood, and well.

COUNTY TREASURER'S SALE OF REAL ESTATE IN THE TOWN OF OYSTER BAY

NOTICE is hereby given that I shall, on the 3rd day of December, 1962, and the succeeding days beginning at 10:00 o'clock in the forenoon in the Board of Elections Hall, Nassau County New Administration Building, County Seat Drive and Court House Drive, Garden City, Nassau County, N. Y., sell at public auction the tax liens on real estate hereinafter described, unless the owner, mortgagee, occupant or any other party in interest within the real estate shall pay to the County Treasurer the total amount of such unpaid taxes or assessments with the interest, penalties and other expenses and charges against the property. Such tax liens will be sold at the rate of interest, not exceeding ten per centum per six months, for which any person or persons shall offer to take the total amount of such unpaid taxes as defined in Section 231 of the Nassau County Administrative Code. The tax liens are arrears of School district taxes for the year 1961/62 and/or State, County, Town and Special district taxes for the year 1962. The following is a list of the real estate located in the town of Oyster Bay only, upon which tax liens are to be sold, with a brief description of the same by reference to the County Land and Tax Map, the name of the owner or occupant as the same appears on the assessment roll of the year in which such unpaid taxes were levied, and the total amount of such unpaid taxes. Where the word "each" is used in such list, the same indicates the price at which each lot is to be sold.

IMPORTANT

THE NAMES OF OWNERS SHOWN ON THIS LIST MAY NOT NECESSARILY BE THE NAMES OF THE PERSONS OWNING THE PROPERTY AT THE TIME OF THIS ADVERTISEMENT. SUCH NAMES HAVE BEEN TAKEN FROM ASSESSMENT ROLLS PREPARED AS OF MAY 1ST, 1961, AND FREQUENTLY DIFFER FROM THE NAMES OF THE OWNERS AT THE TIME OF PUBLICATION OF THIS NOTICE. IT MAY ALSO BE THAT SUCH OWNERS ARE NOMINAL ONLY AND ANOTHER PERSON IS ACTUALLY THE BENEFICIAL OWNER.

LEGAL NOTICE

CITATION THE PEOPLE OF THE STATE OF NEW YORK BY THE GRACE OF GOD, FREE AND INDEPENDENT TO: CARL A. LEWIS, as executor of the last will and testament of Mary Park Neilson, deceased, ELIZABETH NEILSON LEWIS, ANNE NEILSON CONRAD, RAYMOND P. R. NEILSON, III, MANUFACTURERS HANOVER TRUST COMPANY, individually and as executor of the last will and testament of Darragh A. Park, deceased, and CROCKER-ANGLO BANK, SEND GREETING:

WHEREAS, First National City Trust Company (formerly City Bank Farmers Trust Company), having its office and principal place of business at 55 Wall Street, Borough of Manhattan, City, County and State of New York, has presented an account of its proceedings as trustee of the trust for the benefit of Mary Park Neilson under the last will and testament of William G. Park, late of the County of Nassau, deceased, and has also presented a petition praying that said account be judicially settled and allowed; that the last will and testament of William G. Park, deceased, be construed and instructions given as to the persons entitled to receive the principal of said trust fund and their respective shares thereof; that a determination be made that certain shares of corporate stock held in principal at the close of said account are income and should be paid over to the estate of the income beneficiary of the trust fund, and for such other and further relief as may be just and proper;

NOW, THEREFORE, you and each of you are hereby cited to show cause before our Surrogate of the County of Nassau, at the Surrogate's Court of said County of Nassau, to be held at the County Court House at Mineola, in the County of Nassau, State of New York, on the 19th day of December, 1962, at 9:30 o'clock in the forenoon of that day, why said account should not be judicially settled and allowed; why said will should not be construed and petitioner instructed as to the persons entitled to receive the principal of said trust fund and their respective shares thereof; why it should not be determined that certain shares of corporate stock held in principal at the close of said account are income and should be paid over to the estate of the income beneficiary of said trust fund; and why the Court should not grant the petitioner such other and further relief in the premises as to the Court may seem just and proper.

IN TESTIMONY WHEREOF, we have caused the seal of the Surrogate's Court of said County of Nassau to be hereunto affixed.

WITNESS, HONORABLE JOHN D. BENNETT, Surrogate of said County of Nassau at said County, the fifth day of November, in the year of our Lord One thousand nine hundred and sixty-two.

St Ignatius School Library Seeks Book Donations

Books are wanted for the St. Ignatius Loyola School's new library, conducted by the Sisters of St. Dominic, 23 E. Cherry St., Hicksville. Reference works, fiction, mysteries, science and other books are sought particularly those for reading levels of grades 1 thru 8. Arrangements will be made to pickup donations of books. Call WE 1-0831 between 9 AM and 2:30 PM on school days.

Rules Given for Baby Sitters

If you planning to employ a baby sitter during the Christmas holidays? If so, the National Board of Fire Underwriters recommends that you provide the sitter with phone numbers she can use in case of emergency. The board should have (1) the phone number of the fire department, (2) the police department, (3) the family doctor, and (4) the number of the phone where the parents may be reached. The National Board offers these other suggestions: 1. Know the sitter. Be sure she is qualified for the job, has a sense of responsibility, and likes children. 2. Introduce the sitter to your children and any pets, and give her a brief period to get acquainted with them before you leave. 3. Make sure the sitter understands that in case of fire she should get the children out of the house quickly, then call the fire department and notify the parents in that order. 4. Show the sitter two alternate means of escape from the house, should there be a fire. 5. The sitter should be instructed to keep the children out of the kitchen, if possible, and to keep matches out of their reach. 6. See to it that the sitter has flashlights to use in case of power failure. 7. Tell the sitter when you are planning to return home and telephone her if you are delayed. 8. Make arrangements for seeing the sitter home.

READERS OPINION

(Continued from Page 4)
The music programs, children's room visits and story hours, book and public service exhibits, lectures, meetings, etc., is to be used for book and reference storage and replaced (note the word, the library is not adding a new function) by a more adequate multi-purpose and flexible facility in the basement of the new addition. Obviously the "antis" are agin' it. It seems to me that the public spirited citizens of Hicksville will not register on 1 and 5 Dec. and vote YES on this referendum. No. 12, it's so easy to be negative, we need positive action for our community.

AUXILIARY NEWS

by Cynthia Hochbrueckner

Each year the Charles Wagner Post #421 Auxiliary has a Coupon project. Unit quotas are assigned by the County which usually represent 50 per member based on the membership quota. These coupons are redeemed by the Department and the money is donated to the Ida N. Ashby Memorial Infirmary at the American Legion Mountain Camp at Tupper Lake. Over the past five years a total of \$9,190.01 has been raised. The following is a list of the coupons needed: BORDENS, KIRKMAN SOAP, OCTAGON SOAP, LINT LIQUID STARCH, BETTY CROCKER, PILLSBURY, RALEIGH CIGARETTES, MRS. DURKEES SALAD DRESSING AND MARGARINE, PRINCE, SUPER SUDS DETERGENT.

Bid from Madrid

The Hicksville Classroom Teachers Assoc. has been informed that one of its members, Dr. Georges de Nagy, was offered the Chair of Foreign Languages at the Instituto de Cultura Hispanica at the University of Madrid. While Dr. de Nagy refused the

offer since his home and interests are here, the H.C.T.A. is happy to compliment him. Dr. de Nagy, a foreign language teacher at the Junior High, is also Assistant Professor and Director of European Studies at Post College.
