## Going Up....

GROUND WAS BROKEN, Sunday afternoon, for an addition to the Charles Wagner American Legion Post clubhouse on E. Nicholas St., Hicksville. Honored guests present at Henry C. Brenzel dug a silver-painted shovel into the sod were, from the left, Sam Scheiner, architect; Vincent Cramer Sr., the builder; William E. Koutsensky, president of LI National Bank; Henry G. Eisenmann, charter member of the Post; Jack Ethmann, co-chairman and vice president of Legion Hall Inc.; Richard O'Neill, post commander; George A. Murphy, county Legion commander; Francis Anderson, county clerk; and John J. Burns, town supervisor who was principal speaker at the occasion. Allen S. Carpenter, treasurer of Legion Hall Inc. and a co-chairman of the expansion program, was master of ceremonies. He is not in the picture.

## 665 More Voters Enroll for Library Vote Dec 12

There are 4,349 voters qualified to vote next Wednesday, Dec. 12 between 12 noon and 10 PM on the question of bond issue to finance an addition to the Public Library. Six hundred and sixty-five added their names to the register during the week.

The conflicting opinions on the proposition to spend \$298,500 came to a climax at a meeting before the North Hicksville Civic Assoc. Woodland Ave. School, Dec. 6. Even Kenneth Barnes, library director, and William A. Bruno Jr. were scheduled to offer opposing viewpoints.

Two members of the Board of Education, George W. Kunz and Bruno, are publicly on record opposed to the proposition.

Additional registration for Dec. 5 was as follows at various polling places: Burns Ave., 11 East St. 152; Woodland, 95; Ave. 169; Fork Lane, 72; Hutch Lane, 36 and Old Country Road, 58.

Books are now closed until the next referendum or election.

Bruno, in remarks prepared for delivery at the North Hicksville Civic Assoc. meeting, said in part as follows:

"Let me, say at the very beginning that I am NOT OPPOSED to Public Library. I do sincerely believe we should keep our library library."

Here is what Webster's dictionary says in defining a LIBRARY: "A library, a collection of books a place where books are kept for use and not for sale."

"Now, what is the issue before the voters on Wednesday, Dec. 12?"

"In the first place, the library in its own propaganda promoting a favorable vote on Dec 12 states: The goal of public library is to serve."

AS A DEFENDABLE SOURCE OF INFORMATION, I can assure you that the information that the library has handed out on this

### COURT ALLOWS VOTE

Supreme Court Justice Thomas Farley ruled this week that the action brought by ten taxpayers to halt the Dec. 12 referendum by injunction is dismissed. However, Judge Farley did not rule on the other points of issue and would be expected to express a judicial opinion if the referendum is approved. Defeat of the question next Wednesday would negate the necessity for a ruling.

The question is far from dependable. "And topping the list is the misinformation about the \$298,500 bond issue."

"The official question is rather lengthy being divided into several parts. A single YES OR NO is requested on the entire package. 'You are being asked to authorize the BOARD OF EDUCATION -- not the school board -- to do several things.'

"Under A - 1, to have the School Board buy a piece of property from the Library Board for \$17,000. This may be a real bargain, if it is legal, because the Library Board says in its own material that the property is worth \$24,000 -- that's what they are paying for it. But under the proposition they are going to give to the School Board for \$7000 less. Somebody is being done out of \$7000 and I have a suspicion that it is the taxpayers."

"In addition, the School Board was never told they are buying the property."

"Under B of the proposition,

## Blasts Court Test, Bond Issue

George W. Kunz, newest member of Hicksville Board of Education, took a swipe at the legal action brought by a group of residents challenging the legality of the referendum on Dec 12 upon expansion of the Public Library, but also injected a hefty blast against the proposal itself.

Kunz read the following statement at the School Board meeting on Friday night, Nov 30:

"Some weeks ago, on the question of the library referendum, I stated that I would vote affirmatively as a member of the Board of Education to authorize a referendum so the issue could be decided by the people."

"At that time, I stated that while I did have personal reservations about the wisdom of the proposal to expand the library I could not and would not set myself up on a pedestal and assume to speak for the entire community."

"The actions of certain residents in attempting to get an injunction or stay order on the refer-

endum authorized by this Board is, in my opinion, a misguided attempt to stifle the free expression of an electorate. I was frankly surprised, and shocked, when informed of the litigation."

"It is one thing to oppose something by waging an effective campaign to get your point of view across to the people, and quite another to appeal to the courts to decide questions that can -- and should -- be dealt with by the public."

"I, personally, have sufficient confidence in the residents of this community to know that if they take the time to evaluate carefully the proposal submitted by the library they will reject it for what it is -- an outrageously expensive, overly extravagant and in some respects totally unnecessary expansion."

"It is my sincere hope that those who oppose the library plans will divert their energies to getting out the vote rather than trying to suppress it," Kunz concluded.

## Saurer Victor In 3-Way Contest

Charles Saurer of First St., Hicksville, was elected Fire District Commissioner for a five-year term, Tuesday night, in what many observers considered an upset of pre-election forecasts. He defeated B. Medard Ofenloch by 77 votes.

Saurer received 467 votes Ofenloch 390 and Conn (Nick) Brigandi, running for about the third time, 189. Twenty-four persons entered the voting machines and apparently failed to vote for anyone. The public counters recorded a total of 1,070 persons using the machines.

Harry Gleckler was not a candidate for re-election and thus concluded a tenure of 26 years as a Fire Commissioner of Hicksville. In all the years he was on the Fire Board he was never opposed for election. He was originally named

to fill the vacancy caused by the death of John Kerbs.

A member of the Fire Dept. for 45 years, Gleckler was chief in 1933 and 1934. He was the chief of the department the year the firemen first moved into what was then the new, modern headquarters on E. Marie St.

Mr. and Mrs. Gleckler plan to retire to New England.

### COMPLETE COURSE

Army PFC Joseph J. Cannizzaro, son of Mr. and Mrs. Anthony Cannizzaro, 10 Farm Lane, Hicksville, recently completed the 28-week microwave radio equipment repair course at The Signal School, Fort Monmouth, N. J.

Cannizzaro entered the Army in February 1962 and completed basic combat training at Fort Dix, N. J.

## Board Rescinds 1 O'clock Policy

A long-standing rule prohibiting meetings of Hicksville Board of Education continuing after 1 A.M. without unanimous vote of members present was rescinded last Friday night by a vote by a vote of 4 to 2. The meeting ended at 2 A.M.

Vice President Herbert Johnson made the motion to change the policy, seconded by Cornelius McCormack. They were joined by President Jerome Zettler and George Jackson and Dominic Sabatella. William A. Bruno Jr. was absent due to illness.

A simple majority vote at 1 A.M. is now required to continue the meeting.

## Coming Down....

CHAMBER OF COMMERCE, town and railroad officials were on hand, Friday morning, to oversee the demolition of the Hicksville RR Passenger station and thus make way for the grade crossing elimination program. Watching the crane take a health bite out of the station roof are, from the left, Thomas Goddard, LIRR president; Henry Weiss, vice president-passenger; Frank Altkman, vice president-chief engineer; Thomas R. Pynchon, Town Highway Superintendent; Lawrence McCaffrey, president of Chamber; Malcolm Pierce and Aaron Rochman, co-chairman of the Chamber crossing elimination committee.

## Nab Dynamiters in Raid

When police broke into an apartment on the second floor of a bar and grill at 9 First St., Hicksville, Tuesday morning they found 30 sticks of dynamite and a dozen blasting caps. They also arrested two brothers from Warren, Michigan, who had contracted to blow up some barber shops in Nassau County. The address had been under police observation. It was

disclosed, since early Monday evening when a car with Michigan plates was found parked in the rear of the building.

Nassau County District Attorney William Cahn said the arrests were related to a move to coerce LI barbers into joining a gangster-controlled price protective association. A barber who failed to join was scheduled to be blown up, he asserted.

## Dear Lynda:

WILLIAM YOCUM of Cantigue Rd., Hicksville, who was on the school board during a more or less colorful period in its history a few years ago has moved to St. James Suffolk County. . . With the temperature running 49, 50 or 60 degrees, it hardly seems appropriate but Acting Postmaster IRENE L. MURPHY warns that mail may not be delivered unless residents keep sidewalks clear in case of snow. The notice also adds: "Please keep your dog tied." . . .

When DONALD F. ABT, Hicksville School Superintendent, was guest speaker at the Kiwanis recently (introduced by CHARLES MONTANA, public and business affairs committee chairman) the Hicksville club bulletin commented: "he informed the membership of the intentions of education in Hicksville and the reasons for the advanced program structure. A very dynamic and informative lecture was given and all who missed Mr. ABT definitely missed the boat". The Superintendent didn't miss the boat this week either. He left on Sunday for Puerto Rico as the guest of the Education Dept. of the Commonwealth to evaluate the progress of educational programs there, a followup of his visit to Puerto Rico about a year ago. A side dividend of his visit to the Kiwanis was the institution by MAL PIERCE of a \$500 per year scholarship towards higher mathematics. WILLIAM MCCARTHY, administrative assistant to Abt, was present at the Kiwanis luncheon as a guest of LEON GALLOWAY, High School principal. . . . PATRICK MCGUNNIGLE, son of Mrs. Emma McGunnigle of 92 Newbridge Rd., Hicksville, with a 2.2 average was listed for honorable mention in scholastic achievement at St. Mary of the Plains College, Dodge City, Kansas. . . .

JOHN LARKIN has been elected captain of Fire Company 6-A (formerly company 5, now a full-fledged auxiliary of Hawley). . . Something odd about this, although it involves two distinct governmental bodies: election personnel at the firehouse for voting from 7 to 10 get \$10 each while election personnel in the school district, working from 12 noon to 10 PM will be earning only \$15 or \$1.50 per hour . . .

A report from Cornell reveals that the artificial Christmas tree has captured about 15 per cent of the market and a move to promote natural trees is now getting underway. . . Opening day for the new Willet Ave. Elementary School can't be far off. The School staff has taken over operation of the boiler and heating system as of Nov. 26. . . The Hicksville School Board has cancelled its meeting scheduled for Dec. 28 and will hold a regular session on Dec. 14 only. . .

Hicksville Chamber of Commerce directors meet this Friday morning, Dec. 7 at the Seaman and Eisenmann building. Last Board meeting for the calendar year. . . Was the District Clerk trying to get on the good side of School Board member GEORGE JACKSON, Saturday? He was observed making like help in planting a tree. . . One of the youngsters in the Sons of Legion band fainted during the ceremonies of ground breaking for the Legion Hall, Sunday afternoon. . . He was taken into the hall and quickly recovered. . . Hicksville Post Office Window Clerks are now wearing natty blue coats and look real sharp. . . Volunteers of Trinity Lutheran Church of Hicksville have been distributing door-to-door copies of the prayer bookmark drafted by Rev. EDWARD H. STAMMEL and reprinted on the front page of the Herald on Sept. 6th. . . Only 14 more Shopping Days until Christmas. . . Our Associate Editor LYNDIA SCOTT celebrated her birthday, Sunday. . . WILLIAM A. BRUNO, Jr. was absent from the Hicksville School Board meeting last Friday night due to illness. He had been confined to his home for the past week. . .

The holiday lighting and decorations on Broadway, as of last night, looked better in the daylight. The juice has not been turned on as yet. . . We hear that the Town may take over the maintenance of the traffic circle north of the RR. This is state property and has been sorely neglected. The Romans have been pitching in, voluntarily, to cut grass, etc. . .

HICKSVILLE EDUCATORS and P.T.A. Council Officials joined together on Dec. 4, to plan a "LIGHTS ON FOR EDUCATION" program, which will be held on Wednesday, Jan. 30, for all residents of Hicksville, in the Burns Avenue School.

At this meeting attention will be focused on local and state school problems.

Left to right are: Mrs. Marion Coffey, P.T.A. Council Legislative Chairman; Mrs. Amy Sleaf, P.T.A. Council President; Bernard Braun, P.T.A. Council Publicity Chairman and Principal of the Junior High School; Jerome Zertler, President of the Board of Education; John DeGregorio, Area Representative to the New York State Teachers' Assoc.; William O'Donnell, P.T.A. Council School and Community Relations Chairman; James Curran, President of the Hicksville Classroom Teacher's Assoc.; Herbert Cavanagh, President of the School Administrator's Assoc. of Hicksville, and Principal of the Woodland Ave. School; and William McCarthy, representing the Superintendent of Schools.

## Thomas R. Pynchon as Town Supervisor

The people of the Town of Oyster Bay are indeed fortunate that they have a man such as Thomas R. Pynchon available to carry on the burden of chief executive of the Town of Oyster Bay in the event, long anticipated, that John J. Burns accepts an important administrative post in the State government.

The Town Republican Executive Committee this week designated Pynchon, Town Highway Superintendent, as their unanimous choice in case Burns goes

to Albany. It has been an open secret for almost two years that Gov. Rockefeller wants Burns, former Assemblyman, to head up a state commission on local government. The word now is that Burns will accept, probably before the end of the year.

Pynchon has an excellent background in town government. He was deputy to the Supervisor during the tenure of Lewis N. Waters and thus fully understands the job and its requirements. He has been highway superintendent for several years.

He is a very pleasant man, gets along with people, knows the township and its citizens.

He has the qualifications and ability to carry on the excellent program, "moving forward by plan", designed and developed by the popular Supervisor Burns.

We wish Burns well in his new undertaking and know he will reflect great credit upon his home township. He will be directing a program on a statewide level which has been his specialty for many years.

## HERALD READER OPINION

### THE 1955 REFERENDUM

To the Editor:

I've been reading, with a great deal of interest, the plea of the Hicksville Library Board for additional space at the library for our "sophisticated public". The Library Board brochure and their articles in the HERALD seem to indicate that an urgent need for this addition exists, but there was something familiar about the whole argument. I kept feeling that I had heard all of this before. While looking through my files I came across a brochure which the Library Board had sent to me in 1955, when they asked us to approve a referendum for an addition to the library.

According to the 1955 brochure, the library as it stands today should have space for 97 readers as well as sections for browsing, listening to records, and larger teen and reference sections. The assembly room with a seating capacity of 75 was "planned as a place for community and library activities, and is also designed to relieve pressure in the children's room as we plan to use it for all of our children's activities." The brochure also states that "the present children's building will be joined to the adult library thus giving the juvenile department about 30% more space and efficiency of operation."

According to the press releases which the Library Board has currently issued, the seating capacity is only 60. What ever happened to the other 37 seats which the taxpayers voted for? It would also appear that by moving the children's library into the basement, space for 40,000 books was eliminated.

I can't help but wonder whether it might not be possible to operate the library in a very satisfactory manner, if several changes were made in the present physical setting, and in the book borrowing rules. Why not use the present meeting room as a stack room and ask organizations which have been using this room for their meetings to please move across the street to the Junior High building where they can find suitable space for any size group.

Secondly, why not provide more reading room, and at the same time contribute to family togetherness, by eliminating the "browsing area". I don't think that it would be too great a sacrifice to ask the "browsers" to choose a book and read it at home instead of having the taxpayers pro-

vide a living-room atmosphere for them at the library.

Thirdly, although the American Library Association says that a community library such as Hicksville, should have 22 books per person, it is not possible to get along with a much lesser number if the borrowing time was reduced from 1 month to 2 weeks? Two weeks ought to be enough time to read a book. At the same time, why not limit the number of books which may be borrowed by any one person, at one time.

Fourth, As a final resort, we could limit the library to residents of Hicksville. This would ease the pressure quite a bit, and might even cause our neighbors in the adjoining areas to build their own community libraries. Why should the taxpayers of Hicksville increase their own taxes while the residents of areas outside of Hicksville can continue to use our library at the same flat rate cost of \$15 per year for an entire family. This flat rate is less than the taxes of the "average Hicksville taxpayer" will be.

As I see it, the Library Board can provide the needed space for additional books, and the space for more seats in the reference areas, by eliminating the meeting room and the "browsing area". Space for handling of the periodicals could be made available by eliminating that equipped kitchen in the basement of the library.

I simply can't see spending \$298,500 of the taxpayer's money when it might be possible to accomplish the same purpose by eliminating two unnecessary areas in the present building. I think that the December 12th referendum should be defeated, and that the Library Board should then "move ahead with vigor" to eliminate the unnecessary space and provide enough books and seats for as sophisticated in the present building. A few more tax increases to "provide the leavening for the intellectual growth and cultural satisfaction" of the taxpayers, and many of these same taxpayers will also be hungry for food as well as culture. I've campaigned many times for referendums in Hicksville which were necessary, and I will continue to do so in the future. I have also campaigned vigorously against referendums for propositions which I felt were not necessary. This latest referendum, in my opinion, is one of the latter.

William M. Gause Jr. Post No. 321  
By Eddie Kleeing

The Dec. 10th meeting will be highlighted by the nomination and election of the Association's Board of Directors. The members have received a bulletin in this week's mail advising them of this and other events taking place this month.

This year our Christmas Party will be held at the Post on Dec. 23rd at 2 P.M. It is suggested that members planning to attend comply with the instructions in their bulletin and mail all information to Bill Moran so he will know just how many families and kiddies to plan for.

Unfortunately space restrictions to so many members and friends attending one of our functions. With this in mind it is requested that you contact Andy Sadowski as soon as possible if you plan to attend our New Year's Eve dance. Tickets are \$5.00 per person. So hurry, hurry, hurry, as a circus barker would say.

Tickets for our annual Dinner-Dance to be held at the Milleridge Inn this coming February can now be obtained from Bill Frohnhofer. They are \$8.00 per person and well worth it. Here again restrictions face us. So see Bill as early as possible, or contact me, as we must limit ourselves to 250 persons.

The membership committee, headed by Arthur Fucelli advises us we now have 106 paid up members. We are ahead by 7 members as compared to last year. Try, but try to send your checks in the mail prior to Dec. 10. That will be the only meeting held this month.

Well, they did it again. The Ladies Auxiliary gave us another evening of fun and entertainment. I'm sure all who attended had a good time. The music supplied by the Starlighters was recommended by many people who attended. The food was delicious. The salads were prepared by the ladies which proves they can cook as well as running a good dance. Those that attended will join me in saying, "Thanks girls, we had a wonderful time."

Bob Obermeyer became the proud papa of a boy recently. This is the first for the Obermeyers. Congratulations. Arnold Braunwiler won the Post raffle. Remember, Dec. 10th will be the only meeting this month. Come down and vote for the Board of Directors and I'll see you then.

## Library Corner

A look at the latest census figures dramatically reveals the dimension of the teen age population explosion in the United States. The number of 10-14 year olds has increased by 50 percent, while there has been 30 percent rise in the 15-19 year age group. In other words, the proportion of young adults in the United States population has increased sharply since 1950.

Hicksville has had an even greater young adult growth, as our population has a median age of 25.8 for males and 27.5 for females compared with the national average of 29.5. These figures indicate that our community has a larger proportion of teenagers than the nation as a whole. The McCormick Report of 1958 confirms this in its prediction that by 1965 there will be 3220 students in grades 10-12 in our high school. The actual figure for 1961 for these classes was 2141 and the 1965 figure will represent an increase of over 50%.

What do these statistics mean in terms of library service? The most obvious meaning, of course, is a dramatic increase in the number of teen age library users. However, it does not stop there. Besides the larger book circulation and the shortage of seating these numbers have caused, there has been a sharp rise in the number of reference questions, accompanied by a change in the type of information requested. Since 1957 and the Russian launching of Sputnik, New York State, along with the rest of the nation, has been attempting to improve and tighten its educational system. New programs have been developed to strengthen the curriculum to meet the challenges of the space age. The New York Commissioner of Education issued a report, under the title of Commissioner's 1961 Catalog of Educational Change, which indicated that since 1957 the annual number of new educational programs instituted in the state has more than doubled. This has had far reaching effects on the type of material needed by students to meet the demands of their programs. New emphasis has been placed on research reports, often requiring the use of books, periodicals and other sources of information previously only demanded by college students or researchers. The library has attempted as far as its space will permit to add the needed material and to help these students. However, much more is required before we feel that we can adequately serve this group of users and the increasing number of college students in Hicksville, attending local commuter colleges.

Another factor which complicates the problem of the rapidly growing teen age population is today's increased emphasis on the need for further education or training beyond high school. This is coupled with the fact that colleges have not been able to prepare sufficiently for the huge enrollment demands that will be made on them after 1965. For the most part, today's colleges are prepared for yesterday's enrollments.

Therefore, prospective college students will have to meet more rigid tests and educational demands to qualify in the next few years. We at the Hicksville Public Library feel strongly that it is our duty to provide the necessary supplementary material that will be required to meet these needs as far as possible.

We also feel that our responsibility extends beyond just adding the necessary 82 seats and the books and material to answer immediate questions. We have to make the library an essential part of these young adults' lives now and after they have concluded their formal education. Part of our function is to stimulate thinking and interest on the part of our users and to demonstrate the tremendous satisfaction and enjoyment that books and the library can give them. To do this we have instituted a series of programs for teen age users, which, so far, have been well attended. However, the lack of an adequate meeting room poses a problem in this area of our work with teenagers. At our last program, we had to turn away a large number, but it is our expectation that with a larger meeting room we will be able to accommodate all who are interested. Interpreting books and stimulating interest on the part of young people is just as important as having the materials in the library.

The expanding teen age population, the new education programs, the college rush and a desire to make Hicksville library meaningful institution to the community are just some of the reasons we feel the need for the addition which is to be voted on, by you, Dec. 12th.

## Business Agency Opens Office Here

F. H. Brockett, president of Dun & Bradstreet, Inc., announces the opening of a branch office at 23 W. John St., Hicksville, on Dec. 3. This is the 13th United States branch of the business information agency. Brockett states that the newest office in the Dun & Bradstreet system became necessary due to the tremendous population and commercial growth of the Nassau-Suffolk County area during the past decade.

Frank R. Matan, most recently District Reporting Manager in New York City, has been named Hicksville manager. Alexander Kurth will be in charge of Reporting and Service functions, and James C. Hanlon will be manager of the Mercantile Claims Department which handles the collection of commercial accounts.

Dun & Bradstreet, in addition to its U. S. offices, has 17 branches in Canada and 66 international offices in other countries of the free world. Each office provides the local business community with a range of services and publications in the fields of economics, marketing, sales, credit, finance.

## Cancer Film To Be Shown

The most valuable factor in cancer treatment is TIME; early detection can be life saving.  
 The Sisterhood of the Jericho Jewish Center invites the entire community to a program presented in conjunction with the American Cancer Society. The date is Tuesday, December 18 at the Jericho Jewish Center at 11 A.M.  
 Three extremely vital films will be shown. They will then be discussed by Dr. Leonard Ostreich, a prominent gynecologist, who will also answer audience questions.  
 Mr. Scheder, of the Cancer Society will discuss other aspects of this life saving program.  
 The program is offered as a service to the Community, free of charge and will last approximately one hour. An hour that could be the most important in your life.

## Ten Pin Talk

By Henry Dockswell

For the fourth straight week there's a new team atop the League. It's true that this week Sam Springer's Misfits are sharing the top spot with Mort Levine's Morticians but Sam's boys have had their eyes on 1st place for a long time. Up to about a month ago they seemed to be anchored in 6th place. Suddenly they started to jell. Nothing spectacular, but each week they successfully overcame their opposition and rose a notch or two in the standings.

Now they've arrived but the struggle has just begun, for this Monday night they meet these same Morticians. Mort just bowled his best game of the year, a 220, and his Morticians really needed this lift. They were facing last week's leaders, Sid Simon's Trophies and they couldn't let down for a minute.

Jack Sloan's Mets also have been slowly sneaking up in the standings. Deep in 11th place just five weeks ago they have climbed steadily until now they are in 7th and only 7 points out of 1st place. Jack just bowled his first good game, a 204, and with the steady improvement of Chuck Greenberger, Art Rosenthal and Sid Guber, who have each raised their averages substantially, these Mets suddenly find themselves in the thick of it.

How about that Stan Jarvis. Personally we think that Capt. Marv Cohen of the Champs bought the house next door to his just so that Stan could become a member of his team. This guy is out to take all the marbles. He just bowled his third 200 game, a 217, which puts him in a four way tie for that trophy and he has now raised his average to a league leading 170. In case you have forgotten, he also leads the pack with a High Game of 259. With this sort of help it's no wonder that the Champs are in 4th place just three points away from the top.

We're starting our second go round. Each team has met each of the others. We're approaching the far turn and soon the stretch run will start. In the next few weeks something's gotta give. The League has gotten tighter each week and it's still almost anybody's fight.  
 Memo to Leo Geyer — better call M.G.M., some of your Lions are sick.

## President's Corner

By George J. Frankel

I was extremely happy to receive several letters from the Jericho Board of Education requesting me to appoint representatives of the Birchwood Civic Association to work in conjunction with the Board of Education on various matters directly affecting all the residents of the Jericho School District. I was also extremely gratified at the eager response of the members of the Jericho Education Committee as well as various other members of the Birchwood Civic Association whom I asked to work on these committees. I am confident that their specialized knowledge will contribute greatly to the solution of some of the problems that confront all rapidly expanding school districts such as the Jericho School District.

At its last meeting, the Board of Directors of the Birchwood Civic Assoc. authorized the formation of a committee to offer itself to work with the School Board on the preparation of the School Budget for the coming year. We hope that the Board of Education will welcome the cooperation of this committee on its budgetary problems as enthusiastically as the Civic Association welcomed the invitation of the School Board to study the Board's problems of insurance, teacher's salaries, and charges for the use of the school facilities by community groups.

The members of the Birchwood Civic Assoc. are, of course, anxious to provide the best possible education for their children at the least possible cost. Through the Civic Association's Jericho Education Committee they devote many hours of their time to finding ways and means of achieving this end. This committee, under the able chairmanship of Leo Geyer (WE 8-1072) meets regularly every month. All interested members of the Civic Association are urged to contact Mr. Geyer to learn the time and place of the next meeting. The combined efforts of the Jericho Board of Education and the Birchwood Civic Association will surely bring substantial benefits to the children taxpayers and all the residents of Jericho.

## Jackson PTA Presents Show

George Jackson School P.T.A. will conduct the children of Jericho on a fun-filled tour through a wonderland of marionette magic, on Saturday, Dec. 8 when the world famous Nicolo Marionettes (formerly Suzari) perform their new action-packed musical version of Alice in Wonderland at George Jackson School. Performance will be at 1 and 3 p.m. Never before has wonderland been so joyously brought to the stage as it is in Nicolo's bright modern adaptation of Lewis Carroll's one hundred year old children's classic. The entire NICOLO staff of professional experts in the fields of puppetry, stage design, playwriting and music have done a show which proves conclusively that Carroll must have had marionettes in mind when he first wrote his masterpiece. No other entertainment medium has been able to bring the fantastic creatures of Wonderland so vividly to life.

## Jericho Post Office Is Ready

Postmaster Signe H. Halleran announces that the Jericho Post Office is prepared for the anticipated increase in the volume of mail that must be handled during the coming Christmas and holiday season. Postal patrons can be of considerable help if they will mail early and use the labels available at all post offices to distinguish between "local" and "out of town" mail. All mail of extreme importance should be sent special delivery or registered. The post office is located on the Jericho-Hicksville Road directly across from the Jericho Firehouse in the Birchwood Shopping Center. Parking facilities are excellent and Postmaster Halleran has indicated that sufficient postal personnel will be available to begin processing mail with the minimum of delay.

The hours of window service during the Christmas and holiday season is as follows: Monday, Dec. 10 through Friday Dec. 14, 8 am to 7 pm; Saturday, Dec. 15, 8 am to 5 pm; Sunday, Dec. 16, 10 am to 2 pm; Monday, Dec. 17 through Friday, Dec. 21, 8 am to 7 pm; Saturday, Dec. 22, 8 am to 2 pm; Sunday, Dec. 23, 10 am to 2 pm.

## Judge Posters, Select Winners

Originally, sparseness of thought, and use of art techniques were the criteria used by the judges to select this year's winners of the Fire Prevention poster contest jointly sponsored by the Jericho Fire Dept. and the Jericho B'nai B'rith.

Realizing that fire prevention is an important aspect of the Jericho School's safety education program, the two organizations invited the participation of the Jericho Public Schools in this contest. From among the hundreds of entries, the judges selected the following prize winners to whom trophies will be awarded by the Fire Dept.:

Jr. - Sr. High School: Paul Jendrzewski, Barbara Shenker, Kenneth Lipstock, Ann Porto, Bonnie Coburn and Mary Grosse. Elementary Schools: Dawn Petrucelli, Amy Klinow, Nancy Fisher, Frederick Schneider, Joan Sukana, April Schick, Mary Ann Churell, Richard Maas, and Susan Schlegel.

In addition to the trophies, Paul Jendrzewski and Barbara Shenker of the High School, and Dawn Petrucelli, Amy Klinow and Nancy Fisher of the Jackson School will be presented with \$25 savings bonds by the B'nai B'rith as winners within the various age categories.

After the posters were judged by Chief Paul Kardiell of the Fire Dept., Louis Vlodern of B'nai B'rith, Miss Marylane Van Oakwood and Mrs. Ellen Jacobs of the Public Schools, the poster were readied for exhibition at the schools.

## Backs Prayer

The Hicksville Council of P.T.A. Units, composed of the ten local units of the Hicksville Public School District has gone on record to support working for an amendment to the U.S. Constitution which would permit the recitation of a non-sectarian prayer in public schools.

The Council also voted to withdraw its sponsorship of the Children's Theater Program which, for the past several years, has been held on Saturday afternoons. The Council will seek to have this program adopted by some other group. The P.T.A. Units, through the Council, will petition the Board of Education to consider the possibility of permanent registration for school elections and referenda.

## School Show Band Numbers 175

After a busy season of drilling, marching, and performing half-time shows, which have now increased to 175 participants, the Hicksville High School Show Band, under the direction of R. G. Pellerin, has resumed its normal calendar of musical activities. This year, four Thanksgiving assemblies were given and four more are planned at Christmas. In addition to a combined Winter Festival, Dec. 18, involving all of the eight major high school groups a total of 500 students.

A chorus and band tape of the National Anthem has been offered to the other schools of the district. The Modern Music Masters Honor Society has invited the Hart Woodwind Quintet of Hartford to present a clinic and demonstration Dec. 10. A film on the acoustics of musical instruments will be shown this week; a trip to Lincoln Center and to a recording company are being discussed.

Early in 1963 the dance band will initiate an annual school dance, the proceeds to be donated to the High School. The eleven ensemble and various soloists are busily preparing for their Christmas tour thru the "hallowed halls" and also for their February Recital.

Friends of the music dept. are cordially invited to give moral support to a Select Band of 67 players during a special half-hour program at the N.Y. Colliseum Dec. 14, at 6 P.M.

## Name Director

Mrs. Richard Post, Village Crusade Chairman of Jericho, announce that James B. Fahey of 149 Miller Ave., Freeport has been appointed 1963 Crusade Director for the Nassau Division, American Cancer Society.

Fahey will organize, with the assistance of field representatives, a Crusade organization in every village in Nassau County.

"Music is a performing art," says Mr. Pellerin, "and we, at Hicksville High School are fortunate that the opportunity for performance has become part of the music curriculum."

## Father Goggin States Approval

At the November meeting of the St. Ignace Loyola Auxiliary of Christian Mothers, the moderator, Rev. Leo J. Goggin, expressed approval of progressive changes developing in the St. Ignace School under the guidance of the principal, Sister M. Venard, who gives credit to the outstanding staff of teaching Sisters and lay teachers in the school.

Innovations announced by Sister Venard included the formation of a girls basketball team for students in the 7th and 8th grades. Sister also announced her intention of inaugurating a Remedial Reading Program within the near future. Of special interest are plans to open the new school library before Christmas. Sister acknowledged receipt of a substantial contribution to this library program given by Fred Noeth in memory of his wife.

The guest speaker for the evening was William Kernan, a former Episcopal minister, who gave an inspiring account of his years of personal soul searching before his conversion to Catholicism.

Future events announced for the Mothers' Auxiliary included a Christmas Social on Dec. 17th, a family Ice Skating Party on January 24th and the annual February Social on the 15th of that month.

The next regular meeting will be held in conjunction with the Christmas Social on Dec. 17th at 8:15 P.M. in the school cafeteria.

## Pynchon New Supervisor If Burns Goes to Albany

C. Bruce Pearshall, Chairman of the Oyster Bay Town Republican Committee said Tuesday, "In the event that Supervisor John Burns receives and accepts the offer from Gov. Rockefeller to assume the position of Commissioner of the Office for Local Government, the Town Executive GOP Committee has informally designated Thomas R. Pynchon of East Norwich to succeed, Burns as Supervisor of the Town of Oyster Bay."

The informal designation came at a meeting of the 17-member Executive Committee held Monday, Dec. 3rd.

Pearshall said that the Town Executive Committee will recommend the appointment of Pynchon to the Town Board, Pynchon is now Town Highway Superintendent.

In another action, the Executive Committee recommended the appointment of Edward A. Baker of Massapequa as law secretary to Supreme Court Justice-elect Theodore Velsor of Oyster Bay and Edward A. Margolin of Syos-

Thomas R. Pynchon

set as law secretary to Supreme Court Justice-elect Edwin R. Lynde of Massapequa.

## COMETLAND

by JOE KOERNER

**FIREMENS' LINEUP** -- Here's the way Comet football coach, Jim Grantham saw the action that brought his team in with a 6-2 overall record and a 2nd place finish in the Section 1 derby --

These are the linemen; the workhorses of the football team, who very seldom see their name in print. So here's the rundown as seen through the eyes of their coach; a man who learned his foot ball the hard way -- Bill Hoopes, "the best interior defensive line-man in the league"; Vin Hannigan, "a crack defenseman, played a

hard smashing type game from the left end position"; Ed Kramer, "co-captain, excelled at both offense and defense. Outstanding student and president of student council"; (Note) Kramer made the "Newsday" Section 1 All Star team and is in the running for the Thorpe Award; Vic Matuza, "excellent punter, played R. T. on offense and L. E. on defense"; Paul Tava, "good blocker, steady performer"; Larry Gallo, "reserve guard, aggressive and dependable"; Frank Campesti, "fine offensive and defensive man"; Bill Symanski, "started some games at end, fine pass receiver"; George Fillaphone, "injured before season got underway. He saw a lot of action at tackle after returning to team around mid-season." Perry Richmond "showed good promise, was not able to report for practice until the season was well underway. These are the Seniors and included in this group are; John Marillo, Ray Flood, Russ Collins and Pete Brunson. They'll be tapping out of this "Lore Mill" in June and we wish them well.

NOW LET'S MEET the Jr. linemen who will be back next fall to get the Comets off to a flying start. Santo Caforo "was a regular

at guard on both offense and defense. He took over this spot, vacated by brother Joe, last season". Pete Martin, "started each game at center, one of the best in the league"; Cliff Giles "outstanding defensive center"; Paul Rondone, "crack defensive starter"; Steve Horn, "Steve should be one of teams outstanding linemen, next year". Bob Feldeber, switched this year from fullback to tackle; will be back next year to add strength to the guard position". Last but by no means least, Vinny Hoosack, the only Sophomore playing the line for Hicksville this year. According to Grantham, Hoosack who skipped past the JV's to gain a starting berth with the Varsity, developed into an outstanding performer as an offensive tackle. He also saw a great deal of action as a defensive guard.

These are the Juniors, who will be back next year. So who's to say another bang-up year of grid fare, isn't in store for the buffs in our burg.

**COURT FACTS:** Normally pre-season quotes have a tendency to be tinged with pessimistic overtones. But this case was completely different. Meet Comet basketball coach, Ed Petro and the squad he figures "should make the town sit up and take notice this year". "I've never quite know how things will turn out," Petro remarked as we took a rain check on a late supper to watch the locals in a practice session. "Graduation hit us hard," he added after taking a long, thoughtful drag on an unlit pipe. "Losing boys like Mike Clair, Chris, Vin and Frank Coletta sort of hurts a bit but I still figure we're still going to be coming up with quite a ball club this year. The boys had shown a lot of speed, drive and hustle in our scrimmages with Roslyn and Oyster Bay and we topped both with a scoring touch that came as a pleasant surprise. "And best of all," Petro concluded, "I've got 9 or 10 top flight players now, and can call on a real solid bench. Stan Kellner (J V Basketball Coach) deserves a lot of credit for sending me up an outstanding group of youngsters". Nuff said Ed and a plug such as that, from one

coach to another, sort of renews our faith in human nature. We look for a lot of speed and razzle dazzle from this years Combo and we'll go right out on the proverbial limb with you by predicting another good chance for the Section 1 title.

**NEW VARSITY** members up from last years J V squad are: Tom Kumiga, Bob Feldcher, Bruce Damm, George Rivas, Paul Colosano, and Rick Medina. Returning vets that should bolster the squad and get them off to a flying start are: Chip Jaworski, Bill Luft, Vin Hannigan and Bob Smith. Petro also put in a plug for John Delaney, George Fillaphone and 6'4", center prospect, John Lansing. "They might prove a surprise," he snapped over his shoulder as he headed toward mid-court where the team had gathered for a skull session.

**JR. FACULTY NIPS SENIORS** 55-53. A real gasser, this annual blowdown between the Jr. and Sr. faculties, with all proceeds going toward a scholarship fund.

This, a 4th of a series drew another bleacher bustin' crowd and as figured from past performances, the Jr's. were expected to win. All in all a better than average court caper, sponsored by the P.T.A. It was well worth the going tab of 50¢. High scorers for the evening were Jr's, Stan Kellner, 22 points, Nick Monfiedo, 16, Jack Tucker, 9, and Marty Riger 8.

The Seniors were led by their outstanding court magician, 230 lbs. Gus Alfieri, who topped the scoring parade with a 36 point tally. Joe Ryan garnered 6 and Marty Katz 4.

## Speedy Recovery Sheldon Weisman

Sheldon Weisman of 22 Hunter Lane, Hicksville, entered Kingsbridge Veterans Hospital, Bronx on Nov. 11 suffering a recurrence of an injury received in New Guinea during World War II.

He has undergone a successful operation and should be home sometime this month. All your friends, Shelly, wish you a speedy recovery.

**DOUBLE CELEBRATION** - Mr. and Mrs. Vincent Braun cut the cake at their 25th wedding anniversary celebration at the Old Country Manor on Thanksgiving Day. Mr. and Mrs. William Braun observed their 53rd anniversary at the same time. (Photo by Charbonnet)

## 25th Anniversary For Vincent Brauns

Mr. and Mrs. Vincent Braun of 158 Third St., Hicksville, celebrated their 25th Silver Wedding Anniversary with a Mass at St. Ignatius Loyola Church on Nov. 22. Rev. Monsignor George M. Bittermann, VF, officiated.

Mr. and Mrs. Braun were preceded into the church by their four children, Andrea, Beverly, Cynthia and Vincent Jr. The girls were dressed in shades of blue and wore pink carnation wristlets. Mrs. Braun wore ice blue and silver and carried an old fashioned bouquet of white and blue flowers.

At the close of the Mass, Mrs. Braun presented her bouquet to the Blessed Mother at which time a beautiful hymn was sung in her honor.

A reception was held at the Old Country Manor for relatives and friends.

Mr. and Mrs. William Braun of 83 Halsey Ave., Hicksville, celebrated their 53rd Wedding Anniversary on the same day. This was not the actual date as they were married on Nov. 25 as were Mr. and Mrs. Vincent Braun. It was also Mrs. Braun's birthday.

#### LEGAL NOTICE

CITATION THE PEOPLE OF THE STATE OF NEW YORK BY THE GRACE OF GOD, FREE AND INDEPENDENT TO: CARL A. LEWIS, as executor of the last will and testament of Mary Park Neilson, deceased, ELIZABETH NEILSON LEWIS, ANNE NEILSON CONRAD, RAYMOND P. R. NEILSON, III, MANUFACTURERS HANOVER TRUST COMPANY, individually and as executor of the last will and testament of Darragh A. Park, deceased, and CROCKER-ANGLO BANK, SEND GREETING:

WHEREAS, First National City Trust Company (formerly City Bank Farmers Trust Company), having its office and principal place of business at 55 Wall Street, Borough of Manhattan, City, County and State of New York, has presented an account of its proceedings as trustee of the trust for the benefit of Mary Park Neilson under the last will and testament of William G. Park, late of the County of Nassau, deceased, and has also presented a petition praying that said account be judicially settled and allowed; that the last will and testament of William G. Park, deceased, be construed and instructions given as to the persons entitled to receive the principal of said trust fund and their respective shares thereof; that a determination be made that certain shares of corporate stock held in principal at the close of said account are income and should be paid over to the estate of the income beneficiary of the trust fund, and for such other and further relief as may be just and proper;

NOW, THEREFORE, you and each of you are hereby cited to show cause before our Surrogate of the County of Nassau, at the Surrogate's Court of said County of Nassau, to be held at the County Court House at Mineola, in the County of Nassau, State of New York, on the 19th day of December, 1962 at 9:30 o'clock in the forenoon of that day, why said account should not be judicially settled and allowed; why said will should not be construed and petitioner instructed as to the persons entitled to receive the principal of said trust fund and their respective shares thereof; why it should not be determined that certain shares of corporate stock held in principal at the close of said account are income and should be paid over to the estate of the income beneficiary of said trust fund; and why the Court should not grant the petitioner such other and further relief in the premises as to the Court may seem just and proper.

IN TESTIMONY WHEREOF, we have caused the seal of the Surrogate's Court of said County of Nassau to be hereunto affixed.

WITNESS, HONORABLE JOHN D. BENNETT, Surrogate of our said County of Nassau at said County, the fifth day of November, in the year of our

#### LIBRARY NOTES

(Continued from Page 1)

the ESTIMATED TOTAL COST AND THE FINANCING is \$298,500.

"Under C you are being asked to approve a tax TO PAY THE INTEREST. At a very conservative estimate of 3% I figure the interest charges for a bond issue will amount to \$125,000 on top of the \$298,500.

"Let's look at what the cost of this proposition REALLY AMOUNTS to:

"Mrs. Scherer, president of the Library Board, gave me these figures when I questioned her at a School Board meeting:

1) Books	\$125,000
2) Shelving	6,000
3) Tables (15 at \$200 per)	3,000
4) Increased payroll due to larger staff -- I can't even guess.	
This adds to	\$159,000
Plus interest	125,000
	284,000

#### Bond Issue

298,500  
"Grand total \$582,500 PLUS the salaries of additional staff people.

"The school board, now preparing its budget for 1963-64 has its share of headaches in trying to keep down the tax rate. Already it has been estimated that the

School Budget will go up a MILLION DOLLARS next year. On top of this the teachers are looking for another quarter million dollars in salary increases. And so are all the rest of the school district employees -- administrators, custodial, clerical, etc."
