WILLIAM O'DONNELL of 110 Dartmouth Drive, Hicksville, will be the honored guest at the Tenth Annual Founders Day Banquet, sponsored by the Hicksville Council of P.T.A. Units, to be held at the Golden Meadowbrook, Jericho Turnpike, Jericho, on Thursday, Feb. 28, at 7:30 P.M.

O'Donnell is married and the father of five children, all of whom attend Hicksville schools. A past president of the Council, the guest of honor has also served in the capacity of vice-president and treasurer of that organization, presently the chairman of the school and community committee. A charter member of Woodland Ave. School P.T.A., O'Donnell has held membership in the Nicholas and the Junior High P.T.A.'s. As a worker for the Boy Scouts of America, he has been institutional representative to Troop 421, and to Packs 422 and 421, as well as Chairman and Committee member of Pack 422.

Tickets at \$4.50 per person may be obtained from any P.T.A. Unit president or Council Delegate before Thursday, Feb. 14. Mrs. Anthony Raffa is chairman of this annual affair.

RICHARD MANKOWSKI of Islip, has been appointed assistant cashier of The Meadow Brook National Bank, Hicksville office, according to an announcement by Walter E. Van der Waag, President.

Mankowski, who joined Meadow Brook in 1961 with five years of banking experience in New York City, is a graduate of the University of New Mexico. He will continue as a member of the staff of the Hicksville office of the Bank where he has been since joining Meadow Brook in 1961.

Closed Session to Study Future School Building

Hicksville School Board and administrators will meet behind closed doors this Friday night in an off-the-record session to discuss the latest McCormick Report and consider plans for the future. It is understood the Administration has several alternate plans to unveil regarding long-term plant facilities.

Some Board members may be thinking about the abandonment of Nicholas St. School Building for either classrooms or administrative purposes, it was indicated last Friday night, when questions were raised about the possible sales value of the original district wooden school building.

Any proposal to dispose of Nicholas School thru sale would have to be subject to a referendum vote of the community. The McCormick Report suggested the gradual phasing-out of the structure for classrooms and its eventual conversion to an Administrative centre to combine activities now crowded into the "Pentagon" on Newbridge Road and the rented Administrative Annex at Broadway and Marie St.

Plan Dedications

During the session last Friday night the Board authorized the Administration to proceed with plans for a cornerstone laying and dedication of the new Willet Ave. Elementary School and for the dedication of the Flanz Gymnasium at East St. School. Dates in March or April were suggested. Some size of the High School and Junior High School graduating classes in June was indicated by the approval of purchase of diplomas. Plan Gas Station

A gas station at the corner of Bay Ave., E. John St. and E. Barclay St., Hicksville, will be the subject of a public hearing before Oyster Bay Town Board on Tuesday morning, Feb. 19. The applicant is John Petrone. The property is on the west side of Bay Ave., just north of the new RR crossing.

Finishes Training

Francis P. McDonald, 18, son of Mr. and Mrs. Frank McDonald of 1 Milburn St., Hicksville, completed two weeks of recruit training Dec. 29 at the Naval Training Center, Great Lakes, Ill.

A new and bigger post office building for Hicksville, providing for more than an acre of floor space and another acre for parking space on W. John St., Hicksville, at the point where W. Barclay St. intersects, was disclosed yesterday by Postmaster General J. Edward Day, according to Irene L. Murphy, Hicksville Postmaster. The new structure will combine present operations in several structures including North Broadway.

A new, larger post office has been the ambition of postal authorities and community leaders for several years. In addition to the main office on North Broadway, the dept. has an annex on Duffy Ave. and facilities on William St. These facilities will be available for other purposes when the new structure is occupied.

"The new building," Day said, "is designed to carry out the Post Office Department's objective of providing newly constructed postal units where they are most urgently needed in the interest of more efficient postal service and improved working conditions for postal employees."

"The emphasis in our lease construction program will continue to be on adequate space for postal operations, not only for current needs but for the foreseeable future."

"The Department's policy is to use existing buildings where they can be suitably altered or remodeled to meet the needs of the ever increasing volume of mail. As circumstances dictate, we will also consider moving our postal operations into more spacious quarters if they are available."

"Where neither of these conditions is feasible we will authorize the construction of new postal units, such as the post office at Hicksville."

"The construction program is

being concentrated in these areas where the need is urgent and suitable space cannot be obtained except through new construction."

The building in Hicksville will be located on the southwest corner of West John and West Barclay St. The Dept. holds an assignable option on this site. Preliminary plans call for 50,000 square feet of floor space, with an area of 58,100 square feet for parking and movement of postal vehicles.

The Postmaster General said the building will be constructed under the Department's Lease Construction Program, which utilizes the resources and investment funds of private enterprise for needed postal buildings.

The Department's capital investment, Day said, will be limited to postal equipment. The building will remain under private ownership while leased to the Federal Government and the owner will pay local real estate taxes.

Plans and specifications for the new building, as well as bidding forms and other pertinent data, will be made available to prospective bidders at an early date, at which time the Post Office Department will advertise for bids. The site option will be transferred to the successful bidder, who will purchase the land, construct the building and lease it to the Department on a long term basis.

Olga Hoebel Student Wins Award for Art

Mrs. Charles Hansen of Westbury, one of Mrs. Olga Hoebel's students won first award for seascope at the recent art exhibit of the L. L. Branch of the National League of American Pen Women at the Garden City Hotel.

Mrs. Hoebel who was co-chairman for this event is accepting registration for art classes at her studio at 30 Terrace Place, Hicksville, for the spring term in painting and drawing for adults, children and teenagers. Outside of Mrs. Hansen two of her former students recently won first awards in painting in oil. Mrs. Camden Lamm, a former resident of Hicksville won two first awards and one best in show as well as the Monte Belden award at the Independent Art Society exhibit at Hicksville Public Library in October, and Mrs. Ben DeBrocke who has since moved to Florida from Hicksville, at last year's Pen Women art show at the Garden City Hotel.

Mrs. Hoebel, who has been a resident of Hicksville for 30 years, has won many awards herself, among them the second award in oil painting in 1959 in portrait with the Pen Women and first award in pastel (figure) in 1935 at the Mineola Fair. She is also charter member of the ladies auxiliary of the Archie McCord Legion Post in Bethpage and served as Nurse's Aid chairman for the Hicksville-Plainview Bethpage and Farmingdale area for the Red Cross and as a Red Cross Nurse's Aide at Nassau Hospital during World War II. Her oil painting of a Red Cross Nurse's Aide is on display at the Chapter House in Mineola. She is a member of the L. L. Branch of the National League of American Pen Women, of Suburban Art League, hon member of the Independent Art Society and a former member of the Art League of Nassau County, exhibiting with that organization for 20 years.

Dear Lynda:

We can expect reasonably nice weather since IRWIN BOTTO left Saturday for his annual trek to Florida where, enroute, he will stop off to see JACK BRANDT, mayor of Boca Raton who was formerly Oyster Bay Town Highway Superintendent. Irwin comes back in March and it usually snows the day he gets back to Hicksville... His brother, WILLIAM BOTTO, as of Jan 1 became a vice president of the Franklin National Bank in charge of accounts receivable operations with his home office housed in Levittown. He makes his home in Brookville... For the first time in recent history, at least, Hicksville will be represented at the National School Board Assoc convention in Denver the latter part of April. The representative will be the Board's newest member GEORGE W. KUNZ. Which recalls the incident a few years ago when HERBERT H. JOHNSEN expressed a willingness to attend a national session on the West Coast. He felt he should abstain on the vote of authority and as a result the proposal failed to get a majority of the Board as then constituted... Our editor got a nice note from MORT KASSEL, manager of Gertz-Mid Island, expressing thanks for the coverage of the recent fire at the store...

JAMES KRAUS, manager of J.J. Newberry was elected Tuesday night as president of the Mid Island Merchants Assoc. Meeting was held at Old Country Manor... Hicksville Fire Commissioners will open bids on Feb. 12 for a new community ambulance, probably a Cadillac... Saturday is Ground Hog Day, Feb 14 is Valentine's Day and Feb 27 is Ash Wednesday, the first day of the Lenten Season... Police have been around town handing out warnings to dog owners who have not paid their license renewal fees...

The south-bound lane of Broadway, Hicksville, RR crossing has been closed for about a week. Someone watching the progress of the elimination work remarked that it looked like the boys were digging a subway, rather than an elevated structure. The holes get bigger and bigger... JOHN HILL of Hicksville - Levittown Beer is a patient at Oyster Bay Hospital, Bayville... Sincere sympathy to RUTH ZOLNOSKI and her children upon the untimely passing this week of her husband, Charles. Ruth was associated with the HERALD a few years back... GERRY GILCHRIST of Francis Lane, Hicksville, celebrates her 17th birthday this Friday, Feb. 1. Congratulations, Gerry, and my how the years fly... Hicksville Chamber of Commerce is looking into a plan to have American flags displayed on all significant holidays, using some kind of a bracket attached to the parking meters. Town approval will have to be obtained. This has been done successfully and quite effectively in Glen Cove... Plainview will be represented by two high school students at the Adelphi College Merit Scholarship evening on Feb. 7 for semi-finalist and letter of commendation winners in the National competition who are considering Adelphi or have applied for admission to the college. They are RITA S. AXELROD of 6 Pearl Dr and LEE ANN SMITH of 1 Edl Ave... County Police Commissioner KELLY will present the program at the Hicksville Kiwanis on Feb 13... THE GEORGE MARTHEMS have moved from Hicksville to Baldwin... What you read here a couple of weeks ago about a new Hicksville Post Office is now official, according to our front page... Incidentally, Postmaster IRENE MURPHY, just back from Oklahoma coincides that she ran into zero temperature down there. And we always thought Oklahoma was like hot man, hot... Glad to hear that SIDNEY PELLY is on the road to recovery at Nassau Hospital and may be home this Sunday. Great guy, Sidney.

CATHERINE K. GILL

HICKSVILLE -- Catherine K. (nee Kelly) GILL of 173 5th St. here died Monday, Jan. 28. She was the wife of the late Thomas GILL; mother of Joseph GILL and Margaret Symes; also surviving are seven grandchildren, Mary, Patricia Ann, and Kathleen Symes, and Thomas, Eileen, James and Richard GILL.

She is reposing at the Henry J. Stock Funeral Home until February 1, when a solemn requiem mass will be offered for her at St. Ignatius R.C. Church at 9:30 a.m. Interment will follow in Holy Cross Cemetery, North Arlington, New Jersey.

DOLLY ANDERSON

Name Resident Deputy Attorney

The Town Board has appointed Bernard Wesnoske of Hicksville as Deputy Town Attorney, announced Supervisor Thomas R. Pynchon.

Wenoske received his pre-law education at Fordham University and his LL.B. at New York Law School. He is a member of the Delta Theta Phi Legal Fraternity; the New York Bar Assoc. and the Hicksville Chapter of the Elks B.P.O.E. 1931.

A former general counsel to the Astromics Division of Fairchild Engine and Airplane Corp., Wesnoske is a specialist in government contract law.

During World War II he served as a Command Pilot with the 8th and 9th Air Force in the European Theatre, from 1942 to 1946.

He resides at 153 Haverford Road, Hicksville, with his wife, Gertrude and three children, Laura, Michael and Jeffrey. The family are parishioners of Our Lady of Mercy R. C. Church, Hicksville.

Formal Demand To Obtain Refund

George M. Martin of 42 Hunter Lane, Hicksville, last week called upon Mrs. Elizabeth Scherer, president of the Library Board, with a "formal demand that the Library Board attempt to recover all moneys paid out by it in the voter vetoed purchase of the house and lot adjacent to the present library" on Jerusalem Ave. Martin was an unsuccessful candidate for Library Trustee last May.

He released to the press a copy of his letter to Mrs. Scherer, dated Jan. 19, "as it concerns a matter of vital public interest and importance."

He wrote in part as follows: "When the voters of Hicksville refused to okay the transfer of this plot to the School District in the Dec. 12 referendum, they clearly demonstrated that they did not underwrite the purchase by you of this property last spring without their approval."

"As you probably know, it has been my contention that you can not legalize what may be a completely illegal purchase by a public body by attempting to get voter sanction long after the transaction has actually taken place."

"It is also my opinion that since the voters refused to vote a tax on the Dec. 12 proposition, you cannot legally make any further payments on this property. You should therefore attempt to get back all moneys heretofore paid out by you on this property."

"If you do not make every effort to take the taxpayers of Hicksville off the hook with respect to this transaction, then it is my further blunt opinion that you and each of your fellow members of the board who were in office last spring when this property was bought by you without voter approval should resign from the Hicksville Library Board in the best interests of the community," he concluded.

Fred S. Serrell, radioman third class, USN, son of Mr. and Mrs. Thomas S. Serrell of 104 Winter Lane, Hicksville, is serving aboard the radar picket destroyer USS Charles F. Cecil, which was part of the United States quarantine forces in the Caribbean.

Miss Giansante Becomes Bride

Miss Myra Ann Giansante, daughter of Mr. and Mrs. Louis Giansante of 126 Lee Ave., Hicksville, became the bride of Lt. Thomas Linton Grist, son of Mr. and Mrs. Thomas Grist of Marietta, Georgia. The ceremony was performed on Saturday, Dec. 29, at 2:00 p.m., in St. Ignace Loyola R.C. Church, by Father John Hession.

The bride, given in marriage by her father, wore a creamy white Peau de Soie floor-length gown with an empire waist, long pointed sleeves and a profile neck with lace details around the neckline. She had a chapel train gown with an allusion, elbow length veil, tier crown with orange blossoms and aurora boccas beads. She carried a cascade of white gladiolas and carnations.

Miss D'Onofrio, girl friend of the bride was maid of honor. She wore a yellow street length dress of silk, peau de Soie skirt front and gathered back. She carried a cascade of blue gladiolas and mums.

Miss Lennis Giansante, flower girl, is the bride's sister. She wore a floor length gown of blue chiffon, white gloves and a tiara of blue flowers. She carried a cascade of yellow gladiolas and mums.

William Arcamazi of Corona

was best man. Brothers of the bride, Louis and Vincent Giansante, were ushers.

A reception was held following the ceremony at the home of the bride. Following the wedding trip to upstate N.Y., the couple will make their home in Plattsburgh, N.Y.

The groom, a former student of State University College of Plattsburgh is now stationed there with the U.S.A.F. as a Navigator.

March Needs Volunteers

Dear Friend and Neighbor:

January is the 25th Anniversary of The March of Dimes. It was founded by the late President Franklin D. Roosevelt in 1938.

The amount of cases helped and progress made through research and rehabilitation with these funds collected has been astounding. Many of us remember reports from 1950 to 1954 when newspapers showed daily increases with an occasional death due to polio. With fear in our heart we watched over our children and prayed this crippling disease would soon be a thing of the past and followed every rule to prevent its spreading.

We went door to door collecting dimes. Service Clubs collected newspaper to sell for salvage and other organizations did what they could to raise funds. Through their efforts and your contributions Jonas Salk and Albert Sabin were able to find and perfect vaccines to combat future epidemics, open new Medical Centers and Community Chapters for assisting those already victimized. By 1958 The National Foundation for Infantile Paralysis had made so much progress in polio it turned its efforts to research in Birth Defects and Arthritis in children and then became known as The National Foundation.

On July 12th, 1960 one of the new chapters formed was the Southeastern Nassau County Chapter. It is our local Chapter with offices located at 560 South Broadway, Hicksville, heading the Chapter is the Steering Committee of volunteer members; Peter F. Amoroso Jr., Chapter Chairman; Herman Kanfer, Vice-Chairman; Mrs. C. A. Arnstein Jr., Secretary; Chester Spinek, Treasurer;

and Lou Costa, Executive Member. Members are volunteers from 14 towns in south east Nassau County. Dr. Achille Baldassarri is the Chairman of the Medical

St Ignatius School Library Needs an Assist

A portion of a former kindergarten room in St. Ignatius School in Hicksville has been converted into an attractive children's library for the school and the urgent need at this moment is for volumes to fill its shelves. A beginning has been made and with books on hand, volumes donated and those purchased from money contributed, there are about 1200 volumes with a capacity of about 5,000.

Books on all subjects, suitable for boys

and girls in an elementary school of eight grades, are earnestly solicited. At the moment there is a real need for books on sports for boys and in the field of science.

In every home of the community, where the youngsters have grown up, there must be many books in good condition gathering dust or taking up space in the attic.

The Sisters of St. Dominic who are sponsoring this project would appreciate your donations of books and arrange-

ments can be made to pickup your volumes by calling the School at WE 1-0831. If you prefer to make a cash contribution for the purchase of new books, which will be suitable book-plated with the name of the donor, make your check payable to the St. Ignatius Library and mail it to Sister M. Venard, St. Ignatius School Principal, E. Nicholas St. Hicksville.

This would appear to be a project worthy of the attention of our public spirited service clubs.

THE LATEST MCCORMICK SURVEY:

Adequacy, Capacity and Utility of Present 11 Schools

(This is the fourth installment reprinting portions of "The School Plant Needs of Union Free School District No. 17, Hicksville" better known as the McCormick Report. This installment starts Chapter III "The Existing School Plant". -- Editor).

Existing School Plant

In order to develop a sound long-range school plant program for a community, it is first necessary to make a study of the existing facilities to determine their general adequacy, their capacity, and the extent to which they are being utilized under present conditions. Such a study was made of Hicksville District's public school facilities.

In determining the capacity of a specific building, the survey staff has utilized the technique set forth in the State of New York Education Department's State Aid Bulletin Number 3, of July 1962, which establishes new standards for computing school building capacities in the state. This method closely approximates that used by the Institute of Field Studies over the years to determine a desirable capacity for a school plant.

Briefly, the method establishes a desirable capacity for elementary schools, taking the total number of kindergartens and rooms used for grades one through six and allotting 27 pupils for each room. No capacity is allowed for the following spaces even though classes might meet in them:

- (1) Library
- (2) Art or Arts and Crafts Room
- (3) Music Room

- (4) Physical Education Stations
- (5) Remedial Rooms smaller than 770 square feet
- (6) Classrooms of less than 600 square feet

Where special education classes are housed, an allotment of 15 pupils per classroom is applied in an emergency situation, when school enrollments exceed the desirable capacities of available school buildings, it is often necessary to increase the average class size temporarily. Thus, to determine the emergency capacity of elementary schools, the survey staff has accepted an average class size of 30 pupils to be allotted each kindergarten session and each classroom. Under extreme conditions, a school district may have to resort to the undesirable necessity of housing pupils in special purpose instructional rooms. This creates a curricular impact, and should not be considered permanent capacity. Hence, the standard capacity calculations presented in this chapter exclude any full day use of the special instructional areas for classes. This is also consistent with the New York State criteria.

Capacities of the junior and senior high schools are also determined by application of criteria in the above bulletin. These standards

are generally consistent with those established and used in former in-state reports. Minor variations in allotments to various instructional areas result in slightly higher total capacities. However, since state financial aid is calculated upon the techniques specified by the State Education Department, it is sound and practical to set capacities accordingly.

Presently, the public school plant in Hicksville consists of nine elementary plants serving grades K through 6, and two secondary education units; one serving grades 7 through 9, and the other serving grades 10 through 12. These schools are:

- Burns Avenue School
- Dutch Lane School
- East Street School
- Fork Lane School
- Lee Avenue School
- Nicholai Street School
- Old Country Road School
- Willet Avenue School
- Woodland Avenue School
- Hicksville Junior High School
- Hicksville High School

At the time of the survey, the Willet Ave School was under construction. It opened for classes in Jan. 1963. This will reduce the utilization of other elementary schools which are now housing sections destined for the Willet Avenue School.

Burns Avenue School
The Burns Ave School is an attractive, modern, single-story plant. The first section was built in 1951, and an addition was constructed in 1954. In 1956, a temporary addition of 8 classrooms was attached. This temporary addition is currently in use at this location.

The permanent building contains the following basic spaces:
2 kindergartens
19 classrooms
library
related arts room
gymnasium (2 stations)
cafeteria - playground
administrative areas
general services
principal
health services
faculty
custodial

Capacity of Burns Ave
By allotting 27 pupils to each of the 21 instructional rooms, the

Burns Ave School has a standard capacity of 567 pupils. Under emergency enrollment pressure, the capacity could be raised to 690 (half-day kindergartens). In dire emergency utilization, the use of the library and related arts rooms for classes could boost the capacity to 750 pupils.

In late Oct 1962, this school was housing 1211 pupils. Along with the permanent facilities, eight temporary classrooms were in service. These units, adding 240 pupil stations at emergency levels, would increase the plant's capacity to 930 pupils, or 990 pupils with the use of the two special rooms. Such an enrollment compared with even dire emergency capacity indicates the need for the relief that the Willet School will provide. The 1211 pupils in attendance were 644 pupils or 113.6 per cent above the standard capacity of the plant.

Dutch Lane School

The Dutch Lane School is identical to the Burns Ave School except for the major entry and kindergarten arrangements. It, too, was built in 1951, added to in 1954, and received a temporary addition of 6 classrooms in 1956. The temporary addition is still in use at this location.

The permanent building contains the following basic spaces:
2 kindergartens
19 classrooms
library
related arts room
gymnasium (2 stations)
cafeteria - playground
administrative areas
general services
principal
health services
faculty
custodial

Capacity of Dutch Lane

The Dutch Lane School has a standard operating capacity of 567 pupils. Under emergency pressures, it, like Burns Avenue, could care for 690 pupils. By using the special instructional rooms for classes, the plant could also house as many as 750 pupils in a dire emergency. The six temporary classroom units increase the emergency capacities to 870 or 930 pupils.

In October 1962, this plant was housing 959 pupils by using all available spaces for class groups. Such utilization was 392 pupils or 69.1 per cent above the plant's standard capacity.

East St. School

The East St School is an attractive two-story and ground-level brick structure. The original plant was constructed in 1927 and was added to in 1950. Presently, another addition is under construction which will provide a divisible gymnasium for the plant. For a time, portable classrooms were located at this site. These units were detached in the Spring of 1962 for relocation at the junior high school.

The building contains the following basic spaces:
2 kindergartens
20 classrooms

library (designated by L.F.S.)
related arts room (designated by L.F.S.)
assembly (old)
gymnasium (new, 2 stations)
cafeteria
administrative areas
general services
principal
health services
faculty
custodial

Hi, Neighbors

MURIEL SUGARMAN

In a previous issue of the "VILLAGER", several items from this column appeared in other parts of the paper. Allow me therefore to again send get well wishes to Jean Kass, Nat Meshekow, Dorothy Bennett, Muriel Kaplan's mother, Dave Batterman's father and Lee Batterman's mother. The latter two were both in Syosset Hospital at the same time. Hope Jonathan Felscher's arm is mending rapidly. Jonathan and his dad, Hal Felscher of Bounty Lane, played ball and Jonathan suffered a broken arm. Condolences to Harriet Felscher of Hightop Lane on the passing of her beloved father, Nat E. Shulman, and to Milton (of Hazelwood) and David (of Hightop) Shulman, brothers of the aforementioned Mr. Shulman.

TO ALL PARENTS IN JERICHO
 You are cordially invited to attend the Creative Arts Workshop Open House on Saturday, Feb. 16.

President's Corner

by George J. Frankel

The Birchwood Civic Assoc. at Jericho, Inc. has the largest membership of any organization in Jericho. The scope of its activities is commensurate with its size. It is concerned with problems that vitally affect our lives: the education of our children, our taxes, health and safety in our community, our youth, our parks, zoning, recreational activities for its members; the beautification and improvement of our community, etc. The activities of the Association, as well as those of all the other community organizations, are made known to its members through THE VILLAGER, which is sponsored and financed by the Civic Assoc.

The effectiveness of the efforts of the Civic Assoc. on behalf of the residents of our community is in direct proportion to the tremendous number of its members and the large number of interested members who serve on its various committees. Its voice is truly representative of a large community, and it is able to achieve so much in so many areas because of its size. We are constantly seeking to activate more members in whatever areas of Civic Activity are most appealing to them.

But even if YOU do not have the time to help us actively, you CAN, AT THE VERY LEAST, HELP US TO SERVE YOU by sending in your dues promptly. Our minimum \$5.00 per year dues constitutes BIRCHWOOD'S BIGGEST BARGAIN. Not only does it entitle you to a subscription to THE VILLAGER, and make you eligible to save far more than the dues itself through benefits arranged by the Community Services Committee, but it also finances the activities of the Civic Association in these many areas which so vitally concern YOU personally.

Therefore, I ask you, when your dues statement comes, please mail in your check promptly. Join and help us work if you can, but AT THE VERY LEAST, JOIN!

at the Robert Williams School, on Barbara Lane (White Birch area). If your child attends the program or not, this is your opportunity to observe for yourself the marvelous facilities available to your child in the fields of the Arts and Sciences.

Last week, Joe Mattes of Merry Lane, borrowed my husband Walter's bowling ball and bowled a fantastic 239. He bowled several time after that, with a different ball, and his scores were okay, but not fabulous. Yesterday, he again used Walter's bowling ball and bowled over 200 each game! Rita Sussman of Forsythia Lane and Phyllis Weiner of Merry Lane, each bowled a terrific 203 game.

Harry Cohn of Fall Lane was elected Pres. of the N.Y. Jewelers' Benevolent Assoc.

Lots of birthdays at this time—Best wishes to Nat Warren and Micky Warren, Henry Dockswell, Meryl Klein of Hedgerow Lane is Sweet Sixteen. Birthday greetings to our "younger set"—Celia Felscher (8), Roberts Jaro (9) Melissa Gordon (9), Laurie Rosen (11) and Carol Stamler (14 yrs).

Lots of anniversaries too—Congratulations to Evelyn and Howard Turkell (8 yrs), Carol and Larry Levine (9), Harriet and Marvin Felscher (9), Aileen and Al Batterman (15), Mimi and Nat Gruber (15), Selma and Jerry Gold (16) and Vera and Dave Mark (20). May you all celebrate many, many more.

On Tuesday, Feb. 12, the Jericho Chapter of ORT will hold their Annual Card Party, plus a delicious buffet dinner. It will be held at the new and beautiful Galatia, located on Round Swamp Road, Plainville, Time 7:45 p.m.; price of ticket \$3.50. For further information and tickets, call Marilyn Cole, WE 8-5838, Joan Serko, OV 1-7780.

Milton and Joan Bagley had a wonderful time in Puerto Rico. So did the Diamonds, Dockswells, Greens, Warrens and Rosemans at Grossingers.

Congratulations to Ania (Tally) and Bernice Shenker of Middle Lane on the Bar Mitzvah of their son, Bruce.

The Jericho Chapter of Cancer Care is going to hold a Mah-Jong Card Party at the Milleridge Inn, Wednesday, Feb. 20 at 7:30 p.m. For a full course dinner and prizes, the price is only \$4.25. Call Arline Wrona at WE 5-4307 for tickets.

Saturday evening, Feb. 9, is the date. The place is the Jericho Jewish Center, the time 8:30 p.m., the event "Cabaret Night."

Just look at what you will get for only \$7.40 per couple. Dancing to a live band, Set-ups, Supper, and an all male revue, plus fun games. For reservations, call Elaine Lewis WE 1-7951 or Rose Lebowitz, WE 8-8502.

Passing It On

BY Irving Herskowitz

Urr, IT WAS COLD OUTSIDE: During the recent cold spell the typical greeting between friends was, "how's your pipes — how warm can you get your house?" The more nervous type even dispensed with that sort of greeting and meekly inquired, "know where I can get a plumber in a hurry?" Good thing the cold spell broke fast 'cause Floyd Bennett was considering opening a plumbing college — at discount prices for all college boys who meet the requirement of counting up to 50.

THE KIBITZERS ARE SAYING: That a gentleman may be running a Sisterhood organization—some time in the near future.

BORED WIVES: It's not the dough, but boredom, that's responsible for the large working force of housewives in Jericho.

ENCORE!! Think the JJC Sisterhood and Men's Club New Year's Eve shindig was tops for the course! Well, it seems that everyone who was there agreed it was — but — our informant tells us the Sisterhood has something planned for Feb. 9 that's going to top that. This is slaud to be a drinky, party and dancy festival that will star an all-male revue. Our chief sleuth opines that some of these guys dolls are gonna make Mae West and her old bunch of dragy drag guys look sick. Better find out whose got the tickets 'cause the same thing that happened New Year's Eve may happen again — a sell-out before the print on the tickets dried.

FRANKENSTEIN: The super marts have built themselves a frankenstein. This mechanical monster has his neeces, nephews and relatives wrecking havoc at all check-out counters which reflects most unkindly upon their net profits. This creature was fabricated with paper — stamps to YOU! Unless he is stamped out the consumer will definitely be maintaining him — if they aren't already doing so now. If the chains were able to get together and dump this guy now they wouldn't think twice about it.

FUND RAISING ANYBODY? Look for a very successful Journal fund raising job by Temple Or-Elohim. The reason—Gil Stein. Mr. Stein is this year's journal chairman who always does a vigorous and effective job.

CREDITS: Much credit has been given to the many people involved with the successful completion of the new Cantilage School. These people were very deserving of the plaudits bestowed upon them. But there were two unsung heroes (do I hear a hiss) who also merit a word of thanks for their co-operation and they are the Messrs. Sosnow and Schwartz. This firm made it possible to bring in the materials and equipment by bulldozing the access roads to the school grounds at a great expense to themselves.

A JOB WELL DONE: If the Birchwood Civic Assoc. at Jericho, never did another thing for this community, they could rest on their laurels of being most instrumental in obtaining the stop signs for this

Civic Board Backs HS Extension

The Syosset School District is holding a special budget referendum on Feb. 2nd so that the residents may vote on an extension to the High School, and a new swimming pool. This will be presented in the form of two separate propositions.

The Board of Directors of the Birchwood Civic Assoc. at its January meeting, reviewed the reasons for the requests, discussed the various pros and cons, and voted its support of item one. Item one is the High School Extension. It rejected item two, the swimming pool. The reasons for the High School

extension appear to be realistic and justifiable. The School Board has evaluated all aspects of the requirement and has done all within its power to keep the costs to a minimum.

The Civic Board then voted not to support the swimming pool, in doing so it felt that the initial costs, and the continuing operational costs would be a frill that our district does not need.

Your Civic Assoc. urges that you express your opinion as a citizen and vote on Feb. 2nd. The polling place is the Syosset High School and it will be open from 9:15 A.M. to 9:00 P.M.

Ten Pin Talk

By Henry Dockswell

Mort Levine's Morticians are the first half champions. For two games, and nine frames of the third, the issue hung precariously. Leo Geyer and his rampaging Lions had easily swept the first two contests. In the second game, in fact, Leo and Norman Ney each bowled what looked like the crusher, a 211 apiece, and Mort's Morticians were really buried under an avalanche of pins. The first nine frames of the third and crucial game were nip and tuck. But Leo's Lions seemed to have reached their high point in the preceding crusher. They couldn't continue their fast pace and as the tenth frame came to a close Jerry Reichgatt, anchor man of the Morticians, threw a key strike to put the game and the first half championship beyond the Lion's reach by 9 pins.

Final Standings — First Half
 1-MORTICIANS - 70 pts. - Cap't. Mort Levine.
 2-LIONS - 68 pts. - Cap't. Leo Geyer
 3-MISFITS - 65 pts. (more total pins) - Cap't. Sam Springer.
 4-TROPHIES - 65 pts. - Cap't. Sid Simon.
 5-ROYALS - 63 pts. - Cap't. Fred Saplo.
 6-METS - 63 pts. - Cap't. Jack Sloan.
 7-TIGERS - 61 pts. - Cap't. Dave Batterman.
 8-INVALIDS - 60 pts. - Cap't. Sol Rabinowitz.
 9-SPARES - 56 pts. - Cap't. Milt Goldberg.
 10-CHAMPS - 53 pts. - Cap't. Marv Cohen.
 11-SPLITS - 48 pts. - Cap't. Murray Gitelman.
 12-ALIBIS - 42 pts. - Cap't. Al Minoff.

Murray Gitelman, capt. of the Splits, bowled his fourth 200 of the year, a 220 and when teammate Al Miranda threw a 201 this combo helped sweep all seven points from Al Minoff's Alibis.

Now comes the 2nd half of our split season. For added interest—

Sisterhood Offers Home Study Course

Jericho Jewish Center Sisterhood is offering a home study course starting Tuesday Feb. 5, and continuing every week through March 26.

The entire course will be led by Rabbi Stanley Steinbart, and will be concentrated on the well known book, "Service of the Heart," by Dr. Evelyn Carriel. These study lessons will be held at the Temple and will start at 12:30 p.m. All who are interested contact Mrs. Grace Herskowitz OV1-1307.

How to Heat Your Nevada Ranch

by HORACE STERLING

In five seconds, with no tools and no present or future expense, you can materially improve your winter comfort. Simply set your LIMIT OFF control at 220 and the FAN OFF control at 90 (or even 85).

These settings should provide a nearly continuous supply of warm air and keep the house at a steady comfortable temperature level. The customary higher settings provide periodic blasts of hot air alternating with periods of no heating and resultant chill.

In an ideally balanced system the blower never stops but provides a steady supply of low heat to replace the heat being lost. Such a system costs less to operate because it is the most efficient. Remember, it is not the oil burner that is operating but just an electric motor that drives the blower fan. Oil savings will more than offset the slight cost of electricity.

The aforementioned simple adjustment is well worth trying. You can always go back to the old setting should you desire at a steady rate. Additional methods of improving your heating will appear should enough readers show an interest. These involve insulating the ducts and installing dampers in the ducts. However, try the simple remedy first.

Town Controls Dogs at Large

On Jan. 29, The Town Board held a public hearing on a proposed ordinance relating to the Control and Seizure of Dogs.

This ordinance would make it unlawful for any person owning, possessing, harboring or having control of any dog, licensed or not, to be off the person's premises unless the dog is restrained by a leash and under full control of the person.

Any dog found loose shall be seized by the dog warden or peace officer and impounded. The owner will then have 12 days if licensed to redeem the dog and if not the dog will be either sold or destroyed.

The VILLAGER has for some time now been warning dog owners of their responsibility and with this new ordinance, will conduct a very active campaign to rid our streets of the many dogs that are permitted to wander by themselves throughout the community.

WINSTON L. HART, manager of the Jericho office of Franklin National Bank, has been elected president of the Columbia University Alumni Assoc. of Long Island for the coming year. The Assoc. has 4,200 members in the Nassau-Suffolk area and meets the first Wednesday of each month at the Sky Club, Franklin National Bank Building, Roosevelt Field.

Lincoln's Birthday Teen Dance Set

(Continued from Villager Page) community. Especially Birchwood Pk Dr. Here was a street that was surely death's highway. It wasn't even safe to put your foot off the curb — especially between the hours of 7:30 am and 8:30 am when all the factory traffic were on their way to work. Now the street is as peaceful as a park since the stop signs were erected. Not only did the stop signs halt the speeding traffic — it also put the skids under the drag races. A similar situation has been alleviated in all other sections of Birchwood for which the residents of the area owe the Civic Association a big vote of thanks for a job well done.

OUR LOSS-THE STATE'S GAIN: Oyster Bay Town suffered a great loss when John J. Burns was moved upstairs. Here was a man who was just about the most perfect public servant one could ask for. He was strictly the champion for the little fellow. His accomplishments for the Town of Oyster Bay during his tenure in office should serve as a pattern for all other elected officials of how to do a job properly and efficiently. We wish him well in his new job for New York State and am sure he will acquire himself in his new post just as admirably as heretofore in Oyster Bay.

Knights of Pythias Return to Jericho

Jericho Lodge #846 Knights of Pythias has returned to Jericho from Woodbury, and are now holding their regular meetings at the Jericho Firehouse.

On Saturday night Feb 9th, the Lodge will be presenting its second annual Valentine's Day Dance which is open to everyone. Tickets are \$8.46 per couple and will include a hot Chinese meal featuring shrimp in lobster sauce, spare ribs, door prizes, a four piece orchestra and other surprise entertainment. All those seeking tickets to the affair should call Hal Horowitz We 8-9890.

Urgent Appeal For Help Wanted

Mrs. Richard Post of Jericho Village Crusade Chairman for the Nassau Division, American Cancer Society, has received an urgent "HELP WANTED" appeal for volunteers from Mrs. Elmo T. Nostrand, Chairman of Service Volunteers. Typists, clerical workers, and file clerks with little or no experience are needed. They will receive on-the-job training. The hours can be two or three a week or more at the volunteer's convenience, and the work will help the Nassau Division carry on its many programs of Education, Research and Patient Services.

est and spice, although the teams remain the same, the league now places the individual bowlers into two categories, for the purpose of awarding two additional trophies. Class A, 148 average and over, and Class B, 147 and under will each have trophies for High Individual Game and High Individual Series.

At present, Murray Gittelman leads in the Class A High Series with a 597, and Al Kaplan is ahead in Class B High Series with a 521.

In Class A High Game Stanley Jarvis is in front with a 259 and in Class B High Game it's Julie Gershen with a 225.

One more trophy comes into being this second half. This is the one given to the Most Improved Bowler. At the end of our league season in June, the bowler that has increased his personal average the most, over his final average at the end of this first half, wins the distinction.

Only three trophies are awarded for the first half. These are for the 1st, 2nd and 3rd place teams.

In the race for the trophy for Most 200 Games, Mort Levine and Fred Sapio are tied at 5 apiece. Close behind them are Marv Cohen Murray Gittelman and Stan Jarvis with 4 each, and serving notice on the world that he is now ready, is Lee Geyer who has bowled a 200 game in each of his last 3 weeks.

Now all the teams start from scratch again and who knows, the last may be first.

Girls' Cadet Corps Wins New Honors

The St. Ignatius Girls' Cadet Corps of Hicksville is fast making a name for itself in the world of Drum Corp Competition. On Dec. 15, they participated in a Competition at St. Mary's of Winfield and won 12 trophies. Seven of these trophies were won by the girls who played in individual competition. The girls selected and arranged their own music with the aid of their Director, Thomas Costa. They are;

Josane Willant, who won first prize on the solo soprano horn for her rendition of "Ja-De"; Virginia Gurd, second prize for "Lady of Spain" also on the solo soprano horn; Susan Drake, first prize, on the baritone horn for "Sentimental Journey" and Margaret Halcott, second prize on the baritone horn, for "Summertime". On the French horn, Phyllis Esposito won first prize for "Winter Wonderland" and Kath-

leen Lyman won second prize for playing "Smile". Nancy Smith brought the house down" with her drum solo rendition of "Three Camps". Two bugle quartets received first and second prize trophies and two drum quartets received second and third prize trophies. The whole Corps received a re-

Supervisor and/or Superintendent of Highways.
Public Liability and Property Damage Insurance and Construction Bond will be required as set forth in Instructions to Bidders and the contract form.

J ARTHUR PETTY

County Backing State Candidate

Marking the end of a 22 year barren period for Nassau Legionnaires, J. Arthur Petty of Great Neck, has been unanimously named candidate for Dept (State) Commander, the highest American Legion office in the state, by the Nassau County American Legion. Well known and popular throughout the Empire State among Legion personnel, Nassau Legionnaire Petty is backed by a wealth of experience garnered by his 15 years service in The American Legion. A U.S. Navy veteran of World War II, he joined the Charles A. Folwer, Jr., Post #160, Great Neck, in 1948. He rose quickly and steadily in American Legion ranks serving as Post Commander, Division Commander, County Commander,

District Commander, and in 1959, as a Dept Vice Commander. He has held numerous committee chairmanships on the county, district and state levels. Currently he is Civil Defense Chairman for the Department of New York and is also serving his third three term as a member of a national committee. Residing at 25 Jayson Ave., Great Neck, with his wife and four children, Legionnaire Petty is a 23 year veteran of the U.S. Postal Service, and is now a Supervisor at the Great Neck Post Office. County Commander George A. Murphy has named Post County Commander Albert Woessner, of Glenwood Landing, as chairman of a committee to spearhead the drive to elect J. Arthur Petty.

HICKSVILLE MAJOR James J. Condon, right, secretary of the Joint Staff of the US Military Assistance Command at Vietnam, receives from General Paul D. Harkins, commander, a certificate of achievement which was forwarded from Major Condon's last duty assignment at Davison US Army Airfield at Ft. Belvoir, Va. (Official Army photo).

LATEST MCGORMICK SURVEY:

(Continued from Page 4)

Capacity of East St

This plant has a standard capacity for 594 pupils. Under emergency conditions, with half-day kindergartens and allotments of 30 pupils each to all classrooms, the plant could house 720 pupils. By pressing the two rooms designated for special instruction into service, the plant could house as many as 780 pupils.

In October 1962, this plant was also caring for an enrollment well above its capacity. The 1050 pupils in attendance were 496 or 76.8 per cent above the school's standard capacity and 270 pupils above even the dire emergency level.

Fork Lane School

This school is architecturally similar to the Burns Ave School. It was built in 1951, and added to in 1954. An addition of four portable classroom units was attached in 1955, and another four units were added in 1956. In the Spring of 1962, the eight classrooms were detached for use at the junior high school. The plant contains the following basic spaces:

- 2 kindergartens
- 19 classrooms
- library
- related arts room
- gymnasium (2 stations)
- cafeteria-playroom
- administrative areas
- general services
- principal
- health services
- faculty
- custodial

Capacity of Fork Lane

The Fork Lane plant has a standard capacity for 567 pupils. Like Burns Ave and Dutch Lane schools, the plant can be utilized for an emergency capacity of 690 pupils and a dire emergency capacity of 750 pupils by general classroom use of the special rooms.

In October 1962, this plant was housing 815 pupils. This was 248 pupils or 43.7 per cent above its standard capacity of 567. The enrollment of 815 pupils was 65 pupils above even the dire emergency capacity of the plant.

Lee Ave School

The Lee Ave School is the largest elementary plant in the district. It is an attractive one and two-story structure. The original two-story element was built in 1951. A single story addition was attached in 1955. A four room temporary unit was added in 1956 and detached in the Spring of 1962 for use at the junior high school.

This plant contains the following spaces:

- 2 kindergartens
- 27 classrooms
- library
- related arts room
- gymnasium (2 stations)
- cafeteria
- administrative areas
- general services
- principal
- health services
- faculty

Capacity of Lee Ave

This plant has a standard capacity of 783 pupils. Under enrollment pressures, the plant could accommodate as many as 930 pupils. By using the two special rooms for classes, the plant could house 990 pupils.

In late October 1962, the Lee Avenue plant was caring for 1,093 pupils; 310 pupils or 39.6 per cent above its standard capacity. This utilization for 1093 pupils was 103 pupils above its maximum, and is further evidence of the overcrowding which has necessitated part-time sessions and other improvisations in the district.

Nicholai St. School

The Nicholai St. School is by far the oldest unit in service in the district. Its vintage makes it inconsistent with the majority of the local plants, most of which have been constructed since 1950. The original Nicholai plant dates back to 1868. In 1897 it was reconstructed. In 1909, a "newer" building was added. In the past decade, the plant has been renovated to increase the fire protection, health, and general safety of the occupants.

The plant presently contains the following basic spaces:

- 1 kindergarten
- 15 classrooms
- playroom - assembly area
- administrative areas
- principal
- faculty room

Capacity of Nicholai St.

The Nicholai School has a standard capacity available for 432 pupils. For each classroom used for special education, the capacity would be reduced 12 pupils. In an emergency, the plant's 16 rooms, with one in use as a two-session kindergarten, could care for as many as 510 pupils.

In October 1962, the Nicholai St. plant was caring for 351 pupils in grade 3, and 19 special education pupils; a total of 370 pupils. Such a utilization, unlike any other of the district's newer plants, was slightly below the standard capacity of 408 pupils which the plant would have with two rooms in use for special education groups.

Cometland

By Joe Koerner

SECTION I SLANTS...As figured, the Comets came up with a breather, last Friday night on the home court, by stopping Plainedge 78-50. This set them up in 3rd place with a 4-2 league work for the season, behind from running Syosset (5-1) & 2nd place Farmingdale, 4-L Mac Arthur at 3-2, holds down the 4th slot, followed by Clarke, Plainedge & Plainview. All in all, a fair balgame, this last win over the Red Devils. The locals clipped off a 39-21 half and after that coach Ed Petro had the pleasant opportunity of watching tomorrow's Varsity in action. He substituted freely in the last half & as a result 13 Comets hit the scoring column. The scorers were, Bob Smith 17, Chip Jaworski 13, Bill Luft 12, Vin Hannigan 8, Bob Feldcher & Rich Medina 6, George Rivas 5, Bruce Daim & Paul Colosano 4, Tom Kumiga 2 & George Fillipone 1. The next call to battle stations for the locals, will be this Friday night's matchup vs Island Trees, at home on the Jr. High Court. After that comes Mac Arthur, Plainview, at home on Tues. & Fri. nights of next week...Look for some fine court fare to be on tap for the weeks to come, when Hicksville will take on Syosset & Farmingdale. These should be the big ones and our crystal ball shows a hazy picture of the Comets & Dajers battling it out for the Section I Championship, at home on Feb. 21st. The new floor at the Sr. High, should be ready for this whing-ding of the season. **JAYVEES WIN...** The boys were sharp tonight" said Jayvee basketball coach, Stan Kellner, as his squad left the court; big winners over visiting Plainedge. Here again, came the opportunity to watch the benchhands take over the last half of the ballgame and Kellner was more than pleased with the results of a lot of outstanding play... "We're coming a long fine", he said... "and should more than hold our own the rest of the season". Extra credits went to up & coming, Andy Koehler, who Kellner feels, is now starting to develop into one of his finest all around players, Bill Miltenberg & John McKinstry also rated a plug. Add these facts to the outstanding play of John Walker, Bruce Cerone, Guy Van Wagon & Bill Corrigan and you come up with a team, that should add strength to tomorrow's Varsity.

WRESTLING RESULTS... Jr. High (A) wrestling coach, John Santoro reports in with 42-1 mark his Meteor matmen, as a result of last week's action. On Wed. of the week, they were stopped by Salk 28-15 and at the week's end they roared back to cop a 41-13 decision over Plainedge. Double winners were Bill Brough, Russ Mahler & Joe France. Other point winners for Hicksville were Howie Berkowicz, Don Borge, Bill Grams, Alex Kazor, Bob Healy and Eugene Boon... And on the B side of the Jr. High mats, coach Ron Benezio reported in with a razor edged 23-22 win over Mineola. Ron, who had just exchanged rolling pins, last Dec. 29th, with the former Jeannine Triola, at the East Meadow Sacred Heart Church,

had nothing but good words for his squad... "They finished up strong," he said in summation. Winners were, Jim Dyckman, Bob De John, Billy Arnan, Ed Forte, Jeff Campell, Bob Healy and Don Borge. Last but not least, reports the Clarke "Rams", winners over the Comet Varsity by a score of 33-13. Coach Bill Roberts and his boys had a tough row to hoe on this one. Clarke has one of the best mat squads in the county and proved it by taking 9 out of the 12 matches. Comet winners were Dave Trudill via a pin in the first match, Bill Starke won for forfeit and Fred Duncan copped a decision. The big event of the meet took place in the 114 lb. class, where Hicksville's, Robin Winkle & Clarke's, Bryan Lamb, put their unbeaten records on the line. Lamb was unbeaten in 33 dual matches and Winkle, also undefeated was riding the crest of 26 straight wins... Something had to give and Lamb wound up the winner on a 6-3 decision. Look for this pair of outstanding youngsters to lock horns, once again in the County Tournament.

JR. HIGH (B) COURTMENT UNDEFEATED... "We were down 3 points at the half," said Jr. High basketball coach, Marty Riger... "and I was well pleased with the squads ability to come from behind". "Big boys like Brian O'Leary, Jerry Harding & Joe Grant controlled the back boards for us and made our last break go. Jack Spicella was the top scorer with 21 points... And don't forget to print this," he added with a broad grin... "we're the only undefeated team in Hicksville, these days". We recognized the win and knew the latter remark was for the benefit of the bench jockeys, standing nearby, during the Comet, Plainedge plunder. In return, his fellow Jr. High coaches, choroused... "Yeah, Yeah... we know you got a 3-0 record, so how does it feel to be on top for a change". Final score, Meteor (Blacks) 38, Syosset 34. (P.S. Riger's also got a 1-0 record going for him on the home-front. He's the proud pop of a recent new arrival that checked in at the Plainview General Hospital, at 9:40 pm last Dec. 27th. Name... Robbin, Marcle Riger and her weight in the diaper division of Section I, was an even 7 lbs. The proud parents are doing fine.

PBC Seniors Open
Hicksville's PBC Lions Seniors opened up its league play by surpassing Massapequa 39 to 27 on Monday, Jan. 7. High scorers for Hicksville were Ron Teiler, Don Nelson and Pete Worshawsky with 9, 8 and 8 respectively. Kennedy of Massapequa led all scorers with 16. Hicksville continued its winning way by nipping Baldwin in a non-league game 61-57. Hicksville jumped off to a 24-11 lead in the first quarter and never trailed.
"Pep" Richmond led all scorers with 21 and Don Nelson contributed 12, for the winners, Beato and Anderson paced Baldwin with 14 and 13.
Hicksville won its third straight trouncing Syosset 113-20.

Recreation Aids In Registration

Hicksville School District Recreation Dept. will conduct a joint registration of community baseball organizations this Friday and Saturday, Feb. 1 and 2 and next Friday and Saturday Feb. 8 and 9. The hours of registration are 7-9 P.M. on Fridays and 10 A.M. to 2 P.M. on Saturdays. The place is Hicksville High School.

Registering are the Hicksville International Little League and Senior Divisions, The North Hicksville Baseball Association including its American Little League and Babe Ruth League will also register. Other registrants are all the contingents of the Hicksville Baseball Assoc., National Little League, Pony League, Colt League and Connie Mack League. Not included in the registration are the Police Boys Club, the Catholic Youth Organization or other independent teams.

A parent or guardian should register the boy. Proof of age is expected and all leagues have a registration fee.

CYO Gets Jump

Getting the jump on their major league counterparts, the baseball directors of St. Ignatius Loyola parish in Hicksville have formulated their plans for the '63 season. At present, the number of teams which will participate in the intrapariish and interparish leagues is unknown but, with the annual registration dates established for Feb. 3rd and 10th, it will be no time at all before all the various teams will have their player rosters assigned.

There will be intrapariish leagues for the 7 and 8, 9 and 10, and 11 to 14 year old groups and one or two teams each in the Bantam, Grammar, Tyro, and Junior divisions of the Rockville Centre Diocesan CYO Program. The intrapariish teams and the Bantam and Grammar will be organized in March with pre-season workouts scheduled for April, to prepare them for their season openings in May. The Tyro and Junior teams will be organized in June, after the completion of our high school baseball programs.

OPEN LETTER

(Continued from Page 3)
Advisory Committee. This year Lou Chesta is the Hicksville Community Chairman and Maria Trivell of Bethpage is the Chapter Mothers March Chairman. In short they are your friends and neighbors and nice offering their service to the 1963 March of Dimes.

As Hicksville Community Mother for this years March of Dimes I am appealing for volunteers at this time. Contributions are needed to carry on the work of The National Foundation in southeastern Nassau. We have not and cannot forget those taken during the early '50s. Some of the victims were very young and as they grow are in need of new braces to help them lead a life as normal as possible. Others stricken were women and men, the backbone and breadwinners of a home who want to carry on as they did before. With a little assistance from us, they can be fitted with special braces and able to be just that. In our community there are cases of Birth Defects and Arthritis where personal funds have been exhausted on medical expenses and we are asked to help. Let us of the community who are more fortunate see what we can do to help. If you can collect from 20 homes or from an entire section a call to me at this time will be greatly appreciated. My home telephone number is PV 6-9835.

Only your cooperation, dimes and dollars can help these cases in our community, these cases so close to home.

FAMILY NIGHT, for members of Joseph Barry Council #2520, Hicksville was held on Sunday, Jan. 14 from 6 p.m. to 9 p.m. at the Knights of Columbus Hall on Hertz Place.

The 1962 C.Y.O. talent champion and runner up of the Salisbury Music Festival of 1962, Harold Kolb, a 14 year old organist, played and thrilled both the young and old with melodies of past and present. The Imperials, a young dance band from Hicksville High School, supplied the dance music and the Columbian Squires Quartet from Circle #547 of Hicksville sang a few songs after which refreshments were served.

Legionnaire's Log

by Artie Rutz

While the weather remains very cold, things around the Post were warming up. . . Dick Hochbrueckner, Bob Hazel, Dick O'Neill, Jack Spimella, Bob Mangels, Mike Claidella and Artie Rutz have each been awarded the County Commander's Empire State Pin for bringing in new mem-

bers. . . J. Arthur Petty, Nassau's candidate for Department Commander at the forthcoming New York State American Legion convention at Rochester, has received fine financial support from the Charles Wagner Post. . . The Post will honor one of its deceased Past Commanders, Emanuel Smolik, with the placing of a book in

the Nassau County American Legion Memorial Library at Hofstra College. . . This is a highly specialized collection of books dealing with L. I. and New York State History and is housed in a separate building at Hofstra. . . A special Memorial tag can be found on the flyleaf which gives the name of the donor and the decedent being honored. . . Have you noticed that P.C. Larry Small is being honored by his Post Office buddies with a Testimonial Dinner recognizing his more than 32 years service? . . . The Post

have received a Certificate of Merit for its volunteer work at the Kings Park State Hospital. . . Don't be too surprised if the new Veterans' Hospital scheduled to be built on L. I. is located at Mitchell Field. . . A special Old Timers' Nite is in the making and probably a date will be announced very shortly. . . Jack Retzlina is Chairman of the Spotlight Review Nite that we are sponsoring this year and which should be held in either the Junior or Senior High School on the last Saturday night in June.

tion of insanity or incompetency of General Partners as provided for in Articles of Limited Partnership, or upon sale of all of Partnership property or upon mutual consent of all of the General and Limited Partners, or as provided for in Articles of Limited Partnership Agreement, unless remaining General Partners elect to continue partnership in manner and subject to the provisions of such Limited Partnership Agreement.

Shares of profits or other compensation by way of income which each partner shall receive is as follows: (i) First \$38,350 of economic profits or portion thereof as is available per annum, apportioned among the Limited Partners and General Partners pro rata to their respective cash contributions to the capital of the partnership; (ii) Remaining economic profits, if any, in each fiscal year of the business conducted by partnership shall be divided as follows: General Partners shall receive \$33,800 of next available sums equal to 88.1322% of next economic profits distributed pursuant to (i) above apportioned among General Partners in manner set forth in separate agreement among General Partners; (iii) Of total remaining economic profits, after distributions pursuant to Subdivisions (i) and (ii) above, Limited and General Partners shall receive 53.153% thereof pro rata in proportion to their cash contributions, and General Partners shall receive 46.847% thereof to be apportioned in manner set forth in separate agreement entered into among General Partners. Distribution of economic profits to be made to General Partners shall be paid out of sum equal to 46.847% of total distributions and to be apportioned among them in accordance with separate agreement entered into by General Partners dated October 25, 1962. Term "economic profits" of the partnership shall mean net profits derived from ownership and operation of property as ascertained through the use of standard accounting practices except (1) depreciation of buildings, improvements and personalty shall not be considered as a reduction; (2) mortgage amortization shall be considered as a reduction; (3) amounts expended by the partnership in discretion of General Partners for capital improvements shall be considered a reduction; (4) if General Partners so determine, reasonable reserve shall be deducted for working capital needs, or to provide for improvements, or for any other contingencies of partnership. Priority of distribution not to be cumulative and to be in force during entire term of partnership. No Limited Partner shall have right to substitute assignee in his place and stand as a substitute Limited Partner unless consent so to do is obtained from General Partners in manner provided in Partnership Agreement. No Limited Partner has priority over other Limited Partners except as herein set forth. No right is given a Limited Partner to demand or receive property other than cash in return for his contribution. Partners have not agreed to make additional contributions to the partnership. Upon dissolution of partnership after payment of all debts and liabilities and expenses of liquidation, the setting up of any reserves for contingencies, any balance shall be paid in accordance with the terms and provisions of Articles of Limited Partnership. Losses to be borne pro rata in proportion to respective total contributions to capital of partnership. Liability of Limited Partners for losses is limited to his capital contribution. F22x37(6t)
