Topping the Crest of Tidal Wave Of Population, School Enrollment

COMPARISON OF ANTICIPATED ENROLLMENT RANGE WITH EXISTING PERMANENT CAPACITY, GRADES K-12 (EXCLUDING SPECIAL ROOMS) UNION FREE SCHOOL DISTRICT 17, HICKSVILLE

INSTITUTE OF FIELD STUDIES TEACHERS COLLEGE COLUMBIA UNIVERSITY

THE CREST OF THE TIDAL WAVE of population expansion and student enrollment in Hicksville public schools has been reached, according to the conclusions in the latest McCormick Report which are detailed on page four in this issue. The above chart (no. 5) from the Report projects the anticipated enrollment. The straight NYS line is the state standard for existing permanent capacity. The shaded, three dotted lines are projections based upon minimum (bottom), maximum (top) and moderate (centre). Today's student population of about 13,000 boys and girls will drop, McCormick says, to about 9,000 in the next 15 years.

Church Interest in Nicholai

The Hicksville School Board will meet on Thursday night, Feb. 21, instead of Washington's Birthday, a legal holiday. The meeting will be held starting at 8:15 p.m. in the teachers' lounge of the High School.

The Board, in answer to a request from Trinity Lutheran Church of Hicksville, agreed to meet as a committee of the whole with a delegation from the Church starting at 7:30 p.m. on Feb. 21 regarding the Church's interest in the Nicholai St. School property.

At a regular meeting last Friday night, the Board met with representatives of various employee groups of the District, continuing sessions held previously with the clerical, custodial and cafeteria staffs.

Between 10:40 p.m. and 12:40 a.m., the Board listened to the representatives of the Classroom

Preparing The School Budget

-Editorial on Page 4.

Teachers' Assoc., the school Supervisors and the School Administrators.

It was informally estimated that the request placed before the Board by the Classroom Teachers would cost the District about \$275,000 in salary adjustments and benefits and boost the school tax rate about 30 cents per \$100. It was noted the average elementary teachers salary in the District is \$7100 and

secondary teachers average \$7700. The Supervisors requested that a percentage rather than a flat dollar difference be adopted on their pay scale. With 15 persons involved, the proposed 10 per cent increase would add \$7000 to the budget.

Herbert Cavanaugh, principal of Woodland Ave. School and president of the School Administrators Assoc., proposed adoption of an index salary differential rather than a flat-dollar amount. This plan would add \$16,300 to the 1963-64 budget, it was estimated. President Jerome Zettler indicated the Board would meet as a Committee of the whole on Feb. 20 (last night) to give consideration to the various proposals advanced.

Westerberg is Stage Manager, and Art Direction is done by Calvin Grimm.

The director of the Senior Play is A. Bevan. Technical direction and management are handled by Mrs. K. Fletcher and R. Mattenzo.

Another gasoline station on Old Country Rd., Hicksville, this time at the former Magill residence at the corner of Prevett Place, is proposed. The application of Midwood Homes Inc. for a special permit will be the subject of a public hearing before Oyster Bay Town Board at 10 o'clock Tuesday morning, Feb. 26.

The Rt. Rev. Jonathan Goodhue Sherman, Suffragan Bishop of Long Island, will officiate. The new edifice is of unusual architectural design.

Dear Lynda:

DEAR BUFFALO, well remembered as the former president of Hicksville Chamber of Commerce who has been a Westbury village trustee for a number of years, is among eight named by North Hempstead Town Board to a Citizens Advisory Committee on Planning and Zoning. It was just about the coldest day of the year with the temperature under zero when a Jeep leaped the curb on South Broadway and shattered two front windows of Bette Bros. store, Friday morning. The heat rushed out, Hicksville-Roschuck rushed over with a wooden temporary patch. The damage has since been repaired. Plans are in the works for dedication ceremonies for the new East St. School gym, named in honor of NINA PLANTZ, and the Willes Ave. Elementary School. School Board members and Administrators will be in Atlantic City this weekend for their annual school men's conference.

Sincerest sympathy to Mr. and Mrs. ROBERT CORCORAN upon the passing this week of their teen-age daughter. Send a get-well card to former Town Beach Superintendent SIDNEY PELLY, who is recovering at home from a very serious operation. His address is 105 Bay Ave., Hicksville. Postmaster IRENE MURPHY will be guest speaker at Hicksville Kiwanis on March 20. At the last meeting PAUL DRAKE, former president, received a perfect attendance tab from ERIC LE-BARRON for an eight-year perfect record. JOSEPH GOLDSTEIN of East Meadow, a partner in the Hicksville law firm of Miller, Goldstein, and D'Ambrose, has been appointed chief law assistant to County Court Judges in Nassau. PENELOPE RUTH JAMES, daughter of Mr. and Mrs. Samuel N. James of 21 Lenore Ave., Hicksville, a 1962 graduate of Hicksville High School, has been placed on the Dean's List of the Southern Seminary Junior College, Buena Vista, Virginia, where she is majoring in merchandising. LEO INGLESEY of the LI Lighting Co will speak on Safety at the Hicksville Chamber of Commerce open meeting this Friday morning, Feb. 15, in the down stairs meeting room of Seaman & Elsemann at 167 Broadway, Hicksville. Free coffee for those who arrive 15 minutes early. A group calling itself "In God We Trust Committee" of 3861 Hahn Ave., Bethpage, is asking all organizations and individuals who support a bill introduced by Assemblyman LaFauci calling for the display of the national motto, "In God We Trust" in all public school classrooms of the state. Nassau Republicans will have their second \$100 a plate Victory Dinner at the Garden City Hotel on May 2. A note from the Jericho Board of Education reveals that in the past 10 years the District experienced a 1600 per cent increase in enrollment. Today's enrollment is 3248.

HOWARD F. VAN ALLEN of 9 Layton Ave. and VINCENT HORN of 32 Seymour Lane both Hicksville, are co-chairmen of a new group calling itself the Hicksville Committee for Honesty in Public Education, or HCHPE. We used the initials last week and somebody thought we wrote HICUP.

Fairway Farms has been refused a court order barring all picketing at its plant on Burns Ave., Hicksville. The firm already has an injunction limiting picketing to two persons. It seems hard to believe, but on June 2 it will be three years since a bulldozer operated by STEVE FOX turned up metal containers stuffed with about \$85,000 while clearing an area near Canisius Rd. at the Hicksville - Jericho boundary line. The money has been locked up in the county police property clerk's office ever since. Claims to the money have been filed by FOX, SKODNEK INDUSTRIES of Westbury and FRED COUSE who own the land where the money was uncovered and the widow of BERNAAR MAC FADDEN who said her late husband had a passion for burying his money in odd places. She claims he took walks along Canisius Rd and chose that spot to hide one of his treasure chests. A mandatory three year waiting period has stalled court settlement of who gets the pile. A lot of attention was focused this week on the fact that one of six puppies born to a German shepherd dog owned by Mrs. LOUISE BARRY of 127 Haypath Rd., Plainview, has green hair. Experts said they never heard of such a thing. The pup has been named Pistachio.

A Solemn Requiem Mass was celebrated by Rev. Francis E. Fahy at St. Pius X Church, Plainview, Jan. 23. Interment was at Long Island National Cemetery, Pinelawn.

JULIA LUPIS

PLAINVIEW — Julia Lupis of 11 Frederick Drive, here, died Sunday, Feb. 10 at the age of 43. She is survived by her husband, Marcell; two sons, Angelo and Salvatore; three sisters and three brothers.

She reposed at the Thomas F. Dalton Funeral Home until Thursday, Feb. 14 when a solemn requiem mass was offered at Our Lady of Mercy R.C. Church at 9:30 a.m. Interment followed in St. Charles Cemetery, Farmingdale.

Becomes Engaged

Mr. and Mrs. Louis Schultz of 36 Linden Boulevard, Hicksville, wish to announce the engagement of their daughter, Diane, to Jerrold Bessal of Glen Cove.

PFC PAUL CHAPEN has left Ft. Leavenworth, Kansas to attend the six-week U.S. Army Special Warfare School, Ft. Bragg, N.C., before reporting to his new assignment in Viet Nam.

The son of Mr. and Mrs. Henry Chapen of 91 James St., Hicksville, he is a 1958 graduate of Hicksville High School. Private Chapen entered the Army in October 1961 at Ft. Dix, N.J., and had been assigned to Midwest Relay Station at Ft. Leavenworth since January 1962.

Bruno Demands Cut in Budget

Hicksville taxpayers face the "grim, ghastly prospect" of a combined school and library tax

next year of over \$6 for each \$100 of assessed valuation if the School Board doesn't act on his demand that it cut the proposed budget of about \$11 million for 1963-1964 by "at least 10 percent." School Trustee William A. Bruno, Jr. insists.

The present Hicksville school-library tax rate is \$5.61; he declared.

Bruno said that the school district "can only hold the line on taxes if the School Board takes dramatically drastic action now."

The next regular monthly meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers, Hicksville, will be held on Monday, Feb. 25th at 8:15 p.m. in the school hall, Sister Jean Clare, O.P.S., Diocesan supervisor and curriculum coordinator in the Dept. of Education, Diocese of Rockville Centre, will be the guest speaker.

President's Corner

by George J. Frankel

Among the many diversified activities of the Birchwood Civic Assoc., the functions of the Jericho and Syosset Education Committees continue to play a vital role in the lives of all our residents. These committees concern themselves not only with the academic aspects of the education our children receive, but also with the cost of this education to the individual taxpayer. In the past few weeks, both of these committees have been engaged in both areas of concern.

For the past several months, the members of the Jericho Education Committee have been receiving telephone calls from members of the Civic Assoc., concerning problems involving their children as well as the general policies of the Jericho School District. As a result of these inquiries, the Jericho Education Committee, chaired by Mr. Leo Geyer met last week with Dr. Leo Westfall, Acting Supt. of Schools of Jericho. At this meeting, which I was privileged to attend, Dr. Westfall was presented with a carefully prepared agenda including questions concerning the policies of the Jericho School District. These questions, and Dr. Westfall's answers to them, evolved into a discussion that, I feel, was extremely beneficial to all concerned. Such meetings as these certainly tend to promote an understanding between the School District and the residents of the community that can lead only to better education for our children.

The Syosset School District recently announced that it was going to hold a special referendum to vote on the addition of an extension to the High School to avoid the necessity of double sessions. A second proposition concerned the construction of a swimming pool in the High School. As soon as announcement of the referendum was received, the Syosset Education Committee, chaired by Civic Past-president Irwin Baumel, swung into action. In order to ascertain the facts in the situation, Frank R. Manarel, Asst. Supt. of Schools in Syosset, was contacted. The Executive Committee of the Civic Assoc. met with the Syosset Education Committee, reviewed and discussed the facts, and arrived at a recommendation. This recommendation was presented to entire Board of Directors of the Civic Association, reviewed and discussed again, and finally moved by the Board.

Implementation involving publicity in the VILLAGER as well as a mailing to all members of the Birchwood Civic Assoc. who reside in the Syosset School District appraising them of the subject, time, date and place of the referendum, as well as the position taken by the Civic Association together with a brief outline of the reasoning behind the discussion. The Civic Assoc. backed the extension to the High School but opposed the addition to a swimming pool. With only 25% of eligible voters going to the polls, both propositions were passed. The preceding incidents recount but two of the many, many vital community activities in which your Civic Association is constantly engaged. Is it any wonder that membership in the Birchwood Civic Assoc. is "BIRCHWOOD'S BIGGEST BARGAIN"?

Watch That Name!

We have recently noticed some confusion in the local press concerning the name of the community in which we live, and of the Civic Assoc. which represents the residents of that community. By way of clarification: The name of the Birchwood community which is situated between Broadway and Robbins Lane, north of the Expressway and South of Jericho Turnpike in Jericho is "The Village of Birchwood Park". The name of the Civic Assoc. that represents the residents of The Village of Birchwood Park is "The Birchwood Civic Association at Jericho, Inc." It was from the name of the community, The Village of Birchwood Park, that the name of the official publication of the Birchwood Civic Assoc. was taken -- "THE VILLAGER".

In Jericho, there is no such community as East Birchwood, nor is there any such organization as the "East Birchwood Civic Assoc." The Editorial Board of THE VILLAGER trusts that this clarification will eliminate any further confusion with regard to the name of our community.

Youth Group Votes to Suspend

By Ralph Diamond

The youth council of the Birchwood Civic Assoc. has voted to suspend any youth group member whose parent does not appear the night to which he is assigned. Lou Cohen, Ralph Diamond and Vivian Scopa, members of the youth council have reached the conclusion that unless drastic steps are taken the children of the youth group will not be properly supervised. A plan has been set in motion whereby assignments will be given to each parent of the member of the youth group. In the event the parent fails to appear on his assigned night the child will automatically be suspended. Previously the feeling was that the child should not be punished for the parent's failure to cooperate, however it is now being determined that the suspension must be automatic if the plan is to work successfully.

The parent's assignments have been so arranged that each parent will have to devote one evening during the entire season to help supervise the activities of the Birchwood Civic Youth Program. It is the feeling of the youth council that this certainly does not present any hardship to any parent to give so little of his time. Arrangements have been made so that if a parent cannot make a particular assigned night another more suitable night can be arranged. The cooperation of every parent is urgently requested so that the highly successful youth program can continue this year and for many years to come.

Group Meets With Dr Westphal

On Feb. 6th the Jericho Education Committee of the Birchwood Civic Assoc. met with Dr. Leo Westphal, Acting Superintendent of the Jericho School District. Dr. Westphal had been invited by the committee to join with them in a discussion of the Jericho School District Educational Policies.

A carefully prepared agenda was distributed to every member present. Dr. Westphal graciously answered questions referring to school policy on discipline, curriculum, testing, grading, supervision of the teaching staff, methods of recruitment of staff and other pertinent matters. Some areas were covered to the satisfaction of the committee. In other areas Dr. Westphal concurred that while some steps have been taken to better our educational procedures, more must and will be taken in the near future.

The committee felt that the meeting was a successful one. We hope to have more such meetings shortly with other faculty and administration members, specifically those who are directly responsible for particular areas of education in the Jericho School District.

At the present time many of our committee members are assisting our Board of Education in three areas; a. Salary, b. Insurance, c. School use.

Your education committee always welcomes any one interested to join us. Please call Leo Geyer, Chairman WE 8-1072 if you would like to be notified about our meetings.

"I can't tell you how delighted my wife and I are about your country day school. This was the first time we had ever been away from the city. We were worried that the weather was too hot and the country would be too hot. I am pleased to tell you that we have been to the school and we are so glad to be here."

"My husband and I went to the school. We had the wonderful summer. I enjoyed the school very much. They are always telling about going back next summer."

"I want you to know that we thoroughly enjoyed the summer. I never knew how to be so happy in the country."

"Committed to the best thing that ever happened to my children."

"We are all very much appreciative of the school and we would like to express our appreciation. The school is a very good one and we are all very much appreciative of the school."

NEWLY-ESTABLISHED PARISH of St. Paul the Apostle, Jericho, formally organized a Men's Guild on Feb. 5 when more than 100 men participated in the foundation meeting at the Jericho Fire House. Addressing the group, the Rev. Daniel J. Potterton, pastor, described the objectives of the new organization as "primarily spiritual," but that social, educational and recreational pursuits would also be included in the Guild's program.

At the meeting, the proposed Constitution was accepted unanimously. Those present were invited

to sign a special roster as charter members. Fr. Potterton took the occasion to announce the following pro tem officers: President, Edward J. Murphy Jr., 27 Cumberland Road, Hicksville; Vice president, John J. Dever, 15 Primrose Ave., Hicksville; Secretary-Treasurer, John W. Nason, 25 Orange Dr., Jericho. All will serve until regular elections are held in June. Rev. Daniel P. Ryan was appointed Spiritual Advisor. The group has scheduled regular meetings at the Jericho Fire House on the Tuesday following the third Sunday of each month. (Photo by Pierre Charbonnet)

Ten Pin Talk

by Henry Dockswell

The second week of our second half saw no less than 7 men bombard their way to the 200 club. This is the largest number of men yet to bowl better than 200 on any given night. The caliber of play has improved so much that soon there may be more chiefs than Indians.

Leading the pack with a 223 was "Steady" Eddie Roseman. He led his Capt., Jack Sloan, and the rest of his Met teammates to a 5 to 2 win over Sam Springer's "Misfits", in spite of Milt Joe Jacobs who bowled a fine 207. At the moment the Mets are atop the league, but only two points behind them are Fred Sapio and his Royals. Fred really made his boys come alive as he bowled his sixth 200 of the year a 215. He now leads in the race for that trophy. This shot in the arm led the way to a 7-0 sweep over Murray Gittelman's Spares.

Herb Bernstein extracted the fangs of Milt Goldberg's Splits as he threw a 205 (his 4th of the year) and paved the way to a 7-0 shutout win for Leo Geyer's Lions. Leo's Lions were really wracking those pins and they wound up the evening with a record breaking 2478 Team Series from Scratch.

Hi, Neighbors

MURIEL SUGARMAN

When Joan and Milt Bagley of Forest Drive left for Puerto Rico recently, their friend was kind enough to drive them to the airport in the Bagleys' auto. Milt generously told the friend to feel welcome to use the car while they were away. The friend took him at his word, and drove to West Virginia, putting a few hundred miles on the car. P.S. — they are still friends.

Get well wishes to Ruth Seigel and Arnold Koplick of Birchwood Park Drive.

February is a happy month for the Millers of Bounty Lane. Miriam and Bob celebrated their 19th wedding anniversary; and Helene, her 14th birthday.

On Tuesday Feb. 19th, at 8:15 P.M. in the auditorium of the Jericho High School, P.T.A. Groups which include the Robert Seamas, George Jackson, Robert Williams, Cantigue, and the Jericho High will jointly present a play by the South Shore Drama Group, entitled "I'll See You After School!" This play has been hailed as one of the best mental health presentations of this year.

The discussion leader will be Dr. Nicholas Massa who is well known for his leadership in audience participation discussion. A very interesting and informative evening is in store for all parents.

Sincere sympathy to Harry Burt. They are now tops in two departments, the aforementioned Team Series and also High Team Game from Scratch with 920. Milt Goldberg tried his best to stave off the Lions when he threw a strong 19 but he didn't get enough help from the rest of his "Splits".

Stan Jarvis, the league's leading high average bowler came up with his 5th good one, a 203 and helped his teammates the "Champs", subdue Sid Simon's Tropics 5 to 2. Stan is now tied with his Capt., Marv Cohen, at 5 apiece in the race for the most 200 games and both are only one behind the front runner, Fred Sapio.

The Paganini Quartet, in its second decade, is one of the outstanding musical organizations of America. Artists Henri Temianka, Stefan Kravt, Albert Gillis and Lucien Laporte and their famous "Paganini" Stradivari compose an ensemble in demand on four continents and well past the thousand-mark in concerts played in the United States and Canada alone.

Legionnaire's Log

by Artie Rutz

It seems that suddenly the 50 Mile Hike has become a national fad....I wonder how many veterans could start and finish the approximate 18 hour walk.... Just thinking out loud.... Sorry to report that Mike Palladino was felled by pneumonia but he is doing nicely at the Oyster Bay Hospital in Bayville.... Of course he had to miss the wonderful St. Valentine's Roaring Twenties Dance the Auxiliary gave last week.... Whew! what a full, full house.... Glad we're expanding so that next year twice as many people can enjoy it and still

have twice as much room to "breathe in".... Don't forget we will hold our annual Movie Nite at the Hicksville Theatre on April 17th.... Bob Hassel is chairman of this affair and will probably have tickets for you all in the near future.... Our Building Bonds, which pay 6% interest each year, are now being issued to everyone who has purchased them to date.... Call up Al Carpenter, or any member of the Building Committee, and order yours now.... They are of \$100 denomination, either for 10 or 15 years duration....

Have you read the KOREAN BONUS RESOLUTION ADOPTED AT THE NEW YORK STATE CONVENTION?.... It certainly gave an inspiring message and a powerful argument for the Korean Bonus. It states the Legion position in clear, concise, logical and persuasive language and in effect says that the Korean Vets stopped the Communist aggression in Asia, and it is about time we acknowledged that overlooked fact. New Yorkers have always shown great appreciation for the services of their soldier-sons. After nine years of delay and neglect, the implication arises that the Korean Vet doesn't deserve a token thanks as did the

World War 2 Vets.... Its about time our New York Legislators, and our good Governor, approve putting the question before the people of the Empire State and letting them vote on the question.... I highly recommend that you sit down immediately and write the Governor and the Speaker requesting the Korean bonus be put on the ballot.... Our Nassau County convention this year is scheduled for June 13, 14, 15, at Glenwood Landing, but next year???... Let's give a warm welcome to new members William Biggs and Joseph Harrigan who were presented to the membership at the last meeting.... And to Bill Bruno, who has trans-

ferred back to the Charles Wagner Post after an absence.

COMETS WING GULLS... Last year at this time, Bill Luft was the 6th man with the Section 1 basketball team. The "Big 5" were Mike Clair, Chris Vin and Frank Coletta and Chip Jaworski. Luft was the 6th man, Vin Hannigan the 7th and Bob Smith the 8th... but that was last year and the Plainview "Gulls" came mighty close to derailling the "Comet Express". They beat the locals in a 61-60 scorcher and a great playmaker, for the Gulls... Ralph Thier, went on record, as being one of the finest playmakers in the county. He had every move in the book and pulled out all stops in this, Division 1, game of the year... but again, that was last year and the Comets, instead of being side-tracked, roared back the following week to run up a 92 pt score. After that the locals, nabbed the championship & managed one win in the County tournament, before being stopped. So here we are in the bag-up season of 63 and the locals have a quartet of goodies, going for them... Chip Jaworski, Billy Luft, Vin Hannigan & Bob Smith. In Comet court circles they're referred to as the "Big 4" but coach Ed Petro, still finds himself looking for the 5th steady man to round out the action. All take turns to man the regular spot & each week a new star is born. Last week we the Gulls, it was Little 5'5" Rich Medina, who gave the Comets a scoring transfusion by joining "General Chip" Jaworski in some of the finest footwork, this side of the "Arthur Murray Studios". "He's small and has the reflexes of a cat", said Petro after the game. His Comets had broken a 14, all tie, 1st quarter and ran off 5 straight goals, to start the 2nd frame. After that Plainview, had the proverbial tiger by the tail and dropped a 30 pt decision. They were not that bad either... It was just, that the locals, once again came up with their Schman, for the evening and when this happens, they go into orbit. Double scorers for the Comets were: Luft 23, Hannigan 20 & Smith 12. For the Gulls, Dolgenas & Grosso 14 & Chase 10. Look for 6' 7", Bob Grosso to turn, thoughtless jeers into cheers next season. A big man finds it hard to be the personification of grace on all occasions but watch for this youngster after he has another Varsity year under his belt.

THE SECRET... Meet Scott Higgins, playing the grunt and groan dodge out of Manhasset High. Scott has an 11-5 tournament record and 61 straight dual wins going for him, since the start of his Jr. High days. His secret is good coaching, a strict diet and vigorous workouts. His daily stint, includes a 2 mile run, steak, salad and tea with honey... and he never exchanges caustic barbs with Premier de Gaulle. In spite of the fact that old Charley, blew the whistle on Britain in the Common Market. This looks like the secret we've been looking for... and by we, we mean the loyal members of the Comet Rootin' Fraternity, who need a stimulant of sorts, to stagger through the last half of the Section 1, basketball race. We'll forgo the 2 mile run but will make certain to have steak, tea and honey with us, when we travel to Syosset this Friday night. After that it's the caper with the Dalers, at home on Feb. 21st.... If the Comets slings Syosset, this Daler hoodlum, might still prove to be the getaway game of the season. All signs point to the completion of the new gym floor at the Sr. High, by this time.... And while on the subject of the Sr. High gym floor, which had been

completely destroyed by water damage, last New Year's day. Let's get a plug in for the School District Groundsmen, headed by Wallace Collins. The breakdown figures for the installation of a new floor, led Administration to decide it feasible to have this "Paul Bunyan" crew, rip up the old iron bound floor and cart it away. It was necessary to forgo the many necessary functions of normal grounds maintenance, for a short period of time but the district tax-payers, benefited by savings in excess of \$3000. These were the contractual fees, that would have normally been used to rip up and cart the old flooring away. Collins and his crew, spent over 400 odd man hours in the process, which included dismantling & reassembling 10 sets of folding bleachers, capable of seating over 2000 students. "A job well done", said a pair of Bills... Bill McCarthy, Administrative Asst. and Bill Becker, Director of Bldgs and Grounds. It was erroneously reported elsewhere that Custodial labor had saved the District \$'s. "Credit where credit's due," sez us, who can also report a floor removing league record of 1-0 for the District Groundsmen, in the Division 1 Derby.

OTHER DISTRICT RESULTS... JR. HIGH GRAPPLERS, SPLIT PAIR... Meteor, wrestling coach John Santoro, reports in with a 4-2 season for his Jr. High, matmen. At the beginning of last week, they dropped a 26-19 decision to Island Trees but roared back at the end of the week, to take the big one from undefeated, Westbury, 28-21. Match winners for the locals were Horace Linde, Warren Heller, Bill Grassi and Russ Mahler. Double winners were, Joe Franco, Alex Kaczor and Lenny Casolino. FIVE COMETS QUALIFY FOR N.S. TOURNAMENT... Led by 95 lb., Dave Trudell, the Varsity wrestlers picked up 5 berths in the Division 1, Qualifying round of the Division 1 wrestling championships, held last Sat. after noon at the Plainview H.S. Other winners were, Bob Swinick, Bill Starke, Robin Winkle and Nick Trentacoste. Next stop... the North Shore Championships at North Shore H.S., this Sat. After that, who knows... A County championship is in the offing for the boys who manage to survive these, sudden death rounds, where only the best make the grade.

J.V.'S COURT MEN WIN PAIR... Plainview and Clarke, were the latest folks for the league leading Jayvees, who are now coasting on an 8-1 league record. (10-3 overall) High scorers for the locals vs the "Gulls" were, John Walker 13, Andy Koehler and Guy Van Wagon 10 and Bruce Cerone 9. METEOR A'S WIN... As a result of Jim Bergholtz's, 20' jump shot with 2 sec. to go, coach Bud Bryanla, A courtmen, managed a 48-47 win over Syosset, last week. High scorers were Bergholtz 15, Bill Sjem 10 and John Burke 9 pts. Other outstanding play came from Mike Del Grosso, Bill Fyffe and Jeff Doolittle. The A squad have a 5-5 record. METEOR B'S UNDEFEATED... Coach Marty Riger reports in with another pair of wins for his Jr. High B squad. Salk and Syosset were the latest victims. Bob Hendrickson had a 2 game total of 27 pts, Brian O'Leary netted 17 and Jerry Harding had 8. MONDAY NIGHT'S RESULTS... COMETS BEAT CLARKE 57-47... That's a league record of 8-2 for the locals but somewhere in that 3rd period, someone forgot to tell the Rams to roll over an' play dead. These

New Regulations On Size of Letters

If you are a proud parent about to announce a new birth, a mother about to send out your child's birthday invitations, a friend of a bride-to-be mailing shower invitations, or a recipient of a gift about to send a thank-you note, Hicksville Postmaster Irene L. Murphy points out that you will want to know about the new size and shape requirements for mailing pieces prescribed by the Post Office Department.

According to Postmaster, Murphy, these are the new limitations effective January 1, 1963, for all envelopes, cards, and self-mailers.

They must measure not less than 3 inches in width or 4 1/4 inches in length, and they must be rectangular in shape. In addition, envelopes more than 9 inches in width or 12 inches in length or those which have a ratio of width to length of less than 1 to 1.414 (1 to the square root of 2) are not recommended.

"I mention birth announcements, birthday and shower invitations, and thank-you notes specifically," the postmaster said, "because quite often these items are of unusually small dimensions or odd shapes. Although these restrictions are minor ones, full cooperation of the public will assist materially in enabling post offices to mechanize and economize."

Envelopes, cards, and self-mailers which are smaller than the minimums indicated above, or which are not rectangular in shape, are nonmailable. Post Offices will therefore not accept them for processing and delivery.
