

VOL. 16 NO. 11 March 7, 1963
HICKSVILLE, L.I. NEW YORK 10¢
Entered as Second Class Matter of Hicksville, N.Y. Post Office

WILLIAM E. KOUTENSKY, at right, President of Long Island National Bank and the Rt. Rev. Monsignor George Bittermann V.P. will attend the Testimonial Dinner in honor of Lawrence Small, to be held Saturday, March 30, at 8 P.M. at the Wheatley Hills Tavern in Westbury. Koutensky will act as Toastmaster. The Rt. Rev. Monsignor Bittermann will be the Principal Speaker.

A large group of Hicksville notables plan to attend to felicitate Larney on his many contributions to the welfare of Hicksville. A gala night, including some home-grown talent, is promised for the evening's gaiety. Tickets may be obtained from either Ex-Chief Charles Sauer at 51 First St., Hicksville, or Jules Mirel Advertising Agency at 560 South Broadway, Hicksville.

THE PRO DEO ET PATRIA Scouting Award was presented to Edwin Tachemson of Troop 321 at Richmond Lutheran Church, New South Road, Hicksville, on Scout Sunday, Feb. 10th. Posing on the model is Ed's mother, Mrs. Robert Tachemson, Jr., of 56 Rover Lane, Hicksville while Rev. Richard H. Weiskotten, Pastor, who made the presentation, looks on. Ed is a Star Scout, 14 years old, in the 9th grade of Hicksville Junior High, holds a General Class Amateur Radio Operator License and is a percussionist in the Advanced Band.

MURRAY MARGOLIS (center) became the first to formally toss his sombrero in the ring this week for election to the Hicksville School Board. Howard F. Van Allen (right), Co-Chairman of the Hicksville Committee for Honesty in Public Education, and Harry M. Wagner (left), President of the Hicksville Chapter of Freedom in Education, congratulate Margolis.

Margolis lives with his wife, Frances, and two youngsters, Carl and Lynn, at 12 Frances Lane. Carl is a graduate of Hicksville High School and Lynn will graduate from that school in June. The 48-year-old father is President of Hicksville B'nai B'rith, honorary member of the Commuter Lodge, Hicksville Knights of Pythias, and belongs to the East Nassau Hebrew Congregation.

Budget Shade Under \$11 Million, Hicksville Public Library, Jerusalem Ave., Hicksville, N.Y.

May Sound Out Transportation Views

The Hicksville Board of Education after a special meeting on Friday night and about seven hours on Saturday tentatively concluded work on the 1963-64 School Budget which will go to the voters on May 8. The gross amount is \$10,913,869.25, which is an increase of \$586,788.63 and substantially below the \$12 million gross which had been quoted in certain quarters.

The Board has set April 25 for the open discussion of the budget. Copies will be mailed to all residents prior to that date.

The suggestion has been advanced that the voters be given an opportunity to re-evaluate student transportation in the form of a proposition on the ballot on May 8. It was noted that \$165,000 can be shaved off the transportation cost by cutting back the service to points 12 miles out of the district instead of the present 22, and by cutting back elementary and secondary bus service by a quarter mile.

Of the 3,479 students being transported, cut backs would reduce riders by 4,200, it was stated. Five members present at six o'clock Saturday evening voted approval to the tentative budget as now developed. William A. Bruno Jr. was absent from the five-hour Saturday afternoon session and Dominic Sabatella was absent the entire day. The Board can still make further adjustments in the total up to within seven days of the voting.

Based on the estimate of \$100,000 in the budget representing 10 cents of the tax rate, the proposed budget would up the tax rate about 58 cents. The present rate is \$5.38 per \$100 and the new rate could be \$5.96, which is still below six dollars.

The marathon Friday-Saturday meeting set a record with a total of 82 motions offered.

Several new and higher salary schedules were adopted for all divisions of employees. The representative of the Classroom Teachers Assoc. read a prepared statement expressing the disappointment in the action taken by the Board.

Fund Appeal by Mail

The appointment of Irving Lawrence of 29 Jay St. and Louis E. Kappstetter of 42 Grand Ave. as Fund Chairman and Commerce and Industry Chairman respectively of the March 1963 Hicksville Red Cross Campaign is announced by William J. Schmidt of Rockville Centre, County Fund Drive Chairman.

The campaign in Hicksville this year will be by mail only. There will be no door-to-door solicitation.

In accepting their respective appointments, the chairmen said, "We do not have a sufficient number of door-to-door canvassers to call at each home. We hope this mail campaign will be well-supported and that residents of Hicksville will take the initiative by sending in their contributions to Nassau Red Cross Fund Campaign Headquarters, 264 Old Country Road, Mineola."

Lawrence and Kappstetter also stated, "We know from past records that the people of Hicksville want to support Red Cross and recognize its importance in providing service to families who have a man in the Armed Forces; in making available a large portion of the blood used in Nassau Hospitals; in meeting the needs of people everywhere in disaster; and in the improvement of health and safety through its First Aid, Water Safety, and nursing program."

Second Library Trustee Resigns

Mrs. Elizabeth Scherer is the second member of the Board of Trustees of Hicksville Public Library to resign from office since the Dec. 12 referendum on expansion of the library which was rejected by the voters. John Hanson had previously resigned and his seat was filled by the appointment of Ernest G. McClain. Mrs. Scherer's resignation, effective Feb. 15, was due to her moving from the District to Hempstead. Her successors is Mrs. Jack Aaron of 104 Brittle Lane, appointed by the Board.

Memorial Day Invites in Mail

The Memorial Day Committee of the Hicksville Veterans Organization have recently mailed invitations to the various groups and organizations in Hicksville to participate in the annual Memorial Day Parade and Services.

If any organization has not received an invitation, please be assured that it was through an oversight. Any organization that did not receive an invitation and wishes to participate, please contact Frank Eschbach, Chairman, 45 Cedar St., Hicksville.

Form Labor Day Drill Committee

On Friday, March 1, the Labor Day Parade and Drill Committee of the Hicksville Fire Dept. held its first meeting to start the planning for the festivities for the year 1963.

The meeting was called to order by the General Chairman, First Lieut. Robert Hammond, Sr. The following have been appointed to assist: Recording Secretary, Joseph E. Jancz; Corresponding Secretary, Emil T. Immesberger, Jr.; Treasurer, Robert Nedetz; Journal Co-Chairmen — Paul Hucklestein, Jr., and John MacDonald; and also Chief's Representative, John Specht, first Deputy Chief; Purchasing Chairman, Ernest Donner; Planning Chairman, James Taxter; Refreshment Chairman, George Von Wirt; Trophy Chairman, Donald Hudson; Arrangement Chairman, Martin Donlon; and also Construction Co-Chairmen, Louis Mertz, Frederick Braun, and Melvin Voorhies.

Honorary Committee, Walter Telender, Chief; Gus Cotsonas, second deputy chief; and Clifford Davis, third deputy chief.

Boys vs Girls In Benefit Basketball

The Hicksville High School PTA will sponsor a basketball game, Friday, March 15th at 7 P.M. — Boys vs. Girls, followed by a game between the Faculty and Students of the school.

After the games, music for dancing will be furnished by the newly-created Hicksville High School Dance Band under the direction of R. Pelleria. These are a group of expert musicians, proficient and experienced in keeping the crowd swinging.

Teenager Dies At Grade Crossing

A solemn requiem Mass was sung at St. Ignatius RC Church, Hicksville, on Wednesday morning at 9:30 for Thomas J. Kilgallon Jr., of 26 South Elm St., Hicksville. The teenager was fatally injured at a RR grade crossing enroute to a movie show on Saturday, Mar. 2. He was 14.

He is survived by his parents, Thomas and Dorothy (nee Helfert) Kilgallon, and a sister, Mary. He resided at the Henry J. Stock Funeral Home on Newbridge Rd. Interment was in Holy Road Cemetery, Westbury.

Catharine Lumm Displays Paintings

A one woman art exhibit by Catharine Lumm of Farmingdale is being held at the "Bee Hive" Dept. Store in Patchogue for the month of March. The show consists of 25 oil paintings.

Mrs. Lumm, born in Hicksville, recently moved to Farmingdale. She is the former Catharine Muhlenbruck, daughter of Mr. and Mrs. William Muhlenbruck of 373 S. Broadway, Hicksville. She graduated with the class of '45.

Mrs. Lumm has exhibited her paintings with many art groups on L. I. also winning two first prizes and a best in show award at a fall exhibit of the Independent Art Society of Hicksville, of which she is a Charter Member. She also had a very successful one-man show in the "Three Village Art Shop" in Setauket in Nov.

First Full Concert By Community Chorus

On March 19 the Hicksville School Dist. Recreation Depart. will present the first full concert of the Community Chorus under the direction of William Goleenke. The concert will be on a Tuesday evening at 8:30 in the Auditorium of the Hicksville Junior High School on Jerusalem Ave. and 4th St.

The title of the program is "Choral Music Through the Ages" and will feature music of the Renaissance, Baroque Romantic and Contemporary periods. Two numbers by local composers will appear in the Contemporary section.

The Chorus consists of local residents, former students and faculty members—all from Hicksville and surrounding areas. They meet with Goleenke once a week for an intensive rehearsal on the music to be performed.

Bantam Team Earns Crown

The Bantam basketball team of St. Ignatius Loyola of Hicksville, coached by John Dooley, won the Section 5 championship of the Rockville Centre Diocesan CYO League by winning every one of their sixteen contests. Their toughest competition, Notre Dame, bowed to them 41 to 37 in the final game of the season to enable St. Ignatius to remain undefeated. In three previous encounters, these two teams never had more than 4-point spread between them and one game went into overtime before St. Ignatius copped the decision. Coach John Dooley's only trouble from here on in will be

to keep his boys sharp enough for the elimination games which lead up to the Diocesan championship. St. Ignatius has another Bantam basketball team which did not fare quite as well in CYO competition as their counterparts but whose members are sporting trophies nevertheless. They just received individual trophies, as well as a team trophy, for winning the championship in their Division in the annual Christmas tournament run by Hicksville School District 17. This team, coached by Gerry O'Connell, will certainly be one to reckon with next year.

Midland Civic Dance Sell-Out

The Midland Civic Assoc. of Hicksville and Jericho has sold every available ticket to its Dinner-Dance three months in advance! This affair will be held April 27th at the Golden Meadowbrook in Jericho. This sell-out is unprecedented and the Board of Directors regret that they do not have more room to accommodate everyone who wants to attend. Cocktails and hors d'oeuvres will be served at 8:30 to be followed by a full course dinner. Music is to be supplied by Greg (Charles) Verg's orchestra from 9:30 to 1:30.

The Midland Civic Assoc. now covers over 300 houses in the northern part of Hicksville and part of Jericho, including the Trade Secret homes, Rosewood and Fountainvale. The last meeting was held at the new Willet Ave. School, Hicksville with the all-purpose room filled to overflowing. After the business meeting Carl Gruenwald, Councilman for the Town of Oyster Bay, and John Maher, principal of the Willet Ave. School, addressed the audience.

Albert Collock, son of Mr. and Mrs. Morris Collock of South Stanley St., Hicksville, completed recruit training, Feb. 8, at the Naval Training Center, Great Lakes, Ill.

Curran Would Tighten Bus Driver Laws

State Senator Henry M. Curran (Republican-Nassau) has introduced a bill this week in the New York State Senate, pertaining to the drivers of school buses in those school districts where transportation is contracted for with private bus operators.

The proposed legislation, which adds a new section to the Education Law, provides that any firm or corporation which supplies bus transportation in such school dis-

tricts must certify to the school district that its drivers of school buses do not have any past criminal record. In addition, every potential driver of such school buses must submit to a physical examination and be finger-printed at the direction of the district. The bill further provides that any driver failing to meet any of these requirements must be removed by the operator of the school buses.

Growth Appeal For Lutherans

A group of Lutheran lay leaders met Monday night, Feb. 25 at the

Long Island Lutheran High School in Brookville to plan for the school's Growth Fund Appeal. Heading the Appeal are William Forsberg, Hicksville and Kenneth Stanjones, Northport.

The project will have more than a thousand Lutheran volunteers at work during April 29 to May 24. They will seek to raise \$750,000 to assure completion of the school's gymnasium-auditorium, supplement operational income, and amortize the existing debt.

Long Island Lutheran High School in the country, opened in Sept. 1960, with grades 8-8-9 and has grown rapidly during the two and a half years of its existence. The 10th and 11th grades were added in 1961 and 1962. The Lutheran High School has a registered enrollment for Sept. 1963, of 704.

Walter Muench of Hicksville is chairman of zone III.

Library Corner

Are you trying to learn a foreign language at home but having trouble with the accent? Would you like to hear Shakespeare's "Hamlet," performed by a distinguished international company? Does your musical interest focus on chamber music, serious orchestral masterpieces, opera, folk music, jazz or Broadway musicals?

If your answer is yes to any or all of the above questions, then you certainly will be interested in the Hicksville Public Library's record collection. Presently numbering over twelve hundred albums, the library's records span the entire range, noted above, and go on to include historical documentaries, courses in physical fitness, stenography and typing, masterpieces of liturgical music and a sparkling collection of comic opera, including Strauss, Offenbach, and Gilbert & Sullivan. It would be impossible to discuss all but a few examples, but the following information may help to indicate the scope of our holdings.

Symphonic repertoire. Most of the works comprising the standard repertoire are represented, including concerti, symphonies, suites, tone poems, etc. Most of these, of course, are from the Classical, Romantic, and Modern periods, but every effort has been made to go beyond the "standards" to include the lesser performed works of the Baroque and pre-Classical eras and the new and challenging schools of the twentieth century. American composers are also well represented.

Operas. There are over fifty operas, ranging from Mozart to Menotti, including such rarely performed works as Tchaikovsky's "Eugen Onegin" and Strauss' "Ariadne auf Naxos," recently revived by the Metropolitan.

Folk music and jazz. Folk music and jazz are both amply represented, with folk music of both the United States and the world and jazz performed by outstanding interpreters, including Jelly Roll Morton, Duke Ellington, and Charlie Parker and Louis Armstrong, to name but a few.

Broadway Musicals. The musical comedy collection spans

the work of the last twenty years. Here will be found such popular successes of the current season as "Oliver."

Language. This category includes readings and drama records. We recently added a number of Shakespeare's plays, including "Richard II," "Henry V," "Othello," and "Romeo and Juliet." These will afford many hours of listening pleasure for the drama enthusiast and greatly increase the listener's understanding and enjoyment of these dramatic masterpieces. Historical documentaries, speeches and instruction are also in the language category. Here are the courses in modern foreign languages, typewriting, stenography, physical fitness and other subjects. There is even a lecture on the size and nature of the universe and on the theory of relativity by Dr. Edward Teller. There are several interesting documentaries, including famous speeches, histories and the actual recordings of such important events as the Nuremberg Trials.

All these and more will be found in our collection. These records may be enjoyed in the listening room at the library, or may be borrowed for home use for a nominal charge.

Assist in Services

Sunday, Feb 10th, being Scout Sunday, 30 members of Troop 293 sponsored by the Hicksville Methodist Church, took an active part in conducting all three Church services. Not all were Scouts some Cub Scouts took part as ushers. Scouts and Explorer Scouts gave the call to worship, announced Hymns, composed the prayers, did the Responsive Readings and Scripture lessons. All did a fine job.

During Scout week, Troop 293 took over two windows for display purposes at Gertz Store in Mid-Island Plaza.

On Friday, Feb 15th, Troop 293 held a Board of Review at the Methodist Church. Four Scouts earned Merit badges; one Scout made Second Class and one Scout, Paul Dike made Star Scout.

HERALD READERS OPINIONS

Regarding Candidates

To the Editor:

Residents of the Hicksville School District own ten schools. They send in excess of 13,000 children to these schools, and spend close to 11 million dollars a year to operate them, pay their teachers and administrators, and amortize over \$12,000,000 of indebtedness constituting a lien on every parcel of real property in the district. They expect a better than - good educational system, with better than - average teachers and administrative staff. From their teachers, they require a minimum of a college education, and a license from the State to evidence their competence. From their administrative staff they expect much more in the way of education and experience. They expect the personnel and the plant to be devoted to the purpose of preparing their children for a complex and changing world. They then turn over the administration of this expensive plant, and the supervision of this trained and experienced and licensed staff to their School Board. And what qualifications do they demand of School Board members? The law requires only that they be able to read and write. They need no experience in the field of education, in supervising any large organization, in working together in an administrative body; their own education need be only of the most limited nature. Their prior familiarity with educational problems can be nil. In fact, they can be totally opposed to the principle of public education.

This is not to say that we have that kind of a School Board. Fortunately, we do not. It is only to say that we could have, unless we begin to pay much greater attention to what is happening today in our school system, and resolve that in the next elections for School Board members we exercise great care that our candidates shall be of the highest calibre, who are prepared to affirm that they will support the finest educational system for our children that we can afford, and who by temperament and experience demonstrate that they understand what is involved in the making of the major decisions and the running of the school system. We cannot afford to entrust the supervision of our school system to immature personalities who are unable or unwilling to understand the requirements of the democratic process; who are lacking in common sense and common courtesy, and who alienate the good will of the teaching and administrative staff by their unprincipled behavior. A candidate for the School Board should at the least be expected to learn Robert's rules of order; if he becomes a Board member he should be expected to be able to abide by the rulings of the Chair, and should be able to state a motion in clear English so that the business of the Board can be expedited. Most important of all, he should also have the highest regard for and devotion to the truth. Taxpayers, should not be treated to the dismal spectacle of a School Board superintendent forced to characterize a Board member as an outright liar. Such circus as School Board meetings currently present are destructive of the democratic process, and will inevitably result in a breakdown in school business, the loss of valuable personnel, and the decline in reputation of District #17, with unfortunate results for its graduates.

There are many who feel that School Boards should be abolished as an anachronism; that in our highly complex and involved society, unpaid, part-time Board members can not function effectively. I am not prepared to endorse this view, but those who place a value upon retaining the right to localize their School Board affairs must shoulder the responsibility of exercising their voting franchise in an informed manner. Less than one third of eligible voters turn out for our an-

nuual School elections. Of these, it is a fair assumption that fewer than one third have made any effort to determine for themselves the quality of their candidates by hearing them speak and eliciting their views on educational matters. This lack of interest speaks poorly of our sense of responsibility.

Additionally, we must have greater participation by the organizations of Hicksville in the process of candidate selection. These organizations must seek out capable civic-minded men or women who believe strongly in public education, and who are willing to devote the time, effort and attention required. Such persons should then be given the support of the community on a non-partisan basis. We cannot afford to turn over valuable plant, equipment, personnel and the responsibility for expending \$12,000,000 a year to incompetents. We would never be so casual in our business affairs; we must be no less exacting in the all-important business of educating our children for leadership of this country.

I invite the heads of all civic and community organizations who feel as I do to communicate with me for purposes set forth above. There is no more important local problem facing the residents of Hicksville, in my opinion, and the time for community action is short.

The School Budget

To the Editor:

I believe that we taxpayers must apply the brakes to the unrestrained spending by administrators on the local, county, state and federal level. I don't believe we can afford it. We must slow down the big spenders who are at the throttle burning up the tax dollar and asking for more.

School board members must be as cognizant of our local school districts budgets, as we are of our own budgets at home. I urge you to attend your school board meetings and actually see where your tax money is disappearing. At the Hicksville School Board meetings, for instance, you can listen to many cost reduction motions being lost by the minority member, Mr. Bruno, because the other six members lack the foresight to second his motion and, therefore, the motion cannot be voted upon.

Beware of the token budget cuts as recommended by the School Board majority. These people seem to have the idea of spending on top of more spending, while we suffer with taxes on top of more taxes. It's like having a fox guard the chickens.

It is too late to complain in May when you see the monstrous budget in one lump sum. Write letters now and attend school board meetings now. If not - then you deserve to be taxed and taxed and taxed.

School Board Recommends Extension at High School

by Selma Constant

Jericho Board of Education on Feb. 28 voted to recommend to Jericho residents an extension to the present high school.

The high school was designed for 1200 students. The enrollment today is 1155 and the September, 1963 enrollment will be 1300, with substantial increases certain for each following year. The School Board consulted with the NY State Education Dept., a population projection specialist, the Jericho citizens' space committee and the school administration. Months of study and evaluation of numerous alternative possibilities have been undertaken, and after careful consideration, it has been decided that in order to maintain the present standard of education, additional space for 700 students is necessary. Any addition that is approved will take at least two years to be completed so that the time to act is now before the overcrowding is so intense that educational standards will be lowered.

It was pointed out by Board members that today, before the increase in student population, every room in the high school is used every minute of the day.

The Jericho Citizens Space Committee, consisting of representatives of all community organizations, has studied this question for months and unanimously recommended this high school addition to the School Board after thoroughly examining all possibilities in the light of the most recent population projection figures.

Board members went to Albany to consult with the State of Education and they examined together various possibilities and the State has also recommended this proposed addition to the high school as the best solution.

The school administration has studied the high school space question extensively and also recommended that this additional space be built.

It was also brought out that the population projection figures were calculated on the assumption that 12% of the students would attend parochial schools.

The architectural firm of Knappe and Johnson was asked to proceed with preliminary drawings and cost estimates to submit to the Board. The amount of the bond issue will be determined on the basis of the architects' calculations. The State Education Law requires that a gymnasium facility be included in the high school addition. The gymnasium could be swimming pool but will leave this decision to the voters of Jericho. It will be presented as a separate proposal at the time of the May election. Three Board members voted for the high school addition and one abstained but stated he would vote for the addition. There was one negative vote.

Other action taken by the Board includes:

Authorizing reactivation of a public relations advisory committee to assist in the dissemination of information about the schools;

Approval of an experimental course in logic to be offered to advanced students of the junior and senior classes of the high school on Saturday mornings.

This is to be under the general direction of Dr. Arthur N. Kruger, English and Debating Professor of Post College and author of "Modern Debate" published by McGraw Hill Book Co.

Approval of a supervised three-day senior class trip to Washington, D. C.

Attention Candidates

With a view toward the coming Board of Education elections the Education Committee is planning a special meeting to which all prospective candidates are invited. Those interested should contact chairman Howard Jankowitz at GE-3-8947 (evenings) or WY 2-1166 (Day).

Install Cantiague Safety Patrol

On Monday Feb. 25th, 33 fifth and sixth graders of the Cantiague Elementary School were formally installed into the newly organized school safety patrol. The installation ceremony took place at a special Assembly Program which was attended by the children of the 1st to 6th grades.

Chief of the New York Automobile Club was introduced to the boys and girls by Dr. Leon Westfall, Acting Superintendent of Schools. Mr. Ochart recalled the history of the safety patrols, and discussed the important part they play in the school safety patrol programs.

Patrolman Drummond and Patrolman Hawkins of the Nassau County Police Department Traffic Control Bureau were present and also spoke to the children. They presented the Safety Patrol member with their badges and straps.

The officers of the Safety Patrol are: Neil Rabin, Captain; Alan Bunin and Gwen Birdoff, Lieutenants.

The Safety Patrol Members are: Jill Bernstein, Alan Bogatch, Gerald Bourgeois, Arthur Camiola, Ellen Cooper, Steven Doris, Lori Drano, Mitchell Elmer, Eileen Feirman, Brian Finesteln, Glen Franklin, Beverly Glickman, Rachele Greco, Jon Harmon, Jimmy Haymer, Eddie Ieda, Ellen Katzell, Michele Krato, Jeffrey Lutzker, Jerry Miller, Larry Pepper, Joel Platt, Steven Richter, Eddie Rosenberg, Steven Ruder, Nancy Schwartz, Marcy Spivack, Lynn Stern, Susan Traikos, Bob Weiss.

The Sports led by Capt Murray Kershner and league leader Hartley Lewis having things pretty much their own way, really took it on the chin last Thursday. Education Committee Hears Some Bd Candidates

by OTHALIE F. PEPPER

A regular meeting of the Education Committee was held on Feb. 25, at the home of Winifred Gaines. The meeting was brought to order by chairman Jankowitz, whereupon the previous meeting's minutes were read and accepted.

As the main purpose of this meeting was the discussion of suitable candidates for the coming School Board Election, the first member to be heard was Irving Constant who gave a resume of Hal Curtis Felsner. Felsner resides in East Birchwood; he is a chemical engineer in an executive capacity. He has been a member of numerous organizations including the Rotary Club. Perhaps Felsner's most recent distinction was his able preparation of a communications system for detecting fires in the school. This candidate has the backing of the East Birchwood community and has demonstrated a marked interest in educational affairs.

The next report on a candidate was given by Jerry Straus, who gave a background summary of Ira Hyams. Hyams is an attorney who lives in Princeton Park. He was a past president of the Civic Ass'n, and has been very active in community affairs. Many of his colleagues remember the active role which he took in the Floyd Bennett dispute.

The next candidate for consideration was proposed by Ed Greenberger. Greenberger reported on the qualifications of Mike Steinberg, who is an attorney and resides in West Birchwood. Steinberg has been an active member in the Synagogue Democratic Club. He has also been Vice-President of this organization. This candidate has been active in the theatrical group of the West Birchwood Civic Ass'n, and has contributed to the educational climate of the community by acting as spokesman for other residents on the subject of stop signs at school crossings.

Committee will make no endorsements until all candidates have been heard.

It was felt by the committee that a candidate should be chosen for his basic abilities as well as civic awareness. There will be a Meet Your Candidates Night in the district prior to this, however, the Education Committee will interview the above mentioned candidates in addition to any other candidates who have petitioned to run. Those interested in candidacy should contact Chairman Jankowitz. The candidates will be questioned in a forum-type panel on the following areas:

1. Space
2. Curriculum
3. Services

- a. Special
- b. Recreational
- c. vocational guidance
- d. adult education
- e. Psychological

4. Budgetary Apportionment
- Jerry Straus, Jane Schrieber, Ed Greenberger, and Hal Benselber will compose a sub-committee to prepare appropriate questions on these areas.

Scholarship Fund Show Big Success

by Myron A. Konter

Playing to a capacity audience the Scholarship Fund Show proved to be a fine example of concerted community effort. The cooperation of the various theatre groups, parent teacher associations, civic associations, B'nai B'rith Lodge and the High School Student body and band combined to form a smooth flowing performance enjoyed by all who attended.

The wealth of talent and ability that Jericho harbors made the production professional in every aspect.

The only fault found with the evening's performance was the inaudibility of much of what was said on stage due to the extremely poor acoustics in the High School auditorium. Without a doubt the third annual show was by far the best.

the committee to request information on what measures have to be taken to investigate the possibility of changing a district ruling regarding transportation. Mrs. Joan Gilbert and Mrs. Ruth Silverman have been on the transportation sub-committee, and informed the group that a survey must be undertaken to find out the number of children who fall within the 3/4-1/2 mile radius of the school. To aid them in this survey they will contact Mr. Slattery at the Board to gather data on this matter.

Don Hirschorn who had attended a communications committee reported that a recommendation to replace present fire alarm systems in the school had been made.

The next meeting of the Education Committee will be held on March 11, in the library of the High School where we will meet with the High School principal, Mr. Heller.

Mr. Heller has kindly consented to answer any questions and to conduct the group on a tour of the school.

Ask Volunteers To Return Kits

The March of Dimes in Jericho is coming to a close and all B'nai B'rith Volunteer Workers are asked to please return their kits to Mrs. Sylvia Kassen of 18 Flower Lane, Jericho.

Her sincere thanks go to B'nai B'rith Women of Jericho, to Mrs. Trudy Sehlk and to all the wonderful volunteers who helped.

PTA TO ELECT

The Jericho High School P.T.A. will hold its March meeting, Wednesday, March 20 at 8:15 p.m. The slate of officers for the coming year will be presented and elections will be held for the 63-64 school year. The Jericho School Board will then present plans for High School Expansion. Sam Heck will answer questions.

SPEAKING OF THEATRE

By Florence Lubin

Once again your Theatre Group has started the wheels of production turning. This time for the forthcoming Spring comedy "The Seven Year Itch."

Director, Ken Schwartzman selected an exciting as well as excited cast at try-outs last week. Art Soberman and Alice Nussbaum lead the players along with Lola Rosenthal, Mike Steinberg, Eugene Slinger, Len Goodstadt, Ronnie Albin, Annette Rubinstein, Elaine Sachs, Gloria Fromchick and young Johnny Harmon.

These people as well as those behind the scenes, the lighting crews, sound, scenery and prop crews are already devoting much of their time and energy into making this show even more successful than the last.

When your Community Theatre calls on you to give whatever assistance is necessary, please back them up, whether as a painter of scenery or as a ticket buyer. Without all of you there can be no show.

This Monday night, March, 11th at 9 o'clock, there is a meeting at which time the constitution for The Group will be discussed and decided. This is the time to put into this organization those things you feel will make it fair and strong, and worthwhile. We will be meeting at 39 Sullivan Drive.

eleven points, the Champs moved from 6th to 4th place.

Other highlights of the evening were Harry Bogatch's 220 and a new high series of 604. Ira Steifels Bombers in a battle for 2nd place took eight points from the Playboys and dropped them back to 3rd place.

Ten Pin Talk

The 'Champs' are on the loose. This week for the fifth straight time, Capt. Marvin Cohen's boys once again annihilated their opponents. Led by Stan Jarvis they met and swept Mort Levine's 1st half champions 7 to 0. Stan's ball was really smoking as he threw two beautiful games, 217 and 206. His teammates caught fire too, and they all acted like champs as they came up with a new High Team Series from Scratch, of 2497. Stan Jarvis now leads the league in three departments; most 200 games with 7 of them, High Individual game in Class A of 259 and High League Average of 169. The cry of "lets break up Jarvis" may soon be echoing through the alleys.

Sam Springer and his Midfists broke out of their slump when, for the first time in about five weeks, they wound up on the long end of the score. Sam showed them the way with a 210, his second of the year, and they shut out Fred Septo's 'Royals' 7-0.

Sol Rabbinowitz continued his fast pace as he headed his third good game in as many weeks, a 203. In the entire 1st half Sol couldn't buy a 200 game and now that he seems to have found the groove the rest of his 'Invalids' can't seem to get going. They've had a disastrous 5 weeks and they are resting very disconsolately in last place.

Al Misod's Allhis are really making their opponents sit up and take notice. The last half's door-mats finally got tired of being stepped on. For the third straight week they clobbered their opposition. This time it was Murray Gritelman and his 'Spares' who barely avoided being shut out as they managed to tie the All's boys in only one of the games. The 'Allhis' came off with a 5 to 1 victory and they are now avenging the delicious taste of being tied for 3rd place. Sharing this spot with the Allhis are Jack Sloan's Metz and as chance would have it, they both clash this week. If the Allhis can take this series they will really have weathered the first storm.

Horace Bernstein is now back home. After spending a week in Syosset Hospital, undergoing tests and X-Rays he was found to have had some sort of gastric disorder. A little more rest at home and he should be ready to resume his activities.

among the top three or four in the County when inability to pay, Syosset ranks 29th. I cannot vote a salary contract which sets so wide a gap between a superintendent and those who have worked so long and so well for our District - nor can I vote this salary contract which would be used at the State level to either deny the validity of Syosset's need for equal State support or to launch an attack of extravagance against our District, unfair as these would be - my no vote is against the salary contract which I believe to be unwise and unwarranted - my vote is not against Dr. Redmond. Dr. James Redmond's record as an Administrator of large city school districts is very good indeed.

The appointment of Superintendent of Schools Redmond was approved by a vote of 8-1. The three year contract starts with \$27,500 up to \$29,500 in three steps. Dr. Phillips was getting \$25,000.00. At this date, your Syosset Education committee has not as yet met, nor has the Board of Directors of the Civic Association. Comments, if any will come later.

Term of partnership from November 10, 1962 until December 31, 2022 unless the same shall be sooner terminated by death, retirement, bankruptcy or adjudication of insanity or incompetency of General Partners as provided for in Articles of Limited Partnership, or upon sale of all of Partnership property or upon mutual consent of all of the General and Limited Partners, or as provided for in Articles of Limited Partnership Agreement, unless remaining General Partners elect to continue partnership in manner and subject to the provisions of such Limited Partnership Agreement.

Shares of profits or other compensation by way of income which each partner shall receive is as follows: (i) First \$38,350 of economic profits or portion thereof as is available per annum, apportioned among the Limited Partners and General Partners pro rata to their respective cash contributions to the capital of the partnership; (ii) Remaining economic profits, if any, in each fiscal year of the business conducted by partnership shall be divided as follows: General Partners shall receive \$33,800 of next available sums equal to 88.1322% of net economic profits distributed pursuant to (i) above apportioned among General Partners in manner set forth in separate agreement among General Partners; (iii) Of total remaining economic profits, after distributions pursuant to Subdivisions (i) and (ii) above, Limited and General Partners shall receive 58.153% thereof pro rata in proportion to their cash contributions, and General Partners shall receive 46.847% thereof to be apportioned in manner set forth in separate agreement entered into among General Partners. Distribution of economic profits to be made to General Partners shall be paid out of sum equal to 46.847% of total distributions and to be apportioned among them in accordance with separate agreement entered into by General Partners dated October 25, 1962. Term "economic profits" of the partnership shall mean net profits derived from ownership and operation of property as ascertained through the use of standard accounting practices except (1) depreciation of buildings, improvements and personality shall not be considered as a reduction; (2) mortgage amortization shall be considered as a reduction; (3) amounts expended by the partnership in discretion of General Partners for capital improvements shall be considered as a reduction; (4) if General Partners so determine, reasonable reserve shall be deducted for working capital needs, or for any other contingencies of partnership. Priority of distribution not to be cumulative and to be in force during entire term of partnership. No Limited Partner shall have right to substitute assignee in his place and stand as a substitute Limited Partner unless consent so to do is obtained from General Partners in manner provided in Partnership Agreement. No Limited Partner has priority over other Limited Partners except as herein set forth. No right is given a Limited Partner to demand or receive property other than cash in return for his contribution. Partners have not agreed to make additional contributions to the partnership. Upon dissolution of partnership after payment of all debts and liabilities

and expenses of liquidation, the setting up of any reserves for contingencies, any balance shall be paid in accordance with the terms and provisions of Articles of Limited Partnership. Losses to be borne pro rata in proportion to respective total contributions to capital of partnership. Liability of Limited Partners for losses is limited to his capital contribution. F22x3/7(6)

COMETS SECTION 1 BOWLING CHAMPS... Paced by Jim Erwin, with a 173 average for 55 league games (Total pin fall 9520) the Varsity bowling team, capped their 2nd successive, Division 1 bowling championship, with a 9-1 league record. Erwin also managed a pair of 3rd's, in the Section 8 (Nassau County Tournament) held, last Feb. 23rd. This one, featuring the top alley cats in the county, saw Erwin come up with a 3rd place, 256, for a single game and a 3rd slot finish of 1184, for a series. Great Neck led the pack in this County Tournament. Other hot Varsity kglers, in league play, were Ray Strassburger with a 171 average and Jack Woodworth at 170. Woodworth was the hottest woodwind in the pin fall department. Knocking down 10,244 pins in 60 league games. Other outstanding Comet kglers were Ron Marshall & Ed Metzendorf with a 168 average and Don Bedell with 164. On the Jayvee side of the alleys, with a 3rd place league finish were, Jerry Alfani, 163 average, Ron Cardinal 159, Les Lenetaky 155, Gene Haber 152, Bob Pfeiffer 147 and Don Farrell 145. "All in all, a real good season", said coach Harry Renn, who has had his fair share of success with Comet, bowling & Soccer teams, over past seasons.

ANOTHER CHAMP... Meet Tad-luz Kolodziejczyk; better known as Teddy ABC, to his legion of friends in the school district. Recently Teddy, after many years of trials, and tribulations, managed to successfully, arrange a reunion with his daughter, Barbara. A few weeks back, she finally arrived in the United States; after a trip from Poland that was 2 years in the making. Literally, miles of red tape went into this operation and last week in an OPEN LETTER TO THE COMMUNITY, printed in the Mid-Island Herald, Teddy, Josephine and Barbara Kolodziejczyk expressed their thanks to a quintet of district employees, who had rendered able assistance, advice and encouragement. "It is people like these that makes this country so great", the letter closed out ... "Lessons learned from them scholastically and otherwise, just have to make a good citizen a better one". Indeed a wonderfully, warm letter of thanks to Mr. Abt, Mr. Scholefield, Mr. Gulliano, Mr. Duncan and Mrs. Gertrude Low, Sr. Stenographer at the Old Country Road School ... A 2nd mention is rated for so worthy a cause. The best also to the K's, who enrolled daughter Barbara in the Jr. High last week. The overall effort and enthusiasm that had gone into this project of reuniting a family, convinces us no end, that it is they, that have made better citizens out of us, the native born.

PORTMEN NIP COMETS... "We shoulda' won by 10", said a middle aged Hicksville fan as he left the Levittown, Division Ave. High School gym, last Tuesday night, with a heart murmur, that sounded like a bag full of marbles, rolling down a coal chute. He had just watched the Comet couriers, hang up their sneakers for the season via a 62-60 loss to Port

Washington and from here on in, the world of reality was ready to take over. "So what, if there's no more books, layups or long ones to while away the wintry evenings?" said another, who suddenly paled at the idea of this calamity. ... "Yeah", agreed another grimly but who suddenly brightened up at the thought, that a violent turn of events such as this was going to save him money and add years to his life. He could now call up the divorce lawyer, tell him the Comets had tapped out and promise faithfully, that more time was going to be spent at home with the wife and kids. But all kidding aside ... We hated to see our guys drop the duke but it just had to happen sooner or later. They were a fighting, hustling, ballclub throughout and gave the loyal members of the Comet Rootin' Fraternity, many an enjoyable evening. Watching them in action was well worth the going tab, for the simple reason that they were a team that never stopped hustling until the final buzzer had sounded. Lots of good luck Comets ... See ya next time around, with the seasons' wrapup and a few side-lites on the finale.

NORTH SHORE DIVISION 1 CHAMPS ... Meet the "Frank Merriwell Boys" from Cometland, who scared the loyal members of the C.R.F., half to death by dropping their first 2 out of 3 games of the season. They roared back with 9 straight wins; including a 62-57 decision over Plainville in the season finale. This put them back in the barn with a 10-2 league record and their 2nd N.S. Division 1 title in a row. Bottom row (Left to right) Tom Kunniga, Bob Feldcher, Bruce Damm, Rich Medina, George Rivas, Ken Perrone, Gus Medina, Center Row, Coach Ed Petro, Paul Colosano, John Lansing, Bob Smith, Chip Jaworski, Vin Hannigan, Bill Luft, Top row, Managers Bruce Ladistic and Don Katz.

Long Island Lighting Company announces \$2,600,000 reduction in electric rates

The Long Island Lighting Company has applied to the New York State Public Service Commission for permission to reduce certain electric rates, including residential usage, effective April 1, 1963. The proposed rate reduction will save our customers \$2,600,000.

This is the second time in three years that LILCO has been able to reduce rates. In 1960, electric rates were reduced well over a million dollars. The rate reduction over the last three years totals \$3,827,000.

The new LILCO rate reduction results from the New York State Public Service Commission's ruling on the treatment of tax savings made possible by recent federal tax changes and LILCO's successful efforts in reducing operating expenses.

Federal legislation passed in October 1962 granted industries a 7 per cent tax credit on certain new capital investments. Utilities, such as LILCO, were given a 3 per cent tax credit. The intent of this new federal tax legislation is to help stimulate the economy.

In the last eight years overall living costs have more than doubled, while the cost of electricity has been reduced 39 per cent. This is one more instance of the value of a free responsible utility enterprise, operated by local people and sensitive to the needs of the Community it serves.

Honored by Equitable

Donald Stuart of 26 Vista Rd., Plainville, and Morton H. Lebowitz of 11 Hazelwood Dr., Jericho, have returned from Coronado, Calif., where they were honored at the annual National Leaders Conference of the Equitable Life Assurance Society for outstanding sales performance during 1962.

To Attend Oklahoma

Bernard Braun, Principal of Hicksville Junior High School, announces that on March 9th, Gerald Barker and Richard Been, vocal music instructors at the Junior High School, will escort 100 students from the choruses to City Center in New York to see and hear the musical production, "Oklahoma".

Tryout fishing is only a few minutes' walk—swift mountain streams an easy drive.

New Mexico, "land of enchantment," boasts gorgeous forests, state and national parks, giant lakes, for outdoor fun!

Enjoy the neighborly pleasures of western living—a dream come true!

A sportsman's paradise—game of all kinds waiting for you!

Albuquerque's famous La Madera—ski down snowy slopes, while neighbors sun-bathe below!

Your Own Western-Size Ranch Estate For Sunshiny, Year-Round Living

AMAZING LAND BARGAIN AT SUNNY ALBUQUERQUE NEW MEXICO

No Money Down, \$10 Monthly—For Investment, Retirement

With 274,000 people now and streaking toward a million, fast-growing Albuquerque, New Mexico, now offers you the opportunity of a lifetime to own choice homestead land at this sundland resort city at far below current market prices.

A WONDERFUL INVESTMENT! A MARVELOUS WAY OF LIFE!

Picture you and your family someday living on a rambling, king-size estate of your own in this friendly Southwestern community where you'll be able to fish, swim, golf to your heart's content—enjoy a lifetime of vacation pleasures and recreational facilities only minutes away from your door. A sun-drenched beauty-spot where wonders of Nature surround you in all directions—where the sun bathes your body 360 days of the year—where winters are so mild they seem like spring, and summer is so comfortable you never need an air-conditioner.

RIO RANCHO ESTATES slopes beside one of the greenest, most fertile valleys in the world, the Valley of the Rio Grande. The gently rolling land is so fertile it awaits only your touch to produce luscious fruits and vegetables—exotic floral gardens ablaze with beauty. And all around you, you'll thrill to "picture window" views of majestic mountains that soar in the distance—the Rio Grande River that runs alongside our property—the gleaming skyline of Albuquerque that lights up at night like a fairy-land of color!

Along with your neighbors at RIO RANCHO ESTATES you will enjoy exclusive country club privileges, including community club house and swimming pool facilities, sun decks, bridle paths, park and athletic areas—all available to you and your family without dues or membership fees required. Yes, year-round "fun in the sun" right on the property!

THE BEST OF TWO WORLDS! SUBURBAN PLEASURES—PLUS BIG-CITY CONVENIENCES!

RIO RANCHO ESTATES is only minutes away from one of the fastest-growing, friendliest "sunshine resort" cities in the world. In metropolitan Albuquerque you'll find the finest in educational, cultural and medical facilities—church, social and fraternal activities—well-stocked shops and department stores—a big university, theatres, restaurants, rodeos, fairs and fiestas, college and professional sports. A major city that offers well-paying part- or full-time jobs plus a wealth of career and business opportunities—a world of culture, art, concerts, crafts and hobbies.

LET ALBUQUERQUE'S LAND BOOM MAKE MONEY FOR YOU!

If you had invested \$1,000 in choice land at Albuquerque, New Mexico, 20 years ago, before the city's fantastic 400% population increase, your land today would be worth at least \$20,000 to \$30,000—with the end nowhere in sight. With 274,000 people living here today, and booming Albuquerque expected to add more people in the next nine years than in all its previous history... land prices, which have been doubling and redoubling every few years, are now starting to skyrocket!

At this very moment you still have a chance to get in on the amazing profit potential of choice property at this booming Southwest resort paradise without putting a penny down and for only \$10 a month. A chance for you to own a rambling ranch-type estate in a scenic Western setting along the banks of the romantic Rio Grande River, where many friendly families are now building homes... an area so attractive, so desirable, and growing so rapidly that land today is bringing us much as \$4,500 or more an acre right up to our property lines!

NOW COMES YOUR CHANCE TO BUY LAND AT A FRACTION OF CURRENT PRICES!

Yes, with competitive land already \$4,500 to \$12,000 an acre right up to our very doors, the one and only place at Albuquerque where you can still buy choice homestead land at far below current market prices is RIO RANCHO ESTATES, where you pay pennies instead of dollars in comparison with every other choice piece of land in sight. Only \$795 for a half-acre site! You get a big piece of property equal to more than 10½ standard 20' x 100' city lots... at a low, low price that figures out to less than \$74 a lot. Nowhere else in the entire Southwest can you buy a choice ½-acre site so low

in price—so close to a major city—and on easy terms as low as \$10 monthly.

THIS LAND BARGAIN CAN'T BE MATCHED ANYWHERE IN THE SOUTHWEST

Why is RIO RANCHO ESTATES the only real-estate development at any major Southwest city where you can still buy choice land for less than thousands of dollars an acre? Because of our HUGE-VOLUME, LOW-MARKUP policy, which has made us one of America's largest, most successful land developers. Now here is your chance to take advantage of the fortune-building opportunities of the land boom at Albuquerque, on exactly the same \$10 monthly terms you may see advertised for remote "middle of nowhere" acreage where land values creep instead of leap, because they may be 30 to 120 miles from a major city.

STAKE OUT YOUR CLAIM NOW TO THIS GOLDEN FUTURE!

Whether for investment, a new life now, or for eventual retirement, you can make Albuquerque's golden future your future. It's easy to take advantage of this special offer. There's absolutely no risk or obligation on your part at all.

The Reservation Coupon reserves a valuable ½-acre or larger estate for you at beautiful RIO RANCHO ESTATES. Send no money now. We'll rush you a free Property Owner's Kit containing a CERTIFIED LAND MAP showing the exact site we have chosen for you, along with descriptions in such detail it's like standing on the property at RIO RANCHO ESTATES and inspecting the land yourself.

6-MONTH MONEY-BACK GUARANTEE

You must be completely delighted with your ranch estate or you may cancel your reservation at once, with no questions asked. What's more, if you should visit your property any time within 6 months and aren't even more delighted with your purchase, you get back every penny in full.

Remember, this is choice Albuquerque property where land prices are starting to skyrocket in response to the twin pressures of inflation and a fantastic "population explosion." With property values rising all around us, this may be your last chance to obtain a homestead at the original low price—in fact, prices have already risen in section after section.

The no-risk Reservation Form alongside is your key to a bright and golden future. Use it now—you have everything to gain, nothing to lose. Mail the coupon today!

PRICES SO LOW THEY CANNOT BE MATCHED ANYWHERE AT THIS BOOMING RESORT CITY
