Grade Crossing Elimination on Schedule :

JUST ABOUT A YEAR AGO the Hicksville RR grade crossing elimination program got underway. Top picture is from the roof of the Professional Bldg, looking east. The middle picture shows the steel in place for the three-story switch tower from the E Marie St crossing. Bottom picture gives a general view of the area, on the right, where the new station area is taking shape.

Request Congress Honor O'Neill 250 at Dinner Honoring Small

A Distinguished Flying Cross for "extraordinary heroism" is being awarded posthumously by the US Air Force to the late Major James R. O'Neill, long-time Hicksville resident. His mother now lives in Huntington Station.

The Defense Dept has requested Congress to authorize the Medal of Honor for the action of Major O'Neill as a member of the air commando group of specialists in the Air Force who counter-attack in uprisings. The Major gave his life in South Viet Nam on Feb. 6.

Major O'Neill will also be awarded the Purple Heart. He was buried with full military honors in the National Cemetery in Pine Lawn on Feb. 19.

Ask for Receipt

Julius Schwartz, Crusade Chairman of Hicksville, announced today that each American Cancer Society Volunteer will carry receipt books as official identification during the annual Crusade in April. This Crusade is educational and fund raising and volunteers will distribute a life saving leaflet to each home as well as asking for a contribution.

FIRST 2 COLOR

With this issue the HERALD for the first time in its history is printing a two-color advertisement on the back page. Two-color (in this case, black and green) has been available to HERALD advertisers for more than a year. We believe this is the first instance of a two-color advertisement appearing in a community newspaper in this area as part of a regular press run.

Testimonial Dinner in honor of Lawrence A. Small upon his retirement from the U.S. Post Office after 33 years of service was held Saturday, March 30, at Wheatley Hills Tavern, attended by 250 of his relatives and friends. Chairman of the dinner was William Fox, assisted by Charles Saurer, of the Levittown Post Office.

William E. Koutensky, President of the Long Island National Bank, acted as Toastmaster. He introduced the Hicksville Board of Water Commissioners, George A. Kunz, Harry A. Borley and William A. Cialer; member of the Board of Fire Commissioners, Vincent W. Braun; Vice Presidents of the Long Island National Bank, Joseph A. Reinhardt, James C. Dunkelacker, and Gertrude A. Proctor; Jules Mirel of the Hicksville Travel Agency, a member of the Arrangement Committee; and Fred J. Noeth, Editor of the HERALD.

The principal speaker was Rt. Rev. Mgr. George M. Bittmann, V.F.

Postmaster Paul Armstrong of the Levittown Post Office presented Small with a Service Certificate of the United States Post Office.

Chairman William Fox and Vice Chairman Charles Saurer presented traveling bags.

Surprise of the evening was when Mr. Koutensky presented to Loretta, an all expense paid vacation to Bermuda for Loretta and his wife, Madeline.

CASH DIVIDENDS

Cash dividend checks equal to 40 cents per share were mailed to shareholders of the Long Island National Bank on Monday, April 1, according to William E. Koutensky, president.

Seven Apparently in Race for 3 School Seats

With 20 days until the deadline for filing of petitions for vacancies on the Hicksville Board of Education, two community groups have indicated they plan to conduct "meet the candidate" forums before the May 8 voting. They are the Hicksville Council of Parent and Teacher Assoc. and the Midland Civic Assoc.

To date seven candidates have stated their intentions for the three school board positions. No announcements have been made regarding a vacancy on the Library Board.

President Jerome Zettler, Vice President Herbert H. Johnson and Board Secretary Cornelius J. McCormack are candidates for reelection. Also announced are Irving Lawrence and Herbert Malsmud, sponsored by TEACH, and Harry Wagner and George M. Mar-

GEORGE W. MARTIN, at left, of 42 Hunter Lane, Hicksville, announced this week he will be a candidate for school trustee on May 8. He is being congratulated by Harry M. Wagner, who had earlier announced himself as a candidate. The pair have the support of the Hicksville Committee for Honesty in Public Education. Martin was an unsuccessful candidate for public library trustee a year ago.

tin, endorsed by the Hicksville Committee for Honesty in Public Education. Murray Margolis has previously stated he was a candidate but withdrew in a matter of hours after the notice appeared in print. Another prominent resident who had privately told friends he would run has since changed his mind.

Only candidates who file petitions with the District Clerk 14 days prior to the voting can earn a position on the election machines on May 8.

A trustee for a five-year term on the Library Board is to be elected to fill the vacancy caused by the expiration of the term of Ernest G. McClain who was appointed in December when John E. Hanson resigned.

Voters registration days are April 27 from 10 AM to 5 PM and May 1 from 4 PM to 11 PM.

"Good man—Harlin. Married to his work."

Large Crowd To Hear of Padre Pio

The March open meeting of the St. Ignatius Mothers' Auxiliary of Hicksville attracted an unusually large crowd to hear Joseph Peterson, a Capuchin priest living today in Italy, has borne in his body the stigmata; i.e., the five wounds of our Lord, since 1918. Peterson, of Yonkers, met this unusual priest during the last World War while stationed in Italy. Since then, he has devoted a great deal of time to the study and work of

Padre Pio, revisiting him frequently.

After a brief outline of Padre Pio's early life, Mr. Peterson showed some very impressive slides of the priest, his stigmata and his daily life at the Capuchin Monastery of San Giovanni Rotondo. Although Padre Pio would prefer a life of seclusion, his fame as a stigmatist is world wide, Peterson explained. "Not only do the faithful flock to see him, but also many skeptics and tourists as well as the curious." Padre Pio has been examined by many doctors who, the lecturer said, have been unable to explain the wounds. Peterson, giving an insight into Padre Pio's personality, stated that although he is in constant pain, he never shows his suffering; he is always quick to tell a joke; in spite of all he is humble. His greatest interest lies in the promotion of a high, modern hospital, built in San Giovanni in 1956, which administers to rich and poor alike.

A question and answer period followed the lecture.

At the conclusion of this program, there was a brief intermission, followed by the regular business meeting. Because of the late hour, the routine business was dispensed with. However, a number of announcements were made. Sister M. Venable, school principal, reminded the mothers of the new "library table" located in the rear of the auditorium where book donations for the new school library will be received at the regular monthly meetings.

Announced coming events included a Fashion Show for the benefit of the school library to be held on April 28 and the annual Communion Luncheon scheduled for May 25.

The next regular meeting will be held on Monday, April 22.

OBITUARY

FRED J. KUHN

GREAT RIVER—Fred J. Kuhn, recently of Merrick, and a long time resident of Hicksville, died Saturday, Mar. 30 in his 85th year. He resided at the Thomas F. Dalton Funeral Home, Hicksville, until Tuesday when Rev. Robert Cofer conducted funeral services at 2 p.m. Cremation followed at Fresh Pond Crematory. Mr. Kuhn operated the Kuhn Greenhouse on South Broadway for many years. He is survived by his daughter, Edna K. Sutton, a former President of the Hicksville Board of Education; a son Fred L. of Hicksville, and another daughter, Viola K. Yutzler of Great River. He is also survived by two brothers Edward and Ernest, four grandchildren and two great grandchildren.

Alfred Buonincontri
HICKSVILLE—Alfred Buonincontri of 81 Cliff Dr., here, died Mar. 30. He was the husband of the late Antoinette (nee Nunziato) and is survived by three sons, Vincent, Salvatore and Ralph and two daughters, Cecilia Buonincontri and Alonarda Russo and nine grandchildren.

Mr. Buonincontri resided at the Henry J. Stock Funeral Home until Wednesday when a Solemn Requiem Mass was offered at Our Lady of Mercy R.C. Church at 9:30 a.m. Burial followed at Holy Rood Cemetery.

GEORGE D. KINGSLEY
HICKSVILLE—George D. Kingsley, 85, died at his residence 48 Link La., here, on March 28. He resided at the Thomas F. Dalton Funeral Home, Burial took place Monday at Henderson, N.C. A son, George Jr. survives.

Dear Lynda:

Hicksville Fire Dept volunteers were given permission to tour the Nicholas St. School and to familiarize themselves with the general layout of the structure between 8 and 9:30 PM on Thursday, Mar. 25. Dr. E. H. LeBarron, former superintendent of Hicksville Schools, will be the guest speaker at the dedication and cornerstone laying at the new Willet Ave. Elementary School in May. It is the first new school building in the District since the construction of the High School, although there have in recent years been additions to other existing buildings. Dr. LeBarron is one of three former superintendents. The first, E. A. Van Slyke, is living in Florida. Dr. WALLACE E. LAMB, the third superintendent passed away while living in New Jersey. The HERALD was the only newspaper from Nassau County, weekly or daily represented at the 12-Hour Endurance Race at Sebring, Fla. Mar. 22 and 23. A newspaper in Huntington was the only other Long Island paper represented. The next morning dinner for LAWRENCE SMALL at the Westside Hills Tavern, Westbury, was a wonderful gala affair and everyone seemed to have a grand time. The secret is out: Why does Mrs. MALLETT call her husband "Don" while everyone else calls him "Frank"? It seems the demon photographer was known as Don most of his life until the time he took a job driving a truck some years ago and who ever heard of a truck driver named Don? So he started using his other name, Frank, which presumably sounded better as he was a truck driver.

Hicksville High School senior SUSAN CRIST, a Red Cross volunteer, will be a representative of the Nassau County Chapter at the National American Red Cross convention May 4 to 8. We had the wrong KASTEN pegged as the mayor of Newbridge Rd. It is Uncle JOHN who "opens" Boback's every morning with a cheery greeting, not FRED. Dr. DONALD S. DUSHKIND of Central Park Rd., Plainview, has recently been named a member of the Plainview-Old Bethpage Youth Committee. The brother of THEODORE SAVALAS, 5th grade teacher at Lee Ave. School in Hicksville, TELLY SAVALAS, is a nominee for the title of best supporting actor for his role in the "Robert Williams". Theodore came to the rescue, Friday night, when the District Clerk ran out of usable recording tape and fished a reel from his car outside the school. As fast as the frost goes out of the highways, 800 miles of town road which suffered winter damage are being repaired by forces under Superintendent NORMAN R. WOLF. The Dutch Lane School was so named for the one-time name of the street it fronts which in recent years has been named Hempstead Ave. Now the Town Board is changing the name of Hempstead Ave to Stewart Ave. Gets rather confusing. THOMAS F. SKINNER, chairman of the Trinity Lutheran church Public Relations Committee and a member of the Church advisory committee, is scheduled for appointment as a governmental research aide to the County Board of Supervisors on Apr. 8. The job pays \$12,500. Skinner lives on Blacksmith Rd., Levittown.

One of the students in the Hicksville High School senior class trip to Washington, last weekend, came down with infectious hepatitis on Monday and all seniors who took part in the trip were advised to visit their family physician immediately for examination. Teacher Recognition Day in the state is scheduled for May 21 instead of May 14 as previously reported. May 20 is Robert Williams Day for Hicksville, the 35th anniversary of the purchase of the area of Hicksville, Jericho and vicinity from the Indians by ROBERT WILLIAMS. The Bloomingdale Property Owners Assoc. of Bethpage is pretty upset about plans to operate a billiard parlor on Bloomingdale Rd. in Hicksville. They say a town board hearing on the permit is scheduled for Apr. 16.

LOUISE F. ENDERS

BETHPAGE—Louise F. Enders of 3742 Windsor Dr., here, died Mar. 31. She is survived by her daughter, Dolores Rapp. Mrs. Enders resided at the Wagner Funeral Home, Hicksville, until Tuesday when a solemn requiem was sung at Holy Trinity Episcopal Church, Rev. Dominick K. Ciannella officiated. Cremation followed at Middle Village.

VITO FERRARA

HICKSVILLE—A solemn requiem mass was offered at St. Ignatius Loyola R.C. Church Tuesday morning at 10 o'clock for Vito Ferrara of 56 Burris Ave., here, who died Mar. 30. Burial followed at Holy Rood Cemetery under the direction of the Henry J. Stock Funeral Home.

Mr. Ferrara is survived by his widow, Providence (nee Scurella); three sons, Leonard, Lawrence and Eddie; three daughters, Frances Palmitra, Tillie Giacoma and Florence Pregioso and seven grandchildren.

CARD OF THANKS

I would like to thank the members of the Hicksville Fire Dept. Rescue Squad for their kind and

gentle treatment of my mother on the morning of Apr. 1 during her rescue from our home and her subsequent removal to the hospital. I will always be grateful. Ellen Evers

Red Cross Extends

In an announcement today by William J. Schmidt, General Chairman of the 1963 Red Cross Fund Campaign in Nassau County, the Drive was extended into April. Schmidt stated March weather had prevented many door-to-door solicitations from being completed.

The need for Red Cross to reach its goal was dramatically emphasized this month as thousands were homeless in the Kentucky, West Virginia, Virginia, Pennsylvania, Ohio, Indiana, Tennessee, Alabama and Mississippi floods.

Annually Red Cross assists victims in more than 300 major disasters and scores of local situations. This activity is only a part of its 20 service programs which include Flood, Safety Services, Nursing Services, and service to the Armed Forces.

Contribute to YOUR Nassau Red Cross. Give Now... Remember... Your Red Cross is... Always there with your help.

Kunz Demands Bruno Apologize

Hicksville School Board Trustee George W. Kunz accused Trustee William A. Bruno Jr. of stating "an outrageous lie" and demanded, Friday night, that Bruno apologize to the Board and the public. If the apology is not forthcoming by the next meeting on April 19, Kunz said he would move a motion of censure of Bruno.

More than 400 persons crowded into the student cafeteria of the Senior High School for the regular Board meeting. Friday night Bruno was delayed in arriving at the meeting and Kunz read his statement before Bruno arrived at about 10:30 P.M.

An early order of business was the appointment of a committee of the Board to meet with representatives of the administration and teachers for year-long studies of mutual problems. President Jerome Zettler appointed George A. Jackson as chairman with members F. D. Sabatella, Kunz and Bruno.

The Board also voted that future issues of the School Board Digest be distributed to all parents by sending copies home with students. The Board also decided not to include any special proposition on the May 8th ballot, although Bruno moved for separate questions on transportation, adult education and recreation toward the end of the session. This proposal was rejected 6-1 with only Bruno voting in favor.

Because the next regular meeting would fall on April 12, Good Friday, the Board voted to meet instead on Friday night, April 19.

Kunz's statement at the meeting follows: "History has proven time and time again that some people, if given enough rope, will hang themselves. Our so-called minority member, William A. Bruno Jr., personifies this philosophy to a tee."

"Most of us have been aware that for some months now Mr. Bruno has been stirring the edge of provocation. But those of us who have been looking for some bright spot in his personality - reaching for some straw of understanding were really taken back by the outrageous lie reported in his newspaper column yesterday (Mar. 28). 'A week ago - at this same Board table - with all Board members in attendance - the recommendation to purchase a parcel of land at Willet Ave was discussed and REJECTED by a 5 to 2 vote. Mr. Bruno was one of those who voted with the majority - to turn the proposal down.'"

"And yet, with an amazing dexterity for twisting the truth, Mr. Bruno turns around and writes an article condemning the Board for voting FOR the proposal. He accuses the Board, and I use his words, of having a psychotic compulsion to spend money and with his warped reasoning BLAMES the Board for something it didn't even do."

"It's really amazing and would be FUNNY if it wasn't so SERIOUS. A Board member is certainly entitled to his opinions, but these should be SOME semblance of truth to them. I can only hope that Mr. Bruno realizes his serious error and if he has a shred of decency in him he will apologize - not only to the Board - but also to the people of Hicksville in his column next week."

"If an apology is not forthcoming I intend to move that the Board at its next regular meeting formally censure Mr. Bruno for what is obviously a flagrant lie he is attempting to perpetrate on the people of this District."

May Field Day For All Girl Scouts

March 28th, in the Hicksville Junior High School Cafeteria, Intermediate Girl Scouts of Troop #553 opened the Neighborhood meeting with a Flag ceremony and all present renewed the Girl Scout Promise. Troop #551 entertained with baton twirling. Mrs. Ruth Aronoff, Neighborhood Chairman, introduced the guest of the evening, Mrs. Julia Stone, who is Executive Director of the Mid Island Council of Girl Scouts, Inc.

Plans are in progress for a May Field Day for all Hicksville Brownies, Intermediates and Seniors. Joseph Madden, Hicksville School District Recreation Director, is chairman of this event. Mrs. Peggy Dean is the chairman of the Leader-Daughter Dinner to be held on May 15th.

The Girl Scouts were invited to participate in the Memorial Day Parade, May 30th. The informative meeting was closed with taps and Burns Ave. Leaders, who were hostesses for the evening, served the refreshments.

Two Winners In Science Fair

Children from Our Lady of Mercy School in Hicksville brought home two trophies in the Second Annual Diocesan Science Fair for the elementary schools of Nassau County.

First prize winner for the seventh and eighth grade was Thomas LaBarbera. His project titled "Genetics" not only won him a beautiful trophy but a bonus for the first prize winner of thirty six science books for the school library.

Also bringing honors to Our Lady of Mercy was Charles Masterson. His project titled "Mercury" won second prize in the third and fourth grade division.

Spring Square Dance

The Taxpayers' Education Association for the Children of Hicksville, announces its Spring Square Dance to be held at Levittown Hall on Apr. 6 at 9 p.m. Donation \$1.50 per person. Frank Konopasek will be the caller. Fun, Prizes, singing, food and dancing for all. For further information call PY 6-6547.

Round Up Girls

Cadette troop #549 of Hicksville has had the honor of Hicksville Round-Up girls to their meeting. On March 20th Irene Sakal and Ann Ellen Schwartz came to the meeting. On March 27th Lorraine Moynihan and Kathleen Mull attended.

Shoppers' News

GRAND OPENING

April 4th will be a big day in Bethpage as the merchants of the new Bethpage Shopping Center celebrate their gala grand opening. The new shopping center, located on Stewart Avenue at Benkert Street is just north of the Bethpage RR Station. It can be reached easily by auto from Hempstead Turnpike (turn north on Stewart Avenue) or from South Oyster Bay Road (turn south at Stewart Ave.); from Hicksville Road, turn east on Central Avenue to Stewart, then north two blocks. Many months in preparation the new center is both easy to reach and easy to enjoy as shopping becomes a pleasure in the many beautiful new stores.

BIG B

Featured attraction in the new center is the all new and fabulous "BIG B" super market and discount center by H.C. Boback Co. The new store, one of the largest Boback facilities in the Long Island area, offers many new features for shopping comfort and convenience.

CONVENIENT PLUS

...services galore in this center of shopping centers. In addition to the gigantic Boback store will be services to suit the shopping needs of every homemaker. For mother and daughter - a marvelous beauty salon; for father and son - a barber shop. Mother will enjoy the beautiful selections in the dress shop. The entire family can enjoy the Family Billiard Room.

...relax while shopping in the donut shop, or enjoy a snack at the coffee shop.

...finished your shopping and looking for a chance to relax? Drop your laundry in a coin-operated machine. Then take a comfortable seat in the TV Lounge while your clothes launder themselves.

...also available in the new center are all of the facilities of a delicatessen and caterer, a pharmacy, stationery supplies, dry cleaning, hand laundry, etc.

...This is true convenience plus - for your shopping enjoyment.

2000 PRIZES

Stop in at any store in the center. Pick up a numbered wooden nickel. There is no obligation. No purchase is required. Save your wooden nickel. It is valuable. Each week during the four week Grand Opening Celebration prizes will be awarded to the holders of the lucky-numbered nickels. All you need do is check the listings of winning numbers and corresponding prizes in each store to see what you have won. Over two thousand prizes will be given away during the four weeks commencing April 4.

WIN NEW CORVAIR

AND...everyone has an opportunity to win a brand new 1963 Corvair - courtesy of Frog Hollow Chevrolet of Bethpage. The drawing will be held on the final weekend of the four week celebration. Pick up coupons for the drawing in any store in the center. Enter as often as you wish. The Corvair is a coupe of the 500-series, and will be on display at the shopping center.

WBAB REPORTS

Listen for regular reports of the celebration syndicate over radio station WBAB all during the next four weeks.

Many Students Win Scholarships

Seventy-six Hicksville High School students were named as winners and alternate winners of the New York State Regents Scholarships recently, an all time record for the district, according to Leon J. Galloway, high school principal.

The winners are: Mary Barber, Robert Chaber, Nora Clearman, Russell Collins, Claude Crawford, Roslyn Cushman, Kenneth Doris, Michael Fasullo, George Geranios, Gary Gold, Eugene Goldstein, Jeffrey Goldstein, Joseph Horowitz, Patricia Kelly, Edward Kramer, Franz Kurth, Karen Lekowski, Joan Lonsky, Robert Madden, Gene Mann, Barbara Martire, Melinda Meade, Ann Miller, Linda Morris, Fred Peck, John Posotto, Robert Reid, Kathleen Seith Ann Spiselman, Anita Taub, Paul Tava, Robert Weber and Arne Yanof.

Alternates are Alan Aker, William Anderson, Mary Armstrong, Randolph Blum, Paul Borowsky, Penelope Cornelius, Peter DeRosa, Gail Dowbak, Raymond Driscoll, Kathleen Fagan, Frederick Frankel, Karen Gold, Lee Goldstein, Veronica Grimm, Carole Hresko, Robert Immoor, Walter Johnson, William Kapelas, Barbara Keeler, Michael Keller, William Kozma, John Lansing, Arthur Marks, Anita Miller, Thomas Nielsen, Kent Reiter, John Roberts, Paul Rosenbalt, Paul Sawelle, Alan Schaub, Walter Schuetz, Philip Smith, Dennis Sorensen, Charles Thomson, Arleen Trant, Peter Wagner, Jeffrey Wells, Donald Wurzelier and Dianne Zettler.

Herald Editorial Opinion:

Do These Techniques Appear?

A national publication recently printed the following questionnaire to indicate a pattern of groups hostile to education. As you read it, ask yourself in each case "yes" or "no". We think you may be shocked at your own personal conclusions:

Newspapers are flooded with letters and news reports destructively criticizing the schools.

The schools are made a political issue during a school board election campaign.

Attempts are made to discredit nationally prominent educational leaders, but there is an immediate outcry of "smear" if any effort is made to indicate the nature of the source of attack on educators.

The time and talent of the Board of Education members are diverted to answering detailed and often trivial questions and defending the philosophy of the schools to the neglect of other

pressing duties.

The superintendent is subjected to similar treatment.

The "big lie" technique is used. Rumors are spread that there are subversives on the school staff.

Local groups organized with a SELECTED membership and hold closed meetings.

Vicious propaganda published by groups OUTSIDE the community is distributed.

The name chosen for the pressure group is often misleading and not indicative of its true purpose.

The group claims to be a friend of the school and teachers, but attacks the leaders.

The program and procedures of the groups similar to those of anti-school groups in other communities.

The fires of controversy are kept burning.

We leave it to you, dear thoughtful readers.

Library Corner

A theater enthusiast is interested in reading the reviews of Edward Albee's new play, "Who's Afraid of Virginia Woolf?" before buying tickets.

Someone who has just read "Ship of Fools" by Katherine Anne Porter would like to know more about her and her earlier writings.

A serviceman, just ordered abroad, needs information about living conditions in West Germany, so that he can know what things he and his family will need to take with them.

A business, anxious to sell to the army, needs information about government contracts and procedures.

A home gardener is trying to identify a certain pest and wants to learn how to rid his roses of it.

A future tourist would like pointers on what to see on his next cross country trip.

A home owner wants to know how to repair a leaking plumbing fixture or how to finish an attic or basement.

A student needs a literary criticism of Dante's "Divine Comedy" or a discussion of John Dewey's philosophy.

These questions are but a small sample of the ones that are asked and answered every day at the reference department of the Hicksville Public Library.

Over the last few years, the library has developed a really comprehensive reference collection to meet the needs of the community. The number of questions has been rising steadily and the complexity of the material needed to furnish the desired information has also been increasing. Last year, alone, there were over 6,000 reference questions. In order to assist borrowers in their search for information, a professional librarian is on duty at all times. The library also maintains a telephone reference service to handle questions not requiring too detailed a search.

The material in the reference

collection includes books, pamphlets, indexes, maps, charts, encyclopedias, telephone and industrial directories and even a large collection of college catalogs. These are supplemented by the library's regular book collection and by the inter-library loan system, which makes it possible to obtain needed books, not in the library's collection, from other libraries in Nassau County or from the State Library in Albany.

A large proportion of our questions are school related, from the elementary school youngster seeking a chart of the solar system to the college student doing research for a term paper. While a public library is not always equipped to cope with class work on the college or post graduate level, we are frequently able to help in many of these cases or to direct the student to other sources of information in the area. The inter-library facilities are sometimes used, although they are not geared for textbook type material.

While students make great use of the reference and inter-library services, these are not in anyway limited to this use, as the questions at the beginning of this column indicate. As the public library is designed to serve all members of the community, the reference collection has been built with the aim of answering a wide variety of questions.

These come from businessmen, professional people, hobbyists, "do-it-yourself" craftsmen, home owners, gardeners, housewives and just plain intellectually curious. These people all have one thing in common, namely they need information to assist them in their business or daily lives and have found that their public library can serve as an accurate and reliable source of this information.

Burns Ave PTA To Hear Lecturer

The Burns Avenue PTA meeting will be held April 24, and will feature Dorothy Walde Phillips, English-born lecturer and author. She will appear before school children during the day with her ragdoll puppet named Sammy Spivens and will give a talk to parents in the evening.

Mrs. Phillips uses the puppet to generate spirited student discussion about good behavior. Points brought up by the children will be incorporated into her 8:00 p.m. talk to parents in which she will explore the personal world of the child and the passports by which adults may enter that world.

This integrated approach to parent-child relations has been developed by Mrs. Phillips during many years spent in educational work and has been highly praised by educators across the country. The humor and sympathy with which she discusses human and spiritual values has led to enthusiastic receptions by over a million school children and their teachers and parents.

Educated in English schools and the College of Neuchatel, Switzerland, Mrs. Phillips is now an American citizen. She is author of the book "Dear Mrs. Bender" and frequent contributor to educational magazines. Her puppet character is featured regularly in the children's magazine, "Highlights For Children."

Aboard Carrier

John P. Yarsinske, seaman, USN, son of Mr. and Mrs. John B. Yarsinske of 16 Gardiner Ave., Hicksville, is serving aboard the Seventh Fleet aircraft carrier USS Ranger, which arrived in Yokosuka, Japan, Feb. 25, for a two-week stay in port.

Night Combat

Army PFC Richard A. Budd, whose wife, Carol, and mother, Mrs. Elsie M. Budd, live at 46 Larch St., Hicksville, recently participated in night combat training exercises with other members of the 18th Infantry's 1st Battle Group, at Mannheim, Germany.

Attends Seminar

Dr. Philip Rubenstein of Hicksville, foot specialist, attended a three day seminar on foot care in physical fitness sponsored by the Podiatry Society of the State of New York held at the Hotel Statler Hilton in New York on March 29 to 31.

WE DON'T WANT THEM, says Thomas E. Pynchon, supervisor of the Town of Oyster Bay, in front of high-rise apartment houses in Queens. Edward J. Morris, county director of franchises and Town Democratic leader, admitted in a debate before the microphones of WYFI on Sunday that high-rise apartments "would be a disadvantage" of his proposal for a rapid-transit system. Pynchon described the double-loop plan advanced by Morris as "a multi-million-dollar fiasco that is against the best interests of small homeowners in the township". He said the double-loop plan was "strictly from dreamland".

HERALD READERS OPINIONS

Support Superintendent

To The Editor:

The name of the Hicksville Public Schools has been appearing with great frequency in our newspapers. The school district has been embroiled in controversy. Charges and counter charges have been hurled. Innuendoes, both overt and hidden, are being made concerning the quality and quantity of education in Hicksville. There appears to be an attempt to undermine the morale and image of the educational staff of this school district.

It is not usual for a faculty of a school to speak out. Our basic responsibility is to guide children's learning. However, this year signs of crisis are appearing on the educational horizon in Hicksville. We, as a faculty, urge parents in the community to support the superintendent, of schools and current board policy in combating this looming crisis. If this threat becomes a reality, it will undermine the educational system and its effect will be felt for years to come — not only by way of poor educational practice and educational materials, but in the destruction of our democratic way of life.

Most apropos of this fight would be a quote from Mr. Abr's latest communication to the parents of our community on "Tyranny". "Freedom is an adult prerogative. Men whose powers of influence are adult and whose motives are infantile are dangerous to all."

Ties to Bruno

To The Editor:
I read with interest the Tuesday article of 3/19/63 entitled "Candidates Rapped for Ties to Bruno". It appears that 2 Johnny-come-lately candidates for the forthcoming Hicksville School Board elections, running under

the maternal coverage of Mrs. Faydis Neuberger — a soundly defeated past candidate for the Hicksville School Board — have found it necessary to attack Mr. Harry Wagner, a current candidate for the Hicksville School Board, for his sincere interest in his community; his sound fiscal policy; his ardent Americanism, and his belief that the family unit is more important in raising the child than the State School System.

Mr. Wagner has time and again, through his consistent attendance of School Board Meetings, demonstrated that his interests and those of the community are one and the same.

At the present time the State Assembly in Albany is protesting the Spend, Spend, Spend philosophy of the current administration. The legislators have heard the voice of their constituents. Mr. Wagner represents this same voice in Hicksville. The people have had it with the current tax burden. They want to move on the same.

Malamud and Lawrence represent what the people are fed up with: continuous and unabated heavy spending with a concurrent raising of the tax level; secrecy in the school system with its often attending abuses — namely, the vicious, prying, unsupervised psychological testing; UN-ism and one worldism with its down playing and destroying of Americanism.

All these things they represent. So, I say, what's wrong with Mr. Wagner's platform? It is exactly what the people have been talking and have been arguing for.

GEROGE MARTIN, Hicksville

Enroute Home

Joseph J. Lofano, radioman seaman, USN, son of Mr. and Mrs. John C. Lofano of 50 Park Ave., Hicksville, is serving aboard the destroyer USS English, which left her homeport, Norfolk, Va., March 29, for a five-month tour of duty with the Sixth Fleet in the Mediterranean.

School Board Okays New Kindergarten Plan

Letter To The Editor:

Attacks HS Space Program

To the Editor:

Recently your paper carried a letter from a resident (a Dr. D. no less) who shed bitter tears about the possibility of having to use a drawing classroom for the teaching of history and the use of the auditorium or gym for classroom space. In your March 21 issue there is another letter from Othello Pepper about the possibility of overcrowding in the high school. Soon we will be called upon to vote on a \$1.8 million extension to the high school to avoid this horror. I ask for equal space.

We have a School Board which imagines itself to be a collective Fortunate purse, endlessly pouring out your money. In 3 years your school taxes have been increased some 200%. These empire builders will never stop until they can say proudly, "It costs more money to educate a pupil in the Jericho School District than anywhere else on Long Island," unless you stop them!

The Jericho School District does not need this high school addition. It needs what all of Nassau County's fragmented and disorganized school systems need, and that is an adequate vocational, technical and science, and special arts high school division. Participation by the Jericho School District in such a division program will cost the Jericho School District (and you as the individual tax payer) less money than additional capital investment and more-over will give your children a better education. Such high schools will serve those gifted students in the sciences and special arts much better than the general high school. The vocational high schools are superior for the education of stu-

Morris B. Jacobs

dents who have no interest in or cannot cope with the general high school course. With such schools probably one-third of the students from the Jericho school District will get a better education than by attending Jericho High School and therefore there is no need for the new addition.

Do not be misled by class-size statistics. The facts are that a good student will do well if there are 35 to 50 students in a class; an average student will be average whether there are 25 to 35 students in a class; and a poor student will be just as stupid in a class of 25 as he will be in a class of 32. The difference in time that a teacher can devote to an individual in a class of 25 compared to a class of 32 is negligible. Do not be fooled by their cries of split or double sessions. So what—millions of students have been on split and double sessions. Do you think it is the function of the School District to be your baby sitter?

(Continued on Next Page)

Looking Northward to Brookville

by MYRON A. KANTER

Uppermost in the minds of the residents of the Jericho School District is the need for keeping taxes down. The substantial tax increase last year and the pending tax increase this year make the school tax situation foremost in the minds of all taxpayers.

Thus, anything which would presently or in the future tend to affect our tax status directly or indirectly is of vital concern to us all.

To the north of Jericho is the

Civic Directors Study Motel

The main topics that come up for consideration at the monthly meeting of the West Birchwood Civic Board of Directors were the status of the sidewalks and streets in the area and the problems of school board elections and school expansion.

The Welfare Committee reported that they are now in close contact with the Nassau County Planning Commission. This Committee (Continued on Next Page)

Brookville area which has no school district of its own, but which relies upon the North Shore School District, the Locust Valley School District and the Jericho School District for the education of its children. It is therefore obvious that what affects the Brookville area will also affect the Jericho area.

The Jericho School District extends northward to Northern Boulevard. As many of us know, there is a vast expanse of land from Jericho Turnpike to Northern Boulevard. All our present surveys and projections on school facilities and school taxes are based upon the fact that the area north of Jericho Turnpike, known to all of us as the general Brookville area, maintain its zoning.

Anything which might tend to affect this is of vital concern to all of us.

The beauty of this area is well known to all of us.

The least residential, without disturbance by unsightly commercial interests, is our goal.

Thru the courtesy of the Locust Valley Leader, we have just become aware of a plan to erect a motel at the southwest corner of Cedar Swamp Road and Northern Boulevard and a plan to construct a seventy acre equestrian country on the north side of Northern Boulevard east of Cedar Swamp Road.

The Northern Boulevard area is one of extreme vulnerability, and there are many who believe that any attempts are made to downzone the Brookville area, that it will come by way of Northern Boulevard. It is, thus, incumbent upon all of us to protect our future.

It is without question that to allow the motel, may very well eventually lead to downzoning of the entire area. It is Northern Boulevard that must be protected.

On the other hand, country clubs, which maintain the dignity of the area and protect the area from being turned into unsightly commercial establishments are certainly desirable. Brookville is world famous for its horse breeding and training farms. The proposed equestrian club, which will have much frontage on Northern Boulevard, will prevent more homes from being built (at least on these 70 acres) and thus aid in helping to pay school taxes without contributing to the crowding of already overburdened schools.

Although we can't tell a neighboring community what to do, it is incumbent upon all communities to not only consider themselves but also their neighbors when making decisions that may very well affect the surrounding area.

An Editorial:

A Belated Thank You

May we in West Birchwood extend our sincere "Thanks" to the handful of people who "lastminutely" put on the excellent showing in the JERICO SCHOLARSHIP FUND SHOW. We only regret that more people did not participate both on stage and off.

Many thanks to Murray Rosenthal, Ken Gomora, Jeannie Glickman and Arthur Sogerman. Also to the literary efforts of the unit leaders Eugene Singer and Natasha Brenner, both of whom also turned in top notch performances. To our producer Muriel Green who represented the Canigage School. And of course last and by no means least a big hug to Gloria Zimmerman our talented pianist and Phillis Forman, our director who while working on another entry, devoted her time and energy to West Birchwood KUDOS FOR A JOB WELL DONE!

by SELMA CONSTANT

Jericho Board of Education, at its last meeting March 21st, approved a request by Dr. Leon Westfall, Acting Superintendent, to participate in a new research program involving kindergarten children in our schools. The program will be conducted by Brooklyn College, the State Education Department and five school districts.

The program would consist of testing kindergarten pupils for reading readiness and maturity and those ready, would be given 30 minutes of reading each day. The children would progress at their own rate and would be watched through third grade to see if they progress ahead of pupils not in the special program, or if the other children catch up. Parents involved would be given all the facts and could withdraw a child if they so wished. The elementary principals are interested in participating in this first step in possibly eliminating grade lines in reading. The Board approved this experimental program to be started in September.

As an indication of the improved relations between the Board of Education and Jericho teachers, a letter was sent to the Board from the Jericho Teachers Association, thanking the Board for the good will that has been established through many cooperative meetings and discussions on the teachers salary report. The Teachers Association also thanked the citizens lay committee for compiling the salary report and Dr. Westfall. They feel that there will be many rewards because of this cooperative endeavor.

The Jericho P.T.A. Council consisting of all the P.T.A. presidents asked for a school room to organize a community wide committee, exclusive of political and religious groups, to consider qualifications for school board membership. They want to discuss possibilities of getting such an organization started. Permission to use school space was granted.

Mr. Jacob, President of the Board, stated that the high school expansion program was well received at the High School P.T.A. meeting and said that adequate information will be going to the

Membership Drive

The Membership Committee is in urgent need of additional members to work on its staff. Plans are being formulated for a drive campaign to set a record membership.

Anyone interested please contact Don Hirschhorn at GE 3-9566.

HAL-CURTIS FELSNER, Jericho resident since 1957, is a chemical concern executive vice president, member of the American Rocket Society, Nuclear Society, Astronomical Society, Societe Chimie Industrielle, Society for Advancement of Management, Chemical Society, Institute of Physics, Geophysical Union and Manhasset Bay Power Squadron. He recently prepared a special report to the Board of Education on school fire alarm systems concerned with general policy, technical information and comparative costs. He is past president of the Roslyn Rotary Club and a member of the Advisory Council, North Shore Chapter, Assoc. for the United Nations. "His interest in good education, his sound business acumen, his broad community experience will make him a most valuable addition to the Jericho School Board".

MARION M. DELLA VECCHIA, resident of Jericho since 1956, served the White Birch of Jericho Civic Assoc. for six years as vice president, president and now ex-officio. He has been sales manager for the Hoover Co. for eight years and is currently in executive sales. He originated and organized the Jericho Scholarship Fund Show and is chairman of the scholarship committee. Has served on this committee since its inception three and a half years ago. Was Nassau Bowling Chairman for the American Legion for two years. Is a member of the Dads of Jericho, Jericho High PTS, Robert Williams PTA, White Birch Civic Assoc. American Legion and Carle Place Fire Dept. Band. An active sports enthusiast, having participated in baseball, softball and bowling leagues for many years. Also dabbling in music, photography, carpentry and golf.

IRA HYAMS, resident of Jericho for three and a half years, is a practicing attorney, member of the Queens County Bar Assoc. and vice-chairman of the Columbia Law School Alumni Assoc. of Queens. He is past president of the Princeton Park Civic Assoc. and has served on the board of directors for the past three years. He successfully represented residents of Jericho in litigation with Floyd Bennett Stores to prevent the erection of illuminated tower signs. He believes "Jericho should improve its educational program to the point where it will furnish the kind of education required in our changing society. He believes that educational standards and requirements have increased and that Jericho must meet its responsibility." He is a candidate for the position being vacated by Harold Spielman.

Game to Benefit Scholarship Fund

The Hicksville Classroom Teachers Assoc. Scholarship Fund Basketball Game will be held on Wednesday evening, Apr. 10 at 7:45

p.m. in the gym of Hicksville High School. The elementary teachers will play the senior high teachers. Proceeds from the game

will augment the HCTA Scholarship Fund which contributes to the support of a number of college students over a four year period.

HICKSVILLE P.B.C. Nautical Cadets Drum & Bugle Corp. won third prize in the St. Patrick's Parade, held in Hempstead, March 10. From left to right, Warrant Officer Arthur Musselman, P.O. 1/C Vincent Giansante, and C.P.O. Charles Sauer, accepting trophy on Mar. 24.

Bible Training Assembly at Arena

The local congregation of Jehovah's Witnesses announce plans to attend a three-day Bible training assembly at Commack's Island Arena, April 5-7. Nineteen congregations from Long Island will participate in the three-day program. Peak attendance is expected to exceed 2,000.

Truman Merchant, presiding minister of the local congregation announces details of the program. Featured will be Bible lectures, staged dramatizations, discussions, and interviews. Bible doctrines and everyday application of Bible principles will be explored. Discussing the program, Merchant said, "The subjects will prove to be of interest to the

public as well as Jehovah's Witnesses and the new teaching techniques we are going to demonstrate will be of interest to all who teach or study the Bible".

Civic Directors

(Continued from West Birchwood News - Front Page)

mission will receive all complaints about faulty sidewalks, streets and drainage problems an will investigate. The Welfare Committee is also having samples of the crumbling sidewalks analyzed to see if they come up to minimum standards.

The Education Committee stated that they have been interviewing all known candidates for the vacancies on the School Board. They are also in the process of arranging a "Meet the Candidates Night" which will be held at the Cantigue School in conjunction with the other civic associations in Jericho. At this time all the candidates who have filed for the vacancies will be invited to appear so that the community may be informed of all the issues and personalities involved. The West Birchwood Civic Assoc. will be the sponsoring organization.

At the April Board meeting the Lawyer for the people who would like to erect a motel south of Northern State Parkway will appear and show plans, diagrams and give a definite idea of just what is proposed. The area is zoned for this type of enterprise—they just need a special use permit.

All residents are invited to attend the monthly Board meetings, which are held the third Wednesday of the month at the Cantigue School.

community before the May vote. The Board approved hiring a woman residing in Jericho with a public relations background, on a part-time basis, to assist Dr. Westfall in preparation of all communications to the community. She would have the responsibility of seeing that deadlines are met and coordinate communications. The job basically would be clerical and reporting. Someone would be hired on a temporary basis until June and then Dr. Westfall would make further suggestions. The Board will approve all releases. The P.T.A.'s and community education committees will be asked to recommend people for this position.

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville

BY ARTIE RUTZ

As the expression goes, "It's always darkest before dawn", so was the condition of our clubhouse for the last Monday's meeting.... No heating capability reduced further whatever small pleasantness the sight of the new construction and renovation brought.... But by the time the next meeting night rolls around on April 15th, conditions will have taken a great change for the better, and things will once again appear nearer normal.... At this point, inconvenience has reached its zenith, and the rate of construction is racing forward threatening to an earlier completion date.... Commander O'Neill, aided and abetted by Steve Wladyska, Pete Karp, Ernie Gundlach and Jack Ehmman, managed to bury the oil tank in the front lawn last Saturday, thus saving us about \$250.... Well, done, fellows.... Membership Officer Dick Hochbrueckner announced our membership is at its all time high despite the fact that the April 1st deadline produced its usual "Delinquent Dozen".... "they" are now suspended from all privileges until their dues are paid.... Twelve delegates and twelve alternates were elected at the meeting last Monday

Showing Classic 1919 Film Apr 10

On Wednesday, April 10th at 9 p.m., the Hicksville Public Library is presenting the D. W. Griffith film classic "Intolerance". This film opened on Sept. 6, 1916 and won critical acclaim all over the world but because it was so enormously costly, it was a financial failure, failure from which the "Master" as D. W. Griffith was called, never really recovered. He had brought it from his backers for \$1,000,000, an unheard of sum for a movie at that time.

The sets were all full size and complete, not fronts. The walls of Babylon were 300 ft. high and wide enough for a "gold" chariot with four horses to bedrive along the top. The city of Jerusalem, the court of the King of France and the Great Hall of Balshazzar were staggering in their size and opulence. The sets stood for some time at 4500 Sunset Blvd and provided the tourist attraction of the day.

After the tremendous success of "The Birth of a Nation" the limited acceptance of what "The Master" considered his masterpiece made him a bitter man.

The library is pleased to be able to show this classic of the early days of the movie industry and invites everyone to come on Wednesday, April 10th at 9 p.m., to the library at Jerusalem Ave and Second St.

to represent the Post at the forthcoming 3rd Division Caucus at Bayville on April 24th and the June convention of the Nassau County American Legion at Glenwood Landing.... Plans for participation in Massapequa's annual Loyalty Day parade are being changed this year due to the failure of the sponsoring organization to get organized on time.... Probably the Farmingdale Loyalty Day Parade on the same date will be substituted.... Comrade Sid Hodgkinson, now residing in Florida, is coming along well on the road to recovery after an illness attack several weeks ago.... Information requested: I am still missing pictures of the following past commanders for the Post picture gallery: Frank Howe, Hugh Lee, J. Boyce Moon, Henry Stark, Emanuel Smolnik, William Abrams and Judd Snyder. If anyone knows the whereabouts of their families please call me and let me know so I can get in touch with them as the History Project is slowly nearing completion.... If you want to help the Post at this time you can do so very readily by purchasing Building Bonds or asking your friends to do so. We still have a few available.... Don't forget, they pay a handsome 6% interest per year for either a ten or fifteen year period.... Call Al Carpenter for further information on this.... We are sponsoring 3 Bingo sessions this month, the dates are April 9, 15 and 16 at the Hicksville Bingo Hall.... Despite information passed out earlier, there will be a meeting of the Post on April 15th, so please attend as your presence is needed.

Plan Old-Time Auction Apr 10

The Levittown Extension Unit is holding its regular meeting Wed. April 10 at Levittown Hall at 8:30 P.M. With the familiar cry of "going once, going twice" sold to the lady with the Bird of Paradise on her hat." Mrs. Harry Wagner and Mrs. John Tara will bang the auctioneer's gavel, at the annual "Cracker Barrel Auction." All the atmosphere of the backwoods country store, with everything but the kitchen sink.

The courses offered this month to members are: Know your Fabric Personalities - Dorothy Titus; Cane Seats - Ruth Slote; Setting Housecleaning Standards - Mary Birkeland; Refinishing Furniture - Emily Higgins; and Emma Moses; Costume Jewelry - Dorothy Steed. Refreshments will be served and guests are always welcome.

Operation VFW

William M. Gouse Jr. Post No. 3211
By Eddie Kiebing

We welcome Joseph V. Roccaro of Jericho into our fold. Linger a little longer than usual over our refreshments after our last meeting. Joe kept Lou Palladino, Jim Klueg, Mike Znack and myself practically in stitches with his memories past. He has a comedian's delivery.

Mike Znack reports Salisbury Park has confirmed the date on this year's annual picnic. Arthur Fuelling reported 100% paid up membership for this year. Hicksville's Lawrence Bennett Jr. won an award by placing second in the V.F.W. sponsored swimming meet at Westbury High School on March 19. Jim Klueg told me Larry's dad once won an award in a V.F.W. oratorical contest.

With Memorial Day closing in, the drill team will meet an hour earlier on meeting nights. Members who are interested and have uniforms can join in by dropping around at 7:30 and rehearse with the members.

The latest issue of the V.F.W. magazine reports that about two hundred veterans bill were introduced the first day of Congress.

One of the biggest bills now pending before the State Legislature is the Korean Bonus. It is favored by all veterans organizations in this State. However, it appears very doubtful that any legislative action will take place this year due to the Governor's budget and opposition to increased spending. Regardless of the budget controversy all persons interested in seeing the Korean War veteran get a bonus should write to his representative in the legislature. Do It Now!

It looks like all bills pertaining to the payment of cash benefits will be carefully scrutinized by all concerned. The new Presidential budget can affect not only future benefits but those already in existence. For example: Medical care for veterans and veterans pensions for illness not service connected could be reduced and direct loans to veterans stopped. While the benefit picture appears a little dark at present, President Kennedy's recognition of the needed increase in benefits for the children and dependent parents of veterans who died of service connected causes could be taken as a ray of light penetrating that darkness.

In view of all this, people concerned with the rights and benefits of the veteran can be assured that veterans organizations such as the Veterans of Foreign Wars will continue their untiring efforts to fight for the welfare and increased benefits for both the veterans

LEGAL NOTICE

PUBLIC NOTICE

TAKE NOTICE that by resolution of the Town Board of the Town of Oyster Bay, New York, duly adopted by said Board on the 26th day of March, 1963, following a public hearing held thereon after advertisement according to law, the following Ordinance was duly enacted:

AN ORDINANCE TO PROVIDE FOR THE CONTINUITY OF GOVERNMENT OF THE TOWN OF OYSTER BAY IN THE EVENT OF AN ATTACK OR PUBLIC DISASTER.

Section 1. Definitions. As used in this ordinance the following terms shall mean and include:

a. "Town". The Town of Oyster Bay.

b. "Attack". Any attack, actual or imminent, or series of attacks by an enemy or foreign nation upon the United States, causing, or which may cause, substantial damage or injury to civilian property or persons in the United States in any manner by sabotage or by the use of bombs, shell fire, or nuclear, radiological, chemical, bacteriological, or biological means or other weapons or processes.

c. "Public disaster". A disaster, catastrophe or emergency, actual or imminent, of such unusual proportions or extent that (1) a substantial number of the residents of the Town either sustain injury, become ill, are infected with disease, have their lives imperiled, are killed or die as the result of injury, disease or exposure, or the property of such residents is imperiled, damaged, or destroyed, and (2) it is necessary and essential in the interest of public safety, health and welfare that the continuity of the government of the Town be assured in order that it be enabled to function properly and efficiently

and to exercise its essential powers in meeting emergency conditions. Such disasters, catastrophes and emergencies may include, but shall not be limited to, conflagrations, explosions, earthquakes or other convulsions of nature, floods, tidal waves, pestilence, riots, insurrections, storms, prolonged failure of electric power or essential transportation services, or any incident or occurrence which causes or threatens to cause danger to life, health or property from exposure to noxious materials or radiation.

d. "Duly authorized deputy". A person authorized to perform all the powers and duties of a public officer in the event the office is vacant or at such times as it lacks administration due to the death, absence or disability of the incumbent officer, where such authorization is provided pursuant to the provisions of any general or special law other than the sections of law pursuant to which this ordinance is adopted.

e. "Emergency interim successor". A person designated pursuant to this ordinance for possible temporary succession to the powers and duties, but not the office, of a Town officer in the event that neither such officer nor any duly authorized deputy is able, due to death, absence from the Town, or other physical, mental, or legal reasons, to perform the powers and duties of the office.

Section 2. Designation, status, qualifications and terms of designation of emergency interim successors.

a. "Elected Officers." Within thirty days following the effective date of this ordinance, and thereafter within thirty days after any elective officer shall first enter upon the duties of his office, the Town Board shall designate, in addition to any duly authorized deputy of such officer, such number of interim successors to the powers and duties of such officer and specify their rank in order

of succession after any duly authorized deputy so that there will be not less than three duly authorized deputies or emergency interim successors, or combination thereof, to perform the powers and duties of the office.

b. "Appointive officers." The Town Board shall within the time specified in subdivision a. of this section, in addition to any duly authorized deputy, designate for each such appointive officer such number of emergency interim successors to such officers and specify their rank in order of succession after any duly authorized deputy so that there will be not less than three duly authorized deputies or emergency interim successors, or combination thereof, for each such officer.

c. "Review of designations." The Town Board shall from time to time review and, as necessary, promptly revise the designations of emergency interim successors to insure that at all times there are at least three duly authorized deputies or emergency interim successors, or combination thereof, for each elective and appointive officer of the Town.

d. "Qualifications." No person shall be designated to, nor serve as, an emergency interim successor unless he is legally qualified to hold the office of the person to whose powers and duties he is designated to succeed, but no person shall be disqualified as an emergency interim successor only because he holds another Town office.

e. "Status of emergency interim successor." A person designated as an emergency interim successor shall hold that designation at the pleasure of the Town Board and such a designation shall remain effective until replaced by another by the authorized designator.

f. "Compensation." An emergency interim successor shall serve without salary, unless otherwise provided by ordinance or resolution. He shall, however, be entitled to reimbursement for actual expenses necessarily incurred in the performance of his powers and duties.

Section 3. Assumption of powers and duties of officer by emergency interim successor.

If, in the event of an attack or a public disaster, an officer described in subdivision a. or subdivision b. of Section 2 of this ordinance or his duly authorized deputy, if any, is unable, due to death, absence from the Town or other physical, mental or legal reasons, to perform the powers and duties of the office, the emergency interim successor of such officer highest in rank in order of succession who is able to perform the powers and duties of the office shall, except for the power and duty to discharge or replace duly authorized deputies and emergency interim successors of such officer, perform the powers and duties of such officer. An emergency interim successor shall perform such powers and duties only until such time as the lawful incumbent officer or his duly authorized deputy, if any, or an emergency interim successor higher in rank in order of succession resumes the office or undertakes the performance of the powers and duties of the office, as the case may be, or until, where an actual vacancy exists, a successor is duly elected or appointed to fill such vacancy and qualifies as provided by law.

Section 4. Recording and publication of designations.

The name, address and rank in order of succession of each duly authorized deputy and emergency interim successor shall be filed with the Town Clerk and each designation, replacement, or change in order of succession of any emergency interim successor shall become effective when the designator files with such Clerk the successor's name, address and rank in order of succession. Such clerk shall keep an up-to-date file of all such data regarding duly authorized deputies and emergency interim successors and the same shall be open to public inspection. The Clerk shall notify in writing each designated person of the filing of his name as an emergency interim successor and his rank in

order of succession and also shall notify in writing any person previously designated who is replaced or whose place in order of succession is changed.

Section 5. Qualification for taking office.

At the time of their designation, or as soon thereafter as possible, emergency interim successors shall take such oath and do such other things, if any, as may be required to qualify them to perform the powers and duties of the office to which they may succeed.

Section 6. Quorum and vote requirements.

In the event of an attack or a public disaster, the Supervisor, or his duly authorized deputy or emergency interim successor performing his powers and duties, may suspend quorum requirements for the Town Board, if quorum requirements are suspended, any ordinance, resolution, or other action requiring enactment, adoption or approval by an affirmative vote of a specified proportion of members may be enacted, adopted or approved by the affirmative vote of the specified proportion of those voting thereon.

Section 7. Any provision of this ordinance to the contrary notwithstanding, the persons holding the following offices shall assume the powers and duties of the office of Supervisor, as emergency interim successor, in the events described in Section 3 hereof, in the following order of succession: First, the Deputy Supervisor, and then successively, in the order of seniority, the Councilmen.

Section 8. Separability clause.

If any section, subdivision, sentence, clause, phrase or portion of this ordinance shall be adjudged by any court of competent jurisdiction to be invalid, such judgment shall not affect, impair or invalidate the remainder thereof but shall be confined in its operation to the section, subdivision, sentence, clause, phrase or portion thereof directly involved in the controversy in which such judgment shall have been rendered.

Section 9. Effective date.

This ordinance shall take effect upon its adoption, its publication and posting as prescribed by section 11 hereof, this Ordinance of the Town Law, and the filing of one certified copy thereof with the Town Clerk, one certified copy in the Office of the State Comptroller and three certified copies in the Office of the Secretary of State.

BY ORDER OF THE TOWN BOARD OF THE TOWN OF OYSTER BAY

Thomas R. Fynchon, Supervisor
William B. O'Keefe, Town Clerk

Dated: Oyster Bay, New York
March 26, 1963

STATE OF NEW YORK,
COUNTY OF NASSAU, } ss:
TOWN OF OYSTER BAY

I, WILLIAM B. O'KEEFE, Town Clerk of the Town of Oyster Bay, and custodian of the Records of said Town, DO HEREBY CERTIFY that I have compared the annexed with the original Ordinance to provide for the continuity of government of the Town of Oyster Bay in the event of an attack or public disaster approved by the Town Board on March 26, 1963.

Filed in the Town Clerk's Office and that the same is a true transcript thereof, and of the whole of such original.

In Testimony Whereof, I have hereunto signed my name (Seal) and affixed the seal of said Town this 1st day of April, 1963.

William B. O'Keefe
Town Clerk

F104x4/4

AMENDMENTS TO THE BUILDING ZONE ORDINANCE OF THE TOWN OF OYSTER BAY

BE IT ORDAINED, by the Town Board of the Town of Oyster Bay, County of Nassau, State of New York, that the Building Zone Ordinance of the Town of Oyster Bay, as amended and revised, be amended in the following form:

Amend Article VI, Section D-1, subdivision 1, to read as follows: 1. One family dwellings; two family dwellings when approved by the Board of Appeals as a special exception after a public hearing.

Amend Article VII, Section E-1, subdivision 1, to read as follows: 1. One family dwelling; two family dwellings when approved by the Board of Appeals as a special exception after a public hearing.

Amend Article XXI, subdivision 14, to read as follows: 1. Any off-street parking area required to be provided for on or on part of the same lot on which the principal use is located may be reduced or eliminated by the Board of Appeals after a public hearing whenever the subject premises are proposed to be or have been improved with one or more buildings, and the premises subject to such reduction or elimination of said required off-street parking area shall be determined by the Board of Appeals to be suffering an unnecessary hardship by reason of its inadequate area, general location and condition of the surrounding neighborhood.

NOTICE OF SALE

SUPREME COURT, NASSAU COUNTY - The Williamsburgh Savings Bank, Plaintiff against Nathan Wolfson, et al., Defendants.

Pursuant to a judgment entered herein and bearing date Feb. 26, 1963, I will sell at public auction to the highest bidder under the Rules of the Old County Courthouse, Franklin Avenue, Mineola, County of Nassau and State of New York, on the 9th day of May 1963 at 10:00 A.M. in the forenoon, the mortgaged premises directed by said judgment to be sold with the improvements thereon, situate at Bathpage, in the Town of Oyster Bay, Nassau County, New York, known and designated as Lot No. 16 in Block No. 587 on a certain map entitled "Map of York Manor Section No. 2 situated at Bathpage Nassau County New York", surveyed February 1954, Baldwin & Cornellius Civil Engineers & Surveyors, Freeport, N.Y., filed in the office of the Clerk of Nassau County on July 29, 1954 as Case No. 6202 and more particularly bounded and described according to said map as follows:

BEGINNING at a point on the southwesterly side of Hay Path (formerly Farmers Hay Road) as widened as shown on the aforesaid map, distant 506.93 feet southeasterly as measured along the southwesterly side of Hay Path from the northeasterly end of the curve connecting the southwesterly side of Hay Path with the southeasterly side of York Avenue; running thence south 62° 14' 50" east along the southwesterly side of Hay Path 70.04 feet; thence south 25° 49' 04" west 100.06 feet; thence north 62° 11' 59" west 70.04 feet; thence north 25° 49' 04" east 100 feet to the southwesterly side of Hay Path, at the point or place of beginning.

SUBJECT to an easement for a water main to be dedicated to the Bathpage Water District over the southeasterly portion of said premises, as shown on the aforesaid map. SUBJECT to street rights, if any, in lands adjacent to mortgaged premises.

SUBJECT to covenants and restrictions of record, if any; to any state of facts an accurate survey may show; conditional bills of sale, railroad contracts and sewer agreements and to Utility company agreements, if any.

SUBJECT to right of United States of America to redeem the premises described herein within one year from date of sale.

Dated, March 25, 1963.

Wish I'd SAID THAT

"Things would be better if all our statesmen were on a peacework basis." — Ray Winans, West Springfield (Mass.) Record.

"A merchant friend advises that while business isn't what it should be, it's less worse." — Robert O. Gauger, Whitehall (Wis.) Times.

"We approve of the policy of making foreign visitors feel at home, but this dance the teen-agers are doing for the benefit of any African tribal dancers watching is going too far." — Vera Ward Tibbets, Parkville (Mo.) Platte County Gazette.

"Keller Alexander has been having trouble with his responsive reading down at our church. He's usually back in the still waters, when the rest of the congregation has already reached the green pastures." — Charlie Crawford, Lawrenceburg (Tenn.) Democrat-Union.

"I don't know why everybody's criticizing our foreign policy. We're still getting along with Bermuda." — Bob Orben, Bakersfield (Calif.) Weekly Blatt.

"It's still easier to keep up with the Jones than with the bills." — Don Pauschert, Pana (Ill.) News-Palladium.

"One large employer is losing considerable money because of the high incidence of absenteeism of employees. The employer: The people. The absentees: Members of Congress." — Loyd Neff, Overland Park (Kans.) Johnson County Herald.

"So you long for the good old days? Well, try reading these lines by the light of an oil lamp!" — E. M. Remsburg, Vista (Calif.) Press.

"When people remove their bills from the envelopes, economic conditions are getting better." — B. J. Dahl, Chewelah (Wash.) Independent.

"Government statistics show concern over the fact that 25% of American families live beyond their incomes. Look who's talking." — Rose Meredith, Salem (West Va.) Herald.

"It has been suggested by a jurist that all cars be taken from careless drivers. Wouldn't it seem strange with our streets almost deserted?" — Kenny Bennett, Greencastle (Ind.) Graphic.

"I wasn't sure the U.S. was ahead of Russia in the space race until Mr. K. wanted to pool information with us." — Alfred W. Quantlebaum, Zebulon (Ga.) Pike County Journal.

"A fellow in Minneapolis has figured out a way to beat the parking problem. He buys cheap cars and deserts them." — Dale Holdridge, Langford (S.D.) Bugle.

"When the white man discovered this country, Indians were running it. There were no taxes. No debt. The women did all the work. And the white man thought he could improve on a system like that!" — Dean Worden, Brookfield (N.Y.) Courier.

"And I always thought the Common Market was the A & P." — Billy Carmichael, 3rd, Chapel Hill (N.C.) Weekly.

"A miracle kitchen knife that cuts frozen foods is being advertised. We'd prefer one that cuts frozen prices." — Lloyd S. Waters, Mountain Home (Tenn.) News.

"Remember when you point an accusing finger at someone else, you've got three fingers pointing at yourself." — Edward J. Franta, Langdon (N.D.) Cavalier County Republican.

"The reason they don't have women for after-dinner speeches is because the women can't wait that long to tell it." — George B. Bowra, Aztec (N.M.) Independent Review.

WORTH REPEATING from Christian Science Monitor

Reading the Record

By Ralph Nader

A short while ago I was mentioning to a friend my practice over the past six years of scanning through every issue of the "Congressional Record." He smilingly replied that although he knew of people who read seed catalogs as a steady diet, he could not say the same for the Record.

Actually there is nothing particularly unique in such a reading habit. Many people read the Record in a professional or occupational capacity. It is probably true, however, that not many who pore over this massive daily compilation are prompted mainly by a citizen curiosity into congressional affairs.

Any generalization as to the contents of the Record has its hazards. Possibly the safest description is to call it a publication of expressions on a nearly infinite variety of subjects by just about everyone from the President to congressmen to a teen-age poetess from Alabama.

This great American forum averages over 200 pages of closely packed 7½ and 6¼ point type. Its pages include much more than the word by word proceedings of the Senate and House. Entire speeches on all kinds of subjects, scholarly articles, petitions, editorials, letters to congressmen, messages from executive departments and agencies are representative of the matter read right into the main body of proceedings or the Appendix. Legislators have filled pages with letters and telegrams received in support of their stand on a particular issue. The Appendix, besides being a depository for reprinted articles, contains selections of constituent opinion, reso-

lutions, results of polls conducted by congressmen in their district and the customary tributes to one another.

I have found much of significance in the Record which could not be otherwise available without acquiring a hopelessly large mass of material. The great diversities of viewpoints, concerns, and factual detail are certainly indicators of the clearinghouse role that Congress plays for the country's conflicts and causes. Abridgement is rarely employed by the lawmakers because the Record operates almost free of editors' twin torments—budget and space.

The publication also provides a constituent with one of the best and cheapest (\$1.50 a month) practical opportunities to assess the performance of his representative. Aside from a direct inquiry, the greater part of a congressman's legislative work can only be read about in this way.

Such a formidable sea of type does manage to offer its own brand of entertainment on occasion. In a recent issue, Senator Proxmire received the customary unanimous consent to print in its entirety an article by two economists which lent support to his amendment excluding utilities from the investment credit provisions of the tax bill. The article was a statistical study loaded with esoteric algebraic equations and scholarly footnotes. It consumed some 22 pages. Two days later Senator Kerr twitted him about this insertion, saying it cost the taxpayer \$2,000 and indicating that no mortal senator could possibly understand the study. There followed an exchange between Senator Kerr and the ruffled Senator Proxmire that caused no little amusement to on-lookers.

In another issue, Senator Humphrey, through an insertion titled, "A Great Social Event," regaled his colleagues with the story of the pending arrival in Washington of a bride named Goldie for Smokey the Bear.

The limitless privilege accorded members of Congress in placing material in the Record is raising problems. Anyone wishing to follow the legislative proceedings in a logical fashion soon discovers that it is no easy effort. For the record of proceedings is interrupted by all manners of insertions—relevant, tangential and extraneous. The difficulty is that the reader has no way of distinguishing between that which was stated orally on the floor of the Senate or House and that inserted by a legislator (who may have been home at the time) but never uttered on the floor.

Another practice hampering accurate reflection of actual congressional debate is the revision of remarks. Rules of both Houses allow members to correct the grammar of the original copy before publication. But members very often delete, substitute or add to their oral statements. Such alterations give the unknowing reader a distorted picture of what was actually said on the floor. By way of solving a few members of the House are backing a measure which requires, in the printing of the Record, a change in type face for those items inserted but not spoken on the floor to enable readers to differentiate. The chief supporters of this resolution, Representatives Curtis and Lindsay, believe it would reduce the verbiage and improve attendance. The latter result is aimed at those congressmen who spend four-day weekends in their home district and are called "The Tuesday to Thursday Club."

The Record's size is of increasing concern to the Government Printing Office whose facilities are being severely taxed in the process of putting out the world's biggest and fastest overnight printing job. The 87th Congress filled 45,486 pages during the two sessions, nearly 7,000 pages more than the 86th congressional production.

Other areas of criticism are the typography, format, organization of materials, meager indexing system and the overwillingness of congressmen to insert articles for groups wishing to use the cheap reprint rates for mass distribution. There is a growing sentiment to have the Joint Committee on Printing make a thorough study with the aim of streamlining the Record.

It will be interesting to see whether this most changeless artifact in Congress can indeed be changed. My postman who once again will start handing the Record will not be a disinterested party.

FOR THE RESIDENTS OF BIRCHWOOD PARK AT JERICHO

Ten Pin Talk

by Henry Dockswell

Some weeks ago we commented on the fact that Al Minoff and his rejuvenated 'Alibis' had grown tired of being the league's doormats. How true this statement was is born out by today's league standings. The 'Alibis' are tied for 1st place. Cap't. Al led the way again as he came up with his fifth good one of the year, a 207. This puts him in a three way tie for 3rd place in the race for Most 200 Games and was also instrumental in crushing Marv Cohen's skidding 'Champs'.

Just three weeks ago Marv's 'Champs' had established a record of having been the first team ever to shut out their opposition 3 weeks in a row. This feat brought them right to the top and there was talk of "break up the Champs." Evidently they didn't want to be broken up because they turned right around and proceeded to be shut out themselves 3 weeks in a row. They are now resting comfortably and safely in 6th place.

Dave Batterman's 'Tigers' were another of the shut out casualties this week. Their five week drive toward 1st place was climaxed last week when they shellacked Marv's 'Champs' and took over the lead, but this week they met Sol Rabinowitz' 'Invalids' and after losing all 7 points they had to be content with sharing the top spot with Minoff's 'Alibis'.

Norman Ney, in the throes of a terrible slump these last 3 weeks, shook himself loose when he bowled a 210. This gave impetus to his fellow 'Lions' and they trounced Fred Sapio's 'Royals' 7-0. Cap't. Leo Ceyer, whom we fondly call "the mightiest Lion of them all," still leads the league in High Individual Average with 169 so the additional help from Norman allowed the 'Lions' to keep pace with the front runners.

Jack Sloan's 'Mets' buried Mort Levine's 'Morticians' 5-2, and Murray Gittelman's 'Splits' crushed Sid Simon's 'Trophies' 7 to 0 to create a three way tie for 3rd place with Leo's 'Lions'.

Of the six contests last week, five of them ended in shut-outs, the fifth one being Milt Goldberg's 'Spartans' over Sam Springer's 'Misfits'. If Jack Sloan's 'Mets' had been able to take one more game from Mort's 'Morticians' we would have had "a beer frame night."

The league wishes to express its deepest sympathy to Leon Newman on the loss of his mother.

Woodland Ave Fair

The Girl Scouts of Troop 337 would like to invite everyone to join them in fun at the International Fair.

The Fair will be held at Woodland Ave-School, Hicksville, from 11 AM to 4 PM. There will be Games - Cakes - Prizes - Displays - Pizzas - Cotton Candy - Cakes for children of all ages. "Akela" Bill will be there in full Indian Costume.

PROTEST INCINERATOR

DEMONSTRATION by residents of Birchwood Park was held on March 30, to protest the continued operation of the Floyd Bennett Incinerator. Disregard for the health hazards from the soot, ash, and intolerable odors emitted from the incinerator, as claimed, was the reason for the protest.

Repeated pleas by the residents to shut down the unit have been ignored.

A march was staged with appropriate signs describing alleged health hazards. Petitions were signed and the aid of neighbors and other sympathizers were enlisted. Telegrams were sent to all Town and County officials, including the Dept. of Health.

It is planned to continue the demonstrations until the unit is shut down.

Annual Paid Up Election Dance

Saturday, May 4th, at the Jericho Country Club, the Birchwood at Jericho Civic Assoc. will hold its annual FREE election and supper dance for members.

Send your dues to the Financial Sec'y, and be prepared for a free evening worth many times the price of your dues. Keep Saturday, May 4th open. More details on this free affair for members only in later issues of the VILLAGER.

New Concept In Lawn Care

How many do-it-yourself suburbanites have had a weekend of rain or an out-of-town trip keep them from doing the right thing for their lawns at the right time? Or find themselves settling for a compromise of too little, too late, with expensive materials and hard work barely wasted?

A new concept in lawn care, called Grace Lawnlife Service, has just been introduced in Long Island, by Hicks-Westbury, Inc., which promises to be a boon to those "brown thumb" homeowners who pour money and effort on their lawns with little success. The new Grace Lawnlife Service will be handled exclusively here by Hicks-Westbury, Inc., a local fuel company since 1885, using lawn care products and treating schedules specially tailored for the soil and climatic conditions of the Long Island area.

Combining specially developed fertilizers with safe, effective herbicides and pesticides, Grace Lawnlife Service is a complete lawn culture program applied in three stages. Grace specialists report that the service saves the average homeowner at least six weekends a year of do-it-yourself lawn work, and promises a healthy, luxuriant lawn. Yet the cost compares favorably with the homeowner's actual cash outlay for the materials and chemicals alone. All treatments are made by liquid spray application.

Beginning in spring, Grace-trained technicians feed the entire lawn evenly with a double-acting, controlled nutrient release fertilizer that quickly stimulates growth and color, does not leach away or burn the grass, continues to

supply vital nutrients over an extended period. Moreover, the Grace program weeds the lawn with pre-emergence crabgrass killer, plus insect pest controlling chemicals which are completely safe for lawns.

The second, late-spring weed and feed treatment kills broadleaf weeds at the time they are most vulnerable to destruction. It also includes an additional feeding of turf fertilizer to carry the lawn through the summer.

In the fall, a third application supplies the vital late season feeding of nutrients needed by next year's grass just when it's getting its start.

This new concept in lawn culture and care is a development of W.R. Grace & Co.'s Davison Chemical Division, since 1832 a highly successful producer of products for agriculture, horticulture, floriculture, forestry and orchardry.

The service is available on Long Island through Hicks-Westbury, Inc., 117 Post Ave., Westbury. For further information phone EDgewood 4-0084.

"Look pleasant, please. You can resume your natural expression after I snap the picture."

Robins Open Softie Season

by BERNIE MONKARSH

The Robins, 1962 Jericho Softball Champions, are busy preparing themselves for another campaign with the Jericho Softball League. The Robins of West Birchwood are pleased to announce that the Floyd Bennett Stores have agreed to sponsor their team. The team looks forward to a long and warm relationship with its sponsor and pledges to do its utmost to repeat its 1962 championship performance in 1963. The team will now be known as the Floyd Bennett Stores Robins.

Turning to the more pleasant news, the team will once again be piloted by the very capable and colorful Irv Tillis. Back in the lineup, after a years absence, will be the sure-handed, rifle-armed Tom Fenger. Welcome back Tommy! The Robins "Big Deal" of the year is quite an interesting story in itself. A young ball-player who still uses "that greasy kid stuff" waltzed into our training camp and asked for a tryout. The top brass of the club, who are known for their snappy judgment of talent, quickly signed him up and once again beat George Weiss to the punch. When this kid hair gets straightened out, he'll be playing under the name of Siggy Levine. Watch him for Rookie of the year!

The rest of the squad shapes up pretty much the same as last year. The veterans, with another year of experience under their belts, driven by the enthusiasm and vigor of their new rookie should definitely be the team to beat this year. The Floyd Bennett Stores Robins are contemplating a move to strengthen their bullpen but this move is still in the talking stages. We have every confidence that Howie Cole can and will repeat his brilliant work on the mound. Best of luck to the right-handed veteran.

Hold Tryouts For Baseball Club

The Hicksville Pros. Baseball Club is holding tryouts at the Dutch Lane School on Sundays at 1:30 P.M., Levittown Parkway and Hempstead Ave. Players 18 yrs. and older, Hicksville Pros. is entered in the Nassau County Alliance League. Contact Frank Campit at WE 1-5488.

Home Coming Sgt Makes Hole in One

Harold Berkowitz of 51 Narcissus Ave., Hicksville celebrated his return from a tour of duty with the Army of the United States by scoring the first hole in one at the Brentwood Golf and Country Club on Saturday, March 30th. Harold, who is a sergeant, during his tour of duty with the Army, scored the hole in one on the 165 yard 3rd hole using a number 8 iron. He was playing with a foursome, including his father, Max L. Berkowitz, an executive in the Philip Morris Co; Rudy Miller and I. Minkins both members of the associated Somers Country Club. Harold who will now be eligible for participation in the senior tournaments of the Club, hopes to repeat his hole in one performance to capture the 1968 Governor's Cup at the Brentwood Club.

Plaque to Mark TR Former Office

Oyster Bay will unveil a bronze memorial plaque on the building which served as Executive Offices of the United States during the Administration of President Theodore Roosevelt on April 6. The white frame Victorian structure which stands in the center of Oyster Bay, on the north-east corner of South and East-Main Streets, was the scene of many historic events during the summers of 1902 through 1906, when Sagamore Hill served as the White House and Oyster Bay the Nations Capitol.

According to Mrs. Minor C. Hill, President of the Oyster Bay Historical Society, speakers at the public ceremony will include the Honorable Leonard Wood Hall and Thomas Fynchon, Supervisor of the Town of Oyster Bay. Distinguished guests will include Mrs. Richard Derby, Theodore Roosevelt's daughter, and Mrs. William Loeb, widow of the late President's secretary.

Regular Meeting

The next regular monthly meeting of the Levittown-Hicksville Auxiliary of the Association for the Help of Retarded Children will be held in Levittown Hall at 8:30 p.m. on Monday night, April 8. Refreshments will be served.

Cometland

By Joe Koerner

COMET MEADOWMEN COP OPENER... "A real pleasant surprise," said a smiling, Hicksville Lacrosse coach, Bill Meyer as he accepted congratulations on the first Lacrosse victory in Comet history. In a way, the win didn't shake him up any but the score (7-1, Cornets) did. It left him and his underdog wampan boys, a little puzzled and susceptible to possible illusions of grandeur, concerning the final outcome of this very young season. Was it possible, that the Cornets, newcomers to this old Indian pasture past time would eventually wind up with an in - the-money - finish at the season's end? Or would the world of reality take over and see the Chalk Boys, Manhasset, Minnola, Floral Park and Port Washington, wind up with the Lion's share of the spoils? Only time could answer this question but from where we stood, the locals, took like the sort of team, that will take a back seat to none. They're rough, tough and imbued with enough hustle and team spirit to escape the role of being the league's patsy. And this was especially true in their opening win; a 7-1 scalping of Deer Park in a non-league game; held a week ago Wednesday on the home field. Both the Newday and Press did this one up in fine style and especially Newday that ran the headline, "MEYER'S BOYS LIKE LACROSSE". Also featured was giant photo of little 5' 5", Rich Medina, who played like a boy that disliked the role of underdog. He and his mighty-mite brother Gus, paced the Comet attack with a pair of goals and 3 assists. Other scorers were Paul Walkiewicz and Dave Hossack with a pair of goals each and Don Otten with one. South-paw goalie, Joe Sarno, came in for a plug from coach Meyer, as did his trio of defensemen, Ed Kramer, Pete Martin and Steve Mandala. All in all, another fine inaugural for the sports buffs who follow the fortunes of the Cornets.

COMET NINE DROPS OPENER... There was not morning line on this first go at the diamond dust, dodge, no who was there to tout, that a lantern jawed, "Bobo Newsome" was going to blow into town and knock off the locals with an 11 strikeout stink. This youngster, (Don Conk from Massapequa) looked sharp in limiting the Cornets to a pair of scratch bunts by Bill Luft and Chap Jaworski. But this is all according to plan, the veteran baseball buffs who knowingly shake their

Guest Speaker

Michael N. Pectio, Deputy Commissioner of the Nassau County Welfare Dept. will be the guest speaker at the next meeting of the Women's Club of Hicksville, 8 at 9 p.m. in the Hicksville Public Library auditorium. A film "Debbie", high-lighting the Child Welfare Program of the County, will be shown.

heads and agree, that the pitchers are always ahead of the hitters. ... but on the other hand if the action is faded in the other direction, there are those that say just the opposite. Still, this one sort of proved, that the former was correct, this time around. Comet hurlers, Jim Erwin and Bob Smith also came up with a fair day on the mound, even though they dropped a 6-0 decision to the visitors. Both gave up a pair of hits but each were rapped for a double. This 4 hitter coupled with a like amount of Comet errors, opened the floodgates and put the game on ice for Massapequa. The one ray of sunshine, of course was the fact, that this was a non-league game and has no bearing on the Section 1 race.

"A good way to get the mistakes out of our system", said Coach Dick Hogan, who showed very little disappointment over the loss

and as always found time to get a few plugs for the boys who came up with outstanding plays. Hogan was the former baseball coach at the Jr. High, during the past few seasons and this is his first crack at the Varsity helm. He replaced former coach Army Tomatine, who is now heading the Elementary athletes in the right direction, at the Old Country Rd. School. Army had also been Head line coach for Jim Grantham's Varsity football squad during the past seasons. At one time in his career, he was a member of the New York Giants, professional football team, as a stand out lineman. Another one of his memorable distinctions, was seeing 3 members of his '61, Section 1, baseball Champs, get signed to big league baseball contracts. Gary Somoosian and Bob Cerone made it in 61 and Chris Coletta, a Jr. at the time, made the jump in 62. Lots of good luck, to this trio of fine coaches, Dick Hogan, Army Tomatine and Jim Grantham, who is opening his 3rd track season in Cometland. ... We'll be nosing around for hill and dale info in the weeks to come.

WIN A VACATION FOR TWO

in *Jamaica*

WEST INDIES

LILCO'S 1963 GAS HEAT "Key to Comfort" Promotion

92 OTHER PRIZES will also be awarded

GRAND PRIZE

A week's vacation for two in fabulous Jamaica, resort paradise of the West Indies. Prize includes round-trip jet flights. In Jamaica you will be guests at the magnificent Runaway Bay Hotel and Country Club. All arranged by Peterson Travel Service, Garden City Hotel; Garden City, Long Island.

Two Valuable Second Prizes

Each consisting of a gas heating unit—including cost of installation and connection to existing heating system. If a winner has bought and installed a gas heating unit during the contest, reimbursement of the total cost of installation and connection to existing heating system will be paid.

Six Exciting Third Prizes

Three Gas Ranges and three Gas Clothes Dryers. Ranges include Caloric, Magic Chef and Tappan; Dryers are RCA-Whirlpool, Speed Queen and Norge. All six third prizes include the cost of normal installation.

A Monthly Grand Prize for Four Months

At the end of every month of the promotion there will be a drawing for one outdoor Gas Lamp and Post—including normal installation cost. Twenty Gift Certificates for \$10 each will also be awarded each month.

Enter LILCO's Gas Heat "Key to Comfort" Promotion today—Just follow these easy steps and you may be a winner:

- 1 Phone or write LILCO for a free gas heating survey of your home. There is absolutely no obligation. When the survey is completed (it takes less than an hour), our Heating Representative will give you your "KEY TO COMFORT" ELIGIBILITY CERTIFICATE.
- 2 To qualify, you must be a residential LILCO Gas customer, occupying a one or two-family dwelling which is not presently heated with gas. Employees of LILCO or its advertising agencies are not eligible.
- 3 Offer good between March 1 and June 30, 1963. Monthly drawings will be held during campaign. For remaining prizes, drawing will be held during the week of August 11, 1963. Monthly prize winners will also be eligible for the final drawing during the week of August 11, 1963. All winners will be notified promptly.

Phone Mr. Kent at LILCO, PI 7-1000, or use this coupon.

Dedicate Gym At East St School

The regular monthly meeting of the East Street PTA of Hicksville will be held in the school auditorium on Thursday, April 4, at 8 p.m.

At 8:30 p.m., following a short business meeting, the dedication ceremonies of the Nina Plantz gymnasium will begin. Participating in the program will be Miss Plantz, Jerome G. Zettler, Donald F. Alt, John McGovern, George A. Jackson, Frank Chlumsky, Mrs. John McManus, Rev. Richard K. Muck, the East Street Band and Chorus, and Boy Scout Troop #259.

Refreshments will follow.

Introduce Ballet At High School

On Wednesday evening, April 10, an unusual program will be presented at the Hicksville High School. The Modern Music Masters Honor Society will give "An Introduction to Ballet."

Many great composers have written for the ballet among them Tchaikovsky ("Nutcracker Suite" and "Sleeping Beauty"), Rimsky-Korsakov ("Scheherazade"), Stravinsky ("Firebird"), Leonard Bernstein ("Fancy Free" and "West Side Story").

Laura and Raymond, two dancers from New York's Le Petit Ballet, will be on hand to demonstrate the intricate steps, which make up a story in music and motion, while a commentator explains what is Ballet, when and where it started and how it evolved into its present form.

JOHN WAYNE portrays Col. Vandervoort in "The Longest Day" which had its premiere opening at the Syosset Theatre on Mar. 22. The picture was two years in the making at a cost of \$10,000,000. More than 50 international stage and screen personalities are starred in the cast.

Officers Retiring

Captain John Beutelman and Lieut. Manfred Mayer of the Hicksville Unit of Auxiliary Police, will retire on April 9th, after 12 years of volunteer service. They will be presented with special certificates of appreciation signed by General Joseph A. Bulger, Nassau County Civil Defense Director. The presentation will be made at 8 p.m., April 9th, by William Rynsky, director of Nassau's Zone Three Civil Defense unit, at the Zone's headquarters in the Oyster Bay Town Hall.

Holst Honored At Kings Point

Cadet John E. Holst, son of Mr. and Mrs. John D. Holst, of 64 Raymond St., Hicksville, has recently been honored for outstanding academic achievement during the course of his studies at the United States Merchant Marine Academy, Kings Point.

In recognition of his superior accomplishments the Superintendent of the Academy, Rear Admiral Gordon McIntock, has authorized him to display the Silver Scholastic Star on his uniforms. Cadet Holst is one of 43 men in his class so honored. Eligibility for the award is based upon an academic average of at least 3.00 out of a possible 4.00, for the quarter.

Four Winners In State Competition

Hicksville High School students of the Distributive Education classes attended the annual New York State Distributive Education Leadership Conference at the Hotel Statler Hilton in New York City on Mar. 22 and 23. Students from New York State participated in contests, state student officer elections, tours of city retail stores, meetings and conferences.

There were 13 contests where students from all over the state competed. Hicksville won the following Awards: Merchandise Manual, William Sherburne, Second place; Chapter of the Year, Hicksville High, Second; Distribution Manual, Johanna LoGerfo, Second and Research Project, Hicksville High, Second.

Discussion Group

The Long Island League of Art's and Culture (LILAC) is a women's discussion group with chapters throughout the Island.

If you are just about fed up with chit-chat about children, crab grass and diapers then you might be interested in attending one of the very informal and provocative meetings. There are now 11 chapters.

Call Mrs. Ruth Altin, MA 3-4468 for information.

Why does do-it-yourself kindness kill so many lawns?

Here's why your hard work, your weekends of time, your expensive materials are often largely wasted.
Here's how you can assure yourself a lusher, healthier lawn . . . at nominal cost and *without any effort!*

If you've been unlucky with your lawn—if bare spots, burned roots and weeds have rewarded your personal care and kindness—here's something to remember! Lawn culture is one of the most heart-breaking and back-breaking of all do-it-yourself jobs! Unless you know your turf's nutritional needs and your soil's deficiencies—unless you have a well-planned treatment program and the time and energy to follow through—you're working under a handicap. And a weekend of rain—or inability to do the right thing at the right time—can wreck your lawn and your hopes as well!

A New Answer to Lawn Problems

Now, GRACE LAWNLIFE SERVICE has come to town! Now you can have a greener, thicker, truly attractive lawn—and the leisure to enjoy it! And the cost will be hardly more than you've been spending every year for those spread-it-yourself chemicals.

130 Years of "Grow-How"

Since 1832, Davison Chemical Division of W. R. Grace & Co. has made many outstanding scientific contributions in all fields of plant growth . . . agriculture, horticulture, floriculture, forestry and orchardry. Now, new GRACE LAWNLIFE SERVICE applies this same technology and experience to giving you the lawn of your life . . . and time for living, too! Your only effort is to call our office.

Special Care All Season Long!

Using specially developed, tested and proven Grace chemicals, our Grace-trained LAWNLIFE experts will see your lawn successfully through the full season with three safe, sure, scientific spray treatments.

They'll feed it with an exclusive double action, controlled release fertilizer specifically formulated for turf! Because it is a unique combination of both soluble and insoluble inorganic nutrients, LAWNLIFE fertilizer quickly stimulates leaf color and growth, yet stays put—without leaching or burning—to nourish the roots and grass for prolonged periods.

In addition, GRACE LAWNLIFE SERVICE will weed your lawn—control crabgrass before emergence, kill other weeds, and destructive insect pests, too. All this with the safest of proven chemicals—evenly spray-applied—and without you so much as lifting a finger!

Get Cost Estimate—and Compare!

To do yourself all that new GRACE LAWNLIFE SERVICE does for you would require—for 5,000 square feet of lawn—an expenditure of about \$55, and up to six precious weekends of hard work.

Three LAWNLIFE spray treatments can save your lawn, your labor and your leisure!

Find out how inexpensively you can have GRACE LAWNLIFE SERVICE for your lawn today. Just phone, and without obligation we'll accurately survey your lawn, suggest a program of treatment and give you exact cost, along with free, full-color Lawn Care booklet. If desired, budget plans are available at no extra cost.

New GRACE LAWNLIFE SERVICE gives you all this—

1. **EARLY SEASON TREATMENT**—Thorough application of double action, controlled release fertilizer tailored to local soil and climate. Plus pre-emergence crabgrass killer, plus insect pest control. All evenly applied—with no missed spots, no burned patches, no danger to shrubs or flower beds.
2. **LATE SPRING WEED-AND-FEED TREATMENT**—Kills broadleaf weeds at the time they're most vulnerable to destruction. Also includes an additional feeding of turf food to carry your lawn through the summer.
3. **FALL TREATMENT**—Supplies the vital late-season feeding of nutrients especially needed by next year's grass just when it is getting its start.

You may order one or all of these applications. Our lawn survey expert will help you decide. Get cost for your lawn now.
