Hester Tries 5th Time For School Board Seat

Francis E. (or Frank) Hester of 15 Colony St., Hicksville, whose name has appeared on School Election ballots four times since 1957, unsuccessfully, is joining with George M. Martin and Harry M. Wagner to form a trio of candidates for the School Board on May 8. They will probably become known as the personal slate of Trustee William A. Bruno Jr., self-styled minority member.

Hester, with the NY Telephone Co., first ran as "Francis" in 1957 against Herbert H. Johnson for the vacancy caused when Mabel R. Farley's term expired. He lost to Johnson, 2679 to 1418.

Two years later, in 1959, Hester (then as "Frank") caused a considerable furor by accepting nominations for all three vacancies that year. He ran a poor third in all three slates. Allen S. Carpenter, Robert D.P. Eaton and David Hurwitz were elected that year.

The news release states that Hester is endorsed by Howard F. Van Allen, co-chairman of the Hicksville Committee for Honesty in Public Education, a group which sought permission at the last school board session to hold meetings in public schools. When no

one was present to answer questions regarding the purpose of the organization, the application was tabled.

While no official connection between the Van Allen group and Bruno has been announced, attacks on the proposed school budget and fiscal and administrative policies in the District appear to be identical. Bruno has boasted that he will seek the defeat of the three incumbent trustees, whose terms expire and opposes the proposed budget.

Jerome G. Zettler, Herbert H. Johnson and Cornelius McCormack, the incumbents, have announced they are candidates for re-election and as of a late hour yesterday were the only three officially nominated by petition filing.

The news release states that "Hester attributes his 'thrifty outlook' on such matters as school taxes to the fact that he was born in Glasgow, Scotland."

It is known that at least two residents declined invitations to run on the so-called "Honesty" slate.

Hester, a Marine veteran of World War II and the Korean War has a wife, Jean, and five children. He pledged, if elected, "to do my utmost to hold the line on the Hicksville school tax."

Other announced candidates are Irving Lawrence and Herbert Maimson, sponsored by TEACH (The Taxpayers' Education Assoc. for the Children of Hicksville), among whose more active members is Phyllis Neuburger, unsuccessful candidate for the school board last year. She was sponsored by the School Board Campaign Committee. The Board of Education published paid legal advertisements to alert the public to the fact that the Campaign Committee was not affiliated with the Board.

Meanwhile, the Citizens Committee for the Re-election of Zettler, Johnson and McCormack, announced the designation of Thomas Nagle of 114 Blueberry Lane, as treasurer, and said it would welcome contributions from residents interested in informing the public regarding the importance of passing the District Budget and re-electing the three incumbents.

On another front, two residents announced formation of the Time for a Change Committee with the avowed purpose of opposing the re-election of school and library trustees now in office.

As Plans Now Stand:

No Escalators For Commuters

Present plans and the contracts on the Hicksville Rail Road Station in connection with the grade crossing elimination project, scheduled for completion about a year from now, do not include escalators, the HERALD verified this week. Openings in the twin passenger platforms are provided for eventual installation of moving stairways, however.

The thousands of commuters who use the Hicksville depot daily facing about two stories high every morning unless changes are made in current planning. Two possibilities appear evident: (1) seek an order from the Public Service Commission to amend the project or (2) have the installations eventually financed by the municipality, possibly a special taxation-escalator district.

The absence of an escalator in the Rockville Centre project when it was completed brought forth such a roar of protest from commuters that the village itself was eventually forced to bear the cost.

Lawrence C. McCaffrey, president of Hicksville Chamber of Commerce, which has been an active force in promotion of the RR grade crossing elimination program, here, indicated to the HERALD that the matter of escalators may be studied at the next Director's meeting.

Town Councilman A. Carl Grunewald is also studying the matter.

OLD COUNTRY RD RR crossing (above) will be closed to traffic for four or five days, starting April 22, according to Town Councilman A. Carl Grunewald, while the hump in the roadbed is removed and overhead steel is swung into place. Steel is scheduled for delivery and placement at the Nicholas St. and the Bethpage Road crossings on April 17. It had been previously announced that Old Country Rd. would be closed on April 15. \$10,465 Rise In Library Budget

The 1963-64 Budget for the Hicksville Public Library has been approved by the Board of Trustees and is available for distribution at the Hicksville Public Library. The library plans, as in the past, to send a copy to every home in the District. It will be voted upon May 8.

The proposed Budget for 1963-64 is \$231,374.81, an increase of \$10,465.36 over last year's budget. The increase reflects increments on the salary scale plus salary increases for clerical and custodial employees. The proposed expenditures in many categories will be less than 1962-63 and the modest increase results in a tax rate of about 24.9 cents per \$100.00 of assessed valuation. Last year's rate was 23.2 cents. This means a home owner whose property is assessed at \$5,000.00 pays a library tax of slightly over \$1.00 a month.

Express Thanks

The Sodality of the Blessed Virgin Mary, of St. Ignatius Loyola R.C. Church, Hicksville, wishes to express its gratitude to all who helped make the Mother-Daughter Communion Supper such a success.

The Supper followed the 6:30 p.m. mass on Wednesday, Apr. 3, which was celebrated by Rev. John Vissas, the Sodality moderator. Rev. J. Colligan of Plus X minor seminary, Uniondale, was the guest speaker. More than 80 mothers and daughters attended the event.

CARL DAVIDSON
As Prof Harold Hill

THE MUSIC MAN
and JUNE FYFE

THIS SPRING, as its annual Musical Comedy, Hicksville High School will present Meredith Willson's "Music Man". The performance will take place on May 1, 2, 3 and 4 in the high school auditorium, at 8:15 P.M.

Heading the cast are Carl Davidson as Harold Hill, June Fyfe as Marian Paroo, Roy Elsmann as Mayor Shinn, Donna Marsden as his wife Eulalie, Dolores Henkel as Zanetta Shinn, Tom Sullivan as Tommy Dillas, Charles Henningson, Bill Vella, Gerry DiZinno and Mike Wallach are the Barbershop Quartet.

Much of the success of any show is due to the work of the crews. Jeff Goldstein is student director of "Music Man" and John Tranchina is stage manager. The art direction is done by Mike Lunstead and set construction is to the credit of the stage crew.

The Director is Mr. R. Matienzo. Business management and technical direction are under Mrs. K. Fletcher and Mr. A. Bevan. The choreography is by Mr. Bevan and choral direction by Mr. C. Arnold. Mr. T. Bustice is the musical director.

Tickets are now available. The public is encouraged to purchase their tickets early to avoid last minute disappointment.

Annual Card Party

The Catholic Daughters of America, Court Queen of Angels 869, will hold their Fourth Annual Card Party, Madeline McGinnigle Memorial Scholarship Fund on Wednesday, Apr. 17 at the Old Country Manor, Hicksville, at 8:15 p.m. All are welcome.

Civics to Invite All Candidates

The Mid-Land Civic Assoc. has invited all reported candidates for election to the Hicksville School Board to speak at their April 24th membership meeting. The meeting will be held at the Willet Ave. Elementary School at 8:30 p.m.

With the recent school board controversies and school taxes what they are, this assoc. feels an obligation to its membership to see to it they have the opportunity to hear these candidates speak on their qualifications at platforms.

"For too many years taxpayers have gone to the polls to vote for names on a ballot which mean nothing to them. It is the responsibility and privilege of the homeowner, taxpayer and parent first of all to vote intelligently. In view of the recent poor turnouts of eligible voters for school board elections, it is obvious that irresponsible, unqualified individuals can be elected to these important positions by an uninformed, biased and indifferent public," according to Civic President Eugene V. Weber.

Any additional candidates for the three positions on the School Board, not known at this time, may take part in this program by contacting Eugene V. Weber, President, Mid-Land Civic Assoc. at WELLS 5-5006.

AUXILIARY MEETS

The Women's Auxiliary to the Long Island Lutheran High School Assoc., Brookville, will meet Friday evening, April 26th, at 8:15 PM at the school. The keynote speaker for the evening will be Dr. Ove R. Nielsen, assistant executive secretary of Lutheran World Relief.

Fiscal Planning Reduces Costs

The Town of Oyster Bay reduced governmental costs by approximately \$250,000 during the past year by prudent and alert management of its funds, Supervisor Thomas R. Pynchon reported today. Supervisor Pynchon said the details of this substantial cut in costs were included in a report made to him by the Town Comptroller.

The reductions in governmental costs were brought about as a result of the Comptroller's program of fiscal planning in which deposited funds are invested, in accordance with the existing permissive law so that the money is put to work for the taxpayers of the Town rather than remaining idle. As a result, approximately \$150,000 was earned in the past twelve months' period and its effect is to reduce the amount of money which must be raised by taxes.

Approximately another \$100,000 was conserved by financing approved projects with temporary loans and liquidating them when the project is completed by issuing serial bonds. This method has established an "A" credit rating for the Town by the financial rating agencies.

Supervisor Pynchon said, "The objective of the Town's long-range financial planning is to guarantee consistent with the general economy so that sharp peaks and dips in taxation will be avoided. In addition to taking full advantage of deposited funds by putting them to work for the taxpayers."

Pynchon also noted that during the past twelve months the Comptroller's office processed approximately 11,000 claims (bills). Public monies expended must have the full approval, including auditing, of the Town Comptroller and, finally, the Supervisor who is the legal Treasurer of the Town. The Office of the Town Comptroller is also examined on a regular basis in accordance with the law by the State Department of Audit and Control.

250 Children In Music Festival

On Saturday evening, April 6, in the Hicksville Junior High Auditorium, the Music Dept., under the supervision of Charles F. Gouse and William R. Golecki, presented an All Hicksville Music Festival.

This Music Festival featured students selected from eight of the elementary schools in Hicksville. Approximately 250 children performed before a capacity audience. For the past month, these student musicians worked with their individual school music teachers on the Festival music. On March 30 and April 6, they met for group rehearsals with the Festival conductors.

The Festival Orchestra was under the direction of Charles F. Gouse; the Festival Chorus, William R. Golecki; and the Festival Band, Valerian Lapierre.

Dedicate Gym to Nina Plantz

The Plantz Gymnasium at East Street School, Hicksville, was formally dedicated on April 4, to Miss Nina Plantz, only former principal of the school.

Members of the Board of Education participated in a program appropriately arranged for the occasion. George A. Jackson presiding.

Herbert H. Johnson, Vice-President of the Board, formally presented the new gymnasium. Donald P. Alt, Superintendent of Schools, accepted for the School District and John A. McGovern, present Principal at East St., accepted for the school.

An engraved dedicatory plaque was presented by Jerome G. Zettler, President of the Board of Education. This was accepted by Miss Plantz. The plaque will be mounted permanently on the wall in the gymnasium.

The uniformed East St. School

Band under the direction of Peter Pane, rendered several numbers. The 80 voice robed school chorus, directed by Emanuel Carreras, sang the school song and other selections.

Mrs. John McManus, President of East St. P.T.A., ably represented the parents and members of the community at large. Uniformed members of Boy Scout Troop 259 presented the colors and led the flag salute.

The main speaker of the evening was Frank Chlamsky, a former President of the Hicksville Board of Education who had served on the board for 25 consecutive years. Chlamsky engaged Miss Plantz in 1922 when she started her teaching career in Hicksville.

Miss Elmore Saxon, representing the present East St. Faculty

presented an arm bouquet of American Beauty roses to Miss Plantz. The benediction was given by Rev. Richard K. Mack, Pastor of the Evangelical Lutheran Church of St. Stephen.

At the close of the program, refreshments were served by East Street P.T.A. members.

Herald Editorial Opinion:

Why Not Change Trains at Hicksville?

The growth and development of Hicksville is interwoven with transportation on Long Island -- particularly rail transit. No history of the LIRR is complete without reference to the fact that it built its first pair of rails from Jamaica east to a point which became Hicksville. This year marks the 125th anniversary of that historic beginning.

Thus it is appropriate that Hicksville should be the site of the most elaborate and expensive grade crossing elimination program ever undertaken on the island. Among the features of this project will be the construction of a three-track twin

platform permitting three trains to arrive simultaneously from three directions. In effect, Hicksville station will be a miniature Jamaica depot.

There recently has been a lot of talk (and few solid details) about a proposed cloud 9 rapid transit loop, embracing Hicksville, Bethpage, Levittown and East Meadow. Folks in Levittown who live along an untracked right of way owned by the LIRR are up in arms against the plan.

Improved rail service to New York City is much to be desired and no one has a corner on this ambition. It takes as long to ride the train to

New York today as it took 30 years ago. For as long a time there has been talk, off and on, of extending electrified service from Mineola out to Hicksville, an expensive proposition. However, it is one certainly much more reasonable and realistic than the billion-dollar so-called loop system.

With the new depot facilities at Hicksville, due in 1964, faster, thru electric service to New York and Brooklyn could change the age old bellow of "Change at Jamaica" to "Change at Hicksville". It is worth working for.

HERALD READERS' OPINIONS

OPPOSING PERMIT

To the Editor:

The Bloomingdale Property Owners Assoc. plans to oppose the issuance of a permit to operate a billiard parlor on Bloomingdale Rd. in Hicksville at the Town Board hearing scheduled for April 23.

The owners of the building approached our Assoc. with recommendations that he would like to put up this building and if we would care to make any comments or changes so that it would not be an eye sore to our community. He planned to use it for himself.

The building has been erected and left vacant for about six months or so. Now it has been brought to my attention that he plans to rent it out as a billiard parlor.

It has also been brought to my attention that another party independent of above also plans to install a billiard parlor on the same road but across the street in vacant lot next to a storm basin. We will oppose this when the time comes. This is only in the planning stage as of now.

I believe this is the first of its kind to come to Hicksville and my Assoc. feels that your readers should be such a public response -- and this was due, we feel, to the detail you gave in describing it and making it come alive for your readers.

We want to thank you and the members of the community who called us, and to say that the cook book will continue to be available through our chairman, Mrs. Sylvia Matthews, at OV-1-4243.

You have indeed made us all very happy.

Group Frowns Upon Incumbents

Formation of a Time for a Change Committee, which will endorse or -- if necessary -- sponsor candidates for the Hicksville School Board and Library Board, has been announced by a group of local parents and taxpayers.

Co-chairmen of the committee are Henry Chapen of 91 James St. and Ferd Bode of 123 Willifred Blvd. In a joint statement they said they would oppose any school or library board incumbents who might seek reelection this year.

The committee stated: "The Board of Education majority and school administration have, in effect, been fused into a single entity. This has resulted in an ivory-towered isolation from the citizens and teachers, both of whom have so much to offer."

"The form is retained but in practice Hicksville is losing that healthy and traditional American approach to government. Progress results not from secret sessions and 'privileged and confidential' strategy but from a free intercommunication of ideas and a balance of power and responsibility."

The three School Board members whose terms are about to end have served a total of 15 years, and not without distinction. If they would run again on their original platforms, many would support them.

"But it is fairer if they run on their records, and on that basis, we cannot support them."

"We willingly attest that they have made a contribution to the community, in these unpaid and often thankless positions. But after many years in office, they are apparently victims of battle fatigue."

"Familiarity breeds contempt, and in 15 years service they have become so used to dealing in the abstract with millions of dollars that they seem to have lost touch with reality."

"They have no sense of economy and run through money like a child in a candy store."

"They have gone to one extreme and may drive a sizeable portion of our citizenry to the other. This is a polarization from which no good can come. It's time for a change."

The Old Timer

"A smart husband is one who thinks twice before saying nothing."

An Easter Message

Historic records have identified many burial places more pretentious than the garden tomb in which our Lord was laid to rest on that first black Friday. The Pyramids of Egypt and the Taj Mahal of India, with all their resplendent beauty are, nevertheless, reminders that those who were buried therein were obedient to death.

The tomb in Joseph's garden, surpassed in outward splendor by many, is more glorious than all. With its message "He is risen," it is the witness that Christ conquered death. It is for us the garden of victory.

This open tomb is a constant reminder that our Lord, graciously accepted what finite man thought was the worst the world had to offer, and has set at naught the power of sin and death. The evil forces, seeking to enslave the bodies and destroy the souls of men today, will ultimately give way to the triumphant Christ. St. Paul catches the full sweep of the victorious Christ over the tragedy of death when he says, "Death is swallowed up in victory."

May God grant each of you a victorious Easter.

Chief of Chaplains, United States Army

Spring Clean-Up Time Is Here

Spring Clean-Up Week is 50 years old this year. From Cincinnati, where the first official Clean-Up Week was proclaimed in 1913, the campaign has spread across the nation and now is observed in thousands of communities by millions of people.

But it was not a city proclamation that truly started clean-up week. It was a 50-cent dress, a gift from a sympathetic schoolteacher to a little girl from the slums of Cleveland.

That dress transformed an entire neighborhood. It was in 1909 that Bertha Chapman, the teacher, bought a dress for one of her students. Scrubbed clean and wearing her new dress, the child went home, to be greeted in silence by her parents.

That night the mother found a clean cloth for the dinner table. Her father began to clean up the yard and fix the house. The neighbors, not to be outdone, also cleaned and repaired their homes.

Spurred by a local minister, city officials gave the block their support, and, realizing the value of such campaigns, instituted clean-up drives in other areas to help eliminate health and fire hazards.

Clean-Up Made City Project
Then Cincinnati, hearing about the successful neighborhood campaigns, made clean-up week a city-wide project.

It is impossible to tell precisely how many dividends that 50-cent "investment" has paid over the years. But certainly it has snowballed into a substantial saving of lives and property.

The National Board of Fire Underwriters says there are about 800 home fires a day--more than one every two minutes in the United States, and many of these are begun by faulty wiring or feed on rubbish in attics and basements.

B'NAI B'RITH GIRLS HELP OUT

THREE OF THE B.B.G.s of B'nei B'rith who made a house to house collection for Cancer Care. Left to right are: Betty Ann Schwartz, Shaaron Newman, and Helene Dankner.

Hi, Neighbors

Muriel Sugarman

Beverly and Jerry Barnett of Forsythia Lane are very proud of their son, David, and for a very good reason, David had the great honor of having Syosset High pick his drawing for an exhibit at Hofstra University.

Congratulations twice to the Forers also of Forsythia Lane. Stella and Eddie just celebrated their 30 anniversary, and their daughter Carol was selected the first princess at C. W. Post on the occasion of the college's first spring week-end.

B'nei B'rith Jericho Chapter #1003 is having their paid-up membership luncheon at the Galaxie, Plainview, Wed. June 12th, 12 noon. Call Syd. Ehrlich, GE 3-6956.

Happy birthday to Sylvia Mattes and to Andrew Kahn, age 12. The Kahn's have big plans for Andrew comes next year. The date is early May. Get well wishes to Alan Kaplan and Norman Turkell. Congratulations to Joe and Fay Schwartz of Hedgerow Lane on the marriage of their daughter Alice to Louis Soskin.

Remonder, Hadassah's Blue Box meeting will take place on Wednesday afternoon April 17th.

The Jericho School Board announced that it had practically completed the budget for 1963-64 at a meeting held last Thursday, March 28, in the high school. It also announced that Harriet Epstein of Jericho, who has had considerable writing and editing experience, will assist the board in preparation of the budget, bulletins and other material for publication. At the meeting the board

approved five teachers recommended by the superintendent as additions to the faculty for next year. Registration in the Jericho Schools was reported as 2109 for elementary grades and 1155 for the Junior-Senior High School on March 15th. The Cantilage school now has 498 pupils - compared to 403 in September.

On Tuesday, April 30th at 8:15 P.M. there will be a joint P.T.A. sponsored meeting at the Jericho High School. Come and meet the candidates running for the Jericho School Board. The addition to the High School and the budget for the 1963-64 year will also be discussed.

If you are a member of the Civic Association don't forget to keep May 4th open. Its a Saturday night and it's The Birchwood At Jericho Civic Association's annual free election-supper night at the Jericho Country Club. If you haven't as yet paid your dues, do so now.

A calendar note. Its only nine months till January.

Letter To Editor:

THE VILLAGER

Dear Mr. Bernstein:
 It was my pleasure to receive a copy of your March 28 issue of The Villager, and I compliment you on its comprehensive and interesting coverage.

Your lead article, I note, is on the proposed 1963-64 budget of our school district, and I know you want to give all your neighbors accurate information.

The current basic district school tax rate is not \$5, but is \$5.29, so that the estimated maximum in-

What's so tough about bowling 2007 Ask Jack Jacobs and Sid Berkes. Both of these fellows led their 'Mortician' teammates to a 5-2 win over the suddenly toothless 'Tigers.' Cap't Mort Levine wore a beaming grin as Sid nonchalantly threw a 200, his first of the year, and Jack bowled a 205, also his first. Cap't Dave Batterman's 'Tigers,' though, were not too happy. This was their second bad week in a row and they had been pushed down into 3rd place.

Leo Geyer's 'Lions,' however, had a great time. With the help of Marv Kahn and Sam Eisenberg, who bowled beautifully, and well over their averages, the 'Lions' knocked off the high flying 'Albino's' with a 7-0 shutout. In the past eight weeks they had lost only one series and that by the slim margin of 1 point. Cap't Al Minoff must have forgotten what it meant to lose, but with this had one out of their systems they could be ready for another drive toward the top. They don't have too far to go. They are now in a 4th place tie with Murray Gittelman's 'Spits,' only 3 points behind the leaders.

Sharing the league lead with Leo's 'Lions' are Jack Sloan and his 'Mets.' These 'Mets' have not been spectacular but they've been overcoming their opposition almost every week. They opened the second half with two good series that had them in 1st place for two weeks but then they faltered and were bouncing around the first division never too far off the pace. This week they caught Marv Cohen's back-sliding 'Champs' and made them even more miserable by plastering them with a 7-0 shutout. This was the 'Champs' fourth shutout in a row, an unprecedented honor and a very dubious one. Their Cap't, Marv Cohen, can be seen shaking his head in wonderment, unable to understand the reason for this complete reversal of form.

Len Wainick came up with a 213, his third good effort of the year and this helped his team, the 'Trophies' to take Fred Sapio's 'Royals' 5 to 2.

Milt Goldberg, Cap't of the 'Spares,' threw his third good one, a 202, but it wasn't enough to overcome Murray Gittelman's 'Spits' and they lost 4-3.

There was no bowling Monday night, April 8, because of the Passover Holiday so we'll see you all on Monday night, April 15.

crease is not \$82 per year on a house assessed at \$10,000 but \$53 per year.

We are very optimistic that the 10 acre school site which cost the district about \$171,000, can be sold, as you indicated, for \$240,000 to \$250,000, thereby reducing the estimated maximum tax rate by 30 cents per \$100. If such a sale can be made, the increase in tax in the coming year will be, for a house assessed at \$10,000, approximately \$23 per year.

We very much appreciate your interest in school affairs, and will be glad to hear from you if you have any further questions.

Board of Education
 Central School Dist. 2, Syosset
 April 5, 1963.

Editor's Note - Happy to make the correction.

The Board of Education of Central School District No 2 has announced that William Kupec will be the Principal of Syosset High School. Mr. Kupec will assume his duties at the school on July 1, 1963, replacing Dr. Laubenstein who has resigned.

Mr. Kupec has served with outstanding success in all his assignments since he started as a teacher of social studies in this district in 1948. He was principal of the Village School for three years (1954-1957) and Assistant Principal of the High School (1957-1959). In 1959, he was appointed Principal of the Southwoods Junior High School. He served there for two years and then was reassigned as Principal of the Harry B. Thompson Junior High School in September 1961 when the school was first opened. (Ed note: It is interesting to note, that Mr. Kupec had to organize both Junior High Schools since he was their first Principal.)

President's Corner

by George J. Frankel

As you no doubt know, the beginning of May is the time when we cast our ballots for candidates to our respective School Boards, to say nothing of approving or disapproving our school budgets and other pertinent questions concerning school board policies. It is extremely gratifying to me to see such tremendous community interest in all the problems confronting our schools. I am particularly pleased to see so many able candidates seeking positions on the Jericho School Board.

Both the Jericho and Syosset Education Committees of the Birchwood Civic Assoc. have been at work for some time studying the qualifications of all the announced candidates. They will also study the proposed budgets of their respective school districts, as soon as these budgets are made available to them by the School Boards. They will present their carefully considered recommendations to the Board of Directors of the Civic Association, which will evaluate these recommendations and determine the policy of the Birchwood Civic Association with regard to the questions to be posed to the residents of our community on School Election Day. These policies will be reported to the members of the Civic Association through THE VILLAGER in ample time for them to study the facts of each issue before election day. In this way, the Civic Association serves the best interest of the community - by assuring that the residents of our community can cast INFORMED ballots on issues that vitally concern the well-being of the community - the education of our children and the school tax rate.

Your Civic Assoc. considers this one of its most essential functions, and all its members can be assured that the Board of Directors will give these matters all the attention due them, and will arrive at carefully considered decisions.

30 Turnout, Meet Candidates

By Leo Geyer

A meeting of the Education Committee of the Birchwood Civic Assoc. for the express purpose of meeting the candidates for the Jericho Board of Education was held at the home of Sam Springer, April 3. A fine turnout of 30 persons attended the very interesting meeting. Four of the candidates were present; Hal Felsner, Mario Della Vecchia, Ira Hyams, and Michael Steinberg.

Many questions were asked of the candidates, examples of which are listed below.

1. Why are running for the school board?
2. If elected, what do you think you can do, positively, to help improve the quality of education in our district?
3. How many school board meetings have you attended in the past?
4. How would you open up "Communications" between the Board and the public?
5. What are your views with regard to Adult Education for the Jericho district?
6. Do you have any opinions regarding the proposed building expansion?
7. What is the present board doing (or not doing) that you would do in some other way?
8. Are you satisfied with its
 - a. Administrative leadership
 - b. Teaching strength
 - c. Curriculum
 - d. Disciplinary policies
 - e. Supervisory practices
9. In light of the "Pay salary" committee's report, relative to the inexperience of our teaching staff, what can the Board of Education do, to obtain more experienced teachers?

The committee explored thoroughly into the candidates views and opinions and a report of our committee's recommendations will be sent to the Civic Assoc who will then endorse the candidates that they feel will make the best representatives for all the people of Jericho.

I welcome all residents from the district to attend the next meeting and the committee looks forward to a most interesting and educational evening. It will be held at the home of Rhoda Lashko 126 Bouny Lane, Tuesday, April 30, 8:45 PM.

BETTER SCHOOLS MEAN CITIZENS... Only an informed and intelligent community can gain QUALITY EDUCATION. Please join us at our next meeting. For further information call Leo Geyer, WE 8-1072.

27 Scout Units Ready Booths

Twenty seven Boy Scout Units of the Arrowhead District of the Nassau County Council, B.S.A., are feverishly preparing their booths for the big Boy Scout Exposition according to Samuel McGafferty, District Participation Chairman. The big show is scheduled for Roosevelt Raceway April 19, 20 and 21.

Participating from the Arrowhead District are Cub Packs 91, 291, 431, 432, 508, 585, 591, 592, and 593, Scout Troops 91, 158, 162, 172, 291, 293, 382, 423, 429, 491, 508, 585, 593 and Explorer Posts 291, 293, 431, 508 and 585.

These units along with units from the other 14 districts of the Council will present 500 booths of live demonstrations of the entire gamut of activity of the Scouting program. Besides the booth show there will be continuous showings of specialty acts in the Scout Theatre outside the Promenade Cafe on the third floor.

Thousands of tickets are now on sale to the Exposition, tickets may be obtained from any Cub, Scout, or Explorer, according to Robert Dean, District Ticket Sales Chairman.

Official Action On Grievances

The Hicksville Post Office has taken official action to implement the Post Office Department's new program for negotiation and consultation on grievances, working conditions, personnel practices and other related matters. Postmaster Irene L. Murphy reported today.

The move - developed by the Postal Service under President Kennedy's historic Executive Order 10988 of Jan. 17, 1962 - officially recognizes federal employee organizations for the first time. Recognition is based on results of the largest nationwide labor management election, held June 15-July 1, 1962, in which 451,000 postal employees participated. Official results were issued to each post office by the Post Office Department in Washington.

Here are the results at the local post office: Letter carriers and special delivery messengers will be represented exclusively by The National Association of Letter Carriers, Local #2530; clerks will be represented exclusively by National Postal Union, Hicksville Branch. John O'Brien is the president of the carrier group and Vincent Sigmale is the president of the clerks. Both are Hicksville residents.

"Exclusive" recognition was acquired by employee organizations having a clear majority of the vote in a particular craft unit under prescribed voting procedures. The Postmaster will negotiate with these organizations, holding regular meetings and working out written agreements on matters affecting all employees in the craft unit represented regardless of employees' membership status.

National agreements give local employee organizations the right to deal with the Postmaster on local working conditions, personnel practices and in resolving

interpretations under the local agreements.

At the same time, the National agreements reiterate Executive Order 10988's ban against strikes, discrimination. They set forth management's prerogatives which are not subject to negotiation - such as the budget, assignment of personnel, work technology or - of course - any matter determined by Congress, such as pay rates. Postal management, under the Executive Order, also retains the right to direct employees, to hire, promote, transfer, suspend or separate employees in accord with Civil Service regulations, according to Mrs. Murphy.

Volunteers Set For Cancer Drive

Mrs. Richard Post, Jericho Village Crusade Chairman, announced that volunteers are ready to make their house to house canvass for the 1963 Nassau County American Cancer Society's Annual Crusade.

Mrs. Post pointed out today that the Crusade has a two way purpose, first, to collect funds to carry on the Society's three-way program of Research, Education and Patient Service, and the other is to have the volunteers acquaint the public with the necessity to have an annual health check up with their family doctor or at the Society's Nassau Detection Center in Elmont.

The Chairman also stated today that residents of Jericho are urged not to wait until the volunteer block worker comes to their door, but to send a generous contribution to the Nassau Division, American Cancer Society at 1551 Kellum Place, Mineola, where the contribution will be credited to the village from which it came.

Exhibit At Library

"The Studio Art Group Work Shops are holding an art exhibit at Hicksville Public Library from April 16th to 31st, according to director and chairman Olga Hoebel.

A film "Exploring Casella Painting" by Henry Gasser from the Grumbacher Film Library will be shown on April 16th in the auditorium of the Library at 8:30 p.m. in conjunction with the opening of the exhibit. This is a judged show and first, second and third merris awards will be given to the adult as well as the junior groups. The judges will be as follows: David Roberts, art supervisor of Hicksville School District; Mrs. Clifford Olsen, adult education teacher with the Hicksville Schools.

The Studio Art Group Work Shops are a part of the Studio Art Group, a local art organization. The Studio Art Group is planning an art exhibit in May; the date and place will be announced within the next two weeks, according to publicity chairman, Mrs. Henry Balfour, 28 Boulevard Drive, Hicksville. An oil painting demonstration by Mrs. Hoebel, chairman for the group, will be held some time in June.

HS Participates In Four Major Events

The N. Y. State Music Assoc (NYSSMA) has been chartered by the Education Dept to stimulate interest in the study of music; to raise standards of performance; to encourage a carry-over of school training into the cultural, recreational and social life of the community; and to foster professional growth and leadership.

Each year the Hicksville High School participates in four of the association's major activities last fall, 15 students were accepted by audition to perform in the All-county Band, Chorus and Orchestra. During the winter the band sent 3 players to the all-state meeting at Kiamis Lake, and recently, 2 players represented Hicksville at the Eastern States Conference at Atlantic City.

The final activity of the year

takes place in May. This is the more familiar NYSSMA Festival for which over soloists, ensembles, and major organizations are so industriously preparing at the coming of spring.

Continuing excellent progress reports indicate the contractor could possibly complete his contract by May 1st, thus paving the way for June accommodations in our two new halls for weddings, dances, etc....Minor improvements, to be made by our membership volunteer, will take a bit beyond this period but will not impede seriously the scheme of things to come....Plans are afoot to hold a pre-dedication preview as soon as possible to show off Hicksville's first, largest and most modern Veterans' headquarters, dedicated to serve Community, State and Nation....Equipment which will regulate the air conditioning in the building is of the best and its efficiency will be well appreciated during the hot summer months ahead....The more than adequate lighting facilities are of the most modern, scientific type, designed to add to the decor of the new hall while providing an almost intimate individual brightness in every area....The new Lounge area will sport mahogany paneling throughout its entirety with fixtures to match. The new Game and Recreation Room, which is open only to members and their guests, will be the finest on Long Island, and when in full operation, admittance will be by special key only....Momentarily though, this special room is a bit behind schedule due to several changes in construction plans necessitated by installation of the lower level heating and air changing ducts, and additional lighting fixtures....At this time let me say that if your veteran friends and neighbors have been a bit backward about joining a veterans' organization, now is the time to talk

to them about the American Legion, the Charles Wagner Post in particular, which will be the showplace of Hicksville before too many moons have risen....And another word to the wise, dues will definitely be advanced in the future, so bring them in under the wire....Our Auxiliary was accorded the honor of selecting the decor for the area they will use quite extensively and a fine choice was made....Bit by bit, it is expected our various units and committees will contribute their special little extras that go a long way towards changing the entire complexion of the Hicksville American Legion Post....All will be new, our building, our thoughts, our results....P.S. - The Building Bonds are dwindling fast, if you want any of these 6% interest bearing bonds, plank down your \$100 now before the fellow on the other side of town buys the last one....Hurry!!!

Mercy League To Meet May 7

The next meeting of the Glen Cove-Hicksville League of Mercy Hospital will be held on May 7th at the home of Mrs. Jay Schwartz, Sixth Street, Hicksville. There will be an election of officers for the coming year held at this meeting.

The League will hold their annual Fashion Show and Luncheon on May 14th at the Milleridge Inn. Price of the tickets is \$4.50. Everyone is welcome. Please come and bring your friends. An enjoyable afternoon is in store for you. If you desire tickets, please call Mrs. Charles I. Montans, WE11-0921 or Mrs. F. Gerard Braun, WE11-1737.

LEGAL NOTICE

(Continued from Preceding Page)
such tax obligations of said school district are hereby authorized to be issued.

PROPOSITION NO. 3

Shall the following resolution be adopted, to wit:
RESOLVED, that the admission eligibility age for children to participate in the 1963 summer recreation program be lowered to include those children whose respective ages would render them eligible to enter kindergarten in this district in September of 1963, and that the sum of \$3,500 be added to the 1963-64 school district budget for such purpose.

PROPOSITION NO. 4

Shall the following resolution be adopted, to wit:
RESOLVED, that this district be authorized to provide transportation for children in the primary grades (kindergarten, grades 1, 2, and 3) who live more than half a mile from the school which they attend, and that the district be authorized to raise the necessary funds by taxation.

PROPOSITION NO. 5

Shall the following resolution be adopted, to wit:
RESOLVED, that the Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, is hereby authorized to construct on the present Cedar Swamp site in the district a school building to be used as a bus garage, and to expend therefor, including grading and improvement of the site and original furnishings, equipment, machinery and apparatus for such new building, a sum not to exceed the total estimated cost of \$30,000, including incidental expenses in connection therewith; and that said sum of \$30,000 shall be raised by adding to the 1963-64 school district budget an item therefor in the sum of \$10,000, and the balance of \$20,000 be raised by tax upon the taxable property of said school district and collected in annual installments as provided in Sec. 416 of the Education Law; that in anticipation of the said tax capital notes of the said school district are hereby authorized to be issued in the aggregate principal amount of not exceeding \$20,000; and that a tax is hereby voted to pay the interest upon said capital notes as the same shall be due and payable.

Voting will be by voting machines.
Propositions 1, 2 and 5 above shall appear on the voting machines in the following abbreviated form:

PROPOSITION NO. 1

Shall the proposition as set forth as Proposition No. 1 in the notice of this annual district meeting and election, authorizing the Board of Education to construct an independent addition to the high school building on the Cedar Swamp site, at an estimated cost of \$1,845,000, and providing that said sum shall be raised and collected in annual installments, be approved?

PROPOSITION NO. 2

If Proposition No. 1 is approved, shall the proposition as set forth as Proposition No. 2 in the notice of this annual district meeting and election authorizing the Board of Education to construct an independent addition to the existing high school building to house a swimming pool (in lieu of the required gymnasium) at an estimated cost of \$100,000, and providing that said sum shall be raised and collected in annual installments, be approved?

PROPOSITION NO. 5

Shall the proposition as set forth as Proposition No. 5 in the notice of this annual district meeting and election authorizing the Board of Education to construct and equip on the Cedar Swamp site a bus garage, at an estimated cost of \$30,000, and providing that \$10,000 of the aforementioned \$30,000 will

be included in the 1963-64 school budget, and the remaining \$20,000 to be raised and collected in annual installments, be approved?

The polls will be kept open between the hours of 2 o'clock P.M. and 10 o'clock P.M., Daylight Saving Time.

Candidates for the office of Member of the Board of Education may be nominated only by petition directed to the Clerk of the School District signed by at least twenty-five qualified voters, stating the residence of each signer and the name and residence of the candidate, and shall be describe the specific vacancy in the Board of Education for which the candidate is nominated, which description shall include at least the length of the term of office and the name of the last incumbent, if any. SHORT AND SWEET

Washington's second inaugural address, though brief, was not without a touch of his dry sense of humor. He said: "If it shall be found during my administration of the Government I have in any instance violated willingly or knowingly the injunctions thereof, I may (besides incurring constitutional punishment) be subject to upbraidings of all who are now witnesses of the present solemn ceremony."

Of those making more than one inaugural address James Monroe was among the very few whose second speech was longer than the first. . . . Theodore Roosevelt was the briefest of the Presidents who served since the turn of the century. His inaugural address ran to 1,000 words—about the length of a single standard-sized newspaper column.

Win Freedoms Foundation Awards

Warren King and Graham Hunter, Industrial Press Service editorial cartoonists, have been awarded the George Washington Honor Medal by Freedoms Foundation at Valley Forge. The awards were made for "an outstanding accomplishment in helping to achieve a better understanding of the American Way of Life."

Mr. Hunter's winning cartoon appeared in the July 23, 1962 IPS and Mr. King's run-in the September 3, 1962 issue. It was the fourth year in a row that Mr. Hunter has won a Freedoms Foundation award. Mr. King is also a multiple winner.

Festival Chorus Held at Oyster Bay

Hicksville Junior High students who participated in the recent Nassau County Junior High Festival Chorus held at Oyster Bay, were: Robert DeJongh, Steven Goldstein, Lance Petras, Gary Chalmers, James Genovese, Robert Hendrickson, Gregg Miller, Janice Hawkins, Jean Summers, Julie Thompson, Mary Masterson, Elaine O'Connor, and

Janice Rogger. The conductor, Arpad Darazas of the well-known St. Killian's Boys' Choir, singled out the boys from Hicksville, as an example to others of the County, for their excellent choral technique. Participants in the Festival received their training from Miss Florence Bowman, Richard Been and Gerald Barker of the Junior High Music Dept.

The Nassau Council of Churches will hold the second annual Easter Dawn Service in Salisbury Park on Sunday, April 14. The service will begin at 5:15 a.m. near the Veterans Memorial. Approximately 4,000 worshippers attended last year.

THERE'S SOMETHING ABOUT A NEW CAR

See Franklin about an Auto Loan now

Achin' to hit the open road at the wheel of a new buggy? Okay, then go to your nearest Franklin office. At the lowest rate generally available you can borrow what you need up to \$5000 - you don't even have to be a depositor. With your Franklin Letter of Approval (good for 60 days), find the car you want

and buy it.

You'll be riding in style during the "go-go-go" days ahead. And you needn't fret about the cost. There's no fixed down payment, and you choose the payment plan that fits your budget best. In many instances, you can have as long as three years to pay.

Timely Warning

We are sorry to have to interject a sombre note in the otherwise joyous observance of Spring.

Our warning has to do with bicycles. Now that the good weather is setting in, children will be dragging their bikes out of storage places and taking to the streets and highways.

If these ardent cyclists don't know the proper and safe way to handle their bikes they can be easily involved in dangerous traffic situations. Last year—the National Safety Council points out—550 lives were lost in bicycle accidents, the heaviest toll since 1949.

Since the majority of the fatalities fell in the 5-to-14 age group it would seem to us that parents should insure that their children are fully aware of, and practice, safe bicycling habits. The Council particularly urges observance of the following rules:

- Ride on the right side of the road; obey all traffic control regulations and use proper hand and arm signals for turns and stopping.
- When cycling with others, ride in single file.
- Save stunting and showing-off for yards or other untrafficked areas.
- Never try to squeeze in between two lanes of traffic.
- At busy intersections it is safest to dismount and walk the bike across.
- At night the bike should be equipped with a front-light and rear reflector.

HELP us to fully inform your neighbors on the importance of passing the School budget and the real issues of the School Election in Hicksville. Volunteers needed. Send contributions to THOMAS NAGLE, 114 Blueberry Lane, Hicksville.

Wins 1st Award In Chemistry

Leon Galloway, Principal of Hicksville High School, announces that on March 30th, Arne Yanoff, a Senior at Hicksville High was declared winner of First Prize in a special chemistry competition sponsored by the Long Island section of the American Chemical Society, at C.W. Post College. He was in competition with the best students of 17 of the near-by high schools in the North Nassau Area. Hicksville was also represented by two other students, Arnold Gould and George Sachs. All the participants were treated to a fine dinner after which the winners were announced.

Dutch Lane PTA Holds Election

The following Dutch Lane P.T.A. of Hicksville officers were elected at the March 1963 meeting for the P.T.A. year 1963-1964: President, Mrs. Robert Lester; 1st Vice Pres Mrs. Wm. Schwacke; 2nd Vice Pres, Mrs. E. Santipadre; Treasurer, Mrs. Charles Downton; Correspondent, Mrs. Julius Goodman; Rec. Secy, Mrs. Sol Westler; Historian, Sidney Fein; Council Del., Mrs. David Brechner.

Thanks Girls For Their Efforts

Mrs. Richard Rogers, president of the Levittown-Hicksville auxiliary of the Association for the Help of Retarded Children, would like to publicly thank the girls of the Sigma Kappa Theta Sorority of Hicksville High School for their efforts on behalf of this Assoc. As a pet project, they have been selling a very attractive ball-point pen among their friends and turning the proceeds over to A.H.R.C. They have just gone over the 20-dozen mark, and have come back for more! Many thanks to President Dale Wagner and Pen Chairman Jan Cohen.

Democrats Hear Petito on Apr 18

The next regular meeting of the Hicksville Regular Democratic Club will be held on April 18, at 8:30 P.M., Old Country Manor, 244 Old Country Road, Hicksville. Michael Petito, Assistant Commissioner of Welfare for the County of Nassau, will be the guest speaker.

Refreshments will be served following the meeting.

Express Thanks

Hicksville Neighborhood III, of Mid Island Council Girl Scouts, wishes to thank Mrs. Robert Gross, Area Cookie Coordinator, and all the other volunteer workers who made the Cookie sale a huge success.

Selling Girl Scout Cookies and Girl Scout Calendars are the means by which the Scouts earn a percentage of the sales for their troops. This money pays, in part, for educational trips or much needed camping equipment.

"The only voice a man has in the decoration of his home is the invoice."

SPEARHEADING Nassau Cerebral Palsy's door-to-door solicitation, the "53 Minute March," on April 29th will be District Chairman, Warren M. Doolittle of Hicksville and East Northport's CP Council of Auxiliaries' Vice-President, Mrs. Emilio Franklin. The two Campaign Chairmen are seeking additional volunteer marchers for the Cerebral Palsy Drive.

Set Pizza Party

Sagamore Temple 236, Pythian Sisters, are holding a gala bowling pizza party on Saturday, Apr. 20. Bowling will be at Jericho Lanes and the pizza will be served along with entertainment at the Amber Inn. For information call PE 1-1329.

The next regular meeting of the group will be held April 15 at 8:30 p.m. in the VFW Hall on Grand Ave., Hicksville.

Intermediate Girls Go on Cook-Out

Intermediate Girl Scout troop #495 of Hicksville, working towards 2nd class rank, went on a cook-out to Belmont Lake State Park on March 24. They met at Woodland Ave. School grounds and were accompanied by Phil Scerne, Mrs. George Urgo, Howard Spelman, and leaders, Mrs. Sikorski and Mrs. Hughes.

The girls participated in wood-gathering, fire-building, cooking, and cleaning up. Afterwards a hike around the lake was enjoyed by all. The following girls attended: Anne Gambino, Christine Resch, Jane Romanock, Mary-Jo De Fendis, Barbara Amendola, Lydia Resnik, Kathleen Game, Linda Mirabella, Lynn Repoli, Christine Sikorski, Jeanne Hughes, Leslie Sterne, Kathy Webb, Lucille Shepski, Deborah Kinkella, Charleen Bedell, Diane Spelman, Georgetown Urgo, Kim Caggiane, and Diane Sperling.

Discussion Group

Army Pvt. Thomas M. Doherty Jr., whose parents live at 39 Fordham Ave., Hicksville, recently completed eight weeks of military police training at the U. S. Army Training Center, Fort Gordon, Ga. During the course, Doherty received instruction in subjects as civil and military law, traffic control, map reading, prisoner-of-war control and self-defense. The 20-year-old soldier entered the Army in October 1962 and completed basic training at Fort Dix, N. J. He was graduated from Hicksville High School in 1960.

By Joe Koerner

Key Wrestling Team Member

HANOVER, N.H. — Junior Ivans Bembris, a 21-year-old Latvian refugee who now lives in Hicksville, Long Island, was a key member of the Dartmouth wrestling team which posted a 5-1-2 record here this winter.

Bembris won four of his seven matches and was fourth in the New England losing to Clyde Beers of Wesleyan.

Ivans has done an outstanding job for us this year," said coach Alden (Whitey) Burnham. "He is one of the most conscientious wrestlers on the team. Ivans is always the first one to practice and the last one to leave. His attitude is such that he never becomes discouraged. He is truly a fine competitor."

At Hicksville High, Bembris was awarded the scholar-athlete award, ranking third in a graduating class of 490. He wrestled for coach Merton Roberts in the 135-pound division, taking third place in the North Shore Wrestling Tournament. He also played end in football and was a hurdler-middle distance runner in track.

At Dartmouth he is an engineering-science major, a member of Army R.O.T.C. and a member of Alpha Chi Rho social fraternity.

Cometland broke out with a severe case of "Non-leagueitis" last week and as such, trying to cover 5 Varsity baseball games, 5 J.V. games, 3 Lacrosse games & 1 track meet, (during the fiscal sporting week of Wednesday to Wednesday) left a weekly sports buff with enough info to write a long book. So for this reason, let's dispense with the usual, who did what to whom and why and do a little sideline hit on the TREASURE, an appropriate, easy going tale of one of yesterday's teenagers.

THE TREASURE.. It all starts with an idle conversation and the young-old-timer on the opposite side of the table, makes known the fact, that in a matter of a few short days, she'll be celebrating her 50th birthday. And basically, except for the years, that have so gracefully gathered, you find that she's mentally alert and her stature defies the erosion of time. She recalls the good and the bad times that have encompassed her long life.

"There were good ones", she remembers wistfully, as her mind relived, part of the make believe world of the past. There was a short lived marriage, that only lasted for 54 years. There were three sons and three daughters and now, except for one of each, all were gone. Some of the laughs included the memory of her first pair of nylon stockings. They were washed and hung overnight to dry; over an old coal burning stove. By morning the heat had dissolved, one of her first treasures of modernity and it was hard to convince her that the stockings weren't stolen. "I know I hung them there" she had said, sadly "but now they're gone".

And then there was the first memorable experience with an electric light bulb. How she had stood on a chair, just before retiring and tried to blow the light out. She had no way of knowing, that this was the modern version of the old kerosene lamp and the up-to-date method of solving this problem was by flipping a switch. These were the pleasant thoughts...

The sad ones were long forgotten after a long period of deep mourning. But now there was another incident of grief. The one remaining son had, once again spoken in anger and again, as always, the TREASURE was drawn from its hiding place and used to provide solace. "Could someone who speaks like that, write a letter such as this", she said as she withdrew the time worn document from deep inside a black pocketbook. She passed it on and we half expected to read words that were designed but for ones' memory, alone. But instead we found passages that were moving and most certainly deserving of extra attention. They were written by a war weary homesick boy; a counterpart of today's teen-ager, who if all goes well will never feel lonely enough to pen words, such as these. They were written on a Palm Sunday, 20 years ago, and the scene was a battle scarred, country-side in Europe....

"Dear Mom", the letter read.... "Next Sunday's Easter and I wish I had the power to write, the thoughts within my heart tonight I sit and watch a lonely star and wonder how and where you are. You know Mom, it's a funny thing, how

close a war, a son can bring and how for many months I've tried, to keep emotions, deep inside I told you, brave men never cried. I'm sorry Mom I guess I lied. For if we stood here to embrace, you'd find a tear stain on my face I'm sorry if, when I was home, I left you standing all alone. For it was you, who shared my fears and soothed my hurts and dried my tears. Yes if I had the power to write, the thoughts within my heart tonight. The words would ring out clear and true. I'm proud to day Mom, I love you. Wonderfully warm, appropriate words, we would say... Especially at this time of the year, when another Palm Sunday has passed the way of no return but in a far different manner."

Being written, 20 years ago, we have no way of knowing if the passages are original or were copied but in spite of this small fact, we felt they were worth repeating.

Receive Awards

It was learned today from the office of Bernard Braun, Principal of the Hicksville Junior High, that several faculty members of the School have received awards from the National Science and Mathematics Foundation to attend Summer Institutes for advanced learning: Joseph Farina, a three year Fellowship at St. John's University; Mrs. Rose Reibstein, grant to attend Potsdam State University College; Fred Blair, Antioch College, and David Bouton, Baylor College.

HICKSVILLE REPRESENTATIVES AT ATLANTIC CITY. Chosen for ability as performers, interest in the school program and good citizenship, their visit to Atlantic City was enjoyable and they found the Eastern States Conference a rich musical experience. Cindy Avonius, a Junior, played Eb Clarinet in the Conference Band. This is her secondary instrument. Her ambition is to be a mathematics teacher. Kurt Maler, a Senior, played trumpet in the orchestra. He has been training to be a music teacher since Junior High days, and has been accepted at Fredonia. He is this year's High School Band manager. Both students are leaders of their instrumental section. They bring credit to themselves and to their community.

Resident Enters Ferrari Coupe

Fred L. Herdeen, of 61 Boxwood Lane, Hicksville, will be a participant in the 4th annual Concours d'Elegance, sponsored by Car and Driver magazine. Herdeen, an engineer whose major hobby is the restoration of fine cars, has had his 1951 Ferrari coupe accepted as an entry in the famous collection of the world's greatest cars which will be a feature attraction at the 1963 International Automobile Show, opening at the New York Coliseum this Saturday, April 13th for nine days.

The Ferrari, Model 166 has a superb, wine-colored, hand-made body-the work of the famous Vignale craftsman of Italy. Herdeen purchased the car last year from the estate of an Italian nobleman; he has spent almost an entire year

bringing the car to superb condition. The Ferrari has a long history of victories in European Concours d'Elegance. Now it will compete for top honors-Best in Class and Best in Show-against such Grand Touring entries as a 1949 Maserati A6G-1500 coupe, a 1953 Chevrolet Corvette and a 1958 Aston Martin DB-2 convertible. Other entries in the Antique, Classic and Competition categories include a 1907 Rover, a 1908 Orient Buckboard, a 1930 Cord Murphy-bodied town car - one of only two such Cords ever built, a 1939 Packard Limousine once owned by George M. Cohan, and a \$35,000 Bugatti Type 35 A racing car circa 1924 and the most successful road-racing car of all time.

Eisemann Heads Theatre Benefit

Henry G. Eisemann, President of Seaman & Eisemann Inc., a large Real Estate & Insurance firm in Hicksville, has accepted general chairmanship of the second annual memorial theatre benefit sponsored by the Nassau Division, American Cancer Society sched-

uled for Tuesday evening, June 11. The benefit will be held at Century's Roosevelt Field Theatre in the Roosevelt Field Shopping Center, Old Country Road, Garden City and will feature a studio preview of a new and outstanding picture.

Eisemann, known affectionately as "Mr. Long Island", because of his interest in civic and charitable organizations, is also a director of the Nassau Hospital and Director of the L.I. Lighting Co. Assisting him as vice chairmen of the benefit are Abraham Shames of Westbury, Industrial Park developer and Stanley Byczek of Glen Head, a real estate developer with offices at 55 Willis Avenue, Mineola. These three key men are making plans to make the 1,700 seat theatre a sell-out on June 11.

Preceding the benefit there will be a buffet supper continental at the Cafe Dominique, Roosevelt Field.

Annual Banquet

The Annual Mother and Daughter Banquet sponsored by the Women's League of Trinity Lutheran Church, Hicksville, will be held in the church auditorium-gymnasium on Tuesday evening, April 16th at 6:30 P.M. This year the entertainment will be provided by the daughters.

Tickets are \$2.00 for adults and \$1.50 for girls 12 years of age and under. To insure reservations, ticket requests should be mailed early.

PTA is Sponsoring First Performance

The Hicksville High School PTA is sponsoring the first performance of Music Man at the High School on Wednesday, May 1st. The proceeds of this will go to the Scholarship fund. Tickets are one dollar and may be obtained by calling Virginia Ehrich at WE 5-3894.

The last meeting of the High School PTA consisted of a most interesting program with four college students on a panel and Henry Lensky moderating. The four former Hicksville High School students who so ably provided such an excellent program were: Marilyn Perry of Flattsburg, Richard Powell of Union College, Marie Turitto of Soneybrook and Joe La Rocca of Hofstra.

Why face lost weekends...and perhaps a lost lawn, too?

Let economical Grace Lawnlife Service give you the lawn of your life and time for living!

If you've tried it, you know...lawn culture is one of the most time-consuming, heart-breaking and back-breaking of all do-it-yourself jobs!

Without being sure of your turf's nutritional needs and your soil's deficiencies—without a planned treatment program and the time and energy to follow through—you're working under a handicap. And a weekend of rain—or inability to do the right thing at the right time—can wreck your lawn and your hopes as well!

A New Answer to Lawn Problems

Now you can have a greener, thicker, truly attractive lawn—and free weekends as well! Because new GRACE LAWLIFE SERVICE has come to town, bringing with it "130 years of grow-how"! Since 1832, Davison Chemical Division of W. R. Grace & Co. has made many scientific contributions to agriculture, horticulture, floriculture, forestry and orchardry. New GRACE LAWLIFE SERVICE now applies this technology and experience to giving you the lawn of your life...and time for living, too!

Using specially developed, tested and proven Grace chemicals, our Grace-trained LAWLIFE experts will see your lawn successfully through the full season with three safe, sure, scientific spray treatments.

They'll feed it with an exclusive double action, controlled release fertilizer that quickly stimulates leaf growth and color, yet stays put—without leaching or burning—to nourish roots and grass for prolonged periods. And they'll weed your lawn—control crabgrass before emergence, kill other weeds and destructive insect pests, too. All without you so much as lifting a finger!

Get Cost Estimate—and Compare!

To do yourself all that GRACE LAWLIFE SERVICE does for you would require—for 5,000 square feet of lawn—an expenditure of about \$55, and up to six precious weekends of hard work.

Three LAWLIFE treatments can save your lawn, your labor and your leisure!

Learn how inexpensively you can have this service for your lawn. Phone today—and without obligation we'll survey your lawn, suggest a program of treatment and give you exact cost, along with a free, full-color Lawn Care booklet. No extra cost for budget plan.

3 LAWLIFE TREATMENTS give you a finer, weed-free lawn

- 1. EARLY SEASON**—Thorough spray application of fertilizer tailored to local soil and climate. Plus pre-emergence crabgrass killer, plus insect pest control. Evenly applied. No missed or burned patches, no danger to shrubs or flower beds.
- 2. LATE SPRING**—Weed-and-feed treatment catches broadleaf weeds at the most vulnerable time. And it gives your lawn an additional feeding of turf food to carry through the summer.
- 3. FALL TREATMENT**—Supplies the vital late season feeding of nutrients especially needed by next year's grass just when it is getting its start.

You may order one or all of these applications. A LAWLIFE expert will help you decide. Phone today for free survey!
