## Only Incumbents Official Candidates; Deadline Near

With less than a week until the deadline for filing of nominating petitions for positions on the Hicksville School and Library Boards, only the incumbents have to date filed. The final date for filing with the District Clerk for a place on the May 5th ballot is next Wednesday, April 24.

Filed to succeed themselves on the School Board are President Jerome Zettler, Vice President Herbert H. Johnson and Secretary Cornelius McCormack. Also filed is Ernest C. McClellan of 8 Glen Lane to succeed himself on the Library Board.

Most of the campaign activity by declared but unfilled candidates in the past couple of weeks has been confined largely to the distribution of mimeographed material and some letters to the editor in this issue.

Board Member William A. Bruno Jr., who has been funding with the six other Board members and is a self-styled minority member this week issued a challenge to Alfred Rubinstein, Hicksville attorney, to run for the Board with the backing of the Teachers' Educational Assoc. for the Children of Hicksville (TEACH). Bruno described Rubinstein as "The killer at the four lines of the National Anthem which the School Board had substituted last year in lieu of the Supreme Court-outlawed Regent's prayer wouldn't dare undertake such a test of his voting strength in Hicksville."

Rubinstein, representing his wife, Miriam, appealed to the State Education Dept. last year from the designation of a prayer by the School Board. Commissioner James E. Allen upheld Rubinstein. Allen, however, rejected a second action by Rubinstein to have Bruno removed from the School Board. Rubinstein has stated in a public gathering that he challenged Bruno to resign from the Board and run for re-election in a test of Bruno's popularity.

Bruno in his press release also referred to cutting the proposed budget by "better than a half million dollars". In earlier statements he had spoken of cutting last year's budget by ten percent which would mean a slash of more than a million dollars.

In a newsletter TEACH this week declared "the members of TEACH believe that the only way to combat a De-Nothing Policy and the menace of John Birchism in

our schools is to elect men of integrity and ability who will be responsive to the educational needs of our children". The group is sponsoring Herbert Malamud of Westbury and Irving Lawrence for unspecified positions.

Bruno has announced a slate of three candidates, also for unspecified positions.

A candidate's forum is scheduled for next Wednesday, April 24, at the Willet Ave. School under the auspices of the Mid Land Civic Assoc. The PTA Council also plans a candidate's forum the following week.

A public discussion of the proposed school budget takes place Thursday night, April 25, in the High School auditorium.

## Special Events For Library Week

National Library Week as the name implies is observed throughout the country to remind the public of the services and pleasures found in the books available at your public library.

The Hicksville Public Library, in this spirit, has prepared the following programs for the enjoyment and information of the public.

The Children's Librarian, Mrs. Marcia Shapiro, has arranged in conjunction with the Mid-Island Plaza Art League Creative Drama Class, under the direction of Mrs. Beverly Bogen, a live play. The actors are 5th and 6th grade children and the play is "Child of the Sky." The date is Saturday, April 20th at 3 P.M.

Alfred Freund, the young adult librarian is presenting the official film, the complete account of Col. John Glenn's historic space flight "Friendship 7". This will be followed by a talk by Robert Newlander on a subject that should be of great interest to all of today's young people, "Careers in the Astro-Space Industry".

Newlander is a member of N.A.S.A., so is well informed on the subject. This will be on Saturday, April 27th at 2 P.M. in the library.

For the adults, the Hicksville High School Music dept. will present a musical program by its community members on Sunday afternoon April 28th at 3 P.M.

## Panel On Public School Affairs

The Home and School Assoc. of Holy Family Church, Newbridge Road and Fordham Ave., Hicksville, will present a panel "The Moral Obligation to Investigate and Participate in Public School Affairs" in the church auditorium on Tuesday, April 23 at 8 P.M. In this timely presentation an effort will be made to shed some light on the moral issues in school board elections. All are welcome.

## Clock Tower Gets Face Lifting:

THE CLOCK on the top of Hicksville Junior High School on Jerusalem Ave has been reconditioned and is once again tolling the hours. Custodians of the School District were busy this week painting and reconditioning the clock tower which is dedicated to the memory of three Hicksville men who gave their lives in World War I: Charles Wagner, Joseph Barry and Walter Wheeler. Funds for the memorial clock tower were contributed in a campaign conducted in the 1920s by the Hicksville Choral Society. In recent years the clock mechanism had become the victim of time and has since been replaced by the Board of Education.

## Bway Widening Rumors Rife

Two events late this week led to increased speculation regarding the widening of Broadway, Hicksville, by siting approx-

mately 30 feet off the west side of the street.

The first was the report that property owners well south of Old Country Road have been notified that the state plans to acquire property. This has long been contemplated and may recent establishments, south of Old Country Rd., have been forced to set back.

The second event was the construction of abutments for the RR bridge over Broadway. It was noted that the west side footing encroaches upon the road bed. One explanation was that this abutment will actually be the center post of a span over Broadway. At press time there was no indication that property owners between the RR and Old Country Rd. had received any form of property acquisition notice.

The Hicksville Chamber of Commerce has for months been seek-

ing clarification of the recurrent widening reports which have been in circulation for more than five years.

## Bishop to Speak As Ministers Gather

Bishop Newell S. Booth, who heads Methodist work in Africa, will speak April 25 at 6:30 P.M. at the annual meeting of Methodist ministers of the Brooklyn North District at the Hicksville Methodist Church.

District trustees will be elected and a budget adopted. Music will be provided by the Rev. Trygve Fossum, pastor of the Glendale Methodist Church. The Rev. Harrison E. Davis of East Williston, district superintendent, will preside.

## Explorers Set Up Fallout Shelter

Explorer Scouts of Hicksville's Post #293 will set up a full-sized display fallout shelter, complete with bunks, supply and sanitation materials at the "Scouting in Action" Exposition staged by the Nassau County Council of Boy Scouts of America at Roosevelt Raceway, April 19th through 21st.

The Hicksville Explorers, under the direction of Adviser John J. Mattinson, will invite visitors to the Exposition to try the shelter bunks and "sample" shelter living. They will also show movies on Nuclear Science and Civil Defense.

## Mann Chosen As NYU Scholar

New York University has established a program of awards for a limited number of "New York University Scholars." Scholarships will be available beginning in September 1963, for undergraduate students of high academic ability, and outstanding qualities of leadership. John Gene Mann, one of Hicksville's graduating seniors, has been selected from 6,000 applicants to become a University Scholar.

The New York University Scholars will live in University residence halls. Special seminars, colloquia, and meetings with faculty advisors and distinguished campus guests will be arranged for them. They will have contact with the excellent cultural resources of New York City in a specially designed program. Each Scholar will be expected to take part in unique educational activities in line with his major interest.

The New York University Scholarships carry a stipend of \$750 a year and are renewable. In addition, recipients are eligible for grants-in-aid to meet demonstrated need. Financial aid to a Scholar may range up to \$12,000 for four years of study.

## Training Course For Teen Leaders

Catholic Youth Organization priest moderators from Our Lady of Mercy Parish, St. Ignatius, and Holy Family Parish, all of Hicksville; St. Bernard Parish, Levittown, and St. Paul the Apostle of Jericho are planning a cooperative training course for the teenage leaders of their parishes. The purpose of the course is to train the teenagers as leaders to serve in their own parish organizations.

The topics to be studied will be "Organizing a Teenage Parish Club," "How to Function as an Officer and Leader," "How to Run a Teen Club Meeting," and "How to Plan a Program."

Starting Tuesday night, April 23rd, 8 P.M., at St. Ignatius Parish the course will run 4 weeks. Peter Marshall, C.Y.O. Council Coordinator, will conduct the sessions. Representatives from all neighboring parishes are welcome to attend. For further information, contact Mr. Marshall, Lynbrook 3-4600, or by writing to him at the Catholic Charities Building, 272 Merrick Road, Lynbrook.

# Herald Editorial Opinion:

## Delayed Petition Filing

The delay in the filing of candidate petitions in the Hicksville School Board election this year is difficult to understand and is unfair to the voting public.

Some few years ago, due to the urging of a Hicksville Civic Assoc. the state law was changed to require filing of petitions 14 days prior to the election, rather than 11 days. The purpose of the change was to give the voters a fuller opportunity to become acquainted with the candidates and their programs.

Filing a petition is a relatively simple matter: Only 25 signatures are re-

quired from qualified voters. The petition must, however, clearly state the seat for which the candidate aspires and we suspect that is partially the reason for the present footshuffling: candidates or their sponsors want to pick their opponents.

We recall one candidate, a few years ago, who sat under a clock as the minutes approached the deadline with a petition grasped in each hand, waiting to see who else would file for what position. At the last moment, he finally decided -- but it didn't make much difference, because he lost the election.

## HERALD READER OPINIONS

### FAULT FINDERS

To the Editor:

I have become increasingly tired in past months listening to the tirade of all the things supposedly wrong with Hicksville Schools.

Ad I analyze the facts, I cannot believe the "groaners." How can so much be wrong, if our children can excel in so many areas? Our children must be directed by good and dedicated teachers, industrious and able administrators, and a majority of sound thinking school board members.

Did these same fault finders read the statistics issued to the parents and taxpayers of this district?

Here are some of the records I remember reading in recent months:

Thirty-seven Senior High School students won N.Y. State Regents Scholarship. One of the winners achieved the third highest score in Nassau County.

A recent study conducted in the Hicksville Schools shows 56% of the six grades examined were above grade level in Reading Comprehension.

Of a total of 50-1 competing schools teams, Hicksville's team in the Nassau County Inter-scholastic Mathematics League stands in fifth place, only five points out of first place. One of the students stands in fifth individual place out of 504 participants.

Thirteen of last June's Hicksville High graduates have reported receiving advanced placement or advanced credit in college this year as a result of the program offered in the Senior High School.

In competition with 60 bands, 63 players from the Senior High School band were awarded first prize in a competition at the New York Coliseum.

I have read about sports awards too numerous to mention in this letter.

Did these same people who condemn the Hicksville Schools, and the administrators, and the majority of the School Board, feel no pride whatever when they viewed the Junior High School band in the St. Patrick Day Parade?

All this on a tax rate substantially less than in surrounding districts.

These are some of the reasons why I intend to vote for and work for the re-election of the incumbents Jerome Zettler, Herbert Johnson, and Neil McCormack.

### PEACE ON EARTH

To the Editor:

Religious leaders of every faith, Jewish, Protestant and Catholic, welcomed the encyclical of Pope John XXIII released this week to the people of the world--it was entitled: "Peace on Earth" and in it His Eminence stated:

"...public authorities of the individual political communities... are no longer capable of facing

the task of finding an adequate solution to the problems mentioned..."

(Pope John referred to problems involving security and world peace)

"A public authority having world-wide power and endowed with the proper means for the efficacious pursuit of its objective... must be set up by common accord and not imposed by force..."

"It is our earnest wish that the United Nations in its structure and in its means may become ever more equal to the magnitude and nobility of its tasks, and that the day may come when every human being will find therein an effective safeguard for the rights which derive directly from his dignity as a person..."

We, in Hicksville, sad to say, are embarrassed by the existence of a committee which calls itself the Committee for Freedom in Education--whose members avowedly oppose, to state it in their own words-- "UN-ism and one worldism with its downplaying and destroying of Americanism."

Just how can we destroy the power and glory of America by seeking to establish and maintain peace in this world, where nations are as close as the nearest pushbutton?

Let us hope the words and wisdom of Pope John are heeded before it is too late.

### Threatens Legal Action

To the Editor:

I am tired of reading in the local papers that I am against the teaching of "Americanism" in the Hicksville public schools. Most boys have the best years of their lives between the ages of 18 to 21 spent those years in the Army of the United States during the most ferocious war in history, WWII, and I take a back seat to no one with respect to patriotism and the patriotic education of American children.

I am being misquoted in this respect. My criticism of Mr. Bruno is for his abuse of Americanism by making it a club to attack United Nations education in the schools. I agree completely with His Holiness, Pope John XXIII, as set forth in his recent encyclical, that the U.N. presents the world's best hope of survival in the present state of international tensions.

Mr. Bruno's attacks on the U.N. his public stand against the education of our children concerning the U.N., and his use of Americanism as a weapon against the U.N. was the subject of my criticism of Mr. Bruno.

I assure you that if I am quoted out of context to make it appear that I am against Mr. Bruno for the reason that he supports the teaching of Americanism, I shall consider and take appropriate legal action against those who misquote me.

## I am a citizen

My country relies upon me to preserve and defend it against forces that threaten my government, my churches, my schools, my way of life, my very being.

Born in freedom, believing in freedom, mine is the infinite duty to live as a good citizen, as a man who serves his country. This is the code by which I will use my freedom.

1. Public service will be my chief business. Apathy is a habit that becomes a disease from which the citizen dies and the nation fails. I will not be indifferent to the public needs of my community and my country.

2. Integrity, character, principle, and vigilance are the price that freedom exacts. These I owe to the land in which I live. I will not compromise with what I know to be wrong.

3. I will keep faith with my fellow citizens. I will be loyal to my fellow men, to my faith, to my ideals, to the

values that must characterize and guide my behavior, to my community, to my nation.

4. Leadership emanates from a creative, intelligent, and understanding spirit. I will give and follow sound leadership. Without leadership at every level--in schools and colleges, in shops and markets, in temples and churches, in government and its agencies--I become the easy victim of evil or alien force.

5. The education and instruction of its citizens is a task of a democracy. I will constantly seek better understanding of my country, its institutions, and the world in which I live.

6. The weapons of faith, courage, and intelligence are my armor; my trust is in God. With a sense of conviction in my cause and dedication to the principles which made my country free, I will never forget that I am and will function as a responsible citizen.

### No Rubber Stamps

Letter to the Editor

The Hicksville Classroom Teachers Assoc. has published an advertisement in the press this week, with most of which I wholeheartedly agree, particularly that the taxpayer is entitled to full value for every dollar spent on education.

Conversely, our teachers are entitled to fair recompense for their devoted efforts. And not merely for the pragmatic reason that we must pay a competitive salary, but primarily because of the requirements of justice.

However, there is one part of the advertisement which deserves public discussion. The Teachers ask for the election of candidates who "will allow professional educators to choose textbooks for their own work."

The State Education Law (section 70) requires that the Board of Education shall designate the textbooks to be used in the district.

Obviously a good board will take into consideration the recommendations of the teachers, but a good board will not abdicate its responsibilities in this matter.

We need a Board of Education that will work with the administration and teachers, but we do not need nor want a board that will be merely a rubber stamp.

### Americanism in Schools

To the Editor:

As one who is in a position to comment somewhat knowledgeably on the question of the Americanism taught in our public schools, may I as a local teacher and the Americanism Chairman of the Charles Wagner Post of the American Legion make a few points?

In five years of implementing the Legion's Americanism activities a very vital part of our great organization's program, I have received nothing but the greatest of cooperation from the Superintendent of Schools, his aides, principals and the teachers of public and parochial schools. I cite the following as evidence of the high interest of our school personnel in furthering patriotism, loyalty to community and appreciation of our American way of life:

One: The High School's principal, Mr. Leon Galloway and his predecessor, Miss Mabel Farley, and their faculties have repeatedly shown much interest in conducting the oratorical training of students speakers for the Legion's annual Oratorical Contest on the subject of the U.S. Constitution. Five years ago, a young orator from

Hicksville, Gene Nye, reached the State's finals with a splendid discourse on the Constitution.

Two: The High School has regularly furnished the American Legion with fine representatives of the Junior Class who attend Boys' State at Colgate University and who return to their school for their Senior year with an outstanding practical knowledge of and experience in the American political procedure.

Three: Each spring, the Legion's school awards are given an important place of presentation in our elementary school graduation and moving-up exercises. These awards--medals and certificates--are given to pupils who have shown excellence in the study of U.S. history and who also have shown high degrees of school citizenship. Our elementary school principals--many of whom are veterans of World War II or Korean--enthusiastic in their willingness to see that worthy graduates are honored for their Americanism. Often it is a hard job for the principals to reach a choice among numerous worthy boys and girls, and the Legion is happy to present multiple awards.

Four: In our community's patriotic and memorial celebrations and parades, our school bands and their bandmasters cooperate most wholeheartedly with various veterans organizations in arranging and making these functions memorable.

Five: When the three-track curriculum for the public schools was prepared under Mr. Abe's direct supervision, five years ago, the writer, then already a Legionnaire for many years and a Social Studies teacher in Hicksville since 1953, was assigned a position among the faculty members preparing the Social Studies curriculum. As a teacher and a parent primarily and as a Legionnaire and taxpayer, secondarily, I was particularly interested in seeing that the American history units to be taught in our schools were sound in ideas and data. It was my good fortune to work on the secondary school committee which included such well known, life-long residents and graduates of Hicksville's schools as Miss Gertrude Wetterauer and Mr. Patrick Niso, both highly experienced teachers. The overall Social Studies program drawn up for our schools embodied a great deal of the ideals and knowledge that progressive conservatives and sound liberals hold and it included the principles of Americanism continuously extolled by our country's foremost veterans and patriotic organizations. A few years later, a community history of Hicksville was prepared for use in our local school. The writer

### Sees Space Program Needed

by HOWARD JANKOWITZ

As Chairman of the Education Committee, I would like to reply to what is unquestionably a misinformed opinion on the high school expansion situation that appeared here in the last issue.

At the outset, there are a few out and out mis-statements of facts that should be clarified. The percentage increase in our school tax in the past three years was actually 50.7% and NOT 200% as erroneously stated. During this same period our school population also increased close to 50%. Our present total school tax is approximately \$540.00 per family a far cry from the \$1500. to \$2000. predicted by the previous writer. It is unbelievable that we could ever reach such an obviously preposterous figure. This is either a deliberate attempt to "scare" the taxpayer or an expression of considerable ignorance on this particular issue. In view of the foregoing, do we not have good reason to question the merits of his argument?

The fact that we need more high school space is clear to anyone who has taken the trouble to consider the data available. This Fall the high school will have an enrollment of over 1300, while the program being offered would indicate the proper capacity to be 1000. In three or four years this enrollment will grow to nearly 2000, and thereafter will be over 2000 for some time to come, reaching close to 2200 in some years. The addition is necessary to maintain single sessions, reasonable class sizes, and a good full program, including an adequate complement of extra-curricular activities. These are prime requisites for any good school system.

The author of the previous article seems to ridicule the attempt to maintain moderate class sizes. It is the overwhelming consensus of educators throughout the country that a teacher and a curriculum are considerably more effective with smaller class sizes. The cost to build this necessary addition is an estimated \$115 - \$130 per month per family. Is this more than we are prepared to pay? I would hope not.

The new school budget will be \$3,611,331, more than half of which is for teachers' salaries and other instructional services. Most of these expenses could not be cut even if we wanted to. Do we want to jeopardize the effectiveness of

this large sum by not spending the small additional sum of just \$60,000. annually, the total amount necessary to pay for the additional needed space? We must protect the large investment we have in our schools and our teachers. We owe this to ourselves and to our children.

There is no doubt that many of us received good educations in our overcrowded schools. But this was despite the large classes and double sessions, and not because of them. Large classes and double sessions are acceptable only if they must be acceptable. Such is not the case here in Jericho. This is an interested and an aware community and we should be prepared to pay the additional \$115 - \$130 per month.

Those people with no children of school age also have an important stake in this issue. A good school system is a prime factor in creating a desirable community and maintaining high resale values. Crowded schools DO NOT make for a good school system.

The subtle references to the School Board are in bad taste. These are sincere, devoted individuals who give very much of their time and energy, with no compensation, in an earnest effort to maintain quality education at moderate cost. The writer states, "I'd like anyone on the School Board to match my qualifications." Is he trying to set himself up as a criterion by which we are to measure our Board members and candidates? What could be more absurd!

The matter of a county-wide vocational school has been under consideration. But even if this were shown to be a desirable move, it would take many years to develop, if indeed, it could be worked out at all. The transportation costs would be staggering and our share of the necessary taxes as a richer community would probably be greater than that of the less financially endowed communities.

There is a definite need for interested people in the community. But where has he been all these years? Has he attended any Board of Education meetings? Has he attended any Education Committee meetings? Instead of sitting back and spending dangerous falsehoods, he should find out what is actually happening and attempt to make a worthwhile contribution.

measures will be taken.

I can assure you that we will make a thorough investigation of these conditions and advise you as to the result of our findings.

Very truly yours,  
Dr. Charles E. Stonier

### Education Unit Recommends

### School Budget Made Public

Education Committee of West Birchwood Civic Assoc. has recommended to the Board of Directors that Ira Hyams of Princeton Park and Hal-Curtis Flesher of Birchwood Park be supported for election to the school board on Wednesday May 8th. Flesher is presently running unopposed for the position being vacated by Samuel Hecht while Hyams is running against Mario Della Vecchia for the position being vacated by Harold Spielman. All candidates have been invited to appear at a joint Civic Association PTA sponsored meeting on Tuesday night April 30th at the Jericho High School.

The report by the Education Committee to the Board of Directors states that their recommendations of Flesher and Hyams was based on interviews with candidates which took place during March. The committee considered the experience, interest, qualifications, philosophies and recommended procedures of all candidates concerned.

By a unanimous vote the Committee strongly endorsed the proposed High School Expansion plan. They felt that the nominal increase in taxes as a result of this expansion (approximately seventeen cents a hundred of assessed value) would be substantially offset by the qualitative standards which our school system can then maintain. At the same time approval of the expansion plan indicated a method of relieving the overcrowding in the High School that had started this semester and whose rise is forecasted by the survey team which studied this problem.

A proposed school budget of \$3,611,331.00 is being unveiled this week to taxpayers of School District 15 by the Jericho Board of Education. This represents an increase of \$427,738.00 over the present budget and could result in an increase of 14 cents per \$100 of assessed valuation or \$14.00 a year on a dwelling assessed for \$10,000. Voting takes place Wednesday night, May 8th in the gym of the Jericho High School following the annual budget meeting on May 7th.

With the present school tax rate \$5.41, the 1963-64 rate could go to \$5.55 depending upon the assessed valuation as developed by the Nassau County Board of Assessors. The biggest part of the proposed increase in the budget is due to teacher's salaries. It is expected that the small increase in the tax rate is due to a large amount of state aid and an increase in the assessed valuation from the present \$45,000,000 to \$46,000,000 or \$47,000,000.

In addition to the school budget, residents will be asked to decide the following five propositions: (1) to construct an addition to Jericho High School; (2) to authorize construction of a swimming pool in the addition to the High School; (3) to permit children of kindergarten age of Sept. 1963 to participate in the summer recreation program; (4) to authorize the district to provide transportation for children in the primary grades (kindergarten, grades 1, 2, and 3) who live more than half a mile from the school; (5) to erect a school building to be used as bus garage.

## An Editorial..

### A Statement of Policy

Our last issue carried a letter from a resident who made known his views concerning the school problem in Jericho. It was our opinion that this letter receive prominent coverage because of its subject and because of the author's stated qualifications. The writer of the letter is a resident of Jericho, a taxpayer and a member of the West Birchwood Civic Assoc.

We had received from the Education Committee, news releases concerning recommendations to the Civic Assoc. Board of Directors relating to candidates for the School Board and the High School Space program. These releases were held over to this issue because it was felt that publication closer to the voting date would be more timely.

The Education Committee is a group of dedicated residents who devote much time and effort to our education problems. The WEST BIRCHWOOD NEWS has faithfully reported their activities. We would, however, remind the Education Committee that it is straying far afield when it attempts to dictate to the editors of this newspaper.

A real newspaper should present all sides of an argument. The WEST BIRCHWOOD NEWS in its three and one half years of existence has evolved as a balance between the committees of the Civic Assoc. and the Civic Assoc. membership.

The objective of the WEST BIRCHWOOD NEWS is to be a vibrant medium of news and opinion and not just a collection of committee releases.

## Meet the Candidates

On Tuesday, April 30th at 8:15 P.M. there will be a joint Civic Assoc. P.T.A. sponsored meeting at the Jericho High School. Come and meet the candidates running for the Jericho School Board. The addition to the High School and the budget for the 1963-64 year will also be discussed.

## Plan Children-to-Children Program

The second effort in a "children-to-children" program—with youngsters providing a cultural experience for others—will be made Tuesday, May 14, when the Burns Ave., Elementary School Band of Hicksville, performs for children of the Human Resources Foundation School located in Albertson. Last spring the band presented a concert at the Leake and Watts Home in Yonkers, New York.

The Hicksville children, ranging in age from 9 to 11, will give a concert for the school's youngsters.

The Human Resources Foundation School is for the physically handicapped. The program is jointly run by the Foundation and the Vocational Education and Extension Board. At present there are 19 physically handicapped children attending the school. They are from 14 Nassau school districts and commute each day from their homes via special school buses. The grade range is from 1-8 and the children range in age from 6 to 14 years. The students receive a full academic program including adapted physical edu-

cation. Previously most of these children were homebound and received home tutoring.

The performance, and others like it to follow, are the result of a program developed by Frank E. Burke, Principal of the Burns Avenue Elementary School, and Gerald Burakoff, the school's Band Director.

"This is a plan," explains Burke, "through which children attending one public institution will give of themselves and their talents to others, their age, who ordinarily lack similar opportunities."

"All the youngsters involved will benefit. Those performing will learn to work together to help others, and those in the audience will be entertained and pointedly remembered," says the band director.

Opening their school's program, the Hicksville youngsters' band concert will feature Marches, a Spanish selection and a "Trumpeter's Salute," presenting a trumpet solo from the band. Guest soloist will be Charles F. Gause, Supervisor of Instrumental Music in the Hicksville Schools. The concert is scheduled to begin at 12:15 p.m.

ARTHUR F. THOMPSON III of Hicksville has been elected assistant vice president of L.I. Trust Co., according to an announcement by Frederick Hainfeld Jr., president.

A graduate of the University of Pennsylvania with a B.S. in Economics, he has attended New York University and American Institute of Banking for specialized courses of study. He was also an instructor for the New York Chapter of AIB. From 1954 to 1963, Thompson was with Chemical Bank New York Trust Company, resigning as assistant secretary to join Long Island Trust Company.

Thompson lives at 55 Arcadia Lane in Hicksville with his wife, three daughters and two sons. He is a member of the Bishop's Committee for the Laity, the Holy Name Society, and the Knights of Columbus, 1382 Council.

## Taxpayer Suit Attacks Reserve Fund

Papers were served Monday in a taxpayer's suit to compel the Town of Oyster Bay to freeze a \$335,000 highway reserve fund on the ground that it was illegally appropriated. The sum amounts to 10% of the 1963 town highway tax rate, or 6.9 cents, according to the County Democratic Committee.

The suit is being brought by Vincent B. Fronero of East Norwich, chairman of the Democratic town affairs committee, who is represented by the Mineola firm of Wager & Shane. Fronero served notice upon Supervisor Thomas R. Pynchon April 3 that he would bring suit to bar expenditures from the fund unless he received written assurance from Pynchon within five days that the money would not be used.

by Cynthia Hochbrueckner

On Saturday, April 20, the Charles Wagner Post #421 American Legion Auxiliary will hold a cake sale at Braun's Market, 77 Broadway, Hicksville. A delicious variety of homemade cakes, cookies, pies and breads have been promised by the members. Stop in and pick up a treat for the family.

Our thanks go to the proprietors of Braun's Market for the use of their store. At their April meeting the Auxiliary entertained the Nassau County Chairman, Annie Knapp and her staff. We were very happy to see so many Nassau County Chairman present. Our President, Lillian Bosch, her staff and committee chairman were complimented on their fine progress so far this year.

Poppy Day is drawing closer and this year the Unit will again make wreaths and corsages. Anyone wishing to order a wreath please contact C. Hochbrueckner, WE 5-3545 as soon as possible as we plan to make them only on order. More on this program will follow at a later date.

## HERALD READER OPINIONS

(Continued from Page 4)

was again privileged to work on this history, and as Social Studies teacher, a newer resident of Hicksville and a veteran interested in promoting American ideals and an attachment to community, I tried to call attention to the community's wholesome past, its sacrifices in two World Wars and its resolution to face the problems of post-war growth with democratic activity, sound educational values and economic energy.

Six: It is not widely known—except to parents of the students involved but Hicksville has the distinction of being about the first school district on Long Island to offer an intensive course in Communism's ideas and their threat to the Free World. Anticipating a trend now setting in throughout the nation, the Junior and Senior High Schools have been teaching about the insidious nature and evils of Communism, these last five years. Again, as a representative of one of America's strongest anti-Communist organizations, the American Legion, it was the writer's great privilege to help create the program.

Seven: it is reassuring to me as a parent and taxpayer that in

almost all aspects of its public education, Hicksville's schools are supervised by administrators who have served their country in its armed forces or are long residents of the community with sound educational backgrounds and active participation in community life. Among our teachers are a great number of men who have served their country and who know something of patriotism, and there is, too, a sizable core of mature women who are long-time resident teachers. Very many of our younger teachers are graduates of colleges and universities known for their sound philosophies of life and theories of education. This is obvious to anyone who regularly deals with them.

On the question of teachers emphasizing the value of the United Nations, this should not be surprising if so eminent a progressive voice as Pope John should ask nations to work more earnestly to make the U.N. more effectively an instrument of world-wide peace. To my knowledge, the United Nations has not been over emphasized in general certainly not at the expense of Americanism. American history and ideals are brought before our students extensively during at least six years of their schooling and are an essential part of every grade's education. The overall school program for teaching American ideals is good, and with plans now underway, its effectiveness should be increased, as time passes.

In conclusion, it appears to one directly conversant with the development of American ideals in our schools, that the issue of a weak Americanism program is unfounded. The charge has been made without a prior careful study of the actual situation and is, therefore, unAmerican.

## Library Corner

National Library Week is to be observed from April 21-27 this week. The Hicksville Public Library will observe this week with some special programs. However, it seems appropriate at this time to call attention to some recent efforts to help develop libraries on a broader level.

President Kennedy, in his special education message to Congress on January 29, 1963, called attention to the increasing important role of libraries in education, when he urged Congress to pass a three year program of grants to urban and rural libraries for operation and construction. The President pointed out that 16 million people in the United States have no access to public library service and 110 million more have inadequate service.

This deficiency is being attacked on all levels of government, local, state, and federal. Besides urging local communities to recognize and support a strong library, the New York State Library Association has recommended and extensive plan to improve and co-ordinate research facilities all over New York State. College, university, and public libraries must not only expand their facilities, they must use the latest mechanical and electronic equipment to record and make accessible this information for students, business and research workers in industry. A bill has been introduced in the legislature providing for several regional and reference libraries located in key areas of the state. These institutions, chartered by the Board of Regents, would contract with existing reference and research libraries to provide service for an entire region on a co-ordinated basis. Thus, in the New York area, the New York Public Library, might be the logical center for research for the metropolitan area with reference center in other locations. Service would be available on a reciprocal basis for students, research workers, professional people, and the general public with a co-ordinated system of service including an efficient program of interlibrary loans, co-ordinated acquisitions, and union lists of periodicals available in this area. This program was developed and presented by a committee appointed by the Commissioner of Education in 1960. A program similar to this seems a necessity if we are to successfully face the challenge of the industrial and scientific revolution which is changing our lives almost on a day-to-day basis.

On the federal level, there has been a Library Service act in effect for several years, designed to provide services for rural areas. The new amended version proposed by the President would extend benefits to urban as well as rural libraries and includes grants to public and private institutions of higher education to assist them in book acquisition and the construction and equipping of libraries. Also provided by the proposal are funds to states for construction of libraries on a matching basis; student loans for prospective school librarians; and inclusion of school librarians in the proposed four year \$1.5 billion program for teacher salary improvement.

These represent some of the efforts being made to develop library service on all levels. While modest in the extreme, these proposals represent a beginning of the battle to make available books and information to all. It is recognition of the fact that not only are books vital to the self-governing citizen, but that even comparatively "enlightened" states face a most critical problem in utilizing scientific, technical, and other scholarly material that is available in print.

## Seeking Women Who Can Sew

Women who can pin, baste, hand-sew or machine-sew are urgently needed by the Nassau Chapter American Red Cross Office of Volunteers.

Mrs. Norman W. Hesler, Director of the Nassau Chapter Office of Volunteers said the need arose from a request from National Red Cross Headquarters to make 400 Djellabas (bey's robes) for Algerian refugee children. The Nassau Chapter is one of 40 in the Eastern Area being asked to assist in producing these needed garments. Nassau Chapter has been requested to have the quota (25,000) completed, packed and shipped by July 1.

To meet this emergency request a production room is being set up in the Chapter House, 264 Old Country Road, Mineola. The work will be done weekdays, Monday through Friday, from 9:30 A.M. to 4:00 P.M. starting April 22nd.

To facilitate scheduling, interested workers are urged to call the Nassau Red Cross Office of volunteers at Pioneer 7-3500 and indicate the hours when they are able to help.

William M. Gouse Jr. Post No. 3217  
By Eddie Kleing

Annual elections will take priority over the regular business at hand this coming Monday night at the Post. All members who can make it are urged to attend.

We made it again. The Department of New York awarded us with a banner for 100 per cent paid up membership for 1963. This year the color is maroon.

Jim Klueg dropped us a note at the last meeting telling us he couldn't attend because he was in bed with virus. We hope to see you at the next meeting Jim. George Kramer's leg continues to improve and it shouldn't be too long before we see him at a meeting.

With April almost over, a big one named May makes its appearance. To veterans organizations that means two things ... Poppies and Parades. This year's Buddy Poppy chairman, Art Puelling, received his supply of the little red flower and is completing arrangements for their sale.

Commander Ed. Shannon, George Walden and Lou Klein, this year's parade committee, report progress on the big Memorial Day Parade.

Also this May, the Ladies Auxiliary, is holding their Spring Dance on May 18. The motif will be with a Hawaiian accent, so it should prove interesting and entertaining as all their dances do.

Legislative news favoring veterans and their families finds V. F. W. national Commander in Chief Byron Gentry pushing hard for one of his key objectives. That is for a standing Committee on Veterans Affairs in the Senate. At present veteran legislation is divided among several Senate committees. One veterans committee would be a great improvement for veterans and their families.

Another key objective of the V.F.W. this year is the liberalization of the pension program. This would include a separate pension program for veterans of World War I.

The last meeting saw Bill Moraus winning the Post raffie. Our next meeting is April 22. Try your best to attend and exercise your right to vote. See you then.

## Should your next step be the Peace Corps?

Many college graduates have decided to volunteer for two years of service in the Peace Corps upon the completion of their formal academic training. Their reasons have been both practical and idealistic.

Perhaps such a decision would be the right one for you.

As a Peace Corps volunteer, you can make a valuable contribution in the world-wide battle against ignorance, poverty, tyranny and disease.

By sharing your American skill, knowledge and know-how with the peoples of rising nations, you can do something of importance for human dignity and welfare,

for world peace and freedom.

And you can do something for yourself as well. Service in the Peace Corps in South America, Asia or Africa is an investment that will add substantially to your professional competence and stature. It can provide an opportunity for experience and responsibility that will pay dividends throughout your career in the years ahead.

Teachers, engineers, mathematicians, archeologists, doctors, nurses, agricultural specialists, and liberal arts graduates in many other categories (probably including yours) are now being selected

by the Peace Corps. Placement tests (non-competitive) will be given soon. Use the coupon below to receive full information at once.

# The Villager

FOR THE RESIDENTS OF BIRCHWOOD PARK AT JERICHO

## Election Issue Next Week

Next week, the VILLAGER will print its 6th annual election issue. It will feature the pictures and summaries of all the candidates running for the Board of Directors of the Birchwood at Jericho Civic Association.

Reminder once again, Saturday night, May 4th, is the date for the election and supper dance. This annual affair will be held at the Jericho Country Club. It is free to all members. Membership in the Civic Association is open to all residents of the Village of Birchwood Park. Residents can send in their dues (\$5.00) to Elliot Forgoosh, 8 Middle Lane, Jericho, or at the Country Club that evening.

For members who cannot attend that evening, arrangements will be made for voting during the day at the Birchwood Shopping Center.

## Ten Pin Talk

by Henry Dockswell

Attention all you Alibis, Champs, Invalids, Mets, Morticians, Misfits, Royals, Spares, Splits, Tigers and Trophies Sat. night, May 4, we all have a chance to bring our wives and fraternize—it's the annual election night supper dance of our Birchwood at Jericho Civic Association. It will be a great opportunity for all of us to eat, meet the wives, dance instead of bowl and vote for the people of our beloved represent us for the coming years.

Your bowling average is not in contention here. All you need are two left feet, like the rest of us, an appetite for music and food and a desire to enjoy an evening's entertainment. All paid up members are invited for free and if nothing else, we're all paid up members. Because it is election night, only members of our Civic Assoc. can attend so make sure your friends, who may wish to accompany you, are members.

The fact, for all you people who can't go to bed on Sat. night unless you bowl a few games, put your paraphernalia in the car trunk where it will be handy when you need it.

Now let's see how the race for overall champion is processing. Leo Geyer's "Lions" are in front with 112 points. Hot on their heels are Jack Sloan's "Mets" with 107. These two teams are also tied for 1st place in the second half league standings. In 3rd place are Mort Levine's "Morticians" with 105 and right behind them with 104 are Dave Batterman and his "Tigers." In 5th place with 98 points are Sid Simon's "Trophies." This is not too far back to discount their chances but it would take some tall winning on their part and a general let down of the above mentioned

contenders for Sid's boys to the jack pot.

There are seven weeks left with 49 points for each team to win and lose. Anything can happen.

## Jericho Players In "Fair Game"

The initial 1963 dramatic endeavor for the Jericho Players will be presented when "Fair Game" is performed on May 10 and 11.

The Jericho Players, a non-professional group, under the sponsorship of the Birchwood Civic Assoc. of Jericho, will present a delightfully racy comedy that starred Sam Levene when it was shown on Broadway a few seasons ago.

Los Goldberg, of Bethpage, well known for his record of 22 productions around Long Island, is directing the play. Mr. Goldberg started his chain of successes by successfully producing the Leveaux Pollock for five years and has since worked for many communities such as Freeport and Bethpage. Los has the lastest for a line of humor to draw many laughs a minute from the audience.

The performances are scheduled for Friday and Saturday, May 10 and 11 at the Canning School, near the Westbury Music Fair. Tickets are on sale at \$2.00 per seat. Call Mimi Gruber, WE 8-8048.

## AIR PLANE FOUND

A remote control, model airplane was found on Miller R. near Circle Wipe, over the weekend. The owner can call OV 1-4889 to claim it.

## GOP CONGRESS PAUL REVERE

REPRESENTATIVE STEVEN B. DEROUNIAN, of New York, right, receives a lantern, symbolic of Paul Revere's famous ride, from Congressman Bob Wilson, of California, chairman of the National Republican Congressional Committee. Derounian is one of 32 leading Republican congressmen selected to participate in a whirlwind national speaking tour which started April 16 under auspices of the GOP Congressional Committee. Ten congressional "Paul Revere" panels, each with three members, will move through 28 states in six days speaking out on current issues facing the nation. Significantly, the launching of the GOP "Paul Revere" project coincides with the 188th anniversary of the famous ride of Paul Revere on April 18, 1775. The tour will take place during the Congressional Easter recess. Congressman Derounian (Rep. of Roslyn Estates) represents Nassau's Third Congressional District.

## Know Your Candidates Report

The P.T.A. Council of Central School District #2 Syosset announces that a committee is preparing a "Know Your Candidate" brochure which contain short biographical data and reasons for candidacy on each candidate for the forthcoming school board elections.

The brochures will be distributed throughout the community prior to the "Know Your Candidate" forum which will be held on April 29th at the South Woods Jr. H.S. This is a community service rendered by the P.T.A. council annually.

Candidates desiring to place their names in the brochure, publishing questionnaire requires all biographical information be received by the committee no later than April 19th.

Ed Note: The Syosset Education Committee of the Civic Association meets with the School Board.

Thursday, April 18 to discuss the School Budget and election. A full report will be given prior to May 8th.

## Another Auto Racing Season

On Sunday afternoon April 21, Freeport Stadium, the oldest continuously run short track in the United States, inaugurates another season of auto racing. It was announced by Billie Kodenburg and Duke Donaldson that over 100 cars are expected to be on hand for the gala opening.

All of last year's favorites and many new drivers will be seen at the Freeport oval, in their newly polished cars, each hoping for the first win in the sedan division there will be George Cousin, Les Ley, Ed Brunn-helz, Charles Brandt and last year's Novice Champion Marty Himes. Competing in the Novice division will be some favorites such as Bob Evans, Pete Sindene, Carl Siebert, Howard Hines, Hank Bede and many others.

## Baseball Auxiliary Meets Apr 24

The Women's Auxiliary of the Hicksville Baseball Assoc., Inc. will be holding their next meeting on Wednesday, April 24, at 8:30 P.M. in Levittown Hall.

The program for the evening will be "VEGETABLE BONNETS". Let's see your creative talents come to the surface. Please bring any fresh or imitation vegetable and ribbon you prefer to be used to create your own individual "Bonnet". Guest speaker for the evening will be James Marasch who is the manager of the Nursery Department of G.L.F. He will be giving some valuable information on the planting of vegetables and answering any questions pertaining to gardening problems. G. L. F. is donating a deer prize and the Auxiliary is giving out two more prizes for the most original hats. All of your women should enjoy a creative and informative evening topped off with delicious refreshments.

## Tulip Time Theme

Tulip Time will be the theme for the annual card and bunco party by the Rosary Altar Society of Our Lady of Mercy Church in Hicksville. Marge Carr and Natalie Heath, chairman for this event, promise a wonderful array of prizes and fun for all who attend on Tuesday, April 25 at 8:30 P.M. in the school auditorium. Tickets are \$1.25. A donation may win a beautiful cashmere sweater with a pink collar. Heading the sale of tickets are Ann Ramistella and Agatha Ciaidella. Refreshment chairmen are Liz Daepfer and Ellen Nalepa. ### COMET MEADOWMEN SCALP... GET SCALPED

And then suddenly the first place honeymoon was temporarily over for Varsity Lacrosse coach, Bill Meyer and his Comet warriors. They had ambushed Port Washington 4-3 in the league opener but, the next time out, were given a pastin by mighty Manhasset. "What an upset that would have been, had we won", said a hopped up member of the Comet entourage as he took his 50 Comet back into the safer world of Cometland. "And what a scalping that was", said another who had the rent money down on a Comet win. "Sure", agreed a 3rd... "They were very poor hosts and need a few 'Emily Post' lessons on how to treat visitors." "But this was all water under the bridge", said the 4th member of the party; a dyed in the wool "Man" who figured one loss does not a season make... Just wait till Clarke rolls into town", the guy added... "then we'll see what we've got going for us". And sure enough, it came to pass, last Tuesday morning and the loyal Met fan's faith in human nature was restored. The Comets cooled Clarke 3-1 and wound up with a 2nd place league standing by virtue of an impressive 2-1 mark. All in all, a fine rise of ballgame for the "Johnny come lately's" in the Lacrosse dodge. They nipped the Portmen, by scoring 3 goals in the first 5 minutes of play and then, doggedly held on for the 4-3 win. Rich Medina, the 5' 5" Comet whirlwind scored 3 goals and Alan Aber, pulled in the tuxedo flaps with the 4th marker of the game. Vs Manhasset, Dave Kosack averted a Comet shutout by scoring the lone tally, and against Clarke, Paul Woldkiewicz, Larry Wesolko and Rich Medina, each pulled in a score. "Considering the Manhasset rout, the boys came up with a real fine game", said mentor, Bill Meyer, after the win over Clarke. He had good words for his defensive combo and rated a 2 platoon, mid-field unit as the spark that makes the Comets click. "They run down the opposition and wind them", he said. Next comes Floral Park this Friday (away). After that, it's another travel date with Minnola, a perennial powerhouse in Lacrosse circles and after that Comes, Division Ave., at home next Friday. Look for the locals to be no worse off, than a 3-3 mark at the end of this homecoming.

JAYVEE JOTS ... Lacrosse Coach, Ron Benezio reports in with a 2-2 mark for the young season, which does not include the Clarke field fan-dango, held last Tuesday morning. The 2 wins were a 6-2 decision over Lynbrook and a 7-0 win over Port Washington. The pall lost went

to East Meadow (7-2) and Manhasset 11-4. Steve Schuster, rated as a real comer by Coach Benezio is the top scorer for the Locals with 8 goals. Dennis Yastras & Tom Cara follow with 3 goals apiece.

DIAMOND DUST... Varsity baseball coach, Dick Hagan also reports in with a 300 season in non-league play. The league opener scheduled for last Wed. went by the boards, due to a press deadline but we'll have these & other results pegged for the next column.

LOOK UP ... London has its' Big Ben & Cometland has its' Jr. High tower clock which old time Hicksville residents set store by, for ever a quarter of a century. Vandalism knocked it out of action, a few months back but now in place of a score of belts, cogs & pulleys, the old girl is back in shape with a modern electric drill. She even came in line for a bit of Easter finery, in the form of a pale green tinted dame, applied by district maintenance men Bill Bliga & Bob Gasser; the high wire boys of Dist. 17. Other members of this Yolanda, trapeze troupe are the carpenter crew consisting of Andy Koehler, Vin Ingino & Mike Gosta. They built the scaffold and have a job in store, renovating the old girl's interior & exterior woodwork. This work, which will eventually include a 2 coat paint job, was started last week and will continue well on through the next. Look for a photo of this operation in the next issue of the Herald. Credit where credits due, sez us, who rates our district maintenance crew as one of the finest in any school district. They rate a plug for this one... So look up when the bell tolls and give this venerable old landmark a smile of recognition - She deserves this extra attention.

## Best System Of Bus Service

"Nassau County has what is  
probably the best system of bus  
transportation of any suburban  
community in New York State,"  
said James F. Gorman, spokes-  
man for nine of Nassau's leading  
bus companies that carry some  
85% of the County's daily riders,  
at a hearing before the Nassau  
County Board of Supervisors in  
Mineola April 8. He cited as  
evidence one of the lowest average  
age of buses in the nation, 2 to 3  
minute headways on several main  
routes during rush hours, and the  
constant experimentation of the bus  
operators with additional routes -  
at their own expense.

The hearing, called by North  
Hempstead Town Supervisor Clinton  
Martin, discussed the need for a  
\$38,800,000 County survey of  
Nassau's bus routes, as proposed  
by County Executive Eugene  
Nickerson. The bus company of-  
ficials expressed strong opposition  
to several objectives of the sur-  
vey as not being in the interest  
of the riding public and the bus  
operators - and infringing upon  
areas under the supervision of  
the N. Y. State Public Service  
Commission. They pointed out that  
similar rider surveys have tradi-  
tionally been carried out by the  
Public Service Commission, and  
regularly augmented by individual  
companies at their own expense  
when considering new or extended  
routes.

## League to Honor Nathan Kronen

Nathan Kronen, 58 Miller Road,  
Bethpage, a member of the sales  
staff for the past 25 years of Ben-  
edict Glass Works, Hicksville,  
will be guest of honor at a break-  
fast sponsored by the Levittown  
Division of the Anti-Defamation  
League Appeal. The breakfast is  
set for Sunday morning, April 21st  
at Levittown Hall, Hicksville. It  
was announced by Ben Siegel and  
Arthur Bloom, co-chairmen of the  
division.

Kronen is being honored for his  
"outstanding service to the cause  
of human rights." Frederick W.  
Kramer, ADL Appeal chairman of the  
Metropolitan Council of East  
Fifth will make a major address  
at the breakfast which launches the  
Levittown Division's effort on be-  
half of the ADL's Appeal for \$3,  
940,000.

## Court of Honor For Post 433

Post 433, sponsored by the Levittown-Hicksville B.P.O.E. #1931, held a combined explorer-parent dinner and Court of Honor at the Jamaica Ave School on March 28. Associate advisor St. Golub announced the tremendous total of sixty people participating in the chicken dinner with all the trimmings.

At the completion of the meal Post President Chip Kilgus led the Explorers in the Explorer Code. Vice-President Mike Devlin, assisted by associate advisor Phil Welmer, inducted two new Explorers into the Post. The new Explorers were Ray Devlin and Gerry Keough.

Joseph Frino, Advancement Chairman, then proceeded to award various badges and rank advancements to the boys who had earned them within the past four months. The boys receiving Merit Badges were: Gene Cuomo, Athletics; Mike Devlin, Cooking, Citizenship in the Home; Frank DeSanto, Personal Fitness; Richard DeSanto, Cooking; Joseph Frino, Camping, Firemanship, Public Health, Citizenship in the Nation; Ira Goldstein, Cooking, Swimming; Mike Golub, Athletics, Music; David Halpern, Swimming, Scholarship, Citizenship in the Nation; Chip Kilgus, Public Health; Jay Kotcher and Steve Kompass, Home Repair; Bill McDaniel, Citizenship in the Community, Citizenship in the Nation, Citizenship in the Home; Lou Robbins, Cooking, Electricity; Phil Welmer, Citizenship in the Nation.

Frino was especially proud of the rank advancement of the following Explorers to Star: Mike Devlin, Ira Goldstein and David Halpern.

Advisor Ed Kilgus presented the Officers with their Identifying Strips. The Officers are: President, Chip Kilgus; Vice-President, Mike Devlin; Treasurer, Frank DeSanto; Recording Secretary, Chris Tylicke; Corresponding Secretary, Ricky Welberg; Vice President, David Halpern; Representatives, Phil Welmer, Lou Robbins and Joe Frino.

## Legionnaire's Log

Charles Wagner Post  
No. 421, Hicksville

BY ARTIE RUTZ

In last week's column I mentioned that a special key would be used to gain admittance to our new game and recreation room and promptly this was misinterpreted as a "key club" elsewhere's in this newspaper.... 'taint' so, actually this was an extra expanded accommodation for the membership along the lines of improved service.... One of the many items uncovered by our Research & Planning Committee.... Our Bingo Committee put in a very active week and the results were gratifying to all.... Our next sponsored game is on May 2nd.... Our annual Bartenders get-together is scheduled for May 11th and our new hall and facilities should be in great shape by then.... Delegates and alternates to the 3rd Division Caucus which is scheduled for next Wednesday, April 24th, will see for the first time Bayville's new, beachfront glass and brick edifice.... Many of us have seen the outside of the building but few have been able to see what the inside contains.... Unless a last minute

solution is obtained, the 1963 national convention will be moved from New Orleans to Miami (for the umpteenth time) due to the integration issue.... Several Posts in each Division are readying bids for the 1964 Nassau County Convention, including the Charles Wagner Post.... Last time we hosted a Nassau County Convention was way back in 1928 when Henry C. Brengel was the major domo of the Post.... My, how the Legion has grown since then.... Plans for the annual Hicksville Memorial Day Parade sponsored by the Hicksville Veterans groups are well advanced and should be the greatest ever.... Incidentally, the Color Guard is still looking for new members, how about you??? See Commander O'Neill or Sgt. Bob Mangels.... Must say that the By-Laws Revision Committee is hard at work racing to complete a difficult task before this Legion year runs out.... Great interest in our new quarters is being shown by the large amount of requests for accommodations for the future by interested parties.... Have you bought a Building Bond lately?

## Hicksville Classroom Teachers Association

Hicksville Public Schools

Hicksville, Long Island, New York

April 5, 1963

Residents  
Union Free School District #17

Dear Parents and Voters,

The message of School Superintendent Donald Abt in the current edition of "Bulletin Board" has placed the educational needs of our community squarely in perspective. The crucial issue in Hicksville today revolves around the question of who shall control education in Union Free School District #17. We are faced with the choice of being free to continue to try to meet the individual needs of all the children or being forced to knuckle under to the dictates of a clique whose only educational philosophy is the dollar sign. As teachers, dedicated to the welfare of our charges, our responsibility is clear. We must do everything in our power to ensure the perpetuation of quality education as our contribution to the American goal of a free world.

It is not an exaggeration to say that no school system can be any better than the people who staff and operate it. But it is equally true that school personnel can not function adequately without the permission of, and support from, their Board of Education. Given the kind of administrative leadership we have in our schools, it is essential that we also have a Board which permits them to lead without harassment; which respects their professional integrity and trusts their judgment in educational matters. It is imperative, therefore, that all the issues be brought to the community for full and fair discussion so that it can choose wisely in determining the kind of education it wants for its children.

We believe that education in a democracy is the responsibility of all the people. We are convinced that professional educators are the ones best equipped to make recommendations of educational policy. We subscribe whole-heartedly to the thesis that the taxpayer is entitled to full value for every dollar spent on education. We are opposed to gaudy frills, or fancy buildings, or "feather-bedding," or incidental luxuries. What we want are classes of reasonable size, sufficient room in which to teach them, whatever materials and equipment are required to do a good job, textbooks reviewed and chosen for their worth by qualified professional educators, conditions of work which do not detract from our ability to teach, and fair recompense for our academic preparation and time and effort.

We urge all of you to register (April 27 and May 1) and vote (May 8) in the coming election for school board trustees. We hope that you will support only those candidates whose records and statements indicate that they will place the welfare of the children of Hicksville above any other consideration. We trust that you will elect a school board who will spend your money wisely and well to obtain for your children the best education you can truly afford.

Respectfully,  
  
James Curran, President  
Hicksville Classroom Teachers Assoc.
