Students Participate in Essay Contest for Chamber Prize Award

Monday, May 20th, marks the 315th anniversary of the Robert Williams Purchase of the site of Hicksville and vicinity from the Indians. The Hicksville Board of Education has adopted a resolution calling upon all citizens and students to observe this historic event in community history. More than 500 seventh grade Social Studies students are participating in an essay contest on the Robert Williams theme.

Richard Evers is coordinating the essay contest in junior high. Hicksville Chamber of Commerce Lawrence McCaffrey said the chamber will provide a prize for the best essay which is scheduled for publication in the HERALD issue of May 30.

All residents are being asked to display their American flags on Monday in observance of the historic Robert Williams Purchase in 1648. The incident is recorded in a painting on the wall of the Junior High School auditorium.

Chief Pugnapan of the Matinecock tribe sold the area to Williams for an unspecified quantity of English cloth. According to the late Jesse Merritt, Nassau County historian for many years, "Hicksville is one of the few L.I. communities whose history goes back to the original Indian purchase." The spot where the purchase is alleged to have taken place is at the corner of Cantigue Rock Rd. and W. John St. on the Oyster Bay-North Hempstead Town boundary line.

The Williams story is vague and disjointed. A man of some means in Hempstead and a carpenter by trade, he bought the nine square miles of land when he was about 48 years of age. Eventually he took up his residence in Jericho about 1666.

IMAGINATIVE PAINTING of Robert Williams shaking hands with Indian Chief Pugnapan in the historic purchase of the site of Hicksville and parts of Jericho, Plainview and Bethpage on May 20, 1648. The 315th anniversary of this event takes place next Monday. (Photo by Albert J. Willey of painting in Hicksville Junior High School auditorium).

Braun President Of PTA Council

The officers of the Hicksville Council of PTA Units will be installed for the 1963-64 school year at the Lee Ave. School on Wednesday, May 22 at 8:15 p.m. Bernard H. Braun will be installed as President; Mrs. Anthony Ruffa, Vice President; Mrs. James Kudless, Recording Secretary; Mrs. Clifford Henderson, Corresponding Secretary and Mrs. Jacques Schwartz, Treasurer.

See School Tax Rate Dropping

Each passing month brings an improvement and downward revision in the anticipated school tax rate for Hicksville. As of May 1 the assessment of the District is forecast at \$93,665,633 compared with \$91,378,848 last year and based upon the budget approved by the voters, the tax rate next year may be \$5.705 per \$100 or a total of \$5.943 with the library tax.

The official tax rate will not be set until the assessment as of Aug. 1 is received. The rate as projected on May 1 is .042 lower than the forecast as of April 1.

FIRST FIELD DAY for Girl Scouts was held May 4 at Hicksville High School. Top, from the left, are Mrs. Olga A. Arnold, public relations chairman; Mrs. Mae Ryan, Mrs. Helen Ostahr and Mrs. Doris Khueg, field day committee; Joseph Madden, Hicksville School District recreation director and field day chairman; Rosemary Walsh, assistant chairman; Joe Umbria and John Santora, field day committee; and Mrs. Ruthe Aronoff, Hicksville III Neighborhood Girl Scout chairman. Lower picture, all leaders and committee members. (Photos by P. Charbonnet).

Dear Lynda :

A friend of our editor's first days in Hicksville as a local newsman, STANLEY ROSS, is today editor and general manager of the Brooklyn Eagle. When publishing operations were conducted on Frederick Place (way back when), Stanley was advertising salesman. EDWARD REDMOND was publisher in those gay days. We got a letter from a New York City firm this week asking for our "description rates", obviously meaning subscription. We hear, from reliable sources, a theatre is planned for Mid Island Plaza. The Plaza has an application before the town board for a billiard club and a public hearing in Oyster Bay is scheduled for 10AM Tuesday, May 28. That makes the third such request in Hicksville in recent weeks, although the two earlier applications are described as billiard parlors. Reorganization meeting of school boards, by law, takes place on Tuesday, July 2. This being a five Friday month, the next regular meeting of Hicksville School Board is May 31. Former town supervisor HARRY TAPPEN was the guest of HENRY C. BRENGEL at the Hicksville Kiwanis on May 8. The club is planning an inter-club with Toronto, Canada, in July. Ladies are being invited for the full day which begins with breakfast on the plane going north, sightseeing, dinner on the plane on the return trip. Town Councilman Ed Poulos was scheduled to speak to the Kiwanis this week on the subject of Communism.

Hicksville Board of Fire Commissioners has placed an order for delivery of a brand new ambulance. Wrecked sand truck in GUS REIDLINGER's yard, Broadway and Old Country Rd., is attracting a lot of notice from the passing public. County Police Commissioner JAMES J. KELLY announces that the dept will open its list of Police Cadet applicants until June 15. Thirty-nine are now assigned to non-enforcement work at headquarters and in the precincts. CHARLES R. CARROLL of Hicksville is a member of the committee when the Boston College Club of Long Island holds its annual reception and dinner at the Mulleridge Inn, Jericho, May 22. Very Rev. Michael P. Walsh, SJ, president of Boston College, will be honored guest. County Executive NICKERSON has announced local winners of Certificates of Merit for graduating seniors in high schools: STEPHEN YOHAY and PHYLLIS BORSKY of Plainview, and BARBARA JABOUR and EDWARD KRAMER of Hicksville. Awards will be presented this Friday night. Mrs. ERANK P. STRAFER Jr. of 23 Plover Lane, Hicksville, has been named a chairman for "Nassau Looks to the Future", an all-day conference on suburban problems set for Saturday, May 25, at Garden City Hotel. Mrs. FRANCIS P. MURPHY of Hicksville is chairman for the annual spring dance of the Nassau County Council of Camp Fire Girls set for this Friday evening at Huntington Town House. Nassau Welfare Commissioner McMANUS is accepting bids until 10 AM on June 7 on five houses, including one in Hicksville, to be sold to the highest bidder. The local dwelling is at 49 Lawnview Ave., one-family, seven rooms and bath with \$5,000 the lowest price that will be accepted.

What wife of what butcher admitted buying meat in what supermarket? ... LOU KAPPSTATTER is chairman of the annual Hicksville Chamber of Commerce golf tournament set for June 4 at Huntington Crescent Club. Rotarians already have one leg on a three-legged trophy awarded annually. GEORGE W. KUNZ of Arcadia Lane, Hicksville, was among 5,000 school board members from all sections of the nation in attendance at the 23rd annual convention of the National School Board Assoc. in Denver the last week in April. The press of local school campaign news froze out a news report on this event sooner.

MABEL R. FARLEY, former principal of Hicksville High School, was invited to President KENNEDY to attend the May 9 and 10 meeting of the President's Committee on Employment of the Handicapped and reports it was a challenging conference. In 1960 she was invited by President EISENHOWER to the White House Conference for Children and Youth. While she wished a Hicksville girl was among the state writing contest winners she was pleased to note that a Long Island did win: SUSAN TUCK of Farmingdale. BEVERLEY AHLEN, a junior at the State University College at Fredonia and daughter of Mr. and Mrs. H.B. Ahlsen of 5 Spruce St., Hicksville, played violin with the College Symphony Orchestra in a concert on Apr. 30.

BONES McCUNNIE reports his Little Inn Inn-ball team is ready to do battle with a team from Shea's on the Hicksville High Field this Sunday starting at 2 PM. It should be interesting. LARRY (I gonna sue) PAGANO doesn't seem to be able to stop raving about his grandchild. BILL BRUNO found himself in a box at the School Board meeting the other night when it came a vote regarding a motion of censure against him being tabled. After stalling for some moments, he asked for a five minute recess and was observed consulting with an attorney. He finally abstained and the final vote was three for censure and three opposed. The move was prompted by an inaccurate report of Board action attributed to BRUNO and published locally (not in the Herald).

CARD OF THANKS

In deep appreciation we give heartfelt thanks to Rev. Edward Stammel, the Hicksville Fire Dept., the Exempt and Benevolent Firemen Assoc., the Ladies Auxiliary, and the Drill Team of the Hicksville Fire Dept., the Nassau County Drill Teams Captains Assoc., fellow workers at Republic Aviation, our many, many friends and neighbors, who by their expressions of sympathy lessened the blow of the sudden loss of our husband, father, grandfather and brother.

Mrs. George McCue and family.

Senior High PTA Has Installation

The following officers were installed at the Hicksville Senior High School PTA meeting on May 16th: Mildred Polanski, President; Virginia Ehrlich, Vice President; Hertha Ward, Recording Secretary; Anne Landress, Corresponding Secretary and Raymond Rusch, Treasurer. The High School PTA is happy to announce that the net profits for "Music Man" for the first performance totaled over \$500.00. This money will be used entirely for the PTA Scholarship Fund.

Attending Chiropractic Session

Dr. George Loucks of 380 South Broadway, Hicksville, will be attending the first Chiropractic Assoc. of N. Y. Convention to be held since the favorable enactment of Legislation licensing chiropractors in New York State. This leaves but three states in the nation that are not licensed.

The many angles dealing with the establishment of an examining board for present and future practitioners and the election of officers of the association for the ensuing year will highlight the convention.

The convention will be held at Saratoga Springs beginning today (May 16). All reports indicate it will be the largest convention of the Association ever held.

Dr. Loucks is the past president of the Long Island District of the N. Y. State Chiropractic Society and has been practicing in Hicksville for many years.

Henry G. Eismann opened the American Legion Poppy Day drive with his donation to Jr. Miss Poppy, Maria Ciadella. Eismann is a Charter member and well known figure around the Charles Wagner Post American Legion and is most helpful in Auxiliary projects.

Our Poppy Drive is now underway and everyone's help is again needed to distribute poppies. If every member would give a little time it would make the job so much easier. We are in the process of making poppy wreaths and corsages. Anyone wishing to order any may call Lillian Bosch, FY 9-5688 or Cynthia Hochbrueckner, WE 5-3546. Poppy Day is a tribute to our deceased and disabled Veterans. They have given so much for us - we can certainly give a little or our time. The distribution of poppies does not end on May 17th but continues throughout May 30th, Memorial Day.

All Gold Star Mothers in the Hicksville area are invited to participate in the Memorial Day ceremonies. If they have not already been contacted, please call Mrs. Lillian Doran, WE 1-0478 so she can make the necessary arrangements.

Initiation of new members was held at the May meeting of the Charles Wagner Post American Legion Auxiliary. The following members were initiated: Fannie Cesta, Marion Corbette, Marie Gamble, Alma Hirsch and Dolores Portunio. The Initiating Officer was Mrs. Dorothy Fricke.

The cake sale was a huge success. Thanks go to Chairman Mrs. Anna Brengel and all those who worked so hard. Our appreciation again to Braun's Market, 77 Broadway, for the use of their store and all their courtesies.

Herald Editorial Opinion:

Happy Birthday, Hicksville

In our great nation where many of our mid-western cities and states have yet to reach the first century mark, the historic significance of Robert Williams Day for Hicksville on May 20 can not be lightly dismissed.

This historic land purchase took place and was recorded only a few short years after Henry Hudson had first sailed thru New York harbor. It took place before the Town of Oyster Bay was created; in fact, Robert Williams was one of the participants in the purchase (a few years later) of Oyster Bay from the Indians. A considerable operator

in land transactions, his name appears in connection with the establishment of Glen Cove and his sons' names are related in the Colonial history of Huntington.

Fifteen years ago Hicksville had a gala eight-day program to celebrate the rounding of the first three centuries.

Next Monday is Hicksville's 315th birthday and it would be nice to at least have a generous display of American flags to mark the occasion.

Strictly Business

by Jim Cummings

This column which has appeared locally for the past ten years, resumes this week in the HERALD by popular demand. Your reporter will cover the many changing scenes here on our ever-growing Long Island. Speaking of growth and expansion we attended the installation of the Hicksville Chamber of Commerce last Friday at the Milleridge Inn, Henry G. Elsemann was installing officer. We can recall back some 11 years ago, when a handful of businessmen met at the Montana Agency office at 115 Broadway and with the help and guidance of Bill Payoski, Al Schackner, Frank Andersen, Bill Koutzensky and the late Ernie Franke organized what was to become one of Long Island's most important links between all business and industry in the fastest growing township in the United States. One of the Town officials really "on the scene" is Carl Gruenwald, a real traffic expert and Town Councilman from Hicksville, who is at the scene quite often each week before some early commuters checking this crossing and re-routing traffic to keep North and South of town clear. We are confident that with men like Carl Gruenwald and strong support of our ever-growing Chamber (thanks to Membership Chairman-Bill Koutzensky, President of L.I. National Bank) we will get a completion of this ER Elimination Program on schedule. The big crowd at Gertz (Mid Island Plaza) last Saturday, were enjoying the Swim Fashions being modeled by the Aqua Girls from the "Aqua Spectacular" out at Long Island Arena this week. We caught the show Saturday eve - very colorful, spectacular and entertaining, see it if you can. Steve's Coffee shop at R.R. station will be moving north into the new building opposite the Hicksville P.O. upon completion - good luck Steve! Jim Kraus, manager of Newberry's, Mid Island Plaza has dozens of letters congratulating him on the idea of a "Charity Booth" which is located on the main floor, if you have need for such programs, contact Newberry's WE-8-8650 or drop in in person while your

shopping at the Plaza. Miss Rheingold will meet the METS at Mid Island Plaza on Wednesday evening, June 5th at 7 P.M. Plans to be a "Really Big" evening for the entire family, plus TV personalities we hear. One of the largest organ distributors will open shortly on West John St., near the entrance to the Plaza, these we hear will be portable organs for the home, etc. MICHAEL D'AURIA, one of Long Island's busiest attorneys has returned with his wife Joan from a whirlwind tour of Europe. Mike very active in all community activities has added Judge Advocate of the American Legion to his schedule. Nassau County Mobile voter REGISTRATION Trailer will be at MID ISLAND PLAZA next Friday and Saturday, May 24-May 25th. Knights of Columbus Softball Team is ready for their game this Sunday, in Queens vs Morris Park Council. Quite a group of Ball Players as we watched the other evening - that Barney Devlin has "some following". Be sure to make your donation by check to the HICKSVILLE FIRE DEPARTMENT as they prepare for the 1963 Labor Day Tournament at Mid Island Plaza. Bob Hammond, is Chairman. Items of interest and business notes may be sent to Jim Cummings, 358-B Mid Island Plaza, Hicksville.

Charles Wagner Post
No. 421, Hicksville

BY ARTIE RUTZ

After last Saturday's unofficial hall christening by the large group of working committees' active members, there's no doubt that a great many Hicksville inhabitants will get the HHH in the near future. A great and congenial crowd enjoyed a very friendly evening testing out the new dance floor. Even Tony Bell's Trio moved around a bit, sampling this location and that location, for the best acoustical results. Thanks

and congratulations must go to the food (and thanks to the House and congratulations must go to Joe Rastro for the wonderfully fine Southern Fried Chicken that was served (and all you could eat!) Everyone commented very highly on the tastiness of the food (and thanks to the House Committee for the other refreshments, they went well also). I've seen and heard of people spilling the beans, but it was the first time I had seen baked potatoes being spilled. So, alright, we could have had a 'hot' potato race anyway. It was nice to finally see the hall cleaned up after months and months of dirty, dusty construction work. It's gonna be a great place to start that HHH in. That stands for HAPPY HICKSVILLE HABIT, and that's all I'm going to say about it for today, but more to come in the future. And speaking of the future, Joe Slattery won himself a \$100 Building Bond which will pay \$6 a year for quite some years to come, and then he still gets the \$100. It was a grand night for table hoppin' and somehow I left with the feeling that someone made me unofficial Chairman of a Committee of One to make transportation and housing inquiries for the Dept. of New York Convention at Rochester on Aug. 1, 2 and 3. At this moment five couples have signified their intention to attend the entire convention and possibly two more will be there for the parade on the night of Aug. 2nd. If you would like to join them just give me a ring and I'll try to give you all the information required. It's no secret that our Post has submitted a bid for the 1964 Nassau County American Legion Convention. We last hosted a convention way back in 1928; the By-Laws Committee has been, and is, working desperately against a looming deadline, trying to complete and present to the membership, an up-to-date complete and revised set of By Laws. One change in the By-Laws affects the annual dues and after last winter's raise in the National per Capita Tax, it should surprise no one. Donations of wooden clothes hangers for our new cloak room is requested and if you have any extra ones hanging around your place that you won't need, please bring them to the Post and let them hang around there where they can do some good. Unexplained delay on the Department level has most Nassau Auxiliary Units working overtime and hurriedly, to get their American Legion Poppies out to the public. The Nominating Committee made their first report at the last meeting and Election Night will be on June 3rd. Would appreciate little help. For the Post History Project I still need pictures of Judd Snyder and Emanuel Smolik for our Past Commander's Rogues Gallery. Can you be of assistance? Don't forget that Memorial Day is but two weeks away and you are needed to march in the parade with the Post. Bring your friends, we have plenty of membership applications for Hicksville's largest and best veterans' organizations. The Charles Wagner Post #421.

This is It. Show Time! Show Time! May 24, 25

At Left - Alice and Art. Above
Lola and Art.

By Flo Lubin.

Your community theatre group, The West Birchwood Little Theatre Group, presents this Friday and Saturday night, May 24th and 25th in the Canticque School Auditorium, "The Seven Year Itch", at 8:45.

Now is the time for you to back up all your friends and neighbors who for months have worked and studied both before the lights and behind the scenes putting together a worthwhile community enterprise. Surely you can fulfill your part with loyalty and confidence by attending as part of the audience.

Even with sickness, the cast and crew have given so much of their time and energy to making this production a theatrical success. It is up to you to make it a box office success.

We have mentioned before the idea of showing the artistic talents other than dramatic during the production in the school lobby. The art work would be on display in between the acts. People like Sid Litt, Pat Mannheim, Dorothy Ringler, Marc Retzkin, Durwood Guy, and so many others we do not know, who can paint beautifully should contact me immediately at WE 5-6506. This is open to all

Jericho residents. This includes Beverly Bogen, Marilyn Kaplan, Sandy Gross, etc.

All this will help to make a great evening at the theatre. So don't be haphazard.

Remember now, Art Soberman, Alice Nussbaum, Lola Rosenthal, Mike Steinberg, Jerry Meister, Jonny Harmon, Annette Rubenstein, Ronnie Albin, Gloria Fromchick, Elaine Sachs, and Lemmie Goodstadt are all counting on you. Whatever you do, don't disappoint them. The tickets are only \$1.75 and the laughs in this show will be worth a million.

Marilyn Meister should be contacted for tickets WE 8-8275.

Welfare Group Scores Cleanup

An accumulation of builder's rubbish on a lot at the intersection of Saratoga and Canticque Streets was removed by the builder following a complaint filed by A. Wynn, Welfare Committee representative, with the Town of Oyster Bay.

Additional complaints concerning cracked sidewalks and faulty concrete work in various parts of our development were submitted by Wynn to the Nassau County Planning Commission. The Commission has sent an investigator to examine the sidewalks cited in the complaint and has agreed to seek corrective action. In a letter dated April 30, moreover, the Planning Commission gave assurances to the Welfare Committee that a thorough investigation of the quality of the concrete work in the development will be made as quickly as possible.

A plan to establish a Consumer's Checklist for the purpose of rating the work done by private contractors in the community was submitted to a Legal Committee established by the Board of Directors for this purpose. The Legal Committee gave its endorsement to the plan, and recommended that it be presented to the Board of Directors.

The Welfare Committee meets at 8:30 P.M. on the second Thursday in each month. Information concerning the location of the meeting may be obtained from Richard Harrison, CE 3-5876. All members of the Civic Assoc. are welcome.

Robins Capture First 2 Games

BY BERNIE MONKARSH

Right-hander Howie Cole, of the Floyd Bennett Robins, turned in a brilliant no-hitter against Gramercy Gardens on opening day of the 1963 Jericho Softball League. Cole's stunning 10-0 no-hit performance was the first of its kind in the league's three year history. Cole allowed one man to reach first base on an error, but the runner never advanced past that point. The stymied hitters never got a ball out of the infield. Sal LaPicolle, the Robins' short fielder, turned in the fielding gem of the day when he took a hard grounder up the middle and threw the man out at first thereby preserving Cole's no-hitter.

The Robins collected eleven hits in their assault on Gramercy Gardens' pitcher Harold Hochstein. The Red Breasts' attack was paced by a pair of round trippers, one by Bob Ballou, and another by Cole's battery-mate Ray Richman.

The Floyd Bennett Robins, behind the strength of Howie Cole's four hit pitching, took their second game of the young season by ripping the B'nai B'rith Bombers 10-3. The Robins broke the game wide open in the first inning. They were "given" four un-earned runs when the left side of the Bombers' infield seemed to collapse. The Robins came back with four earned runs in the second and added two more in the sixth. The Bombers' three runs came on a sixth inning three-run blast by Bob Miller, B'nai B'rith's bid for Rookie of the Year.

HEAR MacGREGOR

Robert W. MacGregor, Director of the Nassau County Dept. of Labor Relations, will be the guest speaker at the May 22 meeting of the Syosset-Jericho Democratic Club, at the Syosset Town and Country Diner at 8:30 PM on Wednesday, May 22. MacGregor's topic will be the development and functions of his newly created County Department.

EDITORIAL

Reflections on the Elections

The results in the recent Jericho school voting were just about what we expected. The budget was approved because the rise in the tax rate was minimal and we consider this a compliment to the school board, realizing that 17 other Long Island school districts rejected their budgets.

The addition to the high school was passed by a slim margin. There was a great deal of opposition to this proposition even though its proponents worked hard to obtain the approval of the taxpayers. This issue aroused much controversy and discussion. This was good for the community. We need an informed and vocal electorate.

The other propositions were defeated by margins ranging from small to overwhelming, thus reflecting the desire of the community for education without frills.

We congratulate Hal-Curtis Felsner and Ira Hyams on their election to the School Board and wish them well. We hope that they will live up to the splendid accomplishments of their predecessors, Samuel Hecht and Harold Spielman.

One last point. We were rather disappointed by the lack of interest in the elections shown by our contemporaries on the VILLAGE. Perhaps it was due to the fact that THE VILLAGE OF BIRCHWOOD PARK is in the Syosset School district as well as the Jericho district.

A vote of thanks for a job well done to the Education Committee of the West Birchwood Civic Assoc.

chairman says, "In 3 or 4 years (that is in 1966-67) the enrollment will grow to nearly 2000 and thereafter will be over 2000." Can't they agree even on their own figures.

I am in favor of good education for all children. I am opposed to spending money not associated with education. The school system is not a baby sitter, nutrition expert, country club, swimming instructor, or welfare agency. Money has already been wasted on building many schools where one adequate building would have sufficed. All this waste has been carried out on the nonsense semantically termed, "the concept of the neighborhood school." Remember for every school one needs land, a foundation, a roof, a heating plant, and naturally a principal, and never forget a lunchroom, gymnasium, auditorium, etc., etc.

The builder and selling agent refer to this development as the next "Great Neck." Remember Great Neck is already paying nearly \$1000.00 per family in school taxes. Is my appraisal that the continuing rate of increase in our school taxes will raise ours to \$1500 per family so visionary.

The chairman, himself, admits that fully 50% of the budget is mandated and this mandated portion will continue to increase. I repeat, this addition to the high school is unnecessary. Even the School Board suggests an alternative that the conversion of one of the schools to a junior high school. If the tax payers of this community do not stop these expenditures now, you will be paying such high taxes. I won't because I won't be here.

It would be well, if the proponents of an addition to the high school would get their facts straight instead of casting aspersions on others. The Jericho School News April, 1963 states: "The State Education Dept. . . classifies our school as having a capacity of 1200." The chairman states, "... the proper capacity to be 1000." The Jericho News presents a graph showing the number of students in grades 7-12 will reach 2166 by 1970. The

FOR THE RESIDENTS OF BIRCHWOOD PARK AT JERICHO

Approve Budgets In Two Districts

By Horace Bernstein

Both the Jericho and Syosset School Budgets were passed by the voters last Wednesday, May 8th. In Jericho, the Budget passed by a vote of 1,314 to 1,043. However, four of the five propositions on the ballot were defeated. Just the 700-pupil high school addition

passed. In the vote for trustees, Hal-Curtis Felsner and Ira Hyams were elected. Ira Hyams' election is unofficial in as much as Mario Della Vecchia has requested a recount since the vote was 1,167 to 1,145.

In Syosset the Budget was passed 986 to 967 (a mere 19 votes). The sale of our Birchwood site was approved by 1,613 to 328. The library budget was approved 997 to 855.

The school tax in Jericho will now be \$5.55 per \$100 of assessed valuation and in Syosset (our section) \$6.05 per \$100 of assessed valuation. It is expected that for this year only there will be a drop of 30 cents making it \$5.75 with the sale of the Birchwood property.

Next weeks addition of the VILLAGER will have an interpretation of the vote in both districts.

Ten Pin Talk

by Henry Dockswell

The 'Morticlans' have suddenly come to life. Never too far off the pace they suddenly rose up and gave notice that as first half champs they were now ready for the run to the wire. Once again they were led by Gerry Reichgott. Gerry came up with a crushing 248 and crushing it was to Milt Goldberg's 'Spartans' to the tune of a 7-0 shutout. Just 3 weeks ago Gerry bowled a fine 558 series. Class B, to take the lead in that department and now this 248 gives him the high game lead in Class B. In addition, he is also tied at 9 points with Mack Cushing for the Most Improved Bowler Trophy. He better have an empty shelf in his den. The 'Morticlans' are now in 2nd place, just seven points behind the league leading 'Mets' and tied in the overall race with these same 'Mets.'

Norman Ney helped his 'Lion' teammates to a 5-2 win over Marv Cohen's 'Champs' when he threw a strong 200. The 'Lions' and Cap's Leo Geyer were doing fine until the third game. Suddenly Stan Jarvis, the 'Champs' big gun, found the range and bowled a 201, and when Marv Rubenstein bowled his first really good one, a 203, they salvaged the last 2 pointer. This one by Stan was his 8th game in the 200's and he now leads the race for that trophy.

Sid Simon, who three weeks ago broke his own High Series Class A record when he had a 617 for the night, threw a 225 and led his 'Trophies' to a 5-2 win over Sol Rabinowitz's 'Invaders'. Sid's boys are down in 8th place and it looks as though its just too late for them. They are 17 points out with just 4 weeks left to go. This was Sid's fifth such game this year but it looks as though time may have run out for him too in the race for Most 200 Games.

Jerry Lerman tried to continue his team's fast pace of last week when the 'Splits' shut out their opposition and rose to 3rd place, but to no avail. He came up with his first good one, an even 200, but the best the 'Splits' could do was take only one game from the league leading 'Mets' and they dropped back to 6th place.

Our last night of bowling is June 3rd, and then comes our Dinner Dance on Sat. night, June 8th, at the Pine Hollow Country Club.

Civic Play Catches Fire

During the second act of the Jericho Players play, "Fair Game" on Friday, May 17th, the stage curtain suddenly burst into flames. Thanks to the coolness of the members of the cast who were behind the stage, the fire was put out immediately without any excitement or interruption of the play.

The Jericho Fire Dept. was called and informed that there had been a fire, which was put out and it was not necessary for them to come. The call was for information only. About two hours later, members of the dept. did come to the school, but only to investigate.

Rumors had it that the Jericho Fire Dept. was called to put out the fire and that it took them two hours to respond to the call. The above paragraph is the true and official report and in no way were the Jericho Fire Dept. or the Jericho Players neglectful.

Annual Meeting For Red Cross

Mrs. Russell S. Burdge and Mrs. Walter S. Klea, Co-Chairmen of the Syosset-Jericho Branch of The American Red Cross announce the Annual Meeting to be held at the home of Mrs. Edward C. Lord, Split Rock Road, Syosset, at 10 AM, Thursday May 23.

New officers will be installed and year-end reports will be submitted by the chairmen of the various Red Cross services. Henry Hartmann, Director of Safety Services of The Nassau County Chapter, will speak on the timely subject of water safety.

Robbins Lane PTA Invites Appetites

The Robbins Lane PTA invites all its members and friends to bring their appetites to their Covered Dish Supper to be held on Tuesday evening, May 21, at 7:30 P.M. at the school. In addition to the supper, new officers will be installed, a faculty gift tendered and a life membership awarded.

Following this part of the meeting, at 9 P.M., there will be a discussion on the problems of Civil Defense. Three representatives of local Civil Defense organizations will present current methods and trends. Taking the opposing point of view will be Mrs. Natalie Freid-

man of Women Strike for Peace and Prof. James Raz, a physicist who has made an extensive study of Civil Defense.

COMETS IN LEAGUE TIE...
PACED BY Southpaw, Jim Erwin coming up with his 8th and 9th win of the season, Coach Dick Hogan's Comet nine wound up in a 1st place tie with Clarke and Mac Arthur. Erwin 3 hit Plainedge for 8-2 win and added a triple to his own cause, vs Plainview, with a 4 hit, 6-2 victory. 1st baseman Stu Blust continued his clutch hitting ways by getting the locals off to a flying start in both games in the Plainedge tilt, his 1st inning single accounted for 2 Comet runs. Not including the home game with Plainview on Tuesday, the Comets are 9-5 in the league. They face the "Gulls" this Thursday.

COMET LACROSSEMEN NIP FLORAL PARK...
FLORAL PARK...AKER SCORES TRIPLE...Chalk up another win for Coach Bill Meyer and his local warriors. At home, last Friday afternoon, they shaded Floral Park, 7-6, with a last minute goal by Allan Aker. Definitely not the kind of game a guy would like to have the rent money down on but for hopped up meadow madness, it rated the usual 4 star rating. The Comets led 2-0, early in the first period but the Parkmen caught fire and led the action, early in 3rd frame. It took a 3rd and 4th quarter rally by the Comets to cop the win. Scorers for the locals were, Alan Aker 3, Vin Hoo-sack, Allyn Lewis, Don Otten and Paul Wolkiewicz 1 a piece. Look for the mighty Manhasset to be in town, this Fri. afternoon vs the Comets. Jack Heim and company (He's the County's leading scorer) are burning up the league with an 11-0 mark and as our crystal ball figures the action; Cometlands in for an early 4th of July, with the likes of this crew stopping in for a sociable visit.

DIAMONDS IN THE ROUGH...
(Jayvees) Mark up recent homers for s.s. Jim Errico and pitcher, L.L. Bob Roebig. Errico came up with a 4 for 4 day at the plate. Larry Casper and Dick Wright cloaked triples in this 12-4 win over Plainedge. The Remmen are 7-4-1 overall, with a 6-2 league mark. (Jr. High B's) Coach Bud Bryan reports in with another pair of wins last week. A 6-3 decision over Salk and a 17-1 rout of Levittown. Wisdom Lane Va Salk, Lenny Casolino had a no-bitter going for 6 innings. He gave up 2 hits in the 7th for the win. John Gulford's 2 hits were good for 2 rbi's. He's the leader in this department. In the Wisdom Lane, wampus party, the Meteors banged out 16 hits; including 3 run homers by Joe Grant and Joe Calvaca. The locals scored 8 times in the 1st inning. George Cox was the winning pitcher, with a 4 hitter. The B's have a 4-1 league mark. **SOPHOMORE SLANTS...** Coach Bill Roberts chimes in with 2-0 league mark, with wins over Farmingdale and Plainedge. Andy Koehler tossed a 2 hitter and Greg Hoberock homered in the 4-3 win over the Dalers. Southpaw, Frank Mayer picked up the Plainedge win with a 3 hitter. Leading batters are 1st baseman Greg Hoberock, s.s. Bob Fink and catcher Pete Seltz. Other boys rated a plug were Nick Carrera and Rich Bon-time. The Sophs are scheduled

for a home game with Plainview, this Thursday, at home.

COLETTA PACES HAWKS...
As the crow flies, it's a long haul from the Hall of Hicksville to the Hybrid cornfields of Iowa but who's to say a local boy wasn't going to make this jump in grand style? Meet Chris Coletta, a former Comet who's presently leading the Waterloo Hawks in the Midwestern league with an impressive 556 B.A. The Hawks are a Class A club owned by the Boston Red Sox. Coletta's recent batting slump consists of 5 for 9, 4rbi's 2 singles, 2 doubles and a sonic blast homer, that flattened out around the 360' marker. He went on his hitting spree, a week ago Sat. and Sunday vs Quincy another entry in the Mid-western league. The Hawks won both days to take over an early league lead, just as a refresher, Coletta is the youngster from Cometland, who at the end of his playing days with Coach Army Tomaine's Varsity club; signed on with the Boston Red Sox, for a bonus figure estimated at \$40,000. Sox scout, Bots Nikola did the legwork on this likable youngster and our crystal ball, still sees him up with the parent club on or before the 65 season. And speaking of comers, let's get a plug in for another.

Comet of yesteryear, who's tossing his weight around K.C. circles. Meet Gary Sonossian; who along with Coletta and Bob Cerone, came up with big league contracts at the end of their Senior year. There's no word from Cerone as yet but Sonossian has a 1-1 chukking record with Lewiston, Idaho, a Class A club; owned by the Kansas City Club. Sonossian's c.r.a. is an impressive 1.5. He's a smoke ball artist, who should be getting a crack at the big time in a matter of a few short seasons.

O.C. FACULTY SHADE DUTCHMEN...
"This is an evenly matched league" said Ernie Falton, playing manager for the Dutch Lane "Mets". He had just left the playing field and was highly enthused with his team's fine defensive tactics. "It was a real tight game," he added. Final score Old Country, "Cougars" 42, "Mets" 1. On Tuesday of last week, the Dutchmen evened up their seasonal record with a 16-14 win over John McGovern's, East St.

Deppers. More info on this "Lore Mill League" in the weeks ahead. **HICKSVILLE PRO'S COP ALLIANCE DUBUT...** "We're in fast company but we look for a good season," said Manager Frank Campbell, seconds before leading his charges through some pre-game infield practice. He was talking about his Hicksville baseball club; one of the newest members of the Nassau Baseball Alliance, who in a matter of a few minutes were scheduled to take on

East Meadow in the league opener. The scene was the Sr. High diamond and the buffs among us were trying to get an early morning line on this group of Alliance filly's. They'd be facing the fully likes of Mineola, Oyster Bay, Garden City, New Hyde Park and the perennial powerhouse of Alliance circles - the defending champs... Lynbrook's mighty Mcr-Lees. And crossing bats with this quintet of top notchers was going to call for some mighty good ball

players. So to make a redundant story less redundant, let's get to the point by saying the locals dumped St. Raphael's, Angels 8-4, behind the fine 6 hit pitching of Phil Savana. Savana formerly with the Garden City, Glaro Braves, was also a top hurler with St. John's U.L. a few seasons back. He looked sharp throughout and seemed to grow faster and stronger in the last innings. Look for this tall, fireball artist and his mates to hold their own in the league.

However, the specialized instruments such as the Basset which are fully amplified electronically the cymbals, chimes and other accessories are the property of the orchestra.
