HICKSVILLE, L.I., NEW YORK 10¢
Entered as Second Class Matter at Hicksville, N.Y. Post Office

MEMORIAL DAY observance in Hicksville is a long-time tradition. This is a view of the firing squad in action at Pleasant Cemetery 40 years ago in 1923. In recent times the services have been held at the Memorial Mall at the Junior High School.

Contributions to Assist Puerto Rico Study for 23

Contributions are being received by Study, Inc., a non-profit corporation set up to help finance a flying trip during July for a group of 26 Hicksville high school sophomores and juniors to Puerto Rico. Two foreign language teachers will accompany the group as chaperones.

The first groups of elementary children to embark on the study of foreign languages as pioneered in Hicksville for nine and a half years are now in high school. Those going to Puerto Rico for a month at the invitation of Dr. Angel Quintero, under secretary of education, will participate in a joint workshop in Spanish Cultural Civilization at Mayaguez and at Ponce. The course will be offered

by instructors from the University of Puerto Rico.

Donald F. Abt, superintendent of schools, spoke recently before the Rotary Club Board of Directors seeking their financial support. He has also made an appeal to Hicksville Kiwanis Club. Abt disclosed that contributions made payable to Study, Inc., should be sent to his attention at the School Administration Building, New bridge Rd., Hicksville.

The bulk of the expense of the venture is being borne by the students' parents and whatever scholarship money Puerto Rico has available. The balance will be whatever help others in the community are willing to give.

HICKSVILLE PUBLIC SCHOOLS commemorated the 315th Anniversary of the purchase of the land area now known as Hicksville this week. Third graders at Willet Ave. School presented a pageant, in the school courtyard, depicting the actual purchase. Here are "Robert Williams" and "Chief Pungipen" of the Matinecock Indians signing the agreement - purchase price: "an unspecified amount of English Cloth". The pageant was directed by teachers: Rae Morris and Jean Schlaff.

Invite All Veterans to March; New Memorial Day Parade Route

A contingent of US Marines with their color guard, drum and bugle corps and marching unit will be among the thousands of participants in the Hicksville Memorial Day parade next Thursday morning, May 30, it was disclosed this week by Frank Eschbach of the Catholic War Veterans, leaders of program this year. The parade starts at 10 AM sharp.

Eschbach today invited all veterans in the community, regardless of whether they are affiliated with an organization, to join in the parade. Assembly will be at the Junior High School field on Fourth St., off Jerusalem Ave. A new and shorter route has been designated for the parade this year, due in part to the construction at the railroad grade crossings.

The revised route is east on Fourth St. to Broadway, north on Broadway to Marie St., west on Marie St. to Jerusalem Ave. and south on Jerusalem to Fourth St. and the Junior High School where ceremonies will take place. Frank Chlumsky will be principal speaker and Gold Star mothers will be the special guests of honor.

The program each year is jointly sponsored by the five local veteran organizations: American Legion, Veterans of Foreign Wars, Catholic War Veterans, Jewish War Veterans and Amvets. One group, in rotation, is given overall supervision each year.

The parade will again feature the bands from all the schools in the community, veteran groups, volunteer firemen, Boy and Girl Scout units and other contingents. In the event of inclement weather, services will be held in the Junior High School auditorium.

The Semi-Annual Mid Island Girls Scout Council meeting scheduled for May 28 at Levittown Hall has been cancelled until further notice according to Mrs. Olga Arnold of the Mid Island Council.

Memorial Day Speaker Long Active in Community Service

Frank Chlumsky, a public-spirited gentleman who has been closely identified with innumerable community civic endeavors for almost a half century, is a most appropriate speaker for the Hicksville Memorial Day program next Thursday, May 30. His major current civic endeavors are the leadership of the Salvation Army locally and long-time secretary of the Kiwanis Club.

During two World Wars he was a major sparkplug in the unique Hicksville Comfort Committee which regularly remembered every local serviceman (and woman) with a gift parcel from the hometown. During World War II this involved more than 700 persons in all parts of the globe and he diligently kept track of addresses of each and everyone. At the end of each war he had a major role in compiling the official list of names of those who are inscribed on the two memorial tablets which are now located at the Memorial Mall at the Junior High School campus.

But his civic activity over the years has not been limited to times of military stress. While he was the leader of Civil Defense in Hicksville - Plainview during the beginning of World War II and was one of the leaders of the Patriotic Sons of America, a forerunner of the veteran organizations which today sponsor the Memorial Day program, his service to the people of Hicksville is almost legendary.

He served as a member of the Board of Education and as its president for more than a quarter century. His tenure on the Board has never been exceeded by anyone in the 66 year history of the Union Free School District. He relinquished his position on the School Board to accept a call to become a Councilman and member of the Town Board and served Hicksville and the township with distinction in that post for many years.

He was a long-time secretary of the Hicksville Fire District and secretary of the Hicksville Chamber of Commerce when the late Dr. Elwood A. Curtis was president.

He was a member of the School Board from 1919 to 1943 and served during a period of earlier growth when the district facilities grew from a single building on Nicholas St. to the community's first High School (now the Junior High) and East St. School was built.

"Uncle Frank", as he has been affectionately known by many, many residents, is one of the few recipients of the Americanism Medal of the Wm. M. Couse Jr. Post, Veterans of Foreign Wars. Pages could be written about

Allan Just, son of Mr. and Mrs. Arthur Just of 27 Jefferson Ave., Hicksville, was recently initiated into Penn State Players on the campus of the Pennsylvania State University.

Mr. Chlumsky and his civic deeds. Perhaps some day the HERALD will present a full-length review, long overdue.

NEW SHORTER route of the Hicksville Memorial Day Parade next Thursday, May 30. Starting at the Junior High School athletic field on Fourth St., the parade moves east to Broadway, north to Marie St., west to Jerusalem Ave. and then south to the Junior High School.

A little here and a little there, slowly but surely the finishing touches are being put on our Expansion and Renovation program by both the contractor and our own volunteer help. Donations of this and that are starting to arrive from everywhere and everywhere. What have you got to offer for the good of the Post? Perhaps you are willing to donate a few hours to help paint the lower hall. Call Jack Ebanan now and offer your most welcome services. Every one is welcome to help out in any manner they can. Come and join in that HAPPY HICKSVILLE HABIT. "SEE YOU AT THE LEGION". Our meeting attendance is once again climbing now that the winter is over but it is more so due to our nice new quarters. Our Post received National Headquarters' 44th Birthday Award and also a Citation from Department of New York for membership. We observe Memorial Day each year by first attending the annual ceremony at the Plainview Cemetery on Old Country Road in honor of all veterans buried there, on the Sunday before Memorial Day. This year's ceremony, conducted by all of Hicksville's veterans groups, will start at 10 A.M. on May 26th. Our Color Guard will provide the Firing Squad this year. Immediately after this ceremony we will travel down Old Country Road to the Holy Rood Cemetery in Westbury where we annually place a wreath on the grave of Charles Wagner, for whom the Post is named. Every member is invited to attend these ceremonies. On Memorial Day we will assemble on the athletic field of the Junior High School at 9:30 A.M. for the parade. This year a new route is being used and should prove interesting. The parade will

kickoff at 10 A.M. so please be on time and wear your legion hat if you have one. Refreshments will follow the close of the services at the Memorial Hall at our clubhouse. Thanks to Hicksville's School Superintendent Don Abt for understanding our musical dilemma for this date. A special meeting has been called for next Monday evening, May 27th, for all members of the Executive Committee, House Committee and Hicksville Legion Hall, Inc. This is a highly important meeting so please be on hand. The Capsule winner at the last meeting for the Building Bond Award was Joe Kayel but he wasn't on hand. The moral is this: Absence doesn't make the heart grow fonder. It just loses a leg. On the Bond. Thanks to Bob Obermeyer, the Firing Squad now has enough ammunition for the Memorial Day Ceremonies. Our annual Picnic is still away off. In August, but if you need a permit for Salisbury Park, see Joe Slattery, who has applications for the asking. Nominations for next year's officers are now closed and the annual elections will be held at the next meeting, June 3rd. In case you missed the story in the newspapers a few days ago, the National Convention Committee has withdrawn this Fall's convention from New Orleans due to the failure of this Southern City to guarantee integrated dining facilities. Miami will probably be the new site, as I predicted some time ago. If you haven't been to a meeting recently, how about coming around to the home of that Happy Hicksville Habit, the Charles Wagner Post, any Friday night or Memorial Day or June 3rd our next meeting night and renew old acquaintances. SEE YOU AT THE LEGION.

In *The Dangling Man* (1944) Saul Bellow begins his search for the way with a literary experiment concerning the consequences of negative freedom. The world is in the early throes of World War II. Our hero, young, sound of body, married but childless, quits his job with the intent of giving himself a course in individualism that will help him to withstand the regimentation that he is sure his impending draft into the military service will impose upon him. His wife is working so he is relieved of economic problems. However, he is not prepared for the other problems that come up for a

"free" man in a busy world. His growing isolation and the lengthening of time impose upon him many interesting existential situations, but they lead to such a heaviness of spirit that he eventually marches down to the draft board to volunteer, shouting "Down with freedom. Up with regimentation!"

Bellow's second novel, *The Victim* (1947) is concerned with a middle-aged Jewish man who believes that the most important thing in life is righteousness. While his wife has been called away for a family emergency, he is confronted and accused by a down-and-out of being responsible for the latter's present seedy condition. At first, the accused can hardly remember the man. He checks his memory, and that of other people involved and comes to the conclusion that he may just possibly have been inadvertently instrumental in the other's loss of a job. The fact that he hates the other man makes the possibility of his own guilt seem worse. He lives in misery, constantly being confronted by the other man, like a bad dream but one that is only too real. The other's jeering attitude, presumptions and impositions reveal him as an anti-Semite although he professes admiration for the Jews. Torn between throwing him out and being sure he is doing the right thing, the accused eventually puns the other onto a business lead, that eases the other's material situation and the pressure on himself. He has weathered the misery of his crisis and has assured himself that he was charitable, it, more than likely, more than just.

The seemingly, partly autobiographical *Adventures of Augie March* (1953) traces the precarious vicissitudes in the life of a boy who grew up poor in depression Chicago. How he attained material betterment through intelligence, sharpness and charm, and how his dissatisfaction with middle-class existence led him to seek a more rarefied social climate in Mexico, where he also became dissatisfied, are colorfully related. Extending his travels and adventures to further fields, he eventually becomes shipwrecked and finds himself in the same lifeboat with a man who claims he has discovered the origin of life. Augie, who in his relatively brief life had lived a representative selection of the established levels and modes of existence, seems about to abjure physical for spiritual adventure, but there the story ends.

In *Henderson the Rain King* Bellow reveals graphically the tragedy of a wealthy, aging, but very vigorous, man who knows he has lived the life of a aloof. Only during World War II, as an overage soldier, has he found decency and purposefulness in life. At an age when most men are ready to retire, Henderson goes to Africa, hoping to find in that ancient and elemental land the roots of meaning that have so beguiled and evaded him in his civilized existence. There, testing his strength against nature and man, he finds the primordial joy that has been lacking in his life. This new found certainty becomes somewhat clouded when he discovers that his African environment is not so pristine after all. He escapes and makes his way back to America with the conviction that he can use the strength that he has found in himself to make a new life in his old surroundings. His body may be old but his spirit is rejuvenated.

The Ever Rising School Budget

The growing dissatisfaction for our ever rising school budgets was never more clearly demonstrated than on Wednesday, May 8. The Syosset budget of \$8,732,483 was passed by a meager 19 votes, and although the accompanying propositions were all approved, only the projected sale of a 10-acre piece of school property was overwhelmingly passed, obviously because it would reduce the need for more money.

The Jericho budget fared somewhat better but the rumblings of dissatisfaction were also discernable as four out of five propositions were defeated by the voters. The only one that passed was a 700-pupil high school addition.

The panorama of two years ago could very well have unfolded itself once again. At that time your Civic Association, in its recommendation for a NO vote on the Syosset Budget, was successfully supported by the community. This year the warning signs are more apparent than ever. The oft mentioned "day of reckoning" has almost arrived. In fact, only 9 or possibly 10 families stood between passage and defeat in Syosset, and this after a recommended YES vote by the Civic Board, albeit some expressed dissatisfactions and warnings.

Let our school administrations and the so far unsuccessful efforts to trim expenditures has brought the taxpayer to an explosive point. The cry of "not enough state aid" has lost its impact. The willingness of the taxpayer and, in some cases, the ability of the taxpayer is now obviously at the breaking point.

The Syosset school tax rate has now risen to a new high of \$6.05 and the Jericho rate, for a much smaller budget, is now up to \$5.55. If these danger signals go unheeded only chaos and bitter shock will result, and next year is not too soon to expect it.

Our congratulations to Russell Roegner, William Kelm and William McGurk for their re-election to the Syosset School Board and to Hilda Kaplan and Ira Hyman for their victories in gaining positions on the Jericho School Board.

The tasks and duties these men have before them are harder than ever before. In bitter rejection, 17 of our neighboring districts voted down their school budgets. Only a very slim margin kept Syosset from doing the same. This is the most pressing problem of all — how to keep making it 18. This is the most pressing problem of all — how to keep our school budgets from overwhelming us. The school boards and administration can really earn our community's congratulations and gratitude by making this the first and foremost order of business.

Hi, Neighbors

Muriel Sugaman

Herman Lubitz really was surprised at his surprise party last Saturday night. Herman, outgoing President of the Jericho Jewish Center, was tendered a big party by his many friends at the Temple.

Condolences to Shirley Levinson of Maytime Drive on the loss of her beloved mother, to Irving Israel of Forest Drive on the loss of his dear father, and to Myer Seidman of Fortune Lane on the loss of his beloved father.

For the Record

To keep the record straight, we would like to remind our contemporaries on the West Birchwood News that when they referred to as "a lack of interest on the part of the VILLAGER" in Jericho School problems is not true. Not only has the VILLAGER been deeply interested for the past six years in both the Jericho and Syosset School elections and budgets, but for years we have been trying in vain to get the Jericho School Board to submit the budget in time for your Civic Board to analyze it, and make a carefully considered, meaningful recommendation. This year, as always, the Jericho School budget was so late that there was no time to serve our community in what is probably our most important function.

Get well wishes to Saura Barmann recovering at home from her recent illness at Syosset Hospital. Birthday greetings to Hilda Kaplan, Dr. Sid Freed, Dr. Herb Bernstein. Congratulations to our younger son, Kenny Resnick (11 yrs) and to my daughter Carol (11 yrs); also congratulation to Sugar Sugaman who is one year old.

The Jericho B'nai B'rith Girls are sponsoring their annual dance, "Apple Blossom Time." It will be held May 25, at the Jericho Jewish Center, and will begin at 8:30 p.m.

To help them celebrate this occasion will be the fabulous Tex and the Chex with a wonderful band, and a possible extra added attraction.

The new officers of the Robbins Lane PTA were installed on Tuesday evening, May 21. Congratulations are in order to Adele Glickman, President; Nick Treglia, 1st Vice-President; Gloria Tompkins, 2nd Vice-President; Ann Machulom, 3rd Vice-President; Harriet Cohen, Secretary; Ruth Kuznick, Treasurer; and Council Delegates, Ruth Bascom, Doris Mustacchio and Florence Sarkis.

Pamela Lane, is the name of the new arrival at the home of Martin and Beverly Reinstein of 30 Forsythia Lane, Jericho. She was born May 15 at North Shore Hospital. She joins a two year old brother, Spencer Lane.

HEADS JERICHO UJA

Ralph Diamond

For the fifth year, Ralph Diamond has been chosen to serve as chairman of the United Jewish Appeal campaign in Jericho.

A prominent attorney, Diamond is a past president of the Birchwood Civic Assoc., a founder of the Jericho B'nai B'rith, Little League Coordinator and a leading participant in many other community activities. He is also a founder and First President of the Jericho Republican Club and active in the leadership of the local Republican Party.

Meet Your New Editor

It is with pleasure that as the outgoing editor of the Villager, I introduce Nat Warren as Editor for the year 1963-64.

Nat with his wife, Shirley and his two children, Mickey and Lillian, have lived on Flower Lane for the past six years. Until his election to the Board of Directors of the Birchwood Civic Assoc. two years ago, Nat was most active in Syosset School Affairs. For the South Woods Jr. H.S. he was chairman of the Syosset Scholarship Fund and instituted in Robbins Lane the award system for the various arts where by students were awarded plaques for outstanding achievement in Arts and Drama. Nat not only served in World War II, but was also recalled during the Korean War and came out of that conflict with the Rank of Captain.

During the past year, he served as business manager of the Villager and was instrumental in securing many ads that proved beneficial to both the advertiser and the paper.

It is with a great deal of confidence that the entire Editorial Board elected Nat Warren to this position. We know that he will do the job and carry on the work of the VILLAGER. It has been the boast of the VILLAGER that in six years we have never missed an issue, 52 weeks a year. (Nat will continue this because that is the type of man he is.)

President's Corner

By Horace Bernstein

With the start of a new administration, I want to stress the need for your membership. Our Civic Assoc., since its inception, has always boasted, and rightly so, that we are the largest and best Civic Assoc. on Long Island. The Village of Birchwood Park has a total of 1004 homes. Our membership has consistently been over 600 members families. This in itself is a credit to the work the Civic Assoc. does and the appreciation of the residents.

May I personally ask those residents and members who have not as yet sent in their dues, for the current year, please to do it now.

Youth Group Closes Season

The Youth Group of the Birchwood Civic Assoc. closed its season, Friday evening. The season proved to be the most successful season in its long history. Parents of the children attending the youth group responded enthusiastically to the new assignment system. As a result the entire program was properly supervised and the youngsters participating had a wonderful time.

Thanks of the community should go to the Jericho School District Board and Administrative Staff for its excellent cooperation. Special thanks are hereby given to the Youth Committee headed by Vivian Scoma, Louis Cohen and Ralph Diamond.

Ten Pin Talk

by Henry Dockswell

This game of bowling is about as unpredictable as can be. Not only can a team's fortunes vary from week to week but a single frame often can be pointed to as the highlight of a given result. Add to this the enigma of an individual's ability to be a hum and a champ on the same night and you have a glimmering of the picture our league presented last Monday night.

Here were the league 'Mets,' led by Jack Sloan, getting ready to bowl Fred Sapio's last place 'Royals.' For five weeks in a row they had been fighting 1st division teams and each time they had successfully defeated themselves. Now they were at last getting a breather. The rule awakening came as Elliot Spencer threw a powerful 225 and led his 'Royal' teammates to a shutout win over the 'Mets.'

A few alleys away Mort Levine and his 2nd place 'Morticians' were proceeding to bury Leo Geyer's 4th place 'Lions.' At least it appeared that way. The still frame had just ended and Leon Cohen could be heard saying, "Hey, look you guys, how about some competition. Don't just give us the game. We're 11 marks up already." That did it. From that moment on the 'Morticians' appeared hexed. They went on to lose that game and the next two, and not because Leo's boys were so hot either. Each team seemed intent on letting the other win but we guess Mort's guys had a greater intent.

Sid Simon got into the act again as he rolled a 201, his fifth of the year. Teammate Herb Brody helped with 209 and the two of them led the 'Trophies' to a 502 win over Milt Goldberg's 'Spares.'

Tony Barbella inspired his 'Missile' teammates as he bowled a 209 and helped them walk off with a 6-1 victory over Al Minoff's 'Alibis.' How come one point? The first game ended in a tie.

Al Miranda got hot for one game as he came up with a 208 but the best his teammates, the 'Spits' could do was take just one game. They lost 5-2 to Dave Batterman's 2nd place fighting 'Tigers.'

Only 8 points separate the first six teams in the 2nd half standings and only 6 points separate the first four teams in the overall standings. Plenty of excitement, the kind that can give you ulcers.

What Are You Doing for Your Community?

by Nat Warren

Saturday, May 4th, climaxed another eventful year for your civic organization with its annual election and dance. Space limitations preclude listing all that transpired in the past year, but the organization can be proud of its many accomplishments in its relatively short existence.

In a series of meetings that took place between then and this writing, your executive board selected me as the new Editor in Chief of "The Villager." This honor is accepted with humility and it is sincerely hoped that the high standards set by former editors will be maintained consistent with offering you a newspaper worthy of the community it serves.

We will continue to give you news

of your community, and reports of the many functioning committees of your organization. It is anticipated that from time to time we will have guest writers from within our community who will offer us their professional knowledge on selected topics of interest. We sincerely hope that you, our readers, will continue to write letters to the editor or contact our reportorial staff with any information of interest to the community.

Often do we hear the worn-out cliché — "What good is a civic organization?" or "What have they done for me?" These wise remarks are usually attributed to those who have contributed the least or done nothing at all. From the inception of the Civic Assoc.,

all officers and board members have given unstintingly of their time and efforts — sole reward being the satisfaction that they are trying to make Birchwood a better place in which to live. To all officers and board members of the B.C.A. past and present, we salute you for your efforts.

So — appropriately, ask not what we are doing for you — but what have you, or are you doing for our community? You can start right now and become part of your community by joining your civic organization. Its sole aim and function is for the betterment of our community. Won't you take a moment of your time to do just that and become part of us?

Kiwanis Begins Mile of Dimes

A "patience" fund raising campaign was started this week by the Kiwanis club of Hicksville when they instituted their "Mile of Dimes" drive. The local club, now in its 26th year of service to the community hopes to be able to collect enough dimes in foot long strips to stretch one mile long. The proceeds of the campaign will go toward benefitting the sick, needy and underprivileged.

Throughout Hicksville in stores, banks, offices and other places of business, the Kiwanians are setting up easels with foot long strips holding a dollar in dimes.

The public is being urged to "lend a hand by giving a foot of dimes." In addition to the easels in the stores, the members of the club will be carrying strips with them, so when you see one of the boys, reach into your pocket and "lend a hand" with as many dimes as you have. All contributions will be gratefully appreciated.

At some later date during the campaign they plan to stretch several hundred feet of strips on the mall at Mid-Island shopping Plaza and along Broadway in town, and urge contributions. At that time they intend to have a band

and other entertainment to help draw the crowds.

Gene Schillinger, Chairman of the campaign, expressed confidence in the members' willingness to work and their ability to solicit funds; and also in the generosity of the citizens of Hicksville to make this "mile of Dimes" an overwhelming success.

Mr. and Mrs. Frank T. Brown of Bethpage are the proud parents of a daughter, Tina Marie, born 15 at Huntington Hospital.

Hyams Victor

Ira Hyams was declared the official winner of the contested seat in the close recent Jericho School Board election. The announcement was made by Samuel Hecht, president, at an open board meeting Thursday, May 16.

Mario Della Vecchia, Hyams' opponent, with drew his request for a recount and conceded the election, Hecht said. Hyams and Hal-Curtis Felsner will start their three-year terms July 1.

In other action, the board unanimously voted to oppose the application to downzone from Residential C to Business F a parcel of land on Halsey Ave. and Jericho Turnpike, Jericho. The board will notify the Oyster Bay Town Board by letter of its opposition to the change because it "violates" the Town Master Plan and can set off a chain reaction of downzoning. The owner proposes to erect a three-story office building and a parking lot on the site. A hearing on the matter will be held by the Town Board May 28 at 10:00 A.M.

AROUND THE DISTRICT

By Joe Koerner

SEAFORD A.C.'s SHADE PRO'S Hicksville pitcher, Bill Schrimpe, came up with a creditable 13.50 effort in this 2nd Nassau Baseball Alliance game of the season but it wasn't enough to hold the host's in check. Seaford nipped Hicksville 4-3. Schrimpe gave up 8 hits; including 3 walks and accounted for a 2 for 4 day at the plate. Other Hicksville hitters were, Stan Waszak, with a 3 for 4 effort, Steve Dushnick, 2 for 2, & Rich Grunwald, who went with a single. The next action for the Pros is scheduled for next Sun. (away) vs the Merrick Rangers. Manager Frank Campisi has Phil Savana, winner of the inaugural against St. Raphaels, set for this assignment. "We're out to take this one", he said...

"a 2-1 record will provide a cushion for our home game with the Mar-Lees." Lynbrook's Mar-Lees, Alliance champs, 2 years in a row, should still be blowing hot after a 23-0 blast over Hempstead in the opener. Last week they were dumped by St. Raphael 3-2 for the big upset, in Alliance Circles, keeping them down in the upcoming chore of the Camp Lehigh. They'll be in town, Sunday June 2nd, for their go-round at the St. High diamond. The game gets underway at 2 p.m. Other members of the Hicksville club are Dick Matchit, Ed Scott (He had a perfect day at bat in the St. Raphaels opener; getting a pair of walks, 2 singles and a long double) Bob Del Campo, Steve Glibowski, Mike Schwert, Henry Ristow, Mike Riggerio & Frank Maters. The team is captained by Gene Burke and is sponsored by the Shaw Thompson Corp. 75% of the club have had minor league experience and win lose or draw, they're capable of a fine brand of baseball. They should live up to Mr. Campisi's expectations of rounding out a better than 500 season.

COMETS LEAD PACK... "It's a down to the wire finish", said Comet baseball coach Dick Hogan, seconds before filling us in on the results of last week's action. The Comet had finally succeeded in sweeping a series; as a result of 6-2, 9-7 and 5-0 wins over Plainview. In the 9-7 action the locals were down 6-0 in the bottom of the 4th. 9 singles in the right spots, pulled out the win. Bob Smith started and was relieved by Dick Heidel, who picked up his 3rd win of the season, in the 5-0 win. Jim Erwin gathered in his 8th victory of the year with a 3 hitter. Currently, Chip Jaworski leads the lumber division with an impressive 36.4 BA average. Ray Strassburger is 2nd with 330 and Bob Smith hugs the 3rd slot with 300. Vin Hannigan & Stu Blust round out the top quintet at the 298 mark. All in all a fine ballclub, that should put a bear hug on the Section 1 pennant, during the season's series finale with McArthur, the week prior to this issue. Results of this triple header a seasonal wrapup, next week.

HICKSVILLE 8th IN KINGS POINT MARINE TEST... "The survival of the fittest", they call this muscle grinding bit and only the fittest of the fit, manage a top drawer finish. For this reason, let's spread a few garlands in the path of those who are Cometland's answer to President Kennedy's, Physical Fitness Program. Meet Robin Winkle, Mike De Paalis, Bob Swinick, Tommy Judge and Mike Mc Maugh. Last Friday morning this quintet of Comet youngsters, led by Bill Fuller, former recreation asst. to Director Joe Madden, traveled to Kings Point and proceeded to cop an 8th place finish in the annual, Marine Physical Fitness Test. Hicksville placed 8th in a series of events that included, Pushups, Set-ups, Squad Thrusts, 300 yd. shuttle relays, pullups and bearhugs. Last year the locals finished in the 23rd slot, which was still an impressive showing considering the caliber of the competition. This is an All Long Island affair and the cream of 60 High Schools, compet. Wheatley won the event for the 2nd year in a row with a total point

spread of 1819. The Comets garnered 1522. Robin Winkle, last years N.Y. 115 lb. wrestling champ and the #3 grappler in County wrestling, finished 4th in this events, on an all L. I. level. Bob Swinick, another top grappler coached by Bill Roberts, hit the proverbial jackpot in one of the events. Against all comers, he established the best time in the 300 yd. shuttle relay. Definitely, no small potatoes, these achievements, so let's get a good plug in for the Hicksville athletes, who consistently hold their own in competitive action. Most assuredly, a great deal of credit must go, to a fine all around sports program, headed by Chet Jaworski (secondary) and Lou Milovolt (elementary.) Now all we need is High School boxing with 32, gloves and protective headgear. This with the addition of Lacrosse; the Comets newest sport, would put Hicksville on the top of the heap in the Man Making Business. And this is an important business...make no bones about that. The educated athlete is the truly educated man of tomorrow.

J.V. LACROSSE... Coach Ron Benizio reports in with a 7-5 record for his Jayvee meadowmen. Last week, they rolled over Clarke 11-1 & posted Fort Washington via 12-0 shutout. Steve Schuster is the top scoring dept. Goalie Don Werkstell is doing a bang-up job; averaging 15 saves per game.

VARISTY BITS... Coach Bill Meyer and his boys finished out the week with a 5-5 record as the result of a pair of setbacks by Clarke and Manhasset. Vs Clarke the locals were in the game from start to finish but as expected; Manhasset proved to be a horse of a different hue. Paced by Jack Heintz, the County's leading scorer, with 6 markers and Larry Templeton with 4, the Indians clipped the Comets 14-3. The locals looked good in holding the visitors in check during the first quarter but after that, experience won out. The Comets are a first year club and weren't expected to upset the highly touted Indians. Comet scorers were Paul Colosano, Rich Medina and Paul Wolkiewicz. The locals will close out their initial, Lacrosse campaign vs Fort Washington (away), the Tuesday prior to this issue. Results & wrapup life in next issue.

SYOSSET TRACKMEN RETAIN TITLE... COMETS 2nd... The Syosset High Field was the scene of Division 1's Sectional meet. Six schools competed and Syosset took the win with a 70 pt score. Hicksville placed 2nd with 53 & Farmingdale copped the show spot with 52. Winners for the locals were, Pat Sullivan in the 2 mile run. Time 10:44.9. Vic Matuza (shot-put) Distance 50'2" & Bruce Deveraux in the High Jump, with a 5'9". effort. 2nd place finishes went to Hall Hubert, (100) Ray Strassburger, (220), Vic Matuza (discus) & Chup Jaworski, (Broad Jump) Hicksville also copped a 2nd in the mile relay.
