Request Bruno Return Volumes

School Board Member William A. Bruno Jr. is being directed by official action of the Hicksville School Board to return some 21 student books he borrowed for study back in November. At the regular meeting last Friday night, which Bruno did not attend, a motion was unanimously adopted directing him to return the volumes by June 30.

A couple of variations of the motion, including a June 15 deadline and a proposal to send Bruno, a bill for the missing books lost for lack of the required four votes in favor.

It was reported at the meeting that the School Administration has requested Bruno to return the books several times. They include 11 social studies volumes, five reading books and five workbooks. Initially he had requested approximately 40 volumes for the purpose of review. All have been returned except those which are now being requested formally.

Students Earn County Positions

A number of Hicksville students, members of the Junior Red Cross, were elected to office on the County-Wide Council.

Bruce Robbins of 22 Petal Lane is county treasurer. Council members at large include Mary Dammer of 38 Arrow Lane, Dutch Lane School; Warren Gluck, 47 Primrose Ave., Willet Ave. School; and Rhona Tarkoff, 14 Thimble Lane, Fork Lane School.

PROVIDE MUSIC

On Memorial Day over 600 Band and Chorus Members provided music on the march and for the ceremonies at the Memorial Mall. Every School Band in the district played in the parade.

FRANK CHLUMSKY addresses the audience at Memorial Day Exercises held at Memorial Mall on Hicksville Junior High School campus. Spanish American War Veteran "Skipper" Dow again led the thousands who marched. Other pictures on page A. (Herald photo by Frank Mallett)

Gets 90 Days in Jail For False Fire Alarm

A male adult, whose name was withheld, was this week found guilty in Nassau County Court of turning in a false fire alarm and was sentenced to 90 days in prison. It is believed to be the first conviction of a person for this offense in Hicksville. A second false-alarm has since been apprehended and is now awaiting court action.

There were 14 false alarms of fire sounded in Hicksville during the past month, according to a spokesman for the Board of Fire Commissioner. The alarm which earned three months in jail was given from a call box on Broadway at 2 o'clock in the morning on Saturday, June 1. The complaint was signed by Walter Telender, chief of Hicksville Fire Dept.

Fire officials indicated they plan to deal harshly with those giving false alarms which endanger lives and property.

Pyncheon Proves Apartment Scheme

Town Supervisor Thomas R. Pyncheon this week documented his previous statements that Dr. Charles Stonier, Executive Secretary of the Nassau County Planning Commission and a County administration spokesman, favors the construction of high-rise apartment houses in the Town of Oyster Bay. Supervisor Pyncheon offered as conclusive proof Stonier's own statement made before the Bethpage Democratic Club at their May meeting.

At the meeting Stonier said, "Apartment house developments are needed and should be planned on a County-wide basis." In his statement he also described Town and Village Government as "a hindrance." Dr. Stonier's statement was published in two weekly newspapers in the Township.

This proves beyond a reasonable doubt that Dr. Stonier, despite repeated denials, is a staunch supporter of the high-rise apartment house concept for introduction in the Town of Oyster Bay. A scheme, I might add, that would do monumental damage to our Town's one-family suburban character. The Town of Oyster Bay has a fully operable and well conceived comprehensive zoning plan which has in the past, and will continue to protect the homeowners from high-rise apartment house development as espoused by Dr. Stonier. I regard Dr. Stonier's support of high-rise apartment houses as not in the best interests of the homeowners in the Town of Oyster Bay and his suggestion that apartment house development be controlled by the County as a subterfuge.

"In addition, Dr. Stonier's statement that 'our basic governmental set-up hinders planning' brings to light what our Townspeople and the

550 Girl Scouts March in Parade

550 Girl Scouts of Neighborhood III Hicksville Girl Scouts of the Mid-Island Council marched in the Memorial Day Parade. Neighborhood chairman, Mrs. Ruth Aronoff, led the marching Scouts. Massing of the American Flags of the 60 troops of Hicksville participating, was followed by the massing of the Brownie Flags, Intermediate Flags and Senior Flags. Last grouping was the Flags of the members of

the World Assoc.

Four "Button Bay" Seniors sat around a tent and confire on the Girl Scout floor. Sixteen Girl Scouts twirlers were a pleasant addition to the parade.

At the presentation of the wreaths, Brownie Barbara Schultz, troop 680 and Intermediate Carol Luhrs, troop 2, were chosen to represent all the Girl Scouts of Hicksville.

Dear Lynda

Our sincerest sympathy to the MAGUIRE family of Terrace Pl., Hicksville, on the loss of Mrs. Maguire's mother this week. There are a lot of weird eggs making the rounds like: Do you know what TARZAN said when he saw the elephants coming? (Here come the elephants)...Do you know how to capture a rabbit? (Hide in the bushes and make noises like a carrot)...Do you know why elephants have flat feet? (From jumping out of trees)...And do you know why elephants have wrinkled knees? (From playing marbles)...and a final...Do you know why elephants can't ride a bicycle? (They have no thumbs to ring the bell)...Must have been invented by a Democrat...

CHARLES SCHWARTZ of Schwartz Furniture and resident of 17 Howard St., Hicksville, is a charter member of the new Brentwood Country Club where he won the "Blitz Golf Scramble" Tournament with a phenomenal low gross score, five under par, 77.... Second annual golf tournament of Hicksville Chamber of Commerce took place this week on Tuesday at the Huntington Crescent Club. LOUIS KAPSTATTER was chairman....We couldn't believe our eyes at first, but it is a scene of GREEN (like money) sidewalk in front of the new Center Shops office of the L.I. National Bank scheduled to open during the week ahead with much fan fare.... Police had their hands full Monday evening when electric power failed in a mid-town section. Traffic lights went out of operation and the streets were in total darkness.... The reorganization meeting day for school boards in this area is the first Tuesday in July, the 2nd day of the month.... Warehouseman's auction sale at HENRY BRENGEL'S Empire Storage Warehouse, 80 Duffy Ave., Hicksville, this Saturday, June 8 at 10 AM sounds like a wonderful opportunity for some real buys. The items can be inspected Friday, June 7, from 10 AM to 9 PM....

Recently 104 buses were used by Schenck to transport 4,770 Girl Scouts from Queens and Brooklyn to their annual outing at Playland, Rye Beach. Some kind of a record....When a lot of men and boys went out to Camp Edey, Bayport, on May 18-19 to help rebuild five structures at the Girl Scout camp destroyed by Easter fires, their efforts were drowned out by rain. JOSEPH WEBB of Hicksville, headed the volunteers which included ELIGREENSTEIN and FRANK SCHROEDER of Hicksville. ERRIN LEVENSTEIN, also Hicksville, checked electrical outlets.... Regular meeting of Hicksville School Board scheduled for Friday night, June 28, has been officially changed to Thursday, June 27, because the daughter of Mr. and Mrs. MARVIN GIBSON is getting married June 28 upstate New York and most of the school administrative staff will be attendance.... School administration is a little closer to finally, after three years effort, getting that station wagon. The Board has authorized the taking of bids.... Will it arrive in time for the wedding?....(We're only kidding, Mr. Gibson).... GEORGE MMARTIN OF 42 Hunter Lane, Hicksville, unsuccessful candidate for the library board and school board, revealed himself this week to be the "chairman of the Hicksville Conservative Party Club"....

When the Rotary International Convention is held in St. Louis, EDWARD TEVERINI of Hicksville Club will be an aide to the Sgt. at Arms. He will be at the Chase Park Plaza Hotel, Suite T-93, from June 9 thru June 13.... Hicksville Chamber of Commerce holds its first meeting for the new fiscal year this Friday morning, June 7 in the downstairs meeting room of Seaman & Elsbarn Inc. at 167 Broadway.... ANTHONY GORCZYCKI, School business administrator, was the guest of Recreation Director JOSEPH MADDEN at the Hicksville Kiwanis Luncheon on May 29.... ARNE W. YANOF of Hicksville High who has chosen to go to Swarthmore College is one of the 10 winners of Grumman Scholarships this year.... Note from Kings Bros Circus reports they will be in Hicksville about Aug 8.... TONY IATAVIA and JIM SEGREGTO are the new owners of the Club Manor at 43 Broadway, Hicksville, right at the RR crossing.... JACK KENNEDY, the man behind the stick right at the Little Inn, tells us that Washington is now known as "Joe's boys town".... Elected directors of the Sororist Club of East Nassau are installed on June 4 were DR. TERESA SWICK and MRS. MILDRED RODGERS, both Hicksville.... More than 800 thousand persons lined the route in New York City on May 19 when the Hicksville Junior High School marching band under HENRY GATES participated, by invitation in the parade commemorating Norwegian Constitution Day. MARY LOU STARVY was out in the front as drum major. The unit consists of 96 players, five color guards and nine twirlers. This is the same unit as was seen on TV in the NY St. Patrick's Day parade.... Using an Easter theme, HENRY STEINMAN of Hicksville, junior at Valparaiso University, Indiana, designed the April cover for the Walther League Messenger, magazine for the Lutheran youth of the Missouri Synod....

JOHN R. BRANSFIELD of 6 Michael Rd., Hicksville and JOHN X. DOLAN of 19 Genesee St., Hicksville will be candidates for bachelor's degrees at History at St. Mary's College, Emmitsburg, Md. at the 15th Commencement Exercise on June 5, according to Rev. Carl J. Flves, Dean of Studies....

JOSEPH GIORDANO, active in the Hicksville Knights of Columbus and Republican organization, has been named attorney for the Urban Renewal Project of The City of Glen Cove.... PHIL ROBINSON, attorney, was host to a group of three friends at Yankee Stadium last week where they saw the Yankees take the measure of the Senators.... Pleased to hear the report the Hicksville PO Flag Pole has been repainted....

Dutch Lane Pack At West Point

Cub Pack 158's trip for the month of May was a family trip to West Point, New York. Under the leadership of Cubmaster Doyle, Assistant Cubmaster Gamble and Activities Chairman Alex Grosswald, 44 Cubs and 37 family members boarded two buses and one station wagon at 8 AM and proceeded on a most enjoyable trip to West Point.

The group had the pleasure of seeing the first Full Dress Cadet parade of this season. They also visited the Academy Museum, the PX and all points of interest. Of course the boys enjoyed the cannons and the old chain that once stretched across the Hudson. THE visitors also had the opportunity to see a portion of our "MOTH BALLED" fleet anchored in the Hudson River.

The Cubmaster did a good public relations job for CUBBING when the Prime Minister of Australia questioned him about Cub Scouts. As a boy, the Prime Minister had been a Boy Scout.

A tired but happy group returned at 6:30 P.M.

EXHIBIT BUTTERFLIES

East St Students Using Cuisenaire Rods

In line with newer methods in mathematics in Hicksville Schools, Cuisenaire Rods have been in use at East St. School for the past two years. The program has been used in grades one and two. Children participating in it have done so in conjunction with their usual traditional methods in arithmetic.

Cuisenaire Rods while relatively new in the United States are well known and highly thought of in Great Britain and in Belgium where they originated. The rods were invented by George Cuisenaire of Thun, Belgium. Their popularity is increasing among American educators with whom they are fast becoming one of the teacher's most valuable tools. Educators have found the rods invaluable from kindergarten through high school. However, they are particularly helpful in the early school years where they make possible a rather different curriculum than we have heretofore thought possible for young children. This more flexible study of numbers from one to ten, for example leads easily to a study of multiplication, division, and fractional parts. It helps a child develop an appreciation for general number relationships thereby simplifying the task of learning specific combinations which in turn, assures more rapid future progress. The rods are definitely helpful in the early school years where they assist a child in gaining a clear insight into number families and relationships. Early knowledge of these essential combinations prepare for more rapid arithmetical progress in the elementary school.

Because of the flexibility of the Cuisenaire method, it is said a child gains a variety of experiences in learning the same subject

material taught traditionally in the primary grades. Used in the very early years, they provide an area of discovery, thrill, and excitement which is attune to the life the child has known from babyhood. A substantial factor in the success of children who use these materials is their satisfaction in their ability to discover and create. The classroom condition which encourages intellectual play in conjunction with teacher direction affords a well-rounded numbers experience which is devoid of fears and inhibitions. The rods are not

"play materials", but rather, a device for the enrichment of the overall mathematical experience.

Cuisenaire materials do not constitute an adequate number experience by themselves. Nor must they be used sequentially. They are used effectively from kindergarten through high school, with typical and atypical children. Their usefulness in teaching the gifted, the retarded, the blind, and the deaf is being attested by instructors throughout the United States and abroad.

University of London's former

Professor of Pure and Applied Mathematics, Dr. Coleb Gattegho has developed a series of books for children titled, "Arithmetic with Numbers in Color". These materials are arranged sequentially in order that a child using them may progress at his own speed.

The Cuisenaire Program is being used this year in Hicksville by Miss Elmore Saxon and Mrs. Neil O'Brien, both grade two teachers at East St. School. The program is under the direction of Mrs. Jane K. Mc Gill,

New Society Officers

The Rotary Altar Society of Our Lady of Mercy Church in Hicksville held its final meeting of the year on June 3 in the school auditorium.

Presiding were newly elected officers: Mrs. Bernard Smith, president; Mrs. Frank May, executive vice president; Mrs. Victor Ialeggio, second vice president; Mrs. James Fleming, corresponding secretary; Mrs. Michael Gladella, recording secretary; Mrs. Christie Volpe, treasurer.

Chairmen for the year are Mrs. John Muller, spiritual activities; Mrs. Joseph Huddy, corporal works of mercy; Mrs. Michael Martello, membership; Mrs. Alvin Grossman, program; Mrs. Charles Ulrich, prefect; Mrs. Walter Niemi-

ski, publicity; Mrs. Cornelius Ryan, hospitality; Mrs. Frank Hampton, library; and Mrs. Robert Wilson, refreshments.

Conduct Sessions

The next regular meeting of Court Queen of Angels, Catholic Daughters of America will be held on Thursday, June 6th at 8:30 at St. Ignatius School. Installation of newly elected officers will take place.

On Sunday, June 9th, the last of a series of Cans Conferences sponsored by Court Queen of Angels, will be held at the new school cafeteria of St. Ignatius, Hicksville at 8:00 to 10:15 P.M. The theme for this discussion will be "Sex Education-Whose Responsibility?" Refreshments will be served. There will be no charge.

Seniors Attend

Future leaders of the expanding field of distribution directed their productive year of activities with their annual National Distributive Education Leadership Conference at Chicago, May 2 to 4.

Contributing to the success of the conference were two Hicksville High School seniors, area Vice-President Robert Lloyd and William Sherburne, who, with 35 other delegates from New York State, selected national officers and exchanged ideas relating to the various areas of distribution. The three-day meeting offered the 1,000 students gathered from 48 states, an opportunity to express their views on their chosen field of interest.

JIRAH D. COLE, Jr., Assistant Vice President and Manager of Meadow Brook's Hicksville office will return during June to The Stonier Graduate School of Banking at Rutgers - The State University for his second summer session. The session will be held on the university's campus in New Brunswick, N. J. June 10 through 21.

Cole, a graduate of the American Institute of Banking, Nassau County Chapter, is one of nearly 1,100 bank officers who will attend the two-week session of the school, which is sponsored by The American Bankers Association.

Showing The Flag

A fine old custom seems to have pretty well vanished from the land. It is that of "showing the flag"—not only from the roofs of public and business buildings, but from the porches of private homes, the bumble no less than the opulent. Then, on festive occasions, red-white-and-blue bunting was used as a decoration. Few of us have seen bunting in many years.

There was a sense of pride in country behind all this. The flag was thought of as the symbol of many things — of a free people; of a world power; of a land of opportunity, whatever the faults and ills might be; of the rights and obligations of both the individual citizen and the body politic alike.

Old customs, fallen largely into disuse, can be revived and given new life and breath. The country will observe Flag Week during the June 10-15 period. It would be good if flags flew everywhere, in the old way, and if bunting graced the speakers' tables and platforms and rostrums. These flags will be blown, so to speak, by the winds of unpredictable change—but, as they banner out, they will stand for the permanence of a nation based on the dignity and freedom of man, on the implacable resolution of a people to stand for what they believe to be right, no matter what may come.

JERICHO UNITED JEWISH APPEAL will be held on Saturday, June 22 at the Jericho Jewish Center. This will mark the second year that Jericho is conducting its own independent drive.

The affair will be a cocktail-buffet dance and will feature the Jericho United Jewish Choral Group, representing Hadassah, O.R.T., Pioneer Women, Temple Or-Elohim, Jericho Jewish Center and Jericho B'nai B'rith who will handle the cocktail hour. Those attending the affair last year were thrilled at the beautiful blending of the voices of the various organizations of Jericho. This year the choral group will again entertain by singing Jewish popular songs. Rabbi Stanley Steinhart of The Jericho Jewish Center, this

year's Host Temple, Rabbi Earl Jordan, Temple Or-Elohim and Hon. Thomas R. Pynchon, Supervisor of the Town of Oyster Bay, are the honorary chairman for this year's campaign.

Chairman Ralph Diamond, emphasized that this year is the 25th anniversary of the United Jewish Appeal. The need this year is as great as any other time in the history of U.J.A. Jericho last year went far above its quota and it is anticipated that this year's drive will be even more successful. Reservations are now being accepted for the June 22nd affair. Reservations are \$5.00 per couple. You are urged to attend and have an enjoyable evening. Call Reservation Chairman Louis Cohen, at WE 5-5717.

Ten Pin Talk by HENRY DOCKSWELL

Leo Geyer's "Lions", roaring like their namesakes, ripped Dave Bateman's "Tigers" to shreds as they met in this last ditch effort to win the Championship. Leaving no doubt in anybody's mind, Leo's boys, broke their own record for High Team Game from scratch, when they powered a 933, and went on to smash both existing records for High Team Series by amassing a whopping 3-game total of 2576. Included in this total was a handicap of only 7 pins. Herb Bernstein was fantastic. He had just missed the first game and he was walking around like a caged "Lion" bawling his failure to make it and telling Sid Simon how lucky for him that he, Herb, would not be able to bowl 3 games. Even Herb underestimated his words, for when his turn came he started to bowl like crazy. Twice he bowled a wild 233 and when teammates Leo Geyer and Norman Ney each threw a 205, Dave's "Tigers" were through. This 7 point sweep clinched 1st place in the second half, but most important of all it made the "Lions" overall champions for the year.

Right alongside, were Jack Sloan's "Mets" battling Marv Cohen's "Champs". These two teams were also involved in the three way tie for 2nd, only one point behind, Jack's boys measured up. They took the first two games to lock up 2nd place over-all and 2nd place in this latter half of our split season. Marv's "Champs" salvaged the last game and just managed to finish 3rd in the second half, one slim point ahead of Dave Bateman's shut-out "Tigers".

Mort Levine's "Morticians", 1st half champions, finished a bad 7th in this half, but they managed to pile up enough points over-all to wind up 3rd for the entire year.

Here are the final standings:

		2nd HALF	OVER-ALL
1st-Lions	(Cap't Leo Geyer)	73 pts. 1st-141 pts.	
2nd-Mets	(" Jack Sloan)	68 " 2nd-134 "	
3rd-Champs	(" Marv Cohen)	61 " 121 "	
4th-Tigers	(" Dave Bateman)	67 " 128 "	
5th-Splits	(" Murray Gittleman)	63 " 111 "	
6th-Trophies	(" Sid Simon)	61 " 126 "	
7th-Morticians	(" Mort Levine)	59 " 3rd-129 "	
8th-Spares	(" Al Minkoff)	55 1/2 " 111 1/2 "	
9th-Alibis	(" Al Minkoff)	55 " 97 "	
10th-Invalids	(" Sol Rabinowitz)	51 " 111 "	
11th-Misfits	(" Sam Springer)	49 " 114 "	
12th-Royals	(" Fred Saplo)	41 1/2 " 104 1/2 "

President's Corner

by HORACE BERNSTEIN

Last Monday night, the Birchwood Civic Assoc., Bowling League ended a successful season with the best team winning. From the beginning of September through the end of May, 72 Civic Members on 12 teams met every Monday evening for a night of sport and friendship. My personal thanks to Morris Herrick, their President; Norman Ney, Treasurer; Henry Dockswell, Publicity Chairman; Leonard Wainick, Entertainment Chairman and the twelve team Captains for running the league so efficiently and credit to our Civic Association. Shortly, the League will open registration for next September. Watch the "Villager" for the announcement. I would like to urge all male members who are free on Monday night to join. Perhaps if enough women can be interested, we will start a Women's League. This Saturday night at the Pine Hollow Country Club, the season will end with a dinner and the awarding of the trophies.

Committees are now being formed that will function for the coming year. All of these groups are in need of help and if your special talents fit in with any, a call to the Chairman will be greatly appreciated and be mutually beneficial.

Dr. Sidney Sachs, is chairman of Health and Welfare. All Community health problems and general problems such as traffic in the community, general appearance of the area, etc., are his committees responsibilities. All legitimate COMMUNITY problems (not individual ones) will be given immediate attention. Dr. Sachs can be reached at OV 1-2497.

The VILLAGER, with Nat Warren as Editor, can use your writing talent. If you are a frustrated writer, or wish to see your work in print, Nat is the man to call at OV 1-2645. The paper could use an artist, writer, or just willingness to help your community.

Mimi Gruber and the Jericho Players have been keeping our community entertained for six years now. They are always on the look-out for new talent and the group is NOT, I repeat NOT, a "closed corporation." If you want to act and have a good time call Mrs. Gruber at WE 8-8948. You will be given every courtesy.

Ralph Diamond, with Vivian Skoma and Lou Cohen have been doing a tremendous job with the Youth Group. They are in need of help to maintain harmony and efficiency. A call to Ralph at OV 1-1283 will lead you to helping your children and community.

Both the Jericho and Syosset Education Committees are preparing for next year. Members living in the Jericho section can call Leo Geyer at WE 8-1072 and for Syosset, Irwin Baumel at WE 5-9293. These two groups are constantly working hand-in-hand with the Schools Boards for the best interests of our children and to see that our school taxes are justified. At budget time many hours are spent looking into the details of the school budgets. You will find it both interesting and enlightening. Call these two gentlemen if you have any interest in school affairs.

As other committees and groups are formed, I will inform the residents and ask their help and cooperation.

Board Tackles Local Problems

by HENRY DOCKSWELL

The conditions created in our Birchwood Shopping Center by illegal parking by our adults, and by dangerous and fool-hardy drag racing and reckless driving by teen-agers, was highlighted as the most important order of business. When the newly elected Board of Directors of the Birchwood Park Civic Assoc. met.

As the reports were heard of the hazardous goings on in our Birchwood shopping Center the situation was declared to be intolerable. A special committee was formed to meet with the police dept., the Town and whomever else it would be necessary to see for the purpose of rectifying the conditions.

Soon after our new President, Horace Bernstein, officially opened the first meeting of the new administration, Larry Gibbs was unanimously elected as chairman of the Board. Lottie Stein, by acclamation, was elected vice chairman and the Board then plunged into its never empty basket of community problems.

Because of two vacancies created on the Board, Marie Gena and Ed Petzhold were unanimously elected to fill out the unexpired one year period.

The Board voted, as in the past, to make a Memorial Day contribution of \$25.00 to Jericho Post No. 1032, Veterans of Foreign Wars, toward helping maintain the procedure of distributing flags, refreshments and ice cream to all our residents and children attending the services.

In answer to a request by the Jericho Jewish Center the Board voted to join them, as a participating organization, in their annual Blood Bank effort.

It was reported that on June 12, at 11:00 A.M. at South Woods Jr. High School a public auction will take place for the sale of the 10 acre tract of land that our community voted to sell.

The minimum amount it can be sold for is \$240,000.

The new owners of the Merry Lane gas station have improved the condition of the station but the unimproved piece of land just behind it has been reported to be in a dump like condition. The Health and Safety Committee, now chaired by Dr. Sid Sachs will investigate.

A new office building has been planned for the southwest corner of Route 106 and B'way at Jericho Turnpike. The Board voted to support the residents of that immediate area in their request to fight the down zoning of additional land for added parking space that the builder wants.

The Star Bus Co has initiated a new bus route in our area that includes a stop in our Birchwood Shopping Center. A Special Committee was appointed to officially investigate its complete route, schedule and all other pertinent information.

It was brought before the Board that Sam Hecht, as retiring president of the Jericho School Board, had served our community long and well and that an award of merit, in the form of a plaque, be officially presented to him from the community through its Board of Directors of the Civic Assoc. The motion was passed unanimously. A special committee was formed to work out the details.

This opened the way for following: A Citizens Award of Merit is to be given to a resident of

our community at the annual election dinner-dance held by the Civic Assoc. in May. The recipient is to be selected by a specially appointed committee and then approved by the Board of Directors. This award will not be given unless a resident is deemed worthy of receiving it.

The final order of business for the evening was a reminder to be given to the community that a restrictive covenant exists in that any further building of additions to an existing house must be given official clearance by the Architectural Control Committee of the Community.

Hi, Neighbors

On Sunday night, June 10, the Jericho Jewish Center will hold its installation of officers from both the Temple and Men's Club. One of the main features of this night, will be the honoring of the officers of the Long Island National Bank for their cooperation in aiding the building fund. Judge Benjamin Zipper will be the installing officer.

Congratulations to Mr. and Mrs. Terry Milhrad of Middle Lane on the Bar Mitzvah of their son, Ronald.

For an evening of pleasure and inner satisfaction join with the rest of Jericho at the U.J.A. Cocktail-Buffer Dance, June 22 at the Jericho Jewish Center. For reservations call Ralph Diamond, OV 1-2718 or Louis Cohen, WE 5-5717.

Congratulations to our editor, Nat Warren, and his wife, Shirley on their son Mickey winning the Mathlete Award at the Syosset High School.

A very happy anniversary to Fred and Muriel Green of Forest Drive. They will celebrate at the Civic Associations Dinner at the Pine Hollow Country Club. Muriel was on the winning team of the Jericho Jewish Center's Sisterhood bowling league.

Jericho Jewish Center Installing

Scheduled to begin at 8:30 p.m., the ceremonies will take place in the Temple, located on North Broadway in Jericho. Benjamin Zipper, District Court Judge of the County of Nassau, will be the featured guest speaker.

At the conclusion of the formal program in the Temple sanctuary, congregants and guests will move to the Temple ballroom for refreshments and dancing.

FILM SLIDE STORY "A Day in First Grade" had its premiere showing to an audience of parents in the Woodland Ave. School, Hicksville, auditorium on May 1. The 55 scenes in the 35mm film were photographed by Gardiner Gregory, Audio-Visual Director, based on a scenario by Chairman Ronla Beecher and Rose Jimenez, Estelle Minick, Brenda Greene, Hildegrade Lindquist and Ninon Rothbard. Teacher Rose Jimenez narrated. This is a scene from the slide story with Angela Sierlizza, Denise Loring and Lawrence Glaser (from left) manipulating self-made clocks while Ninon Rothbard instructs them in the concept of "hour" and "half-hour". The film-slide was developed over a period of two months, according to Principal H.F. Cavanaugh.

We understand the JOHNNY DE SANTOS and WALTER THOMAS have been seen in the local tropical shops at the PLAZA...the reason is they were shopping for HAWAIIAN NITE to be held June 29th at the KNIGHTS OF COLUMBUS, Helix Place, Hicksville (are they planning to wear that they purchased?) ...Don't forget to display your American Flags next Friday, June 14th is FLAG DAY...What's all this chatter we hear about a SUBWAY in Nassau? this is where I get off. That was BOB BROWN Jr. (Robert Chevrolet) driving the

Mothers Hear Sr Jean Clare OP Junior High Pupils Study Geology

The responsibility of the parent as the principal educator of his child was stressed by Sister Jean Clare, O.P., Diocesan supervisor and curriculum coordinator in the Dept. of Education, Diocese of Rockville Centre, at the May meeting of the St. Ignatius Mothers' Auxiliary. Sister Jean Clare, speaking to approximately 300 mothers, outlined the necessity for the parents to provide their children with cultural, physical, emotional and spiritual security in the home.

During the regular business meeting, Sister M. Venard, the school principal, announced that school would close for the summer on Wednesday, June 19, at 12 noon and reopen for the fall term on the Wednesday after Labor Day. Sister also called attention to the children's art work exhibited around the auditorium. An Art Exhibit by the St. Ignatius School children, under

the direction of their Art teacher, Mrs. Digilio, will be held at the Hicksville Public Library until June 15.

The election of officers for next year was held and the results announced as follows: President - Helen Ryan; Vice-President - Mary Connor; Recording Secretary - Dorothy McCaffrey; Corresponding Secretary - Helen Brennan; Treasurer - Margaret Wright.

The St. Ignatius All-Girl Drum and Bugle Corp exhibited their prize winning style during an intermission period. Attired in red, white and blue full dress uniforms, the girls entertained with a number of group pieces as well as individual performances.

The Auxiliary's final meeting of the current school year will be held in conjunction with the June Social scheduled for June 17.

Study Geology

Hicksville Junior High School students from the Earth Science classes had an unusual experience, under the direction of Sidney Gelb and David Steinberg. They took a geological field trip into the Poconos on May 25th. The students were given an opportunity to chip rocks in studying fossil formations. The trip was arranged through the University of East Stroudsburg. Dr. Longner, professor of physical geography at the university, escorted the group.

The Shakespearean production, "King Lear" at the Shakespearean Theatre at Stratford, Conn., was attended by members of the Junior High School's Shakespeare Club on the same day. Frank Aversano, Mrs. Elsie Strong and Mrs. Audrey Foley accompanied the club.

JAMES A. MORABITO of 64 Felice Crescent, Hicksville, receives Allstate "Ante-Up" trophy from Herbert Kopke (left) District Sales Manager of Allstate Insurance Companies, as Al Fisher (center) Field Sales Manager, looks on. AUXILIARY NEWS

By Cynthia Hochbrueckner

The annual Past President's Party will be held at the regular June meeting of the American Legion Auxiliary, Charles Wagner Post #421 on Friday, June 7th at 8:30 P.M. Awards will be presented to all members who have maintained continuous membership for periods from 5 to 40 years. All Past Presidents have been invited and a good time is promised by the committee.

A Citizenship Medal was to have been presented to a member of the Campfire Girls who best fulfilled a list of requirements set up by the Auxiliary and the Campfire Girl Guardians. It was with great disappointment that our Americanism Chairman, Mrs. Trudy Rutz reported that she had no entries this year in the contest. The medal will be held until next year when the contest will probably be opened to other groups.

Now that Memorial Day is over, I wish to express my thanks to all those who helped make the Poppy Program a success this year. Our order was increased as requested by Department and through everyone's cooperation most of the order was disposed of. Special appreciation to those who met the early morning trains as that is quite an unreasonable hour to ask anyone to get out. This was another job well done for another year.

Hawaiian Lau Set for June 12

The Levittown Extension Unit is celebrating its 15th Anniversary with a "Hawaiian Lau" on Achievement Night, June 12, at the Levittown Hall at 8:30 P.M. Chairman, Mrs. Paul Olivia and Program Coordinator, Mrs. William Toth have completed the plans for a very pleasant evening. There will be many displays on floriculture, foods, sewing, hooked rugs, crafts, etc., made by the members this season. How to stop a worry before it starts

"I just thought I'd tell you Ann's here. I'll see that she's home before dark." Any time you think there may be cause for worry, put someone's mind at ease with a phone call. It takes only a minute or two and often saves hours of unhappiness. Your thoughtfulness in calling is always appreciated. That's one thing phones are for.

Comets Cop N. Shore Crown

by Joe Koerner

ERWIN 2 HITS NORTHEM. . . It's a long rocky grind from the season's opener, to the North Shore Finals and the Comets traveled this road in fine style, this past season. But going way back to the opener, a non-league tilt against Massapequa, they were dumped by a young mound wizard, named Don Cook and the prospect of a N.S. Championship, or even a crack at a title, looked a little far fetched. Cook came up with a sparkling 2 hit, 11 strikeout effort against them and sort of let everyone in on the secret of why, Massapequa had been last year's County Champs. "So what backstopper, in his right mind, would fade the action any other way?" said a middle aged Hicksville fan, after watching the local's get shortchanged. A pair of scratch bunts by Chip Jaworski and Bill Luft, had been all the power, the Comets were able to muster. The headlines read, "COOK COOKS COMETS" AND in much smaller print a pair of local hurlers by the names of Bob Smith and Jim Erwin, did a fair days work by sharing a 4 hitter. Each gave up a single and a double. This coupled with a few untimely walks and a number of Comet errors, opened the floodgates. "A good way to get the mistakes out of our system," said coach Dick Hogan at the time. And get the mistakes out, they did, for not only did they wind up with a Sectional title but continued their winning ways in the N.S. Playoffs, by turning back Floral Park, Hericks and finally, Great Neck (North). They blanked the Northmen, 4-0, behind the fine 2 hit twirling of southpaw ace, Jim Erwin.

Erwin was the workhorse, this season and ended the North Shore campaign with an impressive 14-1 pitching record. He chalked up 2 no-hitters along the way (Plainville and Mac Arthur) and if this youngster, carries over with this kind of corner cutting, next season, the score will be heading a path toward the Halls of Hicksville. He's a Jr. and will be back in the spring to help get the Comets off to a flyin start. And now that we've left the clucking in good hands, let's get back to the playoffs and the local hummer dept., where centerfielder, Chip Jaworski tops the list, Ja-

worski ended up league action with a 344 B.A. and went 3 for 8 in the playoffs. Ray Strassburger and Vin Hannigan followed with 300 and Stu Blust took over the 4th slot with 296. Frank Campisi, a late starter (up 20 times) wound up with an impressive clutch hitting spree of 363. Vs Floral in the first of the sudden death playoffs, the Comets racked up all 5 runs in the 1st inning. The Parkmen netted 2 on a 4 hitter tossed up by Jim Erwin. For the Comets, . . . Strassburger led off with a walk, Jaworski singled and Bruce Damm scored both with another hot liner into short left field. Another single by Hannigan scored Damm. Blust got on with an error, Bill Luft squeezed Hannigan home and Frank Campisi wrapped up the action, with a 4th single, scoring Blust. In the 2nd playoff vs Hericks, it was Erwin again for his 13 win of the season. He matched slants with visiting hurler Gil Ulm and both gave up 5 hitters. Hicksville won 4-1. The Comet scored their 1st run on a walk by Jaworski and a slashing rbi, single by Campisi. Then Bruce Damm walked and scored on a 2 out double steal for the 2nd marker. In the 5th inning, it was Jaworski again with a double to score Erwin; on with a fielders choice, Vin Hannigan wrapped up the scoring action with a single scoring Jaworski. And then came the final playoff game vs Great Neck (North) last Tuesday afternoon at the Oyster Bay Memorial Field. The rest is history. . . Singles by Bob Smith, Jaworski and Strassburger picked up 4 runs for the Comets. Erwin tossed a 2 hit shutout and first year Varsity coach Dick Hogan wound up with a jubilant case of the chills. This Thursday afternoon, he and his wonder boys face Wantagh for the County Championship at the Levittown, Memorial Stadium. . . Our crystal ball figures the locale will be in orbit, along about 6 pm of that day for that matter far into the evening.

What better way, to celebrate the County baseball jackpot, than with the well-timed Varsity Club dinner, scheduled for the evening of June 6th at The Old Country Rd. Manor. Our thanks to the alumni for their gracious invite.

BOWLING TEAM of St. Ignace Loyola RC Church of Hicksville won the championship of the Rockville Center Diocese from St. Cyril and Methodius, Deer Park, June 3. Both teams are members of the CYO Champion League. On Sunday night, St. Ignace won the Nassau title while St. Cyril and Methodius won the Suffolk Crown. Receiving their trophies from Rev. John P. Henry CYO Director, are (from left) Addie Campitella, Marge Rudy, Pauline Cooper, Irene Zalowski and Captain Ann Krimmer. (Photo by Dreman)

COMET LACROSSE WRAPUP. . . "So what's the outlook for next season," we asked Lacrosse coach, Bill Meyer in the quiet confines of the Sr. High Locker-room. His meadowmen had just dropped the season's finale; a 5-2 decision to Port Washington and as a result, wrapped up the first Lacrosse season, in Comet history. He was making no effort to hide his pleasure, over an impressive (for a first year club) 6-7 league record and a 3rd place finish in the Section 1, Derby. "We developed into a real fine team," he said "but I'm going to miss graduates, Ed Kramer, Don Otten and Allan Aker." Kramer had been outstanding on defense and the Comets were going to have a tough job filling his shoes, next season. Aker was 2nd high scorer with 14 goals and Otten was a big part of the attack setup. He contributed 2 markers and was always near the top of the heap on assists. "Now for next year," Meyer went on. . . "we're losing only 3 of our regulars, . . . the rest of the league will be hurt a lot more by graduation." He went on to cite the likes of Larry Wesolka, Alvin Lewis, Joe Sarno and the Medina boys, Rich and Gus, as returnees Rich had led the scorers with a seasonal total of 15. Gus hit the 4th slot with 6. Other squad members, honorably mentioned for their scoring efforts were, Paul Wolkiewicz 7, Vin Hoesack and Paul Colosano 4 and Paul Rondone 1. First string goalie, Joe Sarno came in for an extra mention for his outstanding role as net tender. Sarno came up with 197 saves, for the season; a 3rd place County standing for goalies. Back-up goalie, Jerry Gallo, contributed 16 saves. All in all a fine team, that should put the Comets on the Lacrosse map, in the seasons ahead. An up and comer who will also bear watching in the future is Steve Schuster; this year's leading scorer for Ron Benezio's J.V. squad.

DIAMOND EXIST. Other Comet tipsters include, Coach Harry Rein's Jayvees, and Bill Roberts' Sophomores, baseball teams. The Renmen finished with a 7-4-1 season; with Bob Roehrig pacing the pitching staff. Jim Errico, Tom Cardinal and Roehrig, were 1-2-3 in the plugging dept. Dennis Gallagher rated a plug for a fine job behind the plate. And on Soph side of the action Coach Roberts and his squad, finished up with a 3-2 record. Up and coming Andy Koehler and Frank Maler shared the pitching assignments. "Both have fine potential," Roberts said. The leading batters were, 1st baseman Greg Hoberock and 3rd baseman Nick Carrera, 2nd baseman, Lance Dugan, garnered the most hits for the season.

OYSTER BAY TOWN COUNCILMAN A. Carl Grunewald tosses out the first ball in the presence of 700 boys and their parents for the opening of the Hicksville National Little League Season. With the Councilman, from the left, are Edward Burke, director of the Colt and Connie Mack; Alvin Abramson, secretary; Anthony Pascariello, vice president; and Joseph Blair, President of the Hicksville Baseball Assoc Inc.

As members of the Executive Board we will have Past Commander Dick O'Neill, Pete Miller and Bill Eggemann... Historian will be Dick Evers and Ernie Gundlach was elected to the Sunshine Committee...Hicksville Legion Hall, Inc., directors elected were Bob Hasel, Henry Brenzel, Jack Ehmann, Rudy Bouse and Al Carpenter... Further changes are to come with the finalizes Constitution and By-Laws Revisions due before too long but a raise in dues to \$8 is being asked now

as amending the present By-Laws...This looks to be, after a year of reconstruction and expansion, a year of transition between the old and the new...This is never an easy period and Commander Hochbrueckner has asked for every one's patience and cooperation in ironing out the rough spots...Give it to him! Give it to his committee! Give a little more of your time to our Post and help it grow!...Make it the true home of that Happy Hicksville Habit... "See You At The Legion"... Our S.A.L. Drum & Bell Corps won first place again at the annual Sons of The American Legion Nassau County Convention at Oceanside last weekend...And the S.A.L. Color Guard took home the third place trophy!...The Boys are very proud and happy...and so is The Post... Eisemann Directs Benefit June 11

Henry C. Eisemann of Hicksville, Chairman of the Second Annual Memorial Theatre Benefit which will be held on Tuesday evening, June 11, for the Nassau Division, American Cancer Society says that the live show is shaping up well. The show will be held at Century's Roosevelt Field Theatre at 8 P.M. and will be preceded by a Buffet Supper at the Cafe Dominique, Roosevelt Field. Following the live show there will be the world premiere of a film not yet released to the public. Tickets at \$15 each, which include both the Supper and the Show, are selling fast according to Chairman Eisemann.

The Master of Ceremonies will be Jim Lucas, NBC announcer for the "Concentration" Show, who has also been on the "Tonight" Show and many others. He will introduce the star attraction, Juanita Hall, famous for her Bloody Mary part in "South Pacific". Dolph Traynor's twelve piece orchestra will play both at the Buffet Supper and at the live show in the Century's Theatre.

Chairman Eisemann said "By going to this Second Annual Theatre Benefit at the modest price of \$15.00 a ticket, we feel that those who attend will not only be making a contribution to the American Cancer Society and its three way program of Research, Education and Patient Care, but also will be getting good value for their money as this promises to be an outstanding evening of entertainment. It is a black tie, red carpet, klieg light, Hollywood type of evening which should be enjoyed by all who attend".

William M. Gause Jr. Post No. 321†
by Eddie Klebing

"Somebody up there must love us," said Bill Frohnhoefer casting an eye skyward. Somebody must, because what could have been a rainy dismal Memorial Day, turned out to be beautiful.

Waiting for the parade to begin and watching that detachment of Marines come to "order arms," made a bunch of us old timers glad we weren't following them. As they say in show business, "It's tough to follow a good act." They were sharp, precise and it makes you feel good to know that they're around if trouble ever starts.

The parade looked as good if not better than it did in past years. The speakers and the services as a whole was flawless. All in all Hicksville had a perfect Memorial Day.

It felt good to get back to the club-house for food and refreshment. And — it's only sitting to thank the members wives and Ladies Auxiliary who made these tasty salads.

At the last meeting Jim Klueg made the following appointments; Adjutant: Bill Frohnhoefer, Officer of the Day: Mike Znach Historian: Frank Mallet Service Officer: George Walden Employment Officer: Joe McCarthy Assistant Adjutant: Bill Kummer Public Relations: Eddie Klebing Guard: Angelo De Vito Buglar: Angelo Carbone Color Bearers: Artie Retberg and Frank Aug. Patriotic Instructor: Thomas Halght.

As part of its Americanism program, the Veterans of Foreign Wars of United States has adopted a resolution asking the President of the United States to establish "a committee on American Ideals," because of the growing tendency to devalue or ignore the richly patriotic heritage from which we derived our national character and the fundamental freedoms of the American way of life, also, where increasing variety of disturbing philosophies of both foreign and domestic origin strive to downgrade clear thinking, loyal and dynamic Americanism.

Remember, next Friday is Flag Day. Display it well, it dresses up your house.

George Weiden won the last raffle ... Our next meeting is June 10, June 22nd is "Installation Night" and all members and wives are invited ... if rumors become facts then we should be picking up some new members at the next meeting.

Myron Litwin phoned and asked if I could use an item for the column. I always can and encourage any bit of news that would interest the members of the community to send or phone it in. Myron advised me that V.F.W. member Stanley Zwiirdis's son Richard is home on a twenty day leave before going overseas. We wish Dick a happy furlough and hope his dad can bring him down to the Post some evening.

MABEL MARIE PERDUTO, daughter of Mr. and Mrs. Henry Perduto, of Hicksville, formerly of Astoria, was married to Benjamin A. Marzer, Jr., son of Mr. and Mrs. Ben Marzer, Sr. of Jericho, at Holy Family R. C. Church, Hicksville.

The bride wore a gown of silk organza over faille, and carried carnations and gladiolus with stephanotis.

The maid of honor, Miss Margaret Pfundstein, wore a old-fashioned make gown with a picture hat, and she and all the other attendants, who wore lavender-old-fashioned gowns and picture hats carried parasols which had orchid carnations entwined on the handles.

The newlyweds are touring the Southwest and will reside in Bay-side on their return.

(Continued from page 1)

Town administration have long suspected. Inherent in his statement is the elimination of local, town and village government. Our local government would be replaced by the creation of a huge centralized government which, by its very nature, would deprive the Townspeople of their present voice and participation in local affairs. The proponents of this type of unwieldy and purposeful confusion would then be in position to systematically and methodically break down our Town's one-family suburban characteristics", Pynchon stated.

Wins Competition For Sculpture

Did you know that a renowned Hicksville resident, Miss Bronks Stern, is this year's winner of the Sculpture Competition in New York City?

Miss Stern has received many prizes and awards for her sensitive, original pieces of sculpture and at present is being honored

at a one-man show at a Greenwich Village art gallery.

Locally, some of Bronks Stern's work may be seen at Art Forms Unlimited, 111 Levittown Parkway, Hicksville. This gallery is open to the public on Mondays, Thursdays and Fridays from 10:00 A.M. to 9:00 P.M.
