 HICKSVILLE, L. I., NEW YORK 10¢
 Entered as Second Class Matter of Hicksville, N.Y. Post Office

Sidney Pelley Was First Town Beach Superintendent

Funeral services were held Wednesday afternoon for Sidney W. Pelley of 105 Bay Ave., Hicksville, long-active political figure and first person to hold the position of Superintendent of Beaches in the Town of Oyster Bay. He had undergone surgery about five months ago.

Mr. Pelley, born in New Haven, Conn., 65 years ago, died on Sunday night at his home. On July 7 next he would have celebrated the 30th anniversary of his wedding to the former Charlotte Gouze, a life-long Hicksville resident. Mr. Pelley is survived by his wife, a daughter, Margaret; a sister in Connecticut, a brother in Massachusetts, two brothers and a sister in Canada.

He was a resident of Hicksville for over 30 years. From 1940 to 1955 he was associated with the Nassau County Board of Elections in Mineola. In 1956 he became the first Beach Superintendent of the Township, in charge of town beaches on the North and South Shore. He subsequently became affiliated with the Township Highway Dept. as a supervisor.

He was a Republican committeeman for over 20 years and an active member of the Ernest F. Franke Republican Club. He was chairman of the Club's directory committee which published several useful community directories. He was for a time a zone leader in the GOP organization.

He was also a member of the Nassau County Chamber of Commerce, and section leader in Boy Scout finance drives.

He was a licensed patrol judge with the New York State Harness Racing Commission and served for several seasons at Roosevelt Raceway and other harness racing tracks upstate. He was also a licensed real estate broker.

Few of his political friends knew of his earlier interest in aviation. He and Mrs. Pelley were at Roosevelt Field that damp morning to see Col Charles Lindbergh take off on his historic non-stop flight to Paris. A close friend of Joe Crane, noted flier and parachute rigger, Mr. Pelley made three parachute jumps over

SIDNEY PELLEY

Mitchell Field.

He was an ardent and devoted Republican campaign worker and was largely responsible for the elephant float developed by Hicksville GOP which was seen everywhere prior to every election. That original float was sold to the County GOP and he devoted his vacation time the past couple of summers building a new Victory Van from another former bus, complete with a rear speaking platform. This Van travelled every mile of street in the Township besides making numerous Rail Road station and shopping center appearances.

Mr. Pelley reposed at Vernon Wagner Funeral Home, Old Country Rd and Jerusalem Ave., where Masonic funeral services were held Tuesday night.

The Rev. Earl Barr conducted religious services at two o'clock Wednesday afternoon. Interment followed at Friends Cemetery, Westbury.

Hicksville Tops GOP Fund Drive

The achievement of the Hicksville voters for the Nassau County Republican Finance Drive is topping not only its own goals but also exceeding the amount collected by any other community in the County was held last week at a GOP Finance Committee dinner.

Leading Hicksville to first position with a report of \$7,009.90 was William E. Buchman of 6 Millera St., insurance consultant and broker.

The quota for Hicksville was \$4500, third highest in the county. L. Levinson with a goal of \$10,000 led the highest assignment and reported \$2,110.

Oyster Bay Township turned in \$30,549 which exceeded \$22,408 for North Hempstead and lesser amounts for the two cities in Nassau.

Buchman, a Hicksville resident

for seven years, has been a Republican committeeman for 24 years. He is committeeman in the 7th District in Hicksville.

He is the designer of the Republican Town Committee to be a GOP candidate for Trustee of the Jones Fund in November, his first bid for elective office.

He is an active member of Hicksville Rotary Club and the Queens Chamber of Commerce. His wife's name is Margaret and he has two daughters, aged 10 and 7.

The Veterans of Foreign Wars of Hicksville will install their newly elected officers for the following year this Saturday evening, June 22, 8:30 PM sharp at V.F.W. Hall. The Ladies Auxiliary, who already had theirs, will have a brief, simulated installation the same evening.

Sudden Interest In HS Expansion

Most members of the Hicksville Board of Education are beginning to think seriously about adding additional rooms to the Senior High School to handle forecasts of increasing enrollment at that level.

At a Board meeting on April 26 it was proposed by President Jerome Zetler that the Board consider the need for action on such a program. With William Bruno and D.P. Sabatella absent, the motion lost with Herbert Johnson, Neil McCormack and Zetler in favor and George Jackson and George Kunz voting no.

This week, however, there appeared to be a change of heart. On June 14, Kunz moved to direct the School Architect to prepare plans for 15 additional rooms at the Senior High, a combination cafeteria-gym with a cellar for central fire storage.

This was amended to include preliminary plans and costs for up to 25 permanent rooms and costs on 15 permanent with 10 temporary type rooms, either new or moved from elementary schools; also six more vocational training rooms.

The final vote was all seven members in favor.

Bruno also moved to have cost estimating prepared for a new 25-room school (not specifying as to elementary or high school, but presumably high school because of enrollment). President Zetler ruled this out of order on the grounds that the State Education Dept., Division of Buildings and Grounds will not grant permission for such a structure. The same division has indicated a willingness to go along with more rooms at the high school.

At the same meeting the matter of the missing textbooks, loaned to Bruno in November and the return of which is now demanded by Board action, was revived at Bruno's request. In discussion which followed, Bruno declined to promise just when the volumes would return to the Administration, declaring he must take his time in reading and evaluating the texts. However, he did indicate he might return them one by one as he finished with them.

The next regular meeting which will be the final meeting of the fiscal year and President Zetler's last session as a Board member, is scheduled for Thursday, June 27, in the faculty lounge of the high school. The reorganization meeting will take place at 8:15 PM on Tuesday night, July 2, at the same place when Board Officers for 1963-64 will be elected. It will also mark the first meeting for member-elect Irving Lawrence.

Select Name For New High School

The Most Rev. Walter P. Kellenberg, D.D., Bishop of Rockville Centre, has announced that the diocesan high school to be constructed in Hicksville will be named in honor of the Holy Trinity.

This is the second of four co-institutional high schools to be named. Earlier, Bishop Kellenberg announced that the school to be built at Mitchell Field will be named in honor of the Blessed Mother using her title Maria Regina.

The Holy Trinity Diocesan High School will be erected on a 20 acre site at Hempstead Ave. and Newbridge Road, Hicksville, and will provide accommodations for 1,200 boys and 1,200 girls.

Bruno Brands Cowardly Act

William A. Bruno, Jr., somewhat controversial member of Hicksville Board of Education, today branded as a cowardly act the publication of a house for sale advertisement in a daily newspaper giving his home address, 53 Hunter Lane.

Bruno told the HERALD that he did not place the advertisement and has no intention of selling his home or moving from Hicksville. He said a call to Newday informed him that the ad had been placed by "A Mr. Bruno".

Appearance of the ad caused a flurry of speculation over the weekend. Some wondered if Bruno was planning to move out of Hicksville in which case he would be forced to vacate his seat on the Board of Education since trustees must be residents of the District. He is this month concluding the first year of a three-year term.

The advertisement under houses for sale read as follows: "Hicksville: \$17,000, \$1,000 above mortgage. Principals only, 53 Hunter Lane."

Bruno has an unlisted telephone number.

He made the following formal statement: "The insertion of the house for sale advertisement by someone without my consent or approval was as cowardly an act as could possibly be made by some individual who has neither the character or courage to make known their identity. It is unfortunately part of an attempted character assassination which was part of the last School Board campaign and has no place whatsoever in our

Special Herald Feature:

Judge Andrew B. Heberer Sr.

By Fred Noeth

As the years roll by we are inclined to forget or overlook the contributions of men and women over the decades to help establish the foundations of the community of today. Many have been forgotten simply because the present-day residents never even heard of them.

Such a man, we believe, was Judge Andrew B. Heberer Sr. and we have a particular reason to remember him. He passed away suddenly in 1935 within a matter of days of the 50th anniversary of his coming to Hicksville. Our memory of him is sharpened by the fact that as a very junior editor and reporter, we interviewed him within a matter of hours of his untimely demise.

Judge Heberer's name appears prominently in the half-century of community history from 1885 to 1935. He became a prominent merchant. He was chief of the fire dept. He was a lay minister of the Methodist Church. At the time of his sudden passing he was a Justice of the Peace of the Town of Oyster Bay and as such held roughly the equivalent of the position of Town Councilman A. Carl Grunewald and District Court Judge Francis Donovan rolled into one. In his time, the Town Board consisted of the four Justices of the Peace and the Town Supervisor. Subsequently, the town form of government was revised by the State Legislature and Councilmen were named to the Town Board while the Justices of the Peace became the first District Court Judges.

Among his other lesser-known achievements was the institution of kindergarten in the Hicksville Public Schools back at the turn of the century.

This is the article that appeared in print on Feb. 8, 1935:

In an interview with the deceased Justice of the Peace Andrew B. Heberer Sr. held in his chamber in the Hicksville court house on Tuesday morning, but a few hours before his sudden death, the Judge told us he would be celebrating the

50th anniversary of his coming to Hicksville next Friday, Feb. 15. "I was born in Elmont on July 12, 1865 on a duck farm. Hanley's Paradise Inn is now located near the place", said the Judge as he opened a cherished scrap book on his desk.

During the course of his talk he constantly referred to the book which contains clippings, photographs and letters that he had gathered since 1890.

As a lad he attended the Parochial School and at the age of 13 left home. "I had a full course in the school of hard knocks", he remarked with a smile. Later he graduated from the Plattdeutsch High School.

Just 50 years ago next Friday on Feb. 15, 1885 the late Jules Augustin called the young Andy Heberer to take charge of his general merchandise store in Hicksville. Some time later he worked for the late John H. Hahn and on June 15, 1891 went into business for himself. He continued in the general merchandise business until recently when he sold out to the present Helm Paint Works on So. Broadway (presently Botta Bros.-ed).

His store was located in several areas of the town, the present Helm Paint Works being the last location. He held office in almost every responsible position in the town and his activities in office resulted in many social and civic improvements in the village for which the present citizens can well be thankful. At the time of his sudden death he was Justice of the Peace which position he had been elected to in 1925 and had since been reelected several times.

When asked if he would seek reelection in the coming elections, his present term of office expiring on Dec. 31 of this year, he said: "I don't know if I will seek reelection. I was elected on platform of faithfulness to duty. If I have made mistakes they have been mistakes of the head and not of the heart. If the people want me, I will run for office."

During his tenure of office as Judge of the Hicksville Court for

the past ten years, he has merited the praise of all who have had cause to do business in the local court. His scrap book with its letters bears testimony of his consideration and kindness of those who have been summoned to appear before him.

As to his activities in the affairs of the village during the 50 years, he was chief of Hicksville Fire Dept. for 12 years, starting in 1891. As a member of Co No. 1, he received interest in the Hook and Ladder Co. At the beginning of the century he was a member of the Hicksville Board of Education and served as its president for two terms. Due to his efforts the district was changed from a common school district with two teachers to a Union Free School District. He was responsible for instituting a kindergarten in the school. He tells of the opposition of local folks that he had to overcome to make this addition to the local school system.

For the past 17 years he has been a lay minister and has served churches from Brooklyn to Greenpoint. For 17 years he was chaplain of the Jones Institute on West John St., Hicksville. For the past 30 years he had been president of the Plain Lawn Cemetery on Old Country Rd. and with Judge Jackson, Judge Heitz, Charles H. Wood and Daniel Suter was one of the organizers of the cemetery.

On Oct. 31, 1886 he married a Hicksville girl Miss Elizabeth Herbst who died in 1905. He later married Mrs. Lawrence Fledger, a school teacher. He is survived by four sons and nine grandchildren.

"I have great hopes for Hicksville," he said in conclusion. "It was founded by people of zeal and industry who worked hard to make it what it is today."

Thus concludes the interview. His son, the late Andrew B. Heberer, Jr. is Clerk of Hicksville School District from Aug. 2, 1922 until his death on Sept. 21, 1954. He was also secretary of the Oyster Bay Town Republican Committee.

Herald Reader Opinion:

Protests Presentation

To the Editor: Even if there is a minority of one, my voice would still be raised in protest against the presentation of the Long Island Press Distinguished Service Award to Nassau Democratic chairman John F. English, as a travesty of democracy, justice and fair play, as seen through the experience of this humble Democratic worker and committeeman of Levittown.

In place of a vigorous two-party system, we have two entrenched political machines vying with, and aping each other in grabbing appointments to lucrative jobs and shaking down businessmen for their party treasures, with which to create false public images of themselves. The election of Eugene H. Nickerson, an able public servant, came about in spite of not because of the "leadership, inspiration and devotion" of John F. English, who stooped to low-level tactics of deceit and threats to insure his unquestioned control of the Democratic organization, its leadership, its appointments and its nominations for public office.

Particularly distasteful and offensive was the ruthless manner in which John F. English dumped Larry McKeown as Democratic elections commissioner, and promoted himself into the job, a strategic base he has used to place obstacles in the path of prospective Democratic candidates he did not personally approve. In 1961, English joined his Republican counterpart in cancelling the results of a primary election for committeeman in this district, through the stratagem of splitting

it a week after its Democratic voters turned down his personal choices for leadership. Can this represent "an advance over previous conditions?"

Under the aegis of Mr. English the discredited system of bipartisan handpicking of State Supreme Court Justices by collusion of Republican and Democratic county leaders, was introduced in Nassau, depriving the voters of their inalienable freedom of choice. The two leaders didn't even take the trouble to consult with the Bar Association - hardly "resulting in something significant and worthwhile," would you say?

It is my earnest conviction that, to be meaningful and memorable, such an award should go to the individual most responsible for the creation of the Nassau County Human Rights Commission, which can establish as one of the most progressive and forward-looking by making equality for all a Long Island reality.

MISCELLANEOUS views of the bowling league dinner at the Pine Hollow, Monday night. See Ten Pin Talk for details.

Ten Pin Talk

by HENRY DOCKSWELL

It was a gasser. A fine, unadulterated gasser, flavored with unlimited liquor, delicious food and a band that swung from the heels. Disregarding Len Walnick's plea to wear bowling shirts and bring our bowling balls, the men came en masse dressed like nothing we've ever seen on a Monday night. Each was accompanied by his beautiful lady, and Pine Hollow turned out to be as pretty and attractive as we had heard.

In no time at all the liquor and hors d'oeuvres changed places with the empty feelings in our stomachs and the hanting and comradeship took over. Soon the air was ringing with music, laughter, and oohs and ahs as some of us caught sight of the array of trophies. Big, beautiful, and just waiting to be presented.

Having imbibed just enough liquid encouragement, our league President Morry Herrick plus Len Walnick and yours truly had a great time awarding the trophies. Every one knew which trophies were going to be given to whom but the highlights of the awards were some unexpected ones presented to some very surprised people.

Low man on each team was given a funny little goon with a bowling ball where his stomach should be and with an idiotic smile on a face attached to a bumbling bouncing head.

The 'Alibis' were shocked out of their seats when they were suddenly called to receive an award for finishing last. Six of the sickest looking trophies with "Last Place-We Tried!" engraved on them (donated free of charge by presented in appreciation for their fine efforts to further the ambitions of the 11 other teams.

Not to be outdone by all these awards and also to assuage the torn and tattered hopes of the trophyless "Tigers", their wives got together and bought each of these now house broken cats a trophy, to show that they would always be first in the hearts of their loved ones.

A very fine male singer, Paul Decatt, presented by Marv Cohen, provided the planned entertainment, and at one point, Millie Sloan (wife of Cap't. Jack of the Mets) did a duet with Paul that spoke louder than the words of any song he had sung.

It was a fine night, filled with all that it takes to make a wonderful party. This is a good group and could only make for a great time.

Attention all members of BCA Bowling League! Our league meeting will take place on Tuesday, June 25, at 9:00 P.M. at Syosset Lanes. Be sure to attend. Election of new officers and extremely important changes in our rules will be discussed.

Sold to Builder

Sagamore Farms, a developer of houses in the \$22,000 to \$27,000 class purchased the ten acres of land authorized for auction in the Syosset School District.

The ten acres are located at Forsythia and Fountain Lanes, south of Robbins Lane. The land was originally purchased as a school site for \$195,000 and sold for \$240,000. This was the minimum price allowed by a referendum of the District held this year.

President's Corner

by HORACE BERNSTEIN

It is with sincere regret that I have just learned of the resignation of Muriel Sugarman from the VILLAGER staff and the giving up of her popular column "Hi Neighbor".

Muriel, while not a charter member of the VILLAGER, has been with the paper since she moved into the community 6 years ago. Muriel was instrumental in starting the "Calendar of Events" column and then took over the gossip column three years ago.

To those of us on THE VILLAGER who have worked with her these many years, we can well appreciate all the effort and hard work she has put into the column. The writing of "Hi Neighbors" was not just putting together a lot of items that flowed into her house. Muriel, in many cases, had to seek out the information. Many a person who found his or her name in her column was pleasantly surprised to find it there and wonder how Muriel was able to gather the information. Muriel had her hardest job keeping after the ever-so-many organizations in Birchwood who wanted publicity especially about their coming events.

I can well appreciate Muriel's desire to "retire" after 30 many years. Writing the column brought her many friends, but it also worked a hardship meeting deadlines, seeking out the tid-bits, having it delivered to the editor, typed, and making sure she hurt no-ones feelings.

Muriel and her husband have been good personal friends of mine for six years and working with her made my job ever so much nicer. The paper and the community will miss her. Knowing Muriel, I am sure that if and when we on the paper or I, personally, need her for Civic matters, she will be available.

After Nat Warren, the Editor, received her resignation, Muriel unfortunately had a fall in a neighbor's house and is now laid up in the hospital. As President of the Civic Association, as your friend and Villager worker, Muriel, I wish you a speedy recovery and hope to see you soon.

Columnist Leaves

After Yrs. of Service

Those of you who read the "Hi Neighbors" column will note that it will be the last by our columnist, Muriel Sugarman. Prior to this paper going to press, Muriel submitted a letter of resignation.

In the true spirit of a devoted columnist, and with the motto of "The paper must be printed", Muriel's letter was received without her usual column.

We know that in the 5 years that Muriel has been writing, she has had a great many admirers and certainly has made our newspaper all the more interesting reading. Muriel's leaving will certainly leave a great void in our reportorial staff. We have no replacement for Muriel at this time, and we know that the Editorial Board will have great difficulty in finding someone possessing the same high-writing ability.

All of us at THE VILLAGER will miss you, Muriel -- and your column.

Hi, Neighbors

MURIEL SUGARMAN

Since bowling is such a popular sport in Birchwood, and since the VILLAGER has written about the winners in practically all the other leagues, it seems only fair to list the champs in the JJC Sisterhood Bowling League. Team "A" - High game, Rita Sussman; high average, Alice Meadows; high series, Rose Hiltzman. Team "B" - High game, Marilyn Gatzleb; high average, Blossom Krammer; high series, E. Brown. Incidentally, Rita Sussman (high game) is relatively new bowler.

Happy Birthday to Dolores Freed, Lorraine Simon and Sonya Rosenthal, also Shirley Lubliner. Best wishes to Lilyan Warren, daughter of Shirley and Nat Warren who celebrates her 14th birthday on June 18th. Birthdays greetings to the "youngster set" - Robbin Livingston, Lois Wehner, and Barbara Turbell (all 11 years old).

Dr. Charles Q. Orden of Birchwood Park Drive has just returned from the University of Indiana,

having participated in a week long graduate seminar in Orthodontics. At this session there were men from areas as distant as Japan and Peru.

Don't forget June 23rd. That's the date the Youth Commission is presenting "Our Hearts Were Young and Gay". The time is 8:30 P.M. Tickets are \$1.00. Call Mrs. Pepper at WE 1-6277.

Congratulations to May and Bill Sussman of Forsythia La. on the birth of their daughter.

Annette Lang took off after Monday night mixed Bowling League via jet to meet with hubby Sid in L.A. -- after San Fran. -- they vacationed several days in Las Vegas and returned home Sunday nite. (Any money left?)

Condolences to Francine Lawrence on the loss of her beloved Father.

Adele Sherman of Magnolia Lane honored Tuesday nite by Hadassah

Board. Sherman's moving to Florida.

Back to Anniversaries, Congrats to Joan and Milt Bagley -- Milt is an active officer of your civic organization.

Murray Klein of Hedgerow Lane was honored by the United Jewish Appeal as the "man of the year" in its retail automotive division. At a dinner, held June 6th, at the Astor Hotel, Murray received a beautiful enameled plaque in recognition of his five years service as chairman of his division.

The Jericho Chapter of Cancer Care will have on Sunday evening July 14th, a theater Party at Jones Beach for Around the World in 80 Days. No increases over Box office prices. \$4.00 (Four Dollar) and \$5.00 (Five Dollar) seats available. For tickets or information call Ruth Franklin WE 8-8851.

Congratulations to Shirley and Nat Meshkew of Merit Lane on the Par Mitzvah of their son, Fred.

Our good wishes to the graduates and their parents of both

The Ninth Grade "Augmented Ninths", Miss Florence Bowmar, conductor, also rated an "A". The judges commented that this group has advanced as far as any junior high school group of this nature can possibly go.

Henry Gates' Intermediate band

AN EDITORIAL: Keep Streets Clear

The Time: Thursday night, June 6, 1963
Approximately 10 P. M.

The Place: Farway's Lane — fire apparatus strewn along the block answering to a call. If ever the need for parked automobiles to be off the road, here confronted us an ideal situation.

Your editor was at the scene discussing the fire with several volunteers and hearing the remark, "It would have been easier for our trucks if there weren't so many cars on the street," brought to his mind the many editorials THE VILLAGER has had on the subject.

Must a major calamity move us to action? What is so difficult about such a simple request as park your car in the driveway or garage? With the warm weather approaching now more than ever should we heed this advice. Remember, parked cars not only presents a problem for fire trucks, but for children as well, who will undoubtedly dash out from behind them, with possible accident and injury resulting.

If each and everyone of us can heed the slogan — "CARS OFF STREET WHEN NOT IN USE", a great deal of anxiety and possible injury will be precluded.

A SHORT SHORT STORY: Moment of Decision

The steely blue barrel of the revolver was pointed at my chest and the huge towering giant of a man who had drawn the gun and held it in front of his mid-section, his back to the door, to keep the weapon from view of the outer street, was saying, "Don't make a sound and hand over your cash!"

I looked up into the disoriented pupils of his eyes, and then down at the wavering gun in his big fist. My heart was pounding like a trip-hammer, my knees quivering beneath my trousers, and only a deep breath that seemed to take an eternity in its fulfillment kept me from collapsing.

My thoughts were immediately centered on the discussions we'd had so often in our home. "What would you do in case of a hold-up?" There had been a wave of house robberies in the past few years and every time we read of one, the family would discuss the robbery objectively. My son would say, "I'll be damned if I'd give them anything, they'd have to take it from me!" My wife's thoughts were, "Let's hope it never happens," and to their questioning, I would answer, "The circumstances will dictate my actions!" My reverie was interrupted by the gunman, whose staccato order, "Make it fast or I'll take it myself" was given with a menacing brandishment of the gun.

I turned my back to him and

faced a dresser whose doors were partly ajar. I knew that my revolver was in there lying cocked for shooting. My cash was in a little drawer on the left side. Running through my mind was the thought of all the hours I'd labored for the money that was in there. Was I to give it to a dope-happy gunman who was holding a gun that might or might not be loaded?

I opened the drawer a little wider and was reaching inside, when a sudden commotion made my hands instinctively raise and cover the back of my head. For I was expecting his weapon to come crashing down on my head. I turned my head impulsively at the same instant to find a weaponless gunman being manacled by two Patrolmen.

"Boy, am I glad to see you!" I stuttered. "How'd you know what was going on in here?" Their explanation was simple — they had a lead on the gunman's car and were watching it for a week.

A few weeks later there was cause for discussion in our household again. The headlines read "Man Killed While Drawing Gun Against Hold-up Man."

(Ed. Note: — The above story was submitted to The Villager and was printed purely for its suspense and reading interest. Stories by our members and their families are solicited and would be highly welcome.)

HICKSVILLE RECREATION

SUMMER EVENTS

Special Section of Mid Island Herald

Why Summer Recreation?

The principal purpose of the summer recreation program is to provide your children with worthwhile choices of leisure activity during the vacation period. This ability and opportunity to choose becomes more and more essential as we move deeper and deeper into this new age of leisure. These succeeding generations will be faced with the greatest abundance of spare time in the history of the world.

As you study this variety of activities you will note that it covers the whole range of possibilities from crafts to concerts. A child can exercise his body, learn a new skill, speak a line on the stage, visit a new place or explore some other untried leisure experience. The more skills, appreciations, understandings and exposures a child has had in the world of leisure the better he will be prepared for the age of leisure.

Of course the mainspring of summer recreation is the day to day enjoyment and stimulation that it should provide. We encourage you to direct your children to these activities which will fulfill this purpose as well as the long term leisure experience. We also encourage you to provide similar opportunities within the family circle.

The recreation Staff wishes you a happy summer.

JOSEPH F. MADDEN
Recreation Director

Festival of Art, Drama, Music

Three levels of dramatics will be offered this summer - Children's Theatre, Teen Theatre and Alumni Theatre. The Children's Theatre will meet every morning, the Teen Theatre will meet in the afternoons and the Alumni Theatre will rehearse during the evening.

Two former Hicksville drama students will be directing the Children's Theatre and the Teen Theatre will be under the supervision of William Golecka. Raymond Matienzo will again be directing the Alumni Theatre.

This year, for the first time, a summer Band and a summer Chorus will be offered. Peter Horvath, a former Hicksville music student, will conduct the Band and Charles Arnold, Senior High School Choral Director, will conduct the Chorus.

All of these activities will be coordinated into a Summer Festival of the Arts to be presented for the public on specific evenings each week during the summer.

SUMMER ALUMNI THEATRE

College students and past high school residents with an interest in drama are invited to join the Alumni Theatre Group. (You need not be a graduate of Hicksville High.) This group is now in its third season and plans are being made for another successful production. Raymond Matienzo will direct this show, with plans for the performance to be part of the Hicksville Summer Theatre.

STRICTLY BUSINESS : Elimination on Schedule

by JIM CUMMINGS

The Hicksville Railroad Elimination project moves steadily ahead to a completion date in July, 1964. This program which was spearheaded by the Hicksville Chamber of Commerce over 10 years ago is ahead of many other communities on Long Island due to constant follow-ups and meetings held over these years with the Public Service Commission in New York and weekly visits to Babylon by representatives of the Chamber, a list so long that it would take all the space on this newspaper to say thanks to these community-minded men who have taken time from their busy schedules day after day, week after week, to see this long awaited program become a reality.

We are equally proud of the representatives of our great Town of Oyster Bay, who have proven their ability to guide this Town Government over these years. To the position held today, as the fastest-growing Township in New York State; with the planning guidance and leadership of John J. Burns, then supervisor and under the continued leadership of Thomas R. Pynchon, very capable and popular Supervisor of the Town of Oyster Bay. One of the busiest men on this committee has been A. Carl Grunewald, Town Councilman, who is on 24-hour call re the many problems which arise from routing traffic to checking steel.

ROUND OUR TOWN we hear that Jack Griffith's Ford "Cobra" sports racing car is one of five in the U. S. The "Cobra" is out in Wisconsin for the 6th round of National Championship, having been 3rd overall for the National Championship. The "Cobra" was on display this week at the PLAZA as representatives of Town and Mid Island Plaza got a "sneak preview" of it's workings - Bob Brown is the driver... The Police Boys Club is sponsoring a 3-Ring Circus (under canvas) on July 12 and 13th, opposite Mid Island Plaza... E. Buckner of "Buckner's" Mid Island Plaza presented their annual award to Miss Joan Youngmans of

AWARD CONTRACT

The contract for installing bituminous resurfacing on Heitz Place and adjacent area in Hicksville has been awarded and work will proceed as soon as all legal and engineering requirements are met, it was announced by Supervisor Thomas R. Pynchon.

Hicksville High School, as the "outstanding retailing senior of 1963" Leon Galloway, Principal, was present for this award held last week... The "Townsmen" quarter were so well received when "Miss Rheingold Met the Mets" at the Plaza, that after a call we received from the Mets and Rheingold, they will appear in person this Sunday with the METS at the Polo Grounds (You'll be hearing from this group on records)... We are sorry to learn of the passing of Hicksville's Sid Peilly, very active gentlemen in GOP circles... Community Fireworks Display will be held at the PLAZA this year on Wednesday evening, July 3rd at 9:30 P.M. (plus a very special surprise sale for our wonderful shoppers that evening More later)...

Concert Assoc Elects Officers

Samuel J. Mehlman was re-elected as president of the Mid-Island Concert Assoc. during a recent board meeting. The effectiveness of Mr. Mehlman's past efforts in furthering one of the main purposes of MICA - that of sponsoring recitals and concerts of fine music and other art form for our community (Hicksville-Jericho), resulted in unanimous approval for his re-election.

Through the Mid-Island Concert Assoc., a non-profit organization, Mr. Mehlman has done much to provide a community cultural medium in which interested individuals and families may participate at a reasonable membership fee and broaden their experience in music. Elected with him were Philip M. Shooer, Vice President; Mrs. Edith Winston, Membership Chairman, Jericho; Mrs. Anne Sherman, Membership Chairman, Hicksville; Daniel Sirota, Publicity Chairman and other committee chairmen.

During the past season MICA

presented an outstanding four concert series - Folk singers Archer and Gile, Jose Limon and Dance Co., Paganini Quartet and pianist Moura Lympany. Mid-Island concert subscribers also attended concerts sponsored in the neighboring communities without charge. Plans for the fall subscription campaign shall soon be considered. All interested in participating should contact either of the following membership chairmen:

Mrs. Edith Winston - WE 8-7683.
Mrs. Anne Sherman - WE 1-3016.

SONS OF LEGION CHAMPS. Meet Bandmaster, Peter Seitz and his rabid group of glockenspielers, baton twirlers and drum beaters. Seitz and the youngsters are all sons and daughters of American Legion members in Hicksville. On Memorial Day, they had their marching shoes on and participated in two parades... one in Hicksville and the other, an afternoon soiree, in South Hempstead. Other participations over the years, include the Armed Forces Parade in N.Y. and just about every other Nassau and Suffolk town that had need for a fine parade band. The group was started by Seitz 3 yrs. ago with five members and has since grown to 16. Some of the laurels won include: concurrent Sons of Legion Championships in 61 and 62. The latest cup copping event, took place at Oceanside, June 2nd, where the S.A.L. added the '63 championship to their coveted belts. Other floras for Pete Seitz, who earns his piece of bread, doing the

plumbing and steamfiring chores for School Dist. 17, includes starting the first Amvet Band in Post history. Seitz was born and raised in Ridgewood and his musical background stems from leading his own dance band as a sax player. The group was known as the Dixie Melody Boys in those days, with Glenwood Landing and the Ridgewood Grove as the stomping grounds. Both of Seitz's sons, Kenny a Jr. and Pete a Freshman, follow in their pop's footsteps in the baritone sax division. Both have had experience with the Jr. and Sr. High Bands. (Top row, left to right) Dorcen Weaver, Joe Raitz, Kenneth Hirsch, Bill Mangles, bandmaster Seitz, Kevin Evers, Ed Hodgkinson, Donald Hughes and Judy Boesch. AROUND THE DISTRICT

Day to be Remembered

By Joe Koerner

And then suddenly the anxious moments of uncertainty are over and done with... The boy, wearing the bright red polo shirt, makes an effort to rise and as he does, you realize, that you had been given the greatest Father's Day gift, a man could ever receive. You had been given the life of your son and the clarity of this truth, makes you much more sympathetic toward other father's, who might not be so lucky, this day. You breathe a long sigh of relief, even though you are looking at the mangled remains of what had once been, a fairly new, English Racer. You think how easily the condition of boy and bicycle, could be reversed. It could have been the boy who was mangled and the bicycle that remained intact...but this was Father's Day, 1963 and as things turned out, it would be a day for you to always remember.

It all starts with a 10 a.m. phone call...the message is directly to the point. "Your son has been hit with a car...At Blueberry Lane and Beech St..." the called said. There was probably much more to the message but your wife who had taken the call, heard no more. Her ears were struck deaf and her voice faltered as she called out. Seconds later, a cold engine sputtered to life and the longest 2 minutes of a lifetime began. Mother, Father and four sons (1 unaccounted for) sped toward, destination uncertainly. The words... "your son has been hit by a car," races through your mind. Blueberry Lane was but short seconds away but a lifetime was lived in those terrible few short moments. "Is he dead... badly injured?... just bruised... or what? Those were the thoughts and you wondered aloud, how so many recollections could be taken in so short a period of time. It reminded you of the true to life tall, told by a man, who at one time came close to drowning. "That last time I started down," he said... "I lived my life, from cradle to grave."

Now you know, what those words really meant; for you were living them yourself during this short trip to Blueberry. And then suddenly you arrive at the typical

accident scene...an unusual number of residents, listing both sides of the street, the broken bicycle on the left side of the road and the boy with the bright red polo shirt, lying on the island of grass; between sidewalk and roadway. You park on the right and jump out; not quite knowing what to expect... but then comes the smile of recognition and the boy makes a effort to rise. Closer examination reveals nothing more than a bruised knee and lacerations of the upper back. Seconds later a patrol car, careens around the far corner and comes to a screeching halt. It's followed quickly by another and still another. The men in blue, jump out and immediately throw a protective net over the scene of the accident. All are exceptionally polite as they move in. They ask questions and come up with a lot of answers. One of them has a small first-aid kit and quickly bends to the task at hand.

"Nothing serious", he says, as he stands up...but X-rays will have to be taken...there's an ambulance coming." At least three other men in blue, take time out to sit on the curb and comfort the boy. These are the men of the Nassau County Police Dept. and their actions today, are far beyond reproach. One quietly goes about getting the accident report from the driver, who turns out to be a young man recently discharged from the Army. He's married and had recently been employed with a North Shore defense firm. He was driving his sister's car and he and his pretty, teenage wife, had been returning from church. It was a quiet Sunday morning and for their sake also, you were glad that the accident wasn't serious and that all the drivers papers were in order. You could read these youngsters like a book; for their actions throughout were a credit to their parents and the age group, they represent. They were quiet and mannerly and offered no alibi's or distortions of the facts. It was the perfect end to a Father's Day story, that but for the Grace of God, could easily have been marred by tragedy. As the ambulance pulled away, the boy on the

stretcher, gave the sort of a smile that is reserved for youth alone. It left no doubt in anyone's mind that the X-rays to follow would be taken, purely as a precautionary measure. Later in the afternoon, the driver, his distraught parents and the rest of the family, arrived to offer their sympathies. The scene that followed, let all be aware that his was...A DAY TO BE REMEMBERED.

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville.

BY ARTIE RUTZ

With the close of the Nassau County American Legion Convention last Saturday nine at Glenwood Landing we have for all intents and purposes also come to the end of our 1962-63 Legion year. The remaining events are the New York State Convention and the National Convention. Our new Commander, Dick Hochbrueckner, has picked up the torch, so to speak, and is pushing the Post further up the ladder of accomplishment, the bottom rung of which was established during P.C. Pete Muller's term when he gathered together the Building Committee that pushed through the Expansion and Renovation of our building. Jr. Past Commander Dick O'Neill very ably hailed the Post up the next rung of success during the past year, which was a very trying one for many, many of us with all the problems that the building project brought. Now the problems of getting our feet on the ground again with still many new thoughts and ideas to be incorporated into our Post organization falls to Commander Hochbrueckner. For example, here's just a minor one but it's important. Due to our air conditioning equipment producing enough disturbance when a speaker is addressing the audience, our amplifying system is sadly needed at once so everyone may hear what is going on. Of course Commander Hochbrueckner happens to be knowledgeable when it comes to this type of electronic aid but he's a busy, busy fellow and first things must be done first. As I said, "It's just one of the minor problems." Just a final note about the N.C.A.L. Convention concerns Commander Donald Conover's inaugural address at the Installation Ball. He warned, and quite rightly so, that we should pay much less attention to America's internal discord and reconcentrate on America's REAL enemy, Communistic Russia, whom the Legion has been fighting for 45 years. He warned of the standard practice of the Reds of creating a diversion, any kind, say

Highlighting Post events this Saturday's installation of officers. That's when Ed Shannon turns over command to Jim Klueg. Members received invitations by mail in the form of a bulletin. We hope to see many familiar faces -- some we haven't seen in a long time. Preparations for this year's picnic is taking physical form. This year's outing will be run along the lines of our last one -- plenty of food and fun, prizes and games. Mike Zsack, committee chairman, is going full speed ahead with plans. Full details will reach members by mail.

July 22, a meeting night, will feature another evening of painting. This time we go to work on the basement, and if the turnout is the same we have no problem. Like our last session, Bob Obermeyer promises plenty of refreshments and pizza again. Plan to be there.

With the advent of summer, thought should be given to the increasing amount of accidents which are predominant at this time of year. Leonard L. Helmoff, M.D., Surgeon, V.F.W., Department of New York asks us to follow the simple rules of safety regarding swimming, diving and boating and to avoid overexertion after a heavy meal.

The July Issue of "Good Housekeeping" magazine is recommending its readers to get the V.F.W. booklet, "Etiquette of the Stars and Stripes". This can be accomplished by sending a stamped, self-addressed envelope to the Americanism Department, V.F.W. National Headquarters, Kansas City, Missouri for a free copy. Girard Jansen won the raffle at the last meeting. Next meeting June 24. See you then.

Advocates Family Worship Service

Edward Paton, 34 McAlester Ave. Hicksville, advocates family worship as a deterrent against juvenile delinquency. Paton and his wife, Gerda, and their children Edward Jr., age 12, Bruce, 10, and Kenneth, 9, will serve as delegates to an eight-day International convention of Jehovah's Witnesses, scheduled for Yankee Stadium in New York, July 14.

At such assemblies, all members of the family serve as delegates. There is no special selection of representatives and each member of the congregation is qualified to attend. A total of 100 persons will represent the Hicksville Congregation at the New York convention.

Paton is one of the many who is concerned about juvenile delinquency and recommends such meetings as a means of combating this "increase" in crime among youngsters. He also stresses family worship as the strongest weapon against indifference among juveniles toward God and their responsibilities to their fellow men.

"In this age of expediency," he said, "many would rather see a good example than be one. In a competitive world, setting a good example is not always convenient or advantageous. Thus, he said, bad examples flourish. Rudeness is excused as haste. Lying and hypocrisy are masqueraded as diplomacy.
