First Bridge Steel Goes Up

VOL. 16 NO. 30 JULY 11, 1963
HICKSVILLE, L.I., NEW YORK 10¢
Entered as Second Class Matter of Hicksville, N.Y. Post Office

New School Board President Father of Three Children

George A. Jackson of 61 Berkshire Rd. starting his third year on the Board of Education, was elected President on July 2 by a vote of six to one. Herbert H. Johnson, the veteran member starting his third three-year term, declined nominations for both President and Vice President.

George W. Kunz of 45 Arcadia Lane, starting his second year on the Board, was elected Vice President and Cornelius J. McCormack, secretary, both unanimously.

The District Clerk and District Treasurer were both re-elected by close 4 to 3 votes. Fred J. Noeth is again District Clerk and Herbert Bachman, Treasurer. Jackson, Kunz, McCormack and Johnson voted for re-appointment. Voting no were D.F. Sabatella, Irving Lawrence and William A. Bruno Jr.

Herbert Purick, as the only Hicksville resident applicant, was unanimously named District Auditor. Action on appointment of a school attorney was delayed pending interviews with three candidates besides the incumbent, Joseph Catalano. The other applicants are Harry H. Goebel, former school attorney; Robert J. Haft of Ross, Stamer, Wolf and Haft; and Joseph S. Tedesco.

The Board set an executive session to interview attorneys, in the meantime exercising the 30-day extension clause in the contract with Catalano. Regular meetings of the Board of Education were continued on the second and last Friday nights of the month at 8:15 PM.

Jackson who ran with Sabatella and was elected in 1961 has been a resident of Hicksville since 1955. He has been in industrial

GEORGE A. JACKSON relations and the personnel field for years.

He is a graduate of Rutgers University and did graduate work at John Hopkins and Rutgers. He is a personnel executive and handles hospital administration work at the Brookhaven National Laboratory. An official of the Hicksville International Little League he is also a member of the Long Island Personal Directors Assoc.

Mr. and Mrs. Jackson have three children in the elementary grades of Hicksville Schools.

Plaza to Get Twin Theatre

Mid Island Plaza Shopping Center and Town & Country Theatres of Glen Cove this week announced signing a lease for a 2,000 seat "Twin-Theatre" to be built at the Plaza. Mid-Plaza Cinema will be a "first" in the eastern seaboard and quite possibly in the United States. The theatre will be located at the north end of the Plaza and will feature a new complex in construction, design and equipment to give theatre-goers the maximum in comfort and enjoyment, according to Leon

Miller, architect. The selection of Mid Island Plaza for the "Twin-Theatre" by Sid Shecter and Sy Frank was due to the tremendous potential at this "hub" of Long Island, located in the heart of Hicksville, it was stated. This regional shopping center is serviced by nine bus lines and taxi fleets; in addition all parkways and major arteries lead directly to the Plaza. Further impetus to this potential is anticipated when RR crossings are (Continued on page 12)

Seeking 20 Pints of Blood

An urgent plea for volunteer donors was made today on behalf of Dennis Fabinski of 43 Jersey St., Hicksville. The youth will shortly undergo a serious heart operation and needs at least 20 pints of blood. Donors are asked to go to Meadowbrook Hospital and make donations in the boy's name.

THE FIRST of five million pounds of structural steel in bridges fabricated for the Hicksville RR grade crossing elimination program was swung into place across Old Country Rd this week. Town Councilman A. Carl Grunewald stands next to the first section before it was lifted into position, giving a comparative view of the size of the heavy section. (Herald photo by Frank Don Malett)

Charges Fly as Library Atty Seeks to Reargue Land Deal

The accusation that the Hicksville Library Trustees are "Guilty of playing fast and loose with the taxpayers' monies" was voiced this week as Supreme Court Justice Joseph Suozzi heard oral argument on a motion for leave to renew and re-argue the case of the Library property purchase on Jerusalem Ave. Justice Suozzi, after hearing the arguments, reserved decision on the motion of Kendrick C. Smith, attorney for the library trustees, Wednesday in Mineola.

Oral arguments were voiced

by Smith, C. H. Tunncliffe Jones, attorney for John E. and Anna B. Christ, owners of the property bought by the library; and Harry H. Goebel, attorney for George M. Martin and nine other plaintiffs.

In June Justice Suozzi had deferred granting a summary judgment to the plaintiffs if the Christs returned "so much of the down payment as came from tax moneys" * * * and that portion of the fines and fees, if any, which were offset in the budget in computing the tax

levy for that year." He also stipulated that the Christs accept a mortgage under certain conditions and that Christs and the Library trustees fix periodic mortgage payments at a level permitting the rental income from the property (which includes a dwelling) to satisfy the mortgage obligation.

Martin in an affidavit filed with the Court, opposing re-argument of the case before Suozzi, posited upon new claims by the defendants that the actual (Continued on page 12)

Set Newbridge Rd. Widening Hearing

ALBANY— A public hearing is scheduled by the State Dept of Public Works for 10 o'clock Monday morning, July 22, on the long-awaited widening of 5.7 miles of Newbridge Rd. from Hicksville south to North Bellmore. J. Burch McMorris, state PW superintendent, announced the hearing will take place at the Meadowbrook Junior High School at Newbridge and Old Westbury Roads. District Engineer Austin M. Sarr will conduct the hearing and all persons

attending may present their views for or against the plan and its economic effects, by written statements or orally.

It is proposed to widen Newbridge Rd to a four-lane highway from Jerusalem Rd. north to Old Country Rd., Hicksville. North of Old Country Rd it will follow a new route, bending to the west to pass under the LIRR in the area of Jackson Pt., thence along Sackett St. bending over east to re-connect with North Broadway in the area

of James St., north of the Post Office.

Preliminary plans of the proposed new section will be available at the hearing and an engineer will explain the project. Since this will be a Federal Aid Highway project, there is expected to be no delay in the procurement of funds for the improvement which has been the subject of speculation and discussion for more than a decade.

Among Volunteers In California

Joan Katagiri of 62 Spruce Street, Hicksville, will be one of about 450 young people who make themselves a short-term volunteer service corps at work under the auspices of the Board of National Missions of the United Presbyterian Church, U.S.A.

Joan will be working under the

Dear Lynda :

Despite inclement weather, 98 members of Hicksville Police Boys' Club went on a bus trip to Yankee Stadium recently to see the Yanks vs Boston.....Dr. CARL M. WINSTON, member of the dept of psychological services in Plainview Schools, is now President-elect of the Nassau County Psychological Assoc. IRWIN J. LESSER of 19 Evelyn Rd., Plainview, is corresponding secretary.....Median salaries for classroom teachers in the State rose to \$6679 during the current school year, according to the State Teachers Assoc.....MARGE GIANNELLI of Bay Ave., Hicksville, would like to make it clear to her many, many friends that SHE IS NOT the Democratic candidate for Town Clerk in November. The candidate is her sister-in-law, KATHERINE.....

ELIZABETH HARRISON, daughter of Mr. and Mrs. Thomas Harrison of 40 Eighth St., Hicksville, will become the bride of DICK VALENTINE at St. Ignatius Church on July 27.....Comment here last week regarding BILL BRUNO and his visit to the Administration Building of the School District the day following a meeting on June 27 has been denounced by BRUNO as "inaccurate". While our sources were such that we can usually consider them reliable, we are glad to correct the record. BRUNO did not claim credit for getting the District employees a paid holiday on July 5.....That telephone alerting system under which Hicksville volunteers will be notified of alarms by direct phone, at night, rather than sound the sleep-shattering sirens is now in the process of installation.....The JERRY ZETTLERS are planning a motor trip to Niagara Falls.....With a gush of enthusiasm we were telling someone about the installation of the first steel span on Old Country Rd crossing earlier this week. He said, with a shrug "So what? If the RR goes out on strike they won't need the bridges".....Hicksville Kiwanis has collected about a fifth of its mile of times, according to Chairman EUGENE SCHILLINGER.....LIRR is opening the first section of its special station for the WORLD'S Fair on the Port Washington branch this week.....

WILLIAM H. KITCHEN, advertising sales, US Tobacco Journal, and Hicksville resident, received his diploma at the Harvard University Graduate School of Business Administration recently. . . Servo Corp of America, with main office in Hicksville, has completed a \$180,000 initial shipment to French National Railways for its electro-optical system for detection of overheated journal boxes on trains. The device is the first of their kind to be used in Europe. . . Hicksville Post Office team is not exactly setting the world on fire at Jones Beach. They are in last place in Slo-Pitch Industrial League with four losses. . .

MEL VOORHIES has been taken quite a ribbing and it was all our fault. The paper last week reported he was captain of Fire Co. No. 6, whereas we should have said Co. No. 7. That noted historian and expert on such matters, LARRY FAGANO, straightened us out. . . Town Supervisor PYNCHON urgently requests the cooperation of residents by disposing of spray-type cans, such as shaving cream and hair spray, in RUBBISH which is subject to separate collection and buried in land-fill, rather than in garbage which is incinerated. As many as 1,000 barrels a day are heard at the town incinerator as the spray cans with remnants of pressurized gas hit the flames and explode. Every 10 days or so, a stoker at the Old Bethpage Incinerator is injured by such blasts. . . There is a big campaign afoot to warn everyone there is no safe way to look directly at an eclipse. Smoked glass, exposed photo film and dark glasses are NOT adequate protection. We are schedule to observe a partial eclipse on Saturday, July 20, and many who have watched past eclipses have suffered eye injuries. Pass the message along to the children. . . DAVID SUSAN, son of Mr. and Mrs. Frank Susan of 8 Elmira St., Hicksville, earned the President's Scholarship from Atlantic District of the Lutheran Church-Missouri Synod. Twelve were issued. A June graduate of Concordia Preparatory School he will attend Concordia Collegiate Institute, Brimley, as a pre-ministerial student. He also won a Babe Ruth Sportsmanship Award and a State Regents Scholarship. . .

Get well wishes to GEORGE SHANLEY of Ingram Dr., Hicksville, convalescing at home following recent hospitalization. . . Belated birthday greeting to JIM HILTON of Jerome Ave., Hicksville, who celebrated July 8.....

Three Town Councilmen, CARL GRUNEWALD, ED OCKER and ED FOLLOS, will be guest speakers at the Hicksville Republican Club meeting at the Masonic Temple this Friday night, July 12. There will be buffet refreshments and all are welcome. Incidentally, we never knew until this week that CARL GRUNEWALD, whose daughter gets married next month, during his youth worked for three summers as a steelworker. He had a hand in the building of the Bear Mountain bridge. . .

INCREASING IMPORTANCE of Grumman Engineering Aircraft Corp., Bethpage, in the field of space flight is reflected by the many prominent plant visitors including Dr. Werner von Braun (above), director of the George C. Marshall Space Flight Centre, who autographed a photograph while on a recent visit to Plant 5.

Catherine Proctor

Mr. and Mrs. William Proctor have announced the engagement of their daughter, Catherine to Robert Howland, son of Mr. and Mrs. Bernard Howland of Elmira, N.Y.

Miss Proctor is a graduate of the State University at Cortland, N.Y., where she majored in Elementary Education. Mr. Howland is a senior at the State University College at Cortland and is majoring in Secondary Mathematics.

A wedding next June is planned.

SHORT AND SWEET

Thinking of moving? Wadi Halfa, Sudan, had no rain for one period of 19 years. . . Saw this notice in the window of a newly opened store in Valparaiso, Ind.: "Open for business". . . What this country needs is someone who knows what this country needs. . .

Americans have 71 per cent of the world's automobiles, 80 per cent of the world's hospital beds, 82 per cent of the world's bathtubs, 83 per cent of the world's railroads and 48 per cent of the world's radio, telegraph and telephone facilities. . .

The University of Kuirein in Fez, Morocco, is said to be the oldest educational institution in the world, having been founded in 859 A.D. . .

Most frequently sung songs are "Happy Birthday to You," composed in 1893; "For He's a Jolly Good Fellow," which goes back to 1781 and "Auld Lang Syne". . .

Herald Editorial Opinion:

We Muff Opportunity to Get Community Shelter

We seldom comment on national or international events, having resolved some years ago that our readers consult other, more learned journals and publications for opinion in those areas. However, the crisis of recent memory concerning Cuba (blockade, etc.) brought sharply into focus the matter of Civil Defense and the civilian population within range of missile bombing, atomic and otherwise.

Some time ago we suggested, a little tongue in cheek because we know these things are difficult to re-direct in midstream, that the section of the proposed Rail Road embankment from Nicholas St south to Old Country Road be re-designed as a tremendous community shelter. The suggestion was not novel. It had been first suggested in Life magazine for the approaches to highway bridges on thruways. Then the mayor of Babylon gave public voice to a localized version and suggested that instead

of filling in raised portions of the rail road between streets with tons of sand, that shelters be constructed thereunder.

We passed along the thought to the local Civil Defense, confident that we would hear no more of it. We have not.

During the most recent Cuban alarm we received a near hysterical phone call from a resident worried about a community bomb shelter. We told her about the underground truck delivery tunnel of Mid Island Plaza which has been stocked with medical supplies by CD. As we explained we mentally recalled that there is only about a foot or so of concrete overhead and the value of such an area in the event of a near hit was problematical.

A local CD official told us that a recent drill for volunteers suggested

that an atomic bomb had hit outside the Town of Oyster Bay but within Nassau. He said it was calculated that about a third of the township population had died as a result. Or, to be optimistic, two thirds survived the first day.

Those who have read the imaginative novel of Phillip Wylie, "Triumph", without being morbid, must be struck by the implied fact that there is small hope for survival in areas that are presently designated as shelters. Owners of private shelters, the novel indicates, are no better off when they are pounced upon by neighbors who failed to provide for themselves.

Our hope lies in our best ef-

Reader Opinion:

Factual Presentation

To the Editor:

Your recent comments on the Nassau County Director of Franchises' double-loop rapid-transit proposal and its accompanying high-rise apartments, bring into sharp focus the real concern of all of our Town's mid-island homeowners. As the Chief Executive of the Town, I naturally favor positive steps that will assist in the improvement of our transportation system. This, of course, includes continual governmental efforts to aid in the improvement of the service of the Long Island Rail-road.

As you are probably aware, I have just been appointed by the Board of Supervisors as Chairman of a special committee including Supervisor Martin of North Hempstead Town and Supervisor Farrington of Hempstead Town, to conduct an exhaustive study and analysis of the recent report of the County Director of Franchises and the Nassau County Planning Commission.

I wish to give you my assurance that this study and analysis will be made with the assistance of expert transportation engineering consultants, and the results will be given the widest possible dissemination so that all of our homeowners will be fully informed.

I also wish to commend you for your perception in researching the real results and impact that would stem from the double-loop rapid-transit proposal of the Nassau County Director of Franchises. The Special Committee of the Board of Supervisors has stated that no plan will be approved without public acceptability and economic feasibility. Every phase of the existing Nassau County Planning Commission report will be researched in depth to ascertain its tax costs to our one-family homeowners and its

long-range and final effect on the suburban characteristics in the heartland of our Town.

In recent months, I have made the Town Board's position as clear as I possibly can to the people, and the response of the homeowners has overwhelmingly supported the Board's attitude. Based on the mail I have received, I can tell you that our homeowners will not accept any plan or program which, in the final analysis, would have the effect of destroying our one-family suburban characteristics. They will not be receptive to a program designed to solve a problem by creating larger and newer problems.

On behalf of the Town Board, please accept my thanks, and commendation for your efforts and factual presentations of the double-loop rapid-transit system as proposed thus far.

Generous Support

To the Editor:

Please accept our grateful thanks for your most generous

support of the 1963 March of Dimes drive.

Our chairman of the Jericho area, Mrs. David Kassan, is confident that the success of her drive was due in no little part to your most enthusiastic support.

Please accept the attached Certificate of Appreciation as a small indication of our gratitude.

Profile of Neighbor

By Stan Furness

Democratic Headquarters recently announced the selection of Herbert J. Simins, a resident of Jericho, as their candidate for Superintendent of Highways of the Township of Oyster Bay.

The selection was based on "his exceptional qualifications and experience." Not the least of which, being that, he is a practicing professional engineer and attorney.

Herb attended Brooklyn Technical High School, graduated in 1946 as an Arista Honor Society student with the New York State Regents Medal for Mathematics. Graduated from the Polytechnic Institute of Brooklyn in 1950 with a Bachelor of Civil Engineering degree, and honors as a member of the National Honorary Civil Engineering Fraternity (Chi Epsilon).

From 1954 through 1958 Herb attended the Brooklyn Law School during evening session, received an L.L.B. and graduated "Cum Laude."

Duly qualified, he is presently practicing as a Professional Licensed Engineer, and Attorney at Law, and is affiliated with The National Society of Professional Engineers, The American Society of Civil Engineers, and the Association of the Bar of the City of New York.

Positions he has held with major firms, range from Junior Designer to Project Engineer and encompassed a vast area of experience and responsibilities. He is a member of the "Ethics and Practice" committee-Nassau County Chapter N.E.P. and...on week-ends you will find him pitching for The Tigers of The Birchwood Baseball League. Notwithstanding his various duties, responsibilities and participations, Herb is happily married to Gail and has three lovely children.

A very young old man is Herb Simins...Young in Years—34...Old in Experience...with a tremendous will and drive for accomplishment and desire of becoming an integral part of the "Management Planning Community."

Change Officers Of Little Theatre

The West Birchwood Little Theatre Group, sponsored by the West Birchwood-Jericho Civic Assoc., announces the following changes in officers for the new season as per election on June 20:

President, Rene Askinosie; Secretary, Lola Rosenhal; Treasurer, Bob Freeman; Past President, Flo Lubin; Advisory Board, Bernie Monkash, Jamie Glickman, Art Soberman, Merce Ritzkin and Fran Levy.

A committee for Workshop has been established. Heading this committee will be Alice Nussbaum assisted by Annette Rubenstein, Dorothy Ringler, and Elayne Monkash. Workshop is open for all those interested. For further information call Alice at WE-8-3673.

The new President wishes to extend a bouquet of thanks to Flo Lubin who did a wonderful job as President this past year and assisted in every capacity of the Theatre Group's work tying up all loose strings and helping us to end our year successfully.

Anybody interested in any phase of our diversified work and would like further information call Rene Askinosie at WE-8-6823. We are looking forward to an active year and are hoping many new couples or husbands or wives will join our membership.

Herbert J. Simins

Massachusetts Turnpike, Ioway Interstate Parkway and Little Rock-North Little Rock Expressway (Arkansas).

As a member of the U.S. Army Corps of Engineers and instructor, he taught construction and topographic surveying to officers and enlisted men in all branches of service at the Engineer School, Ft. Belvoir, Virginia.

He was one of the first presidents of the West Birchwood Civic Association and helped to lay the foundation for many community projects, from which we now benefit. Herb is a member of the "Ethics and Practice" committee-Nassau County Chapter N.E.P. and...on week-ends you will find him pitching for The Tigers of The Birchwood Baseball League. Notwithstanding his various duties, responsibilities and participations, Herb is happily married to Gail and has three lovely children.

Robins Tweet Bombers 2 to 1

By Bernie Monkash

June 30—Today's game was one which The Floyd Bennett Robins will cherish and speak of for a long time to come. The Robins were trailing 1-0 in their half of the seventh and final inning when the Walls Of Jericho came tumbling down upon the B'nai Brith Bombers.

With one down, Siggy (All-Star rookie short stop) Levine singled up the middle. Sal Lo Piccolo followed with a grounder to third, which had the earmark of the game ending double-play ball, but rookie Bob Miller, replacing the usually sure-handed Bert Goldman at third, found it too hot to handle and booted it, thereby putting men on first and second and still one out. Both runners advanced a base on a fielders choice setting the stage for the "big play".

In stepped Rickey Rose, the clutch-hitting speedster who swings from the port side. He took two quick strikes and then ripped a grounder to short where Dick Dickstein, the boy with the Golden Hands, was waiting. The ball somehow eluded Dick's glove and went on through allowing Levine and LoPiccolo to score both the tying and winning runs.

The real story, however, was not one of offense. It was one of superb pitching turned in by Floyd Bennett's Howie Cole and Willie Greenbaum of the Bombers. The Robins credited Willie with having turned in his best performance against them since his having joined the league. Howie Cole's mound work was brilliant in quieting the sometimes loud-bats of the Bombers. He did not allow a man to reach base after the first inning until Dickstein reached him for a base hit with one out in the final seventh. The Bombers scored their lone run in the first on two hits and a sacrifice fly. Cole did not not walk a man, thereby bolstering his reputation as a "control pitcher". The little round man also drew a walk today to continue his good stickwork.

The Floyd Bennett Robins have this made it two in a row over the Bombers this year giving the Robins a nine won and two lost record for the season to date, good enough for a tie for the league lead in their division. The Bombers are now seven and four. The line score was as follows:

Robins	000	000	2	2	4	0
Bombers	100	000	0	1	3	2
Batteries:	COLE and LoPiccolo; GREENBAUM and Penn					

Schedule Vote For Jericho Pool

Jericho Board of Education is planning a vote on Aug. 13 between 2 and 10 PM in the Jericho High School on the question of constructing a swimming pool in lieu of another gymnasium and the construction of a small bus maintenance shop.

The School Board, announcing a hearing on Aug. 8 at 8:30 PM in the speech and drama room of the high school, states that people in the community, including the PT Council, have requested resubmission of the items which were previously rejected by voters.

Carnival Time In W. Birchwood

The front and back yards of 39 Orange Drive were scenes of gay excitement on Sunday, June 23rd. A benefit carnival for the Herald Tribune Fresh Air Fund was going on under the direction of Philip Bashe of 39 Orange Drive, who was ably assisted by Eileen Marder of 41 Orange Drive, Andy Romanoff of 46 Saratoga Drive and Steven Perlman of 26 Orange Drive; all of whom are entering the fourth grade in September.

There were original games of skill made by Philip and the other children, "store-bought" games, a menagerie, fourteen exhibits, a very funny track meet and a ventriloquism act performed by Philip who, as a grand finale, fell into the swimming pool fully clothed.

The general admission (which included free drinks and cookies) was 10¢ and the individual games were 5¢ and 10¢. About fifteen children attended and the total collected was \$12.00. This money was sent to the Herald Tribune Fresh Air Fund and will help to send needy city children to the country for a pleasant vacation during the summer.

Everyone had a grand time and at the end of the carnival, there were four very happy and satisfied children. Philip Bashe, who had been planning the carnival since last autumn, was especially pleased with the results.

Letter To Editor

To The Editor:

There was no misunderstanding as to the intent and purpose of the six men who comprised the Insurance Group attending the Jericho School Board meeting on June 20, 1963.

Mr. Hecht repeatedly asked the spokesman for the group whether they were willing to supply the school board with the insurance information that had been requested. After considerable confusion and deliberation, the spokesman said the group would supply the information if they received the board's assurance that one of their members would get the insurance business of the Jericho School District. I am quite certain that I speak for all of us who have ever served on any advisory committee appointed by the Jericho School Board when I say it has been an honor and privilege to contribute to the growth of the Jericho School District.

It is also to be noted that our school board members receive no remuneration for the many hours and great effort expended

Flames Damage Service Station

Extensive interior damage to a service station at Jerusalem Ave. and Herzog Pl., Hicksville, was caused by fire at about midnight, July 8. It was scheduled for opening under new owners the following morning having changed hands four days before. About 100 volunteers under Chief Walter Telender responded to the alarm.

Conduct First Story Hour

The first summer Story Hour given by the Children's Librarian of the Hicksville Public Library was held July 9th in the library's auditorium. The program, planned for those children who have just completed the 1st or 2nd grades, was very successful.

This week, the theme was based on animals in folk tales and poetry. Accordingly, the stories told were, "The Firemen Town Musicians", a tale by the brothers Grimm; "The Blind Men and the Elephant", an Indian legend, and "The duel", a poem by Eugene Field. Each week, till the end of August, the Story Hour will be given on Tuesdays at 1:30 p.m. The children will meet in the auditorium, but if it is a pleasant day, Mrs. Shapiro, the Librarian will take them outside on the library's patio.

Most of the libraries in Nassau County have decided against having a Story Hour during the summer since many children either go away on vacation or take advantage of the weather and summer facilities offered to them. The program at Hicksville in fact, was last given some years back. However, as there are still enough children who, having just either learned to read or to enjoy fine literature, are willing to attend a Story Hour, the library decided to plan one for this summer.

on behalf of our Jericho children. Also, our administrators and business manager devote a great many more hours to their respective positions than those required. The reward, for all these people, is the knowledge that however large or small their contribution may be, it is helping our children to derive the maximum benefits of public school education.

Our children, who are most important investment in the future of world peace and understanding, can not and must never be measured in terms of money. To the six men of the insurance group: Take a good, long look at yourselves. What do you see?

MISS CAROL J. BACKMAN, daughter of Mr. and Mrs. Herbert Backman of Hicksville and Ensign Arthur E. Katz, son of Mr. and Mrs. David M. Katz, were married June 9, at the International Hotel, Idlewild Airport.

Mrs. Katz graduated from Hicksville High School in 1960 and attended the University of Bridgeport, Conn. Ensign Katz graduated from Levittown Memorial High School and from the United States Coast Guard Academy, New London, Conn., from which he was commissioned on June 5, 1963.

Ensign and Mrs. Katz will be residing in New London after honeymoon in Montego Beach, Jamaica.

CYO Concludes Biggest Year

The St. Ignatius CYO Athletic Assoc. of Hicksville is winding up in July, the largest baseball program in its last decade of activity. Under the guidance of its moderator, Rev. Lawrence F. Ballweg, 150 men administer in conjunction with the Board of Directors, a sports program for every season, to include, football, basketball and track.

The 600 boys registered in the baseball program are separated into 34 Parish League teams and six specially selected teams to travel and play amongst the other parishes in the Diocesan League. The St. Ignatius Parish League is divided into three age groups: Seven and eight year olds under Commissioner John Friedman; nine and ten year olds headed by Commissioner Bill Krajet and the eleven through 14 year olds under the guidance of Commissioner Larry Wallace.

The youngest division already has a champion in its B' section; the Pirates, managed by Vito Del Rosso. The "A" section winner will be decided this week.

In both the nine and ten, and eleven thru 14 divisions a mad scramble for first place is compounded by rained out games to be made up during this month. The older division has the Giants, Packers, Eagles and Colts bunched at the top. Benny DeLia of the Giants helped his team stay in the thick of things by pitching a no-hitter winning 1-0 against Charlie Carter of the Browns, who had the misfortune of losing even though he turned in a "one hit" job.

Of the four teams entered in the Bantam and Grammar Division of the Diocesan League, St. Ignatius came up with one sectional winner, Frank Cowden's Grammar Golds; and a second place sectional winner, Tom Frey's Bantam Golds. The Grammar Golds won the Section III crown of the Diocese of Rockville Centre by defeating second place Notre Dame of New Hyde Park 1-0. The game was highlighted by the sterling one hit pitching of big Ed Doyle, who allowed but one single by Rafael of Notre Dame leading off in the seventh inning.

Also in the Diocesan League, the Tyro and Junior teams con-

prising boys 14 through 16 years of age are leading their divisions with 4-1 and 9-0 records, respectively. In two of the Tyro games, Jim McAuley pitched first a "no-bitter" against St. Gertrude's of Bayville and then followed the next week against St. Edward's of Syosset with a "one bitter", contenting himself with a "bases loaded" home run in the first game and "3 for 3" in the second.

On the days of July 20, 27 and 28, St. Ignatius will play best in their Fourth Annual McGr. George M. Bittermann Invitational Tournament to teams from the Massapequa Athletic Assoc., St. Boniface, Sacred Heart, St. William's, St. Edward's and St. Rose of Lima, invited to play a one-loss elimination round-robin contest which will leave two teams for the Championship Game on Sunday, July 28, 2:30 p.m. at Hicksville Senior High School field No. 1 to play for the McGr. Bittermann 1st place and Father Ballweg Runner-up trophies.

In this event which in many respects culminates the St. Ignatius Parish Baseball program for 1963, a program which leans heavily on its own built-in Umpire Corps, headed by John Greco, consisting of 40 men functioning in the three divisions.

The 17 games each Saturday for the past ten weeks have been without serious incident; a tribute to their competence. Also demanded of them are regular reports, weekly, to help determine at the season's close, the team in each division which in their combined opinion merits the honoring of each player with the St. Ignatius Athletic Association's Sportsmanship Certificate Award and the entering of each team's name on the Sportsmanship Team Plaque. These men contribute in a most unique way to the success of the program.

"Trouble about telling little white lies is they pick up so much dirt while traveling."—Kenny Bennett, Green-castle (Ind.) Putnam County Graphic.

Are Women Better Savers Than Men?

Women are said to be superior bargain hunters. Also, as we have noted at The Lincoln, a very great number of women deposit regularly in savings accounts. Are women better savers by nature, or are they thrifty because it's the way men like them to be? That is the question!

Journal Committee Does It Again

The Jericho Jewish Center has announced plans for its 1963 annual Journal affair. The Journal Committee has disclosed that the tremendous success of last year's weekend at Brown's Hotel Loch Sheldrake, N.Y. will be repeated this September.

Lou Pollack, chairman of the Journal Committee told "The Villager" that special arrangements have been concluded with Brown's so that those bringing in as little as \$200, in ads for the Journal will have a full weekend for 2 free of charge including rooms, meals, use of all facilities and all extras. Herman Lubitz, Vice President in charge of Ways and Means for JJC, told us "It's difficult to see how they were able to arrange such a fabulous deal, and I'm sure this will help create the most successful Journal we've ever had."

Lou Forman, who is handling all the arrangements for the affair, indicated that the weekend is not limited to JJC members only. "Any friends of the Center bringing in the necessary ads may also join us, and frankly, we'd love to have them," he said. From what we've been told, the Committee is pulling out all the stops to insure a most enjoyable time for all.

Operation VFW

William M. Gause Jr. Post No. 3211 by Edna Klabing

Hayman Rothbart, a Manhattan attorney and resident, succeeds J. Mallory Loos as New York State commander of the Veterans of Foreign Wars of the United States.

Once again World War II veterans who still hold National Service Life Insurance term policies are being advised to consider conversion to permanent plans before they grow older. Policies can be converted to one or more of six permanent plans which include ordinary life; 30 payment life; 20 payment life; 20 year endowment; endowment at age 60; and endowment at age 65. No physical examination report is required. Veterans who delay this conversion will find as they grow older the term insurance premium increases substantially.

The Veterans Administration is advising retired Federal employees and survivors who are receiving non-service connected disability pensions to check their total income figures. Adjustments in their income may have to be made in order that they remain eligible to receive the VA pension. Total income must be kept within levels prescribed by law.

There is nothing new to report on this year's picnic held at Salisbury Park on August 25th at this time...except to say, "Come on down and have a good time." We know you will.

Some of the key objectives Commander in Chief Byron Gentry has set forth this year is taking shape. A Subcommittee of the House Veterans Affairs committee has started a deep probe into all aspects of nursing home care for veterans. These are veterans who do not require

RESIDENTS of Merry Lane and the community were suddenly confronted Monday, with additional 50 feet of pipe jutting in the air from Floyd Bennett's Incinerator, (pictured above).

After months of in-operation, as a result of the fight waged by the residents of Merry Lane and the Birchwood Civic Assoc., the incinerator now appears ready for reopening.

The VILLAGER has been informed by Horace Bernstein, president of the Birchwood Civic Assoc. at Jericho, that he and the Civic Assoc. will do all in its power to keep this incinerator from operating in a health hazard and distasteful manner.

full time hospitalization but have chronic long-term conditions for which nursing care is necessary. The VFW chief is requesting the VA to establish beds at existing VA facilities to take care of veterans needing this care.

Another object is the request for combat pay for active military personnel now fighting and helping to preserve freedom all over the world. These men who are actually under fire were not singled out for any additional pay in the new military payroll (HR 5555). The VFW was the only organization to speak up for this group.

On the local front, keep in mind our "paint party" on July 22. The basement is always cool so the weather is no excuse for not helping. Besides, there will be plenty of refreshments to cool you off. So come on down.

AROUND THE DISTRICT:

Old Supers Never Lay Aft by Joe Koerner

OLD SUPER'S NEVER LAY AFT.... They retire one or more times; check through the work and eventually find their place in the sun again. This was the case of Robert Petross, retired Building Consultant for Hicksville School District. Bob, as he was known to a legion of newly acquired friends throughout the district, had traveled this retirement route twice before in his young lifetime. Last week he added District 17 to his laurels, after barely a month shy of 2 years service as Superintendent of Bldgs. & Grounds, and later as Building Consultant for the District. Projects under his surveillance during the past year have been the Willet Ave. site, Sr. High permanent addition, East St. addition, Jr. High units and the moving of all temporary units from Old Country Road School, Let Ave. East St. and Fork Lane to the Jr. High. Indeed a monumental task, that involved a veritable mountain of paper work, over the past year. As Building Consultant, Petross was the liaison between the Board of Education and the architect, Knappe & Johnson. Prior to his stint as Bldgs. & Grounds Supt., a newspaper ad, inserted by the Hicksville Board of Education, had brought Petross out of retirement in August, 61. His background and years of experience led the School Board to appoint as Acting Supt. of Bldgs & Grounds on Aug. 7th, 61. He served in this capacity; taking over the duties vacated by former Supt. Ed Lowandoski, until Nov. 13th of that year. From that date to the

end of the school fiscal year last June 30th, Petross served as Building Consultant. This is the 3rd crack at the retirement dodge and from the looks of this affable young old-timer, a sheep shank over 71, it looks like he'll have about a dozen more under his belt. To be sure, there'll be more want ads in the years to come and to be sure a fellow like Bob Petross, will be there to put his credits on the line. Petross was born in Springdale, Arkansas, on June 22nd, 1892. He's a graduate of Springdale High and later attended the Stevens Institute of Technology in Hoboken, New Jersey. He saw Naval Service during the World War I, days of 1917 to 1921; first as an enlisted man and later as a commissioned officer. Petross was a licensed engineer and saw service on all types of naval vessels, including submarines. A great deal of his service was spent aboard the battleships, Arkansas and Kentucky. After the war years, Petross entered the employ of the Dept. of Water, Gas & Electricity in New York City and later was appointed Supt. of Buildings & Grounds, for both Queens & City College. He retired in 1955, after a total of 30 years service with the City of New York... 12 with the utility Dept. & 18 with the city colleges. But retirement wasn't quite his dish of tea. Petross was accustomed to and like a fire plug of yore, he returned to the working fold, before the year was out. From 1955 to 1961, he worked in the field of new building construction in N.Y.C. & Long Island.... And again, with another retirement under his belt, he was destined to head for the hallowed Halls of Hicksville before the year was out. As a result, he made his own special mark as a member of the School District family and we sincerely wish, this time out to be, merely an Auf Wieder Sein column. So until we meet again, Bob Petross.... Lots of luck to you and your wonderful wife, Alice Mary, who's been your silent partner for the past 40 years. Knowing you both has indeed been a pleasure. AN AUF WEIDER SEIN ALSO.. to Mrs. Rosemary Boccuzzi who did an excellent job, filling in at the Bldgs. & Grounds office, during the absence of full-time Secretary, Elizabeth Gay. Rosemary also hit the proverbial jackpot by leaving a wealth of friendship in her wake and she too, managed to leave her own special mark in the area of the B & G. office. Her many friends

wish her well and sincerely hope that after a summer with the family, she decides to return to the Dist. 17 fold.

GRAPEVINE INFO.... Plopped from the pages of the baseball bible, state that a pair of former Comet greats, are still in orbital flight, in the area of Lewiston & Waterloo, these days.... Names, Gary Sonossian and Chris Coletta, plying their wares with the Kansas City A's and the Boston Red Sox chains. Sonossian in his 2nd season with a Kansas City farm club out of Lewiston, Idaho, is fastballing his way through the western league, with a respectable 7-3 league mark to his credit. His earned run average is a good 3.00. This sort of pace could earn him a crack at the parent club in the seasons ahead. The same holds

true for outfielder, Chris Coletta, who is still high on the list for the Rookie of the Year Award, in the Class A, Midwestern League.... Chris does his flyhawking for a Boston Red Sox farm club, operating out of Waterloo, Iowa. He holds down the 3rd slot in the league BA dept., with an impressive 340 mark. Broken down into all-around voting figures, this includes, 38 rbi's, 10 stolen bases and over 50 double to his credit. Here again a pace such as this should rate Coletta a good parent club prospect for the 65-66 season. Add this local pair to another likely prospect, Bob Cerone, tossing his sliders for a Yankee farm club and you come up with a Cometland triple threat, that should rate some honorable mentions in the years ahead.

Band to Play In Open Air

This summer, an old custom will be revived in Hicksville - a band playing concerts in the open air. This will be part of the Hicksville Recreation "Summer Festival of the Arts" running from July 11th through August 8th 1963.

The Band will be under the direction of Peter Horvath, a former music student of Hicksville High School, and will feature music for a summer evening.

The opening concert will be on Thursday evening July 11th 1963 at 8:45 P.M. at the Junior High School Mall on the Fourth Street side of the building. Subsequent Band Concerts will be Thursday nights, July 18th, 25th and August 8th.

All are invited to attend this free concert and enjoy an informal evening of fine band music.

NEW ARRIVAL

Mr. and Mrs. Kenneth Floano of 80 Kuhl Ave., Hicksville, are the proud parents of their fifth child, a daughter, Kara, born July 8 at St. Alban's Naval Hospital.

STRICTLY BUSINESS..

Cars, Quartet Previews

by Jim Cummings

This Saturday afternoon at Mid Island Plaza area residents will have a unique opportunity to see a display of antique cars courtesy of the Antique Automobile Club of America and hear a special preview of barbershop quartets who will compete in the open-air finals at Salisbury Park next Friday, July 19th. The quartets are from the Long Island Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America (SPEBSQSA). You are cordially invited to attend this special presentation on Saturday afternoon, July 13th at 3:30 P.M. The entertainment will be held on the Center Mall.

PETER AMAROSA, the newly elected president of the Hicksville Rotary Club, is manager of Central Federal Savings and Loan at Bay and West John St. Have you purchased your tickets for the 3-Ring Circus being held this weekend opp. the Plaza? The Hicksville Police Boys Club sponsors this one. It was SRO for the 7th Annual Fireworks display held last Wednesday evening, despite the strong winds. By 9 pm the PLAZA parking fields and adjoining streets were filled to capacity with a record crowd of 20,000 spectators for this Annual Community presentation. Next year, plans call for an even more spectacular event with shooting time 9:45 pm., to give all ample time to view this extravaganza under the stars. That statue of Uncle Sam with Old Glory proudly waving was prominently displayed at curb-line in front of World Fair Liquors on the 4th. Public hearing next Tuesday on the proposed

motel on North Broadway near Northern State Parkway.

The St. Ignace All-Girl Cadet Corp will drill outdoors on parking area north of the Long Island National Bank at Plaza each Monday evening between 8 and 9:30 pm. The Corp will proudly lead the HICKSVILLE FIRE DEPT. in the Annual Labor Day Parade and Tournament set for MID ISLAND PLAZA again this year. Jack Griffith's sports "Cobra" will be on display at Gertz upon its return from the finals upstate. We hear the newly expanded cafeteria is now open at L.L. CO on Old Country Road. WHLI Hempstead is recipient of an award from Rockville Center Diocese for outstanding community service during the past 10 years. Nat Hosen, General Manager of the L. I. Commercial Review, Stopped at our office this week to review the proposed multi-colored map of Nassau County's transportation system being published by the Review. One of Long Island's most modern barber shops, PLAZA BARBERS located at Mid Island Plaza, has been beautifully refurbished, as we got a preview from Al Gullone. Going to Jones Beach STAR BUS LINES leave daily 10 am and 12 noon from Mid Island Plaza. "The Continentals" popular young 5 piece group from Hicksville, has that real "pro" sound, Vic Brunette is youthful leader and may be reached at WE 5-5143. WGLI will do a remote of Saturday's show at the Plaza. The Babylon station has approached the Chamber of Commerce about a special Salute to Hicksville promotion. Looks like only a matter of days until a change in ownership at the Little Inn.

ON DEAN'S LIST

Two local students are among those named to the Union College Dean's List at Schenectady for the spring grading period. They are Richard G. Powell, freshman, son of Mr. and Mrs. Louis Powell of 11 Beacon Lane, Hicksville; and Frederick R. Rosenberg, a junior, son of Mr. and Mrs. Daniel Rosenberg of 89 Victor St., Plainview, both pre-medicine majors.

COMPLETES COURSE

Army Reserve Pvt. Henry T. Rosello Jr., whose parents, Mr. and Mrs. William Hoffman, and wife, Lorraine, live at 1 Robert St., Hicksville, completed eight weeks of military police training under the Reserve Forces Act program at the U. S. Army Training Center, Fort Gordon, Ga., in mid-June. During the course, Rosello received instruction in such subjects as civil and military law, traffic control, map reading, prisoner-of-war control and self defense. The 24-year old soldier received basic training at Fort Dix, N. J. He is a 1956 graduate of Hicksville High School.

Sets Hearing On Motor Boats

The New York State Joint Legislative Committee on Motor Boats has scheduled three public hearings during July, it is announced by Assemblyman Edwin J. Fehrenbach of Bethpage, Chairman of the Committee.

"These public hearings throughout the State are for the purpose of considering a proposal to extend the state Navigation Law to the counties of Nassau and Suffolk and of getting the views of all persons and groups interested in boating to guide our Committee on general legislative action needed to maintain and encourage boating as a stimulating recreation activity for New York State residents."

The first public hearing was scheduled for July 11, at the Courthouse in the Village of Lake George, New York. The Long Island hearings are scheduled for July 26 at the new Suffolk County Center at Riverhead, and July 29th at the Nassau County Board of Supervisors Room in Mineola. All persons and groups interested in proposing ideas and suggestions are urged to contact Committee Secretary, Mrs. D. Dodd, 23 Hawthorne Road, Sea Cliff, requesting time on the agenda of the hearing they plan to attend.

CHARGES FLY

lines and fees collected have been much higher than the amount estimated in the budget.

"Their failure to disclose the receipts of funds in excess of their projected aggregate fines and fees in 1961-1962 for 1962-1963 and in 1962-63 for 1963-64" Martin's affidavit declares "takes on the characteristics of fraud."

"Information concerning the receipt by the defendant Library of monies in excess of the estimated funds was vital and essential to the taxpayers' right to know whether they were willing to assume the tax liabilities for the Library."

"The Library should have had a surplus in 1961-62, if it received the alleged \$16,173.31 of fines and fees since it was in excess of the projected \$10,000 from this source."

"Certainly, the taxpayers were entitled to know that the sum was received. They should not have been lead to assume that only \$8,000 projected in the 1962-63 budget for fines and fees, had been received in 1961-62."

"It is more significant that the Trustees should now seek to allege the receipt of over \$16,000 in 1961-62 and to admit that they estimated for 1962-63 the receipt of only \$8,000; when, as of the time of submission of the budget in May 1962, for 1962-63, they must already have received almost double the amount of their estimate for the following year, and had every reason to expect increases, rather than decreases, in such aggregate. The volume of business being done by the Library has been progressively increasing from year to year," Martin's affidavit contends.

eliminated by July, 1964.

The theatre operators said: "We reviewed many alternate sites, but strongly feel that the potential and continued growth pattern at Mid Island Plaza will offer shoppers and theatre-goers alike the most at this complete regional shopping center at Hicksville, in the heart of Long Island."

Town & Country operates the Town at Glen Cove, Hewlett and Wantagh theatres on Long Island and a chain of out-of-town theatres. Completion of the theatre is scheduled for December, 1963.
