Rd Hearing in E. Meadow

The public hearing on proposed plans for the widening of Newbridge Rd from North Bway south 5.7 miles to North Bellmore will be held in East Meadow on Monday morning, July 22, starting at 10 AM. The hearing site is the Meadowbrook Junior High School on Newbridge Rd., just over the Wantagh State Parkway bridge.

Many Hicksville residents along the proposed route said they received their own notice of the hearing in last week's report in the HERALD.

Architect Offers Preliminary Plans for Sr High Addition

The Hicksville Board of Education heard a one-hour presentation by Robert Allen Buchner representing School Architects Knappe & Johnson regarding various alternate plans for the addition of permanent and/or temporary type classrooms at the Senior High School. No final conclusions were reached and committee meetings between the trustees, administration and architect are anticipated.

Buchner spoke, with the aid of large drawings of the high school plot plan from 11:25 PM to 12:20 AM analyzing the various proposals based upon requested of members at a previous meeting.

Any plan for additions will require a combined gym-cafeteria and locker room estimated to cost \$155,000. It was indicated that adding 22 permanent rooms to the south end of the building on a sort of three-story level with the first floor consisting of only supporting piers would run about \$810,000. Temporary-type rooms would be somewhat less.

The cost estimate for a separate six-room vocational shop area would run \$402,000 and a 18,000 square foot basement for centralized storage warehouse would add \$125,000 to the project.

Very preliminary overall costs, tentatively discussed, were in the neighborhood of \$1,500,000. Any final plan will have to be submitted to referendum vote of the District.

The vocational shop area was suggested for the extreme south end of the property near the former Koutensky residence. An alternate for temporary type rooms was suggested with the structures built on a portion of the north side parking field. Another suggestion was for the relocation of the football field and running track to provide a site for additional rooms.

In compliance with a request of James E. Allen, state commissioner of education regarding the maintenance of racial balance in the schools, the following resolution was unanimously adopted: "Whereas the Board of Education and its members have always acknowledged, recognized and adhered to and furthered the principle of 'equality of educational opportunity' ... regardless of race, color, creed or economic background' without formality of a written declaration thereof.

"Now, therefore, be it resolved that the Board of Education will continue its policy of maintaining in all of its schools a program dedicated to fulfilling the principle of equality of educational opportunity ... regardless of race, color, creed or economic background, in accordance with the precepts pronounced by the Board of Regents and Commissioner of Education of the University of the State of New York and in accordance with legal principles and rules applicable thereto."

WINNERS OF SCHOLARSHIPS awarded by Hicksville Rotary Club were honored at the club meeting last Thursday at the Milleridge Inn. Rotary President Peter Amorese (left) congratulated Charles Searle, Hicksville winner; and Stuart Sedles, Jericho winner. Aaron Rochman, chairman of the Rotary Scholarship Committee, is at the right. Again Appoint Catalano Atty

Joseph C. Catalano has been redesignated as Attorney for Hicksville School District for 1963-64 by a four to three vote after nominations of Harry Goebel and Robert Haft were defeated three to four.

The selection was made at the regular school meeting on July 12, having been postponed from the reorganizational meeting on July 2.

The Board interviewed three candidates, plus the incumbent, in executive session before acting last Friday night. Voting to name Catalano were George Kunz, Cornelius McCormack, Herbert Johnson and George Jackson. Opposed were D. F. Sabatella, William A. Bruno Jr. and Irving Lawrence. Votes were reversed on Goebel, former attorney, and Haft.

Pursuant to the Civil Service Law and interviews conducted by the Board behind closed doors on July 11, Frederick Ricker was named assistant business manager for the School District at an annual salary of \$8400 effective Aug. 1. He filled the vacancy caused by the resignation of Harold Hinckley.

The meeting marked the final

report of Building Consultant Robert Patross who has been associated with the District since Aug. 7, 1961. He reported on the four building projects in the district which he supervised.

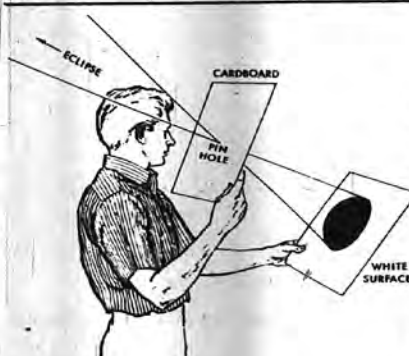

Bruno left the meeting about 45 minutes after it started excusing himself for business reasons.

Another Concert

Thursday evening, July 11, The Hicksville Recreation Summer Band was heard in its first concert of the Summer season. Peter Horvath, the director, conducted a varied program which brought a large audience to the Mall on the 4th St. side of the Junior High School.

The Summer band will be heard again on the Junior High Mall this Thursday, July 18 at 8:45 P.M. It is recommended that the audience bring chairs for more comfortable listening. However seats will be available for those who wish to make use of them.

The next attraction in the Summer Festival of the Arts will be a Talent Show to be held on July 23rd, at 8:00 P.M. in the Junior High School Auditorium.

DANGER

During the afternoon of Saturday, July 20, the entire North American continent will be covered by an eclipse of the sun. This eclipse means a serious threat to the eyesight of every person, both adults and children, who watch it directly. There is said to no safe way to look directly at the eclipse.

The National Society for the Prevention of Blindness Inc. suggest this simple projector for observing the eclipse. It is made of two pieces of white cardboard. A pinhole or pencil hole in the top cardboard serves to project and focus the image of the eclipse on the second cardboard. The size of the image can be changed by altering the distance between cardboards. DO NOT LOOK AT THE SUN THRU THE PINHOLE.

Wed in Nuptial Mass

Jean Marie Roman and Laurence Leo Winum were joined in holy matrimony at a Nuptial Mass celebrated by Rev. Lawrence P. Ballweg at St. Ignatius Loyola R.C. Church, Hicksville, on Saturday morning, July 13 at 11 o'clock.

The bride, daughter of Mr. and Mrs. Lawrence A. Roman of 47 Notre Ave., Hicksville, was given in marriage by her father. She wore a floor length gown, with a chapel train, of embroidered lace over silk taffeta. Her veil cascaded from a crown of pearls and she carried white roses on her prayerbook.

Miss Eleanor A. Rompell, the

maid of honor, also of Notre Dame Ave., Hicksville, wore a street length gown of deep blue taffeta with a nylon overskirt. She carried a cascade bouquet of yellow daisies. Misses Virginia and Patricia Roman, sisters of the bride, were junior bridesmaids and wore similar street length gowns of yellow taffeta with nylon overskirts. They carried old fashioned bouquets of blue daisies.

The groom, Laurence Leo Winum, is the son of Mr. and Mrs. Laurence C. Winum of Honesdale, Pa. His best man was Robert Feik, also of Honesdale. Frank Moen of Ozone Park, N.Y. and George Brewer of Somerset, N.J. were ushers.

Following a reception at the Continental, Hicksville, the couple left for a honeymoon trip to the Great Lake states and the Ozark Mountains. They will make their home at Junction City, Kansas, where the groom is stationed with the U.S. Army. Mrs. Winum has accepted a teaching position at the Junction City Schools, where she will teach third grade. She is a recent graduate of State University College, Geneseo, N.Y., where she received her B.S. Mr. Winum received his B.S. last year from Manhattan College, Riverdale, N.Y.

On Dean's List

Jean Middlemast, daughter of Mr. and Mrs. Jessie Middlemast of Hicksville, and William H. Becker, son of Mr. and Mrs. Henry Becker of Hicksville, have been placed on the Dean's List at Muhlenberg College, Allentown, Pa. Student's having achieved an average of 3.50 or better in the spring semester have been placed on the List. Jean and William are members of the Class of 1964. Both are graduates of Hicksville High School.

It took 20,000 workmen 20 years to build the Taj Mahal.

Dear Lynda :

Holiday Manor celebrates its first anniversary this Sunday from 5 to 9 P.M. Fishing tackle sold at Hicksville Firestone is almost "guaranteed". Gear bought Saturday booked the second prize fish on the party boat, Mary M III out of Capree State Park, Sunday. Some one at the Post Office advises us that the Hicksville team is 4 to 6 in Slo-Pitch Industrial League, playing against such firms as Republic and LILCO. Little has forrest on Sunday to Hicksville Fire Dept. and FRED BLACKLEY was all set to do the umpiring. The four-ton hippo that was in town last weekend with the United Nations Circus hospitalized his trainer in Farmingdale. In mentioning here recently the aircraft carrier Kearsarge and its coal-burning earlier names also we neglected the most important fact about the carrier. This was the ship that fished Astronaut GORDON COOPER out of the Pacific. Town Clerk BUD O'KEEFE was scheduled to speak at Hicksville Kwanza this week. RUDY BOUSE has been named sergeant at arms of Hicksville Rotary Club. Mrs. TECLA MADDEN of First St., Hicksville, is home from a seven-week visit with her daughter and son-in-law in San Antonio, Texas. While there she visited with Mrs. JOSEPHINE VIETHEER who would like to be remembered to all her Hicksville friends and former neighbors.

Dr. MARJORIE H. GREENE of Hicksville will serve on the Board of Directors of the Nassau Heart Assoc. as a result of an election that highlighted the Association's annual meeting, held recently at the Nassau Academy of Medicine.

The Amvets defeated the American Legion (Little League teams, that is). The sign in front of a realty office on Old Country Rd. urging the impeachment of Earl Warren has been removed. The HERALD staff is anxiously awaiting receipt of passes to swim in HARRIET's Lake. An executive session of the Board of Education regarding the proposed building program in the District is scheduled this week by President GEORGE A. JACKSON. New Board member IRVING LAWRENCE has been named liaison for the Board to the PTA Council and NEIL MCCORMACK as delegate to the Nassau-Suffolk School Boards Assoc. The JERRY ZETTLERS had an enjoyable trip to Niagara Falls and Canada. Jeffery would appreciate hearing from anyone who has some good film of the Senior High School Commencement which included his daughter in the class. His film failed to come out due to a mechanical defect and he would like to get a copy of someone else's footage. BOBBY ELLIS, well known around Hicksville, is appearing in many of the June Taylor spectacular dance routines at Jones Beach in "Around the World in 80 Days."

Pynchon Calls Session On Vocational Training

"Educators, industrial, business, labor executives and Town officials will meet at the Town Hall in September," Supervisor Thomas R. Pynchon said today, "to formulate a plan to assist in providing marketable skills for the Town's non-college-bound youth."

The meeting is tentatively scheduled for Sept. 18 when Oyster Bay will be the first Town in Nassau to begin organization of a program that will encourage public awareness of the need for a well-founded vocational education training program.

Supervisor Pynchon, who will preside over the meeting, announced that Dr. Howard Imhoff, Superintendent of Oyster Bay-East Norwich Schools; Dr. Raymond J. Lockhart, Superintendent of Massapequa Schools; Donald F. Abt, Superintendent of Hicksville Schools; Dr. Charles Bryan, Superintendent of Bethpage Schools; Dr. James Redmond, Superintendent of Syosset Schools; Dr. Robert F. Savitz, Superintendent of Plainview-Old Bethpage Schools; Dr. F. Remington Furrow, Superintendent of North Shore Schools; Wilmer Smith of Area Development Council; Paul Townsend, Editor and Publisher of LI Commercial Review Industrialists Gilbert Tilles and Don Axinn; Rocco Campanaro, Executive Vice President, LI Federation of Labor, AFL-CIO and Dr. Charles R. Wallendorf, Director Vocational Education and Extension Board, Nassau County, will be in attendance at the initial meeting.

"The non-college-bound youth constitute a reservoir of talent which, if trained, can provide the skills that industry will most certainly require in the future in the Town of Oyster Bay and I feel that by bringing together the various experts in their own fields and professions we will have taken a major constructive step toward the ultimate goal of providing marketable skills for youngsters who are not college-bound."

"After discussing the program with educators, industrial and union executives I am convinced that a series of planned meetings will do much to win increased public favor for vocational training. As responsible people we must recognize that every boy and girl does not go to college and in some cases drops out of high school. These youths must be furnished with the opportunity to acquire some training if they are to lead a productive life as well as making beneficial contributions to the entire community," Supervisor Pynchon said.

The Town of Oyster Bay has more than 300 diversified plants located within its borders producing a variety of products. These plants have re-located in the Town as the result of the Board's aggressive program to attract desirable industry to planned industrial parks. As a result the Town's tax base has been broadened considerably and its assessed valuation has risen from \$566,715,963. In 1960 to \$616,669,477. In 1962, with much of the increase attributed to industrial and commercial growth. In addition, some 15,000 new job opportunities have been created by the program.

Award Badges To Troop 549

Troop 549 and Leaders Mrs. Schroeder and Mrs. DeFendis awarded first Class Badges to their girls at Woodland Avenue School on Wednesday evening, June 12th.

This badge signifies that the girls have worked 3 years to earn it. It is known as an honor badge.

Each girl prepared there own special dish, which included dinner and dessert. All parents of the girls attended and enjoyed it.

Mrs. Ruth Aronoff, Hicksville Neighborhood Carman honored the troop by being present. Mrs. Justine Keller, Brownie Consultant and Leaders Mrs. Skorski and Mrs. Hughes were present to enjoy this lovely supper.

The following girls received these badges: Patricia Allison, Joyce Anderson, Jane Berkowitz, Roseanne Ciccarille, Sandy Darnel, Angela DeFendis, Joanne Diskant, Susan Donner, Barbara Hoosak, Carol Long, Lynn Lozel, Ann Meronet, Pamela Merta, Jeanne Ray, Janice Schwartz, Arlene Schroeder, Carol Scheidts, Janet Stott, Barbara Tedesco.

PTA Awards Two Scholarships

The Hicksville Senior High PTA Scholarships, this year, were awarded to Anita Taub and Edward Kramer, both outstanding students of the Senior Class.

Miss Taub will attend Brandeis University in Waltham, Mass. In the fall and Mr. Kramer will attend Cornell University, Ithaca, N. Y.

Dinner Honors Former Editor

In keeping with unwritten tradition honoring retired editors of the VILLAGER, seven couples got together for dinner at the Milleridge Inn, Sunday evening, July 14, for that express purpose. Highlighting the evening was the presentation of a plaque to Horace Bernstein

for his services as Editor by Nat Warren, present editor (extreme right). Those attending were Doris and Horace Bernstein, Shirley and Nat Warren, Eleanor and Dr. Sid Sachs, Rose and Tony Barbellas, Bea and Ralph Diamond, Ann and Henry Dockswell, Muriel and Fred Green, Belle and Ruby Rebach.

P.P.P.P.

BY GILBERT B. STEIN

Nat Warren, the new editor of THE VILLAGER, is a persistent man, Sun - befreckled, sunglasses - bespectacled and attired impeccably in shorts for sports, he has been "talent hunting" this writer at the Jericho Country Club. Rather than escape into that crowd pool, we said yes. It's been three years since we have left this newspaper's bed and board and just about twice as long since we started the whole journalistic debacle. The salary, fringe benefits and working conditions offered to this former editor by Nat were great. As a consequence, our long suffering public may soon be exposed to a new local journalistic low, our first in a new series of PPP (Prolific Personality Profile Productions) dealing with local odd-balls of both sexes.

We shall dissect (Profilewise of course) various Birchwoodites of singular distinction. We have in mind such neighbors as the one who daily walks 3 basket rounds the length and breadth of Birchwood, the members of the only running glia game on the 8:31 out of Hicksville who play standing up, or perhaps that fellow watching our little league in action while waving a "lets go Mets" sign.

In our community we have many more individuals with both interesting as well as obvious personalities. Volunteer now to be "PPP" by this writer. If we run out of Profiles, we have many other matters of local interest to portray. To mention but a few, there is the problem of "no escalator" at the new Hicksville RR Station, the real truth about sprinkling on odd and even days, the roller coaster pavement at our shopping center or perhaps all about insurance premiums in the Jericho School District.

Discuss Control In Parking Lot

by Dr. Si! Sochs

As an appointed committee representing the Birchwood Civic Association Ralph Diamond and Sidney Sachs met with the chief inspectors of the local police on Saturday July 13. The purpose of the meeting was to discuss the parking confusion that exists in our shopping center.

Since the area is private property, the parking problem does not come under police jurisdiction, although the area is under constant surveillance for any other infractions of the law. The apparent answer is a little courtesy, politeness and regard for your fellow citizen.

The police promised to keep constant patrol for any infractions (such as speeding or drag racing, not only in the parking area, but throughout the entire community).

It was very heartening to hear from the police that our youth has presented no problem from a law enforcement viewpoint.

Lets hope it remains that way! Possibly a campaign for consideration of our fellow man should be undertaken to ease the confusion of parking in our congested shopping center.

ATTENTION, ALL BCA BOWLERS

We had our regular league meeting on Tuesday, June 25 and elected our new officers for the coming season. Leo Geyer, known to some as the "Mightiest Lion of them all" was elected President, Sam Springer ran off with Vice President and Sid Simon took on the very vital job of Treasurer.

Elliot Spencer was once again chosen to handicap the teams for next season, and the deadline date for getting your—

NAME, ADDRESS, PHONE PLUS \$5 DEPOSIT TO ELLIOT SPENCER, 99 HAZELWOOD DRIVE IS AUGUST 15.

Checks are to be made payable to Birchwood Civic Assoc. Bowling League.

This is a Civic Assoc. activity and all bowlers who were members of the league last year will be given preference to join again this Sept., providing your money and name reach Elliot by Aug. 15.

The league will once again consist of 12 teams and each team will consist of 6 men as in the past. Any teams requiring a 7th man because of members who travel a lot will be so helped.

The penalty for a blind has been lowered to 5 points. The dues, per man, per week, will remain at \$1.50 but the cost per game, for bowling, has been increased to 55¢.

Any new members that join will be required to buy their own shirts to match ours.

From now on an individual will receive a trophy for each award he wins.

Hail, Hail - The Gangs All Here

BY WARREN E. MILLER

Don't be too surprised if some time in the future you should happen to drive by Minuteman's rear parking lot and observe a menagerie of fugitives from the stage of West Side Story dancing on the rooftops of their pre-civilization cars.

This last out-post for the more sinless members of the post-war baby boom stands out in the community like a sore thumb.

The patrons of this portable depressed area, the operators of the drive-in food stand up front, have contributed little to remedy the situation. Aside from a "No Loitering" sign that has recently been put in to keep the front counter somewhat visible to the buying public, the lot has had almost free reign to make havoc in a grand manner, as long as they remain in their asphalt hide-away, that is.

On a busy night, a spectator would be hard pressed to differentiate between the stock races at Preppert and the drag races on Broadway. The parking lot makes a dandy base of operations for the local dragsters, even if it is only a few yards from ye old police station. Now that summer's here, Jericho car-owners should be doubly alert and cautious. If not, they may unexpectedly find themselves the third party to a thrilling two car drag race flying down Broadway at 80 or 90 miles an hour.

Of course, there are various other fun-seekers who lurk about the lot. One increasingly popular pastime that has taken the young tough's fancy has been called many things through the ages. The term, most often used and undoubtedly among the oldest, is simply "rock throwing". Many a good parking lot fixture has fallen victim to a well-aimed stone.

Although gang wars and rumbles in Jericho still seem a ways off, gangs do exist and are slowly prospering on the local scene. Last year, it became quite a common sight to find youths wearing identical black jackets with the name "Differentials" emblazoned across the back. It

now appears that with a sophisticated title like that, the gang had too much to live up to. They seemingly faded out of the limelight only to be replaced by "The Weeds" and "The Rebels", who as you see by their names, surely won't have to face this same dilemma.

Their forte so far appears to be "party crashing", the act of going where one isn't invited to experience the joys and pleasures of the party without affording the burdensome cost of a gift as their ticket of entrance. Many girls are overcome by such a dubious honor—having a gang crash their parties. By now a good percentage of Jericho's female teen population has already chosen between the two popular clans. Aside from the extra supply of "dreamy" dancing partners the gangs supply, the girls are left with enough gossip to last them at least a week's amount of phone calls.

By the way, heaven help, the parents who attempt to foil a gang of would-be crashers. Anything from Mommy's precious green lawn to Daddy's flashy new car is at their mercy. Only minor damage has been reported thus far, but it is likely the damage list will grow as the weather gets warmer and the gang becomes bored with idleness.

One typical prank the gang (I doubt it really matters which one, since the other probably just didn't think of it first) succeeded in pulling off was quite elementary, yet still a pain in the neck for the victim. They placed a running base in the host's car and dampened things up somewhat. Oh well, boys will be boys, unless a miracle happens and they eventually become men.

The gangs like the dragsters and rock slingers find the Minuteman parking lot just ideal for their hangout. Which brings us back to that old cry "Remember Sandy's". Fortunately for humanity, the operators of this off-Broadway restaurant decided for themselves that enough was enough. Therefore the sinless members of the twist generation saw fit to move their headquarters

across the street to its present location. The next step belongs to solely to the community, unless Minuteman itself lowers the boom.

Oh well, if we ever get tired of Little League games, a good rumble is hard to beat. You can't as Margaret Mead once sarcastically suggested, "bury them at twelve and dig them up at eighteen."

(Editors Note: The above article was written by a teenager. It is interesting to note that in a recent meeting held with several board members of BCA and local police officials, it was stated that the youth of Birchwood at Jericho has posed no serious problem for them. Let's strive to keep it that way.)

FALLOUT CAN KILL

VINCENT J. CONTE JR. of Hicksville points to new Civil Defense exhibit which is on display this week at Roosevelt Field. At right is Thomas D. Tubbs, a volunteer assistant with the State Civil Defense Commission. The exhibit shows how public and home fallout shelters can save lives in the event of enemy attack and includes a self-activated tape-recorded message from President Kennedy.

TEN PIN TALK

(Continued from Village Front Page)

Team Game shall be separate trophies even if won by the same team.

No team can win both awards of handicap and scratch in the same category but they can revert back to either one if they are beaten in the one they hold and if their score is still tops for the other award.

There will be no more bowling for a new average the first 2 weeks of a new season. Last year's average will be used, except in the case of new bowlers who will take the first 2 weeks to establish an average.

The league dinner dance is always to be the 1st Sat. in June.

New league members must pay their Civic Assoc. dues by the first night of bowling while present members must pay by Oct. 1. All league members must pay the new year's dues by Feb. 1. These conditions are to be adhered to or the bowler cannot further participate.

Sometime after Aug. 15 and before Sept. 9 the following 12 men, who were the highest average bowlers in the league last year and thus are the new team captains, will be called to a special meeting. Leo Geyer, Fred Sapio, Sam Jarvis, Sid Simon, Norman Hey, Sam Springer, Murray Gitelman, Mort Levine, Herb Bernstein, Morris Canfield, Sol Rabinowitz and Al Minoff. They will comprise the new Executive Committee and they will at that time acquire their newly hand-capped teams.

Send your check to Elliot right now. Don't delay! If you miss the deadline and find yourself left out you'll have no one to blame but yourself.

Outdoor Dance

The Jericho Republican Club Annual Spring Buffet Dance will take place on Aug. 3, at The Theodore Roosevelt Memorial Park, Oyster Bay at 9 P.M. The affair will feature dancing under the stars and all the delicious food one can eat at the low cost of \$6.00 per couple. For tickets call Ralph Diamond at OV 1-1283.

Jericho UJA Raises \$4,000

The Jericho U. J. A's campaign this year was a tremendous success. Over 150 residents attended the affair at the Jericho Jewish Center. The donations at the present time have already gone over the \$4,000 goal and the donations continue to pour in to the Jericho U.J.A. Chairman.

The affair featured the United Jericho Jewish Choral Group and the dance music of Sid Connie. The function was well attended. All present had a wonderful time eating and dancing all night, and at the same time participating in aiding the cause of the U.J.A.

Representatives of all the major Jericho religious and service organizations participated in the campaign. Donations were received from B'nai B'rith and Pioneer Women. The warmest donation of all, was received from the children of Temple Or Elohim, who donated their nickels and dimes for the great humanitarian cause of the U.J.A.

Among the public officials attending the affair were Hon. Thomas R. Pychon, Supervisor of the Town of Oyster Bay; Hon. Bass Golding, Family Court Judge; Hon. Benjamin Zipper, District Court Judge and Town Councilmen Edward Poulos and A. Carl Grunwald.

STRICTLY BUSINESS... Theatre Plans Spectacular

by Jim Cummings

When the new 2,000 seat "Twin Theatre" opens at Mid Island Plaza in December of this year, the plans to say the least, are SPECTACULAR... The construction, decor and design of this new complex in Theatre planning will amaze theatre goers every where... Within this huge building will be housed the "Twin Theatre" providing the "Spectacular" for the public plus the finest of first - run motion pictures... This is the "first" for a shopping center and is truly needed in the Mid-Island area for our over 100,000 residents... The United Nations Circus attracted great numbers over the weekend opposite the Plaza, under sponsorship of the Hicksville PBC - however, rain Sunday afternoon curtailed showings and cut crowd... Bob Hammond, 1963 Chairman for the 35th Annual Tournament, Parade and Drill sponsored by the Hicksville Fire Dept., has been working very close with our office to coordinate plans... the markers are already down on the north parking fields... Shades of the parade were the many calls and questions on what event took place last Monday eve at the Plaza... It was just the fine sound of the St. Ignatius All-Girl Cadet Corps

"Adam may have had his troubles but he never had to listen to Eve talk about all the other men she could have married."

Customers of the Plaza Barber's were treated to some real close harmony by the PLAY BOYS quartet appearing at Mid Island Plaza last Saturday afternoon, imagine Shave 'N Haircut plus that close harmony - they are still smiling about it... Congrats to Jack's Gourmet at Plaza celebrating 1st year anniversary - we hear live music by the "Imperials" is on the bill this weekend - why not stop by and hear them... Town of Oyster Bay is preparing a real big announcement... Vacations come and go but Councilman Carl Gungwald is in the thick of the Elimination program as ever, (as steel structural arrive and are guided to placement)... This public servant is doing a tremendous job for the residents and deserves these mentions during the so-called slow season... This is a good sign for the further progress of the Hicksville RR Elimination Program and will relieve bottle-necks... Quite a group at Idlewild Thursday evening to see the PAT CAPUTO'S off on a European tour... At the Polo Grounds this past Tuesday, we noted the large group of students from Hicksville attending the METS vs HOUSTON COLT 45's... From our standpoint we discussed the game with Bob Murphy of Channel 9, Sports-

caster who recently appeared with DUKE SNIDER and ED (now Farm Club) Krasopool at the Plaza... With the game tie - the pitch to last was real wild and thus the METS squeaked ahead 4-3... Believe me these METS are a great ball club and the fans really love-um... The various Bazaars held by many Church groups have been curtailed due to certain regulations this year - we sincerely hope they are quickly cleared up so as to permit the enjoyment and relaxation many thousands are missing...

William M. Gause Jr. Post No. 3211
by Eddie Klabin

The Veterans of Foreign Wars are cooperating with the Hicksville Chamber of Commerce in a community project they have planned for future patriotic holidays. Bill Frohnhoeffer, postmaster, who attended a recent meeting with the Chamber of Commerce reports plans are almost completed. Veterans and other organizations will participate in the program.

Mike Znach, picnic chairman, reports this year's duties are getting off to a slow start. Results at this time last year were much better. Mike does not have an easy job, so any assistance he can get from other members will be greatly appreciated by him. Planning and working toward completion for this type of picnic takes more than one man to do it. Nobody expects one horse to pull a large heavy wagon. So let's get behind Mike and help him put this over as we would like to see it.

Any of you veterans who were in Pearl Harbor area before, on, or after December 7, 1941, and have any film footage of the attack may find it profitable by contacting Mr. Marshall Plaum, Volper Productions Inc., 8720 Sunset Blvd., Los Angeles, 69, California. Volper is looking for non-professional, exposed, film footage for inclusion in their documentary telecast entitled, "December 7—Day of Infamy." So check that old foot locker you may have stored away or in your personal archives.

Paint brush, roller, extension ladders, if you have one, and old clothes will be the uniform of the day at our next meeting. —Lou Palladino won the raffle at our last meeting. Our next one is July 22. See you then. Bring your equipment and appetite. Bob Obermeyer, association president, promises a welcome reward for your efforts.

Charges Democrats Plan To Citify Mid Island Area

C. Bruce Pearsall, Oyster Bay Town Republican Chairman, this week said that the Democrat leadership in the Town of Oyster Bay is irrevocably committed to "a policy of citification of the mid-island communities of the Town because of their New York City orientation of which they find it impossible to divest themselves."

"The reason for the artfully contrived plan by Town Democrat Leader Edward Morris," continued Pearsall, "is the cold, calculating political view that the Democrat Party can only thrive in the Town of Oyster Bay if it can citify the Town's communities. Although there are repeated denials by Democrats of the existence of such a scheme, it is a fact that all of their major proposals, offered ostensibly in the name of progress, are aimed at (1) the creation of a climate of acceptance by the homeowners for high rise apartment houses in order to introduce a city-type development where apartment house dwellers, as experience has shown, have little or no interest in local government, and (2) the elimination of local independence by the placement of certain vital local legislative powers in the hands of a huge central bureaucracy."

"Town Democrat Party Leadership proposals since January of this year," Pearsall asserted, "chart a course of citification for the Town:

"January 1963 - Edward Morris, Democrat Leader of the Town and Dr. Charles Stonier, County Democrat Planning Consultant and a County administration spokesman, issued a preliminary double-loop transit proposal for mid-island communities of the Town, saying "The advantages of the double loop system should be evident, although its ultimate impact on growth in Nassau is likely to be similar to the impact of the subway system in Queens. In other words, the building of high rise apartments would be one consequence."

"February 1963 - Town Democrat Leader Morris in a letter to a north shore weekly newspaper said, 'Herein, however, can be found an important indirect advantage of the double loop project. It will permit an orderly development of multiple dwellings along the central tier of Long Island without encroaching upon the basic character of North and South communities. Since it is not likely that it is either likely or desirable to prevent

vertical growth within the County, I suggest that it be properly controlled'."

"February 1963 - Democrat County Executive Nickerson announced a plan to introduce a bill in the current session of the Legislature that would give the Democrat-controlled County approval of the construction of apartment houses in the County."

"February 1963 - Town Democrat Leader Morris told mid-island community homeowners, 'Selling your home would be a terrible mistake. It is even possible that should a railroad be built, property would be more valuable because high rise apartments might be constructed in the area'."

"May 1963 - Dr. Stonier, Democrat Planning Consultant and a County administration spokesman, advocating the need for apartment house development on a County-wide basis, said in a speech at a meeting of the Bethpage Democratic Club, that these apartment houses must not be allowed to over-burden any one area, 'He called local government a hindrance."

"These statements by the Town Democrat Leader and his associates reveal their basic thinking toward the one-family homeowners in the Town of Oyster Bay, as well as the direction their efforts would take should they ever gain control. The basic city oriented Democrat policy is inimical to the best interests of the small homeowners of the Town of Oyster Bay and their desire to maintain a suburban atmosphere in their home communities."

"The Democrat city-oriented philosophy is the real issue in this forthcoming town campaign, and the Town Republican administration team, led by Supervisor Thomas R. Pynchon, will expose at every opportunity the suburban destruction that will occur if the Democrats are ever permitted to carry out their political adventures in the Town," Pearsall concluded.

Award Contract

The Town Board has awarded the contract for resurfacing streets in the Town and including Lemoor and Notre Dame Avenues in Hicksville and has urged that the work be started this month. It is announced by Supervisor Thomas R. Pynchon.

The contract was awarded to Lizza & Sons Inc. of Oyster Bay, lowest among several competing contractors, at its bid price of \$16,933.

SUPERVISOR Thomas R. Pynchon who was renominated at the recent convention of the Town Republican Committee, holds the party's 12-point "Platform for Progress" which was unanimously adopted by the Republican Committee. From the left, are Councilman A. Carl Grunewald, re-nominated; Town GOP Chairman, C. Bruce Pearsall, who delivered the convention's keynote speech in which he pledged a vigorous campaign to prevent the Democrats "from carrying out their plan to introduce highrise apartment houses in the mid-island area," Supervisor Pynchon, Councilmen Edmund A. Ocker and Edward J. Poulos and Nassau County Clerk Francis Anderson who is also Republican Leader in Hicksville.

EVEN A PERFECT HOME NOW

CAN BE A PROBLEM IN WINTER

...unless it's heated with CLEAN GAS HEAT!

Does your house offer you year-round comfort...or does it please you in summer and freeze you in winter? When it's a question of comfort, the answer in any season is clean, dependable, GAS HEAT! Unlike ordinary fuel, GAS is piped directly into your home. There's never any need for emergency phone calls to reorder because you can't get "caught short" with GAS. And dependable GAS HEAT has other advantages not offered by ordinary fuels—at no extra cost!

COMPLETELY AUTOMATIC OPERATION:

Gas is the most modern heating fuel you can buy. With Gas Heat you set it and forget it. Dependable Gas Heat keeps your whole house comfortable day and night.

DEPENDABLE:

A Gas heating unit has fewer moving parts than other heating units. There are fewer chances of breakdowns and costly repair bills.

LILCO FREE SERVICE POLICY:

LILCO will inspect, adjust and clean your Gas heating unit whenever it becomes necessary. And without charge!

MONEY-BACK GUARANTEE WHEN YOU CONVERT:

When you convert to gas heat your heating costs are estimated in advance, based on a normal heating season. If your actual heating bill exceeds the estimate by more than 10 per cent, all payments you have made on your equipment will be refunded!

It's easy to convert—do it NOW!
GAS IS YOUR GREATEST HEATING VALUE!
