Steel Spans Third Crossing

Steel was being swung into position this morning (Thursday) across the Bethpage Rd crossing, making it the third street spanned in the Hicksville RR grade crossing elimination program. This had originally been scheduled as the first bridge for erection but was cancelled some weeks ago at the last minute to allow for some reworking of the steelwork. (See picture on page 3).

Meanwhile, exterior masonry on the new three-story, modern RR signal tower just east of Broadway was nearly two-thirds completed. It is said

this new tower will feature an airport control tower-type upper level with extensive glass area. It will incorporate the latest in electronic control of signals and rail movement, not only in Hicksville but for long runs further east.

The station platforms and supports for the sheathing canopy were also taking shape. Rails and ties have been laid for the rise in elevation on the Port Jefferson branch from ground level to the span settling over Bethpage Rd.

THE CLIMAX OF THREE YEARS EFFORT:

Incorporation Committee High Hopes of 10 Years Ago This Week Were Shattered Less than Six Months Later

Civic Climate Decade Ago

What was Hicksville like 10 years ago this week?

The bound files of the Mid-Island HERALD give some clues: The population was a little over 25,000, the new school tax rate had just been announced at \$3.14 per \$100, an increase of 53 cents over the previous year; (Jericho at the same time announced a rate of 94 cents per \$100, a drop of two cents from the previous year).

The Second Police Precinct station house had just been moved from a dwelling in Muttontown (where it was known as the Syosset Precinct) to its present location on North Broadway, Jericho.

During the first six months of 1953, the Town Building Dept. announced a total of 1,309 new homes had been built in Hicksville with 552 in Plainview for the same period. John Jeanson as general chairman announced the Labor Day Firemen's Tournament would be held on Levittown Parkway. The Central Federal Savings and Loan Assoc. of Long Beach has just opened a temporary office in a store on South Broadway.

Lewis N. Waters was nominated by the Republicans to run for Town Supervisor to succeed Charles E. Ransom, although Assemblyman John J. Burns was Ransom's choice for the position. Hicksville Fire Dept. took first place in the ninth battalion drill, nosing out Westbury.

The HERALD had just announced it would publish editions twice a week (which it then did for more than two years) and the Mid-Island area was in a ferment of civic activity. With home building under way on all sides, every neighborhood had its own civic assoc. There were heated public hearings on zone changing for gas stations and other business uses. One builder seeking a gas station approval threatened to sue a couple of neighborhood civic leaders for \$10,000 each.

There was deep concern about a split in the community between Hicksville and the Levitt-built home area. In fact, there were two civic groups in the area: North Levittown Homeowners and the South Hicksville Homeowners Assoc.

One of the liveliest topics of interest as the month of July came to a close in 1953 was the bid for a referendum on the question of incorporation of Hicksville as a first class village. Three years of effort to bring the matter to a vote was coming to a conclusion. The HERALD commented editorially:

"This is a significant week, we feel, in the history of the community. The first official step toward what we sincerely hope will result in the creation of Hicksville as an incorporated village has been taken. The petition, the result of so very much effort by so many willing hands, has been filed with the Township Supervisor."

"There were those, for reasons best known to themselves, who did not want to see the petition filed even though they know full well there must be a public vote before we can obtain home rule for Hicksville. The courtesy and cooperation extended by the township officials in receiving this proposal was encouraging and we feel it is indicative of the manner in which this question will be handled right thru until the hour when the votes are counted and the determination of the people is known."

Four days before Christmas, 1953, all high hopes were smashed, probably never to rise again. The petition for a vote, after a public hearing, was rejected.

Lions Sponsor Hicksville Nite At Polo Grounds: Mets vs LA

The Lions Club of Hicksville, Inc. in cooperation with the Long Island Mets Boosters Assoc., has arranged for an evening of sure-fire entertainment for baseball enthusiasts on Friday, Aug. 16th at the Polo Grounds, the New York Mets versus Los Angeles Dodgers.

Bus transportation will be provided to and from the game for those attending this Hicksville Nite offering, even seating will be in a block in the reserved section of the stadium, according to Lions Ken de Jongh and Al DiMango, co-chairmen. Tickets may be secured only from members of the Hicksville Lions Club, and

are priced at \$4.50 including transportation.

Ticket sales will be made by member shopkeepers along Broadway displaying the posters announcing the game, at the Lions booth on Friday evenings in the Meadowbrook National Bank Building, and at the offices of the Hicksville Chamber of Commerce on West Marie St.

The Trinity Evangelical Lutheran Church of W. Nicholas St., Hicksville, has acquired the former Big Ben supermarket property fronting on W. Marie St. for future expansion of the Church facilities.

Exactly ten years ago this week the hopes of 6,242 property owners of Hicksville were riding high in anticipation of a town-conducted referendum on the matter of whether or not to incorporate the school district area as a First Class Village with its own Mayor and Village Board.

Three years of diligent effort had gone into the petition requesting, as the law provides, the Town Supervisor (then Charles E. Ransom of Sea Cliff, former county clerk) to hold a public hearing on the petition and then direct a referendum take place.

At times the Incorporation Committee headed by Lawrence A. Roman of Notre Dame Ave. numbered more than 300 active workers who went door to door, soliciting signatures. The incorporation effort was the outgrowth of a concern felt by many residents as the population exploded from a post-war level of 12,000 to more than 25,000. This growth was accompanied by a multitude of problems, including RR commutation service shopper and commuter parking downgrading applications, traffic movement, etc.

This was all indirectly coupled with a vastly expanding student population, new building program. (In the fall of 1953, the forecast was a public school enrollment of 6,000 with 73 new teachers on the faculty. Today the enrollment is close to 13,000).

The movement was stimulated by the Hicksville Civic and Community Assoc. with William L. Geyer as president. Roman was a past president. The Civic Assoc. made a contribution to a fund to assist the project and helped make possible the certified check for \$100 which, the law requires, accompany the petition and defray the expenses of a public hearing. Eventually the Town refunded about \$38 to the Committee.

It was a hot Friday morning, July 31, 1953, when 12 active members of the Incorporation Committee who had the free time gathered at the HERALD office, then on North Broadway, had their picture taken and headed for Oyster Bay Town Hall full of high hopes. The group included, besides Roman, the late Lucia McIntosh, Ruth Kiernan, Fred J. North, Craig Walsh, James Matzenzo, George W. Kunz, James J. Cummings, Kurt Muller, John Larkin, Robert D. P. Eaton and Pierre Charbonnet, photographer.

Supervisor Ransom was not available and Deputy Supervisor Lewis N. Waters accepted the documents which included:

1. Formal proposition for the incorporation of a 6.5 square mile area of Hicksville School District as a village. The eight-page document included nearly

IN EFFORTS to promote interest in incorporation, the proponents sponsored a contest for proposed seal designs. This was one of very fine designs submitted ten years ago.

200 signatures, although only 50 are required by law.

2. The "consent" or petition consisting of 691 pages bound into four volumes with numbered pages. They represented a total property assessment of \$13,092,893. The total required was one-third of the then total assessment or \$12,508,509 or about a half million dollars in excess of the minimum.

The July 31 filing was thought significant because a new and higher total assessment became effective then as it does today on Aug. 1 - Ed.

3. A bulky list of all the inhabitants of the District, consisting in excess of 25,000 names.

4. Certified check in the amount of \$100.

5. Map of the area of the proposed village boundaries.

6. Statement of the Dept. of Assessment, County of Nassau, showing the total assessed valuation of the School District as of the date of the petition as \$37,535,768.

The event had widespread significance in the County where no major village had moved toward incorporation in two decades.

HEARING HELD

Finally on Thursday morning, Sept. 17, a public hearing on the petition was called by Supervisor Ransom to be held in the Old Courthouse, Heitz Pl. and Bay Ave.

The Committee for Incorporation had as its attorney Willis B. Carman of Farmingdale, now a District Court Judge. Attorney for the opposition was Michael J. Sullivan, then school attorney and later Town Attorney.

During the interval between the petition filing and the public hearing, the law required that the petition be on public view for inspection by all interested. Those opposed, during this interval, sought to persuade some of the signers to remove their names. When the hearing arrived, that became a crucial issue.

The proponents claimed an excess of \$584,303.67 above the one-third District total required. The opposition claimed that \$571,581 in valuation had been withdrawn since the filing. The proponents, when they got wind of the withdrawals devised a form to "reinstate of withdrawals". Later, in County Court, the matter of withdrawal of sig-

Looking Back Over 10 Years

Many of things which formed, in a nutshell, the basis for almost feverish interest in incorporated local home rule government in 1953, in the decade just concluded, have been corrected or adjusted. It has taken time and there are still some diehards who feel it has taken too long. Parking for shoppers and commuters has been vastly expanded; but many of the shoppers apparently tired of the congestion and found other, more convenient centers to do their marketing. As the surrounding areas of Plainview and Jericho have increased their population, commuter parking has attempted to keep pace with the increased volume of vehicles. Today Hicksville stands at the top as the LI community with more commuters than any other station. RR grade crossing, another vexation, is nearing completion.

Roads and streets have been resurfaced, curbing has been installed. Membership on the Town Board has increased from four to six councilmen, permitting individual members to devote more attention to the specific problems of more localized sections. The number of civic associations and their total membership, with few rare exceptions, have dwindled either due to lack of interest or to the fact that most neighborhood problems have been solved or adjusted. Taxes, allowing for increased costs, have generally held a certain level. Hicksville school taxes, which are about double what they were a decade ago, are now below most neighboring districts which ten years ago were then far under Hicksville's rate.

Recreation facilities on a town level have been amplified. Drainage has been improved. Unquestionably, sanitary removal service under municipal operation is vastly more efficient.

What Hicksville might have been today or in the future as an incorporated village (or even a city, which would have been the next logical step in view of our population of over 50,000) will perhaps always remain a matter of conjecture. You could probably get a good argument going today or ten years hence by raising this question among the advocates and opponents.

Retain Prices For School Lunch

School lunch prices in Hicksville Schools which have remained unchanged for eight years will continue at the same level next term. Elementary school price is 30 cents, secondary school 35 cents and faculty 65 cents.

A proposal had been made to raise elementary to 32 cents secondary to 37 cents and faculty to 70 cents, based upon a forecast by Barbara Fenerty, cafeteria director, that the program might encounter a \$10,000 deficit next term. On Friday night, two members of the School Board voted for the increase and four voted against.

While the air conditioned tea-

chers' lounge in the Hicksville High School was set up in anticipation of a large turnout, with extra chairs and ash trays, there were only two lady spectators in the audience.

A question from the audience under the new, earlier "public" portion of the agenda regarding the proposed new building program brought the comment from President George A. Jackson that no specifics have been determined. However, he said, "I am hopeful we will have a referendum in early fall." The Board has under consideration several alternatives for the addition of rooms to the Senior High School.

Dear Lynda:

GEORGE GRONER of Lanesville, member of Levittown Kiwanis, attended the recent International convention in Atlantic City. . . JOE BOSLET has opened a store in St. James and will be taking up his residence there shortly. His son is operating the stationery store on Herzog Pl. . . The BILL-PAT Lodge on Carroll St., Hicksville, has been a popular gathering place on these hot, humid days. BILL ALONGE has heard from a lot of his friends since they noticed his 16x32 dug in pool. . . The Club Manor at 43 Bway, Hicksville, will have open house with music and buffet on Saturday evening, Aug. 10. . . When the "Longest Day" arrives at Hicksville Theatre it will run for three weeks, almost a record for endurance for a feature film here. . . Everyone you meet these days is either just returning or just leaving on vacation. . . Funny thing, not many folks question the accuracy of information here but they do frequently inquire about our sources. . . FRED KUHN has a real low number and it is NOT his old license plate. . . That group of Hicksville students who went to Puerto Rico for a month of study of that country's language and culture were scheduled to be met by School Superintendent DONALD F. ABT when they arrived home at the airport yesterday (Wed). . . When the mobile registration van of the Board of Elections stopped in Plainview, May 31 to June 1, seven Republicans and eleven Democrats changed their enrollments. Also four former blanks changed. . . Hicksville Chamber of Commerce directors meet this Friday morning at the Seaman and Elsmann building. . . The Chamber by the way hears that AL SCHACHNER is still working on an appointment with the State Dept of Public Works regarding plans for widening of Broadway, if and when. . .

Post card from Canada reports GENE SCHILLINGER and family are "picking up some Canadian Dimes to help fill (Kwanis) Mile of Dimes". . . WILLIAM A. BRUNO, JR. was recently presented with an Americanism Award by the Young Americans for Freedom. . . CADET IVARS BEMBERIS, son of Lina Caune of 21 Regent St., Hicksville, an engineering science major at Dartmouth College, Hanover, N.H., attended Summer Camp at Fort Devens ROTC Camp Mass. with 1921 other students from 23 other Colleges and Universities. . .

The county road from Newbridge Road, went to the bridge over Wantagh Parkway going past Dutch Lane School was originally known as Dutch Lane. Then some years ago it became known as Hempstead Ave. and more recently has apparently been renamed Stewart Ave. (with which it connects a little further west). After the bridge, the road is in the Town of Hempstead and the Hempstead Town Board has scheduled a public hearing for Aug. 27 in Hempstead to consider changing the name on this section officially to Stewart Ave. What we don't understand is this: what was the matter with Dutch Lane in the first place?

PATRICIA MANGAN, daughter of Mr. and Mrs. FRANK Mangan of Bay Ave., Hicksville, was recently Queen of the Junior Prom at Annhurst College, South Woodstock, Conn. A graduate of St. Ignatius School and St. Dominic's High School, she is majoring in language and plans to become a Latin teacher. . . Ask LARRY PAGANO to tell you about the Presidential Award he received. He didn't get it from JACK KENNEDY (with 2 Ds). . . That "guaranteed" rod and reel from Hicksville Firestone, mentioned here before, caught another fluke off Captree over the weekend which is quite an achievement considering the shoddy supply of fluke these days. . . Only five were caught in a party of 20. . .

SHEA's team lost to Shady Maple, Sunday, 9-5; however Shea's Boys have won nine and lost three. Their losses were to Drifwood, Shady Maple and Melville. . . LEE LANDIZ is a regular feature with guitar at the Little Inn, Friday and Saturday evenings. . . The Central Island Women's Republican Club will give a testimonial to Councilman A. CARL GRUNEWALD at the Milleridge Inn, Jericho, on Sept. 21. . . As usual, Ernest F. Francke Republican Club is holding regular meetings during the summer months according to President JAY SCHWARTZ. . . Ran into MONROE E. TENNER the other day. He reports considerable activity in the insurance field. . .

It is getting so nowadays that hardly a week goes by but that we see a house rolling up Broadway, on wheels, and making a left turn at Old Country Rd. Another one went by yesterday. . . Sincere sympathy to the SMALL family upon the passing of their beloved mother on July 27. . .

N.Y.C., on Wednesday afternoon at 1 o'clock. Interment followed at Pheasant Memorial Park.

Mrs. Waterman is survived by her husband, Harrison F. Shwas a member of the Teles Guild of St. Paul's Chapel.

At Jones Beach

The Hicksville Summer School Band under the direction of J. David Abt will present a concert at the Jones Beach Music Shell this Saturday afternoon, Aug. 3, at 2 o'clock. In case of heavy rain the concert will be postponed to Aug. 10.

A CARD OF THANKS

The family of the late Eddie Baumgardner would like to take this opportunity of thanking all of neighbors, friends and the Rev. Ostoloff of St. Stephen's Lutheran Church who held services and the Rev. Dominick K. Ciannella who visited with the family in prayer. Also the Henry Stock Funeral Home staff who so generously assisted us before and during our sorrow. We are deeply grateful and appreciative for all these kindnesses.

Bruno Returns Some Volumes

The Hicksville Board of Education will seek an order from State Education Commissioner James E. Allen to force Trustees William A. Bruno Jr. to return "certain textbooks and other materials belonging to Hicksville School District." A resolution asking Allen to act was unanimously adopted by the School Board, Friday night. Bruno was not present, but several of the books came back early this week. On Nov. 5 of last year Bruno asked the Administration for 30

or more books and work materials for the purpose of reviewing them. Eleven books and some reading materials were withheld by Bruno when he returned some of the items on Jan. 8 of this year.

At a Board meeting on May 31, a resolution was adopted directing Bruno to return the withheld books and other materials. He was given a deadline of June 30, the last day of the fiscal year. Bruno was

not present when this action was taken on May 31, but he brought the subject up himself at the June 14 meeting and indicated he would send back the books as he finished with them.

When it was reported at the July 12 that the books have not been returned, Board President George A. Jackson directed school attorney Joseph C. Catalano to explore other means of obtaining the missing volumes. The resolution to the State Commissioner, adopted last Friday night, was the recommendation.

Primary Race In Prospect

A primary contest for the Republican designation of candidates for Town Councilmen loomed this week as three Mid-Island residents announced their intentions. Incumbents Edward Posson of Syosset, A. Carl Grunewald of Hicksville and Edmund Ocker of Plainview will be seeking re-election as Councilmen. Their little-known opponents were named as Arthur C. Levy of Syosset, William J. Musso of Plainview, and George E. Bailey Jr. of Hicksville.

Although Philip F. Robinson, Hicksville attorney and former GOP leader of the community, admitted the bid of the insurgents has his support "because of the way the party is going down", he decided that he is spearheading the effort or that he seeks to wrest leadership of the Town GOP from C. Bruce Pearsall, Town chairman.

Robinson also rejected a question as to whether the movement is related in any way to the so-called Conservatives and said he knew of no effort to oppose incumbent GOP committeemen in the primary.

He is the past president of the Ernest F. Francke Republican Club of Hicksville, a committeeman in the 39th election district of Hicksville, and actively supported John McFadden in a similar primary effort to oppose Grunewald for the Councilman designation a year ago.

Herald Editorial Opinion:

A Thrilling Chamber Program

Broadway in Hicksville should present a very colorful and patriotic scene on Labor Day and five other major holidays during the year, weather permitting, under a program developed by the Chamber of Commerce. Special brackets will be attached to 100 parking meters on both sides of the street, as well as along Marie St. and Herzog Pl., to hold aloft 10-foot poles from which will flutter the American flag.

Telephone Co. Manager C. William Jones, chairman of the project committee for the Chamber said the Town of Oyster Bay is giving complete cooperation to the program by permitting attachment of the brackets to the meter posts and assisting with installations. Space to store the flags and poles between holidays is being made available by the town government also.

Thus far five organizations have volunteered to take over the task of setting out the 100 three by five American flags on holidays and removing them for storage. The William M. Gouse Jr. Post, Veterans of Foreign Wars, has the duty on

Labor Day, provide the shipment of flags arrives on time. Other groups pledged thus far to take care of a holiday during the year include the Charles Wagner Post, American Legion; Hicksville - Levittown, Elks Lodge, Hicksville Lions Club and Hicksville Rotary Club.

In the past the display of flags on Broadway and in the business section has been spotty because shops are closed and few have been available to set out and remove individually owned flags. Chamber officials are looking forward to a spectacular display of American flags in time for the Firemen's parade on Labor Day with the colors on both sides of Broadway from Old Country Rd. north to Barclay St. at neatly spaced intervals.

There is still a need for some financial support from merchants, Chamber members and others interested. Donations of \$15 for the purchase of a flag should be sent to the Chamber at 29 W. Marie St., Hicksville. This project promises to make our community the talk of Long Island.

Operation VFW

William M. Gouse Jr. Post No. 2211
by Eddie Klabing

Recently, a New York newspaper reported in its shipping section another case of disrespect for the American flag. The flag was used by an exporting company as part of baling for four second hand refrigerators, part of a shipment of 300 refrigerators destined for Lebanon. The sharp eyes of a Brooklyn longshoreman discovered the flag and his alertness aroused proper and legal disposal of the flag. The four refrigerators were impounded and held until they were properly packed.

Occasionally the question of how to dispose of the American flag properly when it gets old is asked. No doubt many Americans are aware of the procedure—some are not.

The Code of Flag Display and Use, (Public Law 829, Section 4, paragraph (j) states, "The flag when it is in such condition it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning."

In the case of the four refrigerators, the company violated Section 4, paragraph (h). It states, "The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything." Violators of this law should be dealt with severity.

The code of flag etiquette, which such agencies as the V.F.W., American Legion, United States Flag Association, among others, have programs and literature available to the public on proper display and use of the American flag. Most of it is free.

This community has several active veterans organizations who

are active in patriotic programs. Any questions relating to flag etiquette or patriotism will be gladly answered just by contacting one of them.

Members who plan coming to this year's picnic should have their money and list telling how many members and friends they have coming. Plans for the purchasing of the food and refreshments depend on the number of people named at the next meeting. Mike Zuck, picnic chairman, advises us this is important so we do not overbuy or underbuy, which in each case, could affect the success of our annual outing.

As promised, Bob Obermeyer had plenty of refreshments on hand at our last picnic party. The number of members who showed up was much smaller than the last battle with brushes and rollers, but, the basement looks bright and new.

In closing, remember next meeting Aug. 12 and that's an important one. Bring books, money and list of attending members and friends. Our annual drawing will be held and your picnic committee will complete plans for the BIG day Aug. 25.

Youngsters Stage Benefit Bazaar

On June 28, from two to four in the afternoon, a bazaar for the benefit of the Nassau County Leukemia Society was held at 133 Bay Avenue. The sponsors of this event were Midge and Neil Glanville and Raymond Erhart. Games and refreshments were provided for the neighborhood children. The proceeds, two dollars and fifty cents (\$2.50) was presented to Mrs. Robert Corcoran of Jerusalem Ave. who is trying to get this organization started.

ESCALATORS to carry commuters up to the new elevated Hicksville Rail Road station, not a part of the current project although provision for their eventual installation has been designed, is attracting the interest of more and more people in the area. Hicksville Chamber of Commerce is said to be working on it now. Recently the Birchwood at Jericho Civic Assoc. Board of Directors met with Councilman Edward Posles and expressed keen interest in this feature. Some observers note that unless almost immediate steps are taken for financing, via a special district or other device, the moving stairs may not be available for use by the time the station is scheduled to be in operation, next June.

LEGAL NOTICE

TO THE ABOVE NAMED DEFENDANTS:

The foregoing summons is served upon you by publication pursuant to an Order of HON. PAUL J. WELTZ, a Justice of the Supreme Court of the State of New York dated the 20th day of June, 1963, and filed with the complaint and the amended complaint in this action, in the Office of the Clerk of the County of Nassau at Old Country Road, Mineola, New York.

The object of this action is to bar the claim, right, title and interest of the defendants, pursuant to Article 15 of the Real Property Law of the State of New York, from certain real property affected in this action described as follows:-

ALL that certain plot, piece or parcel of land, situate, lying and being at Hicksville, in the Town of Oyster Bay, County of Nassau, State of New York, known and described as and by the Lot No. 21 in Block 484 on Section 11 of the Nassau County Land and Tax Map as the same existed on October 31, 1961 and also being formerly of a part of old Lot No. 21 in Block 484 on Section 11 of the Nassau County Land and Tax Map, being a triangular parcel of land on the South East side of Duffy Lane, approximately 617 feet south of Charlotte Avenue and being approximately 204 feet by 93 feet by 165 feet.

INCORPORATION

(Continued from page 1)

natures was upheld but the reinstatement of withdrawals was discarded — a sore point with leaders of the effort to bring the question to a vote.

A week after the public hearing, which was adjourned, a continuation took place on Sept. 24. Sullivan appeared as attorney for a group of 28 objectors including himself. David K. Stinson, former leader of the Levittown Civic Council, was present as attorney for another eight objectors. Twenty of the 28 objectors represented by Sullivan were Republican committeemen. Other objectors included a person now prominent in the County Democratic organization. Briefs were filed by all attorneys with Supervisor Ransom.

Interestingly, this hearing was one of the first public hearings to be informally tape recorded. Deputy Supervisor Waters had his recorder at the session.

Carmen in his argument charged the objections to the right petition for a referendum were "pica-

nyes". He said "The right of ballot is an inherent heritage of all of the people of Hicksville and it is urged that proponents have literally and substantially complied with the Village Law and of all other laws and the Supervisor should permit a vote".

RANSOM RULES

On Oct. 5, Supervisor Ransom (who, under the law, had the sole responsibility rather than the Town Board) in a five-page decision found the massive petition "insufficient", lacking the consent of one-third of the property owners.

Ransom took the total assessment as \$48 million as of May 1 (although this was the new assessment as of Aug. 1, the day after the petition filed) and that one-third of this amount would require \$16,004,352. He also said those withdrawals (which could not be reinstated and other "defective signatures" amounted to \$1,418,606.

The Committee for Incorporation then had 10 days to go to County Court to appeal Ransom's decision. This was done and the matter finally came before County Judge Cyril Brown in Mineola on Nov. 17. The HERALD commented:

"If the County Judge reverses Ransom's decision, and we sincerely hope that he does, the vote can take place after the due process of advertising and setting the date. Hicksville could, if all goes well, be an incorporated village before the year 1963 expires."

While the law called for a decision by Judge Brown within 10 days, the proponents (still optimistic) agreed to a 30-day extension until Dec. 22.

COURT DECISION

Then on Dec. 21 came the verdict, a nine-page memorandum filed with the County Clerk. Although he found fault with Supervisor Ransom's arithmetic on several points, he still allowed enough to be sliced off the petition in realty assessment to make the giant petition shy \$110,000 of the required one-third.

It was a bitter pill for the Committee for Incorporation who knew from the beginning that the step they urged was only the first step. If Supervisor Ransom had permitted a referendum, there would have still been the hazard of the ballot box. However, it never came to a vote and probably never will.

Today, a petition would require signatures representing more than 330-odd millions of assessments (almost the total of all Hicksville District, ten years ago) for a one-third and approximately ten or 12,000 signatures.

Since that incident, only a small community, Atlantic Beach, has incorporated on the South Shore in Nassau (after a lengthy legal battle) and Fort Jefferson in Suffolk has taken the step. Other areas talk about it from time to time with little happening beyond generating a few newspaper headlines.

Birthday Greetings from Editor

Today, "The Villager" takes a bow, for with this issue we are six years old.

Let us make no mistake about it. With six years of uninterrupted weekly publishing, "The Villager" has become an integral part of the community life of Birchwood Park at Jericho.

Ours is a community newspaper. I am grateful to so many of you, our readers, for your letters, contributions and for your enthusiastic appreciation of our efforts. I am also grateful to the many advertisers who have deemed it worthwhile to purchase space in our newspaper.

Certainly no message would be complete without a word of praise for my editorial board. Every other Monday night they meet, and with diverse personalities and thru the rigors of meeting drudgery, arguments and dateline anxiety, emanate your "Villager." Their civic pride and responsibility is manifested in their willingness to serve. To Heary, Horace, George, Ralph, and Tony, many thanks for sharing this burden.

Nor could we possibly forget our publisher, Fred Noeth, whose understanding, co-operation, and professional assistance has played a vital role in our short but vibrant existence. We look forward to his valued and continued support in the future.

I trust that the candles on our birthday cake will glow with added fervor and illuminate our years ahead; to spur us on to greater accomplishments for the residents and for the community of Birchwood Park at Jericho.

Birthday Greetings From Town Officials

Nathan Warren, Editor
 the VILLAGER:

Congratulations to you and your entire editorial staff on the occasion of The VILLAGER attaining its sixth anniversary. Truly a remarkable achievement for a volunteer local newspaper. Historically, civic associations tend to ease off in their activities and gradually disappear from the scene after their second or third year. However, the Birchwood Park at Jericho Civic Assoc. I am happy to see, continues to be a vital force in shaping matters affecting residents of your community. The VILLAGER by its accurate and interesting reporting of the events in your Birchwood area, has greatly helped the civic assoc. to earn the respect of all local government officials.

Each week I anxiously look forward to reading your newspaper because it enables me to keep up with the news and views of your residents. I know that my fellow Town councilmen also read the VILLAGER. Your newspaper is a part of the way of life in the Town of Oyster Bay. With best wishes for continued success, I remain,

Very truly yours,
 EDWARD POULOS
 Councilman, Town
 of Oyster Bay.

Nathan Warren, Editor
 The VILLAGER:

I want you to know that I am aware of the fine work done in the area of Birchwood Park at Jericho Civic Assoc. and wish to commend you and your associates for keeping your public informed on Town of Oyster Bay and other news events.

You are to be congratulated for reaching your sixth anniversary of publication and I feel that your coverage of Town of Oyster Bay activities has been a major element in keeping the homeowners and residents accurately and timely informed on governmental matters within the jurisdiction of the Town Board and myself.

In conclusion, and again congratulations on your Sixth Anniversary, on behalf of all the members of the Town Board, I am,

Sincerely yours,
 THOMAS R. PYNCHON
 Town Supervisor.

Talk Escalators With Councilman

By HENRY DOCKSWELL

Councilman Ed Poulos, attended the regular monthly meeting of the Board of Directors of the Birchwood Civic Assoc. and made public the latest developments regarding the escalators at the Hicksville R.R. Station and the progress of the Syosset Community Pool and Park.

Poulos advised the Board that the present building plans include provision for the escalators to be installed; if they are approved. The Hicksville Chamber of Commerce and the Birchwood

Various Topics Interest Civics

At the Birchwood Park at Jericho Civic Assoc. Board of Directors meeting, recently, in addition to other matters described elsewhere in this issue, discussed the following:

The Civic Assoc. was advised of a recent addition of a smoke-stack to the Floyd Bennett incinerator. A committee was appointed to investigate whether all legal requirements are being met.

Final plans for the entrance gates to Birchwood, from Broadway, are in the process of being submitted and once approved, construction starts at once. These gates will be paid for out of Civic Assoc. funds.

The feasibility of hiring a detective agency for the community will be explored. The need for such an agency seems to have grown with burglaries, prowlers and malicious mischief.

The existing controversy between the Jericho School Board and its insurance group committee will be thoroughly investigated.

There is a Town ordinance which prohibits commercial vehicles begin parked overnight on residential streets. However, this law is only enforced where signs, so stating, are posted. There are many such vehicles parked in our community overnight and there is much objection to this being voiced. The Birchwood Civic Assoc. will recommend to the proper authorities where these signs are needed.

Member—Non-Member

In addition to other benefits, all paid up members of the Birchwood Civic Ass'n. at Jericho receive "THE VILLAGER" weekly. Our mailing name plates are in order now and with the exception of several members who recently joined, we sincerely believe all members are receiving their copies of "THE VILLAGER". If you have been receiving "THE VILLAGER" intermittently it is only because

Civic Assoc. Keeping Watch

In a continuing effort to retain the high standards of our community, the Birchwood Park Civic Assoc. is keeping a watchful eye on the ten acres recently sold by the Syosset School District to a Long Island home developer. The area is bounded by Forest Fountain & Robbins Lane. An agent of the builder has been contacted and has informed a Civic Association representative that it is the purchaser's intention to offer homes in the \$25,000 to \$28,000 range. Immediate plans and dates are not yet available but further liaison will be maintained to assure the least possible inconvenience to our residents during the construction period.

Hearz and Therz

BY NAT WARREN
 "Hitchhiker" and "Dog-fight" may be mere words to you, but watching part Glenda, Karen, Lenore and Barbara, it represents the new cutest body dance girations. Sort of a slow, lazy twist and these gals make it look so easy.

Pretty Irene Wainick of Forest Drive, now in Monaco, with England, Switzerland, Germany and Italy behind her. Still to come is France and then good old U.S.A. — Speaking of travels, we learn that Mark Sonnenblick of Maytime Drive is spending three weeks in Israel, traveling with a group thru the Hebrew Cultural Council. After that it will be three weeks in various European countries. Have fun, Mark.

Happy Birthday to Rose Barbella of Meadow Lane. Rose is wife of the Villager's business manager. Birthday greetings to teenager, Barbara Lang of Fall Lane, also to Mimi Frankel, wife of our active Past-president and past Editor, present member of board, editorial staff. Incidentally, Mimi has just resigned. (Continued on next page)

tired after five years as neighborhood chairman of the Robins Lane Girl Scouts.

For a real "tear jerker" or "belly laugh" (depending on which side you're on), ask E. Mack Cushing of Friendly Lane to recite the "Ballad of a Teen-Age Father".

The Redbacks and Bernsteins visited their children at camp and then continued to spend a pleasant week's vacation at Cape Cod.

The Sacks' had pleasant weather for their weekend at Wildwood, New Jersey.

Congratulations to Al Kaplan of Forsythia Lane—re-elected Chairman of Board—Jericho Jewish Center.

Heard on the golf course, someone bellowing "FORE!" "FORE!" Voice roared back, "3-7/8" — "3-7/8". They say it sounded like Murray Iscoe. Or was it you, Dave Topping?

Welcome back to Joe Hickman and wife who took a quick trip to Maine for a few days of rest — and maybe lobstering. Welcome back to all parents who visited their children at camp. Complaints! Complaints! And its costing money. Welcome back to George Frankel, Mimi and their family from their recent vacation in Montreal and Quebec.

Let's not forget that terrific drive Harvey Teich got off the other day on the 9th hole. Hit the ball so hard it broke in two. His foursome ruled he had to play both halves and doubled his score. Do you think they were right? Lets

bear from our readers so we can console Harvey.

Got a note from a reader wanting to know if we ever watched the commuters returning to the charm of suburbia, leaving their air-conditioned L.L.R.R. cars and dragging their coats behind them — also their feet. Come to think of it, why aren't these scenes ever portrayed in Real Estate ads, Milt Bagley?

August should bring birthday greetings to the Bornstein twins. Incidentally, they were the first twins born in Jericho six years ago. Congrats Blanche and Tim.

August is a big month for birthdays. Lenny Wainick of Forest Drive got a tape recorder for a birthday gift last year, and many a phone conversation was heard weeks later. Also, Birthday Greetings to Andrew Gemma of Maytime Drive. Congrats to Kay and Joe Forino on their daughter's third birthday in August. August anniversary greetings are also in order for Shirley and Nat Warren, Ann and Henry Dockswell, Evelyn and Eddie Roseman and Jean and Joe Hockman.

Why not get your name in print? If you have a birthday, anniversary, wedding, going on a trip, came back, know of someone having these things, something humorous happened, let us know, we'll print it. We all want to share the good tidings.

QUOTABLE Quote: Tung Chow says, "It's not the cough that carries you off, it's the coffin they carry you off in."

Let's hear from you — teenagers and adults alike.

TALK ESCALATORS

(Continued from Village front page)

Civic Assoc. in favor of having the escalators.

The method of financing their construction presents the greatest problem. As a municipal service, the Parking District of TOBAY may be able to supply the necessary funds, or failing that, it may be feasible to form an Escalator District wherein the surrounding areas that would be serviced would bear the costs.

A meeting between TOBAY and the LIRR is in the offering, at which time costs and other technical details will be discussed.

Mr. Poulos revealed the plans for the 40 acre Syosset Pool and Park project which will include a pool, play and sports parking facilities. The pool membership fee will be \$50 per family and was predicated on a membership of 3500 families. It is estimated that the entire cost of the project and its maintenance will be about 14¢ per \$100 of assessed value in taxes for each Syosset family. In our area of Birchwood this would come to about \$12 to \$14 a

family per year. It is anticipated that the facility will be in operation by the summer of 1964.

(Ed. Note — The Oyster Bay Town Board approved the \$2,400,000 bond issue on July 24, for the construction of Syosset Community Pool and Park. The park district includes Syosset, Woodbury, and Locust Grove. The main entrance to the park will be off Jericho Turnpike on the east side of the Wantagh-Oyster Bay Expressway.)

Temple Will Hold Special Services

On Friday evening Aug. 9th, Temple Or-Elohim will interrupt its summer series of layman conducted Worship Services with a formal service conducted by the newly elected spiritual leaders, Rabbi Herbert Rose and Cantor Robert Bloch. Services will commence at 8:45 at the Temple, located on Tobie Lane, Wedgwood Greens, Jericho. The services will be followed by a refreshment period, during which time those present will have an opportunity to meet Dr. Rose and Cantor Bloch.

The National Cystic Fibrosis Research Foundation, North Shore Chapter of Nassau County, will sponsor a theatre party on Sunday evening, Aug. 25 at the Tinker's Pond Theatre, Syosset.

Start Frontier Club for Teens

The First Baptist Church of Hicksville will sponsor its fourth annual Frontier Club, for junior and senior high school students, on Mondays, Tuesdays, and Thursdays evenings from 7:30 to 9:30 p.m. for three weeks starting Aug. 5, and ending Aug. 22 in the Church basement, Llant St. and Pollack Pl., Hicksville.

In the past this program, especially designed for teen agers has proven a welcome alternative to T.V. repeats.

The Bible theme for junior high students will be "Heroes of the Faith" during the course of which the lives of many of the Bible greats such as Noah and Job will be examined to explore the frontiers they faced. The Bible theme for senior high students will be "Bible Proofs" during the course of which it will be shown that as science pushes back the frontiers of knowledge the stories of the Bible are proved, not disproved.

As usual, in addition to Bible study there will be a diversified program of songs, games, and refreshments.

Carlino Rejects Off-Track Bet

Assembly Speaker Joseph F. Carlino in an article appearing in the August issue of the County Government Magazine charged a government sponsored "sweepstakes, lottery or off-track gambling tax would be far more regressive" than a sales tax.

Speaker Carlino attracted widespread availability of government sanctioned gambling citing its impact upon the State's economy and its social standards. He answered New Hampshire Governor John W. King's defense of a sportsman's act in that State which will take effect next year.

Carlino forecast there will be "enormous future pressure upon the legislature and Executive" of New Hampshire to expand government gambling operations in their state.

The Assembly Speaker reviewed past and present legalized gambling schemes elsewhere and noted they were a "far more expensive revenue-raising device than the more orthodox taxes."

"If we agree that government is essentially a non-profit producing activity, it follows that the objectives of responsible public officials would be to reduce to an absolute minimum the cost of revenue collection. In a free enterprise economy the aim of government leaders, we must presume, is to maintain maximum money flow outside of the public sphere, draining off only those amounts vital to meeting public service needs and the maintenance of governmental structure.

Following this line of reasoning to make tax collection an industry unto itself would be to impose an additional drain upon the economy, contributing nothing to the private capital formation.

Carlino noted that the widespread availability of government sanctioned gambling in Great Britain has vastly increased public betting participation to the point where a recent government report there termed it "a fever."

Name Winners Of League Prizes

Mrs. Jack Sherman, President of the Women's Auxiliary of the Little League, Pony and Comic Book Leagues has announced the winners of this year's special awards. The winners selected at the Ninth Annual Dance, held this year at the Old County house on June 28th. Winner of the first prize, a portable television set, was Gregory Wilson of North Bellmore. The second prize, a Polaroid camera, was won by H. Hiss of the Bronx. M. Tornabene of Bayville won third prize, a clock-radio.

Varied Events At Country Club

Under the direction of Bob Levy and Sol Schinman of the Program Staff of The Jericho Country Club, the members of the club are actively engaged in a varied program of activity and events.

The club teen, softball team has won three and lost one game in their inter-club competition. The club girls' volleyball team has won its first four volleyball games in their inter-club competition. Helene Miller, Barbara Scheumann, Rima Kopelman, Wendi Hochman, Susan Rudes, Carla Lindenbaum, Barbara Friedman, Marsha Grossman, Barbara Lang, Susan Dankner and Lynn Strumpf are the key members of the team. The inter-club swimming team will have its first meet this week, and with Roger Kaplan, Bruce Kaplan, Susan Gabesoff, Linda Gabesoff, Madeline Richter showing the way, the team coach is confident of a winning season. Net-hockey seems to take up the time of our pre-teens and juniors, while Bingo keeps everybody happy during the late afternoon.

On Wednesday, Aug. 7th, the ladies of the club, and their guests will take part in a Wig demonstration by J'Art Beauty Salon. A luncheon will be served at 1:15 P.M., followed by the show at 2:00 P.M. Ladies interested may come as a guest of a member of the club.

The pre-teen and teen dances are held every other week. Contests are held, prizes given out. Dave Blumenthal and Roger Green were two of the lucky winners last week at the pre-teen dance with David Barnett and Elyce Adler taking top honors in the Teen Dance.

CONGRATULATIONS AND BEST WISHES -- Congressman Steven B. Deroustan congratulates Brig.-Gen. Benjamin Willis on being honored by the 600th Air Base Group and extends best wishes to the general on his new assignment as commander of the Second Air Force Reserve Region, Andrews AFB, Washington, D.C. Interested onlookers are Col. Robert Bliss (left), Commander, 2490th Air Reserve Sector and Col. Oliver F. Fredericks, Commander, 600th Air Base Group who was born in Hicksville. The occasion was the formal military dinner dance of the group held at the Sky Club on July 22. General Willis had been the commander of the First Air Force Reserve Region.

Final Art Festival Events Next Week

The final week of the Summer Festival of the Arts, sponsored by the Hicksville School District Recreation Dept. will bring to the public the Alumni Theatre production and the final "Band Concert Under The Stars."

The Alumni Theatre group, under the direction of Raymond Martinez who has staged so many fine productions at the Senior High School, will present the

comedy, "My Three Angels" by Sam and Bella Spewack. This play is about three convicts on a prison island in French Guiana who help themselves by helping others. This presentation will be in the Auditorium of the Senior High School on Wednesday, Aug. 7th, 1963 at 8:30 p.m.

The following evening, Thursday, Aug. 8th, 1963 at 8:45 p.m.

Religious School Applications For 1963 -1964

Are now being accepted by
TEMPLE OR- ELOHIM

The Reform Congregation of Jericho

You can provide your children with the benefits of:

1. An outstanding faculty of certified professional teachers.
2. A comprehensive curriculum consisting of one mid-week session, starting at 4:30 PM, and one week-end session starting at 9 AM.

Temple Or-Elohim is proud of the highest rating conferred upon its religious school by the U.A.H.C. Every effort has been made to make available the finest teachers and to maintain the highest standards under the direction of our Rabbi and well qualified school committee.

We urge local Jewish families to familiarize themselves with our religious school program which goes from Kindergarten through confirmation. On August 9th our worship service at 8:45 PM will be followed by a discussion period which will present an excellent opportunity to learn about our school and our temple facilities. Every Jewish family is invited to attend the open house.

Challenge Purity of Harbor

Some astonishing and alarming data regarding the purity of waters in Oyster Bay Harbor was disclosed this week in the Oyster Bay Guardian. The Oyster Bay Harbor Assoc conducted 26 tests between July 1 and 19. The tests, evaluated by Holzmacher Assoc (now Holzmacher, Mc Lendon & Murrell) found bathing areas unfit for bathing, despite a Nassau County Health Dept approval earlier in the month.

"The standard for purity of water suitable for bathing has been set at 240 coliform bacteria count per 100 milliliters of waters. Tests show Beekman Beach with a count of 790; Theodore Roosevelt Memorial Park, 1,785; and Centre Island area with 240. Ship Point Lane registers a count of 1,300 and Centre Island Estates, 505," it was reported.

Hurricane Season Warnings

The New York State Civil Defense Commission has issued a list of precautionary measures to be taken during the hurricane season months of August, September and October.

The Commission outlined recommended measures for vacationists, small craft owners and the average householder to prepare against the perils of storms, torrential rains and floods that normally develop during these months.

Special Warnings

Because the three hurricane months are also popular vacation months, the following safety measures apply particularly to vacationists and boat owners: Follow storm warnings carefully.

Time in frequently on radio or TV before starting on a fishing trip or cruise.

Secure pleasure craft when official storm warnings are issued by the Weather Bureau.

Haul boats to safe locations upon receiving storm notices. Give vessels at anchor plenty of slack in moorings to avoid swamping.

Add an extra anchor to secure boats.

Secure loose gear.

Leave beaches or other spots which may be threatened by high tide.

Keep a sharp eye out for high water in places where streams may flood from heavy rains.

For The Householder

Make sure that portable battery radios are in order.

Stay close to radio and TV sets for storm warnings, and Civil Defense alerts.

Use battery radio set or car radio in event of power failure.

Keep your car in top condition with battery, lights, etc., in good working order and with the gas tank at least three-quarters full.

As a safeguard against damage from flooded cellars, check cellar windows and move valuable material to a safe place.

Store canned goods, drinking water, canned food, can openers, and paper dishes in a safe place.

Have available an axe, a crowbar, and a saw.

Check gutters to be sure they are not clogged.

Move furniture and other movable objects on porches and lawns, to safe spots.

Special Precautions

When storm warnings go up, time is short and these precautions must be taken at once: Board up windows or leave storm shutters in place.

Use strong lumber for all bracing.

Sterilize the bath tub, jugs, bottles, etc., and fill with drinking water.

Close house and garage windows and doors except one window on the lee side (the side away from the wind.)

Keep food in the refrigerator at a minimum to avoid spoilage. At the first warnings of danger, turn freezer setting up so that, if power fails, food may stay frozen for three or more days.

While the storm is going on, keep away from windows. In a tornado, in this area, the southwest corner of the basement will offer the best protection.

If out-of-doors, take refuge in a ditch or ravine.

Avoid all loose wires—they may be live.

Stay in a safe place until the storm has passed. If the center, or eye, of the storm passes directly over, there will be a lull lasting from a few minutes to a half-hour or more. Then the wind will suddenly blow from the opposite direction, sometimes with even greater violence.

Finally, keep these instructions handy before and during a disaster period.

STRICTLY BUSINESS:

TOB: Real Vacation land

By Jim Cummings

No matter where you and your family go in this great Township of ours, you're sure to find a sun-filled, fun-filled vacation at home at no additional cost. That is to say, the fine beach facilities, boat basins, golfing, fishing; you name it, you'll find it right here in the Town of Oyster Bay. Residents have the most complete shopping facilities, such as Mid Island Plaza with a complete GERTZ Store plus 38 famous fashion and service stores. In addition to entertainment and educational presentations such as Westbury Music Fair, Tinker Pond Theatre provide you with top-notch entertainment and stars without taking that long ride to New York. To top off these great programs year round a staff of top-notch officials gifted with the knowledge of local government guide our town under the leadership of Thomas R. Pynchon, Supervisor of the Town of Oyster Bay. These elected officials work year round in the many phases of local government to serve the people in this great Town. While on vacation this past week we visited many of these fine facilities and put down a few notes on our rounds. Eddy Bracken at the Tinker Pond is at his best in this role and "Come Blow Your Horn" is due for a long performance. Another discount type operation "Dash to Dash" Deli opened on North Bay, near the Post Office, causing a milk price war. We are reminded of a slogan we have guided by for many years "Quality Boys Health" at FAIRWAY FARMS, on Burns Avenue, Hicksville. Jerry Spigel Associates branching out in other business and industrial developments round the town. The supermarket and parking field of Big Ben will be converted into expanded church facilities for the Trinity Lutheran Church of Hicksville. Frank Mallett has received a

card from Pierre Charbonnet from Paris; meanwhile back at the ranch, Frank is covering the photo scene. These photographers have been covering the local scene for many years and are very active in the community. Mallett with the Rotary Club and Charbonnet with the Lions Club. Speaking of service clubs, by the time this is read the Hicksville Kiwanis will have returned from Toronto, Canada; leaving Wednesday a.m. and returning the same evening. Central Federal Savings & Loan celebrated its 10th Anniversary with music, entertainment, surprises under the stars last Friday eve on their private parking field, at West John and Dewey. Peter Amara, Vice-President of Central has been with the bank since the Hicksville branch was opened 10 years ago on South Broadway. We recall meeting Pete then and setting up his first advertising

program in our former capacity as advertising Manager for the HERALD. The 2nd Annual Claim Party sponsored by the Edward J. Kenny Club will be held at the Knights of Columbus Hall on Sunday afternoon, Aug. 25th from 3 to 7 P.M. ... this affair was a sellout last year better check on your table pronto. Camera crews have been busy at the PLAZA as back-drop for some local color. We chatted with them last week. The "Townsmen" Barbershop Quartet from the Mid Island of SPOBQA were recent 1st winners in the Newday sponsored finals at Salisbury Park. This same group were well received at the Plaza and entertained Miss Rheingold and our METS. We hear the REBELS are coming (they mostly lack the knowledge and experience in a vague attempt to confuse) When the dust has settled and shouting ceased the experienced will win out (this is not a poem).

OFFICER ORIENTED

Army 2d Lt. Dennis G. Colie, son of Mr. and Mrs. George H. Colie, 90 Bethpage Rd., Hicksville, is scheduled to complete an officer orientation course at The Air Defense Center, Fort Bliss, Tex., July 12.

Premier Showing At Westbury Drive-In

Skouras Theatres announces with pride **PREMIER SHOWCASE** PRESENTATION of Lillian Hellman's "Toys In The Attic."

Westbury Drive-In Theatre is now known as a **PREMIER SHOWCASE THEATRE**, according to an announcement by the Skouras Theatres home office.

"Toys In The Attic" which as a play won the New York Critic's Award, is destined to become an Academy Award nominee for 1963.

"Toys In The Attic," which opened on Broadway at the same time as at the Skouras Theatres, is described as a powerful drama of family life in which the tragedy of over-possessiveness in love is compellingly and forcefully held up for scrutiny.

Ranking among the most ambitious motion picture undertakings of all time, Metro-Goldwyn - Mayer - Cinerama's lavishly all-star production, "How The West Was Won," which opens Tuesday evening, Aug. 6th, at the Syosset Theatre in Syosset, marks the first marriage of an outdoor adventure story with the huge screen and three-dimensional magic of Cinerama.

More than 12,000 players and three of Hollywood's most illustrious directors combined their talents in creating this masterpiece of family entertainment.

Five inter-related episodes tell the story of a half-century of America's westward expansion, as seen through the eyes of four generations of a pioneer family.

The cast of the Cinerama saga includes Carroll Baker, Lee J. Cobb, Henry Fonda, Carolyn Jones, Karl Malden, Gregory Peck, George Peppard, Robert Preston, Debbie Reynolds, James Stewart, Eli Wallach, John Wayne and Richard Widmark.

The co-stars are Brigid Bazlen, Walter Brennan, David Brian, Andy Devine, Raymond Massey, Agnes Moorehead, Henry (Harry) Morgan, Thelma Ritter, Mickey Shaughnessy and Russ Tamblyn.
