DEDICATING THE FIRST Wild Life Sanctuary in the State of New York under the Long Island Wetlands Act of 1959 to insure preservation of the Town's wetlands are from left, Commissioner of New York State Conservation Dept., Harold G. Wilen, Councilman A. Carl Grunwald, President of the Long Island State Park Commission and Member of the Assembly Perry B. Duryea, Jr., Speaker of the Assembly Joseph F. ### Plan Tunnel Under RR Tracks

The Town of Oyster Bay will propose the acquisition of a right-of-way for a pedestrian walk and tunnel under the tracks for the convenience of people in the western area of the new viaduct and station in Hicksville. It was announced by Supervisor Thomas R. Pynchon.

The proposed land-taking maps will be given a public hearing by the Town Board on Oct. 29th. Councilman A. Carl Grunwald, who has kept in close touch with all phases of the present R.R. grade crossing elimination project urged inclusion of a pedestrian crossing.

**DAYS OF COAL AND ASHES.**...This is what happens when one starts roots through the attic for some old football pictures. The photo was accompanied by an old racoon coat that probably wasn't quite dead when the tailor, garmentized it....The picture, however, withstood the ravages of time, to appear in the Mid-Island Herald, 38 years later. The scene in the East St. School, boiler room in 1925. Men at left is Fred Schaeffer...Man at right is Walter Zabel, who retired last year, after 44 years of custodial service with Dist. 17. "How times have changed", said the modern Head Custodian, who in spite of a more hectic occupation, still manages to accomplish the same purpose with a battery of oil fired boilers. Note the absence of all modern day, auxiliary machinery.... Vacuum pumps, oil burners, panel boards, compressors etc. By comparison, today's East St. boiler room no longer has that open range look about it. (Picture was provided by Joe Koerner, head custodian of the District. Numerous correct answers were received and passed to Hicksville Theatre will be mailed this weekend to the winners. Another contest picture, not so old, appears on Page 11).

### Sisters Offer Reading Course

Testing will take place on Saturday, Oct. 19, at 9:30 AM and further information concerning the program may be obtained at the Reading Center on any Saturday morning after Oct. 19.

"A remedial course of reading instruction will be offered on Saturday mornings to boys and girls of grades 1 thru 8," the announcement reads. "This program is designed to meet the needs of people who are reading below grade level. All phases of silent and oral reading skills will be taught to meet the individual needs of children."

Sessions on Saturdays, national and religious holidays excluded, are from 9 AM to 10:15 AM or from 10:30 AM to 11:45 AM. Class size is limited to two to eight pupils.

There is a fee of \$2 per instructional hour. This rate includes cost of testing, books and materials and is payable on days of class. Checks should be made payable to St. Ignatius Reading Center.

### Legion Calls for Clothing

The Charles Wagner Post #421, American Legion, of Hicksville is asking for donations of usable clothing for men, women and children patients at Kings Park State Hospital. The articles can be delivered to the Post, at 24 East Nicholas St., Hicksville, any time but not later than Saturday, Nov. 2. Pickup service is available by calling George Johnston at WE 5-7087 and making the request.

The donations will be delivered to Kings Park on Sunday afternoon, Nov. 3, when the members of the Post and Auxiliary make their annual visit to distribute candy, cookies, fruit and cigarettes. This year patients will be treated to a variety show which will be held at York Hall.

Hospital visits to veteran patients began in the early 1920's at the suggestion of the late Mrs. Lucia McIntosh, a past president of the Charles Wagner Unit #421, American Legion Auxiliary, and have since spread from coast to coast. A visit to Kings Park is an unforgettable experience and members who attended the first visitation over 40 years ago are still making the annual trek.

### Alumni Gives \$250 Gift

A \$250.00 presentation to the Senior Class of Hicksville High was the highlight of the Alumni Assoc. reception held immediately after Hicksville's 27 to 20 victory over Island Trees, Saturday. The money was earmarked to kick off the Washington Trip Fund Drive.

Over 200 band members, cheerleaders and football players were guests of the Alumni at the donut and cider celebration.

Treasurer William Coyer made the presentation and Homecoming Chairman, Louis Millevotte, announced that two Most Valuable trophies had been voted. The co-winners were Quarterback Bruce Damm and End Bruce Cerone.

The reception was under the direction of Assoc. President Joseph Nasso. Later that evening the Alumni held to capacity its annual Homecoming Dance at the Hicksville American Legion Hall.

## Dear Lynda:

An interested spectator for a good part of the Hicksville School Board meeting on Sept. 26 was former trustee AL EIRICH who confided to a friend that after an absence from the meeting room for some time he knew very few of those currently involved in School Board affairs. Hicksville Rotary Club is making plans to get auto license plates for residents again this fall. For a slight fee the Rotarians stand on line for you...LYNN MARGARET McINNES, daughter of Mr. and Mrs. Henry McInnes of 200 First St., Hicksville, has been chosen by the Music Dept. of Vermont College for the Vermont College Chorus. She is enrolled in the secretarial curriculum. The children of Mr. and Mrs. CORNELIUS McCORMACK of 27 Boxwood Lane, Hicksville, recently gave the Hicksville School Board member and his wife a real surprise party celebrating their Silver Wedding Anniversary. If you are planning to send Christmas parcels overseas, the deadline dates come up the beginning of November. Check with the post office clerk...JILLIAN's Little Inn will have a costume party for Halloween on Wednesday, Oct. 30, promising prizes and surprises. There's a certain fellow who had some usually good luck over the weekend and is worried that his wife will find out. He lost and found some cash, which he had been carefully saving. However, everyone at the Casey bar at the time heard the story and are promising to see that Dee gets the message. What local mailman has quit his job as a brain surgeon on weekends? All the Yankee fans are saying "wait till next year". UNCLE JIM really made a big killing on the series, and he had predicted the winner of the world Series way back at the beginning of the season. No wonder they call him the foxy mocking bird. Put V-1 on the juke box again, TERRY, before you run to catch that bus...PAYGO who has slimmed down to 300 pounds may be the chairman of a local Citizens for Judge Dempsey committee. JERRY ZETTLER had PERRY COMO as his opponent while playing golf on a private club on the north shore last week. JERRY says PERRY is a real easy-going, shy type of guy just as he appears on his TV shows. Tremendous response to the first contest picture and almost everyone correct, although a few said Junior High School rather than East St. boiler room. Now, let's see who knows when there were Indians on Broadway?...

The annual Hicksville Fire Dept. Ladies Auxiliary Buffet and Dance will be held Saturday, Nov. 9. MRS. FRED HASBROUCK of 53 Lantern Rd., Hicksville, is chairman assisted by MRS. W. FOLEY, MRS. R. MCINTYRE, MRS. A. RICHARDS, MRS. J. TAXTER and MRS. C. VAN WINKLER. FRANK HAUSER, CPA, of Plainview has been appointed to the Real Estate Committee of the NY State Society of Certified Public Accountants. Hicksville Chamber of Commerce has voted to write the Town of Oyster Bay commending the "excellent road jobs being done in Hicksville". Joseph Barry Council, Knights of Columbus, will take care of the display of American flags on the parking meters of Hicksville this Saturday for Columbus Day which is an official flag holiday. JIM CUMMINGS is in charge for the Knights. The flags are the property of the Chamber of Commerce. Councilman A. CARL GRUNEWALD reports to the Chamber that the Town Board is in agreement with the plan to attach three litter baskets per block on parking meter standards and the Town Sanitation Dept. will arrange to empty them. This plan has been placed in operation in Oyster Bay village.

Mr. and Mrs. EDWARD MILLER, new residents, of 86 Woodbury Rd., are very grateful to M. MURPHY and his foreman, WILLIAM LAEDHE of the Nassau County Dept. of Public Works, who rescued their son Roddy's kitten Patches from a tree where he was stranded for almost a whole day last week. The Millers are operating the OBE Enterprises, trailers for sale or rent. The St. Ignace Yellow Jackets won over St. Patrick's, Huntington, 34-0 Sunday. Our sympathy to his fellow clergymen and his parishioners on the passing of FATHER FISCHETTI, assistant pastor of Holy Family R.C. Church.

DAVID SCHIFFER of 10 Glenbrook Rd., Hicksville, is the new Arrowhead Boy Scout District Chairman, succeeding WERNER LANSING. The annual Boy Scout supporting membership or fund drive starts on Oct. 12. Volunteer workers are being told to "remember you are a SALESMAN for Scouting" — not a collector.

Congratulations to the DON ZIRKEL's of Fountains St., on the birth of a son, John Neumann, born Sept. 29 at Mercy Hospital. Dad is an editor of the Brooklyn Tablet.

PAT CONNELLY enjoys reading the HERALD to spot it for typographical errors and misspelling. He says we never fail him. An unusual sight for busy Broadway: PHIL ILLMAN of Town Country Apparel watering his plants along the sidewalk.

The special four-page supplement in a late June edition of the HERALD on the Hicksville Summer Recreation Program attracted widespread interest. Director JOSEPH MADDEN received requests for copies and information from all over the nation. The School Year Recreation supplement appears with this issue. HOWARD DEMOTT who died earlier this week in Deland, Fla., was well known to Hicksville residents while he was with the Nassau County Police. He retired in 1954 as an Inspector, and moved to Florida nine years ago. PI BARNEY AVERANO of Hicksville has been unanimously re-elected to his second term as President of the L. L. State Parkway Police Benevolent Assoc. He has been a police officer 13 years. ARTHUR F. THOMPSON of 55 Arcadia Lane, Hicksville, an assistant vice president with LI Trust Co and a specialist in business finance, has been named regional loan officer of the bank with headquarters at the new East Farmingdale office. Hicksville Senior Citizens will celebrate Halloween on Oct. 30 at Century Theatre Roosevelt Field. Reservations must be made before Oct. 20 with \$1. Call MA 6-0331 or write Box 329, Hicksville. Two Hicksville residents who served in Tanganyika with the Peace Corps will attend the University of North Carolina for advanced study to prepare for future work in developing countries. They are BURTON ALAN and MARY ELLEN SEGAL, 2 Cinder Lane.

## RETURNS TO VIRGINIA

Miss Penelope R. James, daughter of Mr. and Mrs. Samuel N. James, 21 Lenore Ave., Hicksville, returned last month to Southern Seminary Junior Col-  
lege in Virginia to resume her studies. Miss Jones was accompanied by her parents, who then vacationed in Charlottesville and Norfolk before returning home.

## Pre School Age Story Telling

The Hicksville Public Library will begin its Pre-School age Story Hour on Thursday, Oct. 10th at 10:30 a.m. It will be held in the auditorium, and will start promptly at the above hour. Children from the ages of 3 1/2 to 5 years old are invited, as the stories and picture books will

be geared solely for that age span.

Last season, which was from October through the early part of June, was a very successful one. The average number of attending children per Story Hour was never under 25, and a small regularly attending nucleus of children formed quite early in the season. Each Story Hour, (they are conducted on a weekly basis), was based on something either pertaining to an important event, holiday or a literary theme. In order for us to have a similarly successful set of sessions, the Children's Librarian asks all parents who accompany the children to wait for them in the library building, preferably in the children's room, as the Story Hour does not always conclude at the same time, and the children cannot be constantly supervised here. In addition, it would be appreciated if all who attend show up promptly, as we do not like to interrupt the story being told by latecomers walking in.

### CARD OF THANKS

We wish to thank the Reverend Clergy of St. Ignatius Loyola R. C. Church, our dear neighbors and friends and our thoughtful relatives, for their many kind remembrances and acts of sympathy during our recent bereavement.

The family of the late Julia Chupka

**THE COMET COCKTAIL**...Add a sprig of the all around fine play of halfback, Charley Triola. Mix in a dash of (QUARTERBACK) Mix in a dash of (QUARTERBACK) Bruce Damm and left end, "Light Fingered Louie," Bruce Cerone) filled in a blocky fullback, like 6', 210 lb., Larry Wesolko and finally...mix well with a group of hard-nosed linemen. This when ladled out properly turns out to be Jim Grantham's 1963, Comet Cocktail and from where we stand, it's ready to pull a "Sneaky Pete," on the Section 1 football action. Take last week as a case in point. They beat Island Trees 27-20 but of course there were armchair quarterbacks in the record crowd who didn't thrive on the "Cardiac" nonsense that was dished up in the 2nd half. Via the 3 touchdown spread by Hicksville in the first half, when they jumped out to a 20-0 lead, the air was alive with dreams of a 44-0, Comet win. The talk, however, died early in the 3rd quarter, when the "Treemen" pulled off 2 quick scores and threatened for the 3rd. It took a pass interception to check them and seconds later the Danville Cerone aerial act, combined for the 4th Comet touchdown of the day. There were throaty roars of approval from the west side of the field but seconds later the shouts died in a thousand throats when Island Trees ran back the kickoff for their 3rd marker. Another kickoff and a pass interception in the closing minutes, by Island Trees had the effect of almost inciting mass hiri-kari on the Comet side of the arena. The visitors had the ball with 10 yds. to go. They had cracked the Comet line twice before. Why not the 3rd? But this is where the mark of a good football team begins. The "Treemen" were held to 8 yards on 4 carries, but 4 tries later, the Comets were in deeper trouble when the "Treemen" again took possession on the local 12. They picked up 6 yards on 3 carries and then decided the Comet from wall, wasn't about to give up the ghost again. They tried a 4th down pass but it was intercepted by Cerone, who in turn was dropped on the Comet 5. 3 plays later, halfback, Triola exploded through left tackle for 16 yards; picking up a first down. And then, it was all over. The Comets had won the opener 27-20 but the 7 point lead had been no indication of easy pickings. Hicksville had a real tiger on its hands in that 2nd half and it took a lot of bruising, defensive line play to keep visiting "tree" cat from clawing out the win. Hearsay had it that coach, Joe Martone either fed his charges raw meat at half-time or pulled a "Knute Rockne" with a "win this for old Joe" tale. But whatever it was, and especially in that last quarter, the little hawk that usually sells tranquilizing pills to the Comet fans, sure made himself a root cellar full of loot.

**GAME HI-LITES**...Fullback Larry Wesolko's bruising, 65 yd. touchdown run up the right side. Tackle, Cliff Gile's key block on this very same play. The outstanding, 3 touchdown aerial circus put on by Damm and Cerone. The "Custers" last stand act put on by the defensive line. Charley Triola's bang-up offensive and defensive play. And last but by no means least, a rousing halftime show by Jerry Pellerin's, Highville High Show-band.

"This is the biggest band in the history of Hicksville High," Pellerin said. "We've got 120 pieces, including 7 color guards and 14 tubas." Pellerin, assisted by J. David Apt went on to add that the "Comet Show-band" will be playing Hofstra Stadium on Oct. 25. All aficionados of the "Outdoor Eagle Blowing Band Set," are urged to attend this 14-band Festival. Look for the Comets to repeat their Patriotic Field Show, depicting the 4 corners of the world, at the next home game on Oct. 26th vs Syosset. Take time out to travel with the locals for the next two games, MacArthur this Sat. and Clarke Oct. 19th. (Both away) See ya in the "Generals" back yard.

**CROSS COUNTRY CAPERS**...Chalk up 4 straight wins for Cross Country coach, Fred Rocher and his Comet hill and daleers. They're undefeated, by virtue of victories over North Shore (15-53), Plainville (24-31) Plainview (15-45) and MacArthur (15-90). Last week the Comets were assured of at least a tie for repeating for the divisional title they won last year. The locals will face Syosset in the deciding meet on Oct. 18th at Bethpage State Park (Time 5 pm) Look for crack runners like Pete Sullivan, Ray Gutorski, Gerald Tracy, Tom Scanlon, Bob Bonazzi, Bill Zunt, Bob Landau and Frank Maier. Sullivan's the North Shore champ so far, with a recent fine 13:16 clocking at Bethpage.

**VARSITY FOOTERS 4-1**...Tally up a trio of wins for coach Harry Rann and his Varsity Soccer team. Last week they outfooted Farmingdale 7-2, Blauvelt MacArthur 4-0 and shaded Syosset 2-1 last Tuesday afternoon. Scorers for the locals were Rich Medina, 5, Neil Boroccas, 3, Gus Medina, 2, Sam Hest and Bill Glavin, 1.

**J.V. MUSTANGS, DEBARK TREEMEN**...As the saying goes...so must go the Comets' or words to that effect must have been as he tossed an 11 am strike to end Bill Fyffe, for the first score of the game. Fullback, Leon Kaprinski tried a 4th with the finale, a power play through right guard. And that was the ballgame. The Mustangs uprooted, Island Trees 12-0 in the J.V. opener, and according to coach's Bob Tricka, Bill Meyer & Ken Kingsley... "there's a fine brand of football in store for the Jayvee fans, this season". Look for the Locals to take on MacArthur (at home) this Sat morning at 10:30 am.

**DISTRICT DATA**... "So how come, you write about football all the time", asked our informant, who as a reader felt a bit slighted that no news concerning the Secretary's Circle was printed. "Sorry mam", we said "but this is a sports page and we couldn't carry well say that." "Recent patents at Nassau Hospital were, Rita Girolano, Eleanor Brenning, Mildred Curran and Jean Le Vines. (All are back on the job now). Or that Kathy Ryan, former Annex Sect'y has taken a position as Sect'y to the Dean of Men at St. John's University and that Rose Meisler, former Cafeteria sect'y, has gained a position with the N.Y. State Income Tax Dept.

**OUR CONDOLENCES TO**... Annex sect'y Mary Yigdal, who recently lost her mother. Sympathy also to Joe Pizzariella, night custodian at the J.F. High who lost his brother a few days back.

**CONTEST WINNER** - Morton Thielie of Bounty Lane receiving his mouse oscar from Vivian Scoma of the Villager staff as editor Nat Warren (left) look on. Mr. Thielie submitted "The Great Mouse Piece" which was selected over all others as best name for Vivian's column.

Hi! We just had a genuine mouse into utter panic. I thought not having a name for my column was bad but trying to pick a name from all the suggestions was even worse. The editor and his staff chose the name "THE GREAT MOUSEPIECE" which Morton Thielie of Bounty Lane entered. Thank you Morton and thanks to everyone who helped by sending names. In the suggestion department you are neither shy of quantity nor are you holding out on imagination. Here are a few more very clever names that were suggested for my column..... "Cat Nip" suggested by Jack Jacobs of Maytime Court..... Lee Garfinkle of Friendly Lane thought "Squeaky Talk" would be good. I'm sure some of you do not agree with our choice and that is only because all the suggested names were so good that it was hard to choose.

Have you heard of the surprise party that was given for Hal Garfinkle of Friendly Lane on Sept. 28? Eleven couples helped him celebrate. Belated birthday wishes to you Hal. It's a good thing that my little mouse didn't know it ahead of time 'cause your party would not have been a surprise. Come to think of it, we wouldn't be that mean.

Happy birthday to Gil Miller of Birchwood Park Drive. Happy anniversary to Florence and Gil Miller. Did you know that they were married on Gil's birthday? Wow what a wonderful present. Happy birthday to Blanche Karpel of Flower Lane..... Herb Gruber of Bounty Lane..... Lee Thielie of Bounty Lane. Watch out Lee..... don't let Morton give you the little mouse for a present.

Congratulations to Vivian Scoma on getting her real estate license. Ooops that's me! Hey Mr. Editor put that in a four star headline.

Michael Lerner of Magnolia Lane is in his junior year at Venerable Bide College in Dur-

ham England. Beside getting an excellent education he will be acquiring a beautiful English accent.

There really would be mutiny behind the walls of Jericho if the Jericho Players of the Birchwood Civic Assoc. knew that my little mouse sneaked in to watch the rehearsal of their show, "Muttiny on the Bounty" which they will present on Nov. 15th and 16th. He reports to me that it looks like it will be a big success if things continue to go along as they are going now.

Speaking of shows, the Jericho Scholarship Fund show has put out a call for singers for their chorus. Anyone who would like to join their chorus should call Mrs. Gruber WE-8-8048.

Protect your loved ones by donating one pint of blood to the Jericho Community Blood Bank. All it takes is one pint of your blood now and your family will have all that they may need for the entire year. Don't hesitate and don't forget the date—Oct. 22nd—the Jericho Community Blood Bank—at the Jericho Jewish Center between 3 and 9 p.m. It's open to all residents of Jericho and school district #15. For further information call Morty Mann Ov-1-1584.

I hope that you are planning to join the members of the Cystic Fibrosis at the Town and Country night club on Oct. 25th. I hear that the dinner dance is going to be fabulous. You really wouldn't want to miss the wonderful comic Jackie Mason who will be the main attraction that night. For further information call Shirley Mann Ov-1-6034 or Jeanne Rothberg Ov-1-5262.

Flash! Just heard that The Jericho P.T.A. Creative Arts Workshop may form additional classes to accommodate disappointed applicants on waiting lists. Anyone interested in registering please phone Mrs. Shapp at WE 5-2710.

I guess that's all for now. I just want to go on record as being wholeheartedly grateful to all of you who are showing such an interest in my column and hope you will continue to do so. Remember it is you who makes my column a success and without your help I will be lost. Send in your news items or call me—GE 3-9789. I will be waiting to hear from you.

## Bloodmobile Comes Oct 22

Blood Bank Chairman Morty Mann states: "It should never be wanted, but let's face it, it may happen that as a resident of Jericho, you may have the necessity of requesting two, five or even more pints of blood for your family and it is a wonderful feeling to know that as a member of the Jericho Community Blood Bank, the supply is available to you."

The Bloodmobile will be in Jericho, Tuesday, Oct. 22nd, to accept donors for blood. Jericho residents are urged to avail themselves to donate a pint to renew their membership in the Blood Bank or to become eligible members. Intercountry Blood Bank will have a large group of technicians at the Jericho Jewish Center on Broadway, from 3 PM through 9 PM to serve Jericho.

This is a non-Sectarian community activity for the use of its members. If both husband and wife are rejected, the family will still be considered as blood bank members.

The Blood Bank authorities advise that donors avoid fatty foods, salads and cream before donating.

## Letter from Civic Board

Dear Mrs. Rhoda Ludwig:

This is in reply to your recent letter in which you strongly objected to actions taken by the Birchwood Civic Association in its relationship with the Jericho School Board. In the first place we wish to thank you for your interest displayed in the writing of said letter. It is most important for the good of the community that individuals like yourself volunteer their time on a committee such as our Jericho Education Committee and express their thoughts when they feel a wrong has been committed. Furthermore, your letter may express the feelings of many other residents and therefore we welcome the opportunity to respond, so that we can set the facts straight.

In your letter you complained of the following, a) the Civic Board of Directors has disregarded the recommendations of our Jericho Education Committee, b) the Villager failed to announce the 5% decrease in the school tax, c) The Board of Directors had no legitimate complaint of not receiving the Jericho School budget on time, d) the present Board of Directors is comprised of 9 members living in the Syosset School district and 7 from Jericho and further more the Syosset members of the Board should not vote upon Jericho matters.

In answer to the charge that the recommendation of the Jericho Education was not followed we reply that the Board could not possibly have disregarded such recommendation because no official recommendation on this year's budget was ever made by the Jericho Education Committee.

To clarify the situation we wish to bring out the following facts. This year as in other years your Board has pleaded with the Jericho School Board to submit its budget on time so that we could properly analyze said budget. In Syosset the School Board submitted its budget on time to enable such a review and then followed a conference between the School Board and members of our Syosset education committee to answer detailed questions on the budget. This is the practice we wish to adopt in Jericho, because it is only by this method that our Board of Directors be properly guided in making its recommendations to the community.

At its regular Board meeting about one week prior to the vote on the school budget, the Jericho Education Committee informed the board that they could make no official recommendation on the budget because they had not at that time received a copy of the budget. The Board then decided to hold a meeting of the executive members of the Civic Board and our education committee in the hope that we could receive the budget in time to make a recommendation. Finally, on late Thursday the budget was received (just a few days prior to the vote). The executive members of the civic Board meeting with members of Jericho Education committee made a sincere effort at this late date to analyze the budget. They concluded that they did not have sufficient time nor opportunity to receive answers to important questions on the budget and therefore were unable to make any recommendation to the community. Naturally, the stencil cut prior to this executive and education meeting indicating our approval of the budget, could not be run off nor distributed. We shall continue to urge our School Board to submit its budget on time.

In reply to your claim that the Villager failed to report the 5% decrease in the School Tax, we wish to point out that the decrease was reported in the Villager in its publication immediately after we received the information. Please bear in mind that we are a weekly newspaper and our copy must be in on the Tuesday prior to publication of the next issue. Obviously, your letter was written between the time the decrease was first announced in the daily newspapers and our next publication which contained the news of the decrease.

Your letter, left us with the impression that you have the feeling that we may wish to suppress anything good concerning the Jericho School District. We wish to assure you that we on the Civic

## President's Corner

By Horace Bernstein

Elsewhere in this issue of the Villager, our readers will find the answer to the "Letter to the Editor" written by Mrs. Ludwig which appeared in a previous issue. The answer which was written and approved by the BIRCHWOOD Civic Assoc., during the past few weeks, answers each and every point of question raised by Mrs. Ludwig's letter.

The policy of the Birchwood Civic Assoc. at Jericho, Inc. and (not the East Birchwood C.A.) is to permit the VILLAGER free hand in their writing and publications. However, the VILLAGER is the sounding board of the Civic Assoc., and as such must refer controversial issue, to the parent body.

Mrs. Ludwig's letter was printed without first waiting for a rebuttal from the Board of Directors because as in any large organizations certain things move slowly. After all this work is purely voluntary. Upon receipt of Mrs. Ludwig's letter, the editorial board voted to publish the letter, and referred to the Board of Directors for the answer. The answer was long in coming and NOT IGNORED only because previous minutes of board meeting had to be examined, the answer had to be written, checked for accuracy and approved. I trust that this will end the matter. As president of the largest and most efficient and best civic organization on Long Island, I have taken personal responsibility for the delay in the answer. I think no more need to said. The residents of this community by rejoining our Civic Association each year express enough confidence needed for the work we do.

Editor's note: We note that a letter appeared in the West Birchwood News expressing surprise that Mrs. Ludwig's letter had not been answered. The official answer of the executive board of directors of the Civic Association which was approved last week is printed in this issue. It is unfortunate in the timing of the letter in the West Birchwood news. If the VILLAGER came out at the same time both would have appeared together.

## More About That Mutiny

As promised, this newspaper is continuing its report on one of the most exciting stories ever to hit our front page -- the story of the CAINE MUTINY. We have it on good authority that the "CAINE MUTINY COURT MARTIAL" will take place right in the heart of our own community, in the Jackson School on Maytime Drive! The dates will be Nov. 15 and Nov. 16. It is not our place to prejudge in a situation as serious as this. We are forcibly impressed, however, with the incredibly dramatic circumstances under which a naval officer would relieve his captain in a time of peril. We are most curious about the circumstances aboard the U.S.S. CAINE that allowed sufficient pressures to be built up to explode in a mutiny. We intend to learn, and report, why the other officers did nothing to prevent the mutiny aboard the CAINE; and why they could not alter the chain of circumstances that permitted it.

Flash! We have just heard that the captain of the U.S.S. CAINE is Lt. Commander Philip Francis Queen, and the officer who relieved him, and will be tried, is his executive officer Lt. Stephen Maryk!

We have advised our readers previously that this will be the first GENERAL COURT MARTIAL ever opened to the public. Facilities for spectators are expected to be severely limited and inquiries about entry into the courtroom must be made early. It is suggested that for this purpose, all calls should be made to Yonkers First Class Mimi Gruber, at WE-8-8048 and Betty Goldstein at OV-1-5312.

Mr. and Mrs. Gary Johnson of 71 Elm St., Hicksville, are the proud parents of a daughter, Pamela Marie, born Sept. 27 at Mercy Hospital.

## Concert Drive Ends on Oct 19

Much enjoyment is in store for music lovers this year with the Mid-Island Concert Assoc. announcement of some of the local reciprocal concerts which their members attend at no charge. Thomas Vesary, Tossy Spivakoski, Martha Schlamme, Beaux Art Trio and many other Philharmonic artists make this year's concert series a "must" for the music minded.

The subscription drive for the non-profit Mid-Island Concert Assoc. (Hicksville-Jericho) ends Oct. 19. Attendance during the concert season is by subscription only.

For membership and further information, call: Hicksville - Mrs. Anne Sherman-WE 1-3016 or Mrs. Marion Horowitz - WE-8-6763; Jericho - Mrs. Edith Winston - WE 8-7683.

## Letter From Civic Board

(Continued from Villager Front Page)

Board, perhaps more than any other individuals in the community deeply appreciate the work performed by members of the School Board, and are therefore most anxious to praise their efforts and report anything favorable that happens to the school district. Nevertheless, we do not take the attitude that the School Board members nor the administration are above criticism. We further insist that the Villager should never become a "house organ" of the Jericho School District. The Villager has always in the past and will continue in the future to report all of the Jericho school news, whether it be favorable or unfavorable.

In reply to your claim that our Civic Board could have obtained information regarding the budget if members of the Civic Association attended school board meetings, we wish to state the following: a) a member of our Civic Board who is also active on our Jericho Education committee each day contacted the School Board requesting a copy of the budget for our Civic Association. Finally on late Thursday, just a few days prior to the budget vote, a copy was received, b) as aforementioned, the Villager must have its copy in on Tuesday for its next issue. We must assume that West Birchwood's copy, being printed by the same publisher, must also be submitted on a Tuesday for its next issue. It has therefore always been a mystery to us, how West Birchwood was able to print news of the budget in time for its distribution on Friday, when our Civic Association was unable to receive a copy of the budget, until late Thursday of that same week. c) The education committees of our Civic Association are expected to assign members to attend each school meeting. If this is not being done at the present time the Civic Board will take steps to correct this matter.

Finally in response to your statement that the current civic board is comprised of 9 members from Syosset and 7 from Jericho and your opinion that Syosset members should not vote on Jericho matters, we wish to point out the following: a) the civic board is and has always been, comprised of 25 members, elected by its members. At the moment there are 13 members on the Board from Jericho and 12 from Syosset. Obviously, what you must have read in the Villager was the result of the last Civic election at which one half of the Board of Directors was elected to "serve" a two year term together with the remaining members whose terms had not yet expired, b) We disagree with your suggestion that a Syosset member should not vote on Jericho matters. It is the same as if you had suggested that a member of the School Board residing in White Birch should not vote on any matter concerned directly with our children in the Jackson School.

A school board member, government elected official and your members of the Civic Board are elected by the eligible voters of an area. Once elected they no longer represent any particular segment, but must be concerned with the entire area. This principle is fundamental in our democracy.

Hoping that the above has clarified the Civic position and once again thanking you for your civic interest in writing the letter, we remain,

Very truly yours,

The Executive Committee of The Birchwood Civic Association

## School Year Leisure Guide

The Summer Events Recreation Publication met with such success that it was decided to repeat it for the school year. We anticipate that it will be a service to you in planning some of your family's leisure.

Participants, volunteer youth leaders, parents organization officers and other interested leaders can be guided by dates and events contained herein. A study will help you to avoid some of the small conflicts that tend to occur in schedules.

It should be noted that one of the benefits of the democratic way of life is freedom of choice. Some people would like to take part in everything - their enthusiasm is commendable but their plight is impossible. Children who learn to make good leisure choices in the midst of abundant opportunity will be well prepared for their future adult life in the Age of Leisure.

Best wishes for a pleasant winter.

Director of Recreation

## Friday Night Teen Activities At Each Elementary School

Each Hicksville elementary school gymnasium will be open on Friday evenings from 7:30 to 9:30 P.M. Oct. 18 will be registration night with a March 20, 1964 closing. Social and sport activities will be scheduled according to the needs of the particular area. Junior and senior high school boys and girls are invited to attend. Participants intending to play basketball should have

sneakers with them.

Special activities such as dancing to live music and "hootenannies" are planned on scheduled nights. Consult those headings for specific information. Come out, meet the leaders and help plan the coming events. You may choose your neighborhood school except Nicholas St. and Willet Ave.

## Sport Centers Each Saturday

The Senior High School and Junior High Gymnasiums will be supervised on Saturday mornings from 9:30 to 11:30 A.M. All secondary students are invited to attend. Basketball, apparatus, tumbling, weights and other features will be offered. Participants should bring proper costume including sneakers.

The opening date will be Oct. 19, and the program will continue until the Spring Reces. Holidays and special school activities such as college board tests will take precedence and close the center.

Some afternoon activities will be scheduled at the Junior High and one evening a week at the Senior High. Watch for notice of this through your physical education teachers.

## Grade Level Sports

An after-school hours sports program for upper elementary school grades will be introduced this season. The starting date and schedule will depend upon the particular school. Basketball, volleyball, stunts and tumbling are some of the planned activities. Watch for announcements about this at your school.

## Save This Issue

It provides a full schedule of school year recreation activities in Hicksville School District, starting Oct. 18.

## Arrange Series Of Teen Dances

Live dance music provided by popular local combos will be regularly scheduled at the various Friday Night Teen Centers. Lee Ave. School will initiate the series on Oct. 25th at 8 P.M. An admission of 25¢ will be charged to offset the cost of the music. Participants will be expected to "dress - up" with boys wearing jackets and ties and no slacks or bermudas for girls.

Listen for the announcement of the next date and place. Notice will be given at all teen recreation activities and at the Junior and senior high schools. Wherever a dance is scheduled sports activities will be cancelled for that night. Those interested in these sports activities should attend another center. Information regarding this can be found under "Friday Night Teen Activities".

## Arts and Crafts For All Youths

Registration for a program of arts and crafts for all children and youth will take place at one P.M. on Saturday, Oct. 19, at the Fourth St. entrance lobby of the Hicksville Junior High School. Schedules will be arranged according to age, skill, interest and convenience. The art rooms at that school will be the location. Participants should expect to provide their own supplies for highly specialized projects. Expert leaders will direct the activities.

## RECREATION SERVING COMMUNITY GROUPS

Cooperating and coordinating with the many youth serving organizations and agencies in the community is the principle aim of Hicksville School District Recreation Dept. Complementing their activities with a program of our own is the next goal. This is particularly true during the school year when Hicksville's great variety of youth recreation groups have activities in full swing.

Most groups meet in school facilities and a schedule of these regular events can be found in this bulletin (Page D). A perusal of the schedule and this entire brochure will reveal that there are opportunities for all interests, times and ages. This is all in addition to the regular school extra-curricular activities that are offered. The school year recreation program attempts to fill any gaps that may exist. These activities for the most part are informal and do not require regular attendance or specific affiliation. All residents regardless of whether they attend public, private or parochial school are invited. Those who may have recently left school are likewise welcome. In addition, family groups and adults are cordially invited to concerts and other special events.

The total of youth leisure programs presented by the many organizations, the school extra-curricular activities and those of the recreation department should provide adequate choice and opportunity for all children in the community. You are invited to study this brochure for your selections. It is also suggested that you keep it for future reference. Any questions may be directed to the Recreation Office in the school administration building on Newbridge Rd., Hicksville, (WE 5-9000 Ext. 292 or 352).

## Shop Rite Opens in Nov

One of New Jersey's biggest food chains will open next month at Mid Island Plaza, located in the store formerly occupied by the First National at the west corner of the shopping center directly opposite Food Fair. Employment applications are being accepted at a store located on the main mall of the Plaza (next to Flagg Bros.). Shop Rite have

two other locations on Long Island, in Suffolk and the other at Greenvale. The chain, one of the largest in New Jersey, will open in November and it will be the first in the Town of Oyster Bay. WE HEAR that ground breaking ceremonies will take place next week for the 2,000 seat TWIN THEATRE at the Plaza. The Babylon Road &

Gun Club will hold its annual Turkey Shoot, Sunday, Oct. 13 (raindate Oct. 20) on the Club's grounds at Lakeland, Long Island - Bob Stackler tells us that the events will begin at 10:30 AM with families with children

welcome - take Northern State Parkway to Sunken Meadow Pkwy, north to exit SMA - east on Veteran's Highway or L. I. Expressway to Veterans Highway then follow signs - good shooting guys! The "Brothers Two" namely, Ralph and Marvin Novick, have a new office building under construction on North Broadway, near the Post Office. Mid Island Plaza and Gertz officials toured the Hicksville R.R. Elimination earlier this week. On hand with you reporter and Councilman Carl Grunewald were Leonard L. Frank, of Stackler & Frank, builders of the huge Mid Island Shopping Center; Franklin Frank, of the Plaza, one of the busiest young executives we know; Gil Belair, Vice-President of Gertz and Mort Kassel, Gertz-Mid Island. The progress is tremendous to date and barring any unforeseen developments is ahead of schedule. Beauty will meet "Beauty" at the Plaza during the week of Oct.

21 to Oct. 26, when the 1964 Car Show takes place. "Miss Rheingold", a beauty, will be on hand during this fabulous display of all the new cars-plus music and entertainment for the 7th birthday celebration.

"Record" sales are reported at Gertz of the new albums recorded by Sister Mary Arlene, O.P. Other albums being carried at Gertz's stores include the "Christmas in Song" and "Irish Songs". Better get your copy early. Tony Bennett's opening at the Copacabana will find a ringside table with his very close friend, Pete Petralia, of the Old Country Manor. The "Yellowjackets" football team, of St. Ignace CYO took the Jr. and Midget games, Sunday, at St. Patrick's Huntington, with a score of 34 to 0 both

games - a credit to the coaches and the good, good priests at St. Ignace, Hicksville.

## Legionnaire's Log

Charles Wagner Post  
No. 421, Hicksville

BY ARTIE RUTZ

As we swing into the cooler weather the attendance at meetings show a marked improvement and it was good to see some that were missing all summer. Even with our air conditioning? The Dark Horse winner was Pete Seitz. Couldn't happen to a nicer guy. And the Bond Drawing winner was Leon Lincoln who wasn't present, so he wasn't a winner after all. Have you noticed the activity at our hall lately? Seems all Hicksville has just discovered what a beautiful place we Legionnaires have. Think I'm just making talk? Well, let's see who joined the Post since my last column. There is Charles Duffy of Fireplace Lane; then there's James B. McKinstry of Miller Circle; Francis Meehan of Balsam Drive and William Storms of Cottage Blvd. and Adolph J. Zurlinski (all the way from Levittown) and our very hard worker, James Durant Spaulding. Seems everybody wants to join our Post these days and now is the time for your neighbors to join before we are forced to put a limit on our membership. Ask him NOW. Call me if you need help. It was nice to hear the pleasant comments from strangers regarding our Honor Guard at the recent two funeral services.

Makes one feel proud to belong to the Charles Wagner Post. It may sound a bit early but we are having a New Year's Eve affair at the Post so keep it in mind when you are thinking about that evening. Call Joe Slattery for the details. Nearer to the present date is the up and coming annual Halloween Dance on October 26th in our handling this affair also (after all, he's chairman of our Post Activities Committee, if you don't know!). The Post Senior Color Guard has gained a new member in the person of Joseph Perrera. Welcome aboard, Joe. Henry Brengel sold another \$5000 worth of our Building Bonds which pay a handsome 6% annual interest. Why leave your money in the bank? Invest with us and make more money. See Henry Brengel, Al Carpenter or Jack Ehinann for these "bond beauties" (pardon the pun, I just had to say it). Someday I'll have to write a column about the work done by our members whom most members do not see. Sort of the men behind the scenes, so to speak. Our Commander Dick Hochbrueckner will be out of town for a few weeks on business and has been going around singing "California, here I come." Good Luck and hurry back.

ELKS, EXALTED RULER Arthur Sabacki and Dr. Robert Calahan presenting a tent to Neighborhood Chairman, Mrs. Ruth Aromoff, for the Hicksville Girl Scouts. Scouts in attendance were from troop #548; Dianne Bodreweicz, Susan Massey, Jane Ann Bradley, Lois Kaufman, Robin Deveir, Michele Puglice, Beth Di Domenica, Phyllis Buy and Louise Klauber.

## 2,200 Children Enjoy Kiwanis Kids Day

The Kiwanis Club of Hicksville, Inc., has just completed the most successful Kid's Day in its 26 year history. It was revealed by President Harold Holden that Gene Schillinger, Chairman, assisted by his committee and club members, entertained more than 2,200 Hicksville grade school children at Nunley's Happyland Saturday, Oct. 5th.

The children enjoyed, free of

charge, four happy hours on all the rides, courtesy of Nunley's. Tickets for a free hot-dog and soda at Jolly Rogers were provided by the Kiwanis Club and bags of Treat Potato Chips donated by Pat Caputo were distributed.

Thanks to the publicity given the project by press releases and a free advertisement by Fred J. Noeth, Publisher of The Mid-

Island Herald, the Kid's Day received wide spread advance notice.

Also, thanks are extended to the Hicksville Board of Education and administrators and to the Parochial Schools for their cooperation.

Kiwanis Members who participated were Gene Schillinger, Al Heuer, Frank Chlumsky, Fred Sutter, Charles Montana, Jay

Schwartz, Joe Madden, James Walsh, Lou Kappertatter, Joe Oliver, Dr. Charles Masek, Rev. Richard Muck and Hap Holden. (Photos by Frank Mallick).
