Abt Reviews Stormy Year

Donald F. Abt, Hicksville superintendent of schools, in the forward to his annual report to the Board of Education this week expressed the "sincere hope that 1963-64 will bring tranquility to our School District and provide the opportunity to concentrate on our fundamental responsibility—education of the children."

The 100-page report is filled with statistical information about the school system and its programs. It discloses there are 728 teachers, 40 administrators. The covering statement follows in part: "The School Year 1962-63 was indeed a stormy one for Hicksville. The storm clouds began gathering around psychological testing. They soon enveloped the prerogatives of teachers, the loyalty of authors, and the duties of the Board of Education and Superintendent."

"The prayer issue, the decisions of the US Supreme Court and Dr. Allen's decision left bright vivid scars not only in Hicksville but across the state and country as well."

"Despite the threatening clouds the strong winds and lightning flashes, the storm subsided but continued to rumble."

"However," Abt continued, "during this storm the people of Hicksville opened the six new science labs and four recitation rooms at the high school, Willet Ave. School and East St. Gym were completed and then occupied quietly and effectively. The Junior High, with its 24 new temporary, went from a staggered session to a single full time schedule."

"In January 1963, Dr. Felix McCormick of the Columbia University Institute of Field Studies submitted his latest enrollment projection."

HOW CLOSE DID YOU COME with this picture. The editor covered up a great deal of the data which could have made it easy to figure out why the Indians were on Broadway. Dan Sutter of 36 Raymond St., Hicksville, has the only correct answer: The float of Explorer Post 64 in the 1948 Hicksville Tercentennial Parade. He even provided the names: Lawrence Healy, Arnold Wenner, Arthur Erb (seated) and Louis Homire (not visible). There is another picture on page 11 in this issue.

Chamber May Hear WHEN

HICKSVILLE CHAMBER of Commerce hopes to hear some positive answers to some pressing questions at its meeting this Friday morning, Oct. 18, in the downstairs meeting room of Seaman and Elsetmann at 167 Broadway. Peter Halbin, chief designer for the State Dept. of Public Works, will speak on the proposed widening of Broadway, south of the Rad Road crossing. This view of the grade crossing elimination project taken from the roof of the Professional

Building leaves little doubt that something is got to go. Piers have been poured for the double span across the state highway and it doesn't look good for the west side of the street. Halbin according to Chamber President Lawrence C. McCaffrey, is scheduled to tell the membership just when widening of Broadway can be anticipated. The matter has been the subject of much speculation for about five years.

Now Only 3 Questions on Ballot: Combine HS Addition, Central Warehouse for Nov 23 Vote

Propositions no. 1 and no. 2 of the Nov 23 Hicksville School District referendum have been combined into a single question in an effort to eliminate complications and obtain the maximum available state money which will finance up to 62.8 per cent of the construction cost. There will now be only three questions on the voting machines.

The two propositions now joined add up to a total of \$1,595,000 providing (a) \$915,000 for additional recitation rooms at the senior high, (b) \$185,000 for gymnasium and cafeteria at the high school, and (c) \$495,000 for a two story building attached to the senior high to house administrative offices and a central receiving warehouse to replace facilities now rented.

Besides the one big question the other matters to be decided by the voters on Nov 23 are (2) demolition of the former Lumm house on the school grounds, and (3) acquisition of about three acres adjacent to the Willet Ave. School site.

The decision to merge the questions was made at a regular meeting of School Board, Friday night. The appearance of a trio representing the Taxpayers' Educational Assoc. for the Children of Hicksville (called TEACH) occupied about an hour and a half. The delegation, speaking for their executive committee, sought to have the classroom addition proposition enlarged to provide 30 or more rooms rather than the 24 now contemplated.

There appeared to be evidence of side-taking at the meeting. Vice President George W. Kunz read a two-page statement explaining his stand on the referendum. He also sought to have the new combined building question reduced by \$200,000 to provide for only 15 rooms. This effort failed to get a second. Trustee D. F. Sabatella voted

GEORGE A. JACKSON, president of Hicksville Board of Education (second from right) spoke on the Nov. 23 School District Referendum at a meeting of the Lee Ave. School PTA on Oct. 10. From the left are Louis Perque, assistant principal; Mrs. Dorothy Schuler, past president of Lee Ave. PTA and Hicksville PTA Council, who was installing officer; Richard Jennett, school principal; School Board President Jackson and Mrs. Lee Dell Hughes, newly installed Lee Ave. PTA president.

Others installed were Larry Graziose, vice president; Mrs. Jean Lanzilotta, recording secretary; Mrs. Hilda Hutchins, corresponding secretary; Mrs. Betty Beutelman, treasurer; Mrs. Dorothy Terbesi, council delegate.

Principal Jennett introduced the teaching staff who backed their PTA with 100 percent membership. Following Jackson's remarks, questions of the audience were answered by him, Donald F. Abt, superintendent of schools; and Anthony Gorczycki, business administrator.

against the combined question on the grounds that he felt the classrooms are urgently needed but he is not convinced of the need for the administration building-warehouse. Trustee William A. Bruno Jr. left the meeting

at 8:30, pleading a prior appointment. Just as the TEACH delegation began its assault, Trustee Herbert H. Johnson was out of town and as a result the combined new proposition no. 1 carried by four to one. President George Jackson, Vice President Kunz, Secretary Cornelius McCormack and Trustee Irving Lawrence voted in favor and Sabatella voted no.

Bruno indicated before he left the meeting that he will probably seek to defeat the referendum. Curiously the TEACH spokesmen also sounded like they are not going to support the referendum but for somewhat different reasons. Jackson and McCormack have begun appearances before

4,981 Voters On Books

There are 4,981 voters registered for the Hicksville School District referendum on Nov 23 with additional registration dates scheduled. For the first time, registration and voting hours will start at seven o'clock in the morning.

Registration at seven schools takes place on Wednesday, Nov.

13, from 12 noon to 10 PM and Saturday, Nov 16, from 7 AM to 8 PM. Voting is on Saturday, Nov 23, from 7 AM to 8 PM.

There were 7,484 voters registered for the annual meeting in May which indicates that almost 2,000 voters failed to re-register for the new fiscal year as they left the polling places.

Mercy League Plans Supper

The Glen Cove - Hicksville League of Mercy Hospital met at the Brookville Country Club on Thursday, Oct. 10 at 12 noon. President Mrs. Vincent Braun opened the meeting with the Mercy Creed. She then thanked Mrs. Daniel McGrath for representing her at Council Meeting on Sept. 10 and presiding at the League's meeting on Sept. 17, due to Mrs. Braun's illness. Standing committees were then called on to give their reports. Mrs. Frank Franzese, Hicksville, and Mrs. Peter Servelli, Plainview were welcomed as new members.

A Smorgasbord Supper is being planned for the near future. The place and date is not definite, but will appear in the HERALD in a week or so. Mrs. John Sheehan and Mrs. Edgar Strong are chairman and co-chairman of this affair. Also on the committee are Mrs. A. Baldassarri, Mrs. John De Monaco, Mrs. Joseph Lynch, Mrs. Richard Lynch, and Mrs. Mark Madden. Mrs. James Grosse and Mrs. J. Haller will be in charge of decorations.

The League would like to mention at this time that a picture appearing in the Oct. 10 issue of the HERALD did not mention the absence of the President Mrs. Vincent Braun, Mrs. Lawrence Caponegro, Mrs. Ways and Means Chairman and Mrs. Frank Cannizzaro, Sewing Chairman. Also, the ladies seated were identified incorrectly. Mrs. E. McAdams, is past president and Mrs. Frank Sheridan is Treasurer.

The next meeting of the League will be held Thursday, Nov. 7 at the home of Mrs. Robert Spielman of Huntington Station.

Cat in Bag For Auxiliary

The October meeting of the Women's Auxiliary of the Hicksville Baseball Assoc., Inc. will be held on Wednesday, Oct. 23, at 8:30 P.M. in Levittown Hall. The theme for the evening will be "Cat in the Bag". Each person bring any item valued up to a dollar in a humorously or prettily wrapped package styled to their own individual tastes. Following the business meeting will be bidding—any amount of money each person wishes to bid on the packages. These programs are enjoyable and amusing. The evening will be topped off by refreshments, all are invited to attend.

High School PTA Hears McCormack

The second meeting of the Hicksville High School PTA will take place on Thursday, Oct. 17th at 8:15 P. M.

Cornelius McCormack of the Board of Education will explain details on the coming referendum to be held on Nov. 23rd.

JOHN W. GURSKI

HICKSVILLE—John W. Gurski of 123 Harding Ave., here, died Oct. 15. He was the husband of Antoinette; the father of Helen Groffik and Dorothy Kuris; and the brother of Rose Mueller and Ann Kopeck. He is also survived by three grandchildren.

Services will be held at the Wagner Funeral Home on Friday evening at 8 o'clock. Funeral services will be held at the Syosset Gospel Church, Syosset, Saturday at 10 o'clock. Interment will follow at Pinelawn Memorial Park.

Dear Lynda:

The LI Auxiliary, Benevolent Society of Retarded Children will meet this Thursday evening, Oct. 17, at the Hicksville Methodist Church, Old Country Road. For information call RUTH GIERER at WE 8-6615. Her address is 196 6th St., Hicksville. GUSTAVE DANZIER, CPA, of Hicksville, has been appointed to the Committee on Fiduciary Accounting of the State Society of Certified Public Accountants. ALESSANDRIA MARINO of 10 Lehigh Ave., Hicksville, is a member of the cast of "Camino Real" scheduled for presentation Oct. 25, 26, Nov. 1 and 2 at Hofstra Playhouse. FRANK FAY, Sr. of West St., has returned home after three weeks at Nassau Hospital where he underwent chest surgery. We are glad to hear he is doing nicely. Happy birthday wishes to VIRGINIA CABBE of Miller Circle who celebrated on Oct. 13. The HARRY WOODS are home from their trip to Europe. Harry was disappointed in Germany. Another Farm Store is under construction on South Broadway, next to Bottos.

Old fire trucks, they say, never die. Back in 1925 Hicksville Fire District bought a White for Emergency Co. No. 5. When it had outlived its local usefulness, the fire commissioners offered it for sale because it did not even bring a decent trade-in. It was acquired by the late ROLAND HEBERER for use on his farm up in Sparrow Bush, near Port Jefferson, N.Y. and now it has come back to its own. HEBERER recently sold that venerable fire truck to become the first piece of fire apparatus for nearby Millville, New York, 40 years later. Mrs. JOSEPH ULMER has moved from Field Ave to Amityville. She was one of the first female employees of the old Bank of Hicksville.

It is no secret that LAURINE MURPHY is supposed to have taken over management of the Millerville. This week the Hicksville Kiwanis, with tickets printed and sold for its traditional Charter Night on Oct. 26, the club has given 10-days notice it would have to go elsewhere. The event has been scheduled for the same date at the Old Country Manor and what some of the Kiwanians are thinking would have to be printed on asbestos.

American Legion Auxiliary News by L. E. BOSCH

Final plans for our Bazaar on Nov. 10th were made at our last meeting. Please remember the cocktail hour which is being held in conjunction with this affair. It will be from 4:00 - 7 P.M. However, for those who wish to come earlier, our Bazaar booths will be open from 11 A.M. to 7 P.M.

There will be many attractive items for Thanksgiving and Christmas—so why not come out with a friend or two? You may find some gifts for Christmas and have your shopping done early.

Our faithful Membership Chairman, Anna Brenzel, hopes to have a 100% paid up membership in the near future. Let's all help her and send our dues to her at 126 East Marie Street or bring them to the next meeting.

Yule Deadlines For Overseas

Deadlines are fast approaching for the mailing of Christmas packages overseas and at home, according to Hicksville Postmaster Irene L. Murphy. The period Nov. 1 to Nov. 20 has been designated for the mailing of parcels by surface transportation to members of the Armed Forces overseas. Airmail parcels should be mailed Dec. 1 to 10. It would be wise to send greeting cards to servicemen at the same time.

In addition to the articles normally prohibited in the mails matches of all kinds and lighter fluid may not be mailed to overseas military addresses. Other articles are prohibited to some military Post Offices. Please consult the Post Office for this information.

Overseas mail to other residents should be mailed as follows: By Nov. 1 to the Middle East and Africa and by Nov. 10 to Europe and South America. Use of the ZIP Code on cards and parcels will be appreciated.

Red Cross Honors Ernest Falton

Ernest Falton, a teacher of Physical Education at the Dutch Lane School in Hicksville, was honored on Sept. 12 by the American Red Cross at a dinner at Felice's.

He was presented with a 5 year "Service" medal, for his activity in teaching and promoting Water Safety and First Aid, his service on First Aid Stations and his filling speaking engagements for the Safety Services. He received the three year Certificate of Appreciation in Sept. 1961. Since that time he has given more than 1025 hours additional and is still active.

Fashion Show

The Rosary Altar Society of Our Lady of Mercy Church in Hicksville will hold its Annual Fashion Show on Thursday evening, Oct. 24 at 8:15 p.m. in the school auditorium.

"Around the World of Fashion with Jonathan Logan and Henry Rosenfeld" will be highlighted by exciting prizes, refreshments and entertainment. Chairman of this gala event, attended each year by more than 600 women is Mrs. Edward Parison of Hicksville. A beautiful mink stole will be awarded at the climax of the festivities.

Colony St Girls Repair Toys

Nine little young ladies from the northeast section of Hicksville can well feel a sense of accomplishment this Saturday, Oct. 19, when a full truckload of toys will be delivered to the Cerebral Palsy Rehabilitation Center at Roosevelt. The delivery will be the culmination of a month's work of the Colony Street Girls, who collected discarded and used toys throughout the neighborhood and restored them to use. All donations were washed thoroughly, including cuddly stuffed toys. Eyes were replaced and sewing done where necessary. In other cases, cribs and carriages were given new paint jobs. Every toy the girls collected has been restored for use for the children at the Center.

The girls who undertook this praiseworthy mission are Jo-Ann DeMatta, Cathy Korrell, Diane Sperling, Rita Cavaluzzo, Arlene Koehler, Jane Hester, Jackie Herrmann, Mary Lynne Russo and Rosemary Brennan. The girls range in age from 10 thru 12 years.

you may think you moved

but that's because you're not acquainted with double-think...
the mental process by which Democrat office holders now
plan to bring the CITY OUT TO YOU!!!

(Since you and so many others have moved to Oyster Bay to get away from the crowded city... big-thinking Democrat planners have come up with a plan for an elevated railroad system through the middle of our residential communities. However, their scheme would break us with the deficits it would bring. So, the Democrat double-thinkers need more people here in the

suburbs, to support the transit system... and big apartment house developments to house these people.

Of course, this ruins the suburbs for those of us... who came here in the first place to escape big-City apartment houses.

But then, big-City dwellers vote Democrat — so the planners are going right ahead anyway.)

COMETS MAUL MAC ARTHUR

As far back as last December, there were a few, who figured the locals would again come up with a Section 1 football contender. Fact is certain loyal members of the C.R.F. went as far as to spell out an undefeated season, but then, of course there lay to the left the "December doubters" who eventually were tossed into the back seat when confronted with facts and figures dished up by coach Jim Grantham's annual, season's end, survey. The gist of this high school morning line, tout sheet, while not at all complicated, does get a bit hairy if viewed from a branch in a nuclear physicist's aviary. But if one wants to completely forget the geometric equation of XE times $B7$, multiplied by D flat, he can just check the boards a bit and find out which Division I football squad got belted the most by last year's graduates. "The Comets would be hurt but not as much as the rest of the league", said Grantham at about the same time that coach Ed Petro was first adjusting his tuning fork on a Section 1, basketball title. And that's the way the mop flopped in the winter of '62. Speedy and Ray Strassburger was scheduled to leave the scholastic pad in June. So were Ed Kramer, Bill Sherburne and a number of other good ones. But fortunately and as Grantham said... "The Comets were going to be hurt but not as bad as the rest of the league". They had returning vets that were cutting their wisdom teeth in their Soph and Junior years.... Damm, Triola, Martin, Caloro, Giles, Cerone and others. Add this "Cadillac Combo" to up and comers like Larry Wesolko, Steve Schuster, Paul Randone, Bill Miltenberg, Joe Sarno and Vin Hoosack and you had a team ready to do real business over the Section 1 counter. So then what happens when you've got the action faded. In the opener, the locals as the "treemen" 20-0 in the first half and finally cop the 27-0 win after a series of 4th quarter maneuvers that almost spelled trouble. But all recognized the symptoms, including coach's, Grantham and Ben Benezo. "Lack of aggressiveness in the 2nd half", they agreed.... "we waited too long and the other team had 6 yards on us before we got the tackle in". It was definitely back to the drawing boards. And so it went, on the Sr. High practice field. The waiting game was over and the backs were being hit before they passed the scrimmage line. It took two tango and the result of these "no glory sessions" was last Saturday's, 20-0 shelling of Mac Arthur. No patsy's, the host's but they just weren't in the same league with the Comets, this time out. Halfback Steve Schuster dazzled them with an 85 yd., touchdown run and Fullback Larry Wesolko added a pair of markers to his "Sherman Tank" soirees. Look for the locals to clout, Clarke, next. The "Rams" are capable of holding things in check for a quarter or two but after that there's no more, "Ben Benith" to give out with the short count. Those who remember watching this fabulous, barrel chested shorty last year, will agree he was the finest fullback on the island. He made All County and All Island for both Newsday and the Long Island Press. His presence will be sorely missed, this Sat., when the Rams play host to the Comets in one of the finest football stadiums on the island. Don't miss this one.... Our crystal ball pegs the action as Hicksville 27, Clarke 13.

THE GOLDEN YEARS (CON-

(INUED)...The year was 1932 and the fortunes of the Hicksville High Varsity football team ran neck and neck with the rest of the country. It was the height of the depression and the good things in life came far and in between. Hicksville won only 1 game that year; tied 2 and lost 4. The big event of the season was a 28-6 win over Roslyn. These who remember, might also recall the 1932 Board of Education ruling, that barred all Post Graduates from representing Hicksville in any sport. The ruling was made public two days before the start of the season. Boys excluded were, Dom Sabatella, Glen Kurbs, Alec Rennie & Louis Kapstatter. Boys who received their Varsity letters were, Jim Hill (Cap), Frank Pubins, Tony Manuza, Ray Boslet, Wally Dasher, John Sabatella, Paul Lum, Al Pignatara, Sam Sivonick, Myron Darmohray, Osborne Bedest, Harry Guckenberger, Jack Quinlan, Ray Stock, Andy Schaeffler, Ed Mrozkowski, Bill Hill, William Yarotsky, Harry Krywak, Ed Metz, Ed Benecke and Elwood Curtis, (mgr).

MUSTANGS MAUL MAC ARTHUR.... "There are bound to be days like this," said Jayvee football coach, Bob Tricka as he led his howling charges into the lockerroom at the Sr. High. They had just stopped the Mac Arthur Generals, 32-0 on the home field and every eardrum within range was getting a brisk workout. Youthful exuberance was having its field day, not only for the high scoring romp but for the 2nd shutout in a row as well. This, especially on a Jr. Varsity level calls for some tall tale and must without a doubt, feature some real hard-nosed, defensive linemen. Tricka has them in spades this season, and went on to cite the likes of linebacker, Lemmy Casolino and tackles, Tom Colwell and Ralph Sontag as the outstanding linemen of the day. "We only gave up 2 first downs", he went on.... "and don't forget this is a much stronger league than last year." "Depth and balance has been our biggest asset up to this point. Asst. Coach's, Bill Meyer & Ken Kingsley nodded in agreement with these statements for both do the occasional scouting work and have touted this week's opponent, Clarke as the possible thorn in the Mustang's side. Could be that the Jayvee "Rams" will be ready for this tile with the locals come Sat am at the Sr. High field but we doubt if they have the kick to upset the local scoring machine. Scorers for the Mustangs were, quarterback Glen Olsen with a pair of scoring end runs, Sal Pascarella with a 10 yd. buck through tackle. Bill Kraft on a 30 yd. pass from Olsen and Tom Cara's 20 yard end run. Offensively this squad also takes a back seat to none. Look for them this Sat. at 10:30 am (At Home).

HERALD READER OPINION

WHAT OF McCORMICK!

To the Editor:

In reply to interested taxpayers' letter "what of McCormick?" I inquire: "What of McCormick!"

In my opinion he has been consistently wrong in his recommendations. My daughter, now in 11th grade, started kindergarten here in October 1952. She has been on split or staggered session since.

If I remember correctly, in his first survey, Mr. Mc said four ten-room elementary schools would be sufficient. You know what we've had to build since and at high costs - much higher. The Holy Family School took less than 10 percent of our grade school children. The Holy Trinity High School will undoubtedly take less.

As for a decline in the population of children - some one should tell Mr. Mc a few facts of life:

1. As people grow older they tend to grow more prosperous and move away from here.
2. The young families who move in have one or more pre-school children and they are just starting their families.
3. The Parochial schools in the area cover a far larger area than Hicksville.

4. Because of the crowding of the high school the lunch periods are ridiculous. My daughter has her's at 10 minutes to ten.

NEWSPAPER WEEK

To the Editor:

In observance of National Newspaper Week, Oct 13 - 19, the Nassau County Chapter of the American National Red Cross is extremely grateful to you for the coverage you have been able to give, on a sustained, year-round basis, to the various Red Cross programs and appeals in which volunteer workers in your area participate.

It is, therefore, a special pleasure and privilege for me, in behalf of the Nassau Chapter and the Board of Directors, to express our sincere thanks and appreciation for your invaluable help.

Thank you for your continuing cooperation.

DONALD C. HARRISON
Chapter Chairman

APATHETIC STUPOR

To the Editor:

On Sept 19, the (Hicksville) School Board was instructed to go out into the community and hand sell the school building program regardless of their true feelings. Since several Board members disagree, where is the principle of free speech, accorded all living in a democratic

society?

At the Oct 11 School Board meeting, once again I witnessed the flagrant disregard of democratic action and principle.

Local papers had informed the public of an upcoming TEACH format at which Mr. Jackson and Mr. Aik would be expected to answer questions concerning the inadequate school building program. Yet last night the school Board saw fit to extend red carpet treatment to a spokesman for TEACH and his two assistants. This same courtesy was not extended to any other organization.

Upon completion of the School Board agenda, there is a half hour designated for the public. The participants rise from their seats and join in an extemporaneous discussion. This group was accorded special seating arrangements, plus complete control of the meeting from 8:30 PM until they reluctantly yielded sometime after 10 PM.

Never has such a mass of statistically incorrect information been cited to clarify lofty sounding objectives. Never has a School Board been so insulted, while being overwhelmed with impertinent demands. Never have I witnessed the nose-thumbing directed to the so-called "Common" people of this community. All under the guise of true concern for the future of our children.

Yes, our high school is experiencing over-crowding. Yes, our School Board is made up of ordinary beings, who are subject to the same imperfections found in the human race. Still they do try to solve our problems realistically. They do not suffer delusions of grandeur. Lastly, if students are not being properly educated, the sole contributing factor is not that there are 28 children in a classroom.

I would suggest TEACH avail itself of a copy of "The Education of American Teachers" by James Conant, a true authority in the field of education. He and the 77 associates who aided him in accumulating data, found too many teachers too poorly trained to do an adequate job. (Not all, thank God, but far too many).

Smaller classroom sizes will never correct this problem.

Since I favor good education for all, with consideration for

all, I would caution the people to awaken from their apathetic stupor. "Power in Education" must be controlled for the common good.

William M. Giese Jr. Post No. 2211
Eddie Klobing

In a telegram to President Kennedy on Sept. 30, VFW Commander Joe Lombardo opposed the sale of wheat to Russia, holding to the firm conviction that Communism has not abandoned its long range objective of destroying the United States of America and other governments who believe in and practice the concepts of freedom. Communist agriculture is in deep trouble because the Kremlin has placed a higher priority on industrialization necessary to produce weapons for use against free men than they have placed a higher priority on industrialization necessary to produce weapons for use against free men than they have placed a food production for their own people.

Recently, the honorable Charles Chamberlain of Michigan, speaking in the House of Representatives had requested that Brig. Gen. J. Hittler's article "V. F. W. and National Security" which appeared in the September issue of the V. F. W. Magazine and dealt with the "Sweetness and light radiating from the Kremlin these days", published in the Congressional Record. From time to time Gen. Hittler's V. F. W. Magazine articles or those appearing in the V. F. W. American Security Reporter, issued monthly to Posts, have found their way into the Congressional Record.

One week after his election as Commander in Chief, Joe Lombardo was in Washington meeting with key Senate figures discussing the V. F. W. Proposals in the establishment of a Senate Veterans Affairs Committee. V. F. W. legislative proposals regarding the care for veterans needing nursing home care is meeting with some resistance. World War I veterans are approaching an average age of 70. One of the principal aims of the commander is to work for a liberalized and more generous pension program especially for these aging veterans.

Pains and Pleasures Of Running for Office

by Maurice Targone

Herb Simis, 16 Saratoga Drive, is the first West Birchwood resident to run for a political office. When Herb, a past president of the Civic Assoc., accepted nomination by the Democratic party for Superintendent of Highways, Town of Oyster Bay, he embarked on a campaign which has played havoc with his normal home life and brought its rewards as well as tribulations.

The purpose of this article is to relate the process by which a candidate has to adjust to these changes, particularly pertinent to us because Herb is a neighbor.

One Saturday night last July, Herb's campaign was launched at a memorable neighborhood backyard party. The purpose was to raise money for his campaign expenses, discuss some of the issues in the contest, and achieve publicity of various types. Money is a difficult thing to raise in any campaign, but is particularly difficult in a purely local one. Mass media such as TV, radio, the larger newspapers and magazines, and in today's economy even the mail, must be used sparingly if at all, because of the overwhelming expense and because many of the people reached in this manner live beyond the area of the Town. As a result, Herb and the other candidates, unless they want to hide their records and ignore the fact that they have a vital interest in them, must go out and meet the public in back yards, on the street, in stores, at railroad stations, and wherever else the public presents itself. If you are a commuter, you may run into Herb at a LIRR station from 5:30 AM on, while you wait for your train. After about three hours of this type of exposure, he goes to his own regular job at Brown Engineers in New York, where he deals daily with the complex problems of both a

General Counsel and a design and maintenance specialist in a unique highway development and construction organization. Riding to and from work in a neighborhood carpool offers no respite, since the pool is composed of neighbors who are active in his campaign. Including his Campaign Manager. Thus there are up to three additional hours of discussion and planning each day.

On arriving home he waves a quick hello to wife Gail, and sons Richard (7), Robert (4), and Russell (1), gulps down some dinner, takes his second (or sometimes third) shave of the day, runs quickly through a shower and a change of clothes and exits Dagwoodlike into a waiting car for the evening phase. Any such evening can contain from one to three Koffeeclatches to which the host or hostess, usually a friend who is an active party worker, invites other friends, neighbors and interested people who are usually members of the opposing party, so that they can ask Herb pertinent questions about the campaign, and to enjoy the accompanying refreshments—usually but not always limited to coffee. Herb may have a speech scheduled before a fraternal or religious organization or appear as a non-political meeting where his presence will be noted from the chair and he may be invited to say a few words. Names make news, and every vote counts. All this must be done in addition to the regular party functions such as club meetings, zone meetings of Democratic County Committees in his own or other areas of the Town of Oyster Bay, and campaign committee meetings and events.

Saturdays are generally reserved for visiting shopping cen-

ELECTION NIGHT DANCE Nov 27

WEST BIRCHWOOD SIDEWALKS BEING REPAIRED

ARNOLD WINANT, Welfare Committee, Dick Harrison, chairman, Seymour Berkman, Editor of WEST BIRCHWOOD NEWS and Myron A. Kanter, West Birchwood Civic Assoc. President, inspect repairs to sidewalk in front of Dr. Harold Pike's residence. Top is camera view of torn up curbs and sidewalk repairs from Fulton and Orange.

All arrangements have now been made for the Civic Association's annual election night dance which will be held at the Four Seasons Country Club on Wednesday night, Nov. 27th. A proposed slate of candidates will be presented to the assembly.

Anyone interested or desirous of running for office may submit his name and the position he or she wishes to run for to Donald Parmet, 17 Seneca Place, Jericho, Hot hors-d'oeuvre, coffee and cake, and an open bar will be only a part of the evening highlighted by dancing to a popular five-piece band. Admission is free to all Civic Association members. Non-members may pay the annual \$5.00 Civic Association dues at the door.

The Civic Assoc. officers which are to be elected for the period 1963-1964 are: President, Vice president, Treasurer, Secretary and Five members of Board of Directors.

President's Corner

by Myron A. Kanter

It is with great pleasure that I can announce that the repair of the defective sidewalks, curbs and driveways in West Birchwood is fully underway. Anyone driving or walking through or even looking out of their window can see construction crews tearing out and replacing cement work.

The West Birchwood Civic Assoc., in one of its most ambitious undertakings, has accomplished for the benefit of the residents of West Birchwood an improvement worth to this date, the sum of \$19,000. This is not something which was done overnight, but required much work and attention by civic-minded people who are not just interested in themselves, but eager to help and assist their community. A special note of thanks should be given by all to Dick Harrison, Chairman of the Welfare Committee, and Arnold Winant, the Committee's liaison man who wrote many letters and made numerous phone calls and who, fortunately for us, would not take no for an answer.

Credits are certainly in order to the builder, the cement contractors involved, the Town of Oyster Bay, Mr. Hicks of the County Planning Commission, and Nassau County Executive Nickerson for their splendid cooperation.

As for the numerous people who have met me in the street and called me on the phone, I wish to again emphasize that the Civic

School Board Approves Advisors

by Selma Constant

Jericho Board of Education met on Oct. 10 to complete its agenda of Sept. 26. The Board approved the appointment of a Citizens Advisory Committee for School Community Relations. This will be a public relations committee whose prime purpose will be to acquaint the public with school affairs. The Committee also will improve public relations between the school and the community. Members of this committee will consist of representatives from civic associations and P.T.A.'s. The Superintendent also will choose representatives from the community at large. The Board also will be sending to all civic organizations resumes of Board meetings.

The Board authorized Dr. Thomas Carey, Superintendent of Schools, to represent the Jericho School District on the Advisory Council of Superintendents. This project has received a grant from the Federal Government and Jericho will be one of seven school districts cooperating in the project.

The Board has received from

Meets on Nov 4

The Education Committee of the West Birchwood Civic Association will hold its next meeting at the Library of the Cantigue School on Monday, Nov. 4, at 8:30 P.M. Herb's wife, Gail, has been of tremendous help to him. She acts as his Secretary, is his Co-Committeeman for this area, and lightens his load wherever possible.

HERB, his campaign staff and all the candidates of all parties in this election have been working at a feverish pace. You only need to take a few minutes on Election Day to participate in the oldest example of applied group automation in our history - push down a few levers and determine your future and the kinds of lives your children will lead.

Bombers Defeat Bears for Title

The Jericho Softball League, which consisted of eight teams from the area, concluded its season recently at the Jericho High School, when the B'nai B'rith Bombers, American League champions met the B'nai B'rith Bears, National League Playoff Champions for the Jericho League Softball Championship.

The Bombers took an early lead as they scored five runs in the first inning, and went on to win 13 to 1, behind the magnificent pitching of Willie Greenbaum. Willie pitched so effectively that the Bears did not manage to score until the sixth inning. The Bombers' squad consisted of Willie Greenbaum, Harold Goldworm, Mel Klipper, Herb Rosenberg, Roy Roney, Bob Williams, Ed Coleman, Dick Dicksten, Lew Penn, St. Laine, Leon Newman, Steve Hartman, Dave Weinstein, Stanley Minsky and Howard Thomas. The Bears' team consisted of Auster, Harvey Birdoff, Le Goodstadt, Harold Sternfeld, Le Geyer, Ralph Abuhoff, Marvin Leichter, Artie Levin, Chuck Berman, Jack Gellman, Sam Berns, Silverman, Hartley Lew, Harold Sacks, and Dave Lave.

This victory for the Bombers was the second Jericho League championship for the B'nai B'rith squad since the leagues' inception three years ago.

Local Students At St. Mary's

Miss Breitfeller, a member of this year's senior class, is taking a strong college preparatory course which combines flexibility of curriculum with classical academic values.

The Cathedral School of St. Mary, one of the oldest Episcopal schools for girls in the country was established in 1877 as part of the Foundation of the Cathedral of the Incarnation. The school accepts students from the elementary grades through high school. As a college preparatory school, it is accredited by both the Middle States Assoc. of Secondary Schools and Colleges and the New York Board of Regents and offers the high school student sound academic training for the major colleges.

Ten Pin Talk

By Henry Dockswell

Sparked by Saul "Happy Motor-ing" Shecter, who bowled his strongest series of the season, Sid Simon's Demons scared the daylight out of Morris Garelick's Spooks and took them by a score of 5-2. Saul raised his average 13 points and helped his Demon teammates jump up five positions to 1st place.

The only sweep of the night was recorded by Sol Rabinowitz's nameless #11's. Sol was absent but Fred Green led the way as he bowled the only 200 game of the evening, a 201. This helped raise his average six points to a very fine 162. Fred seemed to have found himself this past summer during our mixed league season and now appears to be just about the most improved bowler in the league. Murray Gittleman's nameless #8's were the unlucky recipients of this whitewash and this was the second week that Murray's boys have not scored a point. Look out Murray, just because your first name is the same as Murray Isakoe's, you don't have to lead your team down the same dark alley.

Talking about Murray Isakoe's Bulls, believe it or not, they finally overcame their early season jitters. Every man raised his average this past Monday night, with Marv Rubenstein leading the way with a six point increase. Harry Seaton and yours truly each upped ours 4 points and the Bulls brought down Sam Springer's high flying Umglicks 5-2.

We see some of the teams have finally chosen names for themselves. Let it not be said that our community lacks imagination. Judge for yourself by some of the following names the boys have come up with: Al Minoff's crew are hereafter to be known as the "Bubulas," Sam Springer's guys, as previously noted, are the "Umglicks," and leave it to Capt. Herb Brody to allow his team to be called "The Six Finks." Couldn't happen to a nicer guy.

Miss Flanagan Becomes Bride

Dorothy Jane Flanagan and Albert Michael McGrane, Jr. were joined in Holy Matrimony at a Solemn High Nuptial Mass at St. Ignace Loyola R. C. Church, Hicksville, Saturday, Sept. 28, at 11 o'clock. The Reverends Benjamin Yander, J. Conlin and Edward Shanahan officiated. The bride, the daughter of Mr. and Mrs. Sylvester Flanagan of 1 Smith St., Hicksville, was given

in marriage by her father. She wore a gown of peadesoir with a train and carried a white mis-sal covered with white orchids. Her butterfly veil cascaded from a crown of rhinestones.

Miss Eleanor Devitt, the maid of honor, wore an aqua floor length gown and carried an old fashioned bouquet of blue and pink flowers. The bridesmaids, Mrs. Robert Long of Hicksville, the bride's sister; Mrs. Sylvester Flanagan of Garden City, her sister-in-law and Miss Agnes McGrane, of Richard Hill, sister of the groom, also wore aqua floor length gowns and carried old fashioned bouquets of blue and yellow flowers.

The groom, the son of Mr. and Mrs. Albert M. McGrane Sr., of Richmond Hill, had his brother, William McGrane of Lynbrook, as his best man. Another brother, Joseph McGrane, the bride's brother, Sylvester Flanagan Jr. and a friend, William Hargrove were ushers.

Following a reception at the Old Country Manor the newlyweds left for a honeymoon trip to Nassau in the Bahamas.

Mr. McGrane is associated with the Park Ave. branch of the National City New York Bank. Mrs. McGrane, a former teacher, is in the advertising department of Pfizer Laboratories, N.Y.C.

ARTICLE XVIII Relates to a general and comprehensive revision and amendment of the provisions of this ordinance relating to no signs being permitted in any use district except as provided in this article, or as authorized by the Board of Appeals. It further provides for which signs are permitted in any use district without a permit, and the restrictions relating thereto as well as which signs are permitted only in business or industrial zones upon the issuance of a permit by the Building Department and the restrictions relating thereto; and further, makes provisions for sign setbacks as well as for fees for the issuance of permits and renewal permits as well as for revocation of sign permits; and further provision is made relating to non-conforming signs and provision that the same shall be either altered in order to comply with all the provisions as set forth herein, or by removal within two (2) years following the adoption of this article unless a Special Exception is granted by the Board of Appeals subject to such safeguards and conditions as they deem proper. A further provision is made in this article for certain prohibitions, and also penalties for violations thereof.

ARTICLE XIX Relates to provisions concerning the Planning Board.

ARTICLE XX Relates to Outdoor Water Pools and sets forth the provisions for coverage; water disposal; fencing; exclusions, size and location; restrictions as to lighting; filtering devices; abandonment; and other applicable regulations.

ARTICLE XXI Relates to Administration and sets forth the enforcement and inspection authority; keeping of records; compliance with ordinance, building permits; completion of existing buildings, repairs to buildings or structures, lapse or expiration of building permits; certificates of occupancy including temporary and conditional certificates of occupancy suspension or revocation of certificates of occupancy; zoning certificates and fees.

ARTICLE XXII Relates to the Board of Appeals, its organization, variance powers; special powers and rules, determination to be made by the Board prior to making decisions; imposing of conditions and safeguards; adoption of rules by the Board of Appeals, variances and applications granted by the Board becoming null and void if certain conditions are not complied with and other applicable regulations.

ARTICLE XXIII Relates to Interpretation and sets forth the provisions dealing with minimum requirements; restrictions on diminishing of lots; imposing of greater restrictions upon the use of buildings or premises or the height of premises, or re-

quires larger lots or yards than are imposed or required upon existing buildings regulations then the provisions of this ordinance shall control over other laws, ordinances or rules or regulations previously adopted or issued relating to the use of the same; validity of building or other permits issued by the Town prior to the revision date of this ordinance.

ARTICLE XXIV Relates to the General Provisions and sets forth provisions concerning junk yards; incinerators required to be licensed under the Mental Hygiene Law of the State of New York; restrictions in any use district as to harboring of pigeons, poultry, fowl, ducks, geese, swine, goats, sheep, lambs, horses, ponies, donkeys, snakes, cattle, monkeys, rabbits, chinchillas, muskrats, skunks, otters, except when permitted as a special exception by the Board of Appeals; restoration of buildings which suffer fire damage; restrictions as to outdoor rifle and pistol ranges being operated or maintained in any use district except as authorized by the Zoning Board of Appeals; restrictions as to height and radius from corners of walls, fences, other structures or hedges, trees or other living growth relating to corner lots; temporary structures including real estate sales offices and builders' shanties; public utility buildings or structures; off-street parking; reduction; erection or maintenance of garages on plots held in single and separate ownership as of May 1, 1953 subject to certain conditions; erection or maintenance of retaining walls; erection or maintenance of non-profit homes for the aged or indigent; conditions, restrictions and expiration of special exception and special use permits relating to single family double kitchens dwellings being permitted only as a special exception of the Board of Appeals after public hearing; ordinance not affecting buildings or premises used for municipal purposes by the Town; private garages; merger of lots; division of plots; fences; fence requirements; requirements of minimum off-street parking; loading spaces; permitted encroachments of certain types in all residential districts; and no other encroachments upon required yard area permitted; accessory buildings; subdivision plans; non-conforming uses; and that notwithstanding any other provision of this ordinance no trailer camp, camp cottage, camp unit, house trailer - except travel trailer - shall be permitted in any use district, and a condition upon which one (1) travel trailer may be stored in any use district.

ARTICLE XXV Relates to penalties and violations of this ordinance.

ARTICLE XXVI Relates to the Validity of the ordinance.

ARTICLE XXVII Relates to the Effective Date of the ordinance. The ordinance is on file in the Office of the Town Clerk, Town Hall, Audrey Avenue, Oyster Bay, New York, where the same may be viewed daily, (except Saturday, Sunday or Holidays) between the hours of 9:00 A.M. and 4:45 P.M. prevailing time.

All persons interested shall have an opportunity to be heard upon the said proposed ordinance at the time and place aforesaid.

Strictly Business : by Jim Cummings**Ground Breaking for Twin Theatre**

Mid Island Plaza Shopping Center and Town & Country Theaters will officially break ground for the 2,000 seat "Twin-Theatre" next Friday, Oct. 25th at 11 A.M. on the North Parking Field near the Long Island National Bank. Representatives of the town, county and press will be on hand for this auspicious occasion. The Theatre is the "first" of its kind on Long Island and quite possibly in the eastern seaboard. Featuring first run motion pictures, the theatre will be completely new in complex and design. The architects are stressing comfort and leisure for the thousands of fun-loving theatre-goers. Opening date is scheduled for early 1964 - with most unique theatre opening planned announced these wonderful "Twins". S.R.O. was the word at the fabulous fashion show chaired by Mrs. Joan D'Au-

ria of Plainview, earlier this week at the Old Country Manor, Hicksville. The fashions were beautifully modeled by the wives of the candidates for re-election in the Town of Oyster Bay. Sponsors for this luncheon-show were the Republican Women's Clubs of the Town of Oyster Bay. The Columbus Day Flag Program was a very smooth operation thanks to the wonderful cooperation of the Brothers and Columbian Squires of the Joseph Barry Council, Knights of Columbus, as Chairman a personal vote of thanks to Tom Costa and The St. Ignatius Girls Cadet Corp Color Guard. L. L. Home Builders Institute is in convention at the Concord Hotel (Klamesha Lake) for the 11th year. Walter G. Stacker has been nominated for first Vice-President of the 3,000 member N. Y. Walter G. Stacker & Leonard L. Frank builders of the Mid Island Plaza have just returned from a tour around the world. We hope we can get some comments on this trip at a later date. Tickets are going fast for the 6th Annual "Nite of Shamrocks" sponsored by Division #11, Ancient Order of Hibernians for Sat. Nov. 2nd at the Knights of Columbus Hall, Hicksville. For ticket reservations please call WE 5-4242 (days) or WE 5-4229 (evenings) all reservations close Oct. 26th for tables - don't miss it. Sign at Madden's Auto Body on Woodbury Road, "May We Have the Next Dents". Agnes and Bill Minihah celebrated their 25th Wedding Anniversary Saturday, Columbus Day, with Mass at St. Ignatius followed by a reception for their friends at the Old Country Manor. The ball still echoes the sound of the 60 pc. St. Ignatius Cadet Corp playing the "Minstrel Boy" in honor of these two wonderful people. We missed Bill's rendition of the "Jale of Inlre"...

Girl Scouts Seek \$85,000

Mid-Island Council Girl Scouts Inc. will hold its Annual Fund Drive on Oct. 27.

The goal of the drive is \$85,000 to finance the organization of urgently needed additional Scout troops, to provide training for volunteer leaders, to maintain Camp Edey at Bayport, and the Day Camp at Melville to provide

professional assistance to volunteers and to provide the facilities of a council office for local troops.

Contributions to the Mid-Island Council Girl Scouts, Inc. will insure that 12,000 girls in 650 troops in 18 communities will continue to receive the leadership and training that builds good citizens for the future.

Coming down Broadway on Columbus Day I was thrilled anew at the sight of Old Glory flying from each parking meter. It was a grand sight and sure dresses up the main drag of our hometown. I think it should be called the "Flagway"....I hope everyone appreciates the tremendous effort by Hicksville's Chamber of Commerce in promoting this deal....And the efforts of the various organizations committed to installing and removing these flags on our national holidays....Reminds me of a very ambitious plan that was advanced to our Post membership a few years ago, about 500 times greater in scope than the C of C's Broadway promotion, that would have made Hicksville a stand-out in the Nation....Well, maybe someday that can be done too....And while I'm on the subject of our National flag, please don't call it the American flag.... There is no such thing....It's the United States Flag!!!....Our 1961 Membership continues to spiral upward and upward as the re-nials pour in and additional strength of new members give momentum to our Drive....Now is the time for you to bring in that new member you have wanted so long to sign up with our great organization.... Say, have you heard our new sound

system operating in our Victory Lounge and Victory Room?.... It's the greatest!!!!....Thanks to nights of hard work by our Commander, Dick Hochbrueckner, Jr. Past Commander Dick O'Neill, Past Commander Bill Eggermann, Joe Ratto and Joe Perera....And many thanks must go to Flem Harding (a non-member) who master minded the set-up....A beautiful job that rates bows to all concerned....A clean-up is due in and around the Post building now that all the construction work is completed, and before some more of the minor interior work can be started.... If you are asked to give an hour or two of your time some week-end shortly, please say yes, yes, yes....Many hands make light work....Just to remind everyone, "We still have available some of our BOND BEAUTIES that pay a handsome 6% per year" so why keep your money in the bank when you can earn more with investing with us....Call me, I'll tell you who to see....Our annual Halloween Dance is coming up very shortly on Oct. 26th....Get your tickets from Joe Slatery NOW as this has always been a sellout in recent years.... If you haven't made the Kings Park Visitation lately, how about joining us this year on Nov. 3rd? See you at the meeting.

NOV. 23 VOTE

(Continued from Page 1)

PTAs and other groups in support of the propositions.

The TEACH spokesmen were openly critical of the School Board and charged it with lack of leadership. The formal statement of the executive committee, demanding additional classrooms, was read into the record by Stewart Doug Jr. of 37 Grape Lane. The statement was basically the same as the one published in the HERALD two weeks ago.

The statement of Kunz, also read into the record, was substantially as follows:

"At this point I realize that many of us have been to death the statistics of what our projected enrollment figures should be. Nevertheless, through the haze of prognostication one thing is clear. This is that the Catholic Diocese has revealed its plans for four regional high schools - all of which should be

ready for occupancy by 1965. The fact that those schools will draw off some of our own students is something we must take into account to intelligently appraise our building needs.

"It will have to be admitted, even by those who find it convenient to close their eyes to the fact, that a minimum of 250 to 300 students will leave us to enroll in a parochial school. This is, perhaps, truer today than a year ago because of the Supreme Court.

"What, then, must we do? Should we build according to the maximum projections of Dr. McCormick? Should we accept his moderate prediction? Or, more logically perhaps, should we follow his minimum enrollment figures?

"As all of you know, I have been consistently adamant in my opposition to construction of more than 15 permanent rooms as an addition to our high school. I recognize as well as anybody the pressing need for relief at the secondary level. However, our student population will reach its peak by next school year (1964). Thereafter, according to the McCormick report, our enrollment will taper off. This, of course, would be true without any great outflow to the parochial schools, but it certainly will become more prominent by the year 1965.

"The State, on its guide sheet affixed to Mr. Ahl's memo of June 7, 1963, outlined the requirements for our district on a room by room basis. It called for an additional 25 rooms. What is not widely known though is that this guide was based on Dr. McCormick's maximum projection, and completely ignores his own tabulation of the number of rooms presently available.

"As I see the problem, we have a number of factors to consider. First and foremost is Dr. McCormick's own caution against further construction on the secondary level. Second, the State's own outline of our needs would not require more than 15 additional rooms (based on a proper comparison with what we already have). Third, the plans of the Catholic Diocese will cut into our enrollment by 1965. Fourth, the third factor may make it difficult to convince some voters of the need for additional facilities. Fifth, we just completed an addition of 10 rooms to our high school and the public may well ask: 'Why more now?' And sixth, the cost of the present

proposition seems prohibitive to me and is likely to be rejected by the voters who appear to be becoming increasingly tax-conscious.

"I certainly do not subscribe to the view of some well-meaning people who talk about 'sacrificing' a whole generation of children if we don't build more than 15 rooms. If this argument had any merit it would mean that we have already 'sacrificed' the last two graduating classes. I think the argument is a specious one, and in answer to those critics I can point with pride to the remarkable achievements of our high school students in the past several years.

"An important fact that a good many people are overlooking is that in 1961, with an enrollment of 2140 students, we had single session at the high school. Since then, we added 10 rooms to increase our capacity by 174 students. By building another 15 rooms, we can add another 420 students. The sum total of all this is that by 1965 we can, with 15 additional rooms, accommodate 2734 students on single session. And each year, thereafter, as our enrollment decreases, we can diminish our class sizes to the State norm. I estimate this can take place well before 1980.

"To sum up, I am in favor of a reasonable construction program, but I am emphatically against overbuilding! Up to now, I have neither seen nor heard any arguments that would convince me that more than 15 permanent rooms are needed - and anything more proposed to the voters will be indefensible."
