Beachcomber Earns Reward

Because of a drift bottle he found a few days ago, Harry J. Walsh of 164 Scooter Lane, Hicksville, has been proclaimed "a right honorable fellow in the Worldwide Brotherhood of Beachcombers."

Though the elaborately printed proclamation is largely tongue-in-cheek, the scientific contribution made by Walsh in reporting his find is very much for real.

The bottle he found out in East Hampton, was one of hundreds recently released by American Oil Co. in cooperation with the U.S. Coast and Geodetic Survey. Information on the time and distance covered by the bottle in its

drift to shore will be used by the government agency in plotting hydrographic charts and maps which serve as vital navigational aids for ships at sea. The oil company's tankers dropped the bottles -- actually red plastic outboard motor oil containers -- while making their regular runs between Texas City, Tex., and Portland, Me.

To encourage a high rate of return (and perhaps win a few new customers), American offered a free change of its special Long Distance Oil to each person reporting his find. The company has notified Walsh that he can receive his free oil at Sarmon Sales American Oil service station located at 40 Newbridge Rd., Hicksville.

End Moratorium On Assessment

The Congregation Shaarei Zedek Executive Board, at its regular October meeting, voted to end the \$300 building assessment moratorium on Nov. 1st. After this date all new members will be required to pay \$300 towards the construction of the new Temple and Hebrew School, which will start on that day, on Old Country and New South Road, Hicksville.

The new location, on the edge of Plainview, will serve the Traditional Jewish element of Plainview while continuing to serve Hicksville.

Mothers Meet

The St. Ignatius Loyola Auxiliary of Christian Mothers will hold its regular monthly meeting on Monday, Oct. 28, at 8:15 P.M. in the school hall. The St. Ignatius Green Stamp Co. is sponsoring a "Hat Show", awarding prizes for vintage hats predating 1920. There will also be reception of new members.

On Friday, Oct. 25 at 7:30 p.m. there will be a faculty basketball game between the Hicksville elementary school teachers and the Hicksville Junior High teachers.

The game will be held in the Junior High gym.

Bway Widening To Start in 1966

A spokesman for Austin M. Sarr, district engineer of the State Dept of Public Works, spelled out in considerable detail this week plans for the widening of Broadway from the LIRR south with construction scheduled to get underway in 1966 -- a little over two years hence. Forty-four feet will be chopped off present buildings on the west side of the State highway from the LIRR south to Old Country Rd.

Peter Halbin with the State Public Works Dept for 15 years as assistant chief design engineer of District 10 with headquarters in Babylon. Many of the points made answered questions which have plagued the community and its business people in particular since 1956. Repeated requests for information from Babylon and Albany have, over the years, received vague answers.

It was pointed out at the meeting Friday morning that the Chamber of Commerce has never been asked to take a position in opposition to the project. There appeared to be little doubt that the widening of Broadway from 66 feet to 110 feet including a paved 20-foot center mall will change the entire character of the Hicksville business section.

The Chamber was also informed that the contract for the widening of Newbridge Rd., south of Old Country Rd., is scheduled to be undertaken at almost the same time as the Broadway widening is started in 1966.

sary property. Since the work will be financed half by Federal funds and half by State funds, a notice of the project will be published sometime this winter and a public hearing will follow if requested.

Actual construction will take about 18 months and limited travel will be permitted during the work. The job covers the length of the highway from the RR crossing south to Hempstead Tpke. The stretch along Grumman Aircraft from Wantagh Ave to South Oyster Bay Rd will be a six lane highway. The rest of the route will be four lanes, two in each direction, plus 10 foot parking lanes or shoulders, plus 10 foot sidewalk areas. The 20-foot center mall will be paved thru the business area and planted with grass for the balance of the distance.

The work may be divided into two contracts, one covering the section from the RR south to Old Country Rd and the other the balance of the route.

Appeal to Sarr

Halbin was urged to appeal to Sarr and request that the contract for widening Newbridge Rd north of Old Country Rd be undertaken first and that an effort be made to avoid having the two main north and south state highway widening jobs undertaken at the same time.

He traced the step by step process to be followed in the acquisition of property on the west side of Broadway. The center line of the widened highway has been staked out and field study crews are working in the area.

By the end of the current year, maps of property to be acquired will be finished. He estimates it will take a year and a half to two years to acquire the necessary property.

No Parking Help

Halbin admitted that the widening will make no improvement in parking in the business area. The purpose of the project is to improve the flow of traffic along the state highway. He disagreed with those in the audience who felt the new Wantagh-Oyster Bay Expressway and the scheduled widening of Newbridge Rd will syphon off some of the traffic load on Broadway and make the widening unnecessary. He said experience has shown that when alternate routes are widened there is a slight drop off in volume but that it rapidly rebuilds and becomes heavier.

He cited a 1962 traffic count which revealed 17,000 vehicles a day use Broadway of which

Almost Everyone Got Right Answer

Practically everyone who answered our mystery picture contest last week, including Phil Maus of Anderson, South Carolina, was right. Maus is a former Hicksville resident who wrote: "Picture is the water tower at the railroad station."

The tower was used to provide water for the steam locomotives and our picture was taken a cold winter day which froze the overflow. The first ten correct winners have their passes to Hicksville Theatre in the mail. In this week's contest on page 11, those correctly identifying the most people in the group (besides telling what it is all about) will help determine the winners.

three percent or 500 vehicles were trucks. Allowing a growth factor of 1.4, he predicted the volume will be 24,000 vehicles a day in 20 years.

Broadway was originally a county highway, 18 feet wide. It came under state jurisdiction in 1924 and was subsequently widened to its present size.

Halbin said that prior to 1950 plans for the reconstruction of Broadway as a divided highway were being developed. Studies made in 1956, he continued, showed that it would be more economical to widen Broadway by taking property on the west side. In 1957-58 Broadway north of the LIRR was widened to a four lane divided highway.

Robert Corcoran, program chairman of the Chamber, introduced Halbin, Lawrence C. McCaffrey, president, presided.

PBC Candy Sale This Saturday

On Saturday, Oct. 26, the Hicksville Police Boys Club will conduct a house to house candy sale in which the adult members will accompany them. Their goal is to try to reach every house in Hicksville and to sell 3,000 boxes of candy at \$1.00 a box. The box of candy weighs 12 oz. and is a fine grade of chocolate. All profits made on this sale will go directly into activities and equipment for the boys.

Willet Ave. PTA To Hear of Vote

There will be a regular meeting of the Willet Ave., P-T-A Hicksville, on Nov. 4th, at 8:00 p.m. in the All Purpose Room. Discussion of the Building Referendum to be voted on Nov. 23rd, will follow and everyone is urged to attend. Refreshments will be served.

Mr. and Mrs. James Sloan of 11 Atlas Ln., Hicksville, welcomed a son, John Matthew into the family on Oct. 7.

Dear Lynda:

We heard this week that NICK ECONOUPOLY, member of the Northport faculty, is in Greece with his family on a Fulbright Fellowship. He'll be gone a year... The first Hicksville Fire Dept. ambulance which was obtained by the contributions of residents has been replaced after eight years of faithful service with a brand new vehicle. The old one was traded in and is sister of GEORGE A. KUNZ, has returned to her home in Texas after a two-month visit here... Now that the word is out on the official start of the widening of Broadway, predictions are that there will be more and more vacancies on the west side in the months to come. The bulldozers go to work, according to the official word to the Chamber of Commerce, in 1966...

The Nike base in Brookville has been closed down... Hicksville Chamber of Commerce is making plans to have Santa Claus arrive in style on Dec. 7 and will sponsor a Children's holiday party at Hicksville Theatre the following Saturday, Dec. 14... If you think local traffic conditions with the crossing elimination program are a mess, just wait until 1966. The state plans to widen Broadway and Newbridge Rd with contracts to start at almost the same time... School authorities apprehended the vandals who made off with the hands from the Junior High School when the vandals were not disclosed... Today is United Nations day and next Thursday is Halloween... Republican committeemen of the area will sponsor a coffee clatch at Levittown Hall, Hicksville, on Tuesday evening, Oct. 29 starting at 8 PM. All are welcome to come and meet the GOP candidates... BILL STEGMAN, formerly of Hicksville, now a 10th grade student at Patchogue High School was the subject of a feature write-up in the Sunday News. At 14, he is the youngest member L.I. Soaring Assoc. which flies gliders at Bayport.

Don't forget to turn back your clock Saturday night when you retire. We get back that one hour we lost last spring... Our sincerest sympathy to TEX AND WINNIE FULGHAM of Ohio St., on the loss of Mrs. Fulgham's dad this past week... We certainly enjoyed the Twelfth Annual Fashion Show and Luncheon sponsored by the Nassau Chiropractic Auxiliary held Thursday at Carl Hoppi's, Baldwin. The ladies held the yearly luncheon for the benefit of an adopted American Indian child. The Auxiliary encourages other service organizations to do likewise feeling charity begins at home so therefore help our own underprivileged children right here in this country. They also sent a portion of money collected that day to help the victims of the flood caused by the landslide at the Vaiont Dam near Belluno, Italy... Somebody sprayed paint on the high school over the weekend praising Clarke High School in East Meadow and urging the "Rains" to go...

Rummage Sale For Cancer Care

A huge Rummage Sale for the benefit of the Mid Island Chapter of Cancer Care will take place Nov. 7 thru Nov. 9 from 10 a.m. to 4 p.m. daily at the Knights of Columbus building, Bay Ave. and Heitz Pl., Hicksville.

Anyone wishing to donate any clothing or bric-a-brac may contact Mrs. Jack Manning at OV 1-1562 or Mrs. Emil Wigh at WE 1-4746.

All proceeds will be donated to the Chapter's patients grant, which helps advanced patients and their families.

Special Showing

A special two-man show of paintings by Gerome and sculpture by Bronka Stern will be held at Art Forms Unlimited, 111 Levittown Parkway, Hicksville, between the hours of 7:30 and 9:00 P.M. on Saturday, Oct. 26, and 1:00 to 4:00 P.M. on Sunday, Oct. 27th.

A local artist, Gerome is known for her powerful, deeply emotional and thought-provoking oils, covering a wide range of subjects including people, animals and flowers. Typical of her work is "We Are What We Learn From You" and "Youth's Fleeting Moment", both of which will be shown in the exhibit.

Pynchon Favors Home Rule Amendment

Supervisor Thomas R. Pynchon speaking before a joint meeting of Jericho - Syosset - Plainview GOP Clubs said that his Democratic opponent has displayed "abysmal lack of understanding" of the Home Rule Amendment which he voiced his opposition to at a public meeting. The Home Rule Amendment appears as No. 4 on the ballot Nov. 5 and is a Bill of Rights for the Town's small villages.

Supervisor Pynchon stated: "My opponent speaks about Home Rule and governmental responsiveness in one breath and in the next says he is opposed to the Home Rule Amendment, which if adopted by the electorate this Fall would give greater protection to towns and small villages in addition to giving them more and necessary power to enact local legislation without having to seek State Legislative assistance."

"My opponent's statement of opposition to the Home Rule Amendment, in which he says that unit rule voting of municipalities would allow small villages to over-ride the wishes of larger villages in matters affected by the amendment" is not only misleading but untrue. He apparently is not even aware that on Sept. 10, 1963 the Nassau County Village Officials' Assoc. unanimously adopted a resolution approving the Home Rule amendment. He is also apparently unaware that members of his own Party have come out in support of it.

"I consider his opposition to this vitally important amendment a clear cut reflection of his inability to recognize what progressive local governments are attempting to do to successfully meet the challenges of the future and to continue to enable residents of towns and villages to have a voice in local affairs."

"I favor this amendment wholeheartedly and I believe an affirmative vote on it to be in the best interests of every resident of the Town of Oyster Bay whether they reside in a village or hamlet."

"Here are the facts: '1. Towns and smaller villages would have more powers to solve problems locally without the requirement to go to the State Legislature in Albany for permission. Greater opportunities for citizens to participate in local government are made possible by this amendment and the news media will

be able to carry on their work so that citizens will be better informed."

"2. It is now constitutionally impossible to get special acts from the Legislature for small villages. They can only ask for general laws applying to all villages. The amendment makes it possible for small villages where no power exists now to act locally to get special legislation to solve individual problems."

"3. At the present time the State Legislature can pass special laws for a town without the

town's request and even over the town's objection. Under the amendment this would not be possible except upon request of the town or an emergency message from the Governor."

"4. Both towns and villages would get constitutional protection (a Bill of Rights for the town which represents the greatest advance in home rule in many years.)"

"5. Local governments under the amendment will be given grants of power that couldn't be taken away from them quickly. No such device now exists."

No Difficulty About Voters' Decision This Year

In less than two weeks we will be going to the polling places and cast our ballots for some 15 candidates for public office (sample ballot is reproduced elsewhere). Most of the positions to be filled are of a so-called "local nature": ie, Township of Oyster Bay.

There is a remarkable lack of interest in the election. This bodes well for the incumbents, provided the legerdary does not creep into the ranks of the voters.

The politics of this newspaper have never been misunderstood: we are independent Republican, a fact which has been plainly understood since our very first edition some 14 years ago. However, it would seem important to point out that this is probably one of the strangest elections in our short history. The incumbents are, as incumbents, running on their record which is exceptionally fine. Town taxes are being reduced (a fact which merited special editorial mention from the mighty NY News). The affairs of the township are (despite the diligent sleuthing of Mr. Lipson) in excellent shape. You may rest assured if Mr. Lipson could have found something upon which to frown

you would have heard of it by now and the guilty parties would be on their way to jail.

On the other hand the Democrats are going thru the motions of running for office. Mike Petito was not able to make it a couple of years as a candidate for town councilman and we fail to see any reason why he deserves serious consideration as a candidate for town supervisor. He has not offered any substantial platform or program.

On the other hand we have been privileged to know Supervisor Thomas R. Pynchon, the incumbent candidate for re-election, for a number of years (dating back to the time when he became an administrative assistant to Supervisor Lou Waters) and can state with authority that he is a man dedicated to the best of interests of every homeowner, regardless of party affiliation.

Tom Pynchon is relatively new to the position of Town Supervisor in the minds of the voters. He assumed this post when John J. Burns was practically drafted to assume a position in the state government. Mr. Pynchon is a rather retiring person, otherwise he would be better known to you. On the other

hand his less self-assuming opponent has not been reluctant to use an appointment to county office (thanks to the election of a Democrat with the appointive power) as a springboard for renewed candidacy.

We have known every town supervisor since Benjamin Downing and, with appropriate apologies to Harry Tappen, Charles E. Ransom, Lou Waters and John J. Burns, we honestly believe that Thomas R. Pynchon is the best supervisor of our township in the past 20 yrs. We further believe that he will continue to serve the people of the township and the people who work for the township in their own very best interests. We sincerely trust that he will be given the opportunity to continue to do so for many, many more years to come.

The failure of the Democrats to offer ANY program is a shame to every candidate on line B. Regarding Line C, the Liberals, we have yet to see anything to warrant even consideration. If we had not obtained a sample ballot we would not even have known they were fielding a slate.

Around The District

By Joe Koerner

BREAK UP THE RAMS.... An our son "Walter" once said, when the complexities of life befuddled him...HOW COMES, DAD? Or words to that effect might best describe the why-nots that took place, last Sat. afternoon at the Clarke Stadium. We watched the action, from a fine vantage point... Couldn't quite believe what was going on and yet in the final analysis, saw a great High School football coach and a great halfback in action. The Comets had all the ingredients to win this one, going away... but yet they dropped a 1 point decision to the Clarke "Rams" because something dropped up that was just a little more important than the possibility of running up an undefeated season. And this statement takes nothing away from the hosts. They were up for this game, as they usually are when they face the Comets and without a doubt they deserved this win. So let's go hero hunting for a few seconds and toast a pair of Comets who will live long in the memory of those who make their annual entourage into a Section 1, stronghold. We dropped the duke, which in spite of a 1 point spread, was not really a heart-breaking loss. But we dropped it nevertheless. Hero number

1 on the field, of course was Comet Halfback, Charley Triola. Give us 11 of his breed on any given Saturday afternoon and there wouldn't be a team on the island, could touch us. He's a 60 minute football player in every sense of the word....Asks no quarter, gives none in return, excels on both offense and defense and never starts a fight that can't be finished. It gave one a good feeling, to watch him wave back an octave of Rams in the 3rd quarter, (when they were ready to clobber one of his teammates, who unintentionally roughed up one of their runners.) In short, Triola is our kind of athlete... He's the Vin Hamman of the 63 Comets, and from where we stand will bear more watching in the days ahead. As in the past he won't make the big headlines but when the ante is table stakes (Put up or shut up) look for this youngster to fade the action all the way. This is always Charley Triola, yesterday, today and tomorrow. Last winter during a hallway meeting, his dreams amounted to making a good enough showing in this, his Sr. year, to possibly grab off a football scholarship. We for one think he'll rate this once over before the season ends... Hero number 2 of course (and only a few

know it) was Comet coach, Jim Grantham. He had to content himself with pacing the sidelines like an expectant father and died a thousand deaths, knowing the Comets were losing a game they might have won. The 2000 odd spectators on the opposite side of the field were cheated out of the drama but those who were in-range, were in on the secret. Grantham, this day, was the personification of all that a High School coach could be... and how different from the 1% minority who look for publicity when the goin's good but cop the 5th when things are double stacked against them. They never enter this world of greatness. But this remark is not meant for the Jim Grantham's of schoolboy sports. Their reward for dropping the duke might never come...but yet, we've got a hunch that some day in this case especially a hometown youngster might have a triumphant return as an alumnus and walk up to his coach and say... "Thanks Mr. Grantham...Thanks a lot."

GAME HI-LITES.... "Oto be a sports reporter and a loyal Comet fan as well." We mentioned this at gameside to Newsday's fine sports reporter, Joe Krupinski and he took time out to grin a reply.... "Only my pride's been hurt", he said.... "I picked Hicksville to win." And so it went on this virus studded, balmy October afternoon. Ulicers were having a field day and nervous

prostration was selling at premium prices. Fullback Larry Wesoisko scored the first marker on a 5 Yd. bull through the right side. Triola on successive carries of 7, 20 and 15 yards scored the second T.D. and Bruce Damm tossed Vin Hoosack for the lone point. Final score Clarke 14, Comets 13... Look for the locals to be home this Sat. vs. Syosset. We pick the Comets the rest of the way. Clarke couldn't possibly play that tranquilized type of football the season through.... Or could they? Which brings us to the conclusion that even pro sports reporters like Krupinski wind up in a rest camp when they try to decipher, High School football games.

METOROR A's 1-1-1.... "Not the best of records", said Jr. High A coach, Bud Bryan.... "but I figure we'll get our par from

the course during the last 3 games of the season". The Aoms face Plainview, this Friday, away. After that it's Clarke and Salk at home on Nov 2nd & 9th. Look for these youngsters to finish strong.... Last time out they trashed Farmingdale 13-0, deadlocked Plainville 6-6 and took a good mauling from Meadowbrook in the opener. Bryan grinned as he recalled the latter. "They pasted us good", he said but with the conviction that a good clobbering now and then helps a good team to find itself. We agree Bud, the bad ones shouldn't be tucked away in the hall closet. Scores for Hicksville in the Farmingdale fracas were, Q.B. Jeff Doolittle and Fullback John Burke. Both were scored on end runs.

Syosset Approves Study

By Ralph Diamond

Rumors and misinformation have been running wild since articles appeared in the daily newspapers announcing that Syosset School District would participate in an experimental program to determine the effects of extending the school year. Unfortunately, the State Dept. of Education in its anxiety to get such a program in operation, prematurely released the articles before the Syosset Board had even voted upon the proposition.

The following are the true facts concerning this matter: Dr. James F. Redmond, Superintendent of the Syosset School District had been in touch with the State Education Department in order to gather information concerning the Department's plans to expand the school year. After many conferences with the State Education Department, Dr. Redmond and his Administrative Staff decided to make a recommendation in the form of a resolution to the Syosset School Board. Prior to said proposed resolution being considered or voted upon by the School Board, the State sent out a press release which left the impression that we in Syosset had committed the School District to its participation in the extended school year program.

The Syosset School Board at its next regular meeting did consider the recommended resolution of Dr. Redmond. This school board meeting was well attended by residents of all sections of the Syosset School District. Dr. Redmond, formally presented his

proposed resolution to the School Board and precisely gave his reasons for its recommendations.

Dr. Redmond, pointed out that his proposed resolution (a) limited itself to a 10 month study and not to any participation of the children in any program, (b) The study would confine itself to expansion of the present summer school program of grades 7 to 12, (c) The study would consider the advisability of a voluntary student participation program in the future.

The School Board members at that meeting, questioned Dr. Redmond as to future participation beyond the study; the cost of the program and where the money was coming from; methods of conducting the survey; together with many other pertinent and probing questions. The residents in attendance were then given an opportunity to question Dr. Redmond and the School Board members. Furthermore, the public was given every opportunity to express their point of view concerning the proposed resolution.

After carefully weighing the views of Dr. Redmond and his staff, as well as the stated views of the public, the School Board approved Dr. Redmond's resolution as amended.

In summary your writer wishes to emphasize that the School Board in passing the resolution as amended merely authorized the School Superintendent and his staff to "study" the effect that an expanded summer school

On Oct. 21st I was driving happily down Birchwood Park content with my happy little world. I glanced out the window in complete horrified bewilderment. Birchwood Park Drive was gone and the sign said Hadassah Blvd. Then I realized that Oct. 21st was the date designated as Hadassah Day throughout Nassau and Suffolk counties for their national membership campaign drive and the changing of the street name was just for publicity for that week.

Speaking of Hadassah—I received a very lovely letter from Diane Eder of Middle Lane thanking me for my help. I was quite touched and asked our editor to please print it.

Have you seen any of the sculpture work done by Leo Gillary? It really must be terrific because his work was chosen to be exhibited by the Greenwich House Pottery and Sculpture Guild. They don't exhibit just anybody's work. The work has to first pass the test of well-qualified judges before it is accepted.

Now that the Jericho Republican Club has opened its campaign headquarters in the Birchwood Shopping Center the fellows and the girls have a place to meet—just like the old days when they met in the local candy store. Ralph Diamond, our Republican zone leader, invites everyone to pick up buttons, stickers, etc. and FLASH-FLASH-FLASH-bubble gum. I don't want to show any favoritism in politics and would welcome any news from the Democrats.

The Mid-Island Council Girl Scouts, Inc. will hold its annual fund drive on Oct. 27th. Your contribution will help continue the leadership and training that builds good citizens for the future. For further information call Elnore Blond GE 3-9452.

I'll see you at the joint civic "MEET YOUR CANDIDATE" program. I understand that Judge C. Golding will be present as well as Judge B. Burstein both for Family Court Judge. It looks like it will be very interesting. Flash! aside from politics Sam Hecht is going to be the recipient for our Birchwood Civic Assoc. "First Citizens Award" that night. Happy to see recognition given to the hard working leaders of our community.

The Senior Citizens meet every Tuesday afternoon at the Jericho Jewish Center. Join now. For further information call Rose Belodoff GE 3-9349.

Happy Birthday wishes to... Betty Ann Schwartz... Faith Mendel... Susan Sugarman... Kaplan... Lorie Matas... Harold Livingston... And let's not forget Adele Lubitz.

Ten Pin Talk

by Henry Dockswell

The Spooks are coming. Hearing this, Sam Springer and the rest of his Umglucks began quaking with terror and wound up really "umglücklich." They absorbed a 7-0 white washing and dropped all the way from 3rd to 8th place. Morris Garlick and the rest of his Spooks took a giant step upward to take sole possession of 1st place and lead the league by three points.

Norman Ney really did himself proud. He started the night by bowling a strong 203, let down a little in his second game with a 161 but then roared to a powerful finish with a 220. This puts him in the lead for Hi Series, 584, and Hi Game, 220, and also led the way for his Jets to beat Murray Gittleman's slumping 68's, 5-2. In fact the other Jets caught the spark and they combined with Norm to bowl a new Hi Team Game Scratch of 868.

Sol Rabinowitz returned to his team this week and upon hearing the pleasant news that in his absence they had swept their opponents, he showed them that he still deserved to be cap't by bowling a 212. But his #1 teammates didn't have it this week and they could only win one game from Leo Geyer's Lions.

Mort Levine is still the Hi Average man with 171 and Herb Brody and his Six Finks still hold Hi Team Series Scratch with 2367.

The first division is still made up of the same teams and no one team, as yet, has shown an ability to beat all comers. Out of six weeks, four different teams have held the lead. It looks like the league is pretty evenly matched.

Villager Writer Receives Praise

Mrs. Vivian Scoma
 55 Middle Lane
 Jericho, N.Y.

Dear Mrs. Scoma
 Please accept our most sincere thanks for your consideration and courtesy to our organizations request. The culmination of your efforts made it possible for Councilman Edward Poulos to contact us.

Our suggestion to change the street sign at the entrance of Birchwood Park Drive to Hadassah Drive (or street) for one day, Oct. 21, 1963, has been granted. This date has been designated as Hadassah Day throughout Nassau and Suffolk counties, in conjunction with our National Membership Campaign.

Should you wish to, we extend an invitation to attend this event on Monday morning at 10 A.M. at the entrance to Birchwood Park Drive and Jericho/Hicks-ville Road.

Sincerely yours,
 Jericho Chapter of Hadassah
 Membership Vice-President

Good and bad news about Dick Cushing of Forsythia Lane. Two weeks ago, Dick's outstanding football feats entitled him to "Defensive Player of the Week." This week he suffered a broken leg against Plainfield. Get well fast, Dick.

Since I pay my phone bills, you can still reach me at GE 3-9789.

President's Corner

By Horace Bernstein

Tuesday, Oct. 29, represents an important date on our Civic calendar. It is the date of the first general get-together of the season of our Birchwood Civic Ass. or at Jericho and the theme will be the all important topic of "Meet your Candidate". In it's efforts to serve you - our members - your civic association in conjunction with neighboring associations has arranged to give you the opportunity to personally become familiar with the candidates who are running for public office in the town of Oyster Bay. Scheduled to speak will be candidates from the Republican and Democratic parties.

As residents of the community and taxpayers of Oyster Bay it should be your duty to see these candidates and know what they stand for. It will also give you the opportunity to learn something about the Town of Oyster Bay, what the various positions are, and how they operate the local government. Marty Lawrence and his committee have worked diligently to put this program on and ask each of you to come out and make your presence known.

Prior to the meeting, it will be the Civic Association's pleasure to present Sam Hecht with a plaque in appreciation for his services to the Community of Birchwood Park. Your Civic Association has voted this honor to Mr. Hecht for all the years he has worked both on the Civic Assoc. and the Jericho School Board. Sam as many of you know is one of the founders of our Civic Assoc. You can show your appreciation by coming to the Jackson School to help honor him.

Local Students Take Top Honors

On Oct. 4th, the Music Dep. of Jericho High School sent their instrumentalists to compete with 71 other Nassau County schools, for the all-county band or orchestra. Four out of five of our students won. Representing Jericho were Andrew Genna (clarinet), who scored second highest in the county, Stuart Gabler (clarinet), Judith Anderson (flute), and Fred Balmages (trumpet). Method of evaluation included a point system including everything from tone to scales to sight reading. Andrew and Judith were also recommended for the All-State Band in Albany.

Civics to Hear All Candidates

Four Jericho Civic associations have joined together to sponsor a "Meet-Your-Candidates Night" Tuesday, Oct. 29, at 9 PM in the Jackson School. Maytime Dr. they are the Birchwood Park at Jericho, West Birchwood, White Birch and Princeton Park Civic Associations.

Dr. Martin Lawrence of Jericho will serve as chairman. Each speaker will have five minutes to give his background, experience and qualifications for the office he seeks. An additional five minutes will be allowed to answer questions from the audience.

Attention City Bumpkins You're Now in Suburbia

By Joyce and Eddie Gilbert

We can still remember the special supplement of the Sunday Times that beckoned cramped apartment dwellers to the wide open spaces of The Village of Birchwood Park in Beautiful Jericho Adjoining Westbury. And now, after seven years of split-level splendour, it seems pretty evident that in some respects we're still just a couple of hicks from the city, recalling the security of the simple life under the watchful eye and ever-extended palm of the apartment house Super.

For the benefit of all the friends and neighbors who, like ourselves, still can't distinguish a bloop from a bleep in the water pipes, and keep forgetting what adjustments to make at what times of the year, this column is hereby born. We have managed to gather a few "helpful hints" from experts in the fields of heating, plumbing, etc., and Nat Warren seems to think that such information might be of interest to readers of "The Villager." Taking the idea a step further, we'll certainly welcome contributions (July documented, of course) from readers, and perhaps make this an informal exchange of questions and answers.

The following heating tips were provided:

1) Make sure your heating system has had its yearly check-up and adjustment. (This usually includes vacuuming.)

2) For hot water systems: Fill circulator pump housings with oil. Put 3 or 4 drops of oil in each electric motor including oil burner motor.

3) Expansion tanks may require draining if the pressure approaches the 30 lb. mark on the gauge. Follow procedure for draining:

a) Turn off emergency switch.

b) Close valve leading to expansion tank.

c) Open drain valve and drain all the water from the tank. This job can be done more easily and quickly by attaching a washing machine hose to drain valve and blowing air into the tank to force out the water.

d) Close drain valve and slowly open the valve leading to the tank.

e) Turn emergency switch on.

f) Remember to correct time on clock controlled thermostats.

Here is a Plumbing Hint: Make sure that your main water valve

operates properly in case of emergency. Try this test.

1) Close main valve tightly.

2) Open any faucet.

If water keeps running from faucet and there is a hissing noise at main valve, it is defective.

Just a reminder - before freezing weather sets in, prevent freeze-ups in outdoor hose outlets. Close valves inside the house to allow remaining water to drain.

Speaking of cold weather brings us to that time when we should be installing our storm windows. The mechanics to install storm windows is simple. Raise all windows. Remove left and right channel by pulling out from bottom. Screen should now come out. Place storm in rear channel slots and raise. Replace channels. Close windows as desired. Remember to leave screens out, otherwise you will not be able to raise or lower, preventing all egress in an emergency.

Our Police Dept. advises us that since this is the season for raking leaves and burning brush, make sure that no burning is done on blacktop driveways. Apparently many home owners are unaware of the damage this can cause.

Membership is still open for the Sholem Alechem Youth Group. In the last two years, the Folk School pioneered a workshop and discussion group for teenagers in the North Shore area. They have explored contemporary Jewish issues and attitudes, ethics and literature. In addition, social and field trips were organized.

The first meeting will be held on Oct. 27th from 7-9:00 P.M. For further information please call Mrs. Lenore Siroth, Membership Chairman, at WE 8-1749.

Appoints Jericho Man to Group

County Executive Eugene H. Nickerson announces the appointment of George Rothman of Jericho as a member of the newly created Citizens Committee to advise Director of the Children's Shelter, Leon Shapiro on the policies and programs conducted by the Shelter.

"The appointment of this Citizens Committee," said Nickerson, "is in keeping with the suggestion made in the report on our Children's Shelter earlier this year by the State Dept. of Social Welfare. At that time I indicated full agreement with this proposal."

Syosset Approves (Continued on Village Front Page)

program would have on our children. The money, namely, \$15,000.00 would come from the State and would be accepted by our School District only if the approved study did not bind the district to further participation. The 10 month study would be conducted by Dr. Redmond and his staff together with a Citizens Committee comprised of representatives of civic associations, businessmen etc., and some students of the district. All safeguards were taken by the School Board to confine its approved resolution to a study which will enable the School Board at a later date to evaluate such findings so that they can then having the facts before them, act in the best educational interest of our children.

I hope you are all set for our annual Halloween Dance this Saturday night in our wonderful and colorful Victory Room. Just \$7 per couple which also includes refreshments and the dress is optional (costumes if dare-prizes will be awarded) and a door prize

...You can be assured that the music will be the greatest and couple this with our new sound system and oh boy!!! Call Joe Slatery, George Johnson or Lou Costa about table reservations. Our Commander, Dick Hochbrueckner, is in California on business, so I'm his stand-in according to our By Laws until he gets back. Say, has anybody heard from Ernie Gandisch since he moved to Fort Pierce???. Our membership efforts are becoming more and more noticeable, in and out of the Post.

Latest group to sign up as new members are: Walter Matsch, George F. Gros, Stanley Randall, Frank Puskoris, David Curran and Sebastello Basilio. Welcome aboard, may you have pleasant sailing on the good ship #421. Our Junior Band has been increased to the extent that we are purchasing some additional instruments for the new members. Seems they learned to play in a short, short time and this must be a sign of good teachers. New uniforms are also on the docket and I think the Post will be real proud of them next year. Once again, we are scheduling memorial services at the Junior High School Mall for Veterans' Day at 10:30 A.M. All organizations who wish to participate are welcome to help us but please contact me in advance. There is still time if you wish to increase your knowledge of the art of ballroom dancing. Bill Eggerman has a new group coming up who will study the various dances under the tutelage of a professional team on Friday nights in our Victory Room. The

fee will be nominal, based on the number of couples who sign up for the 10 week course. Contact Bill for further information. Starts soon, so hurry and grab those dancing shoes and your partner. Let's all get behind the current membership drive and give our Commander a very pleasant surprise when he returns to our midst next month. Bring in those new members NOW and I haven't mentioned this before, but we are saddled with the highest quota ever for our Post, by the County Membership Offi-

cer. Let's show him we can do it. The winner of the Building Fund Drawing at the last meeting was Ephraim Colvel (but he wasn't present, so he's a loser). Thanks to Commander Hochbrueckner, Mike Ciadella, Artie Rutz, Al Carpenter, Jim Walsh, Mike Palladino, Artie Rutz, Bill Combe and Joe Slatery for cleaning and grading the grounds around our new building last weekend. The Dark Horse was won by P.C. Forrest Mason. That's all for this week.

LEGAL NOTICE

NOTICE

The resolution published herewith has been adopted on the 21st day of October 1963 and the validity of the obligations authorized by such resolution may be hereafter contested only if such obligations were authorized for an object or purpose for which Central School District No. 4 of the Town of Oyster Bay, Nassau County, New York, is not authorized to expend money or if the provisions of law which should have been complied with as of the date of publication of this notice were not substantially complied with and an action, suit or proceeding contesting such validity is commenced within twenty days after the publication of this notice, or such obligations were authorized in violation of the provisions of the constitution.

Mrs. Josephine Levy
District Clerk

BOND RESOLUTION OF CENTRAL SCHOOL DISTRICT NO. 4 OF THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK, ADOPTED OCTOBER 21, 1963, AUTHORIZING THE LEVY OF A TAX IN THE AMOUNT OF NOT TO EXCEED \$29,000 TO BE COLLECTED IN INSTALLMENTS, APPROPRIATING SAID AMOUNT FOR PAYMENT OF PART OF AN AWARD IN CONDEMNATION AGAINST SAID SCHOOL DISTRICT FOR THE ACQUISITION OF CERTAIN LAND AS THE SITE OF A LIBRARY BUILDING, IN PLAINVIEW, IN SAID SCHOOL DISTRICT AND AUTHORIZING THE ISSUANCE OF NOT TO EXCEED 428,000 SERIAL BONDS OF SAID SCHOOL DISTRICT IN ANTICIPATION OF SAID TAX.

Recitals

WHEREAS, following approval of the Proposition by the qualified voters at the Special District Meeting duly called and held in Central School District No. 4 of the Town of Oyster Bay, Nassau County, New York, on March 29, 1962, the Board of Education of said School District duly adopted the bond resolution on April 2, 1962, authorizing the issuance of \$711,000 serial bonds for the acquisition, by purchase or condemnation, of a certain piece or parcel of land, in Plainview, in said School District, as the site of a library building at an estimated maximum cost of \$190,000 and construction thereon of a library building at an estimated maximum cost of \$521,000, in anticipation of the tax therefor authorized to be levied and collected in installments pursuant to said Proposition; and

WHEREAS, pursuant to said Proposition, the amount of tax voted for the acquisition of said land is \$190,000; and

WHEREAS, pursuant to the provisions of the Nassau County Civil Divisions Act and the Nassau County Administrative Code, condemnation proceedings were instituted and title to said property vested in said School District on May 29, 1962 and a tentative decree dated August 9, 1963, was duly entered on August 9, 1963, in the Office of the Clerk of the County of Nassau, setting forth the damage awards made in such matter in the aggregate amount of \$254,000 plus interest at the rate of Four per centum (4.00%) per annum, pursuant to said decree; and

WHEREAS, the total amount to be expended for payment of the said award in condemnation, including such interest, for the acquisition of said site will exceed the amount authorized to be expended therefor pursuant to said Proposition and it is now necessary to provide for financing

that portion of the cost of acquiring said site which exceeds said amount authorized to be expended therefor pursuant to said Proposition, to the extent of 15% thereof, being a portion of said unpaid balance of such award in condemnation, including such interest by the issuance of bonds,

now, therefore, be it,
RESOLVED BY THE BOARD OF EDUCATION OF CENTRAL SCHOOL DISTRICT NO. 4 OF THE TOWN OF OYSTER BAY, NASSAU COUNTY, NEW YORK (by the favorable vote of not less than two-thirds of all the members of said Board) AS FOLLOWS:

Section 1. Central School District No. 4 of the Town of Oyster Bay, Nassau County, New York, hereby authorizes the levy of a tax in the amount of not to exceed \$28,000 to be collected in installments in such years and in such amounts as may be determined by the Board of Education of said Central School District No. 4 of the Town of Oyster Bay, Nassau County, and hereby appropriates said amount for the payment of part of an award in condemnation pursuant to a determination of the Supreme Court of the State of New York, the tentative decree thereof dated August 9, 1963, having been entered on August 9, 1963, awarding the sum of \$254,000 plus interest at the rate of Four per centum (4.00%) per annum to the owners of the certain piece or parcel of land containing 2.922 acres, more or less, fronting on the south side of Old Country Road and bounded by the easterly line of Joel Place, the northerly line of Helen Avenue and the westerly line Carol Place, in Plainview, in said School District, heretofore duly designated by the Board of Education of said School District and authorized to be acquired, as the site of a library building at an estimated maximum cost of \$190,000, pursuant to the Proposition approved by the qualified voters of said School District at the Special District Meeting duly called and held on March 29, 1962, said amount of \$28,000 being not more than 15% of said estimated maximum cost, all as hereinabove referred to in the Recitals of this resolution.

The estimated maximum cost of said specific object or purpose, including said appropriation and preliminary costs of surveys, maps, plans, hearings and costs incidental thereto, including but not limited to legal fees, printing, publication of notices, taking of title, apportionment of costs, interest and the financing thereof, is \$280,000 and the plan of financing includes the issuance of serial bonds in the aggregate principal amount of not exceeding \$218,000 and the payment of the balance of said cost in accordance with statutes made and provided therefor and the levy and collection of the tax herein authorized to pay the principal of said bonds and the interest thereon as the same shall become due and payable.

Section 2. Serial bonds of said School District in the principal amount of not exceeding \$28,000 are hereby authorized to be issued pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York, to finance said appropriation.

Section 3. The following additional matters are hereby determined and declared:

(a) The period of probable usefulness of the specific object or purpose for which the bonds authorized pursuant to this resolution are to be issued within the limitations of Section 11.00 a.21 of said Local Finance Law, is thirty (30) years.

(b) The amount of the portion of said award in condemnation hereinabove referred to which

Arrange Supper For Mercy League

The Glen Cove - Hicksville League of Mercy Hospital will hold a Smorgasbord Supper using a Thanksgiving theme, "Come to Grandma's for Some Good Home Cooking". The supper will feature some of the famous recipes from the Mercy Cookbook, plus an elaborate buffet table. It will be held Sunday evening, Nov. 17 at the newly modernized American Legion Hall, 24 E. Nicholas St., Hicksville. Admission will be

\$1.75 for adults and 75¢ per child, up to 12 years old.

Tickets may be obtained from Mrs. Barney Averano, WE 8-2982; Mrs. Frank Franzese, WE 1-4378 and Mrs. Richard Lunch, WE 5-4438. Tickets will also be available at the door that evening.

The first Smorgasbord buffet sponsored by the Mercy League was at the American Legion Hall a few years back and it was at that time that the Mercy Cookbook was introduced.

AND USUALLY DOES... There he was, with his head caught in between the back braces of a student's wooden chair. How he got into this predicament is anybody's guess and getting him out looked like a simple task. "Hold his ear back and pull", said one helpful soul but it took a little more than ear bending to accomplish the task. Finally Head Custodian, Frank Schultz of the Nicholas St. School arrived with a saw. Supt. of Bldgs & Grounds, Bill Becker did the carpenter chores and Principal Bob Wheatley removed the brace. It was all part of a day's work and came under the heading of "Things I learned, at school today. Could be that the lesson learned at school today. Could be that the lesson learned by Little Dennis Wolf, 3rd grade student at Nicholas was one of "chairdynamics" or "open backed chairs can be fun." Things were a bit tight there for awhile but except for a wee bit of injured pride and a slight case of "sawdustitis" Little Dennis returned to his class unscathed.—His teacher Barbara

Herbst probably saw things in a far different light—"I'm requesting a tool kit for next year's budget" she said.

Clark Jayvees cool Mustangs—it happens every fall at just about the same time. The Cornets have all buttons on, GO and that ole dibbly Clarke short circuits the operation. "But who's to say we didn't go down fighting" said head coach Bob Tricka. "The fumbles killed us." That in a nutshell, was the story behind last Tuesday's 19-6 win by the

Clarke JV's. A short shovel pass by Glen Olsen, intercepted by Clarke and run back for a 60 yard touchdown was the clincher. Hicksville's lone tally came as a result of a blocked kick by defensive end Danny Horan. Horan hit pay dirt in the first quarter. Look for the locals to be away this Saturday AM vs Syosset. The Hicksville defensive line rates the top spot in Section I circles and shouldn't be bypassed. You'll see some real fine football in the games ahead.

HI NEIGHBOR

If you are a newcomer in the Jericho-Plainview area, you may look forward to being greeted by our local Hi Neighbor representative.
