### Episcopal Choir Prepares Album

The 18-voice choir of Holy Trinity Episcopal Church, Hicksville, has recorded a stereo record of Christmas hymns and carols, entitled "A Holy Christmas from Holy Trinity". The Columbia record, featuring such selections as "Adeste Fideles", "Angels We Have Heard on High", "Rosa Mystica", "Greensleeves" and "Joy to the World" and many more, was recorded under the direction of Robert E. ### Basic Training

Charles W. Dehnert, 19, son of Walter C. Dehnert of 54 Chestnut St., Hicksville, is undergoing basic training at the Naval Training Center, Great Lakes, Ill.

RIISING COST of college education is dramatically illustrated in this chart now on display in the window of Edwards & Hanly's main office in Hempstead. Bert G. Edwards (right) of Garden City, managing partner in the Long Island-based investment brokerage firm which recommends an investment plan to meet these costs, points to figures showing that yearly college costs have risen from less than \$1,000 in 1940 to over \$2,600 in 1963. His interested listeners are (left to right) Dr. Harold Warren, chairman of Hofstra University's Division of Business; Albert H. Jacobs of 142 Ninth St., Hicksville, manager of Edwards & Hanly's Hempstead office; and Warren Eichelberg, Adelphi Vice President in charge of development.

Focal point of the referendum is question no. 1 which embraces all the building projects for a total bond issue of \$1,595,000. Since the State of New York will reimburse the school district for approximately 62.8 percent of the debt service cost, the district's share of the bond issues will be \$589,805.40 according to a spokesman.

The other two questions are (a) authority to demolish some old and unsafe buildings on the high school site, and (b) acquire nearly three acres of land adjacent to the Willet Ave. school site.

The support of the Hicksville Classroom Teachers Assoc., TEACH and several Parent Teacher Associations.

The vote on Saturday will be officially tallied by the Board of Education in the student cafeteria of the High School starting at 9 PM.

## Resident Seeks Financial Help For Haiti Storm Victims

Residents of the community are being invited to contribute to a fund to assist the 60 orphan children in the Sunshine Home in Petionville, Haiti, obtain a home to replace the one that was swept away by the terrible hurricane in October.

The task of assisting Doris Burke and her Sunshine Home has been undertaken by Charles E. Tallman of 37 Charles St., Hicksville, who was a neighbor

of the Sunshine Home and became acquainted with its important work while he worked at Haiti for nearly two years as a well driller with C.W. Lauman & Co. of Bethpage.

Mr. and Mrs. Tallman received this pathetic letter: "Sad greetings from Haiti. We were all nearly washed away—thousands of dead; no end of naked and hungry people now. The storm was terrible. God took us to task. We are so careless about his will. Humanity is in a deep rut."

"I thank you for the gift you sent. It was so helpful to us. We would love to see you folks

again. I was so touched with the kindness expressed in your letter....Our big problem right now is a house. We are staying in friends' houses, divided up. If you could tell your friends our story maybe they would give you subscriptions on our behalf so we could rent a house. We have one in view but no finances. I know you will do your best for us. Kisses for the children and love to you all. We think of you often. Good luck and God bless you." (Signed) DORIS BURKE.

A treasurer will be named during the week. Contributions may be made payable to the Sunshine Home Fund and sent to the HERALD 225 Broadway, PO Box 95, Hicksville.

The party was given by their four children: Mr. and Mrs. Henry Rose of Lindenhurst, Mr. and Mrs. Sebring Baldwin of Westbury, Mr. and Mrs. Charles Becker Jr. of Hicksville and Mr. and Mrs. Frank Wagner of Westbury.

Mrs. Frank Sotallaro; Recording Sec. Mrs. William Alonge; Corresponding Sec. Mrs. Julius Schwartz; Historian Mrs. James Matthews and Sgt. at Arms Mrs. Max Niedlich.

The club will hold its annual Christmas Party on Wednesday, Dec. 18 at the Terremar Restaurant. Call Mrs. Julius Schwartz at WE 1-8513 for information and reservations.

### Newsboy Reports Home on Fire

Ronald Miller, son of Mr. and Mrs. Edwin Miller of 86 Woodbury Rd., Hicksville, was on his newspaper route with a friend, Richard Scheidel, when they saw fire break out in the home of Mr. and Mrs. McNulty at 38 Smith St., Hicksville, this week. They ran to neighbors on Smith St. and called the volunteer firemen who extinguished the place.

The D & E Trailer rentals on Woodbury Rd. provided the McNulty's with a trailer in which to spend the night.

### Move PO Annex As Volume Gains

The Hicksville Post Office incoming and outgoing mailing units will move to a new Annex at 10 Commercial St. off New South Road on Dec. 1, according to Hicksville Postmaster Irene L. Murphy. The new facilities have been made necessary by a continuous increase in mail volume particularly parcel post. It replaces the annex on Daffy Ave.

In accordance with the Nationwide Improved Mailing Service the postmaster urges business firms to continue to mail early in the day. The new Annex has

a loading platform and improved facilities for receiving mail, although no window service will be available. All permit bulk mailings must still be brought to the Main Post Office on North Broadway.

The Postmaster stressed that occupation of the new Annex on a short term lease will in no way interfere with plans for the new facility on West John Street. All of the operation of the Post Office will be under one roof when the West John Street building is completed in approximately two years.

# Dear Lynda:

Those who attended the Woodland Ave. PTA meeting last week were astonished to find circulars stuck under their windshields urging the election of Wagner, Hester and Marth for the election held last May 14th. The Committee for Honesty in Paid Education took credit for having the material printed and must have produced an overabundance. The connection with the Nov. 23 referendum entirely escapes us. A separate mimeographed sheet signed "Freedom in Education" carried this warning: "Beware of future building plans". . . . All very confusing. . . . We hear that Councilman EDWARD POLLIS of Syosset will be the spokesman for the Republican Oyster Bay Town Board when Democrat MIKE PETITO of Plainview takes up his duties as supervisor on Jan. 1. . . . DELIA ZELENKO of 3 Sari Court, Hicksville, was among 37 Hofstra University full-time undergraduates honored at a recognition dinner on Nov. 19. . . . DIANE ZETTLER, now a student at St. Joseph College in Emmitsburg, Maryland, writes to say she appreciates the opportunity to keep in touch with the home town thru the weekly issues of the HERALD. . . . EVELYN SCOTT celebrated her first birthday on Tuesday of this week. Many happy returns. . . .

HEY KIDS: Santa will be present in person at Hicksville Theatre next month in a program sponsored by the Chamber of Commerce. There will be free gifts, movies and special treats. . . .

MADELINE FRISCHMAN of 7 Hemp Lane, Hicksville, was among 23 Hofstra student leaders selected for listing in the 1963-64 "Who's Who Among Students in American Universities and Colleges". . . . Somebody said this week the Farmers' Almanac predicts snow for Thanksgiving Day, Nov. 28. . . . SIDNEY H. GUBER who resides at Friendly Lane, Jericho, with his wife, Elaine, and their three children, was a guest lecturer yesterday (Wed.) at Queens College, Flushing in the Radio-TV Seminar. He is a veteran of more than 15 years in the radio-TV industry. He was recently selected for membership in the Broadcast Pioneers. . . . Local Selective Service Board No. 3 has changed its address to the Sealing Building, 161 Great Neck Rd., Great Neck, a block south of the LIRR Station. Office hours are 8 A.M. to 4:30 P.M., Monday thru Friday. . . .

Belated birthday wishes to JOYCE QUINN of E. Carl St., who celebrated her natal day last Thursday. Hope this coming year will prove to be one of the happiest yet. Her son, Sean, still at Nassau Hospital, underwent surgery Monday evening and is coming along nicely. He wants us to thank the many friends who sent cards. His schoolmates at St. Ignatius sent a shower of cards and gifts Monday afternoon just before the operation and they certainly came along at the right moment. . . . We also want to send get well wishes to LORRAINE CORCORAN of Jerusalem Ave., who also underwent surgery at Nassau Hospital, Monday. . . . Also get well wishes to JOHN HENNEBERGER of W. Nicholas St., recuperating at home after an accident. . . .

## HELEN OLYNIK MALYK

HICKSVILLE -- Religious services were conducted by Mr. Truman Merchant at the Henry J. Stock Funeral Home Thursday evening at 8 P.M. for Helen Olynik, Malyk of 25 Chestnut St., here, who died Nov. 12. The funeral was held Saturday at 10 a.m. with interment at Plain Lawn Cemetery.

THE 120-PIECE MARCHING BAND of Hicksville Junior High School, as it appeared on Memorial Day under the leadership of Henry Gates, extreme left, represents only a small portion of the musical students of Hicksville schools of today. Charles Gousse, supervisor of instrumental music in the schools, estimates 23 per cent of the elementary students in the 4th to 6th grades are in the musical program. The group provides an interesting contrast with the 1926 High School orchestra of fewer members published elsewhere on this page.

## Around The District

By Joe Koerner

SHADES OF CLARKEN? What a way to tap out," mumbled a loyal member of the Comet entourage as he all but suffered a violent siege of "esophagitis" watching Plainedge roll for its 3rd successive, 1st down. They had goal to go, with 7 yds remaining and there wasn't a Hicksville rooster present who didn't figure this score to be as certain as death and taxes. The Comets were leading, 13-7 with but a scant 50 sec. on the clock. A 7 yd hit by the "Bonedimemen" would knot things up and a kicked point would spell disaster. It was the "Clarke Comtdown" all over again. But then suddenly, the unexpected happened. The Comet linemen, led by the likes of Santo Cafora, Cliff Giles, Pete Martin & Co. hit Plainedge's ace halfback, Tony De Santis, with a tito, roundhouse and the ball he was totting shot skyward like a chicken plucker at a turkey shoot. Transient Comet end, Vin Hoosack, taught to grab anything that's in orbit, gobbled up the errant pigskin and raced 45 of the best yards in Comedland's long and glorious history. One play later the game ended and Hoosack was tossed around like the football he had carried seconds before. "And that was that," said the guy who had predicted a shortcount for the "Edgemens." They had been bounced from the undefeated ranks and it took a mighty good halfback to fulfill this mission. Now, it's a 3 way tie between Plainedge, Clarke and Hicksville in the Section I Derby and from where we stand things won't change.

"But games like this last one should be verboten for local grid buffs over 40," says us. GAME HI-LITES... if opinions mean anything, our vote for the "Player Of The Day Award" goes to the "Vitalis Man" of Comedland, halfback Charley Triola. He gives it a 60 minute workout on all occasions and this was truly his finest hour as a Comet. On offense he picked up his usual 50 to 60 yds. On defense he came up with a half dozen key tackles, including the pair of big ones that kept the Comets in the ballgame. On the 3rd play of the ballgame, Plainedge's halfback, Joe Cirelli was headin' for home with nothing but the goalposts in his way. Triola came out of nowhere and dropped both Cirelli and a pair of blockers on the Comet 20. In the 2nd half he repeated this bit on O.B. Joe Brestlin and snipped another Red Devil's score in the bud. And as

we've said on a number of occasions... "Give us 1 of the breed of this youngster and there wouldn't be a team on the island could touch us. Also chalk up another 7 points for the blockbuster of Hicksville High. They tripled up on him in the first half and Coach Jim Grantham kept him under wraps until the 3rd quarter, figuring Plainedge would concentrate on Damm, Schuster & Triola. They did and after H.B. Steve Schuster picked up 8, followed by 7 and 1st down for Triola, Westlake went to work. The King Kong of the Comet Coliseum exploded for 7 to the 7 yd line. He went over for the touchdown like a bull in a china shop, and repeated for the point with the same maneuver. And talking about bulls... Who's to deny that linemen Cliff Giles and Santo Cafora didn't come out with the scars of battle, in handling old #45, 260 lb. Plainedge guard, Dan Murra? All three were outstanding in this action. They were the backbone of a defensive, "Domeybrook" that saw the Comets get possession on 6 Plainedge fumbles. The Plainedge runners weren't tackled this day—they were bombarded and last but by no means least, that 2nd Comet marker was a weirdly pulled straight from Jim Grantham's "Halloween bag of tricks." This one featured Bruce (Y.A. Tittle) Damm, faking a long pass and then taking off on a romp toward the left side. From where we stood, Vin Hoosack, the only possible receiver, had his back to the Hicksville quarterback but Damm rifled one anyway. And then what happened shouldn't happen to a loyal Comet grid aficionado who gets occasional ticker strums. From behind Hoosack, up come "Old Glue Fingers" Bruce Cerone for the stiffest loft job in Comet history. With Hoosack as the front man, Cerone clips off a 35 yd. run for the score. All in all, another great ballgame by a pair of ballchicks that come a better. They'll be remembered long after the cheers have died away. Look for the locals to frashimmedl Farmingdale, this Sat. (At home) After that it's another home date, (the season's finale) vs Division Ave, on the 23rd. Look for the Comets to bag both wins. This column, a little redundant perhaps... But how can a dyed in the wool football bug, not one thing and report the opposite. So for the guy who wants to skip the last two pages — THE COMETS WON 13-7. SO WHO WAS THERE. AND WHAT'D THEY HAVE TO SAY. DEPT... "The Comets never lose a ballgame, when I'm here," said Hank Goldmann. "Kill the refs," yell Howie Plamenag. "Don't move those sticks, until the refs say so," stormed Eddie Westlake. "Who's got the ball now?" bleated Andy Kockler and Norm Mosemann as they turned their backs on the action, like an old homeplayer who has a C note on a photo flash. "Everybody out," snapped Plainedge coach, Gene Bonelli in the locker room after the game. "And I mean EVERYBODY," he repeated after he noticed the pencil in our hands. How could we tell him, we just came in to catch

our hair. And then of course, there were the other assorted members of the C.R.F. who wouldn't miss a Comet football game if their own houses were on fire.

DISTRICT SPORTSBEAT... Chalk up an "ALL-COUNTY RATING" for little Rich Medina the star center forward for the Varsity Soccer team. Paced by the Medina brothers, Rich and Gus, top scorers for the locals, the Comets came in with a 2nd place league finish. Picking Rich for a spot on the All County team came as a direct result of his 8 goals for the season, plus his all-around playing abilities. Look for this youngster to again make a name for himself on the Lacrosse field this fall. JR. HI-LITES... "Atom" coach Bud Bryan and his Jr. Highwaymen knocked off the season with a 3-1-1 record; good for a 2nd place finish in the league. Salk stopped them in the finale 12-7. Scorers for the locals were Jeff Dolittle on a 3 yd sneak and Mike Massella for the point on a pass from Dolittle. The other game of the week was an 18-7 win over Clarke. Massella scored on a pass from Denny Marrow... John Dimaj hit for the deep six on a 5 yd. tackle sneak and Murray closed up the shop with the 3rd T.D. of the day with a long pass from Dolittle MUSTANGS TIE PLAINEDGE... A hard fought 13-13 tie was the end result for the J.V.'s last weekend vs the Red Devils. They'll be away for the last 2 games of the season against Farmingdale and Division Ave. Look for tomorrow's Varsity to duplicate the feats of their elders or in short a 5-2 season. Scorers for the locals vs Plainedge were, Sal Pascarella and Pat Argento, quarterback Glenn Olsen scored the point.

GOOD LUCK TO — Our good friend and co-worker, ANDY KOEHLER... Loyal member of the Comet Rooting Fraternity and charter member of the "Knot and Board" Division of School Dist 17. He finally made his way into the "Comet Rooter Rest Home" in a quiet wing of Manassaque General Hospital. A checkup and possible operation will be his lot in the days ahead... His many friends wish him a speedy recovery...

## Reader Opinion

### CENSORSHIP?

To the Editor: At the public hearing at the Hicksville High School on Nov. 12 which the Hicksville Board of Education held in regard to the building program, the Hicksville Parent Teacher Associations in general and the Woodland Ave. PTA specifically were accused by Mr. George Martin of practicing censorship. He stated that Mr. William A. Bruno Jr. was not being allowed to speak at the Woodland Ave. PTA meeting to be held on the following night, Nov. 13th in regard to the referendum, that written questions from the audience would be screened and that our PTA was practicing censorship to suppress the opposition. Mr. Bruno has also made statements claiming that he has been denied the right to speak. He

HICKSVILLE HIGH SCHOOL orchestra rehearsing in the auditorium of the then new high school (present Junior High) on Jerusalem Ave. about 1926. The musicians included Florence Stolz at the piano, William L. Geyer on trumpet, William Frost with banjo and violinists Harold and Irene Simon, Dorothy Stolz, Abe Israelowicz and others. Margaret Hay was then music teacher and probably is leading the group. Six people submitted the correct answer.

agreed with Mr. Martin's statements at the public hearing. After the public hearing he even telephoned a reporter on the Long Island Press and an article appeared in that newspaper the next day saying that Mr. Bruno was not being given an opportunity to speak as a member, but he was going to try to speak anyway. As the school and community relations chairman of the Woodland Ave. PTA and a member of its executive board, I feel that I want to set the record straight as publicly as Mr. Martin and Mr. Bruno have made their false statements and innuendoes.

In September Mr. George Jackson as president of the School Board sent a letter to all PTA units advising us of the forthcoming referendum and offering the services of Board members and administration personnel to supply our membership with information concerning the building program. At our subsequent executive board meetings this letter was discussed. We decided to have an informational meeting on Nov. 13th inviting Mr. Jackson as president of the Hicksville Board of Education to be our speaker of the evening to present the Board's views. After the formal presentation we were going to have written questions answered by the speakers followed by an open discussion period with a three-minute limitation on statements from the floor. The purpose of this format was not only to give all members an opportunity to hear the proposals but to make sure that people who preferred to write questions rather than get butterflies standing up could do so. Anyone who preferred to speak from the floor could also do so, all within a sensible closing time for a PTA meeting. Mr. Bruno did request special time as a speaker to present another point of view. This would not be in accord with the School Board's code of ethics which expects each member to uphold the decisions of the majority. There-

fore we could not properly invite Mr. Bruno as an opposition speaker. He was sent a letter in reply, informing him that we already had a guest speaker for the evening to present the Board of Education's proposals to our membership, and that he, as a member of our PTA, was invited to attend the meeting, ask any questions, and participate in our discussion as all members were entitled and urged to do. Instead, we became subject to the abuse of being publicly accused of a censorship that was in no way intended and a screening of questions that was in no way planned.

And what happened to Mr. Bruno's participation in our information meeting on Nov. 13? And Mr. Martin's, who is also a member of our PTA? NOTHING. After making a vote to demand his right to be heard, Mr. Bruno did not attend our meeting. Neither did Mr. Martin. The truth of the matter is no one denied anyone the proper channels to bring out their points of view. Mr. Bruno, as a member of the Board of Education, can assert his views at their meetings. As a member of the Woodland Ave. PTA, he had a right and a duty to attend and participate in our meeting. The Nassau District of PTA's sent a representative to observe that proper consideration was given to all members. If Mr. Bruno feels that his voice was not heard at our PTA meeting, it is because HE did not choose to be there.

## Holy Family Tops St Ignatius

The Holy Family Red Crusaders "B" team conquered the St. Ignatius Yellow Jackets "B" team by the score of 13-7 on Nov. 17. Under the excellent passing of quarterback Steve Malone and the great pass catching of right and Joe Spect, Holy Family managed to down the Yellow Jackets on an all out effort for both teams. St. Ignatius penetrated deep into Holy Family territory, but was stopped cold by the crusaders "Big S" up front.

Holy Family's two scores came on one 20 yard touchdown pass from quarterback Steve Malone to right and Joe Spect. Malone threw the other pass to Spect again, this time it covered 30 yards and another tally. A third touchdown was scored by Dick Calabrese, but it was called back

by a clipping penalty. Spect stole all honors by catching two touchdowns, and a twenty yard pass interception return. Throughout the whole game Spect was fantastic, either throwing key blocks or hauling long bombs.

## Ten Pin Talk Students Portray Smoking Dangers

by Henry Dockswell

Our first position night was a huge success—for the Spooks. For the fourth time in five weeks they swept their opposition. They have now taken 33 out of a possible 35 points in this five week stretch. Their latest victims were Most Levine's 2nd place Spillers.

Once again Art Rosenthal, the Spook's big gun, came through with the much needed big arm. He threw a 207, his first 200 of the season, and gave impetus to the very important sweepover the threatening Spillers.

Art has become quite a bowler. Last year he finished with an average of 140. Then he and his wife Sonia took part in our summer league and there he seemed to find himself. He has consistently increased his average and this past week his best game saw him raise his average to the highest point so far, 159. This is by far the finest improvement of any man in the league. Incidentally, if you would like to know the team standings as each Monday night's bowling finishes, ask Art. He gets the greatest kick out of gathering this information, and hardly anyone realizes what Art is doing as he casually walks up and asks, "How did your team make out tonight?" But he jots it down and soon he knows the latest team standings.

The Spillers took this defeat quite hard, for they were the only team that had managed to keep pace with the Spooks. Capt. Mort and sidekick Sid Sachs have been doing yeoman service for the Spillers. Sid not only holds Hi Game honors with a 237 but he just increased his average another two points to take over the league lead for Hi Average with 169.

Lou Dershowitz, who fires cannonballs when he steps up to the line, broke into the exclusive club when he exploded a 203 and helped his jet teammates to a 5-2 win over Sol Rabinowitz's fair bowlers. All he did was bowl a 208—277—and a 215. The trophy he brought home, says his wife Honey, is the biggest one she has ever seen.

South Woods Junior High recently held its second annual poster contest on tobacco education. Students in Mrs. Baum's seventh grade art classes participated in the contest. Initiated by Mrs. Doris Robertson, school nurse, the purpose of the contest was to dramatize the dangers inherent in smoking.

Winners were: first prize, Diane Haworth; second prize, Mary Ann Hopok; third prize, Steven Fountain; honorable mention, Shelley Stahl. Winners were awarded gift certificates redeemable at "The Trading Post," South Woods school store.

## Creative Arts Drama Classes

If you were Little Jack Horner's thumb, how do you suppose you might approach that Christmas tree? Would you plunge in with the determination of a lifeguard diving into a pool? Would you skirt around it slowly and thoughtfully before testing it? Would you just skim the top very lightly to determine the nature of the pie...whether it's firm enough to withstand your weight or so gushy that it would simply collapse if you plopped into it? These might appear to be strange and pointless considerations, but when put to first and second graders in Drama at the Jericho P. T. A. Creative Arts Workshop, they serve as a springboard to imaginative thinking and provide a basis for teaching character analysis.

"The manner in which we react is largely the result of the manner in which we are acted upon." When stated in these terms this is rather a mature and complicated concept. But when youngsters are asked how it must feel to be a pie under invasion by a thumb, they are able to understand that the answer would depend not only upon the kind of pie they are, but also upon how

(Continued on Page 10)

Now hear this! About two weeks ago Leo (the Lion) Geyer found himself in a Queens bowling alley competing against some pretty fair bowlers. All he did was bowl a 208—277—and a 215. The trophy he brought home, says his wife Honey, is the biggest one she has ever seen.

When I saw the notice for the Scholarship Fund Musical called "S.R.O." I immediately sent my little mouse to sneak into rehearsals and report back to me. According to his report "S.R.O." stands for "Standing Room Only" and I think it will be just that. There may be raised eyebrows enigmatically when you see the beautiful teachers sing and dance as such talent is unbelievable. Why oh why didn't we have teachers like that when we were children. Your response to the show after the last curtain goes down will be reduced to a loud whisper, "WOW!" The writers and directors, Phyllis Forman and Arnold Hruska, have outdone themselves this year—if that is possible. You will be doing yourself a grave injustice if you miss this show.

Speaking of talent—do you know that we have a celebrity from Fall Lane? Audrey Cohen has auditioned and been accepted in the Fred Berk Israel Dance Troupe of the 92nd street "Y." She will perform with the troupe at the 92nd street "Y" on Dec. 8th and at Carnegie Hall on March 22nd for the "Folk Dance Festival."

I'm sure that all the friends of Dan Sirota of Merry Lane will be happy to hear that he is home from the hospital and is well on his way to recovery. We all wish you good health, Dan.

Flash! We have another family living at number 13. They are the Lovier's of 13 Hightop Lane. Is there anyone else who lives at number 13? Who knows, we may have enough to start a 13 club.

How would you like to go on a four months vacation trip to Arizona? That's what Milly Sloan of Hedgerow Lane is going to do. Sorry if you thought that I was extending you an invitation. Have a pleasant stay and a safe journey Milly.

I would like to correct a typographical error. In my last column I stated that Barbara Kahn has been accepted into the University of Rhode Island. It should have stated that she had an early acceptance into the Rhode Island School of Design.

The Jericho Chapter of Hadassah requests your presence at a Luncheon-card Party to be held at the Golden Meadowbrook on Wednesday, Dec. 4th, between the hours of 11 A.M. to 4 P.M. The proceeds of this luncheon are to be used to purchase critically needed hospital supplies for the Pediatric Division of the Hadassah Medical Center. Cost —\$2.95.

The favour of your reply is requested by: Harriet Liebowitz —Wells 1-5351 or Diane Eder—Overbrook 1-2438.

Anniversary greetings to Sylvia and Joe Mattes of Merry Lane.

## President's Corner

By Horace Bernstein

I was deeply shocked and disturbed by a report given to the Board of Directors of our Civic Assoc. by the Jericho Education Committee.

During the past months there has been a great deal of vandalism at the Jackson School in our own community. We have heard of this sort of thing happening in other places like New York City, but here in the middle of our own homes! To date the damages has been to the extent of almost \$1000.00 This consists of broken windows, doors and lockers forced open, teacher's desks, ruffled and just general vandalism. These acts, we have been reliably informed, are caused not by teenagers, but by 8,9 and 10 year olds. Have we reached the point where these little children, who come from a better class of homes, are acting like common street urchins?

It must be realized that the cost of these repairs comes out of your pockets, the pockets of the home owners. You are in effect paying a double tax. Once for the original cost and then the replacement.

It is the feeling of the board of directors and the School Board that the only way to curb this destruction is to make it hard on the child and the parents of those who are caught in the act, if there are to be further acts. The solution is to see to it that the individual parents pay for their child's acts. This is the recommendation we on the Board of Directors are making to the School Board and the authorities. I hope that these past acts will be the last and that the parents impress upon their children the great wrong they are doing and this is not the sort of thing that is done for a lark and without any consequences.

While still on the subject of the Jericho School Board, we have been informed by them, that the Meadow Brook Club which is now situated in Jericho, is seeking to annex themselves to the incorporated Village of Brookville. It would appear that the intent is then to sell the club and have the acreage downsized for private homes. If this is accomplished the homes would be in Brookville, but the Children's SCHOOLS, You visualize what this will do to the district. Many schools will have to be built and the taxes, there will be no end.

As President of the Civic Assoc., I am attempting to call a special meeting of the school board, town and county officials as well as other organizations to see what if anything can be done to prevent this. You will through the Villager hear more as we gather the information.

Lane; Also to Dolores and Sid Freed of Maiden Lane. Birthday greetings to twins Howard and Bruce Belodoff; also to Ronald Liebowitz and Arline Livingston. Let's not forget Walter Sugarman's birthday.

The Jericho Players wish to thank Marty Karpel for a job well done in replacing Chuck Kibel the last minute in the play "The Caine Mutiny."

Come on folks. My phone is waiting to hear from you on weddings, anniversaries, birthdays, and any other news bits. Don't you like to see your name in print?

That's all for now!

## Jericho Bowling World Series?

By Ralph Diamond

Bowling has become the rage in Jericho. Almost every organization in our area has a bowling league. Men, women and children of all ages, tall or short, fat or slim, are competing for first place, high game, high series etc. As the season progresses, tension increases and the excitement grows till one day at the end of the season the various categories will have a winner and an appropriate plaque awarded at the social affair of the year.

The thought entered this writer's mind that with all of the Jericho organizations competing each within its own league, perhaps it might be exciting to have a world series of the winners of each league to determine the Jericho Bowling Championship. The writer firmly believes that interest would be so great in this championship competition that tickets could be sold with the proceeds going to a scholarship fund.

If any organization thinks the idea has merit, to contact this writer at OY 1-1283. In the event organizations like the idea, a committee will be formed to work out the details. "The Villager" will keep you informed as to the response.

## Sullivan 5th, Scanlon 33rd in State Run

To a broken-down horse player, a 5th or 33rd place finish leaves a lot to be desired. . . But not to Cometland's crack x-country runners, Pete Sullivan and Tom Scanlon. Both were youngsters, with a definite purpose, this past season. They were out to get their names in the record books and as a result fell just 8 and 41 seconds, short of hitting the JACKPOT of schoolboy, X-Country events.

Sullivan's time in the Class A (Howard B. Wescott, Memorial Invitational) run, held last Monday on the rugged 2 1/2 mile, Bear Mt. State Park course, was a sparkling 12:22. . . just 8 secs.

off the winning pace, set by Jim Nichols of White Plains, Nichols, in taking the Class A, New York State Run, finished with a clocking of 12:14, good for the top banana role in the State. Sullivan rated the 5th slice of the pie (topping all other L.L. runners) and Scanlon the 33rd, in heating out a total of 97 harriers. They come no better than these wasp waisted, barrel chested, 18 yr. old youngsters.

Their other achievements of the season, included pacing the Comets to a Division I title, a North Shore Championship, . . . a 2nd place Section VIII finish (All County) and finally an in-

itation to compete for the Class A, State Championship. . . The rest is history. Sullivan broke two records this year (both in the N. S. Championship run). One at the Great Neck, South course (time 12:35.4) and the other at the new shortened Bethpage State Park course (time 11:56). Scanlon ran 2nd to Sullivan in both events. 2 secs. off the pace at Great Neck and a clocking of 12:13 at Bethpage. Another top Comet harrier, coached by Fred Recher, finished 16th in the Section VIII event. Sullivan finished 5th and Scanlon 11th.

Now... for people who'd buy a Le Mans hardtop if there were one—

there is one.

"If only the Le Mans had a 6," someone said. Ahem! The standard engine is now an in-line 6 of 140 horsepower, with a pair of extra-cost V-8s for added muscle if you want it. "If only the Le Mans were just a little bigger." And so it is. Bigger—on a new 115" wheelbase—and roomier. (And speaking of new, that's what the body and brakes and

frame and suspension and steering and wheels and most other things are. Good and new.)

"If only the Le Mans came in a hardtop," someone else said. There's a planned coincidence for you. It just came. And now that we've wiped out your last possible excuse for not buying a Pontiac Le Mans, how about it?

gently or violently the thumb approaches them.

The man who puts techniques like these into practice is Arnold Hruska who, in addition to serving as Speech Correctionist in the Jericho School System, has an extensive background in the field of drama. In discussing his teaching methods, Mr. Hruska stresses two essential factors which he believes must be established to set the proper climate for learning. These are Love and Discipline. As he explains it, we want to perform because we like to please others, to please ourselves and to share ourselves with others. Since sharing is a two-way proposition, discipline follows naturally. The youngsters learn, for example, the importance of being a good audience while watching others perform.

When we asked Mr. Hruska how he handles the problem of a shy child, his reply was immediate: "I have no shy children." He then proceeded to demonstrate how he employs lively group participation as a means toward overcoming self-consciousness.

Some form of audience presentation is being planned for each of the three grade levels of Workshop drama classes. These presentations will have no star performers, nor will any small roles be included. Everyone will be given the opportunity to contribute something important.

John P. Manzione, 17, son of Peter J. Manzione of 99 Miller Rd., and Paul T. Fiedler, 18, son of Mr. and Mrs. Paul W. Fiedler of 56 East End Ave., both Hicksville, are undergoing basic training at the Naval Training Center, Great Lakes, Ill.

**E**very American has something to be thankful for

The first Thanksgiving, in 1621, was a prayerful feast — to celebrate the fine harvest that had followed a winter of terrible privation and endurance.

And still today, Americans pause amid our plenty, to reflect a thoughtful moment, to give heartfelt thanks for the many bounties and fruits that have become our natural heritage in this abundant land.

## Legionnaire's Log

Charles Wagner Post  
No. 421, Hicksville

BY ARTIE RUTZ

Naturally membership is a big topic these days around the Post and around the county and I'm happy to report that we have already made our 1964 County quota and we're just beginning to zoom! Since last week I can report that William G. Waldinger, John A. Oliva and Clarence E. O'Neill have joined our ranks. Welcome aboard fellows! Seems like the Color Guard's plans to attend the National Convention in 1965 scheduled for Philadelphia have gone up in smoke as I get the word now that Philadelphia has withdrawn its bid and the con-
