COMMUNITY WIDE APPEAL:

School Board Solicits Help to Curb Bomb Scares

The Hicksville Board of Education this week threatened to cancel the senior high school winter recess the week of Feb. 10 and may even extend the school term beyond the usual closing date in June unless bomb scares cease. In an open letter being sent to all residents, the Board revealed there were 15 bomb scares during November and December, one of which involved the junior high.

The person (or persons) telephoning the high school to report a bomb planted and ready to explode, according to the School Board, is some kind of a nut. "To bring the perpetrator to justice," the letter states, "various steps are being taken by the Administration, police authorities, and the Telephone Co. As far as your Board is concerned, this is no game that's being played — it is far more serious than that. The perpetrator will receive the full penalty of the law," the Board promised, promising of course he or she is apprehended.

"As a result" of the bomb scares, "our educational program has been interrupted and the children have been subjected to unnecessary exposure to inclement weather."

The letter calling upon all to consider it "their civic duty to come forth with any evidence that may lead to the arrest and conviction of the perpetrator" represents somewhat of a departure from previous policy regarding bomb scares which have been plaguing many school districts. In the past, it had been felt by some authorities that the less publicity given to such alarms, the better.

The procedure for handling a bomb scare is roughly as follows: a phone call is received, warning of a bomb in the school building. Before an attempt to identify the caller can be made the call is

Guest Soloist

SEYMOUR BENSTOCK will be soloist with the Hicksville Community Symphony Orchestra on Friday evening, Jan. 10th. The concert is at 8:30 P.M. in the auditorium of the Hicksville Senior High School.

Benstock was chairman of the cello dept. at Hartt College of Music. In addition, he held the post of solo cellist in the Hartford Symphony. At present, Benstock is a member of the Hofstra University Music Faculty, where he serves as professor of strings and chamber music. He will be heard in the Dvorak minor 'Cello Concerto. Admission to the concert is free.

HICKSVILLE ROTARY is again offering to "stand in line" for folks who want to get their 1964 license plates and pay a \$1 fee for the convenience. Twenty-one locations have been posted where plates may be ordered. County Clerk Francis G. Anderson displays his plate (center) to William Payoski, at left, chairman of the license plate project, and Peter Amaroso, president of Rotary Club. A trailer headquarters for the plate sale will be set up on the Meadow Brook Bank property on Jerusalem Avenue opposite the Motor Vehicle office. (Photo by Rotarian Frank Mallett)

TOO MANY DELAYED:

19 Percent Increase In Christmas Mail

The Hicksville Post Office and its Plainview branch experienced a healthy increase in Christmas mail this year, more than 19 percent over 1962, according to Acting Postmaster Irene L. Murphy. Regrettably, the majority of people did not mail early and the Hicksville Post Office handled almost a million pieces of mail on the peak day, Thursday, Dec. 19th, she said. By Monday, Dec. 23rd, 700,000 pieces of mail. Despite the substantial increase of volume, and illnesses among the staff, delays were kept to a minimum.

A bright note was struck by the more than 200 ZIP coded letters addressed to Santa Claus by local youngsters. These future Postal patrons indicated in this manner their appreciation of efforts to speed the mails through mechanization. Each youngster received a complimentary card from Santa Claus. The children's letters were turned over to local service organizations for further action.

Dear Lynda:

We took a holiday last week, our first in many, many issues... Former Town Supervisor HARRY TAPP of Glenwood Landing is one of a five-member committee to serve as a Board of Ethics for the Town of Oyster Bay... STEPHEN J. POK, now of Ronkonkoma and formerly of Cedar St., Hicksville, has received \$59,333.33 as his share of the \$89,000 uncovered on June 2, 1960 by the blade of his bulldozer while clearing property on Cantigue Rd., Hicksville. The award was made by County Supreme Court in Mineola and attracted headlines all over the nation. The BILL STALEY and attracted headlines all over the nation. The rest of the money was to be divided between FRED J. GOUSE of Cantigue Rd., former owner of the property, and Skodnek Industries, present owners who bought it in 1960. The ratio was not disclosed....

ELERY H. BEAN, president of the Hicksville Board of Library Trustees, announces a meeting Tuesday night, Jan. 7, in the library to outline the proposed Mar. 7 referendum and to recruit support... Nasty driving conditions cut down on attendance at Town Hall on New Year's Day when inauguration ceremonies were held but it did not cut attendance at the Four Seasons where a reception was held for new Supervisor MICHAEL PETITO... Town Democratic leader EDWARD MORRIS of Hicksville was not present at either event. Someone told us he was ill. Author DON M. MANKIEWICZ, former town leader, was toastmaster....

DOROTHY CHRIST, daughter of Mr. and Mrs. John Christ of 172 Lee Ave., Hicksville, pictured in Bregezz, Austria, where she is attending a Wagner College Program. She left for studies last September and will return home in May. While abroad she has visited Paris, Lake Constance and other points. Comment with this picture says: "Note the cobblestones, a delight in heels and the motor scooter. Just as frequent as cars but less than bikes. And the stores never give paper bags, sometimes wrap items in newspaper. The box with the carrying string was a real luxury. Store window displays are prettier and more imaginative than at home, less crowded."

JOSEPH VELARDI

BETHPAGE - Joseph P. Velardi of 30 Laurie Blvd., here, died Dec. 19. He is survived by his widow, Dorothy (nee Choovers); two sons, Joseph Jr. and Richard A.; a brother, Dominic and two sisters, Concetta Chernega and Angelina Wixom.

He reposed at the Henry J. Stock Funeral Home until Monday when a Solemn Requiem Mass was offered at St. Martin of Tours R.C. Church at 9 a.m. Burial followed at Holy Rood Cemetery.

Mr. Felinz is survived by his widow, Pauline (nee Kelly); a daughter, Mamie Buckley, a son, Thomas C.; a brother, John and nine grandchildren.

ALBERT KNOP

HICKSVILLE - Religious services were held at the Henry J. Stock Funeral Home on Sunday evening for Albert Knop of 8 Cliff Dr., here, who died Dec. 27. Rev. Duncan M. Kennedy officiated. The funeral was held Monday at 1 p.m. with interment

at St. Paul's Cemetery, Elmont. Mr. Knop leaves his widow, Ethel (nee Meyer) and two nieces, Alvenia Jagnow and Bertha Laky.

ADELE M. BRACKEN

HICKSVILLE - A Solemn Requiem Mass was offered at Holy Family R. C. Church on Friday morning for Adele N. Bracken of 21 Apollo La., here, who died Dec. 23. Burial followed at Holy Cross Cemetery, Brooklyn, under the direction of the Thomas F. Dalton Funeral Home.

Mrs. Bracken is survived by her niece, with whom she lived, Mrs. Marianne Winkler and a nephew, Robert G. Purvis.

JOSEPH J. MURPHY

HICKSVILLE - Joseph J. Murphy of 356 Richard St., here, died Dec. 25. He reposed at the Thomas F. Dalton Funeral Home until Saturday when a Solemn Requiem Mass was offered at St. Ignatius Loyola R.C. Church at 9:30 a.m. Burial followed at Mount St. Mary Cemetery.

Mr. Murphy is survived by his daughter, Mrs. Joan Green; his son Thomas F.; four sisters, Anna Murphy, Cecelia Aach, Margaret Dupree and Elizabeth Fagan and a brother, James E.

MAURICE G. LAVIS

HICKSVILLE - Maurice G. Lavis of 48 Eighth St., here, died Dec. 21. He is survived by his widow, Grace (nee McCormick); a son, Maurice; two grandsons, James J. and Joseph J. Lavis and four sisters, Lucy Weyrauch, Lillian O'Neill, Ida Whitzel and Gertrude Hart.

Mr. Lavis reposed at the Henry J. Stock Funeral Home until Thursday when a Solemn Requiem Mass was offered at St. Ignatius Loyola R.C. Church at 10 a.m. Burial followed at Holy Rood Cemetery.

Gags about new year resolutions are common around this time of year. You hear them, laugh at them, repeat them, but the question is—do you keep any of them? Usually these so-called resolutions help establish a myth that you are going to be a better person for the coming year. Do you have any unusual resolutions that you would like to share with the rest of us? If so, let me know so we can all have a great laugh and watch to see if you can keep it. Jackie Gleason's resolution is, "I'm going to give up heavy eating." His second resolution is to ignore the first one.

Good luck to Jerry Eder and the former Janet Cohen on their marriage. I understand that they are honeymooning in Las Vegas and will reside in Chicago.

Jerry Eder's cousin Larry Cohen of Middle Land is going to marry Ronni Gerber of Forest Drive Jan. 4th at the Huntington Town House. My mouse sneaked in and found out that they plan to honeymoon at St. Thomas in the Virgin Islands.

Bon-boyage to Mr. and Mrs. Gross of Fall Lane. They are leaving Jan. 4th for Nassau and the West Indies.

There are quite a few jokes about the Madison Ave. boys in the field of advertising. I'm not going to tell you any—I'm just going to congratulate Herb Gruber of Bounty Lane on being made vice president of the advertising firm that he works for. I'm going to leave the jokes up to you.

Happy birthday to Shirley Walick, George Frankel, Marjorie Eisenberg, Sam Resnick, Alan Resnick, Victor Perlberg and Barbara Kahn. Belated birthday wishes to Shirley Warren.

Geraldine Rappa made her debut at the Garden City Hotel and was presented with a gold medallion.

Phillis Forman, Arnold Hrusks, Richard Fuchs and Carol Holtzman would like to thank the cast from "S.R.O." for the lovely gifts that were given to them.

Good luck to Richard Fuchs. I hear that he is leaving us for the army. We'll all miss you.

Congrats to Arthur Hecht celebrating his 12th birthday with an equal amount of guests at the Comack Arena at an ice hockey game.

Our sincerest sympathy to Henry Dockswell on the loss of his father. Also to Evelyn Goldberg of Mellow Lane on the loss of her father.

"The Sound of Music" in the Church most aptly describes "The Schola"—a group of young laymen interested in promoting good liturgical music. Led by a

AN EDITORIAL. Hopes for New Year

Along about this time, it is customary for us to review this year's accomplishments during the past year. However, since we of "THE VILLAGER" feel proud that we constantly keep our readers abreast of all developments, any review at this time would be superfluous.

In the absence of a review, let's put down a few hopes for 1964. They are simple requests, but none-the-less important for a vibrant and progressive community. We hope that 1964 will bring entrance gates to our community—that our lawns and shrubs will give us no problems—that new faces will volunteer to inject greater enthusiasm in organization work—that folks will take their garbage cans in before next pickup—that you will start your lawn mower at a reasonable hour, particularly on Saturday or Sunday—that our taxes may go down for a change—that our pipes will not freeze—that resident cars will be parked on driveway or in garage—that everyone has a Happy New Year and '64 brings every thing your heart desires.

We are sure we left quite a few hopes out, so if you think of any, just jot them down and send it along to us. We will be glad to print them.

young man who might be dubbed the Leonard Bernstein of the liturgy, "The Schola" will perform their lecture-concert at the next meeting of the Marian Guild of St. Paul the Apostle Parish of Jericho on Jan. 14 (Tuesday), at 8:30 p.m., at the Jericho Fire House. In addition members of the group will model ancient Roman vestments, demonstrating the similarity to the priests' vestments as worn today.

Additional Birthday Greetings to Mickey Lubitz and Marjorie Sugarman. A little late on our wishes to Gil Stein, Bob and Mary Mills. Happy Birthday to Ronnie Bernstein. Anniversary Greeting to Vera and Dave Marks.

Congratulations to Marty Brody of Fall La. and his parents, on his marriage. To Ronnie Bernstein on her new look. The operation was a success.

HAPPY NEW YEAR

Enthusiasm For Contest Spreads

A bit of added interest was injected into our essay contest when your editor received two letters this week requesting authority for two individuals who reside outside our area to submit entries. Of course this is contrary to the rules and the request had to be denied.

As has been stated before, we will continue to publicize this essay contest until its closing date of March 31, 1964. We ask all parents to ask their teenage children to submit entries and they themselves to do likewise. Remember it is open to parents and students alike and there will be bonds and plaques awarded to both. Get your typewriters going on the topic of "The Teenager's Role in our Community".

Ten Pin Talk

by Henry Dockswell

Mush! - Mush! - To those brave and hearty souls who weathered the snow storm Monday Nite, Dec. 23rd, and turned up for bowling. One group has it that they wanted to get out of a shoveling chore—others said that they needed the practice.

With no bowling taking place that evening, Ten Pin Talk column of Dec. 26th brings you up to date on our league standings.

FLASH! Milt Goldberg's Terrors, Herb Brody's Six Finks, Murray Gittelman's Cockamamies and Sid Simon's Demons cannot possibly end up in 1st, 2nd or 3rd place for the 1st half.

Let's see now. This is a bowling column and we should be talking about it, but everything has been covered. (That Henry is so methodical.) So, the next best thing would be to list some statistical data which may be of interest. Here you have it covering the same period in 1962 as in 1963—15 weeks.

	1963	1962
No. of bowlers	75	75
No. of bowlers averaging 148 and under	45	45
No. of bowlers averaging 148 and over	30	30
No. of bowlers averaging 155 and over	14	21

Most 200 games for individual	4	4
No. of bowlers who improved average from beginning to 15th week.	52	46
Didn't improve	23	29

January 13 will be position night and will close the 1st half of our league play. After that starts the 2nd half of our split season. For added interest, the league then places the individual bowlers into two categories—Class A—148 average and over and Class B—147 and under. High individual game and high individual series will each get a trophy in the respective class. In Class A, Sid Simon now leads with a high 257 and Class B, Ralph Diamond with a 234 Top Game. Tony Barbella leads class A high series with a 603. Class B high series not available.

Incidentally, we see a smile on the faces of Murray Iscoe and Sol Rabinowitz. So, let's wipe it (Continued on Next Page)

President's Corner

by Horace Bernstein

As the year 1963 closes, so does the seventh year of the Birchwood at Jericho Civic Association. In reflection, we have come a long way from our inception at the Hotel Roosevelt in New York City.

Our accomplishments for the year have been varied and many, and its for these reasons, that despite all past experiences, we can still exist and maintain our vast membership. Thus at the end of 1963, we can once again boast of being the largest as well as the strongest and most active Civic Association on Long Island.

Under the guidance of Nat Warren as Editor, the VILLAGER, continues to service the community and act as the voice of our Civic Association. We can now truly say, that for the first time, all members are receiving their copy of the paper as they should and most of the time on time. Nat has introduced many innovations into the paper, such as his current essay contest.

Both the Jericho and Syosset education committees have been functioning throughout the year. They have continued to maintain their friendly relations with both school boards. It is hoped and we have reason to believe that this year, the Jericho School Board will submit their budget to our committee in enough time to make a thorough and honest study of the budget. It is only this way that they, like in Syosset can come in with a recommendation. In Syosset, we were pleased with the recommendation afforded our Civic Assoc. when Milton Bagley was appointed to the Citizens Committee to study the extend school year.

The Jericho Players have brought entertainment to the community. It is hoped that more members of the Civic Organization, who have the talent, will avail themselves of this outlet to show themselves off.

For the youngsters and teenagers, our youth group is still going strong. This group runs smoothly and with the least amount of trouble. It is one of the main sources of pride that our Civic Association can point to. This is one of the constructive things that keep our youth off the streets and gives them a place to meet and socialize with friends.

Community wise, we have maintained our vigil with Floyd Bennett. One of our greatest problems this year, was the disposal of their refuse. For the present, the situation is under control. The Stop Signs that have been placed throughout the community, are our dolgs. They have been placed strategically in order to cut down speeding and make the streets safer for both the children and residents.

During the year, we were one of the co-sponsors of the Jericho Community Blood Bank and am pleased to report that this year was one of the more successful years. Our bowling league has attracted many new members this year. Those who bowl with the league on Monday night look forward to an evening of relaxation and mention of their name in Ten Pin Talk, written so ably by Henry Dockswell.

by Henry Dockswell

The problem of business ventures in our community has become acute. This was the report that your Civic Board of Directors has received. A number of our residents have initiated commercial ventures, from their homes in direct violation of TOBAY zoning laws. The Town Attorney's office has been contacted and has been made aware of this very undesirable condition. Further action is now being taken, in conjunction with the Town Attorney, to make sure that all such ventures adhere strictly to TOBAY zoning regulations.

The Federal Government's land in Brookville, that formerly housed it's Nike missile site, may very likely be given to Jericho School District. The Jericho School Board has requested that they be decided this land and it's existing buildings, and under the Federal Government's program of priority for education, the request will probably be granted.

Your Civic Board's Jericho Education Committee has been instructed to contact the West Birchwood's Education Committee again, for the purpose of working together on all Jericho school matters. The Board feels that the combined efforts of these two committees will be very beneficial to our communities.

Our Youth Group function is working very well. The parent assignment system, instituted last year, together with the paid director of activities has helped the program to run on an even keel and with adequate supervision. The one surprising factor is the small amount of girls participating so far this year as compared to last season.

THE VILLAGER is embarking on an essay contest. The subject is "The Teenager's Role in our Community" and the expenditure of money for the prizes to be given to the winners was approved by the Board. The Board also complimented the VILLAGER staff for its fine choice of a subject and it's ability to enlist such men as Dr. Thomas Carey, Superintendent of Jericho Schools; Dr. James Redmond, Superintendent of Syosset Central School System; and Sam Hecht, former President of Jericho School Board to act as judges.

Our latest and perhaps most important accomplishment, was in having the Meadowbrook Golf Club back down from its intent to annex itself to Brookville. If we did nothing else all year, this in itself would have been reason enough for our existence. The meeting that was held between your Executive committee members of the Jericho School Board, and members of the Brookville Taxpayers association helped considerably. At that meeting, plans were made to fight this annexation. With the proper publicity in our own paper, the VILLAGER, as well as the Long Island Press, did much to turn the tide.

Yes, your Civic Assoc. has spent a successful and fruitful year. We hope, with your aid to continue into 1964. Your help is to pay your dues, and see that your neighbors join with you.

On behalf of myself, the Civic Association & its board of directors, may I thank each and every one for your support and wish you all a HAPPY NEW YEAR.

TEN PIN TALK

(Continued from Villager Front Page)

off now by saying we forgot to mention that your Bulls and Nameless ones can't possibly end up in 1st, 2nd or 3rd place either the first half. Oh yes, lest we forget, the oddsmakers are betting even money that Sol Rabinowitz will name his crew before the league ends their play. As you all can see, we are

making a feeble attempt to fill in for Henny Docksell during this time of his bereavement. All of us on The Villager staff, and we are sure each league member, offers their sincerest condolence to Henny on the loss of his father.

Henny has been writing Ten Pin Talk for so many years and has never missed an issue. Since the statistical data, and other thoughts contained in this writing are his, we could not conceivably leave out his by-line. Hurry back, Henny.

Dedicate Residence Of Reform Rabbi

On Sunday, Dec. 22, Dr. and Mrs. Herbert H. Rose, Rabbi of Temple Or-Elohim, Reform Congregation of Jericho, were hosts to the members of the congregation. The occasion was the dedication of their new home at 49 Fox Lane, Jericho.

All the members of the congregation had a delightful refreshments served by Mrs. Rose. The Rabbi, assisted by Cantor. Bloch, conducted appropriate services for the occasion.

The Rabbi's Residences, erected on Temple property for the use of the Rabbi of the Temple and his family, is the latest achievement of the rapidly expanding Reform Congregation of Jericho. The two-story Co-

lonial home has four bed rooms and two baths. Landscaping will be completed in the Spring.

The Officers, Board of Trustees, and all the Members of the Congregation extend to the Rabbi, his lovely wife Esther, and his two handsome sons, Judah Lawrence, age 5, and Ben Zion, age 3, every good wish for health and happiness in their new home.

Sheila Zirin To Wed Roger Price

Mr. and Mrs. Irving Zirin, of 60 Orange Drive, Jericho, announce the engagement of their daughter, Sheila, to Roger Alan Price, son of Mr. and Mrs. Samuel Price of West Hempstead, New York.

Miss Zirin teaches in the Village School, Syosset. She is a graduate of Adelphi University, Garden City, and is completing work there towards a master's degree. She has also studied in Scotland, England, Denmark, and The Netherlands.

Price is a graduate of St. John's University College of Pharmacy, Jamaica. The wedding will take place in August, 1964.

Member of Band

Frederick Emerson, son of Mr. and Mrs. Frederick Emerson of 25 Maxine Ave., Plainview, has been chosen as a member of the Hope College Symphonic Band, according to Mr. Robert Cecil, conductor.

One of 52 instrumentalists in the band, Frederick plays 3rd Cornet. The band annually plays a series of concerts featuring noted guest artists.

Workshop Plans For Open House

The Jericho P.T.A. Creative Arts workshop will hold its annual open house on Saturday, January 18th at the Cantiague School between the hours of 9:00 and 1:30. Visitors will have an opportunity to observe classes in visual arts, puppetry, dance drama, music and science.

The Workshop, which operates on a cooperative non-profit basis, is sponsored by the P.T.A. organizations of all four elementary schools in Jericho District #15. It offers instruction in the various elementary school grade levels and some classes for pre-schoolers entering Kindergarten next September.

A cordial invitation is extended not just to parents whose children are currently enrolled in Workshop, but everyone interested in what is being done towards the cultural advancement of our community.

RECIPE RESPONSE IS GOOD

BY VIVIAN SCOMA

In my last column, I suggested that as many of you fine chefs send along your best recipes for inclusion in our weekly column. The response has been great; in fact some of the male cooks have sent in their better dishes. Keep them coming.

Here is a palatable dish sent in by Shirley Warren of Flower Lane.

CHOPPED BROCCOLI CASSEOLE

2 packages frozen broccoli
2 tbsp. butter
2 tbsp. flour
1 1/2 cups milk
3 slices American or cheddar cheese
seasonings

Cook chopped broccoli according to package directions. (Frozen broccoli should be used). Drain thoroughly.

Melt 2 tbsp. butter in sauce pan. Add 2 tbsp. flour and mix until mixture is creamy. Slowly add 1 1/2 cups milk and mix thoroughly. Add salt, pepper, ground garlic, oregano to taste. Add three slices cut-up American cheese. Cook slowly until cream sauce is thick.

Place cooked broccoli in casserole. Pour cream sauce over this and mix gently. Place in 375 degree oven for 1 1/2 hour. Place under broiler for about 5 minutes.

Two packages of broccoli will serve six. Above sauce is for two packages.

Pynchon and Councilman A. Carl Grunewald (left to right) participate in the ceremonies held this past week to dedicate the Town's 500-acre Wildlife preservation on the south shore of the John F. Kennedy Wildlife Memorial Sanctuary.

Policy Statement by GOP Board Majority

Councilman Edward J. Poulos, Majority Leader of the Town Board, on Dec. 31 released an eleven-point program constituting the major areas of Town Board activity for the ensuing period. Poulos noted that provision for the development of comprehensive parks and recreation facilities in the communities of the Town has been built into the budgetary framework.

"Our major problem in the months ahead will be one of holding the tax line without sacrificing essential services. Every effort will be made to accomplish this objective and I feel that the Board can achieve this since most of the Town's major programs have already been instituted," stated Councilman Poulos.

The policy statement, in part, reads as follows:

Advance planning and a realistic and practical approach to the fiscal problems confronting it over the years have enabled successive Town Boards to meet the challenge created by the population explosion during the past decade and provide meaningful and imaginative leadership vitally necessary to the well-being of the Town's homeowners and taxpayers.

Republican administrations

have forcibly demonstrated that effective local government can only be maintained when a harmonious partnership exists between those who have the responsibility as elected officers and the electorate. The Town Board is fully cognizant of this fundamental tenet in its conduct of the affairs of Town government. Recognition of the individuality of the many communities in the Town of Oyster Bay and the desires of the homeowners of those communities to retain these characteristics will continue to be the guiding force in the Town administration's efforts to advance the cause of better living.

The Town of Oyster Bay is a vibrant and thriving Town having a long, distinguished history and culture dating back to 1653. It is also unique in the fact that despite a more than 250 per cent population increase in the past ten years, Republican administrations have successfully preserved those features that promote community pride and enthusiasm under our Home Rule form of government.

The Republican majority of the Town Board fully intends to carry forward the mandate given to it by the people of the Town of Oyster Bay in the last election

by a continuation of well balanced plans, programs and the establishment of achievable goals and objectives. These programs will be implemented within the ability of the taxpayers to financially support them and provided they are in concert with the desires and needs of the Townspeople. As the governing body of the Town the Republican majority will maintain its respect as well as rapport with other autonomous local units of government. The

That in effect is what a writ of "habeas corpus" demands of a sheriff or jailor. That means: bring the prisoner to court on a valid charge or turn him loose.

Habeas corpus has long been a standby

of the "who-done-it" writer, but it has been a standby for us and our liberties for a much longer time.

In old times, the king or tyrant could jail you on whim, with no chance of a day in court. No one dared to question him.

In 1215 the English barons had taken all they could stand from King John. They demanded his written guarantee of their rights—the Magna Carta. Among their rights, they wanted the right to a day in court.

The English Petition of Rights asked for habeas corpus in 1628. It said, "no man should be put in jail or held without cause shown to which he may answer according to law."

The Habeas Corpus Act became law 51 years later. Our state and national Constitutions say that the privilege of the writ of habeas corpus shall not be suspended, unless when in cases of rebellion or

invasion the public safety may require it.

Let's see how habeas corpus works.

Suppose a policeman arrests and puts you in jail. You have the right to be brought to court for a hearing. In court the judge should tell you of the charges against you and your rights to counsel and a fair trial.

But what if you don't get a

hearing—in a reasonable time? Then somebody is unlawfully taking away your freedom. So you, a friend, relative or your lawyer may go into court and get a writ of habeas corpus on your behalf.

The writ commands your jailor to "produce the body." Your jailor must show that he holds you lawfully or turn you loose. In court, the judge looks into the charges against you. He may hear witnesses. If he cannot find that you are held lawfully, he will order you turned loose. If he finds cause, you then can ask for reasonable bail.

Inauguration Text Of New Town Supervisor

The following is the inaugural address given by Town Supervisor Michael N. Petito at Oyster Bay Town Hall on New Year's Day:

The installation ceremony that formally places elected officials into office is a suitably solemn occasion. This ceremony is the culmination of the greatest political system that man has yet devised: the free choice of free man to elect their leaders and their servants.

For me, this is a moment of high expectation. The time is near when a cherished principle can be implemented, when a new system may be installed, when a philosophy might be translated into action.

My feelings today direct me to the recent national tragedy. For

Jan. 7, 1789—The first election for a president of the United States took place throughout the nation.

Jan. 10, 1901—The striking oil in Beaumont, Texas, marked the start of the great Texas oil boom.

Jan. 15, 1943—Workmen completed the Pentagon building, the headquarters of the U. S. Department of Defense and the world's largest office building. Among other staggering dimensions, the building covers thirty-four acres and has seventeen miles of corridors.

Jan. 28, 1902—A gift of \$1,000,000 from Andrew Carnegie established the Carnegie Institution to "encourage in the broadest and most liberal manner investigation, research and discovery, and the application of knowledge to the improvement of mankind."

Jan. 29, 1900—Baseball's American League was organized at Philadelphia, composed of eight teams.

It was only a few weeks ago that our President was brutally slain. A man who so strongly desired to translate into action his dearly held principles of the common good, I believe that many of us have derived a new sense of strength from that awful event.

New light has been played upon those who serve the public. And, we are reminded that a strong, honorable, dedicated man enjoyed enormously the intricate and complicated business of politics and government. I should hope that this re-dedication to the great ideals of democratic government will not be quickly forgotten on our local scene. For this is an area where the basic principle is of equal validity whether carried out from Washington or the Town Hall in Oyster Bay. I promise you, without reservation that I will do everything in my power to add luster to the term, public servant.

Through example, persuasion and management, all employees of the Town Government will be reminded again and again of his responsibilities to the public. I intend to fulfill in complete measure, all the duties prescribed for and implied by my assumption of the position of Supervisor.

The proper leadership and service to the people of Oyster Bay is foremost in my mind. It is my intention that the Supervisor's Office will function co-operatively with the Town Board, and I look forward and expect the same spirit of cooperation from the Town Board.

We find ourselves with a rather unique situation in Oyster Bay Town Government. A Town Board representing two political persuasions. I hasten to state that this added dimension must inure to the benefit of the Town residents. Already we have seen the benefits of two party government in the Town of Oyster Bay. The last two weeks we have seen a voluminous flurry of resolutions flowing from the Town Board chambers. As a matter of fact, if they continue, the Town Board will adopt, in toto, the Democratic platform of the recent campaign.

We have seen in recent weeks revitalized action by the Town Board in the area of housing, the creation of a Board of Ethics, a committee to study the Suburban Town Law, and the retention of a firm to review and survey the operation of Town government. It would appear that my election has already proved beneficial for the people of the Town. I have an adequate supply of these ideas yet to come which, I hope, will continue this spirit of enthusiasm and enjoy this continued support of the Town Board.

It is my earnest intention to promote the accessibility of Town government to the people. Public thought, comment and participation make part of the human resource of Town government. It will be my purpose to utilize this resource to its greatest capacity. While the ultimate responsibility lies with the Town Board, there is no reason why the Town cannot be enriched by public participation.

There has been some lively debate recently regarding the function of Town Supervisor. As the law is set up, the office can be active or sterile. It is, nevertheless, my belief that the Office of Town Supervisor is not titular—but a position of leadership which should not only integrate the actions and concepts of Town Government, but which should propose new ideas. This sterile concept of the function of Town Supervisor, I emphatically reject.

While an important purpose of government should always be growing efficiently—it should never be permitted to become mechanistic and remote from the people it seeks to govern. It is essential that government, particularly at the Town level, remain sensitive and responsive to the needs of the individual.

While the greatest good for the greatest number of people is a fundamental purpose of good government, it should, nevertheless, be our goal, wherever possible to treat our residents one by one. We must never forget our society has differed from many others in that we have always stressed the importance of the dignity and rights of the individual. It is necessary, therefore, that at all levels of government we promote the climate

FEW CORRECT answers were received on this mystery picture although the mails were flooded with the correct reply for the previous week. The previous week was of course the former Press Wireless installation off Cantigue Road, since moved out to Suffolk. This picture is a scene from World War II when an all-out scrap metal drive was conducted on a bright Sunday. The material was collected behind the ice works at the end of E. Cherry St., Hicksville. Judge Joseph P. Lebkuecher was then salvage chairman and by nightfall tons and tons of scrap was rounded up by volunteers.

which permits the growth of prosperity and welfare of all the individuals in our society.

The Town of Oyster Bay during the 50's was the fastest growing area in the United States. The tremendous growth of the Town has beset us with problems in the field of zoning, school construction, taxes, roads, problems of our youth and aged. For every job we needed a decade ago, we need many more today to achieve full employment for our community. Yet while we speak of tremendous growth, let me emphasize at the outset that as your Supervisor, I will NOT turn my back on the desires of our residents to retain the things which attracted them to our beautiful town—open countryside, beaches and all that suburban living has to offer.

Theodore Roosevelt, our 27th President and a man who loved his Oyster Bay home so deeply, once had this advice—"Keep your eyes on the stars, and keep your feet on the ground." I would think there is more than just passing significance in such thoughts today. For this Town administration intends to do just that—look to the future well-being of our residents, but make equally sure our programs are solid and well-formed, not nebulous hope that can be washed away in the bitter moments of political controversy.

As I accept this post today, I am humble in the belief that my job is a challenging one, but I am equally confident that together, we, the citizens of Oyster Bay can make the future a great one for our Town.

The way in which federal government agencies start with relatively modest budgets only to have them balloon into vast expenditures within a few years is perhaps best evidenced by the National Aeronautics and Space Administration.

Starting with \$338 million in 1959, NASA's current budget has risen to more than \$5.5 billion in the current fiscal year. This is 16 times as much as the agency got in the first year.

Art Forms Begins Another Term

The new year rings in a new
 term of workshops at Art Forms
 Unlimited, the gallery-on-the-
 green located at 111 Levittown
 Parkway, Hicksville. Day and
 evening classes for children,
 teen-agers and adults, as well as
 special daytime classes for
 mothers whose children are in
 school, begin in January and
 continue through May.

Local artists of distinction of-
 fer such workshops as "Illustrat-
 ing Poetry," taught by Justine
 Schachter; "Sculpture," by
 Bronka Stern; "Woodcuts," by
 Stanley Kramer; "Portraiture,"
 by Louis Clayman, and numerous
 others. A unique workshop for
 very young children is "Explor-
 ing the Arts," taught by George
 Anne Felt, who also offers drama
 workshops for all ages, including
 adults. Josephine Dodson heads
 "Dance Classes" for children
 and "Modern Dance" for adults.
 An exhibit of students' work
 is being held at the gallery
 through the first week in Janu-
 ary.

by ARTIE RUTZ

And a Happy New Year to you, too...As we swing into the first part of 1964 (calendarwise) we also swing into the second part of 1964 (Legionwise) and the tempo starts rushing to a conclusion point which is our Nassau County Convention in June...It's not as far away as one might think and there's lots to be done by then...Many things remain to be done before then, such as, finalizing our revised set of by-laws which will change things around a bit; fund raising in behalf of our Junior Band (which has been enlarged, and will be further enlarged) so that they will sport new uniforms; the completion of our Game & Recreation Room and the many other small items remaining concerning the completion of our rebuilding efforts; our constant drive to become #1 membership in our Division (we are leading at the moment but we must work even harder to maintain this lead!!); increase our Legislative efforts which are on the behalf of all veterans (there were 379 Bills brought before the House Committee on Veterans Affairs last year and only 6 were passed)...I leave the information regarding this more serious side of The American Legion to explanation by our national magazine which every member receives monthly...It gives a full report of these doings...Don't forget that we are sponsoring Bingo on Thursday, January 9th and also on the 23rd at the Hicksville Bingo Hall...I am happy to report that our Auxiliary Unit's membership is also growing by leaps and bounds thus keeping pace with ours...This is as it should be...But give lots and lots of credit to the Auxiliary's wonderful, and long time Membership Chairman, Anna Brengel who is in there constantly pitchin' hard, just like

Henry has for the Post for the past 45 years... Many thanks to the many members of our Post who have heeded our request to "sign up your friends and neighbors"...They have helped greatly to build our booming membership...Have YOU signed up a new member yet??? Do it now before we close the books!

Board Majority

(Continued from page 8)

Republican majority of the Town Board will direct its best efforts toward promoting the Town's economic stability in the establishment of a practical balance between residential, business and industrial growth.

The Republican majority's responsibility for various municipal programs is clearly established by Town Law. Zoning and planning, development of park and recreation facilities, beach improvements, drainage, highways and sanitation services are among those areas in the municipal sector that lie within the authority of the governing body of the Town. The Republican majority will direct its best efforts toward maintaining the Town as a well balanced suburban community and will press for those things that will promote the achievement of these goals.

Operation VFW

William M. Grosse Jr. Post No. 3211
by Eddie Klabing

Our Ladies Auxiliary starts their new year off by instituting a project whereby each member will adopt a child at our national home and send them small gifts and cards throughout the year.

From time to time this column has mentioned the VFW National Home. Some of our readers may have wondered what the home was, so to them we submit a brief description.

First consideration for the establishment of a national home for the orphans of our members was given at our national encampment in September 1924. The following month a committee was appointed with full power to acquire farmland near Eaton Rapids, Michigan. The committee reported success and the VFW National Home was incorporated as a nonprofit organization. This act was approved at the convention held at Tulsa Oklahoma in August 1925.

The land conveyed to the VFW amounted to 472 acres. However, later purchases increased the size to 640 acres which the home presently occupies. First occupancy was in March 1925 when the widow of one of the members and her six children moved into the home.

Many comrades and sisters have contributed to the growth of the home. Very important assistance to it came from the ladies' auxiliary, for example in building the original hospital and then as a separate project adding a wing to that hospital. The auxiliary also built the community center, nursery, guest lodge, chapel and installed a complete street lighting system. Source of income for the home is three-fold: First, from the sale of Christmas Seals. Second, from the annual sale of Buddy Roppies and lastly from contributions from the Posts and Auxiliaries as well as donations from those who love the home so dearly.

During the 40 years of service the VFW National Home has provided care for a great number of children, many of them who lived there during their entire childhood. The alumni of the home make an impressive list of engineers, lawyers, farmers, doctors, nurses, secretaries and homemakers. These children have fitted themselves well into the social and industrial life of our Nation. We are proud of them.

Library Corner

This is not the last time the Mar. 7 referendum upon an addition to the Hicksville Free Public Library building will be brought to your attention, but perhaps we can answer a few of the forthcoming questions.

WHAT IS PROPOSITION?

We propose to construct an extension on the north side of the public library providing for 82 additional seats and 40,000 volumes. It is also proposed to construct an extension to the periodical room on the southeast side of the building. The referendum will be held on March 7th and the cost of the proposition is \$262,500 including \$6,000 to finish payment on the property needed. It will add about \$4 per \$100.00 to your tax rate. For a house assessed at \$5,000 this means about \$1.00 a year. A meeting room is not included on this referendum.

WHY DOES THE LIBRARY NEED THIS ADDITION?

In order to provide reference and research materials for the thousands of children, junior and senior high school students, college students and adults that need it, the book collection must be vital and growing to keep pace with the scientific and educational revolution of the 20th century. Our student reference use alone has at least tripled in the last 5 years. This is a national trend, not confined to Hicksville, and is certainly not a temporary surge. Our shelves defy further extension of the reference collection and the main stacks are nearly filled.

HOW MANY BOOKS ARE ADDED EACH YEAR?

At least 12,000 volumes. In order to provide an approximation of our needs, we must purchase 3,000-4,000 new titles each year in all categories. We are on the verge of an unprecedented student use on the college level within the next few years, and we will find it impossible to adequately fill our function as an information and educational center without more space for books.

Adults Enroll For New Term

The Hicksville School District Adult Education Center will hold its second semester registration for four days, Monday through Thursday, Jan. 20, 21, 22 and 23. Classes will start on Monday, Jan. 27.

Along with its usual offerings of vocational, commercial, cultural and hobby courses, several new fields have been introduced. Courses in basic home mechanics, electronics II, oil burner repair, ancient Greek philosophy, and modern math for parents are being scheduled.

Bomb Scares

(Continued from page 1)
disconnected and, thanks to the of dial phones, is most difficult to trace.

Thereupon the police (of the local precinct, 2nd or 8th, depending upon the location of the building) are called and the student body is evacuated. Then begins a painstaking search of all lockers, desks, closets, etc. room by room and floor by floor. This can take hours. Meanwhile, the students fret in the cold, wet weather. Sometimes they are without outer garments. When an advance time is given, they are allowed to gather coats from lockers.

In recent months there have been two calls in a single day, six in a single week.

The sanity of the person or persons placing the calls is questioned by the Board of Education. "It is obvious that the person... calling in the bomb scares is demented. There is no other conclusion we can draw."

Schools resume sessions today (Thursday, Jan. 2) following the Christmas recess.

The decision to send out the form letter dated Dec. 30 was apparently made at a meeting of the Board as a committee of the whole. The last regular meeting was held on Dec. 13.

and seating. WHY IS A PERIODICAL EXTENSION NEEDED?

Periodicals are used as much as any reference material for information on current and recent topics and long range economic, scientific and social problems. A back file is absolutely essential to do adequate reference and research work. We also hope to locate in this area some study carrels for those needing space and silence to do their work.

These are a few of the questions we thought may be asked. From time to time other information will be available here in news releases and materials distributed at the library. Remember a public meeting will be held at the library at 169 Jerusalem Ave. on Tuesday evening, Jan. 7th at 8 p.m.
