Whittle Little Off Budget

The Hicksville Board of Education, after nearly seven more hours of work on the proposed 1964-65 district budget last weekend shaved another \$8,000 off the Administration - proposed fiscal document thus maintaining the pace achieved the previous weekend of nicking away about \$1,000 an hour of time spent.

The Board continued to avoid the area of Instructional Services which represents almost sixty percent of the gross total and any work in this section is expected to have only the effect of raising the total.

Perhaps the most significant action taken Saturday morning was the deletion of the code on dental health service. This had been scheduled as \$2,950 to cover the dental examinations of students when parental approval is given. Local dentists in the past were reimbursed at the rate of \$1 per examination.

The big item of Transportation in Code 9 amounting to \$479,000 for the coming year compared with \$503,931 appropriated this year came in for its annual examination. It was noted that about \$100,000 could be saved in this area by increasing the walking distance for junior and senior high school students.

The suggestion was offered but not formally acted upon to

solicit informally community opinion upon a reduction of bus- ing distance for older pupils at the time of the referendum upon a bond issue for the Public Li- brary scheduled for March 7.

The reduction in the coming year reflects the anticipated need for fewer buses next fall due to changes in school schedules.

As it stands now, with Code 9, Auxiliary Agencies, to be com- pleted and all of Code 3 to be worked over, the net increase in the budget for 1964-65 is up \$128,205.75.

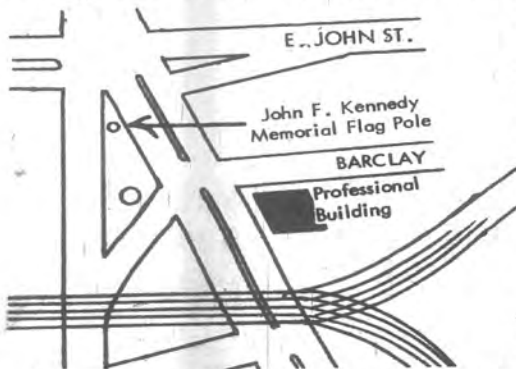

The next special meetings on the Budget are scheduled for the Saturdays, Feb. 1 and Feb. 8.

Propose Board On Electricity

The Oyster Bay Town Board is considering the appointment of three members to the Examining Board of Electricians as author- ized in the new Town's electrical code which became effective Jan. 1st. It was disclosed by Council- man Edward J. Poulos, Town Board Majority Leader.

Examiners proposed are: Ber- nard Bruins of Hicksville, Jerome Schumacker of North Massapequa and Anker Johanson of Bayville.

Suggest Location of Pole

The suggested location for the flag pole honoring the late John F. Kennedy, president of the United States, is indicated on the above sketch.

All Hicksville organizations during the coming week will receive a letter inviting the participation of their membership in this community-wide activity. Contributions may be made at the Long Island National Bank, main office, Broadway and Herzog Place, or by mail to the HERALD at PO Box 95, Hicksville. All contributions will be acknowledged.

A MEDIEVAL TOWER will be a feature of the annual recital of the Hicksville Public Schools Music Dept. on Friday, Feb. 7 at 8:30 PM in the high school auditorium. From the left are David Kanter, Mel Bienenfeld, Jimmy Fautt, Bob Greenhouse, and Gerald Maler. Use of the tower is explained as a contribution to a revival of a practice common in Germany during the Renaissance period when municipal musicians (Stadtpfeifer) performed from towers in the center of towns to mark particular times of the day. The music played, it is said, was usually familiar and popular tunes of the day on brass instruments. There is no charge for admission to the recital on Feb. 7. Plan to Increase Veterans' Aid

The Oyster Bay Town Board is considering increasing the allocation of memorial funds to veter- ans' organizations this year. It was disclosed by Councilman Ed- ward J. Poulos, Board Majority Leader.

The proposal will implement permissive legislation enacted by State authorities for 1964. It will in effect double the annual approp- riation from \$1,000 to \$2,000, thus also doubling the payments to each of the approximately 20 veterans' organizations in the township.

This fund is used to encourage the veterans' organizations as a group to participate in Memorial Day, May 30, Independence Day, July 4, and Veterans' Day, Nov. 11.

Red Cross Seeks Helpers

Volunteers will be needed to help enclose letters and folders in envelopes for mailing to residents and businesses in Hicksville concerning the work of the Red Cross. Come and bring your friends, relations and neighbors with you to the basement of the Seaman & Elsemann, Inc. building, 167 South Broad- way, Hicksville. The space has been generously loaned by Henry G. Elsemann. Come between the hours of 12:00 noon and 4:00 P.M. on the following dates: Thursday, Feb. 13; Friday, Feb. 14; Monday, Feb. 17th; Tuesday, Feb. 18th; Thursday Feb. 20th and Friday, Feb. 21st.

The work will be in charge of Miss Louise Augustin, Mrs. Theodore G. Rosebery and Mrs. W. Ashley Burrows.

STRICTLY BUSINESS:

Plaza Honors Grunewald

By Jim Cummings

The Mid Island Plaza Merchants Assoc. presented A. Carl Grunewald with a plaque at their annual Dinner-Meeting held at the Old Country Manor, Tuesday evening... the plaque was presented by Leonard L. Frank of Stackler & Frank, builders of this foremost shopping complex, which read: "A. Carl Grunewald, Town Councilman, Town

of Oyster Bay - For your dedication to the continued growth of Hicksville, especially your efforts on behalf of the Railroad Elimination completion" ... Mr. Grunewald's remarks about the Elimination included the statement that the last piece of steel which arrived in Hicksville Tuesday, is now in place... He also stated that the escalators will be in working order when the opening ceremonies are held later

this year... The concerted effort of Mal Pierce and Aaron Rochman who chair this very important committee for the Hicksville Chamber with the Town Officials, especially Grunewald in Hicksville, are responsible for the tremendous progress on the R. R. with the groundwork by the Chamber way back in 1952 with the "PSC in New York ... Total cost is anticipated at \$13,000,000...

Officers installed at the MIPA Dinner-Meeting were Max Kossove, (Buster Brown), President; S. Louis Windt (Buckners), Vice-President; James Totaro (Food Fair), Treasurer; Gilbert Bealair, Vice-President of Gertz, Chairman of the Board of Directors and James J. Cummings, Executive Secretary.

vestment by private capital in Oyster Bay Town's industrial and commercial growth, Councilman Edward J. Poulos, Town Board Majority Leader, reports. The total investment by private capital for the 12 - month period ending Dec. 31, according to a report submitted to the Town Board by Building Manager Edward J. Gaynor, was \$30,679,222. The construction of industrial plants for 1963 showed an increase of 21 over the previous year with 52 new plants attracted to the Town by the Board's program to encourage properly planned industrial growth under its Comprehensive Plan.

"The increase in industrial and commercial investment in the Town of Oyster Bay is heartily welcome," said Poulos. "It is a dramatic illustration of the confidence that business leaders have in the Town's future growth and development, provides many new jobs opportunities for the townspeople, and broadens the Town's tax base, giving a good financial assist to school districts. It also points up the success of the Town Board's vigorous program to attract desirable commercial and industrial development and to provide economic growth and stability. "We will continue our efforts under our Town's Comprehensive Plan to set the climate for the continued growth of the Town of Oyster Bay on an orderly and planned basis in order to preserve our suburban atmosphere," Poulos added.

You can avoid criticism by saying nothing, doing nothing, and being nothing.

On Monday night, Feb. 3, at 8 p.m., the Willet Ave. P.T.A., Hicksville, will present a Reading Workshop. A comprehensive explanation of the reading program and its importance in the school will be discussed by Mrs. Ray Johnson, Reading Supervisor, and Miss Marion Radder, Reading Consultant. Following the program will be an opportunity to visit classrooms where teachers will explain reading ability, grade levels and materials used for the children. Reading is of great importance to the children, therefore, this meeting should be of interest to all.

Refreshments will follow the classroom visits.

The Hicksville High School Band under the direction of R. G. Pellerin, and the High School Chorus, directed by Charles Arnold, will be the featured musical groups on WHLI's "Youth and Music" program, 2:00 - 2:30 P.M., Saturday, Feb. 8.

The Hicksville Band won first prize in the recent Coliseum Band Concert, has performed for both the late President Kennedy and former Vice-president Nixon, and will be heard at the 1964 World's Fair in May.

Among the local groups which made Christmas donations to Meadowbrook Hospital were: Nassau County Grand Mothers Club, Senior Citizens of Hicksville, Ladies Auxiliary and National Assoc. of Letter Carriers, Grades 5 and 6 of Burns Ave. School, all Hicksville; and Brown Troop 265 of Jericho.

Seven Hicksville couples were among those invited to take part in a special ceremony at St. Agnes Cathedral, Rockville Centre on Jan. 12 honoring them on having been married 50 or more years: Mr. and Mrs. Aufanger, Mr. and Mrs. William Carmody, Mr. and Mrs. John

The Villager

FOR THE RESIDENTS AT BIRCHWOOD PARK AT JERICHO

Vol. 8 No. 12

Board Endorses Teenager And Adult Essay Contest

As readers of "The Villager" have been made aware during the last few issues, "The Villager" has embarked on an essay contest, the subject being "The Teenager's Role in our Community."

The Civic Assoc. Board of Directors has given its unanimous approval to this contest and urges all teenagers in the Birchwood community to participate by submitting an essay. The subject is one that is truly thought provoking and of vital interest both to our teenagers and to our community. "The Villager" Editorial Board and its Editor, Nat Warren, are to be commended for their initiative and civic-mindedness in sponsoring this contest.

The importance of the contest from the community point of view is evidenced by the fact that Dr. Thomas Carey, Superintendent of Jericho Schools; Dr. James Redmond, Superintendent of Syosset Schools; and Sam Hecht, former President of the Jericho School Board, have consented to serve as judges in this contest.

I speak with a degree of assurance when I say that I am certain that the vast majority of the residents of The Villager of Birchwood Park at Jericho are proud of their community and of how much has been accomplished in the relatively few years that have passed since we moved in as "pioneers" in an area where the bulldozers were still at work and construction was going forward daily on land that but recently had consisted of potato fields.

Giant strides have been made during these last seven years in home, civic, recreational and shopping improvements. Our teenagers have grown up and are in the main attending colleges. Our more youthful generation have now become teenagers. As

such, they have a definite role to play in our community. This contest seeks to have our teenagers themselves indicate what they believe is the teenager's role in our community.

Much has been done to improve our community and much still remains to be done. The teenager of today can set the standards for the teenager of tomorrow, to the end that there will continue to flourish among our youthful residents a community spirit of which we can all be proud.

Your Civic Assoc. Board of Directors urges all teenagers in the community as well as parents of teenagers to participate in this essay contest, with the thought in mind that a discussion and exchange of views on the vital subject will serve to enhance our community spirit and our community image.

Lawrence C. Gibbs
 Chairman, Board of Directors,
 Birchwood Civic Association.

Common Sense

One of the greatest handicaps to snow removal is the parked cars left on streets during snow storms. It is impossible for the snow plow to do an efficient job where such a car is parked. The Town Ordinance authorizes the impounding of any car so parked.

With the snow season upon us, why don't each of us make it a point to park our cars in the driveway. If and when a snow storm occurs, the snow plows will have clear going to do a proper job and permit the community to return to normal conditions that much faster. Then too, a car left on the driveway during snow, will mean that less snow removal.

How did you survive the storm? Felix Colangelo of Maytime Drive was one of the lucky ones as he was basking in the sun in New Zealand while we were being snowed under here. Mr. and Mrs. Livingston and their children of Maytime Drive just came back from a California vacation to enjoy the snow. Dr. Lawrence of Merry Lane was smart he spent the night in the Bronx with a friend — don't let your mind play tricks on you, it was a gentleman friend. Morty Mann of Birchwood Park Drive walked away from a five-car accident although his car was completely demolished. He is now driving a rented car. I sure would like to print your experiences during the past storm so why not call me up and tell me about it? Let's hope that we will not have another storm like that for many years to come.

Mr. Harri and his staff will be present at the next meeting of the MARIAN GUILD on Feb. 11 (Tuesday), at 8:30 p.m., at the Jericho Firehouse.

Happy birthday to Candy and Sally Scoma of Middle Lane. If you are wondering who they are — they are my daughters.

It looks like our Marc Koplik of Birchwood Park Drive has done it again. This time he won the "Youth Leadership" contest conducted by the Glen Cove Lodge of EOs.

Teenage Dance

The Youth Group of Temple Or - Elohim Jericho, will sponsor a dance on Feb. 11, at their temple from 8:00 to 11:30 P.M. All teenagers are welcome. Admission will be seventy-five cents stag, and one dollar and twenty-five cents drag. Refreshments will be free. Tie and jacket required. The Imperials will entertain with their lively music.

Student Rates High in Contest

Jill Cleary, an eighth grade student of South Woods Junior High School, was recently announced as second place winner in Newsway's 1963 "Rate the News" contest. Jill placed second among 6,440 contestants in Nassau and Suffolk County. She tied with Ronald Girardin, a 17 year old junior from Central Islip. A total of 77 schools participated.

The contest consisted of rating the top 25 stories of 1963 from a list which was compiled by Newsway's editors. Each student was asked to select the ten outstanding stories of the year. Jill rated the first five stories correctly. They were: (1) the assassination of President Kennedy, (2) civil rights crisis joins nation, (3) Porfirio - Kestler-ward scandal rocks British government, (4) nuclear test ban treaty signed, (5) Buddhist unrest capped by overthrow of Diem regime in South Vietnam. Jill's prize was a copy of the Shorter Oxford English Dictionary. Jill, daughter of Mr. and Mrs. John Cleary of Elinor Place, is a student in Walter Brossman's social studies class at South Woods.

a representative to the Board's Jan. 21 meeting. The evermounting number of commercial ventures in our community was the topic of discussion. David Levine, a Deputy Town Atty., informed the Board quite clearly where the zoning rules and regulations were being violated. Quoting verbatim from the section dealing with permitted uses he said: "Office of a physician, lawyer, architect, musician, teacher, or professional person residing on the premises and when such use is incidental to such residence; provided, however, that such use shall be within the main dwelling and occupying not more than one-third of the first floor area."

Mr. Levine assured the Board that the community's complaints would be looked into and further stated that with the new information acquired the previously inspected cases would be reinvestigated.

A few months ago the Syosset School Board announced its intentions to volunteer its School District in an experiment to attempt to reduce the educational period from 12 to 11 years. This is a state-wide program and Syosset is one of the six School Districts that have joined in the experiment. Syosset's facet of this experiment in the summer program. In July of 1965 the students who have just completed the 5th grade can volunteer to take the equivalency of the 6th grade during the summer and then enter the 7th grade in Sept. of 1965. The same procedure would be followed the next summer and thus a year would be gained. This is all on a voluntary basis. The plan is to form three tracks in this group: Bright, Medium and Slow. The Bright group would gain a full year, the Medium would gain a half year and the Slow would progress

a step up to medium in its end result.

The Civic Board has as its representative to this program, Milt Bagley, 1st Vice President, who, when rendering the foregoing report, commented that in his opinion this was a very important, interesting and progressive program, and as it unfolded itself, further reports would be forthcoming.

The Town Planning Committee of the Civic Board announced that all plans were now in readiness for construction of the first of our community's entrance gates, at Broadway, to begin in early spring.

The Health, Welfare and Safety Committee recommended that

two letters be written to Austin Saar, the State representative of the Dep't. of Highways for our area. One letter was to complain of the very inadequate job of snow removal during this last very heavy snowfall and the other would request a "Yield" sign on Jericho Turnpike, just west of Merry Lane, where the Broadway/Hicksville Road traffic engenders the Turnpike going east.

Dr. Thomas Carey, Jericho Sup't of Schools, has invited the Board to send a representative to take part in "A Budget Review Panel" on the proposed 1964-65 School Budget and "A Citizens Advisory Committee on Proposed Legislation" to examine legislation currently pending before the State, and the impact of such legislation upon the Jericho Public Schools. The Board's Jericho Education Committee informed the Board that

the College Board results obtained by Jericho High School students were poor and the number of failures in the Jericho High School were high. The committee was instructed to inform Dr. Carey that many complaints had been received from members of the community about the poor quality of instruction. This was a very vital issue and should be first on the Board of Education's agenda.

The primary importance of our educational systems has prompted the Civic Board to try and reactivate the Joint Civic Council, which was an association of the Presidents and Board Chairmen of the various civic associations to work together on problems that affected the entire district. It was obvious that a unified effort by all parties actively concerned in community wide problems, such as the betterment of our schools, could and would accomplish a great deal more than if they functioned separately. To this end efforts would be initiated for the Joint Civic Council as a first step.

Name Siminis To Road Dept

Public Works Commissioner Eugene F. Gibbons announces the appointment of Herbert J. Siminis of Jericho as Superintendent of Road Maintenance. The position was vacated when James M. Goodwin moved up to Senior Deputy Commissioner of Public Works following the resignation of Henry A. Rigali. Frank Nicoll has been Acting Superintendent in the interim.

Siminis, 34, is both an engineer and a lawyer. He graduated in 1950 from Brooklyn Polytechnic Institute with a degree in Civil Engineering and received his L.L.B. cum laude from Brooklyn Law School in 1956. He holds a Professional Engineer's license and has been admitted to the bar. He served the Manhattan engineering firm of Brown Engineers in both capacities - as an engineer from 1953 to 1958, and from 1958 through 1963 as a general attorney and member of the management staff. He is a member of the National Society of Professional Engineers, the American Society of Civil Engineers and the Association of the Bar of the City of New York.

Siminis was in the Army from 1951 to 1953 as an instructor of topographic surveying and construction in the Corps of Engineers. He is a past member of the Board of Directors and past president of the West Birchwood Civic Assoc. He and his wife, the former Gail Kaplan, have three boys.

The Division of Road Maintenance is responsible for patching, sweeping, striping, sanding and snow removal on 460 miles of County highways. It also maintains County bridges at Long Beach and Bayville. The Superintendent's salary is \$15,240 per year.

Little League Sign-Up Set

Jericho Little League is planning its 1964 season. Registration will be held at the George Jackson School, Wednesday, Feb. 5, and Thursday, Feb. 6, between 7:30 PM and 9:30 PM. It will also be held on Saturday, Feb. 8, from 10:00 AM and 2:00 PM.

Irving Weiss, President of the League, wants to point out to all boys and their parents that this will be the ONLY TIME FOR A BOY TO REGISTER FOR THE LITTLE LEAGUE.

A parent must accompany the boy at registration. The League needs the help of many fathers. Without this help it might be necessary for the League to cut back the number of boys who will be able to play. All fathers who are interested in helping umpiring, coaching, etc., please contact Irving Weiss, at Wells 8 - 1481.

Some were already famous - Adams, Franklin; some were unheard of, recruited at the last minute as replacements for men who refused to support independence... Eight of the signers were born in the British Isles...

Ten Pin Talk

by Henry Dockswell

The 1st half is over, the Spoilers are the champs. Mort Levine and his men looked for a moment like they wanted to hand the championship over to Morris Garlick and his Spooks but Morris and his boys didn't want it, or so it seemed.

Here are the final standings in the 1st half:

Pl.	Pl.
1st. Spoilers	84
(Cap't Mort Levine)	
2nd. Spooks	79
(Cap't. Morris Garlick)	
3rd. Unglicks	72
(Cap't. Sam Springer)	
4th. Jets	71
(Cap't. Norman Ney)	
5th. Lions	68
(Cap't. Leo Geyer)	
6th. Terrors	63
(Cap't. Milt Goldberg)	
7th. Bubulas	61
(Cap't. Al Minoff)	
8th. Bulls	56
(Cap't. Murray Iskoe)	
9th. Cockanemies	53
(Cap't. Murray Gittelman)	
10th. Six Finks	53
(Cap't. Herb Brody)	
11th. Team #11	53
(Cap't. Sol Rabinowitz)	
12. Demons	46
(Cap't. Sid Simon)	

Lenny Wainick wound up his 1st half with a real flourish. He had been off his game most of the season and just recently he seemed to find himself. He found himself alright. He threw two beauties, a 200, and a 202 and helped his teammates, the Bulls, to a 5-2 win over Sol Rabinowitz's nameless ones.

Tony Barbells came up with his fifth good one a 223 and sparked his teammates, the Terrors, to a 7-0 shutout win over Herb Brody and his Six Finks. This put Tony just one behind Syd Bruckner in the race for the most 200 games.

Leo Geyer wasn't going to let Tony pull ahead of him, though, for he also bowled his fifth, a 213, and pushed his league leading average up again to 174. But the rest of Leo's Lions couldn't produce. They lost to Sam Springer's Unglicks 5-2 and were pushed down to 5th place as Norman Ney's Jets clobbered Al Minoff's Bubulas 7-0 and just missed 4rd place by one point.

Now the teams start from scratch gain. In a handicap league 11cours the last could be first. At least we all have a chance to prove that we just couldn't get started in the 1st half.

Hook and Ladder Dinner Feb 22

ROBERT J. FOSTER, fire control technician seaman, USN, son of Mr. and Mrs. Clinton J. Foster of 46 Elm St., Hicksville, is serving aboard the submarine USS Dogfish, an Atlantic Fleet unit currently on four months deployment with the Sixth Fleet in the Mediterranean. The Dogfish left her homeport, New London, Conn., Jan. 7 to begin the cruise to the Mediterranean. She had been berthed at New London since late November in preparation for the Sixth Fleet assignment.

Language Of Light At Fair

An original communications device is being created to express the biblical theme, "Jesus Christ, the Light of the World" employing brilliant light, color, motion, and sound.

The display will be seen in the exhibit hall of the Protestant and Orthodox Center at the Fair. It is a cooperative venture of the Lutheran Church in America, The Lutheran Church-Missouri Synod, and The American Lutheran Church.

Described as the counterpart of an electronic "color organ," the device will have the capability of providing a spot of light, or a light wavering and undulating slowly or with great speed in a wide variety of colors and shaded and combinations. Howard Sandum, chairman of the exhibit committee, said the dramatized message will be heard against a background of intense brilliance projected upon a triple arc of plexiglass panels, ten feet high and totaling 21 feet in width.

The preparation of the narration, sequencing of lighting effects and composition and performance of the music for the exhibit are under the supervision of the Rev. Bob R. Way of Minneapolis, Wis., whose voice will be heard as narrator, is director of Television, Radio and Films for The American Lutheran Church.

The Rev. Richard Muck, pastor of St. Stephen's Lutheran Church of Hicksville, this week revealed that Lutherans of American will York World's Fair thru the language of light.

Over 100 New York area Lutheran pastors have agreed to send

a day each as chaplains at the Lutheran Exhibit, answering visitors' questions on the Lutheran Church and referring those who request counseling to proper agencies.

Lutherans will be represented among the historically famous Christian leaders of America and the world in the "Court of Pioneers," Thirty-four memorial columns, each thirty feet tall, at the entrance to the Protestant-Orthodox pavilion.

The Lutheran Exhibit will be located at one of the main traffic corners in the pavilion, directly across from the building's theater, where its feature film

will be shown at regular intervals throughout the day, Sandum said that the effect of the shapes and forms of light to be shown in carefully coordinated sequences will be one of heightened animation not possible to achieve either in a traditional mural or in the standard front-projection motion picture. The Lutheran display will be viewed within a white, sculptured, free-form shell which is lined on floor, ceiling, and several walls with bright orange-colored carpeting for proper acoustical control.

A fund of \$127,000 from Lutheran congregations along the Eastern Seaboard is being gathered to finance the Exhibit. The Fair opens April 22.

President's Corner

by Horace Bernstein

For the past few months, your Civic Association has received numerous complaints about the various commercial establishments that have sprung up in the homes of our community.

This has always been a tickle-lish situation for the Civic Assoc. as a group and to the officers and board members who have to receive the complaints. How do you go about telling a resident of your community that what he is doing in the home is illegal? It is easy for the individual to complain to the Civic Assoc., but then the Civic Assoc. must do the unpleasant work. For many years, we have lived with this situation. In many cases the businesses have died a natural death, others have flourished to the extent that their homes were inadequate and became legitimate businesses in commercial areas. Others, however, have taken advantage of the situation until now. Your Civic Assoc. must decide once and for all whether or not to take heed of these complaints or ignore them.

The Board of Directors of the Civic Assoc. feels that we as a group have been elected for the purpose of keeping the community up to the high standards that we set upon it. We have decided that now is the time to "fish or cut bait". On this basis we have had a conference with the town attorney. We have discussed in general, the circumstances surrounding our community. We realize that to some this may be an unpopular decision. In all fairness to the community as a whole, we feel that Birchwood at Jericho should be for the residents' use only. These people bought homes to live in and enjoy the quiet residential life that owning your home in the suburbs entails. They are entitled to it.

Honor Skip Orr At Sports Night

Of all the athletes who have come out of the Wantagh-Levittown area of Nassau County the most famous is Ed (Skip) Orr, the tremendous pass-catching halfback on Navy's fine football team. Orr will be the guest of honor at the fourth annual Levittown Island Trees Youth Council Sports Night to be held Saturday, Feb. 1st at MacArthur High School in Levittown.

Orr, 20, not only was Navy's best pass catcher during a 9-1 season and a trip to the Cotton Bowl in Dallas to face Texas on New Year's Day but he was also one of the best receivers in the country. Skip caught 25 passes, 12 more than Navy's next best pass receivers, fullback Pat Donnelly and end Jim Campbell, during the regular season of 10 games.

Orr gained 321 of Navy's 1690 aerial yards and had a big hand in the successful passing of Heisman winner Roger Staubach. Roger completed 107 passes and Ed Orr pulled in 25 of them. In the Cotton Bowl, Orr set a record with nine receptions for nine first downs.

Orr spent the Christmas holidays with his parents, Mr. and Mrs. Ed. A. Orr at 7 Downhill Lane, Wantagh. His next visit here will be on Feb. 1 through the courtesy of the US Naval Academy at Annapolis.

RED CARPET TREATMENT. Rene A. Carross (left), Treasurer of County of Nassau, was the first one to greet William C. McCahill (right), manager, when the welcome mat was rolled out on Monday morning, Jan. 20, the day the Chase Manhattan Bank opened its permanent office in Syosset, at 220 West Jericho Turnpike. Also present at the ceremony were George A. Roeder, Jr. (second left), executive vice president of the bank and Charles T. Schubert of the Syosset office.

LIVING UNDER LAW

TAKING PRIVATE PROPERTY

New York's growing population demands more and more schools, parks, highways, and assorted public services.

Often the state will build big universities, colleges, or other institutions, and whole new cities will spring up about them. Land goes up in price.

The state buys land through eminent domain. In this procedure it has to show that the taking is necessary for public use. It can buy whole parcels of land instead of just parts, if the cost is not much greater than the cost of taking a smaller part.

As a rule, how much land the government takes is for the Legislature, the boards of supervisors, city councils or other agencies to say. When they abuse discretion a private owner can claim "excess condemnation"—that the land is not needed for public use. What is a public need or public use is usually a legislative matter. It is hard to upset that determination unless there is a clear abuse.

But, the government cannot just condemn land and hold it for speculation for price increase alone, even though the state officials may well know they could sell it at a profit

and thus cut the cost of the needed land.

The state brings condemnation proceedings to get a court to say what to pay for the property it wants. Government may regulate use of private

property in the public interest which is different legally from taking it. Thus, in building a college, the state may also set rules for private housing for students or prohibit certain types of business along highways.

But, now and then, the state harms property in seeking to secure a public use. If so, the owner may demand and get payment if he can prove infringement of his property rights.

In one case, a city blocked off a road to an owner's home. In another the state lowered the highway and thus made a man's property inaccessible. In both cases, the owners sued and recovered damages.

Mercy League Plans Thrift Shop

The Glen-Cove Hicksville League of Mercy Hospital met at the home of Mrs. Barney Averano, in the absence of the President Mrs. Vicary Braun, who is recovering from surgery. Mrs. Daniel Mc Grath, Vice-President presided.

Members were urged to get their reservations in for the Sweetheart Buffet Dance to be held on Feb. 9th, starting at 5 P.M. - Gas Lamp, Bethpage. Donations for this event are \$5.00 per person. Mrs. Mary Bean, Chairman, promises a gala evening for all who attend.

The League is about to take part in one of the most fascinating projects to raise money for Mercy Hospital that has ever been undertaken in Nassau. This new project will be known as the "Thrift Shop" which will be located at 99 Franklin St., Hempstead. You may purchase anything from a small bric-a-brac to large TV sets. Donations for this worthy cause are needed from the League membership such as clothing, boots, rubbers, children's wear, etc. in good, clean condition, even though torn or with buttons missing are badly needed.

The shop will be open from 10 A.M. to 4 P.M. six days a week. Volunteers are needed to staff the store. Volunteers need not be League members and of course donations will be accepted from anyone.

For further information call the Thrift Shop Chairman, Mrs. James Mc Quirk, OV - 1-0207. The next meeting of the League will be held at the Brookville Country Club on Feb. 4 at 12 Noon. A "Funny Hat" contest will be held this meeting with prizes awarded for the most original idea.

LEGAL NOTICE

Huntsville Inn Of Alabama Associates: Amended Certificate of Limited Partnership filed in the Co. Clk's Office of Nassau County, on Dec. 20, 1963, amending Certificate of Limited Partnership filed in said office on or about May 29, 1963, is hereby amended as follows: Paragraph 9 is hereby amended by deleting the second sub-paragraph thereof and inserting in lieu thereof the following: "The first \$51,750 of cash available for distribution in each fiscal year of the business shall be distributed to all Partners in proportion to their contribution to the Partnership. (The sum of \$51,750 referred to herein represents 15% of the sum of \$345,000, which is the total amount of the capitalization of the Partnership). The next \$31,050 shall be distributed to the General Partners. Any additional funds available for distribution during such fiscal year shall be paid as follows: 62.5% of such funds to the Limited Partners in proportion to their contribution and 37.5% of such funds to the General Partners." Paragraph 8 of the Certificate is amended so that the same shall read as follows: "The time when the contribution of each Limited Partner is to be returned is upon the termination of the Partnership, as provided in Paragraph 5 of the Certificate of Limited Partnership, and/or upon the total condemnation of the properties which are the subject of the net leases acquired by the Partnership, and/or in the event that a real estate suit of refinancing of any mortgage constituting a lien against the real property held by the Partnership, net proceeds in excess of the then remaining principal balance of the mortgage prior to such refinancing are received by the Partnership." Around the District

By Joe Koerner

JAMES FRANCIS WHITE was the winner of the Holy Family CYO Talent Show. James played from memory a piece by W. A. Mozart, called Rondo. He will now go on to represent Holy Family Church in the Diocesan semi-finals. Besides being a gifted pianist, he takes lessons and is accomplished on bass fiddle, clarinet and guitar. His ambition is to play in Lincoln Center and for a ten-year old, he is off to a very good start. James is the son of Mr. and Mrs. Richard A. White of 249 Acre L, Hicksville.

Snow Cancels 20-Mile Hike

Because of the recent heavy snowfall, Troop 293, sponsored by the Hicksville Methodist Church, cancelled the twenty mile hike it had scheduled for Saturday, Jan. 18.

Assistant Scoutmaster Thell, instead assigned a service project to the members of Troop 293. They were asked to clear away the snow from the fire hydrants on the blocks in which they live so that the snow would not hamper the volunteer fireman in answering alarms.

OFF BEAT --- **HICKSVILLE HAS 54 SENIORS.** Headlines such as this could shake up the average school district taxpayer who made a point to vote "yes" in the recent school building program. This eye opening item was found tucked down on the bottom of page 3 in the "Comer", Hicksville High's newspaper.... "This year the enrollment of Hicksville High has increased. The 1963-64 school year finds the number of students as follows: Senior 54, Juniors 80, Sophomores 80, Freshmen 79. (Item had been culled from the "Spoodrift", publication of the Hicksville High School, Hicksville Ohio.) Thank God that's been cleared up" said the alarmed budget-minded taxpayers as he swayed out of the Little Inn.

SECTION 1 SLANTS --- So where's the pessimists (as included) who figured the Comet Courtneys would wind up getting short rations at the Division I rebounding table? "And who needs rebounds? "say the high scoring experts Tom Kumiga, Bruce Damm and Paul Colasano, who paced the Comer's first win of the season over East Meadow in the Clarke Tournament semi's. After that, Hicksville went on to knock off defending champs, Great Neck North for the "Tournament Trophy." Next came wins over Plainview, Clarke and Farmingdale and the "Petro-men" were in orbit with a 5-1 record. The Gulls, led by 67" Bob Grosso, with a 21 point spread fell short 73-65 to the Comet triple treat scoring punch. Double figured scorers for Hicksville were Damm 24, Kumiga 22, and Colasano 15. Then came the first league setback of the season in the Syosset's backyard. The Braves won 58-51 dumping the locals in the third place. Bruce Damm paced Hicksville with the baker's dozen. Syosset had five men hitting for double figures which usually (especially in H.S. school courts capers) spells doom for the opposition. And so it came to pass for the loyal members of the C.R.F., who make their annual pilgrimages into Section 1 strongholds. A case in point took place last Friday night at the "Plainside" "Placartium". The stars were out in force when Bill Corrigan hit another 19 against the Red Devils. Hicksville won 72 - 68 upping their league mark to 4-1 and 6-2 over all. Other scorers for the locals were Kumiga 16, Colasano 10, Guy Van Wagenen 7, Bruce Damm and Rich Medina 6, Bob Feldber Vin Hoosack and Bob Walker netted 3 apiece. Look for Hicksville to face Island Trees this Friday night (away). Our crystal ball rates the Comets a 10 point winner.

And speaking of winners --- Who's to deny the Jayvees coached by Stan Kallner aren't the den rulers of Section 1 --- They're undefeated up to date and should cop another win this Friday night vs Island Trees (also away).

9th Grade Basketball (Jr. High) --- "So what's this bit about giving up writing when I'm undefeated and averaging 58 points a game" asked Freshman basketball coach Bud Bryan.

Grappling Hooks - Chalk up 6 wins in 8 starts for coach Bill Roberts and his Varsity matmen. Last time out they shaded Plainside 24-20. Ralph Sontag (unlimited) came up with the fastest pin of the afternoon - a 58 second job on the Braves' Jerry Mandella. Other winners

for Hicksville were Dave Trundil, Robin Winkle, Fred Duncan, Tommy Judge and Santo Cafara. Winkle at 128 lbs. has all the earmarks of becoming a County Champ this year. Trundil at 105 rates even money bet to face his share of the action in the Section VIII derby. Look for this pair of promising youngsters to reach the Nassau County finals on Feb. 29. It's a three ring mat circus that shouldn't be missed. Hicksville faces front running Clarke this Friday afternoon at home... Still Missing (according to Artie Rutz's "Legionaires Log") --- What's this bit about Bill Biggs still missing his overcoat --- And how about Bandmaster Peter Seitz out looking for girls (for his Junior Band Color Guard)? Such goings on could bring Goldwater in for the Hicksville primaries.

Apostles Win Over St Mary's

Coming from behind in the final minutes of play, the St. Ignatius Apostles of Hicksville defeated St. Mary's of Manhasset in a CYO Bantam Division game at St. Mary's HS in Manhasset on Jan. 18.

With two minutes remaining to play and down by five points, O'Connell, Reinhardt and Prokap sand successive baskets for St. Ignatius the last by Prokap with 16 seconds left to play.

The victory kept St. Ignatius' record intact and left them undefeated in league play and with an overall record of 12 wins and 5 losses for the season.

Scoring honors for St. Ignatius were shared by Dan O'Connell, Mike Reinhardt and Ed Privitera each with four points. John Kelly was high for St. Mary's who took top scoring honors of the game with 10 points.

St. Mary's was leading at half time 15 to 8. The final score favored St. Ignatius 19-18.

It Figures

The Russian school teacher asked a pupil "Who were the first human beings?"

"Adam and Eve," the young boy replied.

"What nationality were they?"

"Russian, of course."

"Fine, fine," the teacher commented. "And how did you know they were Russians?"

"Easy," said the boy. "They had no roof over their heads, no clothes to wear, and only one apple for the two of them—and they called it paradise."

Bargain in the basement

When it comes to home heating, Gas always gives you the best of the bargain. Here are four no-nonsense reasons why Gas Heat beats the tar out of ordinary fuels—and saves you money at the same time.

- 1. Gas heat is clean:** Gas is smokeless, unlike ordinary fuels. It burns completely, without throwing off an oily residue that coats walls, ceilings, furniture with a thin film of soot. Result: Less cleaning, less painting, less decorating—and more savings—for you.
- 2. Gas heat is dependable:** A Gas heating unit has fewer moving parts than ordinary units. Naturally, there are fewer breakdowns and fewer costly repair jobs. No delivery problems with Gas, either. It's piped directly into your home. You can never run low on fuel and you pay only for what you use, after you use it.
- 3. Lilco's free service policy:** When you convert to Clean Gas Heat, LILCO gives you a free service policy that covers inspection, adjustment and cleaning of equipment when necessary. And LILCO is at your service around the clock. You can call for service at any hour of the day or night—and get it.
- 4. Money-back guarantee:** You risk absolutely nothing when you convert to clean Gas Heat. LILCO's money-back guarantee provides for a full refund of installation costs if your first year's fuel cost exceeds LILCO's advance estimate by more than 10 per cent.

Converting to Gas Heat is often just a 9 to 5 job—and you risk absolutely nothing. Call these numbers today for further information: in NASSAU PI 7-1041, in SUFFOLK MO 5-5300 or HA 3-3600. Or mail the coupon below.

To My Friends

The Zeray Family, upon the
 death of their wife and mother,
 Lois Ann Zeray on Jan. 17, 1964.

When your heart is sore and you
 miss her so,
 Would you say you didn't want
 her to go?
 Or aren't you glad her trials are
 o'er,
 And she waits for you on the
 Promised Shore?
 When your days are dark and
 you would complain,
 Would you have her back to suffer
 pain?
 Or do you thank God in His mercy
 wise,
 Cause He's taken her to Paradise?
 When you think of lonely years
 ahead,
 Do you grieve for her, cause
 she is dead?
 But she has only gone Above,
 To lead the way for those she
 loved,
 So dry those tears, bury sorrow
 deep,
 You know she would not have
 you weep,
 Could she speak to you, she would
 surely say,
 "I have just gone on to lead the
 way!"
 There is no need for you to mourn,
 She is happy now, a soul reborn.
 Her troubles past, her spirits gay,
 She has gone on, to lead the way.
 A friend, Betty A. Starke

Junior High School
Wins Equipment

At a luncheon held at the Wald-
 dorf-Astoria Hotel on Jan. 8,
 Hicksville Junior High School
 was awarded visual communica-
 tions equipment valued at \$3,000
 by the 3M Company, under the 3M
 Assistance Grant to Education
 program.

More than 14,000 schools
 throughout the United States
 submitted proposals for use of
 the equipment; only 500 schools
 were recipients of the awards.
 In the metropolitan area over
 400 institutions applied, with only
 24 being so honored.

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville
by ARTIE RUTZ

It's always refreshing when someone asks, "When and where are we having our annual picnic this year?" Even though its only January at least someone is thinking of the summertime and its many doings...And that question was asked at the last meeting by Jack Spinella (a picnic lover from way back) ... Another question arose quite recently also and that had to do with another summertime activity, Convention goings on... The date for the New York State American Legion Convention at Syracuse is set as July 30, 31 and August 1st...Don't ask me about the Nassau date yet as I do not know...Wonderful group of fellows we have who service our Biggo operations, real loyal and dedicated to their volunteer jobs...Was very happy to see our national magazine come

out with quite an article debunking the Saturday Evening Post's article (written) by the President of the U.S. Chamber of Commerce regarding Veterans' Benefits...I keep telling all veterans that they have as many enemies on the homefront trying to take what was earned and given to them, away, as they had on the battlefield when their enemy wore a uniform...Again I say to all Hicksville War Veterans; Don't let your hard fought for rights go down the drain of political hey hey...Join the Charles Wagner Post now and help the largest of all veterans' organizations fight for ALL veterans' rights.. Call me at We 5-1860 and I'll be happy to supply you with a membership application...Have you heard our Junior Band lately? Something new has been added... Must remind all members once again that both our February meetings will mainly be devoted to the new proposed changes in our By Laws (which are quite extensive) and you are requested to be on hand at both meetings so that you may properly know what the changes are all about... Our S.A.L. Unit is still seeking more boys for membership there...Happy to hear that our Auxiliary Unit has once again come up with a 100% membership... See you all at the Valentine Dance on Feb. 15th.

Knights Appeal To Congressmen

"Let's put God back in the Schools." This is the cry of the Knights of Columbus all over the Nation. The members of Joseph Barry Council #2520 of Hicksville, have been mailing cards to Congressman Steven Derounian, Rep. Pike, and Rep. Emmanuel Celler, who has this resolution bottled up in the Judiciary Committee, urging them to support Congressman's Becker Resolution #11-9 and to sign Discharge Petition #3. To date the K. of C. have put into circulation 40,000 cards. If any Organization would like these cards, they only have to write the Grand Knight of the Joseph Barry Council #2520 and the amount specified will be sent to them. Write Box 282, Hicksville.

Father's Night For East St PTA

East Street School celebrates "Fathers' Night", Thursday, Feb. 6, at its P.T.A. meeting. The highlight of the evening's program will be an exciting film, entitled "Space, Man's New Frontier", of timely importance to all parents in this scientific age. This film, sponsored by the N.Y. Telephone Co. and exhibited by one of their representatives, will be followed by an interesting and provocative social period. All space-minded enthusiasts are cordially invited to attend.

The program that evening also includes commemoration of Founder's Day of the Parents and Teachers Association, and honorary awards will be presented.

DAR Chapter Records Histories

Realizing a tendency to let family histories go unrecorded, the Oyster Bay Chapter, D.A.R., presented an Ancestor Program at their January meeting at Raynham Hall Oyster Bay. Members related the deeds of their Revolutionary War ancestors, and other interesting stories of their families early history. These vignettes were tape-recorded, and will be made into booklet form to be placed in the chapter library. Those participating were: Mrs. Charles Ardovino, Chapter Regent; Mrs. Irving Hutchinson, Mrs. Richard Nodell and Mrs. Louis Fucolo, all of Oyster Bay; Mrs. George Wulforst and Mrs. Nicholas Massa of Syosset; Mrs. John Budd, Jr. of Laitingtown; and Mrs. Theodore Rosebery and Mrs. Theodore LeViness of Hicksville. Other members will record their histories at a later date.
