Doesn't Go Down: BD. POLISHES BUDGET IN MARATHON SESSION

Hicksville School Board spent another six hours, Saturday, honing the proposed 1964-65 school budget without taking time off for lunch. As a result another \$7,156 net was added to the previously proposed budget, all in the area of salaries reflecting several policy changes.

The budget may be given a final polishing at a special meeting called for the purpose for this Friday night, Mar. 6, and there were indications that this session may be devoted to reducing, if possible, the final gross amount which now stands at a record \$11,428,871. A school tax rate increase of from 50 to 55 cents per \$100, depending upon what the State Legislature does about increased state aid (if any) is now in prospect.

About one third of the time last Saturday was devoted to the salary of the Recreation Director. As a result of this lengthy conference, Joseph F. Madden will in the future be known as the Supervisor of Recreation rather than Director of Recreation and will be paid on a newly adopted Supervisor's Salary Schedule which runs 10 per cent more than the regular teacher salary scale.

An administration recommendation to place the Recreation Director in the Physical Education area was resisted. Recreation will remain under the budget division regarding Auxiliary Agencies, rather than Instructional Services.

Several Board members were disturbed, Saturday, to find posted on a bulletin board in the Teachers' Lounge of the high school where Board meetings take place a duplicated flyer headed "The Lowest Blow" which described a report in the LI Press quoting Board President George A. Jackson on the proposed budget as "full of inaccuracies." Vice President George Kunz wanted to know if the taxpayers' paper and duplicating machine was used to prepare the flyer.

The Hicksville Classroom Teachers Assoc has been quoted in the daily press as being dissatisfied with the new and higher teachers' salary schedule adopted effective Jan. 1, 1965. Circulars complaining about Board action on salaries were handed out to commuters at Hicksville RR station, Friday morning.

An administration recommendation to provide special financial consideration to teachers who have served in Hicksville for 20 or more years was modified to apply to all teachers with 20 or more years service, in Hicksville and elsewhere.

80,000 LETTERS were put in the mails as the result of efforts by volunteers working at the basement meeting room of Seaman & Eisenmann, Hicksville, soliciting support for the American Red Cross during the month of March. Among those who assisted, from left, were Mrs. Arthur R. Carey, Mrs. Susan Thiem, Miss Louise Augustin of Hicksville and James A. Murphy of Westbury.

Extend Time On Parking Tabs

The Town Board has extended the time for new and renewal parking field permits for 15 days, from March 1 when they normally expire, to March 15 for the convenience of users. It was announced by Edward J. Poulos, Board Majority Leader.

Approximately 5,000 applications are now pending and another 5,000 are anticipated by the deadline time, according to a preliminary report made by Park Superintendent Peter S. Hussey to Councilman Edmund A. Ocker, the Board's Standing Committee Chairman on Parks and Recreation.

Applications are being processed at the Town Hall annex, 65 Broadway, Hicksville, and may be secured in person, or one will be mailed in response to a telephone call to WE 1-7630. Rates are being held at an unchanged rate - \$1 for residents and \$12 for non-residents.

Name Officials Of Internationals

Hicksville International Little League has announced the names of the following officials for the 1964 season:

Pres., A. Hollstein; Ex. Vice Pres., A. Infantino; Corr. Secretary, C. Schlauch; Rec. Secretary, T. Walsh; Treasurer, J. Sharpe; Vice Pres. Seniors, J. Egan; Vice Pres. Majors, A. Asoth; Vice Pres. Min. A., E. Schwallisz; Vice Pres. Minor B., R. Robey; Vice Pres. Farms, C. McCausland; Empire In Chief, T. Mazzullo; Sponsorship Committee, E. Farrell and J. Egan. At the conclusion of three registration periods 230 Boys have been enrolled.

Legion Gives Endorsement

NATIONAL COMMANDER of the American Legion, Daniel E. Foley, right, reads with interest the endorsement by the Charles Wagner Post No. 421, a American Legion of Hicksville, of "the principle and spirit of the community fund for the commemoration of our martyred President, John F. Kennedy". Local Post Commander Richard Hochbruechner is at the left. (Photo by Anthony Vanella).

Lions Assist Kennedy Fund

The Hicksville Lions Club has contributed \$25 to the John F. Kennedy Memorial Hicksville Fund to provide a lasting, permanent tribute to the late President. The donation was forwarded by Lions Club President Adam Scheriff of 78 Benjamin Ave., Hicksville.

The Charles Wagner Post, American Legion, has gone on record endorsing the project. They join the Board of Directors of the Hicksville Chamber of Commerce who previously expressed their support of the proposal to erect a flag pole and memorial at the "square" north of the LIRR bounded by North Broadway and Jerusalem Ave.

Contributions to the fund may be made at the LI National Bank, main office, Broadway and Herzog Pl., Hicksville, or mailed to the HERALD at PO Box 95, Hicksville.

Stimulating Speaker For Auxiliary

by Kathleen M. Hecker
The lecture at the February meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers was particularly stimulating. The program chairman, Mrs. Patrick McGee is to be commended for the wonderful programs she has scheduled during the past months and we await eagerly her coming attractions. Also worth mentioning is the little altar we see on the stage each month containing a very attractive statue of the Blessed Virgin Mary, given to the Mother's Auxiliary by Sister Venard. It has come to our attention that the candles and flowers are tastefully arranged each month by Mrs. Emil Valdes who uses the flower of the month, February's being the

Pansy. Before the business meeting the children's Science projects were on display in the cafeteria of the new school and group of very proud parents inspected the efforts of our young crop of potential Einsteins.
Sister Venard pointed out the many varied courses and opportunities for advancement and improvement during the summer months offered through the public school system. These courses, which will run from July 7 to August 8 cover Fundamental Math and, for children in grades 4, 5 and 6, there will be a special course in Math and Science if they are recommended by their teachers because of exceptional brightness. The only cost will be the \$3.00 registration fee.

Sister also reminded the mothers of the necessity of some sort of schedule for our children during the summer months rather than leaving them at loose ends. Our public schools offer a summer playground which includes art, ceramic work, field trips and many other interesting and rewarding activities.
It has come to Sister's attention that on Saturday's many children in this school district have been spending their free time over in the Mid-Island shopping plaza. All the mothers were urged to discourage this habit and see that their children are either at home or in proper play areas.

There will be a summer course in Remedial Reading at St. Ignatius School conducted by the Sisters of St. Dominic. It will begin on June 29, and end on July 31. Tuition will be \$50.00 for the course plus a registration fee of \$5.00 which includes testing. This course is for children in grades 2 to 8 and anybody interested may register at the Principal's office any school day except Wednesday between 9:30 a.m. and 2:30 P.M.

A Nomination Committee was formed in order to draw up a slate of officers for the coming year, which includes Mrs. John Brennan, Mrs. Vincent Spina, Mrs. Francis Drab, Mrs. Edward Dammer and Mrs. Joseph Hecker.

The Dark Horse prize of \$10.00 was won this month by Mrs. Robert Quinn.

A member of the Holy Name Society, Daniel Sullivan, gave a short, but dynamic talk on a subject which no one likes to hear about but nevertheless, must face as a reality and that is how very close to our own doorstep Atheistic Communism is today. We were reminded once again how simple is the solution given to us by the Blessed Mother if we would but pray the Rosary daily and attend Mass and receive Communion on the First Saturday of the month. As Sullivan so aptly put it, we as mothers do a great deal for our children, but we leave some small part that they must do themselves. So our heavenly Mother has asked us, her children, to do our "small part" while there is still time.

The cause of the Ecumenical Movement was advanced greatly and many ancient barriers were dissolved as Leon Paul opened his talk with the words, "My Jewish Sisters". A convert from Judaism to Catholicism since

Dear Lynda.

A reader writes: "supplementing your first and fine sentence in the Feb 27 issue about Woodbury Rd. and how it now looks as though the AEF engineers had just gone through good old Woodbury Rd" ... In line with this we notice from the press that Supervisor PETTIO has pledged to save the "historic" trees on Jackson Ave., Syosset. We think the trees (now gone) on Woodbury Rd were every bit as historic ... JOE LOONEY, we are sorry to report, will lost the sight of one eye as the result of a recent accident. We are all pulling for you, JOE, Hurry back soon ... Things we never knew: JERRY McGINNIGLE's first name is really GERALD, Oh, say ...

Our fondest get-well-wishes to ADELAIDE LYNCH of Cedar St., who is recovering from surgery at Nassau Hospital. Also on the sick list is Const Guardsman JACK DEANE of Smith St., in check bay at the U.S. Public Health Hospital, Boston, Mass., Bruce Bay at 24 Meade Ave., Hicksville, a soph at Northwestern U., SEIDE of 24 Meade Ave., Hicksville, a soph at Northwestern U., has been elected Grand Scribe of Nu Epsilon Zeta fraternity. Our sincerest sympathy to the PAUL and ANDREW NOVELLANO families of Hicksville, on the death of their mother, CATHERINE NOVELLANO, this week ...
Get well wishes to Dr. ERIC L. LeBARRON, former Supt. of Schools, Hicksville, who is mending after surgery at Nassau Hospital ...

Hicksville Public Library Board of Trustees will hold a regular meeting on Wednesday, Mar. 11, at 8 P.M., Town Supervisor MICHAEL PETTIO proposes that residents who display the town beach stickers be permitted use of toll approaches to Tobay Beach without charge. Either he read our recent feature articles on this matter of the causeway toll, or he didn't ... At its Feb. 6 meeting the East St. School, Hicksville, PTA awarded honorary life memberships to JOHN McGOVERN, principal, and MRS. STEPHEN FURCHAK, vice president of the PTA. HERBERT C. HABER of 39 Chioister Lane, Hicksville, has been appointed assistant general agent for Aetna Life Insurance Co. at Jamaica. PATRICIA A. ROHAN has been named Betty Crocker Homemakers of Tomorrow for Hicksville High, Cantiague Park on the former Press Wireless property will open "late this year" according to a publicity release from Mineola. We didn't even know they were doing any work up there ... WILLIAM G. OLITSKY of 73 Sleepy Lane, Hicksville, has been appointed a Deputy Director General of Associated Special Investigators International and International Charted Investigators Assoc., according to an announcement from St. John NB, Canada ...

When some of the folks at the Brookhaven Laboratory in Upton read our recent report of a trip to Brookhaven by a group of Hicksville educators, they glanced at the rest of that issue and spotted the fact that there is a GEORGE A. JACKSON School (in Jericho) and wanted to know if it was named for the Hicksville Board president with the same name. Actually there is no connection. The Jericho School name has local historic association ... WILLIAM A. BRUNO Jr., brought a portable tape recorder to the school board meeting, Friday night, and says he plans to use it at all executive or committee sessions. A series of motions by BRUNO to have the Board "censure" School Superintendent DONALD ABT for certain alleged acts failed to get a second in each case ... When the scheduled adjournment of the Hicksville School Board on Saturday was reached (12:30 P.M.) it was thought that by staying a little longer the business of the day could be completed without a lunch - break. As it was the meeting did not end until 4:10 P.M. Without a pause for lunch, sandwiches and coffee were brought in by Harry Becker about 3 o'clock.

1934, Leon Paul is eminently qualified to give Catholic audiences the right slant on Jews and Judaism. Mr. Paul started the Brooklyn Diocesan Library in 1936, with his wife began Cane clubs in Queens and in 1955 started the Edith Stein Guild. In 1957 "because of his many apostolic activities" he received a "Salute of the month" from JUBILEE magazine. He has written ...

The new design in Girl Scouting was launched in September, bringing into effect one Girl Scout program with four age levels for girls 7 through 17. The program is built upon a foundation of 6 elements - the Promise and Laws, service, troop management, citizenship, international friendship and health and safety - which permeate activities related to the arts, the home, and the out-of-doors and is carried out in troops and camps. Four beautiful new Handbooks corresponding to the new levels - Brownie, Junior, Cadette and Senior - introduced the program to the girls. The new Leader Notebook, a guide for leaders in all age levels, made its debut. The Council presented each troop with a copy of the Notebook at September's Program Launching Tea. The following are the Hicksville Leaders and Troop Committee Members.

PACING THE BOUNDARIES of the Robert Williams Purchase was re-enacted by Boy and Girl Scouts in connection with the 300th anniversary celebration in 1948. There were a surprising large number of correct answers. A former Girl Scout leader, however, was able to supply more than the date and place. The Girl Scout leader was Doretta Ann Binner and the Boy Scout, Harold Rothstein which leads to a curious follow-up. Doretta Ann and Harold chosen for this re-enactment of an old Colonial custom, upon graduation from Hicksville High School entered the Massachusetts Institute of Technology and attained degrees in engineering in the class of 1956, eight years after the picture. The unmarried Girl Scout leader adds: "they have achieved outstanding success and been a great credit to Hicksville High School, the Boy Scouts and the Girl Scouts."

Special Service For Girl Scouts

On Friday, March 13, at 8:30 p.m. a special service will be conducted by Rabbi Eli D. Sklar at the Cong. Shalom Zedek on E. Barclay St., Hicksville, in honor of the Girl Scouts of Hicksville. All scouts and their leaders are invited to attend. Refreshments will be served by the Sisterhood after the service.

Memorial Set For JF Kennedy

A memorial Program to President John F. Kennedy will be presented by the Hicksville High School Symphonic Bands under the direction of R. G. Pellerin and J. David Aht, at the High School auditorium, 8:30 P.M., March 13.

Both the Septimore and the Junior-Senior Bands will present short programs taken from the concert field, the Broadway stage and the folk song repertoire.

The principal selection of the evening will be "An American Elegie" by Tibor Serly, a composition which was given many hearings throughout the world when President Kennedy died. The band transcription was written by William Strickland of Hempstead. This will be the 3rd time the Junior-Senior band has premiered a new work.

Charles F. Gouse, Supervisor of Instrumental Music, will be guest conductor.

President's Corner

by Arnold F. Winant

It is getting closer once again to the impending school board elections. In just two short months, two men or women will be elected to the Board of Education of our School District. Who will they be? What will they do? Will they react properly to the problems of our youth? Will they build? Will they destroy?

The time to assess the value of potential members of the Board of Education, to this community, is at hand. The only intelligent manner in which the residents of this community can effectively cast their votes for these unknown individuals is to learn of their qualifications and explore their backgrounds now and not after they have been elected. They must make themselves known to us immediately. Playing politics with the education of our children is a moral crime. There are those who will wait until the last moment before filling their applications for candidacy. These people will have denied the right of inquiry to the electorate and do not deserve their vote. The candidates who file early enough to present themselves to the community will be the only ones deserving recognition.

We urge all of you who intend to run or know of someone who intends to run, to come forward immediately. Let us meet you and learn of your qualifications now so that our children can benefit from the vote we will cast.

Our first general meeting of the year is now a thing of the past. Under the guiding hand of Joel Zimmerman, our evening was informative and entertaining. Those who attended will tell you that the business of the meeting was concluded early enough to allow plenty of time for the entertaining portion of the program.

The Little Theater Group brought us to the edge of our seats, with two wonderful scenes from recent Broadway hits. We look forward to seeing more of West Birchwood's own theater, at subsequent meetings. The coffee and doughnuts were delicious and a wonderful evening was had by all who attended.

Beginning April 1st, 1964, only fully paid members of our association will be allowed to participate in our affairs and benefits. Members who have still

not paid their dues after that date, will be required to pay at the door of any Civic Association function, may not participate in the affairs of the organization and will no longer receive this informative newspaper. Remember, your dues are the biggest bargain in Nassau County. Only \$5.00 per family. Mail your dues to Bob Esposito, 82 Orange Drive, Jericho. DO IT TODAY.

Jericho Men's League

from Cy Ossit

Lo and behold! Liston and the Browns can both be beaten. On the same Tuesday night that Clay was molding Sonny silly, the Oilers were coloring the Browns blue!

The ninth-place Oilers of Mulnick, Lambert, Futterman, Freeman, and Fishbein ran up a third high team series of 2488 and swept eight points from the league leaders to tighten the standings somewhat as the season enters its third and final round. With the Browns sporting such a lofty team average and giving away a high handicap each week, sometimes as much as 50 pins, they're in trouble when they run into a hot team. And, the Oilers were cooking with gas!

Speaking of a hot furnace, Stan was just that. Stan Furness, that is. Two 200 plus games gave our "veep" a sparkling 600 series to tie for third individual high in that category. Besides Furness being back in the groove again, it's nice to see Stan Stecker, Norm Mulnick and Murray Lambert moving their averages up after a slow start. Which reminds me — it's two years ago this month that Murray bowled a 253 — our leagues highest game ever.

The rampaging Rams after back to back eight point sweeps, have now taken 50 points. They have lost but three games in the past seven weeks. Can they maintain that pace long enough to throw a scare into the league leaders? I think they can!

In the last issue, this writer expressed the desire to see Kinberg and Krause bowling with us again, and sure 'nuff, Buchman showed up as lrv (sorry) to see you go! Reinhardt's replacement. So this week, I'll try again. try again. Nobody asked me but — I'd like to see Norm Axler down 200; I'd like to see Herb Simins show up on time; I'd like to see 100 per cent attendance on more Tuesday nights. Past performance shows that teams with

Governor Says No on More Aid

by Howard Jankowitz

Gov. Rockefeller has flatly refused any of the State's plans or programs to maintain the State's share of Educational aid to local schools.

This action will create a hardship for many communities since they will have to bear the increased costs of education themselves, with no assistance from the State, as is prescribed under the Diefendorf Formula, the formula under which aid to education is distributed.

The Governor has stated that the \$500 ceiling up to which the State shares "is fair". The fact is it is not fair and does not keep faith with the intent of the Diefendorf Committee. Senator Jack E. Bronston, who was secretary of the Committee has said, "I must say to you that there was never any intention on the part of the Committee that the \$500 ceiling be continued for a single year past the 1963-1964 school year". The same situation prevails with regard to the \$180 "Flat Grants".

Certainly, and interpretation is not fair that does not take into account increasing costs that occur in education just as in every other area.

The money for the additional aid is available from various sources, many of which have been proposed to the Governor, who has only turned a deaf ear.

We should not be guided by political expediency but by practical expediency — and this dictates more state aid to education — now!

The legislature and the Senate will adjourn shortly. In each house there is much support for increased aid. We should all join forces and make ourselves heard by writing to the Governor, to Carino, Mahoney and to our local representatives Fehrenbach and Curran.

A concerted wave of public opinion can have positive results.

Study Utility

At the invitation of the Board of Education of the Union Free School District #15, the Committee "to Study Plans for Greater Use of School Buildings by Other than School Groups" met on Wednesday, Feb. 26. This committee has been empowered to study and recommend methods of making school facilities available at more economical rates.

It is the desire of the Board of Education that community groups should not only be permitted, but encouraged to use the school buildings for educational, recreational, social, and civic activities.

In order to determine the number of organizations that might be interested in using these facilities, the Committee is preparing a questionnaire. This questionnaire will be mailed by the Office of the Superintendent of Schools to all known organizations within the next two weeks. All new organizations or those which do not receive the questionnaire by Mar. 20, are requested to contact the Office of the Superintendent of Schools for Jericho so that they may be placed on the mailing list for this questionnaire.

The better turnouts finish near the top. Conversely, poor attendance usually goes hand-in-hand with last place teams. League President Targove has sent out a call for new members. If you know anyone who is interested, please have him get in touch with Maurice at WE 8-1071.

ARNOLD WINANT, President of the Birchwood Civic Association presenting plaque to Seymour Berkman, right, former Editor of the West Birchwood News.

Board Appoints Two Committees

The Board of Education meeting on Feb. 20 appointed a Citizens Advisory Committee to study the recreational needs of Jericho's youth. The purposes of this committee is to review, study and report to the Board of Education on matters pertaining to the recreational needs of Jericho's youth, to inventory the existing agencies providing recreational services and to examine the role of the Jericho schools in this field.

The Board of Education also appointed a Citizens Advisory and Review Committee on Pending Legislation, to review pending state legislation and to report its findings, observations and recommendations to the board for action. This advisory committee is to be called the "Advisory Committee on Pending Legislation - 1964 Session."

The membership of these committees will comprise a representative cross section of citizens and taxpayers of our School District who have competency, knowledge and/or training in the above fields and/or have expressed an interest in serving on such an advisory committee.

Dr. Thomas B. Carey, Superintendent of Schools, discussed the value of placing student teachers in the Jericho schools. He said that as the use of student teachers is extended, Jericho is placed more and more in the minds of college placement officers. This is very valuable in terms of teacher recruitment and the system should be concerned with cooperation with teaching institutions. Also, a student teacher in a classroom is a very definite help to the classroom teacher. At present there are about six in the system.

The school board voted in favor of supporting the Brydges-Waters Bill for more State Aid to Education.

Civic Association Approves Budget

by Hy Strell

The first open meeting in the current term of the West Birchwood Civic Assoc was held at the Cantiague School on Feb. 26. The proposed budget for 1964, featuring an anticipated operating surplus of \$100 based on an estimated membership of 300, was accepted by the general membership without opposition.

Highlights of the evening were the award of a plaque to Seymour Berkman for service to the community in his recent role as Editor in Chief of the WEST BIRCHWOOD NEWS and a brilliant theatrical performance by Alice Nusbaum portraying Blanche DeBols in an offering of dramatic selections by the Little Theatre Group.

The activities and objectives of the Civic Assoc were described in an opening address by President Arnold Winant and in talks by committee representatives Robert Kravitz (community services), Othalle Pepper (education), Harold Brensilber (public relations), Mervella Colby (membership) and Joel Zimmerman (social).

Kravitz presented a status report on the activities of the community services committee with respect to community traffic controls, Westway Drive in noise abatement, sidewalk repairs, portals at the community entrances, and a layout of a proposed town playground adjacent to the Cantiague School. He reported that approval had been obtained for a stop sign on Saratoga at Cantiague and an intersection warning on Cantiague south of Saratoga.

Movies to be Shown

Social Committee Chairman Zimmerman described the plans of his committee for a calendar of social events including movies of the football Giants, a Karate exhibition, a community Monte Carlo night and auction and a lecture on gardening problems and solutions by a speaker from the LI College of Agriculture. He promised a gala entertainment at the next Election Night dance that would not soon be forgotten. He cautioned that these activities would be open only to members of the Civic Assoc.

Urges State Aid

Civic Assoc business was followed by a talk by School Board Trustee Howard Jankowitz who discussed the American Field Service program for exchange students at the high school level and the relationship of state aid to the local school tax situation. He encouraged his listeners to write to their state legislators urging a revision of the state aid formula in accordance with the current costs of

Ten Pin Talk

by HENRY DOCKSWELL

Two teams took giant steps upward, as they blanked their opponents and jumped right into the thick of the fight.

Leading his Six Finks, from 11th place all the way up to 5th, was Capt. Herb Brody as he threw a 206, his third this year. The other Finks joined him and they clobbered Norman Ney's Jets so thoroughly that Capt. Norm's seventh 206 game, a 206, couldn't stem the tide. They were so hot they broke the team series record with handicap by 60 pins as they set the new high of 2547.

Not to be out done were Sam Springer and his Umglucks. Capt. Sam led the way for his men with a 223, the best game of the night, his fourth good one and his highest game of the year. The recipients of this shellacking were Sol Rabinowitz's nameless and leaderless #11's. Leaderless, because Sol may not be able to bowl for the rest of this season. He hurt his wrist while ice skating and doctor's

said no bowling for quite awhile. The League leading Spoilers, meanwhile, ran into an unexpected obstacle, and his name was Sy Cohen. Sy picked this spot to break into the magic circle as he threw a 205 and led the way for Milt Goldberg's last place Terror to inflict a 5-2 beating on the Spoilers.

This was Captain's night, for Capt. Murray Iakoe also came up with a good one. He bowled his third of the year, a 205, and almost got his Bulls a victory. As it was, they just lost the last game by three pins and suffered a 4-3 defeat at the hands of Morris Garelick's Spooks.

The League has become even tighter than before. Only 10 points separate 1st from last and it's anybody's guess as to who might win the jackpot.

You have the American Legion, Veterans of Foreign Wars, Catholic War Vets, Jewish War Vets, AmVets of WW 2-Korea and give them a try. No matter who you pick... they help when help is needed. Give them a try... it's worth it. In the Bethpage area there is the ARCHIE McCORD American Legion Post and the BUTERHORN BROS VFW Post. It was before the War and when I was lots younger, that I had the extreme pleasure of knowing both the Buterhorn Bros. To me it's a fond memory.

There is also the Long Island Veterans Assn. located in Bethpage. What its requirements are I do not know, but when I find out I'll let you vets know. The regular meetings of the AMVETS are held on the 1st and 3rd Fridays of the month at their new clubhouse on 66 West Barclay St., Hicksville. I know the address very well. ten many articles for America, Extension, Columbia and others and since 1959 has been giving an Adult Education course on "The Catholic Church and Judaism" for the Social Action Department of the Brooklyn Diocese and also in Rockville Centre at Molloy College. Mr. Paul also writes a weekly Jewish-Catholic column, "Mosaic" which is published in a number of Catholic newspapers.

The Jewish roots of the Church were fully explained to us by Mr. Paul and he showed how the fundamentals of the Mass and indeed the entire Liturgical year of the Catholic calendar falls into place with the Jewish background. Since we have so much in common, he said, it would be a tragedy if we could not reach an atmosphere of understanding. He went on to explain how a great man, our late beloved Pope, gave all Catholics a legacy and a lesson when, as a Cardinal in Turkey, he saved many Jews from Nazi persecution. In fact it is little known to some that Cardinals under Pius XII gave refuge to Jews right in the Vatican itself. The word Pontiff comes from the word meaning "bridge" and the late Pope John XXIII exemplified this to the fullest. When a group of 150 from the Jewish Welfare Board went to Rome to thank the Holy Father for all that was done to help the Jews - he stretched his arms out in a gesture of all-embracing love and, drawing from the words in the Old Testament, said, "I am Joseph your brother."

Mr. Paul further explained how since the 4th century the relationship between Christians and Jews has been strained and subject to much misunderstanding. This should not be since we are fellow human beings, children of the same God in a fraternal relationship with a common ancestry. It was not the will of God for such barriers of misunderstanding to exist, rather, Mr. Paul said, we should understand and love one another - which is the whole point of the Ecumenical Council.

Before the evening ended, our Moderator, Father Goggin brought a message of importance to all who follow closely any news in the secular press pertaining to happenings within the Church. In this case, Father pointed out, many misunderstandings can begin with the recent annulment granted to Princess Radzwill, sister to our former First Lady. Father explained that the Church cannot dissolve any valid marriage for any reason whatsoever - but can grant annulments where no marriage existed. During the course

of a year many such cases come to the attention of the Church, and, at no expense to the parties involved, annulments are granted where conditions warrant it. Of course, Father said, only the rich and famous get this in the headlines and as a result the entire procedure seems distorted. As is the usual custom at this time of year - the members surprised Father with an exuberant rendition of "Happy Birthday".

The next regular meeting will be on March 16 and promises to be a most interesting one. Sister Terese Catherine, Directress of Vocations, will be the speaker and, with the aid of slides, will follow the steps in the life of a Sister of St. Dominic from the time of her entrance into the convent until her death. Because the subject may answer questions in the minds of some teen-age girls it will be a mother-daughter meeting.

DOWN MEMORY LANE... Here's a record for coach Jim Grantham and his Comet gridders to emulate next season. . . The year was 1943 and those that recall this blockbusting year will also remember that Hicksville won its 2nd consecutive Class B Championship of Nassau County. This was a team that broke the school record of 158 points (8 games) by scoring 198 points in 7 games. They also tied the defensive record of 25 pts. (6 games) by holding the opposition to 25 pts. in 7 games. . . And the only team that walked off with a win was Westbury (7-0) in the 4th game of the season. Hicksville had amassed a total of 121 points in the 1st 3 game of the season without giving up a score. They shutout Southside (50-0) Port Washington (40-0) and Roslyn (31-0) before Westbury took their measure. After that came wins over Mepham 12-0, Farmingdale 39-6 and Lynbrook 26-12, to close out a 6-1 year. . . The following boys received Varsity letters for one of the best football records in the History of the Comets. . . Ray Halleran, Huntly Watson, Charles Lieb, Sid Rigby, Bill Janke, Bob Ambron, Fred Eiseemann, George Karmen, Mike Pastore, Ed Coleman, Walt Blessee, Ernie Nuse, George Van Winkle, Frank La Marca, Bob Quinlan, Jim Valentine, Joe Lynch, Ed Cheslock, Mel Voorites, John Elgers and Frank Budzinski. (That's all the records for now. . . If you have any followups on the years past '43 and would like to see them in print. . . Send them to Editor Fred Noeth in our care).

FROGS, RAMS TOP REC. B.B. LEAGUE. . . Sponsored by the Hicksville School Div. Recreation Dept. the Frogs and the Rams finished out the season with identical 3 - 0 records. Wade Laremore topped the 9 teams in action by scoring 69 points. Richie Cierski placed with 56 and Lem Eirich copped the show spot with 33. And while on the subject of Recreational leagues. . . chalk up a 1st place finish for the Apaches in the Box Lacrosse league. The Apaches took the 2nd place Mohawks in stride (16-8) in the championship game, held a few weeks back. Robin Winkle (6 goals) and Tom Cara (5) paced the champs with Joe Sarnodolig the pointending. The leading scorers in this league were Dave Hoosack 9 goals 11 assists. . . 20 points, Jerry Kanawada 12-6-18, Pete Martin 12-5-17, Larry Wesolko 15-1-16, Tom Cara 11-5-16 and Paul Ronjome 10-1-11.

"I LET THE COACH DOWN SOMETHING AWFUL" . . . or words to this effect were used by Hicksville's Robin Winkle as he stared dejectedly at the divisional wrestling chart located in the hallway of the Clarke High School. The event was the Nassau County Wrestling Championships Finals and there were other weight charts and other names. . . Including the likes of Capozzi, Paz, Stock, Harris, Lambie Specion, Hemming. . . (some of the upper crust in Nassau Schoolboy wrestling circles). Winkle had just concluded his consolation match with Pete Spry of Hempstead and had taken the 2-1 decision to add a 3rd seeding County laurel to his recent North Shore Championship belt. This was a youngster that had been bested but once in 5 long

years of schoolboy wrestling (the first 2 under coach John Santoro at the Jr. High). He kept this skien going right on through High School under coach Bill Roberts (the man he might have thought he let down) "Robin", we said in an effort to offer some small words of consolation. . . "You've set a fabulous record in Hicksville sports by only being beaten only once in league competition. . . "Do you remember who it was?" The answer tumbled out quickly but with a feeling of warmth that made the listener envy the complete education of this youngster. . . "Bryan Lambie of Clarke", he said. . . "and what a great kid" he added as he pointed to the next chart. . . "He could have beaten anybody on that chart without even half trying. . . and yet". . . "he gets knocked out in the Quarter-finals", we cut in merely rephrasing the words that were about to come. And so it went on a clear crisp Sat. nite for the Robin Winkles, the Fred Duncans, the Dave Trudils and the Rich Justmanns of Nassau County. Some became champs. . . others finished in the money. . . and still others were the also-ran's. Winkle's record in the big show amounted to 3 wins and 1 loss. The setback came at the hands of Riviera of Bernersan s 5 decision that was going to Winkle 3-0 at the end of the 2nd period. It was a match he'd like to try again. . . but there were no alibi's from this seasoned youngster. . . "I had him but he beat me fair and square", he said. Winkles other wins other than the consolation win over Spry were a 6-1 decision over Cudahy of Mepham and a 6:22 sec. pin over Schwann of Valley Stream Central. Fred Duncan, another ace matman from Hicksville, pulled out all stops in taking a 2-0 overtime decision over Williams of Levittown Memorial, in the Quarter-finals. He also came through the 1st round by decisioning Alston of South Side 6-1. After that came a loss to Henry of Freeport and a 10-3 consolation loss to Lambert of Massapequa. "A fine showing (a 4th place County finish) said his coach Bill Roberts. The Hicksville coach was also high on 2 other Comet grapplers who made their presence known throughout. . . Dave Trudil & Rich Justmann. "I'm proud of these youngsters", Roberts said. Trudil had lost out in the Q.F.'s to Jeter of Malverne and Justmann was decisioned by Raffel of Elmont in the same round. Both victors lost out in the first round to their next opponents. . . proving in a way. . . that no matter how rough or tough you are, there's always a guy around the corner who can take you. And as far as letting a coach down. . . the Bill Robert's of schoolboy wrestling are'n easily disillusioned. They'd all like to make the State Tournament, held this Sat nite at the Walt Whitman High School but their first thoughts are with the outstanding youngsters they nurture along. The Bill Roberts of Hicksville had this to say about Robin Winkle who had for the 2nd year in a row copped the 3rd seeded spot in the County. . . That boy's been a real champ, he said. . . He belongs in the State Tournament.

Chalk up a 2nd place finish for Hicksville's Pete Sullivan in the 2 mile run held indoors last Sat. nite at the Queens College Gym. This meet featuring the top track & field schoolboys in the County saw Ron Gustafson of Wantagh beat Sullivan by 15 yards

in the fast time of 9:35.5. All winners times went in the record books for this was the 1st indoor meet sponsored by the Section 8 Athletic Council. And talkin about first's. . . add the name of Bruce Devereaux to a long list of Comet greats. Devereaux un-

beaten all season in league competition went on to add a 1st place finish in the Nassau Novice Gymnastics championships held last Sat. nite at Freeport. He also finished tops in the trompoltze event.

Meet LILCO's New Recording Star

This is a metercorder, a magnetic tape recording instrument that means new efficiency in meter reading—and better customer service.

LILCO is the first utility in the country to adopt this advanced method of reading gas and electric meters, so LILCO customers will be the first to benefit by the new standard of accuracy made possible by metercorders. Your local meter reader will probably have his soon.

Metercorders are a product of this electronic age of computers. They don't eliminate the man. They eliminate his pencil and his unwieldy record book.
