9th Session On Budget

The ninth special meeting of Hicksville School Board devoted to the budget for 1964-65, Friday night, was probably the last of the series for this year. The budget must go to the printers for distribution in advance of the annual vote on May 6.

Villamano declared "we are considering the taxpayers . . . We were given a bad deal, so to speak."

Concert Set For Next Thursday

The Hicksville Community Orchestra will present its next concert on Thursday evening, March 19, at 8:30 P.M. in the Auditorium of Hicksville Senior High School.

As always, there is no admission charge.

The orchestra, under its musical director, Charles F. Gause, will offer a diverse program of music from several eras. Included will be Rossini's Overture to the "Barber of Seville," and Rimsky-Korsakoff's "Capriccio Espagnol."

Of special interest will be Albert Topper's setting of the Thomas Wolfe work "What Is Man?"

William Golecke, Supervisor of Vocal Music for the Hicksville Schools, will narrate.

Peter Horvath, the Hicksville Community Orchestra's principal violist and assistant conductor, will direct the performance of Schubert's "Unfinished Symphony."

With a projected increase in the cost of the Health Insurance Program of the District for the coming fiscal year, it was necessary to add \$5000 to fixed charges, bringing this code to a tidy \$1,500,000.

Trustees Cornelius McCormack and Irving Lawrence tried, unsuccessfully, to add \$68,000 to the instructional services area to make an already approved new salary schedule become effective next September. Instead of Jan. 1, 1965, McCormack invited Louis Vallamano, president of the Hicksville Classroom Teachers Assoc., to speak at the meeting.

The HTC has been circulating the community regarding the upcoming increase in pay. Vice President George W. Kunz noted that the Board has been under "extreme pressure" from the teaching groups. He felt their approach was not the way to solve the problem.

Enroll Voters Here Next Week

A Registration Mobile Unit from the County Board of Elections will be at the Hicksville Railroad Station on March 16, 17, and 18th from 4 to 8 p.m.

The Oyster Bay League of Women Voters urges all qualified voters to take advantage of this opportunity to register for the Nov. 1964 Elections. To qualify you must be 21 years old on or before November 3, 1964; a U.S. citizen by birth or by naturalization on or before August 3; and a resident of the state 1 year.

To qualify for voting in the Primary on June 2, you must be 21 years old after the November 1963 Election; have moved within the county after the November 1963 Election. The Mobile Unit will have special forms for both of these qualifications.

Regular registration at local registration place will not be until Oct 1, 2, 3. Avoid last minute rush and waiting in line...register now! For further information, call either Mineola Board of Elections P12-3000 or the League of Women Voters, WA 1-7250.

Few Turn Out In Library Vote

A little more than one third of all the Hicksville School District voters registered for the referendum, Saturday, upon a \$262,500 addition to the Hicksville Public Library cast their ballots. The vote was 1,334 in favor and 933 opposed. A similar proposition had been rejected in a relatively light vote in Dec. 1962.

With 6,185 voters registered, there were 2,267 votes cast between 9 AM and 8 PM, Saturday.

The proposition was carried in all voting districts except East St. where only 27.58 percent of the 1075 registered turned out. The East St. vote was 130 in favor and 166 opposed.

The Hicksville School Board, with Trustee William A. Bruno Jr. absent, met Saturday night at nine o'clock to tally the official results and declare the proposition carried. There were less than a dozen spectators present.

The vote by Election Districts was as follows:

Many Residents Use Red Cross

The American Red Cross program of First Aid and Water Safety offered for the residents of Hicksville during the past year is noteworthy. Many Hicksville firemen have been given the Standard First Aid course of six two hour classes. The Fire Dept. Rescue Squad has been given the Standard course as well as the Advanced course of eight two hour lessons, and Ambulance Servicemen have received both courses. All Nassau County policemen are required to take the Standard First Aid course.

Classes in Junior and Standard

First Aid were given to the Girl Scouts in Hicksville in 1963. Certificates of completion of all these courses are issued and are good for three years, after which time they must be renewed.

The Red Cross First Aid trailer truck has been on duty at all of the Fire Department tournaments held in Hicksville over the past twenty years and has given aid to spectators as well as competing firemen. The trailer is manned by Red Cross First Aid instructors, all of whom are volunteers.

Water Safety classes for beginners through Senior Life Saving have been conducted at pools, day camps, beaches and clubs. More than 2,600 children and adults in the Township of Oyster Bay were given instruction in swimming and life saving during 1963. This program is the best organized in Nassau County where a total of over 23,000 certificates were issued. Some training was also given in boat safety.

For information regarding these courses, the text books involved and a pamphlet, "Teaching Johnny to Swim", contact the American Red Cross, 264 Old Country Road, Mineola.

John St Project

Resurfacing improvement of East John St., Hicksville, has been approved by the Town Board. It was announced by Councilman Edward J. Poulos, Board Majority Leader.

The project was recommended by Highway Superintendent Norman T. Wolf, and was advocated by the Board by Councilman A. Carl Grunewald and Edmund A. Ocker.

The Board directed that bids be publicly opened and read on March 19.

Running for the School Bd

By Fred J. Noeth

This is the time of the year when candidates for the non-paying and often thankless job of being a trustee of the community Board of Education make known their intentions. In Nassau County, elections are held the first week of May.

Being a candidate is one of the simplest things in the world. Getting elected can be something else again. A candidate for a

vacancy on the School Board must file a petition with 25 signatures of qualified District voters with the District Clerk 14 days prior to the election.

Many novices on the Board of Education confess, after a year of service, that there is a lot more to the job than appears on the surface. It requires devotion of a great deal of time; two or three nights (or more) a month, stretching well after midnight.

Wives of school trustees are seldom pleased to find their spouses inclined to seek reelection to a second or third term. A term may run for from three to five years, although the three-year term is fairly standard in the Mid-Island area. Terms are spaced so that only one, two or three members must expire in any given year. Five-member Boards are about average, although some Districts have seven or even nine members.

The length of term, number of trustees, etc are spelled out in the Education Law of the State of New York. The qualifications of a Board member are also spelled out; they are very basic — the ability to read and write, qualify as a voter in the school district where he seeks election.

The Parent Teacher Assoc. and other interested groups have developed their own more elaborate but nevertheless unofficial "qualifications".

By common agreement, major political parties have no part in the election of School Board members. However, there are in many communities groups of citizens of widely differing opinions who campaign aggressively for the election of their chosen candidates. These range from most conservative, to middle of the road, to strong pro-education. Some of these groups are active year-round, others just make their appearance at this time of the year.

In the larger communities it has become almost impossible for an individual to get elected without the active support of some informal or formal organization of neighbors. For one thing, there is the cost of printing and distributing literature, rental of sound trucks and other trappings of campaigning.

The Forums

Coffee-kitchers are sponsored in various neighborhoods to introduce the candidates. Candidate forums are also common, under the sponsorship of the Parent-Teacher Assoc. (which by its own rules is prohibited from supporting any particular candidate) or under area Civic Associations.

The candidate forum follows a set pattern: Each candidate is given an opportunity to speak for a pre-determined period of time, rotation being determined by drawing lots, followed by a question and answer period. Questions are generally submitted in writing by members of the audience, sometimes are "screened" to weed out duplications or questions deemed irrelevant or personal.

Candidates for School Boards, successful and otherwise, have expressed the opinion on occasion that candidate forums are pretty much a waste of time. The audience is usually composed of people who have already made up their minds and seek to trip up the opposition. It must be admitted, of course, that forums do attract a certain number of uncommitted voters but their numbers are generally pretty small.

Another criticism of candidate forums are that they are held "Too late"; i.e., too near the date of election. This is due in part to the late filing of candidates.

Due to the efforts of a Hicks-ville civic association, the law was changed a few years ago to require filing of candidates 14 days prior to voting instead of 11 days. Some people who follow these things think the period should be longer.

Some voters believe the listing of candidates in the Herald is not

of candidates on the ballot is all wrong. The law requires the candidate to file for a particular vacancy or seat, naming the incumbent. The names are then listed in alphabetical order under that position. Thus a candidate with the low letter of the alphabet is almost assured top spot on the ballot. In general elections, such as primaries, the position of candidates is determined by drawing of lots.

The law also makes no provision for slate (in-line) listing of candidates. Thus Jones and Smith may be running "as a team" for two vacancies. If Smith is opposed by say, Schmidt, the names of Jones and Schmidt will appear on the same across line and Smith on a lower line by himself. Voters who are in the habit of voting "a straight ticket" thus sometimes find themselves voting for a man other than their choice.

The number of candidates for School Board varies, in any given district, from year to year. One year there may be a rash of candidates and the next year hardly any competition.

And while the election of School Board members remains one of the few truly home community decisions, a shockingly small percentage of the eligible voters interest themselves to help make the decision as to which of their neighbors shall be entrusted with determining, at least in part, what has become one half of the total tax bill upon their real estate holdings.

Hicksville, for example, has a potential of 25,000 voters for school elections. The total registration has never topped 7,000 and frequently is somewhat less.

Herald Reader Opinions:

Driver Training

To the Editor:
I am a teacher in Hicksville High School. I do not wish my name to be printed for fear of retaliation. A situation has arisen which may endanger children and cause grievous financial damage to the school.

The three driver education teachers have been notified they will not be re-hired next year. They are to be replaced by many teachers who work part-time outside their regular hours, and thus some salary expenditure will be saved. Most teachers work in the morning session; next year they report at 7 A.M. Arising early and working with a heavy pupil load, they can not be fully alert after a full day's work. Safety experts have long publicized the fact that most accidents, including fatal ones, occur at speeds below 30 m.p.h. Also, an alarming number of accidents occur off main highways.

The number of on the job moonlighters involved makes it unlikely that all of them are certified to teach driver education; their interests lie in their regular occupations. Usually uncertified teachers are permitted to teach in an uncertified area if they are responsible for only one or two classes, but even one class has children in it. Usually superintendents can hire uncertified teachers if certified ones are unavailable, but the available ones are being fired in this case. In any event, poorly trained young drivers make bad insurance risks.

In view of these factors, a damage suit might well be instituted against the school system by a parent or guardian (Heaven forbid the necessity). Lacking access to the necessary data, I can only approximate the total budgeting savings at \$5000 per annum. Damage suits are very much more costly, damage to school morale and prestige can be formidable, and the safety and life of one child are surely not to be bargained so cheaply.

Operation VFW

William M. Gouss Jr. Post No. 3211
by Edna Klabin

Another VFW Dinner and Dance becomes history. As usual all the ladies attending the affair on Washington's birthday looked glamorous in their gowns and hair — do's. Chairman, Frank Blesi, reported on the outcome at our last meeting.

Prior to the regular business at hand at the last meeting, VFW's Jack Prost, county chairman for the new Blood Insurance Plan now being introduced to all Nassau County members, explained its mechanics to the membership. The cost of the plan is three dollars a year per member. There is no set number of members required to sign up before the plan becomes effective as was in the case of the VFW Accident Insurance Plan. Interested parties are asked to contact their Post for details.

While you doing that you might also ask for information on the 7th Annual Swimming Meet sponsored by the Nassau County VFW if you have a child who loves to swim. The meet will be held at the Westbury High School of April 3rd between 7:30 PM and 11 PM. The contest is for children between the ages of seven and sixteen years old. They must be beginners. Entrance fee is 75 cents per child. READERS NOTE: This meet is not restricted to members of the Veterans of Foreign Wars but is open to all children in the age groups above, in the county. For participation call Post chairman, George O'Neill at WE 5-0326.

We welcome Albert La Placa into the realm of overseas veterans. Albert was sponsored by Post Commander Lou Klein. Good luck Al and thank you Lou.

Spring is just around the corner and with it comes another year of sponsorship in the Hicksville Little League. To our little VFW champions, we wish you the best of luck.

It's always good news to hear that one of our members who was hospitalized has been discharged and is feeling better. Such is the case with Charles Ney. Good luck Comrade Ney

and we hope to see you at some future meetings.

Comrades who are bed-ridden will be glad to know that one of the many services our wonderful Library provides is a Ceiling Projector with nearly a hundred titles on film. To borrow the projector you must be a member. If you should ever need the use of this service contact your Post Chaplain.

Winner of the last raffle was Andy Sadowski.

VFW Commander-in-Chief Joe Lombardo's deep understanding of communist objectives and United States defense policies were reflected in his address to the members of the Women's Forum on National Security, in Washington, D.C., last month.

The major part of this address dealt with our security in the Caribbean area and the creeping communism that is endangering the Western Hemisphere.

With regards to the Canal Zone, he had this to say, "and so as we assess what is going on in Panama we cannot escape the conclusion that today Communism has placed a dagger at our jugular vein — The Panama Canal."

The importance of our position in the Guantanamo base was stressed by these words, "We have no apologies to make to Cuba, or to anyone else with respect to our full control of Guantanamo Bay. We are there through freely negotiated treaties of 1903 and 1904 and treaties negotiated by Cuba and the United States in 1934. The only thing involved in renegotiating our control of Guantanamo Bay is the security of the United States — that's not negotiable."

In closing the commander said, "To the V.F.W., the prescription for survival is a simple one. Stiffness in our Nation's spine; staunchness of spirit; patriotism above profit; courage in crisis; lasting loyalty to those who stand with us and an unflinching devotion to our Nation and all those things for which it stands."

Turning to legislature we find that one of the latest bills introduced in Congress is HR 9969 which prescribes the size of flags furnished by the Administrator of Veterans Affairs to drape the caskets of deceased veterans.

Happy birthday to Gail Bernstein, Steve Kaplan, Linda Watnick, Karen and Kenny Diamond, Beverly Barnett of Forsythia Lane, Debbie and Barry Kornblum of Maytime Drive and let's not forget Vivian Scoma.

Anniversary Greetings to Ed and Arlene Livingston of Maytime Drive.

Now that I've made you into someone who looks like she just stepped out of a Vogue Magazine, and I've wine'd and dined you and furnished you with entertainment — and the latest happenings — what else can I say? It's fine to hear about your organizations, but what about you personally? We want to see your name in print. What about Birthdays, weddings, anniversaries, trips, outstanding feats concerning your children. I need your help and all this would make interesting reading. So once again I'm asking you to call me at GE 3-9789 for these bits of information.

Ten Pin Talk

by HENRY DOCKSWELL

The Spoilers are back on top. Led by Cap't Mort Levine, who bowled the highest game of the night, a 224, they clobbered Sid Simon and his Demons 7-0. This was Mort's fifth good one of the year and his best one so far. Four of his men joined their efforts to his as they bettered their averages by at least one point. Ely Szentpeter contributed the most as he had a fine series and raised his average two points, Mike Hauptman also chose that night to come up with his third one, a 203, so it is easy to see how the Spoilers collaborated to achieve this win. Julie Gershon tried his darndest to avert this defeat as he threw a 201, his third of the year, but he got no help from the other Demons.

The only other sweep of the night came as Leo Geyer's Lions shutout Milt Goldberg's Terrors and jumped from 9th to a tie for 4th in the league standings. This in spite of Bill Kellerman's valiant effort, a 200, his fifth of the season.

Horace Bernstein and Leo Truffel combined their efforts and led the Umglicks to a 5-2 victory over Murray Gittelman's Cockamamles. Horace rocked a strong 210 and Lou threw a 204 and it was lucky they were hot because Cap't. Sam Springer and the others just barely bowled their averages. Cockamamie Cap't. Murray got hot in one of the games and bowled a 200 and Irv Galt raised his average two points as he had a good series but it wasn't enough.

This week the good teams got better and the poor teams got worse. The top team is now 17 points ahead of the last place one.

The demand to join the league has been tremendous and until now we were unable to acquire more lanes at Syosset. But we have now gotten 16 lanes for next year, and at an executive meeting the league decided to enlarge its roster of teams and to have 5 man teams.

Mail Donations

Henry J. Baclaw and Mrs. A. Maitland Millet, Heart Sandy Area CO-Chairman for the Hicksville area, urged local residents who were away from home or not contacted by a volunteer to mail in their contribution to 114 Seventh St., Garden City. At the home of each "not-at-home" family, the volunteer left an envelope, pre-addressed to the Nassau Heart Assoc. Heart Fund contributions received through the mail are credited to the local community's total just as if it had been handed directly to the local volunteer.

President's Corner

By Horace Bernstein

In less than two months, your Civic Assoc. will once again hold its annual election. I am now in the process of forming a nominating committee. This committee will be charged with the duty of selecting the residents that they feel have shown an interest in area affairs and who would be willing to give of their time for the betterment of the community.

This committee is selected both from present members of the board who are not up for reelection, and three residents of the community. The Board itself consists of seven officers who are elected for a one year term and 18 board members. The board is elected for two years (nine each year). Thus, this year, nine board members will be elected in addition to the seven officers.

Although the nominating committee does as good and capable job as can be done, there are always some who are overlooked and would like to serve on the board. Our constitution provides that any resident who is a member of the Civic Association may run for office. If not nominated by the nominating committee, they must present a petition signed by 25 members (husband and wife constitutes two signatures) to the corresponding secretary.

May I suggest at this time, if there are any residents who would like to be on the board that they write or call me, I will be only too happy to submit their names to the nominating.

We have received many compliments on the brochure that was sent to all residents of the community. It is gratifying to note the excellent response and new members that the Civic Assoc. has signed as a result of the mailing. If you have not as yet sent in your dues, may I strongly advise you to do so now! Your \$5.00 membership dues will enable you to vote for the board and officers at our election and also be admitted free of charge to our dance and supper that will take place immediately after the election on Saturday night May 9th at the Jericho Country Club.

On Stage!

In the late spring, the JERICHO PLAYERS will present their production of "MACHINAL" — the story of a woman who murders her husband. Never heard of it? You read the plot every day; but in "MACHINAL" you will see it and hear it on stage — experience it with the excitement, drama — and yes — the humor that only a great play can weld into a creative and believable illusion.

We will not tell you anymore this early in the game! But every week, until the curtain goes up on "MACHINAL", your ON STAGE! column will report some intriguing facts (and fiction?) about the JERICHO PLAYERS spring production — rehearsal tidbits; who's who in the cast; the tears, tantrums and enthusiasm that attend the progress of every play from casting call to curtain time. We'll tell you all we can about the unusual rhythm and tempo of "MACHINAL" — about its style and technique. But we won't reveal the story. Not yet.

There is one innovation that has raised the PLAYERS' enthusiasm to a new high pitch. For the first

Final Appeal On Essay Contest

"The Villager" staff on Dec. 19 initiated its essay contest "The Teenager's Role in Our Community." It considered this to be timely and as important as any problem confronting a community.

Considerable effort has been gone through in order to give this contest maximum coverage. We are sure that our teenagers are aware of this contest, and of the prizes involved, if not thru this newspaper then thru their own school coverage of it. We hope many more entries will be received before the contest closes March 30th.

The contest is also open to parents, with prizes also going to them for the best judged entry. Here too, we have an admission to make! Receipt of entries from parents has been far and few. What then is needed to move a community of parents on so important and thought provoking enough to make parents think and want to send in an entry. Then too, in a community of more than 1000 parents, there must be some who have definite ideas on what the teenager's role should be and who would want everybody to know about it.

Between now and contest end March 30th, may we ask you the parents to share your portion of this contest by submitting an entry. We also ask you to have your teenage child submit their thoughts on this topic.

Elect Kaplan Party Leader

Allen J. Kaplan was elected acting Democratic Zone leader of Jericho and South Syosset, replacing Harold Fertl who was elected acting Democratic Town Leader. Kaplan has been a Democratic Committeeman for the 135 Elections District for the past six years and for the past three years has been Chairman of the Nassau County Democratic Party Education Committee. He also held many other positions in the Nassau County Democratic Party.

Kaplan has been active in local community affairs. He is Chairman of the Board of Trustees of the Jericho Jewish Center, and was a member of the Board of Directors of the Birchwood Park Civic Association, was President of the Jericho B'nai B'rith Lodge and was a member of the Syosset Kiwanis.

He is a practicing attorney and a partner in Berkap Realty Corp. He lives at 51 Forsythia Lane with his wife, Hilda, and their three children.

time, an "in-director", Dale Berg, will stage this major production. Dale has been a member of the JERICHO PLAYERS for many years, and you must remember her starring roles in "Middle of the Night" and "Picnic". You'll remember her again, with accolades, as Director Dale Berg, after you've seen "MACHINAL".

In case you missed last week's announcement in this paper, the casting nights are Monday, Mar. 16 and Wednesday, Mar. 18 at 8:30 PM sharp in room 9 at the Robbins Lane School. Every interested person is welcome to try out for a job either in front of or behind the curtain. Casting is open, and for actors, technicians and audience "MACHINAL" promises to be A-OK! (Passes "MACHINAL" is presented MA-CHEM-MAL.)

School Board Takes Position

The Board of Education of Jericho School District Thursday at a special meeting discussed current proposed legislation and decided to urge the legislature to take firm steps to adjust upwards the present formula of state aid to local school districts.

Accordingly, the Board went on record as favoring the adoption of the recommendations of the Educational Conference Board that the basic state aid formula be increased (as reflected in the Bridges-Waters bill) and that the flat grant portion which affects districts, such as the Jericho School District, be adjusted from \$180 to \$210 per pupil per year.

It is the feeling of the Jericho Board that an adjustment is imperative if its school district and others throughout the state are to continue providing a program of quality education for the children of New York State.

Parents-Teacher Assoc. representatives were present at the meeting and reported that the District Council was also urging the upward revision.

Everyone interested in quality education is urged to write State Legislators immediately, today, for passage of the Bridges-Waters BILL. In essence the bill proposes to increase state

aid per child. If the bill does not pass, you the home owner will have to pay substantially higher real estate tax. Write Hon. Nelson A. Rockefeller, Governor of New York, Albany, New York; Hon. Walter Mahoney Senate Chamber, State Capitol, Albany, New York; Hon. Joseph Carlino, Speaker of the Assembly, State Capitol, Albany, New York.

JR. HIGH GYMORAMA...Once again this (Cecil B. DeMille) extravaganza, produced and directed by the Jr. High Boys Physical Education Dept. took on its usual aura of greatness. It featured the Tall Ones...the spotlighted Comets of Tomorrow who came up with the outstanding performances that are always a part of this annual affair...and it also starred the everyday athletes the ones who make these modern Jr. Olympics possible. All played their top talents roles to the hilt and their combined efforts were at times a cross between a 9 ring Barnum & Bailey circus and a battle scene from Ben Hur. Those that glimmed this bit of "Gymomania" came away with the feeling...the youth of America are in good hands. It took a great deal of hard work and long hours of preparation to put a show of this magnitude on the road (about 200 strong)...So take a long well deserved bow Dept. head John Ash & Chief choreographer Bud Bryan. Plaudits also to the other dedicated staff members John Sanoro, Ron Benizio, Stan Kellner, Marth Riger & Ken Kingsley. This one had everything, the old the infirm and the feeble try to duck like a plague. Wrestling & Basketball exhibitions... Comedy relays... Tumbling... Ropeclimbing... Baromani (High & Parallel Bars) Side horse and Trampoline tarantella's. Spotlights performers in their order of appearance were... CARY BERTRAM, CHARLES GLOVER (Tumbling) JIM SMITH, BOB TAUB, PETE ERB, DENNIS NEMITH & BOB MAYER (Sidehorse), JIM SMITH, IRA WOOD & L. BERTRAM (Parallel Bar) GENE CARNEY, WOODS & JIM IANNONE (High Bar) CARNEY, STU HOFFMAN, JIM MORMILE, JOE MEREDITH & JOE LEOCE (Rope Climb) GLOVER, DAN LESTER, FRED KOCHER, & IANNONE (Trampoline) Bob Godlieb handled the M. C. chores like a youngster born to the Sportcasting dodge...And last but by no means least... a plug for the "Brinksmen" on hall cop duty... School Principal Bernie Braun & Asst. Principals Hal Lucas, Al Glass, Pat Naso & Mari Redding. They faded this action like Wyatt Earp & Doc Holiday... combined but our shoofly report still goes into the Superintendent's office...They deserted their posts while the spotlighted FINAL was in progress. (Can't say we blame them though...) "A REAL GASSER", said EOI RENREOK OF THE MID ISLAND, toughened up on defense...The last win of the year was a decisive one over Farmingdale." he concluded "COUSY'S WE HAD...but basketball still belongs to the Russells & the Chamberlains". These were the words of a loyal member of the C.R.F., who had just watched Syosset knock Hicksville out of the County Playoffs last Fri. nite. The score had been Syosset all the way but there were no Comet tears to be shed... nor were there any of the usual short sojourns on the high road to Hypochronidia. Fast is even the whistler in the barber pole suit had an easy time of things. He had a point spread of 32 (Syosset ahead at one time) and coasted home with 13 to spare. Final score Braves 66 Comets 53. But there were other nights

and other ballgames to remember. A Clarke Tournament Championship win over Great Neck North...A big upset win over front running Syosset (in league competition)... and finally a blockbuster upset over MacArthur in the finale. Those who remember this 3rd successive Giant Killing feat will also remember their pledge of keeping a supply of Miltnovns in the coat pocket. The fired up Comets not only earned themselves a fringe benefit 66-64 win but also ranted a Newsday headline that read... "NOT EVEN STANDINGS KEEP PETRO COOL." A fitting tribute to a fine basketball coach A FINE TEAM. Next week we'll bring you the Varsity Warup compliments of Ed Petro the Mr. Basketball of Comeland. The high scorer for Hicksville in the play-off game was Paul Colosano with 22 pts. Against Mac Arthur Tom Kumiga set the pace with a sizzling 27 followed by Colosano's 15. Other scorers were John Walker 9, Bill Corrigan 7, John Mc Kinstry 6 & Steve Schuster 2.

NOT TO BE OVERLOOKED DEPT... INCLUDES the names of 2 outstanding Comet youngsters who also competed in the Section VIII (County) Gymnastic Championships held a week ago Sat. at Freeport. Charley Butt had a 3rd place County finish in the Side Horse Event and Jim Cooney came up with a 4th place finish in tumbling. Bruce Devereaux upset in the tumbling event added a County title to his laurels. Not BAD FOR NEWCOMERS IN THE LEAGUE.

AND TALKING ABOUT GASSERS.. Who's to deny the Jr. Highwaymen (wrestling & basketball teams) didn't trash them all the frosting off the Winter's Woodard Sports Circuit this past season. The wrestling team coached by John Santoro went undefeated with an 8-0 record... BRYAN'S HAWAIIANS (the 9th grade basketball team) also swept the opposition with a fabulous 14-0 mark, or 18 straight wins (4 from last season) and RIGER'S RAIDERS (the 7th & 8th grade Basketball team) shopped out a 7-1 record for the season. The Raiders lone defeat was a 1 pt. loss to Wantagh. They later reversed this setback at the end of the year with a 20 pt. spread over the same club. Outstanding matmen for the Jr. High were Mike Lindo, Vito Adragna, Gary Bertram & George Kist. All went undefeated in league competition. Barry Rosenzweig, Tom Lee, Jay Kapian, Mark Caggiano, Ron Carman & Guy Glaser were also outstanding by losing but one match. Outstanding 9th grade courtmen coached by Bud Bryan were Jeff Dolittle (the leading scorer with 202 pts) Bryan O'Leary (leading rebounder) Jack Burke and Jim Bergholtz (leaders in assists) and Rollie McClain the top foul shootin hitting for a 70% average. According to Bryan... "Mike Massiello filled in for the starters and did a tremendous job" ... "The able substitutes" were Bob Heardt, Ken Lacrore, Bob Hasel, Nick Saman, Dee Grill, Rick Fordyce, Mike Mundy, Frank Flynn, Bruce Goldmacher & Paul Klarin. This undefeated squad averaged 56 pts. a game and held the opposition to 33. The high flyer of the year was a 73-61

win over Plainville. **AND STILL TALKING ABOUT GASSERS** ... Don't forget the Jayvee quintet coached by Stan Kellner. Kellner makes his piece of bread as a loyal member of the Jr. High coach's staff but left the pad each day to mentor Jr. Varsity Basketball, at the Sr. High. His won lost record over the past 3 seasons has been outstanding ... (1-9 our tally shows.) Outstanding youngsters on this years J. V. squad according to Kellner are... ("They'll aid next year's Varsity", he said...) Bill Pyfe, Glenn Olsen, Greg Hoberock, Frank Mulligan, Bob Klarin, Charles McAuley & Bill Fordyce. The Jayvees closed out the season with a 14-2 mark and again according to Kellner... "They played and ran well together ... developed a good fast-break and after the 2nd setback of the season.

CHECKING THE SCORE for Friday Night's concert by the Symphonic Bands of Hicksville High School are, standing, L. to R.; Charles F. Gause, Supervisor of Instrumental Music; Jeffrey Klein, Kathleen Burke and J. David Abz, director of the Sophomore Band. Seated at the piano is R. Gerard Pellerin, conductor of the Junior Senior Band. (Photo by Frank Mallett).

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville
by ARTIE RUTZ

The installation of new officers of our Sons of The American Legion Squadron was very well attended on Sunday March 1st, it was conducted quite well by Nassau County S.A.L. Commander Donald Westreau of Lakeville and his Color Guard of the Massapequa S.A.L. put on an impressive demonstration of Posting the Colors. Couldn't help but reflect as I watched the ceremony take place youngest and smallest member of the County Staff when my son, Arthur, was Nassau County S.A.L. Commander. Time flies. I know that our Squadron Advisor, Ed Leeger, was delighted with the entire proceedings especially after the sudden snowstorm that hit us on Friday night making things doubtful attendance wise at the time. If you are a member of The American Legion then your male descendants are eligible to become members of the Sons of The American Legion. How about it? We are still leading the 3rd Division in membership for this Legion year of 1964 and are soon due to close our books so if you have a prospective member handy now is the time to sign him up and at the same time help to assure your Post of being tops in membership in our Division. Things are perkering right along in prepping for our annual

Awards and Ceremonial Nite on March 21st. Don't miss it with the Minus!!! Spaghetti dinner & Dancing included free. Our donations to the Tupper Lake Convalescent Camp thru the Nassau Chapter #2 of the Tupper Lake Mountaineers is the second largest in Nassau at this time. The winner of the Capsule Drawing for a leg on a Building Bond at the last meeting was Alfred Martin but he wasn't there so it was all for naught. "Lucky" Joe Rizzo won another Dark Horse prize. Sorry to hear that two of our members are confined by illness in the Syosset General Hospital, Henry Van Anken and Arvid Johnson. Get well quickly, fellows. Our Post heads up the local Memorial Day Parade Committee this year and Lou Cesta has the chore of chairmanship. The St. Patrick's Dance at our Post scheduled for March 14th is just about sold out now. The annual dinner tended to our Junior Past Commander will be moved up to a pre-summer date this year. June 20th to be exact so plan on this gals affair now. Happy to report that Harry S. Webster, 3rd and Fred Behn joined us as members since last weeks column and our membership climbs to a new all time high with each veteran who signs up. How about your friends and neighbors?

HI NEIGHBOR

If you are a newcomer in the Jericho-Plainview area, you may look forward to being greeted by our local Hi Neighbor representative. She will come bearing gifts and messages of welcome from civic and religious leaders as well as prominent businessmen of our community. She will acquaint you with various local activities and make your arrival a happier and warmer event. Should you have a brand new neighbor in the neighborhood, be sure to phone.
