Anticipating Flood Of Late Candidates

The Hicksville School Board election, which has been slow in taking shape, could be headed for a flood of candidates in the final week before the deadline for petition filing on April 22. The voting is two weeks later.

George A. Jackson, president of the Board, whose term of office expires on June 30, announced several weeks ago that he will seek re-election and has filed his petition. The other vacancy is the one from which Dominic F. Sabatella resigned last October. It was never filled by appointment or special election.

The names of at least five candidates for the Sabatella seat are in circulation, one of which is a woman. One of the Caleb Hornbostel of 106 Dean St., it is said, will be the special choice of TEACH which has taken active role in school elections in recent years. Irving Lawrence, under the auspices of TEACH, was elected last year.

Another known possible candidate is John J. McManus Jr. of 62 Lehigh St. A five year term as trustee on the Hicksville Board of Library Trustees will also be filed at the annual election on May 6. Ruth Aaron, who was appointed to the Board two years ago, may be a candidate to succeed herself although no petitions have been filed as yet.

Hear Candidates At Forum Apr 27

The Hicksville Council of P.T.A. Units will sponsor a "Meet Your Candidates Forum" at the Hicksville Junior High School auditorium on Monday night, April 27, at 8 P.M. Candidates for the School Board and the Library Board will be invited to participate in accordance with rules laid down by the P.T.A. Council. Chairman of the Forum will be Attorney Joseph Giordano.

53 Minute March Here on April 27

Mrs. William T. Hayden of 7 Petal Lane, Hicksville, village chairman, has announced that the annual "53 Minute March" of the Nassau Cerebral Palsy Assoc., to raise funds for the support of its \$1 million treatment center will take place in Hicksville and other villages throughout Nassau County the night of April 27th between 7 and 9 p.m.

Protests were recorded with State, County and Town officials this week regarding plans of the County Public Works Dept to move the Cantigue Rock from its historic location on W. John St at the corner of Cantigue Rock Road. The Rock was set in position in 1745, 31 years before the American Revolution.

The glacial stone, measuring over 2 by 2 feet and a foot thick, had been dragged down from the hills of Jericho--presumably by a team of oxen--and set in location to settle a boundary line dispute between the Robert Williams Plantation (Town of Oyster Bay) and the Town of Hempstead. Hicksville celebrated the 300th anniversary of the Robert Williams Purchase in 1948.

The State Education Dept marked the Cantigue Woods as a state historical site and the metal sign there read as follows until it was demolished by a motorist: "Cantigue Woods mentioned in Andros Patent to the Town of Oyster Bay 1677. Rock placed as town boundary marker 1745".

Robert Williams on Feb 13, 1666 obtained a patent from Governor Nicolls confirming his Indian purchase of May 20, 1648. In Governor Andros' patent to the Town of Oyster Bay he mentions the Williams Purchase as an accepted patent.

Roughly a century after Williams made his land purchase the owners of his plantation land mostly the heirs of the Williams family, agreed in 1745 to submit and divide the Plains in the following manner:

1. The whole Plains to be measured and computed.
2. A highway of four rods in width from eastward to westward deducted and two other highways across, one from Jericho toward Jerusalem (Levittown) and other from Jericho to Bethpage, each four rods in width.
3. Pay all expenses of same.
4. After computation land shall be divided

Following a colonial custom, Boy and Girl Scouts with their leaders paced the boundaries of the Robert Williams' purchase area during the 300th anniversary celebration. They started at Cantigue Rock.

either by deed or proprietorship.
5. A general map made of the whole large.
6. Everyman's lot to be entered upon public record.

Samuel Willis was chosen surveyor with Jacob Titus and Richard Post as chain bearers. Disputes as to lots were to be adjusted by Titus V. Post.

A committee of William Soeman and Zebulon Soeman was appointed to adjust claims of the boundary with the Town of Hempstead. And here-in came the Cantigue Rock: "A corner marker was to be set up as a permanent boundary marker".

Mitch Miller Coming to Fair

Study Inc. will sponsor an International Fair at Hicksville Senior High School on Saturday, April 25, from 10 AM to 5 PM. Proceeds are to provide scholarship opportunities for qualified Hicksville foreign language students to study abroad.

Voorhies Victor In Close Vote

John Specht is the new chief of the Hicksville Fire Dept, being elected Thursday night to succeed Walter Telender without opposition. Telender had served for two years and Specht was formerly first assistant.

Constantine (Gus) Corsonas was advanced to first assistant and Clifford Davis to second assistant chief. In a contest for third assistant, Melvin Voorhies nixed out James Taxier by 14 ballots.

Nominate Cialdella For County Post

Michael Cialdella, a member of the Charles Wagner Post, was nominated by Vice Commander Arthur Rutz for the office of Commander of the Nassau County American Legion for 1964-65 at the 3rd Division Caucus in Bethpage on April 8th.

Legionnaire Cialdella is presently serving on the county staff as Treasurer and has also served as a county Vice Commander; County Membership Officer and as County Adjutant.

Delegates representing the North Shore section of the Nassau Legion voted unanimously to back Cialdella at the coming Nassau County American Legion Convention, June 13th, at Massapequa.

Michael J. Ollins of Hicksville, has been elected to membership in Epsilon Nu Gamma, literary fraternity at Ithaca College. He is the son of Mr. and Mrs. Samuel Ollins, 9 Wellesley Lane, Hicksville. He is majoring in English at Ithaca College.

Dear Lynda:

Happy birthday to a swell guy, RICHARD GULJORD of Crescent St. who will celebrate on Saturday. Many, many happy returns.... Get well wishes to JERRY STEEDMAN of Woodbury Rd., who is recuperating at Meadowbrook Hospital following a bout with pneumonia.... Local cabbies are grumbling that they are being prevented from discharging and picking up passengers at the Plaza. According to them, the two cab companies that rent stand space at the Plaza want them kept out. They want to know what is going to happen to their steady customers that patronize the Plaza merchants? They claim there is no such restriction at Roosevelt Field or other shopping areas on the Island....

Get well wishes to KITTY WEISS, a patient at North Country Community Hospital in Glen Cove.... Little was accomplished at the Hicksville School Board meeting between 8:30 P.M. and midnight involving a wrangle about accepting the resignations of several high school English teachers. WILLIAM BRUNO for most of the time sought to delay action with motions to table and postpone, although he failed to spell out his reasons. At one point he even made a motion, which carried, to go into Executive Session. It is scheduled to be on the agenda at the next regular meeting.... We hear there is a petition in circulation in behalf of AMY SEILOFF to be a candidate for the Hicksville School Board....

Volunteers are urgently needed to assist with the JOHN F. KENNEDY MEMORIAL HICKSVILLE FUND. Please call ELAINE ARNSTEIN, co-chairman, at PY 6-9835 if you can give some time for this most worthy cause...

HAROLD HAWKHURST has lost his miniature Doberman Pinscher. The pet is black and tan and answers to the call of Dee Dee. Its correct name is Dandy Danda, in honor of a well-known figure. Please call Hawkie at WE 5-2567 with information... Monthly meeting of the East Nassau Chapter of the Catholic Nurses Assoc. will be held Monday, April 27, at Our Lady of Mercy School Auditorium in Hicksville... MARGARET TRAVERS of 1 Amhurst Rd., Hicksville, is one of four graduate students of St. John's University awarded a scholarship enabling them to study the language and culture of China during the summer of 1964 in Taiwan... Hicksville Rotarians will be at the Mall between Broadway and Jerusalem Ave., north of the RR, starting at 10 AM Sunday, April 26, to clean up the area as they have for the past several years as a public service... DONALD R. PIERCE of Hicksville has been elected Flag Lieutenant of the Manhasset Bay Power Squadron... Regarding Teachers' Statement :

Requires Some Perspicacity, Says Kunz

by George W. Kunz, Hicksville School Trustee

I must admit to being perplexed by the permutuation of the Hicksville classroom teacher Association's reply to my comments on teacher's salaries. It is evident that a great deal of perspicacity is required to fully appreciate their position.

The whole issue still boils down to: "When is a raise not a raise?" If, for instance, a teacher on the third step of our Master's scale earned \$6200, effective January 1964, and in January 1965 that same teacher automatically jumps to the fourth step at \$6840, how much more would you figure to be the difference? Unless my mathematics are old-fashioned, the actual salary increase for that teacher is \$640. I don't know how HCTA has the audacity to say that it only amounts to \$204.1

In an attempt to justify their reply, HCTA obviously ignored the fact that a scale system provides for automatic raises. If the Board had not altered the present scale, a teacher now on the third step would still re-

ceive \$300. more on the following step. Under the scale, however, the actual increase has been raised to \$640.

I am quite prepared to support my figures. If any teacher or citizen of this community has any doubts, I suggest they obtain a copy of the salary scale effective January 1964 and compare it to the new one which takes effect next January.

Apparently HCTA is under the impression that a person in business only works from 9 to 5. I can assure them that the conscientious businessman also devotes much time to preparation of the next day's work and to extra-curricular activities. All they need do is look around and notice the many civic-minded, charitable individuals whose contributions to daily living require considerable effort and sacrifice without remuneration. Those same people are required to read business manuals and make up reports to keep abreast of their business. And in order to get ahead they, too, must school themselves in the intricacies of our ever-changing and complex society.

My remark about the 5% take home bill, recently signed by the Governor, was described by HCTA as "inaccurate". I said the bill would mandatorily increase each teachers' salary by 5%, and I emphatically stand by that statement! If a teacher has 5% of his pay deducted for retirement, and the Board, acting within the law, says: "You no longer have to contribute that

sum because we will pay it for you." — doesn't that mean the teacher has 5% more to take home as salary?

I am prepared to go into many other areas of benefits such as tenure, sabbatical leaves, accumulated sick leave, pension, health insurance, etc. if forced to, but I feel enough has already been said. I would rather see HCTA devote their time to working in harmony with the Board on matters affecting the educational well-being of our community. After all else is said and done, our children are the ones who will be affected by continuing disunity.

Budget Hearing Next Friday

The first part of the Hicksville School Board regular meeting on Friday night, April 24, starting at 8:15 P.M. will be devoted to a public discussion of the proposed district budget for 1964-65. The meeting will be held in the Senior High School Auditorium.

Copies of the detailed proposed budget were distributed by mail to all district residents this week. The budget had been prepared during a series of nine special sessions held during January and February. It provides for an estimated tax rate of \$6.14 per \$100 compared with \$5.72 this year.

Seventy-five percent of the budget is for payroll including 66.9 percent for teachers, 1.9 percent for administrative, 1.9 percent for clerical and 4.6 percent for custodial and maintenance.

The balance of the budget includes 3.8 percent for instructional material, 10.6 percent for operating expenses, .7 percent for new equipment and 9.6 percent for bond costs.

The total gross budget is expected to be \$11,434,871, compared with \$10,913,869.25 the current year. State aid for next year is estimated at \$5,370,000, compared with \$5,175,000 this year.

First of two registration days for voting on the school and library budgets and for school and library trustees will take place on Saturday, April 25, from 9 A.M. to 8 P.M. The second date is Wednesday, April 29, from 12 noon to 9 P.M. Voting is Wednesday, May 6, from 12 noon to 9 P.M.

Campagne, Lo Faso Seek Re-Election

Two Bethpage School Board trustees whose terms are expiring this year have announced their intentions to seek re-election. They are Charles Campagne, who has served on the Board for over 20 years, and who was honored by his colleagues several years ago by having an elementary school named for him; and Anthony J. LoFaso, a past president who has served for seven years.

Both candidates have pledged themselves to a program of the finest education within the means of the taxpayers, and to carrying on the fight to obtain increased state aid for a more equitable distribution of the tax load.

Campagne and LoFaso have received the endorsement of two citizens' groups: Citizens for the Re-election of Campagne and LoFaso, chaired by Mrs. Maurice Plotkin, and The Taxpayers' Education Committee, chaired by James Agiesta.

Japanese Film

The Hicksville Public Library on Wednesday evening, April 22 at 9 P.M. will present the last of its planned film programs of the season. The feature, "Throne of Blood", was made in Japan in 1957 by famed Japanese director Akira Kurosawa. It is the tale of a power hungry war lord of the 16th century. All are welcome and there is no admission charge.

Library Corner

National Library Week is celebrated from April 12 to 18 with special displays, programs, and numerous speeches throughout the country extolling libraries and librarians. It seems appropriate during this week to point out some of the advantages and opportunities of being a librarian.

The library profession is plagued by shortages in all categories. The great increase in population, education, knowledge and leisure time have contributed to making books and other tools of knowledge more vital than ever before. College and University libraries, alone will have to meet double the demand on their resources by 1970. Public and school libraries are facing unprecedented demand from the young getting an education and needing increasingly complex and scientific libraries need librarians who have a keen knowledge of subject matter as well as training in library techniques. There are probably 12 or 15 job offers for every librarian upon graduation and in certain positions, children's librarian for example, a young graduate can receive 30 or more job offers from all over the country. Beginning salaries are in the neighborhood of \$6,000 in many areas, with

many fringe benefits.

Any description of the salaries and job opportunities should not overlook the chances of advancement and fulfillment in the profession itself. The librarian's work is of such a varied nature that a person interested in materials of communication can work at many levels. For people who wish to work with books there are thousands of jobs available in purchasing and organizing materials; for those interested in assisting people to use the library there are many reference positions in public, university and industrial libraries; for those with a scientific bent there are many science libraries and a whole new field opening up in complex electronic systems for information searching. We need administrators, book lovers, public relations experts, science majors, children's librarians, communication experts and many others basically interested in books and public service. I hope this will encourage parents, guidance counselors or youngsters to inquire further into this growing, useful and fascinating profession. The public library has a number of new pamphlets on the subject of library careers available.

Meet School Board Candidates

The Jericho P.T.A. Council cordially invites the residents of Jericho to attend its Annual MEET THE CANDIDATES NIGHT on Wednesday, April 29th. The meeting will take place in the Speech and Drama Room of Jericho High School on April 29, promptly at 8:30 p.m.

All Candidates for the Jericho Board of Education will be invited to speak at this meeting. Following presentation of the candidates there will be a question and answer period from the floor. Candidates will be presented in a completely non-partisan manner as it is the traditional policy of P.T.A. not to endorse any candidate for office.

Following the MEET THE CANDIDATES portion of the program, Dr. Thomas F. Carey, Sup't. of Schools for Jericho, will give a brief presentation of the proposed budget for 1964-5.

All residents are urged to attend this most vital meeting. It is important to vote on May 6th, and it is equally important to be well-informed before you vote.

President's Corner

by Arnold F. Winant

An important order of business concerns our education committee and its inquiry into the qualifications of candidates for school board.

Our school district board was presented at an open meeting of the school board recently. In my opinion, the budget appears low and certainly small in comparison to the increase of expenses in other school districts. It was the most detailed budget of this type I have ever seen. The presentation made by Dr. Carey was unique and seemed to search every corner of expenditure. Dr. Carey assured everyone present, that although the budget was small, there would be no sacrifice of educational facility or program. In fact, it contained provision for advanced study and the upgrading of curriculum. The school board and Dr. Carey have done a tremendous job.

The community is on the war-path against vermin and, in particular, against our fuzzy little friends with long tails. The dumping grounds and lots which seem to go hand in hand with the development of every new community are breeding grounds for these creatures. With the advent of spring weather and new building starts, these rodents will be bulldozed from their nesting places and the ground has been poisoned to prevent them from traveling to other parts of the community. Therefore, beware and be careful with your pets and your children if you live near any of these areas. Don't allow your dogs or cats to wander there and warn your children not to play there.

Come May 1st, all those who have not paid their dues will be taken off the rolls as members of our Civic Assoc. A letter will be sent in the very near future reminding those who have not yet paid their dues. Our subscription lists to this newspaper will be revised as of that date. We regret to take steps in this direction but we feel that to grant non members the same privileges as members is unfair.

Jericho Men's League from Cy Ossit

As the bowling season draws near an end, although not near enough for some, certain questions are uppermost in my mind.

Will Vince Greco's 248 stand up as high game? I've got a hunch someone will yet break the coveted 250 barrier. Maybe Hank Halberstadt—who already has broken, rather shattered, the 200 mark nineteen times.

Can the Browns, who have been in first place practically all season long, be overtaken by the Rams, the hottest team in the league the past three months? The rampaging Rams have gained 80 points to the Browns 70 since the year began and have gone from 7th place to second place. In the same period the 3rd place Steelers of Goldstein, Zydner and Company have been able to garner only 50 points while losing 54. But, if the Rams could gain only ten points on the league leaders in three months, the odds are against them picking up some sixteen points in half the time. Nevertheless, as dim as it appears, the Rams, led by the recent surge of Jerry Richter and Vince Saggese, represent the league's only challengers to the first place Browns. Richter and Saggese both have tacked on a point a week to their averages the past ten weeks, with Jerry coming through with a very large 234 (two open frames yet).

Would the majority of the bowlers have had a better year if we had remained at Westbury Bowl? With only a handful of the guys at or above their averages of last year, several of the boys have expressed disappointment in their individual bowling and seem to have lost interest completely. I, for one, feel that Westbury Bowl kept the guys closer together and interest remained keener, especially with the overhead scoring. But, I'm sure that after a year of Syosset under our belts, the averages as well as the interest will again pick up next season. So, in the meantime, let's see what you fellows can do in stopping those bruising Browns.

Attention all bowlers! This is just a reminder: Don't make any plans for Saturday nite, June 13th. You already have a date at the Galaxie in Plainville.

(Ed. Note. Several citizens have commented on Cy Ossit's last column, anyone wishing to throw a few strikes and spares regarding it are welcome to equal space here in the Birchwood News)

Education Unit Backs Candidates

Dr. Arthur Carin, President of the Jericho Board of Education and Howard Jankowitz, Board of Education Member, both received the unanimous endorsement of the West Birchwood Civic Assoc. Education Committee in seeking reelection this May to the Board. The proposed new budget also received the committee's approval.

In giving their approval the committee enumerated some of the achievements that these men have made to the Jericho School System and to the community as well. While working to improve the present quality of education they have also been keenly aware of the need of preventing the budget from skyrocketing and for keeping our school taxes within moderation.

Both worked for the defeat of the proposed downzoning of the Meadowbrook Club, which if allowed to occur would have changed the complexion of our community as well as resulted in a eventual increase in taxes and decrease in the value of our homes.

The proposed budget for 64-65 was endorsed, although showing an increase in taxes of 35 cents a hundred of assessed valuations in does look favorable in comparison with other Nassau districts where increases of 75¢ to over a \$1.00 of assessed valuation have been proposed. The committee pointed out that substantial part of the budget increase had already received the public approval in the bond issues endorsed last year.

Counsel of Israel As Guest Speaker

Yakov Aviad, Consul of Israel in New York, in charge of Press Relations since February 1961, will be the Guest Speaker at the Jericho Jewish Center on Sunday morning, April 26th, at 9:00 a.m.

Aviad, born in Berlin in 1925, came to Palestine with his family in 1933 and was educated at the "Ma'aleh" High School in Jerusalem. He served with the R.A.F. during World War II, in Egypt and later served in the Israeli Defence Forces.

In England, Aviad pursued his higher education, studying modern languages and Public Administration at the London School of Economics. He has been in the service of the Israeli Government for about 12 years. In 1948, he held the position of private secretaryship to Dr. Weizman, President of the State of Israel. In 1949 he did research work at the Israel Foreign Ministry, and in 1954, he campaigned for Israel Bonds in Switzerland.

ON STAGE

"MACHINAL"

Sophie Treadwell was a brilliant dramatist who took the daily facts of life -- love, infidelity, adultery, murder, and execution -- and, with superb stagecraft, molded them into a tempestuous and exciting play.

"MACHINAL" is based indirectly on the Ruth Snyder-Judd Gray murder case of many years ago, an event which currently still affords newspapers and magazines fascinating material for feature articles and Sunday supplements. Recently, the New York Post devoted its special feature page to the story of this affair.

Perhaps the unabated interest in this case is due to the fact that Ruth Snyder was the first woman to be sent to the electric chair in New York. It may be that in a psychological sense, the motivations and compulsions that led to three deaths are still under the microscopic examination from which new insights into human behavior will be gained. Or, it may be simply the attraction of a good murder story, which, in truth even more than in fiction, returns to pick hauntingly at our innards.

"MACHINAL," excites interest

in many ways. Most importantly, it is a good story -- a good play. And yes, it will haunt you. See it on May 22 or May 23. Call Roz Fox for ticket information at WE 8-8742.

Becomes Engaged

Mr. and Mrs. John A. Wenck, Jr., of 4 23rd St., Jericho, have announced the engagement of their daughter, Mary Ann, to Nicholas Carlisle of Valley Stream. Both are employed by Silicone Transistor Corp.

Colleges Accept Jericho Students

Recent Jericho High School Seniors that have been accepted to college are: Brenda Dolensky, State University College at New Paltz; Robert Auerhahn, University of Virginia; Richard Berly and Ralph Shaput, Hofstra University; John Rogers, C W Post; John Saunders, University of Pennsylvania; Peter Shulman, Joel Sigmund and Edward Winarsky, Temple University; Arthur Kaminsky, University of Rochester; Steve Sugarman, Alfred University; Marian Segel, State University of New York at Buffalo.

WEST BIRCHWOOD Little Theatre Groups are rehearsing for two plays in a "Double Header," being sponsored by the Civic Assoc. with proceeds to Jericho School District libraries. TOP, from left, Jeannie Glickman, Win Wideltz and Alice Nusbaum being directed by Ed Krause in a scene from "Another Way Out". BOTTOM, Annette Rubinstein looks down on Jerry Meister and Eugene Singer while rehearsing a dramatic scene from "The Mail".

Giant Backward Step on Apts

"The report of the Democrat-controlled Nassau County Planning Commission recommending apartment houses of five to six stories in height and a unit density of 50 per acre, or an increase of more than 34 units per acre than is now permitted under the Oyster Bay Town's Comprehensive Plan, is a giant backward step that could seriously under-

mine the Town's planning and development for the future," Town Board Majority Leader Edward J. Poulos declared this week. It would also change the character of the community, he added.

"This report on apartment houses must be taken as the representative thinking of the majority members of the Planning Commission and the Democrat-county administration, which must have sanctioned the report before it was released.

"The governing body of the Town of Oyster Bay has repeatedly warned against this Planning Commission concept as a step towards citification of our suburban Town," Poulos stated.

Consolidate Four Town Departments

Oyster Bay Town Board has accepted the recommendations of McKinsey & Co. to establish a Dept. of Administrative Services, Town Board Majority Leader Edward J. Poulos announced. The new department consolidates Purchasing, Multitith, Town Public Buildings and Real Estate Departments under the supervision of William Vincent.

Also included in this first phase of the re-organization plan is the transfer of the Photostat Division of the Multitith Dept. to the jurisdiction of the Town Clerk.

Named Judge

Martin Reich, owner of the Skyliner Diner and a director of the Nassau and Suffolk Dining Car and Restaurant Owners Assoc., has been named as a judge in the "Miss Diner of 1964" contest. It was announced this week by Frank Bannon, president of the Assoc.

Award Contract For Cutting Grass

Oyster Bay Town Board has awarded a seven-months' contract to Park and Estates Maintenance, Inc. for the cutting, mowing, policing and trimming of 152 park areas in the Town of Oyster Bay. The firm was the lowest of three bidders, submitting a bid of \$74,000.

In awarding the contract, Board Majority Leader Edward J. Poulos pointed out that a report by Peter Hussey, Park Superintendent, and a professional man in the field, showed that it would be more economical for the Town to handle mowing on a contract basis rather than instituting the alternative of increasing personnel and purchasing expensive machinery.

Attends Dance

Miss Carol Axelrod, daughter of Mr. and Mrs. Edward Axelrod of Plainview attended Claremont Secretarial School's Spring Dance held at the Garden Room of the Huntington Town House on April 3.

CITATIONS for meritorious action above and beyond the call of duty were presented this week to Town of Oyster Bay sanitation men, (1 to 4), Paul R. Cavalluzzo of Hicksville and George Landi of Farmingdale, by Board Majority Leader Edward J. Poulos. The sanitation men and a co-worker, Joseph F. Razzano, Bethpage, (absent when the photo was taken) while on their regular collection route, discovered a fire in a residence, and took prompt action in extinguishing the blaze and rescuing a housewife, Mrs. Ronald T. Clarke, of 170 Twelfth St. Bethpage, and her small children. Poulos presented the Citation in behalf of the Town Board.

QUESTIONS & ANSWERS: What is the present maximum amount of a GI home loan the V.A. will guaranty? ANS: The V.A. will guaranty up to 60 percent of the loan but not more than \$7,500. The limit on the amount to be obtained in a direct loan, when no loans are available from private lenders, is \$15,000.

QUEST: I understand my daughter although over 18 may continue to receive her nonservice-connected pension up to the age of 21 if she is attending a VA approved school. How can we tell what schools are VA approved? ANS: Most well-known and recognized schools and colleges are on the VA approved lists. If you are in doubt contact the Dept. of Education in the state you reside in or your nearest VA office.

INSIGNIAS & NICKNAMES. The broken chevron on the shield of the 363rd Regiment is a memento of its breaking the Hindenburg line in World War I. The Fleur-De-Lys and Lion symbolize service in France and Belgium. Nicknamed the "Blue and The Gray Div." The 29th Infantry's Blue and Gray Insignia is a reproduction of the Korean symbol for eternal life. A trio of falling bombs emblazoned on the insignia of the 45th Bomb. Grp. heralds the DE ASTRA (From The Stars) motto of the group. The determined fighting spirit of the 479th Atr Fighter Group is typified by its slogan, PROTECTORES LIBERTATIS (Defenders of Liberty).

REMEMBER THIS DATE. April 1st, 1945 the US Tenth Army and US Marines invaded the Island of Okinawa. More than 1500 naval craft and fleet of 1400 participated in the operation. It was on this Island that the Commander of the 10th Army, General Simon Bolivar Buckner Jr., was killed in action. If his remains have not been moved elsewhere, at his feet lie two GI's R.L. DUNN and D.E. SMITH. To you just a name but to us a memory. If Mrs. Maxey reads this and wants another copy of the poem I wrote years ago for her son, let me know and I'm sure FRED NOETH would publish it again. Again let me say another large batch of stamps to Northport VA hospital and to San Diego Naval Hospital, Calif. REMEMBER WHEN... The P.

X, served 3.2 beer? When company chow wasn't so good, so we ate at the Post Exchange? When 3 out of 10 homes sported a flag with at least 1 Star on it for service? How many old Hicksville vets remember the good old Servicemen's Center in town? Almost every other sister, girlfriend or mother wore a pin showing what service their loved one served in?

WORLD WAR II Songs, Marie Elana, Amapola, I'll Be Seeing You, Lily Martine, Bless Em All, and last but not least, "I'll Be Home For Christmas" ?? Before I close let me say this, I had the privilege of meeting LEW AYRES, star of the old DR. KILGARE movies while in the Pacific. I bunked with each movie stars as LONEL STANKER who after being released from service made a hit in the movies "Guadalcanal Diary". Mike Duane of "The City Without Men" and the never forgotten GEORGE REEVES, T.V. Super-man...but when it comes to honor and being proud...the guys and gals from Hicksville, Syosset and other local areas that I met and knew, the ones who I said hello to again after the war, and those who I would never be able to...I'd trade a million to-morrows to have them back.

They do not grow old as those of us grow old
Age does not weary them, nor a glass condemn
But with the going down of the sun
And in the morning, I shall remember them.

Syosset Tax Rate up \$1.08

Your Syosset Education Committee has been informed at a meeting between them and the Syosset School Board, that the proposed budget for 1964-65 will increase school taxes by \$1.08 a 100.00 of assessed valuation. This means that a home in Birchwood will receive a tax increase of approximately \$91.00 a year.

A breakdown of this \$1.08 is:

- \$0.30 as a result of the decrease in tax last year from sale of the Birchwood site;
- .20 short from State Aid;
- .33 for increases in budget that are nondiscretionary.

Total \$0.83

The balance of \$0.25 is for additional teachers, salary increases and other items. A full report will be given as soon as your Education Committee meets and digests the figures.

Ten Pin Talk

by HENRY DOCKSWELL

The Spotters are slipping. Twice in a row they took it on the chin by identical 5-2 scores. This second time it was Norman Ney and his Jets who beat them. Mike Hauptman's effort, a 207, salvaged one game but that's all the Spotters could walk off with. Cap't. Mori Levine surely will be glad to see Sid Sachs come back. He's been in Florida with the family for two weeks.

Sam Springer exploded for the big one of the night when he came up with his sixth good one of the year, a 226, and helped his Umlicks squeak out a 4-3 win over Murray Iscoe's last place Bulls. Len Wainick's 207, his fourth of the season, helped the Bulls take that one game and total wood. The Umlicks are now in 3rd place only 1 point behind the pace.

The Spooks got a lift when Gerry Reikhsort flashed some of the form he's capable of. Gerry threw a strong 220, his fourth, and led the Spooks to a shutout win over Sid Simon's floundering Demons.

Herb Brody and his Six Finks suddenly came alive after two bad weeks. Herb bowled a 208, his seventh. Marty Kolen came up with a 210, his third, they swapped. Mike Goldstein's Terrorors 7-0 and rose to 4th place only two points behind the league leaders.

The Lions had a very frustrating night. Cap't. Leo Ceyer bowled an even 200 to bring his total for such games to 11 (he now leads all the others by 3) and he was joined by Ruby (there's nothing to this game) Skyler who threw a 201, his third, but the beat the Lions could do was lose 4-3 to Al Minoff's driving Buhulas. And driving they are, for this victory, their sixth in the last seven weeks, put them in a tie for the league lead.

There was one more good game thrown and that was by Bernie Roth, a 205. This is the first time Bernie ever hit the magic circle. He was thrilled and rightfully so. Bernie is a newcomer to the league this year and was a slow starter. Since the start of the 2nd half he has been improving steadily. In fact he is right up there in the race for Most Improved Bowler. He has improved his average 9 points, only one behind Elliott Diamond who leads with 11 points.

Sot Rabinowitz had to leave the league right in mid season. Not only did he hurt his bowling wrist but business pressures were making it very difficult for him to bowl. Fred Green has taken over the captaincy of the nameless #11's. In fact we understand that a name for this group is in the offing.

President's Corner

By Horace Bernstein

Once again, we have come to the time of the year, when both the Jericho and Syosset Education Committees are prepared to examine their respective school budgets for the coming year.

This year, for the first time, I am happy to report that the proposed Jericho School Budget is ready. On March 24th, a special meeting was held with the Jericho School board and our Education committee. At that time, our committee were handed the proposed 1964-65 School Budget. At the meeting various phases of the budget were discussed and now the Education committee is meeting to discuss the budget. Their report and recommendations will be presented to our Board of Directors on April 21. Through the "Villager," your Civic Association will present the finding of the Jericho Education Committee and offer their recommendations to the residents.

I would like to compliment Dr. Carey, Superintendent of Jericho Schools; Dr. Carin, President of the School Board, and members of the school board in preparing their budget and having it ready for us with sufficient time to study the budget and give a fair appraisal.

I am sorry to state that as of this writing, the reverse situation exists in Syosset. Where the fault lies, I am not prepared to guess. Milton Bagley, our last Vice President, has arranged a meeting with the Syosset School Board and members of the Syosset Education Committee for Monday, April 13th. I myself, spoke to Mr. Manerel, Assistant Superintendent of Schools, and have been informed that because of complications the budget is not completely ready and therefore could not be sent to the printer and no copies are available. Whatever information and facts we do obtain, will be had at this meeting. In as much as the budget vote is Wednesday May 6th, we will not have too much time to do as thorough a job as has been done in the past. I have been told unofficially (not by Mr. Manerel) the Syosset residents are in for a very healthy tax increase. I do not dare mention the amount. Suffice to say, the tax will be one of the largest increases in the history of our school district. I have named a special committee made up of members of the Syosset Education Committee to meet with the school board. It will be their job to see if the increase is warranted and to make a recommendation to the Board of Directors. This committee, like the Jericho Education Committee, will make their recommendations to the Board of Directors, and then will, through the "Villager," offer their recommendations to the residents.

MUDDERS WIN AT COMET-LAND DOWNS... Mudders according to the Chalkmen's Dictionary are either one of two things... wives of some guy's fadders or horses that come up with upset wins on sloppy tracks. But here in Hicksville the terminology is a bit different. The local variety of mudders (the Comet Lacrosse squad) got well Tuesday afternoon on a mired down home-field. Fact is the game was played under almost high tide conditions... ebbed only slightly when Hd. Groundsman Wally Collins and asst. field fencer Jim Florio relocated the field to higher ground. Hicksville needed this win to vacate the maiden class... and win they did (6-4) behind the clutch scoring of Rich and Gus Medina, Larry Wesolko, Tom Cara and Paul Colasano. The long shot of the day was Wesolko's 35' Willie Hoppe caron shot off a Ram defender. Hicksville's coach Bill Meyer was highly enthused with the come from behind win... "We're ready for the big boys now," he said. Clarke goalie Tom Hessler had an outstanding (25 save) day in the cage. Comet goalie Joe Sarno had 7. And then to keep the local cup of joy running over word leaked out that Hicksville also frashimmed Floral Park (7-3) in the nitecap last Fri. afternoon on the home reservation. Gus Medina and Tom Cara netted 2 goals apiece. Robin Winkie, Larry Wesolko and Rich Medina hit the singles. Look for the Comets with a new wigwag rating of 2-2 to bound Herricks on the Tues. prior to this issue. After that it's mighty Manhasset (away) this Friday. If the wind's right and the barometric pressure is zero... zero plus 7 anything can happen. The Jayvee stickmen coached by Ron Benizio also started out on the right foot with a 2-1 decision over Clarke. Barry Damm and Jim Donovan scored for Hicksville.

"EDO & BOBBY HIGH ON CHRIS"... Edo Vannle (that is) mgr. of the Seattle Rainiers and R.S. scout Bobby Doerr former star 2nd basemen with the Boston Red Sox are high on Cometland's own Chris Coletta, (so says Florida sports reporter, Ed Zimmerman). Coletta up from the Mid-Western league with an impressive 312 B.A. is in training with the Rainiers and will report to Winston Salem this week. His booming doubles and better than 300 spring training batting average caused Vannle to say...

"That boy will be back before the year's out... He needs a little more fielding experience but he's a born hitter. Doerr echoed the mgrs. sentiments by marveling at Chris 300 stickwork... "It's a rarity these days", he said... "especially in this kind of company, where the pitchers work 5 strong innings and then get relief... In my day we fattened up when the pitchers tired in the late innings. Again—our crystal sees Chris (19 yrs. old) up with the Sox on his 21st birthday."

PSALM 5 HOMETOWN U.S.A. (continued) Bob's Top 40... The Robert Williams Purchase eventually turned out to be one of the greatest Real Estate deals in Nassau County... and the spot on which the first everow fund was hammered into shape (on Contigue Road... Just a bit north of West John St.) had been marked with a huge bulldog for years. At a later date a N.Y. State Historical marker was located there to permanently mark the spot. So if you happen to be a bird watcher or a dyed in the wool butterfly collector... just hop on your bicycle and look for this age-crusted part of yesteryear's history. And now that that's under our belts... let's get back to the whys and wherefores of the original Hicksville boom. "Just

why did Williams shell out a fat part of his R.R. pension for acreage that old Nat Prime wouldn't take for a gift?... Was he a land speculator of sorts?... Or was he the "Greta Garbo" type that just wanted to be alone? Who knows?... and now that topical question has finally been answered... on with the story. As you well know the town of Oyster Bay had been settled in 1643 after the harbor area was discovered by 3 English Quakers from Connecticut. Hempstead was settled on or about 1644 and Robert Williams got his piece of the action in 1648 on the 3rd phase of the island land boom. He had lived in Hempstead for a short time... later moved to Oyster Bay (probably to get in some North Shore flounder fishing)... and then finally after getting fed up with the split level waterfrost night life he moved inland to the Jericho area in 1666. No one knows exactly why William's picked Jericho for his pad but the late Edward McQueen Town Clerk of Oyster Bay came up with a speculation of sorts. He gave this reason for William's choice... "A Pleasant shade... wood for his fires... water for himself and his livestock... easy access to his friends in Oyster Bay and an eminence from which he could look over and enjoy the vast expanse of his empire". Historians are not certain of the exact location of his home but word of mouth passed down through the years locates it a bit north of the Old Spring Pond on North Broadway. (This pond no longer exists but it as a landmark prior to 1958 when Hicks-ville Jericho Road was widened at that point. It lives in the memory of those old time residents who are shedding 40 and pushing 60. The goldfish angling in the oval shaped pond with a tree branch, a piece of string and a bent pin for a hook was the deep sea expeditions of the day. It was a grand and glorious meander for the youngsters of yesteryear and as they grew older it became their... "Ah Sweet Mystery of Life... at last I found thee" theme. How little they know of the William's Purchase... and yet how much they had to thank him for in later years.

NOTE (Public Works Comm. Eugene Gibbons are you listening?) If interested in seeing a scenic mural depicting Robert Williams and Pugnnap signing the deed for the Williams Purchase at the site of the CANTIGUE ROCK... stop in at the auditorium of the Jr. High School and behold a local art treasure that has graced the south wall for many years. A bit faded perhaps (due to past roof leaks) but scheduled for restoration this summer by the Bldgs and Grounds Dept. "Don't raze our rock E.G."... "And what's this bit about a County Park needing an entrance" sez us... and this includes the loyal members of the C.R.F. who hold their annual seances under the Cantigue Oak. "Watch your step Gentles... We happen to know Lyndon and a pair of Ed's... Fehenbach and Ocker"

COMET NINE BACK IN ORBIT
... Chalk up a pair of opening wins for Hicksville's Varsity baseball team. Last week they swept a twin bill from Carle Place (3-0) and Jericho 3-1 and from where the loyal and lonely make book it looks like another banner season in the chukking dept. Ace southpaw Jim Erwin and reliever Bruce Damm combined in a 17 strikeout effort to blank Carle Place in the opener. Otto Gabrielson and newcomer George Schwartz pulled the rug from under Jericho with a 1 run effort. Gabrielson retired at the end of the 5th frame with 6 S.O.'s to his credit. Erwin has 12 to his credit and Damm 5. The big guns for the Comets in both tilts were Rich Bonline (2 doubles), Bruce Damm (D) Sub-lust (14S), George Schwartz (2 singles), Lenny Elrich (2 singles), Bob Fink (S), Greg Hoberock (S) and Frank DeCillis (S). Hicksville faces MacArthur at home this Thursday. Look for the locals coached by Dick Hogan to make another strong run for the County Championship this year. Last time out in Hogan's first year at the helm they finished a close 2nd to Wantagh at the Levittown Memorial Stadium. A sharp Jim Erwin could make the difference.

5,000 Persons At Opening

More than 5,000 persons at-
 tended the grand opening of County
 Federal Savings & Loan Asso-
 ciation's new office at 3105 Hemp-
 stead Tpke., Levittown, Saturday,
 April 4.

H.B. Diffenderfer, president,
 said this was the most success-
 ful opening in the history of
 County Federal, which also has its
 own buildings in Rockville Centre,

 four prizes offered.

Diffenderfer said County Fed-
 eral gave 1,000 blankets, 900
 electric casseroles, 700 over-
 night bags and 600 table lamps to
 persons who opened new ac-
 counts or made deposits of \$25
 or more in accounts they already
 had. During the day County
 Federal gave visitors 5,000 ball-
 point pens and planned orchids
 to 3,000 women visitors and cus-

Congestion at the new office
 around noon on Saturday was so
 great it was necessary to close
 the doors and admit only 10 per-

Legionnaire's Log

Charles Wagner Post
No. 421, Hicksville
by ARTIE RUTZ

The American Legion Press Assoc. has recently completed compilation of Legion publications and has made available a catalogue listing 1700 Post newspapers. . . . This represents about 10% of all Posts comprising The American Legion and brings to the fore the difficulty of a Post publishing and maintaining a weekly, semi monthly or monthly newspaper. . . . In making these newspapers are the work of amateur journalists who are applying their "hobby" for the good of the Legion and some mighty good papers are the result. . . . However, not enough help seems to plague every paper and there's constant shifting of staff personnel. . . . It's no coincidence that the best newspapers seem to have the same

editor, staff and features, year after year, and team work is the watch word. . . . Much credit must be given to those faithful who serve The Legion by getting editions of their Post newspapers in their spare time. . . . Some editors have been doing this chore for as long as 30 years. . . . Just for the love of The Legion. . . . Many serve in many areas of our organization so that we all may contribute some thing extra to our community, state and nation. . . . What can you contribute? . . . Spring is now full upon us and soon we must gather a crew to finish the landscaping of our own building. . . . Cold weather last fall halted the spreading of the top soil around the building and several piles are left to be

distributed. . . . The new cesspool has disturbed our front lawn and that also must be redone. . . . If you have a few hours to spend on a Saturday or so, call Commander Dick Hochbrueckner and volunteer to be a member of the crew to do this job. . . . Have YOU signed up a NEW member yet this year??? Also keep in mind our Loyalty Dance on May 2nd. . . . Just \$3 per head includes beer and buffet and dancing. . . . All for the benefit of our Junior Band Fund. . . . Their new uniforms should be ready by Memorial Day.

Operation VFW

William M. Gouse Jr. Post No. 3211
by Eddie Klebing

The American image as viewed by foreign nations today may look a little blurred by the increase of anti-American demonstrations. In such trouble spots as Cuba, Cyprus, Zanzibar, Africa and Vietnam our prestige has taken a kick in the pants. The Veterans of Foreign Wars view this with deep concern.

The VFW disagrees with any governmental policy and appeasement, compromise or negative

diplomacy. The VFW Americanism Committee has urged our government to adopt the continuing and uninterrupted firm policy in international relations which has been effective as a countermeasure against Communist expansion throughout the world. We MUST preserve a strong image of American Leadership before the eyes of all nations.

By the same token, an image must be preserved here at home. That is, the image of American citizens reaffirming their patriotism and loyalty to this great country. It was with this in mind that the Veterans of Foreign Wars created Loyalty Day and at the same time gave a direct answer to Communists who were using May Day for their Hate America demonstrations.

To get the Reds off the streets, the VFW sponsored patriotic rallies with speakers, parades, bands and the Flag of the United States. Wherever they were held the young and the old were present to proclaim their loyalty to the United States. That display of patriotism pushed the Communists into the background and off the streets.

Its effect stimulated the interest of the President of the United States and Congress enough to enact legislation designating May first as Loyalty Day for everyone.

The William M. Gouse Jr. Post extends an invitation to all residents of Hicksville to join them

this Loyalty Day by reaffirming that loyalty in a flag tribute. The Chamber of Commerce has granted us permission the use of their flags. Early on the morning of May 1 members of the Post will install one hundred flags of the United States along Broadway. Any person having business or just passing through our town that day will know that the American image is bright in the hearts of its citizens.

AN OPEN LETTER TO THE RESIDENTS OF HICKSVILLE

COME TO APRIL 24th BUDGET MEETING AT SENIOR HIGH SCHOOL AT 8:00 P.M.

The Hicksville Classroom Teachers Association feels that it is its responsibility to inform the parents and taxpayers in this district of the controversy which now exists between the Board of Education and the teachers association. It is apparent from reading the press and other materials that one of the disputes is the salary adjustment adopted by the Board of Education.

WHAT, BRIEFLY, IS THIS DISPUTE?

First, with this new salary adjustment, teachers with either a master's or doctor's degree continue to receive a compensation far below that of their colleagues in other districts.

Second, teachers in Hicksville feel that they should be entitled to the same privileges enjoyed by all other teachers on Long Island. Since teachers are employed for a school year starting in September, they should be entitled to 100% of any raise given in that school year. The policy of this Board of Education is to give only 60% of any raise for a school year by the device of postponing the effective date till the following January. No other district works in this illogical and unjust manner.

HOW HAS THIS CONTROVERSY AFFECTED EDUCATION?

It is difficult enough to teach under existing conditions — crowded classrooms and inadequate facilities. To compound this situation with a salary scale and policy which, we feel, are unfair adds to the low morale. Any strained relationship between the Board of Education and the teachers association will, undoubtedly be reflected on the entire educational process. Unfortunately, it will adversely affect the education of your children. The teachers association abhors this result.

HOW CAN YOU HELP SOLVE THE DILEMMA?

Only a well-informed public can help remedy the conditions which prevail now.

WE URGE PARENTS AND TAXPAYERS WHO ARE INTERESTED IN THE BEST POSSIBLE EDUCATION FOR THEIR CHILDREN TO ATTEND THE OPEN BUDGET MEETING TO BE HELD AT THE SENIOR HIGH SCHOOL ON FRIDAY, APRIL 24TH, AT 8:00 P.M.

VOICE YOUR OPINION

HERE ARE SOME QUESTIONS YOU CAN ASK AT THIS MEETING

1. WHY DO HICKSVILLE TEACHERS ON THE MASTER'S & DOCTOR'S LEVEL GET PAID LESS THAN MOST DISTRICTS ON LONG ISLAND?
2. WILL THE NEW ADJUSTMENT IMPROVE THIS SITUATION?
3. WHY ARE SALARY RAISES GRANTED IN JANUARY INSTEAD OF SEPTEMBER?

Hicksville Classroom Teachers Association
