Theatre Premiere Dimes Benefit

Rudy Bouse, local chairman of the March of Dimes, announces that he has a limited number of tickets for the premiere opening of the new Twin Theatres at the Mid Island Plaza on Tuesday evening, May 26. Donation of only \$2.00 per ticket will entitle you to see a first run movie preview.

Proceeds will go toward the March of Dimes research into crippling birth defects and arthritis. As many as 12 million Americans have some form of arthritis or rheumatic disease and 250,000 babies are born in the United States each year with a serious defect. In addition, 30,000 deaths and stillbirths are caused each year by birth defects, Bouse points out. The March of Dimes is only voluntary agency fighting both these afflictions, and it needs the complete support of the local community if these health threats are to be eliminated. Proceeds from

this affair can help in this giant undertaking.

For tickets call Rudy Bouse at WE 1-2086.

Fabacords Concert

"The Fabacords," an all-accordion orchestra made up of young people in their teens, will present their Second Annual Spring Concert, at the Hicksville Junior High School Auditorium, Jerusalem Ave. and Second St., Hicksville, on Saturday evening, May 23, at 8:00 PM. The program, which includes modern and classical music, will be augmented by solo and duet selections by members of the orchestra.

Admission will be one dollar (\$1.00). Ticket information may be obtained by phoning Miss Ellis at OV 1-7580, or The Fabacords, Inc., at Wells 5-3828, Wells 1-4448, or Wells 8-4005.

Bruno Vs Rest of Bd:

THIRD ALBANY APPEAL DELAY MAY BE LAST

For the third time in as many months the oral argument before State Education Commissioner James Allen in Albany in the matter of an appeal by a School Trustee against his fellow members of the board of Education was adjourned this week. Three times a date for oral hearing has been set and three times William A. Bruno Jr. has asked for adjournment.

The appeal, which has been loosely described by Bruno in various public meetings as "my case" against Donald F. Alb and the School Board majority, began last Sept. 25 in the form of a letter from Bruno to the State Commissioner claiming that he was not being supplied with records and information he demanded.

The Law Division of the State Education Dept. advised the Hicksville School Board of the change in mid-October. Bruno in his initial letter stated that if the Hicksville Board was given an opportunity to answer his charges, he then wished the matter to be considered as a formal petition or appeal to the Commissioner.

Except for the fact that School Attorney Joseph Catalano asked for an extension of time to reply to the charges (which were answered in writing Nov. 27), the District has not asked for any adjournments.

The official title of the action is: "Matter of Appeal of William A. Bruno Jr. v. Oyster Bay - 17 Board of Education Powers and Duties."

The first oral argument was scheduled for March. Bruno asked for an adjournment and a new date was set for April 7. Again Bruno asked for more time and a third date was set for May 13, Wednesday of this week. Late Tuesday it was learned that Bruno had requested still another adjournment. It will probably be the last granted.

It is reported that May 26 will be set as the final date, subject to confirmation, and there will be no further adjournments. If no appearance is made for oral argument, the Commissioner's decision will be based on the papers submitted.

Bruno wants Commissioner Allen to order School Superintendent Alb and the "six-man Hicksville School Board majority" to supply him with records and information about the affairs of the District "whenever I request them."

The subject of supplying Bruno with "records" has come up at numerous Board meetings. Board members are supplied with all kinds of copies or records and documentation prior to meet-

Board Accepts 7 Resignations

The Hicksville Board of Education on Friday night finally agreed by a majority vote of four to two to accept the resignations of six Senior High School teachers effective June 30 - as recommended by the Administration. The Board at two previous meetings had failed to act affirmatively on the resignations.

By a vote of five to one (William A. Bruno Jr. voting no) accepted the resignation of Viola A. Milligan who is retiring. The six other resigning teachers are Martin F. Katz, Hester Easer, John J. Fitzpatrick, Raymond J. Manienzo, Jeremy Palmer, all English teachers; and Karen DuBlin, speech and drama teacher. Cornelius McCormack abstained on the vote and Bruno voted no. All other Board members when official actions are taken.

The difference of opinion regarding the Bruno requests in his frequent demands for copies of voluminous records in a form which is sometimes nonexistent, requiring excessive, detailed staff time in preparation.

bers voted in favor. Mrs. Milligan has been a teacher for 40 years. The Board, upon administration recommendation, has engaged Paul Benvel to replace her as head of the language arts dept. in the senior high school, effective Sept. 1. In other action, it was announced that the District will receive bids upon the construction of a new Administration Building June 4.

Recheck Voting Tally Monday

Representatives of candidates in the recent Hicksville-School Library voting have been invited to meet at the Nassau County Board of Elections, Mineola, next Monday morning at 10 o'clock to participate in a re-check of the tally on the voting machines. The results will be reported to the next meeting of the Board of Education for whatever determination the Board may care to make.

Hicksville At Fair on Sunday

Hicksville will be represented at the World's Fair on Sunday, May 17th, when the Hicksville High School Band will play a one-hour "Concert-in-the-Park," complete with uniformed bandmen, a cornet soloist, and the all-time favorite overture "Poet and Peasant."

Since this Concert will be presented in an outdoor bandshell, Sophomore Band will merge with the Junior-Senior Band, under the direction of R.G. Pellerin. This will be one of the largest bands ever assembled at Hicksville High.

For the information of parents of band participants and Hicksville residents who plan to attend, the playing area will be in the "Tiparillo" shell near the Johnson Wax Pavilion, at 2:30 P.M.

Internationals Stage Openers

Sports minded dignitaries joined a throng of Hicksville residents Saturday at the Lee Ave. athletic field, as the president of the International Little League, Arthur Hollstein, officially opened the 1964 playing season.

Michael Petito, Supervisor of the Town of Oyster Bay and Lou Reiss, Assistant Recreational Supervisor of Nassau County, addressed the crowd and baseball minded youngsters. Joseph Madden, School District Director of Recreation, and Mrs. Rosemary Walsh, his Assistant Director, were also among the guest speakers introduced by the chairman, Ed. Farrell.

The Charles F. Wagner American Legion Post 421 sent an impressive color guard, and Our Lady of Mercy School was represented by a talented score of baton twirlers. The Eastern Military Academy Band, under the direction of Captain Radok added thrilling pagentry to the affair with a fine selection of inspiring music as they marched in full dress uniforms across the fields.

At noontime, the cries of three umpires calling, "Play Ball," rang out, and the six major league teams looked horns in the first three games of the season. If the youngsters continue to play with the same dexterity and determination shown in the openers, the current season may well prove to be the greatest year of Hicksville's Little Leaguers.

Although Gary Jackson spun a no-hitter for Perkins Trucking, a few walks coupled with aggressive base running enabled the Long Island National Bank to take a 4-3 squeaker. Billy Wiffen and Tom Curren shared the pitching shores for the winning bankers. Since the opener, L. I. National Bank defeated Judy Ann 4-1.

On Field #2, two newly sponsored teams—County Cesspool and Judy Ann played a game which was highlighted by excellent pitching and defensive plays. Reginald Brunson fanned 14 Judy Ann batters in his debut while Charles Reilly and James Powers turned in impressive efforts for the losers. County Cesspool won by the score of 3-0. County has since defeated Trolano, 7-2.

Although McKoon Lumber Co. defeated Trolano Trucking by what proved to be the widest margin of the day, 4-0, in some

respects it was the tightest game of all. The Trolano's repeatedly threatened to break the game wide open, but were thwarted by

Herald Reader Opinion..

What School Superintendent Forgot

By Florence Infantino

After reading the article "Most Accommodating Guest" by Donald Abt, Superintendent of Hicksville Schools, I felt the public should be informed to what was deliberately left out of said article.

I personally am not interested in Mr. Abt's long standing "vendetta" with Mr. Bruno, and feel Mr. Bruno is more than capable in defending himself. I am making this reply because I do not feel Mr. Abt's tactics are any more admirable than are Mr. Bruno's. Mr. Bruno lacks sufficient knowledge to accomplish the job he is attempting. Could it be that our Superintendent of Schools suffers from the same malady?

For one year I have observed closely the action of both men (I have attended all but 4 school board meetings in an entire year) and can testify that much is not as is painted or printed. Let us now discuss some of the truths.

I do not know how Mr. Abt can speak so positively as to what did or did not occur at the April

22, "Freedom in Education" meeting, when he was not there. He did conveniently forget to mention that sitting in the first row, were several members of his administrative staff: Mr. Madden, Director of Recreation; one man whose face I did not see, and Mr. McCarthy Administrative Assistant. I imagine each man was hoping Mr. Bruno would divulge "confidential" information. This he never did. Since Mr. Abt stated that Mr. Bruno "entertained" at the April 22 meeting, I suppose one could say that Mr. Madden contributed to the "entertainment" also. That is, if attempting to bait from the audience can be classified as "entertainment."

I can not tell you how surprised I felt when I saw the man I consider to be the top young administrator in our school system, attending this meeting. When Mr. Abt leaves this district, as some day he must, I had hoped Mr. McCarthy would by then have had sufficient experience to take over. I must now question such thoughts, even though he lives within the school district, and appears to have the essential qualifications. Is Mr. McCarthy a member of "Freedom in Education"? I think not; although I have never before seen and administrative assistant attend, or attempt to use a tape recorder, at any organizational meeting being held in a school building. Why did he single out

Mr. Bruno for such "preferential" treatment? This thought also occurred to me; what must men who have tolled forso many years at substandard salaries do, besides a days work, in order to retain their now "juicy" salaries? It is my honest belief that we will have no "uncontaminated" administrators to take Mr. Abt's place, when he does leave. The loss to our school district will indeed be costly.

Now, I would like to comment on the teacher situation in Hicksville at the present time. Last September, in the "School Board Digest" the public was informed, in glowing terms, of the new grievance procedure that had been developed to insure a smooth working relationship between our teacher's and the school board. Nothing has been further from the truth. It has not been the fault of the school board, although they are now bearing the brunt of responsibility, for the fact that "something went wrong." They were doing the best possible job, in trying to secure as much salary increase as was deemed possible at this time. No one bothered to inform them that teacher's were attempting to use the "grievance" machinery to correct what the teachers felt was a genuine wrong. Mr. Abt stated "no teacher was forced to resign." Mr. Abt personally insured the resignation of every teacher who had submitted a grievance, when he stamped all letters "grievance unacceptable." At that time he reduced each and every teacher to a "nothing." A demoralized teacher cannot perform. The only choice open to the teacher's was (1) to resign, (2) seek a court decision, (3) or do both.

One cannot ignore the fact that 18 teacher's seeking grievance came from one department. Nor can one ignore the fact that the school board was not even aware of any such grievance at the April 10 board meeting. In fact, it was brought out at this meeting that information had been deliberately withheld from the board. What else can this be called but "suppression?" All information should have been labeled "confidential" and then sent to the school board members, so that they could at least have been able to express an intelligent comment on the situation. Strangely enough, only one board member was successful of this "shabby treatment." Mr. Bruno stated that "a school board cannot perform its duty, if information is constantly being withheld from the members." This is where the school board failed to do its duty to its community. Not because they were still "uninformed," but because Mr. Bruno was the person making the charges, and one must not support Mr. Bruno, regardless if he is right.

For those in the community who have been led to believe that we have a handful of trouble makers who will profit the district by their departure, I would add some of the 18 grievance signees were not on tenure, but several had been on tenure in this district for some time. Abt and his Administrators decide who will be placed on tenure. The school board's approval is merely a formality. If these teacher's were unfit or incompetent, who let them slip by? Everyone is up in arms over the teacher resignations, but who has investigated the cause? Will it happen again next year in some other department?

(Because of length this letter will be continued next week-Editor)

Open Memorial Day

Councilman Edward J. Poulos Town Board Majority Leader, announced that Oyster Bay's "outstanding ocean, bay and sound harbor beaches will be opened for the season on May 30.

Mr and Mrs James Hoppel

MR. AND MRS. JAMES W. CUNNINGHAM of 21 Charles St., Hicksville, have announced the marriage of their daughter, Susan Mary, to James Joseph Hoppel, son of Mr. and Mrs. James L. Hoppel of 9 Crown St., Hicksville, on April 4 at 11 o'clock Nuptial Mass at St. Ignatius Loyola R.C. Church. Rev. Leo Goggin was the celebrant and administered the sacrament of matrimony.

The bride wore a white silk appliqued organza gown with a chapel train and carried a white satin prayer book with white orchids. Her veil was mid-length with a pearl and crystal crown. Dale Hoffman, cousin of the bride was the maid of honor. The bridesmaids were Barbara Coons, Carol Cunningham and Darlene McMeekin. Coleen Sherban was flower girl. They wore floor length bell shaped, silk taffeta gowns of cherry pink, Nile green, apricot and blue. The flower girl wore pale pink. They carried rainbow old fashioned bouquets and Coleen carried a rainbow basket.

Neal Hopper, brother of the groom was best man and James and John Cunningham, brothers of the bride and Gerard Sheehan were ushers.

Following a reception at Wheatley Hills Tavern, Westbury, the couple left for a honeymoon at Mt. Airy Lodge in the Poconos. They are making their home in Hicksville.

Mrs. Hoppel is a graduate of St. Ignatius grammar School, Hicksville High School and is completing her education at Claremont Secretarial School.

Mr. Hoppel, a graduate of Hicksville High School, is employed at Sanders Associates. He is completing his education at Farmingdale T.S.A. State College.

Charles Wagner Post
Hq. 421, Hicksville
by ARTIE RUTZ

I would like to thank the many members who have wished me "Good Luck" and Congratulations upon being elected the 1964-65 Commander of the Charles Wagner Post #21. A surprising number of complete strangers have also wished me well for which I thank one and all. We have elected a good staff and I see no reason why we should not go on to bigger and better things. Just a reminder once again, "GET THOSE BAND UNIFORM DRAWING RETURNS IN BEFORE MAY 30th." Are you getting ready for the Memorial Day Parade???? Everyone is invited to attend the Memorial Services conducted each year by the Hicksville Veterans Committee at the Plainview Cemetery on Old Country Road on Sunday, May 24th, at 10 A.M. From there our Post group will go to Westbury and hold a brief service at the grave of Charles Wagner, for whom the Post is named, at the Holy Road Cemetery. It's a good bet that we will have rain that day as it almost always rains

the Sunday before Memorial Day. Don't believe it? Check the weather records for confirmation. Things are beginning to rush to a climax with our Nassau County American Legion Convention at Massapequa less than a month away. We are still fighting to win the county membership title and accordingly we would welcome as many new members as possible before convention time. Who do you know that should be a member? Ask him now and sign him up, or call me and I'll ask him to once again assume editorship of our Post newspaper, "The Hicksville Post" which is sent to each member to keep them abreast of our doings. P. C. Ed Hodgkinson, P. C. Dick Hochbruecker and Bill Combe will be on the Staff. The new Junior Band Uniform should be near ready if they are to wear them on Memorial Day. I believe there will be a complete work-out for all our uniformed units for Memorial Day on Saturday, May 23rd, at the Post, at 10 A.M.

Incumbents Win, Approve Budget

by Hal Brensilber

In a near record turnout, 2378 citizens of Jericho voted for the School Budget for 1964-65 and for membership to the school Board of Education.

The Budget, as conceived by the Administration and endorsed by the School Board, was accepted by a two-to-one margin by the public. It passed 1,568 to 682. This large and favorable vote is a definite indication by the community that they are aware of the Board's and Administration's efforts to improve the educational standards in Jericho.

In voting for members of the Board of Education, Dr. Arthur Carls received 1,462 votes to 847 for Francis Walsh. By re-voting Dr. Carls to the Board for another three year term, the voting public showed their approval of his efforts both as a member of the Board and as its President during the past year. In commenting upon the election Dr. Carls said, "The overwhelming majority vote, for both the budget and the return of the two incumbent Board Members, can only be interpreted as an endorsement of the Board of Education and its educational program. I am delighted that such a large number of Jericho residents took a deep interest in their schools; I will continue to strive for excellent education for all our children."

The other position on the Board was filled by Howard Jankowitz, who received 1,276 votes to 894 for Mario Della Vecchia and 152 for Louis Kaplan. Mr. Jankowitz, who was originally appointed to the Board to fill the unexpired term of Dr. Paul Friach, impressed the community with his awareness of the problems of education here in Jericho and his conscientious work while on the Board. Upon being advised of his victory, Mr. Jankowitz expressed his appreciation for the support he received from all sections of the community. "I am proud," he said, "to be a part of an active and interested community such as we have here. I will continue to work for the further upgrading of our school system so as to benefit all the people of Jericho."

Other issues voted on this year included voting for additional funds for summer driving education. This was defeated by forty-seven votes, 1,087 opposed to 1,040 in favor.

The second proposition on the ballot also was for additional funds, but mainly concerned itself with the athletic program in the Junior High School and necessary buses for same. This passed by twenty-five votes, 1,113, to 1,088. Undoubtedly this passed due to the heavy campaigning of the student body who greatly favored expenditures of additional monies for these programs. It was a tremendous lesson in the democratic procedure for our students, and I trust that they will work as hard to secure educational programs, or perhaps even a library for Jericho, as they did for increased athletics and a late, late bus.

GET CHARM CARDS

If you are going to get your hair set for the 16th and have not as yet purchased your charm card from Hadassah you still have time to get one. Just call Sheila Winsor WE 8-7090 and she'll be more than happy to see that you get it immediately.

DR. WALTER CREWSON, Associate Commissioner of Education of New York State, congratulates Norman H. Siskind, Principal of Cantiague Elementary School, Jericho, at ceremonies marking the official opening of the newest addition to the Jericho School system recently. Dr. Crewson was the honored guest speaker at the dedication.

President's Corner

by Arnold F. Winant

The election is now in the past. The mandate of the community had been manifested by its vote. Dr. Arthur Carls and Howard Jankowitz have been returned to their Board of Education Posts by margins so substantial that there is no doubt that these men have made their point with the electorate. We must all get behind them, work together and bring to Jericho the finest educational system.

Other problems must now be given their proper priorities. It has been said that the only certainties in life are death and taxes. To a degree this is true. However, as free men in a free system we can do something. We can never look forward to the day when there are no taxes but we can exert our influence to see that we pay only our share. In our school district lie portions of the communities of Brookville and Old Westbury. The concern of those communities with rising school taxes is also our concern for the reason that our taxes will rise in proportion.

Land and land values are the primary sources of funds which support our school system. The more land capable of being taxed, the lighter the load. When lands are removed from the tax rolls neighboring properties must bear

the burdens they have vacated. Portions of Brookville and Old Westbury which lie in our school district, have been plagued by recent land sales and proposed land sales to various non-taxable institutions. The removal of this land from the tax rolls causes our taxes to rise and we do have a right to complain.

Naturally the louder we complain, the tougher our attitude and the stronger our protest, the better will be the result.

There will be a meeting in Old Westbury in the early part of June. The meeting will be held in the evening. Your attendance at this meeting is important as it concerns the removal of almost 45 acres of prime taxable land from the tax rolls. We will do our best to have the West Birchwood News and our telephone squads give you more information. We will make it our business to see that all other civic associations in the area are informed in time to exert similar efforts. Make it your business to attend. Remember, this involves your pocketbook. Let us meet with these people face to face. Let us let them know just how tough we are going to be. Let us show them the full depth of our concern. Bring your neighbor when you come. Stand up at the meeting and speak out loudly and clearly to preserve what is yours.

Take Part In Workshop

The Jericho P.T.A. Creative Arts Workshop will participate again this year in the Long Island Arts Center's "Sunday-In-The-Park" Festival, to be held on Sunday, May 17th (rain date May 24th) from 11:00 A.M. to 5:00 P.M. at Nassau County Park, Salisbury, East Meadow.

The atmosphere at the Festival is informal. Visitors can make it an enjoyable and somewhat unusual family day by taking a picnic lunch and relaxing in the pleasant setting of Salisbury Park. There will be numerous exhibits and demonstrations in the visual and performing arts as well as science. Admission is free and everyone is welcome.

HONOR TEACHERS

The George A. Jackson P.T.A. will celebrate Teachers' Recognition Day with an International flavor -- In fact, a delectable mingling of International flavors -- at its annual Covered Dish Supper, scheduled for Monday evening, May 25th at 7:30 P.M. in the Jackson cafeteria.

Group Acts on Sidewalk Work, Traffic Control

by Hy Strell

The Community Services Committee has been advised by the Nassau County Planning Commission that sidewalk repairs will be resumed some time during the summer. Cracked or crumbled sidewalks will be designated for repair work on the basis of a tour of the community by county inspectors. Residents wishing to focus attention on their particular

sidewalk problems may contact R. Kravitz, Committee chairman, at his business address: 121 Old Country Road, Carle Place.

In another development, Mr. Kravitz was notified by the New York State Traffic Dept. that the installation of a left-turn green arrow light for northbound traffic (at the Broadway entrance to the community) is definitely under consideration. The light would be triggered by a trip mechanism in the left-turn lane, and would be similar to the existing installation at the intersection of Cantiague Rock Road and Jericho Turnpike.

The Committee has learned that the Majestic Exterminating Co. has been engaged by the builder to combat the rodent problem in new construction areas. All mounds and debris are in the process of being fumigated. County Health Dept. officials predict that the problem will vanish when new construction is completed -- in about six months. In the meantime, residents are urgently requested to take the following measures:

1. Make sure that garbage cans are securely covered. (The average rat can lift a loose-fitting cover, and can leap to a height of three feet to gain access.)
2. Store rubbish in covered containers between collections.
3. Do not allow refuse or grass clippings to accumulate on the premises. (These materials are used for the construction of nests.)
4. Where there is a known rat infestation, do not put out bread for the feeding of birds.
5. Do not allow empty containers to collect rain water. (These containers can provide the rats with a source of drinking water.)

In other developments, the Committee has referred the Westbury Drive-in noise problem to the Board of Directors for legal action. The Committee has learned from town officials that the layout and facilities of the community playground are currently under consideration. (The playground is to be located just north of the Cantiague School.)

Bumper stickers are being prepared for distribution to Civic Assoc. members within a month. These stickers will serve to identify members of the West Birchwood Civic Assoc., and are to be mounted on the left rear bumper.

Spring Offering Of Jericho Players

The Jericho Players of Long Island are proud to announce their Spring presentation of "Machinal" on Friday and Saturday evenings, May 22nd and 23rd, at the Cantiague School in Jericho.

Sophie Treadwell, the playwright, was a brilliant dramatist who took the daily facts of life -- love, infidelity, adultery, murder and execution -- and, with superb stagecraft, molded them into a tempestuous and exciting play.

"Machinal" is based indirectly on the Ruth Snyder-Judd Gray murder case of many years ago, an event which currently still affords newspapers and magazines fascinating material for feature articles and Sunday supplements.

See the Jericho Players production on May 22nd and 23rd. Tickets are \$2.00 each, and may be purchased at the school or reserved by calling Mrs. Fox at WE 8- 8742 or Mrs. Gruber at WE 8- 8048. Curtain at 8:40 P.M.

Ten Pin Talk

by Henry Dockswell

Like a thorough-bred thundering down the home stretch, Leo Geyer rocketed his way to the three most coveted trophies any bowler could ever dream about. With only three weeks left he has definitely locked up 11 Individual Average with 176, has a stranglehold on most 200 games with 15 (his closest challengers are Norman Ney and Bill Kellerman with 10) and this week he finally got the HI Series he has been shooting for. He crashed a 234, 179 and a 727 for a new all time league high at 635. Right alongside was his big gun Ruby Skyer who threw a 201, and the Lions came away with a 5-2 victory over the league leading Spoilers. The Lions are still in 6th place but only 8 points behind and not out of contention by any means.

Meanwhile Al Minoff's Bubalus took advantage of the situation and climbed into a first place tie with Mort Levine's Spoilers by virtue of his 5-2 win over Norman Ney's sputtering Jets.

Morris Garellick tried leading his Spooks up the ladder when he bowled a 204 but Herb Brody and his Six Finks overwhelmed them in the other two games. Even though the Spooks lost 5-2 they did not lose any ground. They're in 4th place but only 5 points from the top with a good chance to steal the 2nd half championship, but a more difficult shot for the overall trophy, in which race they trail the Spoilers by 10.

Cap't Milt Goldberg and his 209 made Bill Kellerman collaborated for the second week in a row. Milt threw a 212 and Bill hammered a two timer a 724 and a 200 (his 9th and 10th) and they trimmed the hard trying Cockamamies 5-2. Al Rizzo was the chief Cockamamie this week. He threw 7 strikes in a row and came up with his first good one of the year a 214. Teammate Morty Herlick also made a valiant effort when he bowled a 201 but they couldn't do it alone.

Julie Gershen rounded out the night when he came up with his fifth 200 this year, a 204, but the rest of Sid Simon's Demons were not in a very frightening mood so they dropped the decision to Sam Springer's 3rd place, championship hungry Umglicks (who are only 3 points behind).

The race for Most Improved Bowler is not over yet. Bert Roth picked up another point (he now has 11) while Ralph Diamond stayed the same (he has 13). Elliot Spencer is 3rd with 10 points and Al Rizzo is 4th with 9.

Civics Build Entrance Walls

The Birchwood Civic Association at Jericho has started construction of the entrance walls to our community. The entrance walls will go on each corner of Birchwood Park Drive and Village Drive and should be completed within 10 days.

As Chairman of the Town Planning Committee this writer wishes to emphasize that our original plan called for the entrance walls to be built on Broadway. However, this plan was not approved by the State Highway Department because the walls would be too close to an exit of an expressway. Many hours were spent, including a trip to Albany by Fred Green when he chaired this committee, in an attempt to change their mind, but with no success. It then became necessary to seek permission from the Town of Oyster Bay for the right to place our entrance walls on Town property. After submission of our plans and specifications and considerable conferences the location, size, etc. of our entrance gates were approved. The community owes a debt of gratitude to Milton Bagley, Fred Green and George Frankel for their efforts in assuring our community a magnificent entrance to our community.

The walls will be built of white texture marble with a recessed area containing black marble. One wall will run 20 feet while the other wall will be 18 feet. Letters reading Village of Birchwood Park will appear on each wall and consideration is being given (if within a certain price

range) to have lights illuminate the wall and letters. Every safeguard is being taken to make certain that little maintenance will be necessary to maintain the entrance walls so that every resident will be proud of our community every time they leave or enter.

Bids for the contract for the main entrance were received from many contractors. The Board of Directors of the Civic after a careful review of the bids, awarded the contract to A. Cicciulli Contracting, located in Plainview.

The entrance walls will be visible when riding north on Broadway. Furthermore, it can be seen from the Long Island Expressway exit when going in a westerly direction. After completion of these walls the civic association will then concentrate on the other two entrances where walls will be constructed. The other two entrance walls will be placed on the top of Merry Lane and the other at Birchwood Park Drive and Robbins Lane.

The building of the entrance walls by the members of the Civic Association will always be remembered as one of its most important contributions to the beautification of our lovely community. Our community has always taken a deep sense of pride in our appearance and these walls will help enhance that feeling. Our entrance walls should be an everlasting tribute to a wonderful community in which to live and raise our children.

ALL AROUND TOWN
The Midland Civic Association will hold their next meeting on Wednesday night at 8:30 at the Willet Avenue School in Hicksville. At this meeting there will be election of officers for the coming year.

BREAK UP THE RAMS. "I've said it before," the guy moaned. "Buddi Coss to these Clarkers who invade our territorial rights with bantam legged fullbacks like Ben Benith. Quarterbacks like Skip Jutze, wrestlers like Brian Lamb. Pitchers like Marty (3 hit) Rhvrad and back to back homer bangers like Tim Hart and Drew Keenan. It's enough to give a guy the shakes." And the wheeze he concluded with had nothing to do with current viruses or loused up Twin Doubles. The guy just happened to be a loyal member of the C. R. F., who was watching the nitecap between the Clarke Rams and the Hicksville Comets on the home diamond. It was the top of the 4th and the count was 4-0 favoring the Rams. The bases were loaded — Tim Hart was at bat. He went for a 1-1 count and then picked the next serve into the left field bleachers. Drew Keenan followed with another circuit blast over the centerfielders head. And that was the ball game, but it might be considerably more if coach Dick Hogan's ace southpaw Jim Erwin shows any signs of an injury that couldn't be cured with a night on the Bocce ball circuit. Erwin had taken the inaugural from Clarke (3-0) with a 1 hitter and had started the 3rd tilt off with a walk. This pass plus a wild combination of 2 bunts, an unnecessary throw to 2nd and a wild throw to 1st had the effect of opening up the floodgates. Erwin favoring a pulled neck muscle was yanked in favor of George Schwartz. Schwartz faced a hot hand by the Rams and was relieved by Dennis Gallagher who did a creditable job holding Clarke in check the rest of the way. Clarke (8-2) followed by Hicksville (6-3) led the Section 1 pack at the end of last week and from here on it's a process of elimination between the two. The Comets need the strong left arm of Erwin to stay in contention. Clarke has a trio of tough 3 game series on its schedule. Anything can happen including another mass invasion of big league baseball scouts when Erwin goes again. They were on hand last Thurs. afternoon to look the highly touted southpaw over but like all latecomers were disappointed to see him riding the bench. Hicksville faced Farmingdale this past week (away this Thursday) Hitters for the locals were Len Erich, Bruce Damon, Hugh Hansen, Bob Reobrig, and Jim Ervica (single). Frank De Cillis and Stu Blust (doubles) Blast a sharp flitting 1st basemen went 3 for 3 in the 2nd outing which Hicksville lost 6-1. Clarke also took the nitecap 9-0.

JR. HIGH SPORTS—METEOR, NINE UNDEFEATED. Coach Marty Riggs' Raiders are coasting along with an impressive league mark of 4-0-1 these days and from all signs look like the team to beat. The last outing vs Salk ended in a 1-1 tie (called under the ruling of a 2 hr. time limit for Jr. High competition). Prior to the Salk Social the Raiders pounded enemy pitching for a total of 26 hits. Jim Cars went 3 for 4 in the 14-3 win over Plainedge followed by Mike Mastelle and Dick Sabatino (2 for 2). Bob Neartt picked up the win with a 3 hitter. Against Matlin of Plainview a 9-1 win for the Raiders Greg Cox went the route giving up 5 hits. Jim Bergholtz

led the Hicksville attack with a 3 for 4 day at the plate. Nick Saman picked up 2 for 3 and Johnny Damaj went 2 for 2. Hicksville (Jr. High) faces the Plainview Gulls this Thur. afternoon at home (time 4 pm) JAYVEE LACROSSE. Coach Ron Benzle reports in with a 2-0 league record at the end of last week. Wins over MacArthur and Farmingdale and setbacks by Division Ave. and Garden City. Isakary Damm leads the pack in the scoring dept. Benzle also had words of praise for midfielder Bill Donovan and defenseman Bill Sygney. "Both are outstanding," he said.

COMET STICKMENS SPLIT PAIR. There's no one to deny the Plainview Gulls were not hotter than the proverbial 2 dollar plaid of last week when they shelled the Comets 9-0, but the nitecap of the week vs Levittown Division Ave. was a bounddog in a different hutch, Hicksville went on the warpath for the 6-1 decision. The Brothers two, Rich and Gus Medina led the Comet attack with 2 goals apiece. Tom Cars and Dennis Tomalno netted singles. Goalie Joe Sarino had his usual Scotch picnic in the cage. He accounted for 7 saves. Look for the Belaitte led Mac Arthur Generals to invade the home reservation this Fri. afternoon at 4 pm. Belaitte's the scatterbrained bloke who singlehandedly ambushed the Meyer-men with 7 goals the last time out. He's a one man war party.

TOMORROW'S HEADLINERS —This trio were sponsored their baseball in the Halls of Hicksville and would up as members of Coach Army Tomalno's 61 Varsity Championship club. They ranked high on the scouting reports and eventually inked pacts with big league ballclubs. Bob Cerone and Gary Sosnosian made the jump in 61. Chris Coletta in 62. Cerone signed with the Yankees. Sosnosian with the Kansas City A's and Coletta with the Red Sox. And all are doing well in spite of Sosnosian's 0-2 record with a Birmingham farm club. This young fireball artist has been notoriously slow getting started in his minor league status but can be expected to again finish with better than a 500 season. Cerone on the other hand is a Lopat type cutie with all the tricks of the trade going for him. He had a great season with Idaho Falls last year (16-5) and as a result this year had a date with destiny at the early Yankee training camp in Hollywood Fla. The consensus of opinion there rated him as being only a year or two away from the big time. Cerone now pitching for Columbus Ga. in the Southern league has a 3-0 mark. In his first outing of the season he gave up a 4-0 win over Lynchburg. His 3rd win was also over Lynchburg, a 7 inning 5-1 victory. In short sensational 1 run allowed in 3 games. Cerone's hot and so is the last member of Tomalno's tie. Chris Coletta a great young prospect with the Red Sox chain. Edo Vamle mpr. of the Seattle Rainiers and Bobby Doerr former star 2nd basemen with the Sox had a long look at Coletta this spring and pegged him a born hitter. "The kid will be back" Vamle said and by way of making Vamle a Nostrodamus of sorts Coletta is burning up bats in the Carolina league with Winston Salem.

Internationals

(Continued from Page 3)

strong clutch pitching from Billy Wandell and Bobby Bersani. With bases loaded for the third time, stop and snared a Texas Leaguer to centerfield in a key play for the lumbermen. Greg Reilly went the route for the losers. McKeon has since defeated Perkins 4-3. The Executive Vice-President, Anthony Infantino, cordially invited all parents and friends of the Little Leaguers to future games which will be played at Lee Ave. on Mondays and Thursdays at 6:30 P.M.

At the end of last week he had 21 hits in 66 tries over a 21 game schedule. Salem leads the league with a 13-8 record and Coletta leads the league lumber dept. with a booming 389 average. He was in a slight slump the week before But (still leading the pack) with 375. 2 homers and 7 doubles are part of his hot hand. Our crystal ball sees Cerone and Coletta forgetting they were once team-mates in the Red Sox. Yankee series of 66. Get your tickets early.

Americans Set To Open May 17

This coming Sunday, May 17, at 1:30 PM on the grounds of the Burns Ave. School will mark the opening of the 1964 Baseball season for the Hicksville American Little League. The sponsors have been notified, and at this writing Carl Grunewald and Mrs. Donatella will both throw out the first ball.

The following teams will open up the season. They are in the Senior Division. Mid-Island Plaza will face the Long Island National Bank, both teams have been practicing and a real good game will be seen by all who attend. In the Little League Division, in the Majors Rotary will face Gertz. In the Minor A Division, Hicksville Democrats will face the Hicksville Republicans and in the Minor B division, Malvese is slated to face

those outstanding boys and champions of the 1963 season, Fairhaven Garden Center.

In addition to the above mentioned, the following are also sponsoring a team and their teams are scheduled to begin play on May 18: Mid Island Mobil, Long Island National Bank, Veterans Of Foreign Wars, Mid Island Plaza Assoc, Rotary, Gertz, Gillison, Firestone, Ocean GLF, Central Federal Savings & Loan Assoc., Hicksville Democrats, Hicksville Republicans, Boto Bros Plumbing & Heating, Fairway Farms, Malvese, Fairhaven Garden Center, Fairhaven Garden Apartments, Hicksville Ford, Tech-Alloy, Udell Pharmacy, Pizzas D'Amore and Mr. Softee. Please watch the pages of the Mid Island HERALD as all our standings will be shown.

JOIN THE 400

LILCO is giving away 400 Gas heat conversion units to just 400 lucky homeowners! But if you're going to be one of the fortunate 400, you've got to hurry. All you have to do to get your free conversion unit is convert to Gas from your present fuel and make your own installation arrangements through a LILCO authorized plumber. Get all the details by calling the numbers below or mailing the coupon. Join the 400!

Switching to Gas heat will be the smartest move you ever made. Here's why:

Gas is Clean

Gas burns completely. There's no oily residue to clog chimneys, no soot to smudge walls, furniture, ceilings and draperies.

Gas is Modern

With Gas you just set it and forget it. Gas responds instantly, maintains the temperature you set, day and night.

Gas is Dependable

A Gas heating unit has fewer moving parts than ordinary units. There are fewer breakdowns, fewer costly repair bills, more years of economical service.

A Gas Unit is Compact

Gas is piped directly into your home. You pay only for what you use, after you use it. There's no need for a messy, bulky fuel storage tank to clutter up your basement.

Mail coupon or call these numbers at any hour, day or night including weekends. In NASSAU: PI 7-1041

In SUFFOLK: MO 5-5300 or HA 3-3600.

This offer good from April 1, 1964 and is limited to existing LILCO residential Gas customers. Free Gas conversion burner will be furnished only for installations in existing boilers or furnaces that inspection reveals suitable for conversion. First-year money-back guarantee on gas burner installation costs if first-year heating bill exceeds LILCO's estimate by more than 10 per cent. Gas conversion units given on a first-come, first-served basis.

RATE REDUCTIONS! LILCO now has on file for acceptance by the New York State Public Service Commission, a reduction in gas rates of \$550,000 to become effective June 1, 1964. This new rate will reduce the annual costs to customers who heat their homes with gas.

Gala Premiere

Stanley Kramer's giant comedy, "It's a Mad, Mad, Mad, Mad, World," the biggest and most lavish laugh-packed motion picture ever made, will have a gala premiere Wednesday, May 27th at 8:30 p.m. at the Syosset Theatre. The star-studded spectacle will begin its regular engagement the following day. "It's a Mad, Mad, Mad, Mad, World" to be released by United Artists, will be presented in the new Cinemascope Single Lens Projection System which provides a remarkably clear image without distracting seams, uneven pictures and color imperfections. The comedy was filmed in Ultra Panavision and Technicolor.

Operation VFW

William M. Gouse Jr. Post No. 3211
by Eddie Klabing

Those Ladies Auxiliary dances continue to please all who attend. Their Gay Parade affair was no exception. In addition to a night that featured plenty of dancing and food, a few prizes found their way into the hands of some lucky revelers. The Cuccaro's won a bottle of champagne. A second bottle of giggle water went to the Vera Wagners as the couple with the most original costume. The door prize, which consisted of a set of travel luggage was won by Dave Collins.

Get well wishes are in order for Bob Berong who is in Brunswick General Hospital, Amityville. We're sorry to hear about the loss of loved ones in the Baswiner and Turitto families.

Previously we mentioned here the VFW's two top key legislative objectives. The third one deals with the hottest veterans program before Congress — Pensions. The VFW, whose prime concern is fairness to the veteran, is backing two bills in this controversial issue. HR 33, introduced by VFW past commander in chief Richard Roudsbush, is especially designed for the World War I veteran and features an additional 10 percent for those who served overseas or in hostile waters during wartime. The second bill, HR 9665, is sponsored by the Veterans of Foreign Wars and would liberalize the existing pension program covered by Public Law 86-211 for both living veterans and dependents.

Veterans whose medical conditions carry special hazards are starting to receive Emergency I.D. Cards from the Veterans Administration. The purpose is to warn physicians of the existing medical condition in the event the veteran would be unable to do so. The card is designed for use outside the V.A. hospital or Out-patient clinic. The decision on its issuance will be made in each individual case by a V.A. physician. World War II veterans of New York State who have failed so far to file a bonus claim have less than a year to do so.

Got home mortgage questions? Chase Manhattan has the answers.

Q: How much money can we borrow on a mortgage loan?

A: Chase offers mortgages up to \$35,000 as long as the amount doesn't exceed 80% of the appraised value of the property.

Q: What is the current interest rate?

A: Only 5 1/2% on loans up to 75% of the appraised valuation.

Q: Can we prepay our mortgage?

A: Yes. All or part may be prepaid at any time without penalty.

Q: How many years do I have to repay my loan?

A: Up to thirty years depending on the age of the property.

Q: When should we talk to Chase?

A: Chase can be a big help to you even if you're still house hunting. Come in any time. Send for Chase Manhattan's booklet "BUYING YOUR OWN HOME." It answers questions about buying, mortgaging, even refinancing. Chase knows the answers... because Chase is an expert in the home mortgage field.
