# After Three Postponements : Commissioner Narrows Issue

The thrice-postponed oral arguments before State Education Commissioner James Allen regarding the powers and duties of a Board of Education (Hicksville, specifically) took place in Albany on Tuesday afternoon. Board member William A. Bruno Jr. who started the action last Sept. 25 was present and represented by Harry H. Goebel who had been attorney for the School District in 1956-57.

Also present were Joseph Catalano, present school attorney; George A. Jackson, Board president; Cornelius J. McCormack, Board secretary; Donald F. Abt, superintendent of schools; and Fred J. Noeth, district clerk.

While the specific issue appears to be the question of supplying reports, documents and records requested by Bruno (who made 173 written requests plus countless oral demands during his brief term on the Board, as was noted by Catalano), Goebel in his oral statement embraced a wide range of topics including the so-called Blacky tests, mimeograph paper supplies in the warehouse, furniture stored in the Junior High attic and the fact that the flag did not fly one day in front of the Administration building.

Commissioner Allen was silent for most of the hearing. He did interrupt both Goebel and Catalano and ask questions in an apparent effort to pin-point the exact issue. Seated at his side was John Jehu of the Education Dept. legal staff who also asked a few questions. Catalano filed an 11-page memorandum of law in opposition to the petition at the hearing. Goebel requested and was granted a two-week interval in which to file a memorandum.

The hearing lasted about an hour and 20 minutes, starting shortly after 2 o'clock. Besides the lawyers, Jackson, Abt and McCormack also made short comments. Bruno said nothing during the proceedings.

Remarks by Goebel consumed a considerable portion of the hearing time. He made several references which began "you may not like Mr. Bruno personally, but ---". He portrayed Bruno as a Board member simply trying to do his job and said he should be commended for "willingness to work".

This position was sharply contrasted with the remarks of Board President Jackson who declared: "I heartily concur with the material presented by the Superintendent and by our Attorney and urge that appropriate remedial action be taken by the Commissioner to forestall further efforts by Bruno to endanger the educational system of Hicksville."

Catalano, noting the 173 written demands and requests for records, pointed out that as a result some 6,000 photo-copy prints were turned out and as "far as can be ascertained, none have benefited the other Board members or the District." He cited a recent decision by Judge Munder in Suffolk County which declared "The Superintendent of schools, as well as all other employees of the school district, is not subject to the direction or order of any individual member of the Board. Wherever direction is given must be given by the Board. Individually the Board member's rights are no greater or different than those of any qualified voter of the District."

Catalano also declared: "We know from the record that Mr. Bruno enjoys and cherishes a minority role and has so established that status. In this mi-

## May Appoint Hornbostel

A vacancy on the Hicksville Board of Education which has existed since October when D. F. Sabatella resigned may be filled by appointment of Caleb Hornbostel at the School Board meeting this Friday night. Hornbostel was elected on May 6 to fill the Sabatella vacancy starting July 1.

The Hornbostel appointment was anticipated at the May 8 meeting but was apparently delayed because of a citizens' request for a recheck of the voting tally.

The recheck took place on Monday, May 18, at the Nassau County Board of Elections in Mineola where the 14 voting machines had remained under seal since the election. All candidates were invited to have representatives present as witnesses.

The recheck disclosed no material change. Hornbostel was duly elected by a slight margin over John McManus Jr. It was found that there were actually five votes less against the school budget than had been reported on May 6.

If appointed this week, Hornbostel will serve by appointment for the month of June to fill out the 7-man Board and then start his full three-year term on July 1. The annual reorganization meeting of the Board will take place on Tuesday night, July 7.

**CHARLES R. CARROLL**, Hicksville Attorney and Chairman of the Board of Directors of the Long Island National Bank, was elected President of the Nassau County Bar Assoc. at the annual meeting. He is a graduate of Boston College and St. John's University School of Law, former Village Counsel and Acting Police Judge of Massapequa Park, and was President of the Nassau Lawyers Assoc. of Long Island in 1951.

Mr. Carroll is admitted to practice before the United States Supreme Court and is a member of the New York State and American Bar Assoc.

A resident of Harbour Green, Massapequa, with his wife and five children, he also has two married daughters, Mrs. William F. Lamb of Massapequa and Mrs. Philip E. Lindstrom of Detroit.

## Barry Was One of Three To Die In World War I

By Arthur A. Schreiber

On Memorial Day in 1935, the citizens of Hicksville honored three men who gave their lives for their country during the first World War. The inscribed plaque in what is now the Junior High School commemorates the dedication of that building's clock tower to their honor. They were: Charles Wagner, Joseph Barry and Walter Wheelser.

This was not the first time our grateful community honored their memory. Charles Wagner gave his name to American Legion Post 421 and Walter Wheelser's name was given to a lodge of the Royal Arcanum. Joseph Barry on Jan. 20, 1924, became the patron of the Council of the Knights of Columbus.

Through his sister Elleen, now Mrs. Michael Donahue of Tillsen, N.Y., and his brother, Edmund, a charter member of the Council, we have learned much of his life.

Joseph was Brooklyn-born, Pacific St., to be exact on June 13, 1894. Later the family moved to Astoria and in 1914, James and Ellen Barry took their family, Joseph the eldest, Edmund and Elleen to Hicksville.

Joseph received his early education at the Holy Name of Jesus School on Amsterdam Ave., New York, and like many young men of the time was forced to complete it at night. He was employed by the Hicksville (now McKeon) Lumber Co. and later worked for the State as a chauffeur. He was a member of the St. Ignatius Holy Name Society and Westbury Council of the Knights of Columbus, where he and his brother Edmund took their Major Degree on the same day.

When in 1917 the United States entered World War I, Joseph beat a path to the doors of the enlistment centers. First the Marine Corps, then the Navy and finally the Army, but each informed him that he could not serve because of his poor eyesight. For the time being he had to content himself with enlistment in the Militia. This was a local home guard unit organized under the office of the County Sheriff and performed patrol duty in sabotage sensitive areas. Then came a notice from his Draft Board, and this time he was accepted.

He was assigned to Motor Transport Co. 461 as a driver and later as its company clerk. Driving in convoys brought him right into the heart of the war. He saw action at Chateau Thierry in Sept. 1918. Then suddenly on Oct. 25 he was taken seriously ill. He had contracted cerebro-spinal meningitis. On Nov. 3, 1918 after nine days in agony, he died in the Army Hospital in Bordeaux, France.

His commanding officer, Capt. J. D. Southwick, wrote a long

**JOSEPH BARRY**, one of three Hicksville men who gave their lives during World War I, was 24 years and 5 months old when he died in France in 1918. The Knights of Columbus Council in Hicksville is named in his memory and Arthur A. Schreiber, Council secretary, recently compiled the accompanying story about Joseph Barry in connection with the 40th anniversary of the Council.

letter to Mrs. Barry a short time later relating in glowing terms which kind of man her son was. There were two special passages in that letter that summed up his outstanding character. "I believe him to be an excellent man and soldier", and "I believe that every man in the company felt a distinct loss at his death."

Sergeant Joseph Barry's body still rests in France. He is buried in the American Military Cemetery at Conreville where in 1930 Mrs. Barry went to visit his grave. At that time she joined other Gold Star mothers who were brought there by the govern-

 nority classification and under the presumption that he is a reasonable man, Mr. Bruno, therefore must realize that he is ineffective as a Board member. He must know that the Board of Education is the sole governing body to superintend and manage the affairs of the school district. Nevertheless, Mr. Bruno continues to orbit separately as a Board, directing and commanding the Superintendent of Schools and District employees to bow to his orders and whims."  
 He also said "Of utmost significance to the citizens and taxpayers of Hicksville are the damages which Mr. Bruno has wrought on the children of Hicksville. Has the administration and the school board devoted so much time and effort meeting the challenges of Mr. Bruno that the School District has been deprived of the best and fullest efforts which should have been used to advance and meet the new challenges in education? Has Mr. Bruno, in fact, damaged the

education system of Hicksville to the effect that its reputation in education has been lessened to the detriment of the children and thus to the detriment of the taxpayers who have not received the full value of their investment."

He concluded by referring to a Aug. 28, 1962 decision by Commissioner Allen establishing the standard of conduct for Board members: "... In the assumption of high office by a person, such as the office of a member of a Board of Education, the person becomes part of an official body which is responsible for leading the youth of that community to informed and responsible citizenship. Because of that high office, all members of Boards of Education will wish to assure that at all times their public statements are consonant with the respectability of their high office."

The decision was in the matter of appeal of Miriam Rubenstein for removal of William A. Bruno Jr. from the Board, just a few months after he had been seated.

### Reader Opinion - GOD IN SCHOOLS

To the Editor:  
Students in the Hicksville High School have shown they want God back in our schools. They feel He deserves more than the silent treatment. They've shown it in the only way they could to let everyone know how they feel. They've also shown that they have a conscience about what happened in Wheatley Hills High School and have told us in no uncertain terms that they DO NOT want that to happen here. They've taken it upon themselves to teach others younger and

older than they are, that what is slowly happening in many Long Island communities DOES affect them. Our young people are concerned. Our young people want something done. They have spoken. How about the rest of us; parents, taxpayers and citizens of Hicksville? We have been led to that which far surpasses silly emotionalism...we have been led by youngsters to the moment of truth.  
High School people aren't a bunch of babies. They have good minds. They do have values. They know right from wrong. They know injustice when they see it and they can detect a threat to morality in their district. Give them credit. They

are not asleep and satisfied with a way of life which is slowly stealing their individual God-given rights and duties which go along with those rights. The future taxpayers and citizens of this country have not been afraid to make their voice of conscience speak aloud. Let's not allow their voice to fade and die. They are justly concerned for their future and that of their children to come. We must not permit their expression of courage and truth to be in vain. With believing hearts they've demonstrated an integrity of life and this must not be lightly cast aside. Believing hearts and integrity of life is the stuff of which loyal Americans are made. God bless them all the days of their life! May He give us the courage He gave to them.

In Monday's games - L.I. National Bank and McKeon Lumber were dead-locked 3-3; game called due to darkness, will be

resumed Wednesday evening. In Monday County Cesspool ran away from Perkins Trucking, 15-1. One of the highlights of this game was the slugging of Anthony DeLorenzo who went 4 for 4 hits; included in this outstanding display of hitting were three doubles by DeLorenzo, all hitting the left field fence. On the mound was the fine performance of Jerry Stein who went the distance for County Cesspool.

In the other game of the evening, Trolano Trucking broke the ice and came across for their first victory of the young season besting Judy Am Ice Cream 5-3. Congratulations to the team and Manager Mel Fels. Charlie Reilly, Judy Am manager, lost a close one this time.

## Offers Primary Voting Formula

Paul Kast, chairman of the Committee for Republican Responsibility, has urged local Republicans to remember a simple formula when voting in the Primary next Tuesday, June 2.

Said Kast, "Responsibility can be expressed in the equation:  $IA + 3A + 4A + CP + CP = 4U$ . The formula simply gives the ballot positions of the three judges of the County Court who have been designated to succeed themselves. The two CP's stand for Cromarty and Pearsall, Curcio and Platt who are running for delegates and alternate delegates to the national convention."

Kast added, "A 4 U is simply our way of saying that every Republican voter who uses this formula will be registering a plus for himself."

Kast said, "For County Court Judges we recommend the three

present judges of the County Court who have been designated to succeed themselves: Judge James L. Dowsey, Jr., Judge Harold M. Spitzer, and Judge Michael M. D'Auria. Their opponent is not a County Court Judge, We believe sound incumbent judges should remain on the bench."

The Committee chairman added, "In the races for delegates to the national convention, the four men we support are dedicated to the nomination of a tunced-in Republican like Lodge, Nixon, or Scranton. They reject extremism of the right or left. They advocate clearheaded progress, and avoid crazy pre-conceptions about decisions yet to be made."

Kast concluded, "Our committee urges every enrolled Republican to make his ballot count on the side of responsibility next Tuesday."

## Father Goggin Praises Regulars

By Katherine M. Hecker

On April 27, the St. Ignace Loyola Confraternity of Christian Mothers of Hicksville held its monthly meeting, and for those who attended, it was an evening well spent.

Mrs. Gough, who was chairman of the Rummage Sale in April was pleased to report that it was very successful as well as a lot of fun.

The Dark Horse winner for the month was Mrs. Edward White who left the meeting \$10 richer.

The nominations having been completed for the slate of 1964-65, the candidates were introduced by the Chairman, Mrs. John Brennan, in the following order:

For President, Mrs. Joseph Gough, Mrs. Charles Lamoureux, Mrs. Lawrence McCaffrey, and Mrs. James Wright; Recording Secretary, Mrs. Edward Korb; Mrs. August Paragallo, and Mrs. Joseph Robinson; Corresponding Secretary, Mrs. William Krajci; Mrs. John McCrosson, and Mrs. Thomas Wall; Treasurer, Mrs. Benjamin Beniamino, Mrs. Arthur Murphy, and Mrs. Robert Solaski. Ballots will be mailed out to all paid members before May 18th and voting will take place at the May meeting.

Father Goggin, moderator, had words of praise for those who come to the meetings month after month and reminded the members that belonging to the Auxiliary was more a matter of duty than one of choice. Belonging does not mean merely paying dues and attending once in a while - but attending regularly. For, Rev. Goggin said, the mothers cooperate in the teaching of their children by their presence, work, suggestions and support.

The guest speaker for the evening was Rev. Nugent, Professor of Theology at St. John's University and Secretary of the American Theological Society.

Father Nugent gave a very thought-provoking talk starting out with the declaration that although the Catholic Church has been in existence for over 1900 years there has never really been given a satisfactory definition of what the Church is.

So great is this need for clarity that Pope Paul VI has given the Council as it's objective to explain more clearly just what is the Church's awareness of it's ship to the world.

Through the Ages the Church has been referred to as "The

Bride of Christ," "The Mystical Body," "The Net," "The Building on a Hill," "Congregation of the Just" - and "The People of God".

Father stressed the importance of having first hand knowledge of the Old Testament in order to understand the New, and to throw light on what we are. Our Church does not go back merely to Christ as such, but to Abraham - for, in understanding the Scriptures, one sees that every promise God made to Abraham, and Moses - every prophecy made through Jeremiah, Daniel and St. John the Baptist has been fulfilled in the Church.

If we are to understand what we are and what the Church is we must go back to Abraham, Moses and Jeremiah and see how all that was promised to them has been extended to us. We are the New Israel, the Chosen Race, the spiritual sons and daughters of Abraham - the "People of God". Christ said "I have not come to destroy, the law, I have come to fulfill it".

### RECEIVES GREEN KEY

## My Neighbors

## President's Corner

By Arnold F. Winant

The several surplus Nike sites have been lying fallow in Brookville, New York, for quite some time now. This is unfortunate. It seems to me that some powerful politics have been playing their game with this property.

It seems apparent to us in the Union Free School District #15, that if the Division of Surplus Property Utilization allows this property to fall into hands other than the Jericho Schools some special interest would be served without regard to equities or the spirit of the law which allows such property to be given away. Such action would be arbitrary and capricious and would recklessly disregard the needs of the community of Brookville, Jericho and the Jericho School District.

Here are the points of interest: If the property is given to an educational institution other than our schools we can expect a large influx of activity in the quiet community of Brookville. Brookville, with its small population is already overcrowded and overburdened with educational institutions and other tax exempt properties. These tax exempt properties leave a large gap in our assessment rolls. Their being here costs the entire Jericho area money in taxes to pay for all types of services rendered to them and they require a lot of these services. They pay little or nothing in return nor do they render any service to the community.

On the other hand, the Jericho Schools service Jericho, Old Westbury and Brookville. It is true that if these surplus lands are conveyed to our schools, they will also be tax exempt. However, this causes no loss in assessed valuation, does not place a strain on the economy of the community, and will service the community where the property is located.

The Jericho Schools need a garage for its busses, extra classroom space until the high school is completed, a central community library and many other necessities. If we are not the recipients of this land, we will only be forced to purchase other land, tax exempt it and even build on it. The Nike sites are almost made to order for us.

This Civic Association has set its sights on the acquisition of these surplus government properties. We will contact the other civic association presidents.

We will make every effort to see that the Nike sites become the target of the thousands of voters in this school district.

## Board Requests Real Playground

By Hy Strell

In a vote taken at its last regular meeting on Wednesday, May 20, the Board of Directors of the West Birchwood Civic Assoc., carried a resolution opposing the creation of a Little League ball field by the Town of Oyster Bay in the proposed recreation area north of the Cantiague School. The Board recommended that the land be used instead for the construction of a children's playground.

The action was taken in response to a claim by town officials to the effect that "the community wants a Little League field in the recreation area." Among the major arguments advanced by Board members in opposition to the town's position were the following:

1. The Little League already has two diamonds on the Cantiague School property.
2. A sizeable portion of the community's children are little girls - a group not ordinarily inclined toward organized baseball.
3. Not all boys are inclined toward organized baseball.
4. A baseball diamond would remain largely in disuse during the summer months.

5. There is a pressing need for a well-equipped playground for the use of all the children of the community.

The resolution expressed the sense of the Civic Board that the creation of a third Little League ball field would not be a logical undertaking under these circumstances.

Further action on the recreation area was relegated to the Community Services Committee, under the direction of Robert Kravitz. The Committee was asked to petition the Oyster Bay Dept. of Parks and Recreation for a formal hearing on the matter. Additional assistance will be sought from Town Councilman Poulos and from Nassau County Planning Commissioner Hicks.

In another action, the Board initiated steps for the removal of names of non-members of the Civic Assoc. from the Mid-Island Herald subscription rolls.

## Operation VFW

William M. Gouse Jr. Post No. 3211  
by Eddie Klebing

I've said it before and I'll say it again. The month of May is a big one for active veterans. Patriotic duties are performed by members of veterans organizations from May 1st (Loyalty Day) to May 30th (Memorial Day). In between those days you find the veteran selling poppies to help disabled veterans and attending Pre-Memorial Day services to honor those who gave their lives in our never ending fight for Democracy.

Last Sunday morning members of our town's veterans organizations held services for our fallen comrades at Pinelawn Cemetery. The services were aptly handled by Artie Rutz, newly elected commander of the American Legion. VFWers were on hand to assist

in the honoring of our fallen heroes. From there members went to Westbury to place a wreath on the grave of our Post's namesake, William M. Gouse, Jr. From there we traveled to Salisbury Park where the United Veterans Organizations held another service to honor all deceased veterans. My personal thanks

go out to comrade Mike Znack who supplied me transportation to attend all three.

Our best poppy salesman -- excuse me salesgirl to date is Bob Williams' little daughter. She is doing a terrific job and can be proud of her efforts to help the disabled veteran. Assisting Miss Williams were Frank Aug, Frank Blessi, Jim Klueg, Al Hanlon, George O'Neil, Bob Williams, Mike Znack and myself.

VFW Country Council has three resolutions that will eventually find their way to National Headquarters. While two of them deal with internal business the third one would be of interest to everybody. That is to declare May 1st, Loyalty Day, a State holiday. Newly elected County Commander is Ole Andreassen.

Well that's it for this week. Don't forget this Saturday if you can't march, then take some time out to watch. See you at the parade.

announced that some 250 boys & girls, coach's & supervisory personnel will again be invited guests of the Alumni. Members of the Dinner Committee are Bill

Frehnhoeffler, Connie Weyer, Mike Sherin & Howie Finnegan... Don't forget Hicksville's own ALL STAR NITE... honoring the outstanding athletes of 64. Last minute arrangements might yet be made by calling WEILS - 1-2525.

COMETS IN PLAYOFFS\*\*\*\* Hicksville (9-5) finished out last week with a 2-1 series sweepover Plaindale but at this stage of the game a 2nd place finish in the Section 1 Baseball Derby is the best they can hope for. Last week Clarke clinched the title with a 2-1 decision over Farmingdale leaving the Dalers holding down 3rd place... only a half a game behind Hicksville. The local hurling staff paced by Jim Erwin & Bob Roehrig faced a tough 3 game series with Plainview this past week. (At home Thursday in the season's finale) There was also a makeup game with Farmingdale on Wed. In short a tough row to hoe for the local nine. They need them all to finish 2nd---for a crack at the county playoffs. The big guns for the Comets last week were... a 3 for 3 day for outfielder Greg Hoberbeck (including a homer) Triples for Jim Errico & Frank Decillis & a double & triple for Mick Sikerski. Erwin lost the opener (2-1) (to Plaindale) on a 3 hit 12 s.o. effort. Bob Roehrig tossed a 3 hit 2-0 shutout in the 2nd tilt & Erwin survived 10 Comet errors in the nitecap to eke out a 7-6 win. Roehrig a real sleeper this past season continued, his winning ways in the opener against Plainview last Monday, picking up a 9-2 win with a 2 hitter. One of the hits was a homer by Gull Hurler Don Driscoll. Comet S.S. Bruce Damm had a 3 for 3 day at the plate & 3rd baseman Nick Carrera added a pair of singles.

DIAMOND DUST - The latest reports from Winston Salem states that Cometland's own Chris Coletta is burning up the midwestern league with a league leading 417 batting average.

## Ten Pin Talk

by Henry Dockswell

If Sid Simon didn't get a nervous breakdown last Monday night he never will. A week ago some of the boys seemed to have been gunning for his 1st Game of 257, Gerry Reichgott had boomed a 236, and Morry Herrick had come up with a 234, but that was nothing compared with Mary Kolen's bid this week.

Marty came into the 10th frame needing 19 pins to tie Sid's 257. Needless to say almost all bowling was suspended as they carried Sid Simon over to watch Marty's final frame. Marty was concentrating so hard you could almost hear it.

He slowly and carefully went into his crouching approach and released the ball. It looked good, and it was good as he crashed a strike. Now he had two shots to beat him with. A second strike and he was in. Otherwise he needed 8 pins to tie 9 pins for a 258. Again he measured and crouched, but this time he was off to the right. He swept off six pins and was left with the 1, 2, 3 and 5 standing. He needed two to tie and three to win, and they were all together. Everyone was so tense you can imagine how Marty felt. He measured, crouched, threw and you could tell the ball was off its mark again. He just nicked the 2 pin gently on the left and it fell without touching any of the other three pins. He had made 7 pins for a 256.

It was probably the first time that anybody ever bowled a 256 and was a mite disappointed. After they sprinkled water over Sid to revive him the crowd dispersed and went back to their own lanes. In addition to this tremendous effort Marty also threw a 202 and just about completely annihilated Fred Green's Hornets 5-2. Eddie Roseman's very pretty 219 almost went unnoticed amid all this bombing. Ed has had a very fine 2nd half. In these last 17 weeks he has increased his average 8 points to a very respectable 150.

The Bubulas meanwhile were holding on for dear life. Nat Warren came up with his best game of the year, a 234, and when Ely Fisher shot 201 it was just enough for a 5-2 win over Murray Iakoe's Bulls. Their league lead, however, was narrowed to 2 points as Mort Levine's Spoilers came through in

The Jericho Water District has advised us that Summer regulations are now in effect. Lawn sprinkling regulation will be in effect from May 15 to October 15th each year.

All odd-street numbered homes shall use water for sprinkling lawns only on odd numbered calendar days.

All even street numbered homes shall use water for sprinkling lawns only on even numbered calendar days.

## MAY 30th-NO GARBAGE

Please take notice that Saturday, May 30th, is a legal holiday. There will be NO GARBAGE COLLECTION. For the appearance of the community do not put your garbage cans out. If you do the tendency will be to leave them there till Tuesday. In addition to being unsightly, it is against the law.

the clutch and shutout Sid Simon's Demons 7-0.

Sam Springer's Umglicks clobbered Murray Gittelman's Cockamamies 7-0 and are now holding down 3rd place, six points out and with no chance anymore of going all the way to the top.

Ruby Skyles threw his best game of the year, a 222, and when teammate Mary Cohen bowled a 212 the Lions shutout Milt Goldberg's Terrors and vaulted into 4th place tie with the Spooks.

Norman Ney got his 12th good one, an ever 200 and led his jets to a devastating 5-2 win over Morris Garelick's Spooks. Devastating because the Spooks needed a big win here to stay in contention. This knocked them right out of the race for 2nd half honors and they still need 2 points to insure 2nd place in the overall picture.

Flash-Flash-Flash Well, it's 10:11! It's Monday night and we're here at the Syosset Lanes ready to flash the news of who the winners are. Mort Levine's Spoilers have definitely locked up the highest trophy, Overall Champions, but they have a chance to make it a clean sweep. They are meeting the Bubulas.

FLASH - The Bubulas just won the first game going away. Wait a minute, the Spoilers are not dead yet, they just took the 2nd game and are back in the running. But they couldn't runfast enough. The Bubulas really clobbered them in the third and last game. Al Minoff's Bubulas are 2nd half champs, but Mort Levine's Spoilers are overall champs.

Morris Garelick's Spooks took overall 2nd place and Sam Springer's Umglicks took overall 3rd place.

Now on to dinner!

## League Salutes Cal Roberts

By Milt Pryor

The directors, managers and all the personnel of the Hicksville American Little League wish to thank Cal Roberts for the fine job that he has done as Umpire-in-Chief. The boys he has assembled, all graduates of the Babe Ruth League, are not only calling good games, but laying out the base lines, setting up the field, and thus giving the teams as much time as possible to complete their games in the evening. Our hats are off to a real great group. The boys who are handling the umpiring chores for our league this year are: P. Argento, D. Grassi, G. Devesau, A. Nolan, C. Parfrey, R. Sherwood, T. Tomlinson, J. Uss, J. Ciarelli, V. Morabito, J. Milito, R. Bashan, A. Kummer, G. Kist, C.T. Roberts, and finally E. Piona.

We are indeed happy that Charlie Parfrey, our League Director of the Senior Division, is out of the hospital and is now really doing fine. It sure was good seeing him at our opening ceremonies last week, and truly so, as it would not have been much of an opening without Charlie there. In a few short weeks, we are told Charlie will be back in the fold. Get well quickly. We all miss you.

In our Major Division, add Garry Napoli to the list of sluggers who have hit circuit clouts for their teams. Also Malstedt, of Rotary, Feeley and Tedesco, of Ocean G.L.F., and Doug Murphy of Gertz have now chalked up wins in the majors for their winning hurling. Some of these boys

looked quite good on the mound, and it won't be long before they will be blazing them by the Senior League sluggers.

Great happenings are occurring in the Minor A League these days. Pitching artistry the likes of which this league has never seen before, and magnificent performances were turned in by Kevin Sweet of Fairway Farms, whom we understand is out with the German Measles, and Ricky Coffey of the Botto Bros, Plumbing & Heating aggregation. Also, we wish to commend Eddie McEnaney for fine behind the plate ball handling. Friday's night contest saw the Hicksville Democrat's really blast the ball, but the pechylerns just seemed to grab those balls from out of nowhere. Outstanding catches by Johnny De Rosa, the star second baseman and inspiring throws by Jimmy Ajello, and Tommy McGee were indeed a wonderful sight to see. In our humble opinion, the play of the game was the remarkable recovery by McGee of an overpowering line drive way out in right field, his bullet like throw coupled with Mike Famiglietti's impossible catch at first, got Kevin Kulich out by a step. That shot would have been good for at least a double in any League. Final Score Elephants-11 Mules-0. Bobby Pryor went the route for the Republicans allowing only three hits and two men to advance as far as third base. Those New York Mets, we understand, have their eyes upon you.

In our Minor B Division, the Pizzas D'Amore and Mr. Softce

match was a real cliff hanger. The score was tied 0-all going into the last inning of play. Mr. Softce's team was up first and pushed three runs across the plate and going into the last half of the sixth inning leading 3 to 0. Pizzas' hitters managed to get the bases loaded, and with two out full count on Jeff Kurland, the Pizzas' batter, Jeff hit the final pitch of the game for a game breaking double, and Jeff scored when the ball was not handled cleanly. Ice Cream any one? Also in the Minor B, Hicksville For's S. Lacher struck out 9 men, in fact, 5 men in a row, not an easy feat by any means, thus helping to clinch the game and giving the Tin Lizzies a perfect record for this season. We understand that great surprises are in store for you boys if you take them all.

METEORS 98... DALERS 65... 5 RECORDS FALL.... Last week the Jr. High trackmen coached by Stan Kellner & Ken Kingsley climaxed another successful season by dumping previously unbeaten Farmingdale from the ranks of the undefeated. The one sided win plus familiar nature had the effect of bringing the Meteors home with a 6-0 mark which when coupled with 15 new school record sort of leaves very little to be desired. 10 of the records had been broken prior to the finale with Farmingdale. The remaining 5 had the Daler coach's double checking their stop watches. RON CARMAN set a new mark of 1:37 in the 660 dash breaking a standard of 1:40.9 set by Dave Fyfee last year. GUY GLAZER set a new record in the 120 yd. hurdles with a clocking of 15.5 clipping a hair off Bob Hendrickson's 63 mark. Other running marks shattered were in the two 440 relay events. (The 12 & 13 year old event & the 9th grade). BRUCE GOLDEN, BILL HERBST, HOWIE ROTH & CHET SCHNEPF (12 & 13) broke their own record established this year. They set a new standard of 5:18. GARY HERMAN, DICK EITH, GUY GLAZER & BRIAN SCHNAKENBERG lowered the mark in the 9th grade event with a clocking of 48.7. And last but by no means least comes an 8th grade youngster by the name of MIKE BERNSTEIN. Coach Ken Kingsley rates him in the "exceptional" class in the 8 lb. shotput event. "His shot is the best I've ever seen on this level," Kingsley said, and by way of proof he tossed off a few facts that substantiated the Bernstein Bulldog. Early in the season Mike had set a new shotput standard of 43' bettering the old mark by over a foot. Then to prove the theory that records were made to be re-broken Mike went on to dazzle the Dalers with a heave of 46' 11" -- A new Jr. High School record that should stay on the books for a number of years...or at least until another shotputter like Bernstein comes along.

## Legionnaire's Log

Charles Wanner Post No. 421, Hicksville  
by ARTIE RUTZ

If you haven't been around the old clubhouse lately maybe you should peek in and see how things are shaping up...and they are... Things are also very busy for your officers who are responsible for year-end reports all of which are now due to the Post, County and State...Our Americanism Officer Dick Evers has been busy distributing the American Legion School Award medals to our various local schools for presentation and he also has the responsibility of seeing that our Boys' State representative, Dennis Yaras (Twinlawn Avenue) gets off to a good start...You know these Boy Staters are Lucky fellows, they meet some of the nicest lads and brightest lads, air state and nation produce each year...If you will bother to look into the history and background of the Legion's Boy State program over the years you'll find that several of the Boys' Staters when on to become Governors, Senators and Congressmen, and a host of other important positions... Have you seen our Junior Post Band decked out in their new uniforms???? Have you heard their new beat???? Their new repertoire???? NO?? Where have you been? We are proud of our outfit!... I think Dick Hochbruecker is working just as hard now as a Past Commander as he did as Commander and that plenty hard!... Our Hicksville Veterans' Group paid homage to our local veterans buried in Pinelawn Cemetery last Sunday Morning.

Vice Commander Lou Costa did the honors by placing the Auxiliary made Poppy wreath on the grave...This Sunday afternoon, the Color Guard will participate in an Memorial Service held by the American Veterans of German Descent at Wyandanch... June 1st is our next meeting and as its a social meeting you can be sure it will be as brief as possible...This is your last chance to bring in a new member for this year as Convention time is almost upon us...Can you do it?
