SOME OF SEVENTEEN chartered buses line up at Mid Island Plaza on Friday evening, May 29, to carry about 800 fans to Hicksville Night at Shea Stadium. Many also went down in private cars and all apparently enjoyed a thrilling ball game although the evening was cool on the second level.

Trip from Hicksville to Flushing took about a half hour but because of police traffic controls near the Stadium, some busses crawled around for three quarters of an hour until they could reach parking fields. The packed trip with reserved seating was sponsored by the Hicksville

Lions Club and was the biggest of its kind for the community, PS - The Mets won, 4-2. In the foreground at left are Lions Club President Ray Carrano, Past President Art Sherriff and Al Dillman who was chairman of the Lions project. (Photo by Lion P. Charbonnet)

Silver Jubilee for Rev Goggin

Rev. Leo J. Goggin, parish priest at St. Ignatius Loyola R.C. Church, Hicksville, for the past 14 years will offer a Solemn High Mass of Thanksgiving in celebration of his Silver Jubilee in the Priesthood on Saturday, June 6, at 12 noon.

Rev. Lawrence Ballweg, a fellow priest at St. Ignatius, will be the deacon at the Mass and Rev. John Hession, professor at St. Joseph's College, Brooklyn, who serves at St. Ignatius for the weekends, will be sub-deacon. Rev. James E. Collins of St. Joseph's R.C. Church, Garden City - a classmate of Father Goggin's seminary days - will be arch-priest and preacher.

Father Goggin was born in Freeport in 1913. He attended public school and graduated from Cathedral College, Brooklyn, before entering the seminary. Before coming to St. Ignatius, Father served at St. Barnabas Church in Bellmore and St. Cecilia's in Greenvale.

He is interested in music and has gained stature as an amateur song writer. His love of music resulted in the formation of the St. Ignatius Glee Club which has been under his guidance for 11 years. A sagacious preacher, Father Goggin has been featured on many Catholic radio programs. He is the moderator of the St. Ignatius Loyola Auxiliary of Christian Mothers. In addition to his other duties as an assistant to the pastor, Rt. Rev. Msgr. George Bitterman, Father Goggin has been the moving force behind the very successful annual Bazaar sponsored by St. Ignatius parish every summer.

Order 500 Flags

Over 500 American flags have been ordered by Hicksville residents from members of Boy Scout Troop 291 sponsored by Trinity Lutheran School, Hicksville.

Teens to State Rec Proposals

In a move aimed at "improving recreation facilities" for teen-agers in the Town of Oyster Bay, the Supervisor Pectin's sub-committee on Youth Recreation has announced a meeting to be held this Friday evening, June 5th, at 7:30 PM in the Hicksville Public Library. Sub-committee Chairman Peter Brown, Syosset High School Senior, said the meeting was aimed at coordinating a thorough recreation program for all Town teen-agers, with recommendations to be presented to Town officials for their evaluation.

Supervisor Pectin, who will address the meeting, organized the Recreation Committee last January as part of his Citizens Cabinet. The Committee is headed by Joseph F. Madden, Recreation Director of the Hicksville School District.

Fr. Goggin

His fellow priests and the parishioners of St. Ignatius will honor Father Goggin on the 25th Anniversary of his Ordination to the Priesthood with a testimonial Friday evening in the school auditorium.

Thrilling Rescue at Sea

Members and guests of Emergency Co. No. 5 of Hicksville Fire Dept. were rescued at sea, Sunday, when the Gladys B II (out of Lindenhurst) hit a submerged object (torpedo?), bent the shaft and began to take on water almost directly under the new Fire Island Bridge in the Inlet.

The party of 18 was transferred under the cool and calm leadership of Fire Co. Captain John Larkin and fishing party chairman Ex-Chief Walter Werthessen over to the Sea Horse, an open party boat which came in response to a radio call.

The captain and mate of the Gladys B II remained aboard the "sinking" craft and limped back to Popeye's Dock for repairs.

It was reliably reported that in the excitement of the rescue at sea caused John O'Malley's sweatshirt to drop below his knees. Sam Weiss tossed caution to the winds and left his squid (fluke bait) behind on the "sinking" ship. He later landed a shark.

The firemen while aboard the Sea Horse managed to accumulate assorted flounders, sea robins, blow fish and sun burn until early afternoon when the whole party switched to fluke. The fluke were not plentiful but man-big.

William Steffel was in charge of the pool and announced that Valentine Kerbs won the pot for the biggest flounder of the day. Tom Geary, a guest, got the best sunburn but there was no cash award for that distinction.

And for a special treat: look up Joe Koerner's Around the District (page 9) for a story about a Steeplejill you may have seen on television.

STEEPLEJACKS AND STEEPLEJILLS caught the attention of Joe Koerner this week when the 72-foot pole in front of Hicksville High was painted. While husband Bob was aloft in a specially designed riggers chair doing the high-wire act, Steeplejill Mary Simpson trimmed the flag pole base. Christian Mothers Hold Election

By KATHLEEN M. HECKER

It might seem that the best was saved for last as we review the program for the May meeting of the St. Ignatius Loyola Auxiliary of Christian Mothers at which Sister Edmond de St. Bern-

ard, a Daughter of Wisdom, was the guest speaker.

As usual, the business meeting began the evening, and at this time Sister Venard reviewed the year's accomplishments for and

by the children. She reminded the members that there has been an intensive reading drive and recommended that if a child is failing due to poor reading, he should be signed up in the remedial reading classes where there will be twenty specialists trained in this field.

Sister took this opportunity also to thank the staff, both sisters and teachers, who undertook the difficult task of not only bringing 1300 children to the New York World's Fair, but also delivering them safely home again.

Father Goggin commented on the particularly large attendance and explained how necessary this continued type of cooperation is if the sisters and teachers are to satisfactorily educate the children.

Apathy on important matters in our community, affecting especially our teenagers can result in dire effects. Father Goggin said, and urged everyone to express their opinions very strongly concerning the pornographic literature obtainable in local stores, as well as books, shows, T.V., Ads, and movies.

At this time Father also extended an invitation to all the members to a party honoring his Silver Jubilee on Friday, June 5 and to the Mass of Thanksgiving on Saturday, June 6 at 12 noon.

It is virtually impossible to satisfactorily report on the informative and entertaining evening brought by the missionary Sister of the Daughters of Wisdom, Sister Edmond de St. Bernard.

As described by Mrs. McGee, she is a "woman of courage and determination, a lady who is using her gift from God, that of being a woman. In the special way a man does - giving service". To that might be added that Sister Edmond is a natural comedian and in her various anecdotes and descriptions of her years in Africa the entire audience, when not rocked with laughter, was held spellbound. It is easy to imagine why the absence of T.V. or movies would not easily be noticed with such a person available.

From a family of seven children in the parish of Our Lady of Perpetual Help in Brooklyn, two chose the religious life. One was Father Patrick McDwyer, CP and the other Sister Edmond de St. Bernard who has been a member of the D.O.W. since the age of sixteen. Sister has been stationed in Africa for the past twenty-eight years and was decorated by Queen Elizabeth II for her outstanding work in education there.

At the beginning of her talk, Sister warned us that she was not a public speaker, and then proceeded to regale the members with one anecdote after another on the customs in Nyasaland, East Africa. Particularly amusing was her description of how she prepared and served a meal to a very ferocious and strange warrior, thus saving herself from becoming the main course.

If any of us are fortunate enough to include Africa in our travels, we are well prepared on the habits of crocodiles, Elephants and monkeys and forewarned never to bathe in crocodile infested waters at sunrise or sunset.

Sister described the people of Nyasaland as "very nice, gracious and kind" and mentioned how extremely intelligent the students were, being especially proficient in Algebra and Geometry. In all of her stopovers enroute

Dear Lynda:

CLARENCE DYCKMAN who was born in Bethpage and raised in Hicksville, died Saturday in the Huntington Hospital. He had lived in Greenlawn the past 12 years. He was an ex-captain of Hicksville Fire Dept. Hose No. 2 and was a member of the Exempt Firemen's Assoc. We enjoyed reading PAUL HORGAN's "A Distant Trumpet" (621 pages) but we can't say as much for the movie version. The only similarity between the book and the movie is the fact that the cavalry in both offerings rides horseback. Recently elected members of the NY State Society of Certified Public Accountants are BERNARD FABRIZIO of 29 Robin Lane and ARTHUR WILLIAM HELLER of 14 Sylvia Rd., both Plainview. A team representing Plainview High will take part this Saturday in the NY Plymouth Trouble Shooting Contest in Mount Vernon. EDWARD FLOCCI is the instructor. GEORGE MALVESE, founder in 1916 of the tractor and equipment distributor at 530 Old Country Rd., Hicksville, died suddenly on May 31. SAMUEL G. KAPLAN of 31 Fair Lane, Jericho, is a member of the freshman class this fall at the University of Pennsylvania. The erection of that Twin Theatre at the Mid Island Plaza has ruined the course used the last several years for the Hicksville Labor Day firemen's tournament. Another location on the same property, probably across the back, is being studied by MEDARD OPENLOCH, this year's chairman and his committee.

A group of residents from the vicinity of the Hicksville High School appeared at the School Board meeting, Friday night, armed with petitions. They were upset about students drifting through the neighborhood at all hours of the day, littering lawns and streets. Some also complained about the odor from the high school chimney, suggested "a less inexpensive grade of fuel oil". County Police Commissioner JAMES J. KELLY reminds residents of Nassau that the state law grants amnesty during June for the surrender of unauthorized weapons. These include pistols, revolvers, knives, black-jacks, metal knuckles, firearm silencers and other dangerous weapons. Call your nearest county police precinct to make arrangements. Fellow was telling us the other day about a two-foot snake he came across on a side street not far from the HERALD office. He thought at first it was an inner tube and then decided it was a black snake - relatively harmless but not too common in built-up Hicksville.

We would like to extend our warmest congratulations to Rev. LEO J. GOGGIN of St. Ignatius Loyola R.C. Church on the Silver Jubilee of his ordination to the Priesthood this week.

Hicksville Kiwanis WILL NOT have a Ladies Night this year. It had been scheduled for June 14 but the date conflicted with other affairs planned earlier. ARTHUR F. THOMPSON III of 55 Arcadia Lane, Hicksville, has been promoted from assistant vice president to vice president with the LI Trust Co. He is a regional loan officer with headquarters at East Farmingdale. The Hicksville Kiwanis won the annual golf competition between the three service clubs and Chamber of Commerce. ROTARIAN BILL PAYOSKI had the low gross score. Half the people in the United States would drown if they had to swim for their lives in an emergency, according to Greater New York Safety Council. Oyster Bay Town Board has banned admittance after 9 PM at Centre Island Beach (south side.) Beekman and Theodore Roosevelt Memorial Park Beaches. Those already on the beach may remain so long as they are orderly until 11 PM except at Beekman where the beach is cleared the gates locked at 9 PM. We'll never be able to figure out how chairman WALT WERT-HESSEN was able to add to the excitement of the Hicksville Fire Co 5 fishing trip, Sunday, by planting a toy in Fire Island Inlet (or was it a long - lost U-boat?).

We hear JIM CUMMINGS has been re-elected to a two year term as Vice President of the A.O.J.I. Nassau County. Also TOM COSTA, has been elected Grand Knight of the Joseph Barry Council, K. of C. MICHAEL SIMILE, Deputy Grand Knight and GEORGE MAGUIRE, Chancellor.

to the United States - from Rhodesia, Egypt, Jordan, Rome, San Francisco, Alberta, Canada, etc.

Sister Edmond found the very nicest people she has met have been in Hicksville.

Reports reaching Africa over the years have not been encouraging concerning our youth and their parent's apparent concern in the decline of their moral standards. But having visited Hicksville, Sister said, she can carry a message back with her of how deeply impressed she was with the mothers she has met and of their deep, strong concern for the education and welfare of their children.

land, she asks our prayers for all the members of her community.

Just before the conclusion of the meeting, the results of the election for the 1964-65 slate of officers were announced. For President, Mrs. Joseph Gough; Vice-President, Mrs. Lawrence McCaffrey; Recording Secretary, Mrs. August Peragallo; Corresponding Secretary, Mrs. William Krajci; and Treasurer, Mrs. Arthur Murphy.

The winners of the Dark Horse prizes were Mrs. John Hamigan and Sister Jude Martin who was presented with a Gift Certificate from Gertz.

The next meeting on June 15 will be the last of the season and promises to be well worth attending since we are to be entertained once again with a program arranged by Mrs. Patrick McGee, entitled "To Mother With Love".

Reports from Washington

THE PRAYER ISSUE - THE REAL FACTS

The morning mail has just come and it includes a batch of letters stamped by a postage meter bearing the words "Make Friday Night Temple Night." It gave me a good feeling to see this expression of our basic heritage—freedom of speech, freedom of religion, and freedom of choice—protected by the First Amendment to our Constitution, which says "The Congress shall make no law respecting an establishment of religion, or prohibit the free exercise thereof."

To me, this means that under the Constitution a person has the right to pray as well as the right not to pray. It is that simple.

Following the Supreme Court decision outlawing prayer in public schools, there has been a good deal of confusion in the minds of the people, to the point that some even fear that separation of church and state would be threatened if children were once again permitted a freedom of choice.

The Federal Government affords many tax advantages to religious organizations, which are generally exempt from Federal income tax—from both the retailer's and manufacturer's excise taxes, and the excise taxes on admissions and telephone service—nor are they required to file all annual financial information. In addition, taxpayers contributing to religious organ-

izations are permitted certain deductions.

Religious organizations enjoy reduced postal rates.

Federal grants are given students attending religious schools, for teaching in religious schools, for cooperative research. Loans are given for construction of hospitals and other institutions within religious sects.

These are just a few of the allowances and grants permitted, none of which has ever threatened separation of church and state.

We are all agreed, I am sure, that our basic individual rights are God-given and I can see no danger in acknowledging this with a non-sectarian, non-compulsory, non-discriminatory prayer for those who want to pray.

What we must be alert to is that no one group dictates to another.

MEMORIAL DAY 1964... In the Bethpage area remembrance of our war dead was shown in the large amount of servicemen from the VFW and the Legion who marched in the parade. I would say every organization in town made a fine showing. The musical outfits were terrific... and a big extra hand for Bethpage High School band. From the grapevine over Hicksville way... It was bigger and better than last year. I hear that the Legion, VFW, J.W.V., C.W.V. and AMVETS were once again out in full strength.

When I hear Taps sound on Memorial Day it makes me a little sad, not just for the reasons that it is a "farewell", but, because I placed my "Old Betty" away among the mothballs. Though I don't play any more my little joy has taken up bugling and if he keeps at it perhaps there may still be another Cooley playing for 25 years.

NAMES HERE AND THERE... On a Buffalo TV station there was a big shindig for retarded children. The AMVETS post donated \$1000 clams and the Auxiliary a few hundred. "VIC MORROW" star of TV COMBAT was so charmed he joined the vets post right then and there. BOB DOYLE of Grant Ave., Bethpage... Commander of the North Bellmore Legion post, is headed for the County organization now, and good luck to you Bob.

BUDDY MAZARA, Bethpage Real Estate agent once again led off the local lads and lassies on Vets day. It's funny Buddy, (to me you look the same as you did 20 years ago. Best wishes to JOHN E. REGAN, who retires as Commander of the Hicksville AMVETS Post. Ditto wishes to the Chas. Wagner Post American Legion Commander who just took office a few weeks ago. FRANK HAMILTON of AMVETS, once again running for Commander. QUESTIONS and ANSWERS... A veteran I know is going to school under the G.I. bill and is getting a G.I. loan to buy a house. How can he get double benefits? ANSWER: There is nothing in the law that prohibits a veteran from receiving the two benefits simultaneously. QUEST: Has the so called "Long Bill" been passed by Congress to allow reinstatement of lapsed GI insurance policies? ANSWER: No. None of the bills which would have allowed reinstatement of lapsed G.I. insurance policies have been passed by Congress.

THEIR MOTTO... The red and gold on the 152nd insignia represents the Regts. Spanish-American war service. The Caduceus its border of Mexico duty. The Fleur-de-Lys War I. Its motto "Fit To Fight". The 29th a lightning flash and a drop-bomb... its motto... "Power For Peace".

The 60th Infantry wears as its patch... "Black Panther Div." Well fellow veterans... that's all this week, let me say I'm real proud to know so many former G.I.'s, Sailors, Marines and Coast Guardsmen with the Air Force put on that tight uniform for Memorial Day. It was nice seeing you all. Until we meet again.

Herald Reader Opinion

UNSIGNED 'FACTS'

To the Editor: The letter by Margaret Sartor in the May 28th issue of your newspaper amazes me! The writer is apparently unaware of what is truly happening in Hicksville High School. As a student of Hicksville High, let me present the facts!

First of all, she states, "Students in the Hicksville High School have shown they want God back in our schools!"

What students is she speaking about? Does she mean the small amount of 100 or 200 (at the most) students out of over three thousand? Is it the small minority (which started saying the Regent's prayer) that she is talking about? Well, I'm a student of Hicksville High School - and one of the majority of 2800! We are not terribly upset about the past decision of replacing the State Regent's prayer with a silent (and more personal) prayer. In fact, only a very small minority (at So, before you write another letter, Madame, please find out the facts!

You say, "High School people aren't a bunch of babies. They have good minds. They do have values. They know right from wrong!"

Well, you're right! And that is why only a few of one entire student body began saying the prayer out loud.

The vast majority of intelligent High School students realized what the minority was doing, as against the decisions of our legal system, as against the decisions of the administration and as being just plain wrong!!! These intelligent students thus refrained from taking such foolish action.

Besides, many of us feel that saying our own personal prayer rather than an official state prayer is perhaps a greater demonstration of our faith! Or don't you believe we go to church, dear letter writer???

So, the next time you become greatly concerned with the actions of a few students, make sure you know how the majority of students feel about the situation. You may find out, Miss Letter Writer, that you don't always know all the facts!

A High School Student (Dear Editor: I doubt very much whether you'll print this letter. If you don't, could you please forward this to Margaret Sartor, 1 Prince St., Hicksville, so she can find out the facts!) June 1, 1964.

Now that Nat Warren is no longer the editor I thought I would surely develop an abscessed tooth or break out with the herpes and my mind would become a complete blank. I don't mean to verbalize my agony but I was thoroughly convinced that without Nat everything would go wrong but here I am, much to my surprise, bringing you the local talk. I find my new editor just wonderful to work with. So thanks, Nat for all your help in the past. Pardon me while I set out the welcome mat for Sam Lubitz.

I would like to thank the Jericho Chapter of Hadassah for initiating me to the installation of their officers. The ceremony was quite touching. Congratulations my neighbor Diane Eder of Middle Lane on being made president of this wonderful organization.

Ten Pin Talk

by Henry Dockswell

Our final week was punctuated by the blasts of 8 bowling balls. Leading the attack was Sam Springer. He bowled a 233 and led his Unglicks to a 5-2 victory over Leo Geyer's Lions. Next came Morry Herrick with a 222, and when his capt. Murray Gitelman contributed a 205 they clobbered Murray Isakoe's Bulls 7-0 and drove them down into last place.

Fred Green, with a 210, and Ed Roseman with a 202 led the Hornets to a 5-2 win over Sid Simon's Demos, despite Demon Julie Gershen's fighting 212. This carried the Hornets up out of the cellar to a 10th place finish.

Gerry Reichgott bowled his 7th good one, a 210, and just helped the Spooks squeeze into a 4th place finish in this 2nd half race. They lost to Herb Brody's Six Finks 4-3 but the 3 points they won were just enough.

Milt Goldberg wound up the night with an even 200 and helped his Terrors fight off Norman Ney's Jets 5-2.

Individually, Leo Geyer walked off with the most honors. It's a good thing he drives a station wagon. He'll need it to carry his trophies home.

He won: Hi average 175; Hi Series 635; Most 200 games 15.

Not so hoggish were: Sid Simon—Hi Game Class A257, Elliot Spencer—Hi Game Class B-238, Ed Roseman—Hi Series Class B—S64.

President's Corner

by Horace Bernstein

Next Wednesday, June 10th, the residents of Central School District #2 (Syosset) will once again have the opportunity to vote on the school budget. As I am sure you are all aware, the original proposed budget was defeated when it was originally proposed in May. What was the ironic thing about it is that the budget which involved millions of dollars, was defeated by only 14 votes. What was also ironic is the fact that so few residents and especially of Birchwood exercised their right to vote.

The School Board has spent many hours and days reviewing the defeated budget and have come to the same conclusion that this is the only budget that they in all honesty can propose. There is absolutely nothing that can be cut. As is described by Ralph Diamond in another column elsewhere in this issue, we are caught in a bind. It is necessary to give teachers' increases so that the salaries of the teachers in Syosset shall be at the same level of other districts. This is the only way that we can keep the GOOD teachers that we want.

The Board of Directors of the Civic Association at its last meeting, once again took up the Syosset Budget. Questions were asked of our education committee. Once again it is their recommendation that we accept the proposed budget and recommend a YES vote.

I wish to add my voice to this. May I urge all residents of Birchwood who live in the Syosset Section to PLEASE exercise your rights as citizens and taxpayers and vote.

Voting will take place on Wednesday June 10 at the Senior High School between the hours of 10:00 A.M. and 10:00 P.M. Surely some time during this twelve hour period, you can take a half hour of your time to go to the school and vote. I wish to urge you to vote YES! I along with the school board, the Board of Directors and the Education Committee feel that this budget is right and must be passed. Wednesday, June 10 at the Syosset High School and a YES VOTE!

Eva and Nat Bran on their 40th anniversary. Happy birthday to Nina Cohen and Eva Bran.

High Water Bills? Check for Leaks

by Henry Dockswell

Numerous complaints by residents of our community, that their water bills were two and three times higher than the corresponding periods last year, caused the BCA to contact the Jericho Board of Water Commissioners.

In answer to an invitation, Charles Kiel Jr., one of the Commissioners, attended the BCA May Meeting of the newly elected Board of Directors. He was accompanied by two other members of the Water Dept. and between them they outlined and explained the various factors that might cause a water bill to be excessive.

A wet or dry spell, especially within the May to October period, could cause a bill to vary quite a bit over the corresponding period last year. The inaccessibility of the meter for a reading would cause a small bill now and an adjusted bill the next time. By actual test a pin point leak of only 1/32nd of an inch can cause the loss of about 7 1/2 gallons if water per hour and this loss alone would amount to about \$1.62 per month.

The yearly bill is the important thing to compare.

If there is a question of an excessive bill, for which the homeowner feels there is no reason, he should contact the Jericho Water District. They will come and check the house for leaks, both inside and out. If no leaks are found the homeowner can have his meter checked. There is a \$2.00 charge for checking the meter unless the meter is found to be faulty. In that case not only is there no charge but an allowance will be made to the homeowner for every month since the discrepancy began.

Mr. Kiel concluded his stay at the meeting by reminding the group that as always:

Effective from May 15 to October 15—

Odd numbered homes shall use water for lawn sprinkling only on odd numbered calendar days.

Even numbered homes shall use water for lawn sprinkling only on even numbered calendar days.

This is not because of any water shortage, but is necessary to maintain the needed pressure to supply the other wants of the entire community.

Civics Again Support Budget

by Ralph Diamond

The Board of Directors of our Birchwood at Jericho Civic Assoc., at its last meeting again voted to urge our residents to vote Yes on the Syosset school budget. This budget is the exact budget that was originally presented by the Syosset School Board and defeated by only 14 votes.

Specific reasons for the civics recommendation of the budget were detailed in this writer's last column on this subject. Nevertheless, it should be emphasized at this time that although the budget indicates an increase of approximately \$1.06 per \$100 of assessed valuation over last year, only 28¢ of said increase was discretionary with the School Board. The major portion of the discretionary increase is in the \$200 across the board increase in teachers salaries. The School Board contends that the \$200 increase was absolutely necessary to hold and recruit competent teachers.

Section 2023 of the State Education Law authorizes a school board to levy a tax upon a school district if the voters refuse to vote the sum estimated necessary for teacher's salaries or for ordinary contingent expenses. There is no doubt that the statute grants a School Board the right to levy a tax to cover teacher's salaries but is silent as to whether the salary includes the increases as estimated necessary by said School Board. However, a ruling by the State Education Department indicates that the right to levy a tax includes the increase in teachers salaries provided the salary increase is necessary to hold and recruit competent teachers. Your civic board has reviewed the question of the \$200 increase to the teachers and has reluctantly agreed with the School Board, that such increase because of competition with surrounding School districts was necessary.

It therefore boils itself down to

the unhappy fact that very little can be saved in our tax dollar if we again defeat the budget. It is not a question of becoming frightened with having to live with an "austerity budget", it just does not make sense to inconvenience our children nor ourselves for the few dollars that could possibly be saved by cutting out certain items that do not constitute "ordinary contingent expenses", for example, cafeteria, student work books, transportation & uniforms for sports activities, drivers education, etc.

The civic urges you to vote Yes on June 10. Remember the last budget lost by only 14 votes, dramatically illustrating the importance of each vote. The budget merits your Yes vote, so make certain to vote Yes on June 10.

Three Minor Games Tied

By Milt Pryor

The Minor B Division of Hicksville American Little League continues to grow by leaps and bounds. The boys seem to be grasping the baseball fundamentals quite well, and good team play, better fielding, improved hitting, and certainly fine chucking of the ball, have been much in evidence.

This past week, 3 of the scheduled games ended in ties and the games are to be continued this coming week. At any rate, good teams and knowledgeable ball players are developing in the junior circuit. It seems quite probable that the 1964 baseball season will have more graduates into the Minor A, and the Major Leagues than any previous year. Much of this great success is due to Minor B managers. We wish to commend Malvese's Bill Moran; Artie John, chief of the Hicksville Ford aggregation; Ike Kaufman, the overseer of Udeli Devo; Tech-Alloy's skipper, Mike Sabol; Fairhaven Garden Center's czar, Johnnie Cienlak; Pizza D'Amore's maître de, Bert Hoffman; Mr. Soften's Leader, Ed Regan; and lastly the Co-Managers of the Fairhaven Tennis Apartments, Dick Roethel, and Fred Rauchwerper; for their tireless training and instructing of their teams. Also, our hats are off to John De Rosa, the League Director of the Minor B, who doubles as Manager of the Minor A. Republican team. If you think that is an easy feat, we humbly suggest that you try it.

In the Minor A circuit this week, the spotlight is on Billy Koukus, Eddie McEmmney, Bobby Damb who blasted the ball for the full circuit, and mighty homeruns were they too. The Democrats played good winning ball the other night and took a big one away from Botta Bros. Plumbing & Heating group. Davies took the win for the Mules & Ricky Coffey, the Botta Bros. pitcher took the loss. The Republican's Gary Palmese took another win, thus making his record 2 Wins and going the complete route both times. Larry Weinstein has just been assigned to the Republican team coming from the Firestone group in the Major division. Johnny De Rosa had a perfect day at the plate and Fairway's Kev Sweet and Larry Weinblatt played stellar ball coming up with some mighty catches and good ball handling. However, the Republicans remained on top. Final Score Elephants: 12 Milwaukee 2.

Major League activities were really exciting this week, with five games played by all teams. In the Gertz - Ocean G. L. F. contest Johnny Byrnes, the Gertz hurler won his own game with a timely hit and in the Rotary Firestone game, Steve Murphy of the Rotary squad pitched a very strong game striking out 12 batters from the mound, and driving in 8 runs from the batters box, while going three for four for the day. And if all that isn't enough, he allowed the Firestone group

BOB WEISS of Elm St., Hicksville, does not have the World's Fair in his back yard as it seems to appear, but he does have this beautiful replica in the form of a 28 ft. by 12 ft. mural he painted of the Fair. He is shown putting the finishing touches on the mural that will be used as a backdrop for the "Fair World of Dance" to be presented by Marge Williams of Hicksville for the benefit of the Levittown, to be held at the Division Ave. High School, Levittown, June 13 at 8 o'clock.

only one hit. Can't beat that, can you?

The boys from Gillison's are enjoying an undefeated season, and are really coming on strong. Good pitching and strong hitting, plus good baseball know-how are much in evidence. Frank Tate, their Manager and Ira Hill and Bernie Boyle, their respective coaches should be commended for their boys fine achievements. Frank, give the boys a chance to do some of their homework, as all of those many practice sessions sure keep the boys busy.

JJC Special Service For Russian Jews

Emphasis was made as to the importance of Americans being informed and aware of this situation which seems to be growing worse month by month. Even more than awareness, however, everyone is urged to write directly to President Johnson urging immediate action and pressure on the Soviet Government to ease up on these restrictions and, at the very least, to treat Jews in Russia as other Soviet citizens are treated, and not to single them out as a special minority subject to persecution and unreasonable discrimination.

A special service was held at the Jericho Jewish Center on May 22nd to observe and deplore the terrible plight of the Jews in Russia today. This was part of a nationwide observance of the persecution of 3 million Russian Jews.

I know that you are all concerned with your lawn at this time due to the shortage of rain and the sprinkler regulations. Have you given a thought to the poor birds and the poor little squirrels? Please put a pan of water out for them so that they will have water to drink. Don't forget to give a thought to calling GE 3-9789 with all your news items.

Mrs Olga Hoebel Wins Show Award

Mrs. Olga Hoebel, who is a member of the Long Island Branch of the National League of American Pen Women, recently won second award in portraiture with the League in an art show held in May at the Salisbury Country Club for her oil painting entitled "Indian Woman."

She also received third award for a still life in a Central Federal Savings and Loan Association sponsored art show with the Independent Art Society in May. She is founder, past president and honorary member of the Society.

In 1963 she became chairman and director of the Studio Art Group of Hicksville. The members of this group will hold another art show at the East Nassau Medical Group Building in the near future. Plans for this show were formulated at an oil painting demonstration by Mrs. Dorothy Bedell at Hicksville Public Library, according to Mrs. Lester Binger, art chairman. The painting demonstration featured the basics of painting a flower still life with comments by the artist, Mrs. Bedell, on the different styles and techniques employed. Twenty five guests attended this demonstration.

COMETS COP ... ERWIN HITS TREEMEN IN PLAYOFFS OPENER ... The big league scouts were on hand for this one ... (Colts) Henry Uffman (Twins) Herb Stener (Mets) Al Jonas and the Dodgers Rudy Rufer ... all agreed that Comet coach Dick Hogan's favorite southpaw, Jim (Smoke) Erwin was still selling his hot wares at the same old stand. He's a cutie-this Comet ace-with his latest effort in a long list of sparkling performances over the past 2 years amounting to a do or die win over Island Trees in the Playoff opener Monday afternoon at Hicksville. "Big Jim" pulled out all stops in picking up the 2-1 win. He walked 5 (3 in the last inning) struck out 15 and settled for a 1 sharp hitter that for the grace of an ump's decision was labeled NO-HIT all the way. Not one tree hit reached the outfield. The locals in turn made up for the willow famine by pounding out 6 hits...5 into Outfield Junction.

Bruce Damm's triple, Greg Hoberock's double and Erwin's single accounted for both of Hicksville's runs in the top of the 1st inning. Nick Carrera picked up a pair of singles and Mick Sikorski beat out a lone single in later frames. All in all another fine tribute for the Comet cause which also included last week's series sweep over Plainview and a clutch (rainout) win over the fast closing 3rd place Dalers. Jim Erwin picked up the 3-2 win over Farmingdale with a door die 9 inning shutout...gave up 2 hits and struck out 11. He also had a big day at the plate going 3 for 3 including a game tying homer in the 5th frame. Nick Carrera chimed in with another pair of singles and catcher Frank DeCillis' double in the 9th drove in the winning runs. In the Opener vs the Gulls "Big A" Andy Koehler whom we peg to be next year's top moundsman (if he works in tie off season) picked up a 6 hit, 4 s.o., 15-1 decision. Bob Reelrig copped the 2nd win and Steve Schaman & Roehrig combined for a 2-0 shutout in the nitecap. Hicksville faces Great Neck North in the 2nd round this Thursday...Our crystal ball sees the locals (a somewhat hazy picture as yet) facing Wantagh and the Southshore's Jim Erwin... (Art Di Martino) for the title. And a County title also to ace field fencer Jim Florio. Jim is the Sr High groundsman who shaves the sod and trims the fescue when the locals are hosting. He's in the running for All County!

HICKSVILLE STICKMEN FINISH...SARNO ALL LEAGUE CHAMP ... HOOSACK HITS JACK POT Coach Bill Meyer and his Comet Lacrossemen reported in with a 3-7 league record (6-10 overall) and a 4th place finish in the Section 2 Derby. They nipped Plainview 4-3 in the season's finale. Tom Carr Hicksville's leading scorer with 23 goals added 2 in the nitecap, with the Medina brothers hitting for singles. Rich Medina 2nd leading scorer with 16 also led the team with 22 assists. Southpaw goalie Joe Sarno feathered his nest with a league leading total of 218 saves for the season... good for the All Star rating of top goalie in the league. And last but not least...the Lacrosse Jackpot for ace defenseman Vin Hoosack. Hoosack garnered a triple crown by being voted ... All League ... All North Shore and ALL COUNTY. Horse-collar league leading scorers like Garden City's Bill Blanchard and MacArthur's Dick Belisito sort of put the Comet ace in the drivers seat when the votes were counted. He'll be back next year and so will Carr and Sarno. Other returning vets include Dennis Ya-

tras, Dennis Tomaine, Larry Wesolko, Neal Zeigler and Bill Miltenberg. Meyer sees a bright future in store for the Comets. His returnees will be helped by good prospects on the JV, and Jr. High squads. Both squads coached by Ron Benizio (J.V.) and Bud Bryan (Jr. High) finished up with winning seasons.

DIAMOND DUST...Includes a bold typed Press Headline for another southpaw ace Joe Bocuzzi. Joe, a Hicksville resident (proud Mom is the Secretary at the Old Country Rd. School), tosses his slants and hootenanny dips for St. Dominic's High School in Oyster Bay. Last week he extended his scoreless inning streak to 16 by blanketing Seton Hall 5-0 in a Nassau Suffolk CHSAA game. Bocuzzi has a 3-1 record for the season with the last 2 being shutouts. Against Seton Hall he struck out 11 and walked 3 bringing his earned run average to zero in the 33 innings he worked this season.

STEEPLEJILLS WANTED... If interested contact Mary Ann McQuinn. She heads the Aerial Engineering Co. of Los Angeles, Calif... and will for a nominal fee (so nominal in fact there's literally no competition) paint anything that falls in the realm of Steeplejacking. It's a lucrative trade that started out 15 years ago with one steeple and eventually led to a lot of Jack in the intervening years. Former husband, Lee, a one time law student and part-time pole artist hit, on the idea of a revolutionary new climbing apparatus. He had it patented years ago on the west coast. Its phenomenal success coupled with another revolutionary idea of having Steeplejills accompany young Steeplejack husbands around the country has led to an unprecedented assault on one of man's last domains. Aerial Engineering employs 16 fulltime workers of which 10 are young husbands and wife teams, who engage in the fantasy of following the sun. They travel the globe and are now engaged in their annual assault on the flagpoles of L.I. A typical Jack and Jill of a flagpole such as that pictured takes from 1 to 2 hours depending on height. The firm has recently contracted for 10 flagpoles in Hicksville School District and head next for Manhasset, Long Beach and other points west, east, south and north. Preventative maintenance is the firm's theory with a figure so fantastically low no pole or similar structure could afford to go unpainted. It's amazing and so is the fact that Hollywood's Ronald Reagan and the entire panel on Television's "What's My Line" recently failed to guess Maryann's occupation.

"At least Mr. Reagan got me off the ground and into the trees", she said... Maryann also stumped the panel on the "To Tell The Truth" T.V. program... and she amazes one and all by climbing a flagpole or radio tower with the agility of a monkey... occasionally reaching heights of 800'. European and African flagpoles have felt the touch of her brush, with Hawaii the mecca of the annual winter tour. It's here the poles go unpainted when the surf is in the flood tide stages, for Maryann is also an adept surfboard rider having once placed 2nd in the International Surfing Championships at Hawaii. She's a real live wire...and so is her former husband Lee who invented a few years back the greatest hobby of all time. He was the introverted claustrophobic gent who set sail from San Francisco in a 45' Ketch with an ALL-CIRL crew. Maryann was in Hawaii at the time trying out for the Surfing Championships...She greeted him on the docks of Molokai with a

LILCO REDUCES GAS AND ELECTRIC RATES \$2,950,000

(Your Biggest Household Bargain Is Getting Better And Better!)

Effective June 1, 1964 the Long Island Lighting Company has reduced electric rates by \$2,400,000 and gas rates by \$550,000.

The rate reductions were made possible by the recently enacted cut in corporate Federal income

taxes and by LILCO's continuing program to increase efficiency, promote sales and increase customers. And when we save money it is our policy to voluntarily pass those savings on to our customers.

Gas Heat Customers Will Reap Benefits

The new gas rate reduction will benefit LILCO's residential gas heat customers. Homeowners can

now enjoy the best for less... the cleanliness, convenience, dependability only gas heat affords.

Third LILCO Electric Rate Reduction in Four Years

This is the third LILCO electric rate reduction in the past four

electricity from LILCO has actually decreased 41%. And the

years, and more than ever proves that electricity is your biggest household bargain. Since 1940, the cost

more electricity you use, the less it costs per kilowatt hour! Put it to work making life easier for you. You'll never find a more willing worker at a more economical price.

Operation VFW

William M. Gouse Jr. Post No. 3211
by Eddie Klebing

Once again the Month of May joins those past leaving with us memories of parades and poppy drives plus a strong impression in our thoughts for the fighting veterans who gave their lives so ours could survive in a world of freedom.

The V.F.W. thanks a generous public who paused long enough to buy a Buddy Poppy in memory of our fallen heroes. Ending up this year's drive at Mid Island Plaza last week were: Commander Jim Klueg, Frank Blesl, George O'Neill, Joe Gilligan, Bob Williams, Al Hanlon, Frank Aug. Lou Klein, Mike Znack and myself.

Our junior assistants, and a special thanks to them, were: Patricia Williams, Karen Klebing, James Klueg Jr., Robert Znack and Michael Aug. who had his own neighborhood door to door campaign.

The thing I like about selling poppies is that something amusing always happens or is said during the course of the drive. One of the cutest was the little girl who asked me what the poppies were for. I explained to her then said, "I bet your father was a veteran." She paused for a second, cocked her head to one side and said, "No—he was a sergeant."

As usual, the community's interest in Memorial Day and what it stands for was evident by the large number of people who turned out to march and those who watched. Weather-wise it was a perfect day for a parade. The services following was well planned and those who attended showed great interest in what the guest speakers had to say. I had the pleasure to hear John L. Clarelli, President of the Senior High School, twice. Once at the memorial service held by the Jewish War Veterans at the American Legion Hall last Wednesday and again the Memorial Day services held at Hicksville.

Charles Wanner Post
No. 421, Hicksville
by ARTIE RUTZ

We had great weather for the Memorial Day weekend and a grand turnout for the parade and services. The consensus was that the crowds watching the parade this year was less than in recent years but the audience at the service was the biggest in history. There's no doubt that seats for the audience was a big factor and we are looking forward to next year for bigger and better arrangements. Everyone was well pleased and impressed by John Clarelli, President of the Senior Class at Hicksville High School, who delivered the principal address. This is a first time for Hicksville that a youngster has been so honored by delivering the main speech. Let me divert your attention for the moment from Memorial Day and hark back to last week's column when I mentioned the quality of the youth attending the Boys' State gatherings each year. In another section of the Mid Island HERALD was a story about the nice high honors going to Ivers Bomboris now a senior at Dartmouth. It wasn't too long ago he represented Hicksville at Boys' State (I think it was in '59) and if you recall the night he related his experiences to us at a meeting, you couldn't help but be impressed. With his new honors it just proves what I stated last week. These boys go on and up!

Back to the Memorial Day thoughts and just how did you like our Jr. Post Band with their new uniforms and the new all girl color guard that has been added? This week the band will compete at the S.A.L. Convention in Lakeview and next week the county convention competitions will occupy their attention. From where I was marching I could catch the gleam of the Color Guard's chrome bayonets and it was a great sight. Lots and lots of credit must go to Lou Cesta, our 3rd Vice Commander, for the wonderful job he did as chairman of the Hicksville Veterans Committee this year. Did you see George Morris, pipe and all, giving Lou a lot of help? I did! Thank you both for the fine efforts you put forth to make the day a success. Not to mention the rough job that Hank Braemer, (our House Chairman) who had to fill in at the post at a late date, for Jack Spinella, who was confined to his bed by illness, took on and with the aid of his smiling Missus, made sure that everyone had enough to eat after the services were over. Thank you, Hank. We all appreciated it. Thanks to Bob Mangels, Pete Setz and Johnny Hockinson for their efforts on behalf of the Band. And the Gals from the Auxiliary who traveled with the band when they kept an afternoon date that day. The winner of the Jr. Band Uniform Fund drawing was our Americanism Officer, Dick Evers. Congratulations Dick!!! And thanks to our Senior Color Guard for the fine turnout on Sunday

May 31st at Wyandanch to help the L.I. War Veterans of German Decent with their annual Memorial Services. The Legion appreciates it. Our membership is now closed for 1964 and we have obtained our all time high thanks to the many helpers that I was privileged to be leader of. Thanks, Thanks, Thanks and let's hope we can gather some honors at the county convention for all our efforts. Don't forget that the county convention starts next week at Massapequa on Thursday, June 11th, with the first business session and then the big parade on Friday evening, June 12th. We expect to elect our own Mike Cialdella on Saturday afternoon as our first Nassau County Commander. See you all at the convention next week.

Housewives Protest, Road Work Stops

When Oyster Bay Town Highway Dept. workers and equipment showed up on Genesee St. about opposite the Hicksville School District Administration building, and started to cut the street thru to Newbridge Rd. they were greeted by a group of local housewives very much opposed, two weeks ago.

The women made their point so clear that the 20 men and

equipment left the job and have not returned. A spokesman for the neighborhood says the residents do not want Genesee St. to become a short-cut thruway, slipping the traffic signal at Newbridge and Old Country Rd.
