Attorney Requests Time :

Delay Hearing On 'Grievances'

A "public hearing" by the Hicksville Board of Education into alleged grievances by a group of English teachers set last Friday night by the Board for this Thursday, June 18, was cancelled on Wednesday, June 1 upon the request of the attorney for one of the persons said to be involved in the proceedings. A new date may be set at the next regular Board meeting, Friday night, June 26.

"The Grievances" have been kicking around at Board meetings since early April when the resignations of ten members of the English dept. were received. Of the ten, Viola A. Milligan, dept head, retired from teaching.

A substantial bulk of reports, letters and other data comprise a detailed record of the "grievances". It traces the record of the steps taken under the grievance procedure recently adopted by the Board of Education and approved by the State Education Dept. It includes the alleged complaints, the action taken by the supervisor of the department, school principal and superintendent of schools.

A few residents have taken advantage of the opportunity to review this record at the School Administration Building on Newbridge Road. This record will probably form the basis of a public hearing.

Dr. John Rouse, supervisor of the language arts dept., has engaged Emile Zola Berman, a nationally known attorney, as his counsel. It was a telegram from Berman to the School Board which led to adjournment of the hearing. It read: "Respectfully ask adjournment of hearing scheduled this Thursday night, June 18th, in connection with Dr. John Rouse. Completely unable to acquire fa-

millarity with all facts involved. Letter follows."

Board members were polled by telephone regarding adjournment and all were agreeable except William A. Bruno Jr. who voted no.

Richard Pellicane of Jamaica is attorney for the Classroom Teachers Assoc. and presumably would represent the "aggrieved" teachers when a public hearing is held.

The exact and precise area of the "grievance" is cloudy and it may require numerous "hearings" to pin-point. The Hicksville Classroom Teachers Assoc. in a notice to all teachers, June 15, the HCTA was vague in calling attention to the scheduled hearing "for the purpose of airing the English grievance. This is a very serious matter, not only because ten English teachers have already resigned, but because all of us may eventually be affected."

There has also been a sharp difference in opinion among School Board members whether or not the "hearing" should be a public or closed door session since individuals and personalities may be involved.

All the resignations have been accepted by the Board of Education, effective the last day of this month.

 Nationally-known attorney

Making Plans For Labor Day

B. Medard Ofenloch, fire commissioner and ex-chief, is chairman of the Hicksville Fire Dept. annual Labor Day parade and tournament this year. Vincent W. Braun, Sr., another commissioner and ex-chief, is secretary of the committee.

The contests will again be held at the Mid Island Plaza parking field. However, a new site has been chosen. The course will run north and south along the west end of the property adjacent to the Burns Ave. School grounds.

The parade, one of the largest demonstrations of volunteer firemen and their equipment anywhere in the state, will pass under the judging arch at 9:30 A.M. The contests traditionally start promptly at 1 P.M.

Peak for Board Motions

The Hicksville Board of Education meeting last Friday night set a new record high for the number of motions offered at a single session. There were a total of 74 motions made between 8:15 PM and 2:20 A.M. The previous all time high was 67 on June 29, 1962 when the meeting started at 9:45 PM and ended at 3 A.M. Other "bo or over" meetings were: 62 on Oct. 12, 1962; 62 on June 14, 1963; 65 on Sept. 26, 1963; and an even 60 on Apr. 10 of this year.

There were 82 motions for the meeting which started on Mar. 1 in 1963; however, this session was continued the next morning at 10 AM to reach a two-day total.

The current fiscal year will also reach an all time peak for the total number of motions or resolutions offered. The 1400 mark for 1963-64 was reached last Friday night. For 1962-63 the total was 1392, for 1961-62 it was 1276, for 1960-61 the top mark was only 869 with 926 for 1959-60.

Johanna Taliaferro Saw Many Changes in 91 Years

Johanna Taliaferro who would have been 92 years old next month died on Sunday at Oyster Bay Hospital where she was a patient for the past several months. During her lifetime in Hicksville she saw the installation of the first electric light, the first telephone and first central switchboard here.

Her dwelling was an imposing residence at the corner of Jerusalem Ave. and W. Marie St., Hicksville. She owned a substantial amount of property in the business district. She was the widow of Dr. Postaine Newton Taliaferro, the second doctor in the community.

The Rev. Edward H. Stammel, pastor of Trinity Lutheran Church of Hicksville, conducted services at 11 o'clock this (Thurs) morning at the Vernon Wagner Funeral Home. Burial was in Plain Lawn Cemetery, Hicksville.

Her only son, Fontaine, died in 1949. She is survived by her sister, Louise Augustin, and a granddaughter, Lynn Taliaferro.

Sixty-eight years ago in July of 1896, the first community telephone central office was established in the Taliaferro Drug

Store, then on the west side of Broadway, just north of the railroad tracks. This area is now cleared of buildings and part of a traffic interchange.

The small switchboard with position for one operator was of the magneto type for hand-crank telephones and served only 25 lines. Even before there was a central office, the first telephone instrument was in Taliaferro's Drug Store. It was a public phone for the use of anyone who wanted to talk over the line running out from Brooklyn.

Dr. Taliaferro was often asked to take messages from persons who called up to relay them to their proper destinations. One of the first subscribers to phone service in Hicksville, when the central office was installed, was Dr. Adolph C. Rave.

Mrs. Taliaferro was among the first organizers of the American Red Cross in Hicksville in 1917. That same year she was first captain of the Hicksville Girl Scouts, only five years after the first organization meeting of Girl Scouts in this country took place in Savannah, Georgia. In 1923 when a Town Council was formed to assist the Girl Scout captain, she was among the Council members.

Her father, Julius Augustin, arrived from New York City to take up his residence in Hicksville in 1869. He married Johanna Freytag in 1871 and their daughter, Johanna, was born on July 26, 1872. Mr. Augustin on Dec. 4, 1874 opened a general mercantile business, later adding coal and lumber to his grocery business. The first electric light in Hicksville was installed in his store in 1890.

The Augustin store was sold to H. F. Huettner in July 1890. The family discontinued the business within the past decade.

More than 17,000 residents of Hicksville received oral polio vaccine Sunday in the final phase of Nassau County's mass immunization program.

Volunteers from this area gave vaccine to 3,470 persons at Fork Lane School, 8,783 at Hicksville High School; 4,811 at Burns Ave. School.

Dear Lynda:

DR. ROBERT FERDINAND was presented with a Legion Honor Certificate and pin by Past Kiwanis President PHIL RUBENSTEIN in recognition of 25 years membership in the Hicksville Club. The Locust Valley Republican Club reports that County Clerk FRANCIS ANDERSON of Hicksville recently gave "was probably the first candlelight speech in modern times. A big storm knocked out the electricity for about a half hour and candles were used in the emergency. The candles may not have been necessary, though the club bulletin reports: "His talk about what's going on in Mineola was enlightening enough".....SAMUEL F. ZAMBATO of 133 9th St., Hicksville, has been made an associate of Leo Kornblath Associates, architectural and interior design firm with offices in NYC, Washington and San Juan. One of his major Kornblath projects was the Sheraton-Tenney Inn, winner of the Queens Chamber of Commerce design award....

JOHN KENNEDY is now behind the stick at the Firehouse Inn on E. Marie St which has been extensively redecorated... All readers and correspondents are reminded that effective NEXT ISSUE our copy deadline is to be MONDAY. This part of a special effort to speed up delivery of the HERALD. Cooperation of all will be appreciated.... That fire siren you may have heard Sunday morning, blowing over and over again, was a call for a drill at Floyd Bennett called by the Chief. Some of the Vamps who responded to the repeated calls were a little irked to say the least.... Town Crier FRED BLACKLEY is back from the state Amvets convention at Albany with a full report.... The display of American flags on Broadway, Sunday (Flag Day), made an impressive site. We did have someone ask us what all the flags were flying for... This is the 15th year of JOHN C. LEZAK at his Tower Restaurant and Bar on E. Barclay St., Hicksville... Here's a curious fact about the last Hicksville School Board/Budget vote. A total of 3990 had voted by 9 P.M. when the polls closed. There were 1660 ballots cast up to six o'clock and 2330 voted in the last three hours. The polls opened at 12 noon... ASSEMBLYMAN EDWIN FEHRENBACH recently polled his constituents on current topics. For example, 87 said yes and 157 no on reduction in the voting age from 21 to 18; 74 said yes and 157 no on approval of sale of liquor in grocery, chain and dept. stores. On off track betting the vote was 158 in favor and 105 against.... C. BRUCE PEARSALL, Oyster Bay Town Republican chairman, was special speaker at the Ernest F. Francks Republican Club of Hicksville last Friday night....

For the second time in its long career and the first time in recent years the CHARLES WAGNER American Legion Post of Hicksville will be host to the Nassau County American Legion Convention next year... SAM WEISS wonders where he can get a blue flashlight to answer fire calls while he is out on his daily three-mile bicycle jaunt... NICHOLAS NAPOLI of Baldwin Citizen is the nominee for president of Nassau Press Assoc. at a meeting this week to succeed FRED J. NOETH who was temporary organizing president and not a candidate.... We hear the Town Crier and LILLIAN have a date this Saturday night.... The other day we heard the story of a one-time, long-ago resident who came back to Hicksville and hired a cab for the day to take him around to see how the town had changed in his absence. He probably thought he was in the wrong town.... Next row of trees due to be slaughtered will probably be those along Old Country Rd. followed shortly thereafter by South Broadway and Newbridge Rd....

The Congregation of Trinity Lutheran Church, Hicksville, and all Scouting Units of Trinity were in attendance on Sunday, June 14th during the 11:15 AM service when William J. Murphy was presented THE LAMB AWARD by the Rev. Stammel. The presentation was a surprise to the recipient.

Murphy of 31 Centre St., Hicksville, is 65 years of age and is employed by the Grumman Aircraft Corp. of Bethpage. Married 31 years Aug. 1964, he and his wife, Bertha, have no children of their own. Yet this sincere and dedicated Christian gentleman has devoted his time and talents to the nurture and growth of the children and young people of Trinity Lutheran Church throughout much of his adult life.

His contributions to the young people of the Trinity parish include the following: 17 years in Scouting - 2 years Cub Pack Committee, 15 years Cubmaster Pack 291, Trinity Lutheran School, Hicksville, 6 years Webelos Den Leader, and 7 years Training Staff Arrowhead District.

During his long period of service to Scouting, Murphy has participated in the leadership program requirements at the Wood Badge Staff Reservation (1962). He is recipient of the Scout's Award and presently serves as Head Merit Badge Counselor for Crafts and Collections.

Of special note regarding Murphy's service to Lutheran Scouting, are the following: (1) His sincere desire to interpret to others the Lutheran position on Scouting. Another Session On Town Recreation

The Youth Sub-Committees on Recreation, in the wake of a lively discussion at its first meeting two weeks ago, will meet for the second time on Thursday, June 18, at 7:30 p.m. in the Hicksville Public Library. Sub-Committee Chairman Peter Brown of Syosset High School said the conference will be aimed at airing several areas of controversy which developed at the first meeting regarding a Town-wide recreation program for young people.

Brown, a volunteer on the Recreation Committee headed by Joseph F. Madeen, Director of Recreation for the Hicksville School District, said sharp clashes of opinion at the first meeting have promised a very interesting evening on June 18th. The Recreation Committee was organized by Oyster Bay Town Supervisor Michael N. Petito last January.

His leadership efforts in helping the Trinity Congregation in organizing Lutheran Scout units. (4) His diligent search for qualified leaders for the Scouting organizations of the church which has resulted in the recruitment of many able leaders for the Trinity family.

For 15 years, he has taught in the Sunday School of Trinity Lutheran.

Not content merely to give his talents in these areas, Murphy has managed to find time to serve on the Voting Body of Trinity for 15 years and on the Board of Trustees for 8 years. He has been active in every major Fund Raising Program and Mission Visitation Program of the church for the past 15 years.

He has volunteered his time and talents at every call for volunteer help, i.e. church painting, planting shrubbery, clerical work, etc.

The Lamb Award is a national adult made available for the purpose of recognizing Lutheran laymen and pastors who have given noteworthy service of exceptional character to the physical, mental, moral and spiritual development of boyhood through or in the Scouting program of the Lutheran Church.

Dear Dad:

My message of gratitude holding happiest memories to recall. Of the dearest, finest and best dad of all. I wish you to know as the swift years go. That the ties of the past hold true. Deep down in my heart is a place apart. I have kept dear dad, just only for you. You needn't count your birthdays in terms of years or age. Just call them happy recollections upon life's shining page. Because you're very dear to me, so considerate and sweet, You're understanding ways make all my joys complete, I have to admit there are mighty few dads like you, So close-knit, congenial, loyal and true. You do so many thoughtful things that only good dads do, How often I think how lucky I am to have such a dad as you, I've said it before and again I'll repeat, You've got all the super qualities, no other dad can't meet, You're a model dad, a perfect pal, your devotion never fails, And so my wish for joy is sent with love that never alters, May the joys that you treasure the most in life's way, Be yours in full measure, dear dad, day by day, This little rhyme of mine dad, can only tell in part, The happiness I wish you always with my heart, Dad I've tried my best to make you see, How very grateful I am, how much you mean to me, If ever you should need a helping hand, Don't hesitate to come to me, I'll always understand.

THE CONSUMER - THE ADMINISTRATION'S FALGUY

I predicted some months ago that the consumer would pay for the Administration's ill-considered international coffee agreement. Here are a few examples of coffee prices per pound for a six-month period, as prepared by the Bureau of Labor Statistics for the Department of Agriculture:

November 1963	69.8 cents
December 1963	70.1 cents
January 1964	71.7 cents
February 1964	71.8 cents
March 1964	80.6 cents
April 1964	81.1 cents

Figures beyond April are not available but the coffee my wife buys at the supermarket today is priced higher than ever.

A bill implementing this coffee agreement passed the House of Representatives and is now pending on the Senate Calendar, on its journey to the White House. This bit of legislation will insure that coffee prices will not drop, but does nothing to limit increases. It will permit one man - the President - to regulate the entry of coffee into this country and to withdraw it from warehouses. He can turn the faucet on or off.

When the bill was being considered in my Committee on

Ways and Means, I asked the representative of the Department of State who was testifying on behalf of Chase & Sanborn, Maxwell House, Savorin, and other coffee companies engaged into an agreement with the powers we are giving the President - it would be a violation of law, and he said "Yes." In other words, Bobby Kennedy approving companies for doing what the President of the United States is to be given the power to do under this legislation.

And who benefits? Not the peasant who works in the coffee field, certainly not the American consumer who is paying the bill. The benefit goes solely to the coffee growers and coffee manipulators the world over, who are getting richer and richer at the expense of the American consumer.

The Great Mouse Piece

By Vivian Scoma

June is the month for graduations, weddings and the start of vacations — We had a lovely wedding here on Middle Lane on June 6th. Gloria Mauer, the bride looked lovely in pink at her wedding and reception held at a neighbors home. Jack Kinder, the best man, did a wonderful job in decorating his home for the festive occasion along with delicious food prepared by his wife, Bea. The room was dimly lit, with a light delicate perfume in the air that came from the lovely flowers that were so artistically arranged. For the final touch to the web of romance there was a bi-fi set and a previously selected stack of records. Right after Judge Benjamin Zapper, who lent elegance to the ceremony in his black robes and his wonderful sermon pronounced them man and wife. Mendelssohn wedding march played so perfectly timed that it brought tears to everyone's eyes. Gloria has been exceptionally fortunate in finding such a wonderful companion as Hank Grabowski to share the rest of her life along with her five children. Lots of luck Gloria and Hank and may you always stay on cloud nine.

I enjoyed Leslie Edelmanns Bar Mitzvah very much as it was the first I have ever attended. Rabbi Stienhart gave a wonderful sermon that left you with a feeling that you wished it was longer, not realizing that he was talking for quite some time. Have you noticed his eyes? They actually hold you spellbound while he is talking. Getting back to Leslie's Bar Mitzvah, the reception was held at Temple Israel. I understand that some of his relatives that attended came all the way from South America for this special occasion.

Believe it or not, every year I attend the Jericho U.J.A. function furthermore I find it keeps getting bigger and better. This year the U.J.A. affair on July 25th will be attended. Rabbi Stienhart, one of the most respected men in our community, Dr. Bernard Schmierer, suggest you make your reservation now. Call Ralph Diamond OV 1-1283 or Louis Cohen WE 5-5717.

Our own, Ralph Diamond's rapid climb up the political ladder continues. He has just been unanimously elected the Republican executive leader in Jericho. This puts him up with the Republican big brass in Nassau County. He is taking the place of Councilman Edward Poulos, who resigned as leader because he is a candidate for District Court Judge in this year's election. Congratulations and keep climbing.

Good luck to Jeff Seides on his Bar Mitzvah. The reception was held at Leonard's in Great Neck.

Let's clap hands for the "4H Pros of Jericho." We are really proud of them. They marched in

A Date to Remember

Morton Mann, chairman of the Jericho Blood Bank, of 194 Birchwood Park Drive, announces that Tuesday Oct. 13th, is the date that the Blood Bank will have the Inter-County Blood Bank Group at Jericho to assist us to maintain our status

in the County Blood Bank System. This year the Blood Bank has arranged to use the Jericho Fire House on Broadway as its main base. The chairman advises that the Jericho Blood Bank is revising its by-laws. This is a Jericho Community Service for all which definitely warrants every resident's attention and cooperation.

the Memorial Day parade with great respect and after the parade they were served refreshments. On June 13th they held "achievement day" at the Lions Den at Mid-Island plaza. The "4H Pros" received their "Clover Bud" (achievement award) before to proud eyes of their parents. Keith Parson, Treasurer Chip Robel President -- Larry Lemberg, Vice President demonstrated their projects such as copper plaques, book ends, good grooming and gifts.

Adelle Glueckler, my favorite niece, won an archery award for the highest score on her team. The tournament was sponsored by Newsday and was held in Salisbury Park.

Everything is well at the Eders. Carl is home from his rest in the hospital and Diane and her son Jerry are celebrating their birthdays. Pardon me while I go over and rub the trophy that was given to her for second place in bowling with the members of Hadassah. She promised to give me lessons next September.

Now that vacation time is here I take my leave of you. Writing this column consisted of meeting and becoming emotionally engaged with the never ending parade of organization functions and interesting people. I enjoyed every moment of it and hope you will miss me as much as I will miss you. This summer I will have acres of days ahead of me when I won't feel like doing a bloody thing but sit stolidly on the cushion that mother nature gave me. As for you, you will have to depend on the gossip by people who have no better way to occupy their time. However, occasionally someone from the staff will let you know what is going on. I hope you all will have a wonderful vacation.

President's Corner

By Horace Bernstein

We are now in our final weeks of the 1964 membership drive for our Civic Assoc. To this date we are slightly ahead of last year, but are not satisfied. In a community of over 1000 homes who consider themselves above middle income, there is no reason why our membership should not exceed 75%.

We realize that there are many residents who have not paid their dues only because of an oversight. Unfortunately, we as a civic group are all volunteers and are not equipped to go house to house ringing door bells. If this could be done, I am sure we could reach 90%. We therefore, have to rely on sending out notices and depending on you the residents to respond. In the mail this week, those residents who have not as yet paid their dues, will be receiving their third and last notice. After that, all who have not paid will be considered delinquent. Delinquency means that you will no longer receive the VILLAGER. This is the only benefit that we can take away. The other work that we do for the community is done on a community basis and whether you are a member or not you receive the benefits.

Your Civic Association is active in many areas of activity. We maintain our own weekly newspaper, youth group, and dramatic group. For sports, we have a winter and summer bowling league as well as softball team in early summer. Our major project is maintaining constant touch with both school districts. Our education committees are meeting with the school boards constantly and have been helpful in maintaining good relationship and help to both Jericho and Syosset.

We maintain a very friendly relationship with the Oyster Bay Town Board. We have to help us with many of our community problems and are able to keep our community free of unpleasant enterprises and commercialism.

On the monetary basis, we have been able for over 7 years to provide our members with a free oil burner service contract. Here also non-members benefit because other oil companies have been forced to fall in line. But let your Civic Assoc. drop this benefit and you will see all the companies go over to a pay basis. Finally in May, we have our annual free election night supper dance. This year well over two hundred families took advantage of this Saturday night. Our problem next year will be to find a place large enough to accommodate all our members.

This is it! I can not say more! We would like your participation. Will you show community pride by sending in your \$5.00 dues to Sidney Simon, 103 Birchwood Park Drive?

Ralph Diamond

Diamond Jericho GOP Leader

Ralph Diamond, was unanimously elected recently Jericho Republican executive leader by the committeemen in Jericho. He will succeed Edward J. Poulos, who resigned as leader, to run for District Court Judge in the forthcoming election. The committeemen further voted to split the election districts, so that Jericho for the first time in history will become a separate Republican executive area. Formerly it was combined with the South Syosset election districts.

This will be the first time that a Jericho resident has in recent years been a member of the Republican Executive Committee.

Ralph Diamond, an attorney, with offices locally and in New York City, is well known for his activities in civic, religious service and charitable organizations. For the past seven years he has co-chaired the youth group of the Birchwood Civic Assoc. He is a Past President of the Civic Assoc. and was Chairman of the Board for many years. He is currently serving his eighth year as a member of the Civic Board.

He founded the Jericho United Jewish Appeal six years ago and has since chaired it's annual drive. He is a charter member of Jericho Bnai Brith, having

U.J.A. To Honor Local Resident

For the first time in Jericho U.J.A. history a member of the community will be honored at the U.J.A. function. The person selected is Dr. Bernard Schmierer. As an individual who has actively aided the cause of religious, service, civic and charitable organizations both in and outside of our community, this honor is well deserved. The Jericho U.J.A. has indeed been fortunate to have had Dr. Schmierer as its "professional chairman" during it's past, fund raising campaigns.

This drive this year will again be chaired by Ralph Diamond, with Louis Cohen as Executive Chairman, Rabbi Stanley Steinhart and Rabbi Herbert H. Rose of Temple Ozer-Edith will be Honorary Chairman, together with Hon. John J. Burns, Commission of Local Government.

The U.J.A. affair will be held at the Jericho Jewish Center on Saturday night July 25th at 9:30 P.M. As in the past the affair will feature dancing and dining. For reservations call Ralph Diamond, OV 1-1283, or Louis Cohen, WE 5-5717.

served as its anti-defamation league chairman and liaison with Little League. He further has served on many citizens' committees in the Syosset School District.

In the political field, he has been a Republican committeeman for six years, and has served as Jericho Zone leader for a number of years. Currently he is the President of the Republican President's Council of the Town of Oyster Bay.

Chas Wagner Post Legion Auxiliary

By Lillion Bosch

It was a colorful party table after our last meeting, honoring all past presidents of our American Legion Auxiliary Unit #421 and as a Junior Past President, I'd like to thank all who helped make it so lovely.

The name of our Girl Stater was announced at this meeting. She is Mary Ann Muller of 10 Marvin Ave., Hicksville.

The faculty of Hicksville High has chosen Mary Ann because of her academic achievements, personality, character and debating ability. She will attend Girls State at Elmira from June 19-27th.

At that time Mary Ann will be involved in "politics." Two political parties are formed and

candidates are selected for all state officers. Much campaigning is done before election and installation.

After installation, the girls operate a state unit from Governor to state courts. From this group two girls are selected to attend Girls Nation in Washington, D. C.

Our Unit, Mary Ann's sponsor, will be in the background rooting for her for top official.

Comments heard from the bystanders viewing the Memorial Day parade say our Jr. Miss Poppy, Betty Lynn Hockbrueckner made a hit. Terry Rutz, the wagon puller, was a wee bit tired but it was a job well done.

There will be no July meeting due to the fourth of July weekend

Operation VFW

By Helen M. Gouso Jr. Post No. 3211
by Eddie Klabing

One activity that interests a lot of VFWers is bowling. This sport adds many hours of pleasure to the members that bow together. Four bowling teams are sponsored by members of the Post. There's Hicksville Firestone Company sponsored by Jack Ehmman and Cliff Freitag;

Fred Sutter's Monumental Works; Vern Wagner's Funeral Home and the Di Lion Company sponsored by Angelo Carbone. The teams bowl in the Center Island Men's League (Winter League) at the Mid Island Bowl on Friday nights. With the season over the teams are getting together for Intra-Post matches. Up to date reports on this activity comes from George Walden who has this to report:

In the first annual Intra-Post bowling match between Hicksville Firestone and Sutter Monumental Works, the two teams rolled off at the Mid Island Bowl Sunday morning at 11:30. Representing Firestone were Mary Ehmman, filling in for her husband, Jack, Cliff Freitag; Al Hanlon and George Walden. Representing Sutter Monumental were Jack Mulligan, Fred Sutter, Al Wangenheim and George Walsh.

In the three games that were rolled, and so evenly matched, Mary, with games of 163 - 168 - 134 and Cliff's steady bowling, Firestone managed to squeeze out Firestone in each game. The first victory by fourteen pins, the second by 8 pins and the last by six. Sutter's team with Fred plugging all the way, and Al Wangenheim's 214 (high for the match) just

couldn't overcome Firestone's Plan "A."

The match, the first of its kind in the Post, (sponsors bowling with members of their team) was employed by all including many spectators.

The Sutter team after losing only proved to be 99% good losers as they filed a formal protest that Jack Ehmman's fishing trip

was rigged so Mary could bowl in his place, thereby stacking the Firestone team. Firestone will meet the winner of Vern Wagner's Funeral Home and Angelo Carbone's Di Lion Construction Co.

Back to the serious business at hand, the Post extends sympathies to Gene Iatropelli and family with the passing away of Gene's father. Get well wishes go out to both Mary and Andy Sadowski who are ailing.

Don't forget, this Saturday evening, June 20th, 8 P.M. sharp, the installation of the newly elected Post and Ladies Auxiliary in a jolst ceremony. Our next meeting is June 22nd. See you then.

Express Thanks On Tag Day

Art Hollestein, Hicksville International Little League president; League officials and all participating members extend a sincere "Thanks" to the generous residents of Hicksville for their open handed response to the "Tag Day" appeal, Sunday.

Little league baseball is possible only because of the friendly interest and continued support of the community, which recognizes the importance of channeling the energies that are ever present throughout a young boy's growing years, Hollestein said.

Long Island National Bank is the winner of the first half over County Cesspool 3-2. Manager Dom Indukki used three pitchers; Billy Whiffen, Ray Clark, and Chas. Indukki. This winning trio limited County Cesspool to 2 hits. Chuck Brunson went the distance for County Cesspool allowing 3 hits in 6 innings.

Marine Second Lieutenant H.J. Oltzky, son of Mr. and Mrs. William G. Oltzky of 73 Sleepy Lane, Hicksville, recently returned to the Marine Corps Air Facility New River, N.C. with Marine Aircraft Group 26 competing training exercises in the Caribbean.

Pitches No Hit, No Run Game

By Bill Pryor

Charley Parfrey, League Director of the Hicksville American Senior League was pleased to announce last week, that Frank Glibowski, pitcher for the Long Island National Bank Yankees, pitched a no hit, no run game. Their opponent, the Mid-Island Plaza Mets, didn't fare too well at all, as Frank struck out 13 batters, while walking only 4. In the first inning Frank also blasted a home run off his opposing pitcher, Charlie Parfrey Jr. Before the first inning was over, the Yankees had pushed 4 runs across the plate. There was no stopping them from then on in. Final score Yankees: 4 and the amazing Mets: 0.

We understand a New York Mets scout is scheduled to visit our league in the very near future. Although they haven't committed themselves, they are interested in some of our local talent. Who knows, the way our New York neighbors seem to lose those close ones a couple of our seniors certainly might help their cause. As more information passes by this desk, we will keep you all informed about any new developments.

We understand that our talented umpires have challenged our Senior Division All Stars to a post season game. As we mentioned in previous columns, our umpires are graduates of the Babe Ruth League, and some of those boys were quite good in their day. Let's see what happens. It may be a good idea psychologically speaking, of course, if some of our minor league players, be appointed officials for this game. What a way to get even with our boys in blue. If Cal Roberts, our Umpire-in-Chief, reads this column, we're only fooling!

Down in the Majors, a couple of real close contests were played this week. Real good team play and coordination was evident, and it seems that the boys are picking up very well. The Major League All Star Team was chosen. The boys selected as regulars and alternates for this league classic will be announced in the next issue.

In the Rotary-Gilison contest this week, Randy Daub of the Rotarians tied the game up in the 6th inning with a solid homerun with one man on. In the seventh inning, Malstead blasted a double to drive in the winning run to end this extra inning contest. We understand that Steve Murphy, the Rotarians ace hurler has struck out 38 men to date. Steve was the winning hurler. These 38 strikeouts have been achieved in 18 innings of play.

In the GLF Petroleum-Firestone match which the Oilers took to the tune of 6 to 4, Felley won the decision. His record is now 3 Wins & 1 Loss. Felley has also fanned 32 batters as of this writing. Matte Tedesco drove in 3 runs with his 2 solid hits. Frank Gippi, the GLF star Third Baseman made some outstanding fielding plays. Firestone's Berk had 2 hits and scored twice. However, it wasn't enough and the tire kings wound up on the short end of the 6 to 4 decision. Pinkham pitched very well striking out 12 and giving up only 5 hits.

Central Federal faced Gertz last week. Johnny Byron won the nod for the Gertz team and Suarez was hurling for the bankers. Greiner & Fiore hit home runs for Cent. Federal banking organization and Warren Use hit another for the department store aggregation. Final Score Central Federal: 6 and Gertz: 3.

The Minor A loop this week had the teams remaining in the same position as last week. Botto Bros. Plumbing & Heating fixed the Hicksville Democrats and sparked by strong playing by

Eddie Collins, the plumbers third baseman, who has hit 5 triples in his last 8 games, they overpowered the Mules 14 to 6. Manager Bill Coffey's team has lost some mighty close games these last few weeks, but with as much determination as his team seems to possess, I'm sure he is going to take quite a few of those from now on. The Democrats have 2 boys who are really sweating the ball, Mark Rosner, their catcher, and Robert Glover, who recently hit a ball over the center field fence in Schwaab Field. The Hicksville Republicans have four batters on their roster who are batting over 500 up to the present. They are Johnny De Rosa, their second baseman, Bobby Daub, their shortstop, Eddie McEneaney, their star catcher, Bobby Pryor, who pitches, and hovers in the outfield for the Elephants. Gary Zuzi, their left fielder made a stellar play the other day, stopping a well hit ball in the left side of the outfield, and catching the runner off third base. This was made possible because of the fine glove work of Tommy McGin who held on to this mighty throw at third base. Fairway Farms seems to be catching up to the league leaders in the Minor A, having won their last three games in a row. Good fielding and know-how on the bases has helped this aggressive ballclub considerably. Next week should decide the first half champs, as the nutmen will face the Republicans twice.

Minor B highlights this week focuses on the Pizza D'Amore and Fairhaven Garden Apartments contest. Stewart Hoffman, the pizza's hurler faces Renschewerger, who was given the nod for the restorers. Stellar plays were made by R. Harris who assisted in a fine double play and the fine glove work of William Filardi, who played third base, in the hitting department, Greg Baird, hit another Home Run. This is the second of the season for him. R. Filangieri also clouted the ball for a 4 sucker.

The Hicksville Ford - Udell Drug contest was a real cliff hanger and the decision was made in extra innings. Udell's new rookie D. Refuse, fine fielding at shortstop, great batting at the plate as his hit drove in the winning run in the seventh inning, and when Danny was called in to take over the hurling in the seventh inning, as Little League rules forbid a pitcher going more than 6 innings on the mound, he won his own game.

Passing the school fields the other day, I noticed a number of the minor B ball players, their managers and coaches having extensive workouts. The way they were attacking the fielding & hitting, it's no wonder so many of the minor B rookies are improving so nicely. Practice certainly is very important, and the only sure way to overcome a faulty swing, or improper glove handling. Go to it guys. Next week marks the end of the first half of the Little League Season, and this column will mention all the winning clubs as well as their players. Good Luck Teams. May be the best ones win.

Firehouse Gets Two Victories

After losing their first two games the Firehouse Inn Softball Team got into the groove to come up with two wins. In the game played June 7, Firehouse got off to a fast start with a 15 run barrage in the first inning against Rudy's Bar. Highlights of the game were the pitching of Jim Texler and home runs by Tom Cobwell, Paul Hackett, Howie Schack and Andy Koehler. The entire team helped the cause along with their hitting.

In the game on June 14 behind the pitching of Fred Mueller, hitting of Al Green, Tom Westerberger and home run by Jim Connerley and great fielding by the whole team, beat the Log Tavern.

CUMMINGS 'N GOINGS: Plaza Continues Growth

by Jim Cummings

In the past eight years branch stores and independent operators have expanded their facilities at Mid Island Plaza. Two major additions to GERTZ are the Garden Shop and most recently the Car Care Center. Plaza Hardware was added to the Plaza and many other departments. Plaza D'Amore doubled its size and makes a most delicious "square" pizza. Malcolm Smith Ltd was joined by "Their Leading Day" with sportswear for milady. Andrews Men and Boys expanded rear of store now served by two entrances, plus completely new interior and exterior. Almar Foam Center is about to expand again at the south entrance of Gertz and King's Coffee Shop is open at the east end. The Merchants Assoc. is a strongly knit unit with a well-paced publicity-advertising program which has truly made Mid Island Plaza "A Community Within the Community".

JOHN SAYS JOIN: This week we talked with John Finnegan of JOIN re its programs in helping secure jobs for youngsters etc. Although the JOIN program is not active in Nassau as such, we were amazed to learn of the number of placements made by the agency. When youngsters secure jobs they become taxpayers and help support government functions and they require less supportive activity themselves from social and welfare agencies. Thus, less money is spent by federal and state governments. These employed youngsters in turn provide a buying power which acts to expand our economy - since this is the word most widely used on the island.

WEST JOHN ST - HOT: Work continues on this newly widened 4-Lane Highway (7) with side-fills and concrete still pouring. One business on West John Street - near Kuhl Ave, a supermarket operated by E.H. Braving is impossible to get to unless you want to lose your rear-end (car that is) by parking in front. Mostly a transit and neighborhood business, this store is really hurt IN THE POCKET by a hole gaping the entire front of the store - if any cars park outside they are immediately in the west lane of West John - When is the County going to come to the assistance of this and many other small businesses and complete these projects giving proper access to this shopping area used by hundreds of residents in Hicksville?

FROM THE MAILBAG: We're in receipt of a nice thank you

from Nassau County 4-H Club Dept re their recent Achievement Day program at Lions Den in Plaza. More than 5000 4-H leaders, members and parents participated - we at the Plaza appreciate your kind words. Congratulations to Miss Patricia Mangan of Bay Ave, Hicksville a graduate of Amherst College, Woodstock, Conn. Dad who is known as the "Chairman of the Board" and his wife, Peggy, also celebrated with son, Jim, who graduated with high honors along with Jim Mangan and hundreds more. Real fine local talent from songwriting to lyrics and productions may be found in the membership of the Mother's Auxiliary at St. Ignace's - a very entertaining show last Monday evening gals...and we mean it!

WANT'LL NEXT YEAR...
 Coach Dick Hogan's 64 Varsity baseball team had been in contention all the way this past season...but unlike Wantagh who annexed its 2nd consecutive County Title the Comets fell victim to Great Neck North in the playoffs. Facts and figures like Jim Erwin's 7-2 league mark (9-3 overall) and Bruce Damm's pace setting 364 b.a. had a lot to do with Hicksville's strong 2nd place finish in the Division 1 race. Erwin, a Sr. voted ALL COUNTY this past year, ended his High School career with an impressive overall mark of 24 wins against 5 losses. Bruce Damm and Stu Blust (ALL DIVISION) plus 3rd baseman Nick Carrera were instrumental in keeping the locals on top with their clutch hitting. Other batters rating a nod of approval from coach Hogan were Greg Weberock, and Frank DeCillis. Backup hurler Bob Roehrig did an outstanding job during the season with a trio of key wins plus a winning relief assignment. Hicksville ended its season with a league mark of 13-5 (16-7 overall). In turn Hogan's record in his 2 years as Comet coach amounted to 35-16 good for a Division title and a runnerup spot (2nd to Wantagh) in 63 and a Division 2nd and a playoff win in 64. By far the sort of record that could give Comet fans a WATT'LL NEXT YEAR attitude.

THE YEAR OF THE YUM YUM
 ...Hicksville's cindermen concluded the season with the sort of year coaches dream about but seldom ever see materialize. This was the year for Head coach Fred Recher and assts. Bob Trichka and Jim Grantham to thumb through the record books and come up with 1 shy of a dozen new track & field Marks. The 11 new standards set out of a total of 16 events...plus a tie for Division honors with Syosset (both had identical 8-1 marks) sort of makes it a year to compare with Hicksville's best.

SCHOOL MARKS SET THIS YEAR...
 ...Highest Score for a Dual Meet...117-19 vs MacArthur. 120

High Hurdles: John Brunson (16.2 secs) 220 yd. dash Skip Huber (22.7 secs) Mile Pete Sullivan (4:25.3) Two Mile Sullivan (9:27.85) Medley Relay Bill Kraft, Skip Huber, Steve Schuster and Gerald Tracy (3:50.25) 440 Relay Brunson, Schuster, Ben Romanick and Huber (46.6 secs) 4 Mile Relay Ray Guteski, Tom Scanlon, Bob Benazzi, and Sullivan (19:27.3) Distance Medley Relay Kraft, Tracy, Guteski and Sullivan (10:55.0) High Jump Bruce Devereaux (6 feet) Most Points in one season (in Dual Meets) Skip Huber (70 1/2 pts) Most valuable awards also went to Huber, Ralph Sontag and Devereaux for top seasonal point totals. Sullivan undefeated in league competition ended as the champ 2 miler in Section 1. He also topped the field as a miler by being Port Washington Invitational Champ-North Shore Champ... 2nd in County and a Section 8 representative for the State Championships in Ithaca. Here he finished 3rd a mere second off the new State record set by Wantagh's Ron Gustafson. Gustafson's new standard was 9:29.4...Sullivan's time was 9:30.8. Other outstanding feats during the season were ... a 2 mile Championship for Guteski at the Port Washington invitationals...and a Pole Vaulting Championship for Dan Moran (11'). In the Sophomore Championships at Locust Valley Bill Kraft, Bob Hendrickson, Jim Giancola & Ron Murville copped the Medley Relay....Scanlon won the mile and Sontag took the discus event. All in a fine season that goes in the "Recher Record Book" filed under Y....

THE YEAR OF THE YUM YUM (1964)
OUR GOOD LUCK DEPT'...
 Extends its best wishes to my mother and dad, Mr. and Mrs. J. Schiemer, formerly of 36 Locust Ave, Bethpage. Both finally made the Mecca of the elderly. ...A quiet retirement ranch in Largo, Florida. The extra space (a Florida Room) was especially attached to shelter the 16 visiting grandchildren (plus parents) left behind. Now all we need is travelin' money to make what might just be annual visitations.

Charles Wagner Post No. 421 Hicksville

by ARTIE RUTZ

The Junior Past Commander's Dinner this Saturday is a complete sellout and if you didn't get your tickets try again next year....But, much earlier....it promises to be a real fine wing-ding for a wonderful Junior Past Commander, Dick Hochbrueckner....The frosting to this year's dinner is the many, many honors the Post won at the 46th annual Nassau County American Legion Convention at Massapequa last week....Sorry to hear that Judy Bosch has decided to give up being the Drum Major for our

Band after four years....Did a wonderful job from the time that our unit started from scratch....Also like the job that Jim O'Hara does transporting our Band around on their dates....Ditto for Bandmaster Pete Seitz....And credit Bob Mangels for the performance of our new Junior Girls Color Guard which is part of our Junior Post Band....Too bad that Leon Weaver missed the last meeting on Monday night as his name was drawn as a Capsule winner for a leg on a Building Bond but he wasn't

there so that's that...Nice Flag Burning Ceremony on Flag Day at our clubhouse can be credited to Bob Sutton and his Color Guard with a good assist by Dick Evers, our American-Americanism Chairman....Our annual Citizenship Award Medals have been given out to the winners in Hicksville's schools, some 26 in all, and the recipients were

pleasantly surprised...We received a nice letter from Wayne Sternberger of the Burns Avenue School expressing his joy at being selected a winner....And you should have seen the chest on our House Committee Chairman, Hank Braemer, when he learned that his niece, Patricia Keller (Holy Family School) was also a winner....Don't blame him

as it is an honor to win a Legion Medal....Attention Bob Ambron: Your Legion license plate is at the Post!!! And for those who asked for plates, or who want plates, we will have a new batch in at the next meeting (July 6th)....So come and get em!....I hope you know that we did WIN THE COUNTY MEMBERSHIP CHAMPIONSHIP!!! THANKS.

Students Back President LBJ

Prior to the recent California and Oregon primaries of the Republicans, the Comet news magazine of Hicksville High School, conducted a poll regarding presi-

dential preference. Two hundred students in home rooms, out of 3,000 pupils, were sampled.

It showed 54.92 percent for President L. B. Johnson's reelection, 19.11 against and 5.13 undecided. In answer to a question regarding opinions "greatly affected by those of parents" 64.24 percent said no and 33.16 said yes. As to those who were in agreement with their parents, 56.48 percent said yes and 36.27 said no.

When it came to party preference, 67.88 percent said Democrat, 26.94 Republican and 5.13 others which is at considerable odds with the enrolled voters strength among the qualified adults of the community.

The votes cast for Republican presidential candidates were as follows: Nixon, 33.04 percent; Lodge, 29.02; Goldwater, 9.84; Rockefeller, 7.25; Romney, 5.13; Scranton, 2.59 and others, 12.44. As to the choice of Democratic vice president candidates, 57.51 percent said Robert Kennedy, 15.03 selected Stevenson, 12.44 went for Peace Corps Shriver, 7.25 for NY Mayor Robert Wagner, 3.63 for Senator Humphrey, 1.04 for Ribicoff and 3.11 percent "others".

The Comet commented in part regarding the poll: "The preference of students concerning the Republican nomination may have a two-fold meaning. There is the aspect which is predicated on the fact that the students who tend to be Republican favor the candidate who would be the strongest and most able to defeat the Democratic nominee. The other aspect, however, is more subtle. Many Democrats favor a weaker Republican candidate who would be less likely to draw support from the mass of uncertain voters. We feel that this is mainly the group who supported Gov. Scranton and Gov. Romney and perhaps even Senator Goldwater, because of Goldwater's seeming conflict of sections with President Johnson."
