# Broadway Widening: Preliminary Work About Half Done

Some minor alterations in the projected building-leveling widening of Broadway and Newbridge Road, North-South state highways in Hicksville, were outlined for members of Hicksville Chamber of Commerce at a meeting, Friday morning, by Peter Halbin of the State Dept. of Public Works. Property owners should be hearing from state authorities regarding acquisitions of titles later this year, he said.

The following order of work was outlined:  
 First, Newbridge Rd. will be widened from Old Country Rd. north to North Broadway (passing under the new RR station viaduct at Jackson Place).

Second, Broadway will be widened starting in 1966 from the LIRR south to Lewis St. (This was originally announced as a project from the RR south to Old Country Rd. in 1965).

Third, Broadway will be widened from Lewis St. south to Hempstead Tpke. (going past Grumman's).

Halbin told the Chamber members that about fifty percent of the preliminary work has been completed and that various state departments involved are now searching out property titles which may take another six months. Later this year property owners will be approached by state representatives regarding either settlements on acquisition or condemnation proceedings.

He indicated a public notice will be published in two daily newspapers sometime this year. At that time, those concerned will get a public hearing on the Broadway widening only if they request it.

He also said that the contract for the widening of Broadway, which calls for the destruction of most of the existing buildings on the west side of Broadway from the LIRR south to Old Country Rd., will be awarded according to current plans in the fiscal year which starts April 1, 1966 and concludes March 30, 1967.

The Chamber of Commerce meeting on Friday was the first with newly elected President Irwin Goldman presiding. The next general meeting will be in September.

KATHY DOLAN and Kathleen Reinhardt, left and right, are all smiles as they accept their trophies at the Oyster Bay Chapter DAR Awards Night program on June 5. The DAR sponsored Junior American Citizens contest nationally with 30,000 original poems, plays, essays and posters being judged. Kathy Dolan's essay on "Robert E. Lee" won a third place national prize and placed first in New York State. Kathleen Reinhardt won first state prize and first chapter prize for her poster, "Marching With the Heroes."

Other St. Ignatius School winners included Thomas Sholl who won a national honorable mention and first state prize for his poem. Those winning state and chapter prizes included Albert and Marianne Sarraoantonio, John Gengler, Virginia Peragallo, Adele Ott, Sara Jane McGee, Donna and Karen Allen, Peter Rymanowski, Lillian Jakupko, Christine Knight, Gail Scheinfast, Philip Antonucci, James Walker, Matthew and Paul Donovan, Deborah Ruggiero, George Willant, Mary Bungert, William Lonag, Mary Creedon, Bruce Brady, James Madden, Christine Trant, and James Cummings.

More than 500 parents and teachers attended the program. Mrs. Theodore Le Viness, chapter vice regent, assisted in the presentation and Mrs. Theodore Rosebery, also of Hicksville, was a member of the hospitality committee.

(Photo by Joe Cardinale)

## Trinity School Graduates 54

Trinity Lutheran School at 40 W. Nichols St., Hicksville, held graduation exercises on Tuesday evening, June 16 at 7:30 p.m. The graduating class of 54 sixth graders heard an address by George A. Jackson, President of the Board of Education of Hicksville.

Dr. Richard H. Engerbrecht, Principal, awarded the diplomas and awards, followed by prayers and the benediction conducted by Rev. Edward H. Stammel, the pastor.

On Sunday evening, June 14 the school held graduation services for the kindergarten class of 54 "graduates".

**ON COMMITTEE**  
 Rev. John T. Murphy of Holy Family RC Church, Hicksville, has been named by Most Rev. Walter P. Kellenberg, Bishop of the Diocese of Rockville Centre, to the Diocesan Commission for Interracial Affairs.

**WIN FIRST PLACE**  
 Hicksville Fire Dept. Ladies Auxiliary won first place for best appearance on June 13 at the Southern New York State convention and parade held at Bohemia.

## County Commander

MICHAEL CIAIDELLA

Delegates to the 46th annual Nassau County American Legion Convention which concluded Saturday at Massapequa have elected Michael Ciaidella, Commander for 1964-65. Legionnaire Ciaidella is a member of the Charles Wagner Post #421, American Legion, Hicksville. He lives at 33 Amberst Lane, Hicksville, with his wife, Agatha, and their two children.

## Historic Rock Drops from Sight

The historic Cantigue Rock, said to relate, has dropped out of sight. It is not at the location where it was set some 219 years ago with the aid of oxen. It does not appear evident in the vicinity where the County Dept. of Public Works has decreed it shall hereafter rest. As a matter of fact, a spokesman for the Public Works Dept., is not sure where the rock has gone but is certain the contractor is taking care of it.

The Cantigue Rock is to Hicksville what the Plymouth Rock is to New Englanders—and THAT rock is in approximately its original location. The Cantigue Rock, which was the object of a search by the HERALD staff members on Monday, is nowhere in evidence. As a matter of fact it may, at this point in history, be filling in a large cavity under West John St. currently under reconstruction.

There is no evidence at its previous historic location to show the point it marked between the Townships of Oyster Bay and North Hempstead (formerly Hempstead) despite the promise of Eugene F. Gibbons, Public Works Commissioner of the County (April 27) 'we do intend to sink a metal plaque into the pavement to mark the exact spot where the Rock used to lie.' The only markers in the road in the vicinity are one reading 'water' and another which spelled out 'gas.'

HERBERT BUCHMAN of 31 Boulevard Dr., Hicksville, as chairman of the Hicksville Republican Finance Committee again had the distinction of being in charge of the community campaign which in 1963 raised more money than any other village or city in Nassau County, a total of \$6,365.25. It was disclosed in a final report this week. The Hicksville effort topped the City of Long Beach with \$4500 and City of Glen Cove with \$1550. Other areas with quotas larger than Hicksville were East Meadow which got \$2596, Levittown \$1095, Valley Stream \$2316.20, New Hyde Park \$3179.33. The Hicksville campaign was also the county leader in 1962.

## Grievance Not On Friday Agenda

The subject of "teacher grievances" will probably not appear on the agenda for the Hicksville School Board meeting this Friday night, June 26, which could be the last meeting of the 1963-64 fiscal year. A hearing or inquiry into the "grievance" matter was scheduled for June 18 but was adjourned when an attorney for one of the interested parties requested more time to become better acquainted with the issues.

An executive, closed door session was called for Wednesday of this week to discuss, among other matters, the procedure to be followed in connection with the inquiry or hearing.

Since this session may be the last of the fiscal year, loaded with windup fiscal and other items, it appears doubtful if there will be time to include the "grievance" question even if it is moved onto the agenda by a Board member.

## Hicksville Host To County Legion

The Charles Wagner Post #421 will host the 47th Annual Nassau County American Legion Convention on June 3, 4, and 5th 1965 in Hicksville.

For the first time in 37 years, Hicksville will play host to Nassau's 10,000 Legionnaires at a convention next June. Post Commander Arthur Rutz heads the convention committee which is now planning this very large event and has named the following Legionnaires as sub-chairmen: Richard Hochbrueckner, Anthony Bellacera, Richard O'Neill and Joseph Ratto.

## Kennedy Fund Continues to Grow

Because of the earlier HERALD deadline this week, relatively few contributions for the John F. Kennedy Memorial Hicksville Fund were reported this week. Contributions may be made at the LI National Bank main office, Broadway and Herzog Pl., Hicksville, or by mail to PO Box 95, Hicksville.

# Now Hear This!

by JIMMY COOLEY

D-Day in Normandy, 20 years ago millions of fighting men invaded the fortress of Europe to slowly but surely take back the miles of land, hundreds of cities, many countries and millions of slaves that were under the hand of one of history's worst ("mad men") Hitler. Today much older, much wiser, some thinner and some stouter...some bald and some grey...we remember. Much can be said of those who served and also those who gave their lives, but as the living can only

say, "we hope it was not in vain." IN MEMORIAM: I wish to express my deep and sincere sorrow to the family of the late WM. (Bill) DANDA, and to AMVETS Post 44 on the passing of a fine fellow, veteran and charitable person. Bill and I had many times worked hand in hand together and what he had done for children and the disabled will not be forgotten. They broke the mold that made men like Bill and it will be some time before they make a new one.

INFANTRY NICKNAMES...The numerical designation of the

100th. Infantry Div. inspired its "Century Division." The shoulder patch of the 40th. Infantry Div. is a 12-rayed Sun which illustrates its "Sunshine Division" nickname. Always worn diagonally. Because it was formed from Ohio's National Guard Div., the 37th. Infantry Div. has adopted Ohio's Buckeye State name for its own... "The Buckeye Division." The "V" inscribed on the insignia of the 95th. Infantry Div. had the dual purpose of representing the Div. nickname "Victory Division" and the numerical portion (Roman Numeral 5) of its 95th. designation. "REMEMBER WHEN"... Cpl. T. was called "Model T Cpl." The Garrison Cap without inside band was known as "the forty mission hat"? The ribbons that servicemen earned was known as "fruit salad"? Before the war at Camp Upton and I saluted everything from a PFC to a General? When the USO was the greatest organization and to me STILL IS?

VETERANS QUESTIONS: As the widow of a veteran who died of service-connected disabilities, I received a monthly compensation payment. I have been thinking of going back to work. A friend tells me that I will lose the compensation payments. Is this so? ANSWER: No, Compensation payments are made without reference to your income. Your friend is thinking of VA payments, paid to widows of veterans who died of non-service connected causes. Income limitations do apply in these cases. AFTER THE PARADES WERE OVER: ...Heard many wonderful reports about the Hicksville Legion and AMVETS bands Memorial Day. In the Bethpage area it was the Bethpage High School band all the way.

The Bethpage Archie McCord Legion Post and the Butchmore Bros. VFW made a fine showing. Strange though it may seem many of the marchers are the "boys" of WW I. ONE OF AGAB: Many stamps on the way to Northport Veterans Hospital and the San Diego Naval Hospital in California. Before I close let me add these few lines of verse for D-Day in Normandy...

Then let your head rule, my friend, not your head, my friend. Do you hear that slow marching tread? Its the boys who are gone and will never return. As they answer the Roll of the Dead, The Lil Corporal

## Graduate 147 At St Ignatius

Ceremonies for 147 graduates of St. Ignatius Loyola School, Hicksville, were held in the church on Saturday, June 13, at 12 noon. The Rev. Leo J. Goggin delivered the graduation address, followed by distribution of diplomas and awards by Rt. Rev. Msgr. George M. Bittermann, V. F., pastor.

The Holy Name Society Award for Religion was awarded to Marie Grochulski, Michele Fitzgibbon, Carol Gross, Joseph Smith, Stephen Dannhauser and Paul Solaski. The John Schiffmacher Award donated by the St. Ignatius Loyola Auxiliary of Christian Mothers for General Excellence was awarded to Carolyn Maggio, Justine Monaco and Keith Sutter.

The Mathematic Award, donated by the Rosary Altar Society was awarded to Patricia Lillis, Thomas Groody and Joseph Bickard. The English Grammar and Composition Award donated by the Mothers' Auxiliary went to Margaret Gengler, Deborah Ruggiero and Christine Macloch. The U. S. History and Citizenship Award from the Charles Wagner Post, American Legion went to Stephanie Holzer, Christiane Trant and Edward Brown. Harold Youngmans, Susan O'Neill and Peter VanDerlaske won the Science Awards donated by the Knights of Columbus. The Geography Awards donated by Rt. Rev.

# Dear Lynda:

NO you did not just get last week's paper. If our new deadlines and presstime work out as anticipated, you have received your regular issue on time for a change. WHERE TO SEE FIREWORKS: Mid Island Plaza on Friday night, July 3 starting at 9:45 PM; Salisbury County Park, Westbury, July 4, starting at dusk. We don't know who picked the date, but according to a press release Monday, June 29, is Hicksville-Syosset-Woodbury Day at the New York State Exhibit at the World's Fair. Starting at 10 AM, local groups taking part will include St. Ignatius Girls Cadet Corps, Robert Spatman Glee Club of Jericho, and The Dolletes of Jericho, all making dual appearances during the day.

Congratulations to Mr. and Mrs. EDWARD GIANNELLI of Lenox Ave., Hicksville, upon their 25th wedding anniversary today (Thurs.). Ed is the proprietor of the Edgian Press and Hicksville North Democratic leader. We overheard GEORGE CONNORS in the paint store the other day. "I want a can of green paint", said George. "Never mind the shade, just as long as it matches my lawn. I want to paint out the brown spots." It will be Scotch Night at the LITTLE INN this Sunday, June 28, with bag pipers, etc. The Sonty Campbell trio is at the Inn on Thursday, Friday and Sunday nights. Congratulations to PENNY and AL FROESCHL of Laurelton on the arrival of their daughter, KIM, who weighed in at 6 lbs. 4 oz. on June 17, her mommy's birthday. Her sister, JENNIFER, is as happy and proud as her grandparents, AGNES and RICHARD MOORE of 62 Summer Lane, Hicksville. IRENE and PAT GILCHRIST of 20 Frances Lane, Hicksville, were hosts to a party for their daughter, GERALDINE, upon her graduation from Queen of the Rosary Academy on Saturday. Youngsters who say they don't know what to do this summer in Hicksville should be referred with the full schedule of recreation activities in this issue of the HERALD. LARRY McCAFFREY, past president of Hicksville Chamber, who delights in taking his boys on hikes for miles thru the mountains or on week-long canoe trips, is currently on vacation. A reader if a card from the wilds? ABRAHAM SHAMES, real estate developer who recently opened a new 20,000 sq. foot office bldg. on Stewart Ave., Bethpage, is upset because that big Unisphere at the NY World's Fair does not include the outline of Long Island. He has corrected this in part by including the Island on the midsize unisphere prominently displayed in his new building.

Hicksville Chamber heard at a recent meeting that Sears Roebuck expects to open on North Broadway, Hicksville, on Sept. 15. The US Chamber advised the local group that Mr and Mrs G. WILSON will be hosts to a Miss CHRISTA MOLLER from Germany the week of Aug. 23-28. Acting Postmaster IRENE MURPHY has offered to advise the Chamber of new businesses and industry moving into Hicksville. She recently became a member of the Plainview Chamber as well. The Hicksville Fire Dept racing team has its collective fingers crossed but has high hopes that this is the year of the payoff after a couple of lean seasons. They took two trophies at Bohemia at the Southern New York tournament recently and expect to do big things at Hempstead on July 4th. We were waiting for the traffic light to change on Old Country Rd and Jerusalem Ave., recently, and did a double take. An arrow was lodged in the caution light section and we thought all the Indians were back on the reservation. Time to put those autos in a circle and ward off the Red Skins, buddies.

JERRY ZETTLER of Hicksville, president of the Nassau County Police Boys Clubs, reminds all readers of the current PBC fund appeal. Send your contribution to the County Police Boys club at 214 Hillside Ave., Williston Park, in support of this most worthy cause.

**CHARLES G. GAUCK**  
HICKSVILLE—Charles G. Gauck of 229 Duffy Ave., here, died June 22. He was the husband of Christine (nee Seibel); the father of Caroline and Charles; the grandfather of Tamara and Angela Gauck, Marie Walters and Bertha Salerno and the brother of John William Gauck and the late Otto Gauck.  
Mr. Gauck will repose at the Henry J. Stock Funeral Home until Friday when a Solemn Requiem Mass will be offered.

**ANN YAROTZKEY**  
HICKSVILLE—Ann Yarotzkey (nee Horceniak) of 88 New South Rd., here, died June 21. She reposed at the Henry J. Stock Funeral Home. The funeral was held Thursday, June 25 at 10 A.M.  
She was the wife of Dymytre, mother of William York, Merrill Yarotzkey and Elizabeth Wolownik; grandmother of Dennis, Barbara Wolownik, Norma, Nancy York, Bayde, James, Daniel and Brian Yarotzkey.

## CUMMINGS 'N GOINGS: SRO at AOH Luncheon

by Jim Cummings

One of the first and most successful Family Communion Luncheons was sponsored by Division #11, Ancient Order of Hibernians, Hicksville on Father's Day, June 21st. . . The families attended 11 A.M. Mass at St. Ignatius Church, and received Holy Communion in a body escorted by AOH ushers with their gleaming new sashes. . . Luncheon followed at the Old Country Manor in the Colonial Room where over 150 members, families and friends of the AOH gathered for this truly inspiring day. . . On the dias were Rt. Rev. Magr. George M. Bittermann, V.F. Pastor of St. Ignatius; Judge Francis J. Donovan, Guest Speaker; Francis J. Anderson County Clerk, his wife, Lillian, and daughter; Jim Kelly, Nassau County Board President; Harold Zeltman, County Financial Secretary; James Crimmins, President of the Hicksville Division; James J. Cummings, County Vice-President; John Finnegan Luncheon Chairman. . . The children were treated to a real surprise in the appearance of "Uncle Fred Scott" of WNEW-TV, Channel 5 who conducts the very popular "CARTOON PLANNING" daily over Channel 5 - Fred is a parishioner of St. Edward, The Confessor, Syosset and a member of the 4th Degree, Knights of Columbus - He and his family attended Mass with us and then joined in the festivities at the Manor. . . As we glanced across the tables we noted at Judge Michael D'Auria's table, Mr. and Mrs. Edward Poulos, Majority Leader of the Town Board; Mrs. D'Auria and daughter; Ray Smith of Port Washington, Republican candidate for the office of County Sheriff, Inspector Smith was with the Nassau County Police Dept. for many years. . .

In an organization of this size it takes team work and we wish to thank John Finnegan, Chairman, Peter Collins, James O'Sullivan and Frank Quinn for all their effort these past months for without them and many more we would not stand today as the largest Division of the Ancient Order of Hibernians in Nassau County. . . Judge Donovan presented with the 100th membership card in Division #11, Hicksville. . . Francis "Andy" Anderson, our County Clerk, received the oath from President Crimmins in special ceremonies

## Superior Rating For Local Jets

At the twelfth Annual National Engineering Exposition held May 22-24, Richard Robey, a member of Hicksville Recreation's JETS, was awarded rating of "Superior" for his project in aeronautical engineering. Approximately 15 out of 60 entrants received similar ratings. Richard's successful project, entitled "Simple Telemetry System" marks the third consecutive "Superior" rating with which the JETS have been honored.

The JETS is a Hicksville Recreation activity which has completed its third year. It has been co-sponsored with Republic Aviation. The purposes are to provide recreational opportunities for high school boys and girls who have an interest in scientific and technical pursuits.

and became the 101st member as we move toward the two hundred mark.

HERE 'N THERE: We hear there will be some more fireworks in TOB on July 13th. Henry S. Eisenman of Hicksville celebrated a 40th Anniversary with friends at the Garden City Hotel, Sunday evening last - Mr. Eisenman has long been a most active citizen of this every-growing Hicksville community. . . North side of Bway road at RR station has been repaved as this long-awaited elimination moves to completion. . . We journey to Elmira this weekend for the AOH State Convention; representing Nassau with your reporter will be Harold Zeltman, Financial Secy; James Kelly, President. . . They tell me tickets are going real fast the Annual Clam Party at the Knights of Columbus Hall for Sunday, July 12th (Walter this is some birthday present - thanks).

## Operation VFW

William M. Gouze Jr. Post No. 3211  
by Eddie Klebing

Installation ceremonies for both the V.F.W. and Ladies Auxiliary were aptly handled by Bob Obermeyer and Alice Wagner, the installing officers. Best wishes for a successful year are in order for both Commander Arthur Fuelling and President Mary Sadowski with members looking forward to their guidance for the coming year. The buffet and entertainment which followed immediately after was enjoyed by all who came and so were those salads prepared by Esther Paladino.

The May issue of VFW magazine had an interesting article by VFW Commander-in-Chief, Joseph Lombardo, entitled, "A Dangerous Trend-Ridiculing the Man in Uniform." Citizens of Hicksville who have sons or daughters in the Armed Services can rest assured that the Veterans of Foreign Wars is taking a keen interest in their welfare. Turning its big guns on the servicemen's critics the VFW supports and defends the maintenance of Military Commissions as an aid to the serviceman. In pledging this support it has the combat veterans.

In a recent statement, Commander Joseph Lombardo laid out at the "professional budgeteers and selfish commercial interests" as he called them, and asked them to stop sniping at the fighting man's commissaries. The VFW is deeply concerned over the continual loss of the so called fringe-benefits which has been an integral part of military life.

A reduction in the commissary system is a reduction in the pay of servicemen. Retention of good officers and NCO's in our Armed Services cannot be had by taking away such things as commissaries, post exchanges, dependent and retired medical facilities, but instead, to increase and improve them. American servicemen and women are scattered throughout the world to meet any and all threats to our great country. Appreciation for the fine job they are doing should be shown in the form of deeds. One of these deeds is to make military commissions available to them, wherever they are. It's the least our country can do for

## GS Conference Enrollment Due

"Girl Scouting, A Promise in Action" will see the theme for the Triennial Region II Girl Scout Conference to be held in New York City, Sept. 29 through Oct. 1, Statler Hilton Hotel, it was announced by Mrs. George M. Trefts, Region II Chairman.

More than 2,000 Girl Scout adults from New York State, New Jersey, Puerto Rico and the Virgin Islands will convene to consider the various aspects of the four-age-level Scout program and the role of adults in helping youth develop a feeling of citizenship and moral responsibility for the world. Any registered adult is eligible to attend the conference.

Mrs. Robert Stratton, President of Mid Island Council Girl Scouts Inc. said today, "An outstanding program has been planned for the conference, which will include discussion groups, several general sessions, a festive luncheon meeting with an International Theme, a Men's Luncheon (men only) with well known guests and outstanding speakers. Discussion groups will consider the challenge of maintaining and extending membership; major problems of troop organization; progression of girl leadership; planning for over-all balance in program activities; Girl Scout program in camps; and opportunities beyond the troop.

Adults may register immediately at the Council office, 2 Newbridge Rd., Hicksville, and

its fighting men and women.

On the local scene, the VFW will continue to meet the second and fourth Mondays of the month during the summer. Members can show their support for our great organization by attending meetings and getting behind the new commander, Art Fuelling.

## OUR MEN IN SERVICE

James F. Wagner, 18, son of Mr. and Mrs. Frank Wagner of 350 Richard Ave., Hicksville, has begun basic training at the Naval Training Center, Great Lakes, Ill.

Airman Second Class Richard E. Metzger, son of Mr. and Mrs. T. Metzger of Cedar Swamp Road, Jericho, N.Y., has arrived for duty with a unit of the United States Air Forces in Europe (USAFE) at Spangdahlem AB, Germany. His wife is the former Marie A. Marzec, whose parents Mr. and Mrs. Ben Marzec, reside at 12 N. Umberland Road, Jericho.

RE: GENESEE ST.

To The Editor:

We feel that an answer is necessary to Mr. Eric R. Swedberg's letter of June 8th to the editor, regarding Genesee St. opening. Mr. Swedberg's charge of "ridiculous" that the Genesee St. opening would become a short cut is certainly short-sighted on his part because he himself states that Genesee St. is the only direct route from Newbridge Road to the Old Country Road school. It is expressly for people like himself who want the street open for the flow of traffic that we are fighting to keep it closed.

Where has Mr. Swedberg been the past eight years when the street was closed and where has he been for the past four years when we have been fighting to get decent paving for the roads in our community?

All local traffic now coming down Genesee St. has to stop and turn right or left into Jefferson Ave. This makes the cars automatically slow down or come to a stop. If this street is cut through, there will be no stop sign. They will sail through our street as a fast clip. We have had teenagers come down our streets at about 60 miles an hour only to jam on their brakes at the barriers.

The small children in our community (because of the nearness to Old Country Road school, do not get bus service) all walk to school down this street. At the present time, Genesee is a quiet street with local traffic only. To bring outside traffic would jeopardize the lives of these youngsters. There are no sidewalks near Clarissa Dr. and all the children walk in the roadway. This street is also used by the Junior and Senior High School students. It is the major route to school. We have enough streetscut through in our area right now. Genesee St. through to Newbridge Road would make us known as a short cut to Levittown Parkway and bring additional outside traffic. It is not the local traffic that concerns us, because the people in this area are all aware of the children coming and going to schools at all hours. It is the outside traffic trying to make time that worries us.

The town permitted a business venture to be opened in a residential area, at the corner of Genesee St. and Newbridge Road. This is not only a violation of the Zoning Law but also has attracted a very heavy flow of traffic. The safety of childrens car primary concern and we strongly believe that keeping Genesee St. closed is the best insurance in obtaining this objective.

We have had several bad accidents on Genesee St. already. A few years back, two cars on East Ave. and Genesee St. collided and one of the cars turned over on the sidewalk. By the grace of God, several children had passed the spot minutes before the accident. Last year, another two cars collided at the same spot. A car had gone through the stop sign and plowed into the other car coming down Genesee St. What could we expect if additional outside traffic started plowing in?

Mr. Swedberg lives on Bridle Lane in Levittown - why is he so interested in our neck of the woods? His child can go to the Old Country Road school without being subjected to any traffic. Mr. Swedberg states he personally would love to live on a dead end, no traffic street - well for his information Bridle Lane is a "circle-area" street, which is a winding street. This slows normal local traffic down automatically and no through traffic goes through his area.

In reference to our petition, please be advised that we secured seventy names and not fifty-five as stated by Mr. Swedberg's letter; and these were obtained within a very limited time, without much effort.

It is very interesting to note that Mr. Swedberg seems to be

very well informed regarding our petition; however, he neglected to state that when we brought this matter to the attention of the Town of Oyster Bay a most peculiar situation was discovered. The opening of Genesee Street to Newbridge Road had neither been approved nor even discussed by the Town Board. This is the reason more than any other, that the street was not opened. We residents know that it was being pushed by a few local politicians for personal reasons, irregardless of the fact that children's lives were being jeopardized.

We understand that Mr. Swedberg is circulating a petition to have Genesee St. opened. We hope his actions are motivated by reasons of an honest and true concern for the community, and not for some other ulterior motive.

It is our intention to actively campaign against the opening of Genesee St. and if necessary obtain many more signatures of home owners who support us in this matter.

- (Signed)

## TEACHER PLIGHT

To The Editor:  
 Attached is a copy of a letter which has been forwarded to all members of Hicksville School Board. We would appreciate having it released for publication as quickly as possible because we firmly believe that unless something is done, and as often, the taxpayers of Hicksville will awake one morning to find that all of their finest teachers have left the district.

In writing this letter to the Board members, we are trying in our own small way, to bring the plight of the teachers of Hicksville to the attention of the taxpayers. Thank you for your cooperation.

Mr. Joseph Fanara  
 241 Dartmouth Drive  
 Hicksville, NY  
 June 19, 1964

I have followed the teacher grievance rather closely of late, and I must admit that I am appalled at your handling of this matter. At every turn, the teachers seem to be denied the privilege of being heard promptly and justly.

If your actions are indicative of the trend of school board teacher relations, I am confident that the teachers of our district and others will have no recourse but to resort to effective organization in order to insure that they receive the justice which is their due.

If, for one believe every teacher in Hicksville should join the American Federation of Teachers. How the teachers in our district have tolerated the actions and attitudes of the present school administration remains a mystery to me.

Certainly if the union were active in Hicksville Public Schools, the administration would never have treated the teachers in the arbitrary and disrespectful manner in which they have during this past year.

The teachers need a strong bargaining agent - one truly interested in their welfare, truly concerned for their well-being - and they need an organization capable of contending with any and all injustices perpetrated by an administration, and evasive and capricious dictates of an ineffectual school board.

by Milt Pryor

The Hicksville American Senior and Little League is pleased to announce news of the first expedition of the season. Tech Alloy, Minor B sponsor, has arranged to take the Little Leaguers to the Islip Speedway on July 18. Races will begin at 8 P.M. and generally are over by 11 p.m. Mr. Mathon, owner of Tech Alloy, has generously agreed to supply one bus to transport the boys both ways. All interested in attending the stock car races please contact Mr. Sabol, Manager of Tech Alloy team and sign up no later than July 10. All parents of Little League Members are invited to attend, as well.

We promised to announce last week the list of boys chosen for the Major League All Star Team. Here are their names: Dean Boyle, Johnny Byrnes, Tommy Cossin, Randy Daub, Rudy DePalma, Dick Eaton, Frank Feely, Martin Soblick, Kenny Suarez, Mathew Tedesco, Warren Uss, Steve Filazzola, Ronald Landau, Michael Mahltstadt, Kevin McHugh, Douglas Murphy, Steven Murphy, Gary Madelman, Anthony Noble, and Greg O'BREIN, Manager is to be John Byrnes, Coach will be Mr. Rudy DePalma. All of you chosen for this special team will be informed shortly by phone about dates for practice sessions. This group is slated to compete with other divisions in Hicksville and then go on from there to play opposite other towns in Nassau.

After that, they will have the opportunity to show their stuff outside of Nassau County. Elsewhere in the Major, the Gertz team copped first half honors with a very exciting finish. Last Saturday the Gertz team met the Gillison team and at first half finale Johnny Byrnes held the boys from Rotary down to 5 hits without allowing a run to cross the plate, but aiding their cause with some very timely hits and good base running to come out on top with a final score of 3 to 0. Tommy Cossin, pitching good ball and keeping this a really tight match took the loss.

In the Minor A this week, the Republicans, sweep through the first half of the season without a setback. Their strong hitting and knowledgeable fielding kept their opponents scoring down to a minimum. The second half of this season will be quite different as the other teams are going to concentrate on taking the elephants whenever they can. All teams are going to go with a really trained crew and these last 10 games should be very interesting ones. The Republicans will be playing this coming Monday, Wednesday & Saturday and all desiring is seeing these games are welcome to do so.

This week a Minor A All-Star Team was chosen. The Minor A All-Stars will play the winner of the Major League, and if the Directors feel that they are qualified, they will also play other teams and leagues in other towns. These games will not be official but we think they should prove quite interesting. Johnny DeRosa, Bobby Daub, Edward McEnaney, Robert Pryor and Gary Palmese were chosen from the Republican squad. Fairway Farms Dairy placed Kevin Sweet, Larry Weinblatt, Steven Goldberg, and Dave Smith on the team. Botto Bros. Plumbing & Heating sent Edward Leones, Steve Tedesco, William Collins and Ricky Coffey to the Squad and the Hicksville Democrats appointed Robert Glover to represent their team. It is important to remember that more than necessary to be placed on this team. Willingness to try, good sportsmanship and team play are more important. Some very good ball players were kept off the squad because the directors felt that they lacked the proper team spirit and team cooperation.

As soon as possible, I know I shall encourage such a move. MR. AND MRS. JOSEPH FANARA

The winning team members of the Minor A first half champs are: Robert Daub, Edward McEnaney, John DeRosa, Robert Pryor, Gary Palmese, Michael Famigletti, James Ajello, Larry Weinstein, Thomas Bergin, Gary Zintel, Tom McCoe, William Koukas. The manager of this fine squad is John DeRosa. Coach, Ed McEnaney helps in the training of the squad.

In the Minor B spotlight this week, our last place team, Tech Alloy is starting to jell. The boys are really beginning to hit & field the ball. In fact, I predict that this week the boys of the Tech Alloy squad is going to cop their first win of the season. Albert Mathon, is starting to hit and swing the bat properly and is going to be a big factor in this game. Also Fred Stellbarte, their catcher will help considerably. The 2 Sabol boys are improving nicely and the second half should be a real exciting one. Mike Sabol, the Tech Alloy manager has informed us that there is a position open on his team. Any boy who wishes to join Mr. Sabol's squad should call WE 5-7152 and get more information from him.

There is a tie for first place in the Minor B division for the first half of season play. If Mr. Softee wins the tie game from the Pizze D'Amore squad, that is. Then the boys of Malverse will play the ice cream vendors. If Mr. Softee loses the tie game rematch, Malverse will be the first half winners. This should be decided by the next issue and the results will be reported in this column. Mr. Fred Noeth, the publisher of the Mid Island Herald, will have this weekly paper out to all the members who have subscribed by the next edition. All other members who have not subscribed to the Mid Island Herald as yet can do so by calling me at WE 5-6194 and I will see that you get on the subscriber's list. I have enough applications for you all.

At end of first half of play I play off game exists, if Mr. Softee wins this game then they will have to play Malverse for first half honors.

DR. WALTER H. DUNBAR, Hicksville chiropractor, was elected treasurer of the Chiropractic Assoc. of New York at the state convention in the Hotel Roosevelt. Dr. Dunbar has a bachelor's degree in Chemistry and Biology from Trinity College, Hartford Connecticut, a D.C. from the Eastern Chiropractic Institute. He has done post graduate work at the New York Institute of Chiropractic and Atlantic States. He has been chairman of several committees on a county and state level, and served for two years as president of the Nassau district. Dr. Dunbar has been a resident in Hicksville for the past 15 years. (Photo by Mallert)

## Plan to Resurface Raymond St.

The Town Board recently awarded a contract for the bituminous resurfacing of Raymond and adjoining areas in Hicksville. It was announced by Councilman Edward J. Poulos, Town Board Majority Leader.

The contractor is Litza & Sons Inc. of Oyster Bay whose bid price of \$13,990 was lowest among six bidders for the job. Highway Superintendent Norman T. Wolf who recommended the project directed the contractor to proceed immediately with the construction. The project was advocated on the Town Board by Councilman A. Carl Grunewald.

Upward of 6500 feet of surfacing, 30 feet wide, is included in the contract. Included in the surfacing are Raymond St, Howard St, Park Pl, Henry St, Charles St, Kraemer St, Clinton St and Cherry St. Earlier, storm water drainage was installed in this area.

## Drains for Miller Road in Works

The contractor has been ordered to be prepared to proceed with storm water drainage facilities in Miller Road, Hicksville, during mid-July it is announced by Highway Superintendent Norman T. Wolf.

Vlor Corp of Hunting was awarded the contract at its bid price of \$28,429, lowest among nine bids submitted. The drain line will extend from McCarthy's Lane, under the railroad tracks in the vicinity of Northern State Parkway, to a point just east of Berkeley Lane.

A small town is about the only place that takes pride in traffic congestion.

WEST BIRCHWOOD - JERICHO CIVIC ASSOCIATION

Vol. 6 NO. 20

June 25, 1964

## West Birchwood Needs Playground:

# Board Replies to Field Supporters

by Hy Strell

A recent Civic Board resolution opposing a Little League Ball Field in the town recreation area north of the Cantigue School has provoked a counter-resolution from the Executive Board of the Jericho Little League. The Little League executives claim that the two existing ball fields at the Cantigue School are full of rocks and are not regulation. They say that more than 375 boys from all of Jericho play Little League baseball, and that a good number of these boys are from West Birchwood.

While ordinarily abhorring conflict with a selfless, community-minded organization like the Little League, the Board of Directors of the West Birchwood Civic Association feels that the issues in this matter are so clear and so vital that a public reaffirmation of its position is imperative. Unlike the Little League, the West Birchwood Civic Assoc. was created by the people of West Birchwood to represent them in matters affecting their community. The officers of the Civic Assoc. are elected by a vote of the majority, and feel justified in presuming to speak for their constituents.

At the outset, the Civic Board would like to make it clear that the recreation area north of the Cantigue School was set aside by the builders of West Birchwood for the specific purpose of satisfying the recreation needs of the residents of West Birchwood. Speaking through their Civic Assoc., the residents of West Birchwood say that their recreation needs are for a playground and not for a third Little League ball field. The Civic Board considers it to be extremely unfortunate that the leaders of the Little League should see fit to bypass the recognized representatives of the community in a direct appeal to Town

Officials on the disposition of land specifically intended for the use of the community. Civic Board meetings are scheduled regularly and are publicized in the West Birchwood News. All members of the community are invited to these meetings, and are assured the right to be heard. It is hardly appropriate that the Little League should instead choose to make itself heard in the newspapers and before town officials on a matter that so clearly intrudes upon the prerogatives of the West Birchwood Civic Assoc.

The Little League says that it has 375 members, and that a good number of these are from West Birchwood. Let us say that the figures are correct, and that a hundred of these are from West Birchwood. But West Birchwood has five hundred families. And that suggests a total of at least one thousand children in the community. What the Civic Board would like to know is "Where are the other nine hundred kids going to play if the sole recreation area in the community is turned into a Little League ball field?" And what about the girls? What are they going to do? Keep score? The Civic Board thinks that they should have a playground with rides, games, ping-pong tables, volley-ball fields, handball courts, tennis courts. And what is more, the Civic Assoc. would welcome participation by the children of other communities in Oyster Bay who feel that their own recreation facilities are inadequate. This includes members of the Little League.

In closing, it should be noted that 375 little boys - when set to work picking up stones at the rate of one every ten seconds - should be able to dispatch 135,000 stones in one hour.

## Princeton Park Elects Officers

Stanley H. Epstein of Schoharie Drive has been elected - the new President of the Princeton Park Civic Assoc.

Other elected officers for the '64-'65 term are, Milton Brenner, Vice President; Frank In-nelli, Treasurer; and Mrs. Joan Wainick Secretary. Members of the Board of Directors are; Mrs. Vivian Duranto, Gerald Green-berg, Lyle Paris, Lionel Press, Mrs. Roz Seldman, Irwin Waters and Sy Wirak.

## President's Corner

by Arnold F. Winant

In the past few weeks, all of us in Jericho came to know the name of Barbara Jones. At first Barbara Jones was only a name. The name of a young woman who lived in our community who was fighting for her life. The call went out to the community that Barbara needed a rare blood in order to survive. The community responded and the response was gratifying.

Barbara Jones became a part of our lives after that. All of us worried, all of us prayed and hoped that she would someday resume her usual place beside us.

However, notwithstanding all of the effort, the hope and the prayers, Barbara Jones has left us. Her valiant fight for life is over. Her eyes have been closed to her pain.

Our words may be just written or spoken. They cannot convey what we really feel. They cannot be read the way we would speak them but we offer them anyway as a token of what we feel. We offer them in condolence to the family of Barbara Jones, to her friends and to all others who feel her loss.

To those of you who helped, we utter a simple "thank you". Your response was overwhelming and generous. Her fight is over as is our fight for her. Her loss will not be forgotten by this community.

What adds to accidents in the home is the fact that some people don't spend enough time there to get to know their way around.

## Birchwood Bulletin Board

Tuesday, June 30 - Meeting of New Board of Directors and Officers of Sisterhood, Jericho Jewish Center at 8:30 P.M.  
Wednesday, July 1 - Book Club discussion of Sinclair Lewis' "Babbalanza"; Moderator, Roger Golub, Place; Naomi Price, 45 Chenango, 8:30 P.M.

## Endorse School Innovations

An overall plan for instructional improvement and innovations in Jericho education was presented by Dr. Thomas Carey, Superintendent of Schools, to the Board of Education. This sweeping, far-sighted plan embraces kindergarten through grade 12 and was heartily endorsed by the Board of Education.

The report was presented to the Board and members of the community present at the June 18 meeting by Dr. Carey, Mrs. Ram-rill, Director of Elementary Education, and the principals of all the Jericho schools.

Some of the highlights in the plan for high school changes include introducing modern math in grade 7 in Sept., teaching science for a full year in grade 7 in September, and in grade 7 and 8 in 1965, and a laboratory session for the earth science course. There will be a pilot project to integrate American literature and American history. High school students will be allowed to take a sixth subject. There will be ability grouping in chemistry, physics and biology and the school will affiliate with the New York State Experimental Program in Chemistry.

The administration and some staff members will do a research study of 5 of the top high schools in the United States. These schools will be visited in the interest of actually incorporating whatever features are feasible and applicable to Jericho High School. Teachers will be trained

in working with slow students in a series of workshop classes. In addition a student handbook will be printed to catalog and describe subjects offered in the high school.

In the elementary schools many changes are contemplated, including departmentalizing 5th and 6th grades in a modified form to enable teachers to specialize to a gradual transition into complete departmentalization in junior high school. This will be a three year program. At the end of this period and during the three years, the program will be studied, evaluated and possibly altered.

One elementary school library will be opened on Saturday from 9-12, and also on Saturdays there will be seminars in literature and science for grades 5 and 6. In addition there will be a new phonics program in grade 1 and a formal speech program in kindergarten. It is planned to have a tutorial system for those students needing special help.

Dr. Carey will be submitting reports to the Board from time to time to keep the Board aware of changes and results.

TYPICAL FAMILY scenes showing members of Jericho getting their second dose of the Oral (Sabin) polio vaccine at the Jericho High School. Over 5000 individuals took advantage of this service in our community. William Mayhew and Howard Jankowitz,

members of the Board of Education and co-chairmen of the event, expressed their deep appreciation to the many resident volunteers who devoted both their time and efforts to work for this activity.

## Recreation Enjoys New Emphasis

The development of recreation skills and positive attitudes about use of spare time assumes increasing importance as individual leisure and great promise for the future. The World's Fair predictions about tomorrow are filled with emphasis of anticipated disposable time.

Your Hicksville School District recreation office is cognizant of this development and poises its program to meet this coming commitment while striving to provide interesting activities for today. You will note the variety of offerings in this announcement. Sports and games at playgrounds and centers are no longer sufficient. A program of recreation for a community now must include a complete spectrum of offerings.

You are urged to permit your children to take full advantage of the opportunities presented here.

JOSEPH F. MADDEN  
Recreation Supervisor

## 7th Annual Summer Program Features Playground Centers, Special Events

The Hicksville School District Recreation Dept. established in June 1958, will open its seventh season on Monday, June 29. Morning playgrounds for children, afternoon special events for all and evening community centers will be featured.

Highlights will include traditional favorites and added attractions. Wednesday evening teen dances, daily trips for children, instruction in tennis, golf and archery will be offered as in the past. Daily beach trips for teens and overnight camping for boys are examples of new activities.

Hicksville Recreation is your organized community recreation department governed and supported under the auspices of the Board of Education. This office is responsible for year-round programming of directly led recreation activities, assignment of community groups to school facilities as well as consultation and coordination of community programs using schools.

## Summer Bookmobile Schedule

From July 1st through August 30th, the following Bookmobile schedule will be in effect:

9:45 AM - 11:15 AM Helix Place & Pierce St. (East St. School)  
11:45 AM - 12:30 PM Blueberry Lane (bet. Borwood & Bamboo Lanes)  
2:15 PM - 3:15 PM East Cabot Lane at Canyon Lane  
3:30 PM - 4:30 PM Acree Lane (bet. Abbott & Arrow Lanes)  
**TUESDAY**  
9:30 AM - 10:45 AM Burns Ave. at Dakota St. (Burns Ave. School)  
11:00 AM - 11:45 AM Jones Institute  
1:30 PM - 2:30 PM Old Country Road at Lee Place  
3:00 PM - 4:30 PM Maxwell Drive at Robins Lane  
**WEDNESDAY**  
9:30 AM - 11:00 AM Ketcham's Rd. & Gardenia Lane (Woodland School)  
11:30 AM - 12:30 PM Willet Ave. & Westmoreland Road  
2:00 PM - 3:00 PM Larch St. & Haverford Road  
3:00 PM - 4:30 PM Princess St (Oxford Pl. & Burns)  
**THURSDAY**  
9:30 - 10:45 Fork & Winter (Fork Lane)

11:15 AM - 12:15 PM Edward & Reiter Avenues  
2:00 PM - 3:00 PM Moeller St. & Ronald Avenue  
3:30 PM - 4:30 PM Alexander Avenue & Palermo St.

## Music Has Major Role

The popular summer Band will again be an outstanding feature of the Hicksville Summer Recreation program. The Director Peter Horvath, is planning five outdoor concerts on Thursday evenings during July and August. They will be held on the Fourth St. side of the Hicksville Junior High School. Those eligible players who are interested in performing, report for the first rehearsal on Wednesday evening, July 1st, at 8:00 P.M. to the Band room of the Hicksville Junior High School.

A special wind ensemble will be a new part of the summer

program. This will be a small group that will rehearse once a week and present a program in late July. Those interested in participating should get in touch with the director, Mr. Peter Horvath.

The summer Chorus (above) will again be directed by Charles Arnold, Senior High School Chorus Director, and will rehearse on Monday and Wednesday evenings. Music of all types will be presented in a concert late in July. Interested singers should see Mr. Arnold before the end of June.

### Save This Issue

It provides a full schedule of summer recreation activities in Hicksville School District, June 29 to Aug. 7.

## Summer Recreation Schedule

June 29 - Aug. 7

### MORNING

YOUR SUMMER RECREATION staff ready for the opening day, June 29. (All photos in this section by Frank D. Mallett).

## Little Tot Lot At Willet Ave

Once again Willet Ave. School will cater to the younger child. A special program supervised by selected leaders will conduct activities geared to the tastes and abilities of the little ones.

Parents interested in such a program should register their children on Monday, June 29th, from 9:30 A.M. to 11:00 A.M.

Simple arts and crafts, story telling, special trips, basic music and drama, low organized games, special films are on the schedule. The program will take place each weekday from 9:00 A.M. to 12:00 Noon starting on June 30th and continuing through Aug. 7th.

Resident children are eligible subject to registration. The more advanced child should attend other neighborhood playgrounds described in this brochure. All district youngsters may take part but transportation should be arranged by the parent.

## Overnight Camp Is New Feature

A new feature of the Hicksville School District recreation program this season will be overnight camping. Weather permitting, boys with the proper equipment are invited to sleep on the school grounds under the supervision of the Recreation Staff. These camping experiences are planned for all the Thursday nights of July 9th, 16th, 23rd, and 30th.

A meeting of individuals and groups who would like to take part will take place at the High School Cafeteria on Thursday, July 2nd at 7:30 P.M. Boys and parents are invited to attend. Activities scheduled and equipment needed will be described. Suggestions will be entertained the site will be chosen and questions will be answered at the time.

Here is an opportunity for you parents to permit those boys who desire the adventure of sleeping out to do it under controlled conditions.

## Special Recreation

Guided recreation activities for children enrolled in special classes will continue under the direction of Murray Dubowsky. The closely supervised groups meet daily and enjoy specially selected activities. Arts and crafts, music, physical fitness, games, swimming, parties and trips will be scheduled.

Registration can be arranged through the Hicksville School District recreation office.

**FOR INFORMATION ABOUT RECREATION**  
Phone WE 5-9000  
Ext. 292 or 352

## My Neighbors

"Your mother and I are just stepping out for a quiet walk in the raging storm."

## Special Arts And Crafts

Registration for special arts and crafts will take place at the Hicksville Junior High on Monday, June 29. Hours of registration will be from 9:30 A.M. to 11:00 A.M. Registrants should appear at the Fourth St. Entrance of the school during that period. Mrs. Ann Wrubel will conduct the registration.

Arts and crafts will be featured at each playground. This special activity is for all children and youth who wish to complete specialized and advanced projects. Painting, sculpture, jewelry, ceramics, modeling are some of the samples of areas that participants may work in. Guidance and instruction will be given on an individual basis. This is not a workshop for the beginner or those with a casual interest. The simpler arts and crafts will be available at your neighborhood school playground.

## Invite Families To Evening Center

Hicksville High School will be a supervised community center for evening recreation. Residents of all ages, especially family groups, are invited to enjoy a variety of activities. The center will be open Monday through Thursday from six P.M. to dusk. Mothers and dads should bring their youngsters over to share the fun of trampolining, handball, badminton, knock hockey, ping pong, basketball, volleyball and various other games. Equipment is available for all these offerings on a loan basis. Supervision and instruction is also provided. Don't miss this opportunity for some family fun.

## Daily Beach Trips for Teens

Each weekday except Friday, there will be a supervised bus trip to Tobay or Tappan Beach. Lawrence Graziose will be in charge of this activity. Buses will leave the Hicksville Junior High School at 1:00 P.M. and return at 4:00 P.M. Reservations should be made in advance at the Fourth St. Entrance of the Junior High School. The first trip is scheduled for July 8th. "First come - first served" will be observed in setting reservations so interested individuals should move quickly. The cost of a ticket which includes transportation, supervision and admittance to the beach will be 75¢. In the event of bad weather or if a trip is cancelled for lack of interest, money will be returned.

## Teen Sports For Athletic

Each weekday, beginning June 29th through Aug. 7th the Hicksville High School gymnasiums and athletic fields will be supervised for teen sports. Secondary boys and girls are invited from 9:00 A.M. to 12 noon. All kinds of athletics will be offered with equipment available for use.

Special emphasis will be made in the area of gymnastics and apparatus. The olympic year has stimulated great interest in this phase of physical recreation. Robert Trichka and Miss Arlene Resnick will be the staff specialists present to guide and train gymnasts.

Wayne Bryan will coach a basketball team which is entered in an inter-community tournament. Interested boys should contact him through the Recreation Office (call WE 5-9000, Ext. 292 and 352).

Mr. Petro will arrange instruction in archery, golf and tennis. See him at the high school center any morning. He will be supervising free play in the many activities boys and girls may choose.

## Evening Trips For Teens

Three Friday Evening Teen Trip Specials are planned for this summer. Freedomland, Rye Playland and Shea Stadium are the featured destinations. The chart (page D) will give you the date, time and price. Reservations can be made at the trip office or call the Recreation Office WE 5-9000 Ext. 292 or 352.

## Auto Mechanics

The Auto Shop will be open two nights a week, Tuesdays and Thursdays from 7:30-9:30 P.M. High School boys may register for this activity on Tuesday, June 30th. William Strodtloff will supervise this area featuring repairs and mechanical training.

## Summer Band Offering Concerts

The Summer Band will present light concerts on the grounds of the Hicksville Junior High School and a new group-the Wind Ensemble-will also give a concert. The Summer Chorus Concert will round a busy season of Drama and Music.

All presentations are free and everyone is cordially invited. Watch your local newspapers for the dates and times of all performances.

## Volunteers Deserve Credit

A large number of men and women devote countless volunteer hours to many recreation activities in Hicksville. The community is certainly grateful to these people who sacrifice time and energy on behalf of the youth. Drive past school yards in the evening and you will witness activities such as Little League in full swing. These volunteers deserve much credit for their efforts. The cost of such leadership would be astronomical.

Listed here are the leaders of many of these programs. Behind each leader you would find dozens of individuals willingly expending hours of time in community volunteer service:

- Holy Family CYO - Mr. Jack Keating
- St. Ignatius CYO - Mr. Lew Grofsalk
- Our Lady Mercy CYO - Mr. Robert Byington
- Trinity Lutheran Youth Group - Mr. W. Endorf
- Pkway Community Church Youth Group - Mr. R. Albright
- St. Stephens Lutheran Church - Pastor Muck
- Ev. Lutheran youth Group - Mr. John H. Meyer
- Congre. Shaarel Zelak Youth Group - Mr. Stan Kellner
- Boys Brigade - Mr. E. Willey
- Police Boys Club - Pd. Frank Darcy
- Boy Scouts, Arrowhead Dist. - Mr. Jack Landress
- Girl Scouts, Mid Island Council - Mrs. Ruthe Aronoff
- Camp Fire Girls - Mrs. Shirley Poplsh
- 4 H - Mrs. John Toblissen
- American Jr. Red Cross - Mr. E. Talton
- Hicksville Baseball Assn. - Mr. A. Pascariello
- No. Hicksville Baseball Assn. - Mr. R. Eaton
- Hicksville International L.I. - Mr. A. Hollstein
- Island Marine Training Corps - Mr. P. Hughes
- Christian Service Brigade - Mr. O. Crosby
- Amvets Juniors - Mr. Wm. Hill

## Register Now Archery, Golf and Tennis Instruction:

## Arts Festival

This summer again will be a Festival of Music and Drama. No less than six groups will be performing for the residents of Hicksville.

The Children's Theatre will

give "The Emperor's Nightingale", the Teen Theatre will sing and dance "The Boyfriend" and the Alumni Theatre will bring a bright comedy to the stage of the Hicksville Senior High School.

REGISTRATION for tennis, golf and archery instruction will take place in the High School gymnasium from One to Three P.M. on Monday, June 29. All children and youth of the district are invited to register. Lessons will be set up on an appointment basis and groups will be formed according to age and ability. Equipment is available. An individual may register in all three. Tournaments will be featured in each of these activities. Those who may miss the registration should call the recreation office at WE 5-9000 Ext. 292 or 352.

### OUTBOARD MOTOR SAFETY SUGGESTIONS

**DON'T TRY TO STEP INTO THE BOAT WHILE CARRYING THE MOTOR**

**WATCH WHERE YOU'RE HEADING**

**ATTEMPTING TO CLEAR THE PROPELLER WITHOUT SHUTTING OFF THE MOTOR IS REALLY ASKING FOR IT**

**CONSIDER OTHERS - WATCH YOUR WAKE**

**MAKE SURE PASSENGERS ARE OUT OF THE WAY WHEN YOU START THE MOTOR**

**NEVER OVERLOAD**

**FAST, RECKLESS TURNING CAN SEND YOU OR YOUR PASSENGERS OVERBOARD**

FOR INFORMATION  
ABOUT RECREATION  
Phone WE 5-9000  
Ext. 292 or 352

## Expand Trip Programs This Summer

This year Hicksville School District Recreation Department plans to offer an expanded trip program to many new destinations.

Each week every playground makes at least one trip and all playgrounds make every trip by the conclusion of the program.

Plans have already been completed for the following varied locations:

Sleepy Hollow, Tarrytown,

N.Y. Rye Playground Amusement Park  
New York Mets Ball Games  
Tobay and Tappan Beaches  
Sight Seeing on Eastern Long Island

Westbury Music Fair "Sound of Music" (tickets must be purchased early)

Adventureland 110 for Young Recreators  
Freedomland for Teens

There are other "Specials" to be announced at a later date, including "Teen Specials" (see other Features for Teens).

All detailed information and reservations will be available at all playgrounds, Teen Centers and Dances. Ticket prices will include cost of admittance, transportation and rides if any. Study the trip chart on page D for prices and dates.

## Resume Wednesday Teen Dances

The regular summer teen dances will be featured each Wednesday evening at the Hicksville High School gymnasium at 8:00 P.M. The first dance will be the Annual Battle of the Bands Contest. Teenagers are invited to dance and cheer on their favorites. There is no admission to this event.

On the next five succeeding Wednesday evenings there will be dances to live music. Admission will be 25¢. Boys and girls are required to observe school dress regulations on these occasions. Combos that would like to take part in the "Battle of the Bands" should contact the School Dist. Recreation Office.

## Daily Playgrounds for Children

Seven school areas once again will be available for Hicksville School District children who have completed one year of school and have not started seventh grade. Starting June 29th through August 7th, Burns Ave., Dutch Lane, East St., Fork Lane, Junior High, Old Schools will be open from 9:00 A.M. to 12:00 noon, Monday through Friday.

The main registration will be held Monday, June 29th, at all

playgrounds from 9:30 A.M. to 11:00 A.M. Children may register at the school of their choice at any time during the summer program.

Leadership is provided by professional personnel of the school district, local college and high school students. Activities include organized games, contests, story telling, music, dancing, special events and arts and crafts. A fee of one dollar will be required of all children to

offset the cost of materials taken home.

**FOR INFORMATION  
ABOUT RECREATION**  
Phone WE 5-9000  
Ext 292 or 352

## A Word About Use of Facilities

During the coming vacation months there will be three general classifications of approved activities taking place on Hicksville Public School grounds. Organizations of all varieties administered and led by dedicated citizen volunteers is one category. The offerings represented in this brochure are led by paid leaders and represent another type. The third classification is made up of those who use the

facilities as individuals without organization or leadership.

There is a very small segment of the population that use facilities at times and in a manner which is definitely not approved. These individuals tend to be destructive and annoying. Fortunately they comprise a fractional minority. In spite of their small number they are a hazard and nuisance to others, especially immediate neighbors of school plots.

So that you will not inadvertently be numbered in this nuisance segment may we respectfully remind you of existing regulations drawn up out of consideration for community people and property. Prohibited are:

1. Climbing on buildings, fences, backstops or bleachers.
2. Throwing of stones or other missiles.
3. Riding bikes, driving go-carts, autos or other vehicles.
4. Flying model airplanes, unsupervised golf.
5. Walking dogs.
6. Profane or abusive language.
7. Intoxicating beverages.

8. Playing of hard ball on softball diamonds by individuals past their thirteenth birthday. (Most small diamond outfields are too short for such a plan and present a real danger for neighbors.)

If you observe these infractions taking place we ask you to remind the violator of the regulations. Flagrant violators should be reported to school personnel. The Recreation Office at WE 5-9000, extensions 292 or 352, will cooperate if notified.

## 3 Theatre Groups

Starting at 9:00 A.M. on Monday, June 29, the Childrens Theatre will hold its first session under the direction of Charles Arnold. All children of elementary school age are invited to participate. The show being done will be "The Emperor's Nightingale" which is based upon the famous story by Hans Christian Anderson.

At 1:00 P.M. on the same day, the Teen Theatre will begin rehearsals. "The Boyzies", a satire on the "roaring 20's", will be the production. William Coleeke will direct with Mr. Arnold as musical director. All Junior and Senior High students are eligible to perform.

In the evenings, the Alumni Theatre will hold rehearsals. Allan Just, former Hicksville student, will direct. All graduates of Hicksville are invited to try out and participate. Several excellent shows are under consideration.

All productions will give performances in late July or early August.

## COMMUNITY CALENDAR CLEARING HOUSE

As a service to all organizations in the community the Sisterhood of the Jericho Jewish Center will hold a Community Calendar Clearing House on Tuesday evening, July 14, at 9 p.m. on the Jericho Jewish Center on the Broadway-Hicksville Road, Jericho.

The purpose of the meeting is to set up a community calendar of events for the year 1964-1965 so that no fund raising projects or other special events of one group, conflicts with the date of any other group.

All organizations are requested not to phone in any dates except those for bowling nights and meeting dates.

## About Town

### MIRACLE OF MELLOW LANE

Mellow Lane is a typical Birchwood street. A typical Birchwood street is a quiet street with a minimum of car traffic, an occasional car every few minutes, but more than that a street which has its share of playing children, small ones on the sidewalk where they belong and bigger ones where they don't belong, in the street.

As the time of the year would have it, Saturday, June 20th, was a very hot and humid day well into the 90s and as a result forced the residents of Mellow Lane either indoors or having left for cooler and more comfortable places like the beaches or summer country clubs.

A small compact car came down Briar Lane and the driver, as had been done so many times before, made a left turn onto Mellow Lane. The split second as all it takes and within that split moment, the car driver misjudged the distance that all drivers know that is needed to avoid a parked car, smashed into this parked car sending this car across the sidewalk onto a neighbor's lawn and because the lawn was nice thick marion blue, the pushed car stopped before it was able to travel very far.

A sidewalk normally well overrun with little feet was empty because of perhaps fate, or perhaps someone upstairs must love the little ones—was meant to be!

A Miracle on Mellow Lane!—S.L.

## Spring Concert At Robbins Lane

The annual Spring Concert of Robbins Lane School was given on Tuesday night, June 16th, under the direction of Carlston Weber, as vocal instructor and Leonard Mottisi, in charge of instrumental groups.

The program was opened by the Junior Band composed of 4th graders, followed by the 3rd grade Chorus and Symphonette Band. Then the 4th grade Chorus and the Girls' Chorus of 5th and 6th graders entertained with a variety of Folk Songs and Spirituals. The Five Kings, played two numbers, specially arranged for them by Dean Surkin, a 6th grade student.

The 5th and 6th grade Boys' Chorus and Glee Club followed and the program was closed by the Senior Band which played so well, we are sure they brought back memories of Benny Goodman and Glenn Miller to their proud and happy parents.

## Double Feature CBE Meeting

About 50 people enjoyed an interesting and informative double feature at the last CBE meeting on June 16. Leading off the program was a careful analysis of the "Curriculum and Course Content in the High School" by Edmund Tanzl, Assistant Principal. He was ably supported by Joseph Heller, Principal. The only thing that could have successfully followed this excellent presentation was Joseph Eisner, Director of the Plainville Library, speaking about "A Jericho Public Library". The enthusiastic discussions that followed each presentation had to be limited because time was passing so rapidly.

Starting with the history of the development of curriculum in Jericho's High School, Tanzl built a lucid and informative discussion of the curriculum offered in each of the grades in the Junior and Senior High Schools. Augmenting his talk with numerous well-prepared slides, Tanzl described all of the offerings given in each grade. This overall picture clarified some of the misconceptions about what was available in the schools. After presenting the range of courses available to the students, he described the content of each of the courses. For example, he explained how students can progress at several different rates in mathematics. More advanced students can progress rapidly enough to complete Advanced Algebra plus another course that has not yet been specified. The "average student" can follow one of three sequences depending upon his particular needs and future plans. Another course of study is offered to those that do not wish to complete a full mathematics sequence. This array of choices has been developed to service the variety of needs of all the students.

At the end of his presentation, Tanzl showed a slide that listed 25 new curriculum ideas in the planning stage for the next year, or as soon as is economically and technically feasible. The number of interested questions that the audience had, indicated that it would be impossible to cover this topic in one session. The consensus of opinion was that CBE would like to have Tanzl back to speak on specific topics in the curriculum several more times.

The many requests of CBE members to find out about a public library in Jericho resulted in inviting Eisner to address the group. The keynote of his presentation was that there are many people and groups ready, willing and able to give Jericho residents advice and assistance in gathering facts and figures. However, if a library is desired it is up to Jericho residents to get it. After presenting some of the reasons why library was desirable, Eisner began answering the wide variety of questions put to him by many of the people in the audience. It was announced that a provisional committee for a Jericho library had already been commenced by interested citizens, under the temporary co-

chairmanship of Mrs. Ruth Lang and Dr. Aaron Finerman.

The CBE executive committee then presented a resolution to the meeting that a special CBE committee be set up to investigate all of the factors involved in setting up a library in Jericho. This would include consideration of the need for a library, and, if a library is desirable and feasible and the presentation of a specific proposal for a library for the determination of the entire membership. CBE invites any and all interested citizens to participate in this impartial survey and analysis of the question. Members and non-members alike may work with the committee. If you are interested, contact the temporary chairman of this special CBE committee, Jay Schachner-OV-1-5589.

## Form Library Group

On Thursday night, July 2, at 8:30 p.m., the newly formed Jericho Public Library Committee will hold its first major membership meeting at the Chase Manhattan Bank on Jericho Turnpike.

Mrs. Ruth Lang, President of the Seaman PTA, and resident of Princeton Park, initiated the Committee late in May after noting that the Hicksville Library fee for non-residents will be \$18.

The Executive Board (pro-tem) of the Library Committee now includes residents from diverse parts of the Jericho District. Officers are Ruth Lang and Dr. Aaron Finerman as Co-Chairmen, Harold Pepper as Treasurer, Beatrice Felsner as Recording Secretary, and Elaine Reale as Corresponding Secretary. The remaining Directors are Muriel Green, Bernice Miller, Florence Irving, Jerry Pepper, Edith Klnow, Marvella Colby, Harold Brensilber, Elaine Bergman, Arnold Winant, and Vincent Saggese.

## Letter to Civic Assoc

Birchwood Park Association at Jericho, Inc.  
C/O Horace Bernstein  
38 Forsythia Lane  
Jericho, N. Y.

Dear Neighbor:

The Jericho Chapter of the American Field Service was recently organized to bring foreign students to live and learn here for a year. This type of program is bringing exciting results to hundreds of communities throughout the country, including many here in Nassau County. Recently, an assembly program was held in the High School in which four foreign students participated. The student responses was so overwhelming that they have already donated more than half of the amount required for each student.

We are asking your organization and other community organizations for contributions to help raise the balances.

We know this would benefit the whole community and we would appreciate any contribution your organization could afford.

Jericho Chapter of American Field Service  
HOWARD JANKOWITZ  
The Civic Assoc. responded with its contribution!

## Lutheran Day At Fair July 19

July 19th will be "Lutheran Day" at the New York World's Fair according to the Rev. Richard Muck, pastor of St. Stephen's Lutheran Church, Hicksville.

In an historic joint appearance that day, the presidents of the three main Lutheran Church bodies in the United States will speak at the Lutheran Festival to be held at the Fair's Pavillion at 7 p.m. While Lutherans have had numerous inter-synodical meetings on a regional basis, this is one of the few occasions when all three

presidents will speak on the same program.

Participating will be Dr. Franklin Clark Fry, New York, President of the Lutheran Church in America; Dr. Oliver Harms, St. Louis, President of The Lutheran Church-Missouri Synod; and Dr. Fredrik A. Schlotz, Minneapolis, President of The American Lutheran Church.

Master of ceremonies for the festival program will be N.Y. Fire Commissioner Edward Thompson. The 80-voice Lutheran Choir of New York, an inter-synodical group directed by Jacob Ehm, will sing.

## Nassau Press To Meet Here

Nicholas Napoli of the Baldwin Citizen will be formally installed in September as president of the Nassau County Press Assoc. He was elected at the Assoc meeting at the Baldwin Manor Friday night, June 19, to succeed Fred J. Noth of the Mid Island Herald and Plainview Herald who had been serving as acting president. Noth was elected honorary president.

Also elected were Fred Simon of the Elmtonor, former treasurer, first vice president; Charles Koenig of the Long Island Graphic, second vice president; Joseph Merzindino of the Farmingdale Post, third vice president; Kay von Freyemann of the Bellmore Home News, secretary; Margaret Haas of the Franklin Square Bulletin, treasurer.

Koenig is chairman of the installation dinner meeting.

The next regular meeting of the Press Assoc will be held at Frank's Alibi in Hicksville on Friday night, July 17.

## Fabacords Offer Musical Program

The Fabacords of Hicksville, directed by F. Arden Burt, Jr. of the Burt School of Music, journeyed into Laurelton, June 17 and presented musical entertainment for the members and guests of Laurelton Temple #232, Pythian Sisters.

Among the selections played by the accordion orchestra, were Military Escort (a march), a swing arrangement of The Song of India, and a Pop Tune Medley (comprised of Dream, Cocktails for Two, Shine on Harvest Moon, Sentimental Journey and Sunnyside of the Street). Members of the orchestra who played a duet were Pat Czecel and Barbara Pound, and soloists were Susan Drake, Anne Gambino, Diane Miceli, and George R. Hicks, Jr.

#### NOTICE OF SALE

**SUPREME COURT: NASSAU COUNTY THE GREEN POINT SAVINGS BANK, Plaintiff, against Zeita Hance, Defendant.**

Pursuant to Judgment of Foreclosure, dated May 15, 1964, I will sell at public auction on July 14, 1964, at the north front steps of the County Court House, Old Country Road, Mineola, New York, at 10:00 o'clock in the forenoon, the following described premises, more particularly described in said Judgment, located in Hicksville, Town of Oyster Bay, County of Nassau and State of New York:

BEGINNING at a point on the southerly side of Reids Street distant 300 feet easterly from the corner formed by the intersection of the southerly side of Reids Street with the easterly side of South Oyster Bay Road (Old Line) running thence southerly at right angles to the southerly side of Reids Street, 100 feet; running thence easterly parallel with the southerly side of Reids Street, 60 feet; thence running northerly at right angles to the southerly side of the street running northerly at right angles to the southerly side of Reids Street, 100 feet to the southerly side of Reids Street; running thence westerly along the southerly side of Reids Street,

ferree named in said judgment, will sell at public auction at the North Front Steps of the Nassau County Court House, Old Country Road, Town of Hempstead, Mineola, New York, on the 9th day of July, 1964 at 11:00 o'clock in the forenoon of that day the premises stated in said judgment to be sold and described as follows:

ALL that certain lot, piece, or parcel of land with the buildings and improvements thereon erected, situate, lying and being in Hicksville, Town of Oyster Bay, County of Nassau and State of New York, bounded and described as follows:

BEGINNING at the corner formed by the intersection of the northerly side of Arnold Street (Avenue) and the present westerly side of South Oyster Bay Road as widened; running thence due West 56.50 feet along the northerly side of Arnold Street to land now or formerly of T.L. & H. Kaminsky; thence due north along said land 100 feet to the land shown on Map of Ronald Homes Inc.; thence due east along the last mentioned land 56.62 feet to the present westerly side of South Oyster Bay Road as widened; thence running south 0° 03' 35" west along the present westerly side of South Oyster Bay Road as widened 100 feet to the corner aforesaid the point or place of BEGINNING.

#### NOTICE OF PUBLIC HEARING

PLEASE TAKE NOTICE that, pursuant to the provisions of the Municipal Home Rule Law, Chapter 36A of the Consolidated Laws of the State of New York and pursuant to a resolution duly adopted by the Town Board of the Town of Oyster Bay on the 19th day of May, 1964, a copy of which resolution is now on file in the Office of the Town Clerk, Town Hall, Oyster Bay, New York, a public hearing will be held in the Hearing Room, Town Hall, Oyster Bay, New York, on the 14th day of July, 1964 at 10 o'clock A.M. prevailing time, at which hearing the Town Board will afford a reasonable opportunity to all interested persons to make objections thereto or suggest changes therein.

The proposed Local Law is as follows:

**LOCAL LAW**  
To Establish a Development and Planning Action Department of the Town of Oyster Bay, pursuant to the Municipal Home Rule Law, Chapter 36A of the Consolidated Laws of the State of New York.

BE IT ENACTED BY THE TOWN OF OYSTER BAY AS FOLLOWS:

#### ARTICLE I Creation and Appointment

Section 100 - The Town Board hereby creates a Development and Planning Action Department (hereinafter called the "Department").

Section 101 - The Town Board shall appoint to said Department a commission of not more than seven (7) members (hereinafter called the "Commission"), who shall direct and implement the functions of the Department.

Section 102 - The Town Board shall designate a member of said Commission to act as Chairman thereof.

Section 103 - The members appointed to the Commission shall serve for a period of two (2) years and may be reappointed by the Town Board. If a vacancy shall occur otherwise than by expiration of the term, it shall be filled by the Town Board by appointment for the unexpired term.

Section 104 - All members of this Commission shall serve without compensation.

#### ARTICLE II Purposes and Duties

The Department may prepare studies, reports, plans and pro-

grams to maintain and foster the orderly growth and development of the Town consistent with local objectives and concerned with:

**Section 200 - Economic Structure and Condition**, including such aspects as commercial and industrial development required for a balanced, diversified and vigorous economic base.

**Section 201 - Financial Considerations**, including such aspects as maintaining and fostering suitable areas for a Town-wide recreational system, both active and passive, both outdoor and indoor, and coordinating Town facilities with those of private and other public agencies.

**Section 202 - Esthetic Objectives**, including such aspects as the preservation of historical places and programs of neighborhood and property beautification.

**Section 203 - Circulation Needs and Requirements**, including such aspects as traffic, thoroughfares, parking, commuting and transportation, with a view toward coordinating and facilitating circulation throughout the Town and safeguarding residential neighborhoods.

**Section 204 - Open-space Objectives**, including such aspects as maintaining and fostering suitable areas for a Town-wide recreational system, both active and passive, both outdoor and indoor, and coordinating Town facilities with those of private and other public agencies.

**Section 205 - Community Facilities**, including such aspects as evaluating and improving community services, public facilities and utilities which provide for the public health, safety, culture, education and welfare.

**Section 206 - Inter-community and Regional Factors**, including such aspects as the review of plans and programs of Villages, other Towns, the County of Nassau and other jurisdictions as they may relate to and influence Town growth and development.

**Section 207 - Community and Neighborhood Renewal**, including such aspects as encouraging the proper development and redevelopment of areas which are or may become sub-standard, blighted or obsolete; promoting the reduction, elimination or preventing of sub-standard areas, obsolete and undesirable patterns, and blight-generating influences; generally locating areas containing dilapidated buildings or structures or blighted environmental conditions which may require renewal, rehabilitation or conservation; promoting the appropriate developmental pattern in areas with arrested conditions or obsolete layouts of lots, blocks and streets or other factors which inhibit or prevent proper growth and development.

**Section 208 - Capital Improvements Programming**, including such aspects as systematic scheduling of capital projects, estimated costs and priorities geared to need and financial ability.

**Section 209 - Other Related Matters** dealing with the physical and economic development of the Town which the Town Board may refer to the Department.

#### ARTICLE III Procedures

**Section 300 - Rules** - The Commission may adopt rules and regulations in respect to procedures before it and in respect to subject matter over which it has jurisdiction.

**Section 301 - Meetings** - The Commission shall hold a meeting at least once a month and at such other times as the Chairman may direct.

**Section 302 - Employment Experts** - The Department may employ experts, clerical and secretarial assistants and pay for their services and such other expenses as may be necessary, provided that the Town Board shall have authorized the required appropriations.

BY ORDER OF THE  
TOWN BOARD OF THE  
TOWN OF OYSTER BAY  
William E. O'Keefe,

# Around the District

with Joe Koerner

**THE FABULOUS WORLD OF THE P.L.** ... Like all things often misunderstood...Public Library is more than a gathering place for the intellectuals. It's also an oasis for the run of the mill gentry who can browse to heart's content and through the medium of a book (fact or fiction) take an escapist's journey to the far reaches of the world. And no matter what your hobby, interest or occupation may be... there's a book to be read. They run the gamut from the ABC's of Computer Programming to You and Space Travel. It's a way of life for some... where reading (the most important subject of all) is the key to learning. Some make use of this key...Others do not. It's as simple as that.

**LIBRARY'S IN GENERAL**... Hicksville's P.L. is smaller when compared with the granddaddy of all Public Libraries... The Library of Congress. And again by way of comparison the local variety is but a small ante-room when stacked up against the New York City "Lore Mill", (the busiest library in the world) that houses 3,900,000 editions printed in 3000 different languages & dialects. This "Oculist's Waiting Room" located on 5th Ave. & 42nd Street contains 2 reading rooms 2 city blocks long... seats 800 avid bookworms... averages 8000 visitors daily and answers well beyond 10,000 queries yearly. In fact, nothing at all like the homegrown product... for Hicksville of course like all other small town libraries shares none of the glory of twin brothers. Fact is its annual toe to toe slugfest when the year for the budget squares off each year. There are some who fight passionately for a good Public Library... others condone it as a necessary thing and cast equally as firmative & negative votes with undecided abandon... while still others vote straight NO's to budgets, expansion programs & so called frills in general. A once supposed frill and a typical case in point was the inception of Hicksville's first Bookmobile in Jan 1961. The nays reared like wounded bull elephants that the idea of taking the Mountain to the people was a bit farfetched, frivolous & even frightening. The Ayes took the opposite tack... and the middle of the roaders who like my son Walter who when mad at me is often willing to give me a new car (but without tires or an engine) settled for equal Yes and No Indictment. The results being that the budget and the Library On Wheels squeaked by. Today the Bookmobile is a success...makes a total of 20 stops through the district and is chattered by a pleasant pipe smoking driver named Ted Nusbaum. His associates on the Bookmobile run are Peggy Mangan and June Dorenbecker... and they in turn when not scheduled for the run engage in the thousand and one clerical duties that are part and parcel of the operation of a Public Library. Other courteous efficient members of the Hicksville Library Staff dispense with the A-I public relations that are so vital and necessary when dealing with the taxing public. The duties of the staff are varied and many and are coordinated by the present Library Director Kenneth S. Barnes. His fellow members of the professional staff

include... Albion Gray (Asst. Lib. Director) . . . Mrs. Jean Owen (Sect. to the Director)...Patterson Kelsey (Cataloger; Reference), Mrs. Mary Leis Nichols (Children's Librarian) and Mrs. Dorothy Cisneros (Young Adult Librarian; Reference) The present Board of Trustees is Ely N. Bean, Ernest Mc Clain, Joseph T. Mc Carthy, Mrs. Jacob Aaron and Rev. Nicholas Nappi.

**HICKSVILLE'S FIRST P.L.**... Prior to the year 1928 Hicksville's first Public Library was merely in the talking and planning stages, with the basic groundwork starting sometime in 1926. Of course there were books to be read and books to be borrowed but a rental fee was usually requisite. Hicksville's Library infancy was akin to the birth of the first idea for a Bookmobile (started in 1907 with a horse and buggy driven by a gregarious Custodian in Nagerstown, Maryland) A great deal of time hard work and planning materialized into an official opening with a land) A great deal of time hard work and planning went into the operation... "HICKSVILLE PUBLIC LIBRARY." But then like all other worth while projects it finally came to pass and the years of planning materialized into an official opening with a donated budget of \$1,219.97.

A sum presented by the Hicksville Musical Club. The doors of a 2nd floor classroom at the Nicholai School opened to the public for the first time on or about Sept. 1928 and the first Board of Trustees included Dr. Bernard Webster, Mrs. Charles Veight, Mrs. E. A. Van Slyke, Miss Louise Augustin and Miss Emily Flippinger. All had been instrumental in laying out the groundwork. This was the beginning and from all beginnings must come an end. An end that might come silently and swiftly in the form of an atomic blast...an end that might live up to the expectations of the McCormack report and see Hicksville's population taper off...or an end that might see another population explosion with apartment houses gracing the landscape and bigger budgets and expansion programs in the making. The future is doubtful...the past is written in the form of time. And the past recorded in Hicksville's Story (a reference book in the P.L.) has told us that 14 years after 1928 or 1942 to be exact the Hicksville Public Library suffered its' initial attack of growing pains. It was given the room to expand by taking over two classrooms on the first floor of Nicholai's west wing. Four years later another explosion took place but this time in school enrollment. The two classrooms in Nicholai were needed for the influx of new students and the Library was forced to gracefully accept its' eviction notice. (Part 2 next week. . . . THE LIBRARY IN HEADLINES. . . FROM '42 to '64)

See your authorized Pontiac dealer for a wide choice of Wide-Tracks and good road cars, too.

**Watch out! Stare too long at a Catalina, and next thing you know you're shattering another sales record in Pontiac's best year.\***

People like to look at big, handsome Wide-Track cars, though. And drive them. And buy them. Obviously. We're selling more Pontiacs this year than ever before. Catalinas, naturally. And Tempests. Le Mans. Bonneville. And Grand Prix. Each with Pontiac style. Pontiac ride. Pontiac power. Pontiac resale value. All this is just what you're looking for, you say? Well, okay, go ahead and stare.

Mr. and Mrs. Thomas Long-  
staff, formerly of 36 Gables Dr.,  
Hicksville, and presently resi-  
dents of San Diego, Calif., an-  
nounce the engagement of their  
daughter, Margaret E., to Nor-  
man H. Floyd, son of Mrs. Earl  
Floyd and the late Mr. Floyd of  
Denver, Colorado. Miss Long-  
staff graduated from Madison  
High School on June 18. Mr.  
Floyd attended San Diego City  
College and is employed by the  
University of California.

Three mid-Island secondary  
school teachers of business sub-  
jects have received grants from  
the State Education Dept. to attend  
a three-week institute in data

processing at Hofstra University.  
They include Seymour Block of  
Brooklyn and Edward L. Kunz of  
Hicksville, from Hicksville High  
and Mrs. Marie Murray of Plain-  
view-Old Bethpage High School,  
resident of Jericho.

Mr. and Mrs. Isadore Siegel of  
47 Glenbrook Rd., Hicksville, an-  
nounce the engagement of their  
daughter, Renee B. Siegel, to  
Kenneth L. Moses, son of Eric  
Moses and the late Mrs. Ruth  
B. Moses of Worcester.

Miss Siegel is a graduate of  
Hicksville High and received her  
bachelor of science degree in ed-  
ucation from the University of  
Michigan where she specialized  
in education of emotionally dis-  
turbed children. She is a teacher  
in New York City schools.

A graduate of Classical High  
School and Worcester Junior Col-  
lege, Mr. Moses served in the  
U.S. Naval Reserve. He is major-  
ing in psychology at Boston U-  
niversity.

Mr. and Mrs. John P. Mc-  
Gann, parents of the former Miss  
Joan McGann, now Sister Robert  
Francis, O.S.F., of Rice Lake,  
Wisconsin, will hold an open  
house for her at their home,  
234 Jerusalem Ave., Hicksville,  
on Tuesday, July 7th, from 2:30  
to 9 p.m.

The last meeting of the ses-  
sion of the Rosary Altar Society  
of St. Ignatius Loyola R. C.  
Church will be held at the Vien-  
nese Coash, Syosset, on Mon-  
day evening, June 29, instal-  
lation of officers will be held.

Two students from the Hicks-  
ville area had leading roles in  
the Ithaca College production  
of the Cole Porter musical,  
"Kiss Me Kate," in May in the  
College Theatre composed of  
students of music.

The cast included Salvatore  
V. Mistrretta, son of Mr. and  
Mrs. Salvatore J. Mistrretta, 17  
Alexander Ave., Hicksville; and  
Margaret M. Longo, daughter  
of Mr. and Mrs. Samuel Longo,  
93 Nassau Ave., Plainview.

Margaret Crofts, Geraldine  
Glichrist, Kathleen Kelly, Mary  
Longo, Donna Lynch, Regina Mo-  
ore, Marie Norriss and Suzanne  
Sutter, all of Hicksville, were  
graduated from Queen of the  
Rosary Academy for Girls, Am-  
syville, on Saturday, June 20.

# Legionnaire's Log

Charles Wagner Post  
No. 421 Hicksville

by ARTIE RUTZ

Well, it was a HOT night in more ways than one...speaking of last Saturday's Testimonial Dinner to Junior Past Commander Dick Hochbrueckner in our Victory Room...The full house which was indicated last week came early and stayed late and enjoyed every minute of this wonderful social evening...Beginning with a Cocktail Hour at 7 P.M., things moved so smoothly into the Dinner portion of the evening that it can only reflect on the good planning by the committee in charge...Dick O'Neill, Pete Muller and Bill Eggerman are the men who made it all possible...The dinner which our caterer served was topflight and everyone enjoyed it so much that there was constant talk about it throughout the evening... The table decorations of miniature U.S. and American Legion flags were won by occupants at each table who found a penny beneath their plate...The caterer was so impressed with our flag decorations that he wants to recommend it to other Posts...It was the first nite also that we have used our entire building at one time for an affair and the completion of our Member's Room made it possible...Thanks to the great help in recent weeks from many of our members...Our new Nassau County Commander, Mike Chiodella and his lovely Agatha, were also honored guests, and

Mike made the presentation of the Past Commander's ring to Dick... For a fellow who was soooo nervous early in the evening and up until the time he got up to speak, Dick Hochbrueckner made one heck of a fine "Thank You" speech...And we all Thank You too, Dick...Air Conditioning or not, it was a very warm night and jackets were shed by almost everyone as the evening wore on...It was good to see many faces of the past who just do not get around to the Post as often as they used to, and I wish they would... Various members of the County Staff drifted in late during the night after having completed their installation chores elsewhere's in Nassau during the evening, offering their congratulations to Dick... Everybody assured everybody else that they would be on hand for next year.

## Third Straight For Firehouse

Third Straight. . . . The Firehouse Inn team started off with seven runs in the first inning against Shea's Lounge. Jim Taxter pitched a five fitter and with the hitting of Richie McKen-

## HERALD MOVIE TIME TABLE

**MID ISLAND**

Thurs.-Sat. 6/25-27 It's A Mad, Mad, Mad, Mad World 2:30, 8:30  
Sun. 6/28 It's A Mad, Mad, Mad Mad World 2:30, 8:00  
Mon.-Wed. 6/29-7/1 It's A Mad, Mad, Mad, Mad World 2:30, 8:30

na, Al Greene, Tom Calwell and Jim Conley, the fielding of the entire team was up to par as the final score ended up 12 to 2.

It was a good victory as the Firehouse Team avenged an earlier loss, making their third straight win. The boys all appreciated the superb coaching of Ray (Hogy Carmichel) Morache at third base waving the runners in.

Score:  
Firehouse Inn 703 100 1 12  
Shea's Lounge 001 100 0 2

## 140 Graduate From Our Lady of Mercy

Graduation exercises for the 140 graduates of Our Lady of Mercy School, Hicksville, were held Saturday, June 13, at 9:30 Mass. The address to the graduates was made by Rev. Louis J. Schweibus, pastor of Our Lady of Mercy R.C. Church.

General Excellence awards were made to Robert Schultz, Carol Marcinkiewicz, John Becker, Thomas Fitzpatrick, Elizabeth Pyzanowski and Eileen Byrne. Religion medal were awarded to Patricia Allison, Pamela Serle, Kathleen Ward, Barbara Hoosack, Cynthia Paterno and John Brennan. Social Studies medals were awarded to William Frazer, Carol Long and William Trabold. American Legion medals for Citizenship and School Spirit were awarded to Nina Laws, Linda Dockendorf and Elizabeth Sciarini. Math medals were to Robert Egan, Joanne Cut-

rone, Thomas Cassens, Susan Leonard, Edward Utz and Christine Higgins. Science medals were awarded to Thomas LaBarbera, Kevin McArdle, Theresa Brady, Geraldine Anderson, Patricia Coyle and Jane Urbach. English medals went to Anne Devlin, Maureen Keough, Denise Hauenreich, Jane Pawluk, Lawrence Fischer and Daniel Cavaluzzo.

The Ford Foundation for Future Scientists Award has been given to Thomas LaBarbera. Honorable Mentions in Ford Future Scientists 1963-24 included Patricia Coyle, Judith Donahue and Kevin McArdle.

Awards for the Nassau County Science Fair went to Thomas LaBarbera, first prize; Judith Donahue, second prize and William Anton, third prize. Honorable Mentions, William Frazer and Carol Long.

## Troop 293 News

by Jim Munz

Troop 293, sponsored by the Hicksville Methodist Church, announces a new camp site which they will be using at Benson's, located in Melville, as the old one is being built up with new homes.

Greenbar, the name given to the patrol leaders, Junior Staff and other Scout Leaders of Troop 293 recently spent a weekend hard at work at another new camp site of theirs in upstate New York near Rhinebeck.

Troop 293 will go to summer camp at Oteara, July 25 thru Aug. 8.

In conclusion, Troop 293 served as Color Guard recently at the Parkway Community Church of Hicksville. Robert Hesel, Paul Oike, Kenneth Parker and Gary Thiel served with Assistant Scoutmaster Arnold Thiel, in charge.

## All Around Town

Mrs. Robert Mackin out-going president of the East School P.T.A. of Hicksville, was honored at a dinner given by members of the Executive Board and personal friends recently. Thirty four people attended the affair which was held in Westbury on June 4th.

Mrs. Stephen Purchak, newly installed president, thanked Mrs Mackin for her conscientious service to the P.T.A. for many years, and in particular, her last year as President.

William F. Dylewski, electronics technician third class, USN, son of Mr. and Mrs. Frank Dylewski of 17 Edgewood Dr., Hicksville, will be promoted June 25 aboard the Navy attack aircraft carrier USS Oriskany undergoing overhaul in the Puget Sound Naval Shipyard, Bremerton, Wash.

AIRMAN Michael J. Monahan, son of Mr. and Mrs. James C. Monahan of 12 Bishop Lane, Hicksville, is being reassigned to Amarillo AFB, Tex., for technical training as a United States Air Force metal repair specialist.
