VOL. 17 NO. 28 (12 Pages) July 9, 1964  
HICKSVILLE, L. I., NEW YORK **10¢**

Entered as Second Class Matter at Hicksville, N. Y. Post office

FIRST PASSENGER TRAIN to arrive at Hicksville's brand new elevated station on July 1 was a three-car and diesel from Jamaica. Among the few on hand for the historic occasion was Aaron Rochman, at right, of the Hicksville Chamber of Commerce RR crossing elimination committee, waving greetings to Lew Winkler of Richmond Hill, engineer, and (standing, back) George McSherry of Copiague, fireman. (Exclusive HERALD photos by Frank Don Mallett.)

## Three Crossings Are No More      McIntyre Offers Ideal Location for Our Rock

Hardly had the first train run over the viaduct eastbound on the Main Line thru Hicksville, Wednesday morning, when crews began to rip up the temporary run-around rails near the Marie St. crossing. By Thursday morning, the temporary pair of rails were severed and workmen were starting to span the missing gap in the Port Jefferson branch viaduct.

The first train into Hicksville from Jamaica on Wednesday morning was a shorty — a diesel locomotive and three passenger cars. There were only a few curious people on hand to see this historic event but a steady stream of visitors wandered around the new elevated station complex during the day and since.

With the exception of work trains removing the temporary tracks, the grade crossings at Old Country Rd., Nicholas St. and Marie St. have for all practical purposes been eliminated. Over the years the Old Country Rd crossing was the scene of numerous fatalities. Until the current construction it was guarded only by flashing lights and bells.

With the Main Line elevated, the number of times daily that the crossing gates at Broadway and Jerusalem Ave are lowered has been cut more than 50 percent. According to a LIRR spokesman there are 50 daily east and west main line trains (now elevated) and 43 daily Port Jefferson branch trains in both directions.

Completion of the project, which recently had been forecast for late November, is now being estimated earlier for sometime in October.

### Attends Summer Band School in Va

Miss Judy Lilienthal of 18 Helfry Lane, Hicksville is attending the College of William and Mary Summer Band School in Williamsburg, Virginia, for two weeks. At the end of that session she will visit her roommate, Miss Darrel Mayer in Alexandria, Virginia, for a week and in return Miss Mayer will spend a week visiting Miss Lilienthal in Hicksville in order to attend the World's Fair.

Miss Lilienthal is a recent graduate of Hicksville Junior High School. She has been a member of the Advanced Band, Intermediate Band, Marching Band and Orchestra.

The O.E. McIntyre Co. of West John St. is willing and eager to provide a final resting place for the historic Cantiague Rock which would leave it only inches from the spot where it has rested for more than two centuries, the HERALD learned this week. This information has been relayed to the Nassau County Dept. of Public Works and the Oyster Bay Town Board. McIntyre, internationally known direct mail concern, has its plant on property which fronts on W. John St. and Cantiague Lane. The corner of this property has a group of carefully tended trees which represent the descendants of the "point of trees". The Indian word for "point of trees" is Cantiague.

When the concern located here some years ago, the historic significance of the cluster of trees was called to the attention of the management and steps were taken to clear out the bush and brambles and leave the trees standing.

The Nassau County Public Works Dept. has announced its intention to move the Rock from John St. and Cantiague Road and relocate it at the entrance to the Cantiaque County Park now under construction some several hundred feet away. Eugene F. Gibbons, superintendent of the Public Works Dept., has said the Rock has to be moved in connection with the widening of John St.

The proposal is being opposed by many history-minded residents of the community of Hicksville, including the Historic Association.

### Fund Growth Continues

The John F. Kennedy Memorial Hicksville Fund continued to move forward this week with numerous small but important contributions. Proceeds of the fund will be used to erect a memorial flag pole of considerable size on the publicly-owned property where Broadway and Jerusalem Ave. meet at the corner of John St. north of the R. R. It will honor the late President and all Hicksville men who gave their lives in the service of the Nation. Donations may be made at the LI National Bank, main office, Broadway and Herzog Pl., Hicksville or by mail to PO Box 95, Hicksville.

### Sign Contracts For HS Additions

Ground breaking was scheduled for late this week upon the construction of additions of classrooms, gym-cafeteria and administration building-warehouse at the Hicksville Senior High School on Division Ave. Contracts for the project were signed by George A. Jackson, president of the Board of Education, with contractors on Monday night.

Present representing the various contractors were: Robert W. Mayer for John H. Dair Building Construction Co. Inc., general; Rudolph Arnone for Valden Associates, plumbing; Felix Guiliano for Giuliano Contractors Inc. electrical; and John VanBommel for North Isle Mechanical Contractors, heating and ventilating.

### CD Units Aid At Plaza Display

Again this year, Civil Defense Unit 312 of Hicksville participated in Mid-Island Plaza's Annual Fireworks display on July 3. A rough estimate of approximately 20,000 people attended.

The traffic control was directed by CD Police Chief Ken O'Connell of the Auxiliary Police and the 2nd Precinct of the Nassau County Police who handled the highway traffic. CD Director Henry F. Brodbeck and Assistant Director Steve Didier wish to thank both the Auxiliary Police and the Nassau County Police 2nd Precinct for their cooperation in a job well done.

Civil Defense Unit 312 is again contemplating participation in the Annual Firemen's Tournament which will be held at Mid-Island Plaza on Labor Day. The services participating will be the Auxiliary Police, Communications and Rescue.

### Board President

GEORGE W. KUNZ of 45 Arcadia Lane, Hicksville, was elected Tuesday night as president of the Board of Education for the year 1964-65. He had served during the past year as vice president and succeeds George A. Jackson, recently re-elected to a three-year term as trustee. Cornelius McCormack, formerly secretary of the Board, was elected vice president and Irving Lawrence, board secretary. Kunz, completing his first three-year term on the Board this year, presides at his first regular meeting this Friday night, July 10. His father, George A. Kunz, is a commissioner of the Hicksville Water District and former Fire Chief.

### Bruno Attracts Small Audience

William A. Bruno Jr., self-styled minority member of the Hicksville Board of Education held forth in the High School Little Theatre, Monday night, speaking to an audience of about a dozen people. The gathering had been billed as sponsored by the Hicksville Chapter of Freedom in Education with the topic "The Teacher's Grievance".

In Mississippi

# Dear Lynda:

Representatives of about 17 fire department racing teams, said to have been disqualified in the firemen's July 4 tournament at Hempstead, were scheduled to meet this week to formulate a course of action. It was charged the length of hose lines used by some racing teams did not comply with the required standard distance...UNCLE JIM celebrated his birthday this week on Monday. He would not disclose his age but we all know it's over 21....

Our apologies to MARGIE CIANELLI of Bay Ave., who we recorded here last week as living on Lenox Ave....Happy birthday wishes to PAUL BACSO of Linden Blvd. who celebrated on July 3 and also to EVELYN HOWE of Fox Pl. who celebrated the same day....Congratulations to MARGARET and LOU FINK of Miller Circle who celebrated 29 years of wedded bliss on June 30....Sorry to hear CHET ARNSTEIN of Spindle Rd. suffered a broken hand last week....

Those long faces among the teenagers on Monday were due to the fact that summer high school started....Returning from Toronto where he represented Hicksville Rotary at the International Convention recently, EDDIE TEVERDI was obliged to surrender for luggage handling on the plane a suitcase containing some of his precious and priceless material collected from Rotarians around the world. The suitcase was lost enroute and EDDIE is posting a \$5000 reward for its return....Hicksville Chamber of Commerce meeting scheduled for last Friday was postponed until this Friday morning, July 10, at 9:30 at the Seaman and Eisenmann downstairs meeting room at 167 Broadway, Hicksville....Residents of Trade Secret Homes and members of the Mid Island Civic Assoc are not surprised to hear that a Town Board public hearing is scheduled upon an application of JERRY SPIEGEL to permit apartment houses on the former Davla Farm off North Broadway at the Hickville-Jericho line. They have been expecting it. The date has now been officially set for Tuesday morning, July 28, at 10 AM at Oyster Bay Town Hall....Colonial costumes fashioned for the Hicksville Tercentennial Celebration in 1948 came out of the attic recently when Senior Girl Scouts presented a skit on "The Pursuit of Happiness" in connection with tryouts for the 1965 Scout Roundup set for Coeur D'Alene, Idaho....REGINA S. JACOBS of 51 Glenwood Rd., Plainview, is among a group of 15 summer session students of Fredonia College in Europe for the 1964 Study-Live Abroad Seminar of the State University....

We note with pleasure, these hot days, that the Bill-Par Lodge pool is open for the season on Carol St., Hicksville. We enjoyed being the guest of BILL and HELYN ALONGE....If the guy who bumped into PORKY'S car will report to the Little Inn, he'll be rewarded by GR. Carnarsie Courier, please copy....Northport Chamber of Commerce is seeking a gimmick to attract downtown shoppers and are giving consideration to putting the trolley back in service. It made its last run in 1927 but the track remain in the village streets. We do believe folks would go to Northport just to experience the old treat of a trolley ride....The South Shore Mall shopping centre in Bay Shore where BILL NELSON is in charge of promotion is planning a special pitch to attract Fire Island's 30,000 summer residents....The spectacular fireworks at Mid Island Plaza Friday night were visible in communities miles away....Was it our neighborhood, or did there seem to be fireworks noise on the Fourth this year? ....As a leader of the Conservatives in Nassau County, WILLIAM A. BRUMO Jr is headed for San Francisco the end of this week to assist the G.O.P. WATER forces at the G.O.P. convention....Four 13-year-olds from the Mid Island area are among 37 Long Islanders who were to leave for Israel on Monday via El Al Airlines. They will return on Aug. 19. Part of the 1964 Bar Mitzvah Pilgrimage they are SUSAN FRIEDER of 45 Hiten Ave. and KENNETH KRAMER of 32 Audley Circle, Plainview; ELLEN SIBER of 380 White Birch Lane and JEFFREY LUTZKER of 54 Rockland Dr., both Jericho.... We hear some vandals managed to leave a rock thru one of the second story picture windows of the new RR train control tower at Broadway....RAYMOND PRESSMAN of 27 Arcadia Lane, Hicksville is resigning as assistant principal of Woodland Ave School. He will become principal of an elementary school in Niskayune, NY, Aug 1....

August, Nicholas and Walter Brigandi; and four sisters, Louise Ross, Rose Poole, Evelyn and Genevieve De Majo.

Mrs. Brigandi was a member of the Ernest F. Francke Republican Club.

**SIMON SIMONSON**

JERICO — Simon Simonson of 65 Scott Ave., here, died on June 30. He reposed at the Henry J. Stock Funeral Home, Hicksville. The funeral was held on Thursday, July 2, with a religious service at 10 a.m. The Rev. Edward H. Stammel officiated. Interment followed at Pine-lawn Memorial Park.

He is survived by his wife, Alvide, his son, John; a grandson, John Alfred Simonson; and a sister, Ellen Roslund.

**ANGELO SCILPI**

SENECA FALLS, NY--Angelo Scilpi of 25 Sivalby St., here, died on Monday, July 6. He is survived by his wife, Maria (nee Lambert); a son, Angelo Jr.; three daughters, Kay Mirabile and Ann Sleser; and ten grandchildren. He will repose at Henry J. Stock Funeral Home, Newbridge Rd., Hicksville.

**ALL AROUND TOWN**

Mrs. and Mr. W.H. Murphy of Woodbury, Dick Miller of Manhasset and Pete Petralla of Hicksville, all of the Hicksville Kiwanis Club, are attending the 49th annual convention of Kiwanis International at the Sports Arena in Los Angeles, California. A total of about 16,000 people attended the affair, one of Kiwanis' largest.

**MAJORY ELLEN HAMILTON**, daughter of Mr. and Mrs. F.B. Hamilton of 72 East Ave., Hicksville, following training at Oxford, Ohio, is in Greenville, Miss., as a volunteer with the Student Non-violent Coordinating Committee. She will serve until the end of July. She is a recent graduate of Drew University at Madison, N.J.

**JOHN S. BRESCHART**

HICKSVILLE — John S. Breschart of 111 Ballpark Lane, here, died on July 4 at Meadowbrook Hospital at 48 years of age. He reposed at the Thomas F. Dalton Funeral Home. # Our Men In Service

**GUILIANO**

**DERASMO**

**MASCALI**

**LA PLANT**

**LARKIN**

**RICKENBRODE**

**GRUMO**

**POLIT**

Airmen took the spotlight in news of Our Men In Service this week.

**JOHN A. GUILIANO**, son of Mr and Mrs John J. Guilano of 55 Dante Ave., Hicksville, com-

pleted his US Air Force Basic military training at Lackland AFB, Texas, and has been selected for technical training as a language specialist at Yale University. A graduate of Hicksville High, he attended Lowell (Mass.) Technological Institute.

**LAWRENCE DERASMO**, son of Mr and Mrs Dominic Derasmo of 34 Lehigh Lane, Hicksville, also completed the first phase of his basic training at Lackland and has been selected for training as a communications specialist at The Air Training Command School at Keesler AFB, Miss. He is a 1961 graduate of Hicksville High.

**ROGER M. MASCALI**, son of Mr and Mrs Pasquale S. Mascali of 10 Dale Ct., Hicksville, is being reassigned to Sheppard AFB Texas from Lackland for training as a US Air Force communications wiring specialist. He attended Bethpage High before entering the Air Force.

Assigned to Sheppard also for training as a USAir Force finance and statistical data specialist is **GRANT A. LA PLANT**, son of Mr and Mrs Wilford G. LaPlant of 131 Pollok Pl., Hicksville. He is a 1963 graduate of Hicksville High and attended C.W. Post College.

**Pvt HARRY N. LARKIN**, son of Mr and Mrs H.P. Larkin of 12 East St., Hicksville, has been assigned to the 3rd Training Regiment of the Infantry for eight weeks of basic training at Fort Dix, N.J. He is a graduate of Hicksville High and attended NY University at Farmingdale.

**Airman First Class KARL E. RICKENBRODE**, brother of Mrs Jerome K. Grimm of 11 Barrel Lane, Hicksville, was selected Outstanding Airman of the Month in his Military Air Transport Services (MATSS) Squadron at McGuire AFB, N.J. He is a data processing machine operator and was chosen in recognition of his exemplary conduct and duty performance.

**Pvt ANTHONY L. GRUMO Jr.**, son of Anthony L. Grumo Sr of 78 Bobwhite Lane, Hicksville, has been assigned to Co O of the 4th Training Regiment Infantry for eight weeks of Basic Training at Fort Dix, N.J. He is a graduate of Hicksville High and attended Hofstra University.

**Marine Pvt First Class ROBERT POLIT**, son of Mr and Mrs Paul M. Polit of 22 Cedar St., Hicksville, graduated June 16 from the Aviation Electrician Training School at the Naval Air Technical Training Center, Jacksonville, Fla. Before entering the service in May 1963, Polit attended Hicksville High School.

**William P. Boyce**, seaman apprentice, USCG, son of Mr. and Mrs. William W. Boyce of 57 Burns Ave., Hicksville, is a crew member of the Coast Guard Cutter Westwind which is on the annual Arctic Resupply Cruise.

**William G. Lamakos**, 17, son of Mr. and Mrs. George W. Lamakos of 27 Gardner Ave., Hicksville, is undergoing two weeks active duty recruit training at the Naval Training Center, Great Lakes, Ill.

**Cadet Richard P. Penndorf**, son of Mr. and Mrs. Paul Penndorf of 303 Nicholai St., Hicksville, recently completed the U.S. Air Force Reserve Officer Training Corps (AFROTC) summer encampment at Plattsburgh AFB, N.Y.

A member of the AFROTC unit at Union College, he will be eligible for a commission as an Air Force second lieutenant upon completion of AFROTC training and graduation from college.

**Lawrence J. Mintz**, seaman apprentice, USCG, son of Mr. and Mrs. Emanuel Mintz of 23 Glenwood Rd., Plainview, re-

cently departed New London, Conn., aboard the Coast Guard Cutter Owaseo for duty.

Mr. and Mrs. Martin Larnia of 190 Sycamore Ave., Bethpage, are the proud parents of a son, Kevin Michael, born June 19.

### Proudly Display Our Flag

Not Only On Holidays But Every Day Of The Year

Chas. Wagner Post No. 421 American Legion 24 E. Nicholai St., Hicksville Arthur Rutz, Commander

"I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation, under God, indivisible, with Liberty and justice for all."

**An Editorial**

**Is This Destruction Necessary?**

We know the State Dept of Public Works, relying upon the count of motor vehicle movement as recorded by those rubber hoses stretched across Broadway and connected with a metal box anchored to a utility pole, declares that Broadway (a state highway) should be widened. We don't agree with the State and we are astonished to find that--to date--no one has formally objected to the proposal.

The State will publish a notice in some daily paper sometime during the next six months (how vague can you get) that it is ready to progress this mad scheme to tear down the entire row of structures on the west side of Broadway from the LIRR south to Old Country Rd. and beyond. If someone happens to spot this legal notice and demands a public hearing, a hearing will take place (under a requirement of federal law since the job is a joint state-federal project). Maybe at a hearing some objections will be voiced, but then again it may be too late.

The State Dept people are frank to admit that widening Broadway will do nothing for parking or the general conduct of business on this street. All the State is interested in is making it easy for folks to race up and down the face of Long Island with as little delay and bother as possible.

What will happen to Hicksville business district as we know it? The prospects are dim. We have noticed the lack of progress in Floral Park in rebuilding the north side of Jericho Tpke where stores were demolished some while back to widen that State Road. The loss to our community in terms of taxable assessed valuation should be considerable--a casual guess would conservatively run into millions of dollars with the resultant increase in county, town, school, fire, sanitation, drainage and water taxes on everyone else.

The fall of the demolition axes on the space between Herzog Pl and W Marie St. will be particularly sad. The existing buildings lack rear room to move back, the private property that will remain will be too narrow for anything but a row of tiny structures. The prospects are so grim that we have heard there is talk about building a community swimming pool in this area--Imagine that: the heart of one of the longest established business communities on the Island being so defaced as to make it the subject of speculation for a tax-exempt recreation land.

And what effect the crippling blow for the west side of Broadway will have on the east side (which will not be touched) is too dreary to contemplate.

We think Hicksville is entitled to more than such a fate. We'd be interested in the viewpoint of the readers on this topic.

**Phileas Fogg Does It Better**

If you saw Guy Lombardo's presentation of Michael Todd's "Around the World in 80 Days" at the Jones Beach Marine Theatre last season, you will enjoy it even more this year. If you did not get down last summer, don't miss a most enjoyable evening this year before Labor Day.

Besides the changes in the principals -- David Atkinson as Phileas Fogg and Jan McArt as Princess Aouda -- we have the return of Robert Clary as the wonderful Passepartout. Some of the scenes have been improved and the choreography by June Taylor is vigorous and delightful.

There are over 8,000 seats in the Jones Beach Marine Theatre and thanks to the ingenious use of sound systems everyone is excellent.

Our favorite scene remains the Indian attack on the transcontinental train in the mid-West but the Temple of Pilaji, India, at the conclusion of the first act comes a close second for spectacle.

--FJN.

**OUR MEN IN SERVICE**

Army Pvt. Robert D. Eaton Jr., whose parents live at 225 Lee Ave., Hicksville, was assigned to the 3d Armored Division in Germany, June 22.

Eaton, a member of the 1st Battalion of the division's 48th Infantry near Gelnhausen, entered the Army in January 1964 and received basic training at Fort Dix, N. J.

NEW OFFICERS of the Hicksville Rotary Club were installed on June 25 at the luncheon meeting at the Milleridge Inn. From the left are Peter Amoroso, immediate past president; Past President John Hill, installing officer; Martin McDonnell, new president; Gordon Cortright, vice president; Louis Costa, secretary; Herman Kanfer, assistant secretary; Frank (Don) Mallett, treasurer; Hans Kaufman, Richard Capabianco and William McCarthy, members of Board of Directors. (Photo by Bill Payoski since Frank Mallett is IN the picture).

**National Bank League Champs**

The L.L. National Bank won the 1964 championship in the major division of Hicksville International Little League on Monday by defeating Perkins Trucking by the score of 1-0.

Gary Jackson, Perkins' star pitcher, held the Bankers to but one hit going into the sixth and final inning when Dave Straan batted and legged out a single. Straan stole second, and in an overthrow, raced home to break the scoreless deadlock. Ace hurler, Billy Whiffen, held Perkins to one hit in the brilliant pitchers' duel.

Prior to the moment when the umpire, Charles Rogers, set the game in motion, the Banker's manager, Dominick Indukki told his players, "Your coaches and I have done all that we can, but the final outcome of this game will be decided by you." The Bankers got the message, and played flawless baseball for their inspiring pilot.

The breath-taking finale served as a fitting climax to the closest pennant race in the International League's history. Throughout the season, closely played games were the rule rather than the exception.

President Art Hollstein and the board of directors, together with all supporters of Little League baseball, extend heartfelt congratulations to the Bankers, who have proven themselves truly worthy of the 1964 championship title.

**Firehouse Socks W. John St. Bar**

The Baz of Colwell's Firehouse Inn softball team exploded on Sunday, July 5 against the West John St. Bar with a 23-9 victory. The only Bar that exploded off Jimmy Taxter's pitching was that of Tom Germaine with two home runs. Paul Huckstein hit two home runs and Harold Mamanik hit one for the Firehouse Inn. The fielding of the team was up to par as usual. The team has a total of 27 hits.

The team is looking for future games. Any team interested call Fred Mueller at Colwell's Firehouse Inn WE 1-9764.

**Herald Reader Opinions**

RE: GENESEE ST.

To the Editor:  
I congratulate the five families of Genesee St (Hicksville) for having the courage to put in public print their rebuffs to my opinion printed in the June 11, 1964 edition.

I say courage because of the rambling contents of their article. They evidently must cloud over their real position with unrelated events along with an attempt to color my actions with some shady ulterior motive. I nor any other resident of the area, have to account for our whereabouts eight or even four years ago, nor was there a need to comment on the many other problems that the area is plagued with. The problem in question was whether or not Genesee St should be opened or kept closed for the good of the whole community.

It should be noted that the "Genesee Five" did not see fit to take into account the effect on the entire area.

My position is that the Town of Oyster Bay handled the situation very badly and I believed the residents of the portion of Genesee St involved have taken a selfish position. It should also be noted that only five of the 11 homeowners on the block in question saw fit to sign the rebuff.

The "Genesee Five" have stated in their second paragraph their true worry and I quote "all the LOCAL TRAFFIC now coming down Genesee St has to stop and turn right or left into Jefferson Ave. This makes the cars automatically slow down or come to a stop. IF THIS STREET IS CUT THROUGH, THERE WILL BE NO STOP GAP, THEY WILL SAIL THROUGH OUR STREET at a FAST CLIP." Their opinion of local traffic is certainly not one of slow motion.

I have taken my position as the Safety and Civil Defense Chairman of the Old Country Rd School PTA and as a resident of the area since 1950. It is one of true and honest concern for the whole community. This position has been made quite clear to the various officials of the Town of Oyster Bay and evidently has the backing of many local residents along with organizations that are concerned with the safety and welfare of any area that is affected by the opening or closing of any road in Hicksville.

I do appeal to the five residents of Genesee St to re-examine their

position to date and make an effort to join their talents with those of the community who have been trying for many years to improve the entire community for the benefit of all the residents. Many things have been accomplished in their area but it is a slow process and sometimes very frustrating to the residents. Eventually and especially if all pull together, the problems will be solved to the enjoyment of all. It will take patience and the occasional swallowing of pride--possibly my own someday--along with the support of many to keep ALL the area surrounding the Old Country Rd School a clean, safe and pleasant community.

ERIC R. SWEDBERG  
12 Bridle Lane  
Hicksville, NY

**EXPRESS THANKS**

To the Editor:  
We would like to extend to the students of the Hicksville Junior High School our sincerest thanks for the Hicksville Memorial Scholarship in honor of John F. Kennedy awarded to each of us recently.

Although we deeply cherish the award, foremost in our minds is the spirit demonstrated by you, our neighbors, in contributing so generously to make this award possible. This could be a no greater tribute to the President, the man or the principles he tried so very hard to establish in our hearts.

Special thanks also should go to Hofstra University which matched the funds and gave the scholarships.

Very truly yours,  
CYNTHIA AVERNUS  
LINDA SACCO  
ROBERT ROEHRIG  
LEONARD EIRICH

**ALL AROUND TOWN**

Mr. and Mrs. Mazzullo and son of 43 Larch St., Hicksville, recently visited the observation decks of the Citrus Tower in central Florida at Clermont. They have also been visiting Sam Kellner's Beverly estate, St. Petersburg, Miami, and the Florida keys and report "we miss the International Little League senior division".

Anthony P. Rau, CPA of Hicksville is a member of the Committee on Federal Taxation of the NY State Society of Certified Public Accountants.

## President's Corner

by A. Winant

I hope that all who read this column will, for their own good and the good of their neighbors, act accordingly in the several important matters which will be outlined.

First of all, your Board of Directors has voted to oppose the application of the New York Institute of Technology for a use permit to operate a college in the Village of Old Westbury. The problems which will face Old Westbury if this permit is granted are too numerous to mention.

Just to give you an idea of what will come should explain our reasons for acting with urgency. North of the turnpike lies the sprawling, almost limitless acreage of Brookville and Old Westbury. This too is our claim to the rustic, the rural atmosphere we sought by coming here. This can be destroyed if we sit back and allow the New York Institute to ride roughshod over population in the community.

The narrow roads will not accommodate the traffic, vandalism will increase, the water system and sewage disposal systems will be strained, the quiet atmosphere will be destroyed.

Needless to say, we will also be affected where it hurts the most. In our pocketbooks. Our taxes will rise as a result of the Institute's property holdings becoming tax exempt. While this rise will not be catastrophic, the presence of the Institute will act as an open invitation to others similarly situated. This might mean a larger tax burden. Our burden will be further increased due to the fact that we, the Jericho School District, might also have to supply services to the residents of the Institute. We will have to pay for these services and they will not. They will receive a benefit from these services and we will not.

Notwithstanding our predicament, the Institute has refused to make any concessions which might lighten the burden we will have to carry. We have asked the Institute to meet with us but they have postponed any possibility of meeting until after the scheduled hearing date.

We urge each and everyone of you to come to the Old Westbury Village Hall on Tuesday, July 14, at 8:00 P. M. North Service Road of the Long Island Expressway approximately one mile east of Post Road. Voice your objections as active citizens in an active community. Let the grass roots democracy pattern which destroyed the apartment which destroyed the endeavor of the Meadowbrook Club, also help to destroy the application of the New York Institute of Technology.

## Seeking Hosts

There is still time for those parents desiring to house a foreign student for the next school year to apply.

The American Field Service program, under which thousands of foreign students come to this country annually, is a tried and true program bringing greater international understanding to all those involved. Such a program would be of great benefit to our community, just as it has benefited many of our neighboring Nassau communities.

Interested families should contact: Mrs. Lee Frischi, GE 3-8292 or Howard Jankowitz, GE 3-8947.

## The Jericho Water Supply

by Hy Strell

(This article is the first in a series on the Jericho water supply and its regulating agency—the Jericho Water District. Most of the material used in these articles is based upon detailed conversations between the writer and Cornelius H. Smith, Water District Business Manager. This first article concerns the watering regulations—what they are, why they are necessary, and how they are enforced. Subsequent articles will deal with the makeup of the Jericho Water District, consumption patterns, water treatment, water wastage, metering, repairs, and future plans.)

The current watering regulations were announced in postal notices sent to all users on July 1. The regulations are uniform throughout the district, and are applicable to all consumers—households, farms, business, industry, clubs. As expanded by Mr. Smith, these regulations are as follows:

1. All lawn sprinkling, irrigations, and filling of pools—whether by hose, automatic sprinkler, watering can, or any other conveyance of water—is prohibited on all days between the hours of 12:00 Noon and 9:00 P. M.

2. Outside of the hours specified above, homes with odd-numbered addresses may use water freely on odd-numbered calendar days. Homes with even-numbered addresses may use water on even-numbered calendar days. The new regulations make no distinction between weekdays and weekends.

3. Where it is necessary to preserve shrubs, flowers, or newly seeded lawns, special permission for hand-watering—on days that are otherwise prohibited—may be obtained by application to the Jericho Water District. Under no circumstances, however, will watering of any kind be permitted between the hours of 12:00 Noon and 9:00 P. M.

4. The watering regulations will be in effect until October 15,

but may be suspended at an earlier date at the option of the District.

The need for the watering regulations became apparent to the writer after only a few moments in the Business Manager's office. It was one of those days during the severe hot spell that started in the last week of June and lasted until July 3. The interview was interrupted repeatedly by the cranky jangling of the telephone bearing impatient messages of complaint, estray, abuse from consumers whose water supply had trickled to a halt days before. Mr. Smith, despite his frustration, maintained his composure and his good cheer throughout. "Yes, Mr. Jones, I'm sorry to hear you're out of water. The new regulations are going into effect today." Turning to the writer, he said, "I need all the help your Civic Association can give me. The Birchwood homes are using a tremendous amount of water on their new lawns. Tell them about these other people who can't get water at all."

Mr. Smith explained that the Jericho water supply operates on the gravity principle, and that the supply can reach only those homes lying below the water level in the water tower. When the tank is full, the water level is 202 feet above sea level. As water is consumed, the water level begins to recede. At a predetermined level, a pump is automatically switched into operation—pumping well water directly into the mains at a rate of 1200 gallons per minute. If the pump has more capacity than is required by the demand at that moment, the excess capacity will replenish the water tower. If the pump cannot meet the demand, the water level in the tower will continue to fall. Additional pumps will then be thrown into operation at other predetermined levels. If the demand is met, the water level in the tower will rise—automatically disconnecting each pump as its cutoff level is attained. Complicating this picture is the

fact that there are four (interconnected) water towers in the District—continuously seeking to establish a common level. There are fifteen pumps (and associated wells) in the District, with four of these serving the main in the Birchwood area. (One of these wells is located in the pumping station at the intersection of Cantigue Road and Saratoga Drive.)

Despite the complexity in the pattern of water flow, one fact remains eminently clear. When the water level in the Jericho tower drops thirty to forty feet, many of the homes in Brookville are left completely without water. Water is delivered to other homes in the community at greatly reduced pressures. Mr. Smith emphasized that the problem is not a shortage of water resources, but rather a shortage of wells and storage towers. Plans for the relief of this situation will be described in a subsequent article.

The watering regulations of the Jericho Water District are enforced by the authority of the District to shut off the water supply of a user found to be in violation. Other regulations are backed by Section 1432 of the New York State Penal Law, which makes it a misdemeanor (punishable by fines of up to one hundred dollars) to interfere (willfully and with intent to injure or defraud) with water meters, water service pipes and their connections.

Feeling somewhat of a responsibility for the civic posture of the community, the West Birchwood Civic Assoc. strongly urges strict compliance with the watering regulations. The regulations are severe, but fair. Although we don't want our lawns to die, we feel that putting-green quality is not essential throughout the summer. The people who have to do without water during the dry spells are our neighbors. Their health and welfare are at stake. Their distress is genuine and quite understandable. Please cooperate.

## Large Turnout About Library

On Thursday, July 2nd, the Jericho Public Library Committee held its first "member-work" meeting at the Chase Manhattan Bank. The meeting was held primarily to determine community interest for the possibility of a Jericho Library.

In spite of unusually hot weather and the proximity of the July Fourth week-end, over 80 residents of Jericho came to learn and talk about the new campaign for a Jericho Library referendum. At the meeting chaired by Mrs. Ruth Lang, they heard Wharton Miller, Director of the Massapequa Library, describe a Public Library as the only educational facility giving absolute freedom to choose one's own line of thought; as a center for independent research; and as a natural developer of taste and qualitative judgment.

Mrs. Lang welcomed the large group as a clear indication of Jericho's interest in the library issue. She pointed out that a Library comes into existence not by a remote act of legislation in Albany or elsewhere but by citizens voting "YES" out of their own sense of need and community pride.

Jericho needs a Public Library for many reasons, according to the material presented at the meeting. Jericho's population has grown to almost 14,000 with about 4,000 children of school age. For these children, the school libraries are limited in selection, hours and days of availability and services. Also, the cultural climate and reputation of Jericho precedes its graduates on their way to apply to college. Jericho is one of the last four Nassau Communities without Public Library facilities.

In addition, adults and pre-schoolers are not served by a school library. Pre-schoolers are capable of real educational growth with a well selected reading program, a basic service of a Public Library. For pre-schoolers needing this service, for teen-agers needing the additional hours and wide selection available in a Public Library to add depth to their research and for senior citizens seeking a natural hobby a Public Library is a vital necessity. Finally and perhaps most important for all adults of the community a Public Library is the perfect cultural and recreational center.

Over \$15,000 per year goes from Jericho residents to the Hicksville, Syosset and Westbury Libraries for non-resident borrower privileges. The Jericho users of facilities are deeply grateful for this privilege. But far more than the almost 1,000 Jericho families using these libraries would be able to use a Jericho Public Library. Accessibility and availability are provisos in wide library use. And the \$15,000 now paid by Jericho users of other libraries does not yield these users any value beyond borrowing privileges. They still end up with a community known to be without a Library, with youngsters still unable to get a Library without extensive chaffering, and with the problem of competing with the thousands of residents who also use the Hicksville, Syosset and Westbury Libraries. Indeed this competition may lead to an increase in non-resident rates or denial of non-resident borrowing privileges.

Mrs. Florence Irving of Old Westbury reported that the Li-

## An Editorial:

### Attention Mr Parsons

Just a few days after Mr. Parsons, the New York State representative, refused to provide a traffic control device at the corner of South Marginal Road and Broadway, there occurred a serious accident involving grievous bodily injury.

Mr. Parsons and the State of New York have been taking a clouded view of the needs of this community regarding this most dangerous situation. This refusal is tantamount to a reckless disregard for the safety of the citizens of this area.

What must be the eventual cost of this most needed light?

## Dollars for Dems Drive Begins

Nassau Democratic committeemen and volunteers will be pounding the pavement in the next few weeks in the county organization's annual "Dollars for Dems" campaign fund drive.

The annual effort, according to County Chairman John F. English, is being given added impetus this year as the Nassau Democrats' response to the nationwide appeal by former Presidents Truman and Eisenhower to millions of Americans to contribute to the two major political parties.

"Some time in the next few days, a Democratic committeeman or party worker will ring every Democratic doorbell in the county," English said. "In the quest for campaign funds."

This year's countywide quota is \$82,300.

Jericho ORT invites you and your friends to a fabulous moonlight boardie. Enjoy a delicious box supper and dance under the stars to the music of a live band. This special event is Saturday night, Aug. 15.

MYLES N. BRAND, son of Mr. and Mrs. Irving P. Brand of 7 Hedgerow Lane, Jericho, was one of 1,078 students who received degrees June 12 at commencement exercises at Remondseer Polytechnic Institute, Troy. A graduate of Carle Place High School, he received the bachelor of science degree in philosophy. He is a member of Pi Delta Epsilon, national collegiate journalism honorary society and is Who's Who Among Students.

# Americans Get By for First Game

by Milt Pryor

Dick Eaton, Proxy of the Hicksville American Little and Senior League, today announced the results of the Nassau County District #30 Little League Meeting. This meeting was called by Clem Thall of Westbury, District Little League representative. The purpose of this session was to decide tournament games for the annual county play-offs. Dick was quite lucky in his drawings, as the Hicksville American's received a by for the first game in both All Star encounters.

Our Major League team, to be headed by Manager John Byrnes, will meet the winner of the Hicksville Nationals and Syosset North contest. This game will be played Friday evening, July 24, at 6 P.M. at the Central Nassau Field located at Carmen Ave., two blocks past Stewart Ave., in Levittown.

All wishing to attend this special game are welcome to do so and to cheer our great gang to victory. I plan to scout this team and, by the next issue, hope to give you my prediction of this stellar attraction.

Our Senior League All Stars, headed by Mr. Steve Glibowski, and assisted by Dan Garb and Mike Maddi are scheduled to meet the winner of the Plainview League and the Westbury group on Saturday, July 26, at 2 P.M. This tournament contest will be played at the Westbury Junior High School located on Post Ave. and Rockland Street in Westbury. Good luck, Team.

While on the subject of fields, it is indeed very discouraging to say the least, that our entire North Section of Hicksville must continue year after year to visit

other sites because there are no tournament fields for our teams to use in our section of Hicksville. It is disappointing to apologize year after year to our many interested parents and visitors when they attend our games only to find no benches for the boys to use, and no stands for the parents and spectators to watch the game from. Because of this difficult situation we must constantly order young children to leave the sections from behind the backstop and tell them to sit on the ground, where they are subject to fly balls, wild pitches and other baseball normalities.

No drinking fountains are available in any of our school or town fields. Either the boys must bring water from home, or simply do without it. If our readers have any suggestions as to how these grave situations can be rectified, please call me at We -5 6194 and let's try to figure what can be done to solve these problems.

The Major League this week inaugurated a loan from the Minors to supplement the dwindling team strength of the Major League Clubs. In a few instances teams such as Gillison and Gertz were quite successful as the boys played good ball, handled all field chances without an error and

were skillful at the plate as well. The consensus of the Major League Managers was that all the boys that were used handled themselves well on and off the field, and hit well and fielded satisfactorily. Nice going, fellows.

A final reminder that next week at 10 A.M. the second oldtimer's Soft Ball Game will be played. A number of new participants are expected. I have it on good authority that many Managers and Coaches have kept themselves in readiness these last weeks and are going out for the big push. We understand that the Red Team has a secret weapon. Rudy DePalma has advised us that the Seaford Soft Ball Team, Nassau County, champions have challenged our sluggers to a game of slow pitch. Therefore let's get our batting eye and dusty gloves in readiness and our reflexes under control for this mighty match. I have decided to retire with a season's batting average of 1000 1 for 1. In fact, each future time at bat can only be disaster (for me that is). All who are interested call John De Ross at OV-1 0084 and John will add your name to his growing list of athletes.

Last call for the Tech Alloy League trip to Islip Speedway. Please call Mike Sabol at once or you will not be able to attend these stock car races. Our annual tag day has been

set for July 19. The monies that we collect will be used to buy trophies and All Star equipment. Please help the League in any way that you are able to. Without this extra revenue, our future plans for this season will not be able to be accomplished. A final reminder that the MID ISLAND HERALD is our official newspaper pertaining to all HICKSVILLE AMERICAN announcements. Please do not call me at home, read the HERALD. If you have not subscribed as yet I still have an adequate supply of application forms. DON'T PROCRASTINATE.

Our SENIOR LEAGUE Director Charlie Parfrey has informed me that Ronnie Stafferi, a 14 year old youth, has pitched his team, the Long Island National Bankers, to a non hit, no run win over the VFW men. While Ronnie was spinning a masterful table from the mound, Jack Cluckey, the Banker's backstop was blazing the ball from the plate out of the park. In the other win last week, Jack also hit a 4 bagger. Final score: LINB 6 VFW 0. The Bankers are enjoying an undefeated season this second half with a team standing of 4 wins without a defeat. Great going! The Major League teams are still going hot and heavy. In the Central Federal Gillison con-

# GOING... GOING... GON

Don't miss out! Get in on the best deal in town... a free gas heat conversion unit for your home. LILCO has just 200 brand-new conversion units to give away free in the next few weeks. But they won't last long, so you'd better hurry.

There's nothing to buy, nothing to write, no contest to enter. All you have to do to get your free gas heat conversion unit is convert to clean gas heat and make your own installation arrangements through a LILCO authorized plumber. That's all there is to it. But hurry! Mail the coupon or call the numbers below right away.

Switch to clean, dependable gas heat and get all these benefits:

#### Free Home Heating Survey

LILCO will survey your home and estimate your first year's heating costs in advance... and back up the estimate with a Proof of Performance Guarantee!

#### Money-Back Guarantee on Installation Costs

If your first year's gas heating bills exceed LILCO's estimate by more than 10 per cent, you'll get a full refund on burner installation costs. You risk nothing.

#### Free Service Policy

LILCO's free service policy covers inspection, adjustment and cleaning of gas heating equipment when necessary.

#### Convenient Terms

Your LILCO authorized plumber will arrange convenient terms for installation costs and you may also take advantage of LILCO's budget billing plan for your heating bills.

CALL THESE NUMBERS FOR YOUR FREE CONVERSION UNIT.

In NASSAU: PI 7-1041.

In SUFFOLK: MO 5-5300 or HA 3-3600. OR RUSH COUPON.

Offer limited to existing LILCO residential gas customers, and free gas conversion money will be furnished only for installation in existing boilers or furnaces that inspection reveals to be suitable for conversion. Conversion units will be given on a first-come, first-served basis.

**DOLLAR FOR DOLLAR—GAS IS YOUR GREATEST HEATING VALUE!**

LONG ISLAND LIGHTING COMPANY, SALES DEPT  
250 Old Country Road, Mineola, L. I., N. Y.

Gentlemen: I'm presently a LILCO Gas customer and I'm interested in your Gas conversion offer. Please have your representative call for an appointment. No obligation.

# The Villager

FOR THE RESIDENTS OF BIRCHWOOD PARK AT JERICO

## Study Syosset Down Zoning

The Town Board has just down-zoned a 119 acre parcel of land in Woodbury, which according to Central School District No. 2 "represents a completely unnecessary and unwarranted departure from the Comprehensive Zoning Plan adopted a few years ago for the entire Town of Oyster Bay."

Central School District No. 2 (Syosset) feels that this downing will add from the originally planned homes with approximately 100 new school children to 403. This would mean the construction of a new elementary school

building at a minimum cost of \$900,000, plus an additional annual cost to the taxpayers of about \$200,000 a year for operating for the facility.

Your Civic Assoc. through its representative from the Board of Directors, Milton Bagley, will report on further developments as they develop. A special citizens committee has been formed and are meeting at the Thompson Junior High School. Mr Bagley will report to the VILLAGER and the Civic Assoc.

## Honor Warren, Former Editor

By Horace Bernstein

On Saturday night, July 11, the Villager Staff and many of Nat Warren's friends will gather at a testimonial dinner in his honor. This dinner is given each year to the outgoing VILLAGER Editor in appreciation of the work and effort of running the VILLAGER.

Unfortunately, because of previous plans that could not be broken, I, as a past Editor, President of the Civic Association, and friend of Nat's will not be able to attend. I want to take this opportunity to show my appreciation to Nat for the outstanding job he did for the paper and the Community.

The Villager is the only means of the Civic Assoc. that functions 52 weeks of the year. It is the responsibility of the editor to see that the Villager does not miss an issue. I am proud to note that Nat suffered a severe back injury, that kept him in bed for several weeks; notwithstanding the paper went to press. He, with his most understanding wife, Shirley, saw to it that all the copy was proof read and in many cases retyped. For the residents of Birchwood who receive the paper each week it is hard to visualize all the work involved. Copy comes in late Monday and the Editor, Nat Warren, has to see that the copy is presented complete to the Mid-

land HERALD office Tuesday morning.

During his year as editor, Nat was the first editor to see that all the name plates were up to date and no member of the Civic Assoc. can say that he did not receive the paper. He was extremely cooperative with all organizations in seeing to it that they receive the publicity they desired.

On behalf of the residents of Birchwood Civic Assoc. - Nat Warren - may I congratulate you on a job more than well done, and may I personally say that it has been my pleasure to know you and to work with you.

The testimonial that is being tendered to you is well deserved.

### Large Turnout

## A worried mother finds her GI son... because two helpful people wouldn't give up the search

Are there still people in today's fast-paced world who will take the time to be helpful? And do it willingly and cheerfully? Ask Mrs. Ruth Lewis of New York City.

Mrs. Lewis was terribly worried when she called her local telephone office and talked with Service Representative Greta Wharton. Mrs. Lewis' son had told her he was on his way home from an Army assignment in the Panama Canal Zone. But days had passed, and no further word had come. Mrs. Lewis was sure something had happened to her son. She wanted to telephone him, but she had no idea where to reach him. Could Miss Wharton help?

Immediately, Miss Wharton and her super-

visor, Miss Eileen Beasley, started a telephone search. They called an Army information center, a replacement center and a transfer point. Finally, after many calls, they located an officer in Fort Jackson, South Carolina, who told them Mrs. Lewis' son was safe. The officer promised to have him call his mother.

Moments later, Miss Wharton phoned Mrs. Lewis. It was a grateful and relieved mother who received the good news.

Do busy people still make it part of their business to be helpful? Yes. Lots of people do. Telephone people do. We're glad when they do.

THE FABULOUS WORLD OF the Public Library-Today's Library (concluding part.)--

It's the cultural center of the community and a fabulous world of micro - film, magazines, records, films and every other conceivable bit of reference materials - including literally thousands upon thousands of books - A collection that had reached a total of 70,769 volumes as of January 1, 1962. The adult book collection alone comprises 44,849 volumes of which 33,629 are non-fiction and the bookmobile collection has grown to over five and one-half thousand volumes.

Other figures worthy of mention include the fact that in 1961, 333,387 books were circulated to 33,824 registered borrowers. The figures have increased through the years 1962, 1963 and 1964. The library also has in excess of 1000 phonograph records which may be borrowed for home use - 16 mm sound films and a ceiling projector donated by the Lions Club together with nearly a hundred titles on film for the use of bed-ridden people.

The Library also subscribes to 169 periodicals. It has a photo copy machine that reproduces a page, a picture, or such as a birth certificate or other important documents for a nominal fee. It also has the micro - film reader available (free of charge) where one can browse through back issues of the N.Y. Times or the Mid-Island HERALD.

The Library also has an auditorium available which seats from 75 to 100 people. With

permission granted by the Board of Trustees, the auditorium is available for public meetings.

Moving pictures, lectures and concerts are put on by the Library and local artists have often exhibited their paintings and other wares in the auditorium.

A current exhibit is a butterfly and moth collection staged by Gardner Gregory, Head of the Audio-Visual Dept. in the school system. This reporter, not one to be addicted to chasing butterflies or bird watching, still found the exhibit a thing of real beauty - it's a must for the young, the old, and even the beatniks.

Reference use of the Library has grown from 3,851 inquiries in 1958 - to 12,260 in 1963. In young adult work books, the special collection has exceeded 6000 volumes and in Children's Services the circulation is hovering near the 200,000 mark. This is indeed a fantastic way of life for the Hicksville Public Library which started in 1928 with a donated budget of \$1,219.57. It's growth has been phenomenal and has been avidly followed by the "Ayes," the "Nays," and the "middle of the roaders" over the years gone by - and in all probability, the future Herald headlines will merely be repetitions of the past; but as we said before, right, wrong, or indifferent, the point remains - it's a fabulous place - The Public Library.

Those who use its facilities are aware of its importance to the community - those that don't are missing out on a local treasure.

same local newspapers.... Next meeting of the Hicksville Chamber set for this Friday a.m. at Seaman & Eismann's offices at 9:30... Medard Ofenloch, Labor Day Parade Chr, and committees busily lining up programs - mar-

chers etc for the 36th Annual Labor Day Parade & Tourney to be held at the Plaza on Sept. 7th - the parade is expected to enter West John St. this year... Fred Scott of WNEW-TV-Channel 5 writes of the wonderful

day spent with us in Hicksville at ACH Communion - Luncheon - Fred's program is the talk of kiddie set....

### A freezer in the kitchen

### is like money in the bank!

You can bank on a home freezer to stretch your food budget. With a home freezer you can take full advantage of money-saving food sales at local markets. Save on seasonal items, too. Buy them in season when prices are low, freeze them for use all year round. And a home freezer pays a handsome dividend in convenience. Saves shopping trips, multiplies your choice of menus.

Here's more money-saving news! Effective June 1, LILCO reduced electric rates by \$2,400,000. This is the third LILCO electric rate reduction in the past four years, so your new freezer will cost less than ever to operate. Since 1940, the cost of living has risen 115% across the country, while the cost of electricity from LILCO has actually decreased 41%.

#### FREE OFFER!

If you are a LILCO residential electric customer and buy a freezer\* between July 1 and August 31, LILCO will give you a 3-piece saucepan set of Corning Ware. See your LILCO Authorized Appliance Dealer.

\*Offer does not apply to combination freezer-refrigerators.

## CUMMINGS 'N GOINGS

### Antique Cars, Quartets at Plaza

by Jim Cummings

Shoppers at the Plaza will have an opportunity to hear some of the finest Barber-shop Quartets this Saturday afternoon at 3:30 P.M. on the Center Mall between Gertz and Newberry's as this exclusive visit of these semi-finalists gets under way... Sing the old songs - the colorful groups will arrive in 4 Antique Cars to entertain you on this special tour - why not plan to be on hand... The contest is sponsored each year by Newsday and winds up in Salisbury Park for finals in Mid-July.

**FIREWORKS ATTRACT 20,000:** The 8th Annual Fireworks Display held each year at the Plaza continues to attract thousands of Long Islanders.... The Spectacular was under way at 9:45 p.m. with a SRO crowd backed up onto the Parkway - This well controlled event was a huge success due to the cooperation of the Inspector Gallick and the men of the 2nd Prct (Sgt. Casey, we thank you) and to the excellent traffic control in the parking area by Chief Ken O'Connell, Auxiliary Police and his efficient squad of volunteers (his was never better) and a special vote of thanks to CID Director Henry Brodbeck who has been most cooperative year round in the community and at the Plaza - To Chief John Specht, Hicksville Fire Dept and the men who volunteered to man the fire vehicles for this event our conti-

nued gratitude for your year round alert.

**HERE 'N THERE:** The National Shopping Center Library has printed a centerfold of the activities and promotions at Mid Island Plaza in their July issue (including pictures) my personal thanks to your editor... We hear that of the 93 trains passing thru Hicksville daily that 50 are now on the elevated lines - this eliminating much of the congestion... The concerted effort over these past 15 years by the Hicksville Chamber of Commerce and the great number of men who have truly served their community on the many RR committees will long be remembered - the list would take up an entire page in the Herald of their accomplishments... Welcome home to Mrs. Mae McNamara of 70 Myers Ave., Hicksville after several weeks stay in the hospital - Joe (Just say Schaefer) McNamara, Mae and children have been our next door neighbors these 15 years...

**HONORARY CHRM FOR AOH:** Francis (Andy) J. Anderson, Nassau County Clerk has been named Honorary Chairman of the 1964 Nassau County Ball... Andy is a member of Division #11, Hicksville. The Ball will be held in October....

**FROM THE MAILBAG:** Received a short note from Joe Conway (Journal-American writer) now attending the Republican Convention out in San Francisco - Joe and your reporter served for many years on the

### ALL AROUND TOWN

Harry Baer of 15 Willben Lane,  
 Plainview, attended a convention  
 of the Early American Industries  
 on June 11 and 13 at the Wendell  
 Sherwood Hotel, Pinfield Mass.

**American's First Game**

(Continued from Page 6)

test, Gillison had to bring up three Minor A players to complete their roster. Bernie Boyle, the League's Secretary-Treasurer as well as coach for the Gillison crew, informed me that the boys turned in an excellent job, Tom Krisak handled the back stop chores for the first time in his young life and turned in an outstanding performance. In addition, he got two hits in three times at bat, including a long double. Ken Eaton and Steve Goldberg handled themselves well in the outfield and at bat. Ken Suarez took the win for the Central Federals, Matty Burgay took the loss for the Gillison crew. Final Scores: Cent. Federal-9 Gillison-8, Bobby Morabito, Ken Suarez, Tom Veltry and Steve Kornhaber all went 3 for 4 at the plate.

Gertz still remains the only undefeated team left in the Majors for the second half of team play. The Gertz aggregation took the oil pumpers from Ocean GLF over the hurdles twice 5 to 4 and led to L. Byrnes & Uas chalked up wins for the department store tycoons and Feeley and Reda took the short end of the score for the oil pumpers. The Major League teams are now going to try and spoil the Gertz squad from having a perfect second half, but it now appears certain that Gertz is going to take both halves of the title.

The Minor A seems to be heading for a First Place showdown as the 2 First Place teams, Fairway Farms and the Hicksville Republicans both have undefeated 2 half records of 4 wins without a defeat. In the Hicksville Republican contest played Friday, Robert Daub was chosen to represent the Republicans.

William M. Gouse Jr.  
Post No. 3211  
by Eddie Klebing

We turn to Washington this week for news of interest and find two bills to aid veterans under discussion - one that has a good chance for early passage and the other with a far off future.

The first, H.R. 221, is a bill to amend chapter 35 of title 38 United States Code - "Veterans Benefits". This section provides educational assistance to children of veterans who are permanently and totally disabled from an injury or disease arising out of active military service during a period of war or the induction period.

Overall, recent Senate amendments to this bill, six of them, would extend the age limit for all children who qualify. The House concurred on three of them, disagreed on two and offered their amendment in lieu of the sixth. The House's amendment would permit retarded or handicapped children special restorative training and allow a longer period of time to complete the special restorative program. Under present laws such training cannot exceed 36 months.

After receding from some of their amendments and concurring to the House's amendment in lieu of their sixth, the Senate cleared the bill for the White House. Quick approval is sought to enable these children to enter school in the fall term.

This past June 22nd, was the 20th birthday of the G.I. Bill of Rights. That bill launched the greatest program of adult education and home building the world has ever seen. Today, a similar bill is being discussed. It is S. 5, a G.I. bill for peace time veterans. Limited to only brief discussion in the Senate so far, if passed, it could be the biggest legislative aid to the veteran second only to the original G.I. Bill. For several Congresses now, Senator Ralph Yarborough, of Texas, has been pressing the Senate to take immediate action on the bill.

Today, passage of the bill looks distant, but I have a feeling that someday, not too far off, the peace time veteran will reap some of the benefits enjoyed by the veteran under the original G.I. Bill.
