Kennedy Fund Keeps Pace

Contributions to the John F. Kennedy Memorial Hicksville Fund have been piling up in recent weeks while the local news focus was upon the historic rail road elimination program and the Labor Day firemen's tournament. The fund today stands at \$1,544.66 while the sponsors have a goal of \$5,000 to provide a towering flagpole, monument to all Hicksville men who have died in their nation's service and suitable planting in the area north of the RR bounded by Broadway, Jerusalem Ave and John St.

Highlight of the fund appeal in recent weeks was a carnival on Derby Rd. which produced \$12.15. Those who made the carnival a success were Ronald Gorceycki, Barbara and Jonathan Gelbert, Neighbors on Derby Rd. added to the contribution. There were also a number of individual contributions to the fund. Donations may be made at the LI National Bank, main office, Broadway and Herzog Pl., or by mail to PO Box 95, Hicksville, N.Y. All contributions over \$1 are acknowledged with a specially prepared receipt.

New Education Almost Time For Group To Meet Kids Day Again

The Hicksville unit of Parents and Residents for Better Education announces that Prof. Chas. F. Rice will be the organization's guest speaker on Sept. 30, when the organization initiates its fall program. The time is 8:30 P.M., at "The Lion's Den" at Mid Island Plaza. The public is cordially invited.

Prof. Rice is Associate Professor of Law at Fordham University. He holds an A.B. from Holy Cross College, an L.L.B. from Boston College, and a Doctorate in Constitutional Law from New York University.

He authored "Freedom of Association" New York University Press in 1962 and "The Supreme Court and Public Prayer" Fordham University Press in 1964.

Dr. Charles J. Masek, Chairman of the boys and girls committee of the Hicksville Kiwanis Club, announced that the Kiwanis will sponsor its annual Kids Day on September 26th at Nunley's Playland, Broadway and Hempstead Turnpike.

Starting at 9:30 in the morning and lasting till 1 o'clock in the afternoon, more than 2500 children up through the sixth grade in age, are expected to participate in free refreshments, free rides, and plenty of noise. All children must be accompanied by parents or guardians who must provide transportation of their own.

Other members of the boys and girls committee who are helping to make this event bigger than last years staggering turnout of 2500 whooping and hollering kids, are Hap Holden, Frank Chlumsky and Joe Oliver.

State Campaign Focus:

Bob and Ken Here During the Week

Hicksville and the Mid Island area appeared destined to become a focal point in the state-wide election of a Senator this week with the announcements that Robert Kennedy, former Attorney General, and incumbent Senator Kenneth Keating would be in the community during the week ahead. Kennedy, who was here on Labor Day during the firemen's parade, was due to return this Friday afternoon, Sept 25, and put in an appearance at Mid Island Plaza at about 4:45. Keating is expected on Oct. 1 at 4 P.M.

Kennedy will spend the afternoon in Nassau County, arriving at about 12 noon. He will come to Hicksville after lunch with County Executive Eugene Nickerson in Westbury, arriving at the Plaza at 4:45. He will leave Hicksville for Plainview Shopping Center where he will talk at 5:40 before he proceeds to an engagement in Suffolk County.

Oct 1 will be Senator Keating Day in Nassau County with many important stops including the Mid Island Plaza at Hicksville.

Meanwhile on other fronts there were interesting developments:

Francis X. Doyle, self style chairman of the Independent Democrats of the Town of Oyster Bay (no address given) declared that that organization on Sept 15 passed a resolution unanimously endorsing the candidacy of John J. Burns for County Executive. Burns is the Republican candidate.

On other fronts, Burns charged

a 60 percent increase in home burglaries under the administration of Eugene Nickerson, County Executive and Democratic candidate for re-election in November. Burns credited the county police force with "doing a herculean and dedicated job in the war on crime." But because the Nickerson administration has refused to strengthen and support the "vastly undermanned County police force, major crimes have mounted sharply in Nassau since 1962", Burns charged.

In another area, Franklin Ornstein, Democratic candidate for Nassau County Clerk, this week promised "to continue to inform the people of this county about the duties and responsibilities of the County Clerk and about the privileges they might enjoy - if they only knew them."

Radio station WHLI disclosed that County Executive Nickerson and State Commissioner Burns will be heard in the first of four meetings over the air waves on

Sunday, Sept. 27 at 11 AM. Former Vice President Richard Nixon is scheduled to kick off his month-long nation wide campaign for Republican victory in 1964 in Nassau on Sept 30 when he appears at a special meeting and rally of the County GOP Committee at the Garden City Hotel starting at 8 PM. The public is invited.

ARREST TWO MEN

Two Brooklyn men were arrested Tuesday night, Sept. 15 in the Birchwood Shopping Center, Jericho, in the vicinity of the Floyd Bennett Store, charged with the possession of a loaded gun. Arrested were Louis Gonzalez, 33, of 133 Coffey St., and Robert Parrilla, 23, of 292 Sutter Ave., both Bklyn. The arrest took place at 11:50 p.m. Ptl. Angelo Ragone, assisted by Ptl. Edward Zalesky, made the arrest after investigation of the four occupants revealed the two in possession of loaded guns.

CAPT MARTY DONLON was a proud and happy man this week with good reason. His Fire Co. 7 team won the Hicksville Fire Dept inter-company tournament Sunday with 21 points. Comical Hose Co. 3 was second with 17. Winners two years in a row, Co 7 retired the leg trophy. The team championship flag flew at the E Marie St main firehouse as team members wore tiger tails. Bottom row, from left, 2nd Lt Al Richard, 1st Lt Roy Schaaf, 3rd Asst Chief Mel Voorhies, Capt Ding-Dong Donlon, Commissioner Hal Manaskie, Team Coach Charles Van Wickler; Second Row - Nails McCabe, Harry Pietras, Paul Huckstein, John MacDonald, Nick Brigandi, Owen Magee; Third Row - Don McVicker, Bud Taylor, Tom Manaskie, Richie Rice, J. Foley, W. Foley, Bob McIntyre and Don Snyder.

OFFICIAL VISIT of Anthony A. Scimeca, MD, of East Rockaway, Governor of District 725 of Rotary International, made his official visit to the Hicksville Club at the Milleridge Inn this week. Seated from the left are Marty Marcus, Governor's assistant from Levittown; Peter Amoroso, past president; Hans Kaufman, director; Dick Capobianco, director and club bulletin; Lou Cesta, secretary; Aaron Rochman, scholarship chairman; Gordon Cottrill, vice presi-

dent; Gov Scimeca, Club President Martin McDonnell. Standing from left, Rudy Bouse, attendance major domo; William McCarthy, director; and on the other side, Win Hunt, Herman Kanfer, assistant secretary; and James Coris, past president. (Herald photo by guess what Rotarian official photographer and we don't mean Pierre).

Wrigley and Viola Mankop; two sons, Russell and Kenneth; two sisters, Florence Dovey and Charlotte Conners and a brother, Jerry Collins.

REGINALD F. STREETER

HICKSVILLE - Reginald F. Streeter of 24 Hemp La., here, died at Las Vegas, Nev., on Sept. 15 at the age of 47. He reposed at the Thomas F. Dalton Funeral Home where Rev. Douglas MacDonald conducted religious services Saturday at 1 o'clock. In-

terment took place in South Sutter, New Hampshire on Tuesday. Mr. Streeter is survived by his wife, Irene; his sons, Elwood, Kenneth, Larry and Lester and his parents, Mr. and Mrs. Percy Streeter.

NEW ARRIVAL

Mr. and Mrs. Stuart Smith of 53 Pewter La., Hicksville are the proud parents of a son, Robert Francis, born Sept. 7 at Mercy Hospital.

Dear Lynda:

A faculty meeting of the Hicksville Adult Education program was called on Thursday night, Sept. 17, at the high school by JOHN M. ASH, director. Members of the advisory committee on adult education were guests. The Nassau Red Cross is offering afternoon and evening sessions in Home Nursing at the Hicksville Methodist Church on Old Country Rd. Afternoon sessions are on Tuesdays from 1 to 3 PM (started Sept. 15) and evening classes on Mondays, 8 to 10 PM, starting Sept. 21. For information call Mrs. SONNEBORN at WE 5-6893. Simple nursing skills for use in caring for the sick and injured in their own homes are taught. Boy what a ribbing "Tall Hat Sam" has been taking since the LIRR elimination ceremonies. Among the local residents attending the Nassau Press Assoc. installation dinner at Hoeppf's in Westbury were Mr. and Mrs. JAMES CUMMINGS and Mr. and Mrs. ANTHONY SCOTTI of this area.

The staff of the HERALD sends fondest wishes to GEORGE MAGUIRE, son of Mr. and Mrs. George Maguire of 21 Terrace Pl., who entered St. Vincent College, LaTrobe, Pa., as freshman last week. We wish you continued success. Det. DAVE RYAN of the Juvenile Aid Bureau, N.C.P.D., former patrolman Director of the Hicksville P.B.C., stopped in to tell us he is now "Grandpa" Ryan. His daughter, Carol Ann, now Mrs. Anthony Buncore presented Dave and his wife KIRBY with a beautiful little granddaughter, Carol on Sept. 17 at Syosset Hospital. The Emersa Chapter OES will hold a Smorgasbord Supper at the Masonic Temple, W. Nicholas St., Hicksville, on Wednesday, October 14, from 5:30 to 7:30 p.m. All are welcome.

Congressman DEROUNIAN will be at the Goldwater for President Headquarters at 169 Old Country Rd., Hicksville, on Saturday morning, Oct. 3, at 10:30.

Did you see the clever window display Scheniner's Drug Store is featuring re: "the little white pills"? L.L. Chapter of Jewish Civil Service Employees will hold a meeting for Nomination of Officers on Wed. Sept. 30 at the Hicksville Jewish Center on Jerusalem Ave. at 8 P.M. ORVILLE ROBERT WEBB of 35 Haverford Rd., has been elected to membership in the N.Y. S. Society of Certified Public Accountants.

The Hot Rock Speedsters of Co. 7, Hicksville Fire Dept., under Manager CHARLES Van WINKLER concluded another rough, rough season when they took top deck honors in the tournament on Strong St., Sunday. Many, many happy returns to HARRY TAPPEN, well known former Supervisor of the Town of Oyster Bay, who celebrated his 77th birthday during the week. It is amazing how many of our newer residents never even heard of him although he was for many years Highway Superintendent and then Town Supervisor. The Town Beach at Glenwood Landing is named for him. Saw PETE talking to a cop on GEARY's beach on North Broadway, Monday morning, or was he trying to explain something we did not hear about? We learned this week there is an official in the State Education Dept. at Albany named HERB JOHNSON but he is not our HERB on the school board. ALLAN GITTLESON, chairman of the Board of Jervis Corp., Hicksville, is chairman of the Golf Outing sponsored by the National Conference of Christians and Jews today (Thurs) at Old Westbury. Mr. and Mrs. JOSEPH EISENER became the parents of their third child and first son, ANDREW MITCHELL, Sept. 21 at Central General Hospital, Plainview. He is director of the Plainview Public Library and was formerly with Hicksville Library. The younger weighed in at 6 lbs. 12 oz. Hicksville Chamber holds a general meeting tomorrow (Fri) morning at the Seaman & Eisenmann meeting room, 167 Bway. Guest speaker will be FARRELL JONES, executive director of the County Commission on Human Rights. Opening Hicksville football game against Levittown Division Ave High this Saturday will be carried live on radio station WYFL 1520 on dial, starting at 1:30 PM. Mr. and Mrs. THOMAS HARTMANN with Claire, Theresa and Paul, were recent passengers on the Monorail at the World's Fair. They live at 11 Bank Lane, Hicksville. Everyone seems to like the new Hicksville RR platform, but on those stairs. Wait until the wind starts to blow this winter. Regular meeting of Hicksville School Board this Friday night in the high school. Taxpayers Educational Assoc. on Tuesday of this week and elect officers. Proposed for president was DAVID E. TRAUBICH. STUART DOIG was scheduled to tell about a just completed trip thru India. Sears Auto Centre, said to be the largest of its kind in the entire organization, opened on North Bway, yesterday (Wed). Would you believe it? People are already starting to talk about the next May school elections and possible candidates.

CARD OF THANKS

Rev. Francis C. Taten, our relatives, friends and neighbors for their many acts of kindness during our recent bereavement. The family of the late Arthur N. Borley

First Visit to Fire Island For Two Small Upstate Visitors

By Olga Hoeber

Our friends, the Nolans, were down on the island from Ausable Forks. What could we show them that would compare with the grandeur and beauty of their mountains, lakes and streams? 'Tis true that in the past two years we in Hicksville had acquired an elongated hill, but it was a hill of clinders and sand. Born of necessity amid great upheaval of the good earth, with its roots bedded at intervals in cement, it was a barren hill. It wore a ribbon of cold hard steel upon its brow. Its coming marked a milestone in our town. It was functional, it was progressive, it had been desired by most of us, it divided the town neatly into three sections, and it was unbearably ugly.

However, if we did not have the good earth anymore in our vicinity, the rows upon rows of potatofields stretching to blue horizons, with their delicate blossoms purple and white, nodding in the summer breeze, nor fields of emerald green cabbages interspersed with purple red ones, nor wild orchids and arbutus blooming in woods nearby, we still had an ace up our sleeve. One bright and sunny morning, we took them to a shore where one could hear the thunder of the breakers, where the dunes stretched endlessly and where the whiteness of the sand almost blinded one.

No traffic lights were visible, after we entered Bethpage State Parkway, which in turn led us into Southern State, thence to Robert Moses State Parkway. Arriving at Captree Bridge, we paid a toll. After we entered Captree Bridge, the panorama of bays, inlets and beaches began to unfold. Fire Island Bridge appeared like a delicate etching, series of spider webs floating in blue space. We thought, this then is what gulls see as they piroouette, swoop and dive. In fact, our feathered friends, a whole flock of them, were swarming around a fishing boat down below. The tide was low and men were busy clamming from boats. The submerged sandbanks had risen partly to the surface, above them the water appeared to be the color of sand and sky, a soft yellow green, shading to translucent blue greens and ultramarines in the deeper portion. Sea cabbage was floating lazily by, giving the water below the look of an abstract painting.

As we ascended Fire Island Bridge, we saw the ocean. Below us Fire Island Inlet, to the left a light house in stark black and white, to the right dunes and more dunes, in front of us Fire Island dividing inlet from ocean like a ribbon left behind by some fabled glaucous. Now we were above the boat basins. Men were fishing from the dock, motionless like statues.

We turned to the right and saw a large plaque "Robert Moses State Park", a fitting tribute to the genius of our highways. We followed the road to the end, turned left, and there we were, a few feet dividing us from the

Fire Island Beach. It was a stormy day and the surf was roaring its eternal song. The breakers wore crests and looked like white-maned horses who came charging in, only to expire on the sand. The wet sand felt like velvet under our feet while the salt spray stung our cheeks.

The two little boys from the north country squealed with delight. Never had Silver Lake been as exciting. After all, the lake did not bear gifts for little boys. No shells nor polished stones, the color of pink and white marble, were found on its shores. At sea an ocean liner was slowly passing by on its way to the big city. A helicopter, like an enormous insect, flew along the

shoreline. A jet zipped past at enormous speed. Even here the slightest and sounds of our age intruded upon our hearing and vision. Missing were the pleasure crafts of the bays, the inlets and the sounds. Only an enormous expanse of ever shifting patterns of waves. Europe lies yonder, we said to ourselves, the country of our birth. And we fell into a nostalgic reverie, which was interrupted by the shouts of the boys who had come back laden with gifts from the sea. Shortly afterwards they were hustled into the car. Two tired little boys slept all the way back to Hicksville, they were the first boys from Ausable Forks to have visited Fire Island Beach.

Hi! How are you? What's new? Did you do anything interesting over the summer months? If you remember in my last column, just before my vacation, I said that I had acres of days ahead of me when I wouldn't feel like doing a bloody thing but sit stolidly on the cushion that mother nature gave me. Well I did just that and gained 10 pounds. I guess if I want to shed that extra weight I'll have to call Sheila Winokur... WE 8-7090 or Iris Neidorf... WE 1-6731 to get more information on Hadassah's weight watchers diet group. I understand that members can not only lose weight but get donor credit as well.

If you didn't go away for the summer, or even if you did how about taking a trip to the mountains and take the children along with you? Nov. 20-22 is the weekend for your enjoyment with your family and Hadassah friends. Everything will be there to make the week-end one great big HANG UP affair! Now is the time to write out your check for \$10 to the Jericho Chapter of Hadassah to hold your reservation. Mail to Judy Greer 17 Highrop L.A. OV 1-2826 or Sheila Baskin 80 Hazelwood Dr. WE 8-9194

Speaking of Hadassah—Do you girls remember when Councilman Edward Peulos changed the name of Birchwood Park Drive to Hadassah Blvd. during your membership drive? Well, he is now running for District Court Judge. Can you picture all the women breaking the law when he becomes judge just to appear before him?

I ran into Jerry Eder the other day with his lovely wife, Janet. They came in from Chicago to spend the holidays with their families.

The Jericho Community Theater (the combination of the Jericho Players and the West Birchwood Little Theater) is putting out a theater call for wardrobe mistresses, crew prop girls and stage hands. Come on MEN! Flexing your muscles as well as your mind is a must. Apart from the importance of exercise as related to health and vitality it reduces tensions and widens your social circle. Come on GALSI! Every project that keeps you happy and busy is an antidote for "I'm so bored" thinking—a frame of mind that you don't want and can't afford. So get in the swing all you "guys" and "gals" cause there is no business like show business.

Community Blood Bank Here Oct 7

By Murray Iskoe

This year, the "Jericho Community Blood Bank", a non-sectarian community service, is being jointly sponsored by eight of Jericho's most active organizations: Birchwood Park Civic Asso. and White Birch Civic Asso. All members and the legally domiciled family of members of the above sponsoring organizations are eligible to become members of the "Blood Bank". Additionally, all persons residing in the geographical area designated "Hamlet of Jericho" with a Jericho Post Office address are eligible to become members of the "Blood Bank".

On Oct. 7, between 3:00 and 9:00 P.M., the Jericho Community Blood Bank Bloodmobile will collect the one pint "donations" at the Jericho Fire House. Each donor of one pint of blood assures for himself or herself and their family for a period of one year, thereafter, blood, as needed, in cases arising from disease, sick-

ness or accident. Every family should have the protection against that tragic hour of need when some beloved member of the family must have many precious pints of blood.

The "donation" of ONE pint of blood per family is a premium payment for the family's Blood Insurance Policy. It is also a deposit in the "Bank" that will be the READY supply for a neighbor's emergency need (assuming he is a member of the Blood Bank).

President's Corner

By Horace Bernstein

On Wednesday, October 7, the Community Blood Bank will come to Jericho for its annual drive. Until last year, this drive for blood was under the auspices of the Jericho Jewish Center.

Last year, under the chairmanship of Morty Mann, it was felt that better success could be obtained if the drive was sponsored by the various groups and organizations in Jericho. This year, its second year as a group venture should be the most successful one of them all.

During the summer, Morty Mann, the overall chairman has been meeting with the representatives of the other groups setting up a separate non-profit corp. known as the Jericho Community Blood Bank. Murray Iskoe, a member of our board of directors, is the Civic Associations representative.

The Blood Bank is open to all residents of Jericho, male and female. It takes only one member of a family to insure the entire family for blood protection for an entire year. As you can well understand, a great deal of effort and work has been put into this year's drive and the effort is for you the residents. No one benefits except you the individual and your family when you donate a pint of blood.

During the past several years many of our residents have had to call upon the Jericho Community Blood Bank. For those who were foresighted enough, their requests were granted immediately. In several instances requests for blood were made by non-members (non-donors). It was to the credit of the Chairman that although they were not entitled to the blood, they were granted on the promise that the blood would be replaced. This year, because of the Corporation set-up these outside requests, if there are any will have to be denied. I strongly urge all residents of Jericho, to help your family and your communities by donating a pint of blood to the Jericho Community Blood Bank.

The Mobil unit will be at the Jericho Firehouse on Wednesday October 7th. You will be receiving further information, through this paper, and any other organization that you may belong to. This is an all out Jericho Community project.

Summer Bowlers Enjoy Evening

By Henry Dockswell

The glasses were clinking and the gals were twirling as the BCA Mixed Summer Bowling League celebrated the end of their summer season.

As usual the trophies were beautiful. Nat Warren certainly does a wonderful job year after year. Another note of thanks to Muriel Green, Doris Bernstein and Anita Cushing for a fine job in arranging the whole affair.

By far the greatest thing going for all of us was the easy camaraderie that exists in the group. Here we were a 108 people, all having a ball. Too bad Ralph and Bea Diamond and Phil and Arlene Levitan couldn't attend. We missed them and they missed a good time.

At the end of the evening Irv Galt, our treasurer, was the happiest guy of all. He wrote his last check for the exact amount that we had left in the treasury and everything came out fine.

If space permits we will have a photo or two (courtesy of Horace Bernstein). So if you were passing The Heritage on Jericho Turnpike Saturday nite, Sept. 19, and you thought you heard a lot of people having a good time, you were right. Just look at the faces.

Rally to Protest

Temple Or-Elohim of Jericho in mutual co-operation with other Jewish organizations in Nassau, will protest in unison the plight of the three million Jews in Russia. A rally will be held in the Levittown Arena, on Hempstead Turnpike, East Meadow, on Sept. 24, at 8:00 P.M. Senator Keating, Robert F. Kennedy, religious leaders of all faiths, and local officials will participate in this protest rally. Donation will be \$1.00 for adults and 50 cents for students.

Guest Speaker For JJC Sisterhood

"The Jew on Broadway" will be the topic of the evening, in a discussion and lecture led by the noted speaker, Mrs. Lippstadt,

which will keynote the opening meeting of Sisterhood, on Tuesday evening, Oct. 6, at 8:45 P.M., at the Center on the Broadway-

Jericho Road in Jericho.

Mrs. Lippstadt, the creator and author of original plays and stories, is also the Public Relations Director of the Hebrew Institute of Long Island. She is also the former youth director

of the Mizrahi Woman's Organization of America, and currently represents the speaker's bureau of Hadassah, and B'nai Brith.

Refreshments will be served at the meeting, and members are

invited to bring guests with them.

Jericho Republican Campaign Headquarters will open in a trailer in the Birchwood Park Shopping Centre at about 1 P.M. on Saturday, Oct. 3.

Today is '65 Pontiac Day.

1965: The year of the Quick Wide-Tracks

What do we mean by "quick"? Just this: A new-all-over Pontiac offering a new Turbo Hydra-Matic—the silkiest, swiftest-shifting automatic transmission you ever touched a toe to; eager new Trophy V-8 power; new steering agility; a surer-footed Wide-Track ride. And a new Pontiac Tempest that's become even more of a Pontiac with new style, new length and Pontiac-quick reflexes to match. You never knew cars could be so beautiful, and so keenly alert to your touch. This is your year to drive a Wide-Track—quick!

'65 Pontiac Pontiac

How does the success car outdo itself for 1965? Beautifully, just beautifully. But this Pontiac has no intention of getting by on looks alone, though it could. So there's new quickness, Pontiac style. A new nimbleness. New fuel savings. A smooth, easy new ride. Drive a '65 Pontiac and see how one success leads to another.

'65 Pontiac Tempest

Tempest's even more of a Pontiac now, and what more could a car be than that! The '65 Tempest looks like a Pontiac, as you can see. Rides like a Pontiac on Wide-Track. Goes like a Pontiac, too: a 140-hp six is standard. Or you can get a quick V-8, up to 285 hp. You'll wonder how we can keep the price so low on so much car.

GREAT MOUSEPIECE

(Continued from Villager Front Page)

While we are on the subject of the Jericho Community Theater—if you like theatrical entertainment in enormous gulps and you adore Tennessee Williams plays and Cole Porter's music sends you into ecstasies then you must mark these two dates on your calender and get your tickets as soon as possible because I predict that both shows will be a complete sell out. Oct. 30 and 31st—"Cat on a Hot Tin Roof" by Tennessee Williams. For further information call David Mark WE 8-8177. Dec. 6, 7, 8, Cole Porter's musical "Anything Goes". The proceeds will go to the Jericho Scholarship Fund. For further information call Joan Wainick WE 5-6957.

Jericho Ort opened its season with their first General Meeting which was held on Sept. 22nd at the Chase Manhattan Bank on Jericho Turnpike. Their program featured the "Sweet Adelines", the well known ladies singing quartet.

Jericho Ort is having a paid up membership dinner on Sept. 29th. We are looking forward to seeing all of you at Caruso's Restaurant in Levittown where you will see Fashions by Leading Lady of Mid Island. For information on how to join this gala affair which is free to all members, call GE 3-1721.

Well now summer is over and once again things are rocking, people are clicking and loads of plans are being made to keep the winters in Jericho from being dull. So watch my column to know what is going on and don't forget I need you as an informer. Just in case you forget my number it's GE 3-9789.

Fourth Season For Workshop

The Jericho P.T.A. Creative Arts Workshop is launching its fourth year with several important additions.

The program has been expanded to include Junior High School students as well as elementary school children and pre-schoolers scheduled to enter kindergarten in 1965. In addition to classes in guitar and seventh grade art, the teenagers will be offered a special 90-minute course in creative dramatics through which they will explore every aspect of theatre magic—

lighting, sound effects, make-up, costumes and scenery, and as well as acting techniques. Students actually will build their own props, write their own plays and perform in them.

Another new addition to Workshop's program is a series of classes called "Physical Fitness for Boys", which was instituted in response to the current nationwide emphasis on this subject. Offered on all the elementary grade levels, these classes will provide professional guidance in conditioning exercises and activ-

ities designed to develop vigor, strength, endurance and balance—as outlined by President Kennedy's Council on Physical Fitness.

A third innovation, scheduled in answer to many requests, is Group Piano Instruction. Prior to initiating this series, Workshop administrators wanted to be certain that the reason for the recent popularity of group

instruction went beyond mere economic savings to the parent. They made wide inquiry among music educators, the majority of whom expressed marked enthusiasm for this particular method.

A worried mother finds her GI son... because two helpful people wouldn't give up the search

Are there still people in today's fast-paced world who will take the time to be helpful? And do it willingly and cheerfully? Ask Mrs. Ruth Lewis of New York City.

Mrs. Lewis was terribly worried when she called her local telephone office and talked with Service Representative Greta Wharton. Mrs. Lewis' son had told her he was on his way home from an Army assignment in the Panama Canal Zone. But days had passed, and no further word had come. Mrs. Lewis was sure something had happened to her son. She wanted to telephone him, but she had no idea where to reach him. Could Miss Wharton help?

Immediately, Miss Wharton and her super-

visor, Miss Eileen Beasley, started a telephone search. They called an Army information center, a replacement center and a transfer point. Finally, after many calls, they located an officer in Fort Jackson, South Carolina, who told them Mrs. Lewis' son was safe. The officer promised to have him call his mother.

Moments later, Miss Wharton phoned Mrs. Lewis. It was a grateful and relieved mother who received the good news.

Do busy people still make it part of their business to be helpful? Yes. Lots of people do. Telephone people do. We're glad when they do.

HAPPY HARPASTON (A Seasonal repeat) The ancient Greeks had a BIG word for it... They called it "Harpaston." The Romans not to be outdone added a few goalposts and referred to the action as "Follis". Fact is over 2000 years ago the Japanese indulged in their own version of this fall fantasy. They dressed gaily for the occasions and the rule book stated clearly "For Nobility Only!" (Probably because only the nobled hierarchy could afford the Blue Cross premiums). This was in the 3rd century B.C. In the 13th Century when the T.V. sets of England were blacked out by Louie's invasion fleet utter chaos was averted when "Futeballs" was dished up by the House of Commons. It was played in the streets of merrie old London by groups of men, women children and even cats and dogs. The game had no set rules and very often over two to 300 people of all ages indulged in this "Block Party Donnellybrook". But unlike today's game of football there were no bleachers to seat the fans... So whether a guy liked it or not to be an onlooker meant participation. It was as wild and woolly as dealers choice Poker and unquestionably brought about the first discussions of a government health Plan. But like it or not the Kings of the time finally had to put the Black Spot on the action... for it interfered with archery practice. Then came the 15th century...The Italian version was called "Calcio". Tents were set up at each end of the Town Square and a great deal of pomp and ceremony took place. The tents were later used by the bruised and battered players who were forced on occasions to seek solace in a few cups of Chianti

and a deep dish of Veal Parmigiana or Russ's Round Pizza. Then came rugby, soccer and finally Early American Football...and this, without a doubt, was the wildest invention of them all for an eleven often meant as much as 25-men on a side. After the first tackle the ref swallowed his whistle (String and all) and the result was a fray only enjoyed by those with maniacal tendencies. The weak fainted and the strong went on to rear ancestors who eventually became the Loyal Members of the Comet Rootin' Fraternity. So here we are smack dab in the year '64 and the locals (dreaded for bear we hear) are all set to have a (Levittown Division Ave.) "Harpaston" of its' own this Sat., Sept. 26th. It's an away game so bring the trenchcoat and the other assorted knick-knacks normally carried when invading a Section 1 stronghold. Grapevine info rates the Comets as the team to beat this season and according to coach Jim Grantham... "the squad shapes up to about equal to last year's club".

The returning starters include Vin Hoosack (R.E) Bill Miltenberg (L.T.) Joe Sarno (L.G.) Steve Schuster (L.H.) & blockbustin (240 lb) Larry Wesolke at Fullback. Other returning lettermen include Charles Frazier, Henry Sonntag, Dennis Tomani & Dennis Yarras. And up from the J.V. squad... "and doing well!" According to Grantham and line coach Ron Benizio are a sextette of bruising linemen starting with 225 lb. Ralph Sennat at tackle. The other 5 include Bob Hille, Mark Cerone, Bill Brock, Gerry Sygney & Bill Fyffe in the 185 lb. class. Sal Pascarella a 195 lb. F.B. & Tom Cara

YESTERDAY'S HEADLINERS ---Here's a Hicksville High team that was the scourge of the Island 28 years ago. Fact is they won the North Shore championship in '36 with a 6-1-1 mark. Back row, l. to r., Lou Millevolte, Harold Mayer, Peter Darmohray, Dick Renne, Merrill Yarotsky and Coach E. Parker Yutzler. Front row, l. to r., Art McInnes, George Carnes, George Hannigan, John Jablonsky, Charlie Sauer, Jim LaFlare and Phil Pignataro. (Photo was taken on the old Jerusalem Sr.-Jr. High grounds.)

(145) H.B. round out the squad. Grantham closed out by citing 3 returning lettermen as probable starters. "Tomani's very aggressive at Guard", he said. "Yarras should be the Mr. Quarterback replacing last year's graduate Bruce Damm... and Bill Corrigan injured early last year could be the left-end" Nuff said coach...and from here on in we're getting our "Miltown Kit" ready for the HARPASTON HOLIDAYS ahead.... Island Trees Oct 3rd (away) Mac Arthur Oct 10th (home) Clarke Oct 17th (home) Syosset Oct 24th (away) Plainview Oct 31st (home) Plaindale Nov 7th (home) and Farmingdale Nov 14th (away)

SOCCER SHOTS...include a word from coach Harry Renn. He figures to be hurt by the graduation loss of Rich and Gus Medina, Hugh Hansen, Stu Blust and Fred Frudden but sort of like the looks of an almost "All Senior" team this year. The returning vets are John Walker, Bob Baronski, Al Squire, Mark Felman & Bob Fink. Other Seniors trying out for the first time are Larry Gibson, Art Hotz, Randy Holmes, Lance Duggan and Greg Hoberock. And up from last year's J.V. squad some promising booters are Varsity bound. They include Mike Knipper, Rollin Mc Clain, Bill Squire, Barry Rosensweig, Pete Mc Menamin Bruce Goldmacher & Nick Saman. The Comets host Clarke this Thursday Sept 24th.

CROSS - COUNTRY... "We're looking forward to another banner season!" said X-Country coach Fred Recher AS he gathered his hill and dalers together for the opening pep-talk... "The team will miss Pete Sullivan's fine running" he agreed...but we still figure Hicksville will again be the team to beat on the North Shore". And after listening to his listing of the Who's Who on the local cinder paths we figure guys like Tom Scanlon, Ray Gutoski, Ron Morvillo, Dick Marks, Frank Maler, Dan Horan & Bob Landau will more than hold their own in Division I circles. Gutoski rates a chalk bet by virtue of his participation in several summer

meets. The big one was the National A.A.U. 25,000 meter run at the World's Fair. And in our book anybody that can run 15 miles without being chased deserves a 2nd look. The Comets opened against Sewanaka and New Hyde Park on Sept 22nd. Other openers include J. V. football coached by Bob Trichka & Bud Bryan (Division Ave at home Sept 26th.) Tennis coached by Dick Hogan (opened vs Plainview Sept 21st) Jr. High Football A & B teams coached by Stan Kellner Ken Kingsley & Marty Riger. Jr. High Soccer coached by John Santoro and last but by no means a new sport at the Jr. High this year...Cross-Country coached by John Ash.

AND NOW THERE ARE 4... Add southpaw Jim Erwin's name

to a growing list of former Comet greats getting a crack at the big-time. Last week Erwin (17 yrs, old) signed a professional baseball contract with the Kansas City A's for what A's scout Tom Gior-dano termed a substantial bonus. The former Comet Ace had a 24-5 2 seasonal record with Hicksville High.

He'll report this winter to Brandenton, Fla. for a stint with the A's instructional league and will open next season as a Class A farmhand in Daytona Beach. The other three include Bob Cerone (Yankee Chain), Gary Sonossian (K.C. A's) and Chris coletta (Red Sox). Cerone had a great start last season but was unfortunately sidelined with a shoulder injury near the end.

Firehouse Inn Gets 2nd Win

Colwell's Firehouse Inn soft-
ball team got their second win
against Park Inn Ford to stay
alive in the Rockville Centre in-
vitational tournament on Friday,
Sept. 18, under the lights at
Barasch Field.

It looked like a gloomy night
for the team as they were down
four runs in the top of the seventh
with two out and no one on base,
but they unloaded with five con-
secutive base hits and a home run,
his second of the night, by Harold
Manaskie to pick up six runs in
the seventh to win 14 to 13.
The teams also picked up
the double play as they played
errorless ball. Paul Huckestein
and John Andrews each had three
hits, while Harold Manaskie and
Howie Schack collected four
apiace.

Legionnaire's Log

Charles Wagner Post

No. 421 Hicksville

by ARTIE RUTZ

Since last week I attended two more installations...One at the Archie McCord Post in Bethpage, our good friends and neighbors...And then our own S.A.L. Squadron's Installation of Officers...We wished the best of luck to Commander Bill Mangels for his coming year and he has some right good thoughts about membership...The first being to attend our very next meeting with some of his staff and talk to the Legionnaires about having their sons join up the Squadron...He will be most welcome...The Post Junior Band had their annual party following this installation and had a real live and loud Rock & Roll orchestra to play for them...Such jumping around (for joy??) but anyway the kids had one swell time as they tell it...Judy Bosch, the retired Drum Major, received a gift on behalf of the Post for her wonderful efforts on behalf of the Band over the past four years...The band has grown a lot in the past

years and is growing larger and larger as more and more boys and girls want to join up...To help out Bandmaster Pete Seltz, the band now has 3 Sergeants...Bill Mangels, Bell Sgt.; Charlie Petrie, Drum Sgt.; and Lynn Webster, Color Sgt...Thanks again to our wonderful Auxiliary Unit for their help in the kitchen at the S.A.L. affair...Time marches on and so does our Membership Drive...Notice that Tom Corin has signed another new member, Walter Szatkowski...Welcome, Walter, Welcome...We expect our Membership Officer, George Johnston and his crew will be around this Sunday afternoon ringing some door bells so that our 1965 roster will swell its numbers...Be ready for them if you haven't signed up for 1965 yet...Our Junior Auxiliary has a project in mind to help beautify the front of our building...And its most thoughtful and welcome...Have YOU visited our new members' room yet??? Why not??

AMAZING FUR DOCTOR

Hy Fishman, Seventh Avenue's famed fur specialist, declared today that "women of every social strata, from all over the world, are sending Abco's fur clinic, their own fur garments to be remodeled and restyled in never-increasing numbers."

Fishman, widely known as "the amazing fur doctor who has never lost a patient, no matter how outmoded or rundown," asserted that "the number of women who believe they do not need a new mink but a good rejuvenation job on the fur they have, is literally increasing by leaps and bounds."

To women who wish to know more about budget prices and style trends in the fur field, Abco offers them a free, magazine-size, glamorous 20-page Fur Fashion Book. This authoritative brochure, complete with photos of various styles of capes, stoles, jackets and coats, as well as sketches of collar and sleeve fashions, is available without charge by writing to Abco Furs, Dept. HR, 312 Seventh Avenue, New York.
