## How Jet Passengers See Us :

RETURNING HOME after almost a year of study in Austria, Dorothy Christ, daughter of Mr. and Mrs. John H. Christ of 172 Lee Ave., Hicksville, got this view of hometown from the window of a KLM jetliner. Dorothy is a student at Wagner College, Staten Island, and during the

year abroad collected some 400 slides. The view is from the south of Hicksville, looking toward the north in mid afternoon, late in June. Estimated altitude of the jet at the time was somewhere over 3000 feet. Slide was copied and enlarged by ace camera expert F. Donald Mallett.

## Advisory Group Studies Relations

The Hicksville Board of Education has a Citizen's Advisory Committee on Public Relations to explore methods of improving communications between the school district and the residents of Hicksville, and to make recommendations to the Board of Education pertaining thereto.

Each one of the seven School Board Trustees has designated a resident to serve on the committee. The committee members are: Mrs. Joseph Janca, 9 Miller Circle, Chairman Pro Tem; Mrs. Bernard Kushner, 102 Acre Lane; Jerome Zettler, 70 Gardiner Ave., former President of the Hicksville Board of Education; Harry Wagner, 25 Barter Lane; Mrs. Richard Melrowitz, 135 Tenth St.; Fred Munch, 2 Amherst Lane, and Thomas Nagle, 114 Blueberry Lane.

The Committee invites residents to submit ideas and suggestions for ways to improve the flow of information between the school district and all the people of Hicksville. All suggestions will be considered and, if found practical, will be recommended to the School Board. Please mail written suggestions to Mrs. Janca.

## Split Reaction Over School Super Contract

The new five-year contract for the Hicksville Superintendent of Schools today promised to become a major issue of discussion and debate in the weeks ahead.

On one hand, the School Administrator's Assoc. of Hicksville, without mentioning the new contract by name, complimented the Board of Education and said it was in "complete accord with the action taken by you at your last meeting to assure the continuance of the fine educational leadership as provided by our Superintendent of Schools, Donald F. Abt."

On the other side of the coin, Florence Infantino as president of the Parents and Residents for Better Education, announced that legal counsel has been engaged to "determine the legality of the school board's intent to set aside Supt. Abt's present contract, which still has two years to run before termination, and to substitute another five year contract."

It was disclosed that petitions are in circulation in opposition to the new contract and may be offered at the regular School

Board meeting this Friday night. Mrs. Infantino urged all interested to call WE 8-6227 or WE 5-2779 and return signed petitions by Friday.

The Parents and Residents for Better Education, of which she is the president, met Sept. 30 at the Lions Den in Mid Island Plaza and heard Prof. Charles E. Rice of Fordham University discuss "Violations of Our Constitution and Its Effect on our Homes, Schools, the State and the Nation". It was reported that most of the discussion centered about the school prayer and patriotism.

The School Administrator's Assoc. of Hicksville in their letter by Herbert Cavanagh, chairman, said: "Our belief is firm that the educational opportunity as provided by the Hicksville Schools, its Board of Education, its Administration and its Staff is superior. We look forward to the future with confidence in the belief that the educational progress we have experienced will continue under the able direction of Mr. Abt."

## Dear Lynda:

Congratulations to CHARLES BAUMGARDNER of 14 Field Ave., Hicksville, who will celebrate his 87 birthday on Sat. Oct. 10. Many happy returns. . . Also congratulations to PAUL and EDNA BACSO of Linden Blvd., who celebrated their 25th Wedding Anniversary last week. . . .

Well, PETE really did it up big this week. Slender little HELEN CALLAHAN was in town and Pete took her to see TOM GEARY and then the fur began to fly. On top of that, HORTENSE was around asking for that old submariner at almost the same time. It is true that Pete is planning a quick trip to Europe? . . . PET METZ is the new owner of the luncheonette next to the Hicksville Post Office on North Broadway. . . . JANICE ANN BREEDEN will become the bride of THOMAS G. MANASKIE at a nuptial mass at Holy Family RC Church on Nov 7. . . . WALTER WERTHESEN knows where you can buy a Buick very reasonably. . . . There are something like 15 vacancies to be filled by the voters on Election Day and at least two candidates for every position. Thank goodness the current mode of naming "citizens committees for" has not occurred to ALL candidates. . . . Sorry to hear CARNARISE JOE has an accident with his new car. . . . Word is getting around about a forthcoming heel hanging at the Little Inn before it moves to Levittown Parkway. . . . Our editor has been getting a rash of "spontaneous" letters from local readers thanking GENE NICKERSON for everything from saving our fine trees (what about Woodbury Rd and W. John St.) to improving (???) the unhappy lot of the RR commut. . . . One letter came in its original mimeographed form with all the correct spaces filled in. This is a fairly new gimmick designed to get extra complimentary newspaper space for a candidate. But all you have to do is pick up two or three weekly newspapers in the county in a given week and you will find the same word-for-word letters. Only the signatures are different. . . .

GEORGE CONNOR has finally come up with a new one: "I have an enemy at the Chase Manhattan" . . . Hicksville School Superintendent DON ABI was in Washington Monday and Tuesday of this week. . . . RICHARD W. BENTZ Jr of 21 Rail Road Lane, Hicksville, a physics major at Adelphi, has been awarded a textbook scholarship by Alpha Sigma Lambda, national under-graduate evening session fraternity. . . . BERNARD J. McDONNELL of Hicksville is one of 12 representatives of Allstate Insurance assigned to the new Sears, Roebuck and Co. store on North Broadway, Hicksville. . . . And they never gave us an ad. . . . So, hereafter they shall be known only as SEARS (and boy does that hurt). . . .

JOAN C. WELLS of Manhasset, a teacher in Hicksville public schools is one of four teachers who have formed a group to work for the reelection of Nassau County Executive EUGENE NICKERSON. . . . Among those who spoke out in favor of the county operation of a swimming pool at Cantigue County Park in Hicksville, before the Board of Supervisors this week, was RHODA GOLDEN representing the "Hicksville Civic League" and a very dear friend of all the local volunteer firemen, et al. . . . Can Christmas be far behind? Signs are up in the Post Office giving fair warning of mailing dates for friends overseas expecting gifts by Yuletide. . . .

## Herald Reader Opinion

To The Editor:

On Friday, Sept. 26, Hicksville school board in an unprecedented, cohesive action established the need for the taxpayers to purchase a large broom, that can be used to sweep the entire board out of office. The announced intention of the school-board to abrogate Supt. Abt's present five-year contract, which still has two years to run, and reward him with a new five year contract at a stipulated, escalating salary, leaves no doubt that they have become Supt. Abt's willing tools, and have ceased to serve this community. Mr. Bruno alone disented the board's intent. A few weak accolades were voiced by two board members in the support of the intent, but these were quickly repudiated by angry voices from the audience.

A closer examination of the down-hill progress of the educational system in this school district is needed to sweep away the illusion that education has been moving upward since the tract system was implemented. An interested individual might start by asking these questions.

1. Do we provide equal educational opportunity for all children in this school district? The answer "no".

2. Has Supt. Abt been aware that tract 3 was a total failure as far back as 1959? The answer "no".

3. When did Supt. Abt become aware that tract 3-students were being denied an adequate education? The answer "1963" (Corrective measures will be attempted starting Sept. 1964)

4. During the past year has the "morale" of the nonteaching personnel, the teaching personnel, and the students been high? The answer "definitely no".

5. Has Supt. Abt used much needed tax dollars for the true purpose of education, or are large sums siphoned off in pursuit of "trends" which might bring national acclaim to him personally. The answer "yes".

6. Exactly what are Supt. Abt's educational accomplishments? Does the community have any evidence that Supt. Abt has availed himself, in the last seven years, of advanced studies or workshop that would improve his abilities. The answer "no".

7. Has Supt. Abt's salary been in accordance with his educational achievements? The answer "no" (According to a recent national salary survey published in the New York Times, he now earns more money than a full-professor, earns at a leading university such as Harvard or Yale.)

8. Lastly, has Supt. Abt taken stock of the true needs of a community geared to our economic level, by establishing educational tools and methods that provide a climate conducive to the improvement of the total educational system? The answer "no".

The above negative responses, coupled with the totally mis-handled grievance procedure definitely establishes that Supt. Abt is not deserving of any new contract. So what can be the board's incentive for the betrayal of the people who trusted, and voted

them into office?

We are advising the board that we are engaging legal counsel to establish the legality of such a rash act. It is our present opinion that the school board is attempting to supplant that, which remains within the domain of future boards to come. Considering the present unstable economic picture in Nassau County, and recognizing straight-forth the possibility of an even bleaker future, how can this board approve such an ambitious salary guarantee to Supt. Abt, for the next five years, without placing our educational system in still further jeopardy? A long costly court battle, at taxpayer's expense, would be necessary in order to sever the contract once it is signed. A Massachusetts school board has been involved in just such a litigation for more than a year.

Imprudent remarks by thoughtless board members further demonstrates that these men are not aware that each child is an individual. Unique, in that each child is endowed with a different potential. Children in tract 3 should not be saddled with a label insinuating, and we quote "It's not our fault if they do not want to learn", when the program available to them offers few of old texts, over-crowding, and a lumping of disciplinary problems along with the slow learner. All too often a teachers constructive efforts are negated, as precious hours are wasted in enforcing discipline. Too many of these students fall or drop out. Perhaps the new term "push-out" which was introduced in a new study that was published by the American Council on Education, would be more applicable.

Much more can, and needs to be said, but meanwhile we will make every effort to halt the boards unjust action. If you agree, and want to help call We 8-6227 or We 5-2779. We will need every willing hand.

The Executive Committee, PARENTS AND RESIDENTS FOR BETTER EDUCATION

Mrs. Gough said the Cake Sale will be held on Sunday, Nov. 8. Mrs. Hess volunteered to chair the event.

The mothers accepted the Board's recommendations of \$10 per month to be donated to the library for new books and the Skating Party to be held in January.

After a brief intermission,

Rev. Leo Goggin was introduced as the speaker for the evening. He spoke on the new Liturgy being introduced in the Catholic Church. He pointed out the many changes that have occurred in the last years including those in the Holy Week services and the Eucharistic Fast. He counseled the ladies not to form conclusions until they would see them properly performed. The normal reaction of people is to resist change but with patience on the part of parishoner and priest the transition can be made with the least amount of difficulty, he said.

There will be a new Evening Devotion called the Bible Service which will include reading from the old and new testament, plus explanations. The Sacraments are already being administered in English in order to provide better understanding by the individual. The changes in the Mass will include four hymns to be sung by the congregation. Each parishoner will be given a plastic folder of prayers he will have to say while attending Mass. The new Liturgy in the celebration of the Mass begins on Sunday, Nov. 29, the First Sunday of Advent. Given time we will find we are more a participant than a spectator.

The Dark Horse prize of \$10 was won by Mrs. Gino Pessani. The next meeting will be held on Monday evening, Oct. 26. The program will include a talk "Why my Child Should or Should Not Attend College" by Sister Frances Maureen, O.P. from Molloy College. As it will be an open meeting, all are invited to attend.

Let me ask you a question. Are you embarrassed when your child asks you a question about your religion and you don't know the answer? All right, let's compromise. You once knew about it but it slipped your mind. Why not sign up at the Adult Education Program sponsored by the Jericho Jewish Center. The classes will be in beginners, intermediate and conversational Hebrew. There will also be a course on Custom Ceremonies and Bible study. For further information call OV 1 1307 or WE 8 2271. Do it soon as classes start Monday Oct. 12.

While you're attending your classes you're not looking into the JERICHO P.T.A. CREATIVE ARTS WORKSHOP for your child. They still have openings in the following classes: Art, Grades 2 & 3; Ballet I, Gr. 3 & 4; Ballet II (Advanced), Gr. 4, 5, 6; Modern Dance - Ballet - Modern Jazz, Gr. 5, 6 & 7; Drama - ("Behind the Footlights"), Gr. 7, 8, 9; Physical Fitness for Boys, Gr. 4, 5, 6 and Puppets, Gr. 4, 5 & 6. The blast heard was at Chemung place where Elaine and Hank Sacks partied 3 dozen Birchwoodites. There was a continuous mixture of dancing, drinking, eating and noise that erupted into a minor explosion. Sorry I don't know why the party was held---all I know is that every one survived.

Happy birthday to Hal Gilbert who celebrated his 6th birthday

## President's Corner

By Horace Bernstein

Tuesday night, Oct. 27th, your Civic Assoc. will once again sponsor its annual "Meet Your Candidate" night. This year, as in the past, West Birchwood and Princeton Park Civic Assoc. will also act as co-sponsors with the addition of the Jericho Jewish Center Men's Club.

As in the past, all major local candidates are expected to be present. The highlight of this year's meeting will be the debate between County Executive Nickerson and his opponent for the position, John J. Burns. More details will be presented in the VILLAGER next week. Meanwhile, mark your calendar for a night of enlightenment.

I am pleased to report that Horace Sterling has started negotiations with Reliance Fuel Oil Corp for another contract for our members. As you may be aware, our current three year contract expires in December. Because of the drawing power of our members, we were able in the past to have a complete free contract for the oil burner. This has been unheard of before. As a result, other companies have been forced to give the same deal to its customers in fear of losing them. When the final details are completed, Sterling will report to the Board of Directors and present the contract.

Irwin Baumeil and Daniel Dicker, as promised, met with the Jericho Board of Water Commissioners, and presented their findings to your Board of Directors. A letter of recommendation has been sent to the Water District. At the request of Mr. Baumeil, we are holding back this report until an answer is received from the Water District. May I once again remind you to mark your calendar and remember the date, Oct. 27, Tuesday night, "Meet Your Candidate Night".

## Arranging Bazaar For Temple in Dec

Annual Bazaar Time is once more on the way for the Jericho Jewish Center. The Bazaar will be held Dec. 5 to 10 at the center.

New merchandise is urgently needed, and may be brought directly to the downstairs rooms of the Temple. Donor credit of 20% of the prices as marked, will be given for all contributions.

Volunteers are needed for the marking of merchandise, and to make up a sales force. For further information please contact Sylvia Dym - WE 5-0527 or Frances Slovits - OV 1-6332.

With a party on Oct. 3rd, Get well wishes to Ronnie Bernstein.

Reminder: Hadassah's weekend at the mountains Nov. 20-22. For information call Judy Greer OV 1-2826, Jericho Community Theater Oct 30-31 "Cat on a Hot Tin Roof", Dec. 6, 7, 8, Cole Porters "Anything Goes" for information call Jean Waisiek WE 5-5957. Don't forget my number is GE 3-9789.

## Civic Briefs

\* Jericho is one of the four remaining areas in Nassau that does not provide a library for its residents.

\* The Bowling League is now in full swing sporting a group of 16 teams.

\* "Meet the Candidates Night" will be held on October 27th at the Jackson School at 9 P.M. Candidates running for office in our area from the major parties will appear and address the audience.

\* The Birchwood Civic Association is now proud of its 492 members.

\* Your Civic Association is working on a project to try to beautify the mall on Broadway by an appeal to the local authorities, by planting of trees and shrubs.

\* Because of the inconvenience of a Thursday and Saturday rubbish collection, the BCA is appealing to the Town of Oyster Bay to return to Tuesday as rubbish day. In most cases the rubbish is usually accumulated over a week-end and must be held for a long period of time before being picked-up.

\* A Water Committee has been set up, whose purpose is to determine how the amount of water can be had for Jericho residents during the summer months. Irwin Baumeil is its chairman.

## CD Gives Alert

On Sept. 22nd the area was threatened with a possible storm. The Civil Defense of our area alerted your Civic Assoc.

Through a series of chain phone calls, the entire area was alerted to the threat. Each neighbor called a neighbor and in a short period all the "hatches were down". All those who had outside garden furniture were secured by removal to indoor areas.

As luck would have it, the storm by-passed us and the alert was lifted.

## Offer Pageant

The North Shore Chapter of Cystic Fibrosis Research Foundation presented a Miss Atlantic City pageant at its opening meeting.

A fashion show of bathing attire, courtesy of Catalina Swimsuits, dating from 1870 to the present was the theme. A talented group of members modeled the authentic swimsuits and a song and dance routine was presented by the "Beauty Shop Quartet."

The meeting was held at the Chase Manhattan Bank, Jericho Turnpike, Syosset on Sept. 28. Chairman was Mrs. Michael Wohl of Woodbury, assisting her was Mrs. Elliot Green of Woodbury, and members who participated in the program were: Mrs. Raymond Rothberg of Jericho, Mrs. Morris Weiss of Jericho, Mrs. Sidney Eichler of Jericho, Mrs. Elliot Green of Woodbury, Mrs. Marvin Getlan of Woodbury, Mrs. Don Goldstein of Bethpage, Mrs. Michael Wohl of Westbury, Mrs. John Carro of Jericho, Mrs. I. Harvey Ayron of Bethpage, Mrs. Julius Duhl of Woodbury, Mrs. Harold Moss of Woodbury, Mrs. Joan Fries of Flushing, and Mrs. Stephen Eppner of Bethpage.

## Keating, Javits Here Oct 13

U.S. Senators Kenneth Keating and Jacob K. Javits, will be in Jericho, at the Birchwood Shopping Center, on Tuesday, Oct. 13, between 3 and 4:30 P.M.

An open air Koffee Klatch to welcome the two distinguished Senators has been arranged by the Jericho Republican Club. This will mark the first time in history that Jericho had been honored by a visit by both New York Senators. John J. Burns, New York State Commissioner of Local Government and Republican candidate for County Executive, will add his welcome to the Senators.

Ralph Diamond, Jericho Republican leader, announced that all Jericho and surrounding area residents are warmly invited to the Koffee Klatch and chat with Senators Keating and Javits.

## Entrance Sign Now Complete

The Village of Birchwood Park now has its own identifying gates at the entrance at Broadway—white letters on a black background.

Before the sign was up, the sign walls were defaced by pranksters. Victor Reff took it upon himself and did a very neat job with the use of chemicals and removed the defacing markings.

A warning to all possible "fun seekers" who want to use these walls as their target, the Civic Assoc. will prosecute all who are guilty. This is your area so take some Civic Pride!

## Ten Pin Talk

by Henry Dockswell

At this early stage of the race a 7 point night can really move a team way up. This was the case with Al Grusha's #13's and Mort Levine's #2's.

Al's boys crushed Sam Springer's #7's to jump from eighth place to a tie for third, and Mort's men lapped Norman Ney's "Pinheads" to go from an ignominious last to a respectable tie for eighth place.

Julie Gershen's #16's also swept their opponents and are now tied with Ruby Skyler's "Rubes" for the league lead.

It was a weak night for the magic circle. Only two men were able to break through. Sy Bruckner left-handed his way to a 215 and Herb (eat wood) Brody came up with a 205. Sy's game helped his #3's to a 4-3 squeaker over Al Minoff's #14's and Cap't. Herb led the way for his "Splits" as they trounced Art Rosenthal's #15's for a 5-2 win.

Larry Goldenberg is still high man with an average of 187; brother Hal Goldenberg took over Hi Series with a 572 and Sam Springer still leads with his high game of 235.

In addition to the three team names already mentioned, only one more has been added. Leo Geyer's #1's have taken the name "Geysers," which seems quite appropriate. Let's have some more names, men.

## Set Library Vote For Nov 21

The Jericho School Board on Sept. 28 approved a request by the Jericho Public Library Committee for a Special Referendum on Library, to be held on Nov. 21.

The Special Referendum will give the Jericho School District a chance to vote on the establishment of a Public Library by approval of: a) An appropriation of \$51,280 (or 12¢ per \$100 of assessed valuation); b) A state of five Library Trustees.

The major reasons offered by the Library Committee for holding the Special Referendum are: 1. At least 500 new families are now part of the Jericho School District that were not here at a prior vote in 1961.

2. We now have well over 3500 children in the schools, as compared to the 2100 in 1959.

3. We now have over 1400 children in the Jr.-Sr. High division, as compared to 700 in 1959.

4. The 5th and 6th graders now on departmental schedule have real subject specialization. They are to be added on to the Jr.-Sr. High group as heavy library users.

5. A vote approving Public Library in November would mean that a Library would be open by Sept., 1967!

6. The Survey taken by the Committee shows 1040 families eager to have a library established soon. Only 190 families were opposed.

7. The Committee has received offers of books, equipment, possible book-mobile, and even a location. None of these can be accepted until there is a Board of Trustees for Library, and an approved Library Appropriation (or "Budget").

## New Directives On Rubbish

On Sept. 14th, the Town of Oyster Bay issued new directives for garbage collection. The days of collection are Tuesday, Thursday and Saturday of each week were designated, except when a holiday falls on that day and so it is reverted to the next collection day.

No more than three 21 gallon metal containers, properly covered, are to be placed up. Containers must be returned back to the house and away from the curb area within a reasonable period of time and not left at the curb indefinitely. Violators are liable to be fined!

Rubbish days were changed to Thursdays or Saturdays, rather than Tuesdays as it was previously. Rubbish must be properly tied and placed into a container which is to be not in excess of 50 pounds total weight.

## Hold Fashion Show

The North Shore Chapter of Cystic Fibrosis Research Foundation held its annual luncheon-fashion show in the fashionable Kings Grant Motor Inn, in Plainville on Wednesday, at 12:00 noon, and the public was invited to attend.

### Congressman STEVEN B. DEROUNIAN On the Issues

CONSERVATIVE - YES. "EXTREMIST"? NO.

Is POLITICAL "EXTREMISM" an issue in this 1964 Congressional campaign in northern Nassau County? I say that it is not.

My opponent lists "extremism" as his #1 issue. As in 1962, the Democrat-Liberal candidate is trying to pin a "right-wing extremist" label on me. As in 1962, it won't work - and here's why:

"RIGHT-WING EXTREMIST" is a scare term, because to so many people it conjures up a vision of a pro-Fascist, neo-Nazi, anti-foreigner, Negro-Catholic-Jew-hating neofascist, a member of some secret conspiracy to destroy everything that's happened in the U.S. since McKinley was President.

That's why the term "right-wing extremist" cannot be tossed around indiscriminately, even in a political campaign - and I caution my opponent against any further use of this smear against me.

Why is his charge both silly and vicious? I've said that the basic issue in this campaign is the record. As Al Smith used to say, let's look at the record.

Would a "RIGHT-WING EXTREMIST" have voted FOR the Civil Rights Act of 1964, as well as FOR all major civil-rights legislation in the past 12 years, FOR the 1964 tax cut, FOR the Urban Mass Transport Act, FOR the Housing Act of 1964, FOR vocational education, higher education and mental-retardation grants, FOR the extension of Social Security benefits and coverage, FOR a liberalized immigration law - to name just a few important issues?

HARDLY. Yet I have supported all these measures since you sent me back to Congress for the sixth time in 1962.

Is it "RIGHT-WING EXTREMISM" to advocate, as I have advocated, strong Armed Forces, opposition to Communism, tax incentives to individuals and business, control of government spending and a stricter code of ethics for public officials? Although he's running on the Liberal Party platform that opposes some of these positions, my opponent says he agrees with me about them. Does that make him a "right-wing extremist"?

Would a "RIGHT-WING EXTREMIST" demand, as I have demanded for years, strong U.S. efforts to end persecution of Jews in the U.S.S.R.? I am a naturalized citizen, brought here as a child to escape religious oppression; does that make me an "extremist"? Is it "extremism" to believe, as I do, that Americans have a right to pray in public places? If the answer to these questions is "Yes," then millions of Americans are "extremists."

What "EXTREMIST" would have received the warm endorsement of DWIGHT D. EISENHOWER, RICHARD M. NIXON, BARRY M. GOLDWATER, JACOB K. JAVITS and KENNETH B. KEATING? All these distinguished Americans have expressed the hope that I will be re-elected to Congress this year. Are they all "extremists"?

This whole charge is so obviously false that my opponent would do well to drop it, before he makes himself look even more ridiculous.

In one of his wilder statements,

Citizens for Congressman Steven B. Derounian  
P.O. Box 427, Roslyn, L.I., N.Y.

ADV.

my opponent lumped the Communist Party, the Ku Klux Klan, the John Birch Society and the N. Y. Conservative Party into the single category of "extremists." I cannot let this absurd equation go unchallenged.

THE COMMUNIST PARTY, as an agency of a foreign power and an organization advocating overthrow of the U.S. Government by force and violence, is a subversive organization, so listed by the Attorney General. So is the KU KLUX KLAN, because it practices the forcible denial of rights to Americans.

THE JOHN BIRCH SOCIETY is not on the Attorney General's subversive list, because it does not practice or preach these illegal acts. If it did, it would be on the list.

Never having had any connections with the John Birch Society, all I know about it is what I read in the press. To say otherwise is to lie - a lie which my opponent has already repeated more than once. It has been reported that John Birchers (their leader, at least) claim that Dwight Eisenhower was a conscious pro-Communist. That Chief Justice Earl Warren should be impeached, that we should abandon and overthrow the U.N., that all income taxes should be abolished at once, etc.

I strongly disagree with all these ideas. That's my privilege - but it is the privilege of John Birchers to entertain these ideas if they choose. When we start to punish people for unpopular ideas, rather than illegal acts, American liberty is in real danger.

THE N. Y. CONSERVATIVE PARTY is a legitimate political party, qualified under N. Y. State law; its members are good Americans who feel that a broad segment of opinion is not adequately represented by either major party. To lump them with Communists and Kluxers is a scandalous slander, for which my opponent should immediately apologize.

I AM A REPUBLICAN, running on the G.O.P. ticket only, because I believe in the two-party system (which my Democrat-Liberal opponent does not).

WHILE I VOTE for or against each bill in Congress on its own merits, my political thinking and the general tenor of my voting record is and has always been CONSERVATIVE. I don't apologize for it; I'm proud of it - because I believe that this position is best for America. You've sent me to Congress six times, as your Representative, so I'm inclined to believe that you agree, too.

If you'd like to know where I stand on some of the real issues in this campaign, I hope you'll phone me at MA 7-5552, then MA 7-5625, then MA 7-6772. I'll be discussing different issues each week.

## Around the District

with Joe Koerner

**COMETS AX TREEMEN...** This one had everything including a Football Stadium designed by an architect. The combination snack-bar-Veranda especially caught our attention and when seemingly unguarded we stormed the bastions only to be met by a surly keeper of the keys. "And who are you", he demanded along with the fact that three juvenile malcontents put the lights out while we were in the out-door restroom and we ran smack dab into a #12 gauge stall. "But that's all water under the bridge", say the experts who look at High School football as a way of life and all other-by-play is redundancy at its worst. "So who won the game", they ask?... and with this thought in mind we recall that the Comets led Island Trees 14-0 at the quarter but by the time the half rolled around the rent money down on the locals to win look like the soundest of investments. (It was then we sought solace on the veranda and ran into the restroom stall.) But all things had a happy ending when Mark Cerone and Joe Sarne intercepted touchdown passes and turned a 20-19 Cardiac Case into a comfortable "I told-you-so-feeling". This coupled with the fact that 242 lb fullback Larry Wesolke literally barged up the middle for two long scoring T.D. romps (a 43 and a 52 yarder) sort of makes this a day the Comet blockbust should long remember. He dominated the play completely in the 4th quarter using un-Emily-Post methods of gaining his objective. This youngster bears watching in the days ahead...not only for his offensive fullback abilities but for his defensive tackle duties as well. He's a tireless throwback to the days of the 60 sec. workout (Vitals man of Cometland) Charley Triola. All in all a fine ballgame and that includes a 73 Yd. rollout scoring play by Hicksville's fine quarterback Dennis Yarras and point after touchdowns by Yarras and untapped legged Steve Schuster. Look for the locals to maul Mac Arthur (at home) this Sat. It's Homecoming Day and coach's Jim Grantham and Ron Benizio have promised

**CITIZEN TONY** - Nov. 3rd is his day. (See Around the District for details).

to iron out the early season kinks, for the faithful.

**DOOLITTLE DOES MUCH...** "Ya can't win them all" is the well known stock phrase but coach's Bill Meyer, Bud Bryan and the J. V. Comet Eleven are out to make the adage hit a few snags. Last week they continued their winning ways by adding Island Trees (19-14) to the "I lost to the Comets Club". Halfback Johnny Dunnaz scored twice for Hicksville. One on a pass from Quarterback Jeff Doolittle and the other on a 15 yd. run. Doolittle added the 13rd marker of the day on a 10 yd. run. Defensive linebacker Rick Kramer and end Mike Mastella came in for plaudits from both mentors, along with Paul Klarin who pulled off a key interception in the 4th quarter. "It was our game after that", Meyer concluded.

**COMET BOOTERS 3-1...** Exclude a 5-0 non-league loss by the Comets to Center Moriches and you have the "Renmen" coasting along with an unblemished 3-0 league mark. They stopped Clarke in the opener 3-2...frashimmed Farmingdale 2-1 and mauled Mac Arthur 2-0. John Walker leads the scorers with 3 for the young season... (2 against Clarke and 1 vs Mac Arthur) Bob Baranski, Artie Hoxz, Larry Gibson & Bruce Goldsmacher netted one apiece. Fullback Mark Fellman and brothers two...Al & Bill Squires reared a nod of approval from coach Harry Renn. Randy Holmes the Goalie is the miserly net tender...He's averaging 1 marker

The Fork Lane PTA of Hicksville is pleased to announce that at its next meeting, Tuesday, Oct. 13, at 8:30 p.m. the guest speaker will be a prominent pediatrician from the Nassau County Medical Society. Everyone is cordially invited to attend.

The Nicholas Street School P.T.A. of Hicksville has scheduled its first general meeting for Tuesday evening Oct. 20th, at 8:00 p.m. The topic will be "A Day in the Third Grade". It will meet in the auditorium of Trinity Lutheran School followed by open house at Nicholas St. School. Refreshments will be served.

The Comets square off against Syosset and Plainville (at home) this weekend.

**NASSAU LIBERALS ON THE RISE...** Says Joe Kirschner of 21 Kodak Drive Woodbury, Joe's the Liberal candidate for the 4th District State Assembly, & is opposing the likes of Democrat Thomas Lavan & Republican Ed Fehrenbach for the Albany seat. He's not however a newcomer to the political dodge having unsuccessfully locked horns with Ed Ocker last time out for Town Councilman. He garnered close to 2000 votes and hopes to do much better in '64. He's an Attorney with law offices in Woodbury & Brooklyn...a WW 2 vet and a former officer in the Lt. Wallace F. Kaufman Post #416 J.W.V. He has 1 daughter, Susan aged 3 and his wife Elaine is a member of the Dist #17 faculty. "A vote for Kirschner" says the likable Woodburyite... "means insurance in the fight for a Trade High School in the Town of Oyster Bay."

**AND TALKIN ABOUT ELECTIONS...** Whether you're for Lyndon or Barry or Keating or Kennedy there always comes a time to look back and honor a first time voter in the community. Most of us take this inalienable right for granted and are well aware of the words etched in the base of the Statue of Liberty... "send me your tired...your poor...your huddled masses..." But how many of us especially the native born are moved by this bit of powerful yet tranquil phraseology. We do however know of one man who is and his name is Anton Hrynyszyn (pronounced Rin-tish-in) and he knows affectionately to his many friends as Tony Rin-tish-in. He's a Full-time Cleaner at the Jr. High School serving in that capacity for the past 5 years. His new citizenship papers granted last July 21st in Brooklyn insures him not only of the right to vote for the first time but to take his Civil Service Custodial exam in the near future. We wish him success in both endeavors, for his lifetime has not always been geared to the freedoms we all enjoy. In fact, there was a time in Ukraine not too many years ago when a wife and child were left behind as a result of a Nazi Panzer sweep. This was the start of Anton's unwilling flight through Europe. For 3 long years he farmed for the Nazi's as a Prisoner of War deep in the heart of Germany. Add a few more countries and conclude with an 11 yr residence in England. And then finally the mecca of the foreign born...a passage to the United States. Tony arrived in '58 and after a series of odd jobs wound up in the employ of the School District. He enjoys his new home and eagerly awaits his first bout with that mechanical monster known as the Voting Machine... For he's now Citizen Hrynyszyn...equal in every way and possibly far superior to some of us who probably won't even bother to vote on Election Day or possibly didn't even register. It's this phase of "Americana" that puzzles the newcomers who got their degree the hard way.

## Legionnaire's Log

Charles Wagner Post  
No. 421 Hicksville  
by ARTIE RUTZ

The big news that should be of interest to all members is the decision to operate BINGO in our own hall on a regular basis....We will sponsor games every Tuesday in our beautiful air conditioned Victory Room and also in our air cooled lower hall.... Giving the players a choice of two types of air comfort....Our first game will be played on November 3rd, which is election night, and I hope to see you all there....And tell your friends about the Legion playing Bingo

In their own place....Remember, there is never any problem as far as parking is concerned as we have parking fields on three sides of the building....Please send your 1965 Dues in at once so we can concentrate our membership efforts on new members....As you know, our Membership Officer, George Johnston, suffered a broken right hand in an auto accident several weeks ago and is handicapped by not being able to drive his car or write....Give him a lift by sending in those Dues now.... We will be out again this Sunday afternoon ringing door bells and picking up Dues plus having our Band out on a recruiting drive....Where are the new members YOU were going to sign up???. Now is the time.... Sorry to say that another of our members has passed away, Past Commander Silas Valentine, for whom we conducted services for last Sunday evening....I understand that our Legion delegates at the National Convention in Dallas didn't care too for that city and some of them left early.... Most unusual.... Nice to see Jack Spinella recovered from his eye trouble but Artie Hirsch is still doctoring his arm.... And Bob Mangels' hand is still weak after last Summer's injury.... Our Color Sgt. Bob Sutton assumed the role of County Sgt. At Arms last Saturday night at the Lynbrook Installation.... That was a nice turnout for the Auxiliary Installation last Friday evening at the Post and the hour was late when it finally broke up.... See you next week.

## Operation VFW

William M. Gouse Jr.  
Post No. 3211  
by Eddie Klebing

The VFW captures the past of the world's greatest city on Saturday November 7th. The Post's Ways and Means Committee has scheduled a "Little Old New York" dance for that evening. While we can't promise you such notables comparable to Lillian Russell, Diamond Jim Brady or Steve Brodie, we can promise you one of our fun packed evenings so popular with everybody who attends these dances. It will be a costumed affair with a prize going to the couple in the best disguise of the evening. Tickets for the event are \$6 per couple. For tickets and reservations call Eddie Klebing NOW at WE 8-3463. Tickets for the annual dinner and dance to be held at the Huntington Town House next February should be available at the next Post meeting. The cost is \$25 per couple. A menu accompanies the tickets when purchased.

The Ladies Auxiliary is holding an Avon Party on October 13 at P.V.M. Hall. The time is 8:30 P.M. The Ladies invite all interested parties and ask that they bring friends. Refreshments will be served. We welcome new members, Edmund Chwalisz, Michael Montellone and Thomas Taddonis. We hope to have the pleasure of your company at as many future meetings you can attend. The Post thanks those members who jumped on the bandwagon with their early remittance of 1965 dues. Payment of dues was in order on October 1st. The renewal list is long and we look forward to completing it early this year. So send in your dues now.

A little thanks or praise goes a long way in making a person feel he is appreciated. So it must be with those members of the Post who gave up their time and delayed their chores around the house to clean up the area behind the Post last Saturday. A pat on the back goes to Bob Obermeyer, Bob Williams, George O'Neil, Frank Blesi, Mike Znack, Joe Gilligan, Bill Frohenhofer and any other member I forget to mention here. The job you did was terrific. The Post thanks you.
