Final Efforts Before Election

Mid Island area voters next Tuesday, between 6 AM and 9 PM, will have the opportunity to elect candidates to fill 14 positions on the ballot. They will help elect the President and Vice President of the United States, United States Senator and County Executive.

Also a family court judge, three county court judges, a county comptroller, county clerk, sheriff, Congressmen, State Senator, Assemblyman and a District Court Judge.

Most candidates on the county and legislative district levels were this week nearing the end of their endurance, putting in 12 and 16 hour days in shopping centers, greeting commuters, speaking at clubs, debates, rallies, radio programs and coffee klatches.

Tens of thousands of phone calls were made and hundreds of thousands of pieces of mail were directed at voters in the all out push.

Besides the widespread interest in the Presidential and US Senate contests, primary Nassau interest was directed upon the race, for County Executive with Democratic incumbent Eugene Nickerson standing for election after his first three-year term, opposed by the popular Republican John J. Burns, former Mayor, State Assemblyman and Town Supervisor of Oyster Bay.

HURT ON HIGHWAY

Larry Rydberg, 13 years old of 19 Kolmer St., Hicksville, was injured Wednesday evening, Oct. 21 when his bicycle and a 1959 Dodge driven by Denise Sucarino of 49 Elmtree Ln., Hicksville, collided at East Marie St. and Bay Ave., Hicksville. According to police reports, the Rydberg boy was going north on Bay Ave. and Mrs. Sucarino was traveling west on E. Marie St. at the time of the accident.

Say Youthful Driver Hit Three Autos, Sears Bldg

Joseph Lulenski, 23, of 296 Burkhard Ave., Mineola, was arrested and charged with grand larceny of an auto and being an unlicensed driver on Oct. 23 when the 1960 Oldsmobile convertible he was driving on No. Broadway, Hicksville, collided with three other cars, shot eastward across North Broadway and came to a stop when it hit the new Sears building.

A sixteen-year old Hicksville girl who was a passenger in the car was taken to Syosset Hospital in the police ambulance with neck and back injuries. No charges were placed against the girl. The car belonged to John Gullo of 15 22nd St. Jericho. On Oct. 25, John Lulenski, 19, of 296 Burkhard Ave., Mineola, believed to be a brother of the above mentioned Joseph Lulenski, was arrested with Harry Reardon of 10 Berkshire Rd., Bethpage, and charged with petty larceny when the proprietor

of Jim's Soda Shop at 74 Broadway, Hicksville, charged the pair with taking two jars of candy. The two pleaded guilty in front of Judge Beatrice Bernstein, Monday morning.

Stewart Weinberg, 16, of Clearland-Rd., Syosset, and Stephen Herskowitz, 17, of 120 Ketchams' Rd., Syosset, were arrested for shoplifting Oct. 23 at 7:15 P.M. in Sears when a security guard, Peter Brooks, filed a complaint with Plt. Stein that the two took a \$2.46 tape.

Bus Service Emergency

The Hicksville Board of Education held a special two-hour meeting, Friday night, to consider recommendations of School Attorney Joseph Catalano regarding student bus transportation. There are 8500 students

transported in Hicksville under a contract with County School Service Inc. of Connecticut.

Service was delayed for several thousand pupils on Friday following the seizure of some of the buses used here by representatives of the State National Bank of Connecticut who claimed the bus operator was delinquent on a \$30,000 payment due on Oct. 16.

Following the special Board meeting, attended by all seven members, a committee of the Board and School Administrators met with representatives of several bus operators to see if arrangements could be made for complete service effective this past Monday.

Arrangements were made to have 25 extra buses standby on Monday. However, regular service was resumed by County Service and the extra vehicles were not required.

At the end of the session, Friday night, Trustee Irving Lawrence stated for the record that comments he had voiced at the Oct. 9 meeting regarding an "assault on education" were not directed at any particular person, either in the audience or on the board, and that if his remarks were misunderstood he wished to apologize.

New Art Center Seeking Home

Art Forms Creative Center, Inc., a newly formed non-profit membership corporation serving residents of the Levittown-Hicksville area, is looking for a home.

Inadequacies of the present location has caused the art center to move suddenly and to temporarily use the premises of the Holy Trinity Episcopal Church at the corner of Old Country Rd. and Jerusalem Ave., Hicksville.

A site committee has been formed to locate a permanent home in the Levittown-Hicksville area. Suggestions from individuals or concerns that might know of suitable locations or be in the position to offer a low rental or a donation of an establishment will be welcome. To telephone the gallery, the same number may be dialed: GE 3-6230.

Study Housing Discrimination Law

On Nov. 4, a meeting open to the general public will discuss a problem now confronting almost all suburban communities. The topic for the evening will be "How Should our Community Face the Law on Housing Discrimination?" The urgency of this issue is underlined by the Metcalf Baker Law, enacted in the New York State Legislature in April 1963, which bans discrimination in practically all housing.

The meeting sponsored by the Hicksville Committee on Human

Rights, will be held at 8:30 p.m. at the Holy Trinity Episcopal Church, Old Country Road and Jerusalem Ave., Hicksville.

The evening's program will include a movie titled "All the Way Home", which pin-points the problem. A panel discussion of the housing program will follow. The panel will consist of prominent members of the community. Guest panelist for the evening will be Farrell Jones, Executive Director of the Long

Island Commission on Human Rights for Nassau County.

The Hicksville Committee on Human Rights is composed of a group of local residents, business, civic and religious leaders, who are deeply concerned with all matters relative to human rights in the community.

Dear Lynda:

Mr. and Mrs. W. G. EICHLER have just returned from a combination business and pleasure trip that involved a visit to some ten countries and many of the important cities and capitals of Europe. They traveled better than 16,000 air miles: ultimately reaching Beirut, Lebanon, their most eastern goal. Mr. Eichler, an architect and a resident of Hicksville for some thirty-eight years, estimate that he has flown better than 2,000,000 air miles mostly in connection with his professional activities. He maintains a modest studio in Hicksville for the handling of local work.

While all the grown ups are engrossed with the outcome of the elections the small fry are settling down to important business. Santa Claus got his first letter in this area from three friends named Peter, Vincent and Carol Ann. . . . JEROME G. ZETTLER of Hicksville, president of the Nassau County Police Boys Club, announces the organization is currently sponsoring an old clothing drive. A collection bag is available at the local Food Fair Stores. . . . Among the delegates to the New York State Retired Teachers' Assoc. this year at their meeting in Glen Falls (Oct. 19 thru 22) were Dr. E. H. LeBARRON, former Hicksville school superintendent; and Miss NINA PLANTZ, former principal of East St. School, Hicksville. . . . WARREN DOOLITTLE of 19 Alexander Ave., Hicksville, is head of the Citizens and Lawyers Committee here for the Election of Judge SPITZER. . . . VINCENT B. FRONTERO of 181 Old Country Rd., Hicksville, is attorney for the Parents and Residents for Better Education. . . .

Oyster Bay Republicans will tally and list Election Night returns at the Four Seasons Country Club on Jericho Tpke., Woodbury, next Tuesday evening. . . . Hard to believe that so much time has passed already but Mid Island Plasma is celebrating its 8th birthday this weekend. . . . And beware of the goblins etc. Halloween is right upon us. . . . PETE is home from Syn. at Hospital and we learn that HORTENSE now has HER lawyer ready to sue us. . . . PETER DAVID McEMAMIN of 219 Bay Ave., Hicksville, is among 69 mathematically gifted students attending Saturday sessions of a math program at Brooklyn College this Fall. The program is sponsored by the National Science Foundation. . . . There is a report that the PBC may soon have a long desired clubhouse of their own in Hicksville. . . .

Congratulations to Mr. and Mrs. ADAM BERNING of Dix Hills, Huntington Sta., former Hicksville residents, who celebrate their 27 wedding anniversary on Oct. 30. . . . And Mom and Pop BERNING in turn wish a happy birthday to MRS. W.J. MOFFETT of Huntington, who celebrates Nov. 2. . . .

Herald Editorial Opinion:

John J. Burns for County Executive

When a person aspires to high public office, his pledges and promises must be observed in the initial statement and then reviewed when he seeks return to office. The Democrats of Nassau County in their desperation to acquire the office of County Executive made the taxpayers and voters some rather startling (and most alluring) promises three years ago.

One piece of literature talked about "The 158 hands in your pocket...and what you can do about it!" The reference was to what was described as "old fashioned, overlapping special districts you are paying to support." Denouncing the existence of these special taxing district as "mismanagement in your county" and "a prime example of what makes Nassau County government one of the most expensive operations in the nation" and implies that somehow the Republicans were the villains.

That mailer went on to claim that "new county leadership can save you at least \$192 in local taxes each year." And we bet you could use \$546 you were supposed to save under three years of "leadership" with Eugene Nickerson as county executive. The total savings promised Nassau taxpayers were \$63,771,000 broken down as follows:

Elimination of overlapping special districts, \$7,000,000
Economic highway maintenance 5,121,000
Ending duplicating town and County functions, 7,750,000
More state aid to Nassau for education, 32,000,000
And the real whopper:
A county education commission 12,000,000
(and this last one cited Newsday as the authority for a claim this could go as high as \$18,000,000).

Now those are all nice round figures which read well a few days before election.

We did not support Mr. Nickerson in his first bid for county executive, partially because of this very kind of irresponsible wool gathering. We actually have MORE than 158 hands in our pockets. There has been NO reduction in the number of special taxing districts — we in Hicksville — Jericho — Plainview area, in fact, have another district: The re-

cently established (and needed) escalator district to finance the moving stairs for the Hicksville RR high-level station. Not a public official came out against that one — not even the Democrat Town Supervisor Michael Petito. (His turn to demonstrate what he promised comes in the 1965 election).

Instead of these huge promised tax savings we have the record that county expenditures have JUMPED \$30 million since Nickerson began to dominate the County administration. Instead of much promised improvement in the economic climate of Nassau, we find this week the disturbing report that our unemployment percentage is aiming for a new all time high.

The choice next Tuesday in the election of Nassau County Executive is crystal clear: Eugene Nickerson, a very nice and photogenic guy (we have averaged about a picture a week from his office since his induction) but he has not performed. As a matter of fact he and his associates (and the appointments have been into the thousands in the past three years) will be leaving office with Nassau County in real poor shape. Mismanagement of county affairs has threatened the beauty of our county, the security of homeowners property, and the public safety.

For County Executive, Nassau needs John J. Burns of Sea Cliff, well known to us all as a most competent Town Supervisor and now State Commissioner of Local Government. He has been publicly cited as the most capable expert on local government in the Empire State. We also remember Burns as our diligent assemblyman who gave our long-awaited RR elimination program the needed thrust in Albany to get it from the "things to do list" into the category for action, financed by the State of New York. Some of us also remember Burns' long and distinguished record of service to the youth of Nassau thru the Boy Scouts of America.

You will not find John Burns making ridiculous and impossible promises in a cheap attempt to sway voters. Elect John J. Burns as county executive Nov. 3 and let's get Nassau back on the road.

Herald Reader Opinion

To The Editor:

I feel compelled to comment on the recent news articles in the press regarding the merits and demerits of the county jail system.

The Democratic candidate for Sheriff, Tom Dugan, has been making a series of what some observers might term merely "self serving declarations". But, are they? The present Sheriff, Jesse Combs, has had little to say in refutation of Dugan's charges of: 1. a jailer roster chock full of unqualified political appointees whose sole claim to the continued retention of their jobs is based upon an annual kickback to the G.O.P. coffers; 2. a complete lack of coordination in the administrative set-up of the jail which is bearing heavily on Nassau's taxpayers; and, 3. brutality and immorality permitted to exist within the jail.

The fact of the matter is that Mr. Combs' general handling of the duties of Sheriff has been inefficient and ill-judged. Our concern now must be with what can be done to remedy this unfortunate situation. Tom Dugan has proposed far-reaching changes, including Civil Service reforms and the eventual abolition of the very office he is seeking. The existing jail problems coupled with this candidate's outstanding administrative qualifications demand that Tom Dugan be elected Sheriff. I sincerely hope the voters of Nassau will be able to meet that demand.

As for Other Candidates....

The Herald has previously indicated its feeling that Senator Ken Keating has done a good job for New York State and that Robert Kennedy should go to some less privileged state and try to represent those people.

We support the election of Senator Barry Goldwater as our next President because Lyndon Johnson has failed to produce or prove anything except that he knows his power politics and razzle-dazzle campaigning. We also endorse the re-election of Congressmen Steven Derouin (particularly after having had the opportunity to quiz him and his opponent during an hour - long radio program recently) and Congressman James R. Grover Jr.

We doubt if any candidate will run as well next Tuesday as our own Francis Anderson, seeking re-election as County Clerk.

To no ones surprise, we are voting Republican - A all the way.

Lady in distress — and how two friendly strangers went out of their way to lend a helping hand

Sometimes it seems that people are too busy these days to take time to help someone in trouble. But there are still lots of folks who are always ready to be a friend in need.

This letter we received from Mrs. George Love of Lake Mahopac, N.Y., is just one example

that I arrived safely.

I want you to know that this was very much appreciated as I had two of my children and my neighbor and two of her children in the car at the time, plus the fact that it was a very cold, rainy day.

They were most courteous, and we are deeply grateful.

Sincerely,
Mrs. George Love

Do people bother to lend a helping hand any more? Yes, lots of them do. Telephone people do. We're glad when they do.

KING FOOTBALL (The High School Variety) Most often it's the magical equation of X plus Y... and if any fan says he fully understands what's going on out there... he's either off his rocker or ready to be admitted to a "Prayed Nerve Arboretum." And it happened again last Sat afternoon at the Syosset Stadium which incidentally makes all other District Arena's look like wards of the State. (It encompasses 100 odd acres of lush greenery...including 3 football fields ... 3 soccer fields and other assorted taxable knick-knacks designed for gracious living. The Comets were favored to win by 1 touchdown, and they finally did it the hard uphill (Cardiac) way... in a game that was labeled THRILLER FROM the opening gun when Antelope legged Comet H.B. Steve Schuster took Hicksville's opening play from scrimmage 72 long yds. for a touchdown. It was a typical Schuster run... wide... sweeping and as shifty as a race-track tout but due to an illegal procedure of sorts the marker didn't reach the scoreboard. (It was reminiscent of Chris Coletta's 84 yd. opening kick-off... randy-dance against Chaminade in '64 that was nullified on a clipping penalty. "But that's the way the game goes," mused the Comet cheerleaders. Syosset went on a passing spree, and picked up a 7-0 lead in the 1st quarter. Fifteen minutes later Hicksville's Doug 6 & 7 became official when Larry Wesolko bulled over from the 17 and Schuster ran the point. It was a typical Comet ground assault featuring a 25 yd rollout by 3-4, Dennis Yatras (when he found his receivers covered) a few probing sorties by Schuster and Vince Hoosack... and 20... and 12 yd. Karate Jabs by Wesolko prior to his 17 yd. scoring romp. The Comet Blockbuster was everything the Brave was expecting... and more... including another one of his "Joe Banana-Gandland Hits" in the 3rd quarter. The latter being a 40 yd. "Ethio" charge coupled with a 12 yd. bolt into Touchdown Territory. He failed in his try for the point... winding up with an injury probably caused by Syosset linemen fighting to get out of the way. His replacement Sal Pascarella finished the game like a man born to the full back slot. Pascarella bulled over for the pt. after Hicksville's 3rd T.D. of the day in the 4th quarter. And this one incidentally came as a direct result of the new look in the Comet backfield... a much maligned passing attack that many armchair quarterbacks felt they could do without. But they sort of forgot the darkness before the dawn period when in the 3rd quarter Syosset was leading 14-13 and a 40 yd. pass from Yatras to Schuster brought the locals back to life. It enabled Schuster to pick up 2... Pascarella 7 and Hoosack 4 for another first down. Then came 2 incomplete passes... a penalty and a stalled line shot. It was a 4th down ... 8 to go situation on Syosset's 35 yd. line. Yatras kept the ball and faded to the right. He looked like a foralorn Polar bear during the hunting season and the local fans died a thousand deaths waiting for the drive killing tackle. It never came for Yatras fired one on the run and a guy by the name of Bill Corrigan (his name is Shepski according to the Sunday Press) crawled up the backs of 3 Brave defenders and pulled the game winning pass down in the end zone. Pascarella picked up the point... the clock read 4 min.

42 secs. and the Comet fans suddenly dismissed all thoughts of mass Hari-Kari. At least for the moment they did for none were fully aware what that last 4 min. of play was to bring. "Never again" we heard 1 fan moan as he watched Syosset finally run out of fuel on the Comet 11. And then when Hicksville gained possession with less than 2 minutes to play the Comets filled the air with an umbrella of passes, that had the loyal & the lonely gasping for breath. "Good Lord", another bloat bleated... If they intercept one of those bombs... we're dead". And so it goes with the X plus Y mathematical equation of High School Football. It's a great way to spend a balmy October afternoon... but it's hell on the nervous systems of the fans... the coach... the refs... and especially the dyed in the wool football nuts. Final score Hicksville 20 Syosset 14. The Comets face Plainview (at home) this Sat. Look for a Hicksville win.

JAYVEES BOMB BRAVES 33-12... Chalk up a 5-0 season for the Comets J.V.'s by virtue of last Sat. morning's 33-12 win over Syosset. Quarterback Jeff Doolittle had a hand in all 5 of Hicksville touchdowns. He scored twice on runs and saw 6 of his passes hit paydirt. John Burke caught 2 and Johnny Dunaj 1. Number 4... a 60 yd. completion to Mike Mastello was called back on a penalty. And that in case you've been following the fortunes of the Jayvees amounts to a total of 9 scoring T.D. passes for Doolittle... plus 6 he scored on runs. He's a chalk bet for Tomorrow's Varsity. Hicksville face Plainview (away) this Sat. morning at 10:30 am. Our crystal ball sees a 6-0 mark for the locals.

NAD STILL MORE FOOTBALL ... Finds the Jr. High Atom's beating Salk 26-6 for their 3rd win in a row. Scorers for Hicksville were Dwight Eirich (2) and Charles Levine and Ron Carman 1 apiece. Eirich & Carman scored the points. Tom Lee, Matt Eirich, John Judge and Ray Kretz were cited for outstanding defensive work.

X-COUNTRY CAPERS ... Include a 5-0 record for the Comet Harriers... and another giant step toward their 2nd consecutive North Shore Championship. Record holder Tom Scanlon added another laurel to his belt by coming up with still another mark in the recent meet with Clarke. Scanlon topped the field and set a new standard of 14.01. Ray Gutoski finished 2nd (14.32)... Ron Morvillo 3rd (14.34) Chris Cronin 5th (15.19) and Paul Bonazzi ran 6th with a 15.35 effort. The Comets finished up their season against Plainview the Tues. prior to this issue.

KING FOOTBALL (It's oddities) How best to describe the fickle nature of High School football fans in general. They bask in the sunlight of a winner but look for scapegoats when the shoe is on the other foot. And this is especially true with the armchair quarterbacks (a bare 1 % fortunately) who for some strange reason enjoy seeing their team lose. And for this reason this column plugs the Saturday heroes who have so consistently grabbed their fair share of the wins. Accolades also to the High School football coaches (like our own Jim Grantham & Ron Benizio) who when the occasion calls for it can lose with equal grace.

President's Corner

by Arnold F. Winant

On Friday, Oct. 23rd, I received a telephone call from Ed. Poulos. (Ed Poulos is our town councilman and presently running for the office of District Court Judge). Ed Poulos has worked with us on our traffic light problem. It seems as though our light has been approved and the contract for its installation will be let sometime in December. From all appearances it seems as though we will have our light by February of 1965. Good safety to you all.

Another matter which Ed Poulos has been following for us is the problem of the Cantigue School crossing at Niagara Drive between Orange and Saratoga Drives. Ed Poulos advised me that he had contacted the Inspector of our local precinct who advised him that a better traffic control will soon be instituted.

There is not much that I can say about our dangerous school crossing. Everyone in the community recognizes the problem but no one seems to want to do anything affirmative about it. The Civic Association has written articles, the police have stationed unmarked cars in the area, the school administration has set up a system of monitor guards at the crossings and sent home printed material to parents. The only people who fail to recognize and remedy the problem are the mothers and fathers who drive their young ones to school. For the most part, the Cantigue School population is composed of West Birchwood walkers. Your children and the children of your neighbors. The problem has been created and aggravated by parents who still insist upon driving their children to the school and, in so doing, create congestion and interrupt the orderly flow of pedestrian traffic.

From our view of Orange Drive we can see some of these mothers racing to beat the late bell, parking and double parking in the street, failing to make full stops at corners and crossings, discharging their young and unknown passengers from the wrong side of their vehicles into the mainstream of traffic and otherwise acting in a negligent and reckless manner. The lives endangered are those of children. WE CANNOT AND WILL NOT ALLOW THEM TO BE ENDANGERED. We will fight this matter to a successful conclusion no matter how long it takes and without regard to the effort. The end result will be unsightly control devices in your community, strict law enforcement and the possibility that the names of the offenders will be published in this newspaper for all the world to see. DON'T LET THESE THINGS HAPPEN DON'T ALLOW A CHILD TO BE KILLED OR MAIMED BEFORE YOU UNDERSTAND THE SERIOUS CONSEQUENCES WHICH MAY RESULT BY YOUR NEGLIGENCE ACTIONS. Remember that you are an adult, and drive like one. Remember that you are putting your three or four thousand pound machine against the frail bodies of children. We are contacting the school authorities and the local police precinct and we want nothing less than the revocation of the li-

Elowsky Nabs Local Intruder

by S. Grubin

IT CAN HAPPEN HERE - A friend and neighbor, Lawrence Elowsky, 30 Orange Drive, had returned to his home Saturday night, Oct. 10, about 11:30 P.M., to walk his dog. After attending to this chore, he was about to return to the home of friends a few blocks away when he noticed an apparent stranger walking back and forth on Orange Drive between his home and the home of a friend. After observing the stranger for a few minutes he asked him his business and the reply was "Go away, leave me alone. Larry, knowing there was something very wrong, stayed put watching and hoping someone would come by so as to notify the police.

The few cars that past ignored his blinking headlights and flagging efforts. Finally a neighbor across the way came out and Larry told him to call the police. He did and two patrol cars came from opposite directions, approached the man who began backing away and finally after a struggle the police subdued him and took him to the stationhouse. It later turned out that he was an escapee from a mental institution in Massachusetts.

Shocked? It can't happen in our community? How? What? When? Where? It can and did and if not for an alert person, someone might have been badly frightened to say the least.

The how of it all is that it seemed strange to Larry to see someone he did not recognize roaming our street at midnight, plus the fact that his attire was to be desired and furthermore, he was well aware that "The Grubbin's" were at the home of the friend he was to return to.

I know we all owe him a great big thank you and we should all be prepared if such an incident should confront us.

Board Adopts Several Policies

by Selma Constant

The Jericho Board of Education on Oct. 19 adopted various policies standardizing educational practices in the Jericho schools. Dr. Carey, Superintendent of Schools, submitted to the Board a detailed policy on homework which was passed by the Board. In brief, the policy states that well planned homework is a necessary adjunct to school work and homework should be assigned generally as follows: Grades 4-6, 40-60 minutes per day; grades 7-9, 7-8 hours per week; grades 10-12, 15 hours per week; grades K-3, type and amount left to discretion of teacher. The homework assigned is additional to any incomplete school work.

The Board also adopted a policy standardizing report card marks throughout the district. In the elementary grades the marks will have the same significance that they have in high school, namely A 90-100; B plus, 85-89; B, 80-84; C plus, 75-79; C, 70-74; D, 65-69; F, below 65 failing.

The Board accepted Dr. Carey's master calendar of work that the administration plans to accomplish. Among the priority items are formalizing the Dynamics of Communism course, broadening of the team teaching concept in grades 9-12 and expanding Saturday seminars grades 7-12. The calendar also calls for expanding school library facilities and developing a modified program of ability grouping.

The Board will be granting inservice credits to teachers for work done on faculty committees.

A bus safety program for drivers was instituted so that the district's insurance rates can be lowered.

On Saturday Oct. 31 at 1 P.M. the high school addition ground breaking ceremony will officially take place.

BREAK GROUND OCT. 31

Ground breaking ceremonies for the new addition to the Jericho High School, Cedar Swamp Road, will be held at 1 p.m. on Saturday, Oct. 31. Immediately following the ceremony Jericho High will meet Locust Valley High on the gridiron. All members of the community are cordially invited to attend.

Ten Pin Talk

by Henry Dockswell

Our first Position Night saw Al Gursha's #13's still on top, as Bill Kellerman rose to the occasion this week with his second of the year, a 208. Cap't Al also chipped in with a pretty

fair series as he raised his average two points. Result was they trimmed Leo Geyer's "Geysers" 5-2.

Cap't Sid Sachs returned to his team and helped spark them to a shutout win over Ruby Skyles' "Rubes." The rest of Sid's "Sad Sacks" were right in there with him. Len Wain-

BOOK FAIR SET

An Open School Night and Book Fair will be held at the Sholem Aleichem Folk School of the North Shore Monday evening, Nov. 9, according to Stan Rosenthal, Adult Education Chairman. The school, which meets at the Jericho Country Club, is a Jewish Cultural Sunday school.

ick raised his average 4 points, Ralph Diamond and Jack Jacobs raised theirs 2 points and Sid's 4 point jump completed the rout of the Rubes. Cap't Ruby tried to stave off this defeat as he raised his average two points to a healthy 169, but he had no help. The "Sad Sacks" are now in 2nd place only two points behind.

The "Minnows", captained by Al Minoff, proved to be pretty big fish Monday night. They swallowed Nat Warren's "Gnats" with scarcely a gulp. Inspired by Horace Bernstein's entry into the charmed circle with a 206, they blanked the Gnats 7-0 and rose to 5th place, just five points away from 1st place.

Murray Gittelman came up with his second fine effort of the year, a 219, and led his #9's to a 5-2 victory over Julie Gershen's #16's. Murray was in a bit of a slump, but he has raised his average 12 points in three weeks and has helped his boys go from 7th to 3rd place.

Hal Garfinkel had the biggest jump in average Monday night. He finally perked up, raised his average 7 points and inspired Art Rosenthal's "Strugglers" to a 7-0 win over Morry Herrick's slumping #11's.

This coming week the entire first division will be battling within itself. Not quite another Position Night, but almost, so that the results could easily make for a new alignment.

Legionnaire's Log

Charles Wagner Post
No. 421 Hicksville

by ARTIE RUTZ

We were out again last Sunday with our Junior Post Band asking the Veterans who live in the Northwest corner of Hicksville to join the Charles Wagner Post and help The American Legion in its fight to recover something that the veteran will lose. We were speaking mainly about the refusal of the government to further invest in national cemetery property and by 1974 there will be no burial plots for the veteran. I asked quite a few of the veterans whose door bells I rang that day, just what they had intended to do about this right that was being taken away from them. They all admitted, to a man, that alone they could expect nothing and was useless to even try. But, again to a man, they agreed it takes organization to fight a deal like that and that The American Legion had that very experienced organization. But, the big thing I reminded each and every one was that unless we had their membership, even The American Legion would be fighting a stiff uphill battle. The reason behind this thought (and its true) was that of America's 14 million veterans who are entitled to join various veterans organizations, less than 34% are members in any veterans organization. And don't you think the schemers holding the purse strings in the government take great cognizance of this. As I have said over and over again, every day in any way, somebody is trying to

steal the veteran's rights away! The American Legion being the world's largest veterans organization is the leader in the never ending struggle to uphold the rights of all veterans, but membership is vital as ammunition is in any battle. We must talk to Congress with numbers, hard, cold, realistic membership numbers. Not "maybe I'll go down to the next meeting to sign up." Think it over you veterans of Hicksville to whom we talked and let's see some action on your part!!!!. Thanks a million to our "cooks" that day who whipped up that delicious cocoa for the band members upon their return to the clubhouse, Mrs. Seitz, Mrs. Puskoris, Mrs. Combe and Mrs. Hochbrueckner. Thanks to the topsoil detail for filling in and leveling our front

lawn last Saturday, Al Martin, Artie Schneider, Artie Hirsch and your commander. And thanks to Jack Ehmann for the loan of truck to do the job with and thanks to Henry Brengel for allowing the Legion to take some of his topsoil for the job. And thanks to Pete Guadagno for seeding and rolling the new lawn and his donation of the seed. More thanks to Gene Innes for noting the missing receptacle plates in our lower hall and doing something about it!!!!. And thanks to Pete Seitz for his labor on the new coat racks that now grace our establishment. And Joe Perra has been working real hard building our new kitchen cabinets which will be ready soon. And more and more thanks: To Dick Hochbrueckner for his work installing additional speakers in our building to handle the Bingo games which we will hold every Tuesday starting on Election Night, November 3rd. Don't forget to get out and vote!! And thanks to Al Carpenter for installing the dimmer switches on our Victory Room lights, also made necessary by our Bingo games. And finally, thanks to Paul Spillane and Peter Amoroso for joining our great American Legion. See you Tuesday at the Bingo!

In Feb., 1964 Derounian finally gave up and voted for a formality called a conference report.

HOW MUCH DO YOU REALLY KNOW...

ABOUT THE MAN WHO WANTS YOU TO SEND HIM TO CONGRESS IN PLACE OF YOUR SIX-TERM CONGRESSMAN, STEVE DEROUNIAN?

READ THESE FACTS...

THEN ASK YOURSELF: "IS THIS THE KIND OF MAN I WANT TO REPRESENT ME IN THE CONGRESS OF THE UNITED STATES?"

HERE IS THE RECORD of the DEMOCRAT-LIBERAL CANDIDATE...

- ... **HE FAILED TO VOTE** in 1962 and again in 1963, even against Congressman Derounian whom he now opposes, and
- ... **HE WOULD NOT SIGN** a postcard this past winter which would have kept his voting rights in force, so
- ... **HIS VOTING REGISTRATION WAS CANCELLED** in March, for double failure to vote and for declining to return the card, and
- ... **HIS PARTY ENROLLMENT WAS CANCELLED** at the same time for the same reason, so as of now
- ... **HE ISN'T A DEMOCRAT AT ALL.** None of this bothered him — until he was named a candidate for Congress, after which
- ... **HE SNEAKED ALL THE WAY** across L.I. to Valley Stream, re-registering there rather than at his home town of Great Neck, to avoid being spotted by his friends and neighbors. Then
- ... **HE NAMED AS HIS CAMPAIGN MANAGER** a man who had voted only *once* in 21 years of eligibility, and whose own registration had been cancelled, and
- ... **HE PICKED AS HIS CAMPAIGN CO-ORDINATOR** a Queens carpetbagger who doesn't live in our District, can't vote for his own candidate, and hasn't voted for *anyone* for the past four years. As for the candidate for Congress himself,
- ... **HE NEVER ONCE** wrote or wired or called or visited Congressman Derounian to offer any criticism, comment or suggestion on any public question during the 9 years he's lived in our District. In short,
- ... **HE HAS A RECORD OF COMPLETE INDIFFERENCE TO PUBLIC AFFAIRS.**

...and THERE'S MORE:

- ... **HE DIDN'T TELL YOU** that he and his firm had been since 1961 registered agents for a foreign government (the Philippines) and registered Congressional lobbyists for that government, and
- ... **HE DIDN'T REVEAL** that his firm had an \$8,000-per-year contract to promote Philippine interests in the U.S., because
- ... **HE KNEW YOU WOULD QUICKLY PERCEIVE** that there would be an obvious conflict of interest involved if he were a member of Congress while at the same time closely tied to a foreign government directly interested in such legislative matters, as war claims, tariffs, import quotas, etc. For his own reasons,
- ... **HE DECLINED TO SEVER** his foreign affiliations immediately upon being named a candidate for Congress on April 1, 1964, *as he should have done*, and
- ... **HE DECLINED TO CANCEL** his registrations as a foreign agent and a lobbyist at the same time, *as he should have done*. Then, too,
- ... **HE DECLINED TO ANNOUNCE AND EXPLAIN** his whole relationship with the foreign government at that time, *as he should have done*. He didn't tell us that
- ... **HE CONTINUED HIS CONNECTIONS** with the Philippine Government *after being nominated*, as indicated by his signed report to the Justice Department on April 30, 1964 (a month after his nomination) showing no change in his firm's affiliations. And
- ... **HE VISITED HIS CLIENT** in Manila a month or so later, returning with an offer from a Philippine Government agency, a client of his, soliciting bids on machinery for a fertilizer plant to be built near Manila. But
- ... **HE DIDN'T TELL YOU** that this offer came from *his client*; he said that he had obtained it from "old friends," and
- ... **HE PRETENDED** that this business trip was a "fact-finding trip at his own expense" to see what the "situation" was in Asia. Further,
- ... **HE HAS NEVER SATISFACTORILY EXPLAINED** how it was that he was permitted to go on "trade missions" at government expense in 1962 and 1963 as a U.S. representative — at a time when he was a registered, paid agent for one of the foreign governments with which the missions dealt.

...and THERE'S MORE:

- ... **HE REPORTED**, on his return from Asia, that Ambassador Henry Cabot Lodge, a distinguished Republican, had told him how he could beat Congressman Derounian in this fall's election. But
- ... **HE WASN'T TELLING THE TRUTH**, Ambassador Lodge promptly denied making any such statement, and said he supported Derounian. That didn't stop the candidate;
- ... **HE BEGAN REPEATING THE 1962 LIE** that Congressman Derounian was somehow connected with the John Birch Society, which is *false* and which the Congressman had exposed as false in his statement of October 15, 1962. The candidate continued to spread the smear canard against Derounian, and when
- ... **HE WAS ASKED TO STOP THE SMEAR**, thru the non-partisan Fair Campaign Practices Committee, which had investigated the same matter previously and branded it as an unfair smear,
- ... **HE NOT ONLY CONTINUED THIS SMEAR**, but added another:
- ... **HE DELIBERATELY MISREPRESENTED** Congressman Derounian's voting record on such important issues as the tax cut, tax reform, foreign-trade expansion, housing, Federal aid to education, the \$1.25 minimum wage, the U.N. Bond Issue, etc., and when
- ... **HE WAS CALLED ON THIS** by the same Fair Campaign Practices Committee,
- ... **HE KEPT RIGHT ON MISREPRESENTING AND DISTORTING DEROUNIAN'S RECORD. HE IS STILL DOING IT.**

...and THERE'S MORE:

- ... **HIS CAMPAIGN** people issued a fake "news release" over a non-existent name, stating that Congressman Derounian had violently shoved an elderly lady — a charge which was *completely false*, as eye-witnesses attested. When a newspaperman asked the Democrat-Liberal candidate about this fake "release,"
- ... **HE SAID HE KNEW NOTHING ABOUT IT**, and that it didn't come from his campaign headquarters. But his campaign co-ordinator told *another* newsman that
- ... **HE (THE CANDIDATE) NOT ONLY KNEW ABOUT** the fake "release" but had actually praised the campaign volunteer who had written it.

...THERE'S A LOT MORE, TOO:

- ... **HIS BOATING JAUNTS** around North Shore harbors this summer, telling boat owners that their broken propellers were Congressman Derounian's fault — probably the most ridiculous charge ever made in any campaign,
- ... **HIS SOLICITATION AND ACCEPTANCE** of Liberal Party endorsement, with the Liberal platform pledges to spend massive amounts for "pie-in-the-sky" projects, to break up our neighborhood school system, to discriminate against private- and church-school students, to kill capital-gains tax rates and investment credits, etc. — while he tells you he's a "moderate," "middle-of-the-road" candidate;
- ... **HIS EXTREME LACK OF GOOD TASTE** in publishing, in a political propaganda brochure, a photograph of himself with the late, revered Pope Pius XII — whom he had interviewed briefly back in the 1950's.

... YES, THERE'S STILL MORE, BUT ISN'T THIS ENOUGH?

Really, is **THIS** the type of man you want to represent **YOU** in Congress?

IF NOT,

Post No. 3211
by Eddie Klebing

Some tickets are still available for the BIG "Little Old New York" dance to be held at the Post this coming November 7th. Call Eddie Klebing NOW at WE-8-3463 for tickets and reservations if you're interested in journeying back to the days of the gas light era.

The Ladies Auxiliary is looking for drivers for their monthly bowling nights at the veterans hospital in Northport. For information call Hospital Chairman, Pat Williams at WE-1-4677.

Members can maintain their continuous membership in the VFW by paying their 1965 dues now. While the deadline of December 31st seems a long way off, bills have a tendency to pile up during the end of the year because of the holidays. Your early remittance of dues will make this one bill less to worry about at that time of the year.

As in years past, the Department of New York is mailing Christmas Greeting cards to all VFW members in the State

of New York. The low cost of \$1.25 per box will help the VFW continue the necessary projects that benefit the sick, needy and disabled veterans, their widows and orphans. The donation for the cards is your Christmas gift to them. Send that money in now.

This coming Tuesday is Election Day. Veterans organizations, just as others, know the importance of the active voting citizen at the polls and urges them to use this privilege whenever called upon. One vote determined the destiny of the nation several times. John Quincy Adams and Rutherford B. Hayes were both

elected to the presidency by only one electoral vote. One vote decided the statehood of California, Idaho, Oregon, Texas and Washington. The Draft Act that helped the nation prepare for World War II was passed by only one vote. So it could be that the one vote you cast this coming Tuesday may be the one that counts. Don't abuse it. The importance of Election Day is partially reflected in a resolution made at the last V.F.W. National Convention urging the Flag of the United States be displayed on Election Day. See you at the polls.

L.I. PRESS

endorses POULOS...

for District Court Judge

FRIDAY, OCT. 23, 1964 EDITORIAL

"There are four openings on the District Court bench, all created by the legislature this year.

Of the eight candidates, only one, because of distinguished prior public service, will be singled out here.

We refer to Edward J. Poulos, Oyster Bay Town Board majority leader and former deputy town attorney, who has proven qualities of leadership and statesmanship. Although the junior councilman on the town board, he was elected majority leader this year. Faced with a town supervisor of the opposing party, Mr. Poulos has kept the town government perking along, instead of letting it drag down into a sea of partisan acrimony."
