Arm Carriers With Spraycans

Hicksville and Plainview letter carriers are now provided with a repellent spraycan to ward off attacks by dogs. The repellent, which consists of a combination of mineral oil and cayenne pepper, is harmless but will cause an attacking dog to retreat at once.

According to Acting Postmaster Irene L. Murphy, several letter carriers in the Hicksville-Plainview Post Office have been bitten by dogs in the past year. The repellent was developed because of the excessive cost of such injuries nationwide to the taxpayer.

All dog owners are reminded that it is still their responsibility to keep their dogs tied. The regulation that mail may not be delivered where a dog creates a menace to the carrier is still in effect. The repellent has been tested in several areas and has the approval of humane societies throughout the United States.

Thomas J. Fox, 16, son of Mr. and Mrs. Thomas D. Fox of 14 Larch St., Hicksville, completed basic training Oct. 16 at the Naval Training Center, Great Lakes, Ill.

SPEAKING OUT ON SCHOOL AFFAIRS

To the Editor:
Although I have long been an observer of local school affairs, I have only lately come to realize the necessity for speaking out to register some vehement protests. Some of the items detailed below have occurred with alarming frequency over the past years and some have occurred only very recently. In good conscience I can no longer gloss them over and hope they will not recur if I keep silent. Agreeing with Edmund Burke's lines, "All that is necessary for the forces of evil to win the world is for enough good men to do nothing", I have therefore written this letter to Commissioner of Education James Allen and the people of Hicksville.

I am ashamed to admit that I live in a community in which the following is possible:

*The sight of adult citizens, theoretically supporting "better education", pounding on tables at a public meeting to prevent the Board of Education from conducting business - and in full view of youngsters.

*Senseless verbal attacks on citizens who dare to express an opinion, verbal or written, which differs from that of the table-pounders and a single member of the Board of Education.

*The Superintendent of Schools being subjected to a barrage of personal abuse the like of which cannot be described or imagined. Two years of smear, innuendoes, and vilification on a personal level bearing not the slightest resemblance to constructive educational criticism.

*Accusations and insinuations designed to make most members of the Board of Education resemble guilty schoolboys caught with their hands in the cookie jar.

*A member of our Board of Education deliberately or through ignorance publicly quoting out of context from a book by a nationally-prominent authority on semantics in order to project the exact opposite of what the book was teaching.

These events and many similar ones which have occurred here stagger the mind. Where are we? In Nazi Germany? In Russia with a shoe-pounder of former fame? Not at all - we're in Hicksville. If it can happen here, it can happen anywhere! If today the school superintendent, School Board members, and well-meaning citizens are vilified and legitimate books distorted, what will be next? Must these irrational rantings make on-lookers cringe while the last shred of human dignity is torn away from one and all?

The real tragedy is the effect of all this on education. The educators' time and energies must be spent in rebuttals and defense, rather than on improving the system. Valid and significant educational criticism by responsible citizens must be abandoned to the necessity of defending everything in sight from inhuman attack. Any district needs people who wish to improve the schools constructively, seeking methods by which educators and community can cooperate to find educationally-sound solutions to complex problems. No district needs blink opposition, personal vilification, and verbal garbage-throwing.

The conclusion is inescapable - an organized effort is underway not to improve education here but to destroy it. Those who join in this by seeking simple answers and live scapegoats are as gully as those with politically-inspired motives who seek to intimidate dissenters into silence.

Public service on a local level has never been able to attract a surplus of qualified individuals

eager to serve without recompense for many hours each week. Events such as those listed above would give pause to anyone considering such service, and may make it well-nigh impossible to find anyone in his right mind willing to subject himself to such abuse. Educators as well will not seek out a district which permits them to undergo such attacks. Teachers may well feel reluctant about entering a district which permits distortions of books to go unanswered and in which they must fear the consequences of their slightest innovations.

By their safe silence (including my own until now), the decent and responsible citizens have allowed these conditions to exist and thrive.

LIBERAL ROLE

To the Editor:

I would like to call your attention to the role of the Nassau Liberal Party in this year's election and the major role it has now achieved in the political life of our community.

Many mentions have been made since Election Day to the dramatic victories of Lester L. Wolff to Congress in the 3rd District; Franklin H. Ornstein as Nassau County Clerk; Herbert Sacks as Assemblyman in 5th Assembly District; the re-election of Senator County Court Judge James L. Dowsey, Jr. to the County Court and the election of Martin M. Kolbrener and Douglas F. Young to the County Court and to the election of Alfred J. Samenga and L. Stanley Rosenthal to the District Court in the 2nd District. However, the role of the Liberal Party in providing them with their margin of victory has been almost completely overlooked. Any analysis of the voting results will show that none of the aforementioned candidates could have been elected without their votes on the Liberal Party line. It was the Liberal votes which made the difference in each case.

That the Liberal Party has a major role to play in our county and is now doing so was amply demonstrated on November 3rd. President Lyndon B. Johnson received 28,374 votes on the Liberal line - an all-time high and an almost 50% increase in its Presidential vote over 1960.

I should also like to point out that of the candidates mentioned who owe their victories to the Liberal Party, all except one were Democrats. It should be noted, however, Republican Senator County Court Judge James L. Dowsey, Jr. has been returned to the bench because of the independent action of the Liberal Party and its belief that a sitting judge with an excellent record should be supported by all political parties for reelection.

I must also point out that the Liberal Party vote was also most important in the victories of Peter Rocchio as Comptroller, Alicia R. O'Connor as Family Court Judge and Alexander Vitale as District Court Judge in 4th District. Had the Liberal Party supported the Republican in these three cases the Republican candidate would have been victorious and the outcome of these elections reversed.

In addition, had the Liberal Party supported the Democratic candidate for the State Assembly in 3rd Assembly District, he would have won.

We are also delighted with the victories of Democratic-Liberal candidates Eugene H. Nickerson, re-elected as our County Executive; Thomas Dugan as Sheriff; Herbert Tenzer as Congressman in the 5th Congressional District and John Thorp, Jr. as Assembly-

NEW STAFF members at Trinity Lutheran Church and School, Hicksville, was greeted by the Rev. Edward H. Stammel, pastor, at right, this week. From the left are Martin J. Schuppan, youth director; Allan R. Maier, fifth grade teacher; Robert Klausmeier, fifth grade teacher; Carl Voges, vicar; and Marjorie Nordbrock, second grade teacher.

man in the 6th Assembly District, and to have played a role in their victories.

On behalf of all of the people in the Nassau Liberal Party who have worked so hard to build their party into a vital, independent force in the political life of our county, I strongly suggest that these facts be brought out in your publication either by publishing this letter or in whatever editorial form you choose. I would be happy to furnish you with any additional information you may require.

Diabetes Testing Here Sunday

Free one-minute tests to detect unknown diabetes will be offered to any resident on Sunday morning, Nov. 15, from 9 A.M. to 12 noon at the Charles Wagner American Legion Hall, 24 E. Nicholas St., Hicksville, without appointment.

The only requirement is that the person to be tested have a full breakfast one to two hours before appearing for the test. The recommended meal consists of one 8 oz. cup of orange juice, one 8 oz. serving of cereal (hot or cold), with one 8 oz. cup of milk, one egg (if desired), two slices of toast with 1 tsp. of jelly, a hot beverage (tea or coffee without milk, if desired) and one tablespoon of sugar which can be had in the cereal and hot drink. The meal should be finished in a 15-minute period and then appear for the test within two hours.

Correction:

At least a dozen readers called the attention of the HERALD to the obvious fact that addition on the county clerk race in Hicksville in last week's issue was in error. Francis Anderson, Republican incumbent, carried Hicksville with 11,241 votes (we reported 10,634) as against Franklin Ornstein's 8,707 (with 11,185 reported).

An Editorial: Help Our Fire Dept

This year, more than ever, the Jericho Fire Dept. wants your help. GIVE TO THE ANNUAL WELFARE FUND APPEAL.

The Jericho Fire Dept. consists of our own volunteer neighbors, who spend a good deal of their own time protecting us and our homes. For this service they receive no pay. All they ask is a penny a day to help offset various expenses that arise each year in the line of doing their job.

Certainly these men do not enjoy ringing doorbells asking for your contributions. However, this is about the only way they can remind the community that they need their help. We can all make their tasks a little easier by mailing our contributions in today, DO IT NOW, send your check to the Jericho Volunteer Fire Dept., Jericho, N. Y.

Jericho High Wins 1st Crown Requesting Bids On Post Office

The "Jayhawks" of Jericho met the Green and White of Locust Valley and beat them soundly 19-7 in a very well played game, on Oct. 31 at Jericho High. The game clinched the North Shore Division 4 Championship for Jericho and climaxed a Division 4 undefeated league season beating Wheatley, Oyster Bay, Floral Park and Locust Valley.

Coach Suprina was very proud of the performances of all of his players but they played "heads-up" ball. Nate Katz and Mark Mandell were responsible for Jericho's scores. The Jericho players hit hard and took advantage of many of Locust Valley's mistakes in the form of fumbles and intercepted passes. With many sophomores and junior players on the team, 1965 looks very promising.

The turnout was an improvement over previous attendances and with a winning team, Jericho is considering erecting spectator stands to accommodate its increasing fans.

The Post Office Dept. is seeking competitive bids for improved quarters to house its postal operations at Jericho. Postmaster General John A. Gronoski announced today.

Under the Department's Lease Program, a contract will be awarded to the bidder who best meets the Department's needs and agrees to improve it according to departmental specifications and then lease it to the Department for a basic period of ten years with four separate and consecutive five-year renewal options.

The Department's capital investment will be limited substantially to postal equipment. The building will remain under private ownership, with the owner paying local real estate taxes.

Bidding documents will be available on or about Oct. 27, and may be obtained from George H. Wolff, Regional Real Estate Officer, P.O. Box 430, First and Main Streets, Mineola, 11502. The Real Estate Officer will supply bidding forms, specifications, lease provisions and other information. Bids must be submitted to the Real Estate Officer by Dec. 16, 1964.

CAKE SALE

George A. Jackson P.T.A. is again having a their much enjoyed by children of all ages, "Cake Sale" on November 19. The "Cake Sale" will be in the lobby of the Jackson School between the hours of 10:45-3:00 P.M.

President's Corner

By Arnold F. Winant

This week the community viewed with satisfaction the activity of the local police dept. in the enforcement of traffic regulations in and about the Cantigue School crossings. Enforcement of traffic regulations in that area has been long overdue and the absence of such enforcement in the past, has caused these crossings to become increasingly dangerous.

It is not the policy of your civic association to see the beauty of this community marred by offensive signs and signals nor is it our policy to have our residents harassed for minor offenses. However, you must understand you have brought this situation upon yourselves and we intend to see it continue until all who drive in these areas learn to exercise extreme care and observe the rules of common driving courtesy. We have warned you many times but you paid no heed. We want to continue our warning and let all of the wrongdoers know that this enforcement will become stricter before it becomes more lenient. If you don't want it to continue, then act accordingly.

PTA Doings

A Covered Dish Supper was on the agenda of the last George Jackson School P.T.A. meeting held on Nov. 2, at the school.

Many of the teachers joined the parents for supper and heard the guest speaker Mrs. John Walbridge, Nassau Coordinator of American Field Service. Mrs. Walbridge had two exchange students, a boy from Laos and a girl from Babylon who has studied in Finland with her.

and the importance of a library to the growth of a young community. Let us all thank this group and their director, Mrs. Ruth Lang, by giving the library your vote of confidence. November 20th is the day all of you can cast your ballot for an enlightened community by VOTING LIBRARY.

West Birchwood Approves Library

The Board of Directors of the West Birchwood Civic Assn. has approved the establishment of a Jericho Library as presented to the community by the Jericho Library Committee.

There were many questions posed to Mrs. Ruth Lang (chairlady of the Library committee), who attended the meeting and the answers resulted in a unanimous approval of the Nov. 21st Referendum by the Board. The Board not only approved the establishment of the library but it also voted to actively support the library group and the candidates as trustees.

The Board had acted upon the recommendations of the Education Committee, who through its chairman J. Strauss had strongly urged its acceptance after careful consideration and investigation of the situation.

The Board also heard, with a good deal of excitement, the plans for the gala election night dance on Dec. 12th at the Americana Country Club. Joel Zimmerman, who is heading the committee, told about the five piece band which had been obtained as well as the excellent vocalist and comedian who are also on the program. The evening is definitely going to be one of the highlights of the Jericho season. There is no charge for members of the Civic Association, if there are any doubts as to your status it is advised that you check now as to your membership. It is also suggested that baby-sitters be arranged as far in advance as possible.

Democrat Leader Thanks Voters

Allan Kaplan, Syosset-Jericho Democratic Club zone leader, expressed appreciation and gratitude for "the overwhelming expression of interest and concern in the state of our body politic" which resulted in 92 percent of the eligible voters in the area turning out to vote on Election Day.

"The percentage of those voting on Tuesday was actually closer to 97 percent," Kaplan pointed out, "inasmuch as many voters registered in the area have moved away since the last registration figures were compiled."

Dr. Carey Speaker

"Accentuate The Positive" seemed to be the theme of Dr. Carey's address to the Jericho High P.T.A. on Oct. 21st. Accentuate progress in the school system and eliminate those things that are no longer of use for the education of the students, he said. Dr. Carey emphasized the problems of teacher selection as well as the acceptance of changes in methods.

The library will remain open Saturday for three hours due to overwhelming demand. He urged that parents utilize the yellow booklet guide to assist and understand the curriculum and all the activities vital to our high school students.

"There would be fewer pedestrian patients if there were more patient pedestrians."

Ten Pin Talk

by Henry Dockswell

Bill Kellerman and Herb Rudes are making full blown hurricanes out of Al Grusha's "Zephyers". Bill and Herb each bowled their fourth 200 game. Bill's 219 and Herb's 203 led the Zephyers to a 5-2 victory over Norm Ney's, "Pinheads" and they now lead the race for the Most 200 Games Trophy. They also helped amass a new HI Team Series Scratch of 2515 and the Zephyers are still in 2nd place only two points behind Sid Sach's "Sad Sachs".

The main reason the Sad Sachs are still leading the league is Lenny Wadnick. Once again Lenny murdered the pins. He came up with his first charmed one, a 204, but he continued to blast away and hit a new HI Individual Series of 596. In four weeks Len has now raised his average 19 points. His latest shenanigans (and all right-handed too) led the Sad Sachs to a 5-2 win over Nat Warren's "Gnats".

In 3rd place and fighting hard to keep up with the leaders are Murray Gittelman and his #9's. Murray threw his third good one, an even 200 and sparked his men to a 5-2 victory over Ruby Skyler's luckless "Rubes".

Ruby's Rubes are really having a trying time. After a good start found them in 1st place, they have been unable to win a series in the last five weeks and have slowly sunk down to 10th. Even this past week Cap't. Ruby's third good one, a 203, and team-

HENRY DOCKSWELL

mate Marv Cohen's effort, a 211, were still not enough.

Mike Hauptman made his entry into the magic circle with a 202 and a very timely entry it was. Coupled with Leo Geyer's good series which raised his average to a strong 173 the "Geysers" were able to overcome Tony Barbella's #8's by a score of 5-2 and remain in 4th place only five points off the pace.

Sid Holtzman bowled his second good one, a 210, and Cap't. Julie Gershen of the "Untouchables" joined the Club with a 202.

The only sweep of the night was accomplished by Art Rosenthal and his "Struglers" as they swamped Morry Herrick's "Giants".

The Sisterhood of Temple Beth Elohim located on Round Swamp Road, Old Bethpage is holding a Donor Bazaar on Sunday, Nov. 15 from 2 p.m. to 6 p.m. at the Temple.

Trick or Treat For PTA

The Robbins Lane P.T.A. held a trick or treat Luncheon Fashion Show on Saturday, Oct. 31, at the King's Grant Restaurant, Plainville.

The Fashion Show, sponsored by the leading Lady of Mid-Island Plaza in Hicksville, displayed the latest in Fall and Winter costumes. The models included Robbins Lane principal Mrs. Grace Dondoro, Rhoda Epstein, Ruth Lane, Janet Ciardulli and Barbara Hariton. The commentary was done by Adele Glucksmann.

Marcia Muenz, of the Ways and Means Committee, thanked her committee members with a gift of a pen to each, donated by The First National City Bank. The success of the affair was due to the conscientious work of all concerned. Many thanks to Phyllis Sabele, Shirley Armstrong, Harriet Cohen, Arlene Donovan, Rhoda Epstein, Adele Glucksmann, Ruth Elkins, Peggy Roach, Bobbie Skyler, and Joyce Scaduto.

Youth Group Has a Ball

Youth Group of Shaarel Zedek had a ball at their Mid October meeting. Bob Wasserman, handwriting analyst, visited. He entertained the Youth Group by using each child as a subject. His character analysis was so accurate that the children roared their approval. Wasserman teaches this subject at the Plainview High School.

Urging Study Of Track System

The membership of Parents and Residents for Better Education is in complete agreement with the resolution, submitted in a letter to the Hicksville School Board by Mr. D. Trabich, that a complete study be undertaken to determine a true evaluation of our present track system.

The tract system, which came into being in 1957, has never been evaluated objectively, the PRBE claims. It is time that a responsible nonpartisan agency be employed to determine whether the adoption of school reforms and new programs has truly advanced the cause of education. Or have they become a means of keeping up with the "Educational Joneses?", the group spokesman asks.

It is time to ask these questions says Florence Infantino:

1. Are the same care and consideration given to teacher assignments, or curriculum content and techniques as are given to the grouping of pupils?

2. Has the tract system provided equal educational opportunity on all levels?

School Superintendent Donald F. Abt raised a question about financing such a study, PRBE says. As of June 30, 1964 the district had an overage of more than \$ 200,000. This money had been temporarily transferred from the general fund into the construction fund, to meet the demands of bills incurred before the bond sale was completed. The sale has now been completed and Abt should have no need to seek further funds, it is asserted.

WAIT'LL NEXT YEAR..... Coach's like Jim Grantham and Ron Benizio are the kind of guys that usually walk tall in any crowd-for theirs' is the world of the unpredictable X-Y equation of High School Football. They teach the hard-nosed variety...coupled with equal doses of fair play and fundamentals and on any given Sat, their team (the Hicksville Comets) manage to hold their own on the auld sod. They win their fair share of the ballgames...lose a few with quiet dignity (sans all alibi's)... and suffer the usual pangs of torture that afflict grid buffs in general when the hometowners fall to live up to pre-game expectations. Such was the case last Sat, on the home lot. The Comet Express was sidetracked once again 29-13 and the Red Devils from Plainedge had a 20-0 lead going for them in the 1st half. "We shouldn't have lost this one," wailed the loyal and the lonely...but for the first time this season (and past) a pair of fine football coaches were exonerated from all blame. For most certainly it wasn't their fault that most of their charges decided to play the dual role of a Dr. Jekyll and a Mr. Hyde in this one. They were a quiet, uninspired Dr. Jekyll in the 1st half and a raging Mr. Hyde in the 3rd quarter. It was then Hicksville came to life breathing fire and brimstone like an old Bull Moose with a rumble full of rocksalt. They tore holes in the Plainedge offense causing a total of 4 Red Devil fumbles in the 3rd quarter alone. And then to also prove that short, curly, close cropped half-time pep talks by Jim Grantham can be fun...the Comet offense proceeded to catch fire. They hit for 2 quickie touchdowns via the overland pass route from Q. B. Denny Yatra to Bill "Crosstown" Corrigan. He's the same guy that scored Svosset with an endgame lob job with 5 min. to go. He fades into the left side of the endzone and then runs crossfield like a Hindu Fakir with a bad case of hotfeet. The end result finds him nabbing the errant sphere with a certainty akin to death and taxes. And of course this was the bright side of things. The mourning period started in the 1st quarter when the Comets fumbled the ball on Plainedge's 3 yd. line and continued when Plainedge's O.B. Jim Byrne found his lone one end Brion O'Connor outstaced in T.D. country. These facetious facts coupled with a few other assorted nightmares amounted to the ballgame...all gift wrapped for the surprised visitors to take home. It was a day to forget quietly and without fanfare...but yet it was a day for some to remember. Hicksville sorely missed the fine offensive...defensive play of H.B. Steve Schuster out with an injury. But, it thrived on the outstanding line play of Len Casolino, Tom Cara, Mark Cerone, Joe Sarno, Denny Tomine, Larry Wesolko, and Glen Olsen. And then of course there was the usual Merion Blue-blood job completed by ace district Groundsman JIM

FLORIO and Carl Fitz (Florio requested large type to honor his senior status). Both did a fine job chasing the gloating Plainedge fans out of the stadium for the last time this season. The finale is away next Sat. vs Farmingdale. If the Comets are up 11-6 they were in last week's 3rd quarter there'll be cries of "We was jobbed" in Dalerdom. If not...the WAIT'LL NEXT YEAR attitude will be a source of winter conversation, under the lights at Coach Ed Petro's Basketball Em-porium.

AND WHILE ON THE SUBJECT ...of Bad Days in Bedrock...How about the Jayvees 6-6 tie with Plainedge (away) on the host's backyard? Hicksville with a grandiose undefeated 6-0 season going for them slipped to a dismal 6-0-1 as a result of a home town decision that called for a penalty with 15 secs. on the clock. The locals paced by G.B. Jeff Doolittle had marched 80 yds. in the closing minutes of play. Then, with 15 secs. to go, Doolittle bolted through left tackle for the winning T.D. ... but it was nullified on a holding penalty. It happens every now and then when the fickle finger of fate and the men in the candy striped suits decree otherwise. Outstanding linemen cited by Coach's Bill Meyer and Bud Bryan are...Don Thompson, Jim Giarraputo and Denny Tuma. Look for Hicksville to bomb the Dalers at home in the season's finale this Sat. at 10:30 A.M. Our crystal ball sees an undefeated 7-0 record for the locals.

COMET BOOTERS BOW IN SEMI'S. "We were here before," said a surprisingly far from dejected Comet Soccer coach Larry Renn as he watched his varsity booters finally stow the nets for the season. They had just dropped a 2-0 decision to Garden City on the Adelphi Col. ice grounds...and it happened to be the semi-finals for the County Title. "They surprised me by getting as far as they did," Renn added as he probably thought of the '61 season when Hicksville after being Port Washington twice in 2 playoff games fell victim to what most consider a silly penalty-kick-ruling. Port Washington booted in G of the Hicks...Hicksville 4...and so it came to pass that Renn and his charges once again ended a season just 1 short game away from the Illustrious title. Lyle Johnson and Paul LeSeuer scored for G.C while the Comets failed to dent the nets. But Comet goalie Randy Holmes posted his most outstanding game of the season. "We were bombed all day," Renn said...but the kid (Holmes) played like a Jack-rabbit...he came up with 26 saves." Top scorers for Hicksville during the season were John Walker and Bob Baranski. High scorer Walker is also a charter member of Coach Ed Petro's Peach Basket Set.... He's a playmaker that bears watching in the days ahead.

HARRIER'S HEAVEN..... "Watch us next year...Jim Frawley," said another far from dejected Comet coach as his Cross-Country boys hung up their

spl'es for the season. His name is Fred Recher and the Frawley he was talking about happens to be the Sewanaka coach who including this year's event held last Saturday at Salisbury Park topped the County Harrier title 14 times in the past 16 years. They repeated this time with 46 pts. Hicksville finished 2nd with 68 competing against all Class A schools in Nassau County (Class A-B & C is arrived at according to enrollment. Low score wins X-Country) Sewanaka Joe Quaderer won the A event with a sparkling 12:51. Hicksville's Tom Scanlon finished a good 4th with a 13:04 effort, a scant 2 secs. off the 2nd place pace set by Jim Henry of Freeport. Perennial champ Wantagh's Ron Gustafson won the Class B event with a best time of the day standard of 12:34... good for 3 successive Section 8 titles. He's never been beaten in 3 yrs. of Varsity competition. And as we said before the Class goes according to enrollment...not ability...which makes Gustafson the finest schoolboy Harrier Long Island has ever seen. Other Comet runners competing in the A event were Ron Morvillo, Ray Gutoski, Frank Maler, Dick Marks, Paul Bonazzi, Chris Cronin and the J.V.'s crack runner Greg Dobak. Hicksville the perennial bride maid for the past 2 seasons... (repeating winners of Division and North Shore titles for both years) sort of figure '65 will be the Year of the Yum-Yum all the way...including the County title. "We'll have 5 of our top 7 runners back next year," Recher closed out.

SCHOOL CUSTODIANS ... NEIGHBORS ROUT INTRUDER. There are many (fortunately a 90% majority) who look on the modern dog eat dog way of life as something completely foreign to their natures. They find it hard to believe that a Kitty Genovese on a Brooklyn street could be fatally stabbed in view of a hundred onlookers. They also find it impossible to comprehend a Forest Hills housewife suffering a similar fate during an elapsed period of time that covered a full half-hour. But here in Hicksville a somewhat similar tragedy might possibly have been averted last Thursday night somewhere on 2nd St...opposite the Jr. High School. For it was then that a series of piercing screams shattered the quiet of a still autumn evening. It brought neighbors and new found friends racing to the scene...anxious to help... and not thinking of the "Why get involved theory. This was the world as it should be. A world of routing an intruder who had violated the rights of a local citizen. What might have happened can only be surmised... but the age old combination of a woman alone suddenly facing an unknown intruder in her own home has often ended in tragedy. But thanks to school custodians like Charles Schanck, Jim Johnson and John Carboy...plus many neighbors and other Jr. High

custodians...the story had a happy ending...the intruder made tracks fast...away from the organized protective Society that inhabits the quiet Streets of Hicksville.

Legionnaire's Log

Charles Wagner Post
No. 421 Hicksville

by ARTIE RUTZ

We had a gorgeous day Sunday for our annual visit to the Veterans' Section of Kings Park State Hospital and we hope that we were able to spread just a little more sunshine...I am sure we did with our efforts and those of our Junior Band whose music was very much appreciated... But those youngsters who make up the Jazz Combo really had them dancing in the aisles with their impromptu rendition of "Hello Dolly"...Too, too many people seem to have the wrong impression of a mental institution and its purposes...More should have a closer look see and our annual visit to Kings Park would be the right time to "find out for yourself!"... Frankly, people just plain shy away at the mention of visiting our fellow veterans there as if it were some kind of catching plague...Far from it as you will agree if you go with us next time...Let's see who made the trip this year and helped to spread some joy: Mike Palladino, Dick Hochbruckner, Fred Blackley, Steve Wladyska, Tom Doran, Hen-

ry Brengel, Sr., Tony Bellacera, Clem Swallow, Artie Hirsch, George Johnston, Bob Mangelis, Pete Seitz, Stu Armstrong, Pete Muller and myself, plus the following Auxiliary members: Jerry Seitz, Madeline Swallow, Lil Doran, Marian Combe, Ann Brengel and Trudy Rutz...On the day before (Saturday) we filled 1500 bags of snacks with the help of: Joan Johnston, Jo Kissell, Lill Bosch, Lil Doran, Trudy Rutz, Mable Slattery, Judy Bosch, Gerry Seitz, Mike Palladino, Artie Schneider, Pete Seitz, Tom Doran, Clem Swallow, Lil Fritz, and myself...Refreshments after the Sunday trip were served up by Joe Slattery and George Morris...Our Colour Guard showed up ten strong at the United Veterans' Services at Salisbury Park Sunday morning and carried both Post and County Colours at the ceremony site...Keep in mind that it is November already and before you know it we will be staging the 47th annual Nassau County American Legion Convention right here in our own home town (June 3, 4, & 5)...

Operation VFW

William M. Gouse Jr.
Post No. 3211
by Eddie Klebing

Members and friends who took a trip into the past Saturday night at our Little Old New York dance seemed to enjoy themselves. The affair was a great success with thanks to the people who came and those members of the dance committee who did a splendid job in putting it together. Thanks and appreciation go to Frank Aug, Jim and Doris Klueg, Harry Wurth, Andy and Mary Sadowski and their son, Bob and Pat Williams, George O'Neill, Al Hanlon and Mike Zouack, who managed to find time to attend Pre-Veterans Day services at Salisbury Park the following day. A phone call from Art Fuelling advises me that solicitors for a magazine are in our area. They have the approval of VFW county council to mention its acceptance. Approval at Post level was never granted or denied. Any questions or information regarding this drive can be had by calling Commander Art. Fuelling at Wells 1 - 7690.

The Veterans of Foreign Wars, American Legion, Amvets and three other veterans organization joined together in presenting to the House Committee on Veterans Affairs a Certificate of Appreciation for services performed during the 88th Congressional sessions. It stated they performed invaluable service which made possible a record of accomplishment involving passage of several bills to aid the veteran. Among them were passage of the new non-service connected pension program, enactment of legislation for nursing care facilities and increasing monthly rate for dependency among many others.

Pat Williams of the Ladies Auxiliary informs me that the Ladies attended the Veterans Day services at Salisbury Park last Sunday. The girls are still having a membership drive and interested ladies can contact them at their next meeting November 13. The Auxiliary is having a candy sale consisting of hard Christmas candy and chocolate bars with almonds. The boxes of candy sell at 50 cents a box with proceeds going to the welfare fund.

Bob Wallace to Ford Team

After several weeks of teasers asking the question "Anybody Here Seen Wallace - Bob That Is?" this genial gent of automotive merchandising has switched to Ford... Bob Wallace for as many years as we can remember in Hicksville has served thousands of satisfied customers with his background of 30 years of quality auto merchandising, 25 of which was in the Hicksville community... Bob's partner at the new Ford agency on North Broadway, hereafter known as BOB-KEN Ford is Ken Gilkes who like Bob Wallace is well equipped in the automotive field have serviced and sold in Jamaica and Lynbrook areas some 31 years... We welcome this new ownership to Mid Island scene and hope you, like we have will stop in and say hello to Bob and Ken today!

to make this the most successful Ball in the history of Nassau County.

HERE 'N THERE: Most people including many Democratic leaders are still shaking their heads in disbelief to see a life-long public servant of this County, namely Francis J. "Andy" Anderson stepping down as Nassau County Clerk, after a life-time of service to Nassau County... Wherever we've been - the same question was being asked "Why Andy?"... While Mr. Anderson led the Republican Ticket in Nassau County - the Liberal vote gave a margin of victory to his opponent... As a friend of "Andy's" since first moving to Hicksville we have admired his sincerity on all levels, especially in his devotion to his family, church and community... We are certain that this devotion will continue in whatever "Andy" may be called upon to do... May I add whatever or whenever Frank may call upon your reporter, I will be pleased to assist in any way....

FROM THE MAILBAG: Len Kaplan is the new Manager of Twin-Theatre complex at Mid Island Plaza... Al Lowe moves up to Glen Cove - best of luck gentlemen!

A late telegram forwarded to us by Garden City Hotel mgmt. comes from a dear friend in Queens wishing us success, and AOH.

Mario J. Cariello, Borough President of Queens County, with whom we worked on many C.W.V. affairs in Queens... Happy Birthday wishes to my son Kevin, Thursday Nov. 12th - two years old - wow!... Gabe Pressman promises to meet your reporter and family at Mr. Fong's newest Chinese Restaurant out in Huntington, Tong Fong, for the cele-

bration - this column is just a reminder - Congrats to Long's Chinese Restaurant, Mid Island Plaza on this new addition....
