See Million Dollar Loss On Broadway Widening

Vol. 17 No. 47, (12 Pages) Nov. 19, 1964

HICKSVILLE, L.I., NEW YORK

10¢

Entered as Second Class Matter at Hicksville, N.Y. Post Office

One to three or more million dollars of taxable assessed property could be shaved off the Hicksville taxable base by the demolition of structures on the west side of Broadway under the State Dept. of Public Works pre-ordained program for widening of this state highway, it was estimated this week.

The whole thing could add up to a 10 percent increase on ALL taxes in the community in the coming year.

Meanwhile the Chamber of Commerce announced a meeting for this Friday morning at the Seaman and Eismann basement to hear some talk from people representing the State Dept. of Public Works and the Town Highway Dept. presumably about snow removal (if we have snow).

ALL AROUND TOWN

The Fork Lane PTA of Hicksville will hold its Annual Country Fair on Saturday, Nov. 21 at the school from 10 a.m. to 4 p.m. Fun and games for all.

Bruno Takes Over Again

School Board Trustee William A. Bruno Jr. in one of his occasional appearances at a meeting of the Hicksville Board of Education, Friday night, managed to dominate most of the proceedings until 12:30 AM when he abruptly left (at about the same time as most of the audience) and the other six members of the Board plodded on until 1 AM to conclude the business of the school district.

Bruno seemed again, Friday night, to lead a charmed life and managed to gain and hold control of the discussion most of the time. He even managed to get sticky items moved up on the agenda to suit his presence while other items of District business (one of which has hung fire for more than a year) was

short circuited because the curfew hour of 10 o'clock was reached again.

He was somewhat disconcerted during the evening when President George Kunz suggested he wanted Bruno to head a committee. When someone said it was the "welfare committee," it became a sight to behold.

Among the matters Bruno brought to the floor and gobbled up a good part of the evening's time with were these: reduction of the distance for the transportation of children, rehash of the so-called educational TV center report, a plug for the use of McGuffey's readers in the schools, a complaint about the use of a text book copyrighted ten years ago, quotations from context of another book, caustic comments about a woman in the audience, objection to paying the salary of a district official, questioning of the School Superintendent.

Bruno failed to attend one third of all the meetings held during the first six months of 1964.

On Wednesday of this week the School District officially sold \$1,927,500 in bonds to cover the cost of the additions to the Senior High School, including classrooms, an administration building and gymnasium-cafeteria, and the new addition to the public library. The bonds were sold to the First National City Bank First Boston Corp with an interest rate of 3.40 percent. Eight other bidders on Oct. 28 all offered an interest rate of 3.50 percent.

The bonds were delivered in New York City after signing by President Kunz and District Clerk Fred J. Noeth and receipt of a check in payment. The bond issue was approved by the voters of the school district on Nov. 23, 1963 and Mar. 7, 1964.

STATE OF MIND

It isn't just a "State of Mind" that on Nov. 21 at 8:30 p.m. and Nov. 22 at 8:00 p.m. the St. Stephen's Players of Hicksville will present an evening of entertainment. The play, a 3-act comedy by Nelson Bond, stars Fred and Helen Young.

No tickets necessary, so join the Players then, at St. Stephen's Lutheran Church, Broadway and Fourth St., Hicksville.

Poster Chairman

Mrs. John A. Hudak, 82 Radnor Court, Hicksville, has been named Poster Chairman for "The Red Shoes", ballet benefit of the Nassau County Chapter, National Multiple Sclerosis Society, featuring the Andre Eglevsky Ballet Company, Friday, Nov. 27, in the Garden City High School Auditorium.

Mrs. Hudak was also named a member of the Nassau MS Chapter Board of Directors at their October meeting.

French Students Offer Breakfast

The Sixth Grade French students of the Dutch Lane School in Hicksville and their Teacher Mrs. Jean Haydu, enjoying a breakfast in the French manner on Oct. 23. Among their guests the students were pleased to have Donald Abt, Superintendent of Schools in Hicksville and Administrative Assistants William McCarthy, Harold Robbins, Principal of Dutch Lane School; Fred Bergmann, Assistant Principal and Mrs. Vera Galante, Foreign Language Supervisor of the District. Everyone munched on buttered croissants and brioches and sipped hot chocolate.

For a week before the children worked diligently to produce carefully written French invitations accompanied by charming drawings. They planned the menu, set the table and practiced their French small-talk to assure the comfort of their guests.

Lloyd Harbor resident Herbert Lapidus, who heads two Hicksville insurance agencies, attended the 15th annual Downstate Regional Meeting of the New York State Association of Insurance Agents, held at the Garden City Hotel. More than 750 independent insurance agents and their guests were present.

Election Reflections

The lady said to us: Now that we won aren't you going to write an editorial?

Well, yes. We are sorry to see so many tried and true men pushed out of office, some of them out of careers, by the Johnson landslide. We have met so many people who are upset about the defeat of our own County Clerk Francis Anderson that we wonder just who did vote for his opponent---who, incidentally, did not himself believe he would do it.

We got our answer from Eugene Nickerson right AFTER the election. The county tax rate is going up more than ever before. If John J. Burns had been elected the tax rate would probably have gone up too, but at least he did not promise to cut taxes as Nickerson did three years ago. We went into detail on this item just before the election.

The Democrats are now in the position of having to produce or else and it must be a mighty uncomfortable seat at best. After so many years of groaning and moaning about, this and that with the GOF in the drivers' seat, they are now confronted with the necessity of doing all the things they have promised over the years and they have promised some mighty interesting things.

The real "victors" of the election were the Liberals who, with a handful of votes, can now boast a swing power greater than the vast, and expensive, complicated machinery of the two major parties. It is a little like the tail wagging the dog.

When a youth group was first started here in Birchwood Park some people thought that it would be great if the Civic Assoc. could swing it, and many either laughed at the ridiculousness of the idea, or shuddered in horror. Understandably. A pre-teen child is something like you would read in a science fiction magazine. They look like people, but inside they're all gears, screws, nuts, bolts and springs attached to a sharp brain and a cunning mind. They are neither children nor adults, and along with everyone else, I, too, agreed that it was an impossible task to start a youth group. So, let's give a gold star and a pat on the head to Ralph Diamond and Lou Cohen (both of Fountain Lane) for being in charge of a very successful youth group for the past six years. The 18th of this month will be the start of the seventh year. I understand that it is the biggest volunteer youth group on the island. I guess you are plagued with the question as to what pat formula, what unrevealed secret known only to Ralph and Lou provided an open sesame to six very successful years with the group. Well let me tell you their secret. They both ride to work-together and they hold a meeting not only on the way to work but also on the way home. I'll have you know that this is five days a week---fifty two weeks a year. This is really what you would call dedicated. We are very proud of Lou and Ralph and very lucky to have men like them in our community. I'm sure that this year they will be just as successful as in the past.

Temple Or - Elohim, Reform Congregation of Jericho will repeat a successful community event. It will be an art show and reception that will highlight the winter season.

Pat Mannheim, Chairman of the Art Show Committee for the Sisterhood, has completed arrangements for the 1964 Edition of the Annual Art Show, Nov. 29 from 1-10 P.M. at Temple Or - Elohim in Jericho. Donation \$1.00. The show will feature sculpture, oils, water colors, lithographs, etchings and woodcuts by many of the artists who exhibited at the Fine Arts Pavilion at the New York World's Fair and at Adelphi University last summer. An outstanding feature will be an 'artist in attendance' who will sketch you and your children while you wait.

A gala preview champagne reception for patrons and exhibiting artists will be held at the Temple on the preceding evening, Saturday, November 28 at 8:30.

THE PETZHOLT FAMILY

A CIVIC PROFILE

by Henry Dockswell

Jericho's gain was Elmhurst's loss, Glendale's loss, Williston Park's loss, Charlottesville, Virginia's loss, and finally Syosset's loss.

This was the path that Ed and Dorothy Petzholt travelled since they tied their marital knot in 1947. It took them 14 years to get here but on Aug. 30, 1961 they made it. When they looked at this Riviera on Hazelwood Drive, Ed's practised engineer's eye could tell that he would be able to repair the injuries previous owners had inflicted upon it.

Ed took care of the inside and Dorothy indulged in one of her favorite hobbies, planting flowers and then growing others from the seeds of the planted ones. After Ed made the repairs he continued with a few of his favorite pastimes, woodworking and installing a hi-fi system. The cabinets housing the speakers are a tribute to his ability and the sound of the hi-fi is simply beautiful.

Ed got his degree in Mechanical Engineering the hard way, attending N.Y.U. at Washington Square at night and working during the day. Soon after getting his degree he went to work for Koll-Morgan, an optical firm, that was the only producer of periscopes during the war, and it was there that he met a gal named Dorothy Mears. They seemed to hit it off pretty well. So well in fact that when Ed's boss would page him throughout the plant and get no answer he would put Dorothy on the intercom and sure enough Ed would come a-running.

After three years of taking Dorothy home every night, Ed decided it was time to get married and catch up on some sleep. Dot maintains that the only reason she accepted was that Ed was the only fellow who didn't make her dizzy when they walked. Ed soon became so rested and wide awake that only one year later, in 1948, he landed a job with Sperry and started his climb up the company ladder to his present position. Ed works on the highly classified Polaris Nuclear Submarine Management Program.

The Petzholt household boasts two children, Lynn, 15 and Raymond, 13. Aside from the regular boy-girl dissimilarity these two are quite different. Lynn is kind of an extrovert. She loves people and talks about being a nurse and "m-

even a doctor." She's very fond of animals, can sew pretty well, and is a good cook. Ray, on the other hand, is on the quiet side and somewhat reserved, and like his dad he is pretty handy with his hands. He built his own 9 hole miniature golf course on the back lawn, a tree house which he often frequents, has helped with painting the house and one year for a class project at Jericho Junior H.S., he built a fine model of Fort Jamestown. Ray is also a good marksman and belongs to the Rifle Club of the Lutheran Church of which club Ed is a counselor.

The Petzholt living room is a delight. Warm, cheerful and above all comfortable. No matter where one sits the sound of Ed's hi-fi is just right, and, gently catching the eye is a double-tiered fish tank, beautifully lighted and very realistically outfitted. This is another of Dorothy's hobbies. She breeds fish. She also loves to go fishing and so does the whole family. The four of them have been on fishing parties at both Sheephead Bay and Captree, and Ed is very proud of having caught five fish this year.

Another family pastime has just recently been added to the Petzholt household. Ed bought a large 8 foot pool table and if you want to see just how out of practice you are just walk down to their den and pick up a cue stick.

This year Ed and Dorothy broke an 8-year precedent. Never before in the history of the BCA have a man and wife both served as officers on the Civic Board of Directors at the same time. Ed became the Recording Sec'y, and Dorothy took on the job of Corresponding Sec'y. It would be difficult to imagine that a more capable pair could be found. Like that TV commercial says, "What Mr. Chase didn't know about coffee, Mr. Sanborn did."

This Saturday, Nov. 21, the residents of Jericho will have the opportunity of voting for a library in Jericho.

Voting will take place at the Jericho firehouse between the hours of 10 A.M. and 8 P.M. This should give all Jericho residents plenty of time to vote.

Your Civic Assoc. has met with Mrs. Ruth Lang, temporary chairman of the Library Committee. After gathering detailed information from her, the Civic Association has gone on record in favor of the Library. May I strongly urge all residents of Jericho to exercise their right to vote and vote yes for a library in Jericho. Jericho is one of the few districts without their own library and the cost of non-resident membership in other libraries can be almost as much as one of your own, with greater benefits.

On Tuesday, Dec. 1st, at the Jericho Water District's office another election will take place. This will be for the position on the Board of Water Commissioners. Your Civic Board will try to do a detailed study of the candidates running for office and make a recommendation. Meanwhile, remember the date of December 1st, to vote for your choice of Water Commissioner.

Ten Pin Talk

by Henry Dockswell

Three teams achieved shutouts last Monday and there's a story attached to each.

Buried deep in 15th place and able to take only 6 points in the last four weeks Sam Springer and his newly named "7-10's" suddenly awoke from a deep dream of peace and stunned Sid Sachs and his league leading "Sad Sachs". This shocking turn of events drove the Sad Sachs down into 4th place and sent them home reeling in dazed bewilderment. One of the fellows swore he saw Ralph Diamond in his Electra weaving home like a drunken sailor.

Taking advantage of this sudden lapse Leo Geyer's "Geysers" jumped on Morry Herrick's "Giants" and swept the series. Ruby Reback was the liveliest Geyser. He raised his average two points and helped his mates take over the league lead.

The third shutout was executed by Mort Levine's "Mules". It took Capt. Mort nine weeks to do it but he finally came up with his first good one. He entered the charmed circle with a 203 and led his Mules to a 7-0 victory over Al Minoff's "Minnows". Mort's Mules rose from 9th to 5th place, only eight points out, and are now in a good position to make a run for it.

Al Grusha's "Zephyrs" and Art Rosenthal's "Strugglers" had a ding dong of a battle. Bill Kellerman, the not so gentle Zephyr, bowled his fifth point one (and fourth in four weeks) a 207. But Capt. Art matched him with a 205 and the Strugglers won a 4-3 squeaker.

Ruby Skyler came through with a 202, his fourth (and third in

Fire Destroys Oakwood Home

Thursday morning, Nov. 12th, at 2:30 A.M., a little girl was awakened by a fire alarm set off by the heat in the basement and awaked her parents saving them from a possible total calamity.

Dr. and Mrs. Harry Etkin's house at 126 Seaman Rd., Jericho, was set ablaze by a faulty boiler, destroying the entire basement area, office area and dining room. The Jericho Fire Dept. appeared promptly on the scene about 5 to 10 minutes after the alarm and they needed gas masks to enter the house and put out the blaze. Three firemen were in the basement area when the boiler blew up and they narrowly escaped injury. The extent of the damage was delayed by the fact that the basement door was closed and that the battery fire alarm was in good service.

Dr. and Mrs. Etkin have temporarily rented a house on Dewey St. in Oakwood until their house can be rebuilt.

Youth Group Seasons Starts

The Birchwood Civic Youth Group opened its season on Nov. 18th at 7:30 P.M. at the Jackson School. The program will be open on Wednesdays for boys and Fridays for both, all boys and girls between the ages of 10 to 17, and are residents of Jericho. For the seventh consecutive year the Youth Group will be chaired by Ralph Diamond and Louis Cohen. They will be assisted by Vivian Scama and our Youth Director Frank Sukarno, who will be returning for his 4th year. The experience of this group is a guaranty of another successful year for our youth program.

to a 5-2 victory over Norm Ney's "Pinheads". Capt. Norm tried mightily to avert defeat when he came up with a 201 but it was case of too little and too late.

Housing Unit Elects Resident

At its annual meeting on Nov. 5 the members of the Town of Oyster Bay Housing Authority elected Mac M. Singer as chairman for a term of one year, succeeding John H. Dyer, Singer was recently reappointed by the Town Board to a five year term as a member of the Authority. The members of the Authority also elected Jesse Harmon as vice chairman and Dyer as secretary.

Singer is an active businessman in Plainview, and is president of several firms. He is also active in his home community as past Deputy Grand

Chancellor of Masetto Hills Lodge, Knights of Pythias and is past president of the Exchange Club, Plainview-Bethpage. He is a member of the New York State Association of Insurance Agents, president of the Plainview Chamber of Commerce, and a member of the Boy Scouts of America. The Housing Authority of the Town of Oyster Bay has been in operation for a little more than one year. During this time, an investigation has been made of the problems of substandard housing in the town. It has been found that the most serious housing problem exists in the hamlet of Oyster Bay, where a house-to-house survey was made under the direction of the New York State Division of Housing. With the cooperation of volunteers from

the Community Social Action Council, the survey covered 188 housing units. Detailed information on the status of the building and the occupants was obtained on 129 housing units. The survey covered matters such as the condition of the building, the number of occupants, the income of the occupants, rent paid, and whether the occupants desired to move to better housing. The results of the survey indicated that there was an acute demand for 40-50 units of low income housing from persons presently living in dilapidated housing. In addition, about 25 families presently living in substandard dwellings would qualify for middle income housing.

Earns Grant To Study Russian

Donald Friedman, 8th grade teacher at East St. School, Hicksville, has been given a grant in the field of Russian language at Hofstra University.

The State Education Dept. offers a limited amount of grants in the field of Russian studies.

One of the institutions offering Russian studies is Hofstra University. Applications are made directly to the Foreign Language Dept., which decides on the acceptance or rejection of the applicant.

Once accepted to the program, the State Dept. pays for all courses. An individual may take up to 39 graduate hours in Russian studies which include language, history and literature.

Leaf Machines In Operation

Eleven high speed leaf-picking machines will be pressed into service in the Town of Oyster Bay just as quickly as double-duty trucks are released from asphalt jobs, it was announced by Councilman Edward J. Poulos, Town Board Majority Leader. The machines, two more than last year, will be used under the direction of Highway Superintendent Norman T. Wolf.

Now let's see---I mentioned Lou Cohen in connection with the youth group and his wife Bernice sent me the notice on the Thanksgiving dinner that is being given by Cancer Care so I might as well wish their son, Bruce, a happy birthday and dedicate this column to the Cohens!

Here is a cheerful note---In a few weeks the children will be on their winter vacation from school for the holidays. It will be too cold for them to play outdoors and they will be underfoot constantly. What can you do with them? Why not get tickets for the Family Theater Party that is being sponsored by the Jericho Chapter of Hadassah on Wednesday afternoon (matinee time) December 30th. It's a new musical "Bajour" at the Shubert Theater starring Chita Rivera and Herschel Bernardi. Orchestra and mezzanine seats are available and don't forget that there is bus service. For tickets and information call Harriet Liebowitz at WE 1-5351 or Dorothy Schulman WE 8-8222.

SECTION 1 SLANTS....It's the time of the year when the High School football buffs head for the peace & serenity of Winter's hibernation. They awaken-only at the next call of the wild. But in between some latch on to the other assorted spine-tinglers that are part & parcel of High School-o-mania. Basketball, baseball, wrestling, soccer, track and so on through the list of C.R.F. footnotes. But no matter how you slice the melon...King Football is still the only sport going that will find the fans risking double pneumonia...even when the home side is getting bombed. And Hicksville as the mop flopped had its fair share of chills & fever this past season. They had looked like the team to beat in Division I, when they first practiced hand-offs, line shorts, and runs & aerial maneuvers on the home lot. But then came that non-league opener with Division Ave. The Comets were bombed 33-0 and it was a short walk...Back to the Drawing Board...The next headline read...**"COMETS AX TREEMEN"** and the world of Comet football got its first transfusion. Then came "Comets 14...Generals 6"-in a cold wind-swept arena. But none minded the weather for Hicksville had 2 straight plus their first league win of the season. Then it was Clarke's turn to lose as gracefully as they had won for the past 3 seasons. They had been a thorn in the Comets side but this was Hicksville's year to howl. The headline read...**"HOMECOMING TO WESOLKO...COMETS OUTSLOP...OUTSLUG RAMS."** Hicksville won 32-6 and a jubilant bunch of Comet Gridders tossed winning coach Jim Grantham in the showers. Next came a pulse-pounder (the hard way) with Syosset but the locals finally made it 4 straight with a 20-14 Millown affair in the last 5 minutes of play. Q.B. Dennis Yatrass tossed a "Sneaky Pete" to Bill Corrigan in the endzone for the winning margin. Hicksville's outstanding F.B. Larry Wesolko was injured after scoring his 2nd touchdown of the day. His replacement Sal Pascarella turned in a creditable job and earned himself a starting berth a Halfback. Then came that gloomy Sat. when (Plainview's) Dennis Naughton & Co. sidetracked the Comet Express with a 20-13 win. Hicksville's Lenny Cassolino, Dennis Tomaline, Bob Klarin, Tom Cara, Ralph Sonntag, Vin. Hoosick, Steve Schuster, Charley Frazier, Glen Olsen and Sal Pascarella along with Wesolko were outstanding once again. A few key injuries plus the fact that 5 Comet regulars were grounded at one time made the world of High School football even more unpredictable. It could never, however, be used for an alibi for such intangibles are something all H.S. coach's class as the #1 occupational hazard. And then came Plainedge the following week. The Comets just weren't the same ballclub in the 1st half. They had a wild 3rd quarter scoring 2 touchdowns on passes from Yatrass to Corrigan in the endzone...but a 20-0 first half lead by the Red Devils was too far out of range. Plainedge won 20-13 in a game that saw Hicksville play like 2 different teams. It was the X-Y unfathomable equation of High School football all over again...and there were none to deny this thing didn't happen once before-a hundred times over to just about every ballclub that ever donned the

livery of H.S. gridmen. But all in all it was still a bang-up season...dedicated to the cause that to win them all is divine but to lose a few along the way is also human. It was the perfect conditioner for some of the 8 ball facts of life. And then came the season's finale with Farmingdale last Sat. afternoon (away) The Dalers like the Clarke Rams somehow always manage to be up for their annual get-together with the Comets. But like all things not destined to be (at least for '64)...Hicksville took the nite-cap 19-6. Quarterback Yatrass scored the opening marker on a 8 yd. run. Corrigan hit on a 40 yd. scoring pass play from Yatrass & Pascarella scored the insurance marker on a 10 yd. run. Hicksville's outstanding Fullback Larry Wesolko scored his last point for the Comets. He now heads for greener pastures hoping that future backfields have the diversion needed to prevent ganging up on the fullback. On many occasions we noted the ball being literally punched from his hands by the 3rd tackler who had been given this assignment. It's a hard thing to explain but Wesolko is not one given to alibi's for some of his bad days...There were too many good ones over the past 2 varsity seasons. Here's hoping he latches on to a football scholarship. "He has the potential to go further," say all who have followed the fortunes of the Comets. And "Wait'll next year." Are the words of Coaches Jim Grantham and Ron Benicelo. **AND NEXT YEAR...**ALWAYS INCLUDES a close look at this year's Junior Varsity crop. Theirs was the world of a 6-1-1 seasonal record good for the Divisional Championship. They lost the finale last Saturday to Farmingdale 7-0 after a scoreless 1st half. The Dalers scored the winning marker on a 50 yd. pass play. It came in the opening play of the 2nd half. Hicksville in turn threatened in the closing minutes of play...marching from their own 20 to the Daler 10. But a fumble at that point cost them the chance for a possible tie. And then there was the 6-6 stalemate with Plainedge the week before...but prior to that the days of Wine & Roses was the password. The Jayvees routed the opposition of the day. Division Ave fell 26-0...Island Trees 19-14...MacArthur 24-7...Clarke 27-2...Syosset 33-12 & Plainview 7-0. It was a year to go on record with the best of them...in spite of the short 15 minute outdoor practice sessions. Hicksville's outstanding Q.B. Jeff Doolittle bombed his opponents with 9 scoring touchdowns. He ran another himself. Other outstanding runners like Johnny Dunaj, John Burke, Mike Masiella, Brian O'Leary, George Klien & Rich Kramer compromised the backfield & end positions. Dunaj was the top scorer and Masiella was the ace pass receiver. Add this sextette along with outstanding linemen like Jim Giarraputo, Merrill Daniels, Jim Dyckman, Paul Klarin, Dennis De Vita, John Wolkiewicz, Dennis Tuma & Don Thompson and you have the sort of ballclub that can (and did) give rival coaches a headache. There are many destined for Tomorrow's Varsity. Coaches Bill Meyer and Bud Bryan rate the "Golden Kumquat Award" for their part in the action.

HICKSVILLE'S HASTY HARRIERS....Or words to that effect might describe the '64 Comets Cross-Country squad coached by Fred Recher. Theirs was the world of repeating (for the 2nd successive year) for both Division and North Shore Championships. Recently they ended their season by finishing 2nd in Section 8 competition to Nassau County's perennial champ...Sewana. From left, Bottom Row, Tom Scanlon, Frank Maier, Chris Cronin, Ron Morvillo and Pete Ingvaldstad. (Top Row) Coach Fred Recher, Bill Cobb, Bob Lundquist, Dick Marks, Greg Dowbak, Howie Schadt and Glen Thiel. Ray Gutoski, Paul Bonazzi and Ed Boyle were missing from photo. Front running Tom Scanlon holds the School Record with a clocking of 13 min 4 secs...lowering last year's mark of 13:22 set by Pete Sullivan. Recher with 5 of his top 7 runners returning next season has high hopes of going all the way in '65.

New Year's Eve

The Sisterhood and Men's Club of the Jericho Jewish Center will run its annual New Year's Eve party this year at the Center. Catered by the Temple's new caterer, Gerson, cocktails and smorgasbord will start the festivities followed by a complete roast beef dinner. Music will be provided by Sy Kogan's Orchestra. Legionnaire's Log

Charles Wagner Post
No. 421 Hicksville

by ARTIE RUTZ

I think that the Veterans' Day ceremonies we held in conjunction with the Veterans of Foreign Wars last week at the Memorial Mall at the Junior High School went off well...Except that we must provide loudspeakers in the future so that our audience may hear what we are saying...I know, we think of this every year after the ceremony is over and vow to correct this condition the following year but 1964 has come and gone and the same mistake has been made again...We will do better in 1965...I wish to thank our Junior Post Band for their participation and also extra thanks to Bob Mangels, Jr. for his rendition of Taps...Incidentally, our boys and girls of the Sons of the Legion and Auxiliary Juniors have been very busy, busy, and busy, rehearsing a show for the Jones Institute...Many thanks to Agatha Cladella for her efforts in directing this wonderful thought in behalf of the aged and infirm...I'd like to thank Art Hollstein and Conrad Schlouch of the Hicksville Little League for presenting the spoon-

sorship plaque, certificate and team picture to us at our last meeting...Our Capsule Drawing at the last meeting showed Santello Baselle as our winner but he was not present so he did not win after all...I'd like to welcome John Jakobi to our growing Post as a member after his transfer from the Hempstead Post...Welcome John, and I hope you can find a little time to get into the thick of things...Have YOU signed up a new member yet???...Our good craftsman, Eric Swedberg, is once more back in the swing of things and we are looking forward to the completion of our Members' Room Project #24679134...And Dick O'Neill rates high in my book when it comes to getting a job done that needs doing...Our Victory Room is being repainted and should look just grand again very shortly...Our Tupper Lake Mountaineers membership for 1965 has now reached a total of 146...Work continues on the Budget and progress is reported...See you all next week.

William M. Gouse Jr.
Post No. 3211
by Eddie Klebing

This coming Thursday is Thanksgiving. It is on this day that veterans all over the country share their blessings, in this, the most distinctive of American Festivals, with their families and friends. It is on this day that Americans thank GOD for their blessings and the fact that they live in a country where every man, woman and child is free to work, learn, worship and seek happiness according to his own desires and abilities. And it is on this day the William M. Gouse Jr. Post wishes its members and the people of Hicksville a very healthy and happy Thanksgiving.

I neglected to thank Ken Wood, Jack Mulligan and Bill Moran in last week's column for the wonderful assistance they gave at our Little Old New York dance. Reports coming in confirm the fact that a good "old" time was had by all.

The Ladies Auxiliary, always eager to help the members of the Post at these dances by making the salads and appetizers in addition to other chores, urgently need drivers to take them to the Veterans Hospital in Northport one Thursday evening a month. They are asking the Post for volunteers. Let's show them the same eager assistance by calling Hospital chairman Pat Williams now at We 1-4677.

A little known benefit for servicemen's widows is revealed by the Veterans Administration. The widow of a World War II or Korean War veteran who died of service-connected causes is eligible for a GI mortgage even though he had one during his lifetime and paid it off. The fact that a veteran may have obtained a VA guaranteed loan does not affect his widow's eli-

gibility. Members who haven't paid their 1965 membership dues can avoid the holiday drain on the pocketbook by mailing them in to the quartermaster NOW. Our next business meeting is November 23rd. Drop around and I'll see you then.

HENRY BECKER

Hicksville Plymouth, the long-established Plymouth dealership at 400 Old Country Road in Hicksville, has been taken over by Henry Becker, a resident of East Norwich and long a familiar figure in Long Island automotive circles. Becker formerly headed several automobile dealerships in various Island locations.

Most recently, Mr. Becker was a vice-president and comptroller of the Kinney Service Corp. He joined the Kinney Rent-A-Car Division in 1962 and resigned his Kinney post to re-enter the retail automotive business when he learned that Hicksville Plymouth was available.
