Representing 315 Years of Service:

A total of 315 years of service to the public was represented at the Nov. 10 dinner honoring retiring employees of the Oyster Bay Town Highway Dept. Speakers included Thomas R. Pynchon, former Town Highway Superintendent and former Town Supervisor, who presented each retiring employee with a plaque from the Civil Service Employee's Assoc. and said a few words about each retiree who had served during his tenure:

Irving Glaumenbau, president of the County Chapter of the CSEA who extended good wishes: John C. Martling, deputy superintendent of highways who was master of ceremonies and read a message from Superintendent Norman T. Wolf, on vacation; and Town Supervisor Michael N. Pettio who represented the Town in extending appreciation for faithful services rendered.

RETIREE'S, standing from the left, William Thorman, Frank Russello, Philip Miniccozzi, Michael Barone Sr. and James J. Harrison. Seated, same order, Alex Goriat, Frank Eagan, Albert Donisi, Bartholomew Rinaldo and Nicholas Melillo.

Former Residents In Aircraft Mishap

Mr. and Mrs. John Churchill of Ridgefield, Conn., who were aboard the ill fated TWA Boeing 707 that crashed and exploded taking off from Rome's Fiumicino Airport on Monday, are remembered as former Hicksville residents. Churchill was Second Officer of the flight. He was one of the survivors. His wife was one of the 44 who died in the crash. They had lived at 144 Pollok Pl. in Hicksville.

Parked Vehicles In Two Crashes

Two multiple car and truck accidents occurred within a day of each other in the Second Police Precinct this week. Both incidents occurred just before dawn.

Edward Kumer of 15 Walnut Pl., Huntington, was the driver involved on Nov. 21 on Jericho Tpke 1000 feet east of the LI Expressway when this action took place at 5:30 A.M. Kumer's Rambler hit a truck parked on the south side, bounded off a pedestrian and then continued on to rap another parked truck. Suffering possible internal in-

juries and injuries of both knees, Kumer declined medical attention. Paul Hoke, 26, the pedestrian a resident of Highland, NY, was taken to Syosset Hospital in a second precinct police ambulance driven by E. Konti. Hoke suffered a cut scalp, possible left leg fracture and possible back injuries.

At 4:45 A.M. on Sunday, Nov. 22, Stanley Frederick of 50 Kuhl Ave., Hicksville was going north on Kuhl near Georgia St. when he apparently lost control and collided with two cars parked on the east side of Kuhl and a third on the west side. He was taken to Syosset Hospital in a police ambulance suffering cuts of the face and head.

STANDING, from left, George A. Hannigan, George Pafrle, Robert Mershon, Albert Rofrano, Stefan Chyka. Seated, same order, James R. Amendola, William H. Reichert, Arthur Johnson, past retired general foreman; Mrs. A. Johnson and Mrs. Chyka. (Photos by Frank Don Muller).

Season Highlight

Pat Mannheimer, Chairman of the Art Show Committee for the Sisterhood of Temple Or-Elohim, has completed arrangements for the 1964 Edition of the Annual Art Show Nov 29 from 1-10 PM at Temple Or-Elohim in Jericho. The show will feature sculpture, oils, water colors, lithographs, etchings and woodcuts by many of the artists who exhibited at the Fine Arts Pavilion at the New York World's Fair and at Adelphi University last summer.

Citizens' Role Is Panel Topic

An exciting and interesting round table discussion is planned for Monday evening, Dec. 7, at the Hicksville Senior High School. (TEACH) invites the public to participate in helping to evaluate "What is the Citizen's Role in Education?" Superintendent of Schools Donald Abt, Mrs. Alberta Saletan, former president of the East Williston Board of Education, presently teaching Social Studies in Syosset; Mrs. Joseph Janca, Vice President of the Hicksville Council of P.T.A. and

Chairman of the Public Relations Committee to the Hicksville School Board; Robert Haft, attorney, will all exchange views on this subject. George Kunz, President of the Hicksville School Board has also been invited to participate.

Stuart Dolg, TEACH program chairman, will moderate what promises to be a stimulating evening. The group will explore questions from all points of view... the citizens... the educators... the School Board. Questions such

as "Do educators encourage citizen apathy?" "Should we leave education to the educators?" "How can a citizen evaluate an educational system?" and many others will be discussed. The meeting will be held in the Little Theatre of the Senior High at 8:30 P.M.

HELD ON GUN CHARGE

Detective Cappisillo of the second police squad, Nassau, arrested Pablo Orama, 31, of 32 Lenox Ave., Hicksville, at 1 o'clock on Monday, Nov. 23, charged with illegal possession of a loaded firearm.

BOY SCOUTS of Troop 91, sponsored by St. Ignatius Church of Hicksville, spent a good part of Sunday - on the anniversary of the death of President John F. Kennedy - at the site of the proposed memorial to the late President and all Hicksville men who have died in the service of the nation in a cleanup project. Grouped at the left, front row, are Mickey

Meyers, William Walsh, Richard Eaton, Greg Corburn and Eddy Nelson. In the rear are Scoutmaster George Coburn, Bob Izzo, Dan Holohan and Peter O'Malley. At the right are the scouts in action.

Navy Appreciates Student Idea

During a discussion in Social Studies, conducted by Harry Smith, 6th grade teacher at the Dutch Lane School, Hicksville, the topic dealing with the use of atomic energy for peaceful purposes was brought before the group.

Student Laurence Blauvelt became more interested after reading a novel, "Nautilus, Atomic Submarine". This led him to further research into the events leading to the tragedy of U.S.N.S. submarine Thresher. After di-

gestion of the information written in the National Geographic magazine, the following letter was sent by Laurence to the U.S. Department of the Navy.

"My name is Laurence Blauvelt and I am 11 years old. Last week when I was looking at the pictures of the wreckage of the Thresher, I got an idea on how to raise the wreckage. An electro magnet or group of electro magnets, suspended on cables and controlled by individual ships could be a possible way to recover the wreckage."

Laurence was further delighted when he received this reply from the Navy Department. "Your interest in the Navy is appreciated. However, your idea is not new to the Navy. Since the Thresher disaster, the Navy has received hundreds of suggestions for raising the submarine. Only a few suggestions have been useable because of the depth and weight involved. Thank you very much for your interest."

Dear Lynda

Lots of love and X's to two sweet little girls who recently celebrated birthdays. MARIANNE SCOTTI was just one year old on Nov. 7 and her big sister, EVALYN was two years old on Nov. 19. They are the darling daughters of LYNDY (nee Noth) and ANTHONY SCOTTI of Levittown. Congratulations to Mr. and Mrs. WESLEY GIESE of 24 Rave St., who were honored with a surprise party at their home on the occasion of their 25th wedding anniversary on Wednesday, Nov. 11. Happy birthday greetings to JOYCE QUINN who celebrated Nov. 14.

Another old landmark bit the dust and the spot was quickly and efficiently levelled this week. It was the former Little Inn at So. Broadway and First St., Hicksville, which had been a MCGUNIGLE homestead back in the days when the site of the present Junior high was a farm. An amusing sight on Tuesday morning, the day after the wrecking and levelling, was the phone booth standing there forlornly waiting for pickup, complete with directories flapping in the morning breeze. Meanwhile work on Lillian's new Little Inn on Levittown Parkway seems to be progressing nicely. Mr. and Mrs. ANDREW GRANCIO of 39 Helen Ave., Plainview, have just returned from their 2 week stay in Miami Beach, Fla., in celebration of their 22nd wedding anniversary. GERLINDE JABOLONSKI of 51 Lenox Ave., Hicksville, was taken to Syosset Hospital in a serious condition with a possible chest contusion, Saturday morning, following a two car collision in the Mid Island Plaza parking field. B. MEDARD OFENLOCH was chauffeur of the second police precinct ambulance. JACK EHLEN of Hempstead, while at 496 Plainview Rd., Hicksville, on Nov. 18 was stricken with a possible heart attack and removed to Central General Hospital, Plainview, in an 8th Precinct Police ambulance driven by E. DONNER. Most enjoyable Thanksgiving to all our readers.

Mr. and Mrs. ANDREW JOSEWITZ of West Babylon are the parents of a son, James Martin, born Oct. 27. He is the first grandchild named for proud grandpa, MARTIN BRENDEL of Hicksville Wine and Liquor. Mr. and Mrs. JAMES CUMMINGS celebrated their 18 wonderful wedded years together, Monday. It has been so long since we saw Town Crier FRED BLACKLEY that we almost have forgotten what he looks like. Currency was reported stolen at Cornwell's Service Station, 589 Hwy., Hicksville, and assorted liquor, ambulance. JACK EHLEN of Hempstead, while at 496 Plainview Rd., Hicksville, on Nov. 18 was stricken with a possible heart attack and removed to Central General Hospital, Plainview, in an 8th Precinct Police ambulance driven by E. DONNER. Most enjoyable Thanksgiving to all our readers.

BESSIE OBERIST, 80, of 46 Fulton Ave., Hicksville, was taken to Meadowbrook Hospital at 11 o'clock Sunday morning in a second police precinct ambulance. American Red Cross has allocated \$15,000 for the immediate purchase of relief supplies for residents of ten coastal provinces of Viet Nam recently devastated by floods. Nassau District Attorney WILLIAM CARR was scheduled to speak Tuesday evening, before the Bloomingdale Civic Assoc. Pvt. ROBERT F. ARNOLD, son of Mrs. Ruth A. O'Brien of 7 Seth Lane, Hicksville, completed a nine week preventive medicine procedures basic course at Brooke Army Medical Center, Fort Sam Houston, Texas, Nov. 20. He is a 1958 grad of Brooklyn Technical High School. Someone should try, again, to start a Hicksville chapter of Brooklyn Tech alumni. There are quite a few among our residents.

CARL GIPPI

HICKSVILLE—Carl Gippi of 2 Ida Ave., here, died Nov. 23. He was 45 years old. He will repose at the Kodzis' Funeral Home, Maspeth, until Friday morning when a Solemn Requiem Mass will be sung at St. Leo R. C. Church, Corona, at 9:30. Burial will follow at Mt. St. Mary Cemetery, Flushing.

Mr. Gippi is survived by his wife, Harriet; three sons, Joseph, Frank and Carl Jr.; four daughters, Elaine Burke, Frances Craig, Linda and Felicia; his mother, Esther Gippi, and two sisters, Mary Merget and Frances Meyer.

HERMINE M. KERBS

HICKSVILLE—Services were held at the Trinity Evangelical Lutheran Church on Tuesday afternoon at 1 o'clock for Hermine M. Kerbs of 200 First St., here, who died Nov. 20. Rev. Edward Stammel officiated. Interment followed at Plain Lawn Cemetery here, under the direction of the Wagner Funeral Home.

Mrs. Kerbs was the mother of Edna Kramer, Therese Werneburg, Ethel McInnes, Harry, Edward, Glenn and the late William Kerbs. She was the sister of Augusta Meadows and Henry Buck. She is also survived by 14 grandchildren and 17 great grandchildren.

OSCAR LIEN

HICKSVILLE—Oscar Lien, 43, brother of Gustave Lien of 31 Ash Ln., here, died Nov. 17 at Columbia Hospital, N. Y. C. He reposed at the Thomas F. Dalton Funeral Home until Saturday when the funeral was held at 9 o'clock. Interment followed at Oceanview Cemetery, Staten Island.

JOSEPHINE CRYGIER

HICKSVILLE—Josephine Crygier, formerly of Elmont and Garden City Park, died Nov. 19. She reposed at the Wagner Funeral Home, here, where Rev. Edward H. Stammel conducted services Saturday morning at 10 o'clock. Interment followed at Rockville Cemetery.

Mrs. Crygier was the wife of Maurice; the mother of Lillian LaBrie, Edwin Crygier, Emilia Cheslock and the grandmother of seven and great grandmother of two children.

IDA HOFFMANN

HICKSVILLE—Ida Hoffmann of 211 Second St., here, and formerly of Mineola, died Nov. 19. She was the mother of Amelia Watts, Ida Elsmann, and William and Edward Hoffman; the sister of Martha Kruger and Henry Erber. She is also survived by ten grandchildren and 25 great grandchildren.

First Performance of Opera by LI Church Choir

The first performance by a Long Island Church Choir of Menotti's opera, "Amahl and the Night Visitors" will be presented by St. Stephen's Church, Hicksville, on Friday, Dec. 11 at 8:30 P.M. and Sunday, Dec. 13 at 7:30 P.M.

The Director will be Leslie Hopkins, organist and choir director at St. Stephen's. An Oklahoman by birth, Hopkins conducted the first L.I. performance of the opera three years ago in Port Washington. This past summer he studied conducting at the Berkshire Music Festival, Tanglewood under Max Rudolf, Erich Leinsdorf, Lukas Foss and Richard Burgin. He is a graduate of the Westminster Choir College with a Master's degree and has been active as a conductor and church musician on Long Island for several years. As the music director of the choral group called "Music Friends", he has also conducted performances of Mozart's "Requiem," Haydn's "Creation," "The Messiah" by Handel and other works.

The title role of Amahl will

CHOIR rehearsing for opera: Dorothea Szczesniak, Leslie Hopkins, Michel Szczesniak and George Watson. (See story)

be sung by Michel Szczesniak who sings in the church choir and is a piano student of the F. Arden Burt School of Music, Hicksville. He also sang the title role in the children's opera "The Emperor's Nightin-

gale."

The leading parts will be sung by professionals, including Mrs. Dorothy Szczesniak in the role of the mother, and George Watson as the Page. Mrs. Szczesniak had voice instruction and training both here and in Europe. She and Mr. Watson are members of the church choir.

A donation to the church will be accepted at the performances in lieu of admission.

All Around Town

Heddy Zirin of 12 Sutherland Rd., Hicksville; Angela Castellano of 52 Sagamore St., and Shari Lehrer of 5 Thorpe Ln., both of Plainview, were among 82 outstanding high school seniors from Nassau and Suffolk secondary schools who were guests at a reception and dinner meeting of Phi Beta Kappa Alumni of Long Island on Saturday, Nov. 21 at Hofstra's Memorial Hall. The University has offered full-tuition scholarships to each student.

Miss Zirin attends Hicksville High School, Miss Castellano is a student at Our Lady of Mercy Academy, Syosset and Miss Lehrer attends Bethpage High School.

Pace College, New York City, announces that Howard Kass of 16 Boulevard Drive, Hicksville an Accounting Business Administration major at the college, was named to the Dean's List for the Spring 1964 semester.

Jr Hi Students Continue Appeal

The John F. Kennedy Memorial Scholarship Fund of Hicksville workers will be going out again this year in an attempt to double last year's earnings, according to Bruce H. Glatt, founder and Chairman.

In 1963 three scholarship grants were awarded through the Fund to students majoring in political science.

Glatt said that the fund workers, all junior high school

students, are eager to double their last year's effort and ask that the public co-operate when a worker rings the bell.

Hicksville Police Boys Club Natutal Cadets are now meeting at Lee Ave School, Hicksville. Any boy between 10 and 18 wishing to join may report and register Friday nights between 7 and 9.

OPINION

The Commissioner Elections

Next Tuesday, Dec. 1, voters will cast their ballots for water and fire commissioner in Jericho District, for fire commissioner in Hicksville and for water commissioner in Plainview. The requirements for voting are different: in water districts the voters must be taxpayers and residents, in fire districts they need only be resident qualified voters (over 21, citizens, etc).

Fire commissioners up for re-election in Hicksville and Jericho are unopposed for re-election. Vincent W. Braun has served faithfully for 18 years in Hicksville and Harold Smith in Jericho. We are pleased to urge support of their re-elections at the polls. Even if unopposed, a substantial turnout should be recorded to avoid the difficulties of a possible last-minute write-in.

In the matter of water commissioners, an unusual development has been reported. Well-connected members of a certain political party are being stirred into seeking office, possibly as a stepping stone to further elective office or possibly because water commissioners receive a small compensation (whereas fire commissioners receive nothing except the satisfaction of doing a community job well). If these reports are true - and there appears to be a master design involved - we believe thoughtful voters will spurn mercenary self-starters. Jericho District, the largest in the entire state, is fortunate in having Charles J. Kiel Jr. available for re-election. He is eminently qualified with a background of 38 years in electric and gas utility construction, maintenance, power station operation and executive management. He is a registered professional engineer licensed in New York State.

Reference to "political" intrusions has been made by John C. Edwards, chairman of the Plainview Water Commissioners and a candidate for re-election, whom we also support for re-election.

Major party entrance into our special district elections, either direct or inferred, should be rejected and spurned. They have no more place than they have in the election of School Board Trustees. ---FJN.

All Around Town

During the first grading period for the 1964-65 school year at Eastern Christian College, Bel Air, Maryland, three members of the Church of Christ, Chas. Fordyce, Minister, in Hicksville, made the Honor Roll with the following grade point averages: Bill Palmer, 3.82, Helen Schulz, 3.71, Dolores Radov, 3.13.

Four Hicksville and a Plainview resident were among 98 Hofstra University undergraduates honored at the semi annual academic recognition dinner and program on Nov. 18 at Hempstead. Each honored student has maintained a cumulative average of at least 3.0 out of a possible 4.0 for 58 or more semester hours completed in residence at Hofstra.

Honored were Patricia Sue Appelman, 70 Walter Ave., Catherine Buckner, 24 Hunter St., Arthur M. Steele, 132 Rim Lane, and Adalre M. Thompson, 23 Cloister Lane, all Hicksville;

and Rose M. Pavest, 12 Harold Rd., Plainview.

Stanley Broadwin of 43 Haverford Rd., Hicksville, was one of 15 Master of Business Administration graduates of Hofstra who contributed to the third volume of Hofstra's Yearbook of Business series, titled, "Industrial Location Principles and their Role in Site Selection on Long Island". The comprehensive study was prepared under the direction of Dr. Charles E. Stoner, associate professor of economics. Dr. Stoner, currently on leave, is executive secretary of the Nassau County Planning Commission.

William T. McBride, Hicksville, is one of 26 students at Wisconsin State University-La Crosse, to be included in the 1964-65 edition of "Who's Who Among Students in American Universities and Colleges." McBride, who is the son of

Nate Helland, Commander of the Sgt. Ben Levitt Hicksville Post No. 655, Jewish War Veterans of the United States of America, announces that on Saturday evening, Nov. 28, Nassau County District Attorney William Cahn will receive a Certificate of Merit from the Post citing his outstanding achievements in the field of law enforcement. The presentation will be made by Ralph Plofsky, National Commander of the Jewish War Veterans, who will be the guest of honor at the Post's Thirteenth Anniversary Dinner Dance to be held at the Americana Country Club, Dupont Road, Plainview. District Attorney Cahn resides in Long Beach with his wife and three children. He was admitted to the Bar in 1949 and the fol-

lowing year was appointed Assistant District Attorney of Nassau County. He formed the Fraudulent Relief Bureau of the District Attorney's Office in 1951 and then was appointed Chief of Homicide and Rackets Bureau. In recent years he has investigated and prosecuted all major homicide and organized racketeering cases in Nassau County. On Sept. 11, 1962 he was appointed District Attorney by Gov. Nelson A. Rockefeller to succeed Manuel W. Levine, who resigned to become a candidate for the Supreme Court. Cahn was elected on Nov. 6, 1962 for a full term.

He is a member and Director of Temple Emanuel in Long Beach and has served as a Director and President of the Temple's Brotherhood. He is also a member of the B'nai B'rith and a member of the New York Regional Board of the Anti-Defamation League of B'nai B'rith. In addition to being a member of the Nassau County Bar Association, Cahn is a member of the N.Y. State District Attorney's Association, the National District Attorney's Association, Nu Beta Epsilon Law fraternity, Past Master of F & A M Lodge #1048; member of the Long Beach Square Club, the Nassau County Police Square Club, charter member of the Long Beach Leukemia Society and Nassau County Leukemia Society, a former director of the Second Sight Guide Dog Foundation, a member of the University of Illinois Alumni Association, the Jewish War Veterans, and was formerly the Long Beach Chairman of the Cancer Crusade.

Bradford Jaworski of Hicksville, has been selected by Coach Carlton Wood of the Ithaca College varsity soccer team to receive a letter for helping turn in the best record in Ithaca's 32-year soccer history. The Bombers won eight of 10 games, scored 46 times to 12 for the opposition, and shut out five opponents. The Bombers' ace center forward, Sandor Szabo, scored 29 goals for a new Ithaca individual record. Jaworski, who is enrolled in the School of Health and Physical Education, lives at 139 S. Dean St., Hicksville.

THANKSGIVING 1964

"Anything for Thanksgiving?"

How many times have you heard this plea for money or gifts on Thanksgiving Day from the children in your neighborhood? Too many times, probably. It got so bad that you were afraid to answer the door bell. With the repeated ringing in your ears and the vision of a burnt turkey in your mind, you perhaps began to wonder just how this Thanksgiving custom of giving ever came about.

Well, it all started in 1621 when the Pilgrims celebrated the first Thanksgiving Day and invited the Indians from the surrounding wilderness to join them in partaking of the fruits of their first year's harvest. It was in this spirit of giving that the earliest Americans offered thanks to Almighty God for his goodness, mercy and bounty.

It is likewise in a spirit of giving that you can thank God this Thanksgiving by donating to the Catholic Bishops' sixteenth annual Thanksgiving Clothing Collection, a nationwide appeal for serviceable used clothing, blankets, bed linen and shoes for the millions of destitute and ill-clothed living in the impover-

ished and underdeveloped areas of the world.

When the Thanksgiving Clothing Collection "rings" this November, why not open your door to the sad-eyed refugees from Red China crowded into Hong Kong, to the destitute millions in the emerging nations of Africa and in the unspeakable slums of Latin America, by clearing your closets and attics of all used or unwanted clothing, blankets and bed linen and giving them to the 1964 Thanksgiving Clothing Collection? Send or bring a bundle to the nearest Catholic church or rectory.

All clothing and other materials donated in the Thanksgiving Clothing Collection will be shipped abroad and distributed by Catholic Relief Services, the overseas aid agency of the American bishops, which operates welfare and relief programs, without regard to race, religion or color, in more than 70 countries.

Those who donate to the Thanksgiving Clothing Collection will have the satisfaction of knowing that they extended a helping hand to a neighbor in dire need. So, answer the bell this Thanksgiving and give thanks by giving.

THEY REALLY GOT the vote out for the library. Pictured above is a couple who came down with their infant in order to cast their vote.

Big Turnout Proves Interest

By H. Brensilber

The Jericho Public Library was established by a overwhelming majority vote of the citizens of this school district on Nov. 21.

In one of the largest turnouts for an election, the proposition was passed with 1536 votes for approval and 789 opposed. Members of the Board of Trustees for the library chosen were, Mrs. Florence Irving, Mrs. Ruth Lang, Martin Penn, Morton Thielle and My York.

The vote total was higher than expected and indicated the community interest in establishing a public library here in Jericho. During the early hours of voting date, the amount of votes cast were very slight and the hopes of securing a library seemed to be rapidly fading as the apparent apathy of our community made its affects shown. However, during the last two hours of voting there were over six hundred votes cast and this tremendous surge helped to assure the victory for the hard working group of citizens who had worked so long and energetically to see this dream come true.

The margin of victory of close to two to one in favor of the library was a clear indication of the community sentiments. Twice before a library has been proposed for this district and both times it met with defeat. It should be noted that this year's vote total was double previous votes. This is due to the increased population of this area as well as the fruits of labor of Ruth Lang and her excellent group of interested and devoted workers.

Mrs. Lang commenting on the results had this to say, "the Jericho District Library has been approved! This marvelous conclusion to months of dogged effort was not a miracle or an accident. Well over 200 active, dedicated Jericho residents spread their enthusiasm to their friends and neighbors, who themselves participated in the end result by their resounding statement: 'YES!'"

Mrs. Lang further went on to say, "I want to thank everyone of the wonderful people who helped: the Committee members, the Executive Board, the Area Chairmen, the door-bell ringers, the telephoners, the artist, the writers, the planners, the researchers, the school people and the local business people. . . the list is endless. I thank all the wonderful people who are going to be on line with me on the day the Jericho Library opens its doors. This has been a community effort from its beginning to its outstanding conclusion. Thanks must be given to all who helped."

Certainly all of us here in Jericho join in by saying to Ruth Lang . . . THANK YOU, Jericho join in by saying to Ruth Lang. . . THANK YOU.

Letter to Editor:

On Monday night, Nov. 9th, a meeting of the Jericho School Board took place at the High School. At this meeting, Dr. Carey presented, for board approval, the "guide lines" of a program to teach the historical background of the various important religious holidays of the Christian and Jewish faiths. I was shocked by the complete unawareness of the citizens, who attended, as to the actual purpose of the meeting, as well as the seemingly unawareness of the total community. In this kind of atmosphere the Board

gave its approval to the guide lines.

The task that Dr. Carey is taking on is almost impossible and unbelievable in scope. He will attempt to present a historical program without bringing in the religious dogma or concepts involved. Needless to say this program must meet with the approval of all the clergy and finally with the people. If he can solve it, the goal of brotherhood is that much closer. Since he has just begun to work on this program it is impossible for me or anyone to evaluate its merits and/or its constitutionality. When Dr. Carey submits it to the school board for final review, then we too can review it and pass judgment. The most important thing for you and I to remember now is that we should not permit ourselves to be pushed into a pro or con position. There will be the uninformed few who will play upon the fears and emotions of the public to create a whirlpool of hate and anger. This kind of publicity is not needed by our community, as it could prove to be a far reaching blemish on a lot of good people here and elsewhere. I sincerely believe that we are a highly intelligent community who will wait until all the facts are presented so that they can be examined before we pass judgment.

We as a community were not made completely aware of the fact that these "guide lines" were even being submitted to the board. A sensitive topic such as this should have gotten more than the normal procedure of notification to the community. It should have been given exception.

Everyone Going To Anything Goes

It seems everyone in town wants to see the Jericho Scholarship Fund's 5th annual - and most ambitious show, Cole Porter's "Anything Goes." This is a complete, uncensored version of the 1932 revival of the Lindsey - Crouse musical comedy.

It is interesting to note that the original plot was concerned with a ship wreck - a comic one at sea. But just before "Anything Goes" went into production, the Morro Castle disaster occurred at sea - and the original story had to be abandoned. Lindsey and Crouse were called in, brought a new young leading lady named Ethel Merman with them, and rewrote the plot involving a young man stowing away on a luxury Atlantic liner, America's Public Enemy #13, and an untamable young lady named Reno Sweeney.

The songs, which have become classics of the American Stage, include "It's Delovely", "Friendship", "Anything Goes", "I Get A Kick Out of You", "Blow Gabriel Blow", "You're The Top", and others.

As you know, this year's show will be presented at 8:30 p.m. on Friday and Saturday, Dec. 4 and 5, and on Sunday, Dec. 6 at 2:30 p.m. in the Jericho High School.

Tickets are \$2.00 for adults and \$1.25 for children on Friday and Sunday; all seats are \$2.00 on Saturday.

For tickets call WE 1-7366 or OV 1-0187. Sell out crowds are expected so get your orders in now since everyone goes to "Anything Goes!"

Board Decides Religion Issue

By Selma Constant

After many meetings with local clergy and holding discussions at open school board meetings, Dr. Thomas Carey, Superintendent of Jericho Schools, presented a policy to the Board which attempts to develop a climate in the Jericho community whereby the children can learn to understand, respect and appreciate all religions. This policy, which was adopted at the open Board meeting on Nov. 9, provides for the writing of guide-lines so that teachers can intelligently answer questions relating to holidays and present historically accurate information. The policy as adopted, had been approved by four Jericho clergymen, including a priest, a minister and two rabbis.

The majority of the people present approved the Board's stand and expressed hopes that the children will develop mutual respect and understanding of their differences as individuals as a result of the Board's action.

The School Board held its regular monthly meeting on Nov. 16 at which time a final decision was made regarding the district's insurance. The Board had engaged the insurance consultant firm of EBASCO, which studied the insurance program for many months and recommended what kind of insurance and how much the district should have. The Board designated the lowest bid-

der to provide insurance for the Jericho school district.

It was announced that the first class of the enrichment program for Grades 5 and 6 was started on Nov. 7. Exceptional students were selected by teachers and principals to participate in the seminar on Great Books. The class meets alternate Saturdays at the Jackson School to study the world's finest writings.

The Board approved 10 student teachers from Queens, Hunter and Adelphi to observe in the Jericho classrooms. This is in line with Jericho policy to attract top quality teachers to the district.

Policies were established on the duties of the business manager, clerk of the Board, School treasurer, Superintendent of Buildings and Grounds and Supervisor of Transportation.

Driver Injured

Stanley Ornstein of Wantagh suffered a possible brain concussion and was taken to Syosset Hospital in a police ambulance, Friday morning Nov. 20, when his Austin was in collision with a Cadillac convertible at the intersection of Cedar Swamp Road and Old Cedar Swamp Rd., Jericho. The convertible was operated by Aaron Siegel of 33 Magnolia Lane, Jericho.

KEYED TO SERVE METROPOLITAN NEW YORK AND LONG ISLAND

CONCRETE ACTION has taken by Jericho Water District to alleviate curb on sprinkler hours during summer peak demands in Jericho and environs. Engineers, and incumbent Water Commissioner, Charles Kiel, Jr. (center) inspecting foundation to support new 3.4 million gallon storage tank. Construction applications already are filed with New York State Water Resources Commission to dig two additional 1,200 G.P.M. deep wells nearby with operational date May 1, 1965.

Kiel is up for his third re-election since 1957. He is a licensed professional engineer in the State of New York, and has 38 years practical experience in electric and gas utility construction, maintenance, power station operation and executive management serving needs of an ever increasing population on Long Island.

tional handling to make it clearly understood to the whole community. I say this with the understanding that almost all of the religious leaders of this school district have given their approval to the "guide lines" only. I am not even sure this is a problem for Dr. Carey and the school board to tackle. Maybe the clergy should handle this completely and submit the end results of their studies to Dr. Carey for administering. This of course is hind sight and as always, it is lost to the past. Instead he will work with them together.

I understand that a statement is being prepared by Dr. Carey, to explain the general purpose of the program and I hope as to the reasons why it is being developed. This is extremely important if the people of Jericho are to remain open minded until the final program is presented. And when this program reaches that stage, if ever, I trust that the community will be given ample notice so as

to weigh it by themselves and with their clergy. Until that time arrives, I will not do any crystal ball gazing or even mind reading. Before an intelligent evaluation can be given, the citizens of Jericho must wait and receive all the facts.

Ten Pin Talk

The lowly second division up and smote the leading contenders some telling blows. Leo Geyer and his league leading "Goyzers" were almost sunk by Al Minnoff's "Minneows". Leo's men were thankful to come away with two points and thus remain in a three tie for 1st place.

The second part of the three way tie was made possible when Murray Gittleman and his #9's were beaten 4-3 by Nat Warren's "Gnats". Nat had a fine series. He came up with his second good one, a 210, raised his average three points and was the big gun in stopping Murray's men from taking sole possession of 1st place.

The third team in the triangle just barely walked off with a 4-3 victory. Sid Sachs and his "Sad Sachs" got quite a scare as Lou Dershwitz literally bombed his way to a 217, and Capt. Herb Brody electrified the onlookers by making the 4, 7, 9, 10 split. Herb's aptly named "Splits" took total wood but lost the other two games by slender margins. Jack Jacobs was Sid's secret weapon. He raised his average two points and that made the difference.

Bill Kellerman must have promised someone that he would not a 200 every week. For the fifth successive week he hit the jackpot. This time it was a 220. He now has six such games and leads the league. He didn't have much help from the other "Zephyrs" though and they lost to Ruby Skyler's "Rubes" by

Victory Dance

The Syosset - Jericho Democratic Club will hold a gala victory celebration and dance for committeemen, block captains and their spouses at the Jericho Firehouse Friday evening, Dec. 11, Allan Kaplan, zone leader, announced this week.

A strictly social affair, the local Democratic workers will dance to the music of Al Minella's orchestra and partake of the refreshments prepared especially for them. The only political note permitted to creep into the evening's agenda, Kaplan declared, will be congratulatory exchanges over the Democrats' sweeping victories on November 3.

Student Wins \$600 for Essay

Joanne Weintraub of Flower Lane Jericho, ninth-grader at South Woods Junior High School, received \$600 and a silver medalion for an essay describing the fair as "an anything-can-happen land" where you can "discover your role on earth." Although notified of her position as a finalist by telegram a week earlier, not until Sunday, Nov. 15, did she learn that she had placed third among the 7,000 junior high school students entered in the Consolidated Edison sponsored contest.

At a brunch tendered on that day for the winners, their parents and teachers in the Top of the Fair Restaurant on the fairgrounds,

the executive committee chairman dramatically announced the relative standings of the winners. Joanne, a deceptive calm belying the surprise and excitement that shone through only in her eyes,

stepped forward to claim her awards as her name was called. Robert Moses, president of the fair, gave her a check. Charles E. Eble, president of Con Ed handed out a medalion.

a score of 5-2.

Mort Levine fashioned himself a fancy double. He found the range last week with his first good one and came through this time with a 209 and a 210. This was enough to lead his "Mules" to a 5-2 win over Julie Gershen's "Untouchables".

The "Strugglers" have come to life. For the third week in a row they have beaten their opposition. This week with Capt. Art Rosenthal hitting a 201 and teammate Sid Simon busting out with a 215 they easily beat "Sy Truckner's" "Pathetics" 5-2. They have now gone from 12th to 6th place and are only six points away from the leaders.

Only nine points separate 1st place from 11th so its still anybody's race.

VOTE FOR SERVICE

CHARLES KIEL, JR., incumbent commissioner of Jericho Water District and a licensed professional engineer, brings 38 years practical utility experience in water, gas and electric construction, maintenance, operation, and executive management to the demands of an ever increasing population. Election is Tuesday, December 1, 1964, 4:00 - 10:00 P.M. at District's office, Convent Road, Syosset.

A worried mother finds her GI son... because two helpful people wouldn't give up the search

THEY ANSWERED THE CALL FOR HELP - Service Representative Greta Wharton (top) and Supervisor Eileen Beasley.

Are there still people in today's fast-paced world who will take the time to be helpful? And do it willingly and cheerfully? Ask Mrs. Ruth Lewis of New York City.

Mrs. Lewis was terribly worried when she called her local telephone office and talked with Service Representative Greta Wharton. Mrs. Lewis' son had told her he was on his way home from an Army assignment in the Panama Canal Zone. But days had passed, and no further word had come. Mrs. Lewis was sure something had happened to her son. She wanted to telephone him, but she had no idea where to reach him. Could Miss Wharton help?

Immediately, Miss Wharton and her super-

visor, Miss Eileen Beasley, started a telephone search. They called an Army information center, a replacement center and a transfer point. Finally, after many calls, they located an officer in Fort Jackson, South Carolina, who told them Mrs. Lewis' son was safe. The officer promised to have him call his mother.

Moments later, Miss Wharton phoned Mrs. Lewis. It was a grateful and relieved mother who received the good news.

Do busy people still make it part of their business to be helpful? Yes. Lots of people do. Telephone people do. We're glad when they do.

Remensnyder, M. Liebowitz and B. Gannon.

The Jr. Midland Civic Assoc. just held a very successful dance on Nov. 13th at the Willer Ave. School. This active junior group was organized last spring, had a beach party this past summer and helped plan the Midland Civic Association's Picnic, and also had a summer, and now a fall, bowling league. Fred Geiger, adult advisor, states that approximately 40 teenagers attend their meetings, and that the young people make all their arrangements and decisions by themselves. This is an enterprising group, and a credit to their community.

National Award For Wagner Post

In recognition of its outstanding service to the children and youth of Hicksville, Charles Wagner Post #421 of The American Legion, Hicksville, has been cited by the national organization of the Legion, Post Commander Arthur Rutz announced today.

Signed by National Commander Daniel F. Foley, the citation from the American Legion National Headquarters in Indianapolis, Ind., was presented to Post #421 by Nassau County Child Welfare Chairman, Edward LaJole of Hempstead, at the last meeting. Post Commander Rutz gave much credit for this national award to Junior Post Commander Richard Hochbrueckner; Past Commander Robert Mangels; Bandmaster Peter Seitz; S.A.L. Chairman Edward Leger and Americanism Chairman Richard Evers.

Each of the more than 16,000 American Legion Posts is asked to submit an annual report of its programs and activities in behalf of children and youth. On the basis of its report for the 12 month period ending May 31, 1964, Charles Wagner Post #421 was awarded the national honor.

Programs reported in the annual report included aid to the Boy Scout program, aid to 4 H Club program; aid to Police Athletic League and Little League programs; Elementary School Awards; High School Oratorical Contest; Boys State Program; Christmas and Easter parties for hospitalized and orphan children, and youth social activities plus musical and marching groups. "Child Welfare is one of The American Legion's basic programs," Commander Rutz explained, "and we are proud that our efforts have been recognized with this citation from the national organization."

Around the District

with Joe Koerner

THE TWI-LITE WORLD OF ADULT EDUCATION. There are many who class the A.D. Program in the realm of the usual necessary evil...an inherited part of the modern School System. Others rate it a costly extra-curricular frill...that any given School District could easily do without. While still others (the biggest majority) wage an endless campaign to champion its cause. The latter group being a living part of this "Twi-Lite Educational Hierarchy." They get to know the ins and outs and the basic problems facing the former high school dropouts who after a few years of bucking the employment odds suddenly find that some degree of higher education was needed after all. Some cases in point are documented in a pamphlet issued by the State Education Dept. One study in particular is contained in the booklet "THE CURRICULUM IN CONTINUING EDUCATION." And "Continuing Education" rather than "Adult Education" are the words now being used to best describe the modern trend toward evening studies. It's designed to replace the words Adult Education in future years. The latter study mentioned states that leaving school before the 12th grade usually results in an employee staying at a more or less constant level most of his working career. While the high school graduate with 1, 2 or 3 years of college tends to gain greater monetary returns. The college graduate in turn reaches much higher levels...and there are statistics available to prove all this. So in a more concise form it seemed to make a great deal of sense when John Ash, Hicksville's present Director of Adult Education, made this statement recently during a guided tour of "Continuing Education" at work. "You notice a big difference in the returnee's outlook," he said. (Ash is also the Director of Physical Education at the Jr. High School during the daylight hours...and he sort of remembers a great majority of the returnees well. For in this instance he was championing the cause of gaining a High School Equivalency Diploma...the hard way...long after the mind had lost its easy going touch.) "It's not an easy thing to do," he added...picking up where one might have left off 2 or 3 years ago. But if they want it bad enough they manage to make the grade...minus the usual lack of interest and desire that might have been a part of school life. Ash went on to relate the tale of a dropout with a span of 15 years to make up. It was a question of automation wiping out a department. The man in question needed a high school diploma to compete in another area. His last ports of call were the Adult Ed. program or a Correspondence Course. And as things turned out The Former Program was more in line with his ability to pay. He's still struggling for the illusive diploma but Ash and the Equivalency Course instructor Martin Cohen have a feeling

Mr. X's complete desire will eventually win the battle. Some of the other tales include...the housewife who invasions herself a telephone operator in later years...or when and if she is called upon to support herself or her family...the man or woman suddenly afflicted with the known importance of a hobby. The physical education buff...the future typist...book-keeper...auto mechanic...house wiper...creative writer...public speaker...and so on through a long list of educational and recreational programs designed for all people in all walks of life. And this includes rug hooking, sewing classes, beauty culture, golf & guitar instruction, electronics, interior Decorating, Braille, Driver Education, Shorthand, and so on...including a course in "Philosophy - Epistemology." And the last word of course threw our mental dictionary completely out of focus. (We later found out without exposing our moly's to the 4 winds that the Epistle part of the action was "the investigation of human knowledge from standpoint of its validity") There were 19 avid aficionado's present and it was being taught by Joseph Pelsel. And then there was the "Oil Burner Repair and Heating" course taught by Daniel Gross. It seemed rather odd to see a woman taking such a course... But her reasons were simple and directly to the point. "That husband of mine," she said... "He has 9 fingers on each hand... I wouldn't dare let him near any oil burner of mine!" And so it went on our guided tour of Adult Education at Hicksville High. We met the human dynamo Mrs. Alice Eaton who heads the Senior Citizens group in Hicksville. She and Mrs. Edna Fortin officiate at the evening classes held on Wednesday and Thursday nights. We asked Mrs. Eaton what she and the other Senior citizens group in general thought of Medicare. "We're 100% for it" she replied quickly and without the benefit of thought. She added a bon-mot concerning a trip to Washington to see Congressman Steven B. Dornbusch on a matter of petitions for "Medicare". "You could have mailed them," the former Congressman had said in a lukewarm "Was this trip necessary tone. To which Mrs. Eaton replied sweetly... "We wanted to make sure you got them Congressman!" But this of course is but one phase in the world of "Continuing Education" here in Hicksville. It works and it works well... thriving in a congenial atmosphere promoted by Director John Ash and his attractive Sect. Mrs. Muriel Trauers. It puts its best foot forward in the Americanization and English for the Foreign Born (Classes 1 and 2 taught by Donald Groening and Sigmund Dirksen.) For here... and especially here we believe that the guided tour without fanfare of any kind tends to make the Doubting Thomas a firm believer. It starts in the warmth of a small unpretentious office mother-henned by the highly efficient Mrs. Trauers who

found time to share a box of mint candy... It ends at the door of an Americanization Class which strangely gives one a feeling of inferiority rather than superiority in watching such a class in progress. The barriers are high but most all come through with flying colors in trying to master one of the hardest languages on earth. "Two many words have a tendency to sound the same but have two different meanings" most all foreign born future citizens concur... "For... too and two don't always make six" they say. And this is where it all started on or about 1936 when the nation's schools were made available for Americanization courses and the seed of an idea was planted in the minds of those who figured Continuing Education in all crafts, fields, hobby's and endeavors would be far from being considered in the realm of being a (frill)... A word that makes John Ash and all others directly connected with Adult Education see red white blue and

green. A guided tour is their answer to all detractors... for in bringing the Mountain to Mohammed the Confucius proverb of "... One picture is worth 1000 words seems much more realistic. It's a fabulous place, this Twi-Lite world of Adult Education.

FACTS AND FIGURES CONCERNING ADULT EDUCATION IN HICKSVILLE. There are a total of approximately 60 instructors currently engaged in Hicksville's program. They are compensated at the rate of \$5 per hour. All courses except Americanization 1 and 2 have a set fee. These fees range from a low of \$3 per course for High School Equivalency to a high of \$28 per couple for Ballroom Dancing taught by members of the New York Society of Teachers of Dancing... Miss Gladys Liebold and George Kikta. And the course in Braille while coming under the heading of No Fee does cost approximately \$4 per person for equipment used at all sessions.

Benefit Success

Mr. and Mrs. Presser of 49 Haverford Dr., Hicksville are all set for Thanksgiving. They won a complete dinner for 12, ranging from soup to nuts, as the grand award at the Harvest Time Card Party of the Parents and Residents for Better Education benefit Nov. 18 at the Lions Den, Catherine Driscoll of 45 Larch St., also Hicksville, won the door prize. Mrs. Grace Merkel, ways and means committee chairman, wishes to thank all who labored to assure the benefit's success. She expressed a special vote of thanks to the ladies who donated homemade cakes.

There are 45 Braille registrants. The total Adult Ed program had 1,363 registrants as of Oct 10/64. State Aid and registration fees covers a great deal of the total cost involved. There are plans now in the making for additional courses next Fall - one of which might be Public Speaking.

GUESS

HOW MANY LILCO CUSTOMERS SWITCHED TO

GAS HEAT

IN THE PAST 5 YEARS!

WIN A BRAND-NEW GAS HEATING UNIT - or one of many other valuable prizes!

You still have an opportunity... right up to Nov. 30... to win a lifetime of clean gas heat for your home. Just estimate how many of your Long Island neighbors switched to modern, dependable gas heat in the past 5 years... and said good-bye to old-fashioned heating methods. Things like space-consuming tanks in their cellars. Expensive repair bills on complicated heating units. Delayed deliveries due to storm-clogged roads. Frequent redecorating costs.

Your answer may just be hot enough to bring you a cleaner, healthier home life this winter... and for many winters to come. What could be easier? Don't wait! Fill out the coupon below.

1st to 5th Prizes!

Each consisting of a gas heating unit - including cost of installation and connection to existing heating system. If winner has bought and installed a gas heating unit during the contest, reimbursement of the total cost of installation and connection to existing heating system will be paid.

6th to 10th Prizes!

Choice of 5 Gold Star gas ranges or 5 top-quality gas clothes dryers. All 5 prizes include the cost of normal installation.

11th to 100th Prizes!

90 beautiful electric blankets, in choice of decorator colors.

Check these simple rules... they're as easy to follow as it is to heat your home with clean gas heat!

1. Phone or write LILCO for a free gas heating survey of your home. There is absolutely no obligation. Our Heating Representative will give you your official entry blank to LILCO's "Guess how many LILCO Customers switched to Gas Heat in the past 5 years" Contest. A free heating survey of your home takes less than an hour.
2. To qualify, you must be 21 or over, a homeowner and a LILCO residential gas customer not presently using gas for home heating. Only one member from each household is eligible. LILCO employees and their immediate families are not eligible.
3. Contest will run from Sept. 8 to Nov. 30, 1964. Winners will be announced week of Dec. 14, 1964. Decision of judges will be final.

Legionnaire's Log

Charles Wagner Post
No. 421 Hicksville

by ARTIE RUTZ

Have you been down to our Hall on Tuesday nights of late? Gee, but a lot of good guys give up their spare time to work on Post projects...And I hear we always can use more help...Of course you know that the Victory Room has been repainted and looks great...Our Junior Auxiliary and Sons of The Legion Variety Show was a big hit last Sunday afternoon when they performed for veterans from Long Island Veterans Administration hospitals at the Hempstead Post. They will put the same show on for the inmates of Jones Institute in December...Perhaps we may prevail upon them to do a show for us also...Our Junior Band, now officially known also as "Bellaires" has recessed its weekly practice sessions until January to allow everyone ample time for their holiday shopping and whatnot...Yeh, that time is fast coming upon us and it reminds me that the Auxiliary has its annual Christmas Gift Shop date at Northport Veterans' Hospital on Dec. 4th...This is something that every veteran, particularly Legionnaires, should see for themselves...This is the finest organized rehabilitation program going and one must take his hat off to the "girls" for their grand manner of doing things...Believe me when I tell you that even very experienced Legionnaires (well versed in this type of effort) were amazed at the overall efficiency of this program...Our Auxiliary does us proud and if for one am happy to say so...We have a new gimmick on our bar which is in the interest of our Welfare Fund...Give it a try with your best skill...Hey fellows! Keep

In mind we need your help if we are to run a successful convention in Hicksville next June... Soon you will be receiving questionnaires from the committee as to what you will do for the Post during that period, please answer at once on the return Post card provided...Our New Year's Eve party goes this year for \$13.00 per couple so don't wait too long.

OUR MEN IN SERVICE

Rodger A. Juckes, son of Allen G. Juckes, 84 Acro Lane, Hicksville, was promoted Nov. 2 to specialist four in Germany where he is a member of the 35th Artillery.

Specialist Juckes, assigned to Battery C, 2d Target Acquisition Battalion, entered the Army in April 1963. He completed basic training at Fort Dix, N.J., was last stationed at Fort Sill, Okla., and arrived overseas in September 1963.

William P. Boyce, seaman apprentice, USCG, son of Mr. and Mrs. William W. Boyce of 57 Buras Ave., Hicksville, is serving aboard the U.S. Coast Guard Cutter Westwind, operating out of the New York Naval Shipyard, Brooklyn.

The icebreaker Westwind recently returned to the shipyard following a six month deployment in Arctic waters. While in the Arctic, the Westwind replenished the supplies of Arctic area military bases on Greenland, Iceland, and Newfoundland.

John E. Pease, seaman apprentice, USCG, son of Mrs. Helen M. Pease of 1 Smith St., Hicksville, is serving at the Coast Guard Group at Portland, Maine.

Display Buttons At Public Library

From now until Dec. 7 the Hicksville Public Library is displaying the button collection of Miss Esther Byerly of 26 Hicks Circle, Hicksville. Miss Byerly has been interested in collecting for many years and has a most interesting collection. She is a member of the First Long Island Button Club, the New York State Button Club and the National Button Society. The public will be interested in seeing these examples of what is becoming a lost art.

Anyone who would like further information concerning this hobby may call or write Miss Byerly.

Operation VFW

William M. Gouse Jr.
Post No. 3211
by Eddie Klebing

One of the most unique communities in the United States is a village of children near Eaton Rapids, Michigan. It is the Veterans of Foreign Wars National Home. This village is different in that it is available only to widows, sons and daughters of VFW members. Also it is one of the most beautifully developed children's villages in the world.

The VFW National Home is a home in the true sense of the word where more than 250 children and mothers can live comfortably and securely, thanks to the thoughtfulness of members of the Veterans of Foreign Wars and the Ladies Auxiliary.

Of the many children who have lived at the Home, several hundred young people have graduated from high school since the Home was established in 1925. These graduates have formed an alumni association for the purpose of helping the National Home program.

More than one hundred of the graduates have served in the armed forces of the United States during World War II. Three of them gave the last full measure -- their lives -- for the cause of freedom.

Strong, alert and eager young people are developed at the Home through the best of recreational facilities. To continue, it needs support. Three major sources of income make it possible to maintain and develop the VFW National Home.

First, a penny from the sale of each Buddy Poppy sold during the annual nation-wide sale of Buddy Poppies. Secondly, from the sale of VFW National Home Christmas Seals. Third, from gifts to the National Home for a specific purpose.

In addition there are two other sources of income to help insure against that proverbial "rainy day." These are revenues derived from the sale of Live Memberships and an increasing number of bequests which are being provided in the wills of members and their friends.

The Veterans of Foreign Wars National Home is our living monument. It is truly a vivid application of the organization's pledge, "HONOR THE DEAD BY HELPING THE LIVING."

Shortly members will receive VFW National Home Christmas Seals. Your donation to the Home through the sale of these seals will help further the cause started by unselfish members almost 40 years ago.

ORDERS FUEL ELEMENTS

An order for 1,650 nuclear fuel elements from Brookhaven National Laboratory has been announced by Sylvania Electric Products Inc. Sylvania is a subsidiary of General Telephone & Electronics Corp.

The elements, which are being manufactured by Sylvania's SYLOR Division in Hicksville will be used in the Laboratory's Graphite Research Reactor, according to Grant W. LaPier, Plant Manager for SYLOR's commercial fuel section.

Have you priced a tiger lately?

Take the GTO, for instance. Comes with 335 hp. Or 360 at extra cost. Plus bucket seats. Carpeting. Walnut dash. And like that. Yet it sells for less than a lot of pussycats with imitation stripes. Then there's the Le Mans. Same kind of pizzazz. Same kind of crackle. Same kind of low price. Slightly smaller teeth. So price a tiger.

Want These?

They are yours when you re-finance with a Central Federal Mortgage!

You have the house—now perhaps you'd like to have that extra bedroom, a new car or a boat, a swimming pool, a shop in the basement, cash for college.

It can be done—sensibly. Without high finance charges and without extra installments.

A man with a house is a man with a valuable asset—his "equity" in his home. Because of payments made on his mortgage, improvements to his property, increases in real

estate values—this equity has grown—making him a preferred borrower.

So don't put off your family's "growing needs" and don't get involved with high installment loan charges. Come instead to Central Federal Savings and Loan Association and let experienced Mortgage Advisors work out a new Mortgage Plan that will put your borrowing on a sound basis. Call 516-GE 2-4000 for complete information.
