# Fire Loss May Top \$150,000

The eight-year-old two-story Sutter building at Jerusalem Ave. and Newbridge Rd., Hicksville, was gutted by flames Sunday night. Built in 1956, the building was twice before damaged by fire but the third time really did it in. Damage was expected to reach \$150,000.

Four occupied stores on the ground level are a total wreck. A store at the north side which had been vacated about three months ago, curiously, suffered little damage. Some fourteen offices on the second floor were burned out and flames roared thru the ceiling in several places.  
(Continued on page 3)

WHEN CELLAR DOORS were opened, dense choking smoke blanketed the entire building. The roaring inferno blazed thru the first and second floors and burst out of the flat roof.

MUCH LATER in the evening. Smoke covered Hicksville for blocks. White specks on the flat roof are firemen with reflective strips on their rain coats.

SANTA CLAUS will make a visit to Hicksville on Saturday, Dec. 12, at the parking field on the corner of Jerusalem Ave. and W. Marie St. He will arrive at 10 a.m. and will have gifts for all the boys and girls who visit him. Santa's visit has been arranged in cooperation with Grand Union Stores through the Hicksville Chamber of Commerce according to Irwin Goldman, President.

**Christian Mothers To Skate Jan 21**

At the November meeting of the St. Ignatius Auxiliary of Christian Mothers, Mrs. Hess expressed her appreciation to all for the gratifying success of the recent cake sale. The mothers are sponsoring a Skating Party to be held at Roosevelt Field Ice Rink on Jan. 21.

Father John Mariano, of Sacred Heart and St. Stephens, Brooklyn, was most informative and entertaining in his talk to the mothers. Father Mariano at-

tended Cathedral College and the Huntington Seminary. Since his parish is situated in the Red Hook section of Brooklyn, he has to deal with many problems of juvenile delinquency. He advised the mothers to pay special attention to the type of discipline in the home in order to avoid future behavior problems with their children.

The Dark Horse prize of \$3 was won by Mrs. Arthur Carlin. Sister Venard won the gift certificate.

The next meeting of the auxiliary will be the annual Christmas Party. It will take place on Monday evening, Dec. 21, at 8:15 P.M. Father Goggin's Glee Club will provide some of the entertainment. The chairlady,

**Dear Lynda:**

Happy to see JACK KENNEDY back at the Firehouse Inn .... FREDDIE SCHLITZ suggested this headline: FREDDIE cracks up at PO .... Once again the mail carriers are gathering together among themselves gifts for tiny tots at Meadowbrook Hospital and the orphanage in Syosset, according to JOHN J. O'BRIEN, president of the Hicksville branch of the National Assoc. of Letter Carriers. TOM GEARY is cooperating with his restaurant as a place to leave gifts .... Next regular meeting of Hicksville School Board takes place Friday night, Dec. 11, at the Senior High. It will probably be the only regular this month .... Despite reports in the daily press, Levittown firemen were NOT called out Sunday night for that fire in the Sutter building. Mutual aid assistance was given by Jericho and Plainview. Have BUD WERNER tell you how he suddenly found him swimming in the basement of the building when a fire wall let go about four feet of water piled up in an adjoining area .... Nassau police give this pre holiday warning to homeowners: Be wary of strangers seeking admittance or information and fast talking salesmen offering "too good to pass up" bargains ....

If you are one of the 600,000 NY State drivers whose operator's license expires on Dec. 31, you will be getting a punch card renewal application in the mail within the next few days. About 200,000 of the applications will carry the legend "Eye Test Required". . . . Very many happy returns to LYNDIA SCOTTI of 57 Acorn Lane, Levittown, who celebrated her birthday on Wednesday, Dec. 2. . . You must have heard of urban renewal. Well, in Hempstead they say (whenever the fire whistle sounds) "there's some more INSTANT Renewal". . . . We hear Santa will be an official arrival in Hicksville downtown on Saturday, Dec. 12. Details are not complete as yet. The sponsoring Chamber of Commerce directors meet this Friday morning, Dec. 4, at the Seaman and Elisseman bldg. . . . People keep asking what PETE has been upto. . . and we'd like to know, too. . . Looks like an auto managed to clip down one of the signs indicating the location of the Kennedy Memorial on North Broadway.

Our sincerest get well wishes to MRS. GOLDMAN, mother of the Goldman Bros., Irwin and Howard, who underwent surgery recently. She is a patient at Central General Hospital in Plainview. Happy birthday wishes to MAUREEN MILLER of Harrison Ave., who celebrated Nov. 27. . . . Ampere Electronic Corp. which has a plant on Duffy Ave., here, was highlighted on a recent "I've Got a Secret" telecast displaying a tiny electronic tube they manufacture that can cook a whole holiday type meal in ten minutes. Hint to hubby, girls, maybe he'll get you one for Christmas. . . . Speaking of Christmas, the Santa Claus mail is picking up. . . . It was a sorry sight Monday morning seeing the burned out businessmen of the Sutter Bldg., grouped together viewing the remains of their offices. . . .

## Third Fire Really Did It For Sutter Building Tenants

By Tom Peplow

Disaster struck the occupants of the Sutter Building, at the corner of Newbridge Road and Jerusalem Ave. in Hicksville, in the form of a blazing inferno for the third time, Sunday. This holocaust took the greatest toll of the three as the fire engulfed the entire building, leaving a frame of charred destruction behind. No part of the building is unscorched. The first floor, containing a restaurant, beauty salon, barber shop and a stationery store, were burnt to a crisp. The remains of these stores were in such a sorry state that it was hard to distinguish their businesses.

The restaurant was hit the hardest on the first floor, having all its equipment burned. There is a ten foot hole in the middle of the floor. The second floor was a complete ruin as the various offices were charred and burnt beyond recognition. These offices were covered with at least a two inch blanket of ashes and debris.

Mr. Hudak, President of the M.K. Co., was one of the many clearing away the debris, and rubble of what used to be his office, Monday, and trying to salvage part of his Company's records. Others who were salvaging records were Mrs. Arthur J. Stone, and Mrs. Robert Stretten, President of the Mid-Island Council of Girl Scouts, who are going to have a telephone answering service in operation temporarily, at the Meadowbrook National Bank starting Dec. 1st until more permanent headquarters can be established. Jack Rapsardi, the proprietor of the barber shop, was notified by a friend and hurried to the scene, and had this to say about the fire; "When I first heard the news, I said O No, Not Again, and rushed over to see the fire,

and the fire trucks pumping thousands of gallons of water on the fire, and seeming to do no good, as it kept sweeping through the building with the flames climbing higher and higher."

The following are a list of the second floor offices that were damaged: A.K.Z., Realty Corp., Bahary Norman, Realty Investments & Land, Central Income Tax Srch., Levine & Flax, Attys.; Mainland Realty Co., Lic. Bkr.; M.K. Company Inc., Makara F., Patent Atty; McCaffrey B., Atty; Manufacturers Payment Corp.

Also Mid Island Council of Girl Scouts, Mobaray Equities Inc., Newcorn A., Atty.; Nine Asso Inc., Ravety H., CPA; Silverman J., CPA; Silverman & Wiener, CPA's; Svigals Robert, MD.; Wesnoske B. J., Atty; and Wiener J., CPA.

## \$150,000 Loss

(Continued from page 1)

One hundred and twenty Hicksville volunteer firemen fought the blaze under the direction of Fire Chief John Specht who told the HERALD he was grateful that none of his men suffered injuries in the tough battle which began with the alarm at 8:18 P.M. The weary vamps and their equipment returned to fire headquarters at 2:30 A.M. Monday. The intense cold hampered the volunteers. The alarm drew a large number of spectators to the scene. Mutual aid assistance was given by the Plainview and Jericho Fire Departments.

The cause of the fire was not immediately known and Chief Specht requested an investigation by the County Fire Marshal's office.

The building was erected by Fred Sutter on property which had been in the family for many years and, as a monument works, was a familiar sight to LIRR commuters and residents. Sutter sold it a few years ago with the stipulation that the building would continue to bear the family name as a memorial to his father. The current owner is listed as Kirby Realty of 255 7th Ave., New York City.

HERALD photographer Frank D. Mallett was on the scene almost from the first alarm and remained there for more than three hours to obtain the exclusive pictures in this issue. He and others

first on the scene reported the fire appears to be contained in only a portion of the building, at first. Then suddenly it burst throughout the structure. A fire dept spokesman denied, as was reported on Monday, that a gas line had exploded in the basement during the fire.

## Panel Monday Open to Public

Residents are reminded of a round table discussion being sponsored by the Taxpayers Educational Assoc. for the Children of Hicksville (TEACH) on Monday night, Dec. 7, at 8:30 P.M. in the Little Theatre of the senior high.

Louis Villamana, president of the Hicksville Classroom Teachers Assoc. will be among those participating in addition to those named last week in the HERALD. Villamana's name had been inadvertently omitted in the earlier announcement.

The public is invited to participate and exchange views with members of the panel.

## BURNS PROVE FATAL

A 22 year old electrician, Steven Dryer, of 354 Richard Ave., Hicksville, died Saturday in Bellevue Hospital, N.Y.C. of burns suffered in a transformer explosion in the sub-basement of a building at 666 Fifth Ave., N.Y.C. Friday morning.

HOSE LINES poured tens of thousand of gallons of water into the flaming Sutter building. This was part of the attack from the rear of the structure.

# OPINION

## Hats Off to Firemen

It takes a disaster like the Sutter building fire to remind us of the unselfish work of our volunteer firemen who spend many, many hours in training in the community interest. The firemen of all our communities give unselfishly of their time, time away from their homes and - as was the case, Monday - away from their jobs and as the result many lose a day's pay.

You can't be out fighting a dirty, smokey fire, dragging hose, climbing ladders and creeping around in almost total darkness with only the rasp of your air pack mask to keep you company - and be fit for a day's work on the morrow. Some can do it and more power to them but they are probably shortening their lives.

A well done to the firemen and a word to the eager spectators - please stand back when requested and let the boys do the job for which they have trained and drilled.

## Legionnaire's Log

Charles Wagner Post  
No. 421 Hicksville

by ARTIE RUTZ

Were you as shocked as I was by the news story from the Congo which told of our Consul having to eat our nation's flag? . . . Don't you think that it's time that our nation should stop taking these kicks in the shins from brats? . . . First thing you know, the big bulls will take real heat and take a substantial swipe at our chin. . . Goodness knows we've been leading with it much too long. . . Let us send the Marine Corps, not the Peace Corps, perhaps we will be respected as we should be. . . Our Post, thru its inventory of the various types of blood that our members possess was able to produce two direct donors for a Hicksville woman last weekend who was in dire need of B negative blood. I personally wish to thank Legionnaires Raymond Gamble of 27 Bamboo Lane and Patrick Creegan of 52 Plin Street for their blood donations. . . And to 1st Vice Commander George

Johnston for his prompt handling of this matter so efficiently. . . In case you haven't heard about our kids of the S.A.L. and Junior Auxiliary, they're putting on a musical revue for the Post and Auxiliary members at the Post on Sunday, December 6th, at 3 P.M. . . Come on down and watch this show which they have already put on for Kings Park patients two weeks ago at the Hempstead Post and will again put on for the patients at the Jones Institute on December 18th. . . The Auxiliary is furnishing the vegetables, etc., for a meal after the show and we are furnishing the hot roast beef (Mike Palladino will chef that deal!!!!). . . Our Color Guard is always open for additional members if you have the time and desire to serve the American Legion in the manner the public know best. . . Once again we are making some changes down at the Post that calls for construction work and some revamping of our storage plans. . . Have you brought in that new member yet? . . . Jack Spinella is real busy on this project and has signed up at least one since last week and has a raft of applications in his pocket. . . Keep up the good work, Jack. . . You have the right spirit. . .

## Reader Opinion SPEAKING OUT

To the Editor:

Recently in your papers, letters have appeared speaking out on school affairs. The variety and number of matters brought up is most extensive, and most not germane, lacking in substance and validity. Therefore, it becomes necessary that everyone understand that criticism of public education matters is based upon the concept "of the best education possible for all of our children". With this in mind criticism has been leveled at Supt. Donald Abt and the school board. No public education system is a "sacred cow" which the Taxpayers are expected to feed and pet, but must tolerate in awesome silence.

The resort to vilification is the resort of an individual who supports a position which cannot be determined by valid statements. Their shortsighted answers to very real problems reminds us sharply of their personal limitations.

It is important to assure all who practice such sly tactics. . . We will continue to praise what is good in education, and will fight what is not.

The Executive Committee, Parents and Residents for Better Education

## Sewers are Inevitable

Much discussion is going on about the inevitability of the construction of a sewerage system in our area. Under the direction of Eugene Gibbons, Commissioner of Public Works in Nassau County, a proposal for the creation of a Sanitary Sewer District #3 was recommended, which extends to the Suffolk County Line on the east and from Roslyn Heights to the South Shore on the west.

With the houses in our area reaching their 9th and 10th birth days, it is evident that with the constant usage of the cesspools under the lawns that they are being overtaxed, especially with the use of detergents in our sinks and washing machines. The seepage of this waste effects the purity of our water supply. This seepage was easily absorbed when the area was sparsely populated but the rapid growth in our area has created a health problem.

The installation of sewers will rid your house of unpleasant odors and costly backup repairs of the cesspool as well as to increase the value of your home.

No homeowner will be required to connect to the sewerage link until his cesspool or septic tank overflows and then it will be required by law. But whether your house is connected or not, both disposal and collection district taxes must be paid. Taxes would start with the beginning of construction of the treatment plant and interceptors which are expected sometime in 1965.

Before any sewer district can be legally established, a public hearing must be held. After the hearing, the County Board Supervisors will vote to approve or disapprove formation of the district.

## Ten Pin Talk

by Henry Dockswell

DOCKSWELL

Ask how a team can bowl three 200 games and still lose a series and Norm Ney will tell you. Twice Norm hit the jackpot. Once with a 200 and again with a 201. His chief "Pinhead" Lou Truchil, added his contribution, a 215, and still they lost to Sy Bruckner's "Pathetics" 4-3. Sy made the big difference when he came up with the best game of the night, a 235.

Milt Goldberg was just the right shot in the arm that Murray Gittelman's #9's needed. He crashed a 223 early in the evening and completely demoralized Al Minnow's "Minnows". With the help of Harry Seaton, who had a fine series that raised his average to 152, the #9's went on to shutout Al's Minnows 7-0 and remain in a tie for 1st place. Harry is a much improved bowler. Last year, his first in the league, he finished with an average of 129, but brother look at him now.

There was one other shutout, Sid Sach's "Sad Sachs" whitewashed Morry Herrick's forlorn

"Giants". Foremost fashioner of this whitewash was Marv Kahn. Coming off a two week layoff, because of a strained muscle in his chest, Marv had a fine night. He raised his average three points and led the way for the "Sad Sachs" to remain in a tie for the league lead.

Sid Simon is continuing his fast pace. For the second successive week he came through for the "Strugglers". This time it was a 218 which led the way to a 5-2 victory over Sam Springer's "7-10's", and kept the "Strugglers" in 6th place only eight points out of 1st.

Larry Goldenberg had a rewarding and yet a disappointing night. He threw a 213, his fourth of the year, but it was to no avail as the "Rubes" lost to Mort Levine's "Mules" 5-2.

The most exciting game of the night was between Nat Warren's "Gnats" and Leo Geyer's "Geysers". This was the spot that Nat picked to get fancy. In the 10th frame he threw a strike and then nine to tie the score at 809-809. Starting him in the face was the 10 pin. He turned so white we thought he was wearing lipstick. But he made it, racked up a 205 for himself, a win for his "Gnats" and a 4-3 victory over Leo's "Geysers".

HIGH SCHOOL students Judy Anderson and Andrew Genna who will represent J.H.S. and Nassau County at the All-State Festival in Buffalo.

## Musical First For Jericho HS

For the first time in the history of Jericho High School two students were selected to play in the all-state music festival sponsored by the New York State School Music Association (NYSSMA). Andrew Genna was chosen to play clarinet and Judy Anderson, flute. Both represented Jericho High School in the 1963 and the 1964 Nassau-All-County Festival.

Each year each school sends its best choral and instrumental students to compete for participation in the all-county festivals, which give a concert with a band, an orchestra and a chorus sharing the program. From each county the program, the highest scorers are then selected to participate in the all-state festival.

On Nov. 21 the Nassau-All-County concert was held at Syosset H.S., where Jericho was represented by Andrew Genna (orchestra) and Judy Anderson, Sharon Koff, Stuart Grabler, Joseph Reale and Fred Balmages (band). On Saturday February 6, Judy Anderson and Andrew Genna will take part in the all-state festival in Buffalo, where the Annual conference of NYSSMA will take place. There they will have an opportunity to meet and play with performers from all over the Empire State. Jericho may well be proud of these students and their teachers, John Norton and Alan Arnold.

## Letter to Editor:

Letter to the Editor

I would like to take this opportunity to thank the many friends and neighbors for their offers of help and sympathy as a result of our near tragic accident. It is at a time like this that you realize how many friends you have and that people are really concerned with each other's welfare.

To the Jericho Fire Dept. may I say thank you for the speed (within 4 minutes) and efficiency shown in the immediate response to the alarm and the consideration and help given us during the fire. It is heartwarming to know that, in our community, we have a group of heroic men who daily risk their lives with no pay, arise at a call at all hours of the day or night, in rain, snow, and in my case a dense fog at 2:17 A.M. to help the members of the community in time of dire need. Under the leadership of the Chairman of the Board of Fire Commissioners, William Simpson and Chief Neil Murphy, these men should receive all the support needed to keep up to date with modern equipment, courses taken, etc. All they ask is a donation to the Volunteer Fund once per year and we are not bothered any more. This is the least we as members of the community who place our lives in their capable hands, can do to show our appreciation.

May your readers never experience the frightening experience Mrs. Etkin and I suffered.

Sincerely yours,  
(sgd) Dr. Harry Etkin

## Kennedy Fund Making Appeal

The John F. Kennedy Memorial Scholarship Fund has begun its 1964-65 fund drive. The fund established on Nov. 24th 1963, two days after the assassination of President John F. Kennedy, seeks to make available scholarship grants to Hicksville High School students majoring in college in political science.

This year's drive began on Nov. 22nd, one year to the day that President Kennedy died.

Last year the fund granted three scholarships. This year the fund hopes to make available as many scholarships as possible, but reminds the people of Hicksville that they are the fund's only means of support.

Chairman Bruce Glatt said "President Kennedy did so much to attract young people to government that we decided to see that no one would be discouraged because of the high cost of a college education." If the person receiving the scholarship decided to attend Hofstra, the University will match the amount of the scholarship.

The fund includes about 50 teenage volunteers headed by Glatt and Co-Chairmen, David

Rule, Joe Rohan, and Robert Farrington.

Contributions can be made by mailing a check to the JOHN F. KENNEDY MEMORIAL SCHOLARSHIP FUND, 32 SALEM ROAD, HICKSVILLE, LI801.

All contributions are welcome and receipts will be mailed to those persons wishing them. All legal papers have been filed with and permission given by the Town Clerk of the Town of Oyster Bay and the U.S. Treasury Dept.

FOR HELPING SAVE THE LIVES OF  
TWO SUFFOLK CHILDREN...

EMIL E. KUBOVEC,  
New York Telephone Cable Splicer,  
has been awarded  
the Bell System's  
prized Vail Silver Medal.

Emil Kubovec, Cable Splicer, recently was awarded the Theodore N. Vail Silver Medal, including a cash award of \$1,000, for an act of heroism. This, in part, is the citation from New York Telephone President Clifton W. Phalen:

For courage and effective action in rescuing two children from an icy pond.

On February 28, 1964, Mr. Kubovec was driving his company truck past West Pond in Eastport when he noticed a young boy out on the ice. 150 feet from shore. Mr. Kubovec drove to the Eastport Firehouse and alerted the firemen. As he returned to his truck, a man shouted that a boy had fallen through the ice. Mr. Kubovec sped back to the lake, parked his truck and turned on the flashing light. Seeing that two boys were now in the water, he grabbed his extension ladder and handline and

pushed out toward the break in the ice. A fireman joined him, but as they neared the boys, both men fell through the ice. All four kept afloat by holding on to the ladder until firemen got a rescue boat to them. But Mr. Kubovec, afraid of capsizing the boat, did not join the others in climbing aboard. Firemen pushed the ladder to him and hauled him ashore.

Mr. Kubovec's courageous action was instrumental in saving the lives of two children.

Emil Kubovec's act of heroism exemplifies the "Spirit of Service" telephone people have. We're proud of him and his dedication to a tradition built by thousands of telephone employees serving you.

**CANINE CAPERS...**Some Hobbyist's get their isometric kicks by gripping beer glasses in the local pubs...Others take up golf...birdwatching...bowling...butterfly collecting...or just fishin or fowlin around in general...hoping their own special hobby doesn't send them to an early poorhouse. But then again there are many others who like Wallace Collins and Henry Lauck (pictured above) who travel around in the plush world of Pedigreed Dogdom. Their's is the domain of seeing a litter or two leading to a lot... especially if the litter's Ch. (Champion) precede a Mother or Father's name. And Collins the elder Statesman of this specific pair knows the ins and outs of breeding for profit over the past few decades. He's a Beagle man from the old school and doesn't hesitate to advocate the "Beagles are Best" theory. While Lauck on the other hand...a newcomer to the Doggy Set is strictly a Snauzer man. Both, however, have a lot in common in spite of the verbal fireworks when the relative merits of both breeds are discussed. Collins, Head Groundsman of School Dist. 17, resides at 138 6th St., Hicksville. His wife, Marge, is the "off to the Hounds Widow" who provides custody over 5 cartons of medals, cups and ribbons acquired over the past 20 years by the Collins line of Beagles. Ch. Collins 2nd pictured with her master comes from a long line of titlists...being 2nd in a chain of five successive Field Champions. Ch. Collins 1-2-3-4 and 5 did their fair share of helping to fill the Cups, Medals & Ribbons larder. Collins a long time Hicksville resident and former North Carolinian is a mere broth of a boy... just turning 21 plus about 35 more. He belies his age as a result of his outdoor bobby which consists of turning his charges loose on an open meadow and following in hot pursuit for hours on end. And the way Collins explains it... It's the sort of

feeling other guys seem to get when hunting flounder with a 12'... 35 Horse Speedboat... Picking the Twon Double or sinking a 210 yd, 4 Wood shot on the 18 hole for Match, Medal, Eagle, Birdie, Par & Hole. It's a world of peace and solitude" says Collins as he sort of wistfully recalls the wide open ranges of the Mid-Island area 20 or more years ago. He goes East now just to keep his canines pointing in the right direction. Some of the Collins line of Beagles have taken laurels as far away as California... and the greatest moment of them all took place at a Field Show in Rhode Island. It was a day that saw Ch. Collins Bonnie V hit the Field Jacket of Dogdom. Bonnie came away literally loaded for bear with a triple crown in her possession. She became the DERBY... FUTURUTY and FIELD CHAMPION all in one day and Collins in turn was beslated with offers from almost every State in the Union. But not for Bonnie V who from the very beginning had carried a NO SALE sign on her pointed tail. The offer was for her yet to be conceived litter which eventually brought a top price of \$500 for the pick of the litter of 9. And on the Snauzer side of the Arena Tyrolean Ruler holds court in a domain controlled by proud owners Mr. & Mrs. Henry Lauck of 311 Jerusalem Ave., Hicksville. The Ruler a miniature of the breed is 14 months old. He was acquired by the Lauck's in 1963 for \$150, and his heritage includes an ALL CHAMP rating on the Father's side. At a recent showing held last Oct 18th at the Brookhaven Kennel Club in Patchogue the Ruler went out to show one and all he's a chip off the old block. He competed against 800 dogs of all breeds which included 30 Snauzers. The end result saw him cop the BEST OF BREED & BEST IN TERRIER GROUP. So with this first pair of ribbons safely tucked away in the Lauck larder look for Tyrolean Ruler to put

on the dog in his next outing, at the plush Westminister Kennel Club DOG-O'-RAMA at Madison Square Garden on Feb. 15 & 16. The Lauck's - relative newcomers in the DOGGY SET could hit the big one on their first try, and a Ch. Tyrolean Ruler wouldn't be so hard to take... especially in the Breeding for Profit Set.

Post No. 3211  
by Eddie Klebing

Word from the North Pole informs us that Santa Claus will make his annual trek to V.F.W. Hall this year on Sunday afternoon, December 20th at 2 P.M. Members will receive invitations shortly and they are requested to fill in the accompanying form and send it to Jack Mulligan as soon as possible. The committee needs this information to help them plan the party.

Frank Blesi, senior vice commander, was appointed chairman for the New Year's Eve party. Frank has set December 20th as the deadline for reservations.

Commander Art Fuelling added Edmund Chwalisz to the Ways and Means committee, also, Michael Montellone and Thomas Taddonis to the children's Christmas Party committee.

The following members were nominated to the Board of Directors of the Hicksville Veterans Association: Commander Art Fuelling; Bob Obermeyer; Eddie Klebing; Bill Keller; Jim Klueg; Mike Znack; Jack Mulligan; Lou Klein; George Kramer; Frank Blesi; Bob Williams and Al Wangeheim.

Winner of the Post raffle at our last meeting was Ed Shannon. The Veterans Administration advises us, and we pass it on to you that more than 1.5 million veterans may not know it, but they are eligible to reopen Government insurance under a new law.

Judging of the "Voice of Democracy" contestants will take place at the Hicksville Senior High School, next Friday, December 11, so we are informed by chairman Jim Klueg.

Our next meeting is December 14.
