**Community Benefactor:**

**H.G. Eisemann Dies Suddenly**

Henry G. Eisemann, unquestionably one of Hicksville's leading citizens and benefactors, died suddenly on Sunday at his home at 36 Field Ave. He was 68. His passing was mourned by many, many friends in all walks of life in the community, county, state and nation. Funeral services were held Wednesday (yesterday) afternoon at Trinity Lutheran Church with the Rev. Edward H. Stammel, pastor, officiating.

While he never held or aspired to elective office, he was always close to public life. His influence was wide-spread and always directed to the public good. He is accredited with being the individual who convinced the Long Island Lighting Co., of which he was a director for a decade, to establish its extensive electrical operating centre on Old Country Rd., Hicksville. The assessed valuation of this property makes it one of the biggest taxpayers in the community without addition of special burdens upon the services it finances.

Long active in the Trinity Lutheran Church where he was formerly chairman of the Stewardship Committee, he directed the real estate planning and development program for the Church. He was a big booster of parochial education and was instrumental in obtaining the site for the LI Lutheran High School in Brookville. In Hicksville, he gave his church numerous bequests, including property on Rall Road Ave., four stained glass windows in the church and other gifts.

He was also most generous to other worthy endeavors. In 1962 he was honorary chairman of the Nassau County Chapter of the American Cancer Society. He was known for his activity in the Boy Scouts of America. He was a member of the Board of Directors of Nassau Hospital. He was affiliated with Hempstead Lodge BPO Elks, Abilities Inc., Manetto Lodge 1025, F & AM; Charles Wagner Post no. 421, American Legion; William M. Gouse Jr. Post no. 3211, Veterans of Foreign Wars of the United States. He had served overseas as a Marine in World War I.

His generosity covered a vast span of years. During World War I he was a member of the Hicksville Comfort Committee which mailed gifts to men in the armed services and he served until he left with the Marines. During World War II he was again a most active member of this Committee which remembered upwards of 800 Hicksville men and women with monthly gifts from back home.

**LOCAL GRADUATE**

Mr. Eisemann came to the community as a child. For many years the family residence was a white frame house on Newbridge Rd. recently acquired by the school district and demolished. The dwelling has been known more recently as the Bergold house. He attended Hicksville schools, was a graduate of Hicksville High School and the Packard Commercial School.

He worked for a time in the city and a long-time friend, Frank Chlumsky, recalls their days of commuting together. He became affiliated with Robert Seaman, who had been in business since 1889, and the firm of Seaman, Tallafiero and Eisemann Inc. for the transaction of real estate and insurance business came into being in 1921. Later the firm was to become known as Seaman and Eisemann Inc. as it is known today, owned by Mr. Eisemann, with a handsome building on Broadway.

HENRY G. EISEMANN while speaking at a public dinner.

He and the former Florence Bauer were married 40 years ago. His wife survives him.

Over the years he was active in the now defunct Hicksville Savings and Loan Assoc. He became a director of the Bank of Hicksville, one of the oldest on Long Island until its merger with Meadow Brook National Bank in 1954. For several years before the merger he was president of the Bank of Hicksville and held that office at the time of the merger.

While shunning elective office, he served both the county and township. He was among the first members of the Nassau County Planning Commission when it was organized. Later he became a member of a Town of Oyster Bay Planning Commission which evolved the Township master plan on zoning. His intimate friends included Leonard W. Hall, former National Chairman of the Republican Party, and A. Holly Patterson, former Nassau County Executive. They were both honorary pall bearers at the funeral yesterday as well as Henry C. Bickmeyer, Morris Rochman, Earle Dobbler and Charles Reid.

**ACTIVE IN CHAMBER**

He freely made available the basement meeting room of his building at 167 Broadway for the use of various community groups including the Boy Scout Troops. The Hicksville Chamber of Commerce, of which he was an active, working director, held all its meetings there. He was

constantly on the alert for activities which would promote the community and was an important factor in the advancement of the Rall Road crossing elimination program. In recent months he had been much concerned with such topics as the widening of Broadway and Newbridge Rd. by the State Dept. of Public Works and the effect of such programs.

Mr. Eisemann had a favorite retreat of acres on Echo Lake, Big Fork, Montana, where he went for a couple of months each year. On those trips he always requested that the HERALD be forwarded so he could keep in touch with community activities. His hobby was gourmet cookery, practiced by himself for guests.

A former volunteer fireman, he was a member of the Exempt and Benevolent Firemen's Assoc. Inc. of Hicksville. He was also a member of the Wheatley Hills and Norfolk Country Clubs.

An overpowering array of floral tributes were received at Henry J. Stock Funeral Home where he reposed until the funeral. Following services at Trinity Lutheran Church starting at 1:30 P.M., interment was in Plain Lawn Cemetery, Old Country Rd., Hicksville.

In addition to his wife, Florence he is survived by a sister, Ada Herfort and a brother, George W. Eisemann. He was the uncle of William H. Pfugfelder, Gloria Keating, Betty Schein, Joseph C. Pfugfelder and Edward Herfort.

MR. EISEMANN with the Rev. Edward H. Stammel, pastor of the Trinity Lutheran Church.

MR. EISEMANN with William E. Koutensky, president of the L.I. National Bank and a boyhood neighbor. The occasion was the presentation of a check for the Fire Dept. welfare fund.

ONE OF HIS most recent public functions was as a special guest at the dedication of the new Hicksville elevated station on Sept. 12, of this year.

**OPINION**

**Henry G. Eisemann**

The actual community loss with the passing this week of Henry G. Eisemann will not be truly felt for months or years ahead. He was one of Hicksville's first citizens, dedicated and totally interested in matters to the advantage of his community. And he was prepared to back up his interest with all the resources at his command.

For example, few residents know of his sincere interest in the matter of insurance coverage in the School District. His working arrangement with the District was such as to make us the envy of neighboring districts where he declined invitations to duplicate the service for them.

We know, also, of no worthwhile and legitimate appeal for funds which crossed his desk without support.

But, Henry G. Eisemann was willing to do more than draw out his check book. He backed his interest with active physical effort, regardless of race, creed or color.

Out most sincere sympathies to his survivors in their great loss. We honestly believe the community loss is just as great.

**Thank You, Rotary Club**

Thanks to the Hicksville Rotary Club ALL of Broadway will not be a bleak, dark spot during this bright and merry Yuletide season. We note with interest that the living tree planted by the Rotarians has been festooned and will gleam during the holidays to show that Hicksville still enjoys this season of light and joy. -FJN.

## President's Corner

BY HORACE BERNSTEIN

As had been hoped, the residents of Jericho, have voted in a Library for their area. The problem will now be to find a suitable place to house the Library. It is a foregone conclusion, that no matter where the site will be chosen, will not be suitable to some. The situation in Jericho is such, however, that to find a spot will be extremely difficult and the residents should understand that there are not that many places from which to choose. The committee, chaired by Morton Thielie is working hard and hope to report their findings in the near future.

In Syosset, a similar situation now exists. Syosset has had a Library for several years. They have reached the point where the present Library has become too small and plans are now under way to find a permanent site.

The problem in Syosset, like Jericho, is where to locate. The library must be reasonably near the center of the Syosset District, easily accessible by a main thoroughfare, and be large enough to accommodate a suitable building plus ample parking space. Unfortunately for the residents of Birchwood who are in the Syosset Library District, the building must of necessity be quite a distance from their homes.

A place has been found that will fit the needs of the Library. Unfortunately several side issues have arisen that must be decided upon first. There is a parcel of land on Convent Road near Jackson Ave. that would be suitable for the Library. The plot as is, is much too large for a library and the owners will not sell a portion. A super market has the option to purchase the entire parcel and will donate to the Library 51,000 square feet of property. This is fine, except in order for the super market to purchase the property and erect a store, the property must be rezoned for business. We now have the situation of having in one hand the means of getting valuable land donated and solving our Library going against what we have always tried to maintain and that is no downsizing.

It is my understanding that both the school district and the library district have as yet not taken a stand on this. Obviously, your Civic Association has also not taken a stand. At our board

meeting which will be held Tuesday December 16th, I will appoint a committee to investigate this situation. We need and want a good library, but we also do not want to infringe on the property rights of others in the area.

## Scholarship Show Big Success

"Anything Goes" was the name of the show and it certainly went; that is, over with a bang for the show and its three performances, Dec. 4th, 5th and 6th took in about \$3500. The sum goes towards the Scholarship Fund.

The Fund's purpose is for the purpose of assisting financially students toward the goal of a college education for Jericho students. The relative need of the students aided was determined on the basis of financial information given in confidential questionnaires by the students.

The Show is the major source of funds in addition to the bumper-sign drive as well as contributions from organizations and businesses in the area of Jericho.

## Names Directors For Campaign

Harold Fertig, chairman of the Nassau County March of Dimes committee, announces the appointment of three campaign directors to head the January, 1965 drive.

Appointed to direct activities for the North Shore will be Peter Rowland, 5 Guilford Rd., Port Washington; for Southeast Nassau Benjamin M. Barnes, 136 Brixton Rd., Garden City and for Southwest Nassau, Ray Heatherington, 7 Main Ave., Rockville Centre.

"He figures making like a Christmas tree will save him."

## Ten Pin Talk

DOCKSWELL

He found the groove and a new HI Game was born. Ruby Skyler unleashed his ball and skyrocketed a 247 for his fifth good one and a 5-2 victory for his "Rubes." Ruby's average is now 176, only one behind LARRY Goldenberg and Herb Rudes who are tied for the league lead at 177.

It didn't take very long though, and Ruby's newly won crown was almost knocked off. Leo Geyer cracked his way to a powerful 248 and led his "Geyzers to a shutout win over Murray Gittelman's #9's. Leo was really overdue. This is his first good good one since the first week of the season when he came up with a double, a 200 and a 212.

Hal Goldenberg came up with his third good one. Coming off a 204 last week, Hal threw a 208 this time and helped Sam Springer and the rest of the "7-10's" walk off with a 5-2 victory over Sy Bruckner's "Pathetics."

Herb Rudes bowled a 204, his fifth good one of the year, and when teammate Herb Mahler had a good series and raised his average two points, the "Zephyrs" copped a 5-2 decision from Mort Levine's "Mules." Herb Mahler started the season with a 118 average and is now at 136.

The captain of the "Minnows" fished up another good one. Al Minoff threw an even 200, his third good effort, and led his men to a 5-2 win over Nat Warren and his suddenly harmless "Gnats."

The only other 200 was achieved by Norm Ney, and it was just that. This was Norm's fourth one, but it wasn't enough. His "Pinheads" lost to Art Rosenthal's "Strugglers" 5-2.

Well, it took twelve weeks to do it but better late than never. Suffering from the worst slump of any team in our league's five year history, Morry Herrick and his "Giants" finally broke out of it. The first week of bowling they took all seven points and then for the next eleven weeks they took only 9 1/2 points out of a possible 77. This week they treated Herb Brody's "Splits" to a 7-0 trouncing (second shut-out in a row for Herb's boys) and Morry's men really felt like "Giants" for a change.

## Sewer Collection Areas

The Collection District includes the local area of say East Birchwood which will have 12" and 18" pipes throughout the streets, which eventually find its way to large Disposal trunk pipes on Broadway for example, leading to a District Disposal Plant in the southern part of the district. Those areas most in need will be connected first, usually those nearest to the Disposal Plant. At the moment the areas south of Merrick Road are in dire need due to the nature of the soil in that area.

## CUMMINGS AND GOINGS Whitey Ford Delights Children

By Jim Cummings

Echoes of happy laughter from over 160 children still resounds thru the halls of the Hicksville Knights of Columbus from the 15th Annual Christmas Party for the youngsters of the Little Flower Home of Providence, Wading River...accompanied by the wonderful Sisters and clergy they were entertained by one of the top Marching Bands on the Island "The Commanche Raiders" (all 45 of them) under the direction of Charles Glynn - in addition the "Kalamity Klowns" who provided tons of fun...Christmas Carols were sung by all. Santa arrived with gifts galore as our own beloved Msgr. George M. Bitterman, VF, pastor of St. Ignatius, enjoyed the festivities...The big surprise of the afternoon (our well kept secret until now) was the personal visit of N.Y. Yankees ace pitcher, Whitey Ford, who was warmly greeted by all - signing autographs and chatting with the children as flash bulbs recorded this holiday spirit... Whitey received a tremendous ovation for his expression of true Christian Charity...The working committee for this event is headed by Mark Madden, Chairman; ably assisted by Bill (Bass Drum) Minihan, Harry (Vice-Pres) Woods, Cesar (what?) Paternosta (please spell that again), Harry Agapito just to mention a few - plus the tireless work of their charming wives...The buffet was again provided by Pete (Old Country Manor) Petralia and the dinner for the staff in the beautiful fireplace room at the Manor...Music for listening and dancing was provided by "The Mid Island First" - this was Jim, Jr's first public appearance and from what

we've been told everybody (young and old) enjoyed their music - keep up the good work "Knuckles, Jr"

HERE 'N THERE: Due to rain Saturday, Marine Corp band will appear this Saturday, Dec. 19th instead on the "Toys For Tots" drive... Special note of thanks to the St. Ignatius Color Guard and Phil Geltscher, Business Mgr for promptly showing up...By the way if your planning a parade or a party and want some good Marching Music - be sure to book this Award Winning group now for 1965... The Friends of father Tom Walsh Committee presented him with a check for \$1,000 plus \$300 for the camera equipment - the affair held Dec. 6th was most successful again - this committee had them all beat - quiet sell - no cameras or photos taken - just plain work...The community of Hicksville has suffered a tremendous loss with the passing of Henry G. Eisemann, long time resident and devoted community worker. His leadership will be long missed....

FROM THE MAILBAG: On the CD scene in TOB - this group is overlooking the ready made talents of one of its community directors who really knows his job, namely Henry Brodbeck... Testimonial in the works for Sheriff Tom Dugan and Leo Sheehan (early '65) according to Polly Tisian (our gal Friday)...The Singer Company will open at Mid Island Plaza next month, this world famous Singer Sewing Center will delight milady... We certainly hope that after a lifetime of public service Frank "Andy" Anderson will continue on the political scene - supporters are urging "Andy" to run for TOB Supervisor (why not)...

WHITEY FORD, ace NY Yankee pitcher, (center) greets Msgr. George M. Bitterman, VF, Pastor of St. Ignatius Church, at the Christmas Party for the Little Flower Home, Wading River, L.I., held at the Knights of Columbus, Hicksville Sunday. From left, Rev. D. Bruno, Chaplain of the Home; Jim Cummings, (V-P County ACH); Mark Madden, (Chairman Christmas Party); Msgr. Bitterman, Whitey Ford, Santa and Rev. John Fagan, Director of Little Flower Home. ### Local Students In Chaminade Concert

Five Hicksville students will take part in the Christmas Dand and Glee Club concert at Chaminade high school, Mineola, on Saturday and Sunday evenings (Dec. 19-20).

They are Richard Fuchs of the 75-member band and George Bally, Robert Kirsch, William Frank, and Joseph White of the glee club.

Traditionally a highlight of the school year, the 23rd annual band concert will be conducted by Music Director Angelo Ferdinando.

The program will range from symphonic works to what may be a musical "first" -- a Dixieland quarter with band accompaniment -- and will be climaxed with a choral recitation of the "Night Before Christmas", also with band accompaniment. Other seasonal music will include such perennial favorites as "Santa Claus Is Coming To Town",

"Winter Wonderland, and "Christmas Fantasy".

The 80-member glee club, directed by Bro. Howard Hughes, S.M., will offer a selection of carols and Christmas hymns.

Soloists will include Robert Wenzel, Edward Allen and Lawrence Kay, while Erik Nigro and Jeff Kay will offer "La Paloma" in a flugel horn duet. The Dixieland quarter is made up of Louis Agresta, clarinet; Harry Irvine, trumpet; Edward Lieber, tenor saxophone; and Joseph Fitterer on trombone.

The Saturday performance will be at 8:00 p.m. and the Sunday one at 7:00 p.m. The public is invited to attend.

### Present Handel's Messiah on Sunday

The Hicksville School District Recreation Department announces a performance of George Frederick Handel's "Messiah" at 3:00 P.M. on Sunday, Dec. 20, in the High School Auditorium.

Both the Community Orchestra and Chorus will participate in this presentation. These groups are sponsored by the Recreation Dept. and exist to provide musicians of the immediate area an opportunity to use their musical skills.

The ages of the players and singers range from 16 through 70, with the only requisite for membership being the ability to perform and the interest to do so on a regular basis.

The Community Chorus is directed by William Goleeke, Supervisor of Vocal Music for the Hicksville Schools, and the Orchestra is directed by Charles F. Gouse, Supervisor of Instrumental Music in the Hicksville District.

### ALL AROUND TOWN

Henry Niemann, 55 Lantern Rd., Hicksville and Ira Levy, 25 Nautilus Ave. and Anne Rosenzweig, 17 Karen Ave., both Plain-

view, will appear with the Hofstra University Chorus and symphony Orchestra in the performance of "Le Roi David", a symphonic psalm to be presented in English Dec. 17 at the Hofstra Playhouse.

**OFF & RUNNING...** The hearts had been Cardigraphed...the nervous systems were overhauled...and all was in readiness for the Comet Court opener last Friday nite vs Westbury. But this time out there was no Rudy (All County) Watermann to contend with so Hicksville copped the 42-33 decision going away. It was a game that gave Comet fans delusions of grandeur concerning a Section 1 Title...and from where the loyal and oft-time lonely local court buffs gathered a youngster by the name of Guy Van Wagenen showed one and all he was ready for the school boy bigtime. His 6'7" frame was triple teamed all night but this didn't prevent the towering youngster from feasting at the rebound table. He had a great night including the honor of being top scorer with 20 pts. Westbury's skycrapers Barry Chantrelle and Bill DuPre also hit for double figures enabling the Dragons to stay in contention with a 26-26 tie at the start of the 4th quarter. Hicksville then iced up the action by outscoring their host's 14-7 in the last frame. Outstanding roles went to playmaking John Walker with 4 pts...Bill Corrigan (7) Jim Bergholtz (4) & Glen Olsen 3. Greg Hobarack & Jim McKinstry hit for 2 apiece. Hicksville faces L.I. Lutheran on Dec. 23rd prior to the Great Neck North Tournament on Dec. 23 and 30. "The best is yet to come," claim Coach Ed Petro & asst. Gus Alfieri.

**GRUNTS AND GROANS...** Includes a Wrestling Roundup by new Varsity Mentor Fred Recher. The top men in his stable range from 95 lb. Ed Forte to Hwy. Ralph Sonntag...and in between are the likes of Dave Trudell & Joe Shufelt (103) Howie Berkowitz & George Hollwedel (112) Bill Petrone & Pete Ingvaldstad (120) Dick Hoppe (127) Neil Harper (133) Dick Justman (138) Barry Damm (145) Bill Draft (154) Chuck Frazier (165) and Henry Sonntag & Bill Brock at 180 lbs. "Everyon's working toward a winning season" Recher said...and right now Sonntag, Trudell, Damm, Frazier and Justman will be hard to beat...Two newcomers Wee Martens at 95 lbs. and Bill Donovan at 165 should help the squad...The Comets after successfully scrimmaging Baldwin, Westbury and Walt Whitman High's opened their campaign last Wed. at home vs Island Trees. They face Massapequa (home) this Fri. afternoon at 4 P.M. AND ON THE J.V. SIDE OF THE MATS...Coach Bill Roberts holds court with another group of outstanding youngsters in his 22 man squad. Those with outstanding records from the Jr. High under coach John Santoro are Neil Duncan (103) Gary Bertram (112) Barry Rosen weighs (124) Vito Adragna (127) Jay Kaplan (133) and Don Thompson at 145. Late class schedules will prevent the Jayvees from traveling this season. They'll compete only in home meets.

**PEBBLE PUPS** is the nickname of these tireless collectors of attractive minerals. Classes of Dutch Lane School, Hicksville, took a recent field trip to Appleby Beach in Glen Cove, which has been made into a county park, where they found Indian rattles and paint pots. They examined their treasures with Mrs. Spiese, teacher. (Photo by Gardiner Gregory, director, curriculum materials centre, Hicksville Schools).

**AND BY WAY OF...MATINGAN** owl with a nannyyoot and coming up with a HOOT-IN-NANY (which has nothing to do with the subject at hand) the Jayvees coached by Stan Kellner and Bud Bryan hit the inaugural Jackpot by clipping Westbury for the 2nd year in a row. This one a 42-29 affair came much easier than last year's Frank Merrivell 44-43 finish when Glen Olsen dumped in 2 foul shots with 4 secs. on the clock. This time around Jack Burke led the scorers with 13 pts. Other outstanding play was contributed by Jeff Doolittle, Brion O'Leary, Mike Masciello, Frank Mulligan and Bill Fyffe.

**THE MESSIAH COMETH....** Ordinarily the long haired world of obligato's and Cantata's doesn't move us with the same wild abandon that a good cup of Espresso Wine in a Beambik joint does...but when the G & G Boys (Charles Gouse & Bill Goleeks) start rustling up their woodwinds the time's usually ripe for the best of Beethoven & Bach. And this includes THE MESSIAH heading straight for Hicksville High's Auditorium on Sunday afternoon Dec. 20th (3 P.M.) The Messiah is referred to as a "Cantata" by the experts (Chorus, orchestra & soloists) and while originally written by George Fredrick Handel in 1741 should still provide a pleasant afternoon's enjoyment for the Jet Set of '64. Basically the theme will only include the Christmas Section of Handel's outstanding contribution to the music world. It will feature the Hicksville Community Chorus & Orchestra (150 strong) including Solists Julia Wagner (Soprano), Brana Schwarz (Alto), Harry Niemann (Tenor) and William Goleeks (Baritone). The Messiah to be conducted by Charles F. Gouse is sponsored by the Hicksville Recreation Dept. **DON'T MISS THE HOLIDAY TREAT ON SUN. AFTERNOON DEC. 20th.** It's an Annie Oakley affair. The Post thanks all contestants knowing that without their cooperation these contests could never be run. We wish John Scarola the best of luck as he competes with the county winners now.

Special thanks are in order for such honorable persons as: Mr. John J. Byrnes and his wife Nora; Michael Petito; Professor Blaise J. Opulente of St. John's University; and Frank Sutter, Past Commander of William M. Gouse Post, who judged the contest. And a well earned thanks to Jim Klueg, chairman, who did an excellent job for the VFW. Also at the judgments were Commander Art Föelling, Frank Aug and Mike Znach.

Our Ladies Auxiliary playing Santa Claus this year, without beard and red suit, thank heaven for that, are donating 25 boxes of candy to their adopted children at the VFW National Home. President Mary Sadowski is making 60 Christmas Stockings for the children at Kings Point with the auxiliary donating the candy to fill them. In addition, the girls are contributing a sum of money in canteen books to the Northport Hospital. They also welcome new member, Lucille Blest to their fold, whom I'm sure will enjoy working with this group of girls.

Veterans holding GI policies will find the holiday drama on the pocketbook easing up for them when they get their dividends as early as January next year. The

annual dividends, totaling \$224.5 million should be in the mails by January 10th so advises the Veterans Administration. Incidentally, veterans interested in reopening NSLI policies can contact any V.A. regional office and obtain an information sheet explaining these benefits.

In closing, don't forget this Sunday, December 20th, our annual children's Christmas party to be held in the Post at 2 P.M. See you then.

### Pre-Files Bill For Lotteries

State Senator Henry M. Curran  
has pre-filed a bill in the State  
Senate calling for a state lottery  
in New York, the proceeds to  
be applied exclusively to the  
support of education.  
Senator Curran's bill proposes  
an amendment to Section 9 of  
Article I of the New York State  
Constitution allowing a lottery to  
be operated by the State, and  
the sale of lottery tickets to be  
authorized and prescribed by  
the Legislature.

In commenting upon his pro-  
posal, Senator Curran stated:  
"I have been studying the state  
lottery as conducted in the State  
of New Hampshire for more than  
a year. As a result of my in-  
vestigation I am informed that  
the New Hampshire sweepstakes  
grossed \$5,730,093. In sales of  
tickets at \$3.00 each in this  
past year. Although New Hamp-  
shire paid out over \$700,000  
in prizes, the balance remaining  
for local school districts  
throughout the state was a wind-  
fall to education. I am advised  
that the lottery in New Hamp-  
shire has been so successful that  
the 1965 lottery will offer extra  
prizes running into thousands of  
dollars, and the prize itself will  
be increased to a quarter-million  
dollars."

"Now, while we're digging  
you out carefully ask your-  
self 'what did I do wrong this  
time?'"

# Legionnaire's Log

Charles Wagner Post No. 421 Hicksville  
by ARTIE RUTZ

On Tuesday evening we held a funeral service for Henry G. Eisemann at Stock's Funeral Home...Henry was one of our Charter members and most members today did not know him as a Legionnaire...In recent years business matters accounted for much of his time, yet he was never too busy to help the Post or see a Legionnaire when he called at his office...Just about a year ago I had the occasion to visit him at his office in quest of information about the very early days of the Charles Wagner Post in Hicksville...As part of the research I've been doing for the past 3 years in accumulating the history of the Post...He was seated behind a massive semi circular desk that somehow seem to fit his personality quite well...I told him I was seeking information and we chatted for quite a spell about the Post's early days...Henry was one of our first delegates to a state convention way back about 1922 that was held in Syracuse...I know I enjoyed his reminiscing and

he enjoyed the many notes of those days that I uncovered elsewhere...Unfortunately, the phone rang and it was a long distance business call that put an end to my visit...The Legion has lost a long time member and Hicksville has lost one of its brightest citizens...No longer will he act as chauffeur for the Gold Star Mothers, which he did gladly in every Memorial Day Parade for as long as I remember...Perhaps the last time he was in the Post Clubhouse was the Awards & Ceremonial Night last March when he received his 45 years consecutive membership pin and certificate...He was very proud of being a Legionnaire that evening, and we were proud to have him...And the Marine Corps back in the World War I days must have been proud of him too...So a final salute to one who helped found The American Legion in Hicksville...So long, Henry.

## Name Winners In VFW Competition

John Scarola of Hicksville was selected as the winner of the Veterans of Foreign Wars Voice of Democracy scriptwriting contest held on Friday evening, Dec. 11, at the Hicksville High School. Scarola is the proud winner of a first-place medal and a United States Savings Bond to be presented at a future date by the William M. Gouse Jr. V.F.W. Post 3211. Second and third place medals were earned by Adrain Dolgin and Miss Gail Danshig, respectively.

The judges found it very difficult to choose the winning script from amongst all the tapes presented by 16 Hicksville High School students on the subject, "The Challenge of Citizenship".

Officiating as judges were the John J. Burns, Commissioner of the office for Local Government of the State of New York; Mrs. Nora Burns, wife of the commissioner; Michael Pettio Town Supervisor; Prof. Blaise J. Opulente, Assistant to the President of St. John's University, and Frank Sutter, Past Commander and Charter Member of the William M. Gouse Jr., V.F.W. Post.

This victory entitles Scarola to participate in the county-wide contest with an opportunity to represent New York State in the national competition in Washington, D.C.

The annual voice of Democracy National Broadcast scriptwriting contest was begun 17 years ago to engender a healthy spirit of Americanism among youth, while simultaneously giving them an opportunity to compete for a college scholarship ranging from \$1,500 to \$5,000. This contest is open to all tenth, eleventh and twelfth grade students in public, parochial and private schools in the United States, its possessions, and children of military or civilian personnel serving with the armed forces overseas.

Each state winner is provided with a five day all-expense paid trip to Washington, D.C., plus the opportunity to compete for national scholarships. Most V.F.W. Posts are very anxious to sponsor the school contests in their own local areas.

## Deplore Attack On Textbook

The author of the book "Language and Thought in Action" Professor S. I. Hayakawa, a world renowned authority in the field of semantics, former professor of General Semantics at the University of Chicago and editor of the General Semantics newsletter "Et Cetera," was discussed at some of previous Hicksville School Board meetings. Excerpts from his scholarly book were read with the implication that Prof. Hayakawa did not concern himself only with semantics.

The executive board of Taxpayers' Educational Assoc. for the Children of Hicksville (TEACH) much concerned with the issue of censorship, voted to approve the following letter to the Board of Education:

"We hope that attacks upon school textbooks do not cause the Board of Education to waiver from the only defensible policy which can be pursued, that is, that the selection of textbooks is left solely to the discretion of the professional staff.

"We note with concern the recent attacks made on 'Language and Thought in Action' by S. I. Hayakawa. This textbook on semantics has been highly respected and widely used for many years. Such a book is needed in Hicksville.

"We commend the Hicksville Board of Education for creating a climate in which teachers have been encouraged to introduce materials of high calibre into the curriculum, and we pledge our support for your efforts to withstand unreasonable criticism."

## Offer to Mark Fire Hydrants

Public Works Commissioner Eugene F. Gibbons has renewed the County's offer to snow - mark fire hydrants along County roads in non-commercial areas upon request of local fire or water districts.

"We are glad to do anything we can to expedite the fighting of fires and to help save lives and property," Gibbons stated. "The Jericho Fire District and the area served by the Jamaica Water Supply Co. have taken advantage of this offer."

The hydrants will be marked with 2 inch poles extending 3 feet above the height of the hydrant.

BEATLE-LOVING SET will enjoy this group, one of the features during the "Sound of Christmas Music" holiday entertainment scheduled for Sunday, Dec. 20 at 8:30 PM by members of Our Lady of Mercy Rosary Altar Society at the School Auditorium on South Oyster Bay Rd., Hicksville. From left are, believe it or not, Mrs. Walter Nieminski, Mrs. Alvin Grossman, Miss May Powers and Mrs. Thomas Murn. Also on the program will be Broadway type variety in sophisticated-style and the every present magical fantasy of toyland. A traditional Nativity Scene Pageant will also be included in the program. It was produced and directed by Mrs. Arthur Giovannelli assisted by Mrs. Victor Guarneri. Admission will be 25 cents for children and 50 cents for adults.
