Sewers Are Due In Seven Years

The construction of sewerage facilities in Hicksville was forecast this week for 1972, seven years hence, with other mid-Island communities to follow shortly thereafter. Feb. 15 has been set by the Nassau County Board of Supervisors as the date for a public hearing on the adoption of the Dept. of Public Works plans for Sewer District no. 3 covering the central and south section of Oyster Bay township and part of other townships.

Sanitary district no. 3 is a \$315 million project embracing 105 square miles. It will take 20 years to complete.

The following schedule of start and completion for local areas has been released:
Hicksville, 1972; Plainview, 1977-1982; Locust Grove (Sisseton) 1977-1982; Bethpage, 1976-1981, and Jericho 1980-1985.

The sanitary district will embrace 11 square miles of the Town of North Hempstead, 54 square miles in the Town of Oyster Bay and 39 square miles in the Town of Hempstead. The disposal plant will be in a County Park in the Wantagh area.

Estimated tax costs, varying from section to section, are 7½¢ per \$100 of assessed valuation for disposal districts and another 83¢ per \$100 for collection districts. The estimated cost of the disposal plant is \$32 million.

The public hearing will be held before the County Board of Supervisors in Mineola.

Bruno Calls Fellow School Board Members 'Treasonous Bunch'

Five members of the seven-man Hicksville Board of Education were described as "a treasonous bunch" by Trustee William A. Bruno Jr. at a public meeting of the school board on January 8th. Exceptions made by Bruno were himself and Cornelius McCormack who had voted with him on an amendment to a pending motion regarding the school district policy on evaluation of text books and library books used in the district.

The motion to change the policy on book evaluation subsequently lost. According to the tape recording made at the Board meeting, Bruno was heard to comment: "A treasonous bunch. Unbelievable."

Asked by President George Kunz to repeat his comments, Bruno said: "I will not change that statement. I'll repeat it. Anybody, outside of Mr. McCormack, anybody -- and I have his vote and mine -- that would vote 'no' on that issue is, in my book, a treasonous act which gives aid and comfort to the Communist menace and I say it to your face. Either you are totally ignorant of the Communist menace or you have some other ulterior motives. And I say that directly to you, Mr. Jackson, and you won't change me one bit. You ought to be ashamed of yourself."

Webster's Practical Dictionary defines treason as follows: "the offense of betraying the state or subverting the government of

the state to which the offender belongs; rebellion."

Attack Fatal To Valentine

Charles Valentine, 66, of 6 Prose St., Hicksville, suffered a fatal attack in the living room of his home on Jan. 11 at 8:45 p.m. The police ambulance from Second Precinct responded and Dr. Malasky of 33 Adelphi Rd., Hicksville, pronounced him dead at 9 p.m. The body was released to the Henry J. Stock Funeral Home.

The police precinct ambulance responded to a call at 11 Myers Ave., Hicksville on Jan. 17 at 3:55 p.m. and transported Joseph Hetzel, 52, to Central General Hospital. He had suffered an attack in the bedroom of his home. Margaret Siska, 71, of 240 Fairhaven Dr., Jericho, suffered an attack in her home on Jan. 14 at 3:30 p.m. She was attended by Dr. Joseph Wycoll of Old Country Rd., Hicksville, and the police ambulance took her to Oyster Bay Hospital, Bayville.

Valentine reposed at the Henry J. Stock Funeral Home until Thursday when a Solemn Requiem Mass was sung at St. Ignatius Loyola R. C. Church at 10 a.m. Burial followed at St. Charles Cemetery.

He is survived by his wife Rose (nee Amato).

Last Downtown Super Market Closes Doors

The downtown Hicksville business section lost its last chain supermarket, Saturday, when Grand Union on South Broadway between First and Fourth Sts. closed. The nearest Grand Union is now at 434 Jerusalem Ave in the Allied Shopping Centre.

Over the years, the downtown section lost A & P (now a bingo hall) which branched out into shopping centres on South Broadway and Old Country Rd., as well as Plainview Shopping Centre and Dillards (formerly Big Ben) on W. Marie St., which is now the main office of Meenan Oil.

All the major chain supermarkets are represented in the greater Hicksville-Mid Island area but none are on the old downtown Broadway which a decade ago was the shopping mecca for residents in a ten or 15 mile radius.

The years have seen the departure from downtown Broadway of Roulston, Daniel Reeves, James Butler and others some of which have been absorbed in other chains. The large market which has just closed opened originally as Stop N Shop and for a number of years enjoyed tremendous popularity. Many older residents of the neighborhood to this day refer to it as Stop N Shop.

As the neighborhood has gradually changed from residential to commercial there has been a noticeable decline in the volume of trade.

A fire of unknown origin destroyed the premises at 632 South Broadway, Hicksville, on Wednesday evening Jan. 13 around 10 o'clock, according to 8th Pre-

Young Father Accident Victim

Edward S. Sorvillo, Jr., 18, of 11 California St., Hicksville, died early Jan. 16 following an accident when the car in which he was a passenger hit a tree on Cedar Swamp Rd., Old Brookville. He was pronounced dead at Glen Cove Community Hospital. Michael E. Glasheen, 22, of 43 Gardner Ave., Hicksville, the driver, was treated at the hospital and released.

Mr. Sorvillo, the husband of Esther and the father of Roseanne, is also survived by his parents, Mr. and Mrs. Edward S. Sorvillo, Sr.; his sister, Jo Ann; two brothers, Anthony and Robert and his grandparents, Mary Apicella and Frank Sorvillo.

He reposed at the Wagner Funeral Home until Wednesday Jan. 20, when the funeral took place at 10 o'clock.

Award Contracts For County Pool

County Executive Eugene H. Nickerson on Jan. 15 announced the award of contracts to construct the first County swimming pool at Camague Park, Hicksville. The General Construction contract was awarded to Dobson Construction Co. of Hicksville for \$1,328,000; Heating and Air Conditioning to Republic AirCon-

ditioning, Hempstead, for \$188,766; Plumbing to James McCullagh Co., Hicksville, for \$196,500 and Electrical to Forest Electric Corp., NYC, for \$277,500. The bids were the lowest of 36 submitted at the Dec. 1 opening.

The swimming pool complex will consist of a 25 by 50 meter Olympic-size pool (82 feet wide by 165 feet long), a separate diving pool measuring 45 by 50 feet equipped with 1 meter and 3 meter diving boards, a 36 foot by 75 foot instructional pool designed for the teaching of beginners and novices, a children's spray pool, showers and locker room facilities.

Adjoining this complex will be a circular structure 210 feet in diameter enclosed by a concrete dome which is 48 feet high at its apex. Depending upon the season, the building can be used as an ice skating or hockey rink through

utilizing its artificial freezing facilities or for roller skating or court games. Indoor and outdoor seating facilities will be provided. Work is expected to begin next month with completion anticipated for summer of 1966.

WHISTLE STOP

If you're lost, an empty cartidge makes a piercing whistle that will carry farther than a shout.

WILLIAM F. SELLERS

HICKSVILLE—Services were held at Holy Trinity Episcopal Church, here, on Friday for William F. Sellers of 83 Vincent Rd., here, who died Jan. 13. Rev. Dominic K. Ciannella officiated. Interment followed at L. I. National Cemetery.

Mr. Sellers is survived by his wife, Christine; his son, Walter H. of Columbus, Ohio; a daughter, Gerry Ann Coniglio of Greenlawn; his father, Walter H. Sellers and two grandchildren.

Dear Lynda:

Best wishes to Mr. and Mrs. RUDY BRENGEL of The Bronx, who celebrated their 60th wedding anniversary on Jan. 28. The Brengels are former Hicksville residents. . . .

Happy Anniversary wishes to Mr. and Mrs. JOHN V. McNEIL of Bridle Ln., Hicksville, who celebrated their 30th wedding anniversary on Jan. 13. . . . More congratulations, this time to Mr. and Mrs. BLAS BRUAL of Smithtown on the birth of a daughter, Michele, born Jan. 15 at Nassau Hospital. Dr. WALTER M. STILLGER was the attending physician. Mrs. Brual is the daughter of Mr. and Mrs. Frank Bavero of Bethpage. . . . FLORENCE INFANTINO lost a valuable scarf at the Jan. 8 meeting of the Hicksville School Board in the high school. It is silk chiffon with a black border and a multicolored center. If you found it she would appreciate it if you would put it center. . . . We hear the Mid Island Council of Girl Scouts of America will move into their new home in Bethpage shortly. Purchase of a house had been in the process at the time of the latest fire in the Sutter Bldg., where they had offices for the past few years, so the move is not a direct result of the fire. . . . Get well wishes from her friends, to JO McDONOUGH of the Hicksville Western Union office, Jo recently suffered a fractured leg. . . .

Hicksville Car Leasing Corp is located at 400 Old Country Rd. with VINCENT SPAKOWSKI Jr. as leasing mgr. . . . Chamber of Commerce feels obligated to return some \$565 in donations received for a Christmas program which did not materialize. Contributors will be asked how they want to dispose of the moneys in an envelope and mail it to her at 10 Pintle Ct., Hicksville. . . .

BILL JONES, local manager of the Telephone Co., has been transferred to Manhattan as of Jan. 15. His replacement is R.C. POMONIO of Lake Ronkonkoma who stopped by at the office this week to say "hello". . . . Call for bids for the long awaited new and bigger Hicksville Post Office is scheduled for "about three weeks" according to informed sources. . . . Police Inspector WILLIAM C. McCULLOUGH whom some of us remember from the early days of the Police Boys Club when he was a sergeant or lieutenant at the precinct has been advanced from commander of the Sixth Police Precinct to Division Commander of the Second Division in charge of the Third and Sixth Precincts. . . .

The BILL NELSONS on Dec. 24 became the parents of a daughter, STEPHANIE BETH. The Nelsons live in East Meadow, Bill, now with the Bay Shore Shopping Center, is well remembered as the popular promotion director of the Plaza in Hicksville and a HERALD columnist. . . . The daily prints call attention to the fact that Hicksville Attorney ROBERT W. CORCORAN is representing a Sayville liquor store owner in challenging, in Suffolk Supreme Court, the validity of the recent "drawings" on new liquor license applications. The objection is based on the fact that the State forbids lotteries and the drawings, held earlier this week, was a lottery. The case will be heard Feb. 8. . . . Gamball machines around the community sponsored by Hicksville Kiwanis earned \$36.56 during the month. . . . Regardless of what the TOWN CRIER is saying, talk about a certain well known auto agency taking over the former Stop N Shop building on South Bway, Hicksville, is only rumor, according to a spokesman for the auto agency. So there, FRED BLACKLEY. . . .

Hottest current rumors are these: first floor of an office building under construction on Broadway, Jericho, has been reserved for a new bank and the Long Island Assoc will move shortly from Garden City to Jericho. . . .

Ash Comments On Adult Education

John Ash, Director of Adult Education for the Hicksville Public Schools, in a recent talk before the Hicksville Rotary Club, made the following comments on "Adult Education".

People in all levels of economic life need to go on learning new things as adults.

In this modern and changing society, the three major functions of Adult Education are: 1 - Education for personal competence . . . 2 - Education for civic competence . . . 3 - Education for a better life-enrichment.

Instruction ends in the classroom . . . but education ends only with life-a continuing process.

Ash suggested that the public avail themselves of the registration period for Adult Education classes on Monday, Jan. 18th, through Thursday, Jan. 21st, at the Hicksville High School Cafeteria, Division Avenue, between 7 p.m. and 9 p.m.

Fire Hydrants in the Snow

Householders and businessowners will do themselves and their neighbors a tremendous good turn by taking the trouble to dig out those fire hydrants which have been buried in ice-packed snow by the plows during the early part of this week.

Immediate location of a fire hydrant is imperative in the first few moments when the fire apparatus arrives on the scene and the loss of even minutes in chopping away hard-packed ice could mean the loss of a building, not to mention the possible loss of life.

The situation with regard to hydrants was particularly obvious on Tuesday of this week along Broadway where the State Highway Dept. with its limited equipment finally got around to plowing back to the curbline. As a result dirty, iced snow was heaped over many hydrants along the business section.

With the nightly temperature hovering in the teens, the firemen might be compelled to use air hammers to get some of the ice away from some hydrants.

Do yourself and your neighbors a real favor and let's hope the hydrant will never be needed.

Speno New Leader of County Republicans

A new image for the Republican Party in Nassau County with "quality of program, performance and candidates", was promised Jan. 13th, by State Senator Edward J. Speno elected by 2000 who filled the Georgian Room of the Garden City Hotel for the first January convention ever held in the long history of the Republican Party of Nassau.

Calling for a greater role in the Republican Party for the "Young Republicans", the new name of the Republican Recruits, and for greater and more active representation for women "at the leadership level", the new Chairman of the Republican County Committee was elected by acclamation at a "wide open" meeting which heard expressions of criticism of past policies and candidates.

"The job we approach together is a big one," Speno told the cheering crowd. "It is one which can be hastened and confirmed

by our trust in each other. You have my pledge that my entire being and my enthusiastic energy is dedicated to the people and the Republican Party. I am your County Chairman for as long as you want me to remain".

Senator Speno was nominated by Henry Kneuer of East Meadow with seconding speeches given by Congressman John W. Wyder, Assemblyman John E. Kingston and Assemblyman Edwin Fehrenbach.

The new leader had an honor escort to the podium including Hempstead Presiding Supervisor Palmer D. Farrington, North Hempstead Supervisor Clinton G. Martin, Oyster Bay GOP Leader C. Bruce Pearsall, Long Beach GOP Leader John Y. Scudato and Glen Cove Leader GOP Aaron B. Cohen. Nathan L.H. Bennett, Leader of the Town of Hempstead, was the presiding officer of the convention.

In a forceful "keynote" speech, former leader and ex-Speaker

of the New York State Assembly John F. Carlino, attacked Democratic "disorganization" in the Legislature at Albany as "governmental anarchy". He predicted an all-out campaign by the opposition to win control of the County Board of Supervisors, pleading for party unity as the necessary ingredient for victory in the Fall.

Seated on the convention dais

with Acting Chairman Bennett were Rudolph Preuss and John Morhous, Chairman and Vice-Chairman of the Law Committee; Committee Secretary Richard B. Williams; Elsie Marthen, President of Nassau County Federation of Republican Women; Donald Belfi and Rosemary Falbee, Governor and Co-Governor of Nassau County Republican Recruits.

Cummings and Goings :

Singer Center Opens at Plaza

By Jim Cummings

The famous "Singer" name will be added to the roster of Plaza fashion and service stores with official opening scheduled for Thursday, Jan. 28th, on the Nassau Mall, between Buckner's and Miles Shoes. This Center will be the flagship store for Long Island, we hear.

HERE 'N THERE: Supervisor Michael N. Pettito will be the installing officer for the Mid Island Plaza Merchants Assoc. next Tuesday evening at the Milleridge Inn, Jericho. S. Louis Windt, District Manager of Buckner's (Bridal and Fashion Store) will be named President. Paul L. Dowd, President of Gertz, will be welcomed to the MIPA installation and dinner.

ON THE SCENE: We note the new Crystal Building at the site of the Talaferro house adding to the changing Hicksville scene as

more office buildings and business keep pushing our community toward the top spot for number of business locations; right now we are 3rd, according to Dun & Bradstreet. This can only mean the continued growth pattern for the Hicksville Chamber of Commerce under the programs now being outlined by Leland Badler, Chairman. Before you flip-your-wig stop in at Stylocks, Inc. at the Plaza and have Dion show you the latest wigs, colorings etc. next to Plaza Barbours.

WE HEAR: That the windbreakers for the Hicksville RR Station will be quickly installed to assure our "Dashing Dan" commuters they can view the scenery a.m. without bringing a parachute. Direct from California to Hicksville, The "Sizzler #67" Steak House has opened at 290 Old Country - near Levittown Parkway.

WE COULDN'T AGREE MORE with Journal-American columnist Frank Condit's article "A Unified Ireland - Time Running Out? - we urge all Irishmen to drop Frank a line at the J/A and thank him for these honest-outspoken words!

FROM THE MAILBAG: Many requests to our PO Box for a

traffic or caution light at West John & Burns Ave., especially with so many children attending Burns Avenue School - it's practically impossible at times to get-out-onto West John Street - right brother? . . . Hicksville Chamber meets this Friday a.m. at Seaman & Eisenmann's - coffee and - plus LICOP's excellent film "The Power Within" - businessmen take note! . . . What will the Kiwanis members do for music now that just "Plane" Pete is soaping the sunshine? Paul Donath, Vice-President had that answer at this past Wednesday's meeting in person! . . . "We Kid You Not!" Wallace had Bob (Chevy) Warner as his guest again - can we afford this? . . . We had a wonderful chat with William E. Koutansky, President of LI National, last week and the excellent suggestions outlined should continue the growth of our wonderful Hicksville Mid Island communities he watched since the 20's - as the post-war years saw Hicksville take that giant step and mushroom into Long Island's dynamic Shopping and Industrial Center . . . plus the great number of bank branches now servicing these communities under the leadership of William E. Koutansky, President of the Long Island National Bank.

Unique Service For Little Tots

Based on the idea that when a child enters Kindergarten, he is old enough to pray, Rabbi Donald Friedman of Temple Beth Torah, has started a unique service for young children. He has termed it a Junior Junior Congregation and limits it to children who are in kindergarten first and second grades of public school. The service is held from 10:00 to 11:00 A.M. every Saturday morning at the Temple. Rabbi Friedman has located a beautiful Siddur (prayer book) which has illustrations in four colors with prayers so simple that a child in first grade can read and understand them. Coupled with this small Talmud (prayer shawls) are provided for the boys. Each child gets a turn to participate in the service by opening up their Holy Ark which is as small as a shoe box and to take out the sacred scroll. The service is topped off with a story and with suitable refreshments. This service has been very well received by the congregation and the attendance is very fine. All children of the community in this age are invited to attend.

Letter To The Editor

Dr. Arthur Carin, President
Board of Education
Jericho Public Schools
Cedar Swamp Road
Jericho, N.Y.
Dear Dr. Carin:

On Wednesday Jan. 13, the school board approved a proposal that directly effected me because my child will be bused from West Birchwood to East Birchwood. I was displeased with the decision since I live a half a block from The Cantigue School; however, I realize that it was the best solution to the problem.

I am more disturbed and concerned with the method of publicity or the lack of it, for your board meetings. Having a child in school we did receive a notice asking us to attend the school board meeting but giving no direct clue to the agenda for the evening. Fortunately, we were aware of this much, but what of those people whose children will not enter school until September 1965?

If the board can go to the trouble and expense to inform the community of the number of High School Seniors that were accepted to the various Schools and Colleges, I feel that a postal card stating the date, time, place and agenda for the evening be sent to all taxpayers. I am certain that this will lead to a more informed community and increase the willful attendance and not through the urging of special pressure groups.

This letter is by no means meant to denounce the work of the school board and its members. On the contrary, I feel that you have done a fine job in bringing the best educational standards to Jericho. I am also aware that a decision had to be made and someone had to be disappointed, however, I feel that there must be improvement in communications between the taxpayers and the school board.

Very truly yours,
STANLEY L. AARON

Workshop Plans Children's Show

Another "special event" is being planned by the Jericho P.T.A. Creative Arts Workshop. This will be in the form of a children's entertainment program, and is scheduled for Saturday, Jan. 30th at 2:00 in the auditorium of the George A. Jackson School, Maytime Drive, Jericho.

The show will include puppets, a bit of magic and other ingredients that hold special appeal for children of all ages. Admission is free to children currently enrolled in Workshop. There will be a 25¢ charge for all others.

The program will be staged by Burton Wolfe, professional actor, author, teacher, violinist, puppeteer and ventriloquist. Above and beyond this lengthy list of attributes Mr. Wolfe, has earned recognition in our community as the inspiring teacher of the Creative Arts Workshop's seventh, eighth and ninth grade Drama class, "Behind the Footlights". Currently Mr. Wolfe is chairman of the Speech and Drama department at Newfield High School in Centereach. He is also producer and director of his own theater company and a member of the Hamlin Players Children's Theater.

For further information contact Adelene Acker at WE 5-5596 or Esther Mohr at GE 3-1192.

MARCH OF DIMES

The March of Dimes, is coming our way for one whole month. Now more than ever your help is needed. Now devoting the proceeds of their drive toward the solution of birth defects, as well as other children diseases the March of Dimes is a most worthy cause.

If the door to door caller misses you, send your contribution to Mike Steinberg of Orange Drive (WE 8-5837). Volunteers are still needed and they should contact Barbara Zydny, WE 8-7531.

Won't you help?

To Transport Cantigue Kindergarten Students

In order to solve the overcrowded conditions at the Cantigue School and because it will be impossible to contain all the West Birchwood children in Cantigue for the next 3 to 5 years, the Jericho Board of Education has agreed to adopt Dr. Thomas Carey's plan for transporting all Cantigue kindergarten children to the Jackson School during the classroom shortage. At the Jan. 13 Board meeting an audience of 200 residents heard several possible plans to alleviate the over-crowded situation

and were given the opportunity to ask questions and express their feelings. The kindergarten plan was adopted because, as stated in the proposal, "it provides the most equitable housing of all students, embodies the maximum educational advantages attainable within the limits of this temporary shortage and is most consistent with both long and short range housing plans". There probably will be an informational meeting for interested parents to acquaint them with the operation of the plan.

Speaking of Theatre

By Flo Lubin

By the time this article appears in print casting for the Jericho Community Theatre major production, the hilarious Moss Hart comedy, "Light Up The Sky", will have been accomplished. The cast will be knocking down to a rigid rehearsal schedule under the direction of Dick Mazza, recently of Scholarship Show fame. The scenery designers, the production personnel, and the business staff will be hard at work making this show an artistic, theatrical as well as commercial success.

Also in preparation is a touching short dramatization to be performed for the February general meeting of the Asthma organization, C.A.R.I.H. Very often a community organization requiring a program for a meeting has had to pay for just such a performance, generally between \$25 and \$35, out of their treasury. We are offering this program to all interested groups in exchange for the guaranteed sale of 50 tickets to our March show, "Light Up The Sky".

With the purchase of these tickets three worthwhile organizations will benefit; The group purchasing by increasing the cost of each ticket and making the evening a social event; The Jericho-Syosset Public Libraries as beneficiaries of the net proceeds from the profits of the show; And of course the JERICHO COMMUNITY THEATRE will begin the opportunity of reaching that many more people with worthwhile cultural offering.

All program chairmen should consider the simplicity and benefits of this idea. For further information, please call David Mark, WE 8-8177 or me at WE 5-6506.

The Villager

FOR THE RESIDENTS OF HICKSVILLE PARK AT JERICHO

Academically Speaking

In any residential community such as ours, the school is a very important part of communal activities and so we have invited students of the Jericho High School to contribute to the "Villager". - Editor.

The graduating class of Jericho High School has one foot out the door. The other foot is edging into a wide spectrum of colleges throughout the country. Present indications are that the class of '65 will compile a record that will be a source of pride to the community. Accomplishments have been across the board, in sports and scholarship. The Jericho football team has risen from a past replet with poor records, to a division championship. Our basketball and tennis teams have given good accounts of themselves. A team representing Jericho H.S. will be seen on a nationally televised program, "It's Academic!" Saturday, Jan. 16th and 23rd, Channel 4, 7 P.M. The team consists of David Shapiro, Leona Weiss, and Alan Kudler. Judy Anderson and Anthony Genna took honors for Jericho in Music competitions. Mark Miller, president of the senior class won a State-wide American History award. He was one of two winners in the entire State.

Jericho is taking its place in the

sun. It is not the sun, however, that is making many seniors sweat in 20 degree temperatures. College Board scores, Achievement Tests, and college acceptances are being awaited with trepidation. The answers to these three little "H's" will determine many mailing addresses for the next four years. It is not all shakes and spirits of amonia, however. Seniors are looking for-

DOCKSWELL

Sid Sachs and his "Sad Sachs" are the First Half Champs. It was a close call and a tremendous effort by the "Zephyrs" Irv West turned out to be anticlimatic. It was position night and the 2nd place "Zephyrs" needed a sweep to win the championship. Irv's contribution, in the third game, was a beautiful 248 but the "Sad Sachs" managed to take the second game by a mere four pins and that was the ball game.

Larry Goldenberg jumped into a two game lead in the race for "Most 200 Games" when he rolled his ninth and tenth, a 224 and a 223. This helped Ruby Skyler's "Rubes" knockoff Murray Gittleman's #9's, 5-2 and finish in a three way tie for 4th place.

Capt. Herb Brody rocked the plus for a two-timer and led his "Splits" to a 7-0 victory over Julie Gershen's "Untouchables". This was Herb's fifth and sixth, and his fourth in three weeks. Go get 'em Herb.

Mort and Marv Levine put on a brother act that tied the "Mules" to a shut-out win over Sam Sprinkers "7-10's". Mort's fourth, a 214, and Marv's first, a 209 did the trick and the "Mules" became part of the 4th place dead heat.

ward to their senior trip to Washington, D.C. May 1-4, and their Prom at the Kings Grant some time at the end of May, or the beginning of June.

Jericho has grown, in eight years from a sleepy little hamlet with one little school house into an active community, with an

educational system that has been turning out graduates with records far above the State average. The class of '65 has been following this trend. Indications are that many of its members will be accepted at some of the finest colleges and universities in the nation. It is reasonable to as-

sume that many will go on to highly successful careers of their choice.

Jericho is no longer on its academic way. It has arrived and succeeding classes will enhance our name and standing. --David Shapiro (Senior - Jericho H.S.)

LONG ISLAND PICTORIAL REVIEW

L.I. COMBINE OF HOMING PIGEON FANCIERS

THE CARE, BREEDING, AND RACING of homing pigeons which has been an expensive hobby on Long Island for several generations, is a growing interest according to the Long Island Combine of Homing Pigeon Fanciers, composed mostly of men and women "who grew up in the sport." The Combine stresses that homing pigeons cannot be categorized as pests as they are bred to race and return to their homes without stopping in populated areas. Below, James Greenleaf of Seaford releases a prize pigeon in a race which records flights of more than 50 miles per hour. (Graphic News Photos.)

FROM YOUTH: Combine claims enthusiasm in the sport starts at youth, as here with Kevin Ryan of Freeport.

NEST WORTH: A pigeon coop, with apartment-like accommodations for fast-flying birds. Coops and lofts are expensive part of sport.

PAYOFF: Fondling "Major," the champ, Mr. Greenleaf discusses the bird's trophies with Mr. Benincasa, and Joseph Oliva of Lakeview. National Pigeon Show, in November, is top event of sport.

U.S. MERCHANT MARINE ACADEMY NOW A L.I. TOURIST ATTRACTION

The 65-acre U.S. Merchant Marine Academy, at Kings Point, on Long Island Sound, a quasi-military academy training cadets to be "capable seamen in time of peace and courageous defenders in war," has been added to the list of tourist attractions offered by Long Island. The 1,000-cadet Academy (on a par with West Point, Annapolis and U. S. Air Force Academy) is headed by Rear Admiral Gordon McIntock, who welcomes groups of visitors "if they've made advance arrangements." (Graphic News Photos.)

REVIEW: The Academy holds colorful regimental reviews on Saturdays, and is a photographer's paradise.

TRIBUTE: To the 210 Cadet-Midshipmen and Kings Point graduates who perished in World War II.

TESTING: Innovations in nautical equipment often receive their initial tests at Kings Point, as this new-type life raft.

REFERENCE: Cadets attend services in the Interfaith Chapel built in 1961 by a committee of citizens headed by a prominent banker, William A. Kielmann, who lives near the Academy. Serving the three major faiths, the chapel honors 6,000 Merchant Marine personnel who died in service.

Distaff interest and participation in golf on Long Island is growing in direct proportion to the new public and private courses that have been springing up in Nassau and Suffolk Counties. Typical of the awards being passed out at "Trophy Dinners" at various Clubs this Fall, is the one held at the Muttontown Golf and Country Club, on Northern Blvd., just west of East Norwich. Members and friends have less than one month to make reservations and purchase tickets to our annual dinner and dance being held this year at the Huntington Town House, Saturday evening, Feb. 20th. Time has the reputation of overtaking us and our plans before we know it, so if you planned on attending but just overlooked making reservations do it now. Call Andy Sadowski at Wells 5-4176 or Al Hamon at Wells 1-0257. Tickets are still available.

We were sorry to hear that Esther Palladino is ailing and hope Lou brings us good news at the next meeting. "Get well Esther."

Jim Klueg, chairman of the Voice of Democracy contest has set February 10th as the date for the presentation of awards to the winners. More details will be furnished in a week or two after a program has been worked out.

Members are asked to read this article, "V.F.W. Goals for 1965 Formulated" in the January issue of their VFW Magazine. The objectives we will pursue makes one proud to be a member of such a fine organization.

Capitol Digest in the same issue paints an interesting picture about what's in store for the 89th Congress and makes mention of those members who will be in there pitching for the veteran and his family.

On Jan. 4th, the first day Congress met 1201 public bills were introduced in the House of Representatives. Out of these 106 affected veterans and were referred to the Committee on Veterans Affairs. 70 of these were introduced by Olin Teague, head of the committee and a combat disabled World War II veteran who is also the most decorated member of Congress. Congressman Teague was the subject of an interesting article in last year's March issue of VFW Magazine.

By the way, all VFW members are reminded that in order to continue receiving VFW magazine, payment of their 1965 dues must be received by the circulation department of National Headquarters by February 15. The mailing list for the March issue will be closed on that date. If you are delinquent in your dues and an avid reader of this fine magazine you'd better pay those dues right now.

Our next meeting is this Monday evening, Jan. 25. See you then.

The Tiger of the year was just named Car of the Year by Motor Trend.

If that isn't enough of a hint, try Quick Wide-Track. (This is their year.) Or Turbo Hydra-Matic, the new transmission you can order that does away with roaring between shifts. Coupled with any of the quicker engines for the '65 Pontiac, it saves the roaring for whenever you need it. When you don't need it, the extra-potent engines let you just loaf along. This loafing gives you the kind of economy you wouldn't expect from a looker like the '65 Pontiac. See your Pontiac dealer. He'll show you all 32 Pontiacs that are the "Car of the Year." They're the buy of the year, too.

Want These?

They are yours when you re-finance with a Central Federal Mortgage!

Without These?

You have the house—now perhaps you'd like to have that extra bedroom, a new car or a boat, a swimming pool, a shop in the basement, cash for college.

It can be done—sensibly. Without high finance charges and without extra installments.

A man with a house is a man with a valuable asset—his "equity" in his home. Because of payments made on his mortgage, improvements to his property, increases in real

estate values—this equity has grown—making him a preferred borrower.

So don't put off your family's "growing needs" and don't get involved with high installment loan charges. Come instead to Central Federal Savings and Loan Association and let experienced Mortgage Advisors work out a new Mortgage Plan that will put your borrowing on a sound basis. Call 516-GE 2-4000 for complete information.

Legionnaire's Log

Charles Wagner Post
No. 421 Hicksville
by ARTIE RUTZ

Things in the Third Division seem to be shaping up for a good wide open battle for the office of County Adjutant at the coming 47th annual County Convention to be held in June at our Post... Frank Ward of Glen Cove and John Mazze of Bethpage are bucking one another for the job... And to add another ingredient to the stew, in the First Division another battle is looming up... Happy Days, action at last! Our Post has already endorsed Joe Devine of West Hempstead for County Commandership... That's something we have never done at such an early date!... Get your ringside seat now!... Several changes in operating personnel were made necessary by the business load carried by several of our members... Artie Hirsch is now the Purchasing Agent for the Post and George Johnston has taken over the Inventory Control spot... P.C. Bob Hasel has been forced

to resign from the Executive Committee due to business pressure... No replacement is contemplated at this mid point in our Legion year... Rudy Bouse will once again be chairman of the March of Dimes Drive on the Post level... Let's give a big welcome to Achilles "Gill" DiRocco who was the latest member to join up with us!... The Capsule Drawing for our Building Bonds continues its merry way of failing to produce a two time winner... Once again the drawn winners at the last two meetings were not present... That's Bill Bruno and Frank Sallier... The Dark Horse Drawing at the last meeting finally went to ME!... After 11 years... Our annual Awards & Ceremonial Night will be held on March 20th and don't you date to miss this wonderful affair during which Legion ceremonies are fully consummated... Our annual St. Patty's Dance is just the week before, on March 13th, but this is open to all whereas the Awards & Ceremonial Night is strictly for Legionnaires only... Come early to get a seat! Our National Commander, Donald Johnson, will be tendered a dinner and dance at the Amityville Post on February 20th... How about going? Our Color Guard and Commander will be there so let's make a big night of it!

ALL AROUND TOWN

He is superintendent of highway maintenance for the County of Nassau.

Bouse Heads March of Dimes ; Legion Units Pledge Full Support

Plans for the 1965 March of Dimes Drive were speeded up this week as Southeastern Nassau Campaign Director, Benjamin M. Barnes, announced the appointment to Rudolf A. Bouse as Hicksville Community Chairman, for the third straight year.

Bouse in accepting this appointment said "The March of Dimes is doing more than any

Bouse is the owner of the Hicksville Catering Service and Rudy's Bar and Coffee Shop. He is Past Commander of Charles Wagner American Legion Post #421, and member of Hicksville Rotary Club, Hicksville Masonic Lodge, Amvets Post, Chamber of Commerce, Elks Lodge and Executive Board, Southeastern Nassau Chapter, The National Foundation — March of Dimes.

All the American Legion groups of the Charles Wagner Post, Hicksville, have promised to support this worthy cause. The groups include the Ladies Auxiliary, Junior Auxiliary, Sons of the Legion and the Post.

Ask Rejection Of Garden Apts

The Mid-Land Civic Assoc. of Hicksville-Jericho through its Civic Affairs Chairman, Kurt H. Pohl, has called on the Town Board of Oyster Bay to reject the application of Jerry Spiegel, builder, for the downzoning of the Davis Farm property which straddles the Hicksville-Jericho border at Bethpage Road and Broadway. Spiegel has announced plans to construct garden apartments and stores on this property and is seeking to have the present Residence D classification downzoned to Business G and Apartment House E-1.

At a public hearing in Oyster Bay on Dec. 15th, Spiegel's representatives claimed that this apartment project was being designed for "senior citizen" occupancy by arranging to install skid-proof bath tubs in each apartment unit. Pohl brushed off this evidence of planning for senior citizens housing as "rather ridiculous."

Pohl went on to say, "If the only thing our elderly people need in the way of housing requirements is skid-proof bath

tubs, a lot of people have been spending a great deal of time worrying about providing adequate housing for them. Those of us who are fortunate to have our elderly parents, alive and in good health, know that their main concern is the cost of trying to maintain their home or apartment on the retirement pensions they receive. How many of our retired elders could possibly afford to pay the rental of \$40 or more per room that Mr. Spiegel says he will ask for his apartments?"

The civic assoc. was represented at the hearing by Herman Kanfer, attorney, and presented petitions against the downzoning signed by 503 residents of the immediate area. One person who spoke from the audience, and was in favor of downzoning, claimed to represent the Hicksville senior citizens. Subsequent investigation by the civic association has revealed that this person was a paid employee of the Hicksville School District who was assigned as a leader, to one of several "senior citizen" groups in Hicksville, and who was not even

a resident of Hicksville or Jericho. The Mid-Land Civic Assoc. has sent a strong protest to the Hicksville Board of Education concerning this interference in local affairs by a non-resident employee of the District.

The Town Board reserved their decision at the conclusion of the hearing and no date was set for a decision to be announced. The civic have been rounding up support for their position and have called on each member of the Town Board to — "act in the best interests of their constituents rather than the economic interests of a profit-seeking builder."
