'None Dare' Goes in HS Library

Bruno Now Prepares To Remove Some Books

The Hicksville Board of Education under a revised text book policy, Friday night, voted six to one to place four copies of the controversial gift paperbacks 'None Dare Call It Treason' in the High School library and then went on to vote four to three to approve the use of the same book as a supplementary reading text in the 12th grade course in Problems in Democracy.

There were numerous proposed amendments and comments during the decision that many in the audience asked later just what action the Board had taken.

No provision was made for the purchase of extra copies of the paperback for use as a supplementary text. In fact, it was indicated they may be offered as gifts to the District.

Both decisions regarding the School library placement of the gift book and its use as a supplementary reading text were made upon the recommendations of School Superintendent Donald F. Abt.

The full text of the revised policy on text book selection as offered by George A. Jackson and approved by all Board members except William A. Bruno Jr. is as follows:

"The Superintendent of Schools will recommend to the Board of Education the textbooks, books, pamphlets and audio visual aids for use in the District after these materials have been reviewed by the appropriate Supervisor and/or Head of Department.

"The primary decision for recommendation by the Superintendent shall be based on whether the material in question has educational value. Although an exact definition of educational value is not possible, primary consideration should be given to its value as a teaching tool and as a reference material. A determination as to its use should also include such considerations as its accuracy, fairness of treating controversial and all other issues, and objectivity of the material. Inability to pass examination in one particular area should not, per se, eliminate the material from further consideration if it passes the primary test of being a teaching tool and/or reference material.

Bruno offered an amendment to this policy, which was defeated five to two (Bruno and Cornelius McCormack voted in favor). That the Superintendent of Schools be directed not to recommend any purchase of any of the above materials that are authored or sponsored or recommended in any bibliography of any textbook, publication or pamphlet by known communists (identity established by the Committee on the Judiciary of the US Senate, House Un-American Activities Committee, Attorney General's list and public record of affiliations), pro-Communists, Communist frontiers, Marxists, pro-Marxists and any other who believe in the overthrow of the American form of government by force or violence (with the particular exception of such recommended texts as may be essential to the study of Communism); and further that the proposed purchase of the above items shall be reviewed by the respective department heads to be sure they are free of anti-American propaganda before they are recommended by the Superintendent."

posed purchase of the above items shall be reviewed by the respective department heads to be sure they are free of anti-American propaganda before they are recommended by the Superintendent."

It was noted, in reference to the amendment proposed, that it would require teachers to state emphatically who is or is not a communist or pro-communist.

On the agenda for the regular school board meeting this Friday night, Mar. 12, is an item under Bruno's name: "motion to remove books from library and recommended reading list."

A daughter, Paula Anne, was born to Mr. and Mrs. James Hilder of 5 Spencer Dr., Bethpage, Feb. 18 at Mercy Hospital.

Board Requests Bridge Study

The board of Directors of the Hicksville Chamber of Commerce at its meeting of Friday, Mar. 5, went unanimously on record supporting legislation in Albany to undertake a "feasibility study of the proposed bridge across Long Island Sound from Oyster Bay to Westchester County."

The Board urged that appropriate State, County and Town officials "use their best efforts to secure the enactment of said legislation."

Deppisch Was Among 3 Original Public Water System Commissioners

August P. Deppisch, 85, the last surviving organizing commissioner of the Hicksville Water District 44 years ago, suddenly died at his home at 111 W. Nicholas St. early Tuesday morning of this week. He participated in a gathering at the office of the water district last July which marked the 40th year since the water district went into full operation. Interment will take place Friday afternoon at Plain Lawn Cemetery, Hicksville.

A petition by 700 Hicksville taxpayers was submitted Oyster Bay and on Aug. 30, 1921 the petition was granted by the Town Board appointed as the first commissioners were Mr. Deppisch, the late Ernest F. Franke and the late William L. Magill. The Board held its first meeting in Sept. of that year when Mr. Deppisch was elected treasurer.

Public hearings on creation of the municipal water system were held during April, May and December of 1922. It was not until April 1924 that the plans for the system were approved but the installation was sufficiently completed by Nov. 1924 to supply the then new (now junior) high school on Jerusalem Ave.

Mr. Deppisch served as water commissioner for 17 years, probably an all time record for the district.

He is well-remembered by older residents as the perennial chairman, elected by the audience, at the annual school district meeting, over a span of more than 15 years. The annual meeting, as such, has since been discontinued by a change in state law.

The creation of the water district was a long, drawn-out proposition. It was vigorously opposed by William H. Cocks, president of the Water Company (a private concern) which had its pumping station at about the approximate location of the present-day Alibi Restaurant on Old Country Rd. and Carl St.

In answer to a report credited to Cocks that the public water system would cost a million dollars, the original commissioners guaranteed the entire (initial) cost would not exceed \$300,000.

An article in the Hicksville Courier of Apr. 26, 1922 said in part: "It would seem plausible to believe that honorable men, men who stand high in business, men like Commissioners Magill, Deppisch and Franke, would not state their reputation by putting before the people an impossible proposition and that they must have full knowledge that the proposition backed by competent engineers and manufacturers of water plant equipment, could be furnished for the amount submitted, \$300,000 and that it would give the people of Hicksville relief from poor water supply, adequate fire protection,

AUGUST P. DEPPISCH

by installing larger mains, nothing less than six inches and as large as 10 and 12 inches, 218 hydrants, all uniform in make only one wrench being necessary to operate them, make water extensions promptly wherever necessary and that the gravity system would never fail and that an even pressure could always be maintained and there never would be any necessity to call upon an engineer to give more pressure with banked boilers in case of fire."

What was promised gave a clue as to what was probably wrong with the private water system and why the community created a water district. The pumping plant for the water district on Old Country Road was operated by coal-fired steam boilers. When the new system began to operate on Bethpage Rd the pumps ran on electricity.

He is reposing at the Wagner Funeral Home, Old Country Rd and Jerusalem Ave., where Masonic services will be conducted by the Masonic Lodge, F&AM, 1808 (Thurs). The Rev. Cranston Clayton, pastor, will conduct services at the Hicksville Methodist Church on Friday at 1:30 PM.

The first honorary member of the Nassau County Police Dept., Mr. Deppisch was the husband of Mary and the father of Eleanor Leckie and the late Hazel Davis. His son-in-law, Jack Leckie, served as Hicksville Fire Chief and Fire Commissioner. Another son-in-law, Freeman Davis, was the publisher of the Glen Cove Echo and former trustee of the Jones Institute.

Arrest Driver on Triple Count

David Jones of 1 Westminster Rd., Syosset, was arrested at 1:50 a.m. on Feb. 28 and charged with reckless driving after being apprehended by P.I. Kenneth Geist of the Highway Patrol. Jones driving a 1965 Ford sedan south on South Oyster Bay Rd. was accused of driving at an excessive rate of speed, going through red lights and endangering lives.

Three persons were taken to Syosset Hospital in the police ambulance on Mar. 5 around 6:15 p.m. following a collision of two autos on North Broadway and Scott Ave., Jericho. Willie Jones, 45, of 830 E. 170 St., Bronx, driving a 1961 Buick north on North Broadway collided with a 1964 Pontiac, also proceeding north, driven by Irwin Koltun, 42, of 181 Coldspring Rd., Syosset. Jones sustained a laceration of the chin while Koltun sustained a laceration of the left

cheek and nose. Koltun's 11-year-old daughter, Anna, suffered a contusion of the head.

Eight-year-old Michael Starobin of 711 Carlisle Rd., Jericho, was taken to Syosset Hospital in the police ambulance on Mar. 7 at 2:15 p.m. with contusion of the forehead following an accident when a 53 Chevrolet driven by Max Spies, 62, of 50 Pine Ave., Bethpage, collided with the 61 Chevrolet driven by Michael's father, Robert, 41. Spies was proceeding north on North Broadway near Columbia Dr., Jericho when he collided with the Starobin vehicle which was entering North Broadway westbound from the Floyd Bennett parking field.

According to records of the Second Precinct N.C.P.D., Robert Skeries of 14 Willis Pl., Albertson, was taken to Meadowbrook Hospital in a private car around 4 a.m. on Mar. 6 after the 57 Olds he was driving collided with a L.I.L. Co. pole on Cantigue Rock Rd., near West John St., Hicksville. He sustained head and face injuries. A passenger, Wayne Morgan, 44, of 339 Gilmore St., Mineola, also taken to Meadowbrook in the same vehicle, sustained head and shoulder injuries.

Pedestrian Hurt In Accident

Robert Vaughn, 38, of 80 Botolink Ln., Levittown was taken to Syosset Hospital in the Police ambulance with possible back and head injuries after he was struck by a car on West John St., Hicksville, around 6:30 in the evening of Feb. 23. The accident occurred 50 ft. off Myers Ave., when Vaughn was walking east on the southside of W. John St., was struck by the car driven by Rudolph Kretschmann, 50, of 3864 Avoca Ave., Bethpage. The car was travelling east, also, at the time of the accident, according to Second Police Precinct.

The Police ambulance also removed Rose Berger, 87, of 7 Hedgerow Ln., Jericho, to Syosset on Feb. 27 when she suffered an apparent heart attack in her home around 1:10 a.m. She was treated at her home by Dr. Engle of 4 Merry Ln., Jericho.

Dear Lynda:

A past president's dinner of the Hicksville Kiwanis Club is set for Mar. 20 at the Marc Pierre Restaurant, Melville. At the last Kiwanis meeting, DR. GEORGE LOUCKS was presented with a tab for 22 years of perfect attendance. Hicksville Rotary Club will hold a regular meeting at the NY World's Fair on Aug. 26. BILL BUCHMAN has been named club program chairman for the balance of the year. JOHN DOBSON and FREEMAN PARR have been appointed as co-chairmen to erect a community billboard at the Rotary Mall. It will carry the plaques of the various service, civic and fraternal groups in the community. We can honestly report that the flounders are really there out in Great South Bay. Our editor brought home 20 good-sized ones, fishing out of Captree. Nassau Police report burglary and auto theft are the two most prevalent crimes in the county, but both have declined for the first two months of this year. Burglaries from 746 (last year) to 719 and auto thefts from 476 to 324. Maybe the cold weather had something to do with it all. TEACH (Taxpayers' Educational Assoc. for the Children of Hicksville) will hold a gourmet dinner on Saturday evening, Mar. 13, at Levittown Hall. Call Mrs. PEARL HELLERBACH at OV 1-2273 for tickets. Each couple must bring a main dish casserole for six. The Joseph Barry K of C "300 Club" is selling tickets at \$20 and will award a 1965 Ford Mustang April 25 at the K of C Hall at 7 PM.

During the Hicksville School Board meeting last Friday night, someone kept coming up to the Board table and passing notes to WILLIAM BRUNO. We were reliably informed later in the evening that the notes were from his attorney and they recommended that he stop talking. They student cafeteria at the high school was filled to capacity with standees for the Board meeting. They stayed on, for the most part, almost to the very end which came at 1 A.M. BRUNO declined to vote yes to the continue and the session ended because a unanimous vote is required. Actually the School Administration had hoped to get some action on items which would have reduced the school budget. The Board during the meeting accepted from School Trustee CALEB HORNBOSTEL and Mrs. HORNBOSTEL a gift of 32 books covering a wide variety of subjects. At one point the meeting got off into an interesting but hardly pertinent argument about who won World War II (Allies or UN?).

A word to the wise from the Veterans Administration is always welcome among veterans. Some of their latest tips are: G.I. INSURANCE. It is estimated that more than 1 million veterans of World War II and the Korean War are eligible for a new type of G.I. insurance, but they will not be notified by the V.A. because the agency does not have their present address. These are veterans with service connected disabilities that have been rated as insufficient to entitle them to compensation payments. If you plan to apply for this benefit it's up to you to contact the Veterans Administration. G.I. LOAN. Effective this year, eligibility of Korean War veterans for Government guaranteed loans will expire according to each veteran's length of service and discharge date.

G.I. BENEFITS. A new law provides financial help for college to children of living veterans who are permanently and totally disabled as a result of service in wartime or as a result of extra-hazardous duty during peacetime. This aid was previously limited to children of such veterans who had died. Benefits range up to \$110 a month for 36 months.

The second VFW Congressional Award will go to the Honorable John W. McCormack, Speaker of the House of Representatives. The announcement was made recently by Commander in Chief John A. Jenkins.

The award is conferred annually at the midwinter congressional dinner given by the Veterans of Foreign Wars in recognition of meritorious achievement in various fields. By awarding this honor to one of our national legislators, the VFW seeks to dramatize the importance of the role of a freely elected legislature in serving the great ends of the Republic, maintaining true allegiance to the United States of America and fidelity to its Constitution and laws, and the fostering of true patriotism. The

first award was given to U.S. Senator Carl Hayden of Arizona last year.

AMERICANISMS TO LIVE BY:
From the pen of 16-year-old Ricky Cannon of Elwood, Indiana comes this patriotic thought: "You know that as an American citizen you share a priceless heirloom with over 190 million other Americans - our Constitution of the United States of America."

New Principal

WELDON ENDORF, a teacher at Trinity Lutheran School, Hicksville, for the past ten years, has accepted the call to become principal of Trinity as of July 1st. In the interim period, he will be working in close harmony with Dr. Richard Engbrecht, principal, and will gradually take the reins of leadership from him.

Dr. Engbrecht will serve the church-at-large as the assistant to the Executive Secretary of the Board of Parish Education of the Atlantic District of the Lutheran Church - Missouri Synod.

Endorf, a native of Tobias, Nebraska, received his B.S. in education from the Lutheran Teacher Training College in Seward, Nebraska. In 1961, he received his M.S. in elementary education from Queens College. Always interested in athletics, he earned eight college letters while at Seward for participation in basketball, football and track. He has served on the Hicksville Recreation Committee for eight years, is currently Publicity Chairman for the Nassau-Suffolk Lutheran Basketball League and organized the Lutheran Elementary School Basketball League.

Endorf and his wife Jackie live in Hicksville with their three children, Deborah age 8, David 7, and Douglas 3 1/2.

SCOUT EDITION

53rd Anniversary

1965

A Bridge to the Future

The theme which has been chosen for this year's Girl Scout Week is, "Girl Scouting—A Bridge to the Future". This phrase describes the main goal of Scouting for the past 53 years. If this theme needs explanation, that explanation will be found in the girls that make up the Scout program. Their actions speak for them. These girls whose activities have been carefully guided by their leaders, are ready to take on responsible adult roles when they leave Girl Scouts. As Brownies they learn to follow instructions and as Seniors they are capable of giving their own well thought-out instructions. Unfortunately, their work is often overlooked and their accomplishments forgotten. Therefore, at least during one week, we should consider the ways they are preparing for the future.

As Brownies they learn the fundamentals of Scouting and the importance of different aspects of the community. They learn the duties of their Post Office, Fire House, Court House and other local institutions. They have contributed service projects to charitable organizations—they have learned how to give.

Juniors learn the skills of Scouting and how to apply them not only to herself but others. She learns to make decisions and how to cooperate with her troop and patrol. Services now are more meaningful to herself and her neighborhood.

The Cadettes learn the importance of their previous learning by means of "challenges". These expose the girl to real life situations in which she uses the skills developed up to this point.

Finally, by the time the girl has reached her Senior Troop, she is poised, responsible and ready to take her place in society. Her scope extends past the troop. The girls at this level are ready to meet the future, to make decisions, exercise initiative and appreciate values.

In our own region, some of the girls have earned special mention. Cadette Girl Scouts have been volunteering their time to help a young child with brain damage. Besides the help they have given this child in remedial exercises, their morale has been an invaluable contribution. The girls include:

Troop 282; Elizabeth Dunn, Nancy Holmes, Janet Humphrey, Cathy Kamber, and Jessica Tava. Troop 437; Janet Reilly, Dawn Spink, Karen Taylor, Monica Traluk, and Patricia Willis. Troop 551; Diana D'Amico, Kathleen Drab, Patricia Lang, Eileen McCafferty and Judy Wayne.

Troop 608; Dolores Bergman, Barbara Charles, Nancy Charles, Margaret Giegler, and Linda Mc Morrow.

Annetta Dempsey and Maureen Roper represented us at the Brotherhood Youth Camp of the National Conference of Christians and Jews.

Four girls were selected by the All States Encampment, Janet Altman went to Tennessee, Holly Lessin to Washington, Jayne Nelson to Maryland, and Barbara Root to Michigan.

Vera Mingovits, a Senior Scout from Levittown, was the first Scout in the history of Mid-Island Council to be selected by the National Organization to attend the International Gathering abroad. She is the only girl

from Long Island who was chosen for this honor.

Of course, we have the thirty-two girls who were selected to attend the 1965 Round-up in Idaho this summer. The six girls who were chosen as alternates will attend a "Little Round-up" on the shores of Lake Champlain.

These girls all represent the "cream of the Scouting crop". The girls attending the Round-up are Kathy Acker, Joan Barberis, Ann Barry, Patricia Bartholomew, Sharon Biegin, Regina Brandenberger, Betsy Eaton, Gail Ehrhardt, Nancy Evans, Peggy Fort, Jane Ferri, Barbara Harms, Lynn Kachner, Virginia Kieran, Lynn Kinsel, Carol Larson, Nancy Lessin, Diane Marks, Vera Mingovits, Jayne Nelson, Betty Parker, Helen Polcek, Linda Quinn, Vicki Schlosser, Deborah Shuman, Barbara Solnick, Christine Stewart, Kathy Van Tassel, Faithanne Tietjen, Elizabeth Warinner, Gail Wichser, Christine Wuerslin.

The alternates are Dortha Astman, Catherine Kaweck, Pat McNichols, Doris Mill, Martha Ostrom, Barbara Waterson.

But besides the girls who have been mentioned by name, there are also the ones whose services have been seen by their communities and churches. They have served as baby sitters on Election Day, hostesses at countless activities, contributed items to various charities and have been of invaluable personal service to everyone who has come in contact with them.

This week, store windows all over town have had displays made by the Scouts, which featured the theme, "Girl Scouting—A Bridge to the Future". But the real display is the one made up of girls from 7 to 17; the Brownies who

THIRTY-TWO of the 37 smiling Mid-Island Council Senior Girl Scouts will be on route this summer to the 1965 National Round Up to be held in Coeur D'alene, Idaho. The five alternate seniors will participate simultaneously in a Little Roundup at Lake Champlain. The girls have been selected by the Council after many try outs and will be extensively trained prior to their West-ward departure this summer.

are learning the ways to serve, the Juniors who put the learning into effect, the Cadettes who broaden the scope of their services and, finally, the Senior Scouts who take an active place in the community they have been serving.

Promise25th Council Birthday As
Scouts Note Anniversary

While Girl Scouts throughout the country are celebrating their 53rd birthday, the girls and adults of Mid-Island Council are also commemorating the 25th anniversary of the Council. Established in 1940, the Council has grown steadily through the years. Last year, they voted to continue their status as an independent council and not join the proposed Nassau Council. This decision imposed the obligation of meeting the demands expected of the Scouting program today. They successfully met the challenge and have made Scouting more meaningful for the girls in the Council.

This year, the efforts of the 25-year old Council have been reflected in the increase of activities offered to the girls in all the levels of Scouting. Juniors and Cadettes are being given more opportunities to put the skills they have acquired into services which aid the local communities.

The camping programs have been expanded as more girls are attending Camp Edey, Camp Watcha Wama and the newly acquired camp-site at Bear Mountain. The number of girls chosen from this section for special camping opportunities proves the merit of this extra camping experience.

In the last few years, the importance of the International as-

pect of Girl Scouts became more obvious. With this in mind, Council President, Mrs. Robert Stretton stated in her annual address that during this year there will be a special emphasis on the International and she has selected this as the theme for the Council's theme for its 25th Anniversary celebration.

This occasion will be marked in the new Council office at 395 Central Ave., Bethpage. The former Hicksville office had been totally destroyed in the Nov. 29th fire.

Mid-Island Council is comprised of twelve Neighborhoods. They are: I Syosset; II Westbury; III Hicksville; IV Plainville-Old Bethpage; V Levittown; VI Bethpage-Plainville; VII Farmingdale; VIII Wantagh; IX Parkwood; X Seaforth; XI Jericho and XII North East Meadow. Our own Hicksville Neighborhood has over 16,800 registered Girl Scouts and adult members.

These members extend their thanks to the churches and schools which have provided meeting places during the year; Burns Ave., Dutch Lane, East St., Fork Lane, Hicksville Jr. and Sr. High, Holy Family, Holy Trinity Episcopal, Lee Ave., Old Country Road, St. Ignace, Loyola, St. Stevens, Trinity Evangelical Lutheran, Willet Ave., and Woodland Ave.

Adults Cooperate In Girl Scouting

Since its foundation in 1912, the Girl Scouts of America has grown far beyond the hope of its founder, Juliette "Daisy" Gordon Low. Fifty-three years ago this country had one troop of 18 girls and one leader, Mrs. L. W. Since that time, twenty-two million girls have taken advantage of the Scouting opportunity. Obviously, the needs of these girls differ from those few pioneers. Activities and guidance for the girls comes from many people, most of them volunteers. This is a special week for them, too, and a time when we should consider the role of the adult Girl Scout.

First of all, there are the professional Scouts who plan the requirements for the program and see that the endless office work is done. Here in Hicksville, we see this type of work mainly in the activity of Council which works under the guidance of its President, Mrs. Robert Stretton. They deserve our thanks for the efficient work they turned out despite the destructive fires which destroyed the building they were using.

Under these women are the members of the Neighborhoods. This year, the Hicksville Neighborhood was headed by Chairman, Mrs. Ruth Aronoff, who had the task of organizing and coordinating the activities in her Neighborhood.

Volunteer Troop Organizers and Consultants are the link between the Neighborhood Council and the individual troops. As the names imply, they serve as advisers and see that the troops run smoothly. It is also their duty to see that as many girls as possible are able to be placed in various troops.

The women which most of us come in contact with are the troop leaders who instruct the girls in the tenets of Girl Scouts and see that their skills are developed to their fullest potential. Their work, like the others, require many unpaid but rewarding hours.

Finally, there are the countless

people who are seldom recognized by outsiders as members. These are the members of the troop committees. They offer time and talent to many meetings and projects. They teach arts, cooking, and many other skills to the Scouts.

And we can not forget the men Girl Scouts—the ones who clear camps, drive cars, give tours and take pictures.

This week when you see a girl in her green or brown uniform, consider how many people are working to make it an organization she can be proud of.

Luncheon Observes
25th Anniversary

Dr. Shek Pati Sinha, well known Hindu lecturer, writer and authority on international relations from the United Nations spoke on "The Role of Today's Woman in International Affairs" at the International Luncheon in honor of the 25th Anniversary of Mid-Island Council of Girl Scouts.

The luncheon was held on Thursday, March 11 at the Huntington Town House. Mrs. Emerson Young from the Girl Scout National Organization spoke on the Girl Scout International Program.

The guests of honor attending included Mrs. Eugene Nickerson, Cyster Bay Supervisor and Mrs. Michael Pettito. Mr. A. Holly Paterson, Mrs. Robert Hirsch, Regional Girl Scout Representative and Mrs. Robert Stretton, President of Mid-Island Council of Girl Scouts.

Mrs. James Karcher of Farmingdale was chairman of the gala luncheon. Serving with her on the committee were Mrs. Joseph Harimann of Old Bethpage, Mrs. James Cadden of Hicksville, Mrs. Gus Katz of Levittown, Mrs. Martin Tuohy of Wantagh and Mrs. Ray Cope of Plainview.

EDITORIAL OPINION

The Jitney Did Take Over

While rummaging around for some background material this week, we came across a copy of the Hicksville Courier edited by M. Friedman, dated Jan. 29, 1919. Subject of the lead editorial in that issue was the possible closedown of the trolley system from Huntington to Amityville by way of Farmingdale. The villain at the time was the jitney, or taxi (as it was then called) and which we today know as the bus.

There are parallels to be found between the plight of the trolleys of those days 44 years ago and the LIRR and even the buslines and businessmen of today.

Just consider this quotation:

"Can anyone imagine that a public is so fickle, to turn against a trolley company who has invested large sums of money in order to build up a community, to carry the residents promptly and on scheduled time, to arrange their running time to and from their homes and places of business, to meet all incoming trains, all for the convenience of the people who patronize the road, and then desert them for a crowded and rattled jitney? No. The people are not fickle, they will do everything in their power to help along such a trolley system that is run for their benefit and convenience and pay a higher price than to a jitney which is not run for the public's benefit, but for the benefit of the jitney driver.

"So, the conclusion is, that the trolley did not run its trolleys on time, did not arrange its scheduled to meet all the trains and did not give the public the service it deserves, and as a result, they had to resort to the taxi to take them to the points they want to reach. . . .

"It is not advisable to try to throttle the taxi service, but to give it a fair chance to compete and in this way, keep the trolley companies awake to the fact that the people will not stand for inadequate and poor service, that the cars shall at all times be kept in a sanitary condition and in cold weather be properly heated and ventilated."

Since then the carpool and shopping center, words never heard of in 1919, have been invented.-fjn.

READER OPINION

RE: LANGSTON HUGHES

To the Editor:

In response to Mr. Leo V. Kanawada's letter to the editor concerning Langston Hughes, I would like to say that Mr. Kanawada is either uninformed or else he is deliberately misinforming the residents of Hicksville.

If Langston Hughes became disillusioned with Communism during the early 30s as Mr. Kanawada states, then why during the 40s and even the 50s did he join numerous communist front organizations? I wouldn't call this being disillusioned unless the dictionary has a new definition for the word.

I would also like to correct Mr. Kanawada on the proper wording of "House Committee

on Un-American Activities", not "House Un-American Activities Committee" as he states in his letter. There is nothing un-American about the committee. It investigates un-American activities within the USA.

This saying that was written by D. H. Lawrence just might interest Mr. Kanawada: "Men fight for liberty and win it with hard knocks. Their children, brought up easy, let it slip away, poor fools. And their grandchildren are once more slaves."

FINE JOB WELL DONE

(Editor's Note: The following letter was written to R. Jennett, Principal of Lee Ave. School, Hicksville.)

Dear Mr. Jennett:

As the parents of a ten-year old child attending the Lee Ave. School, we are proud to salute the efforts, and achievements of the fifth grade Tract I Reading, and Tract I Civ. Ed. class. Both classes are taught by Mrs. Ruth Sidman.

The classes have recently completed an extensive study combining American History, and the role of The Congress and the Presidency, both past and present. Since much of the amassed material was not to be found in their textbooks, the children turned to research to seek the needed information. The joint effort by all the students has culminated in a booklet entitled "The Growth of Democracy".

At a time when concerned educators and parents are asking just what are our schools doing to insure that our democratic

way of life will continue, it is indeed gratifying to learn, first hand, that efforts are being made.

The paragraphs concerning the Communist Challenge, and Civic Neglect assure that these children are, at an early age, developing an insight into the problems that are sure to become a part of their adult world. The portion set aside for individual expression leaves no doubt that these children know that they are lucky to be living in the United States of America.

Recently, the Hicksville Board of Education adopted a merit-system, as a means of insuring that the achievements of superior teachers would not go unrecognized. At this time we would like to recommend that a notation be placed in Mrs. Sidman's record, commending her for her achievement in promoting the "Image of Democracy."

We also urge that a copy of the booklet be separated and displayed in the window of the administration building on Broadway. We are sure that many residents would enjoy viewing this very fine effort by our fifth grade students.

(Signed) Mr. and Mrs. Anthony Infantino

MAKING THEM LOOK GOOD

To the Editor:

On Friday evening, Feb. 26, the Hicksville school board announced that it had set aside \$1200 in the new budget for a public relations job. By next year I'll bet it will be increased to \$5000.

I am writing this letter because I don't know why the board members expect the taxpayers to pay a person to make them look better.

The board can send announcements (Continued on page 9)

ADELPHI SUFFOLK COLLEGE UNDERGRADUATE DAY PROGRAM

a Liberal Arts curriculum enriched and enlivened via an uncommonly satisfying student-teacher rapport

"A teacher affects eternity; he can never tell where his influence stops." In and out of the classroom, the Adelphi-Suffolk faculty encourages free and friendly interchange of ideas. Person-to-person and mind-to-mind with their students, Adelphi-Suffolk teachers honor the Socratic ideal, aim at the development of spiritual values and moral responsibility in personal, civic and professional living. Enthusiasm and vigor characterize the teacher-student bond—in a pattern of mutual constructive thinking that relates itself naturally and agreeably to the individual's need. A great experience.

This guardian lion is typical of the statuary on the ASC 23-acre campus—the former estate of the late Win. A. Vanderbilt.

THE CURRICULUM OF THE COLLEGE consists of four divisions: I. Arts; II. Humanities; III. Natural Sciences and Mathematics; IV. Social Sciences. Every student must take a certain number of courses in each of the four divisions, for sound instruction in the liberal arts. No later than the end of the sophomore year, he may choose a concentration in either the humanities, natural sciences and mathematics, or social sciences.

THE TEACHER EDUCATION PROGRAM at Adelphi-Suffolk College qualifies and certifies both elementary and secondary school teachers. All students must complete a basic liberal arts course of study.

Quality students can reap rich personal rewards in a full-time 4 year program at this small, private, liberal arts college. Why not write or call now for information and catalog?

One-Act Play Contest at Jericho

The trumpets blasted! Mr. Heller, principal of Jericho High School, introduced the 5th annual three one-act play contest. Saturday evening, March 6, the Sophomores, Juniors, and Seniors presented their contributions to the evening's activities.

The Junior Class went on stage first with "Featherbed" by Maurice Valency, a story during the 18th century in America of a scarecrow coming to life. Next the Senior Class presented "Citronella", a story of a beautiful peasant girl, Citronella, who is found to be the long lost daughter of the wealthy couple to whom she is employed. The Sophomores came last with "The Ugly Duckling" by A. A. Milne, a story of the marriage of a plain-looking princess.

Tension built in the auditorium as the winners were announced: the best actress, Beverly Chako (Senior), the best supporting actress, Barbara Rudes (Senior), the best actor, Larry Raiken (Sophomore), the best supporting actor, Gene Boragine (Senior). The best play was the Senior Class presentation, "Citronella". The best director was the director of "Citronella", Ronnie Steinberg.

DOCKSWELL

There has been much trouble these past few months in the publishing of the Mid Island Herald and as a result the Villager has been sorely missed.

The league has been rolling along in fine style. Rube Skyler's "Rubes" have beaten everything in sight. For seven successive weeks they have trounced their opponents and as a result they now lead Murray Glitselman's 2nd place #9's by seven points.

Individually, Sid Sacks, Sid Simon and Larry Goldenberg have been the most outstanding. They have each come up with five 200 games in the last seven weeks. Sid Sacks, however, has really been on a rampage. This past week he blasted two beauties and a 620 series to break the previous high of 610. Sid has now averaged 190 for this same period and has raised his average

PRESIDENT'S CORNER

By Horace Bernstein

It is good once again to have the Mid Island Herald and of course the Villager back with us. For the residents who were wondering what became of their paper and why they weren't receiving it, just let's say that certain difficulties were ironed out. It takes something like this to realize how important the VILLAGER is to our Civic Assoc.

Our Financial Secretary reports that dues from members and residents are coming in at a faster pace than last year. This is very gratifying. It shows that the people of Birchwood are interested in a Civic Association and realize the importance of supporting it. To those who have not as yet sent in their dues, may I make one last request to do so NOW.

Our nominating committee is meeting at the present time and will soon come in with a slate of officers and Board of Directors. This does not mean that the slate that they recommend has to be elected. The nominating committee attempts to select the residents who they feel are qualified and are willing to do the work. As in all organization there is always someone who wishes to work, is qualified and is not approached. To these people, the Civic Association gives its blessing. Just file a petition with the Secretary, Mrs. Dorothy Petzholdt, with 25 signatures and you are on the ballot.

Election will be held this year, Saturday night May 1st, at the Jericho Country Club. As usual, the election will be held in conjunction with our annual buffet supper and dance. This night is free to members and to members only!

This night alone is worth more than the \$5.00 dues that we ask of you. So once again, send in your dues, and reserve Saturday night May 1st. This will be an entirely free night of fun and entertainment with plenty of food and drink (soft). Dues may be sent to our Financial Secretary Sidney Simon, 103 Birchwood PK. Drive.

Storm Damages Floyd Bennett

"March comes in like a lion" and so it did to the Floyd Bennett Stores. The rain storm that hit the Long Island Area on Friday, March 5th, was accompanied with a mild "hurricane" type of wind which swept away the roofing from the southwest section of the Jericho store.

As a result the store suffered considerable damage to that section of the store from the Juvenile Furniture, Hobby, Lamps Dept up to the ladies' dress section. The damage was estimated to cost Floyd Bennett thousands of dollars which included merchandise, ceiling and floor and put several departments out of business for that week-end.

Management were complaining of the "hard luck" the F-B Stores have been experiencing since its opening.

Discusses Careers

On Wednesday Evening, March 17th, at 8:45 P.M., the Jericho High School F.T.A., will present a program on "Careers in this Age of Automation."

The speaker will be, Allan Gould, Bureau of Labor Statistics, New York City.

All parents and students grades 9-12 are invited. Refreshments will be served.

Simins Gets New County Position

Acting Public Works Commissioner James M. Goodwin on Monday announced the appointment of Herbert J. Simins of Jericho to the position of Deputy Commissioner for Administration. Simins, 35, has been Superintendent of Road Maintenance since January, 1964. In his new position, he will be responsible for the Division of Administration which encompasses personnel, accounting, statistics and records, blueprinting, photography, reproduction, contract processing and permit issuance. His salary will be \$17,620.

Simins is an engineer and a lawyer. He graduated in 1950 from Brooklyn Polytechnic Institute with a degree in Civil Engineering and received his L.L.B. from Brooklyn Law School in 1958. He is a licensed professional engineer and has been admitted to the bar.

A resident of Jericho, Simins is married to the former Gail Kaplan. They have three children. He is active in civic affairs having been past president of the West Birchwood Civic Assoc. and a candidate for Superintendent of Highways for the Town of Oyster Bay in 1963.

Community Concert Sunday

The Hicksville Community Orchestra under the direction of Charles Gause, will present its next concert on Sunday Afternoon, March 21, at 3:00 P.M. in the auditorium of Senior High School on Division Avenue. Admission is free.

The program will include: Verdi - Overture to "La Forza del Destino"; Schumann - Piano Concerto in a minor, op. 54; Shostakovich - Symphony No. 5. Miss Judith Alstadter will be the soloist in the Schumann Concerto. A graduate of Julliard School of Music, Miss Alstadter presently holds a scholarship to the Yale University Music School, where she is working toward her Masters Degree.

She has appeared frequently in concert and radio broadcasts over WQXR, WBAI and WNYC.

The 85 piece orchestra, now in its fourth season is sponsored by the Hicksville School District Recreation Dept.

Miss Judith Alstadter was born in New York City. She began studying the piano at the age of six, and at twelve was awarded a scholarship to the Julliard School of Music Preparatory Department, where she studied piano with Miss Frances Mann, Director, and Miss Frances Goldstein, and chamber music with Miss Louise Behrend and Miss Phyllis Kraemer.

Upon graduation from Levittown Memorial High School in 1960, Miss Alstadter entered the college division of Julliard where she was a scholarship student of Mme. Rosina Lhevinne and Mr. Sascha Gorodnitzki. She graduated from Julliard with the Bachelor of Science Degree in the Spring of 1964, and currently holds a scholarship to the Yale University Music School, where she is working towards her Masters Degree.

WOULD LABEL BOATS

Assemblyman Edwin J. Fahrenbach of Nassau County has introduced a bill which would require, after Sept. 1, 1966, all boats less than 26 feet in length, sold in the State to have affixed a plate stating the maximum weight and horsepower capacity of the vessel.

The Conservation Commission would determine the method and formulas for determining the maximum weight, including the number of persons aboard, the motor, gear or any other articles necessary for the safe operation of the boat. Also, included on the plate would be the maximum horsepower of the motor.

MICHAEL COTSONAS, 14 Gables Road, Hicksville, the 1961 Hicksville High School class president, has been designated a Distinguished Military Student at Hofstra University. He has also been elected to membership in Tri Beta, the National Biological Honor Society, and is on the Executive Board of the National Society of Scabbard and Blade, the ROTC Honor Society.

Michael entered Hofstra in 1961 as the recipient of a State Regents Scholarship. While at Hofstra his academic achievements earned an academic scholarship for him. Recently he was awarded an additional \$400 scholarship from Scabbard and Blade. Because he sought and was subsequently accepted into the Advanced Army ROTC program, Michael will receive a second lieutenant's commission in the Army Reserve along with his Biology Degree upon graduation in June 1965. He is a cadet major in the Hofstra Cadet Corps and responsible for administrative duties relative to the 1100 men in the unit. Michael holds several achievements and honor ribbons as well as a sharpshooter's medal he won at Summer Camp. The leadership training he has received will assist him in civilian life as well as in the military service. Michael's achievements at Hicksville High and Hofstra University are most enviable.

Grab Two Men For Shop Lifting

Two men were arrested and charged with shoplifting in Hicksville recently. On Feb. 25, Kenneth Lewis, 33, of Westbury, was arrested and charged with petty larceny for taking a sweater valued at \$12.99 in Gertz, Mid Island Shopping Plaza. He was arrested on the complaint of a store security officer. On Mar. 6, P.D. Eugene Flamm of the Second Precinct N.C.P.D., arrested 48 year old Raymond J. Holman of Levittown, at the Sears store on No. Broadway. He also was charged with petty tools valued at \$65. The same day he appeared before Judge La Pera in First District Court,

pleaded guilty and paid a \$50 fine.

Charles Mann of 214 Birchwood Park Dr., Jericho, surprised an intruder in the act of burglarizing his home on Feb. 27 around 12:10 a.m. and the burglar fled. But with the facts given them by Mann detectives of the Second Squad of the N.C.P.D. arrested Mark Orlando, 21, of 18-18 79th St., Brooklyn at 3:40 p.m. the same day. The arrest was made by Det. Eugene Langlois. Orlando was charged with burglary, second degree.

CUMMINGS AND GOINGS

Cead Mile Failte to All

By Jim Cummings

Yes, one hundred thousand welcomes for all our readers to view two of the biggest parades of the year. First this Sunday, March 14th, in Hempstead with formation at Kennedy Park, Greenwich St. parade will proceed down Main Street past the reviewing stand where His Excellency Bishop Walter P. Kellenberg, Bishop of Rockville Centre Diocese and dignitaries will proudly watch the marchers. Parade moves off at 1:45 PM and will end at Union Place (Main Street). This Annual event is presented by the Irish-American Society of Nassau, Suffolk and Queens, Inc., with headquarters at the Irish-American Center, Willis Avenue, Mineola.

In New York on Wednesday, St. Patrick's Day, March 17th over 124,000 marchers will pass in review; with 200 marching units and organizations and 202 marching bands and musical units. We are so well informed this year through the cooperation of the Hempstead Chairman, Dan Hegnessy and New York Parade Chairman Harry Hynes, whom we have met with these past weeks. On Monday of this week we attended the installation of the Grand Marshall Dave Sullivan and various County Aides to the Marshall. As Nassau County Aide-to-the-Marshall we were installed with seven other Marshalls representing New York, Suffolk, Queens, Richmond, Staten Island, Yonkers and Westchester to represent our county. My sincere thanks to the Hibernians of Nassau County for this distinguished honor to my family, especially to my Mother (Sillo) and Father (Mayo-God Help Us) who instilled this Irish heritage by their constant guidance and teachings of our great Irish culture.

HERE 'N' THERE; William E. Koutensky, President of L.I. National Bank has been named ARC Chairman for Hicksville... Cantlague Road Park shaping up for scheduled mid-June opening we hear... Those shamrocks at ACH affair last Saturday evening were flown direct from Shannon Airport, Ireland to Kennedy in time for "Nite of Shamrocks" and those present received them in person from Miss Ann O'Connor of Irish International Airlines in cooperation with the Mid Island Travel Bureau, Mid

Island Plaza... Judges for the Hibernian Queen named Miss Carolyn Cook of Mineola were Gerald S. Harris, Resident Manager, Gertz; Franklin Frank, Stacker & Frank, Mid Island Plaza and John Russell Lowell, well known model and fashion coordinator for many events including Miss New York State... READER OPINION

(Continued from page 4)

ments to four Long Island papers (2 are published here in Hicksville) and it paid \$700 for the calendars which were sent to every home. It lists the board meeting nights. It puts a notice in the public library and the P.T.A. has been helping out by calling people and telling them to show up. That seems to me to be a lot of advertising. What more do we need?

I believe the school board should develop some manners and be fair to the people who do show up at board meetings. Perhaps more people would show up. But don't expect over-taxed people to pay for things that do not help our children's education.

(Signed) VITO J. CLINCI
(Editor's Note - We rarely comment on letters. However, it should be noted the position was created for the current fiscal year, ending June 30, 1965. The salary would presumably be prorated for the balance of this year. The signature on the letter was difficult to read and there was no address given).

OTHER MISTAKES

To The Editor:

I read with interest your article about the "Wind Breaks" being put up at the Hicksville station. I would like to point out to you that this is not the only serious mistake that has been made. Evidently everyone feels that now that the station is a realistic accomplishment, no one has to worry about the traffic patterns, maintenance and safety.

I thought everyone concerned knew that most of the commuters are driven to the station by some friend or the family, or car-pool. The ice and snow is never cleared away from the area where the cars have to stop to drop people off. We have had some tremendous tie-ups because of non-removal. Even though a berth has been set aside for loading and unloading buses, the bus stops in a "non-stopping" area in order to drop off passengers around 7:00 and 7:15 in the morning. There is a constant line up of cars in the non-stopping areas either for loading passengers or unloading them the first thing in the morning. Some day, someone with a bad temper is going to plow through a group of people and we will have a lot of bereaved families.

I could not possibly take the time to write each and every department that is involved in this mess. Any help you can give us will be appreciated, I am sure.

Fire Control Technician Third Class Daniel W. Kumberger, USN, son of Mr. and Mrs. Albert H. Kumberger of 32 Island St., Plainview is participating in "Operation Springboard" in the Caribbean while serving aboard the guided missile cruiser USS Boston.

Roy A. Fricke, son of Mr. and Mrs. Arnold H. Fricke of 91 East St., Hicksville, has been named a squadron material officer, with the rank of cadet captain, at the U. S. Air Force Academy, Colo.

Cadet Fricke, a member of the class of '65, will be awarded a B.S. degree and a commission as an Air Force second lieutenant upon graduation from the academy.

The cadet, a graduate of Hicksville High School, attended Texas A. & M. College at College Station, Tex.

Navy Ensign Thomas W. Bean, son of Mr. and Mrs. William Bean of 14 Meadow Lane, Hicksville, is serving with Airborne Early Warning Squadron One at the Naval Air Station, Agana, Guam.

AIRMAN Hume F. Vazier, son of Mr. and Mrs. Frank J. Vazier of 32 Bunker Lane, Hicksville, has been selected for technical training as an air policeman at Lackland AFB, Tex.

Airman Vazier, who enlisted in the Air Force a short time ago, has just completed his basic military training. Schools at Lackland are part of the vast Air Training Command system which trains airmen and officers in the diverse skills required by the nation's aerospace force.

The airman is a 1964 graduate of Hicksville High School.

ART SCHAEFFLER, a Hicksville junior majoring in musical education, is a member of the clarinet section of the Wagner College Concert Band which departs Mar. 13 for a three-state tour of five

performances before returning to the Staten Island campus for an annual Homecoming concert. He is the son of Mr. and Mrs. Andrew Schaeffler of 34 Meadow Lane, Hicksville, N.Y.

The first stop on the current tour is Phillipsburg, N. J., after which the 55-piece ensemble travels to Rockville, Md., Camp

Hill, Pa., Greenville, Pa., and Sussex, N.J. returning to Wagner Mar. 21.

He is a member of the Wagner College Woodwind Quintet and acts as manager for the Concert Band. Before coming to Wagner, Schaeffler attended Hicksville High School, where he performed with the school's regular band.

Narcotics Danger PTA Units Topic

The Hicksville Council of PTA Units will sponsor a special program on the dangers of the use of narcotics on Monday, March 15, at 8:15 P.M. in the Junior High School Cafeteria A. Detective Paul Murray from the Nassau Police Dept. will discuss the extent of the use of drugs in Nassau school districts and its effects on our community, and how the spread of narcotics can be stopped.

It is essential for all parents to attend this meeting.

Legionnaire's Log

Charles Wagner Post
No. 421 Hicksville
by ARTIE RUTZ

Things are progressing nicely down at the Post as we turn the corner and face the last quarter of our Legion year with the knowledge that we have once again surpassed our all time membership high....Rapidly the time is approaching when we will

host the 47th Annual Nassau County Convention and many hands are busily working now to make it the great success we intend it to be, and shall be.... It is with high spirit we are plunging forward in our preparations for this great event and time will tell of our efforts....Perhaps you know our County conventions are what might be termed a "part time" convention due entirely to the fact that the delegates attend business sessions in the evening....As compared to the state conventions when business sessions are held in the mornings....Yet the same routine business is carried on and accomplished, sometimes into the wee hours of the morning....Perhaps the only aspect that is identical for both type of conventions is that the big parade is held on Friday evenings....We expect to use an entirely new parade route for our parade in Hicksville, that is, to my knowledge, one that has not been traversed before.... And we hope that it will enable more people to watch it in comfort than ever before....And still not interfere too much with the necessary traffic.... Perhaps I'd better call a halt to this convention talk at this time and concentrate a bit on things nearer at hand, namely our St. Patty's Dance on March 13th and our annual Awards & Ceremonial Nite on March 20th....Our St. Patty's Dance is sold out and unfortunately I won't be there as both Junior Past Commander Dijk Hochbrueckner and myself (with the our Ladies of Council) must attend the dinner honoring the Junior Past County Commander Don Donovan in Franklin Square.... I will be happy to see you all at the Awards & Ceremonial Nite on March 20th which will be larger than ever and our Special Awards Committee will be making presentations this year plus other added features....Don't miss it!

Do You Know?

Do you know that trading stamps may add an average of more than 4 per cent to the price of things you buy at stores dealing in the sticky past-time?

Do you know that a special Congressional probe has determined that manufacturers can make light bulbs that will last twice as long as present bulbs while saving not only the cost of an extra bulb but also cutting your electricity bill.

Do you know what popular health elixir has been ordered by the U. S. Government to stop making misleading advertising claims in television and newspaper advertisements?

Do you know which of the large private electric power companies have been accused of overcharging customers, totaling billions of dollars?

Do you know about the testimony in recent FTC hearings indicating that many tire sizes are not actual sizes but types of tires and that terms such as "first line," "second line" and premium have no set meaning in terms of tire quality?

Do you know that a certain food coloring has been found fatal to dogs and has been banned by the FDA but is still being used in popular food products?

Do you know that too much of a certain vitamin has been found to cause deformities in babies yet is being used in many different products?

Do you know that a slick, behind-the-scenes maneuver by a few Senators may have killed chances for a bill which would require lenders to state the true rate of interest on all loans?

Ties for First Place In Scholarship Test

Bernard H. Braun, Principal of the Hicksville Junior High School announces that one of his eighth grade students, John J. Dwyer, Jr., has been awarded one half of a full four year \$800 scholarship to the Catholic high school of his choice by the Catholic Guild of the New York City Department of Parks. John won the scholarship after tying for first place in a competitive examination.

F. Joseph McDonald, president of the Guild, said in his letter to Braun, "May I congratulate you and your faculty in this eminent achievement. John is a credit to Hicksville Junior High School and a fine example of the Educational System of Hicksville."
