Registration Climbs For School Election

The Hicksville School Board race for the election on May 6 of two three-year trustees settled down this week to a contest between two men for the seat of William A. Bruno Jr., who is not seeking re-election, and between a man and woman for the seat of George W. Kunz, who has become a reluctant third candidate.

James R. Anderson and Marvin Goldberg, who first filed as candidates two weeks ago, are the so-called coalition candidates.

Anderson is opposed by George Trimble while Goldberg's last day opponent is Florence Infantino. Trimble and Infantino claim the backing of a group calling itself "Parents and Residents of Hicksville for Better Education".

A petition was filed to again nominate Kunz although he had announced several weeks before that he did not intend to run. In a statement to the HERALD, dated Apr. 23, Kunz said: "On the evening before the final day for filing I learned a petition had been circulated advocating my candidacy for the Board. As stated to those interested in my reelection, I am not actively seeking the position, but I do express appreciation to all the friends and neighbors who thought enough of me to propose my name."

"When I announced my intention to retire from the Board several weeks ago, I assumed qualified candidates would file for my vacancy. Understandably, a lot of other people had similar hopes that they would be given a choice — not between the two extremes — but a choice to reflect the true needs and desires of our community."

"As for my situation, I will serve if elected but I wish to reiterate that I am not actively seeking reelection nor encouraging further efforts in my behalf."

The one vacancy on the Library Board will apparently be uncontested. A nomination petition has been filed for Elery H. Bean as a candidate to succeed himself for a five-year term.

There had been considerable speculation regarding Bruno and whether he would be a candidate or field a slate of candidates. Up to a late hour on the final filing date, Apr. 21, Bruno de-

JAMES G. TRIMBLE

FLORENCE INFANTINO

Trimble, whose name appears on the official ballot as George Trimble, is a 15-year Hicksville resident. He is the father of three children and has been in the electrical industry for 40 years. An IBEW member since 1924, he has been president and business manager for 15 years. He has been delegate to the metal trades and central labor union for 20 years. He was first vice president for four years. He has been a member of the Knights of Columbus for 30 years and the Elks for 27 years.

Mrs. Infantino is a 10-year Hicksville resident and the mother of two elementary children. She attends St. Ignatius R. C. Church and is active in Hicksville youth organizations. She is past president of the Parents and Residents of Hicksville for Better Education. She is a registered nurse, a graduate of Starckoff Memorial Hospital, St. Louis.

Trimble stated his intentions. Petitions in his behalf were not filed when the deadline time was reached and his name will not appear on the ballot.

Mrs. Infantino has been a frequent attendant at regular school board meetings, usually armed with a question or comments during the time slot allowed for the general public. Little is known of Trimble in connection with school district affairs.

Mrs. Infantino and Trimble state their platform as follows: "If elected we will attempt to bring stability as well as genuine concern and interest in the many problems confronting the educational system."

"To strive during our terms to do everything possible to promote and formulate a realistic budget which will ensure top quality education, but a budget which will be devoid of waste."

"To work to establish a broader, more comprehensive vocational and technical education program."

"But above all we will demonstrate a strong interest and respect for the teachers; their professional standings and their human dignity. They cannot be treated as so many hired hands who must toe the line or else."

A record 2,056 voters registered on Wednesday, Apr. 28, to make the grand total 5,488. The breakdown of those who registered on the final day was: Burns Ave 278, East St 352, Woodland Ave 294, Lee Ave 347, Fork Lane 324, Dutch Lane 283 and Old Country Rd 198.

Collect Books For Appalachia

The Hicksville Council of P.T.A. Units has undertaken to send books to the culturally deprived children in Appalachia. This project has been endorsed by the National Congress of P.T.A., The State Congress and Nassau L.I. District. Each school will collect the books, pack them and get them ready for shipment (via military transport) on May 7th.

It is the hope of P.T.A. Council that "Books for Appalachia" will become a community project and will receive the support it derives from all residents.

There are 100 "Most wanted books" listed in the National P.T.A. Bulletin — books relating to social studies, holidays, fairy tales and legends, science, poetry, etc. Encyclopedias, dictionaries, atlases and other reference books are also needed.

Any good books which your children have outgrown will be acceptable.

Cash contributions will be used to purchase the books needed to fill the schoolrooms and libraries in Appalachia.

For further information, please call Mrs. Gorlin at WE 5-7722 or any of the members of her committee: Mrs. Giannelli, WE 1-0867; Mrs. Hughes, PY 5-9086; Mrs. Sherman, WE 1-3016; Mrs. Stein, WE 1-5323.

Fatal Crash on Bethpage Rd

Sidney Rigby, 64, of 38 Harding Ave., Hicksville, a town highway foreman, was pronounced dead at Syosset Hospital at 10:30 p.m. on Apr. 25 following a head-on collision on Bethpage Rd., Hicksville.

According to Nassau County Police the accident occurred 20 ft. east of Willet Ave. at 10:15 p.m. Also taken to Syosset Hospital in departmental ambulances were the dead man's wife, Sophie, 65, suffering a fractured skull and a fracture of the left wrist and the driver of the other car, Frederick Hodgson, 36, of 76 Kuhl Ave., Hicksville, with a fracture of the right leg. Rigby, driving a 61 Buick sedan was proceeding east on Bethpage Rd. and Hodgson, driving a 62 Chevy suburban was traveling west. Both cars were towed away.

Frank Ides, 31, of 1 Brighton Pl., Hicksville, was taken to Syosset Hospital in the Police ambulance, unconscious, following an accident in the Mid Island Plaza parking field at 8:50 p.m. on Apr. 25. Ides, driving a 63 Chevy sedan was driving north when he struck a traffic control sign.

Francis Franzese, 19, of 12 Maple Pl., Hicksville, suffered possible back injuries and was taken to Syosset Hospital in the Police ambulance on Apr. 22 following a collision of the 55 Chevy he was driving and a 61 Volkswagen driven by Jeanette V. Resek, 20, of Albertson. According to police records the accident took place at North Broadway and Nevada St. at 11:15 a.m. when the Volkswagen traveling east on Nevada St. and the Chevy proceeding south on North Broadway collided. The Resek woman suffered a laceration of the skull but refused medical attention.

Earl McElmoyl, 46, of 5 Washington St., Hicksville, suffered

a laceration of the right eye and was taken to Meadowbrook in the Police ambulance Apr. 22 after the 61 Ford station wagon he was driving struck a pole on Duffy Ave., 50 feet west of Henrietta St., Hicksville. The accident occurred at 7:30 p.m. He was traveling west on Duffy and struck the pole on the north side of Duffy Ave.

Mr. Rigby, who had been a Hicksville resident for over 40 years was a member of the Exempt Firemen's Assoc. of the Hicksville Fire Dept. He had been employed by the Town Highway Dept. for 14 years. At the time of his death he was a foreman in the Massapequa area of the Town.

He reposed at the Henry J. Stock Funeral Home where Rev. James F. Taylor will conduct services Friday at 11 a.m. Interment will follow at Plain Lawn Cemetery, Hicksville.

Mr. Rigby is survived by his wife, Sophie (nee Becker) who was listed as "critical" at Syosset Hospital at press time; his sons, Sidney J. and Herman and his grandchildren, Keith, Allison, Jeffrey and Meredith.

Dumped on Stoop

Thomas Robey of 42 Fireplace La., Hicksville, was dumped on the front stoop of 3 Dorothy St., Hicksville, Thursday night Apr. 22 suffering from abrasions and contusions of the body. He was taken to Syosset Hospital in the Police ambulance. According to police records the 33 year old man received the injuries in an altercation with unknown persons.

Morris Sher, 88, of 102 Ketchikan Rd., Hicksville, was taken to Central General Hospital in the Police ambulance Apr. 18 at 1:25 a.m. suffering from an intestinal block.

KEYED TO SERVE METROPOLITAN NEW YORK AND LONG ISLAND

Dear Lynda

Actress SARAH CHURCHILL, daughter of the late Sir Winston Churchill, enroute from East Hampton to the World's Fair last Tuesday afternoon interrupted her trip long enough to stop at the Jericho office of the Meadow Brook National Bank to see her old friend, CHARLES BARVELS, manager at the bank. We understand if we had our candid camera man there he could have gotten a shot of Sarah kissing Charlie. Congratulations to Mr. and Mrs. RONALD MALONE of Maspeth on the birth of a daughter, Jo Ann, born Apr. 15. Her mother is the former DARLENE GILCHRIST, daughter of Mr. and Mrs. PATRICK GILCHRIST of Hicksville. Grandma G. is very thrilled that the little miss is a redhead. Congratulations to ERNIE NASO who was the winner of the Ford Mustang in the K of C (Joseph Barry Council) 300 Club. The award was announced Sunday at a cocktail and buffet at the clubhouse. The car was supplied by Bob-Ken Ford of Hicksville. Music was supplied by the Mid Island Five under the leadership of JIM CUMMINGS Jr. In addition one of the top pipers, ROBERT SWAIN, entertained with several Irish melodies.

When our editor makes a mistake, he always does it well. Like last week: While popular Junior High teacher DENNIS MURPHY passed away on Apr. 10, as reported, the picture accompanying the obituary was that of another Dennis Murphy, who is also in the school system and very much alive. The picture printed was that of the Mr. Murphy in the Senior High who is active in the Distributive Education program. Someone has figured out the future population total of Plainview. A really sign on Old Country Rd. near the North-South Expressway, states the population as 22,000 in 1960, 38,000 in 1965 and 70,000 forecast for 1970. Almost a 100 percent rise in the next five years? Regular meeting of Hicksville School Board this Friday night, the last Friday of the month. We understand one of the major political parties is considering acquisition of the Elks Clubhouse on Nichols St., Hicksville. Meanwhile, the Elks are working on their new headquarters, the former Temple of Congregation Shaare Zedek on E. Barclay St. Mid Island Senior Citizens meet every Thursday from 1 to 4 PM at the Lions Den at Mid Island Plaza. They had a "bomb scare" at the Junior High on Monday morning. RICHARD C. POWELL, son of Mr. and Mrs. Louis Powell of 11 Beacon Lane, Hicksville, has been promoted to cadet first lieutenant in the Union College Air Force ROTC detachment. Union is at Schenectady. happy anniversary to Mr. and Mrs. FRANK CHLUMSKY who celebrated their 58th wedding date Apr. 20.

Set Registration For Boys Club

On Saturday May 1, the Hicksville unit of the Police Boys Club will hold Registration Day. All boys between the ages of 10 to 18 years are invited to join. There are openings in many interesting activities, such as: baseball, softball, model trains, arts, and crafts, model planes, wood working and wood finishing, photography, and stamp and chess clubs.

Registration will be held at the PBC Clubhouse, 55 Bethpage Road, Hicksville, between the hours of 10 a.m. to 1 p.m. It is not necessary to have any relative in PBC in order to join.

One of the many purposes of PBC activities is to help train boys to grow up to be good citizens. They are well supervised by interested, hard working adults, who come down to these activities in order to help train and teach boys for the above mentioned.

Amperex Earns Four Contracts

Four government contracts totaling \$291,400 for electron tubes have been awarded to Amperex Electronic Corporation, 230 Duffy Ave., Hicksville, by the Defense Supply Agency's electronics supply center, Dayton, Ohio.

A \$160,116 contract calls for 9,160 type 7204/4CX250F, ceramic and metal envelope, power tetrode, tubes. Thirty-five firms

received invitations-for-bid. Three bids were received.

A \$94,233 award was made for 6,147 type 7203/4CX350B tubes. Of 36 concerns receiving invitations-for-bid, three submitted bids.

A \$22,990 award calls for 11,000 glass envelope, pentode, tubes (type 5847).

Under a \$14,061 contract, Amperex will furnish the government with 3,485 type 6939 electron tubes.

Witnesses to Assemble

Seventeen congregations of Jehovah's Witnesses from Long Island will be meeting in West Hempstead, May 28 to 30, at the Island Garden for their Spring Bible Assembly.

Truman Merchant, Presiding Minister of the Hicksville congregation, said 1,700 are expected to attend.

"The assembly," explained Merchant, "is part of a worldwide educational program conducted by Jehovah's Witnesses under the sponsorship of the Watchtower Bible and Tract Society. The purpose of the program is to aid Christians in carrying out their ministerial responsibilities both as students and teachers of the Bible."

All Around Town

Campfire Girls of the Hicksville and Westbury areas are holding a Friendship Fair on Sunday May 2 at Levittown Hall from 2 to 6 p.m. There will be exhibits, games, hand-craft, and cake sales. Children of all ages will enjoy a square dance session led by Mr. Katke. Admission will be 25¢.

EDITORIAL OPINION

Vote for Anderson,Goldberg

Voters of the Hicksville School District will cast their ballots next Wednesday, May 5, upon the election of two trustees of the Board of Education, one trustee of the Public Library and upon both the school and library budgets for the fiscal year starting July 1, 1965.

James Anderson is our choice as a candidate to fill the vacancy caused by the expiration of the term of William A. Bruno Jr. who is not a candidate. His opponent is a Mr. Trimble; his nominating petition refers to him as "George". He did not sign the petition. His publicity refers to him as "James G" and the voter enrolled voter book records a "James G. F."

The second vacancy on the Board of Education is that caused by the expiration of the term of George W. Kunz who stated publicly two weeks ago that he would not run. We urge the election of Marvin Goldberg who declared more than two weeks ago that he was willing to run. The voting ballot will include the names of Florence Infantino and Kunz. Kunz has indicated that he will accept a draft. Mrs. Infantino who filed on the last day, promises something for everyone but actually plans to keep the pot boiling.

We suggest that our readers vote for Anderson and Goldberg for Hicksville School Board members on Wednesday, May 5.

SHORT AND SWEET

The Mardi Gras was brought to the streets of New Orleans by early French colonists. . . . The carnival custom originated in medieval France as a pre-Lenten spree before solemn days of fasting. . . . In the old French ritual a garlanded *bonnet gras*, or fat ox, was ceremoniously paraded through town before being roasted for a feast. . . . The first day of celebration was appropriately called "Fat Tuesday," from which the name Mardi Gras later derived. . . .

The British also had early celebrations of the day. . . . In England it is called *Shrove Tuesday* and has been celebrated since 1445 by a pancake

race. . . . Contestants run from village to church while flipping pancakes in a frying pan. . . . Pancakes were chosen for use on this day because they were traditionally eaten by the British on the days that sins were confessed. The ingredients in pancakes were thought to have special spiritual meaning. . . . Eating pancakes symbolized the shrugging away of sins. Flour was considered the staff of life. . . . Salt gave wholesomeness. . . . Eggs provided the Lenten spirit and milk represented innocence.

Bowling was introduced to the United States in 1611 when settlers bowled on the streets of Jamestown, Va.

Bumper Strip Day

On Saturday, May 15, the Junior Class of Jericho High School will be calling on the residents of Jericho with a bumper strip, "Scholarships for Jericho '65."

Last year, \$1,350 was collected by the students of Jericho High School on behalf of the Scholarship Fund. The goal this year is \$2,000 to help maintain the 19 past recipients of scholarship assistance and the graduating students in 1965.

The residents of the Jericho School District are urged to purchase a Bumper Strip for \$1.00 and aid their students in reaching this goal.

Editorial:

No on Prop 1; Yes on Prop 2

The Jericho School budget as well as the propositions will be up for approval on May 5th and usually many voters aren't well enough acquainted with the propositions and so as a result they are hastily read and voted on or simply forgotten.

Proposition #1 asks for an approval of yearly re-registration for voting. It is felt that it serves little purpose and that it is a step backwards. - It is recommended that this be rejected with a NO vote.

Proposition #2 calls for a bond issue which will cost the taxpayer but 3¢ for each \$100 property evaluation. This will allow this needed educational cost to be borne by more people over a larger period of time for property will turn over possession several times in a 30 year period and those using the facilities that this issue will serve. The items called for would cost the taxpayer 41¢ alone if included in next year's budget.

The Bond Issue will afford such things as expanding classrooms and open areas with the usage of Flexible Doors, Language Labs which can be easily used with no waste of time, Pop-Out Windows as a second exit in each of the classrooms, garage sheds for our school buses, Washing Machines and Dryers in the swimming pool area, improvement and Grading of school grounds, Corrective Gym, etc.

The aim for all these improvements is so that Jericho will have an educational system of which colleges will take notice and thereby result in a larger acceptance of our graduates to the better schools. All these items will eventually come about and with a bond issue costing us but 3¢, it is felt best that it be done now.

VOTE YES on Proposition #2 for a better and improved educational system in Jericho on May 5th.

The more one has the opportunity to listen and discuss the various phases of school problems with Dr. Carey, the more one is convinced that we have a man who knows his business for he is impressive with his ability to provide information on education, school trends, the needs, problems and their costs. Dr. Carey knows! He does not "hem and haw!"

We would like on behalf of the Civic Assoc. to thank the School Board members for a job well done!

- Sam Lubitz.

Bd Recommends Budget

The Birchwood Park at Jericho Civic Assoc. Board voted on April 21st to approve the Jericho School Budget as it stands. With State grants the budget will cost the taxpayer 66¢ per \$100 property evaluation.

The approval of this budget will mean that to educate a Jericho child will cost about \$1200 yearly. The projected budget provides for a fuller program over a longer period of time and includes an allowance for additional 227 students; 7-8th graders will have their general science study increased to a full year; foreign language study to five times a week; physical science will be on a three year sequence; a trend toward two hour sessions for subjects as History, English and Art; improve pennmanship programs etc.

A trend to get away from a single source text is in the offing. A student will be given

several diversified sources to consult and so result in a broader perspective of a subject like social studies. The budget provides for better school-community relationship whereby the people will be advised regularly as to the progress of our educational system.

Dr. Carey refers to the budget as a "Yankee" budget for it is "lean and has no fat".

President's Corner

By Horace Bernstein

As I write this column, I suddenly realize that this will be the last column that I will be writing as the President of the Civic Assoc. It hardly seems possible that two years have come and gone. It has been a very interesting and gratifying experience serving as your president. May I take this opportunity of thanking all members for their cooperations during my administration.

The next two weeks will be very lively ones for our community and Civic Association. As you all know, on Saturday May 1st at the Jericho Country Club, we will hold our annual election night buffet supper and dance. We hope that many of you will afford yourself the opportunity of a free night of fun and enjoyment and meanwhile exercise your Civic rights by electing a new board of directors for the Civic Association.

Friday night, April 30, at the Jericho Firehouse, the Synoset Education Committee of our Civic Association will hold an open meeting on the School Budget. After much deliberation as a result of our meetings with the School Board and the Board of Directors, the Synoset Education Committee has recommended to the Board a NO vote for the Synoset Budget. This meeting on Friday, April 30, will be an informative meeting giving our reasons for this No vote. Details should be noted elsewhere in addition a mailing to the residents will keep you informed.

The Jericho Education Committee, having met with the Jericho School Board and its Board of Directors has recommended YES votes for the budget and also for the two propositions. They have also recommended the election of Mr. Hy York for member of the School Board. Details will be forthcoming from the Education Committee to the members.

May 1 once again remind you about our election night this Saturday May 1st. Please come so that I may greet you personally and thank you for your cooperation during the past two years.

CIVICS OPPOSE SYOSSET SCHOOL BUDGET

By Ralph Diamond

The Birchwood Civic Assoc at Jericho after full review and analysis of this year's budget and the problems facing the Syosset School District in the future has voted to recommend a vote of "No" to its membership. This marks only the second time in its nine year history that the civic Association has urged a vote of "No" to a school budget.

The principle reason the civic assoc has taken this position is its strong objection to the system of determining teacher salary increases now in effect in our school district. The "leap frog" method of annually comparing our teachers salary schedules to those in surrounding districts must stop. Our school board has indicated in the past that in order to have "quality education" we must remain within the top 25% of salary schedules in the top 25% of surrounding districts. However, these same surrounding districts also aim to remain at this 25% level. Common sense and statistical impossibility makes it apparent that it is impossible for every school district to be in the top 25%. Each year we increase our salary schedule to catch up to the other districts only to find that they in order to also remain in the top 25% have increased their salary schedule in order to catch up to us. If we, and the other school districts continue this "leap frog" system, it will mean an automatic salary schedule increase each year for our teachers, resulting in skyrocketing taxes far beyond our ability to pay. Syosset, together with the cooperation of the other school districts in Nassau and Suffolk county must devise an alternate system for determining future salary increases.

On April 7, 1965, the Birchwood Education Committee met with the Syosset School Board, as it does every year, to discuss this year's budget. We were presented with a printed detailed booklet marked "The Proposed Budget 1965-66." This budget indicated that the school board had at that time decided to grant no salary schedule increases this year. This proposed budget further indicated that due to additional State aid our tax rate would not be increased, however due to a new mandate from the State resulting in the taxpayers of the school district paying 5% of the teachers salary towards their retirement

fund (formerly paid by the teacher), our tax rate would rise 30¢ per \$100 of assessed valuation. This "5% take home pay" law now results in an increase in the teachers benefit. Our committee left that evening with the feeling that our school board was presenting a fair budget.

Our civic association was shocked to learn that due solely to the threats and pressures of the teachers in our district, three school board members, switched their votes and by a 5 to 4 vote, reversed its stand and gave teacher salary schedule increases amounting to \$184,920. This vote by the school board, despite the fact that the salary increase the board was granting, was totally inadequate and unacceptable to them, was an act that will seriously affect all future salary negotiation. The taxpayers of our district must vote No to this year's budget in order to demonstrate to this and future school boards that they must not weaken their previous stand and compromise their principles when faced with teach-

ers pressures and threats.

Our civic association in the past and will in the future, strive to see that our teachers receive reasonable salaries. This year besides the increased salary schedule now granted by the board, the teachers are going to receive an increase in their salary by the additional salary increments and the aforementioned 5% take home pay. These salary increases in increments (\$151,387) and 5% increased benefit (\$270,000) together with the new teachers salary schedule increase (\$184,920) amounts to the incredible total increase in this year's budget of \$606,307. In other words it is costing the average homeowner living in Birchwood at Jericho (\$9,000 assessed value), an increased tax of \$54 this year, exclusively for increased teachers benefits, with no end to tax increases in sight.

The image that "quality education" is synonymous with increased teachers benefits must be examined. Our civic association is fully aware and appreciative of the important role the teachers play in our educational system. Nevertheless, we must

JERICHO LITTLE THEATRE GROUP at a performance which they gave at the annual West Birchwood Civic Assoc. Meeting held on April 14. At this meeting the budget was adopted by the members present as well as the approval of various amendments now to be added to the constitution of the civic association.

LETTERS TO EDITOR

To the Editor,

As an officer of the West Birchwood Civic Assoc., I wish to challenge the propriety of the West Birchwood NEWS in publishing the findings of a committee of the Association without prior authorization by the Board of Directors. I refer in particular to the recommendations of the Education Committee with respect to the support of the school budget and the endorsement of a candidate for the School Board.

The committee and its officers are not elected by the general membership of the Civic Assoc. The constitution of the Assoc. limits the role of the committee to that of an advisory group which reports its findings and recommendations to the Board of Directors. The constitution specifically requires that all public statements as to policy and activities of the Assoc. or any committee thereof must originate with the Board of Directors.

I wish to make it clear that the Board of Directors has not at this time acted on the endorsement of a candidate. The Board does not necessarily share the opinions of the committee with respect to the merits of the various candidates under consideration.

At a meeting of the Board scheduled for April 29, the Education Committee will be given an opportunity to explain and justify its position. The West Birchwood NEWS is not a proper medium for the communication of that position.

HY STRELL
Vice-President
West Birchwood
Civic Association

Editors' Comment: In the opinion of the editor, the recommendations of the West Birchwood Education Committee have been reported in this paper as it constitutes being a news story of vital interest to the citizens of this community. It should be noted that the Education Committee has long and conscientiously served this community in the past and has helped improve the educational level of Jericho.

To the Editor:

As past president of the West Birchwood Civic Assoc., and an individual vitally interested in the education of our young, I feel that it is my duty to speak to the community once again. School Board elections are close at hand and they are more vital this year than in the past

because of the confusion presently prevailing. I was present during the Education Committee interviews of candidates, the subsequent deliberations and the decision to support Hy York. The interviews were thorough and searching. Mr. York is well known to this community for his splendid work for library and his service as a trustee.

Mr. York is known to be a positive individual who spends public funds wisely and sees to it that the public gets their dollar value. Our neighbors, East Birchwood and the Jericho community wide Citizens for better education have also endorsed Hy York.

Many people applaud Mr. York's opponent as representing a 'negative vote.' I would like to vaporize this myth by saying that negative votes are not good. Real education has come to Jericho only in the last few years. This was accomplished only after the school board lost its negative voting members. Only one such negative vote remains and it is up to the community to decide whether or not it shall continue to remain. Frankly, I believe that negative votes on school boards are negative to only one thing - Good Education.

While I am certain that Mr. York will not always vote with the majority of the Board, if elected, I am also sure that Mr. York will vote for good education.

ARNOLD F. WINANT

CBE Supporting Budget

Citizens for Better Education has endorsed the proposed Jericho school budget and approved the candidacy of Hy York for school board member.

The vote on the budget followed a presentation by the Superintendent Dr. Carey, and questioning by the members. Dr. Carey pointed out that the budget had been trimmed to the maximum extent possible, and that the alternative would be to delete vital educational programs and services, or to go on an austerity budget with a two to three million dollar limit, etc.

C.B.E. also voted to support the referendum adding to the bond issue amount needed for alterations required by the fire department and New York State, as well as improvements in the High School, at a cost of ap-

Education Unit Backing York

By SELMA CONSTANT

The West Birchwood Education Committee voted to endorse Hy York as school board member in the coming election to be held May 5. The decision was made after a lengthy discussion of the qualifications, philosophy and records of all candidates. Information had been gathered both by interviews and from other available sources. The three candidates interviewed were William Mayhew, Seymour Licht and Hy York. This recommendation will be presented to the Civic Assoc. at their next meeting at which time they will vote.

The committee felt that Mr. York, now a Jericho Public Library trustee and chairman of its budget committee, offered the best combination of a good educational approach and a sensible fiscal policy. Mr. York stated in his interview that he would support Dr. Carey in his goals for a more progressive school system, would want more experienced teachers and would not be in favor of cutting from the budget anything of educational value but because of his fiscal background perhaps could save the district money in other areas.

Particular consideration was given to the past voting record of Mr. Mayhew. It was brought out that Mr. Mayhew had voted against several programs which were considered essential to Jericho's educational advancement. The committee felt that policies like Mr. Mayhew's instead of saving money had in the past, and could in the future, cause increased taxes.

The committee felt that Mr. Licht has limited knowledge about Jericho educational problems, and particularly did not favor his recommendation that Jericho did not need a Superintendent of Schools, and did not need to hire experienced teachers. It contrasted his claim that he would cut taxes with his program of reducing average class size from 25 to 22.

HONORED AT BANQUET

Mike Lerner, son of Mr. and Mrs. Harold D. Lerner of 74 Magnolia Lane in Jericho, was recently honored at his fraternity's biannual Scholarship Banquet.

The candidacy of Mr. York, now a Library Trustee, was endorsed after the members heard an extensive written report by C.B.E.'s candidates selection committee. The committee had interviewed the candidates, Mr. Mayhew, Mr. York, and Mr. Licht and had also studied the other information available concerning them. In particular, the committee had given special consideration to Mr. Mayhew's voting record which showed repeated opposition to programs the committee felt were vital to Jericho education. The committee felt that Mr. York offered a program which combined a good educational approach with a sound financial base. The vote in favor of Mr. York was by secret ballot, and was unanimous.

Submit Lower Tax Rate

By SELMA CONSTANT

The Jericho School District proposed tax rate will be considerably lower for the next school year than was originally projected because of the increased aid granted under the new State Education Law. It was announced at the school board meeting April 19.

The original estimate was an increase of \$1.02 in the tax rate but because of additional state aid money the increase has been reduced to 66¢ which amounts to

\$66 per year for the average home assessed at \$10,000. The estimated rate will be \$5.17 which is considerably lower than neighboring districts paid last year.

The Board also announced that it wishes to go on record as opposed to the voter registration proposition that will appear on the ballot on May 5. The Board believes that participation in school board elections should be encouraged rather than made more difficult. When Jericho abolished pre-registration the total vote in elections increased dramatically because a second trip to register was eliminated. The same declaration must be signed by the voter whether he does it on a separate trip or immediately before voting.

It was announced that the Nassau - Suffolk school districts have established a clearing house for educational information that could be of value to all districts. The Massapequa Public Library will catalog and send out listings to all districts, of publications and information issued by school districts which are concerned with many phases of education and educational administration and which would be of interest to school districts.

May 25 has been designated as the day that all members of the School Board will spend with Jericho students as they did last year, so as to better understand and personally observe the students in a classroom situation.

CARLINO TO SPEAK

The Sisterhood of Temple Beth Torah at their May 10th meeting will present Hon. Joseph Carlino in a forum discussion on legalized betting. A question and answer period will follow.

Sisterhood extends a special invitation to husbands, friends and relatives to join them on Monday, May 10 for this interesting program planned for all.

James Running For Library Bd

On May 5, a new trustee will be elected to the Jericho Public Library system. He will be taking the position vacated by Hy York, who is running for the Jericho School Board. Actually the election will be an uncontested one as only one candidate has filed for this position and he is Irving James.

Irving James, has resided in Jericho for three years. An attorney, James has assisted the Library Board in its site negotiations. Mr. James' legal experience, coupled with his training in analyzing budgets as director of a number of public-owned companies, will add a much-needed skill to the resources of the Library Board.

Mr. James was active in the Library campaign, and is on the executive Board of the Citizens for Better Education. His previous community activities include posts as County Commander of the Jewish War Veterans, State Housing Chairman of the JWV, and as a Director of the Jacob H. Schiff Center.

Mr. James graduated from City College (1941) where he majored in Sociology.

The Nominating Committee has made its annual report and from now until May 17th additional nominations may be made from the floor at the meetings. Nominated by the committee for officership to conduct the affairs of The American Legion and the Post for 1965-66 are: George Johnston, Joseph Slattery, Louis Costa, Stuart Armstrong, Raymond Gamble, Eugene Innes, Arthur Hirsch and Elwyn Rahus. ...Did you know that it was 15 years ago that P.C. Rudy Bouse first started to cater at the Post? ...This makes me wonder how long it is since Tony Bellacera started to play for our dances at the Post. ...It's been a long time since the Post sent the Color Guard to a state convention, not since 1960 when 10 members made the trip to Buffalo. ...And this is 1965 and the convention cycle has turned once more to Buffalo. ...Our Nassau County Champion's Color Guard has had a very busy year hopping all around the county doing their bit to properly aid the County Commander with his necessary

ceremonies. ...I think they should be rewarded with another trip to Buffalo so that they may have the honor of leading the Convention Parade as Nassau County will be #1 in membership honors and thus leadoff the parade. Think it over and let's do something about it at the meeting. The Color Guard participated along the Post Junior Band (Bellacera) in the Loyalty Day Parade from Roosevelt to Hempstead last Sunday. ...Say don't forget our first annual Loyalty Day Dance, Saturday May 1st at the Post. ...Only \$1.50 per head. ...Call Joe Slattery or Louis Costa now and make the arrangements. Things appear to be warming up more and more when I think of the coming elections at the county convention to be held at our Post in June. ...One candidate, already defeated at his divisional caucus vows to make a convention floor fight. ...He is expected to be present at our May 3rd meeting to present his views in a bid for our support. ...So be there and find out what he's got to say!

Computer Workshop

Selected high school seniors from Hicksville, Jericho, Plainview and Syoset will shortly have the opportunity to learn about data processing, the work of the computer and the implications of computing advances, through a series of lectures being jointly sponsored by the Long Island Chapter of the Association for Computing Machinery and the State University of New York at Stony Brook. Dr. Aaron Finerman, Director of the Computing Center at Stony Brook and a resident of West Birchwood and the initiator of the lecture series, states "We hope to take the mystery out of the computer for these high school seniors."

The lectures will be given at Jericho High School with the final exercise to take place in the Computing Center at Stony Brook. The students will learn how to communicate with the computer and will learn how to program the machine by solving elementary problems.

Urge Care

Spring gardening injuries can be avoided by the simple application of common sense, the Chiropractic Assoc. of New York said today in issuing its annual check list for Spring Gardeners. The chiropractors warned that the necessary chores of spring gardening, such as turning, digging, planting and raking can often be deceiving. Many people have a tendency to overwork themselves without realizing it and thereby overtaxing their systems and endangering their health.

Dr. Charles Krasner, president of the Chiropractic Assoc., said serious back injury can be avoided by heeding the early signs of fatigue and stress.

SUANT to a judgment of foreclosure and sale entered April 6, 1965 in the above named action, I, the undersigned Referee, will sell at public auction on the front steps of the Nassau County Courthouse, Old Country Road, Mineola, New York on the 21st day of May, 1965, at 9 o'clock in the forenoon, the following described premises:

All that certain plot, piece or parcel of land with the buildings and improvements thereon erected, situate, lying and being at Plainview, Town of Oyster Bay, County of Nassau and State of New York, known and designated as lot No. 6 in Block 517 on a certain map entitled "Map of Plainview Gardens, Section 3, belonging to 616 Realty Corp., situated at Plainview, Town of Oyster Bay, Nassau County, N.Y., prepared by Albert L. Loeffler, Licensed Land Surveyor, 3680 Merrick Road, Seaford, N.Y., September 1953" and filed in the Office of the Clerk of the County of Nassau on September 18, 1954 as Map No. 8351, bounded and described according to said map as follows: Beginning at a point on the northerly side of Lincoln Road North distant 82.50 feet easterly from the easterly end of a curve having a radius of 70 feet and a length of 109.96 feet which curve connects the northerly side of Lincoln Road North with the easterly side of Lincoln Gate; running thence North 4 degrees, 01 minutes 10 seconds West 100 feet to lands now or formerly of Froelich; running thence North 85 degrees 58 minutes 50 seconds East along the last mentioned land 72.50 feet; running thence South 4 degrees 01 minutes 10 seconds East 100 feet to the northerly side of Lincoln Road North; running thence South 85 degrees 58 minutes 50 seconds West along the northerly side of Lincoln Road North 72.50 feet to the point or place of beginning. Subject to any state of facts an accurate survey would show covenants, conditions, agreements, restrictions and easements of record and occupancy.

NOTICE OF ANNUAL SCHOOL DISTRICT MEETING (MAY 4, 1965) AND OF ANNUAL SCHOOL DISTRICT ELECTION AND ELECTION OF LIBRARY TRUSTEE AND VOTE ON BUDGET (MAY 5, 1965) OF UNION FREE SCHOOL DISTRICT NO. 15, TOWNS OF OYSTER BAY AND NORTH HEMPSTEAD, NASSAU COUNTY, NEW YORK.

NOTICE is hereby given that the annual meeting of the qualified voters of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, will be held in the Auditorium of the Jericho High School, Cedar Swamp Road, Jericho, New York, in said District, on Tuesday, May 4, 1965, at eight o'clock P.M., Daylight Saving Time, for the following purposes:

1. To consider the annual budget and tax levy for the school year 1965-66.

2. To restrict such other business as may properly come before the meeting.

NOTICE is hereby given that a copy of the statement of the amount of money which will be required for the ensuing year for school purposes may be obtained by any taxpayer in the district at each school house and at the office of the District Clerk in the district between the hours of 10 A.M. and 2 P.M. on each day other than a Saturday, Sunday or holiday during the seven days immediately preceding such annual meeting.

NOTICE is hereby given that the annual election of said district will be held in the Gymnasium of the Jericho High School, Cedar

Swamp Road, Jericho, New York, in said district on Wednesday, May 5, 1965, (the day following the annual meeting) for the following purposes:

1. To elect a member of the Board of Education for a full term of three years to fill the position presently occupied by William Mayhew.

2. To vote upon the appropriation of the necessary funds to meet the estimated expenditures of the district for the school year beginning July 1, 1965.

3. To vote upon the following propositions:

PROPOSITION NO. 1
Shall the following resolution be adopted, to-wit:

RESOLVED, that the Board of Education of Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, is hereby authorized to undertake the following improvement program in and for said School District:

a) To complete the construction and equipment of the new independent addition to the Jericho High School, at a total estimated cost of \$187,600;

b) To construct a school bus safety maintenance shed, at a total estimated cost of \$30,000;

c) To install "pop-out windows" and smoke barriers in school buildings in compliance with the fire safety program promulgated by the State Department of Education, at a total estimated cost of \$22,000; and

d) To reconstruct the parking area at the Robert Seaman School, at a total estimated cost of \$15,664;

and the sum of \$255,264, being the aggregate of the aforesaid amounts, shall be raised by the levy of a tax upon the taxable property of said School District as provided by Section 416 of the Education Law; and, in anticipation of such tax, serial bonds of said School District shall be issued.

PROPOSITION NO. 2

Shall the following resolution be adopted, to-wit:

RESOLVED, that the Board of Education be and it is hereby authorized to re-establish registration for elections and referenda for Union Free School District No. 15 of the Towns of Oyster Bay and North Hempstead, Nassau County, New York, and the item of \$250 be added to the 1965-66 budget to defray the expenses thereof.

The vote upon the candidates for the Board of Education, upon the appropriation of funds to meet the expenditures of the district for the school year beginning July 1, 1965, and upon the propositions set forth above, shall be by ballot on voting machines.

LETTERS TO THE EDITOR

To the Editor,

The quality of education in a school district, is in a broad sense, a reflection of its School Board members. An ideal School Board would be composed of people who represent diversified backgrounds and varied experience in human affairs and who are willing and able to offer the time and effort necessary for their community service.

The citizens of Central School District #2 (Syosset) have been fortunate to have well-qualified School Board members striving to bring to the community the best educational program that its people can support.

To ensure that these positions of leadership are filled by the most capable workers requires the active participation of all members of the community. We can all share this important responsibility by acting on the following procedures:

1) Think carefully about the members of our community who have demonstrated a sincere concern for their community and school system. Encourage the most capable of these citizens to seriously consider becoming a candidate for the School Board.

2) Become informed about the necessary qualifications for an effective School Board member and seriously weigh the qualifications of the candidates who seek these positions. The Know Your Candidate Committee of the PTA Council distributed a brochure containing information about the candidates for the School Board and Library Board to all homes in the school district. The committee held a public meeting at the Harry B. Thompson Junior High School, April 26, and presented the candidates.

3) Vote for the candidates of your choice and encourage your friends and neighbors to vote so that the final tally will be a true reflection of community sentiment.

In the United States the first Mardi Gras days featured only informal dances and street celebrations. It was not until 1857 that masked balls, floats and elaborate torchlight parades were added to the festivities.

CIVICS OPPOSE

(Continued from page 6)

not forget that many other factors are involved in attaining our goal of quality education. Improved and new subjects, textbooks, library services, instructional materials, audiovisual supplies etc are essential ingredients that go into quality education. The time has arrived which permits an unemotional review of teachers salaries without one being accused of being against quality education. The area of salaries represents 70% of a school budget and therefore it is essential that it be examined together with other problems that confront our school district.

The Birchwood Civic Association recommends a vote of "NO" to this year's budget in hopes that it will accomplish the following:

a) Stop basing salary schedules on the current "leap frog" system. Instead immediately study alternate methods such as a merit system;

b) Take the lead in advocating that other school districts do the same;

c) Board reconsider its present budget and reverse itself back to its original budget;

d) Establish a practice to withhold the issuance of yearly teachers "contracts" until the taxpayers have had an opportunity to vote on the budget and further lead the way for other school districts to do the same;

e) Investigate the rumors that there is a great amount of waste and pilferage in our districts supplies etc.

ment.

RALPH GREEN
Know Your Candidate
Committee Chairman

To the Editor:

The submission of the Syosset School Board to threats and pressure, resulting in the last minute decision to reverse itself and grant an across the board salary increase, has set a precedent that will haunt this district for years to come.

I am firmly in favor of an equitable salary schedule that meets the needs and acknowledges the

responsibilities of our staff. However, I am against granting such increases under threats and for the reason that "the other district is doing it."

Granting this year's general increase over the normal increments (that the Teacher's Organization rejected as totally unacceptable and inadequate) will not alone make "quality education" but yielding under pressure could break it!

I urge the residents of Central School District #2 to overwhelmingly defeat this school budget as the only means at their disposal to demonstrate their displeasure with the situation that

will surely grow worse unless a dramatic public outcry is forthcoming.

I agree with our four school board members - among them some of our most respected champions of quality education - who voted against the across the board salary increase.

If this school district has now phased into a new era where pressure succeeds, then vote "NO" and let everyone know that there is a second pressure group to be heard from... the resident tax-payers.

York Receives Civic Backing

After three candidates for the Jericho School Board were interviewed, your Civic Candidate Committee suggests that the community approve the selection of York to occupy the vacancy on the School Board for the one year term.

It is felt that York brings with him a thorough knowledge of accounting which is felt to be vitally important with all the additional expenditures that we are about to undertake. York is a member of the Jericho Library Board and interested in the Jericho School problems.

Post No. 3211
by Eddie Kiebing

Next week a new law goes into effect that will enable millions of veterans to reopen their National Service Life Insurance. This action partially meets long standing V.F.W. Convention recommendations that this insurance program be reopened for all veterans who meet established health requirements. Interest in the new law is raising many questions by veterans who may be affected. Here below is general information about this new plan furnished by the Veterans Administration and our organizational V.F.W. Magazine.

EFFECTIVE DATES? Application for veterans who want to reopen their GI Insurance must apply between May 1, 1965 and May 1, 1967.

ELIGIBILITY? Veterans who were eligible to buy NSLI after October 7, 1940 and before January 1, 1957. Service connected disabled veterans with no uninsurable non-service disabilities. Veterans with a non-service disability which is uninsurable by commercial companies at the highest rates.

THE LAW PROVIDES? Eligible veterans to buy a new form of NSLI and an opportunity for present holders to change to a new plan.

TYPES OF POLICIES AVAILABLE? Four permanent types of insurance are offered: Ordinary Life; 20 year payment life; 20 year endowment or a new modified life policy. No new five year term policies will be issued.

HOW MUCH CAN YOU BUY? Eligible veterans can purchase up to \$10,000 insurance.

HOW TO APPLY? If you receive compensation payments an application will be mailed to you. If you do not receive compensation payments ask any VA office for an application and explanatory literature.

WHERE TO APPLY? Mail or deliver your application to the VA Regional Office which has your claim file.

The above information just cover the basic points to help a veteran determine his eligibility for reopening his GI Insurance. Some other points of information are: Veterans who already have GI policies amounting to less than \$10,000 can get additional insurance under the reopening. Those with NSLI term policies can convert them to permanent insurance, including the new modified life policies with premiums lower than for other permanent plans. Finally, under the reopening those policies available will not pay dividends, however, the premiums are lower than for most comparable commercial insurance. Any other questions regarding this reopening should be directed to your nearest V.A. Regional Office.

Monthly Meeting

The next monthly meeting of the Our Lady of Mercy Rosary Altar Society will be held on Monday, May 3, at 8:30 P.M. in the school auditorium, South Oyster Bay Road, Hicksville. The Rev. Edmund Trench, Chaplain of Meadowbrook Hospital will speak on "The Catholic Woman in Marriage and in the Home". All are invited.

Study to Provide \$500 for Trip

STUDY, INC., Hicksville non-profit organization which has as its purpose the assistance of Hicksville students in the foreign language program to study such language abroad, announce that it has set aside the sum of \$500, for the purpose of assisting this year's trip by 20 Hicksville students to the University of Mayaguez in Puerto Rico.

The sum will include payment for transportation of the two teachers who will supervise the students, and a partial scholarship for one of the students.

STUDY, INC., thus continues its substantial financial assistance towards aiding Hicksville students to study abroad. In 1964 STUDY, INC., expended the sum of \$340, for similar purposes.

As a non-profit organization, STUDY, INC., seeks the financial support of the entire community. Contributions to STUDY, INC., may be made by individuals and businesses and are tax deductible, just as are contributions to any national charity. Readers who wish to assist this worthwhile effort may make contributions payable to STUDY, INC., and mail them to the organization at 37 Peachtree Lane, Hicksville.

Arrange Dinner-Dance

The Ladies Auxiliary of the Plainview-Old Bethpage Little League are planning a gala dinner-dance, Mrs. Adam Prins, the president announced that the dance will be held at the Golden Meadowbrook in the Champagne Room on Friday, May 14. There will be a cocktail hour before dinner. Mrs. Victor Glickman (OV 1-7230) and Mrs. Harkins (WE 5-5771).

EXPECT RECORD

The prospect of being regally entertained is sure to draw a record crowd of members when the Mid-Island Chapter of N.C., E.D.C., Inc., convenes at the home of Mrs. Harriet Rich, 22 Robbin Court, Plainview, on April 26th, at 8:30 p.m. International comedian and recording star, Jimmy Casanova, will perform for the membership. He has given two command performances in England, and will return there to do a musical comedy.

Three-Division Corps Is Active

The famous Colonial Ancient Fife & Drum Corps of Bethpage started its new season on April 21 when 40 members were to be seen representing the Continental Insurance Co. in the opening day parade at the New York World's Fair.

In past years, the Colonials, under the direction of Frank Grossmann, have been seen in many parades, demonstrations, competitions and musters throughout the east. This year will be their biggest ever. After their engagement on opening day, the Colonials are scheduled for several other appearances at the Fair throughout the remainder of the year.

On Memorial day, the Colonials will be seen in several parades on the island. With three uniformed divisions, the Fife and Drum Corps will be represented in many different areas.

New York state has 70,000 miles of waterways.

Few at Budget Hearing

The public discussion of the \$12,462,408 gross Hicksville School District Budget for 1965-66 in the high school auditorium last Friday night attracted the smallest audience in many years. There were about 60 interested citizens at the peak and this shrank to about 40 at midnight, when the exodus became general.

The meeting opened at 8:25 P.M. and concluded at 12:40 A.M.

Board President George W. Kunz announced at the start of the session that a 42¢ per \$100 increase in the school tax rate is forecast under the new budget although the official rate is not set until Aug 1 when the new total assessed valuation of the School District is established by the County of Nassau. He said the current 1964-65 tax rate is \$6.11 per \$100.

All Board members were present for the session although Trustee Cornelius McCormack asked to be excused, due to a prior commitment, at 10 o'clock.

MUDDY BAIT

If you are fishing and nothing much is happening toss a handful of mud out around the bait. Mud in water may attract fish

who think a bank collapse may have brought them breakfast.

SOFTEN MONOFIL

Monofilament line (especially

the cheaper varieties) tend to stiffen after use. Prevent this by threading line through a rag saturated with vaseline.
