Summer Recreation Details In This Issue of Herald

This issue of the HERALD features the details of the summer recreation program of the Hicksville School District in a special four-page supplement. The program will start on July 6 and conclude on Aug. 13. According to Joseph F. Madden, recreation director, it features several new and interesting events as well as many of the long-established and popular features. This is the eighth year of the program under his supervision.

STEVEN GORDON, 14, a student at Hicksville Junior High School, won an Honorable Mention for "Steve Peck" in the 1965 Scholastic Photography Awards conducted by Scholastic Magazines and sponsored by Eastman Kodak Co.

Fehrenbach Goal: Pocketbook Plans

"Calling for energetic and imaginative leadership" Assemblyman Edwin J. Fehrenbach proposed the creation of a Commission to analyze governmental expenditures in his speech accepting the designation as the Republican candidate for Supervisor in the Town of Oyster Bay, Wednesday, June 16.

Referring to it as a "Pocketbook Planning Commission" the veteran legislator said, "What is needed is some intelligent planning in fiscal matters."

Fehrenbach said the Commission would be non-partisan. It would, he said, survey expenditure demands, analyze debt structure and tax rates and determine expenditure priorities.

SPECIAL MEETING TO DISCUSS DEFEATS

There will be a special meeting of the Hicksville Public Library Board of Trustees on Wednesday evening, June 30, at 8 p.m. in the library, to discuss what action is to be taken in view of the recent budget defeats. The public is invited.

Fehrenbach said there was a need to take an overall look at the impact on the home-owner of the many taxing units in the Town, and to establish a sensible plan for the future. He remarked that the problem of financing government was acute, and said it would be the work of the "Pocketbook Planning Commission" to come to grips with the problem in the Town of Oyster Bay.

The Commission would advise the Town government, he said, and make the results of its studies available to school districts, special districts and villages.

Fehrenbach promised "energetic and imaginative leadership" to replace what he terms the "leadership gap" in his opponents' administration.

The Assemblyman pointed out that his opponent made 28 specific proposals in his campaign for office.

"He hasn't even introduced one resolution to implement any of these proposals" during his 18 months as Supervisor, Fehrenbach charged.

Plaza Parade Welcomes New Park

By Jim Cummings

More than 1,000 youngsters and 15 bands and musical units assembled at Mid Island Shopping Plaza Saturday before parading to new Catiague Park for Official Opening Day Ceremonies. Chevy Convertibles provided by Robert Chevrolet, Hicksville led the parade from the Plaza with County Officials and dignitaries greeting the applause along the way. Mrs. Eugene H. Nickerson, wife of the County Executive, led the list of platform guests which included: N. Arthur Bleau, Westbury Recreation Director; Patrick Buffalino, Mayor, Village of Westbury; Thomas F. Carey, Supt. Schools, Jericho; Arthur Carlin, President Jericho Board of Education; Robert R. Gamble, Deputy Commissioner Public Works, Nassau County; Eugene F. Gibbons, Commissioner Public Works, Nassau County; A. Carl Grunwald, Councilman, Town Oyster Bay; Joseph W. Halper, Supt. Recreation, Nassau County; George Kunz, Pres. Hicksville Board of Education; Joseph Madden, Hicksville Recreation Department; Rev. Richard K. Muck, Church of St. Stephens, Hicksville; Michael N. Pettit, Supervisor, TOWN Oyster Bay; Thomas J. Portello, Deputy County Executive; Francis J. Sinnott, Supt. Parks; S. Louis Windt, President, MIP Merchants Assoc.; Harold Merahn, Vice President, Gertz, Long Island and son; James J. Dolan, President Ancient Order of Hibernians, Hicksville; John J. Finnegan and Eugene Ziegler, Aide-to-Chairman and Grand Marshall - your reporter who was honored by this County appointment and wishes to express the thanks of Mid Island Plaza Management, Stacker & Frank; Mid Island Plaza Merchants and all the wonderful groups who marched so proudly.

Thanks to the Little Leaguers; CYO League; Nautical Cadets; Honor Guard; Hicksville Fire Chief John Specht, Color Guard and Fire Fighting Trucks; St. Ignatius All Girl Cadet Corp (both Senior & Junior) over 150 young ladies; Junior High School Band; Legion Band; Lee Avenue School Band; Burns Avenue School Band; Westbury High School Band; Nautical Jr. Bands; Our Lady of Mercy Cadet Corps; Plainview (thanks to George Lewis); Legion Drum & Bugle Corps; Nassau County Public Works Department for trucks used to carry the Huge Disney Toys donated to Catiague Disneyland Zoo by Mid Island Plaza Merchants Association and presented by Mr. S. Louis Windt, President MIPA and Mr. Harold Merahn, Vice-President, Gertz, Long Island; Nassau County Police Department, 2nd Precinct; Inspector Gallick, Captain Murphy, Lt. Leonard, Sgt. Regan and all the fine patrolmen of the 2nd Precinct without their cooperation this parade would never have moved in such an orderly fashion as pointed out by quite a number of residents.

SPECIAL THANKS: To Marvin and Ralph Novick of the Novick Building Corporation on North Broadway who have really dressed up the "Magic Mile" of Office Buildings on North

Broadway, their latest at 16th St. with a major tenant in Bankers Trust... Their community donation to the Catiague Park Opening last Saturday went a long way to make little leaguers and CYOers happy - many personal thanks to Marvin and Ralph.

Bid Fond Farewell

As she terminated her year as President of the St. Ignatius Auxiliary of Christian Mothers, Madelyn Gough graciously thanked all who helped make the past year such a wonderful one for her. Kathleen Hecker will be installed as the new President when the Auxiliary reconvenes in September.

Sr. M. Veneard, O.P., thanked all who donated their time and energies to help the school during the past year.

The ladies in the cast of "Mad, Mad Whirl" outdid themselves in comedy value. Remarks heard from the capacity crowd ranged from "fabulous" to "Hilarious".

The final meeting of the school year was also the scene of a fond farewell to Rev. Leo Goggin, moderator of the organization for several years. Father Goggin has been assigned to establish the new St. Matthew's Parish in Dix Hills. Father thanked the present slate of officers for the fine job they've done in the past year.

CERTIFICATE OF APPRECIATION was presented to Tony Bennett by Hicksville Kiwanis Club President William Murphy at a meeting at the Milleridge Inn last week. Tony was the guest of his boyhood chum, Peter Petralia of Old Country Manor. From the left, Peter Petralia, Secretary, Henry C. Brengel, President, William Murphy, Tony Bennett, Vice President Paul Donath and Recording Secretary Frank Chlumsky. The waitresses at the Milleridge all asked Tony Bennett for his autograph. The Kiwanis will hold Ladies Night on July 10. (Photo by Stevens Photographers).

Plenty of Water Supply

Hicksville Water District should have no problems about water supply this summer. A new two million gallon ground level water storage facility has been put into service on Stewart Ave. (formerly Hempstead Ave.) which brings the total storage capacity of the District to over six million gallons according to Harold Hawhurst, district superintendent.

Curran Opposes Opening Parks

State Senator Henry M. Curran (Republican-Nassau) who has strenuously voiced his opinion opposing passage of any legislative bills which would open local parks and recreational facilities to all residents of the State, again declares that he vehemently objects to this type of legislation on the grounds that these facilities were paid for by the people in the area...that at the present time they are overcrowded and that in the event bills of this nature were to become law, the use of such facilities, because of the increase in population, would practically void their usefulness.

READER OPINION

VOTE BOYCOTTING

An Open Letter to the Residents of Birchwood Park at Jericho:

I should like to direct a few comments toward the policy of boycotting a vote supported by the Birchwood Park Civic Organization.

Boycotting a vote is perhaps one of the most ignorant actions anyone in a democracy can take. The Birchwood Park Civic Assoc. was in effect advocating that its members give up a sacred right—the right to vote. What better way is there in a democracy to permit the minority elements to gain their point? The Birchwood Park Civic Association took a stand against the budget. This is a right no person will question. However, the organization should have enough courage to continue to vote "no" rather than abdicate the right to vote. This is looking the other way when an unpleasant task has to be undertaken.

It seems to me that the integrity to take a stand rather than run away was needed. I do not wish to go into what an austerity budget will mean; this is "old hat". In all the literature sent to residents of Birchwood Park at Jericho, I have never read of any real con-

structive measure which would help the taxpayer. Sniping at teachers who help build a fine reputation for our school district is not the answer. I have never heard the Birchwood Park Association at Jericho suggest leading a delegation to Albany to make their feelings known, or suggesting to our lawmakers new revenue measures which will help, or voting out of office legislators who are not sensitive to the needs of the taxpayers.

Teachers contribute importantly to the education of our children. You have the right to criticize, but irresponsible actions such as boycotts of election polls which encourage minority is a travesty. No intelligent citizen in any community anywhere in the U.S.A. should support or tolerate this type of action. Too many people have given up too much in the past, and at this moment, for us to permit this to happen.

I am ashamed of my neighbors for taking such an ill-advised and ignorant action on so vital an issue—the education of our children.

Very truly yours,
PHILIP REINE

Hicksville Football Jottings

By Milt Pryor

Many exciting plans are afoot for the coming season of the Hicksville Football League. We have just joined the Nassau-Suffolk Football League, consisting of teams from Central Islip, Lindenhurst, North Babylon, Levittown, Copiague, Valley Stream and West Babylon. We plan to play ten league games. The kickoff will be on September 19, 1965, and our first opponent will be Levittown. Our first home game is to take place on October 3, 1965. All games will be played on Sundays and approximate kickoff time will be 2 P.M.

The age limit of our Senior Division will be from twelve to fifteen years, and the weight requirements from 100 to 140 pounds. Weight will be watched very carefully to insure the maximum safety for all boys involved in our games. Our body building and calisthenics programs will begin at the beginning of August. We will expect all boys to be in

top physical form when the season begins. We are prepared to give all interested boys a complete introduction to football, and have a number of excellent back field coaches and kicking specialists to do so. Our games will be officiated by Nassau and Suffolk County High School Football officials. Our games will be played according to Official Football Rules published by the National Federation of State High School Athletic Association.

Football scrimmages and ball handling will begin after August 15. According to your previous experience and qualifications, those who register will either be placed on the team, or placed on the Taxi squad of the Farm System to train.

Official registration time and places will be announced next week, and it will be necessary for each child to be present with a parent in order to register. Any adults interested in helping out with the team, please call Milt Pryor at WE 5-6194 after 7 P.M. weekdays.

Operation VFW

William M. Gouze Jr.
Post No. 3211
by Eddie Klebing

Invariably, after a patriotic holiday somebody writes to the editor of their local newspaper questioning the patriotism of the American who does not render the proper salute to the Flag of the United States. Just recently the question was raised again by a woman in Valley Stream.

It's quite possible that some people are becoming lax in their respect to our country's flag. Then again, it may be that they don't know the proper etiquette of the Stars and Stripes.

There are two ways to properly salute the Flag of the United States. They are hand to head and head to heart. Persons in uniform render the hand to head or "Military salute"—with the extended fingers of the right hand touching the brim of the military headress.

Persons not in military uniform should salute the flag by removing the headress with the right hand and holding it to the left shoulder, the hand over the heart. Or, if there is no headress the right hand is placed over the heart.

Public Law 829, known as the Federal Flag Code, adopted by Congress, prescribes how both salutes should be given. Section 5 of the code says:

All persons attending a flag hoisting or lowering ceremony, or when the flag is passing in a parade or review, should stand

at attention and salute. Persons in uniform should render the military salute. Men not in uniform should remove headress with the right hand and hold it at the left shoulder, with the hand over the heart. Men without hats salute in the same manner. Women salute the flag by placing the right hand over the heart. Aliens should stand at attention. A salute to the flag in a moving parade should be rendered the moment the flag passes.

The Flag Code also states that when the national anthem is played and the flag is displayed all present should stand at attention, facing the flag and salute. When the flag is not displayed everyone stands at attention facing the music. Persons in uniform should give the military salute at the first note of the anthem and hold the salute until the last note. Men in civilian garb hold their headress at the left shoulder. Women salute by placing the right hand over the heart.

When the pledge of allegiance is given, Public Law 829 provides that all present should stand with the right hand over the heart. However, civilians will always show full respect to the flag when the pledge is given by merely standing at attention, men removing the headress. Persons in uniform render the military salute.

V. F. W. member wearing his overseas cap and civilian clothes should remove the hat and render the hand to heart salute. Only when he is in full uniform should he render the military salute.

A Tribute to Sam Hecht

Jericho has lost one of its hardest working and most civic-minded leaders in the untimely passing of our friend, Samuel Hecht. Sam gave unstintingly of himself in all efforts to make Jericho an outstanding place in which to live and raise our children. As founder of the Birchwood Civic Assoc. at Jericho, he set the very high goals and standards of community commitment and action that accomplished many civic advancements, as well as establishing a model for other individuals and groups to follow. However, Sam's greatest joys and achievements lay in his legacy to his son, Arthur, (and all the children of Jericho) - truly outstanding education for all children in Jericho.

In the six years that Sam served on the Jericho Board of Education, Jericho mushroomed from one elementary school to four elementary schools and a junior-senior high school. The junior-senior high school was Sam Hecht's major contribution to us, so that our children would no longer have to be 'farmed out' to other high schools. As President of the Board of Education for five years, Sam worked uncompromisingly for the best possible education for our children. Sam spent countless hours during this time in meetings with fellow-board members, teachers, principals and other administrators - and especially community groups and individuals arguing and sometimes pleading for his life's goal - excellent educational opportunities for all. Although harassed, abused, criticized, and verbally attacked, Sam always had a patient ear for everyone, and would then calmly try to unemotionally present his reasons for the needed action taken.

None who knew Sam Hecht will ever forget this quiet, kind, gentle man with the powerful community drive, high sense of devotion and commitment to lofty ideals. Sam Hecht is an inspiration to us all - AND HE SHALL LIVE IN OUR HEARTS AND MINDS EVERY TIME WE STEP INTO A JERICHO SCHOOL.

Dr. Arthur Carin, President
 Jericho Board of Education

Safe Driving Starts At 35, Years That Is

Life may begin at 40 but safe driving starts at age 35. That was the conclusion of a survey of the Illinois State License Division, which showed that the safest automobile drivers are those between the ages of 35 and 75. Illinois drivers in the 20-through-24 age bracket had a higher percentage of accidents than any other age group.

Establish my footsteps in thy word. - (Psalm 119:133).

We may see evidence of disorder in our life and affairs but we do not need to continue in the pattern that brought it about. Turn to God and rely wholly on Him. Know that everything that concerns us is brought into perfect balance by His orderly action. Let God guide us.

County Police Warn Parents

Nassau County Police have warned parents about a new and dangerous firework which may come into the possession of their children.

"The firework, called Cracker Ball and Single Shot Round Cap Balls are illegal, poisonous and easily exploded," Commissioner James J. Kelly said.

Manufactured and packaged in Japan and Taiwan, the cracker balls and cap balls are similar in appearance, content and use. Both contain arsenic and are less than 1/2 inch in diameter; irregular in shape; vari-colored; and will explode when thrown against a solid object or if bitten hard.

"The greatest danger," Kelly said, "is to the small child who might put one in his mouth believing it to be candy, and become poisoned from arsenic ingestion or seriously injured if it explodes."

"Remember that all fireworks are illegal and dangerous."

JERICHO WALL COLLAPSES. The brick wall which was located at the rear entrance way to the Cantigue School is shown here after it had fallen and pinned young Steven Visentin beneath it. The light fixture which was used with the wall prevented the wall from falling all the way down to the ground.

Jericho Wall Tumbles Down

A brick wall collapsed and trapped a student beneath it at the Cantigue School just two weeks before the summer vacation.

Steven Visentin of 64 Orange Drive was caught underneath the wall when it fell on top of him. He suffered a broken right ankle, a badly sprained left ankle as well as numerous bruises over his body. The full impact of the falling wall was halted by the light fixture which apparently prevented still further injury.

When the wall, which is located at the rear entrance to the Cantigue School, pinned him to the ground Steven cried out for help. His call was answered first by Mrs. Ruth Weiss of Nine Niagara Drive and then Mrs. Kitty Gussato of Ten Niagara Drive. They, and an unidentified man who stopped his car, tried to lift the wall but were unable to do so, it is estimated that it weighed about 1300 pounds. Steven who is ten years old and in the fifth grade of the Cantigue School suggested that they try to get a jack to help move the wall. While Mrs. Gussato ran home to get a two by four from her yard, Mrs. Weiss called the police.

Using the two by four piece

of wood as a jack the three of them were able to free the trapped youth. Mrs. Weiss commented that the police cars arrived at the scene as well as three ambulances within minutes of the time she made the call. Upon their arrival they removed Steven to the Syosset Hospital where his injuries were treated.

Mr. and Mrs. Roy Visentin express their gratitude to all the individuals who helped to rescue their son as well as the members of the community who have been so helpful and concerned with the speedy recovery of their son.

Are you looking for an excuse to leave your wife??? For a night that is, Wednesday night to be more specific. The Jericho Men's Bowling League now has a few openings for the 65-66 season which begins in September. If you are interested call WE 8-2940 after 6 P.M. on weekdays.

Altar Boundaries Of Fire District

A recent newspaper article stated that the residents of the west Birchwood section of Jericho were surprised to learn that they were included in the Hicksville Fire District due to the district lines which had been set many years ago.

The homes affected included: Rockland Drive: Numbers 64 to 104 inclusive, Madison Avenue: Numbers 1-8 inclusive, Delaware Avenue: Numbers 1-8 inclusive, Westchester Avenue: Numbers 1-7 inclusive, Steuben Drive: Numbers 7-25 incl. (odd numbers only)

A joint meeting of the Board of Fire Commissioners of the Hicksville Fire District and Jericho Fire District was held in a demonstration of community cooperation, the fire districts were altered so as to include the homes of the residents in the affected area in the Jericho Fire District, as desired. Formal application was required to be made to the Town Board of Oyster Bay at which a public hearing was held and the chairmen of the respective boards, namely, William Simpson, Chairman of the Jericho Fire District and Harold Manaskie, Chairman of the Hicksville Fire District were instrumental in having the proposition given favorable consideration.

Summer Recreation To Pursue Happiness

Our Pilgrim Fathers presented us with a legacy of labor and practicality. This inheritance has been the secret of our material success. We have been the hardest working people in history. As a result of this we are also the most affluent.

Over a century later another group of patriots enriched this legacy with a new ingredient. These Revolutionary Leaders and Founders of Government added: "Life, Liberty and the Pursuit of Happiness" to the New England heritage. We have combined the dignity of labor through the satisfaction of a job well done with spiritual joy of leisure in the pursuit of happiness.

In this summer's program we hope to practice these tenets of our forefathers with emphasis on the pursuit of happiness.

SUPERVISOR OF RECREATION

Teens Serve Community

Teen age boys and girls for eight years have served Hicksville as recreation leaders, first as volunteers, then as Student Leaders on a paid basis. They have also served themselves in preparation for careers as educators, clergymen, nurses, peace corps volunteers, artists, musicians, artisans of the theatre and many other allied fields.

Students may have served as volunteers since their completion of the 9th grade. Successful service led them to the paid ranks. All have been trained in the various phases of program leadership. They have served under the watchful and dedicated supervision of fully trained professionals.

Any morning you might once again find one of these young people - leading a game, reading a story, umpiring, working with crafts, prompting novice thespians, preparing for a trip, guiding a covey of children through the World's Fair or simply seating the youngsters for their daily film.

A deep debt of gratitude is owed these faithful adolescents. They belie the conception of "teenager" colloquially held by many.

To mention but a few - that Recreation Office hears from and about - we readily recall -

Phoebe Oliver, Helene Shusterman, Mary Soler - now teaching Nancy Johnson - nursing in California.
Jim Walsh - serving with Peace Corps in Thailand
Peter Horvath - teacher of music and conductor with Hicksville recreation

Allan Just - teacher in the Arts
Beverly Ahlsen - teacher of Music
Bonnie Wilbur - teacher of Retarded

As early as 1958 Hicksville had its own way of finding meaningful employment for youth. The community and the young people gained tremendous mutual rewards. This program affirms the adage that you help yourself best by helping others.

Arrange Weekly Concerts

THE SUMMER BAND under direction of Mr. Peter Horvath, former Hicksville High student, graduate of Manhattan School of Music, will present weekly concerts at Mid Island Plaza. They will meet on Wednesday evenings at Junior High School for re-

hearsal commencing July 7th. Four Thursday concerts will be given at Mid Island Plaza under the stars. All are welcome, no admission charge will be made. The dates planned are July 15, 22, 29 and August 5th.

8th Annual Summer Program Features Playground Centers, Special Events

The Hicksville School Recreation Department established in June 1958, will open its eighth season on Tuesday, July 6, 1965. Morning playgrounds for children, afternoon special events for all and evening community centers will be featured.

Highlights will include traditional favorites and added attractions. Wednesday evening teen dances, daily trips for children, instruction in tennis, golf and archery, and music and drama groups will be offered as in the past. Daily beach trips for children and overnight camping will also be featured.

Hicksville Recreation is your organized community recreation department governed and supported under the auspices of the Board of Education. This office is responsible for year-round programming of directly led recreation activities, assignment of community groups to school facilities as well as consultation and coordination of community recreation groups using schools.

Overnight Camping

Campers should report to the recreation leaders at Willet Avenue School at 7:00 P.M. They should have proper moisture proof sleeping equipment. In the event of rain the camporee will be postponed until the following Tuesday. If a sudden weather change occurs at night the school building will be utilized.

Trips To North Shore Beaches Weekly

DAILY TRIPS FOR PLAYGROUNDS

This summer once again all playgrounds will be scheduled to make at least one weekly trip. Destination for this year include: Mondays - World's Fair, Tuesdays - Rye Playland, Wednesdays - Specials (United States Line, Picnic, Ball Games) and Thursdays - Adventureland and Westbury Music Fair.

A new feature of the Trip Staff will be daily beach trips to Tobey and Tappen Beaches affording every youngster a chance to swim at least once a week.

Youngsters should watch for all Trip Announcements and posters on their playgrounds. First come - first served must always

be the rule in order to operate efficiently.

TEEN TRIPS

Regular teen trips to various places have been arranged. This is in addition to those organized by the boys and girls themselves. Trips to a Met Night Ball Game, Rye Beach and World's Fair are now scheduled. This year tickets for Teen Trips will be available at the High School Boys Gym.

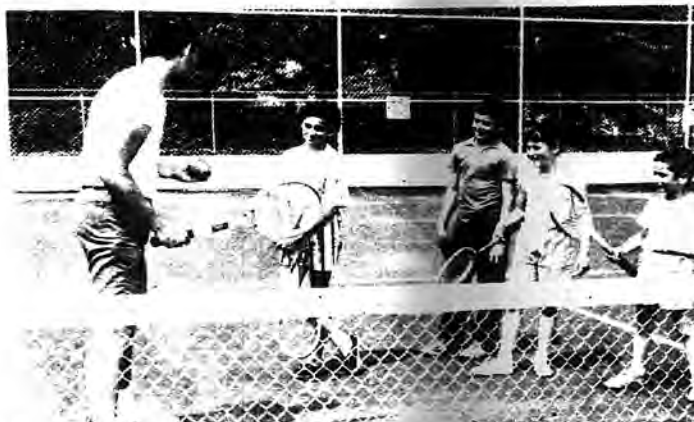

TEENS MAY ARRANGE GROUP TRIPS

The Recreation Office is prepared to dispatch a limited number of trips conceived and organized by any resident group of boys and girls. The groups should be made up of individuals who have completed the sixth grade. Rental of buses and admissions

will be borne by the participants. Supervision will be supplied by Recreation.

Arrangements should be made well in advance through Mrs. Walsh at WE 5-9000, extension 292 of 352. Parents permission must be secured by each boy or girl. Fees must be paid in advance. Special forms will be made available to group chairmen or leader. Within the limitations of the vehicle and destination the Recreation Office reserves the right to add others of the same age and interest.

Suggested destinations include: Rye Beach, World's Fair, Long Island State Parks and Beaches, Ball Games, Circle Line Cruise, Theatre Parties, National Monuments and Shrines.

Tennis Instruction and Tournaments

There will be a special Tennis instruction program held each weekday morning at the High School courts. The appointments will be scheduled for some period between 8:00 A.M. and noon. All children and youth in the community are eligible. Classes will be formed according to age and convenience. Those interested should call WE 5-9000, extension 217 on Tuesday, July 26th from 9:00 A.M. to noon. After that date you may call any weekday from 1:00 P.M. to 2:00 P.M. Equipment will be supplied. Tournaments for all ages and levels of skill will be arranged by the instructor.

About Community Use of School Facilities

During the coming vacation months there will be three general classifications of approved activities taking place on the school grounds. Organizations of all varieties administered and led by dedicated citizen volunteers is one category. The offerings represented in this brochure are led by paid leaders and represent another type. The third classification is made up of those who use facilities as individuals without organization or leadership. There is a very small segment

of the population that use facilities at times and in a manner which is definitely not approved. These individuals tend to be destructive and annoying. Fortunately they comprise a fractional minority. In spite of their small number they are a hazard and nuisance to others, especially immediate neighbors of school plots.

So that you will not inadvertently be numbered in this nuisance segment may we respectfully remind you of existing re-

gulations drawn up out of consideration for community people and property. Prohibited are:

1. Climbing on buildings, fences, backstops or bleachers.
2. Throwing of stones or other missiles.
3. Riding bikes, driving go-carts, autos or other vehicles.
4. Flying model airplanes, unsupervised golf.
5. Walking dogs.
6. Profane or abusive language.
7. Intoxicating beverages.

8. Playing of hard ball on soft-ball diamonds by individuals past their thirteenth birthday (Most small diamond outfields are too short for such and present a real danger to neighbors.

If you observe these infractions taking place we ask you to remind the violators of the regulations. Flagrant violations should be reported to school personnel. The recreation office at WE 5-9000 extensions 292 or 352 will cooperate if notified.

Tot Lot At Willet Avenue

Once again Willet Avenue School will cater to the younger child. A special program supervised by selected leaders will conduct activities geared to the tastes and abilities of the little ones.

Parents interested in such a program should register their children on Tuesday, July 6th 9:30 A.M. to 11:00 A.M.

Simple arts and crafts, story telling, special trips, basic music and drama, low organized games, special films are on the schedule. The program will take place each weekday from 9:00 A.M. to 12:00 Noon starting on July 7th and continuing through Friday, August 13, 1965.

Resident children are eligible subject to registration. The more advanced age child should attend other neighborhood playgrounds described in this brochure. All district youngsters may take part but transportation should be arranged by the parent.

Each weekday, beginning July 6th through August 13th, 1965 the high school gymnasiums and athletic fields will be supervised for teen sports. Secondary boys and girls are invited from 9:00 A.M. to noon. All kinds of athletics and games activities will be offered with equipment available for use.

The program allows for free use of these areas and the equipment. The recreation staff will concentrate on general supervision and assistance as requested.

This is your opportunity to try your newly learned physical education skills in a free play atmosphere. For this season elementary children must attend their own playgrounds and not the High School Center.

You may also learn about special teen trips that will be scheduled by consulting the bulletin board in the gymnasiums.

7 Daily Playgrounds for Children

Seven areas once again will be available for District #17 children who have completed one year of school and have not started seventh grade. Starting July 6th through August 13th Burns Avenue, Dutch Lane, East Street, Fork Lane, Junior High, Old Country Road and Woodland Avenue Schools will be open from 9:00 A.M. to 12:00 noon, Monday through Friday.

Battle of Bands

The opening Teen Dance on Wednesday, July 7th will feature the annual "Battle of Bands". Invitations to enter the contest have been mailed to many local groups. However, all Hicksville combos are invited to request an entry blank at the Recreation office in the School Administration Building. Requirements are that all members be School District residents and not have reached their 19th birthday on or before July 15th. The winner of this contest will receive the contract for the five remaining Summer Dances and will be Hicksville's entry into the Third Annual Long Island Battle of Bands Contest.

The main registration will be held Tuesday, July 6th, at all playgrounds from 9:30 A.M. to 11:00 A.M. Children may register at the school of their choice

Wednesday Teen Dances Resume

The regular summer teen dances will be featured on each Wednesday evening at the High School gymnasium at 8:30 P.M. The first dance on Wednesday, July 7th will be the Annual Battle of the Bands contest. Teenagers are invited to dance and to cheer on their favorites. There is no admission to this event.

On the next five succeeding Wednesday evenings there will be dancing to live music. Admission will be 25¢ Boys and girls are required to observe school dress regulations on these occasions.

at any time during the summer program.

Leadership is provided by professional personnel of the school district, local college and high school students. Activities in-

clude organized games, contests, story telling, music, dancing, special events and arts & crafts. A fee of one dollar will be required of all children to offset the cost of materials taken home.

Volunteer Organizations

A great number of men and women devote countless volunteer hours in many recreation activities in Hicksville. The community is certainly grateful to these people who sacrifice time and energy on behalf of the youth of our town. A drive through the district any evening will witness activities, for example, such as Little League, CYO and P.B.C. These volunteers deserve much credit for their efforts. The cost of such leadership would be astronomical.

Hicksville Recreation is happy to coordinate and cooperate with the many local organizations requiring year round facilities and services.

Ida Mae Sutton, one of 4200 Telephone Service Representatives, describes her job.

"I think 'yes' is the nicest word I can say to a telephone customer."

"Can you have my phone installed on Wednesday?" Or "Can you arrange to have my daughter's name listed in the telephone book?" Customers ask us lots of questions on all sorts of telephone subjects so we have to be familiar with every facet of the telephone business. Here in the business office we try to see every problem from the customer's point of view. And that's what I like about my job. I like letting my customers know that there are plenty of people here at the phone company who are really concerned about giving good telephone service."

A CALL FOR CATHY

Cathy loves to answer the phone, even though the calls aren't for her.

You can imagine how thrilling this moment was. There was *really* a call for Cathy.

We watched her shining smile... and listened to her shy, awkward replies.

"That was Miss Ferring," she informed us with a slight air of sophistication.

"And who in the world is Miss Ferring?" we asked.

"Oh, she's my Sunday School teacher. I thought you knew—"

A dedicated Christian volunteer was devoting her time and talents to the religious growth of our Cathy—and *we didn't even know her name!*

We'll remember that call. It brought us to our senses—and to our Church!

Scouts on Trip To Washington

Forty boys from Troop #381 of Holy Family Church and Troop #171 of the Community Church of Hicksville took a three day trip to Washington, D.C. earlier this month. The boys traveled by chartered bus to Fort Meade, Md., where they headquartered, and spent the week-end touring the Capital City.

Highlights of the trip included a close-up of the Senate Chamber where they were allowed to occupy Senate seats for a few brief moments. They presented a neckerchief from Troop #381 to the President, sampled Army chow and barracks life.

The parents and the boys enjoyed reviewing the trip during a Parents Night at Holy Family Church last week. Several films on the trip were shown as well as a display of numerous candid shots taken by the boys themselves.

HOTTEST SPECIAL under the sun!

Convert to Clean Gas Heat
at HALF PRICE--Only \$149⁹⁵
June 15 to August 15

It's the hottest deal under the sun for two big reasons. First, Gas Heat is the cleanest, the most efficient and the most dependable way to guarantee greater home comfort for you and your family next winter. And comparison proves again and again that Gas Heat really saves you more than ordinary fuels with all of their hidden costs. Secondly, you can save as much as \$150, or even more, on your installation costs, if you convert to Clean Gas Heat now during LILCO's special "half-price" sale.

Just look at all the extras that low, low \$149.95 includes:

TIME PAYMENTS -- Get on-the-spot financing with a liberal time payment plan. No payment due until September 1, 1965.

MONEY-BACK GUARANTEE -- Risk absolutely nothing. LILCO's money-back guarantee provides for a full refund of installation costs if your first year's fuel cost exceeds LILCO's advance estimate by more than 10 per cent.

FREE HOME SURVEY -- LILCO will make a Gas Heat survey of your home at no cost or obligation to you.

FREE SERVICE POLICY -- It covers inspection, adjustment and cleaning of equipment when necessary.

Dollar for Dollar--Gas is your Greatest Heating Value!

Offer limited to LILCO one- and two-family residential Gas customers not already using Gas for home heat. Special low price includes normal installation which will be made only in existing boilers and furnaces that are determined suitable after inspection.
