## Record-Breaker : Plainview Captures Labor Day Honors

Record-breaking crowds saw Plainview Fire Dept take top honors in the 37th annual Hicksville Fire Dept Labor Day Drill in close competition when the long-time winners, Oyster Bay Rough Riders, were almost eliminated from consideration. Massapequa was second in point standings for the afternoon with Woodmere third, and St James, fourth.

The Hicksville Fire Dept, on Sunday, while playing host to the Ninth Battalion, won six out of seven old-fashioned events and will participate this Sunday at Freeport with the winners of the other battalions for the Championship of Nassau County.

St. James was a runner up for state championship honors at Syracuse last month. Plainview racing team has been "hot" throughout the summer tournament season.

Tons of thousands lined the streets of Hicksville on Monday morning to witness the annual parade in conjunction with the Labor Day competition. The judges reported there were 1,087 men in the line of march, 291 ladies auxiliary members, 1,039 musicians in band units and 201 emergency vehicles including 187 pieces of fire fighting apparatus.

Trophies to fire units traveling the longest distance went to Matydale and Avoca, New York, both near Rochester; and to Hamaker, New Hampshire.

## CUMMINGS AND GOINGS

### Record Crowds At Parade, Drill

By Jim Cummings

The 6,500 grandstand seats at the Plaza were filled to the rafters with spectators for the 37th Annual Labor Day Parade & Tourney hosted by the Hicksville Fire Department. With the record crowd came the heat as temperature soared in the afternoon. VIP's, politicians and would-be's mixed with the crowds for introductions and to shake-a-hand. It was a wonderful family afternoon with the youngsters perched on dad's shoulder as the vamps came down the runway to the arch in stiff competition. Chairman "Red" Morris and his co-Chairman John Larkin did an outstanding job of coordination for this spectacular event, in addition to Chief John Specht and the men of the Hicksville Volunteer Fire Department who do their job so well year round.

HERE 'N THERE: School started this week in Hicksville and many youngsters are off including the 5th of the Cummings Class, Patrick with his buddy Jimmy Mahoney, waiting patiently for the School Bus taking them to 1st Grade at St. Ignatius. Henry Brodbeck and CD unit were on the Ball at Parade Labor Day - in fact the entire line of march was finished before 12 Noon whereas in the past it would end at 12:30 P.M. Judge Francis Donovan has no problem of getting crowds on the "Donovan Bus" tours - his compact bus provides a stage for the "Donovan Five" dance orchestra - all Frank's sons - he must be doing something right.

ANIMALAND TO RETURN: Animal and Zoo Exhibits that

delighted thousands of children and extended thru Labor Day by management to assist the Hicksville Football League will return next August for a repeat performance with an addition of a ONE ERIC VARIETY PONY & DOG SHOW - excellent comments were received by Plaza Merchants for this fine family-style entertainment during Back-to-School Days.

FROM THE MAILBAG: President Jim Kelly of the County AOH orders Southshore Community Hospital for minor surgery - Jim will be guest of honor at the 17th Annual County Ball to be held at the Old Country Manor, Saturday evening, October 30th. We hear that Astronaut Jim McDivitt may attend the Ball - seems that President John Moran of Division #12, Port Washington received an official OK to name their Division after the Astronaut - tickets are available by contacting the reporter at Wells 5-4229 or write to P.O. Box 571, Hicksville attention of the ANCIENT ORDER OF HIBERNIANS. Attention: Suffer the top pro in his field from California will be at Surf City, Mid Island Plaza on Friday, September 10th to discuss any surfing problems and sign autographs. ERIC IS COMING to Mid Island Plaza, watch here for details - Student Art Competition will be held during the latter part of September at the Plaza in coordination with the art departments of the various community schools - for details write to Mid-Island Plaza Merchants Association, attention of the writer for age bracket groupings and exhibit dates.

## EDITORIAL OPINION

## Billboards Over the Streets

There seems to be something inconsistent about the use of the sides of our nice, new Rail Road grade crossing elimination bridges for advertising in the heart of our community.

Last Christmas season the Chamber of Commerce sought to use the bridge over Broadway for a holiday display to greet the season. The request was rejected.

For several weeks we have been treated to a plug for travel on the Long Island Rail Road to the World's Fair. This week saw the appearance of political advertising.

We feel the inconsistency lies in these facts: The structures were erected with money spent by the State of New York, the taxpayers' hard earned dollars. The LIRR contributed not a single penny to the elimination program. The LIRR, as everyone has been brainwashed to believe, is broke. It will soon be taken over by the State of New York, also with the use of the taxpayers' hard earned dollars. But somehow, space can be rented from a commercial organization to advertise on the spans over our streets and we doubt if a penny of this rental ever gets back into the coffers of the State of New York.

## Teen Dem Clubs Form Town Groups

The presidents of the Town Teen Dem Clubs, one extra delegate per club, a coordinator, executive coordinator and secretary organized the first Town of Oyster Bay Jr. Democratic Committee.

The coordinator, Ed Aulman was appointed by the assistant Town Leader, Mrs. B. Ward. Paul Hassel and Pam Bryant, executive co-ordinator and secretary respectively were appointed by the coordinator. Presidents Joe Roben (Hicksville), Mike Fink (South Syosset), Harold Yopp (North Syosset), Howard Arons (Plainville), and Paul Trousse (Glen Cove) together with the village delegates comprise the newly formed committee. Allyn Greenwald will be the supervisor for all Teen Dem Clubs of Oyster Bay.

The first action the committee took when it met Saturday, July 31, was to endorse Mike Pettio for Town Supervisor, Jim Rousmaniere for Town Council, Myron Steinberg for Town Council, Mary A. Motta for Town Council, Joseph McPartlin for Town Clerk, Louis Schultz for District Court Judge, J.F. Maher for Sheriff, David P. Gibbons for District Attorney, and Vincent Frontero for State Senate.

## Football Starts in Two Weeks

The start of the Hicksville Football Assoc. season is less than two weeks away, and striking improvements in the boys' football skills are already quite evident. Fields in Castine Park are really the finest seen in a long time. Mr. Daly of the Castine Park Dept. informed the Directors of the League that setting up of stands for spectators, wet lining of the yard lines and top dressing of the entire area will be started this week.

The boys of A squad in the Nassau-Suffolk Town League are going to Valley Stream this Saturday, Sept. 11, for official weigh in. The commissioner of the League, Dave Goldstein who is also Head Coach of the Central Islip Football Team, will supervise the certification of all the team members and inspect the Birth or Baptismal certificates. At Valley Stream, we will meet with the other town teams of the Western Division. These teams are Cambria Heights, Valley Stream, and Levittown.

The tremendous support given the League by the Mid Island Shopping Plaza Merchants and Personnel is really overwhelming. James Cummings continues to be the knight in shining armor. Cummings' help in obtaining complete sponsorship of the Animaland Show for the League has given the empty cupboard some healthy vitalizing. Team members of the Football Squads were at the Animaland show this past weekend, helping out by collecting tickets, and making themselves generally useful to the show management personnel. The cotton candy, popcorn, and their many trips on the elephant caravan helped make this a real fun job. Mid Island Twin Theatre movie and entertainment show to be held on Sept. 25, for the benefit of the Football League is now in readiness. The ticket sale, however, is not up to par at this writing. The Father & Son, Football show is about to be launched. All that is lacking is a place to hold this show. The professional players have accepted, the movies have been reserved, but needed is a hall or store big enough to hold one thousand people.

Our roster of the Hicksville Junior Football League is now complete as registration closed last Saturday Sept. 4. The Director of the League, Gene Calabrese, who also doubles as Chief of the Procurement department feels that all four of the teams are evenly matched and good close games should be in evidence upon kick-off. Teams are: The Mustangs, coached by Mr. A. Masters and J. Trapp. Uniform colors are Blue Jerseys with White Stars and numerals. The team personnel are: No. 47, Peter Arons, 39 Robert Bailey,

21 James Calabrese, 46 James Darish, 13 Daniel Dwyer, 20 Craig Gil Martin, 56 Ronald Carriari, 18 Thomas Heraghty, 55 Wayne Kurr, Allie Masters, 10 Keith Masters, Bill McElvath, 56 Richard Moeller, 37 Vincent Morris, 19 Robert Pryor, 16 Thomas Quinn, 50 Pat Quinn, 41 Russell Raut, 38 Kevin Roche, 32 Richard Rothman, 51 Larry Sauer, 36 Peter Stephan and Kim Unalica. The Wildcats: Blue Jerseys with Gold arm bands, coached by Mr. H. West, J. Maher, & P. Morrissey. Players are: 64 Alan Alvarez, 31 Sean Bailey, Andrew Bragan, Bruce Bragan, 55 Michael Cain, 56 Lawrence Clock, 35 Joseph DeBrow, 34 James DeNicola, Brian Donaldson, 37 Richard Doughty, 79 Thomas Doughty, 42 Tim Germain, 73 Larry Hass, 26 Michael Hass, 54 Peter Maher, 32 Pat Morrissey, 48 Douglas Porter, 29 Tim West, 27 George Wich, & 58 John Schultz.

The Eagle squad, headed by Mr. R. DuBrul & Mr. E. Grams. Team colors: Black Jerseys with Orange bands. Team members are: 53 Dan Auster, 73 Cris Bloom, 48 Thomas Coyne, 78 Doug Ernst, 47 Ed Grams, 67 Kenneth Hartman, 39 Michael Healy, 49 James Hughes, 52 Patrick Hughes, 63 Peter Judge, Curt Laet, 33 Gerard Leonard, 31 Kevin McAnley, Thomas McAuley 50 James Rafferty, 32 Tim Rafferty, 25 Bob Rice, 51 Mickey Shalley, 66 Eric Swedberg, 26 Wayne Swedberg, 35 Jeff Westlake, and Mickey Westlake. The Lions make up our fourth team. Colors: Green Jerseys with gold & White bands. The coaching staff consists of: Mr. V. Vieten, J. Walsh, & J. Torrellas. Team members are: 23 Kenneth Brookbank, 18 Andrew DePeter, 21 Tim Donohue, 24 Richard Doolittle, 56 Peter Knadsen, 19 Kevin Leonard, 20 Mickey Manna, 59 Richard Murphy, 57 Jeff Parker, 53 Scott Parker, 68 John Plakutowski, Walter Raut, Warren Raut, 53 Richard Roethel, 22 Tim Roethel, 58 John Torrey, 54 Kim Torrellas, 41 Hank Vieten, 71 Mike Vieten, 44 Thomas Vieten, 42 Gerard Walsh, 25 Jim Walsh 70 John Walsh, & 58 Peter Walsh.

Our A Squad, the 140 pound team called Hicksville Mid-Island Chargers is coached by Bill Roth. Uniforms will be white with orange & black trim, traveling Jersey to be all white. Squad personnel & lineup information will follow at a later date.

# Schwartz Says Opponent Is Non-Resident

ALL POLISHED UP, geared up and ready to roar away are these Republican candidates at the traditional Oyster Bay Republican outing at Schiff's Field, Oyster Bay. The crankman in Town Clerk William B. O'Keefe of Syosset, candidate for re-election. At the wheel is Angelo D. Roncallo of Massapequa, candidate for councilman and his passenger is Mayor-Supervisor Joseph M. Reilly of Glen Cove, candidate for assembly in the north shore's 11th assembly district.

Julius Schwartz, candidate for the Republican nomination for Assemblyman in the new 10th Assembly District which embraces most of Levittown, Hicksville and portions of East Meadow and South Westbury, today noted that his opponent in the primary election next Tuesday, Sept. 14, is not a resident of the Assembly District. Schwartz, an attorney long active in Hicksville, was designated at open convention of Republican committee.

A resident of 164 Sixth St., Hicksville, Schwartz was a first lieutenant in the medical corps in World War II, has had his own law firm since 1949 in Hicksville. He has been Counsel to State Senator Henry M. Curran in Albany since 1963 and knows the workings of the State Legislature from first hand observation.

The holder of a 25-year service award from Kiwanis International, he is past president of Hicksville Kiwanis Club and a past Lt. Gov. of Kiwanis International.

He is past president of Hicksville Chamber of Commerce and

the Hicksville High School Alumni Assoc.

A Republican committeeman for five years, he is past president of the Ernest F. Franconi Republican Club of Hicksville and is currently the GOP leader in Hicksville.

He is also a member of the Masotto Lodge of Hicksville and the Elks.

Known to his friends as "Jay", Mr. and Mrs. Schwartz have a daughter, Sandra.

Schwartz pointed out today that his opponent in the Primary Contest, besides not being a resident of the Assembly District he seeks to represent in Albany, failed during his short tenure on the Board of Education to attend any meetings devoted to preparation of the \$12 million school district budget and boasted of his non-attendance.

"While in a position of trust and responsibility where his voice could be heard in regard to the preparation of the budget which determines the local school tax burden", Schwartz declared, "he failed to be present and ex-

ercise his trust to represent the taxpayers of the community. It is difficult to believe he would do more in Albany."

Post No. 3211  
by Eddie Klebing

At the national convention last month, the Veterans of Foreign Wars adopted resolution No. 264 on Wartime Benefits. Feeling that the servicemen who are now engaged in the defense of the United States and the free world are not hesitating to make the supreme sacrifice and it is unfair to deprive them of wartime benefits in the war they are now fighting merely because of the absence of a technical declaration of war, resolved, "That we fully support full wartime veterans rights and benefits for all members of our armed services who serve on active duty in our protracted struggle against Communist aggression."

Two recent questions on the reopening of National Life Insurance being asked are:  
Q- I dropped my GI insurance right after getting out of service in 1945. Why can't I obtain insurance under the new law without having to prove that I either have a service-connected disability or am not able to obtain commercial insurance because of disabilities not due to service?

A- The present reopening of National Service Life Insurance is limited. The legislation enacted by Congress specifically limited the purchase of new insurance to those two categories.  
Q- If a veteran who holds \$10,000 worth of "GI" insurance purchased June 1, 1965, either volunteers or is called back to active duty for an indefinite period, is the insurance contract cancelled?

A- No, the insurance contract remains in force.

During the bombardment Key watched the Stars and Stripes flying over the fort. Then darkness descended and he could no

longer see the flag. When daylight returned Key was so overjoyed to see "the flag still there," he took out an old envelope from his pocket and wrote the words to The Star Spangled Banner on it.

For more than a century the song was sung as a popular patriotic air. Then in 1916 President Woodrow Wilson proclaimed it the national anthem. However, the Veterans of Foreign Wars circulated petitions across the nation, and recorded the names of five million American citizens who favored the song as our national anthem. On March 3, 1931 Congress designated the Star Spangled Banner as the official national anthem of the United States.
