Request PSC Hearing : May Soon Eliminate Charlotte Crossing

The State Public Service Commission will schedule a public hearing, shortly, on the possible elimination of the Charlotte Ave. Rail Road grade crossing in the east section of Hicksville, it was learned this week. The State Dept. of Public Works has requested a determination "whether public welfare requires the elimination" of this and eight other crossings of the LIRR in Nassau County.

The Charlotte Ave. crossing, near the Jones Institute, provides the highway link from Duffy Ave. on the south to W. John St. on the north.

It is also adjacent to the Hicksville RR freight yards and the point of considerable daily delay of highway traffic as freights are moved in and out of the sidings. It was not a part of the recently completed \$13 million grade crossing elimination program.

The one other official RR grade crossing remaining in Hicksville, besides Charlotte Ave., is on New South Rd. in the east end of the community. New South Rd. was not mentioned in the State Dept. of Public Works request for determination.

3 Residents On Advisory Board

Three Hicksville residents have been appointed to an eleven-man bi-partisan citizens advisory youth board "to seek out methods of improving the environment and opportunities for young people throughout the Township". It was announced Sept. 15. The Board includes Leon Galloway, Principal of Hicksville High School; Rev. Francis Taten, rector of Holy Trinity Episcopal Church; and Joseph Madden, director of recreation in Hicksville school district. The Board also includes Michael M. D'Auria of Plainview.

Edward J. Poulos, Town Board Majority Leader, said this new service would communicate with existing groups concerning youth developments in various communities in the Town, exchange helpful information among them and the Town and cooperate with the Youth Services Committee of the Health & Welfare Council of Nassau County, the New York State Youth Commission and other public and private facilities engaged in youth work. He said the new agency will operate in two basic areas — to deal with behavior problems and to interest youth out of school in healthful recreation or vocational activities, making maximum use of existing facilities in such departments as beaches and parks.

Poulos explained that the Youth Board will give consideration to social, educational, recreational and vocational interests of young people in the hope that some aspect of the program will appeal to and hold their interest.

"We are hopeful that this program will increase the opportunities for constructive interest and recreation for our future adults", Poulos concluded.

Pearsall Will Quit Leadership

C. Bruce Pearsall of Massapequa, re-elected unanimously in Bethpage on Monday night, as chairman of the Oyster Bay Town Republican Committee, announced plans to quit after this year's election in November. He has held the position since 1962 and said he is resigning to avoid " tarnishing his longtime friend, Assemblyman Fehrenbach with the image of being 'boss dominated' in his race for Oyster Bay Town Supervisor.

Alumni Homecoming Oct 16

Plans have now been completed for the 8th Annual Homecoming of the Hicksville High School Alumni, to be held this year on Saturday, Oct. 16th.

Festivities will get under way at 1:30 P.M. at the Senior High School, when Hicksville meets Syosset on the gridiron.

Following the game, a reception will be held in the cafeteria, at which time the Alumni Assn. will present its Most Valuable Player Award to the game's most outstanding player.

The day will climax at Bethpage Country Club with the traditional "Homecoming Dance." Dancing will start at 9:00 P.M. to the music of Art Swanson and his orchestra.

Tickets at \$1.00 each for the game and \$2.00 each for the dance are now available and may be obtained from any one of the following members of the Homecoming Committee: Fred J. Sutter, Chairman; Joe Naso, Helen Hanlon, Michael Sherin and Bill Geyer.

Scores County On Park Plan

Town Board Majority Leader Edward J. Poulos expressed criticism, at the Town Board meeting, of the Nassau County Planning Commission declaring the commission remiss in not contacting any members of the Town Board in regard to their plans concerning the "park and ride" parking area in Locust Grove.

Poulos was informed by Supervisor Pettito that he, too, was not consulted. Poulos was extremely critical of the County Planning Commission's " cavalier treatment of the Town Board by suggesting use of this property without even consulting or informing the Town government."

Councilman Poulos said he was placed in an embarrassing situation as a public official by having nothing to tell his constituents when they called to inquire about the plan as presented in the daily press.

Poulos wrote County Executive Eugene H. Nicholson and Dr. Charles E. Stonier of the Nassau County Planning Commission expressing his concern that a recommendation should be made about a Town-owned area in which the Town has the offices of the Sanitary Services Department and the office and garage of the Department of Highways and is presently used by the Town of Oyster Bay for landfill operations. He suggested to Nicholson and Stonier that in the future when recommendations are suggested for the use of Town-owned property that they consult with the Supervisor and members of the Town Board to see if the Town has any use contemplated.

The Town Board has agreed

to construct an eight foot high palisade or stockade fence to separate the Town landfill area from the South Grove Elementary School.

The action came after an in-

Board Vacancy Topic Friday

James Anderson of 3 Brooks St., Hicksville, did not attend a special meeting of the Board of Education last Friday night when the matter of his resignation was acted upon. It was accepted "with regret".

Action on the selection of a successor to the vacancy was tabled for this Friday night, Sept. 24, when the Board holds a regular meeting.

Anderson and his family are taking up residence in St. Louis.

Class Suspension

Approximately \$600 worth of damage was caused over the weekend when vandals smashed 137 classroom windows in Burns Ave. School, Hicksville. Classes in those rooms had to be suspended temporarily due to the fine splinters of glass on the floors, radiators and among books.

Rededication Service for Children

Rededication services were held on Sunday, Sept. 20th, for all Sunday School children at Trinity Lutheran Church, 40 West Nicholas St., Hicksville. The children attended with their parents the 9, 10:15 or 11:30 A.M. service which corresponded with their regular Sunday School session. No Sunday School classes were held because of these services. The special services had been planned to be especially meaningful to the Sunday School students. The children were reminded of their baptism and asked to make a promise to be regular in their Sunday School attendance for the

next year.

Fred Trinklein, chairman of the science department of Long Island Lutheran High School, Brookville, gave the sermonette for the youngsters.

The Rev. Edward H. Stammel, pastor of Trinity, addressed the Sunday School teachers.

Allan Maier of Hicksville is Director of the Sunday School. Sunday School Superintendents are Thomas Skinner of Levittown, Kenneth Gutekunst of Hicksville, David Hess of Jericho, Bruce Ludwig and Gerald Ruker of Hicksville.

FRANCES R. GREENBAUM, of 23 Straw Lane in Hicksville, will enter the freshman class of Washington College in Chestertown, Md., this fall. Fran, a graduate of Hicksville High School and the daughter of Mr. and Mrs. Leo Greenbaum, was among approximately 240 new students arriving at Washington College Sept. 12 for freshman orientation.

Carnegie Hold Benefit Next March

Miss Eleanor Steber, a leading Soprano of the Metropolitan Opera Company, will give a benefit concert for the Academy of the Sacred Heart of Mary, Sag Harbor, announced Charles Mason, former President of the S.H.M. Fathers Club. The concert will be given in Carnegie Hall in March.

Mrs. Anthony Iannarelli of Jericho is the chairlady. Tickets may be purchased from her (WE 5-7772) for \$25, 20, 15 and \$10. Boxes are \$100 and up. Program Patrons are invited for \$100, 50, \$25. Boosters for \$10. For information call Sister Vincent 725-0087. All donations are tax deductible. Proceeds will be used to complete the furnishing of the dormitories.

ALL AROUND TOWN

The St. Ignatius Auxiliary of Christian Mothers will hold their first meeting of the school year on Monday, Sept. 27th at 8:15 P.M. in the parochial school auditorium. Judge Francis J. Donovan will speak on "Parental Guidance". Rev. Lawrence Ballweg, the Auxiliary's new moderator will address the members and there will be installation of officers.

Esther, Mae Byerly Attend Exhibits

More than 100 persons attended the two-day meeting of the New York State Button Society in Homer Friday and Saturday. Eight collector-dealers had special exhibits, one of them from Connecticut.

Co-hosting the event were the David Harum Button Club of Homer and the Rochester Button Club. Unit presidents are Mrs. Lynn Coleman of Homer and Mrs. John Christie, Rochester.

Special events included a program Friday night at which Louis J. Wolner, superintendent of Homer schools, told the history of David Harum in connection with the Cardiff giant. At noon Saturday, there was a luncheon followed by a business meeting presided over by Mrs. William Crawford of Latham, state president.

A number of exhibits about local history were shown at the Congregational Church and Jones Hall, location of the convention and at several Homer and Cortland business places. Guests attended from six states and as far away as Florida.

Besides Mrs. Hatch, who is first vice president of the State organization, others attending the meeting were Miss Esther Byerly, state secretary and Miss Mae Byerly, both of Hicksville.

A lunch and dinner were served and will keep you up all night if you like.

Dear Lynda

Illness and other difficulties have made it a problem to keep the HERALD office open on a regular schedule. Items for publication should be addressed to Post Office Box 95, Hicksville. WILLIAM LAUTER, manager of Bankers Trust on North Broadway, Jericho, has been inducted into the Hicksville Rotary Club. The Rotary Bulletin reports FRED WALTERS has opened a Glidden Home Improvement Centre in Smithtown but is not leaving his other business in Hicksville. State Dept of Public Works will open bid on Oct. 21 for a number of state highway projects, one of which is for the demolition of 22 structures to make way for future highway work along four roads in two counties. Among the roads listed are Route 106 (Newbridge Rd) in Hicksville. Estimated cost of the four projects is given as \$18,000. CHARLES R. CARROLL of Hicksville is the representative of the Nassau County Bar Assoc. this Friday at a permanent Conference of Local Bar Assoc Delegates being organized in Albany. Items on the agenda for the Jericho School Board meeting tonight (Thurs) include "formal notification of resignation of District Clerk". You must register to vote. The dates and times are Thursday, Sept. 30, from 10 AM to 10 PM and Saturday, Oct. 2 from 7 AM to 10 PM. Would Utilize School Facilities

"A common sense way for Town government to vastly step up recreational facilities," was the way Assemblyman Edwin J. Fehrenbach today described what he called "Project Playgrounds". Fehrenbach proposed that during the summer holidays the Town operate public school recreational facilities "so that students with time heavy on their hands have places in their own communities where they can pursue healthy endeavors."

According to Fehrenbach's proposal, the Town would provide insurance to protect the school districts from suits, provide maintenance and supervision, and perhaps even work out a

nominal rental schedule with the school districts." Fehrenbach noted, "There is a crying need to provide additional recreation facilities throughout Oyster Bay for our young people. "Project Playgrounds would enable the Town to do this without making a huge investment in purchasing property and then equipping the sites as suitable recreation areas."

Fehrenbach said school recreational facilities throughout Oyster Bay are some of the most modern available anywhere. "Why should the Town attempt to duplicate these facilities when they are available already, strat-

egically located, and in most cases idle during the months of greatest need?" he asked. "I see no reason," Fehrenbach said, "why the Town and school districts cannot cooperate on an equitable basis to provide recreational facilities for our young people. "And at the same time we will be saving their parents from a massive additional tax burden."

Fehrenbach said Project Playgrounds would be one of the main items on his priority agenda after January 1. Fehrenbach made his remarks at the opening of Massapequa Republican Headquarters which was also a regular meeting of the Massapequa Republican Club.

Conservatives Hear Crowley

Noel C. Crowley, the Conservative candidate to represent northeastern Nassau County in the State Senate, was the speaker at a Conservative Party dance and buffet in Bayville Saturday night. The event, attended by over 300 persons at Reinhard's Park, was staged by the Conservative Party's Town of Oyster Bay Committee to raise funds for its 1965 campaign.

Crowley, a New York City attorney who lives in Syosset, indicated that the candidates who fill out the Conservative slate were not ordinary politicians, and were not motivated by "a burning ambition to hold public office." Instead, he stated, they were responding to "a solemn moral obligation, dictated by individual conscience, to overcome liberal domination of the two major parties."

Crowley claimed Rockefeller's "extravagance" was the direct cause of the sales tax, and charged the Democratic-controlled legislature with equal responsibility for its passage.

Pledge Repeal Of 1953 Law

The 20-man Nassau Democratic legislative slate is pledged to repeal the power given to New York City by a Republican-controlled Legislature to levy a payroll tax, it was announced this week.

The 14 candidates for the Assembly, including incumbents Herbert Sachs and John S. Thorp Jr., and the six State Senate nominees unanimously adopted a resolution, at Monday night's weekly candidates' meeting at Nassau Democratic Headquarters in Mineola, pledging to repeal the 12-year-old payroll tax authorization at the next session in Albany.

"Power to levy a payroll tax, which would adversely affect the thousands of Nassau residents who conduct businesses in New York City or are employed by city firms, was granted to the city by a Republican legislature in 1953, with the support of Nassau County's then all-Republican delegation to Albany," the resolution stated.

Serve People, Not Politics

Town government should not be run with political prejudice but with non-partisan cooperation between the elected officials, attorney Ralph J. Marino told members of the Oyster Bay Jewish Center Men's Club on Sept. 19.

Marino, Republican candidate for Town Councilman, Town of Oyster Bay, said that the government that "touches us closest and most often is that which we create right here in Oyster Bay." In such an intimate relationship

between citizens and their elected officials there is no room for politics, he declared.

The 37 year-old East Norwich resident said that he was concerned over the "laissez-faire" approach many citizens took to the town government despite the fact that it, in one way or another, influenced their lives from cradle to grave. He said the six councilmen elected to the Board have enormous responsibilities, encompassing the rights, privileges and needs of 350,000 people spread out over the township's 108 square miles.

"To cope effectively with the mushrooming local problems and to achieve the maximum return from a budget even now running in excess of \$4 1/2 million is not a part-time job," Marino said. "It literally demands daily availability for on-the-scene representation, he contended.

Charges Politics

Addressing a group of 200 Hicksville residents at a neighborhood coffee "klatch", Joseph McPartlin, Democratic candidate for Town Clerk of the Town of Oyster Bay, accused his incumbent opponent of "playing petty politics in the administration of his office instead of seeking to serve the best interests of the voters of the Town."

McPartlin, a 31-year-old history teacher at Massapequa High School, cited as an example the fact that the Town Clerk is in charge of the preparation of the agenda for the Tuesday Executive Session of the Town Board, but fails to give the agenda to Town Supervisor Pettio until late Monday, although the items are in the Town Clerk's hands much earlier.

This handicaps Pettio, McPartlin alleged, who spends Monday at the County Board of Supervisors, and Tuesday mornings at the public hearings of the Town Board. Thus the Supervisor is given virtually no time to study an agenda which contains from 80 to 100 items, McPartlin stated.

"In addition," McPartlin claimed, "the six Republican councilmen caucus on Monday with the Town Clerk and go over the agenda thoroughly in an obvious attempt to thwart Pettio rather than serve the best interests of the Town."

Hicksville Football League

By Mill Pryor

Sunday, September 19th was a really exciting day at Cantiague Park for the Hicksville Football League and for all the many spectators who turned out to see our boys demonstrate their skills. The fields came alive with the colorful costumes and snappy gymnastics of our charming cheerleaders, the fine presentation of the colors by the Charles Wagner American Legion Post 421, and fine teamwork of our Hicksville teams in their first official game of the 1965 season.

Many of our wonderful neighbors helped to get our season off with a bang, and it occurred to us during the ceremonies, that if every community in America were to work together so magnanimously with one another for the betterment of each town, what a wonderful place this country would be. Mr. Pettit came down to wish our team the very best of success, and McCabe and Mr. Daly of Cantiague Park Recreation Department did a fine job in readying stands and fields for this first game. They have assured us that by the next game the goal posts, team benches and hash marks will be installed.

Our most sincere appreciation to Commander George Johnson and his fine group from Charles Wagner Post, Sgt. Arthur Hirsch, Sgt. Arthur Schneider, Alfred Martin and Edwin Hardin.

We are sorry to have disappointed over 200 boys by not admitting them in to our League. The hard facts of the problem are that it costs the league \$31 per boy for necessary equipment, and we decided before the season began that there would have to be a limit of 150 boys for the first year so that our total outlay would not be so exorbitant that we would have an impossible time trying to make ends meet.

We hope to be able to admit more members in our second season, if we have sufficient help from those in charge of our fund raising events and the town business people whose donations mean so much to the success of the Football League.

We are pleased to add the following names to the list of business and social organizations who believe that our football league will be an asset to our town: Long Island National Bank, Glison's Knitwear, Emblem Mart, Long's Chinese Restaurant, Rubber Corporation of America, and last but certainly not least, The Charles Wagner Post #421.

The names of the pretty cheerleaders who did such a fine job on Sunday were: Captain, Donna Jones, Co-captain Ilene O'Brien, Carla Gorman, Barbara Chapin, Susan Dichtenberg, Kathy Lane, Dawn Michel, Cris Radocca and Ilene Stevenson. Girls, you were just wonderful! Keep up the good work.

Our Mustang squad outlasted the wildcats last Sunday, 2 fine runs Richard Moeller and Dave McIlwraith made the difference. Kevin Masters the Mustang quarterback kept his second moving and had control of the job at all times. Defensive Back Keith Masters kept the defense on their toes and thus the game ended in a 12 to 0 win for the Mustangs. Our League will also be having night games either on weekend nights or holiday eve games. Requests are coming in very fast for our excursion to Shea Stadium on October 2, 1965. The boys are looking forward to the chartered Long Island Rail Road car that will take them there and back, but please note that most of the 500 tickets that we were allotted have been asked for. This Saturday, our Movie Show at Twin North & South will be taking place. Next Saturday our four intermural teams will be playing at Cantiague Park from 1:30 until 4:30. The boys do their best with packed stands to spur them onward. So if at all possible come on down. Next Sunday, Our Hicksville Intermural Champs will be meeting the boys from North Babylon at Cantiague Park. Our team is

undefeated and they plan to remain that way.

This is a tribute to our Head Coach Bil Roth, who joined our group this year fresh out of Hofstra, assembled a number of green untried boys, and has molded a great squad. The fancy, tricky plays, and the teams constant alertness both on offensive and defensive plays attests to the great skill and group know how of this fine squad. Last Sunday, our CHARGERS met the Levittown VIKINGS at Cantiague Park. Cris Blatny recovered a Levittown fumble and 4 plays later Hicksville scored their first touchdown when Quarterback Brian McAuley, rolled out to his right, saw no one to pass to and ran 25 yards for the T.D. The extra point was scored by Richie Foerster going off his own left guard. Hicksville's second T.D. occurred 6 plays later with assists End Ed Moell Full Back Bob Gagnaire, and Brian McAuley on his quarterback leap from the three yard line. Score Hicksville 13 Levittown 0 at the end of the first half. The third quarter in eight plays Hicksville's last touch down was scored. Assists to Richie Foerster, End Bill Rice who scored the T.D. In the 4th Quarter Steve Malone took over at Quar-

COMMANDER GEORGE JOHNSTON of the Charles Wagner Post 421 of the Hicksville American Legion with their color guard Sgt. Arthur Hirsch, Sgt. Arthur Schneider, Alfred Martin, and Edwin Hardin, made up the rest of the Hicksville contingent. Ceremonies were conducted at the Cantiague Park football area in Hicksville. Hicksvilles own Mid Island Chargers are seen in the background. The Hicksville Football Association are fielding 5 teams this year with your support they hope to field at least 10 next season.

terback and was moving his club nicely when time ran out. This was indeed a great team effort and from today on Hicksville indeed has a mighty fine conference group. See you Sunday At Cantiague at 2 P.M.

IT'S APPLE PICKIN' TIME.... Secretary of Agriculture Orville L. Freeman, (center) at his Washington office receives the first apples and honey produced on the campus of Mill Neck Manor, Lutheran School for the Deaf, Mill Neck, Long Island. Presenting the produce to the Secretary are Rodman Pellett, (l) president of the Locust Valley Rotary Club, and Rotarian Frank Armstrong, Co-chairman of the "Fall Harvest Festival," which will be held on campus Sept. 24-25-26. The proceeds from the "Festival" are used to maintain this beautiful North Shore campus.

Air Exercise To Cover State

The 1965 State-wide Civil Air Patrol Annual Effectiveness Exercise to be held Saturday and Sunday, Sept. 25 and 26, will put approximately 200 Civil Air Patrol (CAP) planes aloft over virtually every county in New York State. This exercise will be conducted jointly by the Northeast Region of the CAP, New York Wing, and the New York State Civil Defense Commission.

The Commission announced today that a feature of the State-directed exercise will consist of the movement of supplies and personnel from selected areas to points within the State. Headquarters for the exercise will be at Monticello where the Commander of the New York Wing and State Civil Defense personnel will direct the flights. The Binghamton District Office of the Commission will also be in operation for the exercise.

The exercise will assume a post-attack situation following a simulated bomb blast in northeastern New Jersey. Following the blast, planes will take off from various points to airlift supplies and emergency personnel, fly radiological aerial missions, make damage assessments and to survey other situations.

ALL AROUND TOWN

The Rev. Edward H. Stammel, Pastor of Trinity Lutheran Church, 40 West Nicholas Street, Hicksville, will conduct a Bible course on the Book of Galatians. The course will be given on nine consecutive Wednesday evenings beginning Sept. 29th, in two sessions 7: PM and 8:30.

Operation VFW

William M. Gouse Jr.
Post No. 3211
by Eddie Klebing

The Ladies Auxiliary has switched their meeting nights the second and fourth Wednesdays of the month. Their next meeting will be September 29.

Frank Aug and Harry Wurth are getting together to help pull the planned Fall Dance out of the fire. Set for Saturday evening, October 2nd, tickets will be \$3.00 a person and our next meeting, on September 26th, will be the best time to tell them if you are coming.

Each month the V.F.W. publishes an address for broadcasters, speakers and publications called "Speak Up for Democracy." This month they had this to say about their reaffirming our support of our country's fight against Communism.

"The Veterans of Foreign Wars declares that we should always keep our eye upon the ultimate, fundamental goal of Communism - and not be misled by any of the latest Red maneuvers, either here in the United States nor anywhere around the world. Here are some of the safeguards the V.F.W. believes to be most important."

Continued support of all government agencies aligned against the 10-thousand members of the Communist Party of the United States. That means full support of the F.B.I. and the House Un-American Activities Committee.

Continue to resist all efforts to admit Red China into the United Nations. Also opposition to any allocation of UN funds to aid Red China, Red Cuba or any other Communist country.

Give no United States aid to any country which permits attacks upon the United States embassies or other U.S. properties with their national boundaries.

Support the President in his

moves against Communist aggression anywhere, whether it be in Vietnam, Dominican Republic, Berlin or anywhere else. We urge the right of the United States to act unilaterally or directly upon its own initiative to defend the security of our nation against any threat of Communist aggression.

In addition the V.F.W. advocates stronger national defenses. That means a larger and more adequate Army Navy and Air Force, with better arms and higher pay scales for our fighting men.

So, we're still talking about Communism - and still fighting it vigorously today. Because if we don't we may be their tomorrow. Heaven forbid."

Youth Groups Meet

The first meeting of the youth groups at Congregation Shaarei Zedek, in Hicksville, will be held on Wednesday evening, Sept. 29th. The meeting will start at 7:30 P.M. and end at 9:30 P.M.

This year, the new youth director, Marvin Kleinman of Plainville, is looking forward to starting two groups, a junior group and a senior group. A program of fun, culture, educational experiences and friendship will be the format for the year, and the groups will have their own officers and make decisions as to the activities they will engage in.

All boys and girls between the ages of 12 and 18, or attending junior high school or higher, are welcome to come down to the first meeting on Sept. 29th. Refreshments will be served and a short business meeting will be held to discuss the year's plan.

formal discussion with 15 Syosset homeowners who appeared before the Board to discuss the landfill operation and request such a fence.

James Gildersleeve, Director of Sanitary Services, explained to the group, that the landfill operation would cease in June when the land would be completely filled and a new landfill site opened.

He explained that the proposed cesspool treatment plant should also be completed next June and told the group that the new Town incinerator in Old Bethpage will be completed in November and start operating this December.

The group asked to meet with the Board as they were concerned about odors and the condition of the landfill site near their homes. Gildersleeve explained that the odors will be eliminated when the new incinerator opens and grass cuttings will be fed into the new facility. He said these cuttings cause odors when they decompose.

Our Men In Service

First Lieut. John E. Ebersole, husband of the former Elaine Pearce of Hicksville, is at Fairchild AFB, Wash., for the Strategic Air Command (SAC) "World Series" bombing and navigation competition.

Lieut. Ebersole is maintenance officer for a B-52 Stratofortress representing Griffiss AFB, N.Y., during the event.

Accuracy of Lieut. Ebersole's bomber crew will be tested during two six-hour-plus missions on pin-point navigation and low altitude simulated bombing. SAC radar bomb scoring units along the 2,500-mile competition route will score the bombing runs.

Airman Third Class Edward Anderson, whose parents live at 53 Cable Lane, Hicksville, has been graduated with honors from the technical training course for U. S. Air Force jet aircraft mechanics at Amarillo AFB, Tex.

Airman Anderson, who was trained to repair current Air Force jet fighters, is being assigned to George AFB, Calif.

Radioman Second Class Donald R. Brophy, USN, son of Mrs. Marguerite A. Brophy of 8 Cables Drive, Hicksville, deployed on a "Polaris Patrol" in the Pacific, as a member of the "Gold Crew" aboard the nuclear-powered ballistic missile submarine USS Tecumseh.

The Gold Crew's second Pacific deterrent patrol, Tecumseh is one of four Polaris submarines attached to Squadron 15 in the Pacific. She operates out of Pearl Harbor, Hawaii.

Tecumseh is one of the Navy's largest submarines, displacing as much tonnage as a light cruiser. Being nuclear powered, she has the potential to remain submerged and undetected for months at a time, completely in-

dependent of the earth's atmosphere. Tecumseh carries 16 of the newest, long range Polaris missiles which are capable of reaching a target over 2500 miles away.

Airman James P. House, USN, son of Mr. and Mrs. Arthur R. Simone of 111 Plymouth Road, Plainview, graduated Aug. 27 from the Aviation Mechanical Fundamentals School at the Naval Air Technical Training Center, Memphis, Tenn.

During the four-week course he was introduced to mathematics, physics, and the principles of electricity.

Aviation Machinist's Mate Airman Paul T. Fiedler, USN, son of Mr. and Mrs. Paul W. Fiedler of 56 East End Ave., Hicksville, aboard the attack aircraft carrier

USS Midway, completed rest and recreational visits to the Philippines and the British Crown Colony of Hong Kong, following 41 days in the South China Sea conducting combat air operations against installations in North Viet Nam.

Since deploying from Alameda, Calif. in March, Midway has steamed over 5,000 miles, operating with units of the Seventh Fleet in the Western Pacific.

Sagamore Lodge Knights of Pythias of Hicksville will start their Winter Bowling League on Sunday morning, Sept. 26, at 9:30 A.M. at the Wantagh Lanes in Wantagh. Lodge members and their friends are invited to participate for fun and awards. Wake-up coffee and buns will be served free of charge and bowling shoes will be supplied.

ALL AROUND TOWN

Sagamore Lodge, Knights of Pythias of Hicksville, will hold their annual Reception of Officers at the American Legion Hall on Jamaica Avenue in Plainview on Saturday evening, Sept. 25. Lodge members, their friends, and their wives are cordially invited. Smorgasbord will be served at 7:30 P.M.

ON LILCO'S RECORD-BREAKING HALF-PRICE GAS HEAT CONVERSION SPECIAL

BIG HALF-PRICE (\$149.95) SALE ENDS OCTOBER 1, 1965

This is it! You now have only a very short time to get in on the "hottest deal under the sun"... and save \$150 or more. We offered an extension to October 1, 1965, because your Long Island neighbors swamped us with Gas Heat conversion orders that smashed an all-time summer sales record. But record-breaker or no... October 1, 1965 is it. Here are some mighty convincing reasons why you shouldn't pass up this once-in-a-great-while opportunity either.

First, Gas Heat is the cleanest, the most efficient, the most dependable way to guarantee greater home comfort for you and your family next winter. And comparison proves again and again that Gas Heat really saves you more than ordinary fuels with all their hidden costs. Secondly, you can save as much as \$150 or more on your installation costs, if you convert to CLEAN GAS HEAT before October 1, 1965. Don't wait until the last minute. Convert to modern CLEAN GAS HEAT now.

Just look at all the extras that low, low \$149.95 includes:

- TIME PAYMENTS!** Get on the spot financing with a liberal time-payment plan.
- MONEY-BACK GUARANTEE!** Risk absolutely nothing. LILCO's money-back guarantee provides for a full refund of installation costs if your first year's fuel costs exceed LILCO's advance estimate by more than 10 per cent.
- FREE HOME SURVEY!** LILCO will make a Gas Heat survey of your home at no cost or obligation to you.
- FREE SERVICE POLICY!** It covers inspection, adjustment and cleaning of equipment when necessary.

Gas heats 20% more efficiently than oil—proved by test. Dollar for Dollar—Gas is your Greatest Heating Value!

Offer limited to LILCO residential Gas customers. Special low price includes normal installation in suitable existing boilers and furnaces.

Mail coupon or call these numbers right away:
