## Two Months Ahead: Early Start On Budget

Three sections of the proposed Hicksville School District budget for 1966-67 have already been tentatively adopted, far in advance of such action in any previous year. In recent years the School Board has started work on the budget in January and concluded its work in late February or early March.

Behind the early budget work is a dual purpose. Sessions on the proposed budget have been the topic of the so-called special educational Board meetings held on the second Friday of the month. Visual aides, such as a projector, have been used to help the public to follow the technical-financial discussions. The second purpose of the early budget work has been to allow ample time for distribution of copies and information about the budget prior to its submission to the voters in early May.

School Board President Herbert Johnson has been justifiably proud of the progress made on the budget to date. However, the conclusion of budget work may be delayed with the forthcoming holiday season and decisions which have to be made in areas of salary.

The three areas of the budget which have been acted upon are those dealing with payment of bonds and interest, transportation, and recreation. There was considerable study of the cafeteria area at the last special meeting without a final conclusion being reached.

The school cafeterias in Hicksville Public Schools, it developed, is probably the biggest public feeding business in the community if not in most of Nassau County. It does a gross business of over \$600,000 while selling meals for not more than 50 cents and benefiting from certain outright grants of surplus food products from a federal-state program.

A meeting of the Instructional Liaison Committee has been set for 7:30 to 9:30 PM on Wednesday, Dec. 1, by co-chairmen Marvin Goldberg and Caleb Hornbostel. The one and only agenda item is salaries. The salaries of instructional personnel represents the largest portion of the annual gross budget as it has since 1896 when Union Free School District 17, Hicksville, Town of Oyster Bay, was organized. A recent study of school budgets over the past 69 years has revealed that the cost of instructional personnel has consistently represented 50 or more percent of the total annual budget.

### CITED FOR SERVICE

Among Nassau County Patrolmen cited for Excellent Police Citations by the county police dept., recently, were Patrolmen Robert O. Doepper of Plainview, Gerard Halfpenny, and Robert S. Stine, both Hicksville.

**HAROLD MANASKIE Sr.**, of 13 North Dr., Hicksville, will be a candidate for re-election as a fire commissioner at the annual election set for Tuesday night, Dec. 7, between 7 and 10 PM.

Manaskie, the current chairman of the Board, is past president of the Hicksville Volunteer and Exempt Firemen's Benevolent Assoc. and a past captain of Hook and Ladder Co. No. 1.

No advance voter registration is required. Voters must be over 21 years of age and residents of Hicksville Fire District for at least 30 days prior to the election.

**MICHAEL D'AURIA**, of Plainview, attorney and former County Judge, has been designated for leadership of the Town of Oyster Bay Republican Committee. C. Bruce Pearsall, present chairman, has announced that he seeks to resign no later than Dec. 31, thus keeping a pre-election pledge.

UNVEILING THE PLAQUE at Jones Institute in memory of LeRoy S. Wells, former Trustee, are (from the left) Charles Wagner, American Legion Post Commander George T. Johnston, Nassau County Legion Commander Joseph Devine, Mrs. LeRoy Wells and Post Americanism Chairman Richard E. Evers. Below, the opening ceremonies at the Jones Institute on W. John St. where the Bellaires, the post band, played the National Anthem. (Photos by Frank Don Mallett).

## Dedication at Institute Honors Wells

In a moving and unique ceremony, Sunday, the Charles Wagner Post of the American Legion presented the Jones Institute with a flag pole, flag and plaque engraved and dedicated to the memory of the late Leroy S. Wells, Trustee of the Institute. Making the Post's presentation and dedication, Commander George Johnston expressed the conviction that Leroy Wells' 12 years of devoted service as trustee had endeared him to the residents of the Jones Institute.

"His humanity and service to the community", Johnston said, "Make the American Legion proud to number him in its ranks and to dedicate this flagstaff, flag and plaque to him." A most unusual feature of the outdoor function, held before the pillared portico of the Institute was the "Salute of the States". Fifty single rifle salutes were fired consecutively by the Post's four Color Guard riflemen as Sergeant of the color guard, Arthur Hirsch, read the roll call of

the states. Accepting the Legions gifts on behalf of the Jones Institute was Vice Chairman of the Board of Trustees, Robert Michaelis. Seated in the audience besides the residents of the Institute, and among the honored and distinguished guests present were: Mrs. Wells, Jones Institute Trustee William Buchanan, Mrs. Catherine Nohowec, Mrs. Lillian Seaman, councilman Carl Grunwald; former County Clerk

## Commands Air Squad to Saigon

Lieut.-Col. James F. Blake-Lobb of 24 Walden Ave., Jericho, is commander of the 106th Air Transport National Guard Group 102nd Air Transport Squadron which will be flying missions to Viet Nam at the beginning of December to airlift gifts and packages to US servicemen. The 106th Air Transport Group will fly missions on Nov. 27, Dec. 1 and Dec. 3 in operation "Christmas Star". The 106th will fly out of Floyd Bennett Field, Brooklyn, cooperating with Military Air Transport Service (MATS). The Group flies four-engine C-97 Stratocruiser transports and will carry 20,000 pounds of cargo apiece over a distance of nearly 10,000 miles to Saigon.

**Post Office Is Big Business**

The United States Post Office Department has become one of the largest business establishments in the world, conducting the greatest system of communications ever known to mankind.

• Its annual payroll is \$3.85 billion.  
 • 590,000 employees serve a Nation of 192 million people, working out of 44,590 stations and branches.  
 • This year, the Post Office Department will collect and deliver 73 billion pieces of mail. By 1970, volume is ex-

pected to reach 83 billion pieces.

• The Department adds an additional 1 1/2 million city, 100,000 rural, and 75,000 business addresses to its delivery system annually.

• Forty-four million families and 4.1 million businesses receive mail over 103,000 city routes, and 9.5 million families are served over 31,000 rural routes.

• On the average, every American citizen gets at least one piece of mail every day.

• Seventy-five percent of total mail originates today with business and commercial interests, more than half being initiated by 20,000 large mailers. Ninety percent of insurance business, for example, is transacted by mail, and the percentage is as high or higher for many other enterprises.

• The Department owns 45,726 motor vehicles. In addition, it pays \$110 million to private vehicle operators for hauling the mail. It hires 9,600 motor vehicles full time and many others with Department employees. Another 63,000 vehicles and drivers are hired under contract for rural and star (contract) route delivery.

**Mailster Routes On Increase**

Mailsters, the three wheeled red, white, and blue postal delivery vehicles, now are used on 12,000 routes. Ten thousand are being added.

Putting a footlocker in a mailster gives him wheels, gives the patron more service, means economy for the Post Office Department, and adds comfort for mailmen.

The millions of people now on Mailster routes receive 6-day parcel post service from the same postman who delivers their other mail.

Trucks and personnel previously used on parcel post routes are freed for other important duties. Mechanized routes in areas away from the congestion of the city can usually be expanded to serve more people as the suburban areas grow.

**Dear Lynda**

Santa Claus is due to arrive at Mid Island Plaza by helicopter at 12:30 PM on Saturday, Nov 27. Most shopping centers as well as many individual stores, have their holiday decorations in operation. Hicksville Rotary Club is again planning to help residents obtain their new automobile license plates. About 80 persons attended the recent ladies night of the Rotarians held at the Golden Meadowsbrook. SAM ELKIND and PETE AMOROSO provided arrangements for the dance. The soccer team of Hicksville High which won the north shore championship will be guests of the Hicksville Kiwanis at luncheon on Dec 1. The Club will hold its father and child luncheon on Wednesday, Dec 29.

WHERE WERE YOU WHEN THE LIGHTS WENT OUT? This is still a favorite topic of local conversation. CORNELIUS McCORMACK of Boxwood Lane, member of Hicksville School Board, was on the LIRR train which has just emerged from under the River and headed for Jamaica Station. The train stopped at about 5:30 PM and he did not get to his home until 7:30 the next morning.

We know why EDWIN FEHRENBACH did not win in the Oyster Bay Town Election of supervisor. Take a look at the billboard on the outside wall of Mary's Luncheonette next to Goldman Bros. It urges voting for "your town supervisor" SOL WACHTER who actually was re-elected in North Hempstead. Steve's restaurant on North Broadway, opposite the Post Office, offers a Rockefeller Special for breakfast at 99 cents, thus avoiding the sales tax. Novicks are erecting another office building on North Broadway. Signs in the windows of Rogers 5 & 10 announce they must vacate. Confronted with a substantial rent increase we hear, they have decided to close it. Store has been very busy since signs were posted offering one third off on Christmas merchandise. BILL BRUNO and wife, we hear, have been in the Virgin Islands. State Senator HENRY CURRAN has pre-filed a bill with Albany to raise the aid to education to \$660 and then to \$726, the ceiling on state aid to education.

The State Public Service Commission has made permanent the authority of the Star Bus Lines Inc. to operate a bus route between Hicksville and Oyster Bay. The Auxiliary of the Nursing Sisters of the Sacred Heart will hold their 2nd annual bazaar at the Sacred Heart Convent in Manhasset on Monday, Tuesday and Wednesday, Nov 29, 30 and Dec. 1 from 10 AM to 3:30 PM. Christmas Club checks mailed out this year are well above the total for last year.

**Change Landfill Dumping Regulations**

Heavy traffic and fires have forced the Oyster Bay Town Sanitary Services Dept. to close the Town's landfill area at noon on Saturday and all day Sunday, according to James Gildersleeve, Director of Sanitary Services. Gildersleeve explained that since the Board of Health requires that the rubbish dumped in the landfill be covered and since it is virtually impossible to conform to this regulation because of the tremendous volume, operations have to be curtailed on the week-ends. The landfill area is open from 8:00 a.m. to 3:00 p.m. daily and will now be available to residents until 12:00 noon Saturdays but closed on Sundays.

The situation. The fires occurred after residents dumped their rubbish on the week-ends. Since it could not be covered with dirt, the exposed rubbish is susceptible to wind-ignited fires. Gildersleeve said an average of 200 cars per Sunday frequent the landfill which makes it impossible to start covering the material until Monday. He urged residents to leave their rubbish out for a normal collection by the Town or their private collection firms.

Gildersleeve stated that the Syosset Fire Dept. has complained that there have been five major fires during the last month and urged action to remedy

**ALL AROUND TOWN**  
 A general membership meeting of the Hicksville Council of Parent-Teacher Assoc Units will be held Wednesday evening, Dec. 1 at 8 PM at the Willet Ave School. The program will feature a parliamentary procedure workshop, utilizing a filmstrip and skit. The meeting is open to the public.

## Half Million In Yule Checks

Approximately a half million dollars in Christmas Club Checks have been mailed to mid-island residents, it was estimated this week.

The Meadow Brook National Bank announced that Hicksville office had 1384 accounts who received \$185,376, the Levittown office 353 accounts \$35,112 and Plainview office of Long Beach with an office in Hicksville had a total of 3,729 members receiving \$715,527.08.

## McMenamen Winner Of Paragon Award

Peter McMenamen, 219 Bay Ave., of Hicksville Sr. H.S. will be presented with a 1965 Paragon Oil Student Incentive Award by Nassau County Executive, Eugene H. Nickerson and "Mrs. U.S. Savings Bonds", Ann Mecker, during ceremonies at the State University, Farmingdale, Saturday morning, Nov. 27th.

## Local Representatives At NY Jets Game

A group of 25 of AMVETS and Chemical Co. 3, Hicksville Fire Dept., a body 40 strong, will travel to Shea Stadium in

Flushing Meadows next Sunday (Nov. 28th) to be on hand to cheer the N.Y. Jets to victory. The Jets will be looking for their second win that afternoon over the Boston Patriots whom they beat in their own Fenway Park in Boston on Sunday, Nov. 14th.

## Final Week for Football Assoc

By MILT PRYOR

The Hicksville Football Assoc. season has one more week to go before all uniforms will be collected and stored and this week's game will mark the end of a highly successful season. Our Chargers group will be moving up to the Pop Warner Division these boys who are 16 years of age and weigh 150 pounds. The graduates of the various other Leagues will be joining our Nassau-Suffolk 140 lb. group, and a new 115 pound team will be formed from the boys who made up our Intermural Division this year.

Last week we traveled to Valley Stream to meet the Green Hornets. In spite of a valiant try, the final result was the same as our last encounter. Valley Stream was victorious. Our defensive unit pushed the Hornets back into their end zone for our only score of the day, a 2 point safety.

Our raffle drawing is to be held Nov. 24, at 8 P.M. at Cantiague Park. Announcements of the winners, and other items pertaining to the raffle, will be announced next week.

Our Intermural division will be playing its final games of the season also on Nov. 24, and we plan to present the Hicksville Eagles with their 1965 Town Champ jacket patches.

Our League is to have its annual Tag Day after the uniforms are collected on Saturday, Nov. 27. We will be collecting these uniforms at the Dutch Lane Football Field starting at 10:30 A.M. through 12 noon. Immediately after, we will begin our door to door

solliciting. As I have stated in the past we are still 900 dollars in the red and we hope by the end of the afternoon to have balanced our books. There will be a special surprise for all the boys who participate in this tag day.

This Sunday, our Mid-island Chargers will be traveling to Central Islip for their last game of the 1965 football season. This is a very important game for us as Central Islip is firmly entrenched in second place in the entire Division if they win this one, or if Hicksville wins, a tie for second place will result. My prediction is that Hicksville will overpower the Central Islip team and tie for second place. We invite you all to come out to the Central Islip High School next Sunday at 2 PM and cheer Hicksville on to victory. With your support, I am sure our boys will really overpower their opponents.

New design in mail boxes is tested out by Tyler Abell, Assistant Postmaster General. Experimental models in aluminum and stainless steel are lighter, better protected against vandalism and less costly to maintain.

FRANK J. HYNES (right), Receiver of Taxes for the Town of Oyster Bay, receives Long Island Lighting Company's \$795,000 check in payment of the first half of LILCO's 1965-66 school taxes. Total school taxes to be paid by

LILCO in the Town for all of 1965-66 are expected to amount to more than \$1-1/2 million. Delivering the check for Nassau and Suffolk's largest taxpayer is Joseph E. Horan, District Representative at LILCO's Roslyn Office.

## Need New Licenses

Town Clerk William B. O'Keefe today alerted all residents that his office is now accepting applications for dog licenses and will begin issuing them on Dec. 1. Application forms and licenses may be obtained in person or by mail at Town Hall, Audrey Ave., Oyster Bay, or in person at the "Annex", 65 Broadway, Hicksville.

Fees for dog licenses, established by New York State Law, are: \$5.25 for female dogs; \$2.25 for male and spayed female (Veterinary Certificate of Affidavit of Spaying must be filed). All dogs over six months old are required to be licensed.

The Town of Oyster Bay Dog Ordinance requires that all dogs must be restrained by leash and under the full and immediate control of the person in charge whenever the dog is off the owner's premises. Further, this ordinance requires that all dogs be curbed.

"The large and increasing population of both people and dogs in our Town makes it more necessary than ever that full consideration be given to all the lawful restrictions," observed O'Keefe.

## Our Men in Service

Pvt. Edmund P. Lanson, of 36 Scott Ave., Jericho, was assigned Oct. 21 to the U.S. Army Vietnam. He entered the Army in May 1965 and completed basic training at Fort Jackson, S.C. The 22-year-old soldier was graduated in 1960 from Eli Whitney Vocational High School in Brooklyn and in 1962 from Voorhees Technical Institute in New York City.

Aviation Anti-Submarine Warfare Technician Airman Stephen Glibowski, USN, son of Mr. and Mrs. Glibowski of 96 Kuhl Ave., Hicksville, is serving with Helicopter Anti-Submarine Squadron Nine at Naval Air Station, Quonset Point, R. I.

Training Devicesman Airman Kenneth Wannen, USN, son of Mr. and Mrs. Charles W. Wannen of 22 Angle Lane, Hicksville, was graduated Nov. 12 from Training Devicesman School at Naval Air Technical Training Center, Memphis, Tenn.

Seaman Apprentice Lloyd B. Benton, USN, son of Mr. and

Mrs. Lloyd C. Benton of 177 Dartmouth Drive, Hicksville, is participating in the U.S. First Fleet's training exercise "Range Bunk" Nov. 18-24, while serving aboard the guided missile light cruiser USS Providence.

Captain Guntar J. Albinger, son of Mrs. Helen Hornbuckle of 9 Dartmouth Drive, Plainview, has completed the combat operations course at the Air Force Air-Ground Operations School at Hurlbert Field, Fla.

Capt. Albinger is a pilot assigned to the 605th Air Commando Squadron at Howard AFB, C.Z.

Aviation Electronics Technician Airman Joseph V. Tomasovic, Jr., USN, son of Mr. and Mrs. Joseph Tomasovic, Sr. of 82 Myers Ave., Hicksville, is participating in the U. S. First Fleet's training exercise "Range Bunk" Nov. 18-24, while serving with Fighter Squadron 161.

SEAMAN APPRENTICE Timothy P. Gray, USN, son of Mr. and Mrs. Paul J. Gray of 25 Violet Ave., Hicksville, receives the U. S. Armed Forces Expeditionary Medal for his supporting role in combat operations off the coast of Viet Nam while serving aboard the attack aircraft carrier USS Midway, now operating out of Alameda, Calif.

The 62,000 ton carrier recently returned to Alameda after almost nine months of operations in the South China Sea with the U. S. Seventh Fleet.

As a member of the Midway's crew, he was instrumental in the success of the carrier's aircraft while conducting air strikes against Communist and Viet Cong forces in Viet Nam.

## Make Dummy Fuel Elements for Japan

Sylvania Electric Products Inc. has announced shipment of 25 dummy fuel elements to Yokohama, Japan for use in the Japanese Material Test Reactor. Sylvania is a subsidiary of General Telephone & Electronics Corp.

The elements were manufactured at Sylvania's SYLOR Division in Hicksville. Grant W. LaPier, SYLOR Plant Manager, said the elements do not contain any enriched uranium and will be used for non-nuclear experimental work prior to the actual start-up of the reactor. The elements are identical to the elements used in Engineering Test Reactor at the U. S. Government Research Test Station at Idaho Falls, Idaho.

SYLOR is one of the leaders in the research, development and production of fuels for atomic reactors throughout the world. The division has fabricated nearly every type of fuel element in use today and has produced more elements for test reactors than any other company. Up to the present time, the division has fueled 55 reactors in 15 different countries.

## Town Engineer Resigns Post

Town Engineer Arthur N. Gilbert, of Hicksville, ended five years of Order Day Town service on Nov. 5, with the thanks of the Town Board for his professional diligence and the best wishes of Town Hall personnel for his future, according to Councilman Edward J. Poulos, Town Board Majority Leader.

Gilbert advised the Town Board early in October that he was considering a change in order to join an engineering consultant firm. He said he was not at liberty to identify the firm but would be engaged in industrial site work along the Eastern seaboard.

He was appointed Deputy Town Engineer on July 19, 1960 and on January 1, 1964 was appointed as Town Engineer. His first visits to Town Hall earlier were in arranging a "Boy Scout Day in Town Government," and educational tours of scouting organiza-

tions at public installations.

"I was delighted to have the opportunity to return to private industry," said Gilbert. "Because I felt that the major Town projects are being concluded, such as the new incinerator, three community parks and pools, the John J. Burns Park, Haypath Road Park and various others at the beaches. To everyone who will continue with this very important local government, I extend my best wishes for success."

Councilman Poulos said that the Deputy Town Engineer will set as Town Engineer until a replacement is appointed by the Town Board.

Bob Walton, owner of Security Tire Co. at 15 Herzog Pl., Hicksville, has been inducted as a new member of the Hicksville Rotary Club. He resides at 29 Spruce St.

## My Neighbors

**CURRAN FLOOR LEADER FOR NASSAU SENATE DELEGATION**  
State Senator Henry M. Curran was chosen by the five member Nassau State Senate delegation to serve as their Floor Leader during the forthcoming session in Albany. Curran (left) is shown with State Senator Edward J. Speno, the senior member of the Nassau Legislative team as they confer on the legislative program for 1966.

## Busy Weekend For the Legion

Members of the Charles Wagner Post 421 of the American Legion were engaged in three patriotic or welfare activities on a recent weekend.

At the Kings Park Veterans Hospital, post members, the Ladies Auxiliary, the band and youth groups made their annual visit to entertain bedridden and hospitalized veterans with the post's holiday show and to distribute almost 1400 gift packages of confections, fruit and cigarettes.

Meanwhile, marching in the largest parade in Hempstead's history, were the post's color guard, Commander George J. Johnston, Americanism officer Richard Evers, Legionnaires and a contingent of hardy citizens and youth from Hicksville determined to demonstrate support for the President in this great Nassau pro-Vietnam policy march. Proud to provide their

music in representing Hicksville, also, were the crack St. Ignatius Girls Cadet Band brought to Hempstead with Legion-provided bus transportation.

At the Hicksville Public Library's dedication of its two new rooms was former Port Commander Allen S. Carpenter to present the Library with two handsome flag stand sets on behalf of the Charles Wagner Post.

The Friends of Maryhaven, Mother Yvonne Chapter, which takes in the Hicksville area, will hold a Cocktail Party on Sunday, Nov. 28, from 5 to 8 o'clock, at Olsen's Inn, Massapequa.

Mrs. Andrew Isaacson of Massapequa is chairman of the affair. Tickets are \$3 per person and include two cocktails each, plus sandwiches and snacks. For tickets and reservations call Mrs. John Michel, LI 1-2763.

## HI-NEIGHBOR!

If you are a newcomer in the Jericho or Plainview area you may look forward to being greeted by our local "Hi Neighbor" representative. She will come bearing gifts and messages of welcome from civic and religious leaders, as well as prominent business men of our community. She will acquaint you with various local activities and make your arrival a happier and warmer event.

Should you have a brand new neighbor in these areas, be sure to phone Mrs. Anne Golden WE 1-4535.

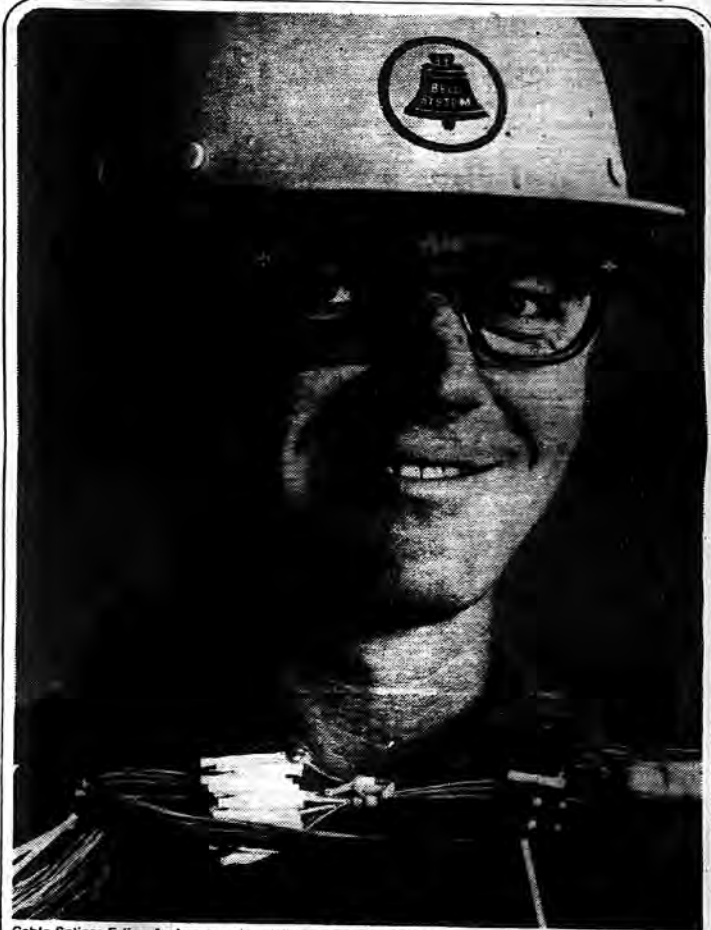

## GIFTS when you move...

Your Welcome Wagon Hostess will call with a basket of gifts and friendly greetings from our religious, civic and business leaders. Just let us know...

**LEGAL NOTICE**  
 NOTICE IS HEREBY GIVEN that Sales Lists have been made of unpaid School District taxes for the year 1964-1965, State, County, Town and special district taxes for the year 1965, on real property situated in the towns of Hempstead, North Hempstead and Oyster Bay and the City of Long Beach, N. Y. Sales Lists have also been made of unpaid State and County taxes for the year 1965 on real property situated within the territorial limits of the City of Glen Cove, N. Y. Unless such prepaid taxes, with interest and accrued penalties be paid on or before the twentieth day of December, 1965, the tax lien on the property against which such taxes are levied will be advertised and on the twenty-first day of February 1966 thereafter, sold.

The Sales Lists will remain open for examination in the County Treasurer's Office, Old Country Road at County Seat Drive, Garden City, Nassau County, N. Y. (P. O. Address, Mineola, N. Y.) until the twentieth day of December, 1965. Any taxpayer interested may send a brief description of his property to the County Treasurer, and a statement of the amount of the unpaid tax, if any, will be forwarded to him.

**THE ROYAL ARCANUM** of Farmingdale honored Judge Willis B. Carman, center, of the District Court of Nassau County at its annual surprise testimonial dinner on Nov. 11. At the dinner which was held at the Lobsterman, Judge Carman was designated as the Royal Arcanum "Man of the Year" and presented with an engraved silver tray. Judge Carman practiced law in Farmingdale for over 30 years and has always been active in community and civic affairs. The Master of Ceremonies was Edward J. Quinn, Joseph DeMarco was the Chairman for the dinner. The evening, which has been traditionally marked by good humor and spirit, continued in that tradition. Many local dignitaries were asked to speak, but were kept within a reasonable time limit by John O. Wagner who rang an alarm clock if a speaker lasted more than two minutes. Unlike many "surprise" testimonials, Judge Carman indicated he was really surprised. The evening was an outstanding success, which was attributable in no small measure to the planning of DeMarco and his committee. (Photo by Claire Studios)

## Operation VFW

William M. Gouze Jr.  
Post No. 3211  
by Eddie Klebing

Veteran servicemen from World War II and the Korean War are automatically covered by the recently passed government life insurance legislation that covers everyone in the Army with a \$10,000 life insurance policy.

Beneficiaries named by the insured can receive payment in a lump sum or in 36 equal installments. The law also provides that certain beneficiaries of certain servicemen who died January 1, 1957 and up until midnight September 28, 1965 under a specified condition of the law may receive up to \$5,000 in a death gratuity.

The cost of the policy is 2 dollars per month regardless of the soldier's age or rank and is deducted from the monthly pay of the serviceman. Those who do not want the insurance coverage must indicate so in writing.

The Veterans Administration reminds veterans eligible under the one year reopening of GI life insurance: You don't have to take out a policy to the limit of \$10,000. The minimum amount is \$1,000 and above that policy amounts can be increased in multiples of \$500.

A point about the new modified life insurance now available to veterans who qualify, that needs clearing up is: The face amount of the insurance paid when the veteran dies drops to one half at age 65. The cash value available if the veteran gives up the policy does not drop at 65 and in fact continues to increase if he keeps up the policy in force after 65.

The new Housing Urban Development Act of 1965 provides a new home mortgage program for the veteran who hasn't received any VA guaranteed or insured mortgage loans. Under this new FHA program, minimum down payment for veterans is \$200 on the first \$15,000 of appraised value plus 10% for mortgages between \$15,000 and \$20,000 and 15% of the value above \$20,000. The interest rate is 5 1/2 per cent plus an additional charge of 1/2 of 1% for FHA mortgage insurance, which has always been in effect. Guaranteed loans by the VA carry only 5 1/2 interest and if the lender is willing, requires no down payment.

Veterans receiving compensation and who plan to move should file a change of address for delivery of future checks. There is a change of address form on the envelopes the checks are received in and these can be used, but bear in mind, you should mail it to the VA office having custody of your records and not to the Treasury Department.

### ALL AROUND TOWN

On Sunday Nov. 21, at the National championship of the Accordion Association of America, held at the Statler Hilton Hotel in New York City, the Fabacords of Hicksville, directed by F. Arden Burt, Jr., as a virtuoso accordion band, won an award and honors as second place winners in that category.

**ORGANIZATIONAL SESSION** for Hicksville Welcome the Mets Day on Dec. 4 at the Rail Road Plaza, starting 10:15 AM rain or shine, was held recently by the Hicksville Lions Club at the home of Ernest Boupane on Woodbury Rd. The Mets Night is sponsored annually by the Hicksville Lions. From the left are Lions Club President Charles Pace, NY National League Public Relations Director James Murray and LI Mets Booster Club representative Al DiMango. Present on Dec. 4 to welcome the Mets will be musical groups and local officials. (Photo by Lion Pierre Charbonnet).

**DECEMBER 8, 1903**—Professor Langley, secretary of the Smithsonian Institution, failed in a second attempt to fly an airplane constructed according to his own plans. (Eleven years later the Langley machine was re-tested and successfully flown.)

**December 20, 1880**—The first part of New York's Broadway to go up in electric lights was the section between 14th and 26th Streets.

**December 23, 1938**—Jazz history was made in New York's Carnegie Hall when two pianists, Meade Lewis and Albert Ammons, introduced the new form of popular music which they called "boogie-woogie."

**December 24, 1912**—This Christmas Eve in San Francisco was highlighted by the dramatic appearance of the Italian coloratura soprano, Luisa Tetrazzini, who appalled opera lovers by stating that she would rather sing on a curbstone in San Francisco than in the finest opera house anywhere in the world. Good as her word, the opera star, at midnight, began an impromptu open air concert at the city's famous Market Street.

**December 5, 1818**—The popular Christmas carol "Silent Night, Holy Night," composed the day before by Franz Gruber, was sung for the first time at Oberndorf, Germany.

### Meet Teachers

Hicksville Senior High School Parent Teacher Association held open house on Nov. 18 when each parent had his child's program with him and met the teachers by going through an accelerated day in school from the first thru seventh period.

### NEW ARRIVAL

A daughter, Patricia Ann, was born to Mr. and Mrs. William Joseph of 44 Stratford Rd., Plainview, at Mercy Hospital on Nov. 11.

Mr. and Mrs. John Gogel of 5 Home Lane, Hicksville, are the parents of a son, Christopher John, born Nov. 4 at Mercy Hospital.

## We Just Remembered:

It was a year ago last April (1964, that is) when newspapers headlined the fact that escalators would soon be installed at the then-new Hicksville Rail Road station. Morning-weary commuters who must hoof up more than two flights to get the train must sometimes wonder whatever did happen?

It was the Herald which first headlined the fact that no escalators were included in the original project. And the escalators which were finally promised more than a year and a half ago are only one way - up. Other smarter communities have escalators that can be reversed. Up in the morning for the rush and down in the evening for the returning commuters.

It was also the Herald which headlined the fact that no wind breaks were provided for those lofty, wide open platforms. Eventually the Rail Road got around to installing windbreaks, just in time for spring.

And then was it not about five or six more years when dire predictions were being voiced about the almost immediate widening of Broadway and we were hooted because we said then that nothing would happen on this project for at least five years or more.

We know we must be getting old when someone says: "Incorporation? What is that all about?"

**Congressman Seeks Answer on Weapons**

Rep. James R. Grover Jr. of Babylon revealed this week that he has demanded an investigation of complaints that members of the First Cavalry Division in Viet Nam are being forbidden to keep their weapons at the ready and can only arm their rifles when actual contact is made with the Viet Nameese.

Congressman Grover said that his own office contacted Army sources after receiving complaints from the parents of servicemen now in Viet Nam and had been told that the Army has also received complaints over the practice. Grover said that soldiers were forbidden to place a cartridge in the chamber of

their rifles until the "Viet Cong are all over us." Grover said: "I have demanded an investigation because such a policy can only mean additional losses in American lives. During my service in World War II, in China just north of Viet Nam, an area considerably less dangerous than the Viet Nameese combat zone, we slept with loaded revolvers within reach."

"If such a policy exists in South Viet Nam today, it should be explained. We should make every reasonable effort for the safety and morale of our fighting men."

**Today, there are two and only two ideal modern energy sources for heating...**

**Gas and Electricity.**

Over the years, various fuels were sources of energy for heating. As man progressed, he moved forward from crude wood fires to coal- and then oil-burning stoves and furnaces.

Today, the two ideal sources of energy for heat are the two modern ones, gas and electricity. Both are superbly efficient, both are clean and quiet. Neither has to be delivered or stored; they are both on tap, ready to be used the instant you need them. And you only pay for exactly the amount you use, after you have used it.

So if you're planning to buy, or build a new home, call LILCO and let them help you decide which of the two modern fuels is best for you. Either system will stay modern for the life of your house.

It's surprisingly easy to convert your present house, too. So why not join the "Comfortables" now. Move up to one of the two ideal energy sources for heat—electricity or gas—and start to live better immediately.

**LILCO**
