 HICKSVILLE, L. I., NEW YORK 10¢

Dec 31 Was Target:

Hicksville Public Library
 169 Jerusalem Ave., Hicksville

Evaluation Study Is Month Overdue

A research study in the measurement of the adequacy and quality of education provided by Hicksville Public Schools by the American Institutes for Research at a cost of \$15,000 had Dec. 31 as its target date for completion. The report is now more than a month overdue, it was learned this week.

Frederick A. Zehrer, project director for AIR, in a report dated Oct. 7 had set the target date. The study began on July 1 of last year with the purpose "to appraise the adequacy and quality of education in the Hicksville Public Schools".

In October, Zehrer said that a written report would be provided to the Board of Education, including pertinent findings and recommendations for action.

Dr. John C. Flanagan is president of AIR a Pittsburg organization, and he initially met with school administrators, principals, and special service super-

visors regarding the procedures to be employed.

In October, 200 selected students in grades 9 and 12 were given achievement and aptitude tests. There were other various surveys of graduates (classes of 1960 and 1964) with a high percentage of reply. The school district IBM equipment was used to provide test data on all students in grades four, six, nine and 12 in the 1965-66 school year. The AIR admitted in its October report that the IBM unit of the school district "saved days of work and excessive costs."

JOSEPH GRENNAN, center, Welfare Officer for Nassau Civil Defense, and Henry Brodbeck, (second from right), Hicksville - Jericho CD Director, point out map of "Welfare Areas" at a recent meeting of community CD leaders at Farmingdale Village Hall. Looking on are Kenneth Beecher, Deputy CD Director for Plainview, left, Charles Callahan, CD Director for Plainview, and Charles Julig, right, Deputy Nassau CD Director for the Zone 3 area.

Appoint Simins As PW Chief

County Executive Eugene H. Nickerson has announced the appointment of Herbert J. Simins of Jericho to the position of Commissioner of Public Works effective Feb. 15. He succeeds Eugene F. Gibbons who is leaving to return to private industry. Simins, 36, has been Senior Deputy Commissioner of Public Works since June, 1965. The Senior Deputy functions as chief of staff in implementing and coordinating all programs and activities. Before that he was Deputy Commissioner for Administration and Superintendent of Road Maintenance. His new position pays \$27,200 annually. Simins joined the County in

January of 1964, after an unsuccessful effort to seek election as Oyster Bay Town Highway Superintendent. Both an engineer and a lawyer, he graduated in 1950 from Brooklyn Polytechnic Institute with a degree in Civil Engineering and received his L.L.B. from Brooklyn Law School in 1958. He is a licensed professional engineer and has been admitted to the bar.

Prior to entering County service, Simins was associated with the Manhattan engineering firm of Brown Engineers in both capacities - as an engineer from 1953 to 1958 and from 1958 through 1963 as a general attorney and member of the

management staff. He is a member of the National Society of Professional Engineers, the American Society of Civil Engineers and the Association of the Bar of the City of New York.

Ben Franklin In Pre-Opening

Fredd Wayne, actor and writer who has made a specialty of his interpretations of the American scene, will appear in a pre-Broadway opening of "Benjamin Franklin, Citizen," on Sunday, Feb. 13th at 8:45 p.m. at the Jericho Jewish Center, Jericho. In the role of "Benjamin Franklin, Citizen" Wayne takes almost two hours in make-up.

Two Musical Evenings Here

Interact, a student organization at Hicksville High School, will sponsor two evenings of musical entertainment at the High School on Friday, March 4 and Saturday, March 5, the proceeds of which will be used to assist students and teacher-chaperones in the Foreign Language program to meet travel and living expenses this summer while the students study at colleges or universities in France, Spain, Italy and Austria.

The musical program, which has been arranged by Norbert Nagler of the Hicksville School District Foreign Language Dept. will feature the Junior High School Orchestra, the Madrigal Singers, Lone Island Brass Quintet, and singing of Bill Reynolds, who has appeared with the Metropolitan Chorus. The program will be the same on the two nights; however, the Orchestra will not appear on Saturday night, and will be replaced by the outstanding Hicksville recorder ensemble.

All funds raised by the affair will be administered by Interact, whose faculty adviser is Max Batista, a member of the Language Dept.

NEW AUDITORIUM SCENE OF DISCUSSION

On Tuesday, Feb. 15th, at 8:00 p.m., a film "Narcotics - The Decision" will be shown in the new auditorium at the Hicksville Public Library. Michael N. Pettio Oyster Bay Town Supervisor, will lead a discussion on drug addiction following the showing of the film. The program is sponsored by the Hicksville Public Library Asso. This Nassau County Narcotics Squad film is currently being shown to high school students in the Mid-Island area.

Offer Hamlet Three Evenings

The opening night of the High School Senior Play, "Hamlet," is rapidly approaching and this year's production may prove to be one of the best Hicksville has ever seen on the High School stage.

William Shakespeare's play is a passionate story of a brooding young man's revenge for his murdered father. The tragic boldness of the play and the exquisite power of Shakespeare's strong dialogue will be heightened by script revisions which will give the sweeping and ambitious actions of the players a new power. These actions are electric; the final bloody duel alone will make an adventure of the evening.

Director Joseph Cruella spoke of the talents of his cast. "This production of 'Hamlet' will be a stirring one because it is doubly blessed with a group of actors who are making full use of the piercing words of Shakespeare, and the vibrancy of their own youth and freshness."

Tickets for the show go on sale the week of Feb. 10th in the ticket booth at the High School. Prices are 75 cents, \$1, and \$1.25 for the nights of Feb. 17, 18, 19, respectively.

WOULD PROHIBIT CITY PAYROLL TAX

State Senator Henry M. Curran and Assemblyman Martin Ginsberg have jointly introduced a resolution in Albany amending the New York State constitution, which would prohibit the City of New York from taxing the payroll wages or other income earned in such city by any individuals residing in this state, but who do not reside in the city of New York.

Request Vietnam Addresses

The Veterans of Foreign Wars, William M. Gouse Jr. Post 3211, is requesting names and addresses of men who reside in the Hicksville postal area and are now serving in Vietnam so the Post can send them packages.

Names and APO listing can be sent to either: Commander Arthur Fuelling, 18 Broadway Place, Hicksville, or Chairman Robert Williams, 51 Oak St., Hicksville.

RESEMBLING A LARGE SPOKED WHEEL, the dome which will enclose the artificial ice rink at Cantlage Park, Hicksville, is well on its way to completion. The rink section of the pool and rink complex is expected to be ready by next fall with the pool available for use by this summer.

Our Men In Service

Navy Seaman Recruit Warren B. Doner, 18, son of Mr. and Mrs. Edward F. Doner of 36 Sally Lane, Plainview, is undergoing seven weeks of basic training at the Naval Training Center here.

POC Thomas J. Loughlin Jr., whose parents live at 21 Preston Lane, Hicksville, completed a field radio maintenance course at the U. S. Army School, Europe, in Lengries, Germany, Feb. 4.

Loughlin received instruction in fundamental radio theory, the principles of electricity and the use of signal generators and tube testers.

Michael T. Harges, whose wife, Nancy, is the daughter of Mr. and Mrs. M. Levine of 71 Briarwood Lane, Plainview, has been promoted to airman first class in the U. S. Air Force. Airman Harges is a training instructor at Sheppard AFB, Tex. He is a member of the Air Training Command which provides the flying, technical and specialized education programs for the Air Force.

Virginia Polytechnic Institute in Blacksburg announces formation of an Army Ranger Company on Feb. 4, comprising 80 of more than 250 Reserve Officer Training Corps members who volunteered for the unit.

Cadet Frederick E. Zepf Jr., whose parents live at 33 Westbury Ave., Plainview, was named for the unit. Selection was based on scholastic grades, physical ability and performance in the Corps of Cadets. Special training for the unit will include judo, karate and classes covering practices developed in Vietnam. The 19-year-old cadet is a 1964

graduate of Plainview High School.

Pvt. Michael E. Bordi, son of Edward J. Bordi, 64 Brenner Ave., Bethpage, completed advanced artillery training as a cannoneer at the Army Artillery and Missile School, Fort Sill, Okla., Feb. 3.

Bordi was trained to serve as a crewman in field artillery gun and howitzer units.

Airman Second Class Charles R. Walsh, son of Mr. and Mrs. Charles F. Walsh of 24 Helen Ave., Plainview, has been graduated at Keesler AFB, Miss., from the training course for U.S. Air Force radar repairmen.

Airman Walsh, a graduate of Plainview High School, is being assigned to North Charleston Air Force Station, S.C., for duty with the Air Defense Command.

Army Specialist Four Albert S. Matulis, 23, son of Mrs. Antonina Matulis, 100 Floral Ave., Bethpage, took part in Exercise Marine Manler, an 11-day field training exercise in Germany which ended Feb. 7.

Cadet Philip J. Pignataro, son of Mr. and Mrs. Vincent Pignataro of 131 E. Marie St., Hicksville, has been named to the Commandant's Merit List at the U. S. Air Force Academy. Cadet Pignataro, a member of the class of '68, will wear a special silver wreath insignia on his sleeve in recognition of his military excellence.

Engineer Second Class William E. Stolt, USN, son of Mr. and Mrs. William E. Stolt of 323 Richard Ave., Hicksville, is

Going to Missouri

ARTHUR F. NOETH, US Army, is home in Hicksville on 14 days leave after completing his basic training at Fort Dix, NJ, on Saturday. Col. Davis told the two hundred men in the company that everyone "deserves credit for the work during their eight week cycle". Noeth entered the Army on Dec 5 and was promoted to Private E2. He will report for duty at Fort Leonard Wood, Missouri, at the end of his leave.

participating in "Exercise High Time" as a member of this command.

BIRCH SOCIETY PROGRAM

A presentation of the John Birch Society will be held at the Hicksville Public Library, 169 Jerusalem Ave., on Wednesday Feb. 16, at 8:00 P.M. The public is cordially invited to attend. The announcement came from William P. Bennett of 5 Petal Lane, Hicksville.

Dear Lynda

All matter of utility concerns are busy reconnecting their installations and laying mains along Old Country Rd where all trees have been removed preparatory to widening. We say Hicksville Water Commissioner GEORGE KUNZ prowling the area, Monday, checking on the depth of frost (about one foot) where six inch 12 inch watermains are being set to replace inadequate six inch mains. This is a foretaste of what we can expect, even worse, when the widening of Broadway between Old Country Rd and the LIRR gets underway next year. Despite the freezing weather, work moves ahead on the installation of those long awaited mowing stairs for the Hicksville Station. Hank was telling us the other day that there had been plans to build a tunnel connecting the Mid Island Plaza parking area with the Sears parking field on the opposite side of North Broadway. According to his sources, this plan was dropped because the tunnel approaches would have killed off too much parking space on each side of the state highway. We see The Hawk is on a winter vacation at Paul's sunny rest home. Don't stay out of Hicksville for more than a week. You'll never know your way around when you come back. We were astounded at the changes wrought at the DAVIS farm corner where Bethpage Rd comes into North Bray.....

Half dollars seem to be in short supply. There was a false alarm of fire at Holy Family Church on Saturday morning. We met BILL BRUNO at the post office and he appears to have plans in the works for the upcoming school board election. The Mid Island Civic Assoc. of Hicksville will have a program on The Narcotics at the Wellett Ave School on Feb. 23. BLANCHE BAARSUJASKAS of 31 Ballard Lane, Hicksville, employed by Karlson and Reed, was a candidate for the title of "Miss Long Island Water Conference". Mr. and Mrs. MELTON BERESFORD of Hicksville were the parents of a daughter, Susan Leslie, at Huntington Hospital on Jan 29. The liquor license of Babylon Caterers Inc (Plaza Bar and Restaurant) at 206 Old Country Rd., Hicksville, was cancelled as of Feb. 4 for a number of violations by the State ABC...

Phone Co. To Spend Millions

New York Telephone has announced plans to spend \$134 million to improve and expand its service on Long Island during 1966. Many Nassau growth and modernization projects are included in the program. John E. Nicholson, Jr., Nassau general manager, said the 1965

program for the county includes the installation of additional switching equipment in the area headquarters building at 199 Fulton Avenue, Hempstead, to help meet Nassau's rising demand for communications services.

He added that two new microwave links will go into service between Nassau and New York City with a capacity of 1,200 simultaneous telephone conversations.

BISHOP DE WOLFE DIED ON SUNDAY

The Right Rev James Parnette DeWolfe, D.D., LL.D., S.T.D., the 4th Bishop of the Diocese of Long Island, died on Sunday evening, Feb. 6, at 5 o'clock in St. John's Episcopal Hospital, Brooklyn.

The burial office was read and a Requiem celebrated at 10:30 A.M., Wednesday, Feb. 9th, in the Cathedral of the Incarnation, Garden City. A clergy watch has been kept at the Cathedral, where the Bishop's body lay in repose from 4 p.m. Tuesday, Feb. 8 to the time of the funeral.

BEVERLY JO ARNOLD will graduate as a Dental Assistant from the Mandl School for Medical and Dental Assistants, Long Island Center, 175 Fulton Ave., Hempstead, on Tuesday, Feb. 8.

Miss Arnold is the daughter of Mr. and Mrs. Joseph J. Arnold of 175 Princess St., Hicksville. She is a 1965 graduate of Hicksville High School, where she was active in the Future Nurses Club and on the High School Yearbook Staff.

That Wonderful Tercentennial Parade:

GIANT BIRTHDAY CAKE, noting the 300th anniversary of the founding of Hicksville, rolled at the head of the tercentennial celebration parade held in 1948. The five tier cake was on display for 8-days. In the dark jacket on the float is Gertrude Wetterauer who was general chairman of the festive program. The little girl is the former Lynda Joyce Noeth (now Mrs. Anthony Scotti and the mother of three children.). Top layer of the cake was real food. The base was loaned to a New England community for its centennial and upon its return was utilized by the Trinity Lutheran Church in the celebration of its 100th anniversary. (Third in a series of photographs by Bowman and Brown).

All Around Town

The Lee Ave P.T.A. of Hicksville will introduce Mr. Nagler who is supervisor of the Foreign Language Department of Hicksville, on Feb. 18th. He accompanied the group of students to Puerto Rico last summer and will talk about the Foreign Language Program as it exists from first grade through high school. There will be illustrations, films taken while in Puerto Rico and also several students who made the trip.

The League of Women Voters of the Township of Oyster Bay is offering a free pamphlet entitled, "They Represent You", to all interested citizens. In it are listed the names and addresses of all elected officials who are tied politically to the community.

For a free copy, please send a self addressed stamped envelope to: Mrs. Ivan Hametz, 71 Scott Rd., Massapequa Pk.,

Miss Susan Schmitz, currently attending Claremont Secretarial School in Hicksville, enjoyed the three-day ski trip to Mount Snow, Vermont. The bruises were inevitable.

BOY SCOUT WEEK

Pageantry in Brass

By the St. Ignatius Girls Cadet Corps

What is a Marching and Manoeuvring Drum Corps?

What is a Marching And Manoeuvring Drum Corps? A marching and manoeuvring Drum Corps is an organization consisting of thirty-two horns, nine drummers, and a color guard of sixteen. These members vary according to the particular Drum Corps.

The horn line breaks down into soprano horns, french horns, mellotrons, baritone horns, bass baritones, euphoniums, and contrabass horns. The highest

In pitch of these horns is the soprano and the lowest is the contrabass.

The drum line consists of snare drums, tenor drums, cymbals, and bass drums.

The color guard is a very important part of the corps because it adds to the beauty of it with its flags and all the manoeuvres that can be done such as twirling them.

The horn line and drum line are taught by professional instructors. The drill or marching and manoeuvring is, also, taught by a professional instructor.

It takes a lot of people to run a Drum and Bugle Corps, thus we have a director, Mr. Thomas R. Costa, A Business Manager, Mr. Phillip H. Gietschler, who handles the arrangements concerning contests, exhibitions, and parades; a couple of quartermasters, who are in charge of equipment and driving the equipment truck; and many adults who help chaperone and take care of the personal needs of the Corps.

An M and M Drum Corps usually meets twice a week for rehearsals. One night is for drill and one night for music. Rehearsals last from two to three hours.

The discipline in a corps is very strict. To be in this type of corps the individual must be prepared to work hard and withstand an enormous amount of rigid training. But drum corps people love it because the rewards are great! Appreciation of the gifted musicians in a Drum Corps is too often lacking in today's public. How many know the long hours of rehearsal that go into perfecting the repertoire—the great dedication and determination that drum corps members have...yes, too often overlooked is the good that comes from this increasingly popular form of entertainment. It's really amazing what can be done with a one valve bugle and a pair of talented hands holding two pieces of wood that beat out some of the most difficult rhythms ever imagined.

Be sure to read next weeks column because we will describe

a Marching and Manoeuvring contest from the time the Corps steps on the field to the time it steps off.

This is Boy Scout Week

The spotlight is on the activities of the Boy Scouts of America until Feb. 13 when the national youth movement celebrates its 56th anniversary during Boy Scout Week.

For this long period of time, the Scout movement has helped to train boys from 8 years of age to manhood in the skills of growing up. A charter from Congress in 1916 recognized that Scouting supplements the home, church, and school in providing a program of character building, citizenship training, and physical fitness.

The Nassau County Council of the Boy Scouts of America has served the area since 1917 and has seen more than 250,000 boys participate as Cub Scouts, Boy Scouts, and Explorers. The total membership of the Boy Scouts at the present time has passed the 5 1/5 million mark.

Nickerson Tosses His Hat

Nassau County Executive Eugene H. Nickerson on Wednesday of this week officially announced his candidacy for the Democratic nomination for Governor of New York State.

Nickerson made known his decision in a one-day tour by car, helicopter and plane which took him to New York City, Albany, Buffalo, Rochester and Syracuse.

CHANGE OF DATE

The Special Meeting of the Hicksville Board of Education scheduled for Feb. 11, has been postponed to Feb. 18. This meeting will be held in the cafeteria at the Lee Ave. School at 8:15 P.M.

Dinner Dance For Local PBC

The Hicksville Police Boys Club, held its annual installation Dinner Dance on Saturday, Jan. 29.

The invocation was given by Joseph Madden. The honored guests who were present were: Asst. Ch. Inspector and Mrs.

Andrew Kirk; Sgt. and Mrs. John Kerr, Director of Recreation of Public Schools, Nassau County PBC President, Jerome Zettler and his wife, and County PBC Treasurer Robt. Birk and his wife.

There were plaques and cer-

tificates given to all the outgoing officers, together with the thanks for all the work they did for PBC during the year just ended. Outgoing Pres. Dolores Morehouse thanked the Ladies Auxiliary for their help and friendship and cooperation during her term of office.

This year's officers were sworn in by Nassau County President Zettler. The officers are, in the Men's Club, Pres. Robt. Williams, Vice Pres. Robert Millett, Treasurer William Kleitka, Secretary Emil Goodman, Trustee William Heinz, and Alt. Trustee Rupert Myers. In the Ladies Auxiliary, the incoming officers are, Pres. Marjorie Johnston, Vice Pres. Helen Wellman, Recording Secretary Jean Millett, Corresponding Secretary Evelyn Martin and Treasurer, Anne Craul.

Patrolman, Frank Darcy and Pres. Williams both thanked the Entertainment Committee, headed by Rupert Myers, for the many long hours and hard work put into making the evening the huge success it was. Pres. Williams thanked the sponsors and the Ladies Auxiliary for their help.

"Doing business on the cuff is a good way to lose your shirt," Omer Bridgman, The Baylis (Ill.) Guide.

EDITORIAL OPINION

Snow Removal Anyone?

Forty seven employees of the Nassau County Public Works Dept with heavy county snow removal vehicles housed on Cantlague Road in Hicksville were reported back in Nassau, yesterday, after seven days up in Syracuse, Oswego and Fulton.

We don't know who is going to pay those 47 men and the cost of gasoline, Thruway toll charges and what not during the past week, but we suspect that somehow the checks will be drawn upon the County of Nassau.

Meanwhile, some several hundred feet away from the DPW garage on Cantlague Road (namely Broadway, Hicksville) the gutters are still almost impassable with heavy ice ruts.

And here is the inconsistency. County Executive Eugene Nickerson, with his eyes upon the second floor of the state legislature at Albany and the office of the Governor, could find it possible to spare all this manpower and equipment on a foolish and expensive trip upstate (even Newsday admitted that the equipment got to Syracuse after the emergency was over and the men fell into their beds, exhausted after a 15-hour drive) to improve his upstate image, but ignore a real economic problem for the community within feet of the source of all this relief.

Sure, we know the answers: Broadway is a state highway and we are talking about county equipment. But did anyone ask questions in Syracuse, Oswego and Fulton as to whether or not they were cleaning Nassau County streets? If they had said yes, they would have had their collective heads examined.

The heroic and expensive trek to upstate New York by the snow plows of mercy was a wonderful publicity stunt. A look at some of the streets in our neck of the woods makes us wonder if the County of Nassau is financing Nickerson's bid for Governor.

Seek to Oust Cottage Owners

The Town of Oyster Bay has refused to extend the leases of some 28 cottage owners on Centre Island and hoped to get the trial under way on Monday, according to Councilman Edward J. Poulos.

Poulos stated that Chief Deputy Town Attorney Bernard F. McCaffrey and Eugene Hurley, attorney for the cottage owners, had met with District Court Judge I. Stanley Rosenthal in chambers to discuss the Town's position and move for joint action to start in Oyster Bay on Feb. 7. McCaffrey explained that since the facts and the leases in the cases are very similar the joint action would expedite the matter and have the cottages cleared in order to enable the Town to move ahead with

planned improvements on the Centre Island Beaches.

Recently Judge Rosenthal suggested a possible extension of those leases to the end of 1966. However, McCaffrey pointed out that these leases had expired in 1964 and the Town Board was unanimously opposed to any further delay.

Approve Changes

Town Councilman A. Carl Grunewald advises that the Town Board has approved new street lights in Hicksville as follows:

Two on Bank Lane, replacement of one on East St., one on Page Drive, one on York St., one on Terrace Place, six replacements on Mack and Ida Avenues, replacement on Ronald Ave.

In The Wind

By Dan Carroll

A walk up West Old Country Road in Hicksville this week was a challenge to the best of us. The dirt path in front of you would turn into a muddy swamp forcing you to the other side. A block or so later you are confronted with huge piles of sand next to a lowering red crane with its nose buried deep into the earth. You must take refuge into the street—only to run up against a hissing cement-breaker jarring the concrete below with its 19,000 pounds of thrust. Mammoth green dump trucks scurry about and you finally stop to wonder why this overwhelming event is taking place. The answer may be found in book 29 of the Proverbs: "Where there is no vision, the people perish." The future of Hicksville is seen to be a continuation of growth and expansion for the prosperity of its people. But in growing you also must experience growing pains. And this is the state of Old Country Road this week.

Zara Contracting Co., whose name may be seen on almost all the modern equipment along the road, is completely aware of the inconvenience that these growing pains are causing the merchants on either side. But the inconvenience is short lived because of the rapid pace set by the company. In only a few short days the center of activity moved many blocks away from its starting point. We now know what they mean when they say "you're ahead with Zara."

Vinnie Papaleoro, for instance, said it was only one or two days that business slowed down for his Sizzler Steak House. And even then problems were slight because his towering sign could be seen far above the construction. Vinnie features a top sirloin steak for only \$1.19 which is a good bet no matter what is going on outside.

Damage to business was also slight to Julie's Liquor Store. They offer a free delivery service which was used by customers who found parking a problem. Julie is located in the A & P Shopping Center next to Bill's Meat Market. The construction has moved eastward from this area so you can once again drive there and find plenty of parking space.

One of the places where parking did become very involved was around Roma Furniture. But this did not keep people away from the Grand Opening Sale which is still going on. Michael A. Morabito, who is an interior designer and manager of the new Roma Furniture, said his grand opening has been a tremendous success. People have been flocking in from all around the area to see the beautiful showrooms. Roma is located at 240 Old Country Road.

Frank's Alibi is another place unaffected by the construction. Although his front driveway has been clogged by utility trucks the past few days, there was plenty of parking in the rear. Business didn't drop off at all. Everybody enjoyed Frank's delicious Italian food this week as they do every week.

There are some types of business which thrive not on exterior adornment, but on interior craftsmanship. Electra-Craft at 249 Old Country Road falls into this category. Bill Kassel is fully equipped and authorized to repair the products of over sixty manufacturers. A woman customer with a broken skillet almost went right past the store because of the dump trucks outside, but quickly found her way to the only place of its kind in the area.

Finally we come to a business which has been really hoping due to the widening. Newbridge Lumber, at the corner of Old Country Road and Newbridge Road, has been making heavy deliveries of sheet rock and plywood to people in need of immediate replacements to their property. Newbridge Lumber can supply you with anything from a picture frame to a picket fence, as well as give you prompt, courteous service.

First in State

The Town Board has unanimously approved motion of Edward J. Poulos, Republican Majority Leader, to institute a dental insurance plan for the employees of the Town of Oyster Bay. This is the first municipality in New York State to provide such a plan, it is claimed. It is expected to cost the Town \$24,000 to \$30,000 a year.

LEE AVE. SCHOOL won the Hicksville School District Elementary Holiday Basketball Tournament. Each boy received an individual award. The team included Mark Remoli, David Remoli, Brian Pineili, Richard Levandov, William Kelly, Ronnie Schwartz, James Kishanak, Thomas Moran, Peter Humann, Charles Westerman, and Ronald Cipriano, Joseph Madden, Director of Recreation, presented the award to Quattrini, Coach of the team. All prizes for this tournament and throughout the year have been donated by the Elks Club of Hicksville.

Break First Place Tie In Bantams

Our Lady of Mercy CYO Bantam White Girls Basketball Team broke the first place tie with St. Edwards by defeating them at their gym, 23-15. The girls were paced by C. Carrney and P. Doepper in scoring. Pat Fazio did an admirable job when pressed into full time service. The White team remained undefeated when they met up with Our Lady of Mercy Blue Team on Sunday and defeated them by 28-14.

The Boys Grammar team led by D. McDermott defeated St. Raphael's in recording their third league victory.

The Boys Eastern A team met and lost to Notre Dame and dropped into their place in their C.Y.O. Division.

The Girls Tyro team, behind to Mater Christi by 10-2 after the first quarter, pulled out a 26-19 win when Carolyn White entered the game in the second quarter and led the girls to victory.

American Mutual Appoints Wilson

The American Mutual Liability Insurance Co., Wakefield, Mass., is happy to announce the appointment of Robert W. Wilson, as Sales Representative to its Levittown office.

Wilson lives at 6 Farm Lane, Levittown and will be the exclusive agent handling personal and Business lines insurance.

Hempstead Bank Increases Interest

Hempstead Bank has announced an increase in its interest rate to 5% per annum on one-year investment savings certificates purchased on or after Jan. 3. Certificates in denominations of \$1,000, \$5,000 and \$10,000 may be purchased by individuals, non-profit organizations and businesses with a maximum of \$100,000 to any one purchaser.

Vincent Alban of 26 Miller Circle, Hicksville, is being honored for his superior 1965 sales and service record at a national conference of The Equitable Life Assurance Society of the U. S. at the New York Hilton.

There are 521 places where you can go on your boat next summer.

But there's just one place to go for your boat loan now.

That's right. One cruising guide lists 521 harbors and anchorages. Why not let Meadow Brook help you with a boat loan now so you'll be ready to take off when cruising season starts? Use our flexible financing plan for any marine purchase: engine, mainsail, dinghy, yacht, you name it. You won't find lower rates or faster

service anywhere. Take up to three years to repay. (Five, in some cases.) Insurance included or not, as you like. We've been closely involved in boat financing for Long Islanders for years. We have 66 offices on the Island and in New York City—not one of them more than 9 miles from the water.

LEGAL NOTICE

NOTICE OF SALE
Supreme Court, Nassau County.
The Greater New York Savings
Bank, Plaintiff, against, James
W. McGarry, et al., Defendants.
Case No. 7061/1965. In pursuance
of a judgment of foreclosure and
sale dated December 6, 1965, 1,
the undersigned, the Referee in
said judgment named, will sell
at public auction, at the North
Front Steps of the Nassau County
Courthouse, Old Country Road,
Mineola, Nassau County,
New York, on the 16th day of
February, 1966, at 9:30 o'clock in
the forenoon of that day, the
premises described in and di-
rected by said judgment to be
sold, being at Hicksville, in the
Town of Oyster Bay, County of
Nassau and State of New York,
known and designated as Lot num-
ber 5 in Block 324 on a certain
map entitled, "Map of Zelmour
Homes, Section 3, situated at
Hicksville, Town of Oyster Bay,
County of Nassau, New York,
surveyed May, 1952 by William
L. Fredericks, L.L.S., Jamaica,
N. Y." and filed in the Office
of the Clerk of the County of
Nassau on October 16, 1952 as
Map number 5588, which said lot,
according to said map, is situate
on the northeasterly side of Jolan
Avenue, distant 55 feet south-
westerly from the extreme
southerly end of the arc of
curve connecting the north-
easterly side of Jolan Avenue
with the southeasterly side of

NEWLY FORMED Cultural Committee of the Barnes Avenue P.T.A. of Hicksville is bubbling over with enthusiasm. Exciting programs are now possible because of parents' fund raising endeavors. This Friday Feb. 11th, The Blue Peacock Players, Edmatti and Evans, will perform in an artful blending of the dance, music, drama, costumes, and customs of India, Bali, and Siam. (Scene above).

The Cultural Committee was also proud to sponsor the young Hicksville Recorder Consort when it played for the New York State Music Convention at the Concord Hotel in December.

Operation VFW

William M. Gouse Jr.
Post No. 3211
by Eddie Klebing

That was quite a turnout he had last week at our annual Voice of Democracy awards. The program was well received by all those who attended. Sandra Rosenblatt, Linda Germain and David Federbush, the winners, were in top form when they delivered their winning scripts. The Hicksville Police Boys Club Band sounded great when they played the National Anthem. Everybody who came passed an enjoyable evening. County Commander Warren Bertie, Sr. Vice Commander Richard Kelsh and Surgeon Al Villari, all from County Council, agreed it was one of the best they've seen. So, we want to Thank all the students who participated in the contest for helping us to make it the enjoyable evening it was. And a special thanks to Mr. and Mrs. Voice of Democracy, chairmen, Jim and Doris Klueg for putting together what we think was a terrific evening.

Commander Art Fuelling appointed Harry Wurth, 1966 Buddy Poppy chairman, who will have Frank Blesi, Frank Auz and Bob Williams to assist him. Ken Woods was the raffle winner at our last meeting. We also want to welcome new member, Rupert Meyers to our fold and wish him luck. The bingo committee is looking for help particularly in the early evening before 8 P.M. If you can spend a few hours helping your comrades, we'll be glad to have you.

Well it looks like a Cold War GI bill may get off the ground very soon. This Monday, February 7, the Committee on Veterans Affairs, headed by Olin Teague will submit to the House their version of a Cold War G.I. Bill. It is similar to the one passed by the Senate. GIs keep your fingers crossed. This could be it.

Service men leaving the service should remember that you have a right to get your old job back as provided in the Selective Service Act. Your employer must restore you to the same or comparable job with no loss in seniority or cut in pay. You have ninety days after leaving the service to apply, and if turned down, you can get assistance from the Labor Department's Bureau of Veterans Reemployment Rights.

Just recently, last week as a matter of fact, the newspapers carried a paragraph indicative to the Army philosophy of "Hurry up and wait." It seems about three years ago the 479th Quartermasters Army Reserve Corps at Topeka Kansas requisitioned a truck mounted radio van for its use. Just about two weeks ago, two radio vans arrived—30 days before the unit was to be deactivated.

IRVING A. JAMES, of Jericho, center, takes the oath as first Commissioner of Commerce and Industry for the Town of Oyster Bay. Administering the oath is Town Clerk William B. O'Keefe, left, Councilman Edward J. Paulos, Town Board Majority Leader, recommended James to head the Town's newest department. The department will assist prospective as well as existing industry in the Town, it was said.

Warns Drivers On School Buses

Nassau Police Commissioner Francis B. Loomer today warned the driving public to heed the law regarding school buses. "In Nassau County," he said, "it is unlawful to pass stopped school buses from either direction."

The New York State Vehicle and Traffic Law makes it unlawful to pass a school bus stopped on a highway to pick up or discharge school children. The buses designated school buses are yellow and display a large red light on the front and rear which flash when the bus is stopped to take-on or discharge passengers. Any vehicle approaching a stopped school bus from either direction must stop until the bus resumes motion, or until signalled by the bus driver or a police officer to proceed.

Though more than 1,000 summonses were issued last year for this offense, the violations continue to present a formidable traffic hazard. Apparently many New York City residents are unfamiliar with the law because Section 1174 does not apply to New York City. Many reports of the violation occur in communities near the city line and many of the persons summoned live in the city.

CASEY FOR CONGRESS campaign officially got under way Feb. 5 at William J. Casey's election headquarters at 14 Plaza Road, Greenvale. On hand were, left to right, Mrs. William J. Casey, daughter Bernadette, and Casey who is seeking the Republican nomination for Congress from the Third Congressional District on Nassau County's North Shore.

COMETS STILL IN ORBIT... "To reach the top in High School Basketball", the experts might possibly say... "It takes, Play-making par-excellence, an abundance of fast breaking skyscrapers & a 99% headlock on the everyday intangibles". And if names could be bundled about, we could well imagine, Comet Basketball Coach, Ed Petro & his new Asst. Bud Bryan, readily nodding their heads in (4-14, 14-4 & 2 deep in County Playoffs) agreement... and for that matter, so would the loyal members of the "Comet Rootin' Fraternity," who like all other diehards, have become accustomed to howling at the moon, in Section strongholds. "But this year BCIREON (before Corrigan is ruled eligible or not) could or could not be the cause that refreshes", the insiders agree, as 5' 9" Jim Bergholtz, Cometland's answer to Harry Houdini, leads his four man Squadron of ball-hawks to the upper stratum in County Basketball Circles.

Hicksville had been rated 10th in the County by both Newsday and the Press, at the beginning of the season but now that the smoke of battle has cleared a bit, the Comets have progressed to a

Post 5 rating. They had been winging, (before last Friday's fracas with Farmingdale) with a 6-0 league mark (8-2 overall); having dropped the first two games of the season (Non-league affairs) to St. Agnes, last year's Catholic League Champs & highly touted Westbury, runners-up for last year's County Title. Both games were lost by 2pt. margins & if excuses are to be accepted, chalk up INTANGIBLE #1, by virtue of the Comets, 2 crack starters, Bill Corrigan and Jim Webb, riding the bench in the Westbury Hill. Intangible #2 took place last Friday nite, when the Corrigan-less Comets were derailed by the Dalers and Intangible #3 might, even now be preparing to rear its ugly head. So with these pleasant thoughts in mind, let's at least read the fine print on the score cards and get a rundown on the Who's Who & the What's What in the Hicksville Court Heirarchy. These are the guys that had been slowly embalming Coaches Ed Petro & Bud Bryan with that evil virus, known as County Championship Fever....

GUY VAN WAGENEN... 6' 7" Sr. Reputed to be one of the best Schoolboy Centers on the Island. Capable of every kind of shot in the book... Is averaging 22 pts. per game and had a game high of 41 against Farmdale in the first time around. BILL CORRIGAN, JIM WEBB Srs. Both 6' 4", front-line bruisers. Corrigan is averaging 14 pts per game. Webb is the leading rebounder with Corrigan a close second. MIKE MASCIELLO... 6' 1" Sr... "One of the most aggressive ballplayers in the History of Hicksville High", both Petro & Bryan agree... "The team goes when he's on the floor". JIM BERGHOLTZ... 5' 9" Jr. ... "A Court General & ball-handler that has no peers"... "Better than the best that came & went"... "Will be at the top when County honors are up for grabs", are the consensus of all opinions. Bergholtz holds the lead in assists & is averaging 12 pts. per game. FRANK MULLIGAN 6' 3" Sr... The 6th man who contributes an average of 10 pts per game. Bill Fordyce, Bob Klarin & Bill Doherty round out the Srs. on the squad. The others scheduled to see their share of action next year are Juniors... Rollin McClain, Jack Burke, Jeff Doolittle, & a 6' 11" Sophomore, Dwight Erich. Bergholtz the '66 Jr. with Sr. ideas will be back to spark the Comets, the next time around. And if you turn up the hearing aid a bit, & discount the everyday intangibles in High School Sports, you'll dream sugar plump thoughts of a County Championship.

BILL'S MEAT MARKET
